Retroactivity 6

R.C. 2953.23 7

Retains the provision that allows a person to file a 8
second or successive petition for post-conviction relief if all 9
of the following apply: 10

- The person was convicted of a felony. 11

- The petitioner's petition was based on qualifying DNA testing.	12 13
- The results of the qualifying DNA testing establish by clear and convincing evidence actual innocence of that felony offense.	14 15 16
Removes the provision in the bill that makes the above provisions remedial and retroactive.	17 18
