Sec. 9.51. (A) The general assembly designates the honor and 626
remember flag as the symbol of Ohio's concern and commitment to 627
honoring and remembering the service members of the United States 628
armed forces who have lost their lives while serving or as a 629
result of service, and to honoring and remembering the families of 630
fallen service members. 631

The honor and remember flag's red field represents the blood 632
shed by brave men and women who sacrificed their lives for 633
freedom; the flag's white field and border recognizes the purity 634
of that sacrifice; the flag's blue star is a symbol of active 635
service in military conflict that dates back to World War I; the 636
flag's gold star signifies the ultimate sacrifice of a warrior in 637
active service who is not returning home and reflects the value of 638

the life given; the flag's folded flag element highlights this 639
nation's final tribute to a fallen service member and a family's 640
sacrifice; and the flag's flame symbolizes the eternal spirit of 641
the departed. 642

(B) The general assembly encourages the display of the honor 643
and remember flag during normal business hours at any public 644
building in the state, and at any location during a military 645

and remember flag should fly below, and be not larger than, the 655
United States flag. When displayed from adjacent staffs, the 656
United States flag should always be placed to the flag's own right 657
of other flags, per 4 U.S.C. 7(f). When three or more flags are 658
displayed from the same halyard or staff, the honor and remember 659
flag should always be positioned below all others. 660

as a substitute. The ~~chairperson, vice chairperson,~~ chairpersons 688
and members of the committee shall serve until their respective 689
successors are appointed or until they are no longer members of 690
the general assembly. When a vacancy occurs among the officers or 691
members of the committee, it shall be filled in the same manner as 692
the original appointment. 693

Notwithstanding section 101.26 of the Revised Code, the 694
members, when engaged in their duties as members of the committee 695
on days when there is not a voting session of the member's house 696
of the general assembly, shall be paid at the per diem rate of one 697

which shall be paid from the funds appropriated for the payment of 699
expenses of legislative committees. 700

The committee has the same powers as other standing or select 701

committees of the general assembly. Six members constitute a 702
quorum. The concurrence of six members is required for the 703
recommendation of a concurrent resolution invalidating a proposed 704
rule under section 106.021 of the Revised Code. The concurrence of 705
seven members is required for the recommendation of a concurrent 706
resolution invalidating an existing rule under section 106.031 of 707

When a member of the committee is absent, the president or 709
speaker, as the case may be, may designate a substitute from the 710
same house and political party as the absent member. The 711
substitute shall serve on the committee in the member's absence, 712
and is entitled to perform the duties of a member of the 713
committee. For serving on the committee, the substitute shall be 714
paid the same per diem and necessary traveling expenses as the 715
substitute would be entitled to receive if the substitute were a 716
member of the committee. 717

The president or speaker shall inform the executive director 718
of the committee of a substitution. If the executive director 719
learns of a substitution sufficiently in advance of the meeting of 720
the committee the substitute is to attend, the executive director 721
shall publish notice of the substitution on the internet, make 722
reasonable effort to inform of the substitution persons who are 723
known to the executive director to be interested in rules that are 724
scheduled for review at the meeting, and inform of the 725
substitution persons who inquire of the executive director 726
concerning the meeting. 727

The committee may meet during periods in which the general 728
assembly has adjourned. 729

At meetings of the committee, the committee may request an 730
agency, as defined in section 106.01 of the Revised Code, to 731
provide information relative to the agency's implementation of its 732
statutory authority. 733

A member of the committee, and the executive director and staff of the committee, are entitled in their official capacities to attend, but not in their official capacities to participate in, a public hearing conducted by an agency on a proposed rule.

The executive director serves at the pleasure of the president and speaker by mutual consensus. The executive director may employ such technical, professional, and clerical employees as are necessary to carry out the powers and administrative duties of the committee.

Sec. 101.352. If the joint committee on agency rule review becomes aware that an agency subject to its jurisdiction is relying upon a principle of law or policy that, under section 121.93 of the Revised Code, should have been supplanted by its restatement in a rule, the chairperson of the joint committee responsible for calling and conducting meetings under section 101.35 of the Revised Code, in ~~the~~ that chairperson's sole discretion, may request the agency to appear before the joint committee to address why, notwithstanding section 121.93 of the Revised Code, it is so relying. The request shall specify the time and place at which a designee of the agency is to appear before the joint committee to address, and to answer the joint committee's questions concerning, the agency's reliance. The date set for the appearance shall be not earlier than thirty days after the joint committee transmits the request to the agency. The joint committee shall transmit the request to the agency electronically. The joint committee also shall publish the request on its web site, as part of the relevant meeting agenda, and shall indicate in conjunction with the published request that any person is invited to appear before the joint committee when the agency appears to offer and make comments to the joint committee concerning the agency's reliance.

Upon receiving the request, the agency shall designate a suitable agency officer or employee to appear on behalf of the agency before the joint committee as directed in the request. The agency electronically shall notify the joint committee of the name, title, telephone number, and electronic mail address of the officer or employee who has been designated to appear before the joint committee in response to the request.

Upon appearing before the joint committee, the agency's designee shall address why the agency is relying upon a principle of law or policy that, notwithstanding section 121.93 of the Revised Code, has not been supplanted by its restatement in a rule. The members of the joint committee may question the agency's designee concerning the agency's reliance. Any person may offer and make comments to the joint committee concerning the agency's reliance.

After the appearance has concluded, the joint committee, by vote of a majority of its members, in writing may recommend to the agency that it supplant the principle of law or policy that it is relying upon by its restatement in a rule. The joint committee shall support its recommendation with a brief rationale of why, under section 121.93 of the Revised Code, the principle of law or policy should be supplanted by its restatement in a rule. The joint committee shall transmit the recommendation electronically to the agency.

After receiving the recommendation from the joint committee, the agency shall commence the rule-making process as soon as it is reasonably feasible to do so, but not later than the date that is six months after the recommendation was received. The principle of law or policy as it is restated in a rule does not need to be wholly congruent with the supplanted principle of law or policy. The agency lawfully may improve or develop further the supplanted principle of law or policy as it is restated in a rule.

The agency may continue to rely upon the principle of law or policy, but only while it is complying with the preceding paragraph. The agency may not rely upon the principle of law or policy in advising with regard to or in determining the rights or liabilities of a person if the agency fails to commence the rule-making process by the deadline specified in the preceding paragraph, or if, after commencing the rule-making process, the agency neglects or abandons the rule-making process before it is completed.

Sec. 101.353. If the joint committee on agency rule review becomes aware, such as through its own inquiries or by receiving complaints from interested parties or stakeholders, that an agency subject to its jurisdiction is required expressly or impliedly by a statute to adopt a rule but appears neither to have done so nor to have commenced the rule-making process, the chairperson of the joint committee responsible for calling and conducting meetings under section 101.35 of the Revised Code, in ~~the~~ that chairperson's sole discretion, may request the agency to appear before the joint committee to address its apparent dereliction. The request shall specify the time and place at which a designee of the agency is to appear before the joint committee to address, and answer the joint committee's questions concerning, the agency's apparent dereliction. The request shall identify the statute that expressly or impliedly requires rule-making and that apparently has not been complied with. The joint committee shall transmit the request to the agency electronically. The joint committee also shall publish the request on its web site, and shall indicate in conjunction with the published request that any person is invited to appear before the joint committee when the agency appears to offer and make comments to the joint committee concerning the agency's apparent dereliction.

Upon receiving the request, the agency shall designate a

suitable agency officer or employee to appear on behalf of the 829
agency before the joint committee as directed in the request. The 830
agency electronically shall notify the joint committee of the 831
name, title, telephone number, and electronic mail address of the 832
officer or employee who has been designated to appear before the 833
joint committee in response to the request. 834

Upon appearing before the joint committee, the agency's 835
designee shall address why the agency apparently has neither 836
adopted a rule nor commenced the rule-making process as expressly 837
or impliedly required by the statute. The members of the joint 838
committee may question the agency's designee concerning the 839
agency's apparent dereliction. Any person may offer and make 840
comments to the joint committee concerning the agency's apparent 841
dereliction. 842

After the appearance has concluded, the joint committee, by 843
vote of a majority of its members, in writing may advise the 844
agency to commence rule-making proceedings under the statute, as 845
soon as it is reasonably feasible for the agency to do so. The 846
joint committee shall transmit the advisory electronically to the 847
agency. The joint committee also shall publish the advisory on its 848
web site. 849

with sections 121.95, 121.951, 121.952, and 121.953, ~~and 121.954~~ 855
of the Revised Code. 856

(B)(1) Not later than June 15, 2022, the executive director 857
of the joint committee shall prepare a report aggregating the base 858
inventories received from state agencies under section 121.95 of 859

the Revised Code. 860

received from state agencies for the preceding fiscal year. In the 864
report, the executive director also shall describe the work of the 865
joint committee over the preceding fiscal year with respect to 866
reduction of regulatory restrictions and shall indicate, out of 867
the total number of regulatory restrictions inventoried by state 868
agencies, the percentage by which state agencies have reduced 869
those regulatory restrictions. The report also shall provide 870
recommendations for statutory changes, where appropriate, brought 871
to the attention of the joint committee as contributing to the 872
adoption of regulatory restrictions. 873

(3) The executive director shall submit the report required 874
under divisions (B)(1) and (2) of this section to the members of 875
the joint committee, which shall publish the report on its web 876

and fiscal analysis with the joint committee. If the revised 1110
proposed rule is filed thirty-five or fewer days after the 1111
original version of the proposed rule was filed, the joint 1112
committee shall review the revised proposed rule and revised rule 1113
summary and fiscal analysis, and an invalidating concurrent 1114
resolution may be adopted, not later than the sixty-fifth day 1115
after the original version of the proposed rule was filed. If, 1116
however, the revised proposed rule is filed more than thirty-five 1117
days after the original version of the proposed rule was filed, 1118
the joint committee shall review the revised proposed rule and 1119
revised rule summary and fiscal analysis, and an invalidating 1120
concurrent resolution may be adopted, not later than the thirtieth 1121
day after the revised proposed rule was filed with the joint 1122
committee. 1123

(B) If, after filing a proposed rule and rule summary and 1124
fiscal analysis with the joint committee, an agency determines 1125
that it needs additional time to consider the proposed rule and 1126
possibly file a revised proposed rule, the agency may notify the 1127
joint committee of the agency's intention to file a revised 1128
proposed rule. When the agency notifies the joint committee of its 1129
intention to file a revised proposed rule, the running of the time 1130
within which an invalidating concurrent resolution may be adopted 1131

is tolled. 1132

If, after notifying the joint committee of the agency's 1133
intention to file a revised proposed rule, the agency makes a 1134
revision in the proposed rule, the agency shall file the revised 1135
proposed rule and a revised rule summary and fiscal analysis with 1136
the joint committee. If the revised proposed rule is filed 1137
thirty-five or fewer days after the agency filed the original 1138
version of the proposed rule, the joint committee shall review the 1139
revised proposed rule and revised rule summary and fiscal 1140
analysis, and an invalidating concurrent resolution may be 1141
adopted, not later than the sixty-fifth day after the agency filed 1142
the original version of the proposed rule. If, however, the 1143
revised proposed rule is filed more than thirty-five days after 1144
the agency filed the original version of the proposed rule, the 1145
joint committee shall review the revised proposed rule and revised 1146
rule summary and fiscal analysis, and an invalidating concurrent 1147
resolution may be adopted, not later than the thirtieth day after 1148
the revised proposed rule is filed with the joint committee. 1149

(C) When ~~the~~ an original or revised version of a proposed 1150
rule and rule summary and fiscal analysis is filed with the joint 1151
committee in December or in the following January before the first 1152
day of the legislative session, the joint committee shall review 1153
the proposed rule and rule summary and fiscal analysis, and an 1154
invalidating concurrent resolution may be adopted, as if the 1155
original version of the proposed rule and rule summary and fiscal 1156
analysis had been filed with the joint committee on the first day 1157
of the legislative session in the following January. If, however, 1158
the original version of a proposed rule and rule summary and 1159
fiscal analysis have been pending before the joint committee for 1160
more than thirty-five days, and the proposed rule and rule summary 1161
and fiscal analysis are revised in December or in the following 1162
January before the first day of the legislative session, the joint 1163

committee shall review the revised proposed rule and revised rule 1164
summary and fiscal analysis, and an invalidating concurrent 1165
resolution may be adopted, not later than the thirtieth day after 1166
the first day of the legislative session in the following January. 1167

(D) A revised proposed rule supersedes each earlier version 1168
of the same proposed rule. 1169

(E) The joint committee shall endeavor not to hold its public 1170
hearing on a proposed rule earlier than the forty-first day after 1171
the proposed rule was filed with the joint committee. The 1172
chairperson of the joint committee responsible for calling and 1173
conducting meetings under section 101.35 of the Revised Code may 1174
select a date for the committee's public hearing on a proposed 1175
rule that is earlier than the forty-first day after the proposed 1176
rule was filed. 1177

Sec. 106.031. If an agency, on the basis of its review of a 1178
rule under section 106.03 of the Revised Code, determines that the 1179
rule does not need to be amended or rescinded, proceedings shall 1180
be had as follows: 1181

(A)(1) If, considering only the standard of review specified 1182
in division (A)(7) of section 106.03 of the Revised Code, the rule 1183
has an adverse impact on businesses, the agency shall prepare a 1184
business impact analysis that describes its review of the rule 1185
under that division and that explains why the regulatory intent of 1186
the rule justifies its adverse impact on businesses. If the rule 1187
does not have an adverse impact on businesses, the agency may 1188
proceed under division (B) of this section. 1189

(2) The agency shall transmit a copy of the full text of the 1190
rule and the business impact analysis electronically to the common 1191
sense initiative office. The office shall make the rule and 1192
analysis available to the public on its web site under section 1193
107.62 of the Revised Code. 1194

(3) The agency shall consider any recommendations made by the office. 1195
1196

(4) Not earlier than the sixteenth business day after transmitting the rule and analysis to the office, the agency shall either (a) proceed under divisions (A)(5) and (B) of this section or (b) commence, under division (B)(1) of section 106.03 of the Revised Code, the process of rescinding the rule or of amending the rule to incorporate into the rule features the recommendations suggest will eliminate or reduce the adverse impact the rule has on businesses. If the agency determines to amend or rescind the rule, the agency is not subject to the time limit specified in division (B)(1) of section 106.03 of the Revised Code. 1197
1198
1199
1200
1201
1202
1203
1204
1205
1206

(5) If the agency receives recommendations from the office, and determines not to amend or rescind the rule, the agency shall prepare a memorandum of response that explains why the rule is not being rescinded or why the recommendations are not being incorporated into the rule. 1207
1208
1209
1210
1211

(B) The agency shall assign a new review date to the rule. The review date assigned shall be not later than five years after the immediately preceding review date pertaining to the rule. If the agency assigns a review date that exceeds the five-year maximum, the review date is five years after the immediately preceding review date. The immediately preceding review date includes the date of the review of a rule under section 106.032 of the Revised Code. 1212
1213
1214
1215
1216
1217
1218
1219

~~(C)(1)~~(C) The agency shall file all the following, in electronic form, with the joint committee on agency rule review, the secretary of state, and the director of the legislative service commission: a copy of the rule specifying its new review date, a complete and accurate rule summary and fiscal analysis, and, if relevant, a business impact analysis of the rule, any recommendations received from the common sense initiative office, 1220
1221
1222
1223
1224
1225
1226

and any memorandum of response. 1227

~~(2) Subject to section 106.05 of the Revised Code, the joint 1228
committee does not have jurisdiction to review, and shall reject, 1229
the filing of a rule under division (C)(1) of this section if, at 1230
any time while the rule is in its possession, it discovers that 1231
the rule has an adverse impact on businesses and the agency has 1232
not complied with division (A) of this section. The joint 1233
committee shall electronically return a rule that is rejected to 1234
the agency, together with any documents that were part of the 1235
filing. Such a rejection does not preclude the agency from 1236
refiling the rule under division (C)(1) of this section after 1237
complying with division (A) of this section. When the filing of a 1238
rule is rejected under this division, it is as if the filing had 1239
not been made. 1240~~

(D) The joint committee shall publish notice of the agency's 1241
determination not to amend or rescind the rule in the register of 1242
Ohio for four consecutive weeks after the rule is filed under 1243
division (C) of this section. 1244

(E) During the ninety-day period after a rule is filed under 1245
division (C) of this section, but after the four-week notice 1246
period required by division (D) of this section has ended, the 1247
joint committee may recommend to the senate and house of 1248
representatives the adoption of a concurrent resolution 1249
invalidating the rule if the joint committee finds any of the 1250
following: 1251

(1) The agency improperly applied the standards in division 1252
(A) of section 106.03 of the Revised Code in reviewing the rule 1253
and in determining that the rule did not need amendment or 1254
rescission. 1255

(2) The rule has an adverse impact on businesses, and the 1256
agency has failed to demonstrate through a business impact 1257

analysis, recommendations from the common sense initiative office, 1258
and a memorandum of response that the regulatory intent of the 1259
rule justifies its adverse impact on businesses. 1260

(3) If the rule incorporates a text or other material by 1261
reference, any of the following applies: 1262

(a) The citation accompanying the incorporation by reference 1263
is not such as reasonably would enable a reasonable person to whom 1264
the rule applies readily and without charge to find and inspect 1265
the incorporated text or other material; 1266

(b) The citation accompanying the incorporation by reference 1267
is not such as reasonably would enable the joint committee readily 1268
and without charge to find and inspect the incorporated text or 1269
other material; or 1270

(c) The rule has been exempted in whole or in part from 1271
sections 121.71 to 121.74 of the Revised Code on grounds the 1272
incorporated text or other material has one or more of the 1273
characteristics described in division (B) of section 121.75 of the 1274
Revised Code, but the incorporated text or other material actually 1275
does not have any of those characteristics. 1276

(4) If the agency is subject to sections 121.95, 121.951, 1277
121.952, and 121.953 of the Revised Code, the agency has failed to 1278
justify the retention of a rule containing a regulatory 1279
restriction. 1280

(5) The rule implements a federal law or rule in a manner 1281
that is more stringent or burdensome than the federal law or rule 1282
requires. 1283

If the agency fails to comply with section 106.03 or 106.031 1284
of the Revised Code, the joint committee shall afford the agency 1285
an opportunity to appear before the joint committee to show cause 1286
why the agency has not complied with either or both of those 1287
sections. If the agency appears before the joint committee at the 1288

time scheduled for the agency to show cause, and fails to do so, 1289
the joint committee, by vote of a majority of its members present, 1290
may recommend the adoption of a concurrent resolution invalidating 1291
the rule for the agency's failure to show cause. Or if the agency 1292
fails to appear before the joint committee at the time scheduled 1293
for the agency to show cause, the joint committee, by vote of a 1294
majority of its members present, may recommend adoption of a 1295
concurrent resolution invalidating the rule for the agency's 1296
default. 1297

When the joint committee recommends that a rule be 1298
invalidated, the recommendation does not suspend operation of the 1299
rule, and the rule remains operational pending action by the 1300
senate and house of representatives on the concurrent resolution 1301
embodying the recommendation. If the senate and house of 1302
representatives adopt the concurrent resolution, the rule is 1303
invalid. If, however, the senate and house of representatives do 1304
not adopt the resolution, the rule continues in effect, and shall 1305
next be reviewed according to the new review date assigned to the 1306
rule. 1307

Sec. 106.032. If the chairperson of the joint committee on 1308
agency rule review responsible for calling and conducting meetings 1309
under section 101.35 of the Revised Code becomes aware that an 1310
existing rule has had or is having an unintended or unexpected 1311
effect on businesses that is not reasonably within the express or 1312
implied scope of the statute under which the existing rule 1313
purportedly was adopted, ~~the~~ that chairperson may move that the 1314
joint committee order the agency that is administering the 1315
existing rule to submit the existing rule for review under section 1316
106.031 of the Revised Code, the same as if the agency had made a 1317
determination with regard to the existing rule under division 1318
(B)(2) of section 106.03 of the Revised Code. The joint committee 1319
may adopt the motion by vote of a majority of its members. The 1320

joint committee shall not adopt a motion under this paragraph for 1321
a rule if the joint committee previously has adopted a motion 1322
under this paragraph for the same rule within the immediately 1323
preceding five-year period. 1324

The joint committee shall prepare the order in writing, and 1325
shall transmit the order electronically to the agency. The joint 1326
committee also shall transmit a copy of the order electronically 1327
to the director of the legislative service commission and to the 1328
common sense initiative office. The joint committee shall indicate 1329
in the order the date on which the order is transmitted. The 1330
director shall publish the order in the register of Ohio. 1331

Upon receiving the order, the agency shall comply with the 1332
order as soon as reasonably possible, but shall commence 1333
compliance with the order not later than thirty days after the 1334
date on which the order was transmitted. 1335

When an agency complies with the order, proceedings are to be 1336
had with regard to the existing rule under section 106.031 of the 1337
Revised Code, the same as if the agency had made a determination 1338
with regard to the existing rule under division (B)(2) of section 1339
106.03 of the Revised Code. In addition to the standards of review 1340
stated in division (E) of section 106.031 of the Revised Code, the 1341
joint committee may recommend to the senate and house of 1342
representatives the adoption of a concurrent resolution 1343
invalidating the existing rule if the joint committee finds that 1344
the existing rule has an unintended or unexpected effect on 1345
businesses that is not reasonably within the express or implied 1346
scope of the statute under which the agency purportedly adopted 1347
the existing rule. 1348

Sec. 106.04. When the joint committee on agency rule review 1349
recommends invalidation of a proposed or existing rule under 1350

section 106.021 or 106.031 of the Revised Code, the chairperson of 1351
the joint committee responsible for calling and conducting 1352
meetings under section 101.35 of the Revised Code, or another 1353
member of the joint committee designated by ~~the~~ that chairperson, 1354
shall prepare the recommendation of invalidation in writing. The 1355
recommendation shall identify the proposed or existing rule, the 1356
agency that proposed or submitted the proposed or existing rule, 1357
and the finding that caused the joint committee to make the 1358
recommendation. The recommendation briefly shall explain the 1359
finding. 1360

The chairperson of the joint committee responsible for 1361
calling and conducting meetings under section 101.35 of the 1362
Revised Code shall request the legislative service commission to 1363
prepare a concurrent resolution to invalidate the proposed or 1364
existing rule according to the recommendation. The concurrent 1365
resolution shall state the finding that caused the joint committee 1366
to recommend invalidation of the rule. 1367

Sec. 106.041. The chairperson of the joint committee on 1368
agency rule review responsible for calling and conducting meetings 1369
under section 101.35 of the Revised Code, or another member of the 1370
joint committee designated by ~~the~~ that chairperson, shall submit a 1371
concurrent resolution to invalidate a proposed or existing rule to 1372
the clerk of either house of the general assembly. The 1373
recommendation of invalidation and a copy of the proposed or 1374
existing rule also shall be submitted to the clerk along with the 1375
concurrent resolution. 1376

Sec. 107.51. As used in sections 107.51 to 107.55 of the 1377
Revised Code, "agency" and "draft rule" have the meanings defined 1378
in section 121.81 of the Revised Code. 1379

Sections 107.51 to 107.55 and 107.61 to 107.63 of the Revised 1380

Code are complementary to sections 121.81 to ~~121.83~~ 121.82 of the 1381
Revised Code. 1382

Sec. 107.63. As used in this section, "small business" means 1383
an independently owned and operated for-profit or nonprofit 1384
business entity, including affiliates, that has fewer than five 1385
hundred full time employees or gross annual sales of less than six 1386
million dollars, and has operations located in the state. 1387

The small business advisory council is established in the 1388
office of the governor. The council shall advise the governor, the 1389
lieutenant governor, and the common sense initiative office on the 1390
adverse impact draft and existing rules might have on small 1391
businesses. The council shall meet at ~~least quarterly~~ the 1392
discretion of the director of the common sense initiative office. 1393

The council consists of nine members. The governor, or the 1394
person to whom the governor has delegated responsibilities for the 1395
common sense initiative office under section 107.61 of the Revised 1396
Code, shall appoint five members, the president of the senate 1397
shall appoint two members, and the speaker of the house of 1398
representatives shall appoint two members. A member serves at the 1399
pleasure of the member's appointing authority. The appointing 1400
authorities shall consult with each other and appoint only 1401
individuals who are representative of small businesses, and shall 1402
do so in such a manner that the membership of the council is 1403
composed of representatives of small businesses that are of 1404
different sizes, engaged in different lines of business, and 1405
located in different parts of the state. 1406

Sec. 109.42. (A) The attorney general shall prepare and have 1407
printed a pamphlet that contains a compilation of all 1408
constitutional provisions and statutes relative to victim's rights 1409
in which the attorney general lists and explains the 1410

constitutional provisions and statutes in the form of a victim's 1411

village solicitors, and other similar chief legal officers of 1416
municipal corporations, and to organizations that represent or 1417
provide services for victims of crime. The victim's bill of rights 1418
set forth in the pamphlet shall contain a description of all of 1419
the rights of victims that are provided for in the Ohio 1420

Revised Code and shall include, but not be limited to, all of the 1422

If during that period the superintendent receives another request for a criminal records check to be conducted under this section for that person, the superintendent shall provide the results from the previous criminal records check of the person at a lower fee than the fee prescribed for the initial criminal records check.

peace officer or trooper and grant an extension of the time within 2787

hours of continuing professional training set by the commission, 2804
the appointing authority shall require that peace officer or 2805

enforcement agency to earn hours of continuing professional 2825

An agency that adopts or amends a rule that is subject to division (D) of this section shall assign a review date to the rule that is not later than five years after its effective date. If a review date assigned to a rule exceeds the five-year maximum, the review date for the rule is five years after its effective date. division (B)(1) of this section. The agency may not refile the 2941

department, division, or bureau makes a revision in a proposed 2986
rule after it is filed with the joint committee, the state board, 2987
commission, department, division, or bureau shall promptly file 2988

the full text of the proposed rule in its revised form in 2989
electronic form with the joint committee. A state board, 2990
commission, department, division, or bureau shall also file the 2991
rule summary and fiscal analysis prepared under section 106.024 of 2992
the Revised Code in electronic form along with a proposed rule, 2993
and along with a proposed rule in revised form, that is filed 2994
under this division. If a proposed rule has an adverse impact on 2995
businesses, the state board, commission, department, division, or 2996
bureau also shall file the business impact analysis, any 2997
recommendations received from the common sense initiative office, 2998
and the associated memorandum of response, if any, in electronic 2999
form along with the proposed rule, or the proposed rule in revised 3000
form, that is filed under this division. 3001

A proposed rule that is subject to legislative review under 3002
this division may not be adopted and filed in final form under 3003

hold any hearing in connection with an order canceling or 3453
suspending a motor vehicle driver's or commercial driver's license 3454
pursuant to section 2903.06, 2903.08, 2921.331, 4549.02, 4549.021, 3455
or 5743.99 or any provision of Chapter 2925., 4509., 4510., or 3456
4511. of the Revised Code or in connection with an out-of-service 3457
order issued under Chapter 4506. of the Revised Code. 3458

(B) Notwithstanding section 119.07 of the Revised Code, the 3459
registrar is not required to ~~use registered mail, return receipt~~ 3460
~~requested,~~ comply with section 119.05 of the Revised Code in 3461
connection with an order canceling or suspending a motor vehicle 3462
driver's or commercial driver's license or a notification to a 3463
person to surrender a certificate of registration and registration 3464
plates. 3465

Sec. 119.07. Except when a statute prescribes a notice and 3466
the persons to whom it shall be given, in all cases in which 3467
section 119.06 of the Revised Code requires an agency to afford an 3468
opportunity for a hearing prior to the issuance of an order, the 3469
agency shall give notice to the party informing the party of the 3470
party's right to a hearing. Notice shall be ~~given by registered~~ 3471
~~mail, return receipt requested,~~ served in accordance with section 3472
119.05 of the Revised Code and shall include the charges or other 3473
reasons for the proposed action, the law or rule directly 3474
involved, and a statement informing the party that the party is 3475
entitled to a hearing if the party requests it within thirty days 3476
of the time of ~~mailing the notice~~ service. The notice shall also 3477
inform the party that at the hearing the party may appear in 3478
person, by the party's attorney, or by such other representative 3479
as is permitted to practice before the agency, or may present the 3480

party's position, arguments, or contentions in writing and that at 3481
the hearing the party may present evidence and examine witnesses 3482
appearing for and against the party. A copy of the notice shall be 3483
~~mailed~~ provided to attorneys or other representatives of record 3484
representing the party. This paragraph does not apply to 3485
situations in which such section provides for a hearing only when 3486
it is requested by the party. 3487

When a statute specifically permits the suspension of a 3488
license without a prior hearing, notice of the agency's order 3489
shall be ~~sent to~~ served on the party ~~by registered mail, return~~ 3490
~~receipt requested,~~ in accordance with section 119.05 of the 3491
Revised Code not later than the business day next succeeding such 3492
order. The notice shall state the reasons for the agency's action, 3493
cite the law or rule directly involved, and state that the party 3494
will be afforded a hearing if the party requests it within thirty 3495
days of the ~~time of mailing the~~ date on which notice is served. A 3496
copy of the notice shall be ~~mailed~~ provided to attorneys or other 3497
representatives of record representing the party. 3498

Whenever a party requests a hearing in accordance with this 3499
section and section 119.06 of the Revised Code, the agency shall 3500
immediately set the date, time, and place for the hearing and 3501
~~forthwith notify~~ serve the party ~~thereof~~ with notice of the 3502
hearing. The date set for the hearing shall be within fifteen 3503
days, but not earlier than seven days, after the party has 3504
requested a hearing, unless otherwise agreed to by both the agency 3505
and the party. 3506

~~When any notice sent by registered mail, as required by~~ 3507
~~sections 119.01 to 119.13 of the Revised Code, is returned because~~ 3508
~~the party fails to claim the notice, the agency shall send the~~ 3509
~~notice by ordinary mail to the party at the party's last known~~ 3510
~~address and shall obtain a certificate of mailing. Service by~~ 3511
~~ordinary mail is complete when the certificate of mailing is~~ 3512

~~obtained unless the notice is returned showing failure of
delivery.~~ 3513
3514

~~If any notice sent by registered or ordinary mail is returned
for failure of delivery, the agency either shall make personal
delivery of the notice by an employee or agent of the agency or
shall cause a summary of the substantive provisions of the notice
to be published once a week for three consecutive weeks in a
newspaper of general circulation in the county where the last
known address of the party is located. When notice is given by
publication, a proof of publication affidavit, with the first
publication of the notice set forth in the affidavit, shall be
mailed by ordinary mail to the party at the party's last known
address and the notice shall be deemed received as of the date of
the last publication. An employee or agent of the agency may make
personal delivery of the notice upon a party at any time.~~ 3515

~~Refusal of delivery by personal service or by mail is not

of delivery occurs only when a mailed notice is returned by the
postal authorities marked undeliverable, address or addressee
unknown, or forwarding address unknown or expired. A party's last

The failure of an agency to ~~give~~ serve the notices for any

3538

Sec. 119.09. As used in this section "stenographic record"
means a record provided by stenographic means or by the use of
audio electronic recording devices, as the agency determines. 3539
3540
3541

For the purpose of conducting any adjudication hearing
required by sections 119.01 to 119.13 of the Revised Code, the 3542
3543

agency may require the attendance of such witnesses and the 3544
production of such books, records, and papers as it desires, and 3545
it may take the depositions of witnesses residing within or 3546
without the state in the same manner as is prescribed by law for 3547
the taking of depositions in civil actions in the court of common 3548
pleas, and for that purpose the agency may, and upon the request 3549
of any party receiving notice of the hearing as required by 3550
section 119.07 of the Revised Code shall, issue a subpoena for any 3551
witness or a subpoena duces tecum to compel the production of any 3552
books, records, or papers, directed to the sheriff of the county 3553
where such witness resides or is found, which shall be served and 3554
returned in the same manner as a subpoena in a criminal case is 3555
served and returned. The sheriff shall be paid the same fees for 3556
services as are allowed in the court of common pleas in criminal 3557
cases. Witnesses shall be paid the fees and mileage provided for 3558
under section 119.094 of the Revised Code. Fees and mileage shall 3559
be paid from the fund in the state treasury for the use of the 3560
agency in the same manner as other expenses of the agency are 3561
paid. 3562

An agency may postpone or continue any adjudication hearing 3563
upon the application of any party or upon its own motion. 3564

In any case of disobedience or neglect of any subpoena served 3565
on any person or the refusal of any witness to testify to any 3566
matter regarding which the witness may lawfully be interrogated, 3567
the court of common pleas of any county where such disobedience, 3568
neglect, or refusal occurs or any judge thereof, on application by 3569
the agency shall compel obedience by attachment proceedings for 3570
contempt, as in the case of disobedience of the requirements of a 3571
subpoena issued from such court, or a refusal to testify therein. 3572

At any adjudication hearing required by sections 119.01 to 3573
119.13 of the Revised Code, the record of which may be the basis 3574
of an appeal to court, a stenographic record of the testimony and 3575

other evidence submitted shall be taken at the expense of the 3576
agency. Such record shall include all of the testimony and other 3577
evidence, and rulings on the admissibility thereof presented at 3578
the hearing. This paragraph does not require a stenographic record 3579
at every adjudication hearing. In any situation where an 3580
adjudication hearing is required by sections 119.01 to 119.13 of 3581
the Revised Code, if an adjudication order is made without a 3582
stenographic record of the hearing, the agency shall, on request 3583
of the party, afford a hearing or rehearing for the purpose of 3584
making such a record which may be the basis of an appeal to court. 3585
The rules of an agency may specify the situations in which a 3586
stenographic record will be made only on request of the party; 3587
otherwise such a record shall be made at every adjudication 3588
hearing from which an appeal to court might be taken. 3589

The agency shall pass upon the admissibility of evidence, but 3590
a party may at the time make objection to the rulings of the 3591
agency thereon, and if the agency refuses to admit evidence, the 3592
party offering the same shall make a proffer thereof, and such 3593
proffer shall be made a part of the record of such hearing. 3594

In any adjudication hearing required by sections 119.01 to 3595
119.13 of the Revised Code, the agency may call any party to 3596
testify under oath as upon cross-examination. 3597

The agency, or any one delegated by it to conduct an 3598
adjudication hearing, may administer oaths or affirmations. 3599

In any adjudication hearing required by sections 119.01 to 3600
119.13 of the Revised Code, the agency may appoint a referee or 3601
examiner to conduct the hearing. The referee or examiner shall 3602
have the same powers and authority in conducting the hearing as is 3603
granted to the agency. Such referee or examiner shall have been 3604
admitted to the practice of law in the state and be possessed of 3605
such additional qualifications as the agency requires. The referee 3606
or examiner shall submit to the agency a written report setting 3607

forth the referee's or examiner's findings of fact and conclusions 3608
of law and a recommendation of the action to be taken by the 3609
agency. A copy of such written report and recommendation of the 3610
referee or examiner shall within five days of the date ~~of filing~~ 3611
~~thereof it is submitted to the agency~~, be served upon the party or 3612
the party's attorney or other representative of record, ~~by~~ 3613
~~certified mail in accordance with section 119.05 of the Revised~~ 3614
Code. The party may, within ten days of ~~receipt of such copy~~ 3615
service of such written report and recommendation, file with the 3616
agency written objections to the report and recommendation, which 3617
objections shall be considered by the agency before approving, 3618
modifying, or disapproving the recommendation. The agency may 3619
grant extensions of time to the party within which to file such 3620
objections. No recommendation of the referee or examiner shall be 3621
approved, modified, or disapproved by the agency until after ten 3622
days after service of such report and recommendation ~~as provided~~ 3623
~~in this section~~. The agency may order additional testimony to be 3624
taken or permit the introduction of further documentary evidence. 3625
The recommendation of the referee or examiner may be approved, 3626
modified, or disapproved by the agency, and the order of the 3627
agency based on such report, recommendation, transcript of 3628
testimony and evidence, or objections of the parties, and 3629
additional testimony and evidence shall have the same effect as if 3630
such hearing had been conducted by the agency. No such 3631
recommendation shall be final until confirmed and approved by the 3632
agency as indicated by the order entered on its record of 3633
proceedings, and if the agency modifies or disapproves the 3634
recommendations of the referee or examiner it shall include in the 3635
record of its proceedings the reasons for such modification or 3636
disapproval. 3637

After such order is entered on its journal, the agency shall, 3638
in accordance with section 119.05 of the Revised Code, serve ~~by~~ 3639
~~certified mail, return receipt requested, upon~~ the party affected 3640

thereby, a certified copy of the order and a statement of the time 3641
and method by which an appeal may be perfected. A copy of such 3642
order shall be ~~mailed~~ provided to the attorneys or other 3643
representatives of record representing the party. 3644

Sec. 119.092. (A) As used in this section: 3645

(1) "Eligible party" means a party to an adjudication hearing 3646
other than the following: 3647

(a) The agency; 3648

(b) An individual whose net worth exceeded one million 3649
dollars at the time ~~he~~ the individual received notification of the 3650
hearing; 3651

(c) A sole owner of an unincorporated business that had, or a 3652
partnership, corporation, association, or organization that had, a 3653
net worth exceeding five million dollars at the time the party 3654
received notification of the hearing, except that an organization 3655
that is described in subsection 501(c)(3) and is tax exempt under 3656
subsection 501(a) of the Internal Revenue Code, shall not be 3657
excluded as an eligible party under this division because of its 3658
net worth; 3659

(d) A sole owner of an unincorporated business that employed, 3660
or a partnership, corporation, association, or organization that 3661
employed, more than five hundred persons at the time the party 3662
received notification of the hearing. 3663

(2) "Fees" means reasonable attorney's fees, in an amount not 3664
to exceed seventy-five dollars per hour or a higher hourly fee 3665
that the agency establishes by rule and that is applicable under 3666
the circumstances. 3667

(3) "Internal Revenue Code" means the "Internal Revenue Code 3668
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 3669

(4) "Prevailing eligible party" means an eligible party that 3670

prevails after an adjudication hearing, as reflected in an order 3671
entered in the journal of the agency. 3672

(B)(1) Except as provided in divisions (B)(2) and (F) of this 3673
section, if an agency conducts an adjudication hearing under this 3674
chapter, the prevailing eligible party is entitled, upon filing a 3675
motion in accordance with this division, to compensation for fees 3676
incurred by that party in connection with the hearing. A 3677
prevailing eligible party that desires an award of compensation 3678
for fees shall file a motion requesting the award with the agency 3679
within thirty days after the date that the order of the agency is 3680
entered in its journal. The motion shall do all of the following: 3681

(a) Identify the party; 3682

(b) Indicate that the party is the prevailing eligible party 3683
and is entitled to receive an award of compensation for fees; 3684

(c) Include a statement that the agency's position in 3685
initiating the matter in controversy was not substantially 3686
justified; 3687

(d) Indicate the amount sought as an award; 3688

(e) Itemize all fees sought in the requested award. This 3689
itemization shall include a statement from any attorney who 3690
represented the prevailing eligible party, that indicates the fees 3691
charged, the actual time expended, and the rate at which the fees 3692
were calculated. 3693

(2) Upon the filing of a motion under this section, the 3694
request for the award shall be reviewed by the referee or examiner 3695
who conducted the adjudication hearing or, if none, by the agency 3696
involved. In the review, the referee, examiner, or agency shall 3697
determine whether the fees incurred by the prevailing eligible 3698
party exceeded one hundred dollars, whether the position of the 3699
agency in initiating the matter in controversy was substantially 3700
justified, whether special circumstances make an award unjust, and 3701

whether the prevailing eligible party engaged in conduct during 3702
the course of the hearing that unduly and unreasonably protracted 3703
the final resolution of the matter in controversy. The referee, 3704
examiner, or agency shall issue a determination, in writing, on 3705
the motion of the prevailing eligible party, which determination 3706
shall include a statement indicating whether an award has been 3707
granted, the findings and conclusions underlying it, the reasons 3708
or bases for the findings and conclusions, and, if an award has 3709
been granted, its amount. The determination shall be entered in 3710
the record of the prevailing eligible party's case, and a copy of 3711
it ~~mailed to~~ served on the prevailing eligible party in accordance 3712
with section 119.05 of the Revised Code. 3713

With respect to a motion under this section, the agency 3714
involved, through any representative it designates, has the burden 3715
of proving that its position in initiating the matter in 3716
controversy was substantially justified, that special 3717
circumstances make an award unjust, or that the prevailing 3718
eligible party engaged in conduct during the course of the hearing 3719
that unduly and unreasonably protracted the final resolution of 3720
the matter in controversy. A referee, examiner, or agency 3721
considering a motion under this section may deny an award 3722
entirely, or reduce the amount of an award that otherwise would be 3723
payable, to a prevailing eligible party only as follows: 3724

(a) If the determination is that the agency has sustained its 3725
burden of proof that its position in initiating the matter in 3726
controversy was substantially justified or that special 3727
circumstances make an award unjust, the motion shall be denied; 3728

(b) If the determination is that the agency has sustained its 3729
burden of proof that the prevailing eligible party engaged in 3730
conduct during the course of the hearing that unduly and 3731
unreasonably protracted the final resolution of the matter in 3732
controversy, the referee, examiner, or agency may reduce the 3733

amount of an award, or deny an award, to that party to the extent 3734
of that conduct; 3735

(c) If the determination is that the fees of the prevailing 3736
eligible party were not in excess of one hundred dollars, the 3737
referee, agency, or examiner shall deny the motion. 3738

(3) For purposes of this section, decisions by referees or 3739
examiners upon motions are final and are not subject to review and 3740
approval by an agency. These decisions constitute final 3741
determinations of the agency for purposes of appeals under 3742
division (C) of this section. 3743

(C) A prevailing eligible party that files a motion for an 3744
award of compensation for fees under this section and that is 3745
denied an award or receives a reduced award may appeal the 3746
determination of the referee, examiner, or agency to the same 3747
court, as determined under section 119.12 of the Revised Code, as 3748
the party could have appealed the adjudication order of the agency 3749
had the party been adversely affected by it. An agency may appeal 3750
the grant of an award to this same court if a referee or examiner 3751
made the final determination pursuant to division (B)(3) of this 3752
section. Notices of appeal shall be filed in the manner and within 3753
the period specified in section 119.12 of the Revised Code. 3754

Upon the filing of an appeal under this division, the agency 3755
shall prepare and certify to the court involved a complete record 3756
of the case, and the court shall conduct a hearing on the appeal. 3757
The agency and the court shall do so in accordance with the 3758
procedures established in section 119.12 of the Revised Code for 3759
appeals pursuant to that section, unless otherwise provided in 3760
this division. 3761

The court hearing an appeal under this division may modify 3762
the determination of the referee, examiner, or agency with respect 3763
to the motion for compensation for fees only if the court finds 3764

that the failure to grant an award, or the calculation of the amount of an award, involved an abuse of discretion. The judgment of the court is final and not appealable, and a copy of it shall be certified to the agency involved and the prevailing eligible party.

(D) Compensation for fees awarded to a prevailing eligible party under this section may be paid by an agency from any funds available to it for payment of such compensation. If an agency does not pay compensation from such funds or no such funds are available, upon the filing of a referee's, examiner's, agency's, or court's determination or judgment in favor of the prevailing eligible party with the clerk of the court of claims, the determination or judgment awarding compensation for fees shall be treated as if it were a judgment under Chapter 2743. of the Revised Code and be payable in accordance with the procedures specified in section 2743.19 of the Revised Code, except that interest shall not be paid in relation to the award.

(E) Each agency that is required to pay compensation for fees to a prevailing eligible party pursuant to this section during any fiscal year shall prepare a report for that year. The report shall be completed no later than the first day of October of the fiscal year following the fiscal year covered by the report, and copies of it shall be filed with the general assembly. It shall contain the following information for the covered fiscal year:

(1) The total amount and total number of the awards of compensation for fees required to be paid by the agency;

(2) The amount and nature of each individual award that the agency was required to pay;

(3) Any other relevant information that may aid the general assembly in evaluating the scope and impact of awards of compensation for fees.

(F) The provisions of this section do not apply when any of 3796
the following circumstances are involved: 3797

(1) An adjudication hearing was conducted for the purpose of 3798
establishing or fixing a rate; 3799

(2) An adjudication hearing was conducted for the purpose of 3800
determining the eligibility or entitlement of any individual to 3801
benefits; 3802

(3) A prevailing eligible party was represented in an 3803
adjudication hearing by an attorney who was paid pursuant to an 3804
appropriation by the federal or state government or a local 3805
government; 3806

(4) An adjudication hearing was conducted by the state 3807
personnel board of review pursuant to authority conferred by 3808
section 124.03 of the Revised Code, or by the state employment 3809
relations board pursuant to authority conferred by Chapter 4117. 3810
of the Revised Code. 3811

Sec. 119.12. (A)(1) Except as provided in division (A)(2) or 3812
(3) of this section, any party adversely affected by any order of 3813
an agency issued pursuant to an adjudication denying an applicant 3814
admission to an examination, or denying the issuance or renewal of 3815
a license or registration of a licensee, or revoking or suspending 3816
a license, or allowing the payment of a forfeiture under section 3817
4301.252 of the Revised Code may appeal from the order of the 3818
agency to the court of common pleas of the county in which the 3819
place of business of the licensee is located or the county in 3820
which the licensee is a resident. 3821

(2) An appeal from an order described in division (A)(1) of 3822
this section issued by any of the following agencies shall be made 3823
to the court of common pleas of Franklin county: 3824

(a) The liquor control commission; 3825

(b) The Ohio casino control commission 7 <u>i</u>	3826
<u>(c)</u> The state medical board;	3827
(e) <u>(d)</u> The state chiropractic board;	3828
(d) <u>(e)</u> The board of nursing;	3829
(e) <u>(f)</u> The bureau of workers' compensation regarding	3830
participation in the health partnership program created in	3831
sections 4121.44 and 4121.441 of the Revised Code.	3832
(3) If any party appealing from an order described in	3833
division (A)(1) of this section is not a resident of and has no	3834
place of business in this state, the party may appeal to the court	3835
of common pleas of Franklin county.	3836
(B) Any party adversely affected by any order of an agency	3837
issued pursuant to any other adjudication may appeal to the court	3838
of common pleas of Franklin county, except that appeals from	3839
orders of the fire marshal issued under Chapter 3737. of the	3840
Revised Code may be to the court of common pleas of the county in	3841
which the building of the aggrieved person is located and except	3842
that appeals under division (B) of section 124.34 of the Revised	3843
Code from a decision of the state personnel board of review or a	3844
municipal or civil service township civil service commission shall	3845
be taken to the court of common pleas of the county in which the	3846
appointing authority is located or, in the case of an appeal by	3847
the department of rehabilitation and correction, to the court of	3848
common pleas of Franklin county.	3849
(C) This section does not apply to appeals from the	3850
department of taxation.	3851
(D) Any party desiring to appeal shall file a notice of	3852
appeal with the agency setting forth the order appealed from and	3853
stating that the agency's order is not supported by reliable,	3854
probative, and substantial evidence and is not in accordance with	3855

law. The notice of appeal may, but need not, set forth the 3856
specific grounds of the party's appeal beyond the statement that 3857
the agency's order is not supported by reliable, probative, and 3858
substantial evidence and is not in accordance with law. The notice 3859
of appeal shall also be filed by the appellant with the court. In 3860
filing a notice of appeal with the agency or court, the notice 3861
that is filed may be either the original notice or a copy of the 3862
original notice. Unless otherwise provided by law relating to a 3863
particular agency, notices of appeal shall be filed within fifteen 3864
days after the ~~mailing~~ service of the notice of the agency's order 3865
as provided in ~~this~~ section 119.05 of the Revised Code. For 3866
purposes of this paragraph, an order includes a determination 3867
appealed pursuant to division (C) of section 119.092 of the 3868
Revised Code. The amendments made to this paragraph by Sub. H.B. 3869
215 of the 128th general assembly are procedural, and this 3870
paragraph as amended by those amendments shall be applied 3871
retrospectively to all appeals pursuant to this paragraph filed 3872
before September 13, 2010, but not earlier than May 7, 2009, which 3873
was the date the supreme court of Ohio released its opinion and 3874
judgment in *Medcorp, Inc. v. Ohio Dep't. of Job and Family Servs.* 3875
(2009), 121 Ohio St.3d 622. 3876

(E) The filing of a notice of appeal shall not automatically 3877
operate as a suspension of the order of an agency. If it appears 3878
to the court that an unusual hardship to the appellant will result 3879
from the execution of the agency's order pending determination of 3880
the appeal, the court may grant a suspension and fix its terms. If 3881
an appeal is taken from the judgment of the court and the court 3882
has previously granted a suspension of the agency's order as 3883
provided in this section, the suspension of the agency's order 3884
shall not be vacated and shall be given full force and effect 3885
until the matter is finally adjudicated. No renewal of a license 3886
or permit shall be denied by reason of the suspended order during 3887
the period of the appeal from the decision of the court of common 3888

pleas. In the case of an appeal from the Ohio casino control 3889
commission, the state medical board, or the state chiropractic 3890
board, the court may grant a suspension and fix its terms if it 3891
appears to the court that an unusual hardship to the appellant 3892
will result from the execution of the agency's order pending 3893
determination of the appeal and the health, safety, and welfare of 3894
the public will not be threatened by suspension of the order. This 3895
provision shall not be construed to limit the factors the court 3896
may consider in determining whether to suspend an order of any 3897
other agency pending determination of an appeal. 3898

(F) The final order of adjudication may apply to any renewal 3899
of a license or permit which has been granted during the period of 3900
the appeal. 3901

(G) Notwithstanding any other provision of this section, any 3902
order issued by a court of common pleas or a court of appeals 3903
suspending the effect of an order of the liquor control commission 3904
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3905
suspends, revokes, or cancels a permit issued under Chapter 4303. 3906
of the Revised Code or that allows the payment of a forfeiture 3907
under section 4301.252 of the Revised Code shall terminate not 3908
more than six months after the date of the filing of the record of 3909
the liquor control commission with the clerk of the court of 3910
common pleas and shall not be extended. The court of common pleas, 3911
or the court of appeals on appeal, shall render a judgment in that 3912
matter within six months after the date of the filing of the 3913
record of the liquor control commission with the clerk of the 3914
court of common pleas. A court of appeals shall not issue an order 3915
suspending the effect of an order of the liquor control commission 3916
that extends beyond six months after the date on which the record 3917
of the liquor control commission is filed with a court of common 3918
pleas. 3919

(H) Notwithstanding any other provision of this section, any 3920

order issued by a court of common pleas or a court of appeals 3921
suspending the effect of an order of the Ohio casino control 3922
commission issued under Chapter 3772. of the Revised Code that 3923
limits, conditions, restricts, suspends, revokes, denies, not 3924
renews, fines, or otherwise penalizes an applicant, licensee, or 3925
person excluded or ejected from a casino facility in accordance 3926
with section 3772.031 of the Revised Code shall terminate not more 3927
than six months after the date of the filing of the record of the 3928
Ohio casino control commission with the clerk of the court of 3929
common pleas and shall not be extended. The court of common pleas, 3930
or the court of appeals on appeal, shall render a judgment in that 3931
matter within six months after the date of the filing of the 3932
record of the Ohio casino control commission with the clerk of the 3933
court of common pleas. A court of appeals shall not issue an order 3934
suspending the effect of an order of the Ohio casino control 3935
commission that extends beyond six months after the date on which 3936
the record of the Ohio casino control commission is filed with the 3937
clerk of a court of common pleas. 3938

(I) Notwithstanding any other provision of this section, any 3939
order issued by a court of common pleas suspending the effect of 3940
an order of the state medical board or state chiropractic board 3941
that limits, revokes, suspends, places on probation, or refuses to 3942
register or reinstate a certificate issued by the board or 3943
reprimands the holder of the certificate shall terminate not more 3944
than fifteen months after the date of the filing of a notice of 3945
appeal in the court of common pleas, or upon the rendering of a 3946
final decision or order in the appeal by the court of common 3947
pleas, whichever occurs first. 3948

~~(I)~~(J) Within thirty days after receipt of a notice of appeal 3949
from an order in any case in which a hearing is required by 3950
sections 119.01 to 119.13 of the Revised Code, the agency shall 3951
prepare and certify to the court a complete record of the 3952

proceedings in the case. Failure of the agency to comply within 3953
the time allowed, upon motion, shall cause the court to enter a 3954
finding in favor of the party adversely affected. Additional time, 3955
however, may be granted by the court, not to exceed thirty days, 3956
when it is shown that the agency has made substantial effort to 3957
comply. The record shall be prepared and transcribed, and the 3958
expense of it shall be taxed as a part of the costs on the appeal. 3959
The appellant shall provide security for costs satisfactory to the 3960
court of common pleas. Upon demand by any interested party, the 3961
agency shall furnish at the cost of the party requesting it a copy 3962
of the stenographic report of testimony offered and evidence 3963
submitted at any hearing and a copy of the complete record. 3964

~~(J)~~(K) Notwithstanding any other provision of this section, 3965
any party desiring to appeal an order or decision of the state 3966
personnel board of review shall, at the time of filing a notice of 3967
appeal with the board, provide a security deposit in an amount and 3968
manner prescribed in rules that the board shall adopt in 3969
accordance with this chapter. In addition, the board is not 3970
required to prepare or transcribe the record of any of its 3971
proceedings unless the appellant has provided the deposit 3972
described above. The failure of the board to prepare or transcribe 3973
a record for an appellant who has not provided a security deposit 3974
shall not cause a court to enter a finding adverse to the board. 3975

~~(K)~~(L) Unless otherwise provided by law, in the hearing of 3976
the appeal, the court is confined to the record as certified to it 3977
by the agency. Unless otherwise provided by law, the court may 3978
grant a request for the admission of additional evidence when 3979
satisfied that the additional evidence is newly discovered and 3980
could not with reasonable diligence have been ascertained prior to 3981
the hearing before the agency. 3982

~~(L)~~(M) The court shall conduct a hearing on the appeal and 3983
shall give preference to all proceedings under sections 119.01 to 3984

119.13 of the Revised Code, over all other civil cases, 3985
irrespective of the position of the proceedings on the calendar of 3986
the court. An appeal from an order of the state medical board 3987
issued pursuant to division (G) of either section 4730.25 or 3988
4731.22 of the Revised Code, the state chiropractic board issued 3989
pursuant to section 4734.37 of the Revised Code, the liquor 3990
control commission issued pursuant to Chapter 4301. or 4303. of 3991
the Revised Code, or the Ohio casino control commission issued 3992
pursuant to Chapter 3772. of the Revised Code shall be set down 3993
for hearing at the earliest possible time and takes precedence 3994
over all other actions. The hearing in the court of common pleas 3995
shall proceed as in the trial of a civil action, and the court 3996
shall determine the rights of the parties in accordance with the 3997
laws applicable to a civil action. At the hearing, counsel may be 3998
heard on oral argument, briefs may be submitted, and evidence may 3999
be introduced if the court has granted a request for the 4000
presentation of additional evidence. 4001

~~(M)~~(N) The court may affirm the order of the agency 4002
complained of in the appeal if it finds, upon consideration of the 4003
entire record and any additional evidence the court has admitted, 4004
that the order is supported by reliable, probative, and 4005
substantial evidence and is in accordance with law. In the absence 4006
of this finding, it may reverse, vacate, or modify the order or 4007
make such other ruling as is supported by reliable, probative, and 4008
substantial evidence and is in accordance with law. The court 4009
shall award compensation for fees in accordance with section 4010
2335.39 of the Revised Code to a prevailing party, other than an 4011
agency, in an appeal filed pursuant to this section. 4012

~~(N)~~(O) The judgment of the court shall be final and 4013
conclusive unless reversed, vacated, or modified on appeal. These 4014
appeals may be taken either by the party or the agency, shall 4015
proceed as in the case of appeals in civil actions, and shall be 4016

pursuant to the Rules of Appellate Procedure and, to the extent 4017
not in conflict with those rules, Chapter 2505. of the Revised 4018
Code. An appeal by the agency shall be taken on questions of law 4019
relating to the constitutionality, construction, or interpretation 4020
of statutes and rules of the agency, and, in the appeal, the court 4021
may also review and determine the correctness of the judgment of 4022
the court of common pleas that the order of the agency is not 4023
supported by any reliable, probative, and substantial evidence in 4024
the entire record. 4025

The court shall certify its judgment to the agency or take 4026
any other action necessary to give its judgment effect. 4027

States, including section 1983 of Title 42 of the United States 4310
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 4311
arises from alleged actions or omissions related to 4312
responsibilities derived pursuant to this chapter, if the state 4313
public defender determines, in good faith, that the defendant in 4314
the civil action or proceeding did not act manifestly outside the 4315
scope of the defendant's employment or official responsibilities, 4316
with malicious purpose, in bad faith, or in a wanton or reckless 4317
manner. If the state public defender elects not to contract 4318
pursuant to this division for private legal counsel in a civil 4319
action or proceeding, then, in accordance with sections 109.02, 4320
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 4321

of the Ohio public defender commission, the state public defender, 4323
assistant state public defenders, other employees of the 4324
commission or the state public defender, or attorneys described in 4325
division (C) of section 120.41 of the Revised Code in the civil 4326
action or proceeding. 4327

(2)(a) Subject to division (E)(2)(b) of this section, payment 4328
from the state treasury for the services of private legal counsel 4329

with whom the state public defender has contracted pursuant to 4330
division (E)(1) of this section shall be accomplished only through 4331
the following procedure: 4332

(i) The private legal counsel shall file with the attorney 4333
general a copy of the contract; a request for an award of legal 4334
fees, court costs, and expenses earned or incurred in connection 4335
with the defense of the Ohio public defender commission, the state 4336
public defender, an assistant state public defender, an employee, 4337
or an attorney in a specified civil action or proceeding; a 4338
written itemization of those fees, costs, and expenses, including 4339
the signature of the state public defender and the state public 4340
defender's attestation that the fees, costs, and expenses were 4341
earned or incurred pursuant to division (E)(1) of this section to 4342
the best of the state public defender's knowledge and information; 4343
a written statement whether the fees, costs, and expenses are for 4344
all legal services to be rendered in connection with that defense, 4345
are only for legal services rendered to the date of the request 4346
and additional legal services likely will have to be provided in 4347
connection with that defense, or are for the final legal services 4348
rendered in connection with that defense; a written statement 4349
indicating whether the private legal counsel previously submitted 4350
a request for an award under division (E)(2) of this section in 4351
connection with that defense and, if so, the date and the amount 4352
of each award granted; and, if the fees, costs, and expenses are 4353
for all legal services to be rendered in connection with that 4354
defense or are for the final legal services rendered in connection 4355
with that defense, a certified copy of any judgment entry in the 4356
civil action or proceeding or a signed copy of any settlement 4357
agreement entered into between the parties to the civil action or 4358
proceeding. 4359

(ii) Upon receipt of a request for an award of legal fees, 4360
court costs, and expenses and the requisite supportive 4361

documentation described in division (E)(2)(a)(i) of this section, 4362
the attorney general shall review the request and documentation; 4363
determine whether any of the limitations specified in division 4364
(E)(2)(b) of this section apply to the request; and, if an award 4365
of legal fees, court costs, or expenses is permissible after 4366
applying the limitations, prepare a document awarding legal fees, 4367
court costs, or expenses to the private legal counsel. The 4368
document shall name the private legal counsel as the recipient of 4369
the award; specify the total amount of the award as determined by 4370
the attorney general; itemize the portions of the award that 4371
represent legal fees, court costs, and expenses; specify any 4372
limitation applied pursuant to division (E)(2)(b) of this section 4373
to reduce the amount of the award sought by the private legal 4374
counsel; state that the award is payable from the state treasury 4375
pursuant to division (E)(2)(a)(iii) of this section; and be 4376
approved by the inclusion of the signatures of the attorney 4377
general, the state public defender, and the private legal counsel. 4378

(iii) The attorney general shall forward a copy of the 4379
document prepared pursuant to division (E)(2)(a)(ii) of this 4380
section to the director of budget and management. The award of 4381
legal fees, court costs, or expenses shall be paid out of the 4382
state public defender's appropriations, to the extent there is a 4383
sufficient available balance in those appropriations. If the state 4384
public defender does not have a sufficient available balance in 4385
the state public defender's appropriations to pay the entire award 4386
of legal fees, court costs, or expenses, the director shall make 4387
application for a transfer of appropriations out of the emergency 4388
purposes account or any other appropriation for emergencies or 4389
contingencies in an amount equal to the portion of the award that 4390
exceeds the sufficient available balance in the state public 4391
defender's appropriations. A transfer of appropriations out of the 4392
emergency purposes account or any other appropriation for 4393
emergencies or contingencies shall be authorized if there are 4394

sufficient moneys greater than the sum total of then pending 4395
emergency purposes account requests, or requests for releases from 4396
the other appropriation. If a transfer of appropriations out of 4397
the emergency purposes account or other appropriation for 4398
emergencies or contingencies is made to pay an amount equal to the 4399
portion of the award that exceeds the sufficient available balance 4400
in the state public defender's appropriations, the director shall 4401
cause the payment to be made to the private legal counsel. If 4402
sufficient moneys do not exist in the emergency purposes account 4403
or other appropriation for emergencies or contingencies to pay an 4404
amount equal to the portion of the award that exceeds the 4405
sufficient available balance in the state public defender's 4406
appropriations, the private legal counsel shall request the 4407
general assembly to make an appropriation sufficient to pay an 4408
amount equal to the portion of the award that exceeds the 4409
sufficient available balance in the state public defender's 4410
appropriations, and no payment in that amount shall be made until 4411
the appropriation has been made. The private legal counsel shall 4412
make the request during the current biennium and during each 4413
succeeding biennium until a sufficient appropriation is made. 4414

(b) An award of legal fees, court costs, and expenses 4415
pursuant to division (E) of this section is subject to the 4416
following limitations: 4417

(i) The maximum award or maximum aggregate of a series of 4418
awards of legal fees, court costs, and expenses to the private 4419
legal counsel in connection with the defense of the Ohio public 4420
defender commission, the state public defender, an assistant state 4421
public defender, an employee, or an attorney in a specified civil 4422
action or proceeding shall not exceed fifty thousand dollars. 4423

(ii) The private legal counsel shall not be awarded legal 4424
fees, court costs, or expenses to the extent the fees, costs, or 4425
expenses are covered by a policy of malpractice or other 4426

insurance. 4427

(iii) The private legal counsel shall be awarded legal fees 4428
and expenses only to the extent that the fees and expenses are 4429
reasonable in light of the legal services rendered by the private 4430
legal counsel in connection with the defense of the Ohio public 4431
defender commission, the state public defender, an assistant state 4432
public defender, an employee, or an attorney in a specified civil 4433
action or proceeding. 4434

(c) If, pursuant to division (E)(2)(a) of this section, the 4435
attorney general denies a request for an award of legal fees, 4436
court costs, or expenses to private legal counsel because of the 4437
application of a limitation specified in division (E)(2)(b) of 4438
this section, the attorney general shall notify the private legal 4439
counsel in writing of the denial and of the limitation applied. 4440

(d) If, pursuant to division (E)(2)(c) of this section, a 4441
private legal counsel receives a denial of an award notification 4442
or if a private legal counsel refuses to approve a document under 4443
division (E)(2)(a)(ii) of this section because of the proposed 4444
application of a limitation specified in division (E)(2)(b) of 4445
this section, the private legal counsel may commence a civil 4446
action against the attorney general in the court of claims to 4447
prove the private legal counsel's entitlement to the award sought, 4448
to prove that division (E)(2)(b) of this section does not prohibit 4449
or otherwise limit the award sought, and to recover a judgment for 4450
the amount of the award sought. A civil action under division 4451
(E)(2)(d) of this section shall be commenced no later than two 4452
years after receipt of a denial of award notification or, if the 4453
private legal counsel refused to approve a document under division 4454
(E)(2)(a)(ii) of this section because of the proposed application 4455
of a limitation specified in division (E)(2)(b) of this section, 4456
no later than two years after the refusal. Any judgment of the 4457
court of claims in favor of the private legal counsel shall be 4458

paid from the state treasury in accordance with division (E)(2)(a) 4459
of this section. 4460

(F) If a court appoints the office of the state public 4461
defender to represent a petitioner in a postconviction relief 4462
proceeding under section 2953.21 of the Revised Code, the 4463
petitioner has received a sentence of death, and the proceeding 4464
relates to that sentence, all of the attorneys who represent the 4465
petitioner in the proceeding pursuant to the appointment, whether 4466
an assistant state public defender, the state public defender, or 4467
another attorney, shall be certified under Rule 20 of the Rules of 4468
Superintendence for the Courts of Ohio to represent indigent 4469
defendants charged with or convicted of an offense for which the 4470
death penalty can be or has been imposed. 4471

(G)(1) The state public defender may conduct a legal 4472
assistance referral service for children committed to the 4473
department of youth services relative to conditions of confinement 4474
claims. If the legal assistance referral service receives a 4475
request for assistance from a child confined in a facility 4476
operated, or contracted for, by the department of youth services 4477
and the state public defender determines that the child has a 4478
conditions of confinement claim that has merit, the state public 4479
defender may refer the child to a private attorney. If no private 4480
attorney who the child has been referred to by the state public 4481
defender accepts the case within a reasonable time, the state 4482
public defender may prepare, as appropriate, pro se pleadings in 4483
the form of a complaint regarding the conditions of confinement at 4484
the facility where the child is confined with a motion for 4485
appointment of counsel and other applicable pleadings necessary 4486
for sufficient pro se representation. 4487

(2) Division (G)(1) of this section does not authorize the 4488
state public defender to represent a child committed to the 4489
department of youth services in general civil matters arising 4490

solely out of state law. 4491

(3) The state public defender shall not undertake the 4492
representation of a child in court based on a conditions of 4493

(H) A child's right to representation or services under this 4495
section is not affected by the child, or another person on behalf 4496
of the child, previously having paid for similar representation or 4497
services or having waived legal representation. 4498

(I) The state public defender shall have reasonable access to 4499
any child committed to the department of youth services, 4500
department of youth services institution, and department of youth 4501
services record as needed to implement this section. 4502

(6) Two or more county councils may enter into an agreement 5155
to administer their county councils jointly by creating a regional 5156

the same duties and authority possessed by a county council, 5158
except that the duties and authority apply regionally rather than 5159
to individual counties. Prior to entering into an agreement to 5160
create a regional council, the members of each county council to 5161
be part of the regional council shall meet to determine whether 5162
all or part of the members of each county council will serve as 5163
members of the regional council. 5164

(7) A board of county commissioners may approve a resolution 5165
by a majority vote of the board's members that requires the county 5166
council to submit a statement to the board each time the council 5167

decision, other than a decision pursuant to section 121.38 of the 5169
Revised Code, that requires the expenditure of funds for two or 5170
more families. The statement shall describe the proposed 5171
agreement, plan, or decision. 5172

Not later than fifteen days after the board receives the 5173
statement, it shall, by resolution approved by a majority of its 5174
members, approve or disapprove the agreement, plan, or decision. 5175
Failure of the board to pass a resolution during that time period 5176

shall be considered approval of the agreement, plan, or decision. 5177

An agreement, plan, or decision for which a statement is 5178
required to be submitted to the board shall be implemented only if 5179
it is approved by the board. 5180

(C) Each county shall develop a county service coordination 5181
mechanism. The county service coordination mechanism shall serve 5182

~~grow program~~ early intervention program, the main provider of 5185
service coordination ~~mechanism~~ shall be ~~consistent with rules~~ 5186
~~adopted by the department of health under~~ an early intervention 5187
service coordinator to ensure compliance with section ~~3701.61~~ 5188

approved with the participation of the county entities 5192
representing child welfare; developmental disabilities; alcohol, 5193

out-of-home placement is being considered. The meeting shall be 5219
conducted within ten days of an emergency out-of-home placement. 5220
The meeting shall be conducted before a nonemergency out-of-home 5221

Sec. 121.81. As used in sections 121.81 to ~~121.83~~ 121.82 of 5446
the Revised Code: 5447

(A) "Agency" means a state agency that is required to file proposed rules for legislative review under division (D) of section 111.15 or division (C) of section 119.03 of the Revised Code.

(B) "Draft rule" means any newly proposed rule and any proposed amendment, adoption, or rescission of a rule prior to the filing of that rule for legislative review under division (D) of section 111.15 or division (C) of section 119.03 of the Revised Code and includes a proposed amendment, adoption, or rescission of a rule in both its original and any revised form. "Draft rule" does not include an emergency rule adopted under division (B)(2) of section 111.15 or division (G) of section 119.03 of the Revised Code, but does include a rule that is proposed to replace an emergency rule that expires under those divisions.

Sections 121.81 to ~~121.83~~ 121.82 and 121.91 of the Revised Code are complementary to sections 107.51 to 107.55 and 107.61 to 107.63 of the Revised Code.

Sec. 121.811. The offices of the governor, lieutenant governor, auditor of state, secretary of state, treasurer of state, and attorney general shall comply with the business review provisions of sections 106.03 and 106.031 and 121.81 to ~~121.83~~ 121.82 of the Revised Code, but are not required to submit any document to the common sense initiative office or to prepare any document that would have been prepared in response to recommendations of the common sense initiative office, but rather shall prepare all other documents required under the business review provisions and submit them directly to the joint committee on agency rule review along with the proposed or existing rule. The offices of the governor, lieutenant governor, auditor of state, secretary of state, treasurer of state, and attorney general are subject, however, to section 106.05 of the Revised

Code. 5479

Sec. 121.93. (A) ~~An~~ Except as provided in division (E) of 5480
this section, an agency shall review its operations to identify 5481
principles of law or policy that have not been stated in a rule 5482
and that the agency is relying upon in conducting adjudications or 5483
other determinations of rights and liabilities or in issuing 5484
writings and other materials, such as instructions, directives, 5485
policy statements, guidelines, handbooks, manuals, advisories, 5486
notices, circulars, advertisements, forms, letters, and opinions. 5487
An agency is not required to identify principles of law or policy 5488
relied upon in issuing internal management rules as defined n 5489
section 111.15 of the Revised Code. The agency shall complete at 5490
least one of the reviews during a governor's term. 5491

Within ~~three~~ six months after the expiration of a governor's 5492
term, the agency electronically shall transmit a report to the 5493
joint committee on agency rule review containing the following: 5494

(1) A statement that the agency has completed one or more of 5495
the reviews, specifying the exact number of reviews completed 5496
during the governor's expired term; 5497

(2) The principles of law or policies identified under this 5498
division; 5499

(3) The agency's considerations regarding the identified 5500
principles of law or policies under division (B) of this section; 5501

(4) Any principles of law or policies for which the agency 5502
determines rulemaking is indicated or for which the agency has 5503
commenced the rule-making process under division (C) of this 5504
section. 5505

The joint committee on agency rule review shall make the 5506
reports available on its web site. 5507

(B) The agency shall determine whether a principle of law or 5508

policy thus identified has a general and uniform operation and 5509
establishes a legal regulation or standard that would not exist in 5510
its absence. If the principle of law or policy has these 5511
characteristics, the agency shall determine whether the principle 5512
of law or policy should be supplanted by its restatement in a rule 5513
to achieve one or more of the following as they are relevant to 5514
the principle of law or policy: 5515

(1) Assert the general and uniform operation of the principle 5516
of law or policy; 5517

(2) Make the principle of law or policy more readily 5518
available to the public; 5519

(3) Make the principle of law or policy more readily 5520
available to persons who specifically are affected by the 5521
principle of law or policy; 5522

(4) Enable the principle of law or policy to be better known 5523
in advance of its application; 5524

(5) Enable greater public participation in improvement and 5525
further development of the principle of law or policy; 5526

(6) Enable greater participation by persons specifically 5527
affected by the principle of law or policy in the improvement and 5528
further development of the principle of law or policy; 5529

(7) Make the principle of law or policy more easily 5530
understandable; or 5531

(8) Make the principle of law or policy more readily 5532
available to those legally charged with monitoring or reviewing 5533
the agency's operations. 5534

If a principle of law or policy aids in the interpretation of 5535
an existing rule or statute, the agency shall consider whether the 5536
aiding effect clarifies or otherwise resolves an uncertainty in 5537
the existing rule or statute. If the principle of law or policy 5538

can be so characterized, the agency shall consider whether the 5539
principle of law or policy should be supplanted by its restatement 5540
in an interpretive rule. The agency may not presume that a 5541
principle of law or policy that aids in the interpretation of an 5542
existing rule or statute is simply a reiteration of the existing 5543
rule or statute. 5544

(C) If the agency determines, in light of the foregoing 5545
standards, that rulemaking is indicated, the agency shall commence 5546
the rule-making process as soon as it is reasonably feasible to do 5547
so, but not later than the date that is six months after the 5548
determination was made. The principle of law or policy as it is 5549
restated in a rule does not need to be wholly congruent with the 5550
supplanted principle of law or policy. The agency lawfully may 5551
improve or develop further the supplanted principle of law or 5552
policy as it is restated in a rule. 5553

The agency may continue to rely upon the principle of law or 5554
policy, but only while it is complying with the preceding 5555
paragraph. The agency may not rely upon the principle of law or 5556
policy in advising with regard to or in determining the rights or 5557
liabilities of a person if the agency fails to commence the 5558
rule-making process by the deadline specified in the preceding 5559
paragraph, or if, after commencing the rule-making process, the 5560
agency neglects or abandons the rule-making process before it is 5561
completed. 5562

(D) A principle of law or policy that is relied upon directly 5563
or by clear implication from a statute applying to the agency does 5564
not need to be supplanted by rule. 5565

(E) This section does not apply to an agency, commission, or 5566
committee created in the legislative branch of government or to 5567
serve the general assembly including, but not limited to, all of 5568
the following: 5569

- (1) The joint legislative ethics committee; 5570
- (2) The joint medicaid oversight committee; 5571
- (3) The correctional institution inspection committee; 5572
- (4) The legislative service commission; 5573
- (5) The legislative information services; 5574
- (6) The capitol square review and advisory board. 5575

entity is organized for the purposes of sections 121.95, 121.951, 5588
121.952, and 121.953 ~~, and 121.954~~ of the Revised Code. 5589

(B) Not later than December 31, 2019, a state agency shall 5590
review its existing rules to identify rules having one or more 5591
regulatory restrictions that require or prohibit an action and 5592
prepare a base inventory of the regulatory restrictions in its 5593
existing rules. Rules that include the words "shall," "must," 5594
"require," "shall not," "may not," and "prohibit" shall be 5595
considered to contain regulatory restrictions. 5596

(C) In the base inventory, the state agency shall indicate 5597
all of the following concerning each regulatory restriction: 5598

- (1) A description of the regulatory restriction; 5599

(2) The rule number of the rule in which the regulatory restriction appears;	5600 5601
(3) The statute under which the regulatory restriction was adopted;	5602 5603
(4) Whether state or federal law expressly and specifically requires the agency to adopt the regulatory restriction or the agency adopted the regulatory restriction under the agency's general authority;	5604 5605 5606 5607
(5) Whether removing the regulatory restriction would require a change to state or federal law, provided that removing a regulatory restriction adopted under a law granting the agency general authority shall be presumed not to require a change to state or federal law;	5608 5609 5610 5611 5612
(6) Any other information the joint committee on agency rule review considers necessary.	5613 5614
(D) The state agency shall compute and state the total number of regulatory restrictions indicated in the base inventory, shall post the base inventory on its web site, and shall electronically transmit a copy of the inventory to the joint committee. The joint committee shall review the base inventory, then transmit it electronically to the speaker of the house of representatives and the president of the senate.	5615 5616 5617 5618 5619 5620 5621
(E) The following types of rules or regulatory restrictions are not required to be included in a state agency's inventory of regulatory restrictions <u>subject to this section or sections 121.951 to 121.953 of the Revised Code:</u>	5622 5623 5624 5625

calendar year that includes the employer's tax period, to each 5671
employee or each home-based employee employed in the project to 5672
the extent such payroll is not used to determine the credit under 5673
section 122.171 of the Revised Code. "Payroll" excludes amounts 5674
paid before the day the taxpayer becomes eligible for the credit 5675
and retirement or other benefits paid or contributed by the 5676
employer to or on behalf of employees. 5677

(2) "Baseline payroll" means Ohio employee payroll, except 5678
that the applicable measurement period is the twelve months 5679
immediately preceding the date the tax credit authority approves 5680
the taxpayer's application or the date the tax credit authority 5681
receives the recommendation described in division (C)(2)(a) of 5682
this section, whichever occurs first, multiplied by the sum of one 5683
plus an annual pay increase factor to be determined by the tax 5684
credit authority. 5685

(3) "Ohio employee payroll" means the amount of compensation 5686
used to determine the withholding obligations in division (A) of 5687

that includes the employer's tax period, to the following: 5690

(a) An employee employed in the project who is a resident of 5691
this state including a qualifying work-from-home employee not 5692
designated as a home-based employee by an applicant under division 5693
(C)(1) of this section; 5694

(b) An employee employed at the project location who is not a 5695
resident and whose compensation is not exempt from the tax imposed 5696
under section 5747.02 of the Revised Code pursuant to a 5697
reciprocity agreement with another state under division (A)(3) of 5698
section 5747.05 of the Revised Code; 5699

(c) A home-based employee employed in the project. 5700

"Ohio employee payroll" excludes any such compensation to the 5701
extent it is used to determine the credit under section 122.171 of 5702
the Revised Code, and excludes amounts paid before the day the 5703
taxpayer becomes eligible for the credit under this section. 5704

(4) "Excess payroll" means Ohio employee payroll minus 5705
baseline payroll. 5706

(5) "Home-based employee" means an employee whose services 5707
are performed primarily from the employee's residence in this 5708
state exclusively for the benefit of the project and whose rate of 5709
pay is at least one hundred thirty-one per cent of the federal 5710
minimum wage under 29 U.S.C. 206. 5711

(6) "Full-time equivalent employees" means the quotient 5712
obtained by dividing the total number of hours for which employees 5713
were compensated for employment in the project by two thousand 5714
eighty. "Full-time equivalent employees" excludes hours that are 5715
counted for a credit under section 122.171 of the Revised Code. 5716

(7) "Metric evaluation date" means the date by which the 5717
taxpayer must meet all of the commitments included in the 5718
agreement. 5719

(8) "Qualifying work-from-home employee" means an employee 5720
who is a resident of this state and whose services are supervised 5721
from the employer's project location and performed primarily from 5722
a residence of the employee located in this state. 5723

(9) "Resident" or "resident of this state" means an 5724
individual who is a resident as defined in section 5747.01 of the 5725
Revised Code. 5726

(10) "Reporting period" means a period corresponding to the 5727
annual report required under division (D)(6) of this section. 5728

(11) "Megaproject" means a project in this state that meets 5729
all of the following requirements: 5730

(a) At least one of the following applies: 5731

(i) The project requires unique sites, extremely robust 5732
utility service, and a technically skilled workforce. 5733

(ii) The megaproject operator of the project has its 5734
corporate headquarters in the United States, incurs more than 5735
fifty per cent of its research and development expenses in the 5736
United States in the year preceding the date the tax credit 5737
authority approves the project for a credit under this section, 5738
and builds and operates semiconductor wafer manufacturing 5739
factories in this state or intends to do so by the metric 5740
evaluation date applicable to the megaproject operator. 5741

(b) The megaproject operator of the project agrees, in an 5742
agreement with the tax credit authority under division (D) of this 5743
section, that, on and after the metric evaluation date applicable 5744
to the megaproject operator and until the end of the last year for 5745
which the megaproject qualifies for the credit authorized under 5746
this section, the megaproject operator will compensate the 5747
project's employees at an average hourly wage of at least three 5748
hundred per cent of the federal minimum wage under 29 U.S.C. 206, 5749
exclusive of employee benefits, as determined at the time the tax 5750

credit authority approves the project for a credit under this 5751
section. 5752

(c) The megaproject operator agrees, in an agreement with the 5753
tax credit authority under division (D) of this section, to 5754
satisfy either of the following by the metric evaluation date 5755
applicable to the project: 5756

(i) The megaproject operator makes at least one billion 5757
dollars, as adjusted under division (V)(1) of this section, in 5758
fixed-asset investments in the project. 5759

(ii) The megaproject operator creates at least seventy-five 5760
million dollars, as adjusted under division (V)(1) of this 5761
section, in Ohio employee payroll at the project. 5762

(d) The megaproject operator agrees, in an agreement with the 5763
tax credit authority under division (D) of this section, that if 5764
the project satisfies division (A)(11)(c)(ii) of this section, 5765
then, on and after the metric evaluation date and until the end of 5766
the last year for which the megaproject qualifies for the credit 5767
authorized under this section, the megaproject operator will 5768
maintain at least the amount in Ohio employee payroll at the 5769
project required under that division for each year in that period. 5770

(12) "Megaproject operator" means a taxpayer that, separately 5771
or collectively with other taxpayers, undertakes and operates a 5772
megaproject. Such a taxpayer becomes a megaproject operator 5773
effective the first day of the calendar year in which the taxpayer 5774
and the tax credit authority enter into an agreement under 5775
division (D) of this section with respect to the megaproject. More 5776
than one taxpayer may be designated by the tax credit authority as 5777
a megaproject operator for the same megaproject. 5778

(13) "Megaproject supplier" means a supplier in this state 5779
that meets either or both of the following requirements: 5780

(a) The supplier sells tangible personal property directly to 5781

a megaproject operator of a megaproject that satisfies the 5782
criteria described in division (A)(11)(a)(ii) of this section for 5783
use at a megaproject site, provided that such property was subject 5784
to substantial manufacturing, assembly, or processing in this 5785
state at a facility owned or operated by the supplier; 5786

(b) The supplier sells tangible personal property directly to 5787
a megaproject operator for use at a megaproject site, provided 5788
that the supplier agrees, in an agreement with the tax credit 5789
authority under division (D) of this section, to meet all of the 5790
following requirements: 5791

(i) By the metric evaluation date applicable to the supplier, 5792
makes at least one hundred million dollars, as adjusted under 5793
division (V)(2) of this section, in fixed-asset investments in 5794
this state; 5795

(ii) By the metric evaluation date applicable to the 5796
supplier, creates at least ten million dollars, as adjusted under 5797
division (V)(2) of this section, in Ohio employee payroll; 5798

(iii) On and after the metric evaluation date applicable to 5799
the supplier, until the end of the last year for which the 5800
supplier qualifies for the credit authorized under this section, 5801
maintains at least the amount in Ohio employee payroll required 5802
under division (A)(13)(b)(ii) of this section for each year in 5803
that period. 5804

(B) The tax credit authority may make grants under this 5805
section to foster job creation in this state. Such a grant shall 5806
take the form of a refundable credit allowed against the tax 5807
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5808
5747.02 or levied under Chapter 5751. of the Revised Code. The 5809
credit shall be claimed for the taxable years or tax periods 5810
specified in the taxpayer's agreement with the tax credit 5811
authority under division (D) of this section. With respect to 5812

taxes imposed under section 5726.02, 5733.06, or 5747.02 or 5813
Chapter 5751. of the Revised Code, the credit shall be claimed in 5814
the order required under section 5726.98, 5733.98, 5747.98, or 5815
5751.98 of the Revised Code. The amount of the credit available 5816
for a taxable year or for a calendar year that includes a tax 5817
period equals the excess payroll for that year multiplied by the 5818
percentage specified in the agreement with the tax credit 5819
authority. 5820

(C)(1) A taxpayer or potential taxpayer who proposes a 5821
project to create new jobs in this state may apply to the tax 5822
credit authority to enter into an agreement for a tax credit under 5823
this section. 5824

An application shall not propose to include both home-based 5825
employees and employees who are not home-based employees in the 5826
computation of Ohio employee payroll for the purposes of the same 5827
tax credit agreement, except that a qualifying work-from-home 5828
employee shall not be considered to be a home-based employee 5829
unless so designated by the applicant. If a taxpayer or potential 5830
taxpayer employs both home-based employees and employees who are 5831
not home-based employees in a project, the taxpayer shall submit 5832
separate applications for separate tax credit agreements for the 5833
project, one of which shall include home-based employees in the 5834
computation of Ohio employee payroll and one of which shall 5835
include all other employees in the computation of Ohio employee 5836
payroll. 5837

The director of development shall prescribe the form of the 5838
application. After receipt of an application, the authority may 5839
enter into an agreement with the taxpayer for a credit under this 5840
section if it determines all of the following: 5841

(a) The taxpayer's project will increase payroll; 5842

(b) The taxpayer's project is economically sound and will 5843

benefit the people of this state by increasing opportunities for 5844
employment and strengthening the economy of this state; 5845

(c) Receiving the tax credit is a major factor in the 5846
taxpayer's decision to go forward with the project. 5847

(2)(a) A taxpayer that chooses to begin the project prior to 5848
receiving the determination of the authority may, upon submitting 5849
the taxpayer's application to the authority, request that the 5850
chief investment officer of the nonprofit corporation formed under 5851
section 187.01 of the Revised Code and the director review the 5852
taxpayer's application and recommend to the authority that the 5853
taxpayer's application be considered. As soon as possible after 5854
receiving such a request, the chief investment officer and the 5855
director shall review the taxpayer's application and, if they 5856
determine that the application warrants consideration by the 5857
authority, make that recommendation to the authority not later 5858
than six months after the application is received by the 5859
authority. 5860

(b) The authority shall consider any taxpayer's application 5861
for which it receives a recommendation under division (C)(2)(a) of 5862
this section. If the authority determines that the taxpayer does 5863
not meet all of the criteria set forth in division (C)(1) of this 5864
section, the authority and the department of development shall 5865
proceed in accordance with rules adopted by the director pursuant 5866
to division (I) of this section. 5867

(D) An agreement under this section shall include all of the 5868
following: 5869

(1) A detailed description of the project that is the subject 5870
of the agreement; 5871

(2)(a) The term of the tax credit, which, except as provided 5872
in division (D)(2)(b) or (C) of this section, shall not exceed 5873
fifteen years, and the first taxable year, or first calendar year 5874

that includes a tax period, for which the credit may be claimed; 5875

(b) If the tax credit is computed on the basis of home-based 5876
employees, the term of the credit shall expire on or before the 5877
last day of the taxable or calendar year ending before the 5878
beginning of the seventh year after September 6, 2012, the 5879
effective date of H.B. 327 of the 129th general assembly. 5880

(c) If the taxpayer is a megaproject operator or a 5881
megaproject supplier that meets the requirements described in 5882
division (A)(13)(b) of this section, the term of the tax credit 5883
shall not exceed thirty years. 5884

(3) A requirement that the taxpayer shall maintain operations 5885
at the project location for at least the greater of seven years or 5886
the term of the credit plus three years; 5887

(4) The percentage, as determined by the tax credit 5888
authority, of excess payroll that will be allowed as the amount of 5889
the credit for each taxable year or for each calendar year that 5890
includes a tax period; 5891

(5) The pay increase factor to be applied to the taxpayer's 5892
baseline payroll; 5893

(6) A requirement that the taxpayer annually shall report to 5894
the director of development full-time equivalent employees, 5895
payroll, Ohio employee payroll, investment, the provision of 5896
health care benefits and tuition reimbursement if required in the 5897
agreement, and other information the director needs to perform the 5898
director's duties under this section; 5899

(7) A requirement that the director of development annually 5900
review the information reported under division (D)(6) of this 5901
section and verify compliance with the agreement; if the taxpayer 5902
is in compliance, a requirement that the director issue a 5903
certificate to the taxpayer stating that the information has been 5904
verified and identifying the amount of the credit that may be 5905

claimed for the taxable or calendar year. If the taxpayer is a 5906
megaproject supplier, the director shall issue such a certificate 5907
to the megaproject supplier and to any megaproject operator (a) to 5908
which the megaproject supplier directly sells tangible personal 5909
property and (b) that is authorized to claim the credit pursuant 5910
to division (D)(10) of this section. 5911

(8) A provision providing that the taxpayer may not relocate 5912
a substantial number of employment positions from elsewhere in 5913
this state to the project location unless the director of 5914
development determines that the legislative authority of the 5915
county, township, or municipal corporation from which the 5916
employment positions would be relocated has been notified by the 5917
taxpayer of the relocation. 5918

For purposes of this section, the movement of an employment 5919
position from one political subdivision to another political 5920
subdivision shall be considered a relocation of an employment 5921
position unless the employment position in the first political 5922
subdivision is replaced. The movement of a qualifying 5923
work-from-home employee to a different residence located in this 5924
state or to the project location shall not be considered a 5925
relocation of an employment position. 5926

(9) If the tax credit is computed on the basis of home-based 5927
employees, that the tax credit may not be claimed by the taxpayer 5928
until the taxable year or tax period in which the taxpayer employs 5929
at least two hundred employees more than the number of employees 5930
the taxpayer employed on June 30, 2011; 5931

(10) If the taxpayer is a megaproject supplier, the 5932
percentage of the annual tax credit certified under division 5933
(D)(7) of this section, up to one hundred per cent, that may be 5934
claimed by each megaproject operator to which the megaproject 5935
supplier directly sells tangible personal property, rather than by 5936
that megaproject supplier, on the condition that the megaproject 5937

operator continues to qualify as a megaproject operator; 5938

(11) If the taxpayer is a megaproject operator or megaproject 5939
supplier, a requirement that the taxpayer meet and maintain 5940
compliance with all thresholds and requirements to which the 5941
taxpayer agreed, pursuant to division (A)(11) or (13) of this 5942
section, respectively, as a condition of the operator's project 5943
qualifying as a megaproject or the supplier qualifying as a 5944
megaproject supplier until the end of the last year for which the 5945
taxpayer qualifies for the credit authorized under this section. 5946
In each year that a megaproject operator or megaproject supplier 5947
is subject to an agreement with the tax credit authority under 5948
this section and meets the requirements of this division, the 5949
director of development shall issue a certificate to the 5950
megaproject operator or megaproject supplier stating that the 5951
megaproject operator or megaproject supplier continues to meet 5952
those requirements. 5953

(12) If the taxpayer is a megaproject operator, a requirement 5954
that the megaproject operator submit, in a form acceptable to the 5955
director of development, an economic impact report with respect to 5956
each megaproject for which the megaproject operator is designated, 5957
summarizing all of the following for the reporting year: 5958

(a) The aggregate amount of purchases made by the megaproject 5959
operator for such megaproject from megaproject suppliers; 5960

(b) The aggregate amount of purchases made by the megaproject 5961
operator for such megaproject from suppliers other than 5962
megaproject suppliers; 5963

(c) A summary of the construction activity for any facilities 5964
at the site of the megaproject in that year; 5965

(d) The aggregate amount expended by the megaproject operator 5966
on research and development at the site of the megaproject in that 5967
year; 5968

(e) The number of employees working at the site of the megaproject and the counties in which those employees reside; 5969
5970

(f) A summary of the supply chain activity in support of the megaproject, including a list of the twenty-five suppliers with a physical presence in Ohio from which the megaproject operator made the most purchases in that year. 5971
5972
5973
5974

The economic impact report shall be due on or before the first day of July of each year, beginning in the year specified in the agreement with the tax credit authority. The information required in the report shall be certified as true and correct by an officer of the megaproject operator. If there is more than one megaproject operator designated for a single megaproject, all of the megaproject operators designated for the megaproject may jointly submit a single report. Any information contained in the report is a public record for purposes of section 149.43 of the Revised Code and shall be published on the department of development's web site. 5975

5984
5985

(E)(1) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year. 5986
5987
5988
5989
5990
5991

(2) If the tax credit authority determines that a taxpayer that is a megaproject operator of a megaproject described in division (A)(11)(a)(ii) of this section is not fully compliant with the requirements of the agreement, the authority may impose a recoupment payment on the taxpayer in accordance with the following: 5992
5993
5994
5995
5996
5997

(a) If, on the metric evaluation date, the taxpayer fails to substantially meet the capital investment, full-time equivalent 5998
5999

employee, or payroll requirements included in the agreement, an 6000
amount determined at the discretion of the authority, not to 6001
exceed the sum of the following for all years prior to the metric 6002
evaluation date: (i) the amount of taxes that would have been 6003
imposed under Chapters 5739. and 5741. of the Revised Code in the 6004
absence of the agreement, and (ii) the amount of taxes that would 6005
have been imposed under Chapter 5751. of the Revised Code on 6006
receipts realized from sales to the taxpayer in the absence of the 6007
agreement; 6008

(b) If the taxpayer fails to substantially maintain the 6009
capital investment, full-time equivalent employee, or payroll 6010
requirements included in the agreement in any year after the 6011
metric evaluation date, an amount determined at the discretion of 6012
the authority, not to exceed the sum of the following for the 6013
calendar year in which taxpayer failed to meet the requirements: 6014
(i) the amount of taxes that would have been imposed under 6015
Chapters 5739. and 5741. of the Revised Code in the absence of the 6016
agreement, and (ii) the amount of taxes that would have been 6017
imposed under Chapter 5751. of the Revised Code on receipts 6018
realized from sales to the taxpayer in the absence of the 6019
agreement. 6020

(3) The tax credit authority may, subject to any requirements 6021
of the tax credit agreement, take into consideration the 6022
taxpayer's prior performance and any market conditions impacting 6023
the taxpayer when determining the amount of the recoupment payment 6024
described in division (E)(2) of this section. 6025

(F) Projects that consist solely of point-of-final-purchase 6026
retail facilities are not eligible for a tax credit under this 6027
section. If a project consists of both point-of-final-purchase 6028
retail facilities and nonretail facilities, only the portion of 6029
the project consisting of the nonretail facilities is eligible for 6030
a tax credit and only the excess payroll from the nonretail 6031

facilities shall be considered when computing the amount of the 6032
tax credit. If a warehouse facility is part of a 6033
point-of-final-purchase retail facility and supplies only that 6034
facility, the warehouse facility is not eligible for a tax credit. 6035
Catalog distribution centers are not considered 6036
point-of-final-purchase retail facilities for the purposes of this 6037
division, and are eligible for tax credits under this section. 6038

(G) Financial statements and other information submitted to 6039
the department of development or the tax credit authority by an 6040
applicant or recipient of a tax credit under this section, and any 6041
information taken for any purpose from such statements or 6042
information, are not public records subject to section 149.43 of 6043
the Revised Code. However, the chairperson of the authority may 6044
make use of the statements and other information for purposes of 6045
issuing public reports or in connection with court proceedings 6046
concerning tax credit agreements under this section. Upon the 6047
request of the tax commissioner or, if the applicant or recipient 6048
is an insurance company, upon the request of the superintendent of 6049
insurance, the chairperson of the authority shall provide to the 6050
commissioner or superintendent any statement or information 6051
submitted by an applicant or recipient of a tax credit in 6052
connection with the credit. The commissioner or superintendent 6053
shall preserve the confidentiality of the statement or 6054
information. 6055

(H) A taxpayer claiming a credit under this section shall 6056
submit to the tax commissioner or, if the taxpayer is an insurance 6057
company, to the superintendent of insurance, a copy of the 6058
director of development's certificate of verification under 6059
division (D)(7) of this section with the taxpayer's tax report or 6060
return for the taxable year or for the calendar year that includes 6061
the tax period. Failure to submit a copy of the certificate with 6062
the report or return does not invalidate a claim for a credit if 6063

the taxpayer submits a copy of the certificate to the commissioner 6064
or superintendent within the time prescribed by section 5703.0510 6065
of the Revised Code or within thirty days after the commissioner 6066
or superintendent requests it. 6067

(I) The director of development, after consultation with the 6068
tax commissioner and the superintendent of insurance and in 6069
accordance with Chapter 119. of the Revised Code, shall adopt 6070
rules necessary to implement this section, including rules that 6071
establish a procedure to be followed by the tax credit authority 6072
and the department of development in the event the authority 6073
considers a taxpayer's application for which it receives a 6074
recommendation under division (C)(2)(a) of this section but does 6075
not approve it. The rules may provide for recipients of tax 6076
credits under this section to be charged fees to cover 6077
administrative costs of the tax credit program. For the purposes 6078
of these rules, a qualifying work-from-home employee shall be 6079
considered to be an employee employed at the applicant's project 6080
location. The fees collected shall be credited to the tax 6081
incentives operating fund created in section 122.174 of the 6082
Revised Code. At the time the director gives public notice under 6083
division (A) of section 119.03 of the Revised Code of the adoption 6084
of the rules, the director shall submit copies of the proposed 6085
rules to the chairpersons of the standing committees on economic 6086
development in the senate and the house of representatives. 6087

(J) For the purposes of this section, a taxpayer may include 6088
a partnership, a corporation that has made an election under 6089
subchapter S of chapter one of subtitle A of the Internal Revenue 6090
Code, or any other business entity through which income flows as a 6091
distributive share to its owners. A partnership, S-corporation, or 6092
other such business entity may elect to pass the credit received 6093
under this section through to the persons to whom the income or 6094
profit of the partnership, S-corporation, or other entity is 6095

distributed. The election shall be made on the annual report 6096
required under division (D)(6) of this section. The election 6097
applies to and is irrevocable for the credit for which the report 6098
is submitted. If the election is made, the credit shall be 6099
apportioned among those persons in the same proportions as those 6100
in which the income or profit is distributed. 6101

(K)(1) If the director of development determines that a 6102
taxpayer who has received a credit under this section is not 6103
complying with the requirements of the agreement, the director 6104
shall notify the tax credit authority of the noncompliance. After 6105
receiving such a notice, and after giving the taxpayer an 6106
opportunity to explain the noncompliance, the tax credit authority 6107
may require the taxpayer to refund to this state a portion of the 6108
credit in accordance with the following: 6109

(a) If the taxpayer fails to comply with the requirement 6110
under division (D)(3) of this section, an amount determined in 6111
accordance with the following: 6112

(i) If the taxpayer maintained operations at the project 6113
location for a period less than or equal to the term of the 6114
credit, an amount not exceeding one hundred per cent of the sum of 6115
any credits allowed and received under this section; 6116

(ii) If the taxpayer maintained operations at the project 6117
location for a period longer than the term of the credit, but less 6118
than the greater of seven years or the term of the credit plus 6119
three years, an amount not exceeding seventy-five per cent of the 6120
sum of any credits allowed and received under this section. 6121

(b) If, on the metric evaluation date, the taxpayer fails to 6122
substantially meet the job creation, payroll, or investment 6123
requirements included in the agreement, an amount determined at 6124
the discretion of the authority; 6125

(c) If the taxpayer fails to substantially maintain the 6126

number of new full-time equivalent employees or amount of payroll 6127
required under the agreement at any time during the term of the 6128
agreement after the metric evaluation date, an amount determined 6129
at the discretion of the authority. 6130

(2) If a taxpayer files for bankruptcy and fails as described 6131
in division (K)(1)(a), (b), or (c) of this section, the director 6132
may immediately commence an action to recoup an amount not 6133
exceeding one hundred per cent of the sum of any credits received 6134
by the taxpayer under this section. 6135

(3) In determining the portion of the tax credit to be 6136
refunded to this state, the tax credit authority shall consider 6137
the effect of market conditions on the taxpayer's project and 6138
whether the taxpayer continues to maintain other operations in 6139
this state. After making the determination, the authority shall 6140
certify the amount to be refunded to the tax commissioner or 6141
superintendent of insurance, as appropriate. If the amount is 6142
certified to the commissioner, the commissioner shall make an 6143
assessment for that amount against the taxpayer under Chapter 6144
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 6145
amount is certified to the superintendent, the superintendent 6146
shall make an assessment for that amount against the taxpayer 6147
under Chapter 5725. or 5729. of the Revised Code. The time 6148
limitations on assessments under those chapters do not apply to an 6149
assessment under this division, but the commissioner or 6150
superintendent, as appropriate, shall make the assessment within 6151
one year after the date the authority certifies to the 6152
commissioner or superintendent the amount to be refunded. Within 6153
ninety days after certifying the amount to be refunded, if 6154
circumstances have changed, the authority may adjust the amount to 6155
be refunded and certify the adjusted amount to the commissioner or 6156
superintendent. The authority may only adjust the amount to be 6157
refunded one time and only if the amount initially certified by 6158

the authority has not been repaid, in whole or in part, by the 6159
taxpayer or certified to the attorney general for collection under 6160
section 131.02 of the Revised Code. 6161

(L) On or before the first day of August each year, the 6162
director of development shall submit a report to the governor, the 6163
president of the senate, and the speaker of the house of 6164
representatives on the tax credit program under this section. The 6165
report shall include information on the number of agreements that 6166
were entered into under this section during the preceding calendar 6167
year, a description of the project that is the subject of each 6168
such agreement, and an update on the status of projects under 6169
agreements entered into before the preceding calendar year. 6170

(M) There is hereby created the tax credit authority, which 6171
consists of the director of development and four other members 6172
appointed as follows: the governor, the president of the senate, 6173
and the speaker of the house of representatives each shall appoint 6174
one member who shall be a specialist in economic development; the 6175
governor also shall appoint a member who is a specialist in 6176
taxation. Terms of office shall be for four years. Each member 6177
shall serve on the authority until the end of the term for which 6178
the member was appointed. Vacancies shall be filled in the same 6179
manner provided for original appointments. Any member appointed to 6180
fill a vacancy occurring prior to the expiration of the term for 6181
which the member's predecessor was appointed shall hold office for 6182
the remainder of that term. Members may be reappointed to the 6183
authority. Members of the authority shall receive their necessary 6184
and actual expenses while engaged in the business of the 6185
authority. The director of development shall serve as chairperson 6186
of the authority, and the members annually shall elect a 6187
vice-chairperson from among themselves. Three members of the 6188
authority constitute a quorum to transact and vote on the business 6189
of the authority. The majority vote of the membership of the 6190

authority is necessary to approve any such business, including the 6191
election of the vice-chairperson. 6192

The director of development may appoint a professional 6193
employee of the department of development to serve as the 6194
director's substitute at a meeting of the authority. The director 6195
shall make the appointment in writing. In the absence of the 6196
director from a meeting of the authority, the appointed substitute 6197
shall serve as chairperson. In the absence of both the director 6198
and the director's substitute from a meeting, the vice-chairperson 6199
shall serve as chairperson. 6200

(N) For purposes of the credits granted by this section 6201
against the taxes imposed under sections 5725.18 and 5729.03 of 6202
the Revised Code, "taxable year" means the period covered by the 6203
taxpayer's annual statement to the superintendent of insurance. 6204

(O) On or before the first day of March of each of the five 6205
calendar years beginning with 2014, each taxpayer subject to an 6206
agreement with the tax credit authority under this section on the 6207
basis of home-based employees shall report the number of 6208
home-based employees and other employees employed by the taxpayer 6209
in this state to the department of development. 6210

(P) On or before the first day of January of 2019, the 6211
director of development shall submit a report to the governor, the 6212
president of the senate, and the speaker of the house of 6213
representatives on the effect of agreements entered into under 6214
this section in which the taxpayer included home-based employees 6215
in the computation of income tax revenue, as that term was defined 6216
in this section prior to the amendment of this section by H.B. 64 6217
of the 131st general assembly. The report shall include 6218
information on the number of such agreements that were entered 6219
into in the preceding six years, a description of the projects 6220
that were the subjects of such agreements, and an analysis of 6221
nationwide home-based employment trends, including the number of 6222

home-based jobs created from July 1, 2011, through June 30, 2017, 6223
and a description of any home-based employment tax incentives 6224
provided by other states during that time. 6225

(Q) The director of development may require any agreement 6226
entered into under this section for a tax credit computed on the 6227
basis of home-based employees to contain a provision that the 6228
taxpayer makes available health care benefits and tuition 6229
reimbursement to all employees. 6230

(R) Original agreements approved by the tax credit authority 6231
under this section in 2014 or 2015 before September 29, 2015, may 6232
be revised at the request of the taxpayer to conform with the 6233
amendments to this section and sections 5733.0610, 5736.50, 6234
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 6235
general assembly, upon mutual agreement of the taxpayer and the 6236
department of development, and approval by the tax credit 6237
authority. 6238

(S)(1) As used in division (S) of this section: 6239

(a) "Eligible agreement" means an agreement approved by the 6240
tax credit authority under this section on or before December 31, 6241
2013. 6242

(b) "Income tax revenue" has the same meaning as under this 6243
section as it existed before September 29, 2015, the effective 6244
date of the amendment of this section by H.B. 64 of the 131st 6245
general assembly. 6246

(2) In calendar year 2016 and thereafter, the tax credit 6247
authority shall annually determine a withholding adjustment factor 6248
to be used in the computation of income tax revenue for eligible 6249
agreements. The withholding adjustment factor shall be a numerical 6250
percentage that equals the percentage that employer income tax 6251
withholding rates have been increased or decreased as a result of 6252
changes in the income tax rates prescribed by section 5747.02 of 6253

the Revised Code by amendment of that section taking effect on or 6254
after June 29, 2013. 6255

(3) Except as provided in division (S)(4) of this section, 6256
for reporting periods ending in 2015 and thereafter for taxpayers 6257
subject to eligible agreements, the tax credit authority shall 6258
adjust the income tax revenue reported on the taxpayer's annual 6259
report by multiplying the withholding adjustment factor by the 6260
taxpayer's income tax revenue and doing one of the following: 6261

(a) If the income tax rates prescribed by section 5747.02 of 6262
the Revised Code have decreased by amendment of that section 6263
taking effect on or after June 29, 2013, add the product to the 6264
taxpayer's income tax revenue. 6265

(b) If the income tax rates prescribed by section 5747.02 of 6266
the Revised Code have increased by amendment of that section 6267
taking effect on or after June 29, 2013, subtract the product from 6268
the taxpayer's income tax revenue. 6269

(4) Division (S)(3) of this section shall not apply unless 6270
all of the following apply for the reporting period with respect 6271
to the eligible agreement: 6272

(a) The taxpayer has achieved one hundred per cent of the new 6273
employment commitment identified in the agreement. 6274

(b) If applicable, the taxpayer has achieved one hundred per 6275
cent of the new payroll commitment identified in the agreement. 6276

(c) If applicable, the taxpayer has achieved one hundred per 6277
cent of the investment commitment identified in the agreement. 6278

(5) Failure by a taxpayer to have achieved any of the 6279
applicable commitments described in divisions (S)(4)(a) to (c) of 6280
this section in a reporting period does not disqualify the 6281
taxpayer for the adjustment under division (S) of this section for 6282
an ensuing reporting period. 6283

(T) For reporting periods ending in calendar year 2020 or 6284
thereafter, any taxpayer may include qualifying work-from-home 6285
employees in its report required under division (D)(6) of this 6286
section, and the compensation of such employees shall qualify as 6287
Ohio employee payroll under division (A)(3)(a) of this section, 6288
even if the taxpayer's application to the tax credit authority to 6289
enter into an agreement for a tax credit under this section was 6290
approved before September 29, 2017, the effective date of the 6291
amendment of this section by H.B. 49 of the 132nd general 6292
assembly. 6293

(U) The director of development ~~services~~ shall notify the tax 6294
commissioner if the director determines that a megaproject 6295
operator or megaproject supplier is not in compliance with the 6296
agreement pursuant to a review conducted under division (D)(11) of 6297
this section. 6298

(V) Beginning in 2025 and in each fifth calendar year 6299
thereafter, the tax commissioner shall adjust the following 6300
amounts in September of that year: 6301

(1) The fixed-asset investment threshold described in 6302
division (A)(11)(c)(i) of this section and the Ohio employee 6303
payroll threshold described in division (A)(11)(c)(ii) of this 6304
section by completing the following calculations: 6305

(a) Determine the percentage increase in the gross domestic 6306
product deflator determined by the bureau of economic analysis of 6307
the United States department of commerce from the first day of 6308
January of the fifth preceding calendar year to the last day of 6309
December of the preceding calendar year; 6310

(b) Multiply that percentage increase by the fixed-asset 6311
investment threshold and the Ohio employee payroll threshold for 6312
the current year; 6313

(c) Add the resulting products to the corresponding 6314

fixed-asset investment threshold and Ohio employee payroll 6315
threshold for the current year; 6316

(d) Round the resulting fixed-asset investment sum to the 6317
nearest multiple of ten million dollars and the Ohio employee 6318
payroll sum to the nearest multiple of one million dollars. 6319

(2) The fixed-asset investment threshold described in 6320
division (A)(13)(b)(i) of this section and the Ohio employee 6321
payroll threshold described in division (A)(13)(b)(ii) of this 6322
section by completing the calculations described in divisions 6323
(V)(1)(a) to (c) of this section and rounding the resulting 6324
fixed-asset investment sum to the nearest multiple of one million 6325
dollars and the Ohio employee payroll sum to the nearest multiple 6326
of one hundred thousand dollars. 6327

The commissioner shall certify the amount of the adjustments 6328
under divisions (V)(1) and (2) of this section to the director of 6329
development ~~services~~ and to the tax credit authority not later 6330
than the first day of December of the year the commissioner 6331
computes the adjustment. Each certified amount applies to the 6332
ensuing calendar year and each calendar year thereafter until the 6333
tax commissioner makes a new adjustment. The tax commissioner 6334
shall not calculate a new adjustment in any year in which the 6335
resulting amount from the adjustment would be less than the 6336
corresponding amount for the current year. 6337

Sec. 122.171. (A) As used in this section: 6338

(1) "Capital investment project" means a plan of investment 6339

tax credit under this section; 6365

(ii) The taxpayer makes or causes to be made payments for the 6366

the aggregate at the project site during a period of three 6368
consecutive calendar years including the calendar year that 6369
includes a day of the taxpayer's taxable year or tax period with 6370
respect to which the credit is granted. 6371

(b) If engaged at the project site primarily as a 6372
manufacturer, the taxpayer makes or causes to be made payments for 6373
the capital investment project at the project site during a period 6374

(3) "Full-time equivalent employees" means the quotient 6384
obtained by dividing the total number of hours for which employees 6385
were compensated for employment in the project by two thousand 6386
eighty. "Full-time equivalent employees" shall exclude hours that 6387
are counted for a credit under section 122.17 of the Revised Code. 6388

(4) "Ohio employee payroll" has the same meaning as in 6389
section 122.17 of the Revised Code. 6390

(5) "Manufacturer" has the same meaning as in section 6391

section, within a fifteen-mile radius where a taxpayer is 6395
primarily operating as an eligible business. 6396

(7) "Related member" has the same meaning as in section 6397
5733.042 of the Revised Code as that section existed on the 6398
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 6399
general assembly, September 29, 1997. 6400

(8) "Taxable year" includes, in the case of a domestic or 6401
foreign insurance company, the calendar year ending on the 6402
thirty-first day of December preceding the day the superintendent 6403
of insurance is required to certify to the treasurer of state 6404

subzones for which a permit has been granted and remains active. 6411

(B) The tax credit authority created under section 122.17 of 6412
the Revised Code may grant a nonrefundable tax credit to an 6413
eligible business under this section for the purpose of fostering 6414
job retention in this state. Upon application by an eligible 6415
business and upon consideration of the determination of the 6416
director of budget and management, tax commissioner, and the 6417
superintendent of insurance in the case of an insurance company, 6418
the recommendation and determination of the director of 6419
development under division (C)(1) of this section, and a review of 6420
the criteria described in division (C)(2) of this section, the tax 6421
credit authority may grant the credit against the tax imposed by 6422
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 6423
5751.02 of the Revised Code. 6424

The credit authorized in this section may be granted for a 6425
period up to fifteen taxable years or, in the case of the tax 6426
levied by section 5736.02 or 5751.02 of the Revised Code, for a 6427
period of up to fifteen calendar years. The credit amount for a 6428
taxable year or a calendar year that includes the tax period for 6429
which a credit may be claimed equals the Ohio employee payroll for 6430
that year multiplied by the percentage specified in the agreement 6431
with the tax credit authority. The credit shall be claimed in the 6432
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 6433
5747.98, or 5751.98 of the Revised Code. In determining the 6434
percentage and term of the credit, the tax credit authority shall 6435
consider both the number of full-time equivalent employees and the 6436
value of the capital investment project. The credit amount may not 6437

be based on the Ohio employee payroll for a calendar year before 6438
the calendar year in which the tax credit authority specifies the 6439
tax credit is to begin, and the credit shall be claimed only for 6440
the taxable years or tax periods specified in the eligible 6441
business' agreement with the tax credit authority. In no event 6442
shall the credit be claimed for a taxable year or tax period 6443
terminating before the date specified in the agreement. 6444

If a credit allowed under this section for a taxable year or 6445
tax period exceeds the taxpayer's tax liability for that year or 6446
period, the excess may be carried forward for the three succeeding 6447
taxable or calendar years, but the amount of any excess credit 6448
allowed in any taxable year or tax period shall be deducted from 6449
the balance carried forward to the succeeding year or period. 6450

(C)(1) A taxpayer that proposes a capital investment project 6451
to retain jobs in this state may apply to the tax credit authority 6452
to enter into an agreement for a tax credit under this section. 6453
The director of development shall prescribe the form of the 6454
application. After receipt of an application, the authority shall 6455
forward copies of the application to the director of budget and 6456
management, the tax commissioner, and the superintendent of 6457
insurance in the case of an insurance company, each of whom shall 6458
review the application to determine the economic impact the 6459
proposed project would have on the state and the affected 6460
political subdivisions and shall submit a summary of their 6461
determinations to the authority. The authority shall also forward 6462
a copy of the application to the director of development, who 6463
shall review the application to determine the economic impact the 6464
proposed project would have on the state and the affected 6465
political subdivisions and shall submit a summary of the 6466
director's determinations and recommendations to the authority. 6467

(2) The director of development, in reviewing applications 6468
and making recommendations to the tax credit authority, and the 6469

authority, in selecting taxpayers with which to enter into an 6470
agreement under division (D) of this section, shall give priority 6471
to applications that meet one or more of the following criteria, 6472
with greater priority given to applications that meet more of the 6473
criteria: 6474

(a) Within the preceding five years, the applicant has not 6475
received a credit under this section or section 122.17 of the 6476
Revised Code for a project at the same project site as that 6477
proposed in the application. 6478

(b) The applicant is not currently receiving a credit under 6479
this section or section 122.17 of the Revised Code. 6480

(c) The applicant has operated at the project site for at 6481
least the preceding ten years. 6482

(d) The project involves a significant upgrade of the project 6483
site, rather than only routine maintenance of existing facilities, 6484
such as an increase in capacity of a facility, new product 6485
development, or technology upgrades or other facility 6486
modernization. 6487

(e) The applicant intends to use machinery, equipment, and 6488
materials supplied by Ohio businesses in the project when 6489
possible. 6490

(D) Upon review and consideration of the determinations, 6491
recommendations, and criteria described in division (C) of this 6492
section, the tax credit authority may enter into an agreement with 6493
the taxpayer for a credit under this section if the authority 6494
determines all of the following: 6495

(1) The taxpayer's capital investment project will result in 6496
the retention of employment in this state. 6497

(2) The taxpayer is economically sound and has the ability to 6498
complete the proposed capital investment project. 6499

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.

(E) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated.

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed.

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4)(a) If the taxpayer is engaged at the project site primarily in significant corporate administrative functions, a requirement that the taxpayer either retain at least five hundred full-time equivalent employees at the project site and within this state for the entire term of the credit, maintain an annual Ohio employee payroll of at least thirty-five million dollars for the entire term of the credit, or remain located in a foreign trade zone for the entire term of the credit;

(b) If the taxpayer is engaged at the project site primarily as a manufacturer, a requirement that the taxpayer maintain at least the number of full-time equivalent employees specified in the agreement pursuant to division (E)(1) of this section at the project site and within this state for the entire term of the

credit. 6531

(5) A requirement that the taxpayer annually report to the 6532
director of development full-time equivalent employees, Ohio 6533
employee payroll, capital investment, and other information the 6534
director needs to perform the director's duties under this 6535
section. 6536

(6) A requirement that the director of development annually 6537
review the annual reports of the taxpayer to verify the 6538
information reported under division (E)(5) of this section and 6539
compliance with the agreement. Upon verification, the director 6540
shall issue a certificate to the taxpayer stating that the 6541
information has been verified and identifying the amount of the 6542
credit for the taxable year or calendar year that includes the tax 6543
period. In determining the number of full-time equivalent 6544
employees, no position shall be counted that is filled by an 6545
employee who is included in the calculation of a tax credit under 6546
section 122.17 of the Revised Code. 6547

(7) A provision providing that the taxpayer may not relocate 6548
a substantial number of employment positions from elsewhere in 6549
this state to the project site unless the director of development 6550
determines that the taxpayer notified the legislative authority of 6551
the county, township, or municipal corporation from which the 6552
employment positions would be relocated. 6553

For purposes of this section, the movement of an employment 6554
position from one political subdivision to another political 6555
subdivision shall be considered a relocation of an employment 6556
position unless the movement is confined to the project site. The 6557
transfer of an employment position from one political subdivision 6558
to another political subdivision shall not be considered a 6559
relocation of an employment position if the employment position in 6560
the first political subdivision is replaced by another employment 6561
position. 6562

(8) A waiver by the taxpayer of any limitations periods 6563
relating to assessments or adjustments resulting from the 6564
taxpayer's failure to comply with the agreement. 6565

(F) If a taxpayer fails to meet or comply with any condition 6566
or requirement set forth in a tax credit agreement, the tax credit 6567
authority may amend the agreement to reduce the percentage or term 6568
of the credit. The reduction of the percentage or term may take 6569
effect in the current taxable or calendar year. 6570

(G) Financial statements and other information submitted to 6571
the department of development or the tax credit authority by an 6572
applicant for or recipient of a tax credit under this section, and 6573
any information taken for any purpose from such statements or 6574
information, are not public records subject to section 149.43 of 6575
the Revised Code. However, the chairperson of the authority may 6576
make use of the statements and other information for purposes of 6577
issuing public reports or in connection with court proceedings 6578
concerning tax credit agreements under this section. Upon the 6579
request of the tax commissioner, or the superintendent of 6580
insurance in the case of an insurance company, the chairperson of 6581
the authority shall provide to the commissioner or superintendent 6582
any statement or other information submitted by an applicant for 6583
or recipient of a tax credit in connection with the credit. The 6584
commissioner or superintendent shall preserve the confidentiality 6585
of the statement or other information. 6586

(H) A taxpayer claiming a tax credit under this section shall 6587
submit to the tax commissioner or, in the case of an insurance 6588
company, to the superintendent of insurance, a copy of the 6589
director of development's certificate of verification under 6590
division (E)(6) of this section with the taxpayer's tax report or 6591
return for the taxable year or for the calendar year that includes 6592
the tax period. Failure to submit a copy of the certificate with 6593
the report or return does not invalidate a claim for a credit if 6594

the taxpayer submits a copy of the certificate to the commissioner 6595
or superintendent within the time prescribed by section 5703.0510 6596
of the Revised Code or within thirty days after the commissioner 6597
or superintendent requests it. 6598

(I) For the purposes of this section, a taxpayer may include 6599
a partnership, a corporation that has made an election under 6600
subchapter S of chapter one of subtitle A of the Internal Revenue 6601
Code, or any other business entity through which income flows as a 6602
distributive share to its owners. A partnership, S-corporation, or 6603
other such business entity may elect to pass the credit received 6604
under this section through to the persons to whom the income or 6605
profit of the partnership, S-corporation, or other entity is 6606
distributed. The election shall be made on the annual report 6607
required under division (E)(5) of this section. The election 6608
applies to and is irrevocable for the credit for which the report 6609
is submitted. If the election is made, the credit shall be 6610
apportioned among those persons in the same proportions as those 6611
in which the income or profit is distributed. 6612

(J)(1) If the director of development determines that a 6613
taxpayer that received a certificate under division (E)(6) of this 6614
section is not complying with the requirements of the agreement, 6615
the director shall notify the tax credit authority of the 6616
noncompliance. After receiving such a notice, and after giving the 6617
taxpayer an opportunity to explain the noncompliance, the 6618
authority may terminate the agreement and require the taxpayer, or 6619
any related member or members that claimed the tax credit under 6620
division (N) of this section, to refund to the state all or a 6621
portion of the credit claimed in previous years, as follows: 6622

(a) If the taxpayer fails to comply with the requirement 6623
under division (E)(3) of this section, an amount determined in 6624
accordance with the following: 6625

(i) If the taxpayer maintained operations at the project site 6626

for less than or equal to the term of the credit, an amount not to 6627
exceed one hundred per cent of the sum of any tax credits allowed 6628
and received under this section. 6629

(ii) If the taxpayer maintained operations at the project 6630
site longer than the term of the credit, but less than the greater 6631
of seven years or the term of the credit plus three years, the 6632
amount required to be refunded shall not exceed seventy-five per 6633
cent of the sum of any tax credits allowed and received under this 6634
section. 6635

(b) If the taxpayer fails to substantially, satisfy the 6636
employment, payroll, or location requirements required under the 6637
agreement, as prescribed under division (E)(4)(a) or (b), as 6638
applicable to the taxpayer, at any time during the term of the 6639
agreement or during the post-term reporting period, an amount 6640
determined at the discretion of the authority. 6641

(2) If a taxpayer files for bankruptcy and fails as described 6642
in division (J)(1)(a) or (b) of this section, the director may 6643
immediately commence an action to recoup an amount not exceeding 6644
one hundred per cent of the sum of any credits received by the 6645
taxpayer under this section. 6646

(3) In determining the portion of the credit to be refunded 6647
to this state, the authority shall consider the effect of market 6648
conditions on the taxpayer's project and whether the taxpayer 6649
continues to maintain other operations in this state. After making 6650
the determination, the authority shall certify the amount to be 6651
refunded to the tax commissioner or the superintendent of 6652
insurance. If the taxpayer, or any related member or members who 6653
claimed the tax credit under division (N) of this section, is not 6654
an insurance company, the commissioner shall make an assessment 6655
for that amount against the taxpayer under Chapter 5726., 5733., 6656
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 6657
any related member or members that claimed the tax credit under 6658

division (N) of this section, is an insurance company, the 6659
superintendent of insurance shall make an assessment under section 6660
5725.222 or 5729.102 of the Revised Code. The time limitations on 6661
assessments under those chapters and sections do not apply to an 6662
assessment under this division, but the commissioner or 6663
superintendent shall make the assessment within one year after the 6664
date the authority certifies to the commissioner or superintendent 6665
the amount to be refunded. Within ninety days after certifying the 6666
amount to be refunded, if circumstances have changed, the 6667
authority may adjust the amount to be refunded and certify the 6668
adjusted amount to the commissioner or superintendent. The 6669
authority may only adjust the amount to be refunded one time and 6670
only if the amount initially certified by the authority has not 6671
been repaid, in whole or in part, by the taxpayer or certified to 6672
the attorney general for collection under section 131.02 of the 6673
Revised Code. 6674

(K) The director of development, after consultation with the 6675
tax commissioner and the superintendent of insurance and in 6676
accordance with Chapter 119. of the Revised Code, shall adopt 6677
rules necessary to implement this section. The rules may provide 6678
for recipients of tax credits under this section to be charged 6679
fees to cover administrative costs of the tax credit program. The 6680
fees collected shall be credited to the tax incentives operating 6681
fund created in section 122.174 of the Revised Code. At the time 6682
the director gives public notice under division (A) of section 6683
119.03 of the Revised Code of the adoption of the rules, the 6684
director shall submit copies of the proposed rules to the 6685
chairpersons of the standing committees on economic development in 6686
the senate and the house of representatives. 6687

(L) On or before the first day of August of each year, the 6688
director of development shall submit a report to the governor, the 6689
president of the senate, and the speaker of the house of 6690

representatives on the tax credit program under this section. The 6691
report shall include information on the number of agreements that 6692
were entered into under this section during the preceding calendar 6693
year, a description of the project that is the subject of each 6694
such agreement, and an update on the status of projects under 6695
agreements entered into before the preceding calendar year. 6696

(M) The aggregate amount of nonrefundable tax credits issued 6697
under this section during any calendar year for capital investment 6698
projects reviewed and approved by the tax credit authority may not 6699
exceed the following amounts: 6700

preceding calendar year plus thirteen million dollars; 6703

(3) For 2024 and each year thereafter, one hundred 6704

to credits for capital investment projects approved by the tax 6707
credit authority before July 1, 2009. 6708

is part of an affiliated group that includes a diversified savings 6710
and loan holding company or a grandfathered unitary savings and 6711
loan holding company, as those terms are defined in section 6712
5726.01 of the Revised Code. Notwithstanding any contrary 6713
provision of the agreement between such an eligible business and 6714
the tax credit authority, any credit granted under this section 6715
against the tax imposed by section 5725.18, 5729.03, 5733.06, 6716

the tax credit authority, may be shared with any member or members 6719
of the affiliated group that includes the eligible business, which 6720
member or members may claim the credit against the taxes imposed 6721

(C)(1) A production company whose motion picture or Broadway 7203
theatrical production has been certified as a tax credit-eligible 7204

section 5726.02, 5733.06, 5747.02, or 5751.02 of the Revised Code. 7207

The director in consultation with the tax commissioner shall 7208
prescribe the form and manner of the application and the 7209
information or documentation required to be submitted with the 7210
application. 7211

The credit is determined as follows: 7212

(a) If the total budgeted eligible expenditures stated in the 7213
application submitted under division (B) of this section or the 7214
actual eligible expenditures as finally determined under division 7215
(D) of this section, whichever is least, is less than or equal to 7216
three hundred thousand dollars, no credit is allowed; 7217

(b) If the total budgeted eligible expenditures stated in the 7218
application submitted under division (B) of this section or the 7219
actual eligible expenditures as finally determined under division 7220
(D) of this section, whichever is least, is greater than three 7221
hundred thousand dollars, the credit equals thirty per cent of the 7222
least of such budgeted or actual eligible expenditure amounts. 7223

(2) Except as provided in division (C)(4) of this section, if 7224
the director of development approves a production company's 7225
application for a credit, the director shall issue a tax credit 7226
certificate to the company. The director in consultation with the 7227
tax commissioner shall prescribe the form and manner of issuing 7228
certificates. The director shall assign a unique identifying 7229
number to each tax credit certificate and shall record the 7230
certificate in a register devised and maintained by the director 7231
for that purpose. The certificate shall state the amount of the 7232
eligible expenditures on which the credit is based and the amount 7233
of the credit. Upon the issuance of a certificate, the director 7234
shall certify to the tax commissioner the name of the production 7235
company to which the certificate was issued, the amount of 7236
eligible expenditures shown on the certificate, the amount of the 7237
credit, and any other information required by the rules adopted to 7238
administer this section. 7239

(3) The amount of eligible expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Once the eligible expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. Not more than ~~forty~~ seventy-five million dollars of tax credit may be allowed per fiscal year provided that, for any fiscal year in which the amount of tax credits allowed under this section is less than that maximum annual amount, the amount not allowed for that fiscal year shall be added to the maximum annual amount that may be allowed for the following fiscal year.

(5) The director shall review and approve applications for tax credits in two rounds each fiscal year. The first round of credits shall be awarded not later than the last day of July of the fiscal year, and the second round of credits shall be awarded not later than the last day of the ensuing January. The amount of credits awarded in the first round of applications each fiscal year shall not exceed ~~twenty~~ thirty-seven and one-half million dollars plus any credit allotment that was not awarded in the preceding fiscal year and carried over under division (C)(4) of this section. For each round, the director shall rank applications on the basis of the extent of positive economic impact each tax credit-eligible production is likely to have in this state and the effect on developing a permanent workforce in motion picture or theatrical production industries in the state. For the purpose of such ranking, the director shall give priority to tax-credit

eligible productions that are television series or miniseries due 7272
to the long-term commitment typically associated with such 7273
productions. The economic impact ranking shall be based on the 7274
production company's total expenditures in this state directly 7275
associated with the tax credit-eligible production. The effect on 7276
developing a permanent workforce in the motion picture or 7277
theatrical production industries shall be evaluated first by the 7278
number of new jobs created and second by amount of payroll added 7279
with respect to employees in this state. 7280

The director shall approve productions in the order of their 7281
ranking, from those with the greatest positive economic impact and 7282
workforce development effect to those with the least positive 7283
economic impact and workforce development effect. 7284

(D) A production company whose motion picture or Broadway 7285
theatrical production has been certified as a tax credit-eligible 7286
production shall engage, at the company's expense, an independent 7287
certified public accountant to examine the company's production, 7288
postproduction, and advertising and promotion expenditures to 7289
identify the expenditures that qualify as eligible expenditures. 7290
The certified public accountant shall issue a report to the 7291
company and to the director of development certifying the 7292
company's eligible expenditures and any other information required 7293
by the director. Upon receiving and examining the report, the 7294
director may disallow any expenditure the director determines is 7295
not an eligible expenditure. If the director disallows an 7296
expenditure, the director shall issue a written notice to the 7297
production company stating that the expenditure is disallowed and 7298
the reason for the disallowance. Upon examination of the report 7299
and disallowance of any expenditures, the director shall determine 7300
finally the lesser of the total budgeted eligible expenditures 7301
stated in the application submitted under division (B) of this 7302
section or the actual eligible expenditures for the purpose of 7303

computing the amount of the credit. 7304

(E) No credit shall be allowed under section 5726.55, 7305
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 7306
director has reviewed the report and made the determination 7307
prescribed by division (D) of this section. 7308

(F) This state reserves the right to refuse the use of this 7309
state's name in the credits of any tax credit-eligible motion 7310
picture production or program of any Broadway theatrical 7311
production. 7312

(G)(1) The director of development in consultation with the 7313
tax commissioner shall adopt rules for the administration of this 7314
section, including rules setting forth and governing the criteria 7315
for determining whether a motion picture or Broadway theatrical 7316
production is a tax credit-eligible production; activities that 7317
constitute the production or postproduction of a motion picture or 7318
Broadway theatrical production; reporting sufficient evidence of 7319
reviewable progress; expenditures that qualify as eligible 7320
expenditures; a schedule and deadlines for applications to be 7321
submitted and reviewed; a competitive process for approving 7322
credits based on likely economic impact in this state and 7323
development of a permanent workforce in motion picture or 7324
theatrical production industries in this state; consideration of 7325
geographic distribution of credits; and implementation of the 7326
program described in division (H) of this section. The rules shall 7327
be adopted under Chapter 119. of the Revised Code. 7328

(2) To cover the administrative costs of the program, the 7329
director shall require each applicant to pay an application fee 7330
equal to the lesser of ten thousand dollars or one per cent of the 7331
estimated value of the tax credit as stated in the application. 7332
The fees collected shall be credited to the tax incentives 7333
operating fund created in section 122.174 of the Revised Code. All 7334
grants, gifts, fees, and contributions made to the director for 7335

marketing and promotion of the motion picture industry within this 7336
state shall also be credited to the fund. 7337

to hire and provide on-the-job training to one or more certified 7349
film and multimedia trainees who will be employed in the company's 7350
tax credit-eligible production. 7351

(3) Upon completion of a tax-credit eligible production, and 7352
upon the receipt of any salary information and other documentation 7353
required by the director, authorize a reimbursement payment to 7354
each production company whose application was approved under 7355
division (H)(2) of this section. The payment shall equal fifty per 7356
cent of the salaries paid to film and multimedia trainees employed 7357
in the production. 7358

to determine eligibility and benefits under this section. 7435

(C) Parental leave granted under this section shall not 7436
exceed ~~six~~ twelve consecutive weeks, which shall include four 7437
~~weeks or one~~ hundred ~~sixty~~ eighty hours of paid leave for 7438
permanent full-time employees and a prorated number of hours of 7439
paid leave for permanent part-time employees. Parental leave shall 7440
be taken within one year of the birth of the child, delivery of 7441
the stillborn child, or placement of the child for adoption. ~~All~~ 7442
~~employees granted parental leave shall serve a waiting period of~~ 7443
~~fourteen days that begins on the day parental leave begins and~~ 7444
~~during which they shall not receive paid leave under this section.~~ 7445
~~Employees may choose to work during the waiting period.~~ During the 7446
~~remaining four weeks of the leave period, employees shall receive~~ 7447
paid leave equal to seventy per cent of their base rate of pay. 7448
All of the following apply to employees granted parental leave: 7449

(1) They remain eligible to receive all employer-paid 7450
benefits and continue to accrue all other forms of paid leave as 7451
if they were in active pay status. 7452

(2) They are ineligible to receive overtime pay, and no 7453
portion of their parental leave shall be included in calculating 7454
their overtime pay. 7455

(3) They are ineligible to receive holiday pay. A holiday 7456
occurring during the leave period shall be counted as one day of 7457
parental leave and be paid as such. 7458

(D) Employees receiving parental leave may utilize available 7459
sick leave, personal leave, vacation leave, or compensatory time 7460
balances in order to ~~be paid during the fourteen day waiting~~ 7461
~~period and to~~ supplement the seventy per cent of their base rate 7462
of pay received during the ~~remaining part of their~~ parental leave 7463
period, in an amount sufficient to give them up to one hundred per 7464
cent of their pay for time on parental leave. 7465

Use of parental leave does not affect an employee's 7466
eligibility for other forms of paid leave granted under this 7467
chapter and does not prohibit an employee from taking leave under 7468
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 7469
U.S.C.A. 2601, except that parental leave shall be included in any 7470
leave time provided under that act. An employee may not receive 7471
parental leave under this section after exhausting leave under the 7472
Family and Medical Leave Act of 1993 for the birth of the child, 7473
delivery of the stillborn child, or placement of the child for 7474
adoption. 7475

(E) Employees receiving disability leave benefits under 7476
section 124.385 of the Revised Code prior to becoming eligible for 7477
parental leave shall continue to receive disability leave benefits 7478
for the duration of their disabling condition or as otherwise 7479
provided under the disability leave benefits program. If an 7480
employee is receiving disability leave benefits because of 7481
pregnancy and these benefits expire prior to the expiration date 7482
of any benefits the employee would have been entitled to receive 7483
under this section, the employee shall receive parental leave for 7484
such additional time ~~without being required to serve an additional~~ 7485
~~waiting period if the parental leave is contiguous to the~~ 7486
~~disability leave.~~ 7487

Sec. 124.14. (A)(1) The director of administrative services 7488
shall establish, and may modify or rescind, a job classification 7489
plan for all positions, offices, and employments in the service of 7490
the state. The director shall group jobs within a classification 7491
so that the positions are similar enough in duties and 7492
responsibilities to be described by the same title, to have the 7493
same pay assigned with equity, and to have the same qualifications 7494
for selection applied. The director shall assign a classification 7495
title to each classification within the classification plan. 7496
However, the director shall consider in establishing 7497
classifications, including classifications with parenthetical 7498
titles, and assigning pay ranges such factors as duties performed 7499
only on one shift, special skills in short supply in the labor 7500
market, recruitment problems, separation rates, comparative salary 7501
rates, the amount of training required, and other conditions 7502
affecting employment. The director shall describe the duties and 7503
responsibilities of the class, establish the qualifications for 7504
being employed in each position in the class, and file with the 7505
secretary of state a copy of specifications for all of the 7506
classifications. The director shall file new, additional, or 7507
revised specifications with the secretary of state before they are 7508
used. 7509

The director shall assign each classification, either on a 7510
statewide basis or in particular counties or state institutions, 7511
to a pay range established under section 124.15 or section 124.152 7512
of the Revised Code. The director may assign a classification to a 7513
pay range on a temporary basis for a period of six months. The 7514
director may establish experimental classification plans for some 7515
or all employees paid directly by warrant of the director of 7516
budget and management. Any such experimental classification plan 7517
shall include specifications for each classification within the 7518
plan and shall specifically address compensation ranges, and 7519

methods for advancing within the ranges, for the classifications, 7520
which may be assigned to pay ranges other than the pay ranges 7521
established under section 124.15 or 124.152 of the Revised Code. 7522

(2) The director of administrative services may reassign to a 7523
proper classification those positions that have been assigned to 7524
an improper classification. If the compensation of an employee in 7525
such a reassigned position exceeds the maximum rate of pay for the 7526
employee's new classification, the employee shall be placed in pay 7527
step X and shall not receive an increase in compensation until the 7528
maximum rate of pay for that classification exceeds the employee's 7529
compensation. 7530

(3) The director may reassign an exempt employee, as defined 7531
in section 124.152 of the Revised Code, to a bargaining unit 7532
classification if the director determines that the bargaining unit 7533
classification is the proper classification for that employee. 7534
Notwithstanding Chapter 4117. of the Revised Code or instruments 7535
and contracts negotiated under it, these placements are at the 7536
director's discretion. 7537

(4) The director shall assign related classifications, which 7538
form a career progression, to a classification series. The 7539
director shall assign each classification in the classification 7540
plan a five-digit number, the first four digits of which shall 7541
denote the classification series to which the classification is 7542
assigned. When a career progression encompasses more than ten 7543
classifications, the director shall identify the additional 7544
classifications belonging to a classification series. The 7545
additional classifications shall be part of the classification 7546
series, notwithstanding the fact that the first four digits of the 7547
number assigned to the additional classifications do not 7548
correspond to the first four digits of the numbers assigned to 7549
other classifications in the classification series. 7550

(B) Division (A) of this section and sections 124.15 and 7551

124.152 of the Revised Code do not apply to the following persons, 7552
positions, offices, and employments: 7553

(1) Elected officials; 7554

(2) Legislative employees, employees of the legislative 7555
service commission, employees in the office of the governor, 7556
employees who are in the unclassified civil service and exempt 7557
from collective bargaining coverage in the office of the secretary 7558
of state, auditor of state, treasurer of state, and attorney 7559
general, and employees of the supreme court; 7560

(3) Any position for which the authority to determine 7561
compensation is given by law to another individual or entity; 7562

(4) Employees of the bureau of workers' compensation whose 7563
compensation the administrator of workers' compensation 7564
establishes under division (B) of section 4121.121 of the Revised 7565
Code. 7566

(C) The director may employ a consulting agency to aid and 7567
assist the director in carrying out this section. 7568

(D)(1) When the director proposes to modify a classification 7569
or the assignment of classes to appropriate pay ranges, the 7570
director shall notify the appointing authorities of the affected 7571
employees before implementing the modification. The director's 7572
notice shall include the effective date of the modification. The 7573
appointing authorities shall notify the affected employees 7574
regarding the modification. 7575

(2) When the director proposes to reclassify any employee in 7576
the service of the state so that the employee is adversely 7577
affected, the director shall give to the employee affected and to 7578
the employee's appointing authority a written notice setting forth 7579
the proposed new classification, pay range, and salary. Upon the 7580
request of any classified employee in the service of the state who 7581
is not serving in a probationary period, the director shall 7582

perform a job audit to review the classification of the employee's 7583
position to determine whether the position is properly classified. 7584
The director shall give to the employee affected and to the 7585
employee's appointing authority a written notice of the director's 7586
determination whether or not to reclassify the position or to 7587
reassign the employee to another classification. An employee or 7588
appointing authority desiring a hearing shall file a written 7589
request for the hearing with the state personnel board of review 7590
within thirty days after receiving the notice. The board shall set 7591
the matter for a hearing and notify the employee and appointing 7592
authority of the time and place of the hearing. The employee, the 7593
appointing authority, or any authorized representative of the 7594
employee who wishes to submit facts for the consideration of the 7595
board shall be afforded reasonable opportunity to do so. After the 7596
hearing, the board shall consider anew the reclassification and 7597
may order the reclassification of the employee and require the 7598
director to assign the employee to such appropriate classification 7599
as the facts and evidence warrant. As provided in division (A)(1) 7600
of section 124.03 of the Revised Code, the board may determine the 7601
most appropriate classification for the position of any employee 7602
coming before the board, with or without a job audit. The board 7603
shall disallow any reclassification or reassignment classification 7604
of any employee when it finds that changes have been made in the 7605
duties and responsibilities of any particular employee for 7606
political, religious, or other unjust reasons. 7607

(E)(1) Employees of each county department of job and family 7608
services shall be paid a salary or wage established by the board 7609
of county commissioners. The provisions of section 124.18 of the 7610
Revised Code concerning the standard work week apply to employees 7611
of county departments of job and family services. A board of 7612
county commissioners may do either of the following: 7613

(a) Notwithstanding any other section of the Revised Code, 7614

supplement the sick leave, vacation leave, personal leave, and 7615
other benefits of any employee of the county department of job and 7616
family services of that county, if the employee is eligible for 7617
the supplement under a written policy providing for the 7618
supplement; 7619

(b) Notwithstanding any other section of the Revised Code, 7620
establish alternative schedules of sick leave, vacation leave, 7621
personal leave, or other benefits for employees not inconsistent 7622
with the provisions of a collective bargaining agreement covering 7623
the affected employees. 7624

(2) Division (E)(1) of this section does not apply to 7625
employees for whom the state employment relations board 7626
establishes appropriate bargaining units pursuant to section 7627
4117.06 of the Revised Code, except in either of the following 7628
situations: 7629

(a) The employees for whom the state employment relations 7630
board establishes appropriate bargaining units elect no 7631
representative in a board-conducted representation election. 7632

(b) After the state employment relations board establishes 7633
appropriate bargaining units for such employees, all employee 7634
organizations withdraw from a representation election. 7635

(F)(1) Notwithstanding any contrary provision of sections 7636
124.01 to 124.64 of the Revised Code, the board of trustees of 7637
each state university or college, as defined in section 3345.12 of 7638
the Revised Code, shall carry out all matters of governance 7639
involving the officers and employees of the university or college, 7640
including, but not limited to, the powers, duties, and functions 7641
of the department of administrative services and the director of 7642
administrative services specified in this chapter. Officers and 7643
employees of a state university or college shall have the right of 7644
appeal to the state personnel board of review as provided in this 7645

chapter. 7646

(2) Each board of trustees shall adopt rules ~~under section~~ 7647
~~111.15 of the Revised Code~~ to carry out the matters of governance 7648
described in division (F)(1) of this section. Until the board of 7649
trustees adopts those rules, a state university or college shall 7650
continue to operate pursuant to the applicable rules adopted by 7651
the director of administrative services under this chapter. 7652

(G)(1) Each board of county commissioners may, by a 7653
resolution adopted by a majority of its members, establish a 7654
county personnel department to exercise the powers, duties, and 7655
functions specified in division (G) of this section. As used in 7656
division (G) of this section, "county personnel department" means 7657
a county personnel department established by a board of county 7658
commissioners under division (G)(1) of this section. 7659

(2)(a) Each board of county commissioners, by a resolution 7660
adopted by a majority of its members, may designate the county 7661
personnel department of the county to exercise the powers, duties, 7662
and functions specified in sections 124.01 to 124.64 and Chapter 7663
325. of the Revised Code with regard to employees in the service 7664
of the county, except for the powers and duties of the state 7665
personnel board of review, which powers and duties shall not be 7666
construed as having been modified or diminished in any manner by 7667
division (G)(2) of this section, with respect to the employees for 7668
whom the board of county commissioners is the appointing authority 7669
or co-appointing authority. 7670

(b) Nothing in division (G)(2) of this section shall be 7671
construed to limit the right of any employee who possesses the 7672
right of appeal to the state personnel board of review to continue 7673
to possess that right of appeal. 7674

(c) Any board of county commissioners that has established a 7675
county personnel department may contract with the department of 7676

administrative services, in accordance with division (H) of this 7677
section, another political subdivision, or an appropriate public 7678
or private entity to provide competitive testing services or other 7679
appropriate services. 7680

(3) After the county personnel department of a county has 7681
been established as described in division (G)(2) of this section, 7682
any elected official, board, agency, or other appointing authority 7683
of that county, upon written notification to the county personnel 7684
department, may elect to use the services and facilities of the 7685
county personnel department. Upon receipt of the notification by 7686
the county personnel department, the county personnel department 7687
shall exercise the powers, duties, and functions as described in 7688
division (G)(2) of this section with respect to the employees of 7689
that elected official, board, agency, or other appointing 7690
authority. 7691

(4) Each board of county commissioners, by a resolution 7692
adopted by a majority of its members, may disband the county 7693
personnel department. 7694

(5) Any elected official, board, agency, or appointing 7695
authority of a county may end its involvement with a county 7696
personnel department upon actual receipt by the department of a 7697
certified copy of the notification that contains the decision to 7698
no longer participate. 7699

(6) A county personnel department, in carrying out its 7700
duties, shall adhere to merit system principles with regard to 7701
employees of county departments of job and family services, child 7702
support enforcement agencies, and public child welfare agencies so 7703
that there is no threatened loss of federal funding for these 7704
agencies, and the county is financially liable to the state for 7705
any loss of federal funds due to the action or inaction of the 7706
county personnel department. 7707

(H) County agencies may contract with the department of 7708
administrative services for any human resources services, 7709
including, but not limited to, establishment and modification of 7710
job classification plans, competitive testing services, and 7711
periodic audits and reviews of the county's uniform application of 7712
the powers, duties, and functions specified in sections 124.01 to 7713
124.64 and Chapter 325. of the Revised Code with regard to 7714
employees in the service of the county. Nothing in this division 7715
modifies the powers and duties of the state personnel board of 7716
review with respect to employees in the service of the county. 7717
Nothing in this division limits the right of any employee who 7718
possesses the right of appeal to the state personnel board of 7719
review to continue to possess that right of appeal. 7720

(I) The director of administrative services shall establish 7721
the rate and method of compensation for all employees who are paid 7722
directly by warrant of the director of budget and management and 7723
who are serving in positions that the director of administrative 7724
services has determined impracticable to include in the state job 7725
classification plan. This division does not apply to elected 7726
officials, legislative employees, employees of the legislative 7727
service commission, employees who are in the unclassified civil 7728
service and exempt from collective bargaining coverage in the 7729
office of the secretary of state, auditor of state, treasurer of 7730
state, and attorney general, employees of the courts, employees of 7731
the bureau of workers' compensation whose compensation the 7732
administrator of workers' compensation establishes under division 7733
(B) of section 4121.121 of the Revised Code, or employees of an 7734
appointing authority authorized by law to fix the compensation of 7735
those employees. 7736

(J) The director of administrative services shall set the 7737
rate of compensation for all intermittent, seasonal, temporary, 7738
emergency, and casual employees in the service of the state who 7739

are not considered public employees under section 4117.01 of the Revised Code. Those employees are not entitled to receive employee benefits, unless otherwise required by law. This rate of compensation shall be equitable in terms of the rate of employees serving in the same or similar classifications. This division does not apply to elected officials, legislative employees, employees of the legislative service commission, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, employees of the courts, employees of the bureau of workers' compensation whose compensation the administrator establishes under division (B) of section 4121.121 of the Revised Code, or employees of an appointing authority authorized by law to fix the compensation of those employees.

(B) The pay schedule of all employees shall be on a biweekly						7865
basis, with amounts computed on an hourly basis.						7866
(C) Part-time employees shall be compensated on an hourly						7867
basis for time worked, at the rates shown in division (A) of this						7868

section or in section 124.152 of the Revised Code. 7869

(D) The salary and wage rates in division (A) of this section 7870
or in section 124.152 of the Revised Code represent base rates of 7871
compensation and may be augmented by the provisions of section 7872
124.181 of the Revised Code. In those cases where lodging, meals, 7873
laundry, or other personal services are furnished an employee in 7874
the service of the state, the actual costs or fair market value of 7875
the personal services shall be paid by the employee in such 7876
amounts and manner as determined by the director of administrative 7877
services and approved by the director of budget and management, 7878
and those personal services shall not be considered as a part of 7879
the employee's compensation. An appointing authority that appoints 7880
employees in the service of the state, with the approval of the 7881
director of administrative services and the director of budget and 7882
management, may establish payments to employees for uniforms, 7883
tools, equipment, and other requirements of the department and 7884
payments for the maintenance of them. 7885

The director of administrative services may review collective 7886
bargaining agreements entered into under Chapter 4117. of the 7887
Revised Code that cover employees in the service of the state and 7888
determine whether certain benefits or payments provided to the 7889
employees covered by those agreements should also be provided to 7890
employees in the service of the state who are exempt from 7891
collective bargaining coverage and are paid in accordance with 7892
section 124.152 of the Revised Code or are listed in division 7893
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 7894
the review, the director of administrative services, with the 7895
approval of the director of budget and management, may provide to 7896
some or all of these employees any payment or benefit, except for 7897
salary, contained in such a collective bargaining agreement even 7898
if it is similar to a payment or benefit already provided by law 7899
to some or all of these employees. Any payment or benefit so 7900

provided shall not exceed the highest level for that payment or 7901
benefit specified in such a collective bargaining agreement. The 7902
director of administrative services shall not provide, and the 7903
director of budget and management shall not approve, any payment 7904
or benefit to such an employee under this division unless the 7905
payment or benefit is provided pursuant to a collective bargaining 7906
agreement to a state employee who is in a position with similar 7907
duties as, is supervised by, or is employed by the same appointing 7908
authority as, the employee to whom the benefit or payment is to be 7909
provided. 7910

As used in this division, "payment or benefit already 7911
provided by law" includes, but is not limited to, bereavement, 7912
personal, vacation, administrative, and sick leave, disability 7913
benefits, holiday pay, and pay supplements provided under the 7914
Revised Code, but does not include wages or salary. 7915

(E) New employees paid in accordance with schedule B of 7916
division (A) of this section or schedule E-1 of section 124.152 of 7917
the Revised Code shall be employed at the minimum rate established 7918
for the range unless otherwise provided. Employees with 7919
qualifications that are beyond the minimum normally required for 7920
the position and that are determined by the director to be 7921
exceptional may be employed in, or may be transferred or promoted 7922
to, a position at an advanced step of the range. Further, in time 7923
of a serious labor market condition when it is relatively 7924
impossible to recruit employees at the minimum rate for a 7925
particular classification, the entrance rate may be set at an 7926
advanced step in the range by the director of administrative 7927
services. This rate may be limited to geographical regions of the 7928
state. Appointments made to an advanced step under the provision 7929
regarding exceptional qualifications shall not affect the step 7930
assignment of employees already serving. However, anytime the 7931
hiring rate of an entire classification is advanced to a higher 7932

step, all incumbents of that classification being paid at a step 7933
lower than that being used for hiring, shall be advanced beginning 7934
at the start of the first pay period thereafter to the new hiring 7935
rate, and any time accrued at the lower step will be used to 7936
calculate advancement to a succeeding step. If the hiring rate of 7937
a classification is increased for only a geographical region of 7938
the state, only incumbents who work in that geographical region 7939
shall be advanced to a higher step. When an employee in the 7940
unclassified service changes from one state position to another or 7941
is appointed to a position in the classified service, or if an 7942
employee in the classified service is appointed to a position in 7943
the unclassified service, the employee's salary or wage in the new 7944
position shall be determined in the same manner as if the employee 7945
were an employee in the classified service. When an employee in 7946
the unclassified service who is not eligible for step increases is 7947
appointed to a classification in the classified service under 7948
which step increases are provided, future step increases shall be 7949
based on the date on which the employee last received a pay 7950
increase. If the employee has not received an increase during the 7951
previous year, the date of the appointment to the classified 7952
service shall be used to determine the employee's annual step 7953
advancement eligibility date. In reassigning any employee to a 7954
classification resulting in a pay range increase or to a new pay 7955
range as a result of a promotion, an increase pay range 7956
adjustment, or other classification change resulting in a pay 7957
range increase, the director shall assign such employee to the 7958
step in the new pay range that will provide an increase of 7959
approximately four per cent if the new pay range can accommodate 7960
the increase. When an employee is being assigned to a 7961
classification or new pay range as the result of a class plan 7962
change, if the employee has completed a probationary period, the 7963
employee shall be placed in a step no lower than step two of the 7964
new pay range. If the employee has not completed a probationary 7965

period, the employee may be placed in step one of the new pay 7966
range. Such new salary or wage shall become effective on such date 7967
as the director determines. 7968

(F) If employment conditions and the urgency of the work 7969
require such action, the director of administrative services may, 7970
upon the application of a department head, authorize payment at 7971
any rate established within the range for the class of work, for 7972
work of a casual or intermittent nature or on a project basis. 7973
Payment at such rates shall not be made to the same individual for 7974
more than three calendar months in any one calendar year. Any such 7975
action shall be subject to the approval of the director of budget 7976
and management as to the availability of funds. This section and 7977
sections 124.14 and 124.152 of the Revised Code do not repeal any 7978
authority of any department or public official to contract with or 7979
fix the compensation of professional persons who may be employed 7980
temporarily for work of a casual nature or for work on a project 7981
basis. 7982

(G)(1) Except as provided in divisions (G)(2) and (3) of this 7983
section, each state employee paid in accordance with schedule B of 7984
this section or schedule E-1 of section 124.152 of the Revised 7985
Code shall be eligible for advancement to succeeding steps in the 7986
range for the employee's class or grade according to the schedule 7987
established in this division. Beginning on the first day of the 7988
pay period within which the employee completes the prescribed 7989
probationary period in the employee's classification with the 7990
state, each employee shall receive an automatic salary adjustment 7991
equivalent to the next higher step within the pay range for the 7992
employee's class or grade. 7993

Except as provided in divisions (G)(2) and (3) of this 7994
section, each employee paid in accordance with schedule E-1 of 7995
section 124.152 of the Revised Code shall be eligible to advance 7996
to the next higher step until the employee reaches the top step in 7997

the range for the employee's class or grade, if the employee has 7998
maintained satisfactory performance in accordance with criteria 7999
established by the employee's appointing authority. Those step 8000
advancements shall not occur more frequently than once in any 8001
twelve-month period. 8002

When an employee is promoted, the step entry date shall be 8003
set to account for a probationary period. When an employee is 8004
reassigned to a higher pay range, the step entry date shall be set 8005
to allow an employee who is not at the highest step of the range 8006
to receive a step advancement one year from the reassignment date. 8007
Step advancement shall not be affected by demotion. A promoted 8008
employee shall advance to the next higher step of the pay range on 8009
the first day of the pay period in which the required probationary 8010
period is completed. Step advancement shall become effective at 8011
the beginning of the pay period within which the employee attains 8012
the necessary length of service. Time spent on authorized leave of 8013
absence shall be counted for this purpose. 8014

If determined to be in the best interest of the state 8015
service, the director of administrative services may, either 8016
statewide or in selected agencies, adjust the dates on which 8017
annual step advancements are received by employees paid in 8018
accordance with schedule E-1 of section 124.152 of the Revised 8019
Code. 8020

(2)(a) There shall be a moratorium on annual step 8021
advancements under division (G)(1) of this section beginning June 8022
21, 2009, through June 20, 2011. Step advancements shall resume 8023
with the pay period beginning June 21, 2011. Upon the resumption 8024
of step advancements, there shall be no retroactive step 8025
advancements for the period the moratorium was in effect. The 8026
moratorium shall not affect an employee's performance evaluation 8027
schedule. 8028

An employee who begins a probationary period before June 21, 8029

2009, shall advance to the next step in the employee's pay range 8030
at the end of probation, and then become subject to the 8031
moratorium. An employee who is hired, promoted, or reassigned to a 8032
higher pay range between June 21, 2009, through June 20, 2011, 8033
shall not advance to the next step in the employee's pay range 8034
until the next anniversary of the employee's date of hire, 8035
promotion, or reassignment that occurs on or after June 21, 2011. 8036

(b) The moratorium under division (G)(2)(a) of this section 8037
shall apply to the employees of the secretary of state, the 8038
auditor of state, the treasurer of state, and the attorney 8039
general, who are subject to this section unless the secretary of 8040
state, the auditor of state, the treasurer of state, or the 8041
attorney general decides to exempt the office's employees from the 8042
moratorium and so notifies the director of administrative services 8043
in writing on or before July 1, 2009. 8044

(3) Employees in intermittent positions shall be employed at 8045
the minimum rate established for the pay range for their 8046
classification and are not eligible for step advancements. 8047

(H) Employees in appointive managerial or professional 8048
positions paid in accordance with schedule C of this section or 8049
schedule E-2 of section 124.152 of the Revised Code may be 8050
appointed at any rate within the appropriate pay range. This rate 8051
of pay may be adjusted higher or lower within the respective pay 8052
range at any time the appointing authority so desires as long as 8053
the adjustment is based on the employee's ability to successfully 8054
administer those duties assigned to the employee. Salary 8055
adjustments shall not be made more frequently than once in any 8056
six-month period under this provision to incumbents holding the 8057
same position and classification. 8058

(I) When an employee is assigned to duty outside this state, 8059
the employee may be compensated, upon request of the department 8060
head and with the approval of the director of administrative 8061

services, at a rate not to exceed fifty per cent in excess of the 8062
employee's current base rate for the period of time spent on that 8063
duty. 8064

(J) Unless compensation for members of a board or commission 8065
is otherwise specifically provided by law, the director of 8066
administrative services shall establish the rate and method of 8067
payment for members of boards and commissions pursuant to the pay 8068
schedules listed in section 124.152 of the Revised Code. 8069

(K) Regular full-time employees in positions assigned to 8070
classes within the instruction and education administration series 8071
under the job classification plans of the director of 8072
administrative services, except certificated employees on the 8073
instructional staff of ~~the state school for the blind or the state~~ 8074
~~school for the deaf~~ Ohio deaf and blind education services, whose 8075
positions are scheduled to work on the basis of an academic year 8076
rather than a full calendar year, shall be paid according to the 8077
pay range assigned by the applicable job classification plan, but 8078
only during those pay periods included in the academic year of the 8079
school where the employee is located. 8080

(1) Part-time or substitute teachers or those whose period of 8081
employment is other than the full academic year shall be 8082
compensated for the actual time worked at the rate established by 8083
this section. 8084

(2) Employees governed by this division are exempt from 8085
sections 124.13 and 124.19 of the Revised Code. 8086

(3) Length of service for the purpose of determining 8087
eligibility for step advancements as provided by division (G) of 8088
this section and for the purpose of determining eligibility for 8089
longevity pay supplements as provided by division (E) of section 8090
124.181 of the Revised Code shall be computed on the basis of one 8091
full year of service for the completion of each academic year. 8092

(L) The superintendent of ~~the state school for the deaf and~~ 8093
~~the superintendent of the state school for the blind~~ Ohio deaf and 8094
blind education services shall, subject to the approval of the 8095
superintendent of public instruction, carry out both of the 8096
following: 8097

(1) Annually, between the first day of April and the last day 8098
of June, establish for the ensuing fiscal year a schedule of 8099
hourly rates for the compensation of each certificated employee on 8100
the instructional staff of ~~that superintendent's respective school~~ 8101
Ohio deaf and blind education services constructed as follows: 8102

(a) Determine for each level of training, experience, and 8103
other professional qualification for which an hourly rate is set 8104
forth in the current schedule, the per cent that rate is of the 8105
rate set forth in such schedule for a teacher with a bachelor's 8106
degree and no experience. If there is more than one such rate for 8107
such a teacher, the lowest rate shall be used to make the 8108
computation. 8109

(b) Determine which six city, local, and exempted village 8110
school districts with territory in Franklin county have in effect 8111
on, or have adopted by, the first day of April for the school year 8112
that begins on the ensuing first day of July, teacher salary 8113
schedules with the highest minimum salaries for a teacher with a 8114
bachelor's degree and no experience; 8115

(c) Divide the sum of such six highest minimum salaries by 8116
ten thousand five hundred sixty; 8117

(d) Multiply each per cent determined in division (L)(1)(a) 8118
of this section by the quotient obtained in division (L)(1)(c) of 8119
this section; 8120

(e) One hundred five per cent of each product thus obtained 8121
shall be the hourly rate for the corresponding level of training, 8122
experience, or other professional qualification in the schedule 8123

for the ensuing fiscal year. 8124

(2) Annually, assign each certificated employee on the 8125
instructional staff of ~~the superintendent's respective school~~ Ohio 8126
deaf and blind education services to an hourly rate on the 8127
schedule that is commensurate with the employee's training, 8128
experience, and other professional qualifications. 8129

If an employee is employed on the basis of an academic year, 8130
the employee's annual salary shall be calculated by multiplying 8131
the employee's assigned hourly rate times one thousand seven 8132
hundred sixty. If an employee is not employed on the basis of an 8133
academic year, the employee's annual salary shall be calculated in 8134
accordance with the following formula: 8135

(a) Multiply the number of days the employee is required to 8136
work pursuant to the employee's contract by eight; 8137

(b) Multiply the product of division (L)(2)(a) of this 8138
section by the employee's assigned hourly rate. 8139

Each employee shall be paid an annual salary in biweekly 8140
installments. The amount of each installment shall be calculated 8141
by dividing the employee's annual salary by the number of biweekly 8142
installments to be paid during the year. 8143

Sections 124.13 and 124.19 of the Revised Code do not apply 8144
to an employee who is paid under this division. 8145

As used in this division, "academic year" means the number of 8146
days in each school year that the ~~schools~~ state school for the 8147
deaf and the state school for the blind are required to be open 8148
for instruction with pupils in attendance. Upon completing an 8149
academic year, an employee paid under this division shall be 8150
deemed to have completed one year of service. An employee paid 8151
under this division is eligible to receive a pay supplement under 8152
division (L)(1), (2), or (3) of section 124.181 of the Revised 8153
Code for which the employee qualifies, but is not eligible to 8154

receive a pay supplement under division (L)(4) or (5) of that 8155
section. An employee paid under this division is eligible to 8156
receive a pay supplement under division (L)(6) of section 124.181 8157
of the Revised Code for which the employee qualifies, except that 8158
the supplement is not limited to a maximum of five per cent of the 8159
employee's regular base salary in a calendar year. 8160

(M) Division (A) of this section does not apply to "exempt 8161
employees," as defined in section 124.152 of the Revised Code, who 8162
are paid under that section. 8163

Notwithstanding any other provisions of this chapter, when an 8164
employee transfers between bargaining units or transfers out of or 8165
into a bargaining unit, the director of administrative services 8166
shall establish the employee's compensation and adjust the maximum 8167
leave accrual schedule as the director deems equitable. 8168

Sec. 124.387. (A) As used in this section, "stillborn" has 8169
the same meaning as in section 124.136 of the Revised Code. 8170

bereavement leave with pay ~~upon~~ due to the death of a member of 8174
the employee's immediate family. 8175

(C) Except as provided in division (E) of this section, an 8176
employee described in division (B) of this section may use 8177
bereavement leave under this section when the employee is the 8178
parent of a miscarried or stillborn child. An employee using 8179
bereavement leave based on a miscarriage shall provide appropriate 8180
medical documentation of the miscarriage. An employee using 8181
bereavement leave based on a stillbirth shall provide a copy of 8182
the fetal death certificate. 8183

(D) The bereavement leave described in this section begins 8184

considers necessary; provided, that all such conditions and terms 8499
shall be reasonable and shall not unreasonably restrict 8500
competition, and bidders may bid and offerors may propose upon all 8501

notice. Those bidders and offerors claiming the preference 8503
outlined in this chapter shall designate in their bid or offer 8504
~~either that whether~~ the product ~~or supply~~ is ~~produced or mined,~~ 8505
excavated, produced, manufactured, raised, or grown in the United 8506
States and is either ~~an~~ a Buy Ohio product or that the product, 8507
~~supply,~~ or service is provided by a bidder or offeror that 8508
qualifies as having a significant ~~Ohio~~ economic presence in the 8509
state or a state bordering Ohio, under the rules established by 8510
the director of administrative services, and whether the bidder or 8511
offeror is a certified veteran-friendly business enterprise under 8512
section 122.925 of the Revised Code. 8513

section 125.11 of the Revised Code. The rules shall extend to: 8522

United States rather than in another country or territory; 8525

(2) Criteria for determining that a product is ~~produced or~~ 8526
mined in a Buy Ohio product; 8527

(3) Information to be submitted by bidders or offerors as to 8528
the nature of a product and the location where it is ~~produced or~~ 8529
mined, excavated, produced, manufactured, raised, or grown; 8530

(4) Criteria and procedures to be used by the director to 8531
qualify bidders or offerors located in states bordering Ohio who 8532
might otherwise be excluded from being awarded a contract by 8533
operation of this section and section 125.11 of the Revised Code. 8534
The criteria and procedures shall recognize the level and 8535
regularity of interstate commerce between Ohio and the border 8536
states and provide that the non-Ohio businesses may qualify for 8537
award of a contract as long as they are located in a state that 8538
imposes no greater restrictions than are contained in this section 8539
and section 125.11 of the Revised Code upon persons located in 8540
Ohio selling products or services to agencies of that state. The 8541
criteria and procedures shall also provide that a non-Ohio 8542

state if the business is located in a state that excludes Ohio 8544
businesses from bidding on state printing contracts in that state. 8545

(5) Criteria and procedures to be used to qualify bidders and 8546
offerors whose manufactured products, except for mined products, 8547
are produced in other states or in North America, but the bidders 8548
or offerors have a significant Ohio economic presence in terms of 8549
the number of employees or capital investment a bidder or offeror 8550
has in this state. Bidders and offerors with a significant Ohio 8551

economic presence shall qualify for award of a contract on the 8552
same basis as if their products were produced in this state or as 8553
if the bidder or offeror was domiciled in this state. 8554

(6) Criteria and procedures for the director to grant waivers 8555
of the requirements of division (B) of section 125.11 of the 8556
Revised Code on a contract-by-contract basis where compliance with 8557
those requirements would ~~result in the state agency paying an~~ 8558
~~excessive price for the product or acquiring a disproportionately~~ 8559
~~inferior product not be in the best interest of the state or is~~ 8560
otherwise prohibited; 8561

(7) Criteria for applying a preference to bids and offers 8562
received from a certified veteran-friendly business enterprise; 8563

(8) Such other requirements or procedures reasonably 8564
necessary to implement the system of preferences established 8565
pursuant to division (B) of section 125.11 of the Revised Code. 8566

In adopting the rules required under this division, the 8567
director shall, to the maximum extent possible, conform to the 8568
requirements of the federal "Buy ~~America~~ American Act," ~~47 Stat.~~ 8569
~~1520, (1933), 41 U.S.C.A. 10a-10d~~ U.S.C. 8301-8305, as amended, 8570
and to the regulations adopted thereunder. 8571

Sec. 125.10. (A) The department of administrative services 8572

by a performance bond or other financial assurance acceptable to 8575
the director of administrative services, in the sum and with the 8576
sureties it prescribes, payable to the state, and conditioned that 8577
the person submitting the bid or proposal, if that person's bid or 8578
proposal is accepted, will faithfully execute the terms of the 8579
contract and promptly make deliveries of the supplies purchased. 8580

(B) A sealed copy of each competitive sealed bid or 8581

competitive sealed proposal shall be filed with the department 8582
prior to the time specified in the notice for opening of the bids 8583
or proposals. All competitive sealed bids and competitive sealed 8584
proposals shall be ~~publicly~~ opened in the ~~office of~~ standardized 8585
system of electronic procurement by the department at the time 8586
specified in the notice. ~~A representative of the auditor of state~~ 8587
~~shall be present at the opening of all competitive sealed bids and~~ 8588
~~competitive sealed proposals, and shall certify the opening of~~ 8589
~~each competitive sealed bid and competitive sealed proposal. No~~ 8590
~~competitive sealed bid or competitive sealed proposal shall be~~ 8591
~~considered valid unless it is so certified.~~ 8592

contracts awarded pursuant to a reverse auction under section 8594
125.072 of the Revised Code or pursuant to competitive sealed 8595
bidding, including contracts awarded under section 125.081 of the 8596
Revised Code, shall be awarded to the lowest responsive and 8597
responsible bidder in accordance with section 9.312 of the Revised 8598
Code. ~~When the contract is for meat products as defined in section~~ 8599
~~918.01 of the Revised Code or poultry products as defined in~~ 8600
~~section 918.21 of the Revised Code, only those bids received from~~ 8601
~~vendors under inspection of the United States department of~~ 8602
~~agriculture or who are licensed by the Ohio department of~~ 8603
~~agriculture shall be eligible for acceptance. The department of~~ 8604
~~administrative services may accept or reject any or all bids in~~ 8605
~~whole or by items, except that when the contract is for services~~ 8606
~~or products available from a qualified nonprofit agency pursuant~~ 8607
~~to sections 125.60 to 125.6012 or 4115.31 to 4115.35 of the~~ 8608
~~Revised Code, the contract shall be awarded to that agency and~~ 8609
contracts awarded pursuant to a competitive sealed proposal shall 8610
be awarded to the offeror determined to be the most advantageous 8611
to this state. 8612

(B) Prior to awarding a contract under division (A) of this 8613

section, the department of administrative services or the state 8614
agency responsible for evaluating a contract for the purchase of 8615
products or services shall evaluate the bids and offers received 8616
according to the criteria and procedures established pursuant to 8617
~~divisions (C)(1) and (2)~~ division (B) of section 125.09 of the 8618
Revised Code for determining if a product is ~~produced or mined,~~ 8619
excavated, produced, manufactured, raised, or grown in the United 8620
States and, ~~if a product is produced or mined in this state, or in~~ 8621
a state bordering Ohio, whether the bid or offer was received from 8622
a Buy Ohio supplier, and whether the bid or offer was received 8623
from a certified veteran-friendly business enterprise. The 8624
~~department or other state agency shall first consider bids that~~ 8625
~~offer products that have been or that will be produced or mined in~~ 8626
~~the United States. From among the remaining bids, the department~~ 8627
~~or other state agency shall select the lowest responsive and~~ 8628
~~responsible bid, in accordance with section 9.312 of the Revised~~ 8629
~~Code, from among the bids that offer products that have been~~ 8630
~~produced or mined in this state~~ These requirements shall be 8631
applied where sufficient competition can be generated ~~within this~~ 8632
~~state to ensure that compliance with these requirements will not~~ 8633
~~result in an excessive price for the product or acquiring a~~ 8634
~~disproportionately inferior product~~ be in the best interest of the 8635
state unless otherwise prohibited. 8636

(C) Division (B) of this section applies to contracts for 8637
which competitive ~~bidding~~ selection is waived by the controlling 8638
board. 8639

~~division (B) of section 125.04 of the Revised Code, a system of~~ 8645

~~preferences for products mined and produced in this state and in 8646
the United States and for Ohio based contractors. The model act 8647
shall reflect substantial equivalence to the system of preferences 8648
in purchasing and public improvement contracting procedures under 8649
which the state operates pursuant to this chapter and section 8650
153.012 of the Revised Code. To the maximum extent possible, 8651

of the historic building will result in a net revenue gain in 10643
state and local taxes once the building is used. 10644

(7) Any other rules necessary to implement and administer 10645
this section. 10646

(C) The director shall review the applications with the 10647
assistance of the state historic preservation officer and 10648
determine whether all of the following criteria are met: 10649

(1) That the building that is the subject of the application 10650
is an historic building and the applicant is the owner or 10651
qualified lessee of the building; 10652

(2) That the rehabilitation will satisfy standards prescribed 10653
by the United States secretary of the interior under 16 U.S.C. 10654

(3) That receiving a rehabilitation tax credit certificate 10657
under this section is a major factor in: 10658

(a) The applicant's decision to rehabilitate the historic 10659
building; or 10660

(b) To increase the level of investment in such 10661
rehabilitation. 10662

(4) The historic building that is the subject of the 10663
application is not, and will not upon completion of the 10664
rehabilitation project be, part of a qualified low-income housing 10665

rehabilitation will satisfy the standards described in division 10670
(C)(2) of this section before the applicant begins the physical 10671
rehabilitation of the historic building. 10672

(D)(1) If the director determines that an application meets 10673
the criteria in division (C) of this section, the director shall 10674
conduct a cost-benefit analysis for the historic building that is 10675
the subject of the application to determine whether rehabilitation 10676
of the historic building will result in a net revenue gain in 10677
state and local taxes once the building is used. The director 10678
shall consider the results of the cost-benefit analysis in 10679
determining whether to approve the application. The director shall 10680
also consider the potential economic impact and the regional 10681
distributive balance of the credits throughout the state. The 10682
director may approve an application only after completion of the 10683
cost-benefit analysis. 10684

(2) A rehabilitation tax credit certificate shall not be 10685
issued for an amount greater than the estimated amount furnished 10686
by the applicant on the application for such certificate and 10687
approved by the director. The director shall not approve more than 10688
a total of one hundred twenty million dollars of rehabilitation 10689
tax credits for each of fiscal years 2023 ~~and~~, 2024, and 2025, and 10690
sixty million dollars of rehabilitation tax credits for each 10691
fiscal year thereafter but the director may reallocate unused tax 10692
credits from a prior fiscal year for new applicants and such 10693
reallocated credits shall not apply toward the dollar limit of 10694
this division. 10695

(3) For rehabilitations with a rehabilitation period not 10696
exceeding twenty-four months as provided in division (A)(8)(a) of 10697
this section, a rehabilitation tax credit certificate shall not be 10698
issued before the rehabilitation of the historic building is 10699
completed. 10700

(4) For rehabilitations with a rehabilitation period not 10701
exceeding sixty months as provided in division (A)(8)(b) of this 10702
section, a rehabilitation tax credit certificate shall not be 10703
issued before a stage of rehabilitation is completed. After all 10704

stages of rehabilitation are completed, if the director cannot 10705
determine that the criteria in division (C) of this section are 10706
satisfied for all stages of rehabilitations, the director shall 10707
certify this finding to the tax commissioner, and any 10708
rehabilitation tax credits received by the applicant shall be 10709
repaid by the applicant and may be collected by assessment as 10710
unpaid tax by the commissioner. 10711

(5) The director shall require the applicant to provide a 10712
third-party cost certification by a certified public accountant of 10713
the actual costs attributed to the rehabilitation of the historic 10714
building when qualified rehabilitation expenditures exceed two 10715
hundred thousand dollars. 10716

If an applicant whose application is approved for receipt of 10717
a rehabilitation tax credit certificate fails to provide to the 10718
director sufficient evidence of reviewable progress, including a 10719
viable financial plan, copies of final construction drawings, and 10720
evidence that the applicant has obtained all historic approvals 10721
within twelve months after the date the applicant received 10722
notification of approval, and if the applicant fails to provide 10723
evidence to the director that the applicant has secured and closed 10724
on financing for the rehabilitation within eighteen months after 10725
receiving notification of approval, the director may rescind the 10726
approval of the application. The director shall notify the 10727
applicant if the approval has been rescinded. Credits that would 10728
have been available to an applicant whose approval was rescinded 10729
shall be available for other qualified applicants. Nothing in this 10730
division prohibits an applicant whose approval has been rescinded 10731
from submitting a new application for a rehabilitation tax credit 10732
certificate. 10733

(6) The director may approve the application of, and issue a 10734
rehabilitation tax credit certificate to, the owner of a catalytic 10735
project, provided the application otherwise meets the criteria 10736

described in divisions (C) and (D) of this section. The director 10737
may not approve more than one application for a rehabilitation tax 10738
credit certificate under division (D)(6) of this section during 10739
each state fiscal biennium. The director shall not approve an 10740
application for a rehabilitation tax credit certificate under 10741
division (D)(6) of this section during the state fiscal biennium 10742
beginning July 1, 2017, or during any state fiscal biennium 10743
thereafter. The director shall consider the following criteria in 10744
determining whether to approve an application for a certificate 10745
under division (D)(6) of this section: 10746

(a) Whether the historic building is a catalytic project; 10747

(b) The effect issuance of the certificate would have on the 10748
availability of credits for other applicants that qualify for a 10749
credit certificate within the credit dollar limit described in 10750
division (D)(2) of this section; 10751

(c) The number of jobs, if any, the catalytic project will 10752
create. 10753

(7)(a) The owner or qualified lessee of a historic building 10754
may apply for a rehabilitation tax credit certificate under both 10755
divisions (B) and (D)(6) of this section. In such a case, the 10756
director shall consider each application at the time the 10757
application is submitted. 10758

(b) The director shall not issue more than one certificate 10759
under this section with respect to the same qualified 10760
rehabilitation expenditures. 10761

(8) The director shall give consideration for tax credits 10762
awarded under this section to rehabilitations of historic 10763
buildings used as a theater before, and intended to be used as a 10764
theater after, the rehabilitation. In determining whether to 10765
approve an application for such a rehabilitation, the director 10766
shall consider the extent to which the rehabilitation will 10767

increase attendance at the theater and increase the theater's gross revenue. 10768
10769

(9) The director shall rescind the approval of any application if the building that is the subject of the application is part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code at any time before the building's rehabilitation is complete. 10770
10771
10772
10773
10774

(E) Issuance of a certificate represents a finding by the director of the matters described in divisions (C)(1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section. 10775

internal documents made by a prosecuting attorney, or the 11415

or prosecution of a case. 11417

(B)(1) Upon request by any person and subject to division 11418
(B)(8) of this section, all public records responsive to the 11419
request shall be promptly prepared and made available for 11420
inspection to the requester at all reasonable times during regular 11421
business hours. Subject to division (B)(8) of this section, upon 11422
request by any person, a public office or person responsible for 11423
public records shall make copies of the requested public record 11424
available to the requester at cost and within a reasonable period 11425
of time. If a public record contains information that is exempt 11426
from the duty to permit public inspection or to copy the public 11427
record, the public office or the person responsible for the public 11428
record shall make available all of the information within the 11429
public record that is not exempt. When making that public record 11430
available for public inspection or copying that public record, the 11431
public office or the person responsible for the public record 11432
shall notify the requester of any redaction or make the redaction 11433
plainly visible. A redaction shall be deemed a denial of a request 11434
to inspect or copy the redacted information, except if federal or 11435
state law authorizes or requires a public office to make the 11436
redaction. 11437

(2) To facilitate broader access to public records, a public 11438
office or the person responsible for public records shall organize 11439
and maintain public records in a manner that they can be made 11440
available for inspection or copying in accordance with division 11441
(B) of this section. A public office also shall have available a 11442
copy of its current records retention schedule at a location 11443
readily available to the public. If a requester makes an ambiguous 11444
or overly broad request or has difficulty in making a request for 11445
copies or inspection of public records under this section such 11446
that the public office or the person responsible for the requested 11447
public record cannot reasonably identify what public records are 11448

being requested, the public office or the person responsible for 11449
the requested public record may deny the request but shall provide 11450
the requester with an opportunity to revise the request by 11451
informing the requester of the manner in which records are 11452
maintained by the public office and accessed in the ordinary 11453
course of the public office's or person's duties. 11454

(3) If a request is ultimately denied, in part or in whole, 11455
the public office or the person responsible for the requested 11456
public record shall provide the requester with an explanation, 11457
including legal authority, setting forth why the request was 11458
denied. If the initial request was provided in writing, the 11459
explanation also shall be provided to the requester in writing. 11460
The explanation shall not preclude the public office or the person 11461
responsible for the requested public record from relying upon 11462
additional reasons or legal authority in defending an action 11463
commenced under division (C) of this section. 11464

(4) Unless specifically required or authorized by state or 11465
federal law or in accordance with division (B) of this section, no 11466
public office or person responsible for public records may limit 11467
or condition the availability of public records by requiring 11468
disclosure of the requester's identity or the intended use of the 11469
requested public record. Any requirement that the requester 11470
disclose the requester's identity or the intended use of the 11471
requested public record constitutes a denial of the request. 11472

(5) A public office or person responsible for public records 11473
may ask a requester to make the request in writing, may ask for 11474
the requester's identity, and may inquire about the intended use 11475
of the information requested, but may do so only after disclosing 11476
to the requester that a written request is not mandatory, that the 11477
requester may decline to reveal the requester's identity or the 11478
intended use, and when a written request or disclosure of the 11479
identity or intended use would benefit the requester by enhancing 11480

the ability of the public office or person responsible for public 11481
records to identify, locate, or deliver the public records sought 11482
by the requester. 11483

(6) If any person requests a copy of a public record in 11484
accordance with division (B) of this section, the public office or 11485
person responsible for the public record may require the requester 11486
to pay in advance the cost involved in providing the copy of the 11487
public record in accordance with the choice made by the requester 11488
under this division. The public office or the person responsible 11489
for the public record shall permit the requester to choose to have 11490
the public record duplicated upon paper, upon the same medium upon 11491
which the public office or person responsible for the public 11492
record keeps it, or upon any other medium upon which the public 11493
office or person responsible for the public record determines that 11494
it reasonably can be duplicated as an integral part of the normal 11495
operations of the public office or person responsible for the 11496
public record. When the requester makes a choice under this 11497
division, the public office or person responsible for the public 11498
record shall provide a copy of it in accordance with the choice 11499
made by the requester. Nothing in this section requires a public 11500
office or person responsible for the public record to allow the 11501
requester of a copy of the public record to make the copies of the 11502
public record. 11503

(7)(a) Upon a request made in accordance with division (B) of 11504
this section and subject to division (B)(6) of this section, a 11505
public office or person responsible for public records shall 11506
transmit a copy of a public record to any person by United States 11507
mail or by any other means of delivery or transmission within a 11508
reasonable period of time after receiving the request for the 11509
copy. The public office or person responsible for the public 11510
record may require the person making the request to pay in advance 11511
the cost of postage if the copy is transmitted by United States 11512

mail or the cost of delivery if the copy is transmitted other than 11513
by United States mail, and to pay in advance the costs incurred 11514
for other supplies used in the mailing, delivery, or transmission. 11515

(b) Any public office may adopt a policy and procedures that 11516
it will follow in transmitting, within a reasonable period of time 11517
after receiving a request, copies of public records by United 11518
States mail or by any other means of delivery or transmission 11519
pursuant to division (B)(7) of this section. A public office that 11520
adopts a policy and procedures under division (B)(7) of this 11521
section shall comply with them in performing its duties under that 11522
division. 11523

(c) In any policy and procedures adopted under division 11524
(B)(7) of this section: 11525

(i) A public office may limit the number of records requested 11526
by a person that the office will physically deliver by United 11527
States mail or by another delivery service to ten per month, 11528
unless the person certifies to the office in writing that the 11529
person does not intend to use or forward the requested records, or 11530
the information contained in them, for commercial purposes; 11531

(ii) A public office that chooses to provide some or all of 11532
its public records on a web site that is fully accessible to and 11533
searchable by members of the public at all times, other than 11534
during acts of God outside the public office's control or 11535
maintenance, and that charges no fee to search, access, download, 11536
or otherwise receive records provided on the web site, may limit 11537
to ten per month the number of records requested by a person that 11538
the office will deliver in a digital format, unless the requested 11539
records are not provided on the web site and unless the person 11540
certifies to the office in writing that the person does not intend 11541
to use or forward the requested records, or the information 11542
contained in them, for commercial purposes. 11543

(iii) For purposes of division (B)(7) of this section, 11544
"commercial" shall be narrowly construed and does not include 11545
reporting or gathering news, reporting or gathering information to 11546
assist citizen oversight or understanding of the operation or 11547
activities of government, or nonprofit educational research. 11548

(8) A public office or person responsible for public records 11549
is not required to permit a person who is incarcerated pursuant to 11550
a criminal conviction or a juvenile adjudication to inspect or to 11551
obtain a copy of any public record concerning a criminal 11552
investigation or prosecution or concerning what would be a 11553
criminal investigation or prosecution if the subject of the 11554
investigation or prosecution were an adult, unless the request to 11555
inspect or to obtain a copy of the record is for the purpose of 11556
acquiring information that is subject to release as a public 11557
record under this section and the judge who imposed the sentence 11558
or made the adjudication with respect to the person, or the 11559
judge's successor in office, finds that the information sought in 11560
the public record is necessary to support what appears to be a 11561
justiciable claim of the person. 11562

(9)(a) Upon written request made and signed by a journalist, 11563
a public office, or person responsible for public records, having 11564
custody of the records of the agency employing a specified 11565
designated public service worker shall disclose to the journalist 11566
the address of the actual personal residence of the designated 11567
public service worker and, if the designated public service 11568
worker's spouse, former spouse, or child is employed by a public 11569
office, the name and address of the employer of the designated 11570
public service worker's spouse, former spouse, or child. The 11571
request shall include the journalist's name and title and the name 11572
and address of the journalist's employer and shall state that 11573
disclosure of the information sought would be in the public 11574
interest. 11575

(b) Division (B)(9)(a) of this section also applies to 11576
journalist requests for: 11577

(i) Customer information maintained by a municipally owned or 11578
operated public utility, other than social security numbers and 11579
any private financial information such as credit reports, payment 11580
methods, credit card numbers, and bank account information; 11581

(ii) Information about minors involved in a school vehicle 11582
accident as provided in division (A)(1)(gg) of this section, other 11583
than personal information as defined in section 149.45 of the 11584
Revised Code. 11585

(c) As used in division (B)(9) of this section, "journalist" 11586
means a person engaged in, connected with, or employed by any news 11587
medium, including a newspaper, magazine, press association, news 11588
agency, or wire service, a radio or television station, or a 11589
similar medium, for the purpose of gathering, processing, 11590
transmitting, compiling, editing, or disseminating information for 11591
the general public. 11592

(10) Upon a request made by a victim, victim's attorney, or 11593
victim's representative, as that term is used in section 2930.02 11594
of the Revised Code, a public office or person responsible for 11595
public records shall transmit a copy of a depiction of the victim 11596
as described in division (A)(1)(ii) of this section to the victim, 11597
victim's attorney, or victim's representative. 11598

(C)(1) If a person allegedly is aggrieved by the failure of a 11599
public office or the person responsible for public records to 11600
promptly prepare a public record and to make it available to the 11601
person for inspection in accordance with division (B) of this 11602
section or by any other failure of a public office or the person 11603
responsible for public records to comply with an obligation in 11604
accordance with division (B) of this section, the person allegedly 11605
aggrieved may do only one of the following, and not both: 11606

(a) File a complaint with the clerk of the court of claims or 11607
the clerk of the court of common pleas under section 2743.75 of 11608
the Revised Code; 11609

(b) Commence a mandamus action to obtain a judgment that 11610
orders the public office or the person responsible for the public 11611
record to comply with division (B) of this section, that awards 11612
court costs and reasonable attorney's fees to the person that 11613
instituted the mandamus action, and, if applicable, that includes 11614
an order fixing statutory damages under division (C)(2) of this 11615
section. The mandamus action may be commenced in the court of 11616
common pleas of the county in which division (B) of this section 11617
allegedly was not complied with, in the supreme court pursuant to 11618
its original jurisdiction under Section 2 of Article IV, Ohio 11619
Constitution, or in the court of appeals for the appellate 11620
district in which division (B) of this section allegedly was not 11621
complied with pursuant to its original jurisdiction under Section 11622
3 of Article IV, Ohio Constitution. 11623

(2) If a requester transmits a written request by hand 11624
delivery, electronic submission, or certified mail to inspect or 11625
receive copies of any public record in a manner that fairly 11626
describes the public record or class of public records to the 11627
public office or person responsible for the requested public 11628
records, except as otherwise provided in this section, the 11629
requester shall be entitled to recover the amount of statutory 11630
damages set forth in this division if a court determines that the 11631
public office or the person responsible for public records failed 11632
to comply with an obligation in accordance with division (B) of 11633
this section. 11634

The amount of statutory damages shall be fixed at one hundred 11635
dollars for each business day during which the public office or 11636
person responsible for the requested public records failed to 11637
comply with an obligation in accordance with division (B) of this 11638

section, beginning with the day on which the requester files a 11639
mandamus action to recover statutory damages, up to a maximum of 11640
one thousand dollars. The award of statutory damages shall not be 11641
construed as a penalty, but as compensation for injury arising 11642
from lost use of the requested information. The existence of this 11643
injury shall be conclusively presumed. The award of statutory 11644
damages shall be in addition to all other remedies authorized by 11645
this section. 11646

The court may reduce an award of statutory damages or not 11647
award statutory damages if the court determines both of the 11648
following: 11649

(a) That, based on the ordinary application of statutory law 11650
and case law as it existed at the time of the conduct or 11651
threatened conduct of the public office or person responsible for 11652
the requested public records that allegedly constitutes a failure 11653
to comply with an obligation in accordance with division (B) of 11654
this section and that was the basis of the mandamus action, a 11655
well-informed public office or person responsible for the 11656
requested public records reasonably would believe that the conduct 11657
or threatened conduct of the public office or person responsible 11658
for the requested public records did not constitute a failure to 11659
comply with an obligation in accordance with division (B) of this 11660
section; 11661

(b) That a well-informed public office or person responsible 11662
for the requested public records reasonably would believe that the 11663
conduct or threatened conduct of the public office or person 11664
responsible for the requested public records would serve the 11665
public policy that underlies the authority that is asserted as 11666
permitting that conduct or threatened conduct. 11667

(3) In a mandamus action filed under division (C)(1) of this 11668
section, the following apply: 11669

(a)(i) If the court orders the public office or the person responsible for the public record to comply with division (B) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(ii) If the court makes a determination described in division (C)(3)(b)(iii) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C)(4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible

for the public records. This division shall not be construed as 11701
creating a presumption that the public office or the person 11702
responsible for the public records acted in bad faith when the 11703
office or person voluntarily made the public records available to 11704
the relator for the first time after the relator commenced the 11705
mandamus action, but before the court issued any order described 11706
in this division. 11707

(c) The court shall not award attorney's fees to the relator 11708
if the court determines both of the following: 11709

(i) That, based on the ordinary application of statutory law 11710
and case law as it existed at the time of the conduct or 11711
threatened conduct of the public office or person responsible for 11712
the requested public records that allegedly constitutes a failure 11713
to comply with an obligation in accordance with division (B) of 11714
this section and that was the basis of the mandamus action, a 11715
well-informed public office or person responsible for the 11716
requested public records reasonably would believe that the conduct 11717
or threatened conduct of the public office or person responsible 11718
for the requested public records did not constitute a failure to 11719
comply with an obligation in accordance with division (B) of this 11720
section; 11721

(ii) That a well-informed public office or person responsible 11722
for the requested public records reasonably would believe that the 11723
conduct or threatened conduct of the public office or person 11724
responsible for the requested public records would serve the 11725
public policy that underlies the authority that is asserted as 11726
permitting that conduct or threatened conduct. 11727

(4) All of the following apply to any award of reasonable 11728
attorney's fees awarded under division (C)(3)(b) of this section: 11729

(a) The fees shall be construed as remedial and not punitive. 11730

(b) The fees awarded shall not exceed the total of the 11731

reasonable attorney's fees incurred before the public record was 11732
made available to the relator and the fees described in division 11733
(C)(4)(c) of this section. 11734

(c) Reasonable attorney's fees shall include reasonable fees 11735
incurred to produce proof of the reasonableness and amount of the 11736
fees and to otherwise litigate entitlement to the fees. 11737

(d) The court may reduce the amount of fees awarded if the 11738
court determines that, given the factual circumstances involved 11739
with the specific public records request, an alternative means 11740
should have been pursued to more effectively and efficiently 11741
resolve the dispute that was subject to the mandamus action filed 11742
under division (C)(1) of this section. 11743

(5) If the court does not issue a writ of mandamus under 11744
division (C) of this section and the court determines at that time 11745
that the bringing of the mandamus action was frivolous conduct as 11746
defined in division (A) of section 2323.51 of the Revised Code, 11747
the court may award to the public office all court costs, 11748
expenses, and reasonable attorney's fees, as determined by the 11749
court. 11750

(D) Chapter 1347. of the Revised Code does not limit the 11751
provisions of this section. 11752

(E)(1) To ensure that all employees of public offices are 11753
appropriately educated about a public office's obligations under 11754
division (B) of this section, all elected officials or their 11755
appropriate designees shall attend training approved by the 11756
attorney general as provided in section 109.43 of the Revised 11757
Code. A future official may satisfy the requirements of this 11758
division by attending the training before taking office, provided 11759
that the future official may not send a designee in the future 11760
official's place. 11761

(2) All public offices shall adopt a public records policy in 11762

compliance with this section for responding to public records 11763
requests. In adopting a public records policy under this division, 11764
a public office may obtain guidance from the model public records 11765
policy developed and provided to the public office by the attorney 11766
general under section 109.43 of the Revised Code. Except as 11767
otherwise provided in this section, the policy may not limit the 11768
number of public records that the public office will make 11769
available to a single person, may not limit the number of public 11770
records that it will make available during a fixed period of time, 11771
and may not establish a fixed period of time before it will 11772
respond to a request for inspection or copying of public records, 11773
unless that period is less than eight hours. 11774

The public office shall distribute the public records policy 11775
adopted by the public office under this division to the employee 11776
of the public office who is the records custodian or records 11777
manager or otherwise has custody of the records of that office. 11778
The public office shall require that employee to acknowledge 11779
receipt of the copy of the public records policy. The public 11780
office shall create a poster that describes its public records 11781
policy and shall post the poster in a conspicuous place in the 11782
public office and in all locations where the public office has 11783
branch offices. The public office may post its public records 11784
policy on the internet web site of the public office if the public 11785
office maintains an internet web site. A public office that has 11786
established a manual or handbook of its general policies and 11787
procedures for all employees of the public office shall include 11788
the public records policy of the public office in the manual or 11789
handbook. 11790

(F)(1) The bureau of motor vehicles may adopt rules pursuant 11791
to Chapter 119. of the Revised Code to reasonably limit the number 11792
of bulk commercial special extraction requests made by a person 11793
for the same records or for updated records during a calendar 11794

year. The rules may include provisions for charges to be made for 11795
bulk commercial special extraction requests for the actual cost of 11796
the bureau, plus special extraction costs, plus ten per cent. The 11797
bureau may charge for expenses for redacting information, the 11798
release of which is prohibited by law. 11799

(2) As used in division (F)(1) of this section: 11800

(a) "Actual cost" means the cost of depleted supplies, 11801
records storage media costs, actual mailing and alternative 11802
delivery costs, or other transmitting costs, and any direct 11803
equipment operating and maintenance costs, including actual costs 11804
paid to private contractors for copying services. 11805

(b) "Bulk commercial special extraction request" means a 11806
request for copies of a record for information in a format other 11807
than the format already available, or information that cannot be 11808
extracted without examination of all items in a records series, 11809
class of records, or database by a person who intends to use or 11810
forward the copies for surveys, marketing, solicitation, or resale 11811
for commercial purposes. "Bulk commercial special extraction 11812
request" does not include a request by a person who gives 11813
assurance to the bureau that the person making the request does 11814
not intend to use or forward the requested copies for surveys, 11815
marketing, solicitation, or resale for commercial purposes. 11816

(c) "Commercial" means profit-seeking production, buying, or 11817
selling of any good, service, or other product. 11818

(d) "Special extraction costs" means the cost of the time 11819
spent by the lowest paid employee competent to perform the task, 11820
the actual amount paid to outside private contractors employed by 11821
the bureau, or the actual cost incurred to create computer 11822
programs to make the special extraction. "Special extraction 11823
costs" include any charges paid to a public agency for computer or 11824
records services. 11825

(3) For purposes of divisions (F)(1) and (2) of this section, 11826
"surveys, marketing, solicitation, or resale for commercial 11827
purposes" shall be narrowly construed and does not include 11828
reporting or gathering news, reporting or gathering information to 11829
assist citizen oversight or understanding of the operation or 11830
activities of government, or nonprofit educational research. 11831

(G) A request by a defendant, counsel of a defendant, or any 11832
agent of a defendant in a criminal action that public records 11833
related to that action be made available under this section shall 11834
be considered a demand for discovery pursuant to the Criminal 11835
Rules, except to the extent that the Criminal Rules plainly 11836
indicate a contrary intent. The defendant, counsel of the 11837
defendant, or agent of the defendant making a request under this 11838
division shall serve a copy of the request on the prosecuting 11839
attorney, director of law, or other chief legal officer 11840
responsible for prosecuting the action. 11841

(H)(1) Any portion of a body-worn camera or dashboard camera 11842
recording described in divisions (A)(17)(b) to (h) of this section 11843
may be released by consent of the subject of the recording or a 11844
representative of that person, as specified in those divisions, 11845
only if either of the following applies: 11846

(a) The recording will not be used in connection with any 11847
probable or pending criminal proceedings; 11848

(b) The recording has been used in connection with a criminal 11849
proceeding that was dismissed or for which a judgment has been 11850
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 11851
and will not be used again in connection with any probable or 11852
pending criminal proceedings. 11853

(2) If a public office denies a request to release a 11854
restricted portion of a body-worn camera or dashboard camera 11855
recording, as defined in division (A)(17) of this section, any 11856

person may file a mandamus action pursuant to this section or a 11857
complaint with the clerk of the court of claims pursuant to 11858
section 2743.75 of the Revised Code, requesting the court to order 11859
the release of all or portions of the recording. If the court 11860
considering the request determines that the filing articulates by 11861
clear and convincing evidence that the public interest in the 11862
recording substantially outweighs privacy interests and other 11863
interests asserted to deny release, the court shall order the 11864
public office to release the recording. 11865

Sec. 153.12. (A) With respect to award of any contract for 11866
the construction, reconstruction, improvement, enlargement, 11867
alteration, repair, painting, or decoration of a public 11868
improvement made by the state, or any county, township, municipal 11869
corporation, school district, or other political subdivision, or 11870
any public board, commission, authority, instrumentality, or 11871
special purpose district of or in the state or a political 11872
subdivision or that is authorized by state law, the award, and 11873
execution of the contract, shall be made within sixty days after 11874
the date on which the bids are opened. The failure to award and 11875
execute the contract within sixty days invalidates the entire bid 11876
proceedings and all bids submitted, unless the time for awarding 11877
and executing the contract is extended by mutual consent of the 11878
owner or its representatives and the bidder whose bid the owner 11879
accepts and with respect to whom the owner subsequently awards and 11880
executes a contract. The public owners referred to in this section 11881
shall include, in the plans and specifications for the project for 11882
which bids are solicited, the estimate of cost. The bid for which 11883
the award is to be made shall be opened at the time and place 11884
named in the advertisement for bids, unless extended by the owner 11885
or its representative or unless, within seventy-two hours prior to 11886
the published time for the opening of bids, excluding Saturdays, 11887
Sundays, and legal holidays, any modification of the plans or 11888

specifications and estimates of cost for the project for which 11889
bids are solicited is issued and mailed or otherwise furnished to 11890
persons who have obtained plans or specifications for the project, 11891
for which the time for opening of bids shall be extended one week, 11892
with no further advertising of bids required. The contractor, upon 11893
request, is entitled to a notice to proceed with the work by the 11894
owner or its representative upon execution of the contract. No 11895
contract to which this section applies shall be entered into if 11896
the price of the contract, or, if the project involves multiple 11897
contracts where the total price of all contracts for the project, 11898
is in excess of ~~ten~~ twenty per cent above the entire estimate 11899
thereof, nor shall the entire cost of the construction, 11900
reconstruction, repair, painting, decorating, improvement, 11901
alteration, addition, or installation, including changes and 11902
estimates of expenses for architects or engineers, exceed in the 11903
aggregate the amount authorized by law. 11904

The unit or lump sum price stated in the contract shall be 11905
used in determining the amount to be paid and shall constitute 11906
full and final compensation for all the work. 11907

Partial payment to the contractor for work performed under 11908
the lump sum price shall be based on a schedule prepared by the 11909
contractor and approved by the architect or engineer who shall 11910
apportion the lump sum price to the major components entering into 11911
or forming a part of the work under the lump sum price. 11912

Partial payments to the contractor for labor performed under 11913
either a unit or lump sum price contract shall be made at the rate 11914
of ninety-two per cent of the estimates prepared by the contractor 11915
and approved by the architect or engineer. All labor performed 11916
after the job is fifty per cent completed shall be paid for at the 11917
rate of one hundred per cent of the estimates submitted by the 11918
contractor and approved by the architect or engineer. 11919

The amounts and time of payments of any public improvements 11920

contract made by the state or any county, township, municipal 11921
corporation, school district, or other political subdivision, or 11922
any public board, commission, authority, instrumentality, or 11923
special purpose district of or in the state or a political 11924
subdivision or that is authorized by state law, except as provided 11925
in section 5525.19 of the Revised Code, shall be governed by this 11926
section and sections 153.13 and 153.14 of the Revised Code. If the 11927
time for awarding the contract is extended by mutual consent, or 11928
if the owner or its representative fails to issue a timely notice 11929
to proceed as required by this section, the owner or its 11930
representative shall issue a change order authorizing delay costs 11931
to the contractor, which does not invalidate the contract. The 11932
amount of such a change order to the owner shall be determined in 11933
accordance with the provisions of the contract for change orders 11934
or force accounts or, if no such provision is set forth in the 11935
contract, the cost to the owner shall be the contractor's actual 11936
costs including wages, labor costs other than wages, wage taxes, 11937
materials, equipment costs and rentals, insurance, and 11938
subcontracts attributable to the delay, plus a reasonable sum for 11939
overhead. In the event of a dispute between the owner and the 11940
contractor concerning such change order, procedures shall be 11941
commenced under the applicable terms of the contract, or, if the 11942
contract contains no provision for resolving the dispute, it shall 11943
be resolved pursuant to the procedures for arbitration in Chapter 11944
2711. of the Revised Code, except as provided in division (B) of 11945
this section. Nothing in this division shall be construed as a 11946
limitation upon the authority of the director of transportation 11947
granted in Chapter 5525. of the Revised Code. 11948

(B) If a dispute arises between the state and a contractor 11949
concerning the terms of a public improvement contract let by the 11950
state or concerning a breach of the contract, and after 11951
administrative remedies provided for in such contract and any 11952
alternative dispute resolution procedures provided in accordance 11953

with guidelines established by the executive director of the Ohio 11954
facilities construction commission are exhausted, the contractor 11955
may bring an action to the court of claims in accordance with 11956
Chapter 2743. of the Revised Code. The state or the contractor may 11957
request the chief justice of the supreme court to appoint a 11958
referee or panel of referees in accordance with division (C)(3) of 11959
section 2743.03 of the Revised Code. As used in this division, 11960
"dispute" means a disagreement between the state and the 11961
contractor concerning a public improvement contract let by the 11962
state. 11963

(C) No public entity subject to competitive bidding 11964
requirements under any section of the Revised Code shall subdivide 11965
a purchase, lease, project, or other expenditure into component 11966
parts, separate projects, or separate items of work in order to 11967
avoid the applicable competitive bidding requirements. 11968

Sec. 153.17. (A) When in the opinion of the owner referred to 11969
in section 153.01 of the Revised Code, the work under any contract 11970
made under any law of the state is neglected by the contractor or 11971
such work is not prosecuted with the diligence and force specified 11972
or intended in the contract, such owner may make requisition upon 11973
the contractor for such additional specific force or materials to 11974
be brought into the work under such contract or to remove improper 11975
materials from the grounds as in their judgment the contract and 11976
its faithful fulfillment requires. 11977

Not less than five days' notice in writing of such action 11978
shall be served upon the contractor or the contractor's agent in 11979
charge of the work. If the contractor fails to comply with such 11980
requisition within fifteen days, such owner with the written 11981
consent of the Ohio facilities construction commission, may employ 11982
upon the work the additional force, or supply the special 11983
materials or such part of either as is considered proper, and may 11984

remove improper materials from the grounds. 11985

(B) When the original contractor has defaulted on a contract 11986
and the surety has declined to take over the project, the owner 11987
may contract with one or more takeover contractors to complete 11988
work that was not finished because of the default of the original 11989
contractor. The owner may enter into a contract with a takeover 11990
contractor without competitive bidding or controlling board 11991
approval. ~~Upon execution of a takeover contract, the owner shall~~ 11992
~~notify the director of budget and management.~~ 11993

When the owner has taken over a project after a default has 11994
occurred, any moneys that the owner receives from the surety as a 11995
settlement for completion of the project shall be deposited in the 11996
original fund from which the capital appropriation for the project 11997
was made. The executive director, without controlling board 11998
approval, may authorize specified additional uses for the moneys 11999
related to completion of the project and may increase the 12000
appropriation authority in the appropriation line item used to 12001
fund the project by an amount equal to the moneys received from 12002
the surety. 12003

Sec. 153.54. (A) Except with respect to a contract described 12004
in section 9.334 or 153.693 of the Revised Code, each person 12005
bidding for a contract with the state or any political 12006
subdivision, district, institution, or other agency thereof, 12007
excluding therefrom the department of transportation, for any 12008
public improvement shall file with the bid, a bid guaranty in the 12009
form of either: 12010

(1) A bond in accordance with division (B) of this section 12011
for the full amount of the bid; 12012

(2) A certified check, cashier's check, or letter of credit 12013
pursuant to Chapter 1305. of the Revised Code, in accordance with 12014
division (C) of this section. Any such letter of credit is 12015

revocable only at the option of the beneficiary state, political 12016
subdivision, district, institution, or agency. The amount of the 12017
certified check, cashier's check, or letter of credit shall be 12018
equal to ten per cent of the bid. 12019

(B) A bid guaranty filed pursuant to division (A)(1) of this 12020
section shall be conditioned to: 12021

(1) Provide that, if the bid is accepted, the bidder, after 12022
the awarding or the recommendation for the award of the contract, 12023
whichever the contracting authority designates, will enter into a 12024
proper contract in accordance with the bid, plans, details, and 12025
specifications. If for any reason, other than as authorized by 12026
section 9.31 of the Revised Code or division (G) of this section, 12027
the bidder fails to enter into the contract, and the contracting 12028
authority awards the contract to the next lowest bidder, the 12029
bidder and the surety on the bidder's bond are liable to the 12030
state, political subdivision, district, institution, or agency for 12031
the difference between the bid and that of the next lowest bidder, 12032
or for a penal sum not to exceed ten per cent of the amount of the 12033
bond, whichever is less. If the state, political subdivision, 12034
district, institution, or agency does not award the contract to 12035
the next lowest bidder but resubmits the project for bidding, the 12036
bidder failing to enter into the contract and the surety on the 12037
bidder's bond, except as provided in division (G) of this section, 12038
are liable to the state, political subdivision, district, 12039
institution, or agency for a penal sum not to exceed ten per cent 12040
of the amount of the bid or the costs in connection with the 12041
resubmission of printing new contract documents, required 12042
advertising, and printing and mailing notices to prospective 12043
bidders, whichever is less. 12044

(2) Indemnify the state, political subdivision, district, 12045
institution, or agency against all damage suffered by failure to 12046
perform the contract according to its provisions and in accordance 12047

with the plans, details, and specifications therefor and to pay 12048
all lawful claims of subcontractors, material suppliers, and 12049
laborers for labor performed or material furnished in carrying 12050
forward, performing, or completing the contract; and agree and 12051
assent that this undertaking is for the benefit of any 12052
subcontractor, material supplier, or laborer having a just claim, 12053
as well as for the state, political subdivision, district, 12054
institution, or agency. 12055

(C)(1) A bid guaranty filed pursuant to division (A)(2) of 12056
this section shall be conditioned to provide that if the bid is 12057
accepted, the bidder, after the awarding or the recommendation for 12058
the award of the contract, whichever the contracting authority 12059
designates, will enter into a proper contract in accordance with 12060
the bid, plans, details, specifications, and bills of material. If 12061
for any reason, other than as authorized by section 9.31 of the 12062
Revised Code or division (G) of this section, the bidder fails to 12063
enter into the contract, and the contracting authority awards the 12064
contract to the next lowest bidder, the bidder is liable to the 12065
state, political subdivision, district, institution, or agency for 12066
the difference between the bidder's bid and that of the next 12067
lowest bidder, or for a penal sum not to exceed ten per cent of 12068
the amount of the bid, whichever is less. If the state, political 12069
subdivision, district, institution, or agency does not award the 12070
contract to the next lowest bidder but resubmits the project for 12071
bidding, the bidder failing to enter into the contract, except as 12072
provided in division (G) of this section, is liable to the state, 12073
political subdivision, district, institution, or agency for a 12074
penal sum not to exceed ten per cent of the amount of the bid or 12075
the costs in connection with the resubmission, of printing new 12076
contract documents, required advertising, and printing and mailing 12077
notices to prospective bidders, whichever is less. 12078

If the bidder enters into the contract, the bidder, at the 12079

time the contract is entered to, shall file a bond for the amount 12080
of the contract to indemnify the state, political subdivision, 12081
district, institution, or agency against all damage suffered by 12082
failure to perform the contract according to its provisions and in 12083
accordance with the plans, details, and specifications and to pay 12084
all lawful claims of subcontractors, material suppliers, and 12085
laborers for labor performed or material furnished in carrying 12086
forward, performing, or completing the contract; and agree and 12087
assent that this undertaking is for the benefit of any 12088
subcontractor, material supplier, or laborer having a just claim, 12089
as well as for the state, political subdivision, district, 12090
institution, or agency. 12091

(2) A construction manager who enters into a contract 12092
pursuant to sections 9.33 to 9.333 of the Revised Code, if 12093
required by the public authority at the time the construction 12094
manager enters into the contract, shall file a letter of credit 12095
pursuant to Chapter 1305. of the Revised Code, bond, certified 12096
check, or cashier's check, for the value of the construction 12097
management contract to indemnify the state, political subdivision, 12098
district, institution, or agency against all damage suffered by 12099
the construction manager's failure to perform the contract 12100
according to its provisions, and shall agree and assent that this 12101
undertaking is for the benefit of the state, political 12102
subdivision, district, institution, or agency. A letter of credit 12103
provided by the construction manager is revocable only at the 12104
option of the beneficiary state, political subdivision, district, 12105
institution, or agency. 12106

(D) Where the state, political subdivision, district, 12107
institution, or agency accepts a bid but the bidder fails or 12108
refuses to enter into a proper contract in accordance with the 12109
bid, plans, details, and specifications within ten days after the 12110
awarding of the contract, the bidder and the surety on any bond, 12111

except as provided in division (G) of this section, are liable for 12112
the amount of the difference between the bidder's bid and that of 12113
the next lowest bidder, but not in excess of the liability 12114
specified in division (B)(1) or (C) of this section. Where the 12115
state, political subdivision, district, institution, or agency 12116
then awards the bid to such next lowest bidder and such next 12117
lowest bidder also fails or refuses to enter into a proper 12118
contract in accordance with the bid, plans, details, and 12119
specifications within ten days after the awarding of the contract, 12120
the liability of such next lowest bidder, except as provided in 12121
division (G) of this section, is the amount of the difference 12122
between the bids of such next lowest bidder and the third lowest 12123
bidder, but not in excess of the liability specified in division 12124
(B)(1) or (C) of this section. Liability on account of an award to 12125
any lowest bidder beyond the third lowest bidder shall be 12126
determined in like manner. 12127

(E) Notwithstanding division (C) of this section, where the 12128
state, political subdivision, district, institution, or agency 12129
resubmits the project for bidding, each bidder whose bid was 12130
accepted but who failed or refused to enter into a proper 12131
contract, except as provided in division (G) of this section, is 12132
liable for an equal share of a penal sum in connection with the 12133

reserved for the project owners of a qualified project is the full 13038
amount for all years of the qualified project's credit period. 13039

(D) Immediately after approving the final cost certification 13040
for a qualified project for which a tax credit under this section 13041
is reserved, or upon otherwise determining the qualified basis of 13042
the qualified project and the date it was placed into service as 13043
required by section 42(m) of the Internal Revenue Code, the 13044
director shall compute the annual credit amount and issue an 13045

credit period if not for the adjustment required under section 13053
42(f)(2) of the Internal Revenue Code; 13054

(2) One-tenth of the reserved credit amount stated in the 13055
notice issued under division (B) of this section. 13056

(E) Each eligibility certificate shall state the annual 13057
credit amount, the years that comprise the credit period, the 13058
name, address, and taxpayer identification number of each project 13059
owner, the date the certificate is issued, a unique identifying 13060
number, and any additional information prescribed by a rule 13061
adopted under division (H) of this section. A project owner, if 13062

the project owner is a pass-through entity shall provide a copy of 13063
the eligibility certificate to each equity owner that has been 13064
allocated a credit under division (F)(2) of this section. 13065

(F)(1) For each year of a qualified project's credit period, 13066
the project owner or an equity owner may claim a nonrefundable 13067
credit against the tax imposed by section 5725.18, 5726.02, 13068
5729.03, 5729.06, or 5747.02 of the Revised Code equal to all or a 13069
portion of the annual credit amount stated on the eligibility 13070
certificate. The credit shall be claimed in the manner prescribed 13071
by section 5725.36, 5726.58, 5729.19, or 5747.83 of the Revised 13072
Code, as applicable. 13073

(2) If a project owner is a pass-through entity, the annual 13074
credit amount for any year of a qualified project's credit period 13075
may be allocated by the project owner among one or more equity 13076
owners, and any such equity owner that is itself a pass-through 13077
entity may reallocate its portion of a credit to its own equity 13078
owners, as described in division (F)(5) of this section, and may 13079
be applied by those equity owners against more than one tax over 13080
more than one calendar year, tax year, taxable year, or tax 13081
period, but the total credits claimed in connection with that year 13082
of the qualified project's credit period by all project owners and 13083
equity owners against all taxes over all calendar years, tax 13084
years, taxable years, and tax periods, shall not exceed the annual 13085
credit amount stated on the eligibility certificate. 13086

A project owner or equity owner that is a pass-through entity 13087
that allocates a credit to its equity owners under this division 13088
shall list, in a writing submitted with the project owner's or 13089
equity owner's applicable return or report, the amount of the 13090
credit reflected on the eligibility certificate that is allocated 13091
to each equity owner. 13092

(3) A project owner or equity owner may claim the credit 13093
authorized by division (F)(1) of this section for a calendar year, 13094

tax year, taxable year, or tax period that ends after the date the 13095
qualified project is placed into service but for which the project 13096
owner or equity owner files its original tax return or report 13097
claiming the credit before the director issues the project owner 13098
an eligibility certificate under division (D) of this section. If 13099
a credit is claimed before an eligibility certificate is issued, 13100
the project owner or equity owner claiming the credit may claim an 13101
amount that is not more than one-tenth of the reserved credit 13102
amount. After the eligibility certificate is issued, if the annual 13103
credit amount is different than one-tenth of the reserved credit 13104
amount, the project owner or equity owner that claimed a tax 13105
credit under division (F)(3) of this section shall reconcile that 13106
difference through filing an amended tax return or report under 13107
Chapter 5725., 5726., 5729., or 5747. of the Revised Code, as 13108
applicable. 13109

(4) A project owner or equity owner that claims or allocates 13110
a tax credit under division (F)(1) or (2) of this section shall 13111
submit a copy of the eligibility certificate with the project 13112
owner's or equity owner's tax return or report. A project owner or 13113
equity owner that claims or allocates a credit under division 13114
(F)(3) of this section shall submit a copy of the notice stating 13115
the reserved credit amount, issued under division (B) of this 13116
section with the project owner's or equity owner's tax return or 13117
report. Upon request of the tax commissioner or the superintendent 13118
of insurance, any project owner or equity owner claiming a tax 13119
credit under this section shall provide the commissioner or 13120
superintendent other documentation that may be necessary to verify 13121
that the project owner or equity owner is entitled to the credit. 13122

(5) A project owner that is a pass-through entity may 13123
allocate the credit authorized by this section to its equity 13124
owners, and any such equity owner that is itself a pass-through 13125
entity may reallocate its portion of a credit to its own equity 13126

owners, under division (F)(2) of this section in any manner agreed 13127
to by such persons regardless of whether such equity owners are 13128
eligible for an allocation of the federal credit, whether the 13129
allocation of the credit under the terms of the agreement has 13130
substantial economic effect within the meaning of section 704(b) 13131
of the Internal Revenue Code, and whether any such person is 13132
deemed a partner of the project owner or equity owner for federal 13133
income tax purposes as long as the equity owner acquired its 13134
ownership interest prior to claiming the credit. The allocation 13135
shall be allowed without regard to any provision of the Internal 13136
Revenue Code, or regulation promulgated pursuant to it, that may 13137
be interpreted as contrary to the allocation, including, without 13138
limitation, the treatment of the allocation as a disguised sale. 13139

(6) An equity owner may assign all or any part of its 13140
interest in a qualified project, including its interest in the tax 13141
credits authorized by this section, to one or more other equity 13142
owners, in whole or in part, one or more times, and each assignee 13143
shall be able to claim the credit so long as its interest is 13144
acquired prior to the filing of its tax return or report or 13145
amended tax return or report claiming the credit and the equity 13146
owner's ownership interest is identified in the report required by 13147
division (I) of this section. Each equity owner to whom the right 13148
to claim a tax credit authorized by this section is assigned shall 13149
provide the designated reporter with evidence of that transfer so 13150
the designated reporter may identify the transferee in the report 13151
required by division (I) of this section. 13152

(G) If any portion of the federal credit allocated to a 13153
qualified project is recaptured under section 42(j) of the 13154
Internal Revenue Code or is otherwise disallowed, the director 13155
shall recapture a proportionate amount of the tax credit claimed 13156
pursuant to this section in connection with the same qualified 13157
project. 13158

If the director determines to recapture such a tax credit, 13159
the director shall certify the name of each project owner and the 13160
amount to be recaptured to the tax commissioner and to the 13161
superintendent of insurance. The commissioner or superintendent 13162
shall determine the taxpayer or taxpayers that claimed the credit, 13163
the tax against which the credit was claimed, and the amount to be 13164
recaptured and make an assessment against the taxpayer or 13165
taxpayers under Chapter 5725., 5726., 5729., or 5747. of the 13166
Revised Code, as applicable, for the amount of the tax credit to 13167
be recaptured. The time limitations on assessments under those 13168
chapters do not bar an assessment made under this division. 13169
Nothing in this section shall prohibit an assessment that 13170
otherwise may be timely made by law. 13171

(H) The director, in consultation with the tax commissioner 13172
and the superintendent of insurance, shall adopt any rules 13173
necessary to implement this section in accordance with Chapter 13174
119. of the Revised Code. Notwithstanding any provision of section 13175
121.95 of the Revised Code to the contrary, a regulatory 13176
restriction contained in a rule adopted under division (H) of this 13177
section is not subject to sections 121.95 to 121.953 of the 13178
Revised Code. 13179

(I)(1) Each project owner shall designate itself or one of 13180
its equity owners as designated reporter. The designation shall be 13181
made to the tax commissioner and superintendent of insurance at 13182
the time and in the manner prescribed by the commissioner and 13183
superintendent. 13184

(2) For each calendar year, a designated reporter shall 13185
provide the tax commissioner and the superintendent of insurance, 13186
at the time and in the form prescribed by the tax commissioner in 13187
consultation with the superintendent of insurance, a summary 13188
report of all pass-through certifications issued, and assignment 13189
notifications received pursuant to division (F)(6) of this 13190

section, in connection with a qualified project. The report shall 13191
contain all of the following: 13192

(a) The name, address, and taxpayer identification number of 13193
each equity owner that has been allocated a portion of the annual 13194
credit awarded by the eligibility certificate for that year; 13195

(b) The amount of the annual credit allocated to each such 13196
equity owner for such year and the tax against which the credit 13197
will be claimed; 13198

(c) The total of the amounts listed for each equity owner 13199
under division (I)(1)(b) of this section; 13200

(d) The annual credit amount. 13201

(3) A designated reporter shall notify the tax commissioner 13202
and the superintendent of insurance of any changes to the 13203
information reported in division (I)(2) of this section in the 13204
time and manner prescribed by the commissioner and superintendent. 13205

(4) No credit allocated under this section may be claimed by 13206
an equity owner for a year unless that equity owner and the amount 13207
of the credit allocated to that owner appear on the report 13208
required by division (I)(1) of this section for that year. 13209

(J) The Ohio housing finance agency shall disclose to the tax 13210
commissioner and the superintendent of insurance any information 13211
in the possession of the agency that is necessary to ensure 13212
compliance with the laws of this state governing taxation and to 13213
verify information reported to the agency, commissioner, or 13214
superintendent pursuant to this section. 13215

low-income housing tax credit, providing financial assistance, or 13220

otherwise assisting a project under any of the agency's programs, 13221

Revised Code, unless the electric distribution utility is the 13415
applicant. 13416

Sec. 191.17. (A) Not later than sixty days after receiving an 13417
application forwarded by the department of development, the 13418
broadband expansion program authority shall award program 13419
reimbursements to the applicant for costs described in divisions 13420
(A) and (B) of section 191.21 of the Revised Code after reviewing 13421
the application, and establishing the applicant's eligibility for 13422
reimbursement under the Ohio broadband pole replacement and 13423
undergrounding program. Except as provided in division (B) of this 13424
section, program reimbursements shall be in an amount equal to the 13425
lesser of seven thousand five hundred dollars or seventy-five per 13426
cent of the total amount paid by the applicant for each pole 13427
replacement or mid-span pole installation. 13428

(B) For undergrounding costs described under division (B) of 13429

section 191.21 of the Revised Code, the authority shall approve 13430
program reimbursements as provided in division (A) of this 13431
section, except that the reimbursements may not exceed the 13432
reimbursement amount that would be available under division (A) of 13433
this section, if the applicant had attached broadband 13434
infrastructure to utility poles instead of undergrounding that 13435
infrastructure. 13436

Sec. 191.19. (A) The department of development, at the 13437
direction of the broadband expansion program authority, shall 13438
issue program reimbursements awarded for applications approved 13439
under the Ohio broadband pole replacement and undergrounding 13440
program. The reimbursements shall be made using money available 13441
for this purpose in the broadband pole replacement fund created in 13442
section 191.27 of the Revised Code. The authority shall award, and 13443
the department shall fund, reimbursements until funds available 13444
for that purpose are no longer available. 13445

(B) If, upon the exhaustion of the fund, there are any 13446
applications pending, the applications shall be denied. 13447
Applications that have been denied pursuant to this division may 13448
be resubmitted to the department, and, if sufficient money is 13449
later deposited in the fund, reimbursements may be awarded 13450
according to the application and award process under sections 13451
191.10 to 191.24 of the Revised Code. 13452

Sec. 191.21. If the broadband expansion program authority 13453
approves an application under the Ohio broadband pole replacement 13454
and undergrounding program, the following costs are eligible for 13455
reimbursement under the program: 13456

(A) Actual and reasonable costs to perform a pole replacement 13457
or mid-span pole installation, including the amount of any 13458
expenditures to remove and dispose of an existing utility pole, 13459

purchase and install a replacement utility pole, and transfer any 13460
existing facilities to the new pole; 13461

(B) Actual and reasonable undergrounding costs, including the 13462
costs to dig a trench, perform directional boring, install 13463
conduit, and seal the trench, if the undergrounding is either of 13464
the following: 13465

(1) Required by law, regulation, or local ordinance; 13466

(2) More economical than the cost of performing a pole 13467
replacement. 13468

(C)(1) Costs of deploying qualifying broadband service for 13469
which the applicant is entitled to obtain full reimbursement from 13470
another governmental entity are not eligible for reimbursement 13471
under the program, except as provided in division (C)(2) of this 13472
section. 13473

(2) If an applicant's costs for deploying such service are 13474
reimbursed in part by a governmental entity, the applicant may 13475
apply for and obtain reimbursement under the program for the 13476
portion of the eligible costs for which the applicant was not 13477
reimbursed. 13478

(D) For applicants that obtain broadband grant funding from 13479
sources other than reimbursements under the program, the authority 13480
may require the applicants to maintain accounting records 13481
sufficient to demonstrate that the other grant funds do not fully 13482
reimburse the same costs as those reimbursed under the program. 13483

Sec. 191.24. A pole owner that provides information and 13484
documentation to a provider to enable the provider to submit an 13485
application to the Ohio broadband pole replacement and 13486
undergrounding program may require the provider to reimburse the 13487
owner for the owner's actual and reasonable administrative 13488
expenses, the total of which shall not exceed five per cent of the 13489

pole replacement or mid-span pole installation costs. Such costs 13490
are not eligible for reimbursement under the program. 13491

Sec. 191.27. There is hereby created in the state treasury 13492
the broadband pole replacement fund consisting of money credited 13493
or transferred to the fund, money appropriated by the general 13494
assembly, including from available federal funds, or money 13495
authorized for expenditure by the state controlling board under 13496
section 131.35 of the Revised Code from available federal funds, 13497
and grants, gifts, and contributions made directly to the fund. 13498
Money in the fund shall be used by the department of development 13499
to provide reimbursements awarded under the Ohio broadband pole 13500
replacement and undergrounding program and by the director of 13501
development to administer the program. 13502

Sec. 191.30. (A) The department of development shall direct 13503
an applicant that has been awarded a program reimbursement under 13504
the Ohio broadband pole replacement and undergrounding program to 13505
refund, with interest, all or any portion of the reimbursements 13506
the applicant received under the program, if the department finds, 13507
upon substantial evidence and after notice and the opportunity to 13508
respond, that the applicant materially violated any of the 13509
requirements agreed to under sections 191.10 to 191.24 of the 13510
Revised Code with respect to all or any portion of the 13511
reimbursements received. The interest included with a refund under 13512
this section shall be at the applicable federal funds rate as 13513
specified in division (B) of section 1304.84 of the Revised Code. 13514

(B) At the direction of the department, refunds submitted 13515
under division (A) of this section shall be deposited into the 13516
broadband pole replacement fund created in section 191.27 of the 13517
Revised Code or the general revenue fund. 13518

Sec. 191.33. Not later than sixty days after the first amount 13519

of money is deposited to the credit of the broadband pole 13520
replacement fund created in section 191.27 of the Revised Code, 13521
the department of development shall publish and regularly update 13522
on its web site the following program information: 13523

(A) The number of program applications received, processed, 13524
and rejected by the broadband expansion program authority; 13525

(B) The number, reimbursement amount, and status of program 13526
reimbursements awarded by the authority; 13527

(C) The number of providers receiving reimbursements; 13528

(D) The balance remaining in the fund at the time of the 13529
latest program update on the web site. 13530

Sec. 191.35. Beginning not later than one year after the 13531
first amount of money is deposited to the credit of the broadband 13532
pole replacement fund created in section 191.27 of the Revised 13533
Code and annually thereafter, the auditor of state shall audit the 13534
fund and its administration by the broadband expansion program 13535
authority and the department of development for compliance with 13536
the requirements of sections 191.02 to 191.45 of the Revised Code. 13537

Sec. 191.37. Not later than one year after each time money in 13538
the broadband pole replacement fund created in section 191.27 of 13539
the Revised Code is exhausted, the broadband expansion program 13540
authority shall identify, examine, and report on the deployment of 13541
qualifying broadband infrastructure under the Ohio broadband pole 13542
replacement and undergrounding program and the technology 13543
facilitated by the program reimbursements the authority has 13544
awarded. The report shall be published on the department of 13545
development web site. 13546

Sec. 191.40. Not later than ninety days after the effective 13547
date of this section, the director of development shall adopt 13548

rules under Chapter 119. of the Revised Code that are necessary 13549
for successful and efficient administration of the broadband pole 13550
replacement and undergrounding program. 13551

Notwithstanding any provision of section 121.95 of the 13552
Revised Code to the contrary, a regulatory restriction contained 13553
in a rule adopted under this section is not subject to sections 13554
121.95 to 121.953 of the Revised Code. 13555

Sec. 191.43. On the date that is six years after the 13556
effective date of this section, payments under the Ohio broadband 13557
pole replacement fund shall cease and section 191.27 of the 13558
Revised Code shall not be in force or have further application, 13559
except as described in sections 191.44 and 191.45 of the Revised 13560
Code. 13561

Sec. 191.44. The department of development in coordination 13562
with the Ohio broadband expansion program authority shall do the 13563
following, for the period ending six months after the date 13564
described in section 191.43 of the Revised Code: 13565

(A) Complete the review of any program applications that were 13566
submitted prior to the date described in section 191.43 of the 13567
Revised Code and pay program reimbursements for the approved 13568
applications; 13569

(B) Complete the review of any program applications submitted 13570
not later than four months after the date described in section 13571
191.43 of the Revised Code and pay program reimbursements for the 13572
approved applications, if the reimbursements are for costs that 13573
were incurred prior to the date described in section 191.43 of the 13574
Revised Code. 13575

Sec. 191.45. If there is an outstanding balance in the 13576
broadband pole replacement fund after the Ohio broadband pole 13577

replacement program reimbursements are paid pursuant to section 13578
191.44 of the Revised Code, the remaining balance shall be 13579
returned to the original funding sources as determined by the 13580
department of development. 13581

Sec. 301.27. (A) As used in this section: 13582

(1) "Credit card" includes gasoline and telephone credit 13583
cards but excludes any procurement card authorized under section 13584

(2) "Officer" includes an individual who also is an 13586
appointing authority. 13587

(3) "Gasoline and oil expenses" and "motor vehicle repair and 13588
maintenance expenses" refer to only those expenses incurred for 13589
motor vehicles owned or leased by the county. 13590

(B)(1) A credit card held by a board of county commissioners 13591
or the office of any other county appointing authority shall be 13592
used only to pay the following work-related expenses: 13593

(a) Food expenses; 13594

(b) Transportation expenses; 13595

(c) Gasoline and oil expenses; 13596

(d) Motor vehicle repair and maintenance expenses; 13597

(e) Telephone expenses; 13598

(f) Lodging expenses; 13599

(g) Internet service provider expenses; 13600

(h) In the case of a public children services agency, 13601

arrangement;	13606
(i) Webinar expenses;	13607
(j) The expenses for purchases of automatic or electronic data processing or record-keeping equipment, software, or services, provided that, in a county that has established an automatic data processing board, the county office and the county officer or employee authorized to use the credit card comply with sections 307.84 to 307.847 of the Revised Code. The expenses paid by a credit card under division (B)(1)(j) of this section shall not exceed ten thousand dollars per quarter, unless the board of county commissioners adopts a resolution approving the payment by credit card of such expenses that exceed that amount during that time period;	13608 13609 13610 13611 13612 13613 13614 13615 13616 13617 13618
(k) Expenses related to temporary and necessary assistance care provided by the county veterans service office;	13619 13620
<u>(l) Fees or charges related to a state-issued license or certificate.</u>	13621 13622
(2) No late charges or finance charges shall be allowed as an allowable expense unless authorized by the board of county commissioners.	13623 13624 13625
(C) A county appointing authority may apply to the board of county commissioners for authorization to have an officer or employee of the appointing authority use a credit card held by that appointing authority. The authorization request shall state whether the card is to be issued only in the name of the office of the appointing authority or whether the issued card also shall include the name of a specified officer or employee.	13626 13627 13628 13629 13630 13631 13632
(D) The debt incurred as a result of the use of a credit card pursuant to this section shall be paid from moneys appropriated to specific appropriation line items of the appointing authority for work-related expenses listed in division (B)(1) of this section.	13633 13634 13635 13636

(E)(1) Except as otherwise provided in division (E)(2) of 13637
this section, every officer or employee authorized to use a credit 13638
card held by the board or appointing authority shall submit to the 13639
board by the first day of each month an estimate of the officer's 13640
or employee's work-related expenses listed in division (B)(1) of 13641
this section for that month along with the specific appropriation 13642
line items from which those expenditures are to be made, unless 13643
the board authorizes, by resolution, the officer or employee to 13644
submit to the board such an estimate for a period longer than one 13645
month. The board may revise the estimate and determine the amount 13646
it approves, if any, not to exceed the estimated amount. The board 13647
shall certify the amount of its determination to the county 13648
auditor along with the specific appropriation line items from 13649
which the expenditures are to be made. After receiving 13650
certification from the county auditor that the determined sum of 13651
money is in the treasury or in the process of collection to the 13652
credit of the specific appropriation line items for which the 13653
credit card is approved for use, and is free from previous and 13654
then-outstanding obligations or certifications, the board shall 13655
authorize the officer or employee to incur debt for the expenses 13656
against the county's credit up to the authorized amount. 13657

(2) In lieu of following the procedure set forth in division 13658
(E)(1) of this section, a board of county commissioners may adopt 13659
a resolution authorizing an officer or employee of an appointing 13660
authority to use a county credit card to pay for specific classes 13661
of the work-related expenses listed in division (B)(1) of this 13662
section, or use a specific credit card for any of those 13663
work-related expenses listed in division (B)(1) of this section, 13664
without submitting an estimate of those expenses to the board as 13665
required by division (E)(1) of this section. Prior to adopting the 13666
resolution, the board shall notify the county auditor. The 13667
resolution shall specify whether the officer's or employee's 13668
exemption extends to the use of a specific credit card, which card 13669

shall be identified by its number, or to one or more specific 13670
work-related uses from the classes of uses permitted under 13671
division (B)(1) of this section. Before any credit card exempted 13672
for specific uses may be used to make purchases for uses other 13673
than those specific uses listed in the resolution, the procedures 13674
outlined in division (E)(1) of this section must be followed or 13675
the use shall be considered an unauthorized use. Use of any credit 13676
card under division (E)(2) of this section shall be limited to the 13677
amount appropriated and encumbered in a specific appropriation 13678
line item for the permitted use or uses designated in the 13679
authorizing resolution, or, in the case of a resolution that 13680
authorizes use of a specific credit card, for each of the 13681
permitted uses listed in division (B) of this section, but only to 13682
the extent the moneys in those specific appropriation line items 13683
are not otherwise encumbered. 13684

(F)(1) Any time a county credit card approved for use for an 13685
authorized amount under division (E)(1) of this section is used 13686
for more than that authorized amount, the appointing authority may 13687
request the board of county commissioners to authorize after the 13688
fact the expenditure of any amount charged beyond the originally 13689
authorized amount if, upon the board's request, the county auditor 13690
certifies that sum of money is in the treasury or in the process 13691
of collection to the credit of the appropriate appropriation line 13692
item for which the credit card was used, and is free from previous 13693
and then-outstanding obligations or certifications. If the card is 13694
used for more than the amount originally authorized and if for any 13695
reason that amount is not authorized after the fact, the county 13696
treasury shall be reimbursed for any amount spent beyond the 13697
originally authorized amount in the following manner: 13698

(a) If the card is issued in the name of a specific officer 13699
or employee, that officer or employee is liable in person and upon 13700
any official bond the officer or employee has given to the county 13701

to reimburse the county treasury for the amount charged to the 13702
county beyond the originally authorized amount. 13703

(b) If the card is issued to the office of the appointing 13704
authority, the appointing authority is liable in person and upon 13705
any official bond the appointing authority has given to the county 13706
for the amount charged to the county beyond the originally 13707
authorized amount. 13708

(2) Any time a county credit card authorized for use under 13709
division (E)(2) of this section is used for more than the amount 13710
appropriated under that division, the county treasury shall be 13711
reimbursed for any amount spent beyond the originally appropriated 13712
amount in the following manner: 13713

(a) If the card is issued in the name of a specific officer 13714
or employee, that officer or employee is liable in person and upon 13715
any official bond the officer or employee has given to the county 13716
for reimbursing the county treasury for any amount charged on the 13717
card beyond the originally appropriated amount. 13718

(b) If the card is issued in the name of the office of the 13719
appointing authority, the appointing authority is liable in person 13720
and upon any official bond the appointing authority has given to 13721
the county for reimbursement for any amount charged on the card 13722
beyond the originally appropriated amount. 13723

(3) Whenever any officer or employee who is authorized to use 13724
a credit card held by the board or the office of any other county 13725
appointing authority suspects the loss, theft, or possibility of 13726
unauthorized use of the card, the officer or employee shall notify 13727
the county auditor and either the officer's or employee's 13728
appointing authority or the board immediately and in writing. 13729

(4) If the county auditor determines there has been a credit 13730
card expenditure beyond the appropriated or authorized amount as 13731
provided in division (E) of this section, the auditor immediately 13732

shall notify the board of county commissioners. When the board 13733
determines, on its own or after notification from the county 13734
auditor, that the county treasury should be reimbursed for credit 13735
card expenditures beyond the appropriated or authorized amount as 13736
provided in divisions (F)(1) and (2) of this section, it shall 13737
give written notice to the county auditor and to the officer or 13738
employee or appointing authority liable to the treasury as 13739
provided in those divisions. If, within thirty days after issuance 13740
of the written notice, the county treasury is not reimbursed for 13741
the amount shown on the written notice, the prosecuting attorney 13742
of the county shall recover that amount from the officer or 13743
employee or appointing authority who is liable under this section 13744
by civil action in any court of appropriate jurisdiction. 13745

(G) Use of a county credit card for any use other than those 13746
permitted under division (B)(1) of this section is a violation of 13747
section 2913.21 of the Revised Code. 13748

Sec. 307.01. (A) A courthouse, ~~jail~~, public comfort station, 13749
offices for county officers, and a county home shall be provided 13750
by the board of county commissioners when, in its judgment, any of 13751
them are needed. Subject to Chapter 342. of the Revised Code, a 13752
jail shall be provided by the board of county commissioners when, 13753
in its judgment, it is needed. The buildings and offices shall be 13754
of such style, dimensions, and expense as the board determines. 13755
All new jails and renovations to existing jails shall be designed, 13756
and all existing jails shall be operated in such a manner as to 13757
comply substantially with the minimum standards for jails in Ohio 13758
adopted by the department of rehabilitation and correction. The 13759
board shall also provide equipment, stationery, and postage, as it 13760
considers reasonably necessary for the proper and convenient 13761
conduct of county offices, and such facilities as will result in 13762
expeditious and economical administration of such offices, except 13763
that, for the purpose of obtaining federal or state reimbursement, 13764

the board may impose on the public children services agency 13765
reasonable charges, not exceeding the amount for which 13766
reimbursement will be made and consistent with cost-allocation 13767
standards adopted by the department of job and family services, 13768
for the provision of office space, supplies, stationery, 13769
utilities, telephone use, postage, and general support services. 13770

The board of county commissioners shall provide all rooms, 13771
fireproof and burglarproof vaults, safes, and other means of 13772
security in the office of the county treasurer that are necessary 13773
for the protection of public moneys and property in the office. 13774

(B) The court of common pleas shall annually submit a written 13775
request for an appropriation to the board of county commissioners 13776
that shall set forth estimated administrative expenses of the 13777
court that the court considers reasonably necessary for its 13778
operation. The board shall conduct a public hearing with respect 13779
to the written request submitted by the court and shall 13780
appropriate the amount of money each year that it determines, 13781
after conducting the public hearing and considering the written 13782
request of the court, is reasonably necessary to meet all 13783
administrative expenses of the court. 13784

If the court considers the appropriation made by the board 13785
pursuant to this division insufficient to meet all the 13786
administrative expenses of the court, it shall commence an action 13787
under Chapter 2731. of the Revised Code in the court of appeals 13788
for the judicial district for a determination of the duty of the 13789
board of county commissioners to appropriate the amount of money 13790
in dispute. The court of appeals shall give priority to the action 13791
filed by the court of common pleas over all cases pending on its 13792
docket. The burden shall be on the court of common pleas to prove 13793
that the appropriation requested is reasonably necessary to meet 13794
all its administrative expenses. If, prior to the filing of an 13795
action under Chapter 2731. of the Revised Code or during the 13796

pendency of the action, any judge of the court exercises the 13797
contempt power of the court of common pleas in order to obtain the 13798
amount of money in dispute, the judge shall not order the 13799
imprisonment of any member of the board of county commissioners 13800
notwithstanding sections 2705.02 to 2705.06 of the Revised Code. 13801

(C) Division (B) of this section does not apply to 13802
appropriations for the probate court or the juvenile court that 13803
are subject to section 2101.11 or 2151.10 of the Revised Code. 13804

(D) The board of county commissioners may provide offices for 13805
or lease offices to a county land reutilization corporation 13806
organized under Chapter 1724. of the Revised Code and, in 13807
connection with such a lease, charge rentals that are at or below 13808
the market rentals for such offices, if the board determines that 13809
providing offices for or leasing offices to the corporation will 13810
promote economic development or the general welfare of the people 13811
of the county through a plan of providing affordable housing, land 13812
reutilization, and community development. 13813

Sec. 307.021. (A) It is hereby declared to be a public 13814
purpose and function of the state, and a matter of urgent 13815
necessity, that the state acquire, construct, or renovate capital 13816
facilities for use as county, multicounty, municipal-county, and 13817
multicounty-municipal jail facilities or workhouses, as 13818
single-county or district community-based correctional facilities 13819
authorized under section 2301.51 of the Revised Code, as minimum 13820
security misdemeanor jails under sections 341.34 and 753.21 of 13821
the Revised Code, and as single-county or joint-county juvenile 13822
facilities authorized under section 2151.65 of the Revised Code in 13823
order to comply with constitutional standards and laws for the 13824
incarceration of alleged and convicted offenders against state and 13825
local laws, and for use as county family court centers. For these 13826
purposes, counties and municipal corporations are designated as 13827

state agencies to perform duties of the state in relation to such 13828
facilities, workhouses, jails, and centers, and such facilities, 13829
workhouses, jails, and centers are designated as state capital 13830
facilities. The treasurer of state is authorized to issue revenue 13831

accounted for the total estimated amount of such recoupment, if 14667
any, to the satisfaction of both the grantee and the grantor. The 14668
auditor shall indorse the instrument, forward it to the grantee or 14669
the grantee's representative, and provide a copy of the indorsed 14670
instrument to the grantor or the grantor's representative. 14671

(C) The grantor shall pay the fee required by division (G)(3) 14672
of section 319.54 of the Revised Code; and, in the event the board 14673
of county commissioners of the county has levied a real property 14674
or a manufactured home transfer tax pursuant to Chapter 322. of 14675
the Revised Code, the amount required by the real property or 14676
manufactured home transfer tax so levied. If the conveyance is 14677
exempt from the fee provided for in division (G)(3) of section 14678
319.54 of the Revised Code and the tax, if any, levied pursuant to 14679
Chapter 322. of the Revised Code, the reason for such exemption 14680
shall be shown on the statement. "Value" means, in the case of any 14681
deed or certificate of title not a gift in whole or part, the 14682
amount of the full consideration therefor, paid or to be paid for 14683
the real estate or manufactured or mobile home described in the 14684
deed or title, including the amount of any mortgage or vendor's 14685
lien thereon. If property sold under a land installment contract 14686
is conveyed by the seller under such contract to a third party and 14687
the contract has been of record at least twelve months prior to 14688
the date of conveyance, "value" means the unpaid balance owed to 14689
the seller under the contract at the time of the conveyance, but 14690
the statement shall set forth the amount paid under such contract 14691

prior to the date of conveyance. In the case of a gift in whole or 14692
part, "value" means the estimated price the real estate or 14693
manufactured or mobile home described in the deed or certificate 14694
of title would bring in the open market and under the then 14695
existing and prevailing market conditions in a sale between a 14696
willing seller and a willing buyer, both conversant with the 14697
property and with prevailing general price levels. No person shall 14698
willfully falsify the value of property conveyed. 14699

(D) The auditor shall indorse each conveyance on its face to 14700
indicate the amount of the conveyance fee and compliance with this 14701
section and if the property is residential rental property include 14702
a statement that the grantee shall file with the county auditor 14703
the information required under division (A) or (C) of section 14704
5323.02 of the Revised Code. The auditor shall retain the original 14705
copy of the statement of value, forward to the tax commissioner 14706
one copy on which shall be noted the most recent assessed value of 14707
the property, and furnish one copy to the grantee or the grantee's 14708
representative. 14709

(E) In order to achieve uniform administration and collection 14710
of the transfer fee required by division (G)(3) of section 319.54 14711
of the Revised Code, the tax commissioner shall adopt and 14712
promulgate rules for the administration and enforcement of the 14713
levy and collection of such fee. 14714

(F) As used in this section, "residential rental property" 14715
has the same meaning as in section 5323.01 of the Revised Code. 14716

Sec. 323.152. In addition to the reduction in taxes required 14717
under section 319.302 of the Revised Code, taxes shall be reduced 14718
as provided in divisions (A) and (B) of this section. 14719

(A)(1)(a) Division (A)(1) of this section applies to any of 14720
the following persons: 14721

(i) A person who is permanently and totally disabled;	14722
(ii) A person who is sixty-five years of age or older;	14723
(iii) A person who is the surviving spouse of a deceased	14724
person who was permanently and totally disabled or sixty-five	14725
years of age or older and who applied and qualified for a	14726
reduction in taxes under this division in the year of death,	14727
provided the surviving spouse is at least fifty-nine but not	14728
sixty-five or more years of age on the date the deceased spouse	14729
dies.	14730
(b) Real property taxes on a homestead owned and occupied, or	14731
a homestead in a housing cooperative occupied, by a person to whom	14732
division (A)(1) of this section applies shall be reduced for each	14733
year for which an application for the reduction has been approved.	14734
The reduction shall equal one of the following amounts, as	14735
applicable to the person:	14736
(i) If the person received a reduction under division (A)(1)	14737
of this section for tax year 2006, the greater of the reduction	14738
for that tax year or the amount computed under division (A)(1)(c)	14739
of this section;	14740
(ii) If the person received, for any homestead, a reduction	14741
under division (A)(1) of this section for tax year 2013 or under	14742
division (A) of section 4503.065 of the Revised Code for tax year	14743
2014 or the person is the surviving spouse of such a person and	14744
the surviving spouse is at least fifty-nine years of age on the	14745
date the deceased spouse dies, the amount computed under division	14746
(A)(1)(c) of this section. For purposes of divisions (A)(1)(b)(ii)	14747
and (iii) of this section, a person receives a reduction under	14748
division (A)(1) of this section or under division (A) of section	14749
4503.065 of the Revised Code for tax year 2013 or 2014,	14750
respectively, if the person files a late application for that	14751
respective tax year that is approved by the county auditor under	14752

~~section 323.153 or 4503.066 of the Revised Code.~~ 14753

(iii) If the person is not described in division (A)(1)(b)(i) 14754
or (ii) of this section and the person's total income does not 14755
exceed thirty thousand dollars, as adjusted under division 14756
(A)(1)(d) of this section, the amount computed under division 14757
(A)(1)(c) of this section. 14758

(c) The amount of the reduction under division (A)(1)(c) of 14759
this section equals the product of the following: 14760

(i) Twenty-five thousand dollars of the true value of the 14761
property in money, as adjusted under division (A)(1)(d) of this 14762
section; 14763

(ii) The assessment percentage established by the tax 14764
commissioner under division (B) of section 5715.01 of the Revised 14765
Code, not to exceed thirty-five per cent; 14766

(iii) The effective tax rate used to calculate the taxes 14767
charged against the property for the current year, where 14768
"effective tax rate" is defined as in section 323.08 of the 14769
Revised Code; 14770

(iv) The quantity equal to one minus the sum of the 14771
percentage reductions in taxes received by the property for the 14772
current tax year under section 319.302 of the Revised Code and 14773
division (B) of section 323.152 of the Revised Code. 14774

(d) ~~Each calendar year, the~~ The tax commissioner shall adjust 14775
the total income threshold described in division (A)(1)(b)(iii) 14776
and the reduction amounts described in divisions (A)(1)(c)(i), 14777
(A)(2), and (A)(3) of this section by completing the following 14778
calculations in September of each year: 14779

(i) Determine the percentage increase in the gross domestic 14780
product deflator determined by the bureau of economic analysis of 14781
the United States department of commerce from the first day of 14782

January of the preceding calendar year to the last day of December 14783
of the preceding calendar year; 14784

(ii) Multiply that percentage increase by the total income 14785
threshold or reduction amount for the current tax year, as 14786
applicable; 14787

(iii) Add the resulting product to the total income threshold 14788
or the reduction amount, as applicable, for the current tax year; 14789

(iv) Round the resulting sum to the nearest multiple of one 14790
hundred dollars. 14791

The commissioner shall certify the amount resulting from ~~the~~ 14792

day of December each year. The certified total income threshold 14794
amount applies to the following tax year for persons described in 14795
division (A)(1)(b)(iii) of this section. The certified reduction 14796
amount applies to the following tax year. The commissioner shall 14797
not make the applicable adjustment in any calendar year in which 14798
the amount resulting from the adjustment would be less than the 14799
total income threshold or the reduction amount for the current tax 14800
year. 14801

(2) Real property taxes on a homestead owned and occupied, or 14802
a homestead in a housing cooperative occupied, by a disabled 14803
veteran shall be reduced for each year for which an application 14804
for the reduction has been approved. The reduction shall equal the 14805
product obtained by multiplying fifty thousand dollars of the true 14806
value of the property in money, as adjusted under division 14807
(A)(1)(d) of this section, by the amounts described in divisions 14808
(A)(1)(c)(ii) to (iv) of this section. The reduction is in lieu of 14809
any reduction under section 323.158 of the Revised Code or 14810
division (A)(1) or (3) of this section. The reduction applies to 14811
only one homestead owned and occupied by a disabled veteran. 14812

If a homestead qualifies for a reduction in taxes under 14813

division (A)(2) of this section for the year in which the disabled 14814
veteran dies, and the disabled veteran is survived by a spouse who 14815
occupied the homestead when the disabled veteran died and who 14816
acquires ownership of the homestead or, in the case of a homestead 14817
that is a unit in a housing cooperative, continues to occupy the 14818
homestead, the reduction shall continue through the year in which 14819
the surviving spouse dies or remarries. 14820

(3) Real property taxes on a homestead owned and occupied, or 14821
a homestead in a housing cooperative occupied, by the surviving 14822
spouse of a public service officer killed in the line of duty 14823
shall be reduced for each year for which an application for the 14824
reduction has been approved. The reduction shall equal the product 14825
obtained by multiplying fifty thousand dollars of the true value 14826
of the property in money, as adjusted under division (A)(1)(d) of 14827
this section, by the amounts described in divisions (A)(1)(c)(ii) 14828
to (iv) of this section. The reduction is in lieu of any reduction 14829
under section 323.158 of the Revised Code or division (A)(1) or 14830
(2) of this section. The reduction applies to only one homestead 14831
owned and occupied by such a surviving spouse. A homestead 14832
qualifies for a reduction in taxes under division (A)(3) of this 14833
section for the tax year in which the public service officer dies 14834
through the tax year in which the surviving spouse dies or 14835
remarries. 14836

(B) To provide a partial exemption, real property taxes on 14837
any homestead, and manufactured home taxes on any manufactured or 14838
mobile home on which a manufactured home tax is assessed pursuant 14839
to division (D)(2) of section 4503.06 of the Revised Code, shall 14840
be reduced for each year for which an application for the 14841
reduction has been approved. The amount of the reduction shall 14842
equal two and one-half per cent of the amount of taxes to be 14843
levied by qualifying levies on the homestead or the manufactured 14844
or mobile home after applying section 319.301 of the Revised Code. 14845

For the purposes of this division, "qualifying levy" has the same meaning as in section 319.302 of the Revised Code. 14846
14847

(C) The reductions granted by this section do not apply to special assessments or respread of assessments levied against the homestead, and if there is a transfer of ownership subsequent to the filing of an application for a reduction in taxes, such reductions are not forfeited for such year by virtue of such transfer. 14848
14849
14850
14851
14852
14853

(D) The reductions in taxable value referred to in this section shall be applied solely as a factor for the purpose of computing the reduction of taxes under this section and shall not affect the total value of property in any subdivision or taxing district as listed and assessed for taxation on the tax lists and duplicates, or any direct or indirect limitations on indebtedness of a subdivision or taxing district. If after application of sections 5705.31 and 5705.32 of the Revised Code, including the allocation of all levies within the ten-mill limitation to debt charges to the extent therein provided, there would be insufficient funds for payment of debt charges not provided for by levies in excess of the ten-mill limitation, the reduction of taxes provided for in sections 323.151 to 323.159 of the Revised Code shall be proportionately adjusted to the extent necessary to provide such funds from levies within the ten-mill limitation. 14854

14865
14866
14867
14868

(E) No reduction shall be made on the taxes due on the homestead of any person convicted of violating division (D) or (E) of section 323.153 of the Revised Code for a period of three years following the conviction. 14869

Sec. 323.25. (A) When taxes charged against an entry on the tax duplicate, or any part of those taxes, are not paid within sixty days after delivery of the delinquent land duplicate to the county treasurer as prescribed by section 5721.011 of the Revised 14873
14874
14875
14876

Code, the county treasurer shall enforce the lien for the taxes by 14877
civil action in the treasurer's official capacity as treasurer, 14878
for the sale of such premises in the same way mortgage liens are 14879
enforced or for the transfer of such premises to an electing 14880
subdivision pursuant to section 323.28 or 323.78 of the Revised 14881
Code, in the court of common pleas of the county, in a municipal 14882
court with jurisdiction, or in the county board of revision with 14883
jurisdiction pursuant to section 323.66 of the Revised Code. 14884
Nothing in this section prohibits the treasurer from instituting 14885
such an action before the delinquent tax list or delinquent vacant 14886
land tax list that includes the premises has been published 14887
pursuant to division (B) of section 5721.03 of the Revised Code if 14888
the list is not published within the time prescribed by that 14889
division. 14890

(B) After the civil action has been instituted, but before 14891
the expiration of the applicable redemption period, any person 14892
entitled to redeem the land may do so by tendering to the county 14893
treasurer an amount sufficient, as determined by the court or 14894
board of revision, to pay the taxes, assessments, penalties, 14895
interest, and charges then due and unpaid, and the costs incurred 14896
in the civil action, and by demonstrating that the property is in 14897
compliance with all applicable zoning regulations, land use 14898
restrictions, and building, health, and safety codes. 14899

(C) If the delinquent land duplicate lists minerals or rights 14900
to minerals listed pursuant to sections 5713.04, 5713.05, and 14901
5713.06 of the Revised Code, the county treasurer may enforce the 14902
lien for taxes against such minerals or rights to minerals by 14903
civil action, in the treasurer's official capacity as treasurer, 14904
in the manner prescribed by this section, or proceed as provided 14905
under section 5721.46 of the Revised Code. 14906

(D) If service by publication is necessary, instead of as 14907
provided by the Rules of Civil Procedure, such publication shall 14908

either be made (1) once a week for three consecutive weeks instead 14909
of as provided by the Rules of Civil Procedure, and the service in 14910
a newspaper of general circulation in the county or (2) once in a 14911
newspaper of general circulation in the county and, beginning one 14912
week thereafter, on a web site of the county or of the court, as 14913
selected by the clerk of the court. Publication on the web site 14914
shall continue until one year after the date a finding is entered 14915
under section 323.28 of the Revised Code with respect to such 14916
property. Any notices published on a web site shall identify the 14917
date the notice is first published on the web site. If proceeding 14918
under division (D)(1) of this section, the second and third 14919
publication of the notice may be abbreviated as authorized under 14920
section 7.16 of the Revised Code. 14921

Service shall be complete, if proceeding under division 14922
(D)(1) of this section, at the expiration of three weeks after the 14923
date of the first publication or, if proceeding under division 14924
(D)(2) of this section, the date that is two weeks after the clerk 14925
causes the notice to be published on the selected web site. If the 14926
prosecuting attorney determines that service upon a defendant may 14927
be obtained ultimately only by publication, the prosecuting 14928
attorney may cause service to be made simultaneously by certified 14929
mail, return receipt requested, ordinary mail, and publication. 14930
The 14931

(E) The county treasurer shall not enforce the lien for taxes 14932
against real property to which any of the following applies: 14933

(A)(1) The real property is the subject of an application for 14934
exemption from taxation under section 5715.27 of the Revised Code 14935
and does not appear on the delinquent land duplicate; 14936

(B)(2) The real property is the subject of a valid delinquent 14937
tax contract under section 323.31 of the Revised Code for which 14938
the county treasurer has not made certification to the county 14939
auditor that the delinquent tax contract has become void in 14940

accordance with that section; 14941

~~(C)~~(3) A tax certificate respecting that property has been 14942
sold under section 5721.32 or 5721.33 of the Revised Code; 14943
provided, however, that nothing in this division shall prohibit 14944
the county treasurer or the county prosecuting attorney from 14945
enforcing the lien of the state and its political subdivisions for 14946
taxes against a certificate parcel with respect to any or all of 14947
such taxes that at the time of enforcement of such lien are not 14948
the subject of a tax certificate. 14949

(F) Upon application of the plaintiff, the court shall 14950
advance such cause on the docket, so that it may be first heard. 14951

The court may order that the proceeding be transferred to the 14952
county board of revision if so authorized under section 323.691 of 14953
the Revised Code. 14954

Sec. 323.69. (A) Upon the completion of the title search 14955
required by section 323.68 of the Revised Code, the prosecuting 14956
attorney, representing the county treasurer, the county land 14957
reutilization corporation, or the certificate holder may file with 14958
the clerk of court a complaint for the foreclosure of each parcel 14959
of abandoned land appearing on the abandoned land list, and for 14960
the equity of redemption on each parcel. The complaint shall name 14961
all parties having any interest of record in the abandoned land 14962
that was discovered in the title search. The prosecuting attorney, 14963
county land reutilization corporation, or certificate holder may 14964
file such a complaint regardless of whether the parcel has 14965
appeared on a delinquent tax list or delinquent vacant land tax 14966
list published pursuant to division (B) of section 5721.03 of the 14967
Revised Code. 14968

(B)(1) In accordance with Civil Rule 4, the clerk of court 14969
promptly shall serve notice of the summons and the complaint filed 14970
under division (A) of this section to the last known address of 14971

the record owner of the abandoned land and to the last known 14972
address of each lienholder or other person having a legal or 14973
equitable ownership interest or security interest of record 14974
identified by the title search. The notice shall inform the 14975
addressee that delinquent taxes stand charged against the 14976
abandoned land; that the land will be sold at public auction or 14977
otherwise disposed of if not redeemed by the owner or other 14978
addressee; that the sale or transfer will occur at a date, time, 14979
and place, and in the manner prescribed in sections 323.65 to 14980
323.79 of the Revised Code; that the owner or other addressee may 14981
redeem the land by paying the total of the impositions against the 14982
land at any time before confirmation of sale or transfer of the 14983
parcel as prescribed in sections 323.65 to 323.79 of the Revised 14984
Code or before the expiration of the alternative redemption 14985
period, as may be applicable to the proceeding; that the case is 14986
being prosecuted by the prosecuting attorney of the county in the 14987
name of the county treasurer for the county in which the abandoned 14988
land is located or by a certificate holder, whichever is 14989
applicable; of the name, address, and telephone number of the 14990
county board of revision before which the action is pending; of 14991
the board case number for the action, which shall be maintained in 14992
the official file and docket of the clerk of court; and that all 14993
subsequent pleadings, petitions, and papers associated with the 14994
case and filed by any interested party must be filed with the 14995
clerk of court and will become part of the case file for the board 14996
of revision. 14997

(2) The notice required by division (B)(1) of this section 14998
also shall inform the addressee that any owner of record may, at 14999
any time on or before the fourteenth day after service of process 15000
is perfected, file a pleading with the clerk of court requesting 15001
that the board transfer the case to a court of competent 15002
jurisdiction to be conducted in accordance with the applicable 15003
laws. 15004

(C) Subject to division (D) of this section, subsequent pleadings, motions, or papers associated with the case and filed with the clerk of court shall be served upon all parties of record in accordance with Civil Rules 4 and 5, except that service by publication in any case requiring such service shall require that any such publication shall be advertised in the manner, and for the time periods and frequency, prescribed in section 5721.18 of the Revised Code. Any inadvertent noncompliance with those rules does not serve to defeat or terminate the case, or subject the case to dismissal, as long as actual notice or service of filed papers is shown by a preponderance of the evidence or is acknowledged by the party charged with notice or service, including by having made an appearance or filing in relation to the case. The county board of revision may conduct evidentiary hearings on the sufficiency of process, service of process, or sufficiency of service of papers in any proceeding arising from a complaint filed under this section. Other than the notice and service provisions contained in Civil Rules 4 and 5, the Rules of Civil Procedure shall not be applicable to the proceedings of the board. The board of revision may utilize procedures contained in the Rules of Civil Procedure to the extent that such use facilitates the needs of the proceedings, such as vacating orders, correcting clerical mistakes, and providing notice to parties. To the extent not otherwise provided in sections 323.65 to 323.79 of the Revised Code, the board may apply the procedures prescribed by sections 323.25 to 323.28 or Chapters 5721., 5722., and 5723. of the Revised Code. Board practice shall be in accordance with the practice and rules, if any, of the board that are promulgated by the board under section 323.66 of the Revised Code and are not inconsistent with sections 323.65 to 323.79 of the Revised Code.

(D)(1) A party shall be deemed to be in default of the proceedings in an action brought under sections 323.65 to 323.79 of the Revised Code if either of the following occurs:

(a) The party fails to appear at any hearing after being 15038
served with notice of the summons and complaint by certified or 15039
ordinary mail. 15040

(b) For a party upon whom notice of summons and complaint is 15041
required by publication as provided under section 5721.18 of the 15042
Revised Code and has been considered ~~served~~ complete pursuant to 15043
that section, the party fails to appear, move, or plead to the 15044
complaint within twenty-eight days after service by publication is 15045
~~completed~~ considered complete. 15046

(2) If a party is deemed to be in default pursuant to 15047
division (D)(1) of this section, no further service of any 15048
subsequent pleadings, papers, or proceedings is required on the 15049
party by the court or any other party. 15050

(E) At any time after a foreclosure action is filed under 15051
this section, the county board of revision may, upon its own 15052
motion, transfer the case to a court pursuant to section 323.691 15053
of the Revised Code if it determines that, given the complexity of 15054
the case or other circumstances, a court would be a more 15055
appropriate forum for the action. 15056

Sec. 340.01. (A) As used in this chapter: 15057

(4) If the sum calculated under division (A)(3) of this 15491

section is the same for two or more counties, the county with the 15492
lowest population shall receive the lowest final ranking. The 15493
final ranking for the counties should be numbers one through 15494
eighty-eight. 15495

Every other year, on even-numbered years, the department 15496
shall conduct the financial ranking described in this division and 15497
report the ranking to the department of rehabilitation and 15498
correction and the Ohio facilities construction commission. 15499

(B)(1) Upon receiving the financial ranking under division 15500
(A) of this section, the commission shall select a number of 15501
counties among the lowest ranking counties, the number of counties 15502
selected depending upon the commission's projections of the moneys 15503
available and moneys necessary to undertake projects under this 15504
chapter for that year, and invite the selected counties to apply 15505
for assistance under this chapter. Two or more counties may 15506
jointly apply for assistance under this chapter as long as at 15507
least one of the counties was invited to apply. The application 15508
shall be made on a form and in a manner prescribed by the 15509
commission. Upon the application of a county so invited, the 15510
commission may shortlist applicants before proceeding, and shall 15511
proceed with a needs assessment under division (B)(2) of this 15512
section. 15513

(2) Upon the application and shortlisting of invited counties 15514
to receive assistance under this chapter, the commission shall 15515
conduct a needs assessment, or cause a needs assessment to be 15516
conducted, to determine the jail facility needs of the applicant 15517
county. The needs assessment, subject to division (B)(3) of this 15518
section, shall include an on-site assessment of applicable jail 15519
facilities identified as having jail facility needs. The on-site 15520
assessment shall assess the county's need to construct or acquire 15521
new jail facilities and may include an assessment of the county's 15522
need for facility additions or for the reconstruction of existing 15523

facilities in lieu of constructing or acquiring replacement 15524
facilities. 15525

(3) Before conducting an on-site assessment of a county, at 15526
the request of the board of county commissioners, the Ohio 15527
facilities construction commission shall examine any jail 15528
facilities needs assessment that the county has conducted and any 15529
master plan developed for meeting the facility needs of the 15530
county. If the commission determines that the county's needs 15531
assessment or master plan is sufficient for its purposes, and that 15532
any additional needs assessment is not necessary, the commission 15533
may waive the on-site assessment under division (B)(2) of this 15534
section. 15535

(4) Upon conducting the on-site assessment, the commission 15536
shall make a determination of all of the following: 15537

(a) The need of the county for additional jail facilities, or 15538
for renovations or improvements to existing jail facilities, based 15539
on whether and to what extent existing facilities comply with the 15540
standards adopted under division (C) of this section; 15541

(b) The number of jail facilities to be included in a 15542
project; 15543

(c) The estimated annual, monthly, or daily cost of operating 15544
the facility once it is operational, as reported and certified by 15545
the county auditor; 15546

(d) The estimated basic project cost of constructing, 15547
acquiring, reconstructing, or making additions to each facility; 15548

(e) The amount of the basic project cost that the county can 15549
supply through the means described in division (A)(2) of section 15550
342.04 of the Revised Code; 15551

(f) The amount of the cost to be supplied by the state under 15552
section 342.04 of the Revised Code; 15553

(g) The amount of the state's portion to be encumbered in accordance with section 342.04 of the Revised Code in the current and subsequent fiscal years from funds appropriated for purposes of this chapter. 15554
15555
15556
15557

(5) If the project involves a multicounty jail facility, the Ohio facilities construction commission may determine a multicounty jail facility ranking cost for each county involved. 15558
15559
15560

(C) The commission, in conjunction with the department of rehabilitation and correction, shall develop a set of standards by which the commission may evaluate the condition of existing jail facilities to determine need under this chapter. These standards shall include the standards developed under section 5120.10 of the Revised Code, and other standards that the commission and the department consider appropriate. In developing or changing these standards, the commission and the department shall solicit input from sheriffs and boards of county commissioners or from organizations representing sheriffs or boards of county commissioners in this state. 15561
15562
15563
15564
15565
15566
15567
15568
15569
15570
15571

(D) The Ohio facilities construction commission shall then choose from among the applicant counties which counties will receive state funding under this chapter. The commission shall choose based on the results of the financial ranking conducted under division (A) of this section, the results of the needs assessment conducted under division (B) of this section, and the requirements described in sections 342.03 and 342.04 of the Revised Code. If a chosen project is subsequently denied approval by the controlling board under section 342.05 of the Revised Code, or canceled for some other reason, the commission may choose another applicant county under this division that applied for assistance but was not selected under this division. If no counties meet that description, the commission may invite additional counties to apply for assistance under this section. 15572

Sec. 342.03. The Ohio facilities construction commission, 15586
following the completion of a needs assessment conducted under 15587
division (B) of section 342.02 of the Revised Code, shall make a 15588
determination in favor of constructing, acquiring, reconstructing, 15589
or making additions to a jail facility only upon evidence that the 15590
proposed project conforms to the construction and renovation 15591
standards described in divisions (D) and (E) of section 5120.10 of 15592
the Revised Code, and that it keeps with the needs of the county 15593
or counties as determined by the needs assessment conducted under 15594
division (B) of section 342.02 of the Revised Code. Exceptions 15595
shall be authorized only in those areas where topography, sparsity 15596
of population, and other factors make larger jail facilities 15597
impracticable. 15598

If the board of county commissioners, multicounty jail 15599
facility commission, or the Ohio facilities construction 15600
commission determines that an existing jail facility should be 15601
renovated instead of acquiring a comparable jail facility by new 15602
construction, the Ohio facilities construction commission may 15603
approve the expenditure of project funds for the renovation of 15604
that jail facility up to but not exceeding one hundred per cent of 15605
the estimated cost of acquiring a comparable jail facility by new 15606
construction, if the commission determines that the renovated jail 15607
facility will be operationally efficient, will be adequate for the 15608
future needs of the county or counties, and will comply with the 15609
standards described in section 342.02 of the Revised Code. 15610

Sec. 342.04. (A)(1) A project proposed under sections 342.02 15611
and 342.03 of the Revised Code may be approved only upon 15612
submission of evidence to the Ohio facilities construction 15613
commission by the board of county commissioners or, in the case of 15614
a multicounty jail facility, by a multicounty jail facility 15615
commission, that the county or counties involved in the project 15616

will generate adequate revenue to fund the county portion of the 15617
basic project cost and the operations and maintenance of the 15618
proposed jail facility or facilities. 15619

(2) A county may generate the revenue described in division 15620
(A)(1) of this section by any of the following means, provided the 15621
revenue may be lawfully used for that purpose: 15622

(a) Unencumbered funds of the county; 15623

(b) Issuance of bonds previously authorized by the electors 15624
of the county; 15625

(c) Local donated contributions as authorized under section 15626
342.07 of the Revised Code; 15627

(d) A bond issue or tax levy under section 5705.234 of the 15628
Revised Code; 15629

(e) The proceeds of any other tax levy that may be lawfully 15630
used for that purpose, including a tax levied under division (LL) 15631
of section 5705.19 of the Revised Code or section 5705.233 of the 15632
Revised Code. 15633

(3) The Ohio facilities construction commission shall not 15634
accept a proposal by a county or a multicounty jail facility 15635
commission to rent any portion of the jail facility or facilities 15636
to other political subdivisions as evidence that the county or 15637
multicounty jail facility commission will generate adequate 15638
revenue as described in division (A)(1) of this section. 15639

(4) Evidence submitted under division (A)(1) of this section 15640
shall not be considered sufficient until it has been certified as 15641
true and accurate by the county auditor of each participating 15642
county. 15643

(B) Except as otherwise provided in divisions (C) and (D) of 15644
this section, the portion of the basic project cost supplied by 15645
each county shall be one per cent of the basic project costs times 15646

the percentile in which the county ranks according to the 15647
department of taxation's ranking under division (A) of section 15648
342.02 of the Revised Code, for the fiscal year preceding the 15649
fiscal year in which the controlling board approved the county's 15650
or counties' project under section 342.05 of the Revised Code. 15651

The amount of the county's or counties' portion determined 15652
under this section shall be calculated only as of the date the 15653
controlling board approved the project. 15654

(C) At no time shall a county's, or all of the counties', 15655
portion of the basic project cost be greater than seventy-five per 15656
cent of the total basic project cost. If a county's portion of the 15657
basic project cost is calculated, under division (B) of this 15658
section, to be greater than seventy-five per cent of the total 15659
basic project cost, the county's portion shall be seventy-five per 15660
cent of the basic project cost. In the case of a multicounty jail 15661
facility commission, if the sum of two or more counties' portions 15662
of the total basic project cost are calculated, under division (B) 15663
of this section, to be greater than seventy-five per cent of the 15664
total basic project cost, the counties' portions shall be 15665
determined pro rata, so that the sum of their portions shall be 15666
equal to seventy-five per cent of the total basic project cost. 15667

(D) If the controlling board approves a project for a county 15668
that previously received assistance under this chapter within 15669
twenty years of the date the previous project was approved by the 15670
controlling board, that county's or counties' portion of the basic 15671
project cost for the new project shall be the lesser of the 15672
following: 15673

(1) The portion calculated under division (B) or (C) of this 15674
section; 15675

(2) The greater of the following: 15676

(a) The required percentage of the basic project costs for 15677

the new project or, if the project is a multicounty jail facility, 15678
the county's or counties' required percentage of the basic project 15679
cost pursuant to an agreement under section 342.12 of the Revised 15680
Code; 15681

(b) The percentage of the basic project cost paid by the 15682
county or counties for the previous project. 15683

Sec. 342.05. (A) If the Ohio facilities construction 15684
commission makes a determination under sections 342.01 to 342.04 15685
of the Revised Code in favor of constructing, acquiring, 15686
reconstructing, or making additions to a jail facility, the 15687
project shall be conditionally approved. The conditional approval 15688
shall be submitted to the controlling board for approval. The 15689
controlling board shall approve or reject the commission's 15690
determination, the amount of the state's portion of the basic 15691
project cost, and the amount of the state's portion to be 15692
encumbered in the current fiscal year. If approved by the 15693
controlling board, the commission shall certify the conditional 15694
approval to the board of county commissioners, or to the 15695
multicounty jail facilities commission in the case of a 15696
multicounty jail facilities project undertaken pursuant to section 15697
342.12 of the Revised Code, and shall encumber from the total 15698
funds appropriated for the purpose of this chapter the amount 15699
approved under this section to be encumbered in the current fiscal 15700
year. 15701

The basic project cost for a project approved under this 15702
section shall not exceed the cost that otherwise would have to be 15703
incurred if the jail facilities to be constructed, acquired, or 15704
reconstructed, or the additions to be made to jail facilities, 15705
under the project meet, but do not exceed, the specifications for 15706
plans and materials for jail facilities adopted by the Ohio 15707
facilities construction commission. 15708

(B) No project proposed by a county that previously received 15709
assistance under this chapter and that levied a tax under section 15710
5705.234 of the Revised Code for the purpose of qualifying for 15711
that previous assistance shall be approved by the controlling 15712
board in the twenty years following the controlling board's 15713
approval of the previous project unless the board of county 15714
commissioners or the multicounty jail facility commission 15715
demonstrates to the satisfaction of the Ohio facilities 15716
construction commission that the county or counties have 15717
experienced, since approval of its prior project, an exceptional 15718
increase in need beyond the design capacity under that prior 15719
project as determined by the commission. 15720

If the commission finds that a county's or counties' existing 15721
jail facilities are adequate to meet all of the county's or 15722
counties' needs, the commission may determine that no additional 15723
state assistance be awarded to a county or counties under this 15724
section. 15725

(C) Not later than one hundred twenty days after receiving 15726
notice of an approval, the board of county commissioners, or the 15727
multicounty jail facilities commission as applicable, shall accept 15728
or deny the Ohio facility construction commission's conditional 15729
approval. Additionally, if one or more counties must issue bonds 15730
or levy a tax under section 5705.234 of the Revised Code to 15731
provide adequate revenue for its portion of the basic project 15732
costs or for the maintenance and operation of the jail facility or 15733
facilities, the electors of the county or counties shall approve 15734
the bond issue or levy not later than sixteen months after the 15735
date the county received the commission's conditional approval. If 15736
the commission's conditional approval lapses under this division, 15737
the amount reserved and encumbered for the project shall be 15738
released. If the amount reserved and encumbered for the county's 15739
or counties' project is released, the county or counties shall be 15740

given first priority for project funding as the funds become 15741
available. 15742

Sec. 342.06. If the requisite favorable vote on an election 15743
described in section 5705.234 of the Revised Code is obtained or 15744
the county's or counties' share of the basic project cost is 15745
otherwise met in accordance with section 342.04 of the Revised 15746
Code, the Ohio facilities construction commission shall enter into 15747
a written agreement with the board of county commissioners, or 15748
with the multicounty jail facilities commission in the case of a 15749
multicounty jail facilities project undertaken pursuant to section 15750
342.12 of the Revised Code, for the construction of the project. 15751
The agreement shall include at least the following provisions: 15752

(A) The sale and issuance of bonds or notes in anticipation 15753
thereof, as soon as practicable after the execution of the 15754
agreement, in an amount equal to the county's portion of the basic 15755
project cost, dedicated by the board of county commissioners to 15756
payment of the county's portion of the basic project cost of the 15757
project; provided, that if at that time the county treasurer of 15758
each county in which the facility is located has not commenced the 15759
collection of taxes for the year in which the controlling board 15760
approved the project, the board or boards of county commissioners 15761
shall authorize the issuance of a first installment of bond 15762
anticipation notes in an amount specified by the agreement. If a 15763
first installment of bond anticipation notes is issued, the board 15764
or boards of county commissioners shall, as soon as practicable 15765
after the county treasurer of each county in which the facilities 15766
are located has commenced the collection of taxes on the general 15767
duplicate of real and public utility property for the year in 15768
which the controlling board approved the project, authorize the 15769
issuance of a second and final installment of bond anticipation 15770
notes or a first and final issue of bonds. 15771

The combined value of the first and second installment of 15772
bond anticipation notes or the value of the first and final issue 15773
of bonds shall be equal to the county's portion of the basic 15774
project cost. The proceeds of any of these bonds shall be used 15775
first to retire any bond anticipation notes. Otherwise, the 15776
proceeds of any of these bonds and of any bond anticipation notes, 15777
except the premium and accrued interest thereon, shall be 15778
deposited in the county's project construction fund. In 15779
determining the amount of net bonded indebtedness for the purpose 15780
of fixing the amount of an issue of either bonds or bond 15781
anticipation notes, gross indebtedness shall be reduced by moneys 15782
in the bond retirement fund only to the extent of the moneys 15783
therein on the first day of the year preceding the year in which 15784
the controlling board approved the project. The maximum amount of 15785
indebtedness to be incurred by any board of county commissioners 15786
as its share of the cost of the project is either an amount that 15787
will cause its net bonded indebtedness, as of the first day of the 15788
year following the year in which the controlling board approved 15789
the project, to be within five thousand dollars of the required 15790
level of indebtedness, or an amount equal to the required 15791
percentage of the basic project costs, whichever is greater. All 15792
bonds and bond anticipation notes shall be issued in accordance 15793
with Chapter 133. of the Revised Code, and notes may be renewed as 15794
provided in section 133.22 of the Revised Code. 15795

(B) The transfer of the funds of the board of county 15796
commissioners available for the project, together with the 15797
proceeds of the sale of the bonds or notes, except premium, 15798
accrued interest, and interest included in the amount of the 15799
issue, to the county's project construction fund; 15800

(C) Dedication of any local donated contribution as provided 15801
for under section 342.07 of the Revised Code; 15802

(D) Ownership of or interest in the project during the period 15803

of construction, which shall be divided between the Ohio 15804
facilities construction commission and the board or boards of 15805
county commissioners in proportion to their respective 15806
contributions to the county's or counties' project construction 15807
fund; 15808

(E) Maintenance of the state's interest in the project until 15809
any obligations issued for the project under this chapter are no 15810
longer outstanding; 15811

(F) The insurance of the project by the county or counties 15812
from the time there is an insurable interest therein and so long 15813
as the state retains any ownership or interest in the project 15814
pursuant to division (D) of this section, in amounts and against 15815
risks as the Ohio facilities construction commission shall 15816
require; provided, that the cost of any required insurance until 15817
the project is completed shall be a part of the basic project 15818
cost; 15819

(G) The certification by the director of budget and 15820
management that funds are available and have been set aside to 15821
meet the state's share of the basic project cost as approved by 15822
the controlling board pursuant to section 342.05 of the Revised 15823
Code; 15824

(H) Authorization of the board of county commissioners or the 15825
multicounty jail facility commission to advertise for and receive 15826
construction bids for the project, for and on behalf of the Ohio 15827
facilities construction commission, and to award contracts in the 15828
name of the state subject to approval by the commission; 15829

(I) Provisions for the disbursement of moneys from the 15830
county's project account upon issuance by the Ohio facilities 15831
construction commission or the commission's designated 15832
representative of vouchers for work done to be certified to the 15833
commission by the county auditor of each participating county; 15834

<u>(J) Disposal of any balance left in the county's project construction fund upon completion of the project;</u>	15835
	15836
<u>(K) Provision for deposit of an executed copy of the agreement in the office of the commission;</u>	15837
	15838
<u>(L) Provision for termination of the contract and release of the funds encumbered at the time of the conditional approval, if the proceeds of the sale of the bonds of the board of county commissioners are not paid into the county's project construction fund and if bids for the construction of the project have not been taken within this period after the execution of the agreement as may be fixed by the Ohio facilities construction commission;</u>	15839
	15840
	15841
	15842
	15843
	15844

<u>(M) A requirement that the county or counties maintain the project in accordance with a facilities maintenance plan approved by the Ohio facilities construction commission;</u>	15846
	15847
	15848
<u>(N) Provision that all state funds reserved and encumbered to pay the state share of the cost of the project and the funds provided by the county or counties to pay for its share of the project cost be spent on the construction and acquisition of the project simultaneously in proportion to the state's and each county's respective shares of that basic project cost as determined under section 342.04 or section 342.12 of the Revised Code, as applicable. However, if a board of county commissioners certifies to the commission that expenditure by the county is necessary to maintain the federal tax status or tax-exempt status of notes or bonds issued by the county to pay for its share of the project cost or to comply with applicable temporary investment periods or spending exceptions to rebate as provided for under federal law in regard to those notes or bonds, the board may commit to spend, or may spend, a greater portion of the funds it provides during any specific period than otherwise would be required under this division.</u>	15849

Sec. 342.07. (A) As used in this section, "local donated contribution" means any of the following: 15880
15881

(1) Any moneys irrevocably donated or granted to a board of county commissioners or multicounty jail facility commission by a source other than the state that the board or multicounty jail facility commission has the authority to apply to the project under this chapter and that the board or multicounty jail facility commission has pledged for that purpose by resolution adopted by a majority of its members; 15882
15883
15884
15885
15886
15887
15888

(2) Any irrevocable letter of credit issued on behalf of a county that the board has encumbered for payment of the county's share of its project under this chapter that has been approved by the Ohio facilities construction commission; 15889
15890
15891
15892

(3) Any cash a county has on hand that the board has encumbered for payment of the county's share of its project under this chapter that has been approved by the Ohio facilities construction commission, including any year-end operating fund 15893
15894
15895
15896

balances that can be spent for jail facilities; 15897

(4) Any moneys spent by a source other than the county or the 15898
state for construction or renovation of specific jail facilities 15899
that have been approved by the Ohio facilities construction 15900
commission as part of the basic project cost of the county's 15901
project. The board, the commission, and the entity providing the 15902
local donated contribution under division (A)(4) of this section 15903
shall enter into an agreement identifying the jail facilities to 15904
be acquired by the expenditures made by that entity. The agreement 15905
shall include stipulations that require an audit by the Ohio 15906
facilities construction commission of these expenditures made on 15907
behalf of the county or multicounty jail facility commission and 15908
that specify the maximum amount of credit to be allowed for those 15909
expenditures. Upon completion of the construction or renovation, 15910
the Ohio facilities construction commission shall determine the 15911
actual amount that the commission will credit, at the request of 15912
the board or multicounty jail facility commission, toward the 15913
county's or counties' portion of the basic project cost, or any 15914
project cost overruns. The actual amount of the credit shall not 15915
exceed the lesser of the amount specified in the agreement or the 15916
actual cost of the construction or renovation. 15917

(B) A board of county commissioners or multicounty jail 15918
facility commission may apply a local donated contribution to the 15919
county's or counties' share of the basic project cost or use the 15920
contribution for maintenance and operation of the jail facility or 15921
facilities that are constructed, acquired, reconstructed, or 15922
expanded by the project. 15923

(C) If the county is required to issue bonds or levy tax 15924
under section 5705.234 of the Revised Code as a condition of 15925
receiving assistance under this chapter, the board of county 15926
commissioners may, with the approval of the Ohio facilities 15927
construction commission, reduce the principal amount of bonds 15928

issued or the rate of the tax levied under that section by an 15929
amount commensurate with the local donated contributions applied 15930
to the same purposes. The commission shall not approve a board of 15931
county commissioners' proposal to reduce the amount of bonds 15932
issued or the rate of a tax levied under section 5705.234 of the 15933
Revised Code unless the board demonstrates to the satisfaction of 15934
the commission that the revenue generated under the proposal, when 15935
supplemented by the local donated contributions, is sufficient to 15936
pay the county's share of the basic project cost and provide for 15937
operation and maintenance of the jail facility or facilities. 15938

(D) Except as provided in division (E) of this section, no 15939
state moneys shall be released for a project to which this section 15940
applies until both of the following have occurred: 15941

(1) Any local donated contribution authorized under this 15942
section is first deposited into the county's project construction 15943
fund. 15944

(2) The board or multicounty jail facility commission and the 15945
commission have included a stipulation in their agreement entered 15946
into under section 342.06 of the Revised Code under which the 15947
board or multicounty jail facility commission will deposit into a 15948
fund approved by the commission according to a schedule that does 15949
not extend beyond the anticipated completion date of the project 15950
the total amount of any local donated contribution dedicated by 15951
the board or multicounty jail facility commission for that 15952
purpose. 15953

(E) If any local donated contribution described in division 15954
(A)(4) of this section has been approved under this section, the 15955
state moneys may be released even if the entity providing the 15956
local donated contribution has not spent the moneys so dedicated 15957
as long as the agreement required under that division has been 15958
executed. 15959

Sec. 342.08. (A) Promptly after the board of county commissioners, or the multicounty jail facilities commission, and the Ohio facilities construction commission have entered into the written agreement, the board or boards of county commissioners shall issue its bonds or notes in anticipation of the agreement pursuant to the provision of the agreement required by division (A) of section 342.06 of the Revised Code, or required by section 342.12 of the Revised Code in the case of an agreement between boards of county commissioners for a multicounty jail facilities project, and deposit the proceeds of the agreement in the county's project construction fund pursuant to the provision of the agreement required by division (B) of section 342.06 of the Revised Code. The board of county commissioners or the multicounty jail facilities commission, with the approval of the Ohio facilities construction commission, also shall employ a qualified professional person to prepare preliminary plans, working drawings, specifications, estimates of cost, and such data as the board of county commissioners, or the multicounty jail facilities commission, and the Ohio facilities construction commission consider necessary for the project. When the preliminary plans and preliminary estimates of cost have been prepared, and approved by the board of county commissioners, or the multicounty jail facility commission, if applicable, the plans shall be submitted to the Ohio facilities construction commission and the department of rehabilitation and correction for approval, modification, or rejection. The Ohio facilities construction commission shall consult with the department to ensure that the plans and materials proposed for use in the project comply with specifications for plans and materials that shall be established by the commission in accordance with division (C) of section 342.02 of the Revised Code. When these preliminary plans and preliminary estimates of cost and any modifications thereof have been approved by the

(B) Whenever project plans submitted to the commission for 15997
approval under division (A) of this section propose to locate a 15998
facility on a state route or United States highway or within one 15999
mile of a state route or United States highway, the commission 16000
shall send a copy of the plans to the director of transportation. 16001
The director shall review the plans to determine the feasibility 16002
of the proposed ingress and egress to the facility, the traffic 16003

commission shall consider the findings in deciding whether to 16010

Sec. 342.09. When the working drawings, specifications, and 16012
estimates of cost have been approved by the board of county 16013
commissioners, or the multicounty jail facilities commission if 16014
applicable, and the Ohio facilities construction commission 16015
pursuant to section 342.08 of the Revised Code, or section 342.12 16016
of the Revised Code if applicable, the board of county 16017
commissioners or the multicounty jail facilities commission shall 16018
advertise for construction bids in accordance with section 307.86 16019
of the Revised Code. These notices shall state that plans and 16020
specifications for the project are on file in the office of the 16021
Ohio facilities construction commission, at the office of the 16022
department of rehabilitation and correction, and other places as 16023

may be designated in the notice, and the time and place when and
where bids will be received. 16024

may be permitted to bid on all or any of the branches of work and
materials to be furnished and supplied. 16026

16028
16029

When the construction bids for all branches of work and
materials have been tabulated, the commission shall prepare a
revised estimate of the basic project cost based upon the lowest
responsive and responsible bids received. If the revised estimate
exceeds the estimated basic project cost as approved by the
controlling board pursuant to section 342.05 of the Revised Code,
no contracts may be entered into pursuant to this section unless
this revised estimate is approved by the commission and by the
controlling board. When this revised estimate has been prepared,
and after approvals are given, if necessary, and if the board or
boards of county commissioners have caused to be transferred to
the project construction fund the proceeds from the sale of the
first or first and final installment of its bonds or bond
anticipation notes pursuant to the provision of the written
agreement required by section 342.06 of the Revised Code, and
section 342.12 of the Revised Code, and when the director of
budget and management has certified that there is a balance in the
appropriation, not otherwise obligated to pay precedent
obligations, pursuant to which the state's share of this revised
estimate is required to be paid, the contract for all branches of
work and materials to be furnished and supplied, or for any branch
thereof as determined by the board of county commissioners or the
multicounty jail facilities commission, shall be awarded by the

Subject to the approval of the Ohio facilities construction 16060
commission, the board of county commissioners or multicounty jail 16061
facilities commission may reject all bids and readvertise. Any 16062
contract made under this section shall be made in the name of the 16063
state and executed on its behalf by the president of the board of 16064
county commissioners and the county auditor of each participating 16065
county. 16066

The provisions of sections 9.312 and 307.86 of the Revised 16067
Code which are applicable to construction contracts shall apply to 16068
construction contracts for the project. 16069

The remedies afforded to any subcontractor, materials 16070
supplier, laborer, mechanic, or persons furnishing material or 16071
machinery for the project under sections 1311.26 to 1311.32 of the 16072
Revised Code, shall apply to contracts entered into under this 16073
section and the itemized statement required by section 1311.26 of 16074
the Revised Code shall be filed with the board of county 16075
commissioners or the multicounty jail facilities commission if 16076
applicable. 16077

Notwithstanding the requirements of this section, a county or 16078
multicounty jail facility commission, with the approval of the 16079
commission, may utilize any otherwise lawful alternative 16080
construction delivery method for the construction of the project. 16081

Sec. 342.10. For any project undertaken with financial 16082
assistance from the state under this chapter, the amount of state 16083
appropriations to be encumbered for the project in each fiscal 16084
year shall be determined by the Ohio facilities construction 16085
commission based on the project's estimated construction schedule 16086

for that year. In each fiscal year subsequent to the first year in 16087
which state appropriations are encumbered for the project, the 16088
commission shall grant the project priority for state funds over 16089
projects for which initial state funding is sought. 16090

Sec. 342.11. (A) The Ohio facilities construction commission 16091
shall request that the controlling board transfer to the county's 16092
or counties' project construction fund the necessary amounts from 16093
amounts appropriated by the general assembly and set aside for 16094
this purpose, from time to time as may be necessary to pay 16095
obligations chargeable to the fund when due. All investment 16096
earnings of a county's project construction fund shall be credited 16097
to the fund. 16098

(B)(1) The county auditor shall disburse funds from the 16099
county's project construction fund, including investment earnings 16100
credited to the fund, only upon the approval of the commission or 16101
the commission's designated representative. The commission or the 16102
commission's designated representative shall issue vouchers 16103
against the fund, in amounts and at times as required by the 16104
contracts for construction of the project. 16105

(2) Notwithstanding anything to the contrary in division 16106
(B)(1) of this section, the board of county commissioners may, by 16107
a duly adopted resolution, choose to use all or part of the 16108
investment earnings of the county's project construction fund that 16109
are attributable to the county's contribution to the fund to pay 16110
the cost of jail facilities or portions or components of jail 16111
facilities that are not included in the county's basic project 16112
cost but that are related to the county's project. If the board of 16113
county commissioners adopts a resolution in favor of using those 16114
investment earnings as authorized under division (B)(2) of this 16115
section, the county auditor shall disburse the amount as 16116
designated and directed by the board. However, if the board 16117

chooses to use any part of the investment earnings for jail facilities or portions or components of jail facilities that are not included in the basic project cost, as authorized under division (B)(2) of this section, and, subsequently, the cost of the project exceeds the amount in the project construction fund, the board shall restore to the project construction fund the full amount of the investment earnings used under division (B)(2) of this section before any additional state moneys shall be released for the project. 16118

(C) After a certificate of completion has been issued for a project under section 342.15 of the Revised Code, all of the following apply: 16127
16128
16129

(1) At the discretion of the board of county commissioners, any investment earnings remaining in the project construction fund that are attributable to the county's contribution to the fund shall be: 16130
16131
16132
16133

(a) Retained in the project construction fund for future projects; 16134
16135

(b) Transferred to a special fund of the county treasury to be used solely for maintaining the jail facilities included in the project; or 16136
16137
16138

(c) Transferred to the county's permanent improvement fund. 16139

(2) Any investment earnings remaining in the project construction fund that are attributable to the state's contribution to the fund shall be transferred to the Ohio facilities construction commission for expenditure pursuant to this chapter. 16140
16141
16142
16143
16144

(3) Any other surplus remaining in the county's project construction fund shall be transferred to the commission and the board of county commissioners in proportion to their respective contributions to the fund. The commission shall use the money 16145

16148

transferred to it under this division for expenditures pursuant to 16149
this chapter. 16150

Sec. 342.12. (A) Two or more boards of county commissioners 16151
under this chapter may, by agreement, build a multicounty jail 16152
facility. The terms of this agreement may be added to an agreement 16153
under section 342.06 of the Revised Code, or may be made a 16154
supplemental agreement. The boards of county commissioners of each 16155
county may, at their discretion, form a multicounty jail 16156
facilities commission to carry out the tasks of this section. The 16157
commission, if formed, shall administer the agreement. 16158

(B) The contracting counties may agree to apportion their 16159
share of the cost according to their need as ranked by the 16160
department of taxation under section 342.02 of the Revised Code. 16161
Each county shall fund its portion of the cost as otherwise 16162
provided in this chapter. If the electors of one of the counties 16163
fail to approve the tax levy or the issuance of bonds necessary to 16164
fund the county's portion of the cost under section 5705.234 of 16165
the Revised Code within ninety days of the most recent election in 16166
which the electors of a contracting county have approved the tax 16167
levy or issuance of bonds, the other contracting counties are not 16168
obliged to pay any portion of the cost of the county in which the 16169
levy or issuance was not approved. 16170

(C) An agreement under division (A) of this section shall do 16171
all of the following: 16172

(1) Prescribe the structure, management, and responsibilities 16173
of the multicounty jail facilities commission; 16174

(2) Provide for a process to establish the annual budget for 16175
the commission that includes a requirement that the annual budget 16176
be approved by all of the boards of county commissioners of the 16177
member counties; 16178

<u>(3) Apportion the annual operating costs of the commission to each member county;</u>	16179
	16180
<u>(4) Designate the expenditure of funds from the county jail facilities construction fund of each member county;</u>	16181

	16184

<u>(6) Provide that each contracting board of county commissioners fulfill its obligations under this chapter once an agreement is reached;</u>	16187

<u>Sec. 342.14. The Ohio facilities construction commission</u>	16207

shall have an interest in real property purchased with moneys in 16208
the county's project construction fund. 16209

Once obligations issued to finance a project under this 16210
chapter are no longer outstanding, any interest held by the 16211
commission shall be transferred to the county or multicounty jail 16212
facility commission, in the latter case to be allocated to the 16213
member counties according to the terms of the agreement under 16214
section 342.12 of the Revised Code. 16215

Sec. 342.15. (A) When all of the following have occurred, a 16216
project undertaken under this chapter shall be considered complete 16217
and the Ohio facilities construction commission shall issue a 16218
certificate of completion to the board of county commissioners, or 16219
to a multicounty jail facilities commission if applicable: 16220

(1) All facilities to be constructed under the project, as 16221
specified in the project agreement entered into under section 16222
342.06 of the Revised Code, have been completed in compliance with 16223
the standards described in division (C) of section 342.02 of the 16224
Revised Code, and the board has received a permanent certificate 16225
of occupancy for each of those facilities. 16226

(2) The Ohio facilities construction commission has completed 16227
a final accounting of the project construction fund of each 16228
participating county and has determined that all payments from the 16229
fund or funds were made in compliance with all policies of the 16230
commission. 16231

(3) Any litigation concerning the project has been finally 16232
resolved with no chance of appeal. 16233

(4) All construction management services typically provided 16234
by the commission to counties have been delivered and the 16235
commission has canceled any remaining encumbrance of funds for 16236
those services. 16237

(B) The Ohio facilities construction commission may issue a certificate of completion to a board of county commissioners, or to a multicounty jail facilities commission if applicable, before all of the conditions described in division (A) of this section being satisfied, if the commission determines that the circumstances preventing the conditions from being satisfied are so minor in nature that the project should be considered complete. When issuing a certificate of completion under this division, the commission may specify any of the following:

(1) Any construction or work that has yet to be completed and the manner in which the board or multicounty jail facilities commission shall oversee its completion, which may include procedures for reporting progress to the Ohio facilities construction commission and for accounting of expenditures;

(2) Terms and conditions for the resolution of any pending litigation;

(3) Any remaining responsibilities of the construction manager regarding the project.

(C) The Ohio facilities construction commission may issue a certificate of completion to a board of county commissioners or multicounty jail facilities commission that does not voluntarily participate in the process of closing out the county's project, if the construction manager for the project verifies that all facilities to be constructed under the project, as specified in the project agreement entered into under section 342.06 of the Revised Code, have been completed and the Ohio facilities construction commission determines that those facilities have been occupied for at least one year. In that case, all funds due to the commission under division (C) of section 342.11 of the Revised Code shall be returned to the commission not later than thirty days after receipt of the certificate of completion. If the funds due to the commission have not been returned within sixty days

after receipt of the certificate of completion, the auditor of 16270
state shall issue a finding for recovery against the county or 16271
counties and shall request legal action under section 117.42 of 16272
the Revised Code. 16273

(D) Upon issuance of a certificate of completion under this 16274
section, the Ohio facilities construction commission's ownership 16275
of and interest in the project, as specified in division (D) of 16276
section 342.06 of the Revised Code, shall cease. This cessation 16277
shall not alter or otherwise affect the state's or the 16278
commission's interest in the project or any limitations on the use 16279
of the project as specified in the project agreement pursuant to 16280
divisions (E) and (J) of that section or as specified in section 16281
342.14 of the Revised Code. 16282

Sec. 342.16. (A) The corrective action program is established 16283
to provide funding for the correction of work, in connection with 16284
a project funded under this chapter, that is found after occupancy 16285
of the facility to be defective or to have been omitted. 16286

(B) The Ohio facilities construction commission may provide 16287
funding under this section only if at least one contracting county 16288
notifies the executive director of the commission of the defective 16289
or omitted work within five years after occupancy of the facility 16290
for which the county seeks the funding. 16291

(C) The commission shall establish procedures and deadlines 16292
for counties to follow in applying for assistance under this 16293
section. The procedures shall include definitions of "defective" 16294
and "omitted," and shall require that remediation efforts focus 16295
first on engaging the respective contractors that designed and 16296
constructed the areas that have design or construction-related 16297
issues. The commission shall consider applications on a 16298
case-by-case basis, taking into account the amount of money 16299
appropriated and available for purposes of this section. 16300

(D) The commission may provide funding assistance necessary to take corrective measures after evaluating the defective or omitted work. 16301
16302
16303

(1) If the work to be corrected or remediated is part of a project not yet completed, the commission may amend the project agreement to increase the project budget and use corrective action funding to provide the state portion of the amendment. If the work to be corrected or remediated is part of a completed project and funds were retained or transferred pursuant to division (C) of section 342.11 of the Revised Code, the commission may enter into a new agreement to address the corrective action. 16304
16305
16306
16307
16308
16309
16310
16311

(2) Whether or not the project is completed, the county or counties shall contribute a portion of the cost of the corrective action, to be determined in accordance with section 342.04 of the Revised Code. 16312
16313
16314
16315

(E) The commission shall assess responsibility for the defective or omitted work and seek cost recovery from responsible parties, if applicable. Any recovery of the expense of remediation shall be applied first to the county's or counties' portion of the cost of the corrective action. Any remaining funds shall be applied to the state portion. 16316

16326
16327
16328
16329

(B) "New community development program" means a program for 16330

the development of a new community characterized by well-balanced 16331
and diversified land use patterns and which includes land 16332
acquisition and land development, the acquisition, construction, 16333
operation, and maintenance of community facilities, and the 16334
provision of services authorized in this chapter. 16335

A new community development program may take into account any 16336
existing community in relation to which a new community is 16337
developed for purposes of being characterized by well-balanced and 16338
diversified land use patterns. 16339

with the clerk of the acting organizational board of 16639
commissioners, and neither the developer ~~does not object nor, if~~ 16640

the original petition was filed objects to the addition of such 16642
territory by filing a written objection ~~to the addition of such~~ 16643

commissioners before the adoption of the resolution adding such 16645

territory to the district. The acting organizational board of 16646
commissioners shall follow the same procedure as required by this 16647
section in relation to the original petition for the establishment 16648
of the proposed new community when adopting such a resolution. 16649

(C) If all or any part of the new community district is 16650

such trustees to be replaced by the municipal corporation shall be 16654
the number, rounded to the lowest integer, bearing the 16655
proportionate relationship to the number of existing appointed 16656
citizen members as the acreage of the new community district 16657
within such municipal corporation bears to the total acreage of 16658
the new community district. If any such municipal corporation 16659
chooses to replace an appointed citizen member, it shall do so by 16660
ordinance, the term of the trustee being replaced shall terminate 16661
thirty days from the date of passage of such ordinance, and the 16662
trustee to be replaced shall be determined by lot. Each newly 16663
appointed member shall assume the term of the member's 16664
predecessor. 16665

Sec. 349.04. The following method of selecting a board of 16666

provided in section 349.03 of the Revised Code, an initial board 16669
of trustees shall be appointed as follows: the organizational 16670

a representative of local government, and the developer shall 16675
appoint a number of members equal to the number of citizen members 16676
to serve as representatives of the developer. 16677

Members shall serve two-year overlapping terms, with two of 16678
each of the initial citizen and developer members appointed to 16679
serve initial one-year terms. The organizational board of 16680
commissioners shall adopt, by further resolution adopted within 16681
one year of such resolution establishing such initial board of 16682
trustees, a method for selection of successor members thereof 16683
which determines the projected total population of the projected 16684
new community and meets the following criteria: 16685

(A) The appointed citizen members shall be replaced by 16686
elected citizen members according to a schedule established by the 16687
organizational board of commissioners calculated to achieve one 16688
such replacement each time the new community district gains a 16689
proportion, having a numerator of one and a denominator of twice 16690
the number of citizen members, of its projected total population 16691
until such time as all of the appointed citizen members are 16692
replaced. 16693

(B) Representatives of the developer shall be replaced by 16694
elected citizen members according to a schedule established by the 16695
organizational board of commissioners calculated to achieve one 16696
such replacement each time the new community district gains a 16697
proportion, having a numerator of one and a denominator equal to 16698
the number of developer members, of its projected total population 16699
until such time as all of the developer's representatives are 16700
replaced. 16701

(C) The representative of local government shall be replaced 16702
by an elected citizen member at the time the new community 16703
district gains three-quarters of its projected total population. 16704

Elected citizen members of the board of trustees shall be 16705
elected by a majority of the residents of the new community 16706
district voting at elections held at the times and in the manner 16707
provided in a resolution of the organizational board of 16708
commissioners. Each citizen member except an appointed citizen 16709

member shall be a qualified elector who resides within the new 16710
community district. The organizational board of commissioners, by 16711
resolution, may adopt an alternative method of selecting or 16712
electing successor members of the board of trustees provided that 16713
if an alternative method of selection is adopted for a new 16714
community authority organized prior to March 22, 2012, the board 16715
of trustees of that authority shall be limited in the collection 16716
of a community development charge, collected pursuant to division 16717
(Q) of section 349.06 of the Revised Code, and the issuance of 16718
bonds or notes, issued pursuant to section 349.08 of the Revised 16719
Code, to the amount or to the extent otherwise permitted for a 16720
board of trustees whose members are not elected by residents of 16721
the new community district. If the alternative method provides for 16722
the election of citizen members, the elections may be held at the 16723
times and in the manner provided in the petition or in a 16724
resolution of the organizational board of commissioners, and the 16725
elected citizen members shall be qualified electors who reside in 16726
the new community district. 16727

Citizen members shall not be employees of or have financial 16728
interest in the developer. If a vacancy occurs in the office of a 16729
member other than a member appointed by the developer, the 16730
organizational board of commissioners may appoint a successor 16731
member for the remainder of the unexpired term. Any appointed 16732
member of the board of trustees may at any time be removed by the 16733
organizational board of commissioners for misfeasance, 16734
nonfeasance, or malfeasance in office. Members appointed by the 16735
developer may also at any time be removed by the developer without 16736
a showing of cause. 16737

Each member of the board of trustees, before entering upon 16738
official duties, shall take and subscribe to an oath before an 16739
officer authorized to administer oaths in Ohio that the member 16740
will honestly and faithfully perform the duties of the member's 16741

office. Such oath shall be filed in the office of the clerk of the 16742
organizational board of commissioners ~~with which the petition was~~ 16743
~~filed~~. Upon taking the oath, the board of trustees shall elect one 16744
of its number as chairperson and another as vice-chairperson, and 16745

not be members of the board. The treasurer shall be the fiscal 16747
officer of the authority. The board shall adopt by-laws governing 16748
the administration of the affairs of the new community authority. 16749
Each member of the board shall post a bond for the faithful 16750
performance of official duties and give surety therefor in such 16751
amount, but not less than ten thousand dollars, as the resolution 16752
creating such board shall prescribe. 16753

All of the powers of the new community authority shall be 16754
exercised by its board of trustees, but without relief of such 16755
responsibility, such powers may be delegated to committees of the 16756
board or its officers and employees in accordance with its 16757
by-laws. A majority of the board shall constitute a quorum, and a 16758
concurrence of a majority of a quorum in any matter within the 16759
board's duties is sufficient for its determination, provided a 16760
quorum is present when such concurrence is had and a majority of 16761
those members constituting such quorum are trustees not appointed 16762
by the developer. All trustees shall be empowered to vote on all 16763
matters within the authority of the board of trustees, and no vote 16764
by a member appointed by the developer shall be construed to give 16765
rise to civil or criminal liability for conflict of interest on 16766
the part of public officials. 16767

Sec. 349.14. Except as provided in section 349.03 of the 16768
Revised Code, or as otherwise provided in a resolution adopted by 16769
the organizational board of commissioners of a new community 16770
authority, a new community authority organized under this chapter 16771
may be dissolved only on the vote of a majority of the voters of 16772
the new community district at a special election called by the 16773

board of trustees on the question of dissolution. Such an election 16774
may be called only after the board has determined that the new 16775
community development program has been completed, when no 16776
community authority bonds or notes are outstanding, and other 16777
legal indebtedness of the authority has been discharged or 16778
provided for, and only after there has been filed with the board 16779
of trustees a petition requesting such election, signed by a 16780
number of qualified electors residing in the new community 16781
district equal to not less than eight per cent of the total vote 16782
cast for all candidates for governor in the new community district 16783
at the most recent general election at which a governor was 16784
elected. If a majority of the votes cast favor dissolution, the 16785
board of trustees shall, by resolution, declare the authority 16786
dissolved and thereupon the community authority shall be 16787
dissolved. A certified copy of the resolution shall, within 16788
fifteen days after its adoption, be filed with the clerk of the 16789
organizational board of commissioners ~~of the county~~ with which the 16790
original petition for the organization of the new community 16791
authority was filed and with the clerk of any other organizational 16792
board of commissioners where territory of the new community 16793
district was located. 16794

Upon dissolution of a new community authority, the powers 16795
thereof shall cease to exist. Any property of the new community 16796
authority shall vest with a municipal corporation, county, or 16797
township in which that property is located or with the developer 16798
of the new community authority or the developer's designee, all as 16799
provided in a resolution adopted by the organizational board of 16800
commissioners. Any vesting of property in a municipal corporation, 16801
township, or county shall be subject to acceptance of the property 16802
by resolution of the legislative authority of the municipal 16803
corporation, board of township trustees, or board of county 16804
commissioners, as applicable. If the legislative authority of a 16805
municipal corporation, board of township trustees, or board of 16806

county commissioners declines to accept the property, the property 16807
vests with the developer or the developer's designee. Any funds of 16808
the community authority at the time of dissolution shall be 16809
transferred to the municipal corporation and county or township, 16810
as provided in a resolution, in which the new community district 16811
is located in the proportion to the assessed valuation of taxable 16812
real property of the new community authority within such municipal 16813
corporation and township or county as said valuation appears on 16814
the current assessment rolls. 16815

Sec. 503.59. A board of township trustees that has entered 16816
into an agreement with the Ohio air quality development authority 16817
under section 3706.051 of the Revised Code may levy, in accordance 16818
with that agreement, a special assessment upon real property 16819
located in the township specially benefited by an air quality 16820
facility that is the subject of that agreement. 16821

An assessment levied under this section shall be made in any 16822
manner authorized under section 727.01 of the Revised Code and, 16823
except as otherwise provided in this section, in accordance with 16824
the procedures prescribed for special assessments levied by 16825
municipal corporations under Chapter 727. of the Revised Code, 16826
except that where that chapter refers to a municipal corporation, 16827
it shall be deemed to refer to the township and where that chapter 16828
refers to the legislative authority of a municipal corporation, it 16829
shall be deemed to refer to the board of township trustees. All 16830
rights and privileges of an owner of property subject to an 16831
assessment levied under that chapter shall apply to the owner of 16832
property assessed under this section. 16833

No special assessment may be levied under this section unless 16834
the owner of the property to be assessed files a written statement 16835
with the board of township trustees requesting that the assessment 16836
be levied. 16837

Sec. 505.08. After adopting by a unanimous vote a resolution 16838
declaring a real and present emergency in connection with the 16839
administration of township services or the execution of duties 16840
assigned by law to any officer of a township, the board of 16841
township trustees may, by resolution, enter into a contract, 16842
without bidding or advertising, for the purchase of services, 16843
materials, equipment, or supplies needed to meet the emergency if 16844
the estimated cost of the contract is less than ~~fifty thousand~~ 16845
~~dollars~~ the amount specified in section 9.17 of the Revised Code. 16846

During the period of the emergency declared by Executive 16847
Order 2020-01D, issued on March 9, 2020, the board of township 16848
trustees may, by resolution, enter into a contract, without 16849
bidding or advertising, for the purchase of personal protective 16850
equipment needed to meet the emergency, regardless of the 16851
estimated cost of the contract. 16852

"Personal protective equipment" means equipment worn to 16853
minimize exposure to hazards that cause workplace injuries and 16854
illnesses. 16855

Sec. 505.37. (A) The board of township trustees may establish 16856
all necessary rules to guard against the occurrence of fires and 16857
to protect the property and lives of the citizens against damage 16858
and accidents, and may, with the approval of the specifications by 16859
the prosecuting attorney or, if the township has adopted limited 16860
home rule government under Chapter 504. of the Revised Code, with 16861
the approval of the specifications by the township's law director, 16862
purchase, lease, lease with an option to purchase, or otherwise 16863
provide any fire apparatus, mechanical resuscitators, underwater 16864
rescue and recovery equipment, or other fire equipment, 16865
appliances, materials, fire hydrants, and water supply for 16866
fire-fighting and fire and rescue purposes that seems advisable to 16867
the board. The board shall provide for the care and maintenance of 16868

such fire equipment, and, for these purposes, may purchase, lease, 16869
lease with an option to purchase, or construct and maintain 16870
necessary buildings, and it may establish and maintain lines of 16871
fire-alarm communications within the limits of the township. The 16872
board may employ one or more persons to maintain and operate such 16873
fire equipment, or it may enter into an agreement with a volunteer 16874
fire company for the use and operation of the equipment. The board 16875
may compensate the members of a volunteer fire company on any 16876
basis and in any amount that it considers equitable. 16877

16878

When the estimated cost to purchase fire apparatus, 16879
mechanical resuscitators, underwater rescue and recovery 16880
equipment, or other fire equipment, appliances, materials, fire 16881
hydrants, buildings, or fire-alarm communications equipment or 16882
services exceeds ~~fifty thousand dollars~~ the amount specified in 16883
section 9.17 of the Revised Code, the contract shall be let by 16884
competitive bidding. No purchase or other transaction subject to 16885
this section shall be divided into component parts in order to 16886
avoid the requirements of this section. When competitive bidding 16887
is required, the board shall advertise once a week for not less 16888
than two consecutive weeks in a newspaper of general circulation 16889
within the township. The board may also cause notice to be 16890
inserted in trade papers or other publications designated by it or 16891
to be distributed by electronic means, including posting the 16892
notice on the board's internet web site. If the board posts the 16893
notice on its web site, it may eliminate the second notice 16894
otherwise required to be published in a newspaper of general 16895
circulation within the township, provided that the first notice 16896
published in such newspaper meets all of the following 16897
requirements: 16898

(1) It is published at least two weeks before the opening of 16899
bids. 16900

(2) It includes a statement that the notice is posted on the board's internet web site. 16901
16902

(3) It includes the internet address of the board's internet web site. 16903
16904

(4) It includes instructions describing how the notice may be accessed on the board's internet web site. 16905
16906

The advertisement shall include the time, date, and place where the clerk of the township, or the clerk's designee, will read bids publicly. The time, date, and place of bid openings may be extended to a later date by the board of township trustees, provided that written or oral notice of the change shall be given to all persons who have received or requested specifications not later than ninety-six hours prior to the original time and date fixed for the opening. The board may reject all the bids or accept the lowest and best bid, provided that the successful bidder meets the requirements of section 153.54 of the Revised Code when the contract is for the construction, demolition, alteration, repair, or reconstruction of an improvement. 16907

16918

(B) The boards of township trustees of any two or more townships, or the legislative authorities of any two or more political subdivisions, or any combination of these, may, through joint action, unite in the joint purchase, lease, lease with an option to purchase, maintenance, use, and operation of fire equipment described in division (A) of this section, or for any other purpose designated in sections 505.37 to 505.42 of the Revised Code, and may prorate the expense of the joint action on any terms that are mutually agreed upon. 16919
16920
16921
16922
16923
16924
16925
16926
16927

(C) The board of township trustees of any township may, by resolution, whenever it is expedient and necessary to guard against the occurrence of fires or to protect the property and lives of the citizens against damages resulting from their 16928
16929
16930
16931

occurrence, create a fire district of any portions of the township 16932
that it considers necessary. The board may purchase, lease, lease 16933
with an option to purchase, or otherwise provide any fire 16934
apparatus, mechanical resuscitators, underwater rescue and 16935
recovery equipment, or other fire equipment, appliances, 16936
materials, fire hydrants, and water supply for fire-fighting and 16937
fire and rescue purposes, or may contract for the fire protection 16938
for the fire district as provided in section 9.60 of the Revised 16939
Code. The fire district so created shall be given a separate name 16940
by which it shall be known. 16941

Additional unincorporated territory of the township may be 16942
added to a fire district upon the board's adoption of a resolution 16943
authorizing the addition. A municipal corporation, or a portion of 16944
a municipal corporation, that is within or adjoining the township 16945
may be added to a fire district upon the board's adoption of a 16946
resolution authorizing the addition and the municipal legislative 16947
authority's adoption of a resolution or ordinance requesting the 16948
addition of the municipal corporation or a portion of the 16949
municipal corporation to the fire district. 16950

If the township fire district imposes a tax, additional 16951
unincorporated territory of the township or a municipal 16952
corporation or a portion of a municipal corporation that is within 16953
or adjoining the township shall become part of the fire district 16954
only after all of the following have occurred: 16955

(1) Adoption by the board of township trustees of a 16956
resolution approving the expansion of the territorial limits of 16957
the district and, if the resolution proposes to add a municipal 16958
corporation or a portion of a municipal corporation, adoption by 16959
the municipal legislative authority of a resolution or ordinance 16960
requesting the addition of the municipal corporation or a portion 16961
of the municipal corporation to the district; 16962

(2) Adoption by the board of township trustees of a 16963

resolution recommending the extension of the tax to the additional 16964
territory; 16965

(3) The board requests and obtains from the county auditor 16966
the information required for a tax levy under section 5705.03 of 16967
the Revised Code, in the manner prescribed in that section, except 16968
that the levy's annual collections shall be estimated assuming 16969
that the additional territory has been added to the fire district. 16970

(4) Approval of the tax by the electors of the territory 16971
proposed for addition to the district. 16972

Each resolution of the board adopted under division (C)(2) of 16973
this section shall state the name of the fire district, a 16974
description of the territory to be added, the rate, expressed in 16975
mills for each one dollar of taxable value, the estimated 16976
effective rate, expressed in dollars for each one hundred thousand 16977
dollars of the county auditor's appraised value, and termination 16978
date of the tax, which shall be the rate, estimated effective 16979
rate, and termination date of the tax currently in effect in the 16980
fire district. 16981

The board of trustees shall certify each resolution adopted 16982
under division (C)(2) of this section and the county auditor's 16983
certification under division (C)(3) of this section to the board 16984
of elections in accordance with section 5705.19 of the Revised 16985
Code. The election required under division (C)(4) of this section 16986
shall be held, canvassed, and certified in the manner provided for 16987
the submission of tax levies under section 5705.25 of the Revised 16988
Code, except that the question appearing on the ballot shall read: 16989

"Shall the territory within _____ 16990
(description of the proposed territory to be added) be added to 16991
_____ (name) fire district, and a property tax, 16992
that the county auditor estimates will collect \$_____ annually, at 16993
a rate not exceeding _____ mills for each \$1 of taxable value, 16994

which amounts to \$_____ (here insert estimated effective rate) 16995
for each \$100,000 of the county auditor's appraised value, be in 16996
effect for _____ (here insert the number of years the tax is 16997
to be in effect or "a continuing period of time," as applicable)?" 16998

If the question is approved by at least a majority of the 16999
electors voting on it, the joinder shall be effective as of the 17000
first day of July of the year following approval, and on that 17001
date, the township fire district tax shall be extended to the 17002
taxable property within the territory that has been added. If the 17003
territory that has been added is a municipal corporation or 17004
portion thereof and if it had adopted a tax levy for fire 17005
purposes, the levy is terminated on the effective date of the 17006
joinder in the area of the municipal corporation added to the 17007
district. 17008

Any municipal corporation may withdraw from a township fire 17009
district created under division (C) of this section by the 17010
adoption by the municipal legislative authority of a resolution or 17011
ordinance ordering withdrawal. On the first day of July of the 17012
year following the adoption of the resolution or ordinance of 17013
withdrawal, the withdrawing municipal corporation or the portion 17014
thereof ceases to be a part of the district, and the power of the 17015
fire district to levy a tax upon taxable property in the 17016
withdrawing municipal corporation or the portion thereof 17017
terminates, except that the fire district shall continue to levy 17018
and collect taxes for the payment of indebtedness within the 17019
territory of the fire district as it was composed at the time the 17020
indebtedness was incurred. 17021

Upon the withdrawal of any municipal corporation from a 17022
township fire district created under division (C) of this section, 17023
the county auditor shall ascertain, apportion, and order a 17024
division of the funds on hand, moneys and taxes in the process of 17025
collection except for taxes levied for the payment of 17026

indebtedness, credits, and real and personal property, either in 17027
money or in kind, on the basis of the valuation of the respective 17028
tax duplicates of the withdrawing municipal corporation and the 17029
remaining territory of the fire district. 17030

A board of township trustees may remove unincorporated 17031
territory of the township from the fire district upon the adoption 17032
of a resolution authorizing the removal. On the first day of July 17033
of the year following the adoption of the resolution, the 17034
unincorporated township territory described in the resolution 17035
ceases to be a part of the district, and the power of the fire 17036
district to levy a tax upon taxable property in that territory 17037
terminates, except that the fire district shall continue to levy 17038
and collect taxes for the payment of indebtedness within the 17039
territory of the fire district as it was composed at the time the 17040
indebtedness was incurred. 17041

As used in this section, "the county auditor's appraised 17042
value" and "estimated effective rate" have the same meanings as in 17043
section 5705.01 of the Revised Code. 17044

(D) The board of township trustees of any township, the board 17045
of fire district trustees of a fire district created under section 17046
505.371 of the Revised Code, or the legislative authority of any 17047
municipal corporation may purchase, lease, or lease with an option 17048
to purchase the necessary fire equipment described in division (A) 17049
of this section, buildings, and sites for the township, fire 17050
district, or municipal corporation and issue securities for that 17051
purpose with maximum maturities as provided in section 133.20 of 17052
the Revised Code. The board of township trustees, board of fire 17053
district trustees, or legislative authority may also construct any 17054
buildings necessary to house fire equipment and issue securities 17055
for that purpose with maximum maturities as provided in section 17056
133.20 of the Revised Code. 17057

The board of township trustees, board of fire district 17058

trustees, or legislative authority may issue the securities of the township, fire district, or municipal corporation, signed by the board or designated officer of the municipal corporation and attested by the signature of the township fiscal officer, fire district clerk, or municipal clerk, covering any deferred payments and payable at the times provided, which securities shall bear interest not to exceed the rate determined as provided in section 9.95 of the Revised Code, and shall not be subject to Chapter 133. of the Revised Code. The legislation authorizing the issuance of the securities shall provide for levying and collecting annually by taxation, amounts sufficient to pay the interest on and principal of the securities. The securities shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

Section 505.40 of the Revised Code does not apply to any securities issued, or any lease with an option to purchase entered into, in accordance with this division.

(E) A board of township trustees of any township or a board of fire district trustees of a fire district created under section 505.371 of the Revised Code may purchase a policy or policies of liability insurance for the officers, employees, and appointees of the fire department, fire district, or joint fire district governed by the board that includes personal injury liability coverage as to the civil liability of those officers, employees, and appointees for false arrest, detention, or imprisonment, malicious prosecution, libel, slander, defamation or other violation of the right of privacy, wrongful entry or eviction, or other invasion of the right of private occupancy, arising out of the performance of their duties.

When a board of township trustees cannot, by deed of gift or by purchase and upon terms it considers reasonable, procure land for a township fire station that is needed in order to respond in

reasonable time to a fire or medical emergency, the board may 17091
appropriate land for that purpose under sections 163.01 to 163.22 17092
of the Revised Code. If it is necessary to acquire additional 17093
adjacent land for enlarging or improving the fire station, the 17094
board may purchase, appropriate, or accept a deed of gift for the 17095
land for these purposes. 17096

(F) As used in this division, "emergency medical service 17097
organization" has the same meaning as in section 4766.01 of the 17098
Revised Code. 17099

A board of township trustees, by adoption of an appropriate 17100
resolution, may choose to have the state board of emergency 17101
medical, fire, and transportation services license any emergency 17102
medical service organization it operates. If the board adopts such 17103
a resolution, Chapter 4766. of the Revised Code, except for 17104
sections 4766.06 and 4766.99 of the Revised Code, applies to the 17105
organization. All rules adopted under the applicable sections of 17106
that chapter also apply to the organization. A board of township 17107
trustees, by adoption of an appropriate resolution, may remove its 17108
emergency medical service organization from the jurisdiction of 17109
the state board of emergency medical, fire, and transportation 17110
services. 17111

Sec. 505.376. When any expenditure of a fire and ambulance 17112
district, other than for the compensation of district employees, 17113
exceeds ~~fifty thousand dollars~~ the amount specified in section 17114
9.17 of the Revised Code, the contract for the expenditure shall 17115
be in writing and made with the lowest and best bidder after 17116
advertising once a week for not less than two consecutive weeks in 17117
a newspaper of general circulation within the district. The board 17118
of trustees of a fire and ambulance district may also cause notice 17119
to be inserted in trade papers or other publications designated by 17120
it or to be distributed by electronic means, including posting the 17121

notice on the board's internet web site. If the board posts the 17122
notice on its web site, it may eliminate the second notice 17123
otherwise required to be published in a newspaper of general 17124
circulation within the district, provided that the first notice 17125
published in such newspaper meets all of the following 17126
requirements: 17127

(A) It is published at least two weeks before the opening of 17128
bids. 17129

(B) It includes a statement that the notice is posted on the 17130
board's internet web site. 17131

(C) It includes the internet address of the board's internet 17132
web site. 17133

(D) It includes instructions describing how the notice may be 17134
accessed on the board's internet web site. 17135

The bids shall be opened and shall be publicly read by the 17136
clerk of the district, or the clerk's designee, at the time, date, 17137
and place specified in the advertisement to bidders or the 17138
specifications. The time, date, and place of bid openings may be 17139
extended to a later date by the board of trustees of the district, 17140
provided that written or oral notice of the change shall be given 17141
to all persons who have received or requested specifications no 17142
later than ninety-six hours prior to the original time and date 17143
fixed for the opening. 17144

Each bid on any contract shall contain the full name of every 17145
person interested in the bid. If the bid is for a contract for the 17146
construction, demolition, alteration, repair, or reconstruction of 17147
an improvement, it shall meet the requirements of section 153.54 17148
of the Revised Code. If the bid is for any other contract, it 17149
shall be accompanied by a sufficient bond or certified check, 17150
cashier's check, or money order on a solvent bank or savings and 17151
loan association that, if the bid is accepted, a contract will be 17152

entered into and the performance of it will be properly secured. 17153
If the bid for work embraces both labor and material, it shall be 17154
separately stated, with the price of the labor and the material. 17155
The board may reject any and all bids. The contract shall be 17156
between the district and the bidder, and the district shall pay 17157
the contract price in cash. When a bonus is offered for completion 17158
of a contract prior to a specified date, the board may exact a 17159
prorated penalty in like sum for each day of delay beyond the 17160
specified date. When there is reason to believe there is collusion 17161
or combination among bidders, the bids of those concerned shall be 17162
rejected. 17163

No expenditure subject to this section shall be divided into 17164
component parts, separate projects, or separate items of work in 17165
order to avoid the requirements of this section. 17166

Sec. 505.38. (A) In each township or fire district that has a 17167
fire department, the head of the department shall be a fire chief, 17168
appointed by the board of township trustees, except that, in a 17169
joint fire district, the fire chief shall be appointed by the 17170
board of fire district trustees. Neither this section nor any 17171
other section of the Revised Code requires, or shall be construed 17172
to require, that the fire chief be a resident of the township or 17173
fire district. 17174

The board shall provide for the employment of firefighters as 17175
it considers best and shall fix their compensation. No person 17176
shall be appointed as a permanent full-time paid member, whose 17177
duties include fire fighting, of the fire department of any 17178
township or fire district unless that person has received a 17179
certificate issued under former section 3303.07 or section 4765.55 17180
of the Revised Code evidencing satisfactory completion of a 17181
firefighter training program. Those appointees shall continue in 17182
office until removed from office as provided by sections 733.35 to 17183

733.39 of the Revised Code. To initiate removal proceedings, and 17184
for that purpose, the board shall designate the fire chief or a 17185
private citizen to investigate the conduct and prepare the 17186
necessary charges in conformity with those sections. 17187

In case of the removal of a fire chief or any member of the 17188
fire department of a township or fire district, an appeal may be 17189
had from the decision of the board to the court of common pleas of 17190
the county in which the township or fire district fire department 17191
is situated to determine the sufficiency of the cause of removal. 17192

section 511.08 of the Revised Code. If the total estimated cost of 17315
the construction and erection exceeds ~~fifty thousand dollars~~ the 17316
amount specified in section 9.17 of the Revised Code, the contract 17317
shall be let by competitive bidding. If the estimated cost is 17318
~~fifty thousand dollars~~ the amount specified in section 9.17 of the 17319

eliminate the second notice otherwise required to be published in 17336
a newspaper published or of general circulation in the township, 17337
provided that the first notice published in such newspaper meets 17338
all of the following requirements: 17339

17368
17369

If lights are furnished under contract, the contract may 17373
provide that the equipment employed may be owned by the township 17374
or by the person or corporation supplying the lights. 17375

If the board determines to procure lighting by contract and 17376
the total estimated cost of the contract exceeds ~~fifty thousand~~ 17377
~~dollars~~ the amount specified in section 9.17 of the Revised Code, 17378
the board shall prepare plans and specifications for the lighting 17379
equipment and shall, for two weeks, advertise for bids for 17380
furnishing the lighting equipment, either by posting the 17381
advertisement in three conspicuous places in the township or by 17382
publication of the advertisement once a week, for two consecutive 17383
weeks, in a newspaper of general circulation in the township. Any 17384
such contract for lighting shall be made with the lowest and best 17385
bidder. 17386

The board may also cause notice to be inserted in trade 17387
papers or other publications designated by it or to be distributed 17388
by electronic means, including posting the notice on the board's 17389
internet web site. If the board posts the notice on its web site, 17390
it may eliminate the second notice otherwise required to be 17391
published in a newspaper of general circulation in the township, 17392
provided that the first notice published in such newspaper meets 17393
all of the following requirements: 17394

(A) It is published at least two weeks before the opening of 17395
bids. 17396

(B) It includes a statement that the notice is posted on the 17397
board's internet web site. 17398

(C) It includes the internet address of the board's internet 17399
web site. 17400

(D) It includes instructions describing how the notice may be 17401
accessed on the board's internet web site. 17402

No lighting contract awarded by the board shall be made to 17403
cover a period of more than twenty years. The cost of installing 17404
and operating any lighting system or any light furnished under 17405
contract shall be paid from the general fund of the township 17406
treasury. 17407

No procurement subject to this section shall be divided into 17408
component parts, separate projects, or separate items of work in 17409
order to avoid the requirements of this section. 17410

Sec. 517.07. Upon application, the board of township trustees 17411
shall sell at a reasonable price the number of lots as public 17412
wants demand for burial purposes. Purchasers of lots or other 17413

~~and which shall be recorded by the.~~ The township fiscal officer 17416
shall record each deed in a book the township keeps for that 17417
purpose or with the county recorder under section 317.08 of the 17418
Revised Code. The expense of recording shall be paid by the person 17419
receiving the deed. Upon the application of a head of a family 17420
living in the township, the board shall, without charge, make and 17421
deliver to the applicant a deed for a suitable lot or right for 17422
the interment of the applicant's family, if, in the opinion of the 17423
board and by reason of the circumstances of the family, the 17424
payment would be oppressive. 17425

The terms of sale and any deed for lots executed after July 17426
24, 1986, for an entombment, including a mausoleum, columbarium, 17427
or other interment right executed on or after September 29, 2015, 17428

(A) The grantee shall provide to the board of township 17430
trustees, in writing, a list of the names and addresses of the 17431

persons to whom the grantee's property would pass by intestate 17432
succession. 17433

(B) The grantee shall notify the board in writing of any 17434
subsequent changes in the name or address of any persons to whom 17435
property would descend. 17436

(C) Any person who receives a township cemetery lot or right 17437
by gift, inheritance, or any other means other than the original 17438
conveyance shall, within one year after receiving the interest, 17439
give written notice of the person's name and address to the board 17440
having control of the cemetery, and shall notify the board of any 17441
subsequent changes in the person's name or address. 17442

The terms of sale and any deed for any lots or rights 17443
executed in compliance with the notification requirements set 17444
forth in divisions (A), (B), and (C) of this section shall state 17445
that the board of township trustees shall have right of reentry to 17446
the cemetery lot or right if the notification requirements are not 17447
met. At least ninety days before establishing reentry, the board 17448
shall publish a notice on the board's internet web site, if 17449
applicable, and shall send a notice by certified mail to the last 17450
known owner at the owner's last known address to inform the owner 17451
that the owner's interest in the lot or right will cease unless 17452
the notification requirements are met. If the owner's address is 17453
unknown and cannot reasonably be obtained, it is sufficient to 17454
publish the notice once in a newspaper of general circulation in 17455
the county. In order to establish reentry, the board shall pass a 17456
resolution stating that the conditions of the sale or of the deed 17457
have not been fulfilled, and that the board reclaims its interest 17458
in the lot or right. 17459

The board may limit the terms of sale or the deed for a 17460
cemetery lot or right by specifying that the owner, a member of 17461
the owner's family, or an owner's descendant must use the lot, 17462
tomb, including a mausoleum, or columbarium, or at least a portion 17463

of the lot, tomb, including a mausoleum, or columbarium, within a 17464
specified time period. The board may specify this time period to 17465
be at least twenty but not more than fifty years, with right of 17466
renewal provided at no cost. At least ninety days before the 17467
termination date for use of the cemetery lot, tomb, including a 17468
mausoleum, or columbarium, the board shall publish a notice on the 17469
board's internet web site, if applicable, and shall send a notice 17470
to the owner to inform the owner that the owner's interest in the 17471
lot or right will cease on the termination date unless the owner 17472
contracts for renewal by that date. The board shall send the 17473
notice by certified mail to the owner if the owner is a resident 17474
of the township or is a nonresident whose address is known. If the 17475
owner's address is unknown and cannot reasonably be obtained, it 17476
is sufficient to publish the notice once in a newspaper of general 17477
circulation in the county. 17478

The terms of sale and any deed for lots or rights conveyed 17479
with a termination date shall state that the board shall have 17480
right of reentry to the lot or right at the end of the specified 17481
time period if the lot, tomb, including a mausoleum, or 17482
columbarium, is not used within this time period or renewed for an 17483
extended period. In order to establish reentry, the board shall 17484
pass a resolution stating that the conditions of the sale or of 17485
the deed have not been fulfilled, and that the board reclaims its 17486
interest in the lot or right. The board shall compensate owners of 17487
unused lots or rights who do not renew the terms of sale or the 17488
deed by offering to pay the owner eighty per cent of the purchase 17489
price or to provide another available lot or right, as applicable, 17490
at no additional cost. The board may repurchase any cemetery lot 17491
or right from its owner at any time at a price that is mutually 17492
agreed upon by the board and the owner. 17493

Sec. 517.271. Notwithstanding section 517.22 of the Revised 17494
Code, the company, association, or religious society that most 17495

recently owned and operated a cemetery currently owned by a board 17496
of township trustees may petition the probate court of the county 17497
in which the cemetery is located to transfer the ownership of the 17498
cemetery to the petitioner. 17499

If the court determines that the petitioner has met all of 17500
the following conditions, the court shall transfer the ownership 17501
of the cemetery to the petitioner and shall order the board and 17502
county recorder to give the petitioner all necessary records and 17503
documents concerning the cemetery, including records of the 17504
board's sale of any lots pursuant to section 517.07 of the Revised 17505
Code: 17506

(A) The petitioner has the financial resources necessary to 17507
operate and maintain the cemetery; 17508

(B) The petitioner is in compliance with all applicable laws 17509
and administrative rules concerning the owners and operators of 17510
cemeteries, including registration under section 4767.02 of the 17511
Revised Code; and 17512

(C) The petitioner owes no delinquent taxes. 17513

Sec. 715.18. Any municipal corporation may establish and 17514
furnish the necessary equipment for a department of purchase, 17515
construction, and repair. Such department shall be under the 17516
management of the director of public service, who shall purchase 17517
all material, supplies, tools, machinery, and equipment, and shall 17518
supervise all construction, alterations, and repairs in each of 17519
the municipal departments whether established by law or ordinance. 17520

No such purchase, construction, alteration, or repair shall 17521
be made except upon requisition by the director, the officer at 17522
the head of the department for which it is to be made or done, or 17523
upon the order of the legislative authority of the municipal 17524
corporation, nor shall any purchase, construction, alteration, or 17525

repair for any of such departments be made or done except on 17526
authority of the legislative authority and under sections 735.05 17527
to 735.09 of the Revised Code, if the cost thereof exceeds ~~ten~~ 17528
~~thousand dollars~~ the amount specified in section 9.17 of the 17529
Revised Code. 17530

Sec. 718.01. Any term used in this chapter that is not 17531
otherwise defined in this chapter has the same meaning as when 17532
used in a comparable context in laws of the United States relating 17533
to federal income taxation or in Title LVII of the Revised Code, 17534
unless a different meaning is clearly required. Except as provided 17535
in section 718.81 of the Revised Code, if a term used in this 17536
chapter that is not otherwise defined in this chapter is used in a 17537
comparable context in both the laws of the United States relating 17538
to federal income tax and in Title LVII of the Revised Code and 17539
the use is not consistent, then the use of the term in the laws of 17540
the United States relating to federal income tax shall control 17541
over the use of the term in Title LVII of the Revised Code. 17542

Except as otherwise provided in section 718.81 of the Revised 17543
Code, as used in this chapter: 17544

(A)(1) "Municipal taxable income" means the following: 17545

(a) For a person other than an individual, income apportioned 17546
or situated to the municipal corporation under section 718.02 of 17547
the Revised Code, as applicable, reduced by any pre-2017 net 17548
operating loss carryforward available to the person for the 17549
municipal corporation. 17550

(b)(i) For an individual who is a resident of a municipal 17551
corporation other than a qualified municipal corporation, income 17552
reduced by exempt income to the extent otherwise included in 17553
income, then reduced as provided in division (A)(2) of this 17554
section, and further reduced by any pre-2017 net operating loss 17555
carryforward available to the individual for the municipal 17556

corporation. 17557

(ii) For an individual who is a resident of a qualified 17558
municipal corporation, Ohio adjusted gross income reduced by 17559
income exempted, and increased by deductions excluded, by the 17560
qualified municipal corporation from the qualified municipal 17561
corporation's tax. If a qualified municipal corporation, on or 17562
before December 31, 2013, exempts income earned by individuals who 17563
are not residents of the qualified municipal corporation and net 17564
profit of persons that are not wholly located within the qualified 17565
municipal corporation, such individual or person shall have no 17566
municipal taxable income for the purposes of the tax levied by the 17567
qualified municipal corporation and may be exempted by the 17568
qualified municipal corporation from the requirements of section 17569
718.03 of the Revised Code. 17570

(c) For an individual who is a nonresident of a municipal 17571
corporation, income reduced by exempt income to the extent 17572
otherwise included in income and then, as applicable, apportioned 17573

the Revised Code, then reduced as provided in division (A)(2) of 17575
this section, and further reduced by any pre-2017 net operating 17576
loss carryforward available to the individual for the municipal 17577
corporation. 17578

(2) In computing the municipal taxable income of a taxpayer 17579
who is an individual, the taxpayer may subtract, as provided in 17580
division (A)(1)(b)(i) or (c) of this section, the amount of the 17581
individual's employee business expenses reported on the 17582
individual's form 2106 that the individual deducted for federal 17583
income tax purposes for the taxable year, subject to the 17584
limitation imposed by section 67 of the Internal Revenue Code. For 17585
the municipal corporation in which the taxpayer is a resident, the 17586
taxpayer may deduct all such expenses allowed for federal income 17587
tax purposes. For a municipal corporation in which the taxpayer is 17588

not a resident, the taxpayer may deduct such expenses only to the 17589
extent the expenses are related to the taxpayer's performance of 17590
personal services in that nonresident municipal corporation. 17591

(B) "Income" means the following: 17592

(1)(a) For residents, all income, salaries, qualifying wages, 17593
commissions, and other compensation from whatever source earned or 17594

share of the net profit of pass-through entities owned directly or 17596
indirectly by the resident and any net profit of the resident, 17597
except as provided in division (D)(5) of this section. 17598

administrator on or before the date prescribed for the filing of 18426
state individual income tax returns under division (G) of section 18427
5747.08 of the Revised Code. The taxpayer shall complete and file 18428
the return or notice on forms prescribed by the tax administrator 18429
or on generic forms, together with remittance made payable to the 18430
municipal corporation or tax administrator. No remittance is 18431
required if the amount shown to be due is ten dollars or less. A 18432
municipal corporation shall not require a qualifying employee 18433
whose income consists exclusively of exempt income described in 18434
division (C)(20)(b) or (c) of section 718.01 of the Revised Code 18435
to file a return under this section. 18436

(b) Except as otherwise provided in this chapter, each annual 18437
net profit return required to be filed under this section by a 18438
taxpayer that is not an individual shall be completed and filed as 18439
required by the tax administrator on or before the fifteenth day 18440
of the fourth month following the end of the taxpayer's taxable 18441
year. The taxpayer shall complete and file the return or notice on 18442
forms prescribed by the tax administrator or on generic forms, 18443
together with remittance made payable to the municipal corporation 18444
or tax administrator. No remittance is required if the amount 18445
shown to be due is ten dollars or less. 18446

(2)(a) Any taxpayer that has duly requested an automatic 18447
six-month extension for filing the taxpayer's federal income tax 18448
return shall automatically receive an extension for the filing of 18449
a municipal income tax return. The extended due date of the 18450
municipal income tax return for a taxpayer that is an individual 18451
shall be the fifteenth day of the tenth month after the last day 18452
of the taxable year to which the return relates. The extended due 18453
date of the municipal income tax return for a taxpayer that is not 18454
an individual shall be the fifteenth day of the eleventh month 18455

after the last day of the taxable year to which the return 18456
relates. 18457

(b) A taxpayer that has not requested or received a six-month 18458
extension for filing the taxpayer's federal income tax return may 18459
request that the tax administrator grant the taxpayer a six-month 18460
extension of the date for filing the taxpayer's municipal income 18461
tax return. If the request is received by the tax administrator on 18462
or before the date the municipal income tax return is due, the tax 18463
administrator shall grant the taxpayer's requested extension. 18464

(c) An extension of time to file under division (G)(2) of 18465
this section is not an extension of the time to pay any tax due 18466
unless the tax administrator grants an extension of that date. 18467

(3) If the tax commissioner extends for all taxpayers the 18468
date for filing state income tax returns under division (G) of 18469
section 5747.08 of the Revised Code, a taxpayer shall 18470
automatically receive an extension for the filing of a municipal 18471
income tax return. The extended due date of the municipal income 18472
tax return shall be the same as the extended due date of the state 18473
income tax return. 18474

(4) If the tax administrator considers it necessary in order 18475
to ensure the payment of the tax imposed by the municipal 18476
corporation in accordance with this chapter, the tax administrator 18477
may require taxpayers to file returns and make payments otherwise 18478
than as provided in this section, including taxpayers not 18479
otherwise required to file annual returns. 18480

(5) If a taxpayer receives an extension for the filing of a 18481
municipal income tax return under division (G)(2), (3), or (4) of 18482
this section, the tax administrator shall not make any inquiry or 18483
send any notice to the taxpayer with regard to the return on or 18484
before the date the taxpayer files the return or on or before the 18485
extended due date to file the return, whichever occurs first. 18486

If a tax administrator violates division (G)(5) of this section, the municipal corporation shall reimburse the taxpayer for any reasonable costs incurred to respond to such inquiry or notice. 18487
18488
18489
18490

Division (G)(5) of this section does not apply to an extension received under division (G)(2) of this section if the tax administrator has actual knowledge that the taxpayer failed to file for a federal extension as required to receive the extension under division (G)(2)(a) of this section or failed to file for an extension under division (G)(2)(b) of this section. 18491
18492
18493
18494
18495
18496

(6) To the extent that any provision in this division conflicts with any provision in section 718.052 of the Revised Code, the provision in that section prevails. 18497
18498
18499

(H)(1) For taxable years beginning after 2015, a municipal corporation shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars. 18500
18501
18502

(2) Except as provided in division (H)(3) of this section, any taxpayer not required to remit tax to a municipal corporation for a taxable year pursuant to division (H)(1) of this section shall file with the municipal corporation an annual net profit return under division (F)(3) of this section. 18503
18504
18505
18506
18507

(3) A municipal corporation shall not require a person to file a net profit return under this section if the person's income consists exclusively of exempt income described in division (C)(20)(a) of section 718.01 of the Revised Code. 18508
18509
18510
18511

(I)(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the tax administrator or other municipal official with which the report, claim, statement, or other document is 18512
18513
18514
18515
18516
18517

required to be filed, or to which the payment is required to be 18518
made, the date of the postmark stamped on the cover in which the 18519
report, claim, statement, or other document, or payment is mailed 18520
shall be deemed to be the date of delivery or the date of payment. 18521
"The date of postmark" means, in the event there is more than one 18522
date on the cover, the earliest date imprinted on the cover by the 18523
postal service. 18524

(2) If a payment under this chapter is made by electronic 18525
funds transfer, the payment shall be considered to be made on the 18526
date of the timestamp assigned by the first electronic system 18527
receiving that payment. 18528

(J) The amounts withheld by an employer, the agent of an 18529
employer, or an other payer as described in section 718.03 of the 18530
Revised Code shall be allowed to the recipient of the compensation 18531
as credits against payment of the tax imposed on the recipient by 18532
the municipal corporation, unless the amounts withheld were not 18533
remitted to the municipal corporation and the recipient colluded 18534
with the employer, agent, or other payer in connection with the 18535
failure to remit the amounts withheld. 18536

(K) Each return required by a municipal corporation to be 18537
filed in accordance with this section shall include a box that the 18538
taxpayer may check to authorize another person, including a tax 18539
return preparer who prepared the return, to communicate with the 18540
tax administrator about matters pertaining to the return. The 18541
return or instructions accompanying the return shall indicate that 18542
by checking the box the taxpayer authorizes the tax administrator 18543
to contact the preparer or other person concerning questions that 18544
arise during the examination or other review of the return and 18545
authorizes the preparer or other person only to provide the tax 18546
administrator with information that is missing from the return, to 18547
contact the tax administrator for information about the 18548
examination or other review of the return or the status of the 18549

taxpayer's refund or payments, and to respond to notices about 18550
mathematical errors, offsets, or return preparation that the 18551
taxpayer has received from the tax administrator and has shown to 18552
the preparer or other person. 18553

(L) The tax administrator of a municipal corporation shall 18554
accept for filing a generic form of any income tax return, report, 18555
or document required by the municipal corporation in accordance 18556
with this chapter, provided that the generic form, once completed 18557
and filed, contains all of the information required by ordinance, 18558
resolution, or rules adopted by the municipal corporation or tax 18559
administrator, and provided that the taxpayer or tax return 18560
preparer filing the generic form otherwise complies with the 18561
provisions of this chapter and of the municipal corporation 18562
ordinance or resolution governing the filing of returns, reports, 18563
or documents. 18564

(M) When income tax returns, reports, or other documents 18565
require the signature of a tax return preparer, the tax 18566
administrator shall accept a facsimile of such a signature in lieu 18567
of a manual signature. 18568

(N)(1) As used in this division, "worksite location" has the 18569
same meaning as in section 718.011 of the Revised Code. 18570

(2) A person may notify a tax administrator that the person 18571
does not expect to be a taxpayer with respect to the municipal 18572
corporation for a taxable year if both of the following conditions 18573
apply: 18574

(a) The person was required to file a tax return with the 18575
municipal corporation for the immediately preceding taxable year 18576
because the person performed services at a worksite location 18577
within that municipal corporation. 18578

(b) The person no longer provides services in the municipal 18579
corporation and does not expect to be subject to the municipal 18580

corporation's income tax for the taxable year. 18581

The person shall provide the notice in a signed affidavit 18582
that briefly explains the person's circumstances, including the 18583
location of the previous worksite location and the last date on 18584
which the person performed services or made any sales within the 18585
municipal corporation. The affidavit also shall include the 18586
following statement: "The affiant has no plans to perform any 18587
services within the municipal corporation, make any sales in the 18588
municipal corporation, or otherwise become subject to the tax 18589
levied by the municipal corporation during the taxable year. If 18590
the affiant does become subject to the tax levied by the municipal 18591
corporation for the taxable year, the affiant agrees to be 18592
considered a taxpayer and to properly register as a taxpayer with 18593
the municipal corporation if such a registration is required by 18594
the municipal corporation's resolutions, ordinances, or rules." 18595
The person shall sign the affidavit under penalty of perjury. 18596

(c) If a person submits an affidavit described in division 18597
(N)(2) of this section, the tax administrator shall not require 18598
the person to file any tax return for the taxable year unless the 18599
tax administrator possesses information that conflicts with the 18600
affidavit or if the circumstances described in the affidavit 18601
change. Nothing in division (N) of this section prohibits the tax 18602
administrator from performing an audit of the person. 18603

taxpayer files that return. 18687

(D)(1) With respect to the income taxes, estimated income 18688
taxes, withholding taxes, and returns, no municipal corporation 18689
shall impose, seek to collect, or collect any penalty, amount of 18690

taxpayer, and shall include the taxpayer's identification number. 18944
Each return shall be verified by a declaration under penalty of 18945
perjury. 18946

(2)(a) The tax commissioner may require a taxpayer to 18947

(2) If the commissioner considers it necessary in order to

ensure payment of a tax imposed in accordance with section 718.04 18983
of the Revised Code, the commissioner may require taxpayers to 18984
file returns and make payments otherwise than as provided in this 18985
section, including taxpayers not otherwise required to file annual 18986

(3) If a taxpayer receives an extension for the filing of a 18988
tax return under division (D)(1) or (2) of this section, the 18989
commissioner shall not make any inquiry or send any notice to the 18990
taxpayer with regard to the return on or before the date the 18991
taxpayer files the return or on or before the extended due date to 18992
file the return, whichever occurs first. 18993

If the commissioner violates division (D)(3) of this section, 18994
the commissioner shall reimburse the taxpayer for any reasonable 18995
costs incurred to respond to such inquiry or notice. Such 18996
reimbursement shall be paid from the general revenue fund. 18997

Division (D)(3) of this section does not apply to an 18998
extension received under division (D)(1) of this section if the 18999
commissioner has actual knowledge that the taxpayer failed to file 19000
for a federal extension as required to receive the extension under 19001
division (D)(1)(a) of this section or failed to file for an 19002
extension under division (D)(1)(b) of this section. 19003

section shall include a box that the taxpayer may check to 19005
authorize another person, including a tax return preparer who 19006
prepared the return, to communicate with the tax commissioner 19007

accompanying the return shall indicate that by checking the box 19009
the taxpayer authorizes the commissioner to contact the preparer 19010
or other person concerning questions that arise during the 19011
examination or other review of the return and authorizes the 19012
preparer or other person only to provide the commissioner with 19013
information that is missing from the return, to contact the 19014

commissioner for information about the examination or other review 19015
of the return or the status of the taxpayer's refund or payments, 19016
and to respond to notices about mathematical errors, offsets, or 19017
return preparation that the taxpayer has received from the 19018
commissioner and has shown to the preparer or other person. 19019

(F) When income tax returns or other documents require the 19020
signature of a tax return preparer, the tax commissioner shall 19021
accept a facsimile or electronic version of such a signature in 19022
lieu of a manual signature. 19023

(1) If a taxpayer required to file a tax return under 19027
sections 718.80 to 718.95 of the Revised Code fails to make and 19028
file the return within the time prescribed, including any 19029
extensions of time granted by the tax commissioner, the 19030
commissioner may impose a penalty not exceeding twenty-five 19031
dollars ~~per month or fraction of a month, for each month or~~ 19032
~~fraction of a month elapsing between the due date, including~~ 19033
~~extensions of the due date, and the date on which the return is~~ 19034
~~filed. The aggregate penalty, per instance, under this division~~ 19035
~~shall not exceed one hundred fifty dollars, except that the~~ 19036
commissioner shall abate or refund the penalty assessed on a 19037
taxpayer's first failure to timely file a return after the 19038
taxpayer files that return. 19039

(2) If a person required to file a tax return electronically 19040
under sections 718.80 to 718.95 of the Revised Code fails to do 19041
so, the commissioner may impose a penalty not to exceed the 19042
following: 19043

(a) For each of the first two failures, five per cent of the 19044
amount required to be reported on the return; 19045

(b) For the third and any subsequent failure, ten per cent of 19046
the amount required to be reported on the return. 19047

(3) If a taxpayer that has made the election allowed under 19048
section 718.80 of the Revised Code fails to timely pay an amount 19049
of tax required to be paid under this chapter, the commissioner 19050
may impose a penalty equal to fifteen per cent of the amount not 19051
timely paid. 19052

(4) If a taxpayer files what purports to be a tax return 19053
required by sections 718.80 to 718.95 of the Revised Code that 19054
does not contain information upon which the substantial 19055
correctness of the return may be judged or contains information 19056
that on its face indicates that the return is substantially 19057
incorrect, and the filing of the return in that manner is due to a 19058
position that is frivolous or a desire that is apparent from the 19059
return to delay or impede the administration of sections 718.80 to 19060
718.95 of the Revised Code, a penalty of up to five hundred 19061
dollars may be imposed. 19062

(5) If a taxpayer makes a fraudulent attempt to evade the 19063
reporting or payment of the tax required to be shown on any return 19064
required under sections 718.80 to 718.95 of the Revised Code, a 19065
penalty may be imposed not exceeding the greater of one thousand 19066
dollars or one hundred per cent of the tax required to be shown on 19067
the return. 19068

(6) If any person makes a false or fraudulent claim for a 19069
refund under section 718.91 of the Revised Code, a penalty may be 19070
imposed not exceeding the greater of one thousand dollars or one 19071
hundred per cent of the claim. Any penalty imposed under this 19072
division, any refund issued on the claim, and interest on any 19073
refund from the date of the refund, may be assessed under section 19074
718.90 of the Revised Code without regard to any time limitation 19075
for the assessment imposed by division (A) of that section. 19076

(B) For purposes of this section, the tax required to be 19077
shown on a tax return shall be reduced by the amount of any part 19078
of the tax paid on or before the date, including any extensions of 19079
the date, prescribed for filing the return. 19080

(C) Each penalty imposed under this section shall be in 19081
addition to any other penalty imposed under this section. All or 19082
part of any penalty imposed under this section may be abated by 19083
the tax commissioner. The commissioner may adopt rules governing 19084
the imposition and abatement of such penalties. 19085

considered as taxes collected under sections 718.80 to 718.95 of 19087

(c) If the deposit of commodities that were the subject of 19676
the depositor's loss involves circumstances other than those 19677

depositor's loss. If the moneys recovered by a depositor under all 19685
remedies exceed one hundred per cent of the value of the 19686
depositor's loss, the depositor shall reimburse the fund in the 19687
amount that exceeds the value of that loss. 19688

(C) The director, with the recommendation of the commodity 19689

advisory commission, shall determine the validity of all claims 19690
presented against the fund. A claim filed under this section for 19691
losses on agricultural commodities other than commodities stored 19692
under a bailment agreement shall not be valid unless the depositor 19693
has made a demand for settlement of the obligation within twelve 19694
months after the commodities are priced. Any depositor whose claim 19695
has been refused by the director and the commission may appeal the 19696

director shall be subrogated to the extent of the amount of any 19714
payments to all rights, powers, privileges, and remedies of the 19715
depositor against any person regarding the loss. 19716

The depositor shall render all necessary assistance to aid 19717
the director in securing the rights granted in this section. No 19718
action or claim initiated by the depositor and pending at the time 19719
of payment from the fund may be compromised or settled without the 19720

consent of the director. 19721

(F) If, prior to June 20, 1994, a lawsuit, adversary 19722
proceeding, or other legal proceeding is brought against a 19723
depositor to recover money or payments from funds to which a 19724
depositor has a right of indemnification under this section, and 19725
the depositor retains legal counsel resulting in a cost or expense 19726

resolution of the lawsuit, adversary proceeding, or other legal 19728
proceeding, the director, in the director's discretion and with 19729
the approval of the commodity advisory commission, may authorize 19730
indemnification from the fund for attorney's fees paid by the 19731
depositor. Any claim made by a depositor for the payment of 19732
attorney's fees under this division shall be made in the same 19733
manner as a claim under division (A) of this section. 19734

Attorney's fees payable under this division shall be limited 19735
to the actual hourly fee charged or one hundred dollars per hour, 19736
whichever is less, and to a total maximum amount of three hundred 19737

registration of an assistance dog and the owner can show proof by 19740
certificate or other means that the dog is an assistance dog, the 19741
owner of the dog shall be exempt from any fee for the 19742
registration. Registration for an assistance dog shall be 19743

an assistance dog. Certificates and tags stamped "Ohio Assistance 19745
Dog-Permanent Registration," with registration number, shall be 19746
issued upon registration of such a dog. Any certificate and tag 19747

and the amusement ride is not open to the public. 19822

(B)(1) The director, in accordance with Chapter 119. of the 19823
Revised Code, shall adopt rules providing for both of the 19824
following: 19825

(a) A schedule of fines, with no fine exceeding five thousand 19826

this division; 19828

(b) The classification of amusement rides and rules for the 19829
safe operation and inspection of all amusement rides as are 19830
necessary for amusement ride safety and for the protection of the 19831
general public. The classification of amusement rides must 19832
identify those rides that need more comprehensive inspection and 19833
testing in addition to regular state inspections, taking into 19834
account hidden components integral to the safety of the ride. 19835

(2)(a) Rules adopted by the director for the safe operation 19836
and inspection of amusement rides shall be reasonable and shall be 19837
based upon generally accepted engineering standards and practices. 19838
The rules shall establish a minimum number of inspections to be 19839
conducted on each ride depending on the size, complexity, nature 19840
of the ride, and the number of days the ride is in operation 19841
during the year for which the applicable permit is valid. The 19842
rules also shall require the minimum number of inspectors assigned 19843

to inspect a ride or rides to be reasonable and adequate given the 19844
number, size, complexity, and nature of the ride or rides. 19845

(b) In adopting rules under this section, the director may 19846

(d) Insofar as is practicable and consistent with this 19860
chapter, rules adopted under this division shall be consistent 19861
with the rules of other states. 19862

(3) The department shall cause this chapter and the rules 19863
adopted in accordance with this division and division (B) of 19864
section 993.08 of the Revised Code to be published in pamphlet 19865
form and a copy to be furnished without charge to each owner of an 19866
amusement ride who holds a current permit or is an applicant 19867
therefor. 19868

(C) With respect to an application for a permit for an 19869
amusement ride, an owner may apply to the director for a waiver or 19870
modification of any rule adopted under division (B) of this 19871
section if there are practical difficulties or unnecessary 19872
hardships for the amusement ride to comply with the rules. Any 19873

application shall set forth the reasons for the request. The 19874
director, with the approval of the advisory council on amusement 19875
ride safety, may waive or modify the application of a rule to any 19876
amusement ride if the public safety is secure. Any authorization 19877
by the director under this division shall be in writing and shall 19878
set forth the conditions under which the waiver or modification is 19879
authorized, and the department shall retain separate records of 19880
all proceedings under this division. 19881

(D)(1) The director shall employ and provide for training of 19882
a chief inspector and additional inspectors and employees as may 19883
be necessary to administer and enforce this chapter. The director 19884
may appoint or contract with other persons to perform inspections 19885
of amusement rides, provided that the persons meet the 19886
qualifications for inspectors established by rules adopted under 19887
division (B) of this section and are not owners, or employees of 19888
owners, of any amusement ride subject to inspection under this 19889
chapter. When employing a new chief inspector or an additional 19890
inspector after November 6, 2019, the director shall give 19891
preference to the following: 19892

(a) An individual holding a level one or higher inspector 19893
certification from either the national association of amusement 19894
ride safety officials (NAARSO), the amusement industry 19895
manufacturers and suppliers (AIMS) international, or another 19896
substantially equivalent organization as determined by the 19897
director; and 19898

(b) An individual who intends, within one year of being hired 19899
as an inspector, to complete the requirements for issuance of a 19900
level one or higher inspector certification from NAARSO, AIMS 19901
International, or another substantially equivalent organization as 19902
determined by the director. 19903

(2) No person shall inspect an amusement ride who, within six 19904
months prior to the date of inspection, was an employee of the 19905

owner of the ride. 19906

(3) Before the director contracts with other persons to 19907
inspect amusement rides, the director shall seek the advice of the 19908
advisory council on amusement ride safety on whether to contract 19909
with those persons. The advice shall not be binding upon the 19910
director. After having received the advice of the council, the 19911
director may proceed to contract with inspectors in accordance 19912
with the procedures specified in division (E)(2) of section 19913
1711.11 of the Revised Code. 19914

(4) With the advice and consent of the advisory council on 19915
amusement ride safety, the director may employ a special 19916
consultant to conduct an independent investigation of an amusement 19917
ride accident. This consultant need not be in the civil service of 19918
the state, but shall have qualifications to conduct the 19919
investigation acceptable to the council. 19920

(E)(1) Except as otherwise provided in division (E)(1) of 19921
this section, the department shall charge the following amusement 19922
ride fees: 19923

K Failure to have amusement ride \$ 100 19935
ready for inspection per ride

The go kart inspection fee is in addition to the inspection 19936
fee for the go kart track. 19937

The director shall adopt rules in accordance with Chapter 19938
119. of the Revised Code establishing an annual fee that is less 19939
than one hundred five dollars for an inspection and reinspection 19940
of an inflatable ride. In adopting the rules, the director shall 19941
ensure that the fee reasonably reflects the costs of inspection 19942
and reinspection of an inflatable ride. If the director issues a 19943
permit for an inflatable ride for a time period of less than one 19944
year, the director shall charge a prorated fee for the permit 19945
equal to one-twelfth of the annual permit fee multiplied by the 19946
number of full months for which the permit is issued. 19947

The fees for an expedited inspection, failure to cancel a 19948
scheduled inspection, and failure to have an amusement ride ready 19949
for inspection do not apply to go karts. 19950

As used in division (E)(1) of this section, "expedited 19951
inspection" means an inspection of an amusement ride by the 19952
department not later than ten days after the owner of the 19953
amusement ride files an application for a permit under this 19954
section. 19955

(2) All fees and fines collected by the department under this 19956
chapter shall be deposited in the state treasury to the credit of 19957
the amusement ride inspection fund, which is hereby created, and 19958
shall be used only for the purpose of administering and enforcing 19959
section 1711.11 of the Revised Code and this chapter. 19960

(3) The owner of an amusement ride shall be required to pay a 19961
reinspection fee only if the reinspection is required by division 19962
(B)(2) of this section or rules adopted under that division, if 19963

the reinspection was conducted at the owner's request under 19964
division (F) of this section, if the reinspection is required by 19965
division (F) of this section because of an accident, or if the 19966
reinspection is required by division (F) of section 993.07 of the 19967
Revised Code. If a reinspection is conducted at the request of the 19968
chief officer of a fair, festival, or event where the ride is 19969
operating, the reinspection fee shall be charged to the fair, 19970
festival, or event. 19971

(4) The rules adopted under division (B) of this section 19972
shall define "roller coaster," "aerial lifts," "go karts," and 19973
"other rides" for purposes of determining the fees under division 19974
(E) of this section. The rules shall define "other rides" to 19975
include go kart tracks. 19976

(F) A reinspection of an amusement ride shall take place if 19977
an accident occurs, if the owner of the ride or the chief officer 19978
of the fair, festival, or event where the ride is operating 19979
requests a reinspection, if the chief inspector determines 19980
reinspection is necessary in accordance with section 993.042 of 19981
the Revised Code, or if the reinspection is required by division 19982
(F) of section 993.07 of the Revised Code. 19983

(G) As a supplement to its annual inspection of a temporary 19984
amusement ride, the department may inspect the ride during each 19985
scheduled event, as listed in the schedule of events provided to 19986
the department by the owner pursuant to division (C) of section 19987
993.07 of the Revised Code, at which the ride is operated in this 19988
state. These supplemental inspections are in addition to any other 19989
inspection or reinspection of the ride as may be required under 19990
this chapter or rules adopted under it, and the owner of the 19991
temporary amusement ride is not required to pay an inspection or 19992
reinspection fee for this supplemental inspection unless the 19993
supplemental inspection is being conducted pursuant to division 19994
(B)(2) of this section or rules adopted under that division. 19995

Nothing in this division shall be construed to prohibit the owner 19996
of a temporary amusement ride having a valid permit to operate in 19997
this state from operating the ride at a scheduled event before the 19998
department conducts a supplemental inspection. 19999

(H) The department may annually conduct a midseason 20000
operational inspection of every amusement ride upon which it 20001
conducts an annual inspection pursuant to division (A) of this 20002
section. The midseason operational inspection is in addition to 20003
any other inspection or reinspection of the amusement ride as may 20004
be required pursuant to this chapter. The owner of an amusement 20005
ride shall submit to the department, at the time determined by the 20006
department, the midseason operational inspection fee specified in 20007
division (E) of this section. The director, in accordance with 20008
Chapter 119. of the Revised Code, shall adopt rules specifying the 20009
time period during which the department will conduct midseason 20010
operational inspections. 20011

be conducted, and any further information as the superintendent 20081
requires. At the time of making an application for an original 20082
license, the applicant shall pay to the superintendent a 20083
nonrefundable investigation fee of two hundred dollars. No 20084
investigation fee or any portion thereof shall be refunded after 20085
an original license has been issued. The application for an 20086
original or renewal license shall be accompanied by an original or 20087
renewal license fee, for each business location of one thousand 20088

dollars, except that applications for original licenses issued on 20089
or after the first day of July for any year shall be accompanied 20090
by an original license fee of five hundred dollars, and except 20091
that an application for an original or renewal license, for a 20092
nonprofit corporation that is incorporated under Chapter 1702. of 20093
the Revised Code, shall be accompanied by an original or renewal 20094
license fee, for each business location, that is one-half of the 20095
fee otherwise required. All fees paid to the superintendent 20096
pursuant to this division shall be deposited into the state 20097
treasury to the credit of the consumer finance fund. 20098

(B) Upon the filing of an application for an original license 20099
and, with respect to an application filed for a renewal license, 20100
on a schedule determined by the superintendent by rule adopted 20101
pursuant to section 1321.43 of the Revised Code, and the payment 20102
of fees in accordance with division (A) of this section, the 20103
superintendent shall investigate the facts concerning the 20104
applicant and the requirements provided by this division. The 20105
superintendent shall request the superintendent of the bureau of 20106
criminal identification and investigation, or a vendor approved by 20107
the bureau, to conduct a criminal records check based on the 20108
applicant's fingerprints in accordance with section 109.572 of the 20109
Revised Code. Notwithstanding division ~~(K)~~(L) of section 121.08 of 20110
the Revised Code, the superintendent of financial institutions 20111
shall request that criminal record information from the federal 20112
bureau of investigation be obtained as part of the criminal 20113
records check. The superintendent of financial institutions shall 20114
conduct a civil records check. The superintendent shall approve an 20115
application and issue an original or renewal license to the 20116
applicant if the superintendent finds all of the following: 20117

(1) The financial responsibility, experience, and general 20118
fitness of the applicant are such as to warrant the belief that 20119
the business of making loans will be operated lawfully, honestly, 20120

and fairly under sections 1321.35 to 1321.48 of the Revised Code 20121
and within the purposes of those sections; that the applicant has 20122
fully complied with those sections and any rule or order adopted 20123
or issued pursuant to section 1321.43 of the Revised Code; and 20124
that the applicant is qualified to engage in the business of 20125
making loans under sections 1321.35 to 1321.48 of the Revised 20126
Code. 20127

(2) The applicant is financially sound and has a net worth of 20128
not less than one hundred thousand dollars, or in the case of a 20129
nonprofit corporation that is incorporated under Chapter 1702. of 20130
the Revised Code, a net worth of not less than fifty thousand 20131
dollars. The applicant's net worth shall be computed according to 20132
generally accepted accounting principles. 20133

(3) The applicant has never had revoked a license to make 20134
loans under sections 1321.35 to 1321.48 of the Revised Code, under 20135
former sections 1315.35 to 1315.44 of the Revised Code, or to do 20136
business under sections 1315.21 to 1315.30 of the Revised Code. 20137

(4) Neither the applicant nor any senior officer, or partner 20138
of the applicant, has pleaded guilty to or been convicted of a 20139
disqualifying offense as determined in accordance with section 20140
9.79 of the Revised Code. 20141

(5) Neither the applicant nor any senior officer, or partner 20142
of the applicant, has been subject to any adverse judgment for 20143
conversion, embezzlement, misappropriation of funds, fraud, 20144
misfeasance or malfeasance, or breach of fiduciary duty, or if the 20145
applicant or any of those other persons has been subject to such a 20146
judgment, the applicant has proven to the superintendent, by a 20147
preponderance of the evidence, that the applicant's or other 20148
person's activities and employment record since the judgment show 20149
that the applicant or other person is honest and truthful and 20150
there is no basis in fact for believing that the applicant or 20151
other person will be subject to such a judgment again. 20152

(C) If the superintendent finds that the applicant does not meet the requirements of division (B) of this section, or the superintendent finds that the applicant knowingly or repeatedly contracts with or employs persons to directly engage in lending activities who have been convicted of a felony crime listed in division (B)(5) of this section, the superintendent shall issue an order denying the application for an original or renewal license and giving the applicant an opportunity for a hearing on the denial in accordance with Chapter 119. of the Revised Code. The superintendent shall notify the applicant of the denial, the grounds for the denial, and the applicant's opportunity for a hearing. If the application is denied, the superintendent shall return the annual license fee but shall retain the investigation fee.

(D) No person licensed under sections 1321.35 to 1321.48 of the Revised Code shall conduct business in this state unless the licensee has obtained and maintains in effect at all times a corporate surety bond issued by a bonding company or insurance company authorized to do business in this state. The bond shall be in favor of the superintendent and in the penal sum of at least one hundred thousand dollars, or in the case of a nonprofit corporation that is incorporated under Chapter 1702. of the Revised Code, in the amount of fifty thousand dollars. The term of the bond shall coincide with the term of the license. The licensee shall file a copy of the bond with the superintendent. The bond shall be for the exclusive benefit of any borrower injured by a violation by a licensee or any employee of a licensee, of any provision of sections 1321.35 to 1321.48 of the Revised Code.

Sec. 1321.53. (A)(1) An application for a certificate of registration under sections 1321.51 to 1321.60 of the Revised Code shall contain an undertaking by the applicant to abide by those sections. The application shall be in writing, under oath, and in

the form prescribed by the division of financial institutions, and 20185
shall contain any information that the division may require. 20186
Applicants that are foreign corporations shall obtain and maintain 20187
a license pursuant to Chapter 1703. of the Revised Code before a 20188
certificate is issued or renewed. 20189

(2) Upon the filing of the application and the payment by the 20190
applicant of a nonrefundable two-hundred-dollar investigation fee 20191
and a nonrefundable three-hundred-dollar annual registration fee, 20192
the division shall investigate the relevant facts. If the 20193
application involves investigation outside this state, the 20194
applicant may be required by the division to advance sufficient 20195
funds to pay any of the actual expenses of such investigation, 20196
when it appears that these expenses will exceed two hundred 20197
dollars. An itemized statement of any of these expenses which the 20198
applicant is required to pay shall be furnished to the applicant 20199
by the division. No certificate shall be issued unless all the 20200
required fees have been submitted to the division. 20201

(3) The investigation undertaken upon application shall 20202
include both a civil and criminal records check of the applicant 20203
including any individual whose identity is required to be 20204
disclosed in the application. Where the applicant is a business 20205
entity the superintendent shall have the authority to require a 20206
civil and criminal background check of those persons that in the 20207
determination of the superintendent have the authority to direct 20208
and control the operations of the applicant. 20209

(4)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 20210
the Revised Code, the superintendent of financial institutions 20211
shall obtain a criminal history records check and, as part of that 20212
records check, request that criminal record information from the 20213
federal bureau of investigation be obtained. To fulfill this 20214
requirement, the superintendent shall request the superintendent 20215

of the bureau of criminal identification and investigation, or a 20216
vendor approved by the bureau, to conduct a criminal records check 20217
based on the applicant's fingerprints or, if the fingerprints are 20218
unreadable, based on the applicant's social security number, in 20219
accordance with section 109.572 of the Revised Code. 20220

(b) Any fee required under division (C)(3) of section 109.572 20221
of the Revised Code shall be paid by the applicant. 20222

(5) If an application for a certificate of registration does 20223
not contain all of the information required under division (A) of 20224
this section, and if such information is not submitted to the 20225
division within ninety days after the superintendent requests the 20226
information in writing, including by electronic transmission or 20227
facsimile, the superintendent may consider the application 20228
withdrawn. 20229

(6) If the division finds that the financial responsibility, 20230
experience, and general fitness of the applicant command the 20231
confidence of the public and warrant the belief that the business 20232
will be operated honestly and fairly in compliance with the 20233
purposes of sections 1321.51 to 1321.60 of the Revised Code and 20234
the rules adopted thereunder, and that the applicant has the 20235
applicable net worth and assets required by division (B) of this 20236
section, the division shall thereupon issue a certificate of 20237
registration to the applicant. The superintendent shall not use a 20238
credit score as the sole basis for a registration denial. 20239

(a)(i) Certificates of registration issued on or after July 20240
1, 2010, shall annually expire on the thirty-first day of 20241
December, unless renewed by the filing of a renewal application 20242
and payment of a three-hundred-dollar nonrefundable annual 20243
registration fee and any assessment as determined by the 20244
superintendent pursuant to division (A)(6)(a)(ii) of this section 20245
on or before the last day of December of each year. No other fee 20246
or assessment shall be required of a registrant by the state or 20247

any political subdivision of this state. 20248

(ii) If the renewal fees billed by the superintendent 20249
pursuant to division (A)(6)(a)(i) of this section are less than 20250
the estimated expenditures of the consumer finance section of the 20251
division of financial institutions, as determined by the 20252
superintendent, for the following fiscal year, the superintendent 20253
may assess each registrant at a rate sufficient to equal in the 20254
aggregate the difference between the renewal fees billed and the 20255
estimated expenditures. Each registrant shall pay the assessed 20256
amount to the superintendent prior to the last day of June. In no 20257
case shall the assessment exceed ten cents per each one hundred 20258
dollars of interest (excluding charge-off recoveries), points, 20259
loan origination charges, and credit line charges collected by 20260
that registrant during the previous calendar year. If such an 20261
assessment is imposed, it shall not be less than two hundred fifty 20262
dollars per registrant and shall not exceed thirty thousand 20263
dollars less the total renewal fees paid pursuant to division 20264
(A)(6)(a)(i) of this section by each registrant. 20265

(b) Registrants shall timely file renewal applications on 20266
forms prescribed by the division and provide any further 20267
information that the division may require. If a renewal 20268
application does not contain all of the information required under 20269
this section, and if that information is not submitted to the 20270
division within ninety days after the superintendent requests the 20271
information in writing, including by electronic transmission or 20272
facsimile, the superintendent may consider the application 20273
withdrawn. 20274

(c) Renewal shall not be granted if the applicant's 20275
certificate of registration is subject to an order of suspension, 20276
revocation, or an unpaid and past due fine imposed by the 20277
superintendent. 20278

(d) If the division finds the applicant does not meet the 20279

conditions set forth in this section, it shall issue a notice of 20280
intent to deny the application, and forthwith notify the applicant 20281
of the denial, the grounds for the denial, and the applicant's 20282
reasonable opportunity to be heard on the action in accordance 20283
with Chapter 119. of the Revised Code. 20284

(7) If there is a change of five per cent or more in the 20285
ownership of a registrant, the division may make any investigation 20286
necessary to determine whether any fact or condition exists that, 20287
if it had existed at the time of the original application for a 20288
certificate of registration, the fact or condition would have 20289
warranted the division to deny the application under division 20290
(A)(6) of this section. If such a fact or condition is found, the 20291
division may, in accordance with Chapter 119. of the Revised Code, 20292
revoke the registrant's certificate. 20293

(B) Each registrant that engages in lending under sections 20294
1321.51 to 1321.60 of the Revised Code shall maintain both of the 20295
following: 20296

(1) A net worth of at least fifty thousand dollars; 20297

(2) For each certificate of registration, assets of at least 20298
fifty thousand dollars either in use or readily available for use 20299
in the conduct of the business. 20300

(C) Not more than one place of business shall be maintained 20301
under the same certificate, but the division may issue additional 20302
certificates to the same registrant upon compliance with sections 20303
1321.51 to 1321.60 of the Revised Code, governing the issuance of 20304
a single certificate. No change in the place of business of a 20305
registrant to a location outside the original municipal 20306
corporation shall be permitted under the same certificate without 20307
the approval of a new application, the payment of the registration 20308
fee and, if required by the superintendent, the payment of an 20309
investigation fee of two hundred dollars. When a registrant wishes 20310

to change its place of business within the same municipal 20311
corporation, it shall give written notice of the change in advance 20312
to the division, which shall provide a certificate for the new 20313
address without cost. If a registrant changes its name, prior to 20314
making loans under the new name it shall give written notice of 20315
the change to the division, which shall provide a certificate in 20316
the new name without cost. Sections 1321.51 to 1321.60 of the 20317
Revised Code do not limit the loans of any registrant to residents 20318
of the community in which the registrant's place of business is 20319
situated. Each certificate shall be kept conspicuously posted in 20320
the place of business of the registrant and is not transferable or 20321
assignable. 20322

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 20323
apply to any of the following: 20324

(1) Entities chartered and lawfully doing business under the 20325
authority of any law of this state, another state, or the United 20326
States as a bank, savings bank, trust company, savings and loan 20327
association, or credit union, or a subsidiary of any such entity, 20328
which subsidiary is regulated by a federal banking agency and is 20329
owned and controlled by such a depository institution; 20330

(2) Life, property, or casualty insurance companies licensed 20331
to do business in this state; 20332

(3) Any person that is a lender making a loan pursuant to 20333
sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the 20334
Revised Code or a business loan as described in division (B)(6) of 20335
section 1343.01 of the Revised Code; 20336

(4) Any political subdivision, or any governmental or other 20337
public entity, corporation, instrumentality, or agency, in or of 20338
the United States or any state of the United States, or any entity 20339
described in division (B)(3) of section 1343.01 of the Revised 20340
Code; 20341

(5) A college or university, or controlled entity of a college or university, as those terms are defined in section 1713.05 of the Revised Code.

(E) No person engaged in the business of selling tangible goods or services related to tangible goods may receive or retain a certificate under sections 1321.51 to 1321.60 of the Revised Code for such place of business.

Sec. 1321.64. (A) An application for a license shall contain an undertaking by the applicant to abide by those sections. The application shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions, and shall contain any information that the superintendent may require. Applicants that are foreign corporations shall obtain and maintain a license pursuant to Chapter 1703. of the Revised Code before a license is issued or renewed.

(B) Upon the filing of the application and the payment by the applicant of a nonrefundable investigation fee of two hundred dollars, a nonrefundable annual registration fee of three hundred dollars, and any additional fee required by the NMLSR, the division of financial institutions shall investigate the relevant facts. If the application involves investigation outside this state, the applicant may be required by the division to advance sufficient funds to pay any of the actual expenses of the investigation when it appears that these expenses will exceed two hundred dollars. An itemized statement of any of these expenses which the applicant is required to pay shall be furnished to the applicant by the division. A license shall not be issued unless all the required fees have been submitted to the division.

(C)(1) The investigation undertaken upon receipt of an application shall include both a civil and criminal records check of any control person.

(2)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 20373
the Revised Code, the superintendent shall obtain a criminal 20374
records check on each control person and, as part of that records 20375
check, request that criminal records information from the federal 20376
bureau of investigation be obtained. To fulfill this requirement, 20377
the superintendent shall do either of the following: 20378

(i) Request the superintendent of the bureau of criminal 20379
identification and investigation, or a vendor approved by the 20380
bureau, to conduct a criminal records check based on the control 20381
person's fingerprints or, if the fingerprints are unreadable, 20382
based on the control person's social security number, in 20383
accordance with section 109.572 of the Revised Code; 20384

(ii) Authorize the NMLSR to request a criminal records check 20385
of the control person. 20386

(b) Any fee required under division (C)(3) of section 109.572 20387
of the Revised Code or by the NMLSR shall be paid by the 20388
applicant. 20389

(D) If an application for a license does not contain all of 20390
the information required under division (A) of this section, and 20391
if such information is not submitted to the division or to the 20392
NMLSR within ninety days after the superintendent or the NMLSR 20393
requests the information in writing, including by electronic 20394
transmission or facsimile, the superintendent may consider the 20395
application withdrawn. 20396

(E) If the superintendent of financial institutions finds 20397
that the financial responsibility, experience, and general fitness 20398
of the applicant command the confidence of the public and warrant 20399
the belief that the business will be operated honestly and fairly 20400
in compliance with the purposes of sections 1321.62 to 1321.702 of 20401
the Revised Code and the rules adopted thereunder, and that the 20402
applicant has the requisite net worth and assets required under 20403

section 1321.65 of the Revised Code, the superintendent shall 20404
issue a license to the applicant. The license shall be valid until 20405
the thirty-first day of December of the year in which it is 20406
issued. A person may be licensed under both sections 1321.51 to 20407
1321.60 and sections 1321.62 to 1321.702 of the Revised Code. 20408

(F) If the superintendent finds that the applicant does not 20409
meet the conditions set forth in this section, the superintendent 20410
shall issue a notice of intent to deny the application, and 20411
promptly notify the applicant of the denial, the grounds for the 20412
denial, and the applicant's reasonable opportunity to be heard on 20413
the action in accordance with Chapter 119. of the Revised Code. 20414

Sec. 1346.03. Any information provided to the attorney 20415
general by the department of taxation in accordance with division 20416
~~(C)(5)~~ (C)(2) of section 5703.21 of the Revised Code shall not be 20417
disclosed publicly by the attorney general except when it is 20418
necessary to facilitate compliance with and enforcement of section 20419
1346.01 or 1346.02 of the Revised Code. 20420

Sec. 1501.16. There is hereby created in the state treasury 20421
the performance bond refunds fund. The fund shall consist of money 20422
received by the department of natural resources from other 20423
entities as performance security. Upon the completion of work or 20424
satisfaction of terms for which the performance bond was required, 20425
the money shall be refunded to the pledging entity. In the event 20426
that the performance bond is forfeited, the money shall be 20427

in immediate substantial damage to natural resources. 20854

(b) Required records, reports, or logs have been submitted. 20855

(3) If the chief, after considering evidence presented by the 20856

horizontal well, that is producing or capable of producing oil or 20925
gas shall file with the chief of the division of oil and gas 20926

Sec. 1509.22. (A) Except when acting in accordance with 20946
section 1509.226 of the Revised Code, no person shall place or 20947
cause to be placed in ground water or in or on the land or 20948
discharge or cause to be discharged in surface water brine, crude 20949
oil, natural gas, or other fluids associated with the exploration, 20950

development, well stimulation, production operations, or plugging 20951
of oil and gas resources that causes or could reasonably be 20952
anticipated to cause damage or injury to public health or safety 20953
or the environment. 20954

(B)(1) No person shall store or dispose of brine in violation 20955
of a plan approved under division (A) of section 1509.222 or 20956
section 1509.226 of the Revised Code, in violation of a resolution 20957

(2)(a) On and after January 1, 2014, no person shall store, 20961
recycle, treat, process, or dispose of in this state brine or 20962
other waste substances associated with the exploration, 20963
development, well stimulation, production operations, or plugging 20964
of oil and gas resources without an order or a permit issued under 20965
this section or section 1509.06 or 1509.21 of the Revised Code or 20966

division (B)(2)(a) of this section, a permit or other form of 20968
authorization issued by another agency of the state or a political 20969
subdivision of the state shall not be considered a permit or order 20970
issued by the chief of the division of oil and gas resources 20971
management under this chapter. 20972

(b) Division (B)(2)(a) of this section does not apply to a 20973
person that disposes of such waste substances other than brine in 20974
accordance with Chapter 3734. of the Revised Code and rules 20975
adopted under it. 20976

(C) The chief shall adopt rules regarding storage, recycling, 20977
treatment, processing, and disposal of brine and other waste 20978
substances. The rules shall establish procedures and requirements 20979
in accordance with which a person shall apply for a permit or 20980
order for the storage, recycling, treatment, processing, or 20981
disposal of brine and other waste substances that are not subject 20982

to a permit issued under section 1509.06 or 1509.21 of the Revised Code and in accordance with which the chief may issue such a permit or order. An application for such a permit shall be accompanied by a nonrefundable fee of two thousand five hundred dollars.

The storage, recycling, treatment, processing, and disposal of brine and other waste substances and the chief's rules relating to storage, recycling, treatment, processing, and disposal are subject to all of the following standards:

(1) Brine from any well except an exempt Mississippian well shall be disposed of only as follows:

(a) By injection into an underground formation, including annular disposal if approved by rule of the chief, which injection shall be subject to division (D) of this section;

(b) By surface application in accordance with section 1509.226 of the Revised Code;

(c) In association with a method of enhanced recovery as provided in section 1509.21 of the Revised Code;

(d) In any other manner not specified in divisions (C)(1)(a) to (c) of this section that is approved by a permit or order issued by the chief.

(2) Brine from exempt Mississippian wells shall not be discharged directly into the waters of the state.

(3) Muds, cuttings, and other waste substances shall not be disposed of in violation of this chapter or any rule adopted under it.

(4) Pits or steel tanks shall be used as authorized by the chief for containing brine and other waste substances resulting from, obtained from, or produced in connection with drilling, well stimulation, reworking, reconditioning, plugging back, or plugging

operations. The pits and steel tanks shall be constructed and 21013
maintained to prevent the escape of brine and other waste 21014
substances. 21015

(5) A dike or pit may be used for spill prevention and 21016
control. A dike or pit so used shall be constructed and maintained 21017
to prevent the escape of brine and crude oil, and the reservoir 21018
within such a dike or pit shall be kept reasonably free of brine, 21019
crude oil, and other waste substances. 21020

(6) Impoundments constructed utilizing a synthetic liner 21021
pursuant to the division's specifications may be used for the 21022
temporary storage of waste substances used in the construction, 21023
stimulation, or plugging of a well. 21024

(7) No pit or dike shall be used for the temporary storage of 21025
brine or other waste substances except in accordance with 21026
divisions (C)(4) and (5) of this section. 21027

(8) No pit or dike shall be used for the ultimate disposal of 21028
brine or other liquid waste substances. 21029

(D)(1) No person, without first having obtained a permit from 21030
the chief, shall inject brine or other waste substances resulting 21031
from, obtained from, or produced in connection with oil or gas 21032
drilling, exploration, or production into an underground formation 21033
unless a rule of the chief expressly authorizes the injection 21034
without a permit. The permit shall be in addition to any permit 21035
required by section 1509.05 of the Revised Code, and the permit 21036
application shall be accompanied by a permit fee of one thousand 21037
dollars. The chief shall adopt rules in accordance with Chapter 21038
119. of the Revised Code regarding the injection into wells of 21039
brine and other waste substances resulting from, obtained from, or 21040
produced in connection with oil or gas drilling, exploration, or 21041
production. The rules shall include provisions regarding all of 21042
the following: 21043

(a) Applications for and issuance of the permits required by this division;	21044 21045
(b) Entry to conduct inspections and to examine and copy records to ascertain compliance with this division and rules, orders, and terms and conditions of permits adopted or issued under it;	21046 21047 21048 21049
(c) The provision and maintenance of information through monitoring, recordkeeping, and reporting. In addition, the rules shall require the owner of an injection well who has been issued a permit under division (D) of this section to quarterly submit electronically to the chief information concerning each shipment of brine or other waste substances received by the owner for injection into the well.	21050 21051 21052 21053 21054 21055 21056
(d) The provision and electronic reporting quarterly of information concerning brine and other waste substances from a transporter that is registered under section 1509.222 of the Revised Code prior to the injection of the transported brine or other waste substances;	21057 21058 21059 21060 21061
(e) Any other provisions in furtherance of the goals of this section and the Safe Drinking Water Act.	21062 21063
(2) The chief may adopt rules in accordance with Chapter 119. of the Revised Code authorizing tests to evaluate whether fluids or carbon dioxide may be injected in a reservoir and to determine the maximum allowable injection pressure, which shall be conducted in accordance with methods prescribed in the rules or in accordance with conditions of the permit. In addition, the chief may adopt rules that do both of the following:	21064 21065 21066 21067 21068 21069 21070
(a) Establish the total depth of a well for which a permit has been applied for or issued under this division;	21071 21072
(b) Establish requirements and procedures to protect public health and safety.	21073 21074

(3) To implement the goals of the Safe Drinking Water Act, 21075
the chief shall not issue a permit for the injection of brine or 21076
other waste substances resulting from, obtained from, or produced 21077
in connection with oil or gas drilling, exploration, or production 21078
unless the chief concludes that the applicant has demonstrated 21079
that the injection will not result in the presence of any 21080
contaminant in ground water that supplies or can reasonably be 21081
expected to supply any public water system, such that the presence 21082
of the contaminant may result in the system's not complying with 21083
any national primary drinking water regulation or may otherwise 21084
adversely affect the health of persons. 21085

(4) The chief may issue an order to the owner of a well in 21086
existence on September 10, 2012, to make changes in the operation 21087
of the well in order to correct problems or to address safety 21088
concerns. 21089

(5) This division and rules, orders, and terms and conditions 21090
of permits adopted or issued under it shall be construed to be no 21091
more stringent than required for compliance with the Safe Drinking 21092
Water Act unless essential to ensure that underground sources of 21093
drinking water will not be endangered. 21094

(E) The owner holding a permit, or an assignee or transferee 21095
who has assumed the obligations and liabilities imposed by this 21096
chapter and any rules adopted or orders issued under it pursuant 21097
to section 1509.31 of the Revised Code, and the operator of a well 21098
shall be liable for a violation of this section or any rules 21099
adopted or orders or terms or conditions of a permit issued under 21100
it. 21101

(F) An owner shall replace the water supply of the holder of 21102
an interest in real property who obtains all or part of the 21103
holder's supply of water for domestic, agricultural, industrial, 21104
or other legitimate use from an underground or surface source 21105
where the supply has been substantially disrupted by 21106

contamination, diminution, or interruption proximately resulting 21107
from the owner's oil or gas operation, or the owner may elect to 21108
compensate the holder of the interest in real property for the 21109
difference between the fair market value of the interest before 21110
the damage occurred to the water supply and the fair market value 21111
after the damage occurred if the cost of replacing the water 21112
supply exceeds this difference in fair market values. However, 21113
during the pendency of any order issued under this division, the 21114
owner shall obtain for the holder or shall reimburse the holder 21115
for the reasonable cost of obtaining a water supply from the time 21116
of the contamination, diminution, or interruption by the operation 21117
until the owner has complied with an order of the chief for 21118
compliance with this division or such an order has been revoked or 21119
otherwise becomes not effective. If the owner elects to pay the 21120
difference in fair market values, but the owner and the holder 21121
have not agreed on the difference within thirty days after the 21122
chief issues an order for compliance with this division, within 21123
ten days after the expiration of that thirty-day period, the owner 21124
and the chief each shall appoint an appraiser to determine the 21125
difference in fair market values, except that the holder of the 21126
interest in real property may elect to appoint and compensate the 21127
holder's own appraiser, in which case the chief shall not appoint 21128
an appraiser. The two appraisers appointed shall appoint a third 21129
appraiser, and within thirty days after the appointment of the 21130
third appraiser, the three appraisers shall hold a hearing to 21131
determine the difference in fair market values. Within ten days 21132
after the hearing, the appraisers shall make their determination 21133
by majority vote and issue their final determination of the 21134
difference in fair market values. The chief shall accept a 21135
determination of the difference in fair market values made by 21136
agreement of the owner and holder or by appraisers under this 21137
division and shall make and dissolve orders accordingly. This 21138
division does not affect in any way the right of any person to 21139

enforce or protect, under applicable law, the person's interest in 21140
water resources affected by an oil or gas operation. 21141

(G) In any action brought by the state for a violation of 21142
division (A) of this section involving any well at which annular 21143
disposal is used, there shall be a rebuttable presumption 21144
available to the state that the annular disposal caused the 21145
violation if the well is located within a one-quarter-mile radius 21146
of the site of the violation. 21147

~~(H)(1)~~(H) There is levied on the owner of an injection well 21148
who has been issued a permit under division (D) of this section 21149
the following fees: 21150

delivered to a well to be injected in the well when the substance 21152
is produced within the division of oil and gas resources 21153
management regulatory district in which the well is located or 21154
within an adjoining oil and gas resources management regulatory 21155
district; 21156

~~(b)(2)~~ Twenty cents per barrel of each substance that is 21157
delivered to a well to be injected in the well when the substance 21158
is not produced within the division of oil and gas resources 21159
management regulatory district in which the well is located or 21160
within an adjoining oil and gas resources management regulatory 21161
district. 21162

well in a calendar year on which a fee may be levied under 21164
division (H) of this section is five hundred thousand. If in a 21165
calendar year the owner of an injection well receives more than 21166
five hundred thousand barrels of substance to be injected in the 21167
owner's well and if the owner receives at least one substance that 21168
is produced within the division's regulatory district in which the 21169
well is located or within an adjoining regulatory district and at 21170~~

The fee then shall be calculated on the barrels of substance that are produced within the division's regulatory district in which the well is located or within an adjoining district at the rate established in division (H)(1) of this section until the maximum number of barrels established in division (H)(2) of this section has been attained.~~

~~(3) The (I) After retaining up to three per cent of the fee under division (K) of this section, the owner of an injection well who is issued a permit under division (D) of this section shall collect the applicable fee levied by division (H) of this section on behalf of the division of oil and gas resources management and forward the fee as follows:~~

~~(2) For any fee collected after the first five hundred thousand barrels in a calendar year:~~

~~(a) Fifty per cent of the fee to the division;~~

~~(b) Fifty per cent of the fee to the county where the injection of the substance occurred if the well is located in an incorporated area of the county or, if the injection well is located in an unincorporated area of the county, fifty per cent of the fee to the township where the injection of the substance occurred.~~

(J)(1) The chief shall transmit all money received under 21202
division ~~(H)~~(I) of this section to the treasurer of state who 21203
shall deposit the money in the state treasury to the credit of the 21204
oil and gas well fund created in section 1509.02 of the Revised 21205
Code. 21206

(2) The county or township shall transmit all money received 21207
under division (I) of this section to the county or township's 21208

~~levied by~~ pursuant to division (I) of this ~~division~~ section may 21211
retain up to three per cent of the amount that is collected. 21212

~~(4)~~(L) The chief shall adopt rules in accordance with Chapter 21213
119. of the Revised Code establishing requirements and procedures 21214
for collection of the fee ~~levied by~~ pursuant to division ~~(H)~~(I) of 21215
this section. 21216

levying taxes for the use of the district. The resolution shall 21842
declare the necessity of levying such taxes, shall specify the 21843
purpose for which such taxes shall be used, the annual rate 21844
proposed, and the number of consecutive years the rate shall be 21845
levied. Such resolution shall be forthwith certified to the board 21846
of elections in each county in which any part of such district is 21847
located, not later than the ninetieth day before the day of the 21848
election, and the question of the levy of taxes as provided in 21849

levy, the board shall request that the county auditor, in addition 21868
to the information the auditor is required to certify under 21869
section 5705.03 of the Revised Code, certify the estimated 21870
effective rate of the existing levy. In such an instance, the 21871
ballot must include a statement that: "an existing levy of ___ 21872
mills (stating the original levy millage) for each \$1 of taxable 21873
value, which amounts to \$___ (estimated effective rate) for each 21874
\$100,000 of the county auditor's appraised value, having ___ years 21875

of the levy being canceled. No such replacement levy shall be 21881

the Revised Code, and all other taxes authorized by law. The rate 21886
submitted to the electors at any one time shall not exceed two 21887
mills annually upon each dollar of taxable value unless the 21888
purpose of the levy includes providing operating revenues for one 21889
of Ohio's major metropolitan zoos, as defined in section 4503.74 21890
of the Revised Code, in which case the rate shall not exceed three 21891

has been authorized as provided in this section or in section 21893
1545.041 of the Revised Code, the board of park commissioners may 21894
issue bonds pursuant to section 133.24 of the Revised Code in 21895
anticipation of the collection of such levy, provided that such 21896
bonds shall be issued only for the purpose of acquiring and 21897
improving lands. Such levy, when collected, shall be applied in 21898
payment of the bonds so issued and the interest thereon. The 21899
amount of bonds so issued and outstanding at any time shall not 21900
exceed one per cent of the total taxable value in such district. 21901

determined as provided in section 9.95 of the Revised Code. 21903

the application on behalf of the applicant; the individual is 22646
familiar with the applicant's application; and to the best of the 22647
individual's knowledge, information, and belief, the statements 22648
made in the application are true, and the documents submitted with 22649
the application are true copies of the original documents. 22650

not reserved to its members; of all partners, if the issuer is a 22660

balance sheet made up as of the most recent practicable date, 22670
showing the amount and general character of its assets and 22671
liabilities; a description of the security for the qualification 22672
of which application is being made; and copies of all circulars, 22673
prospectuses, advertisements, or other descriptions of the 22674
securities, that are then prepared by or for the issuer, or by or 22675
for the applicant if the applicant is not the issuer, or by or for 22676

both, to be used for distribution or publication in this state; 22677

(5) A statement of the amount of the issuer's income, 22678

purchased from the issuer and an itemized statement of all 22686
expenses of financing to be paid from those considerations so as 22687
to show the aggregate net amount actually received or to be 22688
received by the issuer; 22689

(8) All other information, including an opinion of counsel as 22690
to the validity of the securities that are the subject matter of 22691
the application, that the division considers necessary to enable 22692
it to ascertain whether the securities are entitled to 22693
qualification; 22694

(9) If the issuer is a corporation, there shall be filed with 22695
the application a certified copy of its articles of incorporation 22696
with all amendments to the articles, if the articles or amendments 22697
are not already on file in the office of the secretary of state; 22698
if the issuer is a limited liability company, there shall be filed 22699
with the application a certified copy of its articles of 22700
organization with all amendments to the articles, if the articles 22701
or amendments are not already on file in the office of the 22702
secretary of state; if the issuer is a trust or trustee, there 22703
shall be filed with the application a copy of all instruments by 22704
which the trust was created; and if the issuer is a partnership or 22705
an unincorporated association, or any other form of organization, 22706
there shall be filed with the application a copy of its articles 22707

of partnership or association and of all other papers pertaining 22708
to its organization, if the articles or other papers are not 22709

(10) If the application is made with respect to securities to 22711
be sold or distributed by or on behalf of the issuer, or by or on 22712
behalf of an underwriter, as defined in division (N) of section 22713
1707.03 of the Revised Code, a statement showing that the issuer 22714
has received, or will receive at or prior to the delivery of those 22715
securities, not less than eighty-five per cent of the aggregate 22716
price at which all those securities are sold by or on behalf of 22717
the issuer, without deduction for any additional commission, 22718
directly or indirectly, and without liability to pay any 22719
additional sum as commission; 22720

(11) If the division so permits with respect to a security, 22721
an applicant may file with the division, in lieu of the division's 22722
prescribed forms, a copy of the registration statement relating to 22723
the security, with all amendments to that statement, previously 22724
filed with the securities and exchange commission of the United 22725
States under the "Securities Act of 1933," as amended, together 22726
with all additional data, information, and documents that the 22727
division requires. 22728

(C) If the division finds that it is not necessary in the 22729
public interest and for the protection of investors to require all 22730
the information specified in divisions (B)(1) to (10) of this 22731
section, it may permit the filing of applications for 22732
qualification that contain the information that it considers 22733
necessary and appropriate in the public interest and for the 22734
protection of investors, but this provision applies only in the 22735
case of applications for qualification of securities previously 22736
issued and outstanding that may not be made the subject matter of 22737
transactions exempt under division (M) of section 1707.03 of the 22738
Revised Code by reason of the fact that those securities within 22739

one year were purchased outside this state or within one year were 22740
transported into this state. 22741

(D) All the statements, exhibits, and documents required by 22742
the division under this section, except properly certified public 22743
documents, shall be verified by the oath of the applicant for 22744
qualification, of the issuer, or of any individual having 22745
knowledge of the facts, and in the manner and form that may be 22746
required by the division. Failure or refusal to comply with the 22747
requests of the division shall be sufficient reason for a refusal 22748
by the division to register securities. 22749

(E) If it appears to the division that substantially the only 22750
consideration to be paid for any of the securities to be qualified 22751
is to be intangible property of doubtful value, the division may 22752
require that the securities be delivered in escrow to a bank in 22753
this state under the terms that the division may reasonably 22754
prescribe or require to prevent a deceitful misrepresentation or 22755
sale of the securities; that the securities be subordinated in 22756
favor of those sold for sound value until they have a value 22757
bearing a reasonable relation to the value of those sold for sound 22758
value; or that a legend of warning specifying the considerations 22759
paid or to be paid for the securities be stamped or printed on all 22760
advertisements, circulars, pamphlets, or subscription blanks used 22761
in connection with the sale of any securities of the same issuer; 22762
or it may impose a combination of any two or more of these 22763
requirements. 22764

(F) At the time of filing the information prescribed in this 22765
section, the applicant shall pay to the division a filing fee of 22766
one hundred dollars. 22767

(G)(1) The division, at any time, as a prerequisite to 22768
qualification, may make an examination of the issuer of securities 22769
sought to be qualified. The applicant for qualification of any 22770
securities may be required by the division to advance sufficient 22771

funds to pay all or any part of the actual expenses of that 22772
examination, an itemized statement of which shall be furnished the 22773
applicant. 22774

(2) If the division finds that the business of the issuer is 22775
not fraudulently conducted, that the proposed offer or disposal of 22776
securities is not on grossly unfair terms, that the plan of 22777
issuance and sale of the securities referred to in the proposed 22778
offer or disposal would not defraud or deceive, or tend to defraud 22779
or deceive, purchasers, and that division (B)(10) of this section 22780
applies and has been complied with, the division shall notify the 22781
applicant of its findings, and, upon payment of a registration fee 22782
of one-tenth of one per cent of the aggregate price at which the 22783
securities are to be sold to the public in this state, which fee, 22784
however, shall in no case be less than one hundred or more than 22785
one thousand dollars, the division shall register the 22786
qualification of the securities. 22787

(H) An application for qualification of securities may be 22788
amended by the person filing it at any time prior to the 22789
division's action on it either in registering the securities for 22790
qualification or in refusing to do so. Subsequent to any such 22791
action by the division, the person who filed the application may 22792
file with the consent of the division one or more amendments to it 22793
that shall become effective upon the making by the division of the 22794
findings enumerated in division (G) of this section; the giving of 22795
notice of those findings to the applicant by the division; and the 22796
payment by the applicant of the additional fee that would have 22797
been payable had the application, as it previously became 22798
effective, contained the amendment. 22799

(I) When any securities have been qualified and the fees for 22800
the qualification have been paid as provided in this section, any 22801
licensed dealer subsequently may sell the securities under the 22802
qualification, so long as the qualification remains in full force, 22803

and any dealer of that nature that desires may file with the 22804
division a written notice of intention to sell the securities or 22805
any designated portion of them. For that filing, no fee need be 22806
paid. 22807

Sec. 1707.091. (A) Any security for which a registration 22808
statement has been filed pursuant to Section 6 of the Securities 22809
Act of 1933 or for which a notification form and offering circular 22810
has been filed pursuant to regulation A of the general rules and 22811
regulations of the securities and exchange commission, 17 C.F.R. 22812
sections 230.251 to 230.256 and 230.258 to 230.263, as amended 22813
before or after the effective date of this section, in connection 22814
with the same offering ~~may~~ shall be registered by coordination 22815
rather than by qualification under section 1707.09 of the Revised 22816
Code or any other method of registration. 22817

(B) A registration statement filed by or on behalf of the 22818
issuer under this section with the division of securities shall 22819
contain the following information and be accompanied by the 22820
following items in addition to the consent to service of process 22821
required by section 1707.11 of the Revised Code: 22822

(1) One copy of the latest form of prospectus or offering 22823
circular and notification filed with the securities and exchange 22824
commission; 22825

(2) If the division of securities by rule or otherwise 22826
requires, a copy of the articles of incorporation and code of 22827
regulations or bylaws, or their substantial equivalents, as 22828
currently in effect, a copy of any agreements with or among 22829
underwriters, a copy of any indenture or other instrument 22830
governing the issuance of the security to be registered, and a 22831
specimen or copy of the security; 22832

(3) If the division of securities requests, any other 22833
information, or copies of any other documents, filed with the 22834

securities and exchange commission; 22835

(4) An undertaking by the issuer to forward to the division, 22836
promptly and in any event not later than the first business day 22837
after the day they are forwarded to or thereafter are filed with 22838
the securities and exchange commission, whichever occurs first, 22839
all amendments to the federal prospectus, offering circular, 22840
notification form, or other documents filed with the securities 22841
and exchange commission, other than an amendment that merely 22842
delays the effective date; 22843

(5) A filing fee of one hundred dollars. 22844

(C) A registration statement filed under this section becomes 22845
effective, without delay or waiver of any condition by the 22846
division or issuer, either at the moment the federal registration 22847
statement becomes effective or at the time the offering may 22848
otherwise be commenced in accordance with the rules, regulations, 22849
or orders of the securities and exchange commission, if all of the 22850
following conditions are satisfied: 22851

(1) No stop order is in effect, no proceeding is pending 22852
under section 1707.13 of the Revised Code, and no cease and desist 22853
order has been issued pursuant to section 1707.23 of the Revised 22854
Code; 22855

(2) The registration statement has been on file with the 22856
division for at least fifteen days or for such shorter period as 22857
the division by rule or otherwise permits; provided, that if the 22858
registration statement is not filed with the division within five 22859
days of the initial filing with the securities and exchange 22860
commission, the registration statement must be on file with the 22861
division for thirty days or for such shorter period as the 22862
division by rule or otherwise permits. 22863

(3) A statement of the maximum and minimum proposed offering 22864
prices and the maximum underwriting discounts and commissions has 22865

been on file with the division for two full business days or for 22866
such shorter period as the division by rule or otherwise permits 22867
and the offering is made within those limitations; 22868

(4) The division has received a registration fee of one-tenth 22869
of one per cent of the aggregate price at which the securities are 22870
to be sold to the public in this state, which fee, however, shall 22871
in no case be less than one hundred or more than one thousand 22872
dollars. 22873

(D) The issuer shall promptly notify the division by 22874
telephone or telegram of the date and time when the federal 22875
registration statement became effective, or when the offering may 22876
otherwise be commenced in accordance with the rules, regulations, 22877
or orders of the securities and exchange commission, and of the 22878
contents of the price amendment, if any, and shall promptly file 22879
the price amendment. 22880

"Price amendment" for the purpose of this division, means the 22881
final federal registration statement amendment that includes a 22882
statement of the offering price, underwriting and selling 22883
discounts or commissions, amount of proceeds, conversion rates, 22884
call prices, and other matters dependent upon the offering price. 22885

If the division fails to receive the required notice and 22886
required copies of the price amendment, the division may enter a 22887
provisional stop order retroactively denying effectiveness to the 22888
registration statement or suspending its effectiveness until there 22889
is compliance with this division, provided the division promptly 22890
notifies the issuer or its representative by telephone or 22891
telegram, and promptly confirms by letter or telegram when it 22892
notifies by telephone, of the entry of the order. If the issuer or 22893
its representative proves compliance with the requirements of this 22894
division as to notice and price amendment filing, the stop order 22895
is void as of the time of its entry. The division may by rule or 22896
otherwise waive either or both of the conditions specified in 22897

divisions (C)(2) and (3) of this section. If the federal 22898
registration statement becomes effective, or if the offering may 22899
otherwise be commenced in accordance with the rules, regulations, 22900
or orders of the securities and exchange commission, before all of 22901
the conditions specified in divisions (C) and (D) of this section 22902
are satisfied and they are not waived by the division the 22903
registration statement becomes effective as soon as all of the 22904
conditions are satisfied. 22905

If the issuer advises the division of the date when the 22906
federal registration statement is expected to become effective, or 22907
when the offering may otherwise be commenced in accordance with 22908
the rules, regulations, or orders of the securities and exchange 22909
commission, the division shall promptly advise the issuer or its 22910
representative by telephone or telegram, at the issuer's expense, 22911
whether all of the conditions have been satisfied or whether the 22912
division then contemplates the institution of a proceeding under 22913
section 1707.13 or 1707.23 of the Revised Code, but such advice 22914
does not preclude the institution of such a proceeding at any 22915
time. 22916

Sec. 1707.092. (A) For the purposes of selling securities in 22917
this state, except securities that are the subject matter of 22918

state. 22963

(D) A notice filing submitted under this section shall be 22964
effective for thirteen months. 22965

Sec. 1707.28. (A) No prosecution or action by the division of 22966
securities or the director of commerce for a violation of any 22967
provision of sections 1707.01 to 1707.50 of the Revised Code shall 22968
bar any prosecution or action by the division of securities or the 22969
director of commerce, or be barred by any prosecution or other 22970

sections or of any other statute; but prosecutions and actions by 22972

violation of any provision of sections 1707.01 to 1707.50 of the 22974
Revised Code must be commenced within ~~five~~ six years after the 22975
commission of the alleged violation. 22976

(B) If the period of limitation provided in division (A) of 22977
this section has expired, prosecution shall be commenced for an 22978
offense of which an element is fraud or breach of a fiduciary 22979
duty, within one year after discovery of the offense either by an 22980
aggrieved person, or by the aggrieved person's legal 22981
representative who is not a party to the offense. 22982

(C) An offense is committed when every element of the offense 22983
occurs. In the case of an offense of which an element is a 22984
continuing course of conduct, the period of limitation does not 22985
begin to run until such a course of conduct or the accused's 22986
accountability for it terminates, whichever occurs first. 22987

(D) The period of limitation does not run during any time 22988
when the corpus delicti remains undiscovered. 22989

Sec. 1710.02. (A)(1) A special improvement district may be 22990
created within the boundaries of any one municipal corporation, 22991
any one township, or any combination of municipal corporations and 22992
townships within a single county, or counties that adjoin one 22993
another, for the purpose of developing and implementing plans for 22994
public improvements and public services that benefit the district. 22995
A district may be created by petition of the owners of real 22996
property within the proposed district, or by an existing qualified 22997
nonprofit corporation. 22998

(2) If the district is created by an existing qualified 22999
nonprofit corporation, the purposes for which the district is 23000
created may be supplemental to the other purposes for which the 23001
corporation is organized. The corporation is considered a special 23002
improvement district only when it acts with respect to a purpose 23003
for which the district is created, and not when it acts with 23004
respect to any other purpose for which it is organized. 23005

(3) All territory in a special improvement district shall be 23006
contiguous; except that the territory in a special improvement 23007
district may be noncontiguous if at least one special energy 23008

for each parcel of real property included within the special 23010
improvement district. Additional territory may be added to a 23011
special improvement district created under this chapter for the 23012
purpose of developing and implementing plans for special energy 23013
improvement projects or shoreline improvement projects if at least 23014
one special energy improvement project or shoreline improvement 23015
project, respectively, is designated for each parcel of real 23016
property included within such additional territory and the 23017
addition of territory is authorized by the initial plan proposed 23018
under division (F) of this section or a plan adopted by the board 23019
of directors of the special improvement district under section 23020
1710.06 of the Revised Code. 23021

(4) The district shall be governed by the board of trustees 23022
of a nonprofit corporation. This board shall be known as the board 23023
of directors of the special improvement district. 23024

(5) No special improvement district shall include any church 23025
property, or property of the federal or state government or a 23026
county, township, or municipal corporation, unless the church or 23027
the county, township, or municipal corporation specifically 23028
requests in writing that the property be included within the 23029
district, or unless the church is a member of the existing 23030
qualified nonprofit corporation creating the district at the time 23031
the district is created. 23032

(6) A shoreline improvement project may extend into the 23033
territory of Lake Erie as described in sections 1506.10 and 23034

territory under section 1710.06 and Chapter 727. of the Revised 23037
Code. 23038

(7) More than one district may be created within a 23039
participating political subdivision, but no real property may be 23040

state, county, township, municipal, or federal government, unless 23145
a church, county, township, or municipal corporation has 23146

Each municipal corporation or township with which the 23173
petition is filed has sixty days to approve or disapprove, by 23174
resolution, the petition, including the articles of incorporation. 23175
In the case of a district created by an existing qualified 23176
nonprofit corporation, each municipal corporation or township has 23177
sixty days to approve or disapprove the creation of the district 23178
after the corporation submits the articles of incorporation or 23179

amendments thereto. This chapter does not prohibit or restrict the 23180
rights of municipal corporations under Article XVIII of the Ohio 23181
Constitution or the right of the municipal legislative authority 23182
to impose reasonable conditions in a resolution of approval. The 23183
acquisition, installation, equipping, and improvement of a special 23184
energy improvement project under this chapter shall not supersede 23185
any local zoning, environmental, or similar law or regulation. In 23186
addition, all activities associated with a shoreline improvement 23187
project that is implemented under this chapter shall comply with 23188
all applicable local zoning requirements, all local, state, and 23189
federal environmental laws and regulations, and all applicable 23190

rules adopted under it. 23192

(F) Persons proposing creation and operation of the district 23193
may propose an initial plan for public services or public 23194
improvements that benefit all or any part of the district. Any 23195
initial plan shall be submitted as part of the petition proposing 23196
creation of the district or, in the case of a district created by 23197
an existing qualified nonprofit corporation, shall be submitted 23198
with the articles of incorporation or amendments thereto. 23199

An initial plan may include provisions for the following: 23200

nonprofit corporation to govern the district under this chapter; 23202

(2) Hiring employees and professional services; 23203

(3) Contracting for insurance; 23204

(4) Purchasing or leasing office space and office equipment; 23205

(5) Other actions necessary initially to form, operate, or 23206
organize the district and the nonprofit corporation to govern the 23207
district; 23208

(6) A plan for public improvements or public services that 23209

benefit all or part of the district, which plan shall comply with 23210
the requirements of division (A) of section 1710.06 of the Revised 23211
Code and may include, but is not limited to, any of the permissive 23212
provisions described in the fourth sentence of that division or 23213
listed in divisions (A)(1) to (7) of that section; 23214

(7) If the special improvement district is being created 23215
under this chapter for the purpose of developing and implementing 23216
plans for special energy improvement projects or shoreline 23217

corporations and townships to which it is submitted for approval 23221
and the district is created, each participating subdivision shall 23222
levy a special assessment within its boundaries to pay for the 23223
costs of the initial plan. The levy shall be for no more than ten 23224
years from the date of the approval of the initial plan; except 23225
that if the proceeds of the levy are to be used to pay the costs 23226
of a special energy improvement project or shoreline improvement 23227
project, the levy of a special assessment shall be for no more 23228
than thirty years from the date of approval of the initial plan. 23229
In the event that additional territory is added to a special 23230
improvement district, the special assessment to be levied with 23231
respect to such additional territory shall commence not earlier 23232
than the date such territory is added and shall be for no more 23233
than thirty years from such date. For purposes of levying an 23234
assessment for this initial plan, the services or improvements 23235
included in the initial plan shall be deemed a special benefit to 23236
property owners within the district. 23237

(G) Each nonprofit corporation governing a district under 23238
this chapter may do the following: 23239

under Chapter 1702. of the Revised Code that do not conflict with 23241

(4) Contract and pay for insurance for the district and for directors, officers, agents, contractors, employees, or members of the district for any consequences of the implementation of any plan adopted by the district or any actions of the district.	23251 23252 23253 23254
The board of directors of a special improvement district may, acting as agent and on behalf of a participating political subdivision, sell, transfer, lease, or convey any special energy improvement project owned by the participating political subdivision upon a determination by the legislative authority thereof that the project is not required to be owned exclusively by the participating political subdivision for its purposes, for uses determined by the legislative authority thereof as those that will promote the welfare of the people of such participating political subdivision; improve the quality of life and the general and economic well-being of the people of the participating political subdivision; better ensure the public health, safety, and welfare; protect water and other natural resources; provide for the conservation and preservation of natural and open areas and farmlands, including by making urban areas more desirable or suitable for development and revitalization; control, prevent, minimize, clean up, or mediate certain contamination of or pollution from lands in the state and water contamination or pollution; or provide for safe and natural areas and resources.	23255 23256 23257 23258 23259 23260 23261 23262 23263 23264 23265 23266 23267 23268 23269 23270 23271 23272 23273

The legislative authority of each participating political subdivision shall specify the consideration for such sale, transfer, lease, or conveyance and any other terms thereof. Any determinations made by a legislative authority of a participating political subdivision under this division shall be conclusive.

Any sale, transfer, lease, or conveyance of a special energy improvement project by a participating political subdivision or the board of directors of the special improvement district may be made without advertising, receipt of bids, or other competitive bidding procedures applicable to the participating political subdivision or the special improvement district under Chapter 153. or 735. or section 1710.11 of the Revised Code or other representative provisions of the Revised Code.

Such an alternative process may consist of a vote of the owners association or unit owners association, the approval of a specified percentage of property owners, or any other procedure authorized by the bylaws, declarations, covenants, and restrictions governing the planned community or condominium development.

As used in this division, "condominium development" and "unit owners association" have the same meanings as in section 5311.01 of the Revised Code, and "planned community," "owners association," "bylaws," and "declaration" have the same meanings

as in section 5312.01 of the Revised Code. 23306

Sec. 1710.06. (A) The board of directors of a special 23307

specific public improvements or public services that are to be 23311
provided, identify the area in which they will be provided, and 23312
specify the method of assessment to be used. Each plan for public 23313
improvements or public services shall indicate the period of time 23314
the assessments are to be levied for the improvements and services 23315
and, if public services are included in the plan, the period of 23316
time the services are to remain in effect. Plans for public 23317
improvements may include the planning, design, construction, 23318

project by the special improvement district, between a 23344
participating political subdivision and the special improvement 23345
district, and between the special improvement district and any 23346

(B) Once the board of directors of the special improvement 23355
district adopts a plan, it shall submit the plan to the 23356

petition is approved by the legislative authority of each 23384
participating political subdivision, the plan contained in the 23385
petition shall be effective at the earliest date on which a 23386
nonemergency resolution of the legislative authority with the 23387
latest effective date may become effective. A plan may not be 23388
resubmitted to the legislative authorities and municipal 23389
executives more than three times in any twelve-month period. 23390

(C) Each participating political subdivision shall levy, by 23391
special assessment upon specially benefited property located 23392
within the district, the costs of any public improvements or 23393
public services plan contained in a petition approved by the 23394
participating political subdivisions under this section or 23395
division (F) of section 1710.02 of the Revised Code. The levy 23396

(2) For the purpose of levying an assessment, the board of 23403
directors may combine one or more improvements or services plans 23404

township trustees. 23412

specifically requested in writing that its property be included 23424
within the special improvement district and the church or 23425
political subdivision is a member of the district or, in the case 23426

defined in section 727.031 of the Revised Code, is exempt from 23430
special assessments levied under division (C) of this section, 23431

provided no delinquent special assessments and related interest 23432
and penalties are levied or assessed against any property owned by 23433
the owner and operator of the qualifying real property for that 23434
tax year. 23435

to property owners assessed under this chapter, including those 23438

(3) Any other information, including, but not limited to, 24726
results and reports of any medical examinations, tests, or 24727

the siblings or other children in order to determine whether 24767

accordance with requirements specified under division (B)(6) of 24782
section 2151.4211 of the Revised Code, unless an arrest is made at 24783
the time of the report that results in the appropriate public 24784
children services agency being contacted concerning the possible 24785
abuse or neglect of a child or the possible threat of abuse or 24786
neglect of a child. 24787

(2) When a public children services agency receives a report 24788

(b) If the county served by the agency is also served by a 24793
children's advocacy center and the report alleges sexual abuse of 24794
a child or another type of abuse of a child that is specified in 24795
the memorandum of understanding that creates the center as being 24796

under section 2151.428 of the Revised Code relative to that 24802
center; 24803

(c) Unless an arrest is made at the time of the report that 24804
results in the appropriate law enforcement agency being contacted 24805
concerning the possible abuse or neglect of a child or the 24806
possible threat of abuse or neglect of a child, and in accordance 24807
with requirements specified under division (B)(6) of section 24808

is made pursuant to this section from the child's parents, 24817
stepparents, or guardian or any other persons having custody of 24818
the child without consultation with the public children services 24819
agency, unless, in the judgment of the officer, and, if the report 24820

A failure to make the investigation in accordance with the 24849
memorandum is not grounds for, and shall not result in, the 24850
dismissal of any charges or complaint arising from the report or 24851
the suppression of any evidence obtained as a result of the report 24852
and does not give, and shall not be construed as giving, any 24853
rights or any grounds for appeal or post-conviction relief to any 24854
person. The public children services agency shall report each case 24855
to the uniform statewide automated child welfare information 24856
system that the department of job and family services shall 24857
maintain in accordance with section 5101.13 of the Revised Code. 24858

proceeding brought pursuant to division (M) of this section 24911
against a person who is alleged to have violated division (A)(1) 24912
of this section, provided that any information in a report that 24913

defendant or an agent or employee of the defendant, has been 24916
redacted. In a criminal proceeding, the report is admissible in 24917

the facility governing board, upon the advice of the judicial 25675
advisory board, may dissolve the facility and program by 25676
notifying, in writing, the division of parole and community 25677

being served by one or more district community-based correctional 25697

shall be filled in the same manner as provided for original 25726
appointments. Any member of the board who is appointed to fill a 25727
vacancy occurring before the expiration of the term for which the 25728
member's predecessor was appointed shall hold office for the 25729
remainder of the predecessor's term. Members of the board shall 25730
not receive compensation for their services but may be reimbursed 25731
for reasonable and necessary expenses incurred as a result of 25732
service on the board. 25733

Sec. 2307.22. (A) Subject to sections 2307.23 and 2307.24 and except as provided in division (B) of section 2307.70, ~~division (B)~~ divisions (C)(2) and (3) of section 4507.07, section 4399.02, or another section of the Revised Code that expressly establishes joint and several tort liability for specified persons, joint and several tort liability shall be determined as follows: 25764
25765
25766
25767
25768
25769

(1) In a tort action in which the trier of fact determines that two or more persons proximately caused the same injury or loss to person or property or the same wrongful death and in which 25770
25771
25772

the trier of fact determines that more than fifty per cent of the 25773
tortious conduct is attributable to one defendant, that defendant 25774
shall be jointly and severally liable in tort for all compensatory 25775
damages that represent economic loss. 25776

(2) If division (A)(1) of this section is applicable, each 25777
defendant who is determined by the trier of fact to be legally 25778
responsible for the same injury or loss to person or property or 25779
the same wrongful death and to whom fifty per cent or less of the 25780
tortious conduct is attributable shall be liable to the plaintiff 25781
only for that defendant's proportionate share of the compensatory 25782
damages that represent economic loss. The proportionate share of a 25783
defendant shall be calculated by multiplying the total amount of 25784
the economic damages awarded to the plaintiff by the percentage of 25785
tortious conduct as determined pursuant to section 2307.23 of the 25786
Revised Code that is attributable to that defendant. 25787

(3) In a tort action in which the trier of fact determines 25788
that two or more persons proximately caused the same injury or 25789
loss to person or property or the same wrongful death and in which 25790
the trier of fact determines that fifty per cent or less of the 25791
tortious conduct is attributable to any defendant against whom an 25792
intentional tort claim has been alleged and established, that 25793
defendant shall be jointly and severally liable in tort for all 25794
compensatory damages that represent economic loss. 25795

(4) If division (A)(3) of this section is applicable, each 25796
defendant against whom an intentional tort claim has not been 25797
alleged and established, who is determined by the trier of fact to 25798
be legally responsible for the same injury or loss to person or 25799
property or the same wrongful death, and to whom fifty per cent or 25800
less of the tortious conduct is attributable shall be liable to 25801
the plaintiff only for that defendant's proportionate share of the 25802
compensatory damages that represent economic loss. The 25803
proportionate share of a defendant shall be calculated by 25804

multiplying the total amount of the economic damages awarded to 25805
the plaintiff by the percentage of tortious conduct as determined 25806
pursuant to section 2307.23 of the Revised Code that is 25807
attributable to that defendant. 25808

(B) Except as otherwise provided in divisions (A)(3) and (4) 25809
of this section, in a tort action in which the trier of fact 25810
determines that two or more persons proximately caused the same 25811
injury or loss to person or property or the same wrongful death 25812
and in which the trier of fact determines that fifty per cent or 25813
less of the tortious conduct is attributable to each defendant, 25814
each defendant shall be liable to the plaintiff only for that 25815
defendant's proportionate share of the compensatory damages that 25816
represent economic loss. The proportionate share of a defendant 25817
shall be calculated by multiplying the total amount of the 25818
economic damages awarded to the plaintiff by the percentage of 25819
tortious conduct as determined pursuant to section 2307.23 of the 25820
Revised Code that is attributable to that defendant. 25821

(C) In a tort action in which the trier of fact determines 25822
that two or more persons proximately caused the same injury or 25823
loss to person or property or the same wrongful death, each 25824
defendant who is determined by the trier of fact to be legally 25825
responsible for the same injury or loss to person or property or 25826
for the same wrongful death shall be liable to the plaintiff only 25827
for that defendant's proportionate share of the compensatory 25828
damages that represent noneconomic loss. The proportionate share 25829
of a defendant shall be calculated by multiplying the total amount 25830
of the noneconomic damages awarded to the plaintiff by the 25831
percentage of tortious conduct as determined pursuant to section 25832
2307.23 of the Revised Code that is attributable to that 25833
defendant. 25834

applicant committed, or actions that the applicant failed to take, 27046
before or after the issuance of the temporary permit. 27047

(E) Within thirty days after receiving an initial license 27048

an initial license application, the attorney general may grant a 27061
temporary license and request additional time to conduct the 27062

raised during the investigation. 27066

violated any provision of sections 2915.02 or 2915.07 to 2915.13 27085
of the Revised Code or any rule adopted by the attorney general 27086
pursuant to this chapter. 27087

statement that is material to the granting of the license in an 27089
application filed under this section. 27090

incorrect or false information that is material to the granting of 27095

(e) The attorney general has good cause to believe that the 27098
organization will not conduct bingo in accordance with sections 27099
2915.07 to 2915.15 of the Revised Code or with any rule adopted by 27100
the attorney general pursuant to this chapter. 27101

(3) If the attorney general has good cause to believe that 27102
any director or officer of the organization has breached the 27103
director's or officer's fiduciary duty to, or committed theft or 27104
any other type of misconduct related to, the organization or any 27105
other charitable organization that has been issued a bingo license 27106
under this chapter, the attorney general may refuse to grant a 27107
license to the organization, may impose limits, restrictions, or 27108
probationary conditions on the license, or may revoke or suspend 27109
the organization's license for a period not to exceed five years. 27110

(4) The attorney general may impose a civil fine on an 27111
organization licensed or permitted under this chapter for failure 27112
to comply with any restrictions, limits, or probationary 27113
conditions on its license, and for failure to comply with this 27114
chapter or any rule adopted under this chapter, according to a 27115
schedule of fines that the attorney general shall adopt in 27116
accordance with Chapter 119. of the Revised Code. 27117

(5) For the purposes of division (F) of this section, any 27118
action of an officer, trustee, agent, representative, or bingo 27119
game operator of an organization is an action of the organization. 27120

(G) The attorney general may grant licenses to charitable 27121
organizations that are branches, lodges, or chapters of national 27122

charitable organizations. 27123

(H) The attorney general shall send notice of any of the 27124
following actions in writing to the prosecuting attorney and 27125
sheriff of the county in which the charitable organization is 27126
located and to any other law enforcement agency in that county 27127
that so requests, of all of the following: 27128

(1) The issuance of a license under this section; 27129

application of the charitable organization that the attorney 27141

license is a type I, type II, or type III license, and the days of 27144

refusal, revocation, limit, restriction, probationary condition, 27150

attorney general to give the written notice of the reasons for the 27153
refusal, revocation, limit, restriction, probationary condition, 27154

the validity of the attorney general's refusal to grant, or the 27156
revocation or suspension of, or limit, restriction, probationary 27157
condition on, a license. If the attorney general fails to give the 27158

The victim, victim's representative, victim's attorney, if applicable, the prosecutor or the prosecutor's designee, and the offender may provide information relevant to the determination of the amount of restitution. The amount the court orders as restitution shall not exceed the amount of the economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court imposes restitution for the cost of accounting or auditing done to determine the extent of economic loss, the court may order restitution for any amount of the victim's costs of accounting or auditing provided that the amount of restitution is reasonable and does not exceed the value of property or services stolen or damaged as a result of the offense. If the court decides to or is required to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim,

victim's representative, victim's attorney, if applicable, or 28918
victim's estate disputes the amount of restitution. The court 28919
shall determine the amount of full restitution by a preponderance 28920
of the evidence. 28921

All restitution payments shall be credited against any 28922
recovery of economic loss in a civil action brought by the victim 28923
or the victim's estate against the offender. No person may 28924
introduce evidence of an award of restitution under this section 28925
in a civil action for purposes of imposing liability against an 28926
insurer under section 3937.18 of the Revised Code. 28927

The court may order that the offender pay a surcharge, of not 28928
more than five per cent of the amount of the restitution otherwise 28929
ordered, to the entity responsible for collecting and processing 28930
restitution payments. 28931

The victim, victim's attorney, if applicable, or the attorney 28932
for the victim's estate may request that the prosecutor in the 28933
case file a motion, or the offender may file a motion, for 28934
modification of the payment terms of any restitution ordered. If 28935
the court grants the motion, it may modify the payment terms as it 28936
determines appropriate but shall not reduce the amount of 28937
restitution ordered, except as provided in division (A) of section 28938
2929.281 of the Revised Code. 28939

(ii) All or part of the costs of confinement in a jail or other residential facility, including, but not limited to, a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined;	28963 28964 28965 28966 28967
(iii) All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under section 4510.13 of the Revised Code.	28968 28969 28970 28971 28972
(b) The amount of reimbursement ordered under division (A)(3)(a) of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. If the court does not order reimbursement under that division, 28978
confinement costs may be assessed pursuant to a repayment policy 28979
adopted under section 2929.37 of the Revised Code. In addition, 28980
the offender may be required to pay the fees specified in section 28981
2929.38 of the Revised Code in accordance with that section. 28982

may hold a hearing to determine whether the offender is able to 28984
pay the financial sanction imposed pursuant to this section or 28985
court costs or is likely in the future to be able to pay the 28986
sanction or costs. 28987

If the court determines that the offender is indigent and 28988
unable to pay the financial sanction or court costs, the court 28989
shall consider imposing and may impose a term of community service 28990
under division (A) of section 2929.27 of the Revised Code in lieu 28991
of imposing a financial sanction or court costs. If the court does 28992
not determine that the offender is indigent, the court may impose 28993
a term of community service under division (A) of section 2929.27 28994
of the Revised Code in lieu of or in addition to imposing a 28995
financial sanction under this section and in addition to imposing 28996

in operating a facility used to confine offenders pursuant to a 29008
sanction imposed under section 2929.26 of the Revised Code to the 29009

county treasurer. The county treasurer shall deposit the 29010
reimbursements in the county's general fund. The county shall use 29011
the amounts deposited in the fund to pay the costs incurred by the 29012
county pursuant to any sanction imposed under this section or 29013
section 2929.26 or 2929.27 of the Revised Code or in operating a 29014
facility used to confine offenders pursuant to a sanction imposed 29015
under section 2929.26 of the Revised Code. 29016

(2) The offender shall pay reimbursements imposed upon the 29017
offender pursuant to division (A)(3) of this section to pay the 29018
costs incurred by a municipal corporation pursuant to any sanction 29019
imposed under this section or section 2929.26 or 2929.27 of the 29020
Revised Code or in operating a facility used to confine offenders 29021
pursuant to a sanction imposed under section 2929.26 of the 29022
Revised Code to the treasurer of the municipal corporation. The 29023
treasurer shall deposit the reimbursements in the municipal 29024
corporation's general fund. The municipal corporation shall use 29025
the amounts deposited in the fund to pay the costs incurred by the 29026
municipal corporation pursuant to any sanction imposed under this 29027
section or section 2929.26 or 2929.27 of the Revised Code or in 29028

sanction imposed under section 2929.26 of the Revised Code. 29030

(3) The offender shall pay reimbursements imposed pursuant to 29031
division (A)(3) of this section for the costs incurred by a 29032
private provider pursuant to a sanction imposed under this section 29033
or section 2929.26 or 2929.27 of the Revised Code to the provider. 29034

~~(D)~~(D)(1) In addition to any other fine that is or may be 29035
imposed under this section, the court imposing sentence upon an 29036
offender for misdemeanor domestic violence or menacing by stalking 29037
may impose a fine of not less than seventy nor more than five 29038
hundred dollars, which shall, except as provided in divisions 29039
(D)(2) and (3) of this section, be transmitted to the treasurer of 29040
state to be credited to the address confidentiality program fund 29041

created by section 111.48 of the Revised Code. 29042

(2) A court that imposes a fine under division (D)(1) of this 29043
section may retain up to twenty-five per cent of amounts collected 29044
in satisfaction of the fine to cover administrative costs. 29045

(3) A court that imposes a fine under division (D)(1) of this 29046
section may assign up to twenty-five per cent of amounts collected 29047
in satisfaction of the fine to reimburse the prosecuting attorney 29048

(E) Except as otherwise provided in this division, a 29050
financial sanction imposed under division (A) of this section is a 29051
judgment in favor of the state or the political subdivision that 29052
operates the court that imposed the financial sanction, and the 29053
offender subject to the financial sanction is the judgment debtor. 29054
A financial sanction of reimbursement imposed pursuant to division 29055
(A)(3)(a)(i) of this section upon an offender is a judgment in 29056
favor of the entity administering the community control sanction, 29057
and the offender subject to the financial sanction is the judgment 29058
debtor. A financial sanction of reimbursement imposed pursuant to 29059
division (A)(3)(a)(ii) of this section upon an offender confined 29060
in a jail or other residential facility is a judgment in favor of 29061
the entity operating the jail or other residential facility, and 29062
the offender subject to the financial sanction is the judgment 29063
debtor. A financial sanction of restitution imposed pursuant to 29064
division (A)(1) of this section is an order in favor of the victim 29065
of the offender's criminal act that can be collected through a 29066
certificate of judgment as described in division (E)(1) of this 29067
section, through execution as described in division (E)(2) of this 29068
section, or through an order as described in division (E)(3) of 29069
this section, and the offender shall be considered for purposes of 29070
the collection as the judgment debtor. 29071

Once the financial sanction is imposed as a judgment or order 29072
under this division, the victim, private provider, state, or 29073

political subdivision may do any of the following: 29074

(1) Obtain from the clerk of the court in which the judgment 29075
was entered, at no charge, a certificate of judgment that shall be 29076
in the same manner and form as a certificate of judgment issued in 29077
a civil action; 29078

(2) Obtain execution of the judgment or order through any 29079
available procedure, including any of the procedures identified in 29080
divisions (D)(1) and (2) of section 2929.18 of the Revised Code. 29081

(3) Obtain an order for the assignment of wages of the 29082
judgment debtor under section 1321.33 of the Revised Code. 29083

(F) The civil remedies authorized under division (E) of this 29084
section for the collection of the financial sanction supplement, 29085
but do not preclude, enforcement of the criminal sentence. 29086

(G) Each court imposing a financial sanction upon an offender 29087
under this section may designate the clerk of the court or another 29088

person authorized by law or the court to collect the financial 29090
sanction may do the following: 29091

(1) Enter into contracts with one or more public agencies or 29092

sections 307.86 to 307.92 of the Revised Code. 29097

(2) Permit payment of all or any portion of the sanction in 29098
installments, by financial transaction device if the court is a 29099
county court or a municipal court operated by a county, by credit 29100
or debit card or by another electronic transfer if the court is a 29101
municipal court not operated by a county, or by any other 29102
reasonable method, in any time, and on any terms that court 29103
considers just, except that the maximum time permitted for payment 29104

shall not exceed five years. If the court is a county court or a municipal court operated by a county, the acceptance of payments by any financial transaction device shall be governed by the policy adopted by the board of county commissioners of the county pursuant to section 301.28 of the Revised Code. If the court is a municipal court not operated by a county, the clerk may pay any fee associated with processing an electronic transfer out of public money or may charge the fee to the offender.

(3) To defray administrative costs, charge a reasonable fee to an offender who elects a payment plan rather than a lump sum payment of any financial sanction.

(H) No financial sanction imposed under this section shall preclude a victim from bringing a civil action against the offender.

(I) If the court imposes restitution, fines, fees, or incarceration costs on a business or corporation, it is the duty of the person authorized to make disbursements from assets of the business or corporation to pay the restitution, fines, fees, or incarceration costs from those assets.

(J) If an offender is sentenced to pay restitution, a fine, fee, or incarceration costs, the clerk of the sentencing court, on request, shall make the offender's payment history available to the victim, victim's representative, victim's attorney, if applicable, the prosecutor, the probation department, and the court without cost.

(D)(1) If a defendant is incarcerated for the commission of 29387
aggravated murder, murder, or an offense of violence that is a 29388

felony of the first, second, or third degree or is under a 29389

sentence of life imprisonment if committed by an adult, except as 29394
otherwise provided in this division, the notices described in 29395
divisions (B) and (C) of this section shall be given regardless of 29396
whether the victim or victim's representative has requested the 29397
notification. The notices described in divisions (B) and (C) of 29398
this section shall not be given under this division to a victim or 29399
victim's representative if the victim or victim's representative 29400
has requested pursuant to division (B)(2) of section 2930.03 of 29401
the Revised Code that the victim or victim's representative not be 29402

division (C) of this section be provided or not be provided, the 29405
custodial agency shall give notice similar to those notices to the 29406
prosecutor in the case, to the sentencing court, to the law 29407

offense, and to any member of the victim's immediate family who 29410
requests notification. If the notice given under this division to 29411
the victim and victim's representative is based on an offense 29412
committed prior to March 22, 2013, and if the prosecutor or 29413
custodial agency has not previously successfully provided any 29414
notice to the victim and victim's representative under this 29415
division or division (B) or (C) of this section with respect to 29416

victim's representative not be provided any further notices with 29420
respect to that offense and the offender who committed it and 29421

The prosecutor or custodial agency may give the notices to 29430
which this division applies by any reasonable means, including, 29431
but not limited to, regular mail, telephone, and electronic mail. 29432
If the prosecutor or custodial agency attempts to provide notice 29433
to a victim or victim's representative under this division but the 29434
attempt is unsuccessful because the prosecutor or custodial agency 29435
is unable to locate the victim or victim's representative, is 29436
unable to provide the notice by its chosen method because it 29437
cannot determine the mailing address, telephone number, or 29438
electronic mail address at which to provide the notice, or, if the 29439
notice is sent by mail, the notice is returned, the prosecutor or 29440
custodial agency shall make another attempt to provide the notice 29441
to the victim or victim's representative. If the second attempt is 29442
unsuccessful, the prosecutor or custodial agency shall make at 29443
least one more attempt to provide the notice. If the notice is 29444
based on an offense committed prior to March 22, 2013, in each 29445
attempt to provide the notice to the victim or victim's 29446
representative, the notice shall include the opt-out information 29447
described in the preceding paragraph. The prosecutor or custodial 29448
agency, in accordance with division (D)(2) of this section, shall 29449
keep a record of all attempts to provide the notice, and of all 29450
notices provided, under this division. 29451

Division (D)(1) of this section, and the notice-related 29452
provisions of divisions (E)(2) and (K) of section 2929.20, 29453

amendment, division (A)(3)(b) of section 2967.26, division (D)(1) 29456
of section 2967.28, and division (A)(2) of section 5149.101 of the 29457
Revised Code enacted in the act in which division (D)(1) of this 29458
section was enacted, shall be known as "Roberta's Law." 29459

(2) Each prosecutor and custodial agency that attempts to 29460
give any notice to which division (D)(1) of this section applies 29461
shall keep a record of all attempts to give the notice. The record 29462
shall indicate the person who was to be the recipient of the 29463
notice, the date on which the attempt was made, the manner in 29464
which the attempt was made, and the person who made the attempt. 29465
If the attempt is successful and the notice is given, the record 29466
shall indicate that fact. The record shall be kept in a manner 29467
that allows public inspection of attempts and notices given to 29468
persons other than victims or victims' representatives without 29469
revealing the names, addresses, or other identifying information 29470
relating to victims or victims' representatives. The record of 29471
attempts and notices given to victims or victims' representatives 29472
is not a public record, but the prosecutor or custodial agency 29473
shall provide upon request a copy of that record to a prosecuting 29474
attorney, judge, law enforcement agency, or member of the general 29475
assembly. The record of attempts and notices given to persons 29476
other than victims or victims' representatives is a public record. 29477
A record kept under this division may be indexed by offender name, 29478
or in any other manner determined by the prosecutor or the 29479
custodial agency. Each prosecutor or custodial agency that is 29480
required to keep a record under this division shall determine the 29481
procedures for keeping the record and the manner in which it is to 29482
be kept, subject to the requirements of this division. 29483

(F) The department may limit the number of persons specified
in division (E)(1) of this section who may be present at any
single victim conference, provided that the department shall not
limit the number of persons who may be present at any single

of the victim, a member of the victim's immediate family, or the
victim's representative, multiple victim conferences for the

(iii) Each person's fear of physical harm, if any, resulting from the other person's threatened use of force against any person or resulting from the other person's use or history of the use of force against any person, and the reasonableness of that fear;

(e)(i) A peace officer described in division (A) of this section shall not require, as a prerequisite to arresting or

charges against the person who has committed the offense or sign a 30055
complaint against the person who has committed the offense. 30056

authorities in the prosecution of the offense or, subsequent to 30061
the arrest or the filing of the charges, informs the involved law 30062

charges against the alleged offender relative to the offense and 30068
notwithstanding the victim's failure to cooperate or the victim's 30069
wishes, shall consider all facts and circumstances that are 30070
relevant to the offense, including, but not limited to, the 30071
statements and observations of the peace officers who responded to 30072
the incident that resulted in the arrest or filing of the charges 30073
and of all witnesses to that incident. 30074

this section whether to arrest a person pursuant to division 30076
(B)(1) of this section, a peace officer described in division (A) 30077
of this section shall not consider as a factor any possible 30078
shortage of cell space at the detention facility to which the 30079
person will be taken subsequent to the person's arrest or any 30080
possibility that the person's arrest might cause, contribute to, 30081
or exacerbate overcrowding at that detention facility or at any 30082
other detention facility. 30083

(g) If a peace officer described in division (A) of this section intends pursuant to divisions (B)(3)(a) to (g) of this section to arrest a person pursuant to division (B)(1) of this section and if the officer is unable to do so because the person is not present, the officer promptly shall seek a warrant for the arrest of the person.
