SYNOPSIS 12

<b>Special needs database changes</b>	13
<b>R.C. 128.29</b>	14
Requires a person with a special need to present	15
documentary evidence of the special need prior to registration	16
in the special needs database.	17
Allows the Steering Committee to delete and remove a	18
person's information from the database if no update or	19
verification is received from the person after three years,	20
rather than after one year as in the bill.	21
Requires the Steering Committee to consult with the	22
Departments of Developmental Disabilities and Mental Health and	23
Addiction Services when adopting rules.	24
Adds the Department of Developmental Disabilities to the	25
list of agencies that are involved in public outreach regarding	26
the special needs database.	27
