

H. B. No. 129
As Introduced

_____ moved to amend as follows:

In line 2 of the title, after "4740.12" insert ", 4740.13" 1

In line 10, after "4740.12" insert ", 4740.13" 2

After line 463, insert: 3

"Sec. 4740.13. (A) ~~No~~ Except as provided in division (E) 4
of this section, no person shall act as or claim to be a type of 5
contractor that this chapter licenses unless that person holds 6
or has been assigned a license issued pursuant to this chapter 7
for the type of contractor that person is acting as or claiming 8
to be. 9

(B) Upon the request of the appropriate specialty section 10
of the Ohio construction industry licensing board, the attorney 11
general may bring a civil action for appropriate relief, 12
including but not limited to a temporary restraining order or 13
permanent injunction in the court of common pleas of the county 14
where the unlicensed person resides or is acting as or claiming 15
to be a licensed contractor. 16

(C) A contractor licensed under this chapter may install, 17

service, and maintain the related or interfaced control wiring 18
for equipment and devices related to their specific license, on 19
the condition that the control wiring is less than twenty-five 20
volts. 21

(D) A person is not an electrical contractor subject to 22
licensure under this chapter for work that is limited to the 23
construction, improvement, renovation, repair, testing, or 24
maintenance of the following systems using less than fifty volts 25
of electricity: fire alarm or burglar alarm, cabling, tele-data 26
sound, communication, and landscape lighting and irrigation. 27

(E) A person may act as or claim to be a roofing 28
contractor without holding or being assigned a roofing 29
contractor's license issued pursuant to this chapter on a 30
construction project for which the installation, repair, 31
maintenance, or alteration of the roofing system is fairly 32
estimated to cost less than twenty thousand dollars. No person 33
shall subdivide a construction project into component parts so 34
that the cost of the roofing system is fairly estimated to be 35
less than twenty thousand dollars unless the project's component 36
parts are conceptually separate and unrelated to each other or 37
encompass independent and unrelated needs." 38

In line 495, after "4740.12" insert ", 4740.13" 39

The motion was _____ agreed to.

SYNOPSIS 40

Licensure exemption--roofing system below \$20,000 41

R.C. 4740.13

42

Permits a roofing contractor to work on a nonresidential 43
construction project without holding or being assigned a roofing 44
contractor license created by the bill, provided the work is 45
fairly estimated to be valued at less than \$20,000. 46

Prohibits subdividing a project into parts so the cost of 47
the roofing system is fairly estimated to be less than \$20,000, 48
unless the parts are conceptually separate and unrelated to each 49
other, or encompass independent and unrelated needs. 50
