**R.C. 101.62 and 103.27 (removed)** 7

Eliminates the bill's expansion of the definition of 8  
 "occupational licensing board" for purposes of the General 9  
 Assembly's statutorily required review of those boards to 10  
 include boards that issue certifications and business licenses 11

that require an applicant to satisfy a personal qualification. 12

Eliminates the bill's expansion of the scope of the 13  
Legislative Service Commission's (LSC) statutorily required 14  
review of occupational regulations to include business licenses 15  
that require an applicant to satisfy a personal qualification. 16

Eliminates the bill's clarification that LSC must continue 17  
to issue reports regarding all occupations subject to regulation 18  
by the state, including business licenses that require the 19  
applicant to satisfy a personal qualification, after January 1, 20  
2025. 21
