alleged father to pay support to the natural mother or the 31689
~~guardian or legal custodian~~ caretaker of the child. The order 31690
shall remain in effect until the court issues a judgment in the 31691
action pursuant to section 3111.13 of the Revised Code that 31692
determines the existence or nonexistence of a father and child 31693
relationship. If the court, in its judgment, determines that the 31694
alleged father is not the natural father of the child, the court 31695
shall order the person to whom the temporary support was paid 31696
under the order to repay the alleged father all amounts paid for 31697

from taking an assessment from which the student was excused under 33193
division (C)(4) of this section. 33194

(D)(1) In the school year next succeeding the school year in 33195
which the assessments prescribed by division (A)(1) or (B)(1) of 33196
section 3301.0710 of the Revised Code or former division (A)(1), 33197
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 33198
existed prior to September 11, 2001, are administered to any 33199
student, the board of education of any school district in which 33200
the student is enrolled in that year shall provide to the student 33201
intervention services commensurate with the student's performance, 33202

including any intensive intervention required under section 33203
3313.608 of the Revised Code, in any skill in which the student 33204
failed to demonstrate at least a score at the proficient level on 33205
the assessment. 33206

(2) Following any administration of the assessments 33207
prescribed by division (D) of section 3301.0710 of the Revised 33208
Code to ninth grade students, each school district that has a 33209
three-year average graduation rate of not more than seventy-five 33210
per cent shall determine for each high school in the district 33211
whether the school shall be required to provide intervention 33212
services to any students who took the assessments. In determining 33213
which high schools shall provide intervention services based on 33214
the resources available, the district shall consider each school's 33215
graduation rate and scores on the practice assessments. The 33216
district also shall consider the scores received by ninth grade 33217
students on the English language arts and mathematics assessments 33218
prescribed under division (A)(1)(f) of section 3301.0710 of the 33219
Revised Code in the eighth grade in determining which high schools 33220
shall provide intervention services. 33221

Each high school selected to provide intervention services 33222
under this division shall provide intervention services to any 33223
student whose results indicate that the student is failing to make 33224
satisfactory progress toward being able to attain scores at the 33225
proficient level on the Ohio graduation tests. Intervention 33226
services shall be provided in any skill in which a student 33227
demonstrates unsatisfactory progress and shall be commensurate 33228
with the student's performance. Schools shall provide the 33229
intervention services prior to the end of the school year, during 33230
the summer following the ninth grade, in the next succeeding 33231
school year, or at any combination of those times. 33232

(E) Except as provided in section 3313.608 of the Revised 33233
Code and division (N) of this section, no school district board of 33234

education shall utilize any student's failure to attain a 33235
specified score on an assessment administered under this section 33236
as a factor in any decision to deny the student promotion to a 33237
higher grade level. However, a district board may choose not to 33238
promote to the next grade level any student who does not take an 33239
assessment administered under this section or make up an 33240
assessment as provided by division (C)(2) of this section and who 33241
is not exempt from the requirement to take the assessment under 33242
division (C)(3) of this section. 33243

(F) No person shall be charged a fee for taking any 33244
assessment administered under this section. 33245

(G)(1) Each school district board shall designate one 33246
location for the collection of assessments administered in the 33247
spring under division (B)(1) of this section and those 33248
administered under divisions (B)(2) to (7) of this section. Each 33249
district board shall submit the assessments to the entity with 33250
which the department contracts for the scoring of the assessments 33251
as follows: 33252

(a) If the district's total enrollment in grades kindergarten 33253
through twelve during the first full school week of October was 33254
less than two thousand five hundred, not later than the Friday 33255
after all of the assessments have been administered; 33256

(b) If the district's total enrollment in grades kindergarten 33257
through twelve during the first full school week of October was 33258
two thousand five hundred or more, but less than seven thousand, 33259
not later than the Monday after all of the assessments have been 33260
administered; 33261

(c) If the district's total enrollment in grades kindergarten 33262
through twelve during the first full school week of October was 33263
seven thousand or more, not later than the Tuesday after all of 33264
the assessments have been administered. 33265

However, any assessment that a student takes during the 33266
make-up period described in division (C)(2) of this section shall 33267
be submitted not later than the Friday following the day the 33268
student takes the assessment. 33269

(2) The department or an entity with which the department 33270
contracts for the scoring of the assessment shall send to each 33271
school district board a list of the individual scores of all 33272
persons taking a state achievement assessment as follows: 33273

(a) Except as provided in division (G)(2)(b) or (c) of this 33274
section, within forty-five days after the administration of the 33275
assessments prescribed by sections 3301.0710 and 3301.0712 of the 33276
Revised Code, but in no case shall the scores be returned later 33277
than the thirtieth day of June following the administration; 33278

(b) In the case of the third-grade English language arts 33279
assessment, within forty-five days after the administration of 33280
that assessment, but in no case shall the scores be returned later 33281
than the fifteenth day of June following the administration; 33282

(c) In the case of the writing component of an assessment or 33283
end-of-course examination in the area of English language arts, 33284
except for the third-grade English language arts assessment, the 33285
results may be sent after forty-five days of the administration of 33286
the writing component, but in no case shall the scores be returned 33287
later than the thirtieth day of June following the administration. 33288

(3) For assessments administered under this section by a 33289
joint vocational school district, the department or entity shall 33290
also send to each city, local, or exempted village school district 33291
a list of the individual scores of any students of such city, 33292
local, or exempted village school district who are attending 33293
school in the joint vocational school district. 33294

(4) Beginning with the 2019-2020 school year, a school 33295
district, other public school, or chartered nonpublic school may 33296

administer the third-grade English language arts or mathematics 33297
assessment, or both, in a paper format in any school year for 33298
which the district board of education or school governing body 33299
adopts a resolution indicating that the district or school chooses 33300
to administer the assessment in a paper format. The board or 33301
governing body shall submit a copy of the resolution to the 33302
department of education not later than the first day of May prior 33303
to the school year for which it will apply. If the resolution is 33304
submitted, the district or school shall administer the assessment 33305
in a paper format to all students in the third grade, except that 33306
any student whose individualized education program or plan 33307
developed under section 504 of the "Rehabilitation Act of 1973," 33308
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 33309
assessment in an online format is an appropriate accommodation for 33310
the student may take the assessment in an online format. 33311

(H) Individual scores on any assessments administered under 33312
this section shall be released by a district board only in 33313
accordance with section 3319.321 of the Revised Code and the rules 33314
adopted under division (A) of this section. No district board or 33315
its employees shall utilize individual or aggregate results in any 33316
manner that conflicts with rules for the ethical use of 33317
assessments adopted pursuant to division (A) of this section. 33318

(I) Except as provided in division (G) of this section, the 33319
department or an entity with which the department contracts for 33320
the scoring of the assessment shall not release any individual 33321
scores on any assessment administered under this section. The 33322
state board shall adopt rules to ensure the protection of student 33323
confidentiality at all times. The rules may require the use of the 33324
data verification codes assigned to students pursuant to division 33325
(D)(2) of section 3301.0714 of the Revised Code to protect the 33326
confidentiality of student scores. 33327

(J) Notwithstanding division (D) of section 3311.52 of the 33328

Revised Code, this section does not apply to the board of 33329
education of any cooperative education school district except as 33330
provided under rules adopted pursuant to this division. 33331

(1) In accordance with rules that the state board shall 33332
adopt, the board of education of any city, exempted village, or 33333
local school district with territory in a cooperative education 33334
school district established pursuant to divisions (A) to (C) of 33335
section 3311.52 of the Revised Code may enter into an agreement 33336
with the board of education of the cooperative education school 33337
district for administering any assessment prescribed under this 33338
section to students of the city, exempted village, or local school 33339
district who are attending school in the cooperative education 33340
school district. 33341

(2) In accordance with rules that the state board shall 33342
adopt, the board of education of any city, exempted village, or 33343
local school district with territory in a cooperative education 33344
school district established pursuant to section 3311.521 of the 33345
Revised Code shall enter into an agreement with the cooperative 33346
district that provides for the administration of any assessment 33347
prescribed under this section to both of the following: 33348

(a) Students who are attending school in the cooperative 33349
district and who, if the cooperative district were not 33350
established, would be entitled to attend school in the city, 33351
local, or exempted village school district pursuant to section 33352
3313.64 or 3313.65 of the Revised Code; 33353

(b) Persons described in division (B)(8)(b) of this section. 33354

Any assessment of students pursuant to such an agreement 33355
shall be in lieu of any assessment of such students or persons 33356
pursuant to this section. 33357

(K)(1)(a) Except as otherwise provided in division (K)(1) or 33358
(2) of this section, each chartered nonpublic school for which at 33359

least sixty-five per cent of its total enrollment is made up of 33360
students who are participating in state scholarship programs shall 33361
administer the assessments prescribed by division (A) of section 33362
3301.0710 of the Revised Code or an alternative standardized 33363
assessment determined by the department. In accordance with 33364
procedures and deadlines prescribed by the department, the parent 33365
or guardian of a student enrolled in the school who is not 33366
participating in a state scholarship program may submit notice to 33367
the chief administrative officer of the school that the parent or 33368
guardian does not wish to have the student take the assessments 33369
prescribed for the student's grade level under division (A) of 33370
section 3301.0710 of the Revised Code. If a parent or guardian 33371
submits an opt-out notice, the school shall not administer the 33372
assessments to that student. This option does not apply to any 33373
assessment required for a high school diploma under section 33374
3313.612 of the Revised Code. 33375

(b) Any chartered nonpublic school that enrolls students who 33376
are participating in state scholarship programs may administer an 33377
alternative standardized assessment determined by the department 33378
instead of the assessments prescribed by division (A) of section 33379
3301.0710 of the Revised Code. 33380

Each chartered nonpublic school subject to division (K)(1)(a) 33381
or (b) of this section shall report the results of each assessment 33382
administered under those divisions to the department. 33383

(2) A chartered nonpublic school may submit to the 33384
superintendent of public instruction a request for a waiver from 33385
administering the elementary assessments prescribed by division 33386
(A) of section 3301.0710 of the Revised Code. The state 33387
superintendent shall approve or disapprove a request for a waiver 33388
submitted under division (K)(2) of this section. No waiver shall 33389
be approved for any school year prior to the 2015-2016 school 33390
year. 33391

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions: 33392
33393

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome. 33394

33396
33397
33398
33399
33400
33401
33402

(b) The school has solely served a student population described in division (K)(1)(a) of this section for at least ten years. 33403
33404
33405

(c) The school provides to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including diagnostic assessments and nationally standardized norm-referenced achievement assessments that measure reading and math skills. 33406
33407
33408
33409
33410
33411

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as public schools are required to do under this section and rules adopted by the department. 33412
33413
33414
33415
33416
33417
33418
33419
33420
33421
33422
33423

(4) The department of education shall furnish the assessments prescribed by section 3301.0710 of the Revised Code to each chartered nonpublic school that is subject to division (K)(1) of this section or participates under division (K)(3) of this section.

(L) If a chartered nonpublic school is educating students in grades nine through twelve, the following shall apply:

(1) Except as provided in division (L)(4) of this section, for a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states and who is attending the school under a state scholarship program, the student shall either take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code or take an alternative assessment approved by the department under section 3313.619 of the Revised Code. However, a student who is excused from taking an assessment under division (C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(2) For a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states, and who is not attending the school under a state scholarship program, the student shall not be required to take any assessment prescribed under section 3301.0712 or 3313.619 of the Revised Code.

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of

this section, for a student who is enrolled in a chartered 33456
nonpublic school that is not accredited through the independent 33457
schools association of the central states, regardless of whether 33458
the student is attending or is not attending the school under a 33459
state scholarship program, the student shall do one of the 33460
following: 33461

(i) Take all of the assessments prescribed by division (B) of 33462
section 3301.0712 of the Revised Code; 33463

(ii) Take only the assessment prescribed by division (B)(1) 33464
of section 3301.0712 of the Revised Code, provided that the 33465
student's school publishes the results of that assessment for each 33466
graduating class. The published results of that assessment shall 33467
include the overall composite scores, mean scores, twenty-fifth 33468
percentile scores, and seventy-fifth percentile scores for each 33469
subject area of the assessment. 33470

(iii) Take an alternative assessment approved by the 33471
department under section 3313.619 of the Revised Code. 33472

(b) A student who is excused from taking an assessment under 33473
division (C) of this section or has presented evidence to the 33474
chartered nonpublic school of having satisfied the condition 33475
prescribed by division (A)(1) of section 3313.618 of the Revised 33476
Code to qualify for a high school diploma prior to the date of the 33477
administration of the assessment prescribed under division (B)(1) 33478
of section 3301.0712 of the Revised Code shall not be required to 33479
take that assessment. No governing authority of a chartered 33480
nonpublic school shall prohibit a student who is not required to 33481
take such assessment from taking the assessment. 33482

(4) The assessments prescribed by sections 3301.0712 and 33483
3313.619 of the Revised Code shall not be administered to any 33484
student attending the school, if the school meets all of the 33485
following conditions: 33486

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L)(4) of this section applies to any student attending such school regardless of whether the student receives special education or related services and regardless of whether the student is attending the school under a state scholarship program.

(M)(1) The superintendent of ~~the state school for the blind and the superintendent of the state school for the deaf~~ Ohio deaf and blind education services shall administer the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code for the state school for the blind and the state school for the deaf. ~~Each~~ The superintendent of Ohio deaf and blind education services shall administer the assessments in the same manner as district boards are required to do under this section and rules

adopted by the department of education and in conformity with 33519
division (C)(1)(a) of this section. 33520

(2) The department of education shall furnish the assessments 33521
described by sections 3301.0710 and 3301.0712 of the Revised Code 33522
to ~~each~~ the superintendent of Ohio deaf and blind education 33523
services. 33524

(N) Notwithstanding division (E) of this section, a school 33525
district may use a student's failure to attain a score in at least 33526
the proficient range on the mathematics assessment described by 33527
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 33528
an assessment described by division (A)(1)(b), (c), (d), (e), or 33529
(f) of section 3301.0710 of the Revised Code as a factor in 33530
retaining that student in the current grade level. 33531

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 33532
and (7) of this section, the assessments required by division 33533
(A)(1) of section 3301.0710 of the Revised Code shall become 33534
public records pursuant to section 149.43 of the Revised Code on 33535
the thirty-first day of July following the school year that the 33536
assessments were administered. 33537

(2) The department may field test proposed questions with 33538
samples of students to determine the validity, reliability, or 33539
appropriateness of questions for possible inclusion in a future 33540
year's assessment. The department also may use anchor questions on 33541
assessments to ensure that different versions of the same 33542
assessment are of comparable difficulty. 33543

Field test questions and anchor questions shall not be 33544
considered in computing scores for individual students. Field test 33545
questions and anchor questions may be included as part of the 33546
administration of any assessment required by division (A)(1) or 33547
(B) of section 3301.0710 and division (B) of section 3301.0712 of 33548
the Revised Code. 33549

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6)(a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and

2016-2017 school years, questions on the assessments prescribed 33581
under division (A) of section 3301.0710 and division (B)(2) of 33582
section 3301.0712 of the Revised Code and the corresponding 33583
preferred answers that are used to compute a student's score shall 33584
become a public record as follows: 33585

(i) Forty per cent of the questions and preferred answers on 33586
the assessments on the thirty-first day of July following the 33587
administration of the assessment; 33588

(ii) Twenty per cent of the questions and preferred answers 33589
on the assessment on the thirty-first day of July one year after 33590
the administration of the assessment; 33591

(iii) The remaining forty per cent of the questions and 33592
preferred answers on the assessment on the thirty-first day of 33593
July two years after the administration of the assessment. 33594

The entire content of an assessment shall become a public 33595
record within three years of its administration. 33596

The department shall make the questions that become a public 33597
record under this division readily accessible to the public on the 33598
department's web site. Questions on the spring administration of 33599
each assessment shall be released on an annual basis, in 33600
accordance with this division. 33601

(b) No questions and corresponding preferred answers shall 33602
become a public record under division (O)(6) of this section after 33603
July 31, 2017. 33604

(7) Division (O)(7) of this section applies to the 33605
assessments prescribed by division (A) of section 3301.0710 and 33606
division (B)(2) of section 3301.0712 of the Revised Code. 33607

Beginning with the assessments administered in the spring of 33608
the 2017-2018 school year, not less than forty per cent of the 33609
questions on each assessment that are used to compute a student's 33610

score shall be a public record. The department shall determine 33611
which questions will be needed for reuse on a future assessment 33612
and those questions shall not be public records and shall be 33613
redacted from the assessment prior to its release as a public 33614
record. However, for each redacted question, the department shall 33615
inform each city, local, and exempted village school district of 33616
the corresponding statewide academic standard adopted by the state 33617
board under section 3301.079 of the Revised Code and the 33618
corresponding benchmark to which the question relates. The 33619
department is not required to provide corresponding standards and 33620
benchmarks to field test questions that are redacted under 33621
division (O)(3) of this section. 33622

(P) As used in this section: 33623

(1) "Three-year average" means the average of the most recent 33624
consecutive three school years of data. 33625

(2) "Dropout" means a student who withdraws from school 33626
before completing course requirements for graduation and who is 33627
not enrolled in an education program approved by the state board 33628

the total amount of state funds due to the district for the 34061
current fiscal year; 34062

(d) Direct department staff or an outside entity to 34063
investigate the district's data reporting practices and make 34064
recommendations for subsequent actions. The recommendations may 34065
include one or more of the following actions: 34066

(i) Arrange for an audit of the district's data reporting 34067
practices by department staff or an outside entity; 34068

(ii) Conduct a site visit and evaluation of the district; 34069

(iii) Withhold an additional amount of up to thirty per cent 34070
of the total amount of state funds due to the district for the 34071
current fiscal year; 34072

(iv) Continue monitoring the district's data reporting; 34073

(v) Assign department staff to supervise the district's data 34074
management system; 34075

(vi) Conduct an investigation to determine whether to suspend 34076

or revoke the license of any district employee in accordance with 34077
division (N) of this section; 34078

(vii) If the district is issued a report card under section 34079
3302.03 of the Revised Code, indicate on the report card that the 34080
district has been sanctioned for failing to report data as 34081
required by this section; 34082

(viii) If the district is issued a report card under section 34083
3302.03 of the Revised Code and incomplete or inaccurate data 34084
submitted by the district likely caused the district to receive a 34085
higher performance rating than it deserved under that section, 34086
issue a revised report card for the district; 34087

(ix) Any other action designed to correct the district's data 34088
reporting problems. 34089

(3) Any time the department takes an action against a school 34090
district under division (L)(2) of this section, the department 34091
shall make a report of the circumstances that prompted the action. 34092
The department shall send a copy of the report to the district 34093
superintendent or chief administrator and maintain a copy of the 34094
report in its files. 34095

(4) If any action taken under division (L)(2) of this section 34096
resolves a school district's data reporting problems to the 34097
department's satisfaction, the department shall not take any 34098
further actions described by that division. If the department 34099
withheld funds from the district under that division, the 34100
department may release those funds to the district, except that if 34101
the department withheld funding under division (L)(2)(c) of this 34102
section, the department shall not release the funds withheld under 34103
division (L)(2)(b) of this section and, if the department withheld 34104
funding under division (L)(2)(d) of this section, the department 34105
shall not release the funds withheld under division (L)(2)(b) or 34106
(c) of this section. 34107

(5) Notwithstanding anything in this section to the contrary, 34108
the department may use its own staff or an outside entity to 34109
conduct an audit of a school district's data reporting practices 34110
any time the department has reason to believe the district has not 34111
made a good faith effort to report data as required by this 34112
section. If any audit conducted by an outside entity under 34113
division (L)(2)(d)(i) or (5) of this section confirms that a 34114
district has not made a good faith effort to report data as 34115
required by this section, the district shall reimburse the 34116
department for the full cost of the audit. The department may 34117
withhold state funds due to the district for this purpose. 34118

(6) Prior to issuing a revised report card for a school 34119
district under division (L)(2)(d)(viii) of this section, the 34120
department may hold a hearing to provide the district with an 34121
opportunity to demonstrate that it made a good faith effort to 34122
report data as required by this section. The hearing shall be 34123
conducted by a referee appointed by the department. Based on the 34124
information provided in the hearing, the referee shall recommend 34125
whether the department should issue a revised report card for the 34126
district. If the referee affirms the department's contention that 34127
the district did not make a good faith effort to report data as 34128
required by this section, the district shall bear the full cost of 34129
conducting the hearing and of issuing any revised report card. 34130

(7) If the department determines that any inaccurate data 34131
reported under this section caused a school district to receive 34132
excess state funds in any fiscal year, the district shall 34133
reimburse the department an amount equal to the excess funds, in 34134
accordance with a payment schedule determined by the department. 34135
The department may withhold state funds due to the district for 34136
this purpose. 34137

(8) Any school district that has funds withheld under 34138
division (L)(2) of this section may appeal the withholding in 34139

accordance with Chapter 119. of the Revised Code. 34140

(9) In all cases of a disagreement between the department and 34141
a school district regarding the appropriateness of an action taken 34142
under division (L)(2) of this section, the burden of proof shall 34143
be on the district to demonstrate that it made a good faith effort 34144
to report data as required by this section. 34145

(10) The state board of education shall adopt rules under 34146
Chapter 119. of the Revised Code to implement division (L) of this 34147
section. 34148

(M) No information technology center or school district shall 34149
acquire, change, or update its student administration software 34150
package to manage and report data required to be reported to the 34151
department unless it converts to a student software package that 34152
is certified by the department. 34153

(N) The state board of education, in accordance with sections 34154
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 34155
license as defined under division (A) of section 3319.31 of the 34156
Revised Code that has been issued to any school district employee 34157
found to have willfully reported erroneous, inaccurate, or 34158
incomplete data to the education management information system. 34159

(O) No person shall release or maintain any information about 34160
any student in violation of this section. Whoever violates this 34161
division is guilty of a misdemeanor of the fourth degree. 34162

(P) The department shall disaggregate the data collected 34163
under division (B)(1)(n) of this section according to the race and 34164
socioeconomic status of the students assessed. 34165

(Q) If the department cannot compile any of the information 34166
required by division (I) of section 3302.03 of the Revised Code 34167
based upon the data collected under this section, the department 34168
shall develop a plan and a reasonable timeline for the collection 34169
of any data necessary to comply with that division. 34170

Sec. 3301.0731. As used in this section, "English learner" 34171
has the same meaning as in 20 U.S.C. 7801. 34172

The state board of education shall adopt rules regarding the 34173
identification, instruction, assessment, and reclassification of 34174
English learners. The rules shall conform to the department of 34175
education's plan, as approved by the United States secretary of 34176
education, to comply with the "Elementary and Secondary Education 34177
Act of 1965," 20 U.S.C. 6311 to 6339. 34178

Sec. 3301.132. (A)(1) As used in this section, "policy" means 34179
a written clarification or explanation of a statute or rule that 34180
is initiated by the department of education. "Policy" does not 34181
include any educational guideline, suggestion, or case study 34182
regarding how to comply with a statute or rule or any document or 34183
guideline regarding the internal organization or operation of the 34184
department, including matters regarding administration, personnel, 34185
or accounting. 34186

(2) A policy does not have the force of law. 34187

(B) Policies established by the department shall be subject 34188
to all of the following requirements: 34189

(1) A policy shall comply with the statutes and rules that 34190
are in existence at the time the policy is established. 34191

(2) A policy shall not establish any new requirement. 34192

(3) The first page of each policy shall have printed on it 34193
the following statement in uppercase letters: "THIS POLICY DOES 34194
NOT HAVE THE FORCE OF LAW." 34195

(4) A policy shall state clearly the statutory provision or 34196
administrative rule on which it is based. 34197

(C) Not later than ninety days after the effective date of 34198
this section, and every five years thereafter, the department 34199

shall review each policy that it established prior to the 34200
effective date of this section or that it establishes after that 34201
date and shall prepare written documentation certifying that the 34202
policy has been reviewed. The documentation is a public record 34203
under section 149.43 of the Revised Code. A policy that has not 34204
been so reviewed is void. 34205

(D) A person may file a written complaint at any time with 34206
the superintendent of public instruction alleging that a policy 34207
established by the department of education does not comply with 34208
the requirements established under division (B)(1) or (2) of this 34209
section. Not later than ninety days after receiving the complaint, 34210
the state superintendent shall review the policy and issue a 34211
determination as to whether the policy complies with those 34212
requirements. A determination issued by the state superintendent 34213
under this division is not a final action that is appealable under 34214
this chapter. 34215

(E) The department shall post all proposed policies in a 34216
prominent location on the department's web site. The department 34217
shall establish a public comment period of not less than sixty 34218
days for each proposed policy. If the department receives more 34219
than three public comments during that period, it shall hold at 34220
least one public hearing on the proposal. 34221

(F) Notwithstanding section 149.43 of the Revised Code, not 34222
later than ninety days after the effective date of this section, 34223
the department shall compile a copy of all its policies. The copy 34224
of policies shall be kept current and made available for public 34225
inspection and copying. 34226

Sec. 3301.137. The superintendent of public instruction shall 34227
designate at least one employee of the department of education to 34228
serve as a liaison for school counselors across the state to 34229
support their efforts to advance students' academic and career 34230

development. The superintendent shall give preference to 34231
individuals who hold a valid pupil services license in school 34232
counseling under section 3319.22 of the Revised Code. 34233

educational choice scholarship pilot program, prescribed in 34237
sections 3310.01 to 3310.17, or the pilot project scholarship 34238
program prescribed in sections 3313.974 to 3313.979 of the Revised 34239
Code, shall be subject to the third-grade reading guarantee 34240
retention provisions under division (A)(2) of section 3313.608 of 34241
the Revised Code, including the exemptions prescribed by that 34242
division. For purposes of determining if a child with a disability 34243
is exempt from retention under this section, an individual 34244
services plan created for the child that has been reviewed by 34245
either the student's school district of residence or the school 34246
district in which the chartered nonpublic school is located and 34247
that specifies that the student is not subject to retention shall 34248
be considered in the same manner as an individualized education 34249

in any of grades kindergarten through three and that accepts 34257
students under the educational choice scholarship pilot program or 34258
the pilot project scholarship program shall adopt policies and 34259
procedures for the annual assessment of the reading skills of 34260
those students. Each school may use the diagnostic assessment to 34261

measure reading ability for the appropriate grade level prescribed 34262
in division (D) of section 3301.079 of the Revised Code. If the 34263
school uses such assessments, the department of education shall 34264
furnish them to the chartered nonpublic school. 34265

(2) For each student identified as having reading skills 34266
below grade level, the school shall do both of the following: 34267

(a) Provide to the student's parent or guardian, in writing, 34268
all of the following: 34269

having a substantial deficiency in reading; 34271

(ii) Notification Through the 2022-2023 school year, 34272
notification that if the student attains a score in the range 34273
designated under division (A)(3) of section 3301.0710 of the 34274
Revised Code on the assessment prescribed under that section to 34275
measure skill in English language arts expected at the end of 34276

exempt under division (A)(1) of section 3313.608 of the Revised 34278
Code. 34279

identified as reading below grade level. 34286

(D) Each chartered nonpublic school shall provide reading 34287
intervention services required under division (B)(2) of this 34288
section to either of the following: 34289

34303
34304
34305
34306

(C) The joint committee on agency rule review shall consider any testimony provided at the public hearings required under division (B) of this section and vote to determine whether community schools can reasonably comply with the proposed changes. 34307
34308
34309
34310

(D) The department shall not implement any changes to the manual that may affect community schools without the joint committee on agency rule review's determination that community schools can reasonably comply with those changes. 34311
34312
34313
34314

educational service center. 34324

(B) The department of education shall reimburse each public 34325
and chartered nonpublic school that participates in the national 34326
school breakfast program, from funds appropriated by the general 34327
assembly for that purpose, an amount equal to the difference 34328
between the federal free reimbursement rate and the federal 34329
reimbursement for a reduced-price breakfast for each student 34330
eligible for a reduced-price breakfast and receiving breakfast. 34331

(C) The department of education shall reimburse each public 34332
school and chartered nonpublic school that participates in the 34333
national school lunch program, from funds appropriated by the 34334
general assembly for that purpose, an amount equal to the 34335
difference between the federal free reimbursement rate and the 34336
federal reimbursement for a reduced-price lunch for each student 34337

Sec. 3302.03. Not later than the thirty-first day of July of 34339
each year, the department of education shall submit preliminary 34340
report card data for overall academic performance and for each 34341
separate performance measure for each school district, and each 34342
school building, in accordance with this section. 34343

Annually, not later than the fifteenth day of September or 34344
the preceding Friday when that day falls on a Saturday or Sunday, 34345
the department shall assign a letter grade or performance rating 34346
for overall academic performance and for each separate performance 34347
measure for each school district, and each school building in a 34348
district, in accordance with this section. The state board of 34349
education shall adopt rules pursuant to Chapter 119. of the 34350
Revised Code to implement this section. The state board's rules 34351

shall establish performance criteria for each letter grade or 34352
performance rating and prescribe a method by which the department 34353
assigns each letter grade or performance rating. For a school 34354
building to which any of the performance measures do not apply, 34355
due to grade levels served by the building, the department shall 34356
designate the performance measures that are applicable to the 34357
building and that must be calculated separately and used to 34358
calculate the building's overall grade or performance rating. The 34359
department shall issue annual report cards reflecting the 34360
performance of each school district, each building within each 34361
district, and for the state as a whole using the performance 34362
measures and letter grade or performance rating system described 34363
in this section. The department shall include on the report card 34364
for each district and each building within each district the most 34365

(b) Performance index score for a school district or 34372
building. Grades shall be awarded as a percentage of the total 34373
possible points on the performance index system as adopted by the 34374
state board. In adopting benchmarks for assigning letter grades 34375
under division (A)(1)(b) of this section, the state board shall 34376
designate ninety per cent or higher for an "A," at least seventy 34377
per cent but not more than eighty per cent for a "C," and less 34378
than fifty per cent for an "F." 34379

(c) The extent to which the school district or building meets 34380
each of the applicable performance indicators established by the 34381
state board under section 3302.02 of the Revised Code and the 34382
percentage of applicable performance indicators that have been 34383

achieved. In adopting benchmarks for assigning letter grades under 34384
division (A)(1)(c) of this section, the state board shall 34385
designate ninety per cent or higher for an "A." 34386

(d) The four- and five-year adjusted cohort graduation rates. 34387

division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 34389
department shall designate a four-year adjusted cohort graduation 34390
rate of ninety-three per cent or higher for an "A" and a five-year 34391
cohort graduation rate of ninety-five per cent or higher for an 34392

(e) The overall score under the value-added progress 34394
dimension of a school district or building, for which the 34395
department shall use up to three years of value-added data as 34396
available. The letter grade assigned for this growth measure shall 34397
be as follows: 34398

(i) A score that is at least one standard error of measure 34399
above the mean score shall be designated as an "A." 34400

(ii) A score that is less than one standard error of measure 34401
above but greater than one standard error of measure below the 34402
mean score shall be designated as a "B." 34403

(iii) A score that is less than or equal to one standard 34404
error of measure below the mean score but greater than two 34405
standard errors of measure below the mean score shall be 34406
designated as a "C." 34407

errors of measure below the mean score but is greater than three 34409
standard errors of measure below the mean score shall be 34410
designated as a "D." 34411

(v) A score that is less than or equal to three standard 34412
errors of measure below the mean score shall be designated as an 34413

Whenever the value-added progress dimension is used as a 34415
graded performance measure in this division and divisions (B) and 34416
(C) of this section, whether as an overall measure or as a measure 34417
of separate subgroups, the grades for the measure shall be 34418
calculated in the same manner as prescribed in division (A)(1)(e) 34419
of this section. 34420

(f) The value-added progress dimension score for a school 34421
district or building disaggregated for each of the following 34422
subgroups: students identified as gifted, students with 34423
disabilities, and students whose performance places them in the 34424
lowest quintile for achievement on a statewide basis. Each 34425
subgroup shall be a separate graded measure. 34426

(2) Not later than April 30, 2013, the state board of 34427
education shall adopt a resolution describing the performance 34428
measures, benchmarks, and grading system for the 2012-2013 school 34429
year and, not later than June 30, 2013, shall adopt rules in 34430
accordance with Chapter 119. of the Revised Code that prescribe 34431
the methods by which the performance measures under division 34432
(A)(1) of this section shall be assessed and assigned a letter 34433
grade, including performance benchmarks for each letter grade. 34434

At least forty-five days prior to the state board's adoption 34435
of rules to prescribe the methods by which the performance 34436
measures under division (A)(1) of this section shall be assessed 34437
and assigned a letter grade, the department shall conduct a public 34438
presentation before the standing committees of the house of 34439
representatives and the senate that consider education legislation 34440
describing such methods, including performance benchmarks. 34441

(3) There shall not be an overall letter grade for a school 34442
district or building for the 2012-2013 school year. 34443

(B)(1) For the 2013-2014 school year, the department shall 34444

issue grades as described in division (F) of this section for each	34445
of the following performance measures:	34446
(a) Annual measurable objectives;	34447
(b) Performance index score for a school district or	34448
building. Grades shall be awarded as a percentage of the total	34449
possible points on the performance index system as created by the	34450
department. In adopting benchmarks for assigning letter grades	34451
under division (B)(1)(b) of this section, the state board shall	34452
designate ninety per cent or higher for an "A," at least seventy	34453
per cent but not more than eighty per cent for a "C," and less	34454
than fifty per cent for an "F."	34455
(c) The extent to which the school district or building meets	34456
each of the applicable performance indicators established by the	34457
state board under section 3302.03 of the Revised Code and the	34458
percentage of applicable performance indicators that have been	34459
achieved. In adopting benchmarks for assigning letter grades under	34460
division (B)(1)(c) of this section, the state board shall	34461
designate ninety per cent or higher for an "A."	34462
(d) The four- and five-year adjusted cohort graduation rates;	34463
(e) The overall score under the value-added progress	34464
dimension of a school district or building, for which the	34465
department shall use up to three years of value-added data as	34466
available.	34467
(f) The value-added progress dimension score for a school	34468
district or building disaggregated for each of the following	34469
subgroups: students identified as gifted in superior cognitive	34470
ability and specific academic ability fields under Chapter 3324.	34471
of the Revised Code, students with disabilities, and students	34472
whose performance places them in the lowest quintile for	34473
achievement on a statewide basis. Each subgroup shall be a	34474
separate graded measure.	34475

(g) Whether a school district or building is making progress 34476
in improving literacy in grades kindergarten through three, as 34477
determined using a method prescribed by the state board. The state 34478
board shall adopt rules to prescribe benchmarks and standards for 34479
assigning grades to districts and buildings for purposes of 34480
division (B)(1)(g) of this section. In adopting benchmarks for 34481
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 34482
this section, the state board shall determine progress made based 34483
on the reduction in the total percentage of students scoring below 34484
grade level, or below proficient, compared from year to year on 34485
the reading and writing diagnostic assessments administered under 34486
section 3301.0715 of the Revised Code and the third grade English 34487
language arts assessment under section 3301.0710 of the Revised 34488
Code, as applicable. The state board shall designate for a "C" 34489
grade a value that is not lower than the statewide average value 34490
for this measure. No grade shall be issued under divisions 34491
(B)(1)(g) and (C)(1)(g) of this section for a district or building 34492
in which less than five per cent of students have scored below 34493
grade level on the diagnostic assessment administered to students 34494
in kindergarten under division (B)(1) of section 3313.608 of the 34495
Revised Code. 34496

(h) For a high mobility school district or building, an 34497
additional value-added progress dimension score. For this measure, 34498
the department shall use value-added data from the most recent 34499
school year available and shall use assessment scores for only 34500
those students to whom the district or building has administered 34501
the assessments prescribed by section 3301.0710 of the Revised 34502
Code for each of the two most recent consecutive school years. 34503

As used in this division, "high mobility school district or 34504
building" means a school district or building where at least 34505
twenty-five per cent of its total enrollment is made up of 34506
students who have attended that school district or building for 34507

less than one year. 34508

(2) In addition to the graded measures in division (B)(1) of 34509
this section, the department shall include on a school district's 34510
or building's report card all of the following without an assigned 34511
letter grade: 34512

(a) The percentage of students enrolled in a district or 34513
building participating in advanced placement classes and the 34514
percentage of those students who received a score of three or 34515
better on advanced placement examinations; 34516

(b) The number of a district's or building's students who 34517
have earned at least three college credits through dual enrollment 34518
or advanced standing programs, such as the post-secondary 34519
enrollment options program under Chapter 3365. of the Revised Code 34520
and state-approved career-technical courses offered through dual 34521
enrollment or statewide articulation, that appear on a student's 34522
transcript or other official document, either of which is issued 34523
by the institution of higher education from which the student 34524
earned the college credit. The credits earned that are reported 34525
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 34526
include any that are remedial or developmental and shall include 34527
those that count toward the curriculum requirements established 34528
for completion of a degree. 34529

(c) The percentage of students enrolled in a district or 34530
building who have taken a national standardized test used for 34531
college admission determinations and the percentage of those 34532
students who are determined to be remediation-free in accordance 34533
with standards adopted under division (F) of section 3345.061 of 34534
the Revised Code; 34535

(d) The percentage of the district's or the building's 34536
students who receive industry-recognized credentials as approved 34537
under section 3313.6113 of the Revised Code. 34538

(e) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations.

(3) Not later than December 31, 2013, the state board shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed and assigned a letter grade, including performance benchmarks for each grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (B)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(4) There shall not be an overall letter grade for a school district or building for the 2013-2014, 2014-2015, 2015-2016, and 2016-2017 school years.

(C)(1) For the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 2018-2019, 2019-2020, and 2020-2021 school years, the department shall issue grades as described in division (F) of this section for each of the performance measures prescribed in division (C)(1) of this section. The graded measures are as follows:

(a) Annual measurable objectives. For the 2017-2018 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than

twenty-five students. For the 2018-2019 school year, the 34570
department shall not include any subgroup data in the annual 34571
measurable objectives that includes data from fewer than twenty 34572

(b) Performance index score for a school district or 34576
building. Grades shall be awarded as a percentage of the total 34577
possible points on the performance index system as created by the 34578
department. In adopting benchmarks for assigning letter grades 34579
under division (C)(1)(b) of this section, the state board shall 34580
designate ninety per cent or higher for an "A," at least seventy 34581
per cent but not more than eighty per cent for a "C," and less 34582
than fifty per cent for an "F." 34583

(c) The extent to which the school district or building meets 34584
each of the applicable performance indicators established by the 34585
state board under section 3302.03 of the Revised Code and the 34586
percentage of applicable performance indicators that have been 34587
achieved. In adopting benchmarks for assigning letter grades under 34588
division (C)(1)(c) of this section, the state board shall 34589
designate ninety per cent or higher for an "A." 34590

(d) The four- and five-year adjusted cohort graduation rates; 34591

(e) The overall score under the value-added progress 34592
dimension, or another measure of student academic progress if 34593
adopted by the state board, of a school district or building, for 34594
which the department shall use up to three years of value-added 34595
data as available. 34596

In adopting benchmarks for assigning letter grades for 34597
overall score on value-added progress dimension under division 34598
(C)(1)(e) of this section, the state board shall prohibit the 34599
assigning of a grade of "A" for that measure unless the district's 34600

or building's grade assigned for value-added progress dimension 34601
for all subgroups under division (C)(1)(f) of this section is a 34602
"C" or higher. 34603

For the metric prescribed by division (C)(1)(e) of this 34604
section, the state board may adopt a student academic progress 34605
measure to be used instead of the value-added progress dimension. 34606
If the state board adopts such a measure, it also shall prescribe 34607
a method for assigning letter grades for the new measure that is 34608
comparable to the method prescribed in division (A)(1)(e) of this 34609
section. 34610

(f) The value-added progress dimension score of a school 34611

ability and specific academic ability fields under Chapter 3324. 34614
of the Revised Code, students with disabilities, and students 34615
whose performance places them in the lowest quintile for 34616
achievement on a statewide basis, as determined by a method 34617
prescribed by the state board. Each subgroup shall be a separate 34618
graded measure. 34619

The state board may adopt student academic progress measures 34620
to be used instead of the value-added progress dimension. If the 34621
state board adopts such measures, it also shall prescribe a method 34622
for assigning letter grades for the new measures that is 34623
comparable to the method prescribed in division (A)(1)(e) of this 34624
section. 34625

(g) Whether a school district or building is making progress 34626
in improving literacy in grades kindergarten through three, as 34627
determined using a method prescribed by the state board. The state 34628
board shall adopt rules to prescribe benchmarks and standards for 34629
assigning grades to a district or building for purposes of 34630
division (C)(1)(g) of this section. The state board shall 34631
designate for a "C" grade a value that is not lower than the 34632

statewide average value for this measure. No grade shall be issued 34633
under division (C)(1)(g) of this section for a district or 34634
building in which less than five per cent of students have scored 34635
below grade level on the kindergarten diagnostic assessment under 34636
division (B)(1) of section 3313.608 of the Revised Code. 34637

(h) For a high mobility school district or building, an 34638
additional value-added progress dimension score. For this measure, 34639
the department shall use value-added data from the most recent 34640
school year available and shall use assessment scores for only 34641
those students to whom the district or building has administered 34642
the assessments prescribed by section 3301.0710 of the Revised 34643
Code for each of the two most recent consecutive school years. 34644

As used in this division, "high mobility school district or 34645
building" means a school district or building where at least 34646
twenty-five per cent of its total enrollment is made up of 34647
students who have attended that school district or building for 34648
less than one year. 34649

(2) In addition to the graded measures in division (C)(1) of 34650
this section, the department shall include on a school district's 34651
or building's report card all of the following without an assigned 34652
letter grade: 34653

(a) The percentage of students enrolled in a district or 34654
building who have taken a national standardized test used for 34655
college admission determinations and the percentage of those 34656

with the standards adopted under division (F) of section 3345.061 34658
of the Revised Code; 34659

(b) The percentage of students enrolled in a district or 34660
building participating in advanced placement classes and the 34661
percentage of those students who received a score of three or 34662
better on advanced placement examinations; 34663

(c) The percentage of a district's or building's students who 34664
have earned at least three college credits through advanced 34665
standing programs, such as the college credit plus program under 34666
Chapter 3365. of the Revised Code and state-approved 34667
career-technical courses offered through dual enrollment or 34668
statewide articulation, that appear on a student's college 34669
transcript issued by the institution of higher education from 34670
which the student earned the college credit. The credits earned 34671
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 34672
section shall not include any that are remedial or developmental 34673
and shall include those that count toward the curriculum 34674
requirements established for completion of a degree. 34675

(d) The percentage of the district's or building's students 34676
who receive an honor's diploma under division (B) of section 34677
3313.61 of the Revised Code; 34678

(e) The percentage of the district's or building's students 34679
who receive industry-recognized credentials as approved under 34680

program and the percentage of those students who receive a score 34684
of four or better on the international baccalaureate examinations; 34685

(g) The results of the college and career-ready assessments 34686
administered under division (B)(1) of section 3301.0712 of the 34687
Revised Code; 34688

(h) Whether the school district or building has implemented a 34689
positive behavior intervention and supports framework in 34690
compliance with the requirements of section 3319.46 of the Revised 34691
Code, notated as a "yes" or "no" answer. 34692

(3) The state board shall adopt rules pursuant to Chapter 34693
119. of the Revised Code that establish a method to assign an 34694

overall grade for a school district or school building for the 34695
2017-2018 school year and each school year thereafter. The rules 34696
shall group the performance measures in divisions (C)(1) and (2) 34697
of this section into the following components: 34698

(a) Gap closing, which shall include the performance measure 34699
in division (C)(1)(a) of this section; 34700

(b) Achievement, which shall include the performance measures 34701
in divisions (C)(1)(b) and (c) of this section; 34702

(c) Progress, which shall include the performance measures in 34703
divisions (C)(1)(e) and (f) of this section; 34704

(d) Graduation, which shall include the performance measure 34705
in division (C)(1)(d) of this section; 34706

(e) Kindergarten through third-grade literacy, which shall 34707
include the performance measure in division (C)(1)(g) of this 34708
section; 34709

(f) Prepared for success, which shall include the performance 34710
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 34711
this section. The state board shall develop a method to determine 34712
a grade for the component in division (C)(3)(f) of this section 34713
using the performance measures in divisions (C)(2)(a), (b), (c), 34714
(d), (e), and (f) of this section. When available, the state board 34715
may incorporate the performance measure under division (C)(2)(g) 34716
of this section into the component under division (C)(3)(f) of 34717
this section. When determining the overall grade for the prepared 34718
for success component prescribed by division (C)(3)(f) of this 34719
section, no individual student shall be counted in more than one 34720
performance measure. However, if a student qualifies for more than 34721
one performance measure in the component, the state board may, in 34722
its method to determine a grade for the component, specify an 34723
additional weight for such a student that is not greater than or 34724
equal to 1.0. In determining the overall score under division 34725

(C)(3)(f) of this section, the state board shall ensure that the 34726
pool of students included in the performance measures aggregated 34727
under that division are all of the students included in the four- 34728
and five-year adjusted graduation cohort. 34729

In the rules adopted under division (C)(3) of this section, 34730
the state board shall adopt a method for determining a grade for 34731
each component in divisions (C)(3)(a) to (f) of this section. The 34732
state board also shall establish a method to assign an overall 34733
grade of "A," "B," "C," "D," or "F" using the grades assigned for 34734
each component. The method the state board adopts for assigning an 34735
overall grade shall give equal weight to the components in 34736
divisions (C)(3)(b) and (c) of this section. 34737

At least forty-five days prior to the state board's adoption 34738
of rules to prescribe the methods for calculating the overall 34739
grade for the report card, as required by this division, the 34740
department shall conduct a public presentation before the standing 34741
committees of the house of representatives and the senate that 34742
consider education legislation describing the format for the 34743
report card, weights that will be assigned to the components of 34744
the overall grade, and the method for calculating the overall 34745
grade. 34746

(D) For the 2021-2022 school year and each school year 34747
thereafter, all of the following apply: 34748

(1) The department shall include on a school district's or 34749
building's report card all of the following performance measures 34750
without an assigned performance rating: 34751

(a) Whether the district or building meets the gifted 34752
performance indicator under division (A)(2) of section 3302.02 of 34753
the Revised Code and the extent to which the district or building 34754
meets gifted indicator performance benchmarks; 34755

(b) The extent to which the district or building meets the 34756

chronic absenteeism indicator under division (A)(3) of section 3302.02 of the Revised Code; 34757
34758

(c) Performance index score percentage for a district or building, which shall be calculated by dividing the district's or building's performance index score according to the performance index system created by the department by the maximum performance index score for a district or building. The maximum performance index score shall be as follows: 34759
34760
34761
34762
34763
34764

(i) For a building, the average of the highest two per cent of performance index scores achieved by a building for the school year for which a report card is issued; 34765
34766
34767

(ii) For a district, the average of the highest two per cent of performance index scores achieved by a district for the school year for which a report card is issued. 34768
34769
34770

(d) The overall score under the value-added progress dimension of a district or building, for which the department shall use three consecutive years of value-added data. In using three years of value-added data to calculate the measure prescribed under division (D)(1)(d) of this section, the department shall assign a weight of fifty per cent to the most recent year's data and a weight of twenty-five per cent to the data of each of the other years. However, if three consecutive years of value-added data is not available, the department shall use prior years of value-added data to calculate the measure, as follows: 34771
34772
34773
34774
34775
34776
34777
34778
34779
34780
34781

(i) If two consecutive years of value-added data is not available, the department shall use one year of value-added data to calculate the measure. 34782
34783
34784

(ii) If two consecutive years of value-added data is available, the department shall use two consecutive years of value-added data to calculate the measure. In using two years of 34785
34786
34787

value-added data to calculate the measure, the department shall 34788
assign a weight of sixty-seven per cent to the most recent year's 34789
data and a weight of thirty-three per cent to the data of the 34790
other year. 34791

(e) The four-year adjusted cohort graduation rate. 34792

(f) The five-year adjusted cohort graduation rate. 34793

(g) The percentage of students in the district or building 34794
who score proficient or higher on the reading segment of the third 34795
grade English language arts assessment under section 3301.0710 of 34796
the Revised Code. 34797

To the extent possible, the department shall include the 34798
results of the summer administration of the third grade reading 34799
assessment under section 3301.0710 of the Revised Code in the 34800
performance measures prescribed under divisions (D)(1)(g) and (h) 34801
of this section. 34802

(h) Whether a district or building is making progress in 34803
improving literacy in grades kindergarten through three, as 34804
determined using a method prescribed by the department. The method 34805
shall determine progress made based on the reduction in the total 34806
percentage of students scoring below grade level, or below 34807
proficient, compared from year to year on the reading segments of 34808
the diagnostic assessments administered under section 3301.0715 of 34809
the Revised Code, including the kindergarten readiness assessment, 34810
and the third grade English language arts assessment under section 34811
3301.0710 of the Revised Code, as applicable. The method shall not 34812
include a deduction for students who did not pass the third grade 34813
English language arts assessment under section 3301.0710 of the 34814
Revised Code and were not on a reading improvement and monitoring 34815
plan. 34816

The performance measure prescribed under division (D)(1)(h) 34817
of this section shall not be included on the report card of a 34818

district or building in which less than ten per cent of students 34819
have scored below grade level on the diagnostic assessment 34820
administered to students in kindergarten under division (B)(1) of 34821
section 3313.608 of the Revised Code. 34822

(i) The percentage of students in a district or building who 34823
are promoted to the fourth grade and not subject to retention 34824
under division (A)(2) of section 3313.608 of the Revised Code; 34825

(j) A post-secondary readiness measure. This measure shall be 34826
calculated by dividing the number of students included in the 34827
four-year adjusted graduation rate cohort who demonstrate 34828
post-secondary readiness by the total number of students included 34829
in the denominator of the four-year adjusted graduation rate 34830
cohort. Demonstration of post-secondary readiness shall include a 34831
student doing any of the following: 34832

(i) Attaining a remediation-free score, in accordance with 34833
standards adopted under division (F) of section 3345.061 of the 34834
Revised Code, on a nationally standardized assessment prescribed 34835
under division (B)(1) of section 3301.0712 of the Revised Code; 34836

(ii) Attaining required scores on three or more advanced 34837

advanced standing programs, such as the college credit plus 34845
program under Chapter 3365. of the Revised Code, an early college 34846
high school program under section 3313.6013 of the Revised Code, 34847
and state-approved career-technical courses offered through dual 34848
enrollment or statewide articulation, that appear on a student's 34849

college transcript issued by the institution of higher education 34850
from which the student earned the college credit. Earned credits 34851
reported under division (D)(1)(j)(iii) of this section shall 34852
include credits that count toward the curriculum requirements 34853
established for completion of a degree, but shall not include any 34854
remedial or developmental credits. 34855

under division (B) of section 3313.61 of the Revised Code; 34857

(3) Except as provided in division (D)(3)(f) of this section, 35042
the department shall use the state board's method prescribed under 35043
rules adopted under division (D)(4) of this section to assign 35044
performance ratings of "one star," "two stars," "three stars," 35045
"four stars," or "five stars," as described in division (F) of 35046
this section, for a district or building for the individual 35047
components prescribed under division (D)(3) of this section. The 35048
department also shall assign an overall performance rating for a 35049
district or building in accordance with division (D)(3)(g) of this 35050
section. The method shall use the performance measures prescribed 35051
under division (D)(1) of this section to calculate performance 35052
ratings for components. The method may report data under division 35053
(D)(2) of this section with corresponding components, but shall 35054
not use the data to calculate performance ratings for that 35055
component. The performance measures and reported data shall be 35056
grouped together into components as follows: 35057

(a) Gap closing. In addition to other criteria determined 35058
appropriate by the department, performance ratings for the gap 35059
closing component shall reflect whether each of the following 35060

performance measures are met or not met:	35061
(i) The gifted performance indicator as described in division (D)(1)(a) of this section;	35062 35063
(ii) The chronic absenteeism indicator as described in division (D)(1)(b) of this section;	35064 35065
(iii) For English learners, an English language proficiency improvement indicator established by the department;	35066 35067
(iv) The subgroup graduation targets;	35068
(v) The subgroup achievement targets in both mathematics and English language arts;	35069 35070
(vi) The subgroup progress targets in both mathematics and English language arts.	35071 35072
Achievement and progress targets under division (D)(3)(a) of this section shall be calculated individually, and districts and buildings shall receive a status of met or not met on each measure. The department shall not require a subgroup of a district or building to meet both the achievement and progress targets at the same time to receive a status of met.	35073 35074 35075 35076 35077 35078
The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. Any penalty for failing to meet the required assessment participation rate must be partially in proportion to how close the district or building was to meeting the rate requirement.	35079 35080 35081 35082 35083
(b) Achievement, which shall include the performance measure in division (D)(1)(c) of this section and the reported data in division (D)(2)(a) of this section. Performance ratings for the achievement component shall be awarded as a percentage of the maximum performance index score described in division (D)(1)(c) of this section.	35084 35085 35086 35087 35088 35089
(c) Progress, which shall include the performance measure in	35090

division (D)(1)(d) of this section and the reported data in 35091
divisions (D)(2)(b) and (c) of this section; 35092

(d) Graduation, which shall include the performance measures 35093
in divisions (D)(1)(e) and (f) of this section and the reported 35094
data in divisions (D)(2)(d) and (j) of this section. The four-year 35095
adjusted cohort graduation rate shall be assigned a weight of 35096
sixty per cent and the five-year adjusted cohort graduation rate 35097
shall be assigned a weight of forty per cent; 35098

(e) Early literacy, which shall include the performance 35099
measures in divisions (D)(1)(g), (h), and (i) of this section and 35100
the reported data in divisions (D)(2)(e) and (k) of this section. 35101

If the measure prescribed under division (D)(1)(h) of this 35102
section is included in a report card, performance ratings for the 35103
early literacy component shall give a weight of forty per cent to 35104
the measure prescribed under division (D)(1)(g) of this section, a 35105
weight of thirty-five per cent to the measure prescribed under 35106
division (D)(1)(i) of this section, and a weight of twenty-five 35107
per cent to the measure prescribed under division (D)(1)(h) of 35108
this section. 35109

If the measure prescribed under division (D)(1)(h) of this 35110
section is not included in a report card of a district or 35111
building, performance ratings for the early literacy component 35112
shall give a weight of sixty per cent to the measure prescribed 35113
under division (D)(1)(g) of this section and a weight of forty per 35114
cent to the measure prescribed under division (D)(1)(i) of this 35115
section. 35116

(f) College, career, workforce, and military readiness, which 35117
shall include the performance measure in division (D)(1)(j) of 35118
this section and the reported data in division (D)(2)(f) of this 35119
section. 35120

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 35121

department only shall report the data for, and not assign a performance rating to, the college, career, workforce, and military readiness component. The reported data shall include the percentage of students who demonstrate post-secondary readiness using any of the options described in division (D)(1)(j) of this section.

The department shall analyze the data included in the performance measure prescribed in division (D)(1)(j) of this section for the 2021-2022, 2022-2023, and 2023-2024 school years. Using that data, the department shall develop and propose rules for a method to assign a performance rating to the college, career, workforce, and military readiness component based on that measure. The method to assign a performance rating shall not include a tiered structure or per student bonuses. The rules shall specify that a district or building shall not receive lower than a performance rating of three stars for the component if the district's or building's performance on the component meets or exceeds a level of improvement set by the department. Notwithstanding division (D)(4)(b) of this section, more than half of the total districts and buildings may earn a performance rating of three stars on this component to account for the districts and buildings that earned a performance rating of three stars because they met or exceeded the level of improvement set by the department.

The department shall submit the rules to the joint committee on agency rule review. The committee shall conduct at least one public hearing on the proposed rules and approve or disapprove the rules. If the committee approves the rules, the state board shall adopt the rules in accordance with Chapter 119. of the Revised Code. If the rules are adopted, the department shall assign a performance rating to the college, career, workforce, and military readiness component under the rules beginning with the 2024-2025

school year, and for each school year thereafter. If the committee 35154
disapproves the rules, the component shall be included in the 35155
report card only as reported data for the 2024-2025 school year, 35156
and each school year thereafter. 35157

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 35158
this section, beginning with the 2022-2023 school year, under the 35159
state board's method prescribed under rules adopted in division 35160
(D)(4) of this section, the department shall use the performance 35161
ratings assigned for the components prescribed in divisions 35162
(D)(3)(a) to (e) of this section to determine and assign an 35163
overall performance rating of "one star," "one and one-half 35164
stars," "two stars," "two and one-half stars," "three stars," 35165
"three and one-half stars," "four stars," "four and one-half 35166
stars," or "five stars" for a district or building. The method 35167
shall give equal weight to the components in divisions (D)(3)(b) 35168
and (c) of this section. The method shall give equal weight to the 35169
components in divisions (D)(3)(a), (d), and (e) of this section. 35170
The individual weights of each of the components prescribed in 35171
divisions (D)(3)(a), (d), and (e) of this section shall be equal 35172
to one-half of the weight given to the component prescribed in 35173
division (D)(3)(b) of this section. 35174

(ii) If the joint committee on agency rule review approves 35175
the department's rules regarding the college, career, workforce, 35176
and military readiness component as described in division 35177
(D)(3)(f) of this section, for the 2024-2025 school year, and each 35178
school year thereafter, the state board's method shall use the 35179
components in divisions (D)(3)(a), (b), (c), (d), (e), and (f) of 35180
this section to calculate the overall performance rating. The 35181
method shall give equal weight to the components in divisions 35182
(D)(3)(b) and (c) of this section. The method shall give equal 35183
weight to the components prescribed in divisions (D)(3)(a), (d), 35184
(e), and (f) of this section. The individual weights of each of 35185

the components prescribed in divisions (D)(3)(a), (d), (e), and 35186
(f) of this section shall be equal to one-half the weight given to 35187
the component prescribed in division (D)(3)(b) of this section. 35188

If the joint committee on agency rule review disapproves the 35189
department's rules regarding the college, career, workforce, and 35190
military readiness component as described in division (D)(3)(f) of 35191
this section, division (D)(3)(g)(ii) of this section does not 35192
apply. 35193

(4)(a) The state board shall adopt rules in accordance with 35194
Chapter 119. of the Revised Code to establish the performance 35195
criteria, benchmarks, and rating system necessary to implement 35196
divisions (D) and (F) of this section, including the method for 35197
the department to assign performance ratings under division (D)(3) 35198
of this section. 35199

(b) In establishing the performance criteria, benchmarks, and 35200
rating system, the state board shall consult with stakeholder 35201
groups and advocates that represent parents, community members, 35202
students, business leaders, and educators from different school 35203
typology regions. The state board shall use data from prior school 35204
years and simulations to ensure that there is meaningful 35205
differentiation among districts and buildings across all 35206
performance ratings and that, except as permitted in division 35207
(D)(3)(f) of this section, more than half of all districts or 35208
buildings do not earn the same performance rating in any component 35209
or overall performance rating. 35210

(c) The state board shall adopt the rules prescribed by 35211
division (D)(4) of this section not later than March 31, 2022. 35212
However, the department shall notify districts and buildings of 35213
the changes to the report card prescribed in law not later than 35214
one week after ~~the effective date of this amendment~~ September 30, 35215
2021. 35216

(d) Prior to adopting or updating rules under division (D)(4) 35217
of this section, the president of the state board and the 35218
department shall conduct a public presentation before the standing 35219
committees of the house of representatives and the senate that 35220
consider primary and secondary education legislation describing 35221
the format for the report card and the performance criteria, 35222
benchmarks, and rating system, including the method to assign 35223
performance ratings under division (D)(3) of this section. 35224

(E) On or after July 1, 2015, the state board may develop a 35225
measure of student academic progress for high school students 35226
using only data from assessments in English language arts and 35227
mathematics. If the state board develops this measure, each school 35228
district and applicable school building shall be assigned a 35229
separate letter grade for it not sooner than the 2017-2018 school 35230
year. The district's or building's grade for that measure shall 35231
not be included in determining the district's or building's 35232
overall letter grade. 35233

(F)(1) The letter grades assigned to a school district or 35234
building under this section shall be as follows: 35235

(a) "A" for a district or school making excellent progress; 35236

(b) "B" for a district or school making above average 35237
progress; 35238

(c) "C" for a district or school making average progress; 35239

(d) "D" for a district or school making below average 35240
progress; 35241

(e) "F" for a district or school failing to meet minimum 35242
progress. 35243

(2) For the overall performance rating under division (D)(3) 35244
of this section, the department shall include a descriptor for 35245
each performance rating as follows: 35246

(a) "Significantly exceeds state standards" for a performance rating of five stars;	35247 35248
(b) "Exceeds state standards" for a performance rating of four stars or four and one-half stars;	35249 35250
(c) "Meets state standards" for a performance rating of three stars or three and one-half stars;	35251 35252
(d) "Needs support to meet state standards" for a performance rating of two stars or two and one-half stars;	35253 35254
(e) "Needs significant support to meet state standards" for a performance rating of one star or one and one-half stars.	35255 35256
(3) For performance ratings for each component under divisions (D)(3)(a) to (f) of this section, the state board shall include a description of each component and performance rating. The description shall include component-specific context to each performance rating earned, estimated comparisons to other school districts and buildings if appropriate, and any other information determined by the state board. The descriptions shall be not longer than twenty-five words in length when possible. In addition to such descriptions, the state board shall include the descriptors in division (F)(2) of this section for component performance ratings.	35257 35258 35259 35260 35261 35262 35263 35264 35265 35266 35267
(4) Each report card issued under this section shall include all of the following:	35268 35269
(a) A graphic that depicts the performance ratings of a district or school on a color scale. The color associated with a performance rating of three stars shall be green and the color associated with a performance rating of one star shall be red.	35270 35271 35272 35273
(b) An arrow graphic that shows data trends for performance ratings for school districts or buildings. The state board shall determine the data to be used for this graphic, which shall	35274 35275 35276

include at least the three most recent years of data.	35277
(c) A description regarding the weights that are assigned to each component and used to determine an overall performance rating, as prescribed under division (D)(3)(g) of this section, which shall be included in the presentation of the overall performance rating on each report card.	35278 35279 35280 35281 35282
(G) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	35283 35284 35285
(1) Performance of students by grade-level;	35286
(2) Performance of students by race and ethnic group;	35287
(3) Performance of students by gender;	35288
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	35289 35290

(11) Performance of students grouped by those who are	35305

classified as migrants; 35306

(12) Performance of students grouped by those who are 35307
identified as gifted in superior cognitive ability and the 35308
specific academic ability fields of reading and math pursuant to 35309
Chapter 3324. of the Revised Code. In disaggregating specific 35310
academic ability fields for gifted students, the department shall 35311
use data for those students with specific academic ability in math 35312
and reading. If any other academic field is assessed, the 35313
department shall also include data for students with specific 35314
academic ability in that field as well. 35315

(13) Performance of students grouped by those who perform in 35316
the lowest quintile for achievement on a statewide basis, as 35317
determined by a method prescribed by the state board. 35318

The department may disaggregate data on student performance 35319
according to other categories that the department determines are 35320
appropriate. To the extent possible, the department shall 35321
disaggregate data on student performance according to any 35322
combinations of two or more of the categories listed in divisions 35323
(G)(1) to (13) of this section that it deems relevant. 35324

In reporting data pursuant to division (G) of this section, 35325
the department shall not include in the report cards any data 35326
statistical in nature that is statistically unreliable or that 35327
could result in the identification of individual students. For 35328
this purpose, the department shall not report student performance 35329
data for any group identified in division (G) of this section that 35330
contains less than ten students. If the department does not report 35331
student performance data for a group because it contains less than 35332
ten students, the department shall indicate on the report card 35333
that is why data was not reported. 35334

(H) The department may include with the report cards any 35335
additional education and fiscal performance data it deems 35336

valuable. 35337

(I) The department shall include on each report card a list 35338
of additional information collected by the department that is 35339
available regarding the district or building for which the report 35340
card is issued. When available, such additional information shall 35341
include student mobility data disaggregated by race and 35342
socioeconomic status, college enrollment data, and the reports 35343
prepared under section 3302.031 of the Revised Code. 35344

The department shall maintain a site on the world wide web. 35345
The report card shall include the address of the site and shall 35346
specify that such additional information is available to the 35347
public at that site. The department shall also provide a copy of 35348
each item on the list to the superintendent of each school 35349
district. The district superintendent shall provide a copy of any 35350
item on the list to anyone who requests it. 35351

(J)(1)(a) Except as provided in division (J)(1)(b) of this 35352
section, for any district that sponsors a conversion community 35353
school under Chapter 3314. of the Revised Code, the department 35354
shall combine data regarding the academic performance of students 35355
enrolled in the community school with comparable data from the 35356
schools of the district for the purpose of determining the 35357
performance of the district as a whole on the report card issued 35358
for the district under this section or section 3302.033 of the 35359
Revised Code. 35360

(b) The department shall not combine data from any conversion 35361
community school that a district sponsors if a majority of the 35362
students enrolled in the conversion community school are enrolled 35363
in a dropout prevention and recovery program that is operated by 35364
the school, as described in division (A)(4)(a) of section 3314.35 35365
of the Revised Code. The department shall include as an addendum 35366
to the district's report card the ratings and performance measures 35367
that are required under section 3314.017 of the Revised Code for 35368

any community school to which division (J)(1)(b) of this section 35369
applies. This addendum shall include, at a minimum, the data 35370
specified in divisions (C)(1)(a), (C)(2), and (C)(3) of section 35371
3314.017 of the Revised Code. 35372

(2) Any district that leases a building to a community school 35373
located in the district or that enters into an agreement with a 35374
community school located in the district whereby the district and 35375
the school endorse each other's programs may elect to have data 35376
regarding the academic performance of students enrolled in the 35377
community school combined with comparable data from the schools of 35378
the district for the purpose of determining the performance of the 35379
district as a whole on the district report card. Any district that 35380
so elects shall annually file a copy of the lease or agreement 35381
with the department. 35382

(3) Any municipal school district, as defined in section 35383
3311.71 of the Revised Code, that sponsors a community school 35384
located within the district's territory, or that enters into an 35385
agreement with a community school located within the district's 35386
territory whereby the district and the community school endorse 35387
each other's programs, may exercise either or both of the 35388
following elections: 35389

(a) To have data regarding the academic performance of 35390
students enrolled in that community school combined with 35391
comparable data from the schools of the district for the purpose 35392
of determining the performance of the district as a whole on the 35393
district's report card; 35394

(b) To have the number of students attending that community 35395
school noted separately on the district's report card. 35396

The election authorized under division (J)(3)(a) of this 35397
section is subject to approval by the governing authority of the 35398
community school. 35399

Any municipal school district that exercises an election to 35400
combine or include data under division (J)(3) of this section, by 35401
the first day of October of each year, shall file with the 35402
department documentation indicating eligibility for that election, 35403
as required by the department. 35404

(K) The department shall include on each report card the 35405
percentage of teachers in the district or building who are 35406
properly certified or licensed teachers, as defined in section 35407
3319.074 of the Revised Code, and a comparison of that percentage 35408
with the percentages of such teachers in similar districts and 35409
buildings. 35410

(L)(1) In calculating English language arts, mathematics, 35411
science, American history, or American government assessment 35412
passage rates used to determine school district or building 35413
performance under this section, the department shall include all 35414
students taking an assessment with accommodation or to whom an 35415
alternate assessment is administered pursuant to division (C)(1) 35416
or (3) of section 3301.0711 of the Revised Code and all students 35417
who take substitute examinations approved under division (B)(4) of 35418
section 3301.0712 of the Revised Code in the subject areas of 35419
science, American history and American government. 35420

(2) In calculating performance index scores, rates of 35421
achievement on the performance indicators established by the state 35422
board under section 3302.02 of the Revised Code, and annual 35423
measurable objectives for determining adequate yearly progress for 35424
school districts and buildings under this section, the department 35425
shall do all of the following: 35426

(a) Include for each district or building only those students 35427
who are included in the ADM certified for the first full school 35428

building through the time of the spring administration of any 35430
assessment prescribed by division (A)(1) or (B)(1) of section 35431

that is administered to the student's grade level; 35433

(b) Include cumulative totals from both the fall and spring 35434

comply with the "Elementary and Secondary Education Act of 1965," 35443
20 U.S.C. 6311 to 6339. 35444

As used in this section, "English learner" has the same 35445
meaning as in section 3301.0731 of the Revised Code. 35446

(M) Beginning with the 2015-2016 school year and at least 35447
once every three years thereafter, the state board of education 35448

components prescribed under divisions (C)(3), (D), and (E) of this 35451
section. 35452

Sec. 3302.151. (A) Notwithstanding anything to the contrary 35453
in the Revised Code, a school district that qualifies under 35454
division (D) of this section shall be exempt from all of the 35455
following: 35456

third-grade reading guarantee, as prescribed under divisions 35458
(B)(3)(c) and ~~(H)(I)~~ of section 3313.608 of the Revised Code. This 35459

license in a subject area and grade level determined appropriate 35461

by the board of education of that district. 35462

(2) The mentoring component of the Ohio teacher residency 35463
program established under division (A)(1) of section 3319.223 of 35464
the Revised Code, so long as the district utilizes a local 35465

(3) Any provision of the Revised Code or rule or standard of 35467
the state board of education prescribing a minimum or maximum 35468
class size; 35469

(4) Any provision of the Revised Code or rule or standard of 35470
the state board requiring teachers to be licensed specifically in 35471
the grade level in which they are teaching, except unless 35472
otherwise prescribed by federal law. This exemption does not apply 35473
to special education teachers. Nor does this exemption relieve a 35474
teacher from holding a valid Ohio license in the subject area in 35475
which that teacher is teaching and at least some grade level 35476
determined appropriate by the district board. 35477

(B)(1) Notwithstanding anything to the contrary in the 35478
Revised Code, including sections 3319.30 and 3319.36 of the 35479
Revised Code, the superintendent of a school district that 35480
qualifies under division (D) of this section may employ an 35481
individual who is not licensed as required by sections 3319.22 to 35482
3319.30 of the Revised Code, but who is otherwise qualified based 35483
on experience, to teach classes in the district, so long as the 35484
board of education of the school district approves the 35485
individual's employment and provides mentoring and professional 35486
development opportunities to that individual, as determined 35487
necessary by the board. 35488

(2) As a condition of employment under this section, an 35489
individual shall be subject to a criminal records check as 35490
prescribed by section 3319.391 of the Revised Code. In the manner 35491
prescribed by the department of education, the individual shall 35492

submit the criminal records check to the department and shall 35493
register with the department during the period in which the 35494
individual is employed by the district. The department shall use 35495
the information submitted to enroll the individual in the retained 35496
applicant fingerprint database, established under section 109.5721 35497
of the Revised Code, in the same manner as any teacher licensed 35498
under sections 3319.22 to 3319.31 of the Revised Code. 35499

(3) An individual employed pursuant to this division is 35500
subject to Chapter 3307. of the Revised Code. 35501

If the department receives notification of the arrest or 35502
conviction of an individual employed under division (B) of this 35503
section, the department shall promptly notify the employing 35504
district and may take any action authorized under sections 3319.31 35505
and 3319.311 of the Revised Code that it considers appropriate. No 35506
district shall employ any individual under division (B) of this 35507
section if the district learns that the individual has plead 35508
guilty to, has been found guilty by a jury or court of, or has 35509
been convicted of any of the offenses listed in division (C) of 35510
section 3319.31 of the Revised Code. 35511

(C) Notwithstanding anything to the contrary in the Revised 35512
Code, noncompliance with any of the requirements listed in 35513
divisions (A) or (B) of this section shall not disqualify a school 35514
district that qualifies under division (D) of this section from 35515
receiving funds under Chapter 3317. of the Revised Code. 35516

(D) In order for a city, local, or exempted village school 35517
district to qualify for the exemptions described in this section, 35518
the school district shall meet all of the following benchmarks on 35519
the most recent report card issued for that district under section 35520
3302.03 of the Revised Code: 35521

(1) The district received at least eighty-five per cent of 35522
the total possible points for the performance index score 35523

calculated under division (C)(1)(b) or (D)(1)(c) of that section; 35524

(2) The district received a grade of an "A" for performance 35525
indicators met under division (C)(1)(c) of that section. However, 35526
division (D)(2) of this section shall not apply for the 2021-2022 35527
school year or any school year thereafter. 35528

(3) The district has a four-year adjusted cohort graduation 35529
rate of at least ninety-three per cent and a five-year adjusted 35530
cohort graduation rate of at least ninety-five per cent, as 35531
calculated under division (C)(1)(d) or divisions (D)(1)(e) and 35532
(D)(1)(f) of that section. 35533

(E) A school district that meets the requirements prescribed 35534
by division (D) of this section shall be qualified for the 35535
exemptions prescribed by this section for three school years, 35536
beginning with the school year in which the qualifying report card 35537
is issued. 35538

(F) As used in this section, "license" has the same meaning 35539
as in section 3319.31 of the Revised Code. 35540

Sec. 3310.032. (A) A student is an "eligible student" for 35541
purposes of the expansion of the educational choice scholarship 35542

(1) The student's family income is at or below ~~two~~ four 35549
hundred fifty per cent of the federal poverty guidelines, as 35550
defined in section 5101.46 of the Revised Code, when the student 35551
applies for a scholarship under this section. 35552

(2) The student's sibling, as defined in section 3310.033 of 35553

the Revised Code, receives a scholarship under this section for at least one of the following:

(b) For the school year for which the student is seeking a scholarship.

(B) In each fiscal year for which the general assembly appropriates funds for purposes of this section, the department of education shall pay scholarships to attend chartered nonpublic schools in accordance with section 3317.022 of the Revised Code. The number of scholarships awarded under this section shall not exceed the number that can be funded for that school year as authorized by the general assembly.

(C) Scholarships under this section shall be awarded as follows:

(1) For the 2013-2014 school year, to eligible students who are entering kindergarten in that school year for the first time;

(2) For each subsequent school year through the 2019-2020 school year, scholarships shall be awarded to eligible students in the next grade level above the highest grade level awarded in the preceding school year, in addition to the grade levels for which students received scholarships in the preceding school year;

(3) Beginning with the 2020-2021 school year, to eligible students who are entering any of grades kindergarten through twelve in that school year for the first time.

under this section in the prior school year; 35584

(2) Second, to eligible students with family incomes at or 35585
below ~~one~~ three hundred per cent of the federal poverty 35586
guidelines. If the number of students described in division (D)(2) 35587
of this section who apply for a scholarship exceeds the number of 35588
available scholarships after awards are made under division (D)(1) 35589
of this section, the department shall select students described in 35590
division (D)(2) of this section by lot to receive any remaining 35591
scholarships. 35592

(3) Third, to other eligible students who qualify under this 35593
section. If the number of students described in division (D)(3) of 35594
this section exceeds the number of available scholarships after 35595
awards are made under divisions (D)(1) and (2) of this section, 35596
the department shall select students described in division (D)(3) 35597
of this section by lot to receive any remaining scholarships. 35598

(E) A student who receives a scholarship under this section 35599
remains an eligible student and may continue to receive 35600
scholarships under this section in subsequent school years until 35601
the student completes grade twelve, so long as the student 35602
satisfies the conditions specified in divisions (D)(2) and (3) of 35603
section 3310.03 of the Revised Code. 35604

Once a scholarship is awarded under this section, the student 35605
shall remain eligible for that scholarship for the current school 35606
year and subsequent school years even if the student's family 35607
income rises above the amount specified in division (A) of this 35608
section, provided the student remains enrolled in a chartered 35609
nonpublic school. 35610

(1) "Alternative public provider" means either of the 35612
following providers that agrees to enroll a child in the 35613

of the Revised Code. 35624

(4) "Preschool child with a disability" and "individualized 35625
education program" have the same meanings as in section 3323.01 of 35626
the Revised Code. 35627

(5) "Parent" has the same meaning as in section 3313.64 of 35628
the Revised Code, except that "parent" does not mean a parent 35629
whose custodial rights have been terminated. "Parent" also 35630
includes the custodian of a qualified special education child, 35631
when a court has granted temporary, legal, or permanent custody of 35632
the child to an individual other than either of the natural or 35633
adoptive parents of the child or to a government agency. 35634

(6) "Qualified special education child" is a child for whom 35635
all of the following conditions apply: 35636

(a) The school district in which the child is entitled to 35637
attend school has identified the child as autistic. A child who 35638
has been identified as having a "pervasive developmental disorder 35639
- not otherwise specified (PPD-NOS)" shall be considered to be an 35640
autistic child for purposes of this section. 35641

(b) The school district in which the child is entitled to 35642
attend school has developed an individualized education program 35643

under Chapter 3323. of the Revised Code for the child. 35644

(c) The child either: 35645

(7) "Registered private provider" means a nonpublic school or 35654

a scholarship under section 3317.022 of the Revised Code to the 35663
parent of each qualified special education child upon application 35664
of that parent pursuant to procedures and deadlines established by 35665
rule of the state board of education. Each scholarship shall be 35666
used only to pay tuition for the child on whose behalf the 35667
scholarship is awarded to attend a special education program that 35668
implements the child's individualized education program and that 35669
is operated by an alternative public provider or by a registered 35670
private provider, and to pay for other services agreed to by the 35671
provider and the parent of a qualified special education child 35672
that are not included in the individualized education program but 35673
are associated with educating the child. Upon agreement with the 35674

parent of a qualified special education child, the alternative 35675
public provider or the registered private provider may modify the 35676
services provided to the child. The purpose of the scholarship is 35677
to permit the parent of a qualified special education child the 35678
choice to send the child to a special education program, instead 35679
of the one operated by or for the school district in which the 35680
child is entitled to attend school, to receive the services 35681
prescribed in the child's individualized education program once 35682
the individualized education program is finalized and any other 35683
services agreed to by the provider and the parent of a qualified 35684
special education child. The services provided under the 35685
scholarship shall include an educational component or services 35686
designed to assist the child to benefit from the child's 35687
education. 35688

A scholarship under this section shall not be awarded to the 35689
parent of a child while the child's individualized education 35690
program is being developed by the school district in which the 35691
child is entitled to attend school, or while any administrative or 35692
judicial mediation or proceedings with respect to the content of 35693
the child's individualized education program are pending. A 35694
scholarship under this section shall not be used for a child to 35695
attend a public special education program that operates under a 35696
contract, compact, or other bilateral agreement between the school 35697
district in which the child is entitled to attend school and 35698
another school district or other public provider, or for a child 35699
to attend a community school established under Chapter 3314. of 35700
the Revised Code. However, nothing in this section or in any rule 35701
adopted by the state board shall prohibit a parent whose child 35702
attends a public special education program under a contract, 35703
compact, or other bilateral agreement, or a parent whose child 35704
attends a community school, from applying for and accepting a 35705
scholarship under this section so that the parent may withdraw the 35706
child from that program or community school and use the 35707

scholarship for the child to attend a special education program 35708
for which the parent is required to pay for services for the 35709
child. 35710

Except for development of the child's individualized 35711
education program, the school district in which a qualified 35712
special education child is entitled to attend school and the 35713
child's school district of residence, as defined in section 35714
3323.01 of the Revised Code, if different, are not obligated to 35715
provide the child with a free appropriate public education under 35716
Chapter 3323. of the Revised Code for as long as the child 35717
continues to attend the special education program operated by 35718
either an alternative public provider or a registered private 35719
provider for which a scholarship is awarded under the autism 35720
scholarship program. If at any time, the eligible applicant for 35721
the child decides no longer to accept scholarship payments and 35722
enrolls the child in the special education program of the school 35723
district in which the child is entitled to attend school, that 35724
district shall provide the child with a free appropriate public 35725
education under Chapter 3323. of the Revised Code. 35726

A child attending a special education program with a 35727
scholarship under this section shall continue to be entitled to 35728
transportation to and from that program in the manner prescribed 35729
by law. 35730

(C) As prescribed in division (A)(2)(h) of section 3317.03 of 35731
the Revised Code, a child who is not a preschool child with a 35732
disability for whom a scholarship is awarded under this section 35733
shall be counted in the formula ADM of the district in which the 35734
child is entitled to attend school and not in the formula ADM of 35735
any other school district. 35736

section, for students who enter ninth grade for the first time on 36070

student shall elect to complete the one-half unit of instruction 36072
in financial literacy either in lieu of one-half unit of 36073
instruction in mathematics under division (C)(3) of this section 36074
or an elective under division (C)(8) of this section. 36075

(b) A student attending a nonpublic school accredited through 36076
the independent schools association of the central states or any 36077
other chartered nonpublic school shall not be required to complete 36078
the one-half unit of financial literacy instruction prescribed in 36079
division (C)(9)(a) of this section, unless that student is 36080
attending the school under a state scholarship program as defined 36081
in section 3301.0711 of the Revised Code. 36082

The study and instruction of financial literacy required 36083
under division (C)(9) of this section shall align with the 36084
academic content standards for financial literacy and 36085
entrepreneurship adopted under division (A)(2) of section 3301.079 36086
of the Revised Code. Schools shall include in the curriculum for 36087
the study and instruction of financial literacy instruction on the 36088
free application for federal student aid. The content and method 36089
of such instruction shall be determined by each school. In 36090
developing the curriculum for the study and instruction of 36091
financial literacy, schools may use available public-private 36092
partnerships and resources and materials that exist in business, 36093
industry, and through the centers for economics education at 36094
institutions of higher education. 36095

Ohioans must be prepared to apply increased knowledge and 36096
skills in the workplace and to adapt their knowledge and skills 36097
quickly to meet the rapidly changing conditions of the 36098
twenty-first century. National studies indicate that all high 36099
school graduates need the same academic foundation, regardless of 36100
the opportunities they pursue after graduation. The goal of Ohio's 36101

system of elementary and secondary education is to prepare all 36102
students for and seamlessly connect all students to success in 36103
life beyond high school graduation, regardless of whether the next 36104
step is entering the workforce, beginning an apprenticeship, 36105
engaging in post-secondary training, serving in the military, or 36106
pursuing a college degree. 36107

The requirements for graduation prescribed in division (C) of 36108
this section are the standard expectation for all students 36109
entering ninth grade for the first time at a public or chartered 36110
nonpublic high school on or after July 1, 2010. A student may 36111
satisfy this expectation through a variety of methods, including, 36112
but not limited to, integrated, applied, career-technical, and 36113
traditional coursework. 36114

Stronger coordination between high schools and institutions 36115
of higher education is necessary to prepare students for more 36116
challenging academic endeavors and to lessen the need for academic 36117
remediation in college, thereby reducing the costs of higher 36118
education for Ohio's students, families, and the state. The state 36119
board and the chancellor of higher education shall develop 36120
policies to ensure that only in rare instances will students who 36121
complete the requirements for graduation prescribed in division 36122
(C) of this section require academic remediation after high 36123
school. 36124

School districts, community schools, and chartered nonpublic 36125
schools shall integrate technology into learning experiences 36126
across the curriculum in order to maximize efficiency, enhance 36127
learning, and prepare students for success in the 36128
technology-driven twenty-first century. Districts and schools 36129
shall use distance and web-based course delivery as a method of 36130
providing or augmenting all instruction required under this 36131
division, including laboratory experience in science. Districts 36132
and schools shall utilize technology access and electronic 36133

learning opportunities provided by the broadcast educational media 36134
commission, chancellor, the Ohio learning network, education 36135
technology centers, public television stations, and other public 36136
and private providers. 36137

(D) Except as provided in division (E) of this section, a 36138
student who enters ninth grade on or after July 1, 2010, and 36139
before July 1, 2016, may qualify for graduation from a public or 36140
chartered nonpublic high school even though the student has not 36141
completed the requirements for graduation prescribed in division 36142
(C) of this section if all of the following conditions are 36143
satisfied: 36144

(1) During the student's third year of attending high school, 36145
as determined by the school, the student and the student's parent, 36146
guardian, or custodian sign and file with the school a written 36147
statement asserting the parent's, guardian's, or custodian's 36148
consent to the student's graduating without completing the 36149
requirements for graduation prescribed in division (C) of this 36150
section and acknowledging that one consequence of not completing 36151
those requirements is ineligibility to enroll in most state 36152
universities in Ohio without further coursework. 36153

(2) The student and parent, guardian, or custodian fulfill 36154
any procedural requirements the school stipulates to ensure the 36155
student's and parent's, guardian's, or custodian's informed 36156
consent and to facilitate orderly filing of statements under 36157
division (D)(1) of this section. Annually, each district or school 36158
shall notify the department of the number of students who choose 36159
to qualify for graduation under division (D) of this section and 36160
the number of students who complete the student's success plan and 36161
graduate from high school. 36162

(3) The student and the student's parent, guardian, or 36163
custodian and a representative of the student's high school 36164
jointly develop a student success plan for the student in the 36165

manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5)(a) Except as provided in division (D)(5)(b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows:

(i) Mathematics, four units, one unit which shall be one of the following:

(I) Probability and statistics;

(II) Computer science;

(III) Applied mathematics or quantitative reasoning;

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.

(ii) Elective units, five units;

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.

(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum

curriculum for high school graduation than specified in division 36196
(B) or (C) of this section. A school district board of education, 36197
through the adoption of a resolution, or the governing authority 36198
of a chartered nonpublic school may stipulate any of the 36199
following: 36200

(1) A minimum high school curriculum that requires more than 36201
twenty units of academic credit to graduate; 36202

(2) An exception to the district's or school's minimum high 36203
school curriculum that is comparable to the exception provided in 36204
division (D) of this section but with additional requirements, 36205
which may include a requirement that the student successfully 36206
complete more than the minimum curriculum prescribed in division 36207
(B) of this section; 36208

(3) That no exception comparable to that provided in division 36209
(D) of this section is available. 36210

If a school district or chartered nonpublic school requires a 36211
foreign language as an additional graduation requirement under 36212
division (E) of this section, a student may apply one unit of 36213
instruction in computer coding to satisfy one unit of foreign 36214
language. If a student applies more than one computer coding 36215
course to satisfy the foreign language requirement, the courses 36216
shall be sequential and progressively more difficult. 36217

(F) A student enrolled in a dropout prevention and recovery 36218
program, which program has received a waiver from the department, 36219
may qualify for graduation from high school by successfully 36220
completing a competency-based instructional program administered 36221
by the dropout prevention and recovery program in lieu of 36222
completing the requirements for graduation prescribed in division 36223
(C) of this section. The department shall grant a waiver to a 36224
dropout prevention and recovery program, within sixty days after 36225
the program applies for the waiver, if the program meets all of 36226

the following conditions: 36227

(1) The program serves only students not younger than sixteen 36228
years of age and not older than twenty-one years of age. 36229

(2) The program enrolls students who, at the time of their 36230
initial enrollment, either, or both, are at least one grade level 36231
behind their cohort age groups or experience crises that 36232
significantly interfere with their academic progress such that 36233
they are prevented from continuing their traditional programs. 36234

(3) The program requires students to attain at least the 36235
applicable score designated for each of the assessments prescribed 36236
under division (B)(1) of section 3301.0710 of the Revised Code or, 36237
to the extent prescribed by rule of the state board under division 36238
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 36239
of that section. 36240

(4) The program develops a student success plan for the 36241
student in the manner described in division (C)(1) of section 36242
3313.6020 of the Revised Code that specifies the student's 36243
matriculating to a two-year degree program, acquiring a business 36244
and industry-recognized credential, or entering an apprenticeship. 36245

(5) The program provides counseling and support for the 36246
student related to the plan developed under division (F)(4) of 36247
this section during the remainder of the student's high school 36248
experience. 36249

(6) The program requires the student and the student's 36250
parent, guardian, or custodian to sign and file, in accordance 36251
with procedural requirements stipulated by the program, a written 36252
statement asserting the parent's, guardian's, or custodian's 36253
consent to the student's graduating without completing the 36254
requirements for graduation prescribed in division (C) of this 36255
section and acknowledging that one consequence of not completing 36256
those requirements is ineligibility to enroll in most state 36257

universities in Ohio without further coursework. 36258

(7) Prior to receiving the waiver, the program has submitted 36259
to the department an instructional plan that demonstrates how the 36260
academic content standards adopted by the state board under 36261
section 3301.079 of the Revised Code will be taught and assessed. 36262

(8) Prior to receiving the waiver, the program has submitted 36263
to the department a policy on career advising that satisfies the 36264
requirements of section 3313.6020 of the Revised Code, with an 36265
emphasis on how every student will receive career advising. 36266

(9) Prior to receiving the waiver, the program has submitted 36267
to the department a written agreement outlining the future 36268
cooperation between the program and any combination of local job 36269
training, postsecondary education, nonprofit, and health and 36270
social service organizations to provide services for students in 36271
the program and their families. 36272

Divisions (F)(8) and (9) of this section apply only to 36273
waivers granted on or after July 1, 2015. 36274

If the department does not act either to grant the waiver or 36275
to reject the program application for the waiver within sixty days 36276
as required under this section, the waiver shall be considered to 36277
be granted. 36278

(G) Every high school may permit students below the ninth 36279
grade to take advanced work. If a high school so permits, it shall 36280
award high school credit for successful completion of the advanced 36281
work and shall count such advanced work toward the graduation 36282
requirements of division (B) or (C) of this section if the 36283
advanced work was both: 36284

(1) Taught by a person who possesses a license or certificate 36285
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 36286
Code that is valid for teaching high school; 36287

(2) Designated by the board of education of the city, local, 36288
or exempted village school district, the board of the cooperative 36289
education school district, or the governing authority of the 36290
chartered nonpublic school as meeting the high school curriculum 36291
requirements. 36292

Each high school shall record on the student's high school 36293
transcript all high school credit awarded under division (G) of 36294
this section. In addition, if the student completed a seventh- or 36295
eighth-grade fine arts course described in division (K) of this 36296
section and the course qualified for high school credit under that 36297
division, the high school shall record that course on the 36298
student's high school transcript. 36299

(H) The department shall make its individual academic career 36300
plan available through its Ohio career information system web site 36301
for districts and schools to use as a tool for communicating with 36302
and providing guidance to students and families in selecting high 36303
school courses. 36304

(I) A school district or chartered nonpublic school may 36305
integrate academic content in a subject area for which the state 36306
board has adopted standards under section 3301.079 of the Revised 36307
Code into a course in a different subject area, including a 36308
career-technical education course, in accordance with guidance for 36309
integrated coursework developed by the department. Upon successful 36310
completion of an integrated course, a student may receive credit 36311
for both subject areas that were integrated into the course. Units 36312
earned for subject area content delivered through integrated 36313
academic and career-technical instruction are eligible to meet the 36314
graduation requirements of division (B) or (C) of this section. 36315

For purposes of meeting graduation requirements, if an 36316
end-of-course examination has been prescribed under section 36317
3301.0712 of the Revised Code for the subject area delivered 36318
through integrated instruction, the school district or school may 36319

administer the related subject area examinations upon the 36320
student's completion of the integrated course. 36321

Nothing in division (I) of this section shall be construed to 36322
excuse any school district, chartered nonpublic school, or student 36323
from any requirement in the Revised Code related to curriculum, 36324
assessments, or the awarding of a high school diploma. 36325

(J)(1) The state board, in consultation with the chancellor, 36326
shall adopt a statewide plan implementing methods for students to 36327
earn units of high school credit based on a demonstration of 36328
subject area competency, instead of or in combination with 36329
completing hours of classroom instruction. The state board shall 36330
adopt the plan not later than March 31, 2009, and commence phasing 36331
in the plan during the 2009-2010 school year. The plan shall 36332
include a standard method for recording demonstrated proficiency 36333
on high school transcripts. Each school district and community 36334
school shall comply with the state board's plan adopted under this 36335
division and award units of high school credit in accordance with 36336
the plan. The state board may adopt existing methods for earning 36337
high school credit based on a demonstration of subject area 36338
competency as necessary prior to the 2009-2010 school year. 36339

(2) Not later than December 31, 2015, the state board shall 36340
update the statewide plan adopted pursuant to division (J)(1) of 36341
this section to also include methods for students enrolled in 36342
seventh and eighth grade to meet curriculum requirements based on 36343
a demonstration of subject area competency, instead of or in 36344
combination with completing hours of classroom instruction. 36345
Beginning with the 2017-2018 school year, each school district and 36346
community school also shall comply with the updated plan adopted 36347
pursuant to this division and permit students enrolled in seventh 36348
and eighth grade to meet curriculum requirements based on subject 36349
area competency in accordance with the plan. 36350

(3) Not later than December 31, 2017, the department shall 36351

develop a framework for school districts and community schools to 36352
use in granting units of high school credit to students who 36353
demonstrate subject area competency through work-based learning 36354
experiences, internships, or cooperative education. Beginning with 36355
the 2018-2019 school year, each district and community school 36356
shall comply with the framework. Each district and community 36357
school also shall review any policy it has adopted regarding the 36358
demonstration of subject area competency to identify ways to 36359
incorporate work-based learning experiences, internships, and 36360
cooperative education into the policy in order to increase student 36361
engagement and opportunities to earn units of high school credit. 36362

(K) This division does not apply to students who qualify for 36363
graduation from high school under division (D) or (F) of this 36364
section, or to students pursuing a career-technical instructional 36365
track as determined by the school district board of education or 36366
the chartered nonpublic school's governing authority. 36367
Nevertheless, the general assembly encourages such students to 36368
consider enrolling in a fine arts course as an elective. 36369

Beginning with students who enter ninth grade for the first 36370
time on or after July 1, 2010, each student enrolled in a public 36371
or chartered nonpublic high school shall complete two semesters or 36372
the equivalent of fine arts to graduate from high school. The 36373
coursework may be completed in any of grades seven to twelve. Each 36374
student who completes a fine arts course in grade seven or eight 36375
may elect to count that course toward the five units of electives 36376
required for graduation under division (C)(8) of this section, if 36377
the course satisfied the requirements of division (G) of this 36378
section. In that case, the high school shall award the student 36379
high school credit for the course and count the course toward the 36380
five units required under division (C)(8) of this section. If the 36381
course in grade seven or eight did not satisfy the requirements of 36382
division (G) of this section, the high school shall not award the 36383

student high school credit for the course but shall count the 36384
course toward the two semesters or the equivalent of fine arts 36385
required by this division. 36386

(L) Notwithstanding anything to the contrary in this section, 36387
the board of education of each school district and the governing 36388
authority of each chartered nonpublic school may adopt a policy to 36389
excuse from the high school physical education requirement each 36390
student who, during high school, has participated in 36391
interscholastic athletics, marching band, show choir, or 36392
cheerleading for at least two full seasons or in the junior 36393
reserve officer training corps for at least two full school years. 36394
If the board or authority adopts such a policy, the board or 36395
authority shall not require the student to complete any physical 36396
education course as a condition to graduate. However, the student 36397
shall be required to complete one-half unit, consisting of at 36398
least sixty hours of instruction, in another course of study. In 36399
the case of a student who has participated in the junior reserve 36400
officer training corps for at least two full school years, credit 36401
received for that participation may be used to satisfy the 36402
requirement to complete one-half unit in another course of study. 36403

(M) It is important that high school students learn and 36404
understand United States history and the governments of both the 36405
United States and the state of Ohio. Therefore, beginning with 36406
students who enter ninth grade for the first time on or after July 36407
1, 2012, the study of American history and American government 36408
required by divisions (B)(6) and (C)(6) of this section shall 36409
include the study of all of the following documents: 36410

(1) The Declaration of Independence; 36411

(2) The Northwest Ordinance; 36412

(3) The Constitution of the United States with emphasis on 36413
the Bill of Rights; 36414

(4) The Ohio Constitution.	36415
The study of each of the documents prescribed in divisions	36416
(M)(1) to (4) of this section shall include study of that document	36417
in its original context.	36418
The study of American history and government required by	36419
divisions (B)(6) and (C)(6) of this section shall include the	36420
historical evidence of the role of documents such as the	36421
Federalist Papers and the Anti-Federalist Papers to firmly	36422
establish the historical background leading to the establishment	36423
of the provisions of the Constitution and Bill of Rights.	36424
(N) A student may apply one unit of instruction in computer	36425
science to satisfy one unit of mathematics or one unit of science	36426
under division (C) of this section as the student chooses,	36427
regardless of the field of certification of the teacher who	36428
teaches the course, so long as that teacher meets the licensure	36429
requirements prescribed by section 3319.236 of the Revised Code	36430
and, prior to teaching the course, completes a professional	36431
development program determined to be appropriate by the district	36432
board.	36433
If a student applies more than one computer science course to	36434
satisfy curriculum requirements under that division, the courses	36435
shall be sequential and progressively more difficult or cover	36436
different subject areas within computer science.	36437
Sec. 3313.608. (A)(1) Beginning with students who enter third	36438
grade in the school year that starts July 1, 2009, and until June	36439
30, 2013, unless the student is excused under division (C) of	36440
section 3301.0711 of the Revised Code from taking the assessment	36441
described in this section, for any student who does not attain at	36442
least the equivalent level of achievement designated under	36443
division (A)(3) of section 3301.0710 of the Revised Code on the	36444
assessment prescribed under that section to measure skill in	36445

English language arts expected at the end of third grade, each 36446
school district, in accordance with the policy adopted under 36447
section 3313.609 of the Revised Code, shall do one of the 36448
following: 36449

(a) Promote the student to fourth grade if the student's 36450
principal and reading teacher agree that other evaluations of the 36451
student's skill in reading demonstrate that the student is 36452
academically prepared to be promoted to fourth grade; 36453

(b) Promote the student to fourth grade but provide the 36454
student with intensive intervention services in fourth grade; 36455

(c) Retain the student in third grade. 36456

(2) Beginning with students who enter third grade in the 36457
2013-2014 school year and until the effective date of this 36458
amendment, unless the student is excused under division (C) of 36459
section 3301.0711 of the Revised Code from taking the assessment 36460
described in this section, no school district shall promote to 36461
fourth grade any student who does not attain at least the 36462
equivalent level of achievement designated under division (A)(3) 36463
of section 3301.0710 of the Revised Code on the assessment 36464
prescribed under that section to measure skill in English language 36465
arts expected at the end of third grade, unless one of the 36466
following applies: 36467

(a) The student is an English learner who has been enrolled 36468
in United States schools for less than three full school years and 36469
has had less than three years of instruction in an English as a 36470
second language program. 36471

(b) The student is a child with a disability entitled to 36472
special education and related services under Chapter 3323. of the 36473
Revised Code and the student's individualized education program 36474
exempts the student from retention under this division. 36475

(c) The student demonstrates an acceptable level of 36476

performance on an alternative standardized reading assessment as 36477
determined by the department of education. 36478

(d) All of the following apply: 36479

(i) The student is a child with a disability entitled to 36480
special education and related services under Chapter 3323. of the 36481
Revised Code. 36482

(ii) The student has taken the third grade English language 36483
arts achievement assessment prescribed under section 3301.0710 of 36484
the Revised Code. 36485

(iii) The student's individualized education program or plan 36486
under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 36487
355, 29 U.S.C. 794, as amended, shows that the student has 36488
received intensive remediation in reading for two school years but 36489
still demonstrates a deficiency in reading. 36490

(iv) The student previously was retained in any of grades 36491
kindergarten to three. 36492

(e)(i) The student received intensive remediation for reading 36493
for two school years but still demonstrates a deficiency in 36494
reading and was previously retained in any of grades kindergarten 36495
to three. 36496

(ii) A student who is promoted under division (A)(2)(e)(i) of 36497
this section shall continue to receive intensive reading 36498
instruction in grade four. The instruction shall include an 36499
altered instructional day that includes specialized diagnostic 36500
information and specific research-based reading strategies for the 36501
student that have been successful in improving reading among 36502
low-performing readers. 36503

(3) Beginning with students who enter the third grade in the 36504
2023-2024 school year, no school district shall retain a student 36505
under this section based upon the student's score on the 36506

assessment prescribed by section 3301.0710 of the Revised Code to 36507
measure skill in English language arts expected at the end of 36508
third grade. Districts shall continue to offer intervention and 36509
remediation services in the manner prescribed under this section 36510
for students found to be reading below grade level. 36511

(B)(1) Beginning in the 2012-2013 school year, to assist 36512
students in meeting the third grade guarantee established by this 36513
section, each school district board of education shall adopt 36514
policies and procedures with which it annually shall assess the 36515
reading skills of each student, except those students with 36516
significant cognitive disabilities or other disabilities as 36517
authorized by the department on a case-by-case basis, enrolled in 36518
kindergarten to third grade and shall identify students who are 36519
reading below their grade level. The reading skills assessment 36520
shall be completed by the thirtieth day of September for students 36521
in grades one to three, and by the twentieth day of instruction of 36522
the school year for students in kindergarten. Each district shall 36523
use the diagnostic assessment to measure reading ability for the 36524
appropriate grade level adopted under section 3301.079 of the 36525
Revised Code, or a comparable tool approved by the department of 36526
education, to identify such students. The policies and procedures 36527
shall require the students' classroom teachers to be involved in 36528
the assessment and the identification of students reading below 36529
grade level. The assessment may be administered electronically 36530
using live, two-way video and audio connections whereby the 36531
teacher administering the assessment may be in a separate location 36532
from the student. 36533

(2) For each student identified by the diagnostic assessment 36534
prescribed under this section as having reading skills below grade 36535
level, the district shall do both of the following: 36536

(a) Provide to the student's parent or guardian, in writing, 36537
all of the following: 36538

(i) Notification that the student has been identified as 36539
having a substantial deficiency in reading; 36540

(ii) A description of the current services that are provided 36541
to the student; 36542

(iii) A description of the proposed supplemental 36543
instructional services and supports that will be provided to the 36544
student that are designed to remediate the identified areas of 36545
reading deficiency; 36546

~~(iv) Notification that if the student attains a score in the 36547
range designated under division (A)(3) of section 3301.0710 of the 36548
Revised Code on the assessment prescribed under that section to 36549
measure skill in English language arts expected at the end of 36550
third grade, the student shall be retained unless the student is 36551
exempt under division (A) of this section. The notification shall 36552
specify that the assessment under section 3301.0710 of the Revised 36553
Code is not the sole determinant of promotion and that additional 36554
evaluations and assessments are available to the student to assist 36555
parents and the district in knowing when a student is reading at 36556
or above grade level and ready for promotion. 36557~~

(b) Provide intensive reading instruction services and 36558
regular diagnostic assessments to the student immediately 36559
following identification of a reading deficiency until the 36560
development of the reading improvement and monitoring plan 36561
required by division (C) of this section. These intervention 36562
services shall include research-based reading strategies that have 36563
been shown to be successful in improving reading among 36564
low-performing readers and instruction targeted at the student's 36565
identified reading deficiencies. 36566

(3) ~~For~~ Prior to the 2023-2024 school year, for each student 36567
retained under division (A) of this section, the district shall do 36568
all of the following: 36569

(a) Provide intense remediation services until the student is able to read at grade level. The remediation services shall include intensive interventions in reading that address the areas of deficiencies identified under this section including, but not limited to, not less than ninety minutes of reading instruction per day, and may include any of the following:

- (i) Small group instruction;
- (ii) Reduced teacher-student ratios;
- (iii) More frequent progress monitoring;
- (iv) Tutoring or mentoring;
- (v) Transition classes containing third and fourth grade students;
- (vi) Extended school day, week, or year;
- (vii) Summer reading camps.

(b) Establish a policy for the mid-year promotion of a student retained under division (A) of this section who demonstrates that the student is reading at or above grade level;

(c) Provide each student with a teacher who satisfies one or more of the criteria set forth in division ~~(H)~~(I) of this section.

The district shall offer the option for students to receive applicable services from one or more providers other than the district. Providers shall be screened and approved by the district or the department of education. If the student participates in the remediation services and demonstrates reading proficiency in accordance with standards adopted by the department prior to the start of fourth grade, the district shall promote the student to that grade.

(4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction

commensurate with student achievement levels in that specific 36600
academic ability field. 36601

As used in this division, "specific academic ability field" 36602
has the same meaning as in section 3324.01 of the Revised Code. 36603

(C) For each student required to be provided intervention 36604
services under this section, the district shall develop a reading 36605
improvement and monitoring plan within sixty days after receiving 36606
the student's results on the diagnostic assessment or comparable 36607

the student's enrollment from a parent and the student has 37923
commenced participation in learning opportunities as defined in 37924
the contract with the sponsor, or thirty days prior to the date on 37925
which the student is entered into the education management 37926
information system established under section 3301.0714 of the 37927

school year in an internet- or computer-based community school 37949

shall continue paying amounts for the student under section 37953
3317.022 of the Revised Code without interruption at the start of 37954

the subsequent school year. However, if the student without a 37955
legitimate excuse fails to participate in the first seventy-two 37956

in that subsequent school year, the student shall be considered 37958
not to have re-enrolled in the school for that school year and the 37959

hours or days of learning opportunities, each community school 37973
shall offer not less than nine hundred twenty hours of learning 37974
opportunities during the school year. 37975

(4) With respect to the calculation of full-time equivalency 37976
under division (H)(3) of this section, the department shall waive 37977
the number of hours or days of learning opportunities not offered 37978
to a student because the community school was closed during the 37979
school year due to disease epidemic, hazardous weather conditions, 37980
law enforcement emergencies, inoperability of school buses or 37981
other equipment necessary to the school's operation, damage to a 37982
school building, or other temporary circumstances due to utility 37983
failure rendering the school building unfit for school use, so 37984
long as the school was actually open for instruction with students 37985
in attendance during that school year for not less than the 37986

minimum number of hours required by this chapter. The department 37987
shall treat the school as if it were open for instruction with 37988

(J)(1) No student shall be considered enrolled in any 37994
internet- or computer-based community school or, if applicable to 37995

(a) The student possesses or has been provided with all 38000
required hardware and software materials and all such materials 38001
are operational so that the student is capable of fully 38002
participating in the learning opportunities specified in the 38003
contract between the school and the school's sponsor as required 38004
by division (A)(23) of section 3314.03 of the Revised Code; 38005

(b) The school is in compliance with division (A) of section 38006

(2) In accordance with policies adopted by the superintendent 38008
of public instruction, in consultation with the auditor of state, 38009
the department shall reduce the amounts otherwise payable under 38010
section 3317.022 of the Revised Code to any community school that 38011
includes in its program the provision of computer hardware and 38012
software materials to any student, if such hardware and software 38013
materials have not been delivered, installed, and activated for 38014
each such student in a timely manner or other educational 38015
materials or services have not been provided according to the 38016

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

establishment of a joint vocational school district that begins 39322
receiving payments under section 3317.16 of the Revised Code for 39323
fiscal year ~~2022~~ 2024 or fiscal year ~~2023~~ 2025, but does not 39324
receive payments for the fiscal year immediately preceding that 39325
fiscal year, the department shall adjust, as necessary, the 39326
district's funding base, as that term is defined in section 39327
3317.02 of the Revised Code, according to the amounts received by 39328

previous fiscal year and the positive difference between those two 39342
student counts is greater than or equal to the district's decrease 39343
threshold for that fiscal year, the amount paid to the district 39344
under division (A) of this section shall be reduced by the 39345
following amount: 39346

(b) If the district's efficiency index is less than 1.5 but 41185
greater than or equal to 1.0, the efficiency adjustment payment 41186

district's transportation base payment calculated under division 41189
(E) of this section 41190

(c) If the district's efficiency index is less than 1.0, the 41191

thereafter, a percentage calculated in a manner determined by the 41211
general assembly. 41212

(2) The department shall pay each district a transportation 41213
supplement calculated according to the following formula: 41214

community school shall be the following quotient: 41234

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of section 3314.091 of the Revised Code.

criteria specified under division (A) of this section; 41500

(C) If the district satisfies both of the criteria specified 41501
under division (A) of this section, compute the district's 41502

of the base amount. 41681

For purposes of determining the minimum salary at any level 41682
of training and service, the base of one hundred per cent shall be 41683

3317.25 of the Revised Code. 42174

(D) Not less than fifty per cent of the amount determined 42175
under division (B) of this section shall be spent on initiatives 42176
described under division (B)(1)(j) or (o) of section 3317.25 of 42177
the Revised Code, or a combination of both. 42178

(E) Each city, local, exempted village, joint vocational 42179
school district, community school, and STEM school that is subject 42180
to the requirements of this section shall develop a plan to 42181
utilize the student wellness and success funds it receives in 42182
coordination with a community mental health prevention or 42183
treatment provider or local board of alcohol, drug addiction, and 42184
mental health services established under Chapter 340. of the 42185
Revised Code and one of the community partners identified under 42186
division (C) of section 3317.25 of the Revised Code. 42187

(F) Within thirty days of the creation or amendment of the 42188
plan required under division (E) of this section, each city, 42189
local, exempted village, or joint vocational school district, 42190
community school, and STEM school shall share the plan at a public 42191
meeting of the board of education or governing authority and post 42192
the plan on the district or school's web site. 42193

(G)(1) All student wellness and success funds allocated in any of fiscal years 2020 to 2023 shall be expended prior to June 30, 2025. Any unexpended funds shall be repaid to the department.

(2) Beginning in fiscal year 2024, all student wellness and success funds shall be spent by the end of the following fiscal year. Any unexpended funds shall be repaid to the department.

(H)(1) If the department determines that a city, local, exempted village, joint vocational school district, community school, or STEM school has not spent funds in accordance with divisions (C) and (D) of this section, the department may require a corrective action plan.

(2) If a city, local, exempted village, joint vocational school district, community school, or STEM school is determined to be out of compliance with the corrective action plan described under division (H)(1) of this section, the department may withhold student wellness and success from that district or school.

(I) At the end of each fiscal year, each district and school shall submit a report to the department, in a manner determined by the department, describing the initiative or initiatives on which the district or school's funds were spent under this section during that fiscal year.

Sec. 3318.024. In the first year of a capital biennium, any funds appropriated to the Ohio facilities construction commission for classroom facilities projects under this chapter in the previous capital biennium that were not spent or encumbered, or for which an encumbrance has been canceled under section 3318.05 of the Revised Code, shall be used by the commission only for projects under sections 3318.01 to 3318.20 of the Revised Code, subject to appropriation by the general assembly.

In the second year of a capital biennium, any funds

appropriated to the Ohio facilities construction commission for 42224
classroom facilities projects under this chapter that were not 42225
spent or encumbered in the first year of the biennium and which 42226
are in excess of an amount equal to half of the appropriations for 42227
the capital biennium, or for which an encumbrance has been 42228
canceled under section 3318.05 of the Revised Code, shall be used 42229
by the commission only for projects under sections 3318.01 to 42230
3318.20, 3318.33, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, 42231
and 3318.40 to 3318.46 of the Revised Code, subject to 42232
appropriation by the general assembly. 42233

Sec. 3318.032. (A) Except as otherwise provided in divisions 42234
(C) and (D) of this section, the portion of the basic project cost 42235
supplied by the school district shall be the greater of: 42236

(1) The required percentage of the basic project costs; 42237

(2)(a) For all districts except a district that opts to 42238
divide its entire classroom facilities needs into segments to be 42239
completed separately as authorized by section 3318.034 of the 42240
Revised Code, an amount necessary to raise the school district's 42241
net bonded indebtedness, as of the date the controlling board 42242
approved the project, to within five thousand dollars of the 42243
required level of indebtedness; 42244

(b) For a district that opts to divide its entire classroom 42245
facilities needs into segments to be completed separately as 42246
authorized by section 3318.034 of the Revised Code, an amount 42247
necessary to raise the school district's net bonded indebtedness, 42248
as of the date the controlling board approved the project, to 42249
within five thousand dollars of the following: 42250

The required level of indebtedness X (the basic 42251
project cost of the segment as approved 42252
by the controlling board / the estimated basic 42253
project cost of the district's entire classroom facilities 42254

needs as determined jointly by the staff of the Ohio 42255
facilities construction commission and the district) 42256

(B) The amount of the district's share determined under this 42257
section shall be calculated only as of the date the controlling 42258
board approved the project, and that amount applies throughout the 42259
~~thirteen-month~~ sixteen-month period permitted under section 42260
3318.05 of the Revised Code for the district's electors to approve 42261
the propositions described in that section. If the amount reserved 42262
and encumbered for a project is released because the electors do 42263
not approve those propositions within that period, and the school 42264
district later receives the controlling board's approval for the 42265
project, subject to a new project scope and estimated costs under 42266
section 3318.054 of the Revised Code, the district's portion shall 42267
be recalculated in accordance with this section as of the date of 42268
the controlling board's subsequent approval. 42269

(C) At no time shall a school district's portion of the basic 42270
project cost be greater than ninety-five per cent of the total 42271
basic project cost. 42272

(D) If the controlling board approves a project under 42273
sections 3318.01 to 3318.20 of the Revised Code for a school 42274
district that previously received assistance under those sections 42275
or section 3318.37 of the Revised Code within the twenty-year 42276
period prior to the date on which the controlling board approves 42277
the new project, the district's portion of the basic project cost 42278
for the new project shall be the lesser of the following: 42279

(1) The portion calculated under division (A) of this 42280
section; 42281

(2) The greater of the following: 42282

(a) The required percentage of the basic project costs for 42283
the new project; 42284

(b) The percentage of the basic project cost paid by the 42285

district for the previous project. 42286

Sec. 3318.05. The conditional approval of the Ohio facilities 42287
construction commission for a project shall lapse and the amount 42288
reserved and encumbered for such project shall be released unless 42289
the school district board accepts such conditional approval within 42290
one hundred twenty days following the date of certification of the 42291
conditional approval to the school district board and the electors 42292
of the school district vote favorably on both of the propositions 42293
described in divisions (A) and (B) of this section within ~~thirteen~~ 42294
sixteen months of the date of such certification, except that a 42295
school district described in division (C) of this section does not 42296
need to submit the proposition described in division (B) of this 42297
section. The propositions described in divisions (A) and (B) of 42298
this section shall be combined in a single proposal. If the 42299
district board or the district's electors fail to meet such 42300
requirements and the amount reserved and encumbered for the 42301
district's project is released, the district shall be given first 42302
priority for project funding as such funds become available, 42303
subject to section 3318.054 of the Revised Code. 42304

(A) On the question of issuing bonds of the school district 42306
board, for the school district's portion of the basic project 42307
cost, in an amount equal to the school district's portion of the 42308
basic project cost less the amount of the proceeds of any 42309
securities authorized or to be authorized under division (J) of 42310
section 133.06 of the Revised Code and dedicated by the school 42311
district board to payment of the district's portion of the basic 42312
project cost; and 42313

(B) On the question of levying a tax the proceeds of which 42314
shall be used to pay the cost of maintaining or upgrading the 42315
classroom facilities included in the project. Such tax shall be at 42316

the rate of not less than one-half mill for each dollar of 42317
valuation for a period of twenty-three years, subject to any 42318
extension approved under section 3318.061 of the Revised Code. 42319

(C) If a school district has in place a tax levied under 42320
section 5705.21 of the Revised Code for general permanent 42321
improvements for a continuing period of time and the proceeds of 42322
such tax can be used for maintenance or upgrades, or if a district 42323
agrees to the transfers described in section 3318.051 of the 42324
Revised Code, the school district need not levy the additional tax 42325
required under division (B) of this section, provided the school 42326
district board includes in the agreement entered into under 42327
section 3318.08 of the Revised Code provisions either: 42328

(1) Earmarking an amount from the proceeds of that permanent 42329
improvement tax for maintenance or upgrades of classroom 42330
facilities equivalent to the amount of the additional tax and for 42331
the equivalent number of years otherwise required under this 42332
section; 42333

(2) Requiring the transfer of money in accordance with 42334
section 3318.051 of the Revised Code. 42335

The district board subsequently may rescind the agreement to 42336
make the transfers under section 3318.051 of the Revised Code only 42337
so long as the electors of the district have approved, in 42338
accordance with section 3318.063 of the Revised Code, the levy of 42339
a tax for the maintenance or upgrades of the classroom facilities 42340
acquired under the district's project and that levy continues to 42341
be collected as approved by the electors. 42342

(D) Proceeds of the tax to be used for maintenance or upgrade 42343
of the classroom facilities under either division (B) or (C)(1) of 42344
this section, and transfers of money in accordance with section 42345
3318.051 of the Revised Code shall be deposited into a separate 42346
fund established by the school district for such purpose. 42347

(E) Proceeds of the tax to be used for maintenance or 42348
upgrades of the classroom facilities under either division (B) or 42349
(C)(1) of this section shall not be used to upgrade classroom 42350
facilities, unless the district board submits to the Ohio 42351
facilities construction commission a proposal regarding the use of 42352
those proceeds for upgrades and the commission approves the 42353
proposal. 42354

Sec. 3318.051. (A) Any city, exempted village, or local 42355
school district that commences a project under sections 3318.01 to 42356
3318.20, 3318.33, 3318.36, 3318.37, or 3318.38 of the Revised Code 42357
~~on or after September 5, 2006,~~ need not levy the tax otherwise 42358
required under division (B) of section 3318.05 of the Revised 42359
Code, if the district board of education adopts a resolution 42360
petitioning the Ohio facilities construction commission to approve 42361
the transfer of money in accordance with this section and the 42362
commission approves that transfer. If so approved, the commission 42363
and the district board shall enter into an agreement under which 42364
the board, in each of twenty-three consecutive years beginning in 42365
the year in which the board and the commission enter into the 42366
project agreement under section 3318.08 of the Revised Code, shall 42367
transfer into the maintenance fund required by division (D) of 42368
section 3318.05 of the Revised Code not less than an amount equal 42369
to one-half mill for each dollar of the district's valuation 42370
unless and until the agreement to make those transfers is 42371
rescinded by the district board pursuant to division (F) of this 42372
section. 42373

(B) On the first day of July each year, or on an alternative 42374
date prescribed by the commission, the district treasurer shall 42375
certify to the commission and the auditor of state that the amount 42376
required for the year has been transferred. The auditor of state 42377
shall include verification of the transfer as part of any audit of 42378
the district under section 117.11 of the Revised Code. If the 42379

auditor of state finds that less than the required amount has been 42380
deposited into a district's maintenance fund, the auditor of state 42381
shall notify the district board of education in writing of that 42382
fact and require the board to deposit into the fund, within ninety 42383
days after the date of the notice, the amount by which the fund is 42384
deficient for the year. If the district board fails to demonstrate 42385
to the auditor of state's satisfaction that the board has made the 42386
deposit required in the notice, the auditor of state shall notify 42387
the department of education. At that time, the department shall 42388
withhold an amount equal to ten per cent of the district's funds 42389
calculated for the current fiscal year under Chapter 3317. of the 42390
Revised Code until the auditor of state notifies the department 42391
that the auditor of state is satisfied that the board has made the 42392
required transfer. 42393

(C) Money transferred to the maintenance fund shall be used 42394
for the maintenance or, upon approval of the Ohio facilities 42395
construction commission, upgrade of the facilities acquired under 42396
the district's project. 42397

(D) The transfers to the maintenance fund under this section 42398
does not affect a district's obligation to establish and maintain 42399
a capital and maintenance fund under section 3315.18 of the 42400
Revised Code. 42401

(E) Any decision by the commission to approve or not approve 42402
the transfer of money under this section is final and not subject 42403
to appeal. The commission shall not be responsible for errors or 42404
miscalculations made in deciding whether to approve a petition to 42405
make transfers under this section. 42406

(F) If the district board determines that it no longer can 42407
continue making the transfers agreed to under this section, the 42408
board may rescind the agreement only so long as the electors of 42409
the district have approved, in accordance with section 3318.063 of 42410
the Revised Code, the levy of a tax for the maintenance of the 42411

classroom facilities acquired under the district's project and 42412
that levy continues to be collected as approved by the electors. 42413
That levy shall be for a number of years that is equal to the 42414
difference between twenty-three years and the number of years that 42415
the district made transfers under this section and shall be at the 42416
rate of not less than one-half mill for each dollar of the 42417
district's valuation. The district board shall continue to make 42418
the transfers agreed to under this section until that levy has 42419
been approved by the electors. 42420

Sec. 3318.054. (A) If conditional approval of a city, 42421
exempted village, or local school district's project lapses as 42422
provided in section 3318.05 of the Revised Code, or if conditional 42423
approval of a joint vocational school district's project lapses as 42424
provided in division (D) of section 3318.41 of the Revised Code, 42425
because the district's electors have not approved the ballot 42426
measures necessary to generate the district's portion of the basic 42427
project cost, and if the district board desires to seek a new 42428
conditional approval of the project, the district board shall 42429
request that the Ohio facilities construction commission set the 42430
scope, basic project cost, and school district portion of the 42431
basic project cost prior to resubmitting the ballot measures to 42432
the electors. To do so, the commission shall use the district's 42433
current assessed tax valuation and the district's percentile for 42434
the prior fiscal year. For a district that has entered into an 42435
agreement under section 3318.36 of the Revised Code and desires to 42436
proceed with a project under sections 3318.01 to 3318.20 of the 42437
Revised Code, the district's portion of the basic project cost 42438
shall be the percentage specified in that agreement. The project 42439
scope and basic costs established under this division shall be 42440
valid for ~~thirteen~~ sixteen months from the date the commission 42441
approves them. 42442

(B) Upon the commission's approval under division (A) of this 42443

section, the district board may submit the ballot measures to the district's electors for approval of the project based on the new project scope and estimated costs. Upon electoral approval of those measures, the district shall be given first priority for project funding as such funds become available.

(C) When the commission determines that funds are available for the district's project, the commission shall do all of the following:

(1) Determine the school district portion of the basic project cost under section 3318.032 of the Revised Code, in the case of a city, exempted village, or local school district, or under section 3318.42 of the Revised Code, in the case of a joint vocational school district;

(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code;

(3) Encumber funds for the project under section 3318.11 of the Revised Code;

(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code.

Sec. 3318.055. Notwithstanding any provision to the contrary in sections 3318.05, 3318.06, 3318.061, 3318.08, 3318.33, 3318.36, 3318.361, and 3318.38 of the Revised Code, if the amount of money that would be raised in a school district by the twenty-three year maintenance tax specified in those sections during the first twelve-month period of its collection, as estimated by the department of taxation, would be less than ten per cent of the amount of money that the school district was required to deposit into its capital and maintenance fund during the most recent fiscal year under section 3315.18 of the Revised Code, the school

district shall not be required to include such maintenance tax on 42474
a ballot proposal, as otherwise required under sections 3318.05, 42475
3318.06, 3318.061, 3318.08, 3318.33, 3318.36, 3318.361, and 42476
3318.38 of the Revised Code. 42477

Sec. 3318.084. (A) Notwithstanding anything to the contrary 42478
in Chapter 3318. of the Revised Code, a school district board may 42479
apply any local donated contribution toward any of the following: 42480

(1) The district's portion of the basic project cost of a 42481
project under either sections 3318.01 to 3318.20 or sections 42482
3318.40 to 3318.45 of the Revised Code to reduce the amount of 42483
bonds the district otherwise must issue in order to receive state 42484
assistance under those sections; 42485

(2) If the school district is not a joint vocational school 42486
district proceeding under sections 3318.40 to 3318.45 of the 42487
Revised Code, an offset of all or part of a district's obligation 42488
to levy the tax described in division (B) of section 3318.05 of 42489
the Revised Code, which shall be applied only in the manner 42490
prescribed in division (B) of this section; 42491

(3) If the school district is a joint vocational school 42492
district proceeding under sections 3318.40 to 3318.45 of the 42493
Revised Code, all or part of the amount the school district is 42494
obligated to set aside for maintenance of the classroom facilities 42495
acquired under that project pursuant to section 3318.43 of the 42496
Revised Code. 42497

(B) No school district board shall apply any local donated 42498
contribution under division (A)(2) of this section unless the Ohio 42499
facilities construction commission first approves that 42500
application. 42501

Upon the request of the school district board to apply local 42502
donated contribution under division (A)(2) of this section, the 42503

commission in consultation with the department of taxation shall 42504
determine the amount of total revenue that likely would be 42505
generated by one-half mill of the tax described in division (B) of 42506
section 3318.05 of the Revised Code over the entire 42507
twenty-three-year period required under that section and shall 42508
deduct from that amount any amount of local donated contribution 42509
that the board has committed to apply under division (A)(2) of 42510
this section. The commission then shall determine in consultation 42511
with the department of taxation the rate of tax over twenty-three 42512
years necessary to generate the amount of a one-half mill tax not 42513
offset by the local donated contribution. Notwithstanding anything 42514
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 42515
Revised Code, the rate determined by the commission shall be the 42516
rate for which the district board shall seek elector approval 42517
under those sections to meet its obligation under division (B) of 42518
section 3318.05 of the Revised Code. In the case of a complete 42519
offset of the district's obligation under division (B) of section 42520
3318.05 of the Revised Code, the district shall not be required to 42521
levy the tax otherwise required under that section. At the end of 42522
the twenty-three-year period of the tax required under division 42523
(B) of section 3318.05 of the Revised Code, whether or not the tax 42524
is actually levied, the commission in consultation of the 42525
department of taxation shall recalculate the amount that would 42526
have been generated by the tax if it had been levied at one-half 42527
mill. If the total amount actually generated over that period from 42528
both the tax that was actually levied and any local donated 42529
contribution applied under division (A)(2) of this section is less 42530
than the amount that would have been raised by a one-half mill 42531
tax, the district shall pay any difference. If the total amount 42532
actually raised in such manner is greater than the amount that 42533
would have been raised by a one-half mill tax the difference shall 42534
be zero and no payments shall be made by either the district or 42535
the commission. 42536

(C) As used in this section, "local donated contribution" 42537
means any of the following: 42538

(1) Any moneys irrevocably donated or granted to a school 42539
district board by a source other than the state which the board 42540
has the authority to apply to the school district's project under 42541
sections 3318.01 to 3318.20 of the Revised Code and which the 42542
board has pledged for that purpose by resolution adopted by a 42543
majority of its members; 42544

(2) Any irrevocable letter of credit issued on behalf of a 42545
school district which the school district board has encumbered for 42546
payment of the school district's share of its project under 42547
sections 3318.01 to 3318.20 of the Revised Code that has been 42548
approved by the commission in consultation with the department of 42549
education; 42550

(3) Any cash a school district has on hand that the school 42551
district board has encumbered for payment of the school district's 42552
share of its project under sections 3318.01 to 3318.20 of the 42553
Revised Code that has been approved by the commission in 42554
consultation with the department of education, including the 42555
following: 42556

(a) Any year-end operating fund balances that can be spent 42557
for classroom facilities; 42558

(b) Any cash resulting from a lease-purchase agreement that 42559
the school district board has entered into under section 3313.375 42560
of the Revised Code, provided that the agreement and the related 42561
financing documents contain provisions protecting the state's 42562
superior interest in the project. 42563

(4) Any moneys spent by a source other than the school 42564
district or the state for construction or renovation of specific 42565
classroom facilities that have been approved by the commission as 42566
part of the basic project cost of the district's project. The 42567

school district, the commission, and the entity providing the 42568
local donated contribution under division (C)(4) of this section 42569
shall enter into an agreement identifying the classroom facilities 42570
to be acquired by the expenditures made by that entity. The 42571
agreement shall include, but not be limited to, stipulations that 42572
require an audit by the commission of such expenditures made on 42573
behalf of the district and that specify the maximum amount of 42574
credit to be allowed for those expenditures. Upon completion of 42575
the construction or renovation, the commission shall determine the 42576
actual amount that the commission will credit, at the request of 42577
the district board, toward the district's portion of the basic 42578
project cost, any project cost overruns, or the basic project cost 42579
of future segments if the project has been divided into segments 42580
under section 3318.33 or 3318.38 of the Revised Code. The actual 42581
amount of the credit shall not exceed the lesser of the amount 42582
specified in the agreement or the actual cost of the construction 42583
or renovation. 42584

(D) No state moneys shall be released for a project to which 42585
this section applies until: 42586

(1) Any local donated contribution authorized under division 42587
(A)(1) of this section is first deposited into the school 42588
district's project construction fund. 42589

(2) The school district board and the commission have 42590
included a stipulation in their agreement entered into under 42591
section 3318.08 of the Revised Code under which the board will 42592
deposit into a fund approved by the commission according to a 42593
schedule that does not extend beyond the anticipated completion 42594
date of the project the total amount of any local donated 42595
contribution authorized under division (A)(2) or (3) of this 42596
section and dedicated by the board for that purpose. 42597

However, if any local donated contribution as described in 42598
division (C)(4) of this section has been approved under this 42599

section, the state moneys may be released even if the entity 42600
providing that local donated contribution has not spent the moneys 42601
so dedicated as long as the agreement required under that section 42602
has been executed. 42603

Sec. 3318.33. (A) The accelerated Appalachian school building 42604
assistance program is hereby established. Under the program, 42605
notwithstanding section 3318.02 of the Revised Code, any school 42606
district that has any territory within the Appalachian region, as 42607
defined in section 107.21 of the Revised Code, and that has not 42608
been approved to receive assistance under sections 3318.01 to 42609
3318.20 of the Revised Code prior to the effective date of this 42610
section, may, beginning on that date, apply for approval of and be 42611
approved for such assistance. Except as otherwise provided in this 42612
section, any project approved and undertaken pursuant to this 42613
section shall comply with all provisions of sections 3318.01 to 42614
3318.20 of the Revised Code. 42615

(B) The Ohio facilities construction commission shall provide 42616
assistance to school districts eligible for assistance under this 42617
section in the following manner: 42618

(1) Each fiscal biennium, the commission shall select to 42619
receive assistance under this section not fewer than three school 42620
districts eligible for such assistance until all such eligible 42621
districts have received assistance under sections 3318.01 to 42622
3318.20 of the Revised Code. 42623

(2) Notwithstanding section 3318.02 of the Revised Code, the 42624
commission shall conduct an on-site visit and shall assess the 42625
classroom facilities needs of each school district eligible for 42626
assistance under this section that is selected under division 42627
(B)(1) of this section. 42628

(3) Any school district eligible for assistance under this 42629
section and selected under division (B)(1) of this section may 42630

apply to the commission for conditional approval of its project as 42631
determined by the assessment conducted under division (B)(2) of 42632
this section. The commission shall conditionally approve that 42633
project and submit it to the controlling board for approval 42634
pursuant to section 3318.04 of the Revised Code. 42635

(C)(1) If the controlling board approves a project submitted 42636
under division (B)(3) of this section, the commission and the 42637
school district shall enter into an agreement as prescribed in 42638
section 3318.05 of the Revised Code. 42639

(2) Any district to which this section applies may opt to 42640
divide the district's entire classroom facilities needs, as those 42641
needs are jointly determined by the staff of the commission and 42642
the school district, into discrete segments as prescribed in 42643
section 3318.034 of the Revised Code. 42644

(D) Under the program, to incentivize a district's electors 42645
to vote favorably on both of the propositions described in 42646
divisions (A) and (B) of section 3318.05 of the Revised Code, the 42647
commission shall reduce the district's portion of the basic 42648
project cost, as it is determined under section 3318.032 of the 42649
Revised Code, as follows: 42650

(1) If, in the first election in which the propositions 42651
appear on the ballot the district's electors vote favorably for 42652
the propositions, the district's portion of the basic project cost 42653
shall be reduced by twenty per cent. 42654

(2) If, in the second election in which the propositions 42655
appear on the ballot the district's electors vote favorably for 42656
the propositions, the district's portion of the basic project cost 42657
shall be reduced by fifteen per cent. 42658

(3) If, in the third election in which the propositions 42659
appear on the ballot the district's electors vote favorably for 42660
the propositions, the district's portion of the basic project cost 42661

shall be reduced by twelve per cent. 42662

(E) In the event that the electors of an eligible school district vote favorably on both provisions described in divisions (A) and (B) of this section in the fiscal year in which this section becomes effective but prior to the effective date of this section, that district is entitled to participate in the program in the same manner as a district that passes the propositions on or after the effective date of this section. 42663
42664
42665
42666
42667
42668
42669

(F) If, for any fiscal year, the amount appropriated for all projects or segments approved by the commission under the program is not adequate, the commission shall proportionately reduce the amount of state funds each of the districts with an approved project or segment receives under this section for that fiscal year. However, each of those districts shall be eligible for continued assistance under this section in subsequent fiscal years until its project or segment is completed. 42670
42671
42672
42673
42674
42675
42676
42677

(G) In any fiscal year in which the general assembly does not fund the program, any eligible school district that has not yet received assistance under the program retains its eligibility to receive assistance under sections 3318.01 to 3318.20 of the Revised Code in the same order it was scheduled to receive assistance prior to becoming eligible for the program. 42678

42682
42683

Sec. 3318.364. In any fiscal year, the Ohio facilities construction commission may, at its discretion, provide assistance under sections 3318.01 to 3318.20 of the Revised Code to a school district that has entered into an expedited local partnership agreement under section 3318.36 of the Revised Code before the district is otherwise eligible for that assistance based on its percentile rank, if the commission determines all of the following: 42684
42685
42686
42687
42688
42689
42690
42691

(A) The district has made an expenditure of local resources 42692

under its expedited local partnership agreement on a discrete part 42693
of its district-wide project. 42694

(B) The district is ready to complete its district-wide 42695
project or a segment of the project, in accordance with section 42696
3318.034 of the Revised Code. 42697

(C) The district is in compliance with division (D)(2) of 42698
section 3318.36 of the Revised Code. 42699

(D) Sufficient state funds have been appropriated for 42700
classroom facilities projects for the fiscal year to pay the state 42701
share of the district's project or segment after paying the state 42702
share of projects for all of the following: 42703

(1) Districts that previously had their conditional approval 42704
lapse pursuant to section 3318.05 of the Revised Code; 42705

(2) Districts eligible for assistance under division (B)(2) 42706
of section 3318.04 of the Revised Code; 42707

(3) Districts participating in the exceptional needs school 42708
facilities assistance program under section 3318.37 or 3318.371 of 42709
the Revised Code; 42710

(4) Districts participating in ~~the~~ an accelerated ~~urban~~ 42711
school building assistance program under section 3318.33 or 42712
3318.38 of the Revised Code. 42713

Assistance under this section shall be offered to eligible 42714
districts in the order of their percentile rankings at the time 42715
they entered into their expedited local partnership agreements, 42716
from lowest to highest percentile. In the event that more than one 42717
district has the same percentile ranking, those districts shall be 42718
offered assistance in the order of the date they entered into 42719
their expedited local partnership agreements, from earliest to 42720
latest date. 42721

As used in this section, "local resources" and "percentile" 42722

have the same meanings as in section 3318.36 of the Revised Code. 42723

Sec. 3318.37. (A)(1) As used in this section: 42724

(a) "Full maintenance amount" has the same meaning as in 42725
section 3318.034 of the Revised Code. 42726

(b) A "school district with an exceptional need for immediate 42727
classroom facilities assistance" means a school district with an 42728
exceptional need for new facilities in order to protect the health 42729
and safety of all or a portion of its students. 42730

(2) No school district that participates in the school 42731
building assistance expedited local partnership program under 42732
section 3318.36 of the Revised Code shall receive assistance under 42733
the program established under this section unless the following 42734
conditions are satisfied: 42735

(a) The district board adopted a resolution certifying its 42736
intent to participate in the school building assistance expedited 42737
local partnership program under section 3318.36 of the Revised 42738
Code prior to September 14, 2000. 42739

(b) The district was selected by the Ohio facilities 42740
construction commission for participation in the school building 42741
assistance expedited local partnership program under section 42742
3318.36 of the Revised Code in the manner prescribed by the 42743
commission under that section as it existed prior to September 14, 42744
2000. 42745

(B)(1) There is hereby established the exceptional needs 42746
school facilities assistance program. Under the program, the Ohio 42747
facilities construction commission may set aside from the moneys 42748
annually appropriated to it for classroom facilities assistance 42749
projects up to twenty-five per cent for assistance to school 42750
districts with exceptional needs for immediate classroom 42751
facilities assistance. At least ten per cent of the amount set 42752

aside shall be spent on school districts seeking facilities 42753
maintenance, repairs, or replacements described in division (E) of 42754
this section. 42755

(2)(a) After consulting with education and construction 42756
experts, the commission shall adopt guidelines for identifying 42757
school districts with an exceptional need for immediate classroom 42758
facilities assistance. 42759

(b) The guidelines shall include application forms and 42760
instructions for school districts to use in applying for 42761
assistance under this section. 42762

(3) The commission shall evaluate the classroom facilities, 42763
and the need for replacement classroom facilities from the 42764
applications received under this section. The commission, 42765
utilizing the guidelines adopted under division (B)(2)(a) of this 42766
section, shall prioritize the school districts to be assessed. 42767

Notwithstanding section 3318.02 of the Revised Code, the 42768
commission may conduct on-site evaluation of the school districts 42769
prioritized under this section and approve and award funds until 42770
such time as all funds set aside under division (B)(1) of this 42771
section have been encumbered. However, the commission need not 42772
conduct the evaluation of facilities if the commission determines 42773
that a district's assessment conducted under section 3318.36 of 42774
the Revised Code is sufficient for purposes of this section. 42775

(4) Notwithstanding division (A) of section 3318.05 of the 42776
Revised Code, the school district's portion of the basic project 42777
cost under this section shall be the "required percentage of the 42778
basic project costs," as defined in division (K) of section 42779
3318.01 of the Revised Code. 42780

(5) Except as otherwise specified in this section, any 42781
project undertaken with assistance under this section shall comply 42782
with all provisions of sections 3318.01 to 3318.20 of the Revised 42783

Code. A school district may receive assistance under sections 42784
3318.01 to 3318.20 of the Revised Code for the remainder of the 42785
district's classroom facilities needs as assessed under this 42786
section when the district is eligible for such assistance pursuant 42787
to section 3318.02 of the Revised Code, but any classroom facility 42788
constructed with assistance under this section shall not be 42789
included in a district's project at that time unless the 42790
commission determines the district has experienced the increased 42791
enrollment specified in division (B)(1) of section 3318.04 of the 42792
Revised Code. 42793

(C) No school district shall receive assistance under this 42794
section for a classroom facility that has been included in the 42795
discrete part of the district's classroom facilities needs 42796
identified and addressed in the district's project pursuant to an 42797
agreement entered into under section 3318.36 of the Revised Code, 42798
unless the district's entire classroom facilities plan consists of 42799
only a single building designed to house grades kindergarten 42800
through twelve. 42801

(D)(1) When undertaking a project under this section, a 42802
school district may elect to prorate its full maintenance amount 42803
by setting aside for maintenance the amount calculated under 42804
division (D)(2) of this section to maintain the classroom 42805
facilities acquired under the project, if the district will use 42806
one or more of the alternative methods authorized in sections 42807
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 42808
the entire amount calculated under that division. If the district 42809
so elects, the commission and the district shall include in the 42810
agreement entered into under section 3318.08 of the Revised Code a 42811
statement specifying that the district will use the amount 42812
calculated under that division only to maintain the classroom 42813
facilities acquired under the project under this section. 42814

(2) The commission shall calculate the amount for a school 42815

district to maintain the classroom facilities acquired under a 42816
project under this section as follows: 42817

The full maintenance amount X (the school district's portion 42818
of the basic project cost under this section / the school 42819
district's portion of the basic project cost for the district's 42820
entire classroom facilities needs, as determined jointly by the 42821
staff of the commission and the district) 42822

(3) A school district may elect to prorate its full 42823
maintenance amount for any number of projects under this section, 42824
provided the district will use one or more of the alternative 42825
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 42826
the Revised Code to generate the entire amount calculated under 42827
division (D)(2) of this section to maintain the classroom 42828
facilities acquired under each project for which it so elects. If 42829
the district cannot use one or more of those alternative methods 42830
to generate the entire amount calculated under that division, the 42831
district shall levy the tax described in division (B) of section 42832
3318.05 of the Revised Code or an extension of that tax under 42833
section 3318.061 of the Revised Code in an amount necessary to 42834
generate the remainder of its full maintenance amount. The 42835
commission shall calculate the remainder of the district's full 42836
maintenance amount as follows: 42837

The full maintenance amount - the sum of the amounts 42838
calculated for the district under division (D)(2) of this section 42839
for each of the district's prior projects under this section 42840

(4) In no case shall the sum of the amounts calculated for a 42841
school district's maintenance of classroom facilities under 42842
divisions (D)(2) and (3) of this section exceed the amount that 42843
would have been required for maintenance if the district had 42844
elected to meet its entire classroom facilities needs with a 42845
project under sections 3318.01 to 3318.20 of the Revised Code and 42846
had not undertaken one or more projects under this section. 42847

(5) If a school district commenced a project under this section prior to September 10, 2012, but has not completed that project, and has not levied the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the district may request approval from the commission to prorate its full maintenance amount in accordance with divisions (D)(1) to (4) of this section. If the commission approves the request, the commission and the district shall amend the agreement entered into under section 3318.08 of the Revised Code to reflect the change.

(E)(1) A school district that has not been invited to request assistance under this section may do so annually, provided the school district is in need of facilities maintenance, repairs, or replacement and has previously completed a classroom facilities construction project under which the twenty-three year maintenance funding requirement described in division (B) of section 3318.05 of the Revised Code has lapsed.

(2) The commission shall establish an application process for requests submitted under division (E) of this section.

Sec. 3318.41. (A)(1) The Ohio facilities construction commission annually shall assess the classroom facilities needs of the number of joint vocational school districts that the commission reasonably expects to be able to provide assistance to in a fiscal year, based on the amount set aside for that fiscal year under division (B) of section 3318.40 of the Revised Code and the order of priority prescribed in division (B) of section 3318.42 of the Revised Code, except that in fiscal year 2004 the commission shall conduct at least the five assessments prescribed in division (E) of section 3318.40 of the Revised Code.

Upon conducting an assessment of the classroom facilities needs of a school district, the commission shall make a

determination of all of the following: 42879

(a) The number of classroom facilities to be included in a 42880
project and the basic project cost of acquiring the classroom 42881
facilities included in the project. The number of facilities and 42882
basic project cost shall be determined in accordance with the 42883
specifications adopted under section 3318.311 of the Revised Code 42884
except to the extent that compliance with such specifications is 42885
waived by the commission pursuant to the rule of the commission 42886
adopted under division (F) of section 3318.40 of the Revised Code. 42887

(b) The school district's portion of the basic project cost 42888
as determined under division (C) of section 3318.42 of the Revised 42889
Code; 42890

(c) The remaining portion of the basic project cost that 42891
shall be supplied by the state; 42892

(d) The amount of the state's portion of the basic project 42893
cost to be encumbered in accordance with section 3318.11 of the 42894
Revised Code in the current and subsequent fiscal years from funds 42895
set aside under division (B) of section 3318.40 of the Revised 42896
Code. 42897

(2) Divisions (A), (C), and (D) of section 3318.03 of the 42898
Revised Code apply to any project under sections 3318.40 to 42899
3318.45 of the Revised Code. 42900

(B)(1) If the commission makes a determination under division 42901
(A) of this section in favor of the acquisition of classroom 42902
facilities for a project under sections 3318.40 to 3318.45 of the 42903
Revised Code, such project shall be conditionally approved. Such 42904
conditional approval shall be submitted to the controlling board 42905
for approval. The controlling board shall immediately approve or 42906
reject the commission's determination, conditional approval, the 42907
amount of the state's portion of the basic project cost, and the 42908
amount of the state's portion of the basic project cost to be 42909

encumbered in the current fiscal year. In the event of approval by the controlling board, the commission shall certify the conditional approval to the joint vocational school district board of education and shall encumber the approved funds for the current fiscal year.

(2) No school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code shall have another such project conditionally approved until the expiration of twenty years after the school district's prior project was conditionally approved, unless the school district board demonstrates to the satisfaction of the commission that the school district has experienced since conditional approval of its prior project an exceptional increase in enrollment or program requirements significantly above the school district's design capacity under that prior project as determined by rule of the commission. Any rule adopted by the commission to implement this division shall be tailored to address the classroom facilities needs of joint vocational school districts.

(C) In addition to generating the amount of the school district's portion of the basic project cost as determined under division (C) of section 3318.42 of the Revised Code, in order for a school district to receive assistance under sections 3318.40 to 3318.45 of the Revised Code, the school district board shall set aside school district moneys for the maintenance of the classroom facilities included in the school district's project in the amount and manner prescribed in section 3318.43 of the Revised Code.

(D)(1) The conditional approval for a project certified under division (B)(1) of this section shall lapse and the amount reserved and encumbered for such project shall be released unless both of the following conditions are satisfied:

(a) Within one hundred twenty days following the date of certification of the conditional approval to the joint vocational

school district board, the school district board accepts the 42942
conditional approval and certifies to the commission the school 42943
district board's plan to generate the school district's portion of 42944
the basic project cost, as determined under division (C) of 42945
section 3318.42 of the Revised Code, and to set aside moneys for 42946
maintenance of the classroom facilities acquired under the 42947
project, as prescribed in section 3318.43 of the Revised Code. 42948

(b) Within ~~thirteen~~ sixteen months following the date of 42949
certification of the conditional approval to the school district 42950
board, the electors of the school district vote favorably on any 42951
ballot measures proposed by the school district board to generate 42952
the school district's portion of the basic project cost. 42953

(2) If the school district board or electors fail to satisfy 42954
the conditions prescribed in division (D)(1) of this section and 42955
the amount reserved and encumbered for the school district's 42956
project is released, the school district shall be given first 42957
priority over other joint vocational school districts for project 42958
funding under sections 3318.40 to 3318.45 of the Revised Code as 42959
such funds become available, subject to section 3318.054 of the 42960
Revised Code. 42961

(E) If the conditions prescribed in division (D)(1) of this 42962
section are satisfied, the commission and the school district 42963
board shall enter into an agreement as prescribed in section 42964
3318.08 of the Revised Code and shall proceed with the development 42965
of plans, cost estimates, designs, drawings, and specifications as 42966
prescribed in section 3318.091 of the Revised Code. 42967

(F) Costs in excess of those approved by the commission under 42968
section 3318.091 of the Revised Code shall be payable only as 42969
provided in sections 3318.042 and 3318.083 of the Revised Code. 42970

(G) Advertisement for bids and the award of contracts for 42971
construction of any project under sections 3318.40 to 3318.45 of 42972

the Revised Code shall be conducted in accordance with section 42973
3318.10 of the Revised Code. 42974

(H) In accordance with division (R) of section 3318.08 of the 42975
Revised Code, the state funds reserved and encumbered and the 42976
funds provided by the school district to pay the basic project 42977
cost of a project under sections 3318.40 to 3318.45 of the Revised 42978
Code shall be spent simultaneously in proportion to the state's 42979
and the school district's respective portions of that basic 42980
project cost. 42981

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 42982
Code apply to projects under sections 3318.40 to 3318.45 of the 42983
Revised Code. 42984

Sec. 3319.077. (A) As used in this section: 42985

(1) "Dyslexia" has the same meaning as in section 3323.25 of 42986
the Revised Code. 42987

(2) "Ohio dyslexia committee" means the committee established 42988
under section 3325.25 of the Revised Code. 42989

(3) "Special education" has the same meaning as in section 42990
3323.01 of the Revised Code. 42991

(4) "Teacher" does not include any teacher who provides 42992
instruction in fine arts, music, or physical education. 42993

(B)(1) The department of education, in collaboration with the 42994
Ohio dyslexia committee, shall maintain a list of training that 42995
fulfills the professional development requirements prescribed in 42996
division (C) of this section. The list may consist of online or 42997
classroom learning models. 42998

(2) Each approved training shall align with the guidebook 42999
developed under section 3323.25 of the Revised Code, be 43000
evidence-based, and require instruction and training for 43001
identifying characteristics of dyslexia and understanding the 43002

pedagogy for instructing students with dyslexia. 43003

unless the teacher completed the training while employed by a 43045
different district under division (C)(1) of this section. 43046

(D) Any professional development training completed by a 43047
teacher prior to April 12, 2021, that is then included on the list 43048

count toward the number of instructional hours in approved 43050
professional development training required under division (C) of 43051
this section. 43052

(E) Nothing in this section shall prohibit a school district 43053
from requiring employees who are not subject to this section from 43054
completing professional development training approved under 43055
division (B) of this section. 43056

Sec. 3319.088. As used in this section, "educational 43057
assistant" means any nonteaching employee in a school district who 43058
directly assists a teacher as defined in section 3319.09 of the 43059
Revised Code, by performing duties for which a license issued 43060
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 43061
required. 43062

(A) The state board of education shall issue educational aide 43063
permits and educational paraprofessional licenses for educational 43064

assistants and shall adopt rules for the issuance and renewal of 43065
such permits and licenses which shall be consistent with the 43066
provisions of this section. Educational aide permits and 43067
educational paraprofessional licenses may be of several types and 43068
the rules shall prescribe the minimum qualifications of education 43069
and health for the service to be authorized under each type. The 43070
prescribed minimum qualifications may require special training or 43071
educational courses designed to qualify a person to perform 43072
effectively the duties authorized under an educational aide permit 43073
or educational paraprofessional license. 43074

(B)(1) Any application for a permit or license, or a renewal 43075
or duplicate of a permit or license, under this section shall be 43076
accompanied by the payment of a fee in the amount established 43077
under division (A) of section 3319.51 of the Revised Code. Any 43078
fees received under this division shall be paid into the state 43079
treasury to the credit of the state board of education licensure 43080
fund established under division (B) of section 3319.51 of the 43081
Revised Code. 43082

(2) Any person applying for or holding a permit or license 43083
pursuant to this section is subject to sections 3123.41 to 3123.50 43084
of the Revised Code and any applicable rules adopted under section 43085
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 43086
the Revised Code. 43087

(C) Educational assistants shall at all times while in the 43088
performance of their duties be under the supervision and direction 43089
of a teacher as defined in section 3319.09 of the Revised Code. 43090
Educational assistants may assist a teacher to whom assigned in 43091
the supervision of pupils, in assisting with instructional tasks, 43092
and in the performance of duties which, in the judgment of the 43093
teacher to whom the assistant is assigned, may be performed by a 43094
person not licensed pursuant to sections 3319.22 to 3319.30 of the 43095
Revised Code and for which a teaching license, issued pursuant to 43096

sections 3319.22 to 3319.30 of the Revised Code is not required. 43097
The duties of an educational assistant shall not include the 43098
assignment of grades to pupils. The duties of an educational 43099
assistant need not be performed in the physical presence of the 43100
teacher to whom assigned, but the activity of an educational 43101
assistant shall at all times be under the direction of the teacher 43102
to whom assigned. The assignment of an educational assistant need 43103
not be limited to assisting a single teacher. In the event an 43104
educational assistant is assigned to assist more than one teacher 43105
the assignments shall be clearly delineated and so arranged that 43106
the educational assistant shall never be subject to simultaneous 43107
supervision or direction by more than one teacher. 43108

Educational assistants assigned to supervise children shall, 43109
when the teacher to whom assigned is not physically present, 43110
maintain the degree of control and discipline that would be 43111
maintained by the teacher. 43112

Educational assistants may not be used in place of classroom 43113
teachers or other employees and any payment of compensation by 43114
boards of education to educational assistants for such services is 43115
prohibited. The ratio between the number of licensed teachers and 43116
the pupils in a school district may not be decreased by 43117
utilization of educational assistants and no grouping, or other 43118
organization of pupils, for utilization of educational assistants 43119
shall be established which is inconsistent with sound educational 43120
practices and procedures. A school district may employ up to one 43121
full time equivalent educational assistant for each six full time 43122
equivalent licensed employees of the district. Educational 43123
assistants shall not be counted as licensed employees for purposes 43124
of state support in the school foundation program and no grouping 43125
or regrouping of pupils with educational assistants may be counted 43126
as a class or unit for school foundation program purposes. Neither 43127
special courses required by the regulations of the state board of 43128

education, prescribing minimum qualifications of education for an 43129
educational assistant, nor years of service as an educational 43130
assistant shall be counted in any way toward qualifying for a 43131
teacher license, for a teacher contract of any type, or for 43132
determining placement on a salary schedule in a school district as 43133
a teacher. 43134

(D) Educational assistants employed by a board of education 43135
shall have all rights, benefits, and legal protection available to 43136
other nonteaching employees in the school district, except that 43137
provisions of Chapter 124. of the Revised Code shall not apply to 43138
any person employed as an educational assistant, and shall be 43139
members of the school employees retirement system. Educational 43140
assistants shall be compensated according to a salary plan adopted 43141
annually by the board. 43142

Except as provided in this section nonteaching employees 43143
shall not serve as educational assistants without first obtaining 43144
an appropriate educational aide permit or educational 43145
paraprofessional license from the state board of education. A 43146
nonteaching employee who is the holder of a valid educational aide 43147
permit or educational paraprofessional license shall neither 43148
render nor be required to render services inconsistent with the 43149
type of services authorized by the permit or license held. No 43150
person shall receive compensation from a board of education for 43151
services rendered as an educational assistant in violation of this 43152
provision. 43153

Nonteaching employees whose functions are solely 43154
secretarial-clerical and who do not perform any other duties as 43155
educational assistants, even though they assist a teacher and work 43156
under the direction of a teacher shall not be required to hold a 43157
permit or license issued pursuant to this section. ~~Students~~ 43158
~~preparing to become licensed teachers or educational assistants~~ 43159
~~shall not be required to hold an educational aide permit or~~ 43160

~~paraprofessional license for such periods of time as such students
are assigned, as part of their training program, to work with a
teacher in a school district. Such students shall not be
compensated for such services.~~

Following the determination of the assignment and general job
description of an educational assistant and subject to supervision
by the teacher's immediate administrative officer, a teacher to
whom an educational assistant is assigned shall make all final
determinations of the duties to be assigned to such assistant.
Teachers shall not be required to hold a license designated for
being a supervisor or administrator in order to perform the
necessary supervision of educational assistants.

(E) No person who is, or who has been employed as an
educational assistant shall divulge, except to the teacher to whom
assigned, or the administrator of the school in the absence of the
teacher to whom assigned, or when required to testify in a court
or proceedings, any personal information concerning any pupil in
the school district which was obtained or obtainable by the
educational assistant while so employed. Violation of this
provision is grounds for disciplinary action or dismissal, or
both.

(F) Notwithstanding anything to the contrary in this section,
the superintendent of a school district may allow an employee who
does not hold a permit or license issued under this section to
work as a substitute for an educational assistant who is absent on
account of illness or on a leave of absence, or to fill a
temporary position created by an emergency, provided that the
superintendent believes the employee's application materials
indicate that the employee is qualified to obtain a permit or
license under this section.

An employee shall begin work as a substitute under this
division not earlier than on the date on which the employee files

an application with the state board for a permit or license under 43193
this section. An employee shall cease working as a substitute 43194
under this division on the earliest of the following: 43195

(1) The date on which the employee files a valid permit or 43196
license issued under this section with the superintendent; 43197

(2) The date on which the employee is denied a permit or 43198
license under this section; 43199

(3) Sixty days following the date on which the employee began 43200
work as a substitute under this division. 43201

The superintendent shall ensure that an employee assigned to 43202
work as a substitute under division (F) of this section has 43203
undergone a criminal records check in accordance with section 43204
3319.391 of the Revised Code. 43205

Sec. 3319.0812. (A) The state board of education shall adopt 43206
rules in accordance with Chapter 119. of the Revised Code, 43207
establishing the standards and requirements for obtaining a 43208
pre-service teacher permit. The permit shall be required for an 43209
individual who is enrolled in an educator preparation program in 43210
order to participate in any student classroom teaching or other 43211
training experience that involves students in any of grades 43212
pre-kindergarten through twelve in a public or chartered nonpublic 43213
school and that is required for completion of the program. 43214

(B) Notwithstanding section 3319.226 of the Revised Code, a 43215
school district or school may employ an individual who holds a 43216
permit issued under this section as a substitute teacher. The 43217
individual may teach for up to the equivalent of one full 43218
semester, subject to the approval of the employing district board 43219
of education or school governing authority and may be compensated 43220
for that service. The district superintendent or chief 43221
administrator of the school may request that the board or 43222

governing authority approve one or more additional subsequent 43223
semester-long periods of teaching for the individual. 43224

(C) A pre-service teacher permit shall be valid for three 43225
years. The department of education, on a case-by-case basis, may 43226
extend the permit's duration as needed to enable the permit holder 43227
to complete the educator preparation program in which the permit 43228
holder is enrolled. 43229

(D) An individual applying for a pre-service teacher permit 43230
shall be subject to a criminal records check as prescribed by 43231
section 3319.39 of the Revised Code. In the manner prescribed by 43232
the department, the individual shall submit the criminal records 43233
check to the department. The department shall use the information 43234
submitted to enroll the individual in the retained applicant 43235
fingerprint database, established under section 109.5721 of the 43236
Revised Code, in the same manner as any teacher licensed under 43237
section 3319.22 to 3319.31 of the Revised Code. 43238

If the department receives notification of the arrest or 43239
conviction of an individual under division (D) of this section, 43240
the department shall promptly notify the applicable educator 43241
preparation program and any school district or school in which the 43242
pre-service teacher has been employed or assigned as part of the 43243
program and may take any action authorized under sections 3319.31 43244
and 3319.311 of the Revised Code that it considers to be 43245
appropriate. Upon receiving notification from the department of an 43246
arrest or conviction of an individual under division (D) of this 43247
section, the educator preparation program shall provide to the 43248
department a list of all school districts and schools to which the 43249
pre-service teacher has been assigned as a part of the program. 43250

Sec. 3319.22. (A)(1) The state board of education shall issue 43251
the following educator licenses: 43252

years and shall be renewable for reasons specified by rules 43254
adopted by the state board pursuant to division (A)(3) of this 43255
section. The state board, on a case-by-case basis, may extend the 43256

align to the grade band specifications. 43281

(2)(a) Except as provided in division (A)(2)(b) of this 43282
section, the state board may issue any additional educator 43283

division (A)(1) of section 119.04 of the Revised Code, in the case 43359

(2) Notwithstanding the authority to adopt, amend, or rescind 43370
emergency rules in division (G) of section 119.03 of the Revised 43371

committees incorporate the professional development standards 43385
adopted by the state board of education pursuant to section 43386
3319.61 of the Revised Code into their review of coursework that 43387
is appropriate for license renewal. The rules shall establish a 43388
procedure by which a teacher may appeal the decision of a local 43389

(2) In any school district in which there is no exclusive 43391
representative established under Chapter 4117. of the Revised 43392
Code, the professional development committees shall be established 43393
as described in division (F)(2) of this section. 43394

Not later than the effective date of the rules adopted under 43395
this section, the board of education of each school district shall 43396
establish the structure for one or more local professional 43397
development committees to be operated by such school district. The 43398
committee structure so established by a district board shall 43399
remain in effect unless within thirty days prior to an anniversary 43400

employees that the committee structure is to be modified. 43403
Professional development committees may have a district-level or 43404

For committees with a district-level scope, the teacher members shall be elected by majority vote of the classroom teachers of the district, and the principal member shall be elected by a majority vote of the principals of the district, unless there are two or fewer principals employed by the district, in which case the one or two principals employed shall serve on the committee. If a committee has a particular grade or age level scope, the teacher members shall be licensed to teach such grade or age levels, and shall be elected by majority vote of the classroom teachers holding such a license and the principal shall be elected by all principals serving in buildings where any such teachers serve. The district superintendent shall appoint a replacement to fill any vacancy that occurs on a professional development committee, except in the case of vacancies among the elected classroom teacher members, which shall be filled by vote of the remaining members of the committee so selected.

Terms of office on professional development committees shall be prescribed by the district board establishing the committees. The conduct of elections for members of professional development committees shall be prescribed by the district board establishing the committees. A professional development committee may include additional members, except that the majority of members on each such committee shall be classroom teachers employed by the district. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which a predecessor was appointed shall hold office as a member for the remainder of that

term. 43441

The initial meeting of any professional development 43442
committee, upon election and appointment of all committee members, 43443
shall be called by a member designated by the district 43444
superintendent. At this initial meeting, the committee shall 43445

a record of disciplinary issues, including being suspended or 45735
expelled from the qualifying institution. 45736

Qualifying institutions that do not use a semester calendar 45737

(1) Establish policies and procedures applicable to all state institutions of higher education that ensure that students can begin higher education at any state institution of higher education and transfer coursework and degrees to any other state institution of higher education without unnecessary duplication or institutional barriers. The purpose of this requirement is to allow students to attain their highest educational aspirations in the most efficient and effective manner for the students and the state. These policies and procedures shall require state institutions of higher education to make changes or modifications, as needed, to strengthen course content so as to ensure equivalency for that course at any state institution of higher education.

(2) Develop and implement a universal course equivalency classification system for state institutions of higher education so that the transfer of students and the transfer and articulation of equivalent courses or specified learning modules or units completed by students are not inhibited by inconsistent judgment about the application of transfer credits. Coursework completed within such a system at one state institution of higher education and transferred to another institution shall be applied to the student's degree objective in the same manner as equivalent coursework completed at the receiving institution.

(3) Develop an electronic equivalency management tool to assist in the transfer of coursework and degrees between state institutions of higher education without unnecessary duplication or institutional barriers, to help minimize inconsistent judgment about the application of transfer credits, and to assist in allowing transfer credits to be applied to a student's degree objective in the same manner at each state institution of higher education. The electronic equivalency management tool shall include the universal documentation of course and program

equivalencies statewide. Additionally, the electronic equivalency 45854
management tool shall be incorporated into a web site. 45855

(4) Develop a system of transfer policies that ensure that 45856
graduates with associate degrees which include completion of 45857
approved transfer modules shall be admitted to a state institution 45858
of higher education, shall be able to compete for admission to 45859
specific programs on the same basis as students native to the 45860
institution, and shall have priority over out-of-state associate 45861
degree graduates and transfer students. To assist a student in 45862
advising and transferring, all state institutions of higher 45863
education shall fully implement the information system for 45864
advising and transferring selected by, contracted for, or 45865
developed by the chancellor. 45866

(5) Examine the feasibility of developing a transfer 45867
marketing agenda that includes materials and interactive 45868
technology to inform the citizens of Ohio about the availability 45869
of transfer options at state institutions of higher education and 45870
to encourage adults to return to colleges and universities for 45871
additional education; 45872

(6) Study, in consultation with the state board of career 45873
colleges and schools, and in light of existing criteria and any 45874
other criteria developed by the articulation and transfer advisory 45875
council, the feasibility of credit recognition and transferability 45876
to state institutions of higher education for graduates who have 45877
received associate degrees from a career college or school with a 45878
certificate of registration from the state board of career 45879
colleges and schools under Chapter 3332. of the Revised Code. 45880

(C) All provisions of the existing articulation and transfer 45881
policy developed by the chancellor shall remain in effect except 45882
where amended by this section. 45883

(D) ~~Not later than December 1, 2018, the~~ The chancellor shall 45884

update and implement the policies and procedures established 45885
pursuant to this section to ensure that any associate degree 45886
offered at a state institution of higher education may be 45887
transferred and applied to a bachelor degree program in an 45888
equivalent field at any other state institution of higher 45889
education without unnecessary duplication or institutional 45890
barriers. The policies and procedures shall ensure that each 45891
transferred associate degree applies to the student's degree 45892
objective in the same manner as equivalent coursework completed by 45893
the student at the receiving institution. 45894

When updating and implementing the policies and procedures 45895
pursuant to this division, the chancellor shall seek input from 45896
faculty and academic leaders in each academic field or discipline. 45897

(E) If a state university refuses to accept and grant credit 45898
for any general education coursework that is both completed at a 45899
different state institution of higher education and subject to the 45900
policies, procedures, or systems prescribed under division (B) of 45901
this section, the state university shall provide the student that 45902
did not receive college credit for the completed general education 45903
coursework information to utilize the institution's transfer 45904
appeal process and information to utilize the department of higher 45905
education's student complaint portal. 45906

~~(F) The Ohio articulation and transfer network oversight 45907
board established by the chancellor shall conduct a study of 45908
current rules regarding the transfer of college credit between 45909
state institutions of higher education. Not later than one year 45910
after the effective date of this amendment, the board shall issue 45911
a report to the general assembly, in accordance with section 45912

long-term care facility from which they are relocated, except that 49136
the beds may continue to be operated for not more than fifteen 49137

certificate to determine whether the reviewable activity is 49155

51372

person who intends to operate an agricultural labor camp shall 51373
make application to the licenser for a license to operate such 51374
camp, effective for the calendar year in which it is issued. The 51375
licensor may accept an application on or after the fifteenth day 51376
of April. The license fees specified in this division shall be 51377
submitted to the licenser with the application for a license. No 51378
agricultural labor camp shall be operated in this state without a 51379
license. Any person operating an agricultural labor camp without a 51380
current and valid agricultural labor camp license is not excepted 51381
from compliance with ~~sections 3733.41 to 3733.49 of the Revised~~ 51382
~~Code~~ this chapter by holding a valid and current hotel license. 51383
Each person proposing to open an agricultural labor camp shall 51384
submit with the application for a license any plans required by 51385
any rule adopted under section 3733.42 of the Revised Code. For 51386
any license issued on or after July 1, 2009, the annual license 51387
fee is one hundred fifty dollars, unless the application for a 51388
license is made on or after the fifteenth day of April in any 51389
given year, in which case the annual license fee is one hundred 51390
sixty-six dollars. For any license issued on or after July 1, 51391
2009, an additional fee of twenty dollars per housing unit per 51392
year shall be assessed to defray the costs of enforcing ~~sections~~ 51393
~~3733.41 to 3733.49 of the Revised Code~~ this chapter, unless the 51394
application for a license is made on or after the fifteenth day of 51395
April in any given year, in which case an additional fee of 51396
forty-two dollars and fifty cents per housing unit shall be 51397
assessed. All fees collected under this division shall be 51398
deposited in the state treasury to the credit of the general 51399
operations fund created in section 3701.83 of the Revised Code and 51400
shall be used for the administration and enforcement of ~~sections~~ 51401
~~3733.41 to 3733.49 of the Revised Code~~ this chapter and rules 51402
adopted thereunder. 51403

(B) Any license under this section may be denied, suspended, 51404
or revoked by the licenser for violation of ~~sections 3733.41 to~~ 51405

~~3733.49 of the Revised Code~~ this chapter or the rules adopted 51406
thereunder. Unless there is an immediate serious public health 51407
hazard, no denial, suspension, or revocation of a license shall be 51408
made effective until the person operating the agricultural labor 51409
camp has been given notice in writing of the specific violations 51410
and a reasonable time to make corrections. When the licensor 51411
determines that an immediate serious public health hazard exists, 51412
the licensor shall issue an order denying or suspending the 51413
license without a prior hearing. 51414

(C) All proceedings under this section are subject to Chapter 51415
119. of the Revised Code except as provided in section 3733.431 of 51416
the Revised Code. 51417

(D) Every occupant of an agricultural labor camp shall keep 51418
that part of the dwelling unit, and premises thereof, that the 51419
occupant occupies and controls in a clean and sanitary condition. 51420

Sec. 3733.431. Chapter 119. of the Revised Code applies to 51421
all adjudications under ~~sections 3733.41 to 3733.49 of the Revised~~ 51422
~~Code~~ this chapter except that: 51423

(A) The director of health shall notify a licensee that ~~he~~ 51424
the licensee is entitled to a hearing if ~~he~~ the licensee requests 51425

licensee of ~~his~~ the licensee's right to a hearing was mailed; 51427

(B) If the licensee requests a hearing, the date set for the 51428
hearing shall be within ten days after the licensee has requested 51429
a hearing; 51430

(C) The director shall not apply for a postponement or 51431
continuation of an adjudication hearing. If the licensee requests 51432
a postponement or continuation of an adjudication hearing, it 51433

unusual hardship will be incurred in meeting the hearing date. If 51435

the director grants a postponement or continuation on the grounds 51436
of an unusual hardship to the licensee, the record shall document 51437
the nature and cause of the unusual hardship. 51438

(D) If the director of health appoints a referee or examiner 51439
to conduct the hearing: 51440

complaint from the ~~migrant agricultural ombudsperson~~ state monitor 51462
advocate or upon the basis of a licensor's own information that an 51463
agricultural labor camp is operating without a license, the 51464
licensor shall inspect the camp. If the camp is operating without 51465

a license, the licensor shall require the camp to comply with 51466
~~sections 3733.41 to 3733.49 of the Revised Code~~ this chapter and 51467

issued unless results of water supply tests indicate that the 51469
water supply meets required standards or if any violations exist 51470
concerning sanitation, drainage, or habitability of housing units. 51471
51472

(B) The licensor shall, upon issuance of each license, 51473
distribute posters containing the toll-free telephone number of 51474

The owner or operator of a solid waste transfer facility or 52150
disposal facility, as applicable, shall prepare and file with the 52151
director of environmental protection each month a return 52152
indicating the total tonnage of solid wastes received at the 52153
facility during that month and the total amount of the fees 52154

addition, the owner or operator of a solid waste disposal facility 52156
shall indicate on the return the total tonnage of solid wastes 52157
received from transfer facilities located in this state during 52158
that month for which the fees were required to be collected by the 52159
transfer facilities. The monthly returns shall be filed on a form 52160
prescribed by the director. Not later than thirty days after the 52161
last day of the month to which a return applies, the owner or 52162
operator shall mail to the director the return for that month 52163
together with the fees required to be collected under this 52164
division during that month as indicated on the return or may 52165
submit the return and fees electronically in a manner approved by 52166
the director. If the return is filed and the amount of the fees 52167
due is paid in a timely manner as required in this division, the 52168
owner or operator may retain a discount of three-fourths of one 52169
per cent of the total amount of the fees that are required to be 52170
paid as indicated on the return. 52171

The owner or operator may request an extension of not more 52172
than thirty days for filing the return and remitting the fees, 52173
provided that the owner or operator has submitted such a request 52174
in writing to the director together with a detailed description of 52175
why the extension is requested, the director has received the 52176
request not later than the day on which the return is required to 52177
be filed, and the director has approved the request. If the fees 52178
are not remitted within thirty days after the last day of the 52179

month to which the return applies or are not remitted by the last 52180
day of an extension approved by the director, the owner or 52181
operator shall not retain the three-fourths of one per cent 52182
discount and shall pay an additional ten per cent of the amount of 52183
the fees for each month that they are late. For purposes of 52184
calculating the late fee, the first month in which fees are late 52185
begins on the first day after the deadline has passed for timely 52186
submitting the return and fees, and one additional month shall be 52187
counted every thirty days thereafter. 52188

The owner or operator of a solid waste facility may request a 52189
refund or credit of fees levied under this division and remitted 52190
to the director that have not been paid to the owner or operator. 52191
Such a request shall be made only if the fees have not been 52192
collected by the owner or operator, have become a debt that has 52193
become worthless or uncollectable for a period of six months or 52194
more, and may be claimed as a deduction, including a deduction 52195
claimed if the owner or operator keeps accounts on an accrual 52196
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 52197
U.S.C. 166, as amended, and regulations adopted under it. Prior to 52198
making a request for a refund or credit, an owner or operator 52199
shall make reasonable efforts to collect the applicable fees. A 52200
request for a refund or credit shall not include any costs 52201
resulting from those efforts to collect unpaid fees. 52202

A request for a refund or credit of fees shall be made in 52203
writing, on a form prescribed by the director, and shall be 52204
supported by evidence that may be required in rules adopted by the 52205
director under this chapter. After reviewing the request, and if 52206
the request and evidence submitted with the request indicate that 52207
a refund or credit is warranted, the director shall grant a refund 52208
to the owner or operator or shall permit a credit to be taken by 52209
the owner or operator on a subsequent monthly return submitted by 52210
the owner or operator. The amount of a refund or credit shall not 52211

exceed an amount that is equal to ninety days' worth of fees owed 52212
to an owner or operator by a particular debtor of the owner or 52213
operator. A refund or credit shall not be granted by the director 52214
to an owner or operator more than once in any twelve-month period 52215
for fees owed to the owner or operator by a particular debtor. 52216

If, after receiving a refund or credit from the director, an 52217
owner or operator receives payment of all or part of the fees, the 52218
owner or operator shall remit the fees with the next monthly 52219
return submitted to the director together with a written 52220
explanation of the reason for the submittal. 52221

For purposes of computing the fees levied under this division 52222
or division (B) of this section, any solid waste transfer or 52223
disposal facility that does not use scales as a means of 52224
determining gate receipts shall use a conversion factor of three 52225
cubic yards per ton of solid waste or one cubic yard per ton for 52226
baled waste, as applicable. 52227

The fees levied under this division and divisions (B) and (C) 52228
of this section are in addition to all other applicable fees and 52229
taxes and shall be paid by the customer or a political subdivision 52230
to the owner or operator of a solid waste transfer or disposal 52231
facility. In the alternative, the fees shall be paid by a customer 52232
or political subdivision to a transporter of waste who 52233
subsequently transfers the fees to the owner or operator of such a 52234
facility. The fees shall be paid notwithstanding the existence of 52235
any provision in a contract that the customer or a political 52236
subdivision may have with the owner or operator or with a 52237
transporter of waste to the facility that would not require or 52238
allow such payment regardless of whether the contract was entered 52239
prior to or after October 16, 2009. For those purposes, "customer" 52240
means a person who contracts with, or utilizes the solid waste 52241
services of, the owner or operator of a solid waste transfer or 52242
disposal facility or a transporter of solid waste to such a 52243

facility. 52244

(B) For the purposes specified in division (G) of this 52245
section, the solid waste management policy committee of a county 52246
or joint solid waste management district may levy fees upon the 52247
following activities: 52248

(1) The disposal at a solid waste disposal facility located 52249
in the district of solid wastes generated within the district; 52250

(2) The disposal at a solid waste disposal facility within 52251
the district of solid wastes generated outside the boundaries of 52252
the district, but inside this state; 52253

(3) The disposal at a solid waste disposal facility within 52254
the district of solid wastes generated outside the boundaries of 52255
this state. 52256

The solid waste management plan of the county or joint 52257
district approved under section 3734.521 or 3734.55 of the Revised 52258
Code and any amendments to it, or the resolution adopted under 52259
this division, as appropriate, shall establish the rates of the 52260
fees levied under divisions (B)(1), (2), and (3) of this section, 52261
if any, and shall specify whether the fees are levied on the basis 52262
of tons or cubic yards as the unit of measurement. A solid waste 52263
management district that levies fees under this division on the 52264
basis of cubic yards shall do so in accordance with division (A) 52265
of this section. 52266

The fee levied under division (B)(1) of this section shall be 52267
not less than one dollar per ton nor more than two dollars per 52268
ton, the fee levied under division (B)(2) of this section shall be 52269
not less than two dollars per ton nor more than four dollars per 52270
ton, and the fee levied under division (B)(3) of this section 52271
shall be not more than the fee levied under division (B)(1) of 52272
this section. 52273

Prior to the approval of the solid waste management plan of a 52274

district under section 3734.55 of the Revised Code, the solid 52275
waste management policy committee of a district may levy fees 52276
under this division by adopting a resolution establishing the 52277
proposed amount of the fees. Upon adopting the resolution, the 52278
committee shall deliver a copy of the resolution to the board of 52279
county commissioners of each county forming the district and to 52280
the legislative authority of each municipal corporation and 52281
township under the jurisdiction of the district and shall prepare 52282
and publish the resolution and a notice of the time and location 52283
where a public hearing on the fees will be held. Upon adopting the 52284
resolution, the committee shall deliver written notice of the 52285
adoption of the resolution; of the amount of the proposed fees; 52286
and of the date, time, and location of the public hearing to the 52287
director and to the fifty industrial, commercial, or institutional 52288
generators of solid wastes within the district that generate the 52289
largest quantities of solid wastes, as determined by the 52290
committee, and to their local trade associations. The committee 52291
shall make good faith efforts to identify those generators within 52292
the district and their local trade associations, but the 52293
nonprovision of notice under this division to a particular 52294
generator or local trade association does not invalidate the 52295
proceedings under this division. The publication shall occur at 52296
least thirty days before the hearing. After the hearing, the 52297
committee may make such revisions to the proposed fees as it 52298
considers appropriate and thereafter, by resolution, shall adopt 52299
the revised fee schedule. Upon adopting the revised fee schedule, 52300
the committee shall deliver a copy of the resolution doing so to 52301
the board of county commissioners of each county forming the 52302
district and to the legislative authority of each municipal 52303
corporation and township under the jurisdiction of the district. 52304
Within sixty days after the delivery of a copy of the resolution 52305
adopting the proposed revised fees by the policy committee, each 52306
such board and legislative authority, by ordinance or resolution, 52307

shall approve or disapprove the revised fees and deliver a copy of 52308
the ordinance or resolution to the committee. If any such board or 52309
legislative authority fails to adopt and deliver to the policy 52310
committee an ordinance or resolution approving or disapproving the 52311
revised fees within sixty days after the policy committee 52312
delivered its resolution adopting the proposed revised fees, it 52313
shall be conclusively presumed that the board or legislative 52314
authority has approved the proposed revised fees. The committee 52315
shall determine if the resolution has been ratified in the same 52316
manner in which it determines if a draft solid waste management 52317
plan has been ratified under division (B) of section 3734.55 of 52318
the Revised Code. 52319

The committee may amend the schedule of fees levied pursuant 52320
to a resolution adopted and ratified under this division by 52321
adopting a resolution establishing the proposed amount of the 52322
amended fees. The committee may repeal the fees levied pursuant to 52323
such a resolution by adopting a resolution proposing to repeal 52324
them. Upon adopting such a resolution, the committee shall proceed 52325
to obtain ratification of the resolution in accordance with this 52326
division. 52327

Not later than fourteen days after declaring the new fees to 52328
be ratified or the fees to be repealed under this division, the 52329
committee shall notify by certified mail the owner or operator of 52330
each solid waste disposal facility that is required to collect the 52331
fees of the ratification and the amount of the fees or of the 52332
repeal of the fees. Collection of any fees shall commence or 52333
collection of repealed fees shall cease on the first day of the 52334
second month following the month in which notification is sent to 52335
the owner or operator. 52336

Fees levied under this division also may be established, 52337
amended, or repealed by a solid waste management policy committee 52338
through the adoption of a new district solid waste management 52339

plan, the adoption of an amended plan, or the amendment of the 52340
plan or amended plan in accordance with sections 3734.55 and 52341
3734.56 of the Revised Code or the adoption or amendment of a 52342
district plan in connection with a change in district composition 52343
under section 3734.521 of the Revised Code. 52344

Not later than fourteen days after the director issues an 52345
order approving a district's solid waste management plan, amended 52346
plan, or amendment to a plan or amended plan that establishes, 52347
amends, or repeals a schedule of fees levied by the district, the 52348
committee shall notify by certified mail the owner or operator of 52349
each solid waste disposal facility that is required to collect the 52350
fees of the approval of the plan or amended plan, or the amendment 52351
to the plan, as appropriate, and the amount of the fees, if any. 52352
In the case of an initial or amended plan approved under section 52353
3734.521 of the Revised Code in connection with a change in 52354
district composition, other than one involving the withdrawal of a 52355
county from a joint district, the committee, within fourteen days 52356
after the change takes effect pursuant to division (G) of that 52357
section, shall notify by certified mail the owner or operator of 52358
each solid waste disposal facility that is required to collect the 52359
fees that the change has taken effect and of the amount of the 52360
fees, if any. Collection of any fees shall commence or collection 52361
of repealed fees shall cease on the first day of the second month 52362
following the month in which notification is sent to the owner or 52363
operator. 52364

If, in the case of a change in district composition involving 52365
the withdrawal of a county from a joint district, the director 52366
completes the actions required under division (G)(1) or (3) of 52367
section 3734.521 of the Revised Code, as appropriate, forty-five 52368
days or more before the beginning of a calendar year, the policy 52369
committee of each of the districts resulting from the change that 52370
obtained the director's approval of an initial or amended plan in 52371

connection with the change, within fourteen days after the 52372
director's completion of the required actions, shall notify by 52373
certified mail the owner or operator of each solid waste disposal 52374
facility that is required to collect the district's fees that the 52375
change is to take effect on the first day of January immediately 52376
following the issuance of the notice and of the amount of the fees 52377
or amended fees levied under divisions (B)(1) to (3) of this 52378
section pursuant to the district's initial or amended plan as so 52379
approved or, if appropriate, the repeal of the district's fees by 52380
that initial or amended plan. Collection of any fees set forth in 52381
such a plan or amended plan shall commence on the first day of 52382
January immediately following the issuance of the notice. If such 52383
an initial or amended plan repeals a schedule of fees, collection 52384
of the fees shall cease on that first day of January. 52385

If, in the case of a change in district composition involving 52386
the withdrawal of a county from a joint district, the director 52387
completes the actions required under division (G)(1) or (3) of 52388
section 3734.521 of the Revised Code, as appropriate, less than 52389
forty-five days before the beginning of a calendar year, the 52390
director, on behalf of each of the districts resulting from the 52391
change that obtained the director's approval of an initial or 52392
amended plan in connection with the change proceedings, shall 52393
notify by certified mail the owner or operator of each solid waste 52394
disposal facility that is required to collect the district's fees 52395
that the change is to take effect on the first day of January 52396
immediately following the mailing of the notice and of the amount 52397
of the fees or amended fees levied under divisions (B)(1) to (3) 52398
of this section pursuant to the district's initial or amended plan 52399
as so approved or, if appropriate, the repeal of the district's 52400
fees by that initial or amended plan. Collection of any fees set 52401
forth in such a plan or amended plan shall commence on the first 52402
day of the second month following the month in which notification 52403
is sent to the owner or operator. If such an initial or amended 52404

plan repeals a schedule of fees, collection of the fees shall 52405
cease on the first day of the second month following the month in 52406
which notification is sent to the owner or operator. 52407

If the schedule of fees that a solid waste management 52408
district is levying under divisions (B)(1) to (3) of this section 52409
is amended or repealed, the fees in effect immediately prior to 52410
the amendment or repeal shall continue to be collected until 52411
collection of the amended fees commences or collection of the 52412
repealed fees ceases, as applicable, as specified in this 52413
division. In the case of a change in district composition, money 52414
so received from the collection of the fees of the former 52415
districts shall be divided among the resulting districts in 52416
accordance with division (B) of section 343.012 of the Revised 52417
Code and the agreements entered into under division (B) of section 52418
343.01 of the Revised Code to establish the former and resulting 52419
districts and any amendments to those agreements. 52420

For the purposes of the provisions of division (B) of this 52421
section establishing the times when newly established or amended 52422
fees levied by a district are required to commence and the 52423
collection of fees that have been amended or repealed is required 52424
to cease, "fees" or "schedule of fees" includes, in addition to 52425
fees levied under divisions (B)(1) to (3) of this section, those 52426
levied under section 3734.573 or 3734.574 of the Revised Code. 52427

(C) For the purposes of defraying the added costs to a 52428
municipal corporation or township of maintaining roads and other 52429
public facilities and of providing emergency and other public 52430
services, and compensating a municipal corporation or township for 52431
reductions in real property tax revenues due to reductions in real 52432
property valuations resulting from the location and operation of a 52433
solid waste disposal facility within the municipal corporation or 52434
township, a municipal corporation or township in which such a 52435
solid waste disposal facility is located may levy a fee of not 52436

more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of

this section do not apply to the disposal of solid wastes that: 52469

(a) Are disposed of at a facility owned by the generator of 52470
the wastes when the solid waste facility exclusively disposes of 52471
solid wastes generated at one or more premises owned by the 52472
generator regardless of whether the facility is located on a 52473
premises where the wastes are generated; 52474

(b) Are generated from the combustion of coal, or from the 52475
combustion of primarily coal, regardless of whether the disposal 52476
facility is located on the premises where the wastes are 52477
generated; 52478

(c) Are asbestos or asbestos-containing materials or products 52479
disposed of at a construction and demolition debris facility that 52480
is licensed under Chapter 3714. of the Revised Code or at a solid 52481
waste facility that is licensed under this chapter. 52482

(2) Except as provided in section 3734.571 of the Revised 52483
Code, any fees levied under division (B)(1) of this section apply 52484
to solid wastes originating outside the boundaries of a county or 52485
joint district that are covered by an agreement for the joint use 52486
of solid waste facilities entered into under section 343.02 of the 52487
Revised Code by the board of county commissioners or board of 52488
directors of the county or joint district where the wastes are 52489
generated and disposed of. 52490

(3) When solid wastes, other than solid wastes that consist 52491
of scrap tires, are burned in a disposal facility that is an 52492
incinerator or energy recovery facility, the fees levied under 52493
divisions (A), (B), and (C) of this section shall be levied upon 52494
the disposal of the fly ash and bottom ash remaining after burning 52495
of the solid wastes and shall be collected by the owner or 52496
operator of the sanitary landfill where the ash is disposed of. 52497

(4) When solid wastes are delivered to a solid waste transfer 52498
facility, the fees levied under divisions (B) and (C) of this 52499

section shall be levied upon the disposal of solid wastes 52500
transported off the premises of the transfer facility for disposal 52501
and shall be collected by the owner or operator of the solid waste 52502
disposal facility where the wastes are disposed of. 52503

(5) The fees levied under divisions (A), (B), and (C) of this 52504
section do not apply to sewage sludge that is generated by a waste 52505
water treatment facility holding a national pollutant discharge 52506
elimination system permit and that is disposed of through 52507
incineration, land application, or composting or at another 52508
resource recovery or disposal facility that is not a landfill. 52509

(6) The fees levied under divisions (A), (B), and (C) of this 52510
section do not apply to solid wastes delivered to a solid waste 52511
composting facility for processing. When any unprocessed solid 52512
waste or compost product is transported off the premises of a 52513
composting facility and disposed of at a landfill, the fees levied 52514
under divisions (A), (B), and (C) of this section shall be 52515
collected by the owner or operator of the landfill where the 52516
unprocessed waste or compost product is disposed of. 52517

(7) When solid wastes that consist of scrap tires are 52518
processed at a scrap tire recovery facility, the fees levied under 52519
divisions (A), (B), and (C) of this section shall be levied upon 52520
the disposal of the fly ash and bottom ash or other solid wastes 52521
remaining after the processing of the scrap tires and shall be 52522
collected by the owner or operator of the solid waste disposal 52523
facility where the ash or other solid wastes are disposed of. 52524

(8) The director of environmental protection may issue an 52525
order exempting from the fees levied under this section solid 52526
wastes, including, but not limited to, scrap tires, that are 52527
generated, transferred, or disposed of as a result of a contract 52528
providing for the expenditure of public funds entered into by the 52529
administrator or regional administrator of the United States 52530
environmental protection agency, the director of environmental 52531

protection, or the director of administrative services on behalf 52532
of the director of environmental protection for the purpose of 52533
remediating conditions at a hazardous waste facility, solid waste 52534
facility, or other location at which the administrator or regional 52535
administrator or the director of environmental protection has 52536
reason to believe that there is a substantial threat to public 52537
health or safety or the environment or that the conditions are 52538
causing or contributing to air or water pollution or soil 52539
contamination. An order issued by the director of environmental 52540
protection under division (D)(8) of this section shall include a 52541
determination that the amount of the fees not received by a solid 52542
waste management district as a result of the order will not 52543
adversely impact the implementation and financing of the 52544
district's approved solid waste management plan and any approved 52545
amendments to the plan. Such an order is a final action of the 52546
director of environmental protection. 52547

(E) The fees levied under divisions (B) and (C) of this 52548
section shall be collected by the owner or operator of the solid 52549
waste disposal facility where the wastes are disposed of as a 52550
trustee for the county or joint district and municipal corporation 52551
or township where the wastes are disposed of. Moneys from the fees 52552
levied under division (B) of this section shall be forwarded to 52553
the board of county commissioners or board of directors of the 52554
district in accordance with rules adopted under division (H) of 52555
this section. Moneys from the fees levied under division (C) of 52556
this section shall be forwarded to the treasurer or such other 52557
officer of the municipal corporation as, by virtue of the charter, 52558
has the duties of the treasurer or to the fiscal officer of the 52559
township, as appropriate, in accordance with those rules. 52560

(F) Moneys received by the treasurer or other officer of the 52561
municipal corporation under division (E) of this section shall be 52562
paid into the general fund of the municipal corporation. Moneys 52563

received by the fiscal officer of the township under that division 52564
shall be paid into the general fund of the township. The treasurer 52565
or other officer of the municipal corporation or the township 52566
fiscal officer, as appropriate, shall maintain separate records of 52567
the moneys received from the fees levied under division (C) of 52568
this section. 52569

(G) Moneys received by the board of county commissioners or 52570
board of directors under division (E) of this section or section 52571
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 52572
shall be paid to the county treasurer, or other official acting in 52573
a similar capacity under a county charter, in a county district or 52574
to the county treasurer or other official designated by the board 52575
of directors in a joint district and kept in a separate and 52576
distinct fund to the credit of the district. If a regional solid 52577
waste management authority has been formed under section 343.011 52578
of the Revised Code, moneys received by the board of trustees of 52579
that regional authority under division (E) of this section shall 52580
be kept by the board in a separate and distinct fund to the credit 52581
of the district. Moneys in the special fund of the county or joint 52582
district arising from the fees levied under division (B) of this 52583
section and the fee levied under division (A) of section 3734.573 52584
of the Revised Code shall be expended by the board of county 52585
commissioners or directors of the district in accordance with the 52586
district's solid waste management plan or amended plan approved 52587
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 52588
exclusively for the following purposes: 52589

(1) Preparation of the solid waste management plan of the 52590
district under section 3734.54 of the Revised Code, monitoring 52591
implementation of the plan, and conducting the periodic review and 52592
amendment of the plan required by section 3734.56 of the Revised 52593
Code by the solid waste management policy committee; 52594

(2) Implementation of the approved solid waste management 52595

plan or amended plan of the district, including, without 52596
limitation, the development and implementation of solid waste 52597
recycling or reduction programs; 52598

(3) Providing financial assistance to boards of health within 52599
the district, if solid waste facilities are located within the 52600
district, for enforcement of this chapter and rules, orders, and 52601
terms and conditions of permits, licenses, and variances adopted 52602
or issued under it, other than the hazardous waste provisions of 52603
this chapter and rules adopted and orders and terms and conditions 52604
of permits issued under those provisions; 52605

(4) Providing financial assistance to each county within the 52606
district to defray the added costs of maintaining roads and other 52607
public facilities and of providing emergency and other public 52608
services resulting from the location and operation of a solid 52609
waste facility within the county under the district's approved 52610
solid waste management plan or amended plan; 52611

(5) Pursuant to contracts entered into with boards of health 52612
within the district, if solid waste facilities contained in the 52613
district's approved plan or amended plan are located within the 52614
district, for paying the costs incurred by those boards of health 52615
for collecting and analyzing samples from public or private water 52616
wells on lands adjacent to those facilities; 52617

(6) Developing and implementing a program for the inspection 52618
of solid wastes generated outside the boundaries of this state 52619
that are disposed of at solid waste facilities included in the 52620
district's approved solid waste management plan or amended plan; 52621

(7) Providing financial assistance to boards of health within 52622

division fails to comply with the order and if the director 52955
performs a removal action under this section, the person to whom 52956

the property on which the accumulation of scrap tires ~~was,~~ 52975
additional solid wastes, and construction and demolition debris 52976
were located until discharged. Upon the written request of the 52977
director, the attorney general shall bring a civil action against 52978
the person responsible for the accumulation of the scrap tires 52979

If, in a civil action brought under this division, an owner 52984
of real property is ordered to pay to the director the costs of a 52985
removal action that removed an accumulation of scrap tires from 52986
the person's land or if a lien is placed on the person's land for 52987
the costs of such a removal action, and, in either case, if the 52988
landowner was not the person responsible for causing the 52989
accumulation of scrap tires so removed, the landowner may bring a 52990
civil action against the person who was responsible for causing 52991
the accumulation to recover the amount of the removal costs that 52992
the court ordered the landowner to pay to the director or the 52993
amount of the removal costs certified to the county recorder as a 52994
lien on the landowner's property, whichever is applicable. If the 52995
landowner prevails in the civil action against the person who was 52996
responsible for causing the accumulation of scrap tires, the 52997
court, as it considers appropriate, may award to the landowner the 52998
reasonable attorney's fees incurred by the landowner for bringing 52999
the action, court costs, and other reasonable expenses incurred by 53000

the landowner in connection with the civil action. A landowner 53001
shall bring such a civil action within two years after making the 53002
final payment of the removal costs to the director pursuant to the 53003
judgment rendered against the landowner in the civil action 53004
brought under this division upon the director's request or within 53005
two years after the director certified the costs of the removal 53006
action to the county recorder, as appropriate. A person who, at 53007
the time that a removal action was conducted under this division, 53008
owned the land on which the removal action was performed may bring 53009
an action under this division to recover the costs of the removal 53010
action from the person responsible for causing the accumulation of 53011
scrap tires so removed regardless of whether the person owns the 53012

Air Act prior to calendar year 2000. Those fees shall be assessed 53688
on the emissions from such a generating unit commencing in 53689
calendar year 2001 based upon the total actual emissions from the 53690
generating unit during calendar year 2000 and shall continue to be 53691

Revised Code; and who is not required to apply for and obtain a 53708
Title V permit under section 3704.03 of the Revised Code shall pay 53709

contaminants below the major source thresholds established in 53726
rules adopted under section 3704.036 of the Revised Code. 53727

(b) Beginning January 1, 2000, through June 30, ~~2024~~ 2026, 53728

The fees assessed under division (D)(2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of

this section, the director shall compile revised fee schedules for 53769

However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(4)(a) In the case of an entity that generates sewage sludge 54622
or a sewage sludge facility that treats sewage sludge and 54623
transfers the sewage sludge to an incineration facility for 54624
disposal, the incineration facility, and not the entity generating 54625

objections to the director concerning the accuracy of information 54648
regarding the number of dry tons of sewage sludge used to 54649
calculate the amount of the annual sludge fee or regarding whether 54650
the sewage sludge qualifies for the exceptional quality sludge 54651
discount established in division (Y)(2)(b) of this section. The 54652
director may consider the objections and adjust the amount of the 54653
fee to ensure that it is accurate. 54654

If the director does not adjust the amount of the annual 54655
sludge fee in response to a person's objections, the person may 54656
appeal the director's determination in accordance with Chapter 54657
119. of the Revised Code. 54658

Not later than the first day of June, the director shall 54659
notify the objecting person regarding whether the director has 54660
found the objections to be valid and the reasons for the finding. 54661
If the director finds the objections to be valid and adjusts the 54662
amount of the annual sludge fee accordingly, the director shall 54663
issue with the notification a new invoice to the person 54664
identifying the amount of the annual sludge fee assessed and 54665
stating the first day of July as the deadline for payment. 54666

Not later than the first day of July, any person who is 54667

that date shall pay an additional amount that equals ten per cent 54670
of the required annual sludge fee. 54671

(6) The director shall transmit all moneys collected under 54672
division (Y) of this section to the treasurer of state for deposit 54673
into the surface water protection fund created in section 6111.038 54674

of administering and enforcing provisions in Chapter 6111. of the 54676
Revised Code and rules adopted under it that govern the use, 54677
storage, treatment, or disposal of sewage sludge. 54678

(7) Beginning in fiscal year 2001, and every two years 54679
thereafter, the director shall review the total amount of moneys 54680
generated by the annual sludge fees to determine if that amount 54681
exceeded six hundred thousand dollars in either of the two 54682
preceding fiscal years. If the total amount of moneys in the fund 54683
exceeded six hundred thousand dollars in either fiscal year, the 54684
director, after review of the fee structure and consultation with 54685
affected persons, shall issue an order reducing the amount of the 54686
fees levied under division (Y) of this section so that the 54687
estimated amount of moneys resulting from the fees will not exceed 54688
six hundred thousand dollars in any fiscal year. 54689

If, upon review of the fees under division (Y)(7) of this 54690
section and after the fees have been reduced, the director 54691

govern the settlement of disputes between an exclusive 57850
representative and a public employer concerning the termination or 57851
modification of an existing collective bargaining agreement or 57852
negotiation of a successor agreement, or the negotiation of an 57853

representative desiring to terminate, modify, or negotiate a 57857
successor collective bargaining agreement shall: 57858

and (D) of this section govern the parties, where those procedures 57882
refer to the expiration of a collective bargaining agreement, it 57883
means the expiration of the sixty-day period to negotiate a 57884
collective bargaining agreement referred to in this subdivision, 57885
or in the case of initial negotiations, it means the ninety-day 57886
period referred to in this subdivision. 57887

(3) The parties shall continue in full force and effect all 57888
the terms and conditions of any existing collective bargaining 57889

of three residents within the jurisdiction of the public employer. 57914
The public employer shall select one member and the exclusive 57915
representative shall select one member. The two members selected 57916
shall select the third member who shall chair the council. If the 57917
two members cannot agree upon a third member within five days 57918
after their appointments, the board shall appoint the third 57919
member. Once appointed, the council shall make a final settlement 57920
of the issues submitted to it pursuant to division (G) of this 57921
section. 57922

(f) Any other dispute settlement procedure mutually agreed to 57923
by the parties. 57924

(2) If, fifty days before the expiration date of the 57925

addresses of the parties, the issues involved, and, if applicable, 57929
the expiration date of any agreement. 57930

The board shall intervene and investigate the dispute to 57931
determine whether the parties have engaged in collective 57932
bargaining. 57933

If an impasse exists or forty-five days before the expiration 57934
date of the collective bargaining agreement if one exists, the 57935
board shall appoint a mediator to assist the parties in the 57936

collective bargaining process. 57937

(3) Any time after the appointment of a mediator, either 57938
party may request the appointment of a fact-finding panel. Within 57939
fifteen days after receipt of a request for a fact-finding panel, 57940
the board shall appoint a fact-finding panel of not more than 57941
three members who have been selected by the parties in accordance 57942
with rules established by the board, from a list of qualified 57943
persons maintained by the board. 57944

(a) The fact-finding panel shall, in accordance with rules 57945
and procedures established by the board that include the 57946
regulation of costs and expenses of fact-finding, gather facts and 57947
make recommendations for the resolution of the matter. The board 57948
shall by its rules require each party to specify in writing the 57949
unresolved issues and its position on each issue to the 57950
fact-finding panel. The fact-finding panel shall make final 57951
recommendations as to all the unresolved issues. 57952

(b) The board may continue mediation, order the parties to 57953
engage in collective bargaining until the expiration date of the 57954
agreement, or both. 57955

(4) The following guidelines apply to fact-finding: 57956

(a) The fact-finding panel may establish times and place of 57957
hearings which shall be, where feasible, in the jurisdiction of 57958
the state. 57959

(b) The fact-finding panel shall conduct the hearing pursuant 57960
to rules established by the board. 57961

(c) Upon request of the fact-finding panel, the board shall 57962
issue subpoenas for hearings conducted by the panel. 57963

(d) The fact-finding panel may administer oaths. 57964

(e) The board shall prescribe guidelines for the fact-finding 57965
panel to follow in making findings. In making its recommendations, 57966

the fact-finding panel shall take into consideration the factors 57967
listed in divisions (G)(7)(a) to (f) of this section. 57968

(f) The fact-finding panel may attempt mediation at any time 57969
during the fact-finding process. From the time of appointment 57970
until the fact-finding panel makes a final recommendation, it 57971
shall not discuss the recommendations for settlement of the 57972
dispute with parties other than the direct parties to the dispute. 57973

(5) The fact-finding panel, acting by a majority of its 57974
members, shall transmit its findings of fact and recommendations 57975
on the unresolved issues to the public employer and employee 57976
organization involved and to the board no later than fourteen days 57977
after the appointment of the fact-finding panel, unless the 57978
parties mutually agree to an extension. The parties shall share 57979
the cost of the fact-finding panel in a manner agreed to by the 57980
parties. 57981

(6)(a) Not later than seven days after the findings and 57982
recommendations are sent, the legislative body, by a three-fifths 57983
vote of its total membership, and in the case of the public 57984
employee organization, the membership, by a three-fifths vote of 57985
the total membership, may reject the recommendations; if neither 57986
rejects the recommendations, the recommendations shall be deemed 57987
agreed upon as the final resolution of the issues submitted and a 57988
collective bargaining agreement shall be executed between the 57989
parties, including the fact-finding panel's recommendations, 57990
except as otherwise modified by the parties by mutual agreement. 57991
If either the legislative body or the public employee organization 57992
rejects the recommendations, the board shall publicize the 57993
findings of fact and recommendations of the fact-finding panel. 57994
The board shall adopt rules governing the procedures and methods 57995
for public employees to vote on the recommendations of the 57996
fact-finding panel. 57997

(b) As used in division (C)(6)(a) of this section, 57998

"legislative body" means the controlling board when the state or 57999
any of its agencies, authorities, commissions, boards, or other 58000
branch of public employment is party to the fact-finding process. 58001

(D) If the parties are unable to reach agreement within seven 58002
days after the publication of findings and recommendations from 58003
the fact-finding panel or the collective bargaining agreement, if 58004
one exists, has expired, then the: 58005

penal or mental institutions, special police officers appointed in 58016
accordance with sections 5119.08 and 5123.13 of the Revised Code, 58017
psychiatric attendants employed at mental health forensic 58018
facilities, youth leaders employed at juvenile correctional 58019
facilities, or members of a law enforcement security force that is 58020

commissioners and whose members are employed by that board, shall 58022
submit the matter to a final offer settlement procedure pursuant 58023
to a board order issued forthwith to the parties to settle by a 58024
conciliator selected by the parties. The parties shall request 58025
from the board a list of five qualified conciliators and the 58026
parties shall select a single conciliator from the list by 58027
alternate striking of names. If the parties cannot agree upon a 58028
conciliator within five days after the board order, the board 58029
shall on the sixth day after its order appoint a conciliator from 58030

a list of qualified persons maintained by the board or shall 58031
request a list of qualified conciliators from the American 58032
arbitration association and appoint therefrom. 58033

(2) Public employees other than those listed in division 58034
(D)(1) of this section have the right to strike under Chapter 58035
4117. of the Revised Code provided that the employee organization 58036
representing the employees has given a ten-day prior written 58037
notice of an intent to strike to the public employer and to the 58038

consecutive work days and the beginning date of the strike is at 58040
least ten work days after the ending date of the most recent prior 58041
strike involving the same bargaining unit; however, the board, at 58042
its discretion, may attempt mediation at any time. 58043

(E) Nothing in this section shall be construed to prohibit 58044
the parties, at any time, from voluntarily agreeing to submit any 58045
or all of the issues in dispute to any other alternative dispute 58046
settlement procedure. An agreement or statutory requirement to 58047
arbitrate or to settle a dispute pursuant to a final offer 58048
settlement procedure and the award issued in accordance with the 58049
agreement or statutory requirement is enforceable in the same 58050
manner as specified in division (B) of section 4117.09 of the 58051
Revised Code. 58052

(3) The conciliator shall conduct the hearing pursuant to 58068
rules developed by the board. The conciliator shall establish the 58069
hearing time and place, but it shall be, where feasible, within 58070
the jurisdiction of the state. Not later than five calendar days 58071
before the hearing, each of the parties shall submit to the 58072
conciliator, to the opposing party, and to the board, a written 58073

(b) Comparison of the issues submitted to final offer 58090
settlement relative to the employees in the bargaining unit 58091

involved with those issues related to other public and private 58092

peculiar to the area and classification involved; 58094

(c) The interests and welfare of the public, the ability of 58095
the public employer to finance and administer the issues proposed, 58096
and the effect of the adjustments on the normal standard of public 58097
service; 58098

(d) The lawful authority of the public employer; 58099

(e) The stipulations of the parties; 58100

(f) Such other factors, not confined to those listed in this 58101
section, which are normally or traditionally taken into 58102
consideration in the determination of the issues submitted to 58103
final offer settlement through voluntary collective bargaining, 58104
mediation, fact-finding, or other impasse resolution procedures in 58105

promulgate a written opinion and order upon the issues presented 58112
to the conciliator, and upon the record made before the 58113
conciliator and shall mail or otherwise deliver a true copy 58114
thereof to the parties and the board. 58115

(11) Increases in rates of compensation and other matters 58116
with cost implications awarded by the conciliator may be effective 58117
only at the start of the fiscal year next commencing after the 58118
date of the final offer settlement award; provided that if a new 58119
fiscal year has commenced since the issuance of the board order to 58120
submit to a final offer settlement procedure, the awarded 58121

increases may be retroactive to the commencement of the new fiscal 58122
year. The parties may, at any time, amend or modify a 58123
conciliator's award or order by mutual agreement. 58124

(12) The parties shall bear equally the cost of the final 58125
offer settlement procedure. 58126

(13) Conciliators appointed pursuant to this section shall be 58127
residents of the state. 58128

conciliator made pursuant to Chapter 4117. of the Revised Code are 58130
subject to review by the court of common pleas having jurisdiction 58131
over the public employer as provided in Chapter 2711. of the 58132
Revised Code. If the public employer is located in more than one 58133
court of common pleas district, the court of common pleas in which 58134
the principal office of the chief executive is located has 58135

public employer may seek an injunction against the strike in the 58162
court of common pleas of the county in which the strike is 58163
located. 58164

(B) An unfair labor practice by a public employer is not a 58165
defense to the injunction proceeding noted in division (A) of this 58166
section. Allegations of unfair labor practices during the 58167
settlement procedures set forth in section 4117.14 of the Revised 58168
Code shall receive priority by the state employment relations 58169
board. 58170

(C) No public employee is entitled to pay or compensation 58171
from the public employer for the period engaged in any strike. 58172

Sec. 4121.443. (A) The bureau of workers' compensation may 58173
summarily suspend the certification of a provider to participate 58174
in the health partnership program created under sections 4121.44 58175
and 4121.441 of the Revised Code without a prior hearing if the 58176
bureau determines any of the following apply to the provider: 58177

(1) The professional license, certification, or registration 58178
held by the provider to practice the provider's profession has 58179
been revoked or suspended for an indefinite period of time or for 58180
a period of more than thirty days, subsequent to the provider's 58181
certification to participate in the health partnership program. 58182

(2) The provider has been convicted of or has pleaded guilty 58183

to a violation of section 2913.48 or sections 2923.31 to 2923.36 58184
of the Revised Code or has been convicted of or pleaded guilty to 58185
any other criminal offense related to the delivery of or billing 58186
for health care services. 58187

(3) The bureau determines, by clear and convincing evidence, 58188
that the continued participation by the provider in the health 58189
partnership program presents a danger of immediate and serious 58190
harm to claimants. 58191

(B) The bureau shall ~~issue~~ serve a written order of summary 58192
suspension ~~by certified mail or in person~~ in accordance with 58193
~~section~~ sections 119.05 and 119.07 of the Revised Code. If the 58194
provider subject to the summary suspension requests an 58195
adjudicatory hearing by the bureau, the date set for the hearing 58196
shall be not later than fifteen days, but not earlier than seven 58197
days, after the provider requests the hearing, unless otherwise 58198
agreed to by both the bureau and the provider. 58199

(C) If an order issued pursuant to this section is appealed, 58200
the court may stay execution of the order and fix the terms of the 58201
stay, if the court finds both of the following: 58202

(1) That an unusual hardship to the appellant will result 58203
from execution of the order pending appeal; 58204

(2) That the health, safety, and welfare of the public will 58205
not be threatened by staying execution of the order pending 58206
appeal. 58207

(D) A court or agency order staying the suspension of a 58208
professional license, certification, or registration shall not 58209
affect the ability of the bureau to suspend the certification of a 58210
provider to participate in the health partnership program under 58211
this section. 58212

(E) The summary suspension of a certification of a provider 58213
under this section shall not affect the ability of that provider 58214

to receive payment for services rendered prior to the effective 58215
date of the suspension. 58216

(F) Any summary suspension imposed under this section shall 58217
remain in effect, unless reversed on appeal, until a final 58218
adjudication order issued by the bureau pursuant to this section 58219
and Chapter 119. of the Revised Code takes effect. The bureau 58220
shall issue its final adjudication order within seventy-five days 58221
after completion of its hearing. A failure to issue the order 58222
within the seventy-five-day time period shall result in 58223
dissolution of the summary suspension order but shall not 58224
invalidate any subsequent, final adjudication order. 58225

(G) As used in this section, "provider" does not include a 58226
hospital. 58227

Sec. 4123.543. (A) As used in this section, "customer model 58228
enterprise," "employer model enterprise," "inmate," and "federal 58229

meanings as in section 5145.163 of the Revised Code. 58231

(B)(1) The department of rehabilitation and correction shall 58232
be considered the employer of an inmate for purposes of this 58233
chapter and Chapters 4121., 4127., and 4131. of the Revised Code 58234
if the inmate works in a customer model enterprise. 58235

(2) If the enterprise for which an inmate works is an 58236
employer model enterprise, the private participant of the 58237
enterprise shall be considered the employer of the inmate for 58238
purposes of this chapter. 58239

(C)(1) An inmate who is injured or who contracts an 58240
occupational disease arising out of participation in authorized 58241
work activity in the federal prison industries enhancement 58242
certification program may file a claim for compensation or 58243
benefits under this chapter and Chapters 4121., 4127., and 4131. 58244

department. 58246

(2) The dependent of an inmate who is killed or dies as the 58247
result of an occupational disease contracted in the course of 58248
participation in authorized work activity in the federal prison 58249
industries enhancement certification program may file a claim for 58250
compensation and benefits under this chapter and Chapters 4121., 58251
4127., and 4131. of the Revised Code. 58252

(D) Notwithstanding any provision of this chapter or Chapter 58253
4121. of the Revised Code to the contrary, a claimant who files a 58254
claim pursuant to division (C)(1) of this section while in the 58255
custody of the department shall receive medical treatment and have 58256
medical determinations for purposes of this chapter and Chapter 58257
4121. of the Revised Code made by the department's medical 58258
providers. Medical determinations made by the department's 58259
providers shall be limited to initial claim allowances and 58260
requests for additional conditions. The claimant may request a 58261
review by the department's chief medical officer. In the event of 58262
an appeal, the claimant may receive a medical evaluation from a 58263
medical practitioner affiliated within the department's network of 58264
third-party medical contractors or a medical practitioner in a 58265
managed care organization certified by the bureau of workers' 58266
compensation under section 4121.44 of the Revised Code and located 58267
in Franklin county. 58268

(E) In accordance with division (J) of section 4123.54 of the 58269
Revised Code, compensation or benefits are not payable to a 58270
claimant during the period of confinement of the claimant in any 58271
correctional institution or county jail. Any remaining amount of 58272
an award of compensation or benefits for an injury or occupational 58273
disease arising out of participation in authorized work activity 58274
in the federal prison industries enhancement certification program 58275
shall be paid to or on behalf of a claimant after the claimant is 58276

released from imprisonment. If a claimant is reimprisoned, 58277
compensation and benefits shall be suspended during the claimant's 58278
imprisonment but shall resume on the claimant's release from 58279
imprisonment. 58280

(F) The administrator of workers' compensation may adopt 58281
rules necessary to implement this section. 58282

Sec. 4141.02. A nonprofit organization that does not meet the 58283
definition of employer for purposes of this chapter pursuant to 58284
division (A)(1)(a) of section 4141.01 of the Revised Code, and 58285
that does not elect to become an employer subject to this chapter 58286
pursuant to division (A)(4) of section 4141.01 of the Revised 58287

Revised Code. 58304

(B) The director may adopt rules in accordance with Chapter 58305
119. of the Revised Code to allow for the disclosure of 58306

information otherwise protected from disclosure under division (A) 58307
of this section that conform to requirements of federal law 58308

division (X) of section 4141.01 of the Revised Code, which becomes 58331
subject to this chapter on or after January 1, 1972, shall pay 58332
contributions under section 4141.25 of the Revised Code, unless it 58333
elects, in accordance with this division, to pay to the director 58334
of job and family services for deposit in the unemployment 58335
compensation fund an amount in lieu of contributions equal to the 58336

amount of regular benefits plus one half of extended benefits paid 58337
from that fund that is attributable to service in the employ of 58338
the nonprofit organization to individuals whose service, during 58339
the base period of the claims, was within the effective period of 58340
such election. 58341

(2) Any nonprofit organization which becomes subject to this 58342
chapter after January 1, 1972, may elect to become liable for 58343
payments in lieu of contributions for a period of not less than 58344
the remainder of that calendar year and the next calendar year, 58345
beginning with the date on which such subjectivity begins, by 58346
filing a written notice of its election with the director not 58347
later than thirty days immediately following the date of the 58348
determination of such subjectivity. 58349

(3) Any nonprofit organization which makes an election in 58350
accordance with this division will continue to be liable for 58351
payments in lieu of contributions for the period described in this 58352
division and until it files with the director a written notice 58353
terminating its election. The notice shall be filed not later than 58354
thirty days prior to the beginning of the calendar year for which 58355
the termination is to become effective. 58356

(4) Any nonprofit organization which has been paying 58357
contributions for a period subsequent to January 1, 1972, may 58358
change to a reimbursable basis by filing with the director, not 58359
later than thirty days prior to the beginning of any calendar 58360
year, a written notice of election to become liable for payments 58361
in lieu of contributions. The election shall not be terminable by 58362
the organization during that calendar year and the next calendar 58363
year. 58364

(5) The director, in accordance with any rules the director 58365
prescribes, shall notify each nonprofit organization of any 58366
determination which the director may make of its status as an 58367
employer and of the effective date of any election which it makes 58368

and of any termination of the election. Any determinations shall 58369
be subject to reconsideration, appeal, and review in accordance 58370
with section 4141.26 of the Revised Code. 58371

(B) Except as provided in division (I) of section 4141.29 of 58372
the Revised Code, benefits based on service with a nonprofit 58373
organization granted a reimbursing status under this section shall 58374
be payable in the same amount, on the same terms, and subject to 58375
the same conditions, as benefits payable on the basis of other 58376
service subject to this chapter. Payments in lieu of contributions 58377
shall be made in accordance with this division and division (D) of 58378
section 4141.24 of the Revised Code. 58379

(1)(a) At the end of each calendar quarter, or at the end of 58380
any other period as determined by the director under division 58381
(D)(4) of section 4141.24 of the Revised Code, the director shall 58382
bill each nonprofit organization or group of such organizations 58383
which has elected to make payments in lieu of contributions for an 58384
amount equal to the full amount of regular benefits plus one half 58385
of the amount of extended benefits paid during such quarter or 58386
other prescribed period which is attributable to service in the 58387
employ of such organization. 58388

(b) In the computation of the amount of benefits to be 58389
charged to employers liable for payments in lieu of contributions, 58390
all benefits attributable to service described in division 58391
(B)(1)(a) of this section shall be computed and charged to such 58392
organization as described in division (D) of section 4141.24 of 58393
the Revised Code, and, except as provided in division (D)(2) of 58394
section 4141.24 of the Revised Code, no portion of the amount may 58395
be charged to the mutualized account established by division (B) 58396
of section 4141.25 of the Revised Code. 58397

(c) The director may prescribe regulations under which 58398
organizations, which have elected to make payments in lieu of 58399
contributions, may request permission to make such payments in 58400

equal installments throughout the year with an adjustment at the 58401
end of the year for any excess or shortage of the amount of such 58402
installment payments compared with the total amount of benefits 58403
actually charged the organization's account during the year. In 58404
making any adjustment, where the total installment payments are 58405
less than the actual benefits charged, the organization shall be 58406
liable for payment of the unpaid balance in accordance with 58407
division (B)(2) of this section. If the total installment payments 58408
exceed the actual benefits charged, all or part of the excess may, 58409
at the discretion of the director, be refunded or retained in the 58410
fund as part of the payments which may be required in the next 58411
year. 58412

(2) Payment of any bill rendered under division (B)(1) of 58413
this section shall be made not later than thirty days after the 58414
bill was mailed to the last known address of the organization or 58415
was otherwise delivered to it, unless there has been an 58416
application for review and redetermination in accordance with 58417
division (B)(4) of this section. 58418

(3) Payments made by an organization under this section shall 58419
not be deducted or deductible, in whole or in part, from the 58420
remuneration of individuals in the employ of the organization. 58421

(4) An organization may file an application for review and 58422
redetermination of the amounts appearing on any bill rendered to 58423
such organization under division (B)(1) of this section. The 58424
application shall be filed and determined under division (D)(4) of 58425
section 4141.24 of the Revised Code. 58426

(5) Past-due payments of amounts in lieu of contributions 58427
shall be subject to the same interest rates and collection 58428
procedures that apply to past-due contributions under sections 58429
4141.23 and ~~414.27~~ 4141.27 of the Revised Code. In case of failure 58430
to file a required quarterly report within the time prescribed by 58431
the director, the nonprofit organization shall be subject to a 58432

forfeiture pursuant to section 4141.20 of the Revised Code for 58433
each quarterly report that is not timely filed. 58434

All interest and forfeitures collected under this division 58435
shall be paid into the unemployment compensation special 58436
administrative fund as provided in section 4141.11 of the Revised 58437
Code. 58438

(6) All payments in lieu of contributions collected under 58439
this section shall be paid into the unemployment compensation fund 58440
as provided in section 4141.09 of the Revised Code. Any refunds of 58441
such payments shall be paid from the unemployment compensation 58442
fund, as provided in section 4141.09 of the Revised Code. 58443

(C)(1) Any nonprofit organization, or group of such 58444
organizations approved under division (D) of this section, that 58445
elects to become liable for payments in lieu of contributions 58446
shall be required within thirty days after the effective date of 58447
its election, to execute and file with the director a surety bond 58448
approved by the director ~~or it may elect instead to deposit with~~ 58449
~~the director approved municipal or other bonds, or approved~~ 58450
~~securities, or a combination thereof, or other forms of collateral~~ 58451
~~security approved by the director.~~ 58452

(2)(a) The amount of the bond ~~or deposit~~ required shall be 58453
equal to three per cent of the organization's wages paid for 58454
employment as defined in section 4141.01 of the Revised Code that 58455
would have been taxable had the organization been a subject 58456
employer during the four calendar quarters immediately preceding 58457
the effective date of the election, or the amount established by 58458
the director within the limitation provided in division 58459
~~(C)(2)(d)~~ (C)(2)(c) of this section, whichever is the less. The 58460
effective date of the amount of the bond ~~or other collateral~~ 58461
~~security~~ required after the employer initially is determined by 58462
the director to be liable for payments in lieu of contributions 58463
shall be the renewal date ~~in the case of a~~ the bond ~~or the~~ 58464

~~biennial anniversary of the effective date of election in the case~~ 58465
~~of deposit of securities or other forms of collateral security~~ 58466
~~approved by the director, whichever date shall be most recent and~~ 58467
~~applicable.~~ If the nonprofit organization did not pay wages in 58468
each of such four calendar quarters, the amount of the bond ~~or~~ 58469
~~deposit~~ shall be as determined by the director under regulations 58470
prescribed for this purpose. 58471

(b) Any bond ~~or other form of collateral security approved by~~ 58472
~~the director~~ deposited under this division shall be in force for a 58473
period of not less than two calendar years and shall be renewed 58474
with the approval of the director, at such times as the director 58475
may prescribe, but not less frequently than at two-year intervals 58476
as long as the organization continues to be liable for payments in 58477
lieu of contributions. The director shall require adjustments to 58478
be made in a previously filed bond ~~or other form of collateral~~ 58479
~~security~~ as the director considers appropriate. If the bond ~~or~~ 58480
~~other form of collateral security~~ is to be increased, the adjusted 58481
bond ~~or collateral security~~ shall be filed by the organization 58482
within thirty days of the date that notice of the required 58483
adjustment was mailed or otherwise delivered to it. Failure by any 58484
organization covered by such bond ~~or collateral security~~ to pay 58485
the full amount of payments in lieu of contributions when due, 58486
together with any applicable interest provided for in division 58487
(B)(5) of this section, shall render the surety liable on the bond 58488
~~or collateral security~~ to the extent of the bond ~~or collateral~~ 58489
~~security~~, as though the surety was the organization. 58490

(c) ~~Any securities accepted in lieu of surety bond by the~~ 58491
~~director shall be deposited with the treasurer of state who shall~~ 58492
~~have custody thereof and retain the same in the treasurer of~~ 58493
~~state's possession, or release them, according to conditions~~ 58494
~~prescribed by regulations of the director. Income from the~~ 58495
~~securities, held in custody by the treasurer of state, shall~~ 58496

~~accrue to the benefit of the depositor and shall be distributed to 58497
the depositor in the absence of any notification from the director 58498
that the depositor is in default on any payment owed to the 58499
director. The director may require the sale of any such bonds to 58500
the extent necessary to satisfy any unpaid payments in lieu of 58501
contributions, together with any applicable interest or 58502
forfeitures provided for in division (B)(5) of this section. The 58503
director shall require the employer within thirty days following 58504
any sale of deposited securities, under this subdivision, to 58505
deposit additional securities, surety bond, or combination of 58506
both, to make whole the employer's security deposit at the 58507
approved level. Any cash remaining from the sale of such 58508
securities may, at the discretion of the director, be refunded in 58509
whole or in part, or be paid into the unemployment compensation 58510
fund to cover future payments required of the organization. 58511~~

~~(d) The required bond or deposit for any nonprofit 58512
organization, or group of such organizations approved by the 58513
director under division (D) of this section, that is determined by 58514

during that period shall not exceed one million two hundred fifty 58519
thousand dollars. The required bond or deposit for any nonprofit 58520
organization, or group of such organizations approved by the 58521
director under division (D) of this section, that is determined to 58522
be liable for payments in lieu of contributions effective on and 58523
after January 1, 1998, and the required bond or deposit for any 58524
renewed elections effective on and after January 1, 1998, shall 58525
not exceed two million dollars. 58526~~

~~(3) If any nonprofit organization fails to file a bond or 58527
make a deposit, or to file a bond in an increased amount or to 58528~~

~~make whole the amount of a previously made deposit,~~ as provided 58529
under this division, the director may terminate the organization's 58530
election to make payments in lieu of contributions effective for 58531
the quarter following such failure and the termination shall 58532
continue for not less than the remainder of that calendar year and 58533
the next calendar year, beginning with the quarter in which the 58534
termination becomes effective; except that the director may extend 58535
for good cause the applicable filing, ~~deposit, or adjustment~~ 58536
period by not more than thirty days. 58537

(D)(1) Two or more nonprofit organizations that have become 58538
liable for payments in lieu of contributions, in accordance with 58539
division (A) of this section, may file a joint application to the 58540
director for the establishment of the group account for the 58541
purpose of sharing the cost of benefits paid that are attributable 58542
to service in the employ of those employers. Notwithstanding 58543
division (E) of section 4141.242 of the Revised Code, hospitals 58544
operated by this state or a political subdivision may participate 58545
in a group account with nonprofit organizations under the 58546
procedures set forth in this section. Each application shall 58547
identify and authorize a group representative to act as the 58548
group's agent for the purposes of this division. 58549

(2) Upon the director's approval of the application, the 58550
director shall establish a group account for the employers 58551
effective as of the beginning of the calendar quarter in which the 58552
director receives the application and shall notify the group's 58553
representative of the effective date of the account. The account 58554
shall remain in effect for not less than two years and thereafter 58555
until terminated by the director or upon application by the group. 58556

(3) Upon establishment of the account, each member of the 58557
group shall be liable, in the event that the group representative 58558
fails to pay any bill issued to it pursuant to division (B) of 58559
this section, for payments in lieu of contributions with respect 58560

to each calendar quarter in the amount that bears the same ratio 58561
to the total benefits paid in the quarter that are attributable to 58562
service performed in the employ of all members of the group as the 58563
total wages paid for service in employment by the member in the 58564
quarter bear to the total wages paid during the quarter for 58565
service performed in the employ of all members of the group. 58566

(4) The director shall adopt regulations as considered 58567
necessary with respect to the following: applications for 58568
establishment, bonding, maintenance, and termination of group 58569
accounts that are authorized by this section; addition of new 58570
members to and withdrawal of active members from such accounts; 58571
and the determination of the amounts that are payable under this 58572
division by the group representative and in the event of default 58573
in payment by the group representative, members of the group, and 58574
the time and manner of payments. 58575

Sec. 4141.28. BENEFITS 58576

(A) FILINGS 58577

Applications for determination of benefit rights and claims 58578
for benefits shall be filed with the director of job and family 58579
services. Such applications and claims also may be filed with an 58580
employee of another state or federal agency charged with the duty 58581
of accepting applications and claims for unemployment benefits or 58582
with an employee of the unemployment insurance commission of 58583
Canada. 58584

When an unemployed individual files an application for 58585
determination of benefit rights, the director shall furnish the 58586
individual with an explanation of the individual's appeal rights. 58587
The explanation shall describe clearly the different levels of 58588
appeal and explain where and when each appeal must be filed. 58589

(B) APPLICATION FOR DETERMINATION OF BENEFIT RIGHTS 58590

In filing an application, an individual shall furnish the 58591
director with the name and address of the individual's most recent 58592
separating employer and the individual's statement of the reason 58593
for separation from the employer. The director shall promptly 58594
notify the individual's most recent separating employer of the 58595
filing and request the reason for the individual's unemployment, 58596
unless that notice is not necessary under conditions the director 58597
establishes by rule. The director may request from the individual 58598
or any employer information necessary for the determination of the 58599
individual's right to benefits. The employer shall provide the 58600
information requested within ten working days after the request is 58601
sent. If an employer fails to provide requested information within 58602
ten working days, the director shall provide to the tax 58603
commissioner the individual's and employer's names, addresses, 58604
taxpayer identification numbers if available, and any additional 58605
information required by the tax commissioner. The tax commissioner 58606
shall confirm to the director whether the individual was included 58607
on the most recent annual return filed by the employer pursuant to 58608
division (F) of section 5747.07 of the Revised Code. The tax 58609
commissioner shall inform the director if the tax commissioner is 58610
unable to provide the requested confirmation. If necessary to 58611
ensure prompt determination and payment of benefits, the director 58612
shall base the determination on the information that is available. 58613

An individual filing an application for determination of 58614
benefit rights shall disclose, at the time of filing, whether or 58615
not the individual owes child support obligations. 58616

An individual filing an application for determination of 58617
benefit rights shall furnish proof of identity at the time of 58618
filing in the manner prescribed by the director. The director 58619
shall adopt rules to prescribe the manner in which an applicant 58620
shall furnish proof of identity. 58621

(C) MASS LAYOFFS 58622

An employer who lays off or separates within any seven-day period fifty or more individuals because of lack of work shall furnish notice to the director of the dates of layoff or separation and the approximate number of individuals being laid off or separated. The notice shall be furnished at least three working days prior to the date of the first day of such layoff or separation. In addition, at the time of the layoff or separation the employer shall furnish to the individual and to the director information necessary to determine the individual's eligibility for unemployment compensation.

(D) DETERMINATION OF BENEFIT RIGHTS

The director shall promptly examine any application for determination of benefit rights. On the basis of the information available to the director under this chapter, the director shall determine whether or not the application is valid, and if valid, the date on which the benefit year shall commence and the weekly benefit amount. The director shall promptly notify the applicant, employers in the applicant's base period, and any other interested parties of the determination and the reasons for it. In addition, the determination issued to the claimant shall include the total amount of benefits payable. The determination issued to each chargeable base period employer shall include the total amount of benefits that may be charged to the employer's account.

(E) CLAIM FOR BENEFITS

The director shall examine the first claim and any additional claim for benefits. On the basis of the information available, the director shall determine whether the claimant's most recent separation and, to the extent necessary, prior separations from work, allow the claimant to qualify for benefits. Written notice of the determination granting or denying benefits shall be sent to the claimant, the most recent separating employer, and any other employer involved in the determination, except that written notice

is not required to be sent to the claimant if the reason for 58655
separation is lack of work and the claim is allowed. 58656

If the director identifies an eligibility issue, the director 58657
shall immediately send notice to the claimant of the issue 58658
identified, specify the week or weeks involved, and identify what 58659
the claimant must do to address the issue or who the claimant may 58660
contact for more information. The claimant has a minimum of five 58661
business days after the notice is sent to respond to the 58662
information included in the notice, and after the time allowed as 58663
determined by the director, the director shall make a 58664
determination. The claimant's response may include a request for a 58665
fact-finding interview when the eligibility issue is raised by an 58666
informant or source other than the claimant, or when the 58667
eligibility issue, if determined adversely, disqualifies the 58668
claimant for the duration of the claimant's period of 58669
unemployment. 58670

When the determination of a continued claim for benefits 58671
results in a disallowed claim, the director shall notify the 58672
claimant of the disallowance and the reasons for it. 58673

(F) ELIGIBILITY NOTICE 58674

Any base period or subsequent employer of a claimant who has 58675
knowledge of specific facts affecting the claimant's right to 58676
receive benefits for any week may notify the director in writing 58677
of those facts. The director shall prescribe a form for such 58678
eligibility notice, but failure to use the form shall not preclude 58679
the director's examination of any notice. 58680

To be considered valid, an eligibility notice must: contain 58681
in writing, a statement that identifies either a source who has 58682
firsthand knowledge of the information or an informant who can 58683
identify the source; provide specific and detailed information 58684
that may potentially disqualify the claimant; provide the name and 58685

address of the source or the informant; and appear to the director 58686
to be reliable and credible. 58687

An eligibility notice is timely filed if received or 58688
postmarked prior to or within forty-five calendar days after the 58689
end of the week with respect to which a claim for benefits is 58690
filed by the claimant. An employer who timely files a valid 58691
eligibility notice shall be an interested party to the claim for 58692
benefits which is the subject of the notice. 58693

The director shall consider the information contained in the 58694
eligibility notice, together with other available information. 58695
After giving the claimant notice and an opportunity to respond, 58696
the director shall make a determination and inform the notifying 58697
employer, the claimant, and other interested parties of the 58698
determination. 58699

(G) CORRECTED DETERMINATION 58700

If the director finds within the two hundred eight calendar 58701
weeks beginning with the Sunday of the week during which an 58702
application for benefit rights was filed that a determination made 58703
by the director was erroneous due to an error in an employer's 58704
report or any typographical or clerical error in the director's 58705
determination, or as shown by correct remuneration information 58706
received by the director, the director shall issue a corrected 58707
determination to all interested parties. The corrected 58708
determination shall take precedence over and void the prior 58709
determination of the director. The director shall not issue a 58710
corrected determination when the commission or a court has 58711
jurisdiction with respect to that determination. 58712

(H) EFFECT OF COMMISSION DECISIONS 58713

In making determinations, the director shall follow decisions 58714
of the unemployment compensation review commission which have 58715
become final with respect to claimants similarly situated. 58716

(I) PROMPT PAYMENTS	58717
If benefits are allowed by the director, a hearing officer, the commission, or a court, the director shall pay benefits promptly, notwithstanding any further appeal, provided that if benefits are denied on appeal, of which the parties have notice and an opportunity to be heard, the director shall withhold payment of benefits pending a decision on any further appeal.	58718 58719 58720 58721 58722 58723
Sec. 4141.31. (A) Benefits otherwise payable for any week shall be reduced by the amount of remuneration or other payments a claimant receives with respect to such week as follows:	58724 58725 58726
(1) Remuneration in lieu of notice;	58727
(2) Compensation for wage loss under division (B) of section 4123.56 of the Revised Code or a similar provision under the workers' compensation law of any state or the United States;	58728 58729 58730
(3) Payments in the form of retirement, or pension allowances as provided under section 4141.312 of the Revised Code;	58731 58732
(4) Except as otherwise provided in division (D) of this section, remuneration in the form of separation or termination pay paid to an employee at the time of the employee's separation from employment;	58733 58734 58735 58736
(5) Vacation pay or allowance <u>Amounts</u> payable under the law, terms of a labor-management contract or agreement, or other contract of hire, which payments are allocated to designated weeks, <u>for either of the following:</u>	58737 58738 58739 58740
<u>(a) Vacation pay or allowance;</u>	58741
<u>(b) Holiday pay or allowance.</u>	58742
(6) <u>Bonuses payable under the law, terms of a labor-management contract or agreement, or other contract of hire;</u>	58743 58744
<u>(7) The determinable value of cost savings days.</u>	58745

If payments under this division are paid with respect to a month then the amount of remuneration deemed to be received with respect to any week during such month shall be computed by multiplying such monthly amount by twelve and dividing the product by fifty-two. If there is no designation of the period with respect to which payments to an individual are made under this section then an amount equal to such individual's normal weekly wage shall be attributed to and deemed paid with respect to the first and each succeeding week following the individual's separation or termination from the employment of the employer making the payment until such amount so paid is exhausted.

If benefits for any week, when reduced as provided in this division, result in an amount not a multiple of one dollar, such benefits shall be rounded to the next lower multiple of one dollar.

Any payment allocated by the employer or the director of job and family services to weeks under division (A)(1), (4), or (5) of this section shall be deemed to be remuneration for the purposes of establishing a qualifying week and a benefit year under divisions (O)(1) and (R) of section 4141.01 of the Revised Code.

(B) Benefits payable for any week shall not be reduced by the amount of remuneration a claimant receives with respect to such week in the form of drill or reserve pay received by a member of the Ohio national guard or the armed forces reserve for attendance at a regularly scheduled drill or meeting.

(C) No benefits shall be paid for any week with respect to which or a part of which an individual has received or is seeking unemployment benefits under an unemployment compensation law of any other state or of the United States, provided the disqualifications shall not apply if the appropriate agency of such other state or of the United States finally determines that an individual is not entitled to such unemployment benefits. A law

of the United States providing any payment of any type and in any 58778
amounts for periods of unemployment due to lack of work shall be 58779
considered an unemployment compensation law of the United States. 58780

(D) Benefits payable for any week shall not be reduced by the 58781
amount of military severance, disability, or separation pay paid 58782
to an individual who is a former member of the armed forces of the 58783
United States. 58784

(E) Remuneration for personal services includes cost savings 58785
days, as defined in division (DD) of section 4141.01 of the 58786
Revised Code, for which employees continue to accrue employee 58787
benefits that have a determinable value. Any unemployment 58788
compensation benefits that may be payable as a result of cost 58789
savings days shall be reduced as provided in division (A)(6) of 58790
this section. 58791

58834

(D) The director may enter into arrangements with the appropriate agencies of other states or of the United States or Canada whereby individuals performing services in this and other states for a single employer under circumstances not specifically 58835
58836
58837
58838

provided for in division (B) of section 4141.01 of the Revised 58839
Code or in similar provisions in the unemployment compensation 58840
laws of such other states shall be deemed to be engaged in 58841
employment performed entirely within this state or within one of 58842
such other states or within Canada, and whereby potential rights 58843
to benefits accumulated under the unemployment compensation laws 58844
of several states or under such a law of the United States, or 58845
both, or of Canada may constitute the basis for the payment of 58846
benefits through a single appropriate agency under terms that the 58847
director finds will be fair and reasonable as to all affected 58848
interests and will not result in any substantial loss to the 58849
unemployment compensation fund. 58850

(E) The director may enter into agreements with the 58851
appropriate agencies of other states or of the United States or 58852
Canada: 58853

(1) Whereby services or wages upon the basis of which an 58854
individual may become entitled to benefits under the unemployment 58855
compensation law of another state or of the United States or 58856
Canada shall be deemed to be employment or wages for employment by 58857
employers for the purposes of qualifying claimants for benefits 58858
under this chapter, and the director may estimate the number of 58859
weeks of employment represented by the wages reported to the 58860
director for such claimants by such other agency, provided such 58861
other state agency or agency of the United States or Canada has 58862
agreed to reimburse the unemployment compensation fund for such 58863
portion of benefits paid under this chapter upon the basis of such 58864
services or wages as the director finds will be fair and 58865
reasonable as to all affected interests; 58866

(2) Whereby the director will reimburse other state or 58867
federal or Canadian agencies charged with the administration of 58868
unemployment compensation laws with such reasonable portion of 58869
benefits, paid under the law of such other states or of the United 58870

States or of Canada upon the basis of employment or wages for 58871
employment by employers, as the director finds will be fair and 58872
reasonable as to all affected interests. Reimbursements so payable 58873
shall be deemed to be benefits for the purpose of section 4141.09 58874
and division (A) of section 4141.30 of the Revised Code. However, 58875
no reimbursement so payable shall be charged against any 58876
employer's account for the purposes of section 4141.24 of the 58877
Revised Code if the employer's account, under the same or similar 58878
circumstances, with respect to benefits charged under the 58879
provisions of this chapter, other than this section, would not be 58880
charged or, if the claimant at the time the claimant files the 58881
combined wage claim cannot establish benefit rights under this 58882
chapter. This noncharging shall not be applicable to a nonprofit 58883
organization that has elected to make payments in lieu of 58884
contributions under section 4141.241 of the Revised Code, except 58885
as provided in division (D)(2) of section 4141.24 of the Revised 58886
Code. The director may make to other state or federal or Canadian 58887
agencies and receive from such other state or federal or Canadian 58888
agencies reimbursements from or to the unemployment compensation 58889
fund, in accordance with arrangements pursuant to this section. 58890

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of 58891
the Revised Code, the director may enter into agreements with 58892
other states whereby services performed for a crew leader, as 58893
defined in division (BB) of section 4141.01 of the Revised Code, 58894
may be covered in the state in which the crew leader either: 58895

(a) Has the crew leader's place of business or from which the 58896
crew leader's business is operated or controlled; 58897

(b) Resides if the crew leader has no place of business in 58898
any state. 58899

(F) The director may apply for an advance to the unemployment 58900
compensation fund and do all things necessary or required to 58901
obtain such advance and arrange for the repayment of such advance 58902

in accordance with Title XII of the "Social Security Act" as 58903
amended. 58904

(G) The director may enter into reciprocal agreements or 58905
arrangements with the appropriate agencies of other states in 58906
regard to services on vessels engaged in interstate or foreign 58907
commerce whereby such services for a single employer, wherever 58908
performed, shall be deemed performed within this state or within 58909
such other states. 58910

(H) The director shall participate in any arrangements for 58911
the payment of compensation on the basis of combining an 58912
individual's wages and employment, covered under this chapter, 58913
with the individual's wages and employment covered under the 58914
unemployment compensation laws of other states which are approved 58915
by the United States secretary of labor in consultation with the 58916
state unemployment compensation agencies as reasonably calculated 58917
to assure the prompt and full payment of compensation in such 58918
situations and which include provisions for: 58919

(1) Applying the base period of a single state law to a claim 58920
involving the combining of an individual's wages and employment 58921
covered under two or more state unemployment compensation laws, 58922
and 58923

(2) Avoiding the duplicate use of wages and employment by 58924
reason of such combining. 58925

~~(I)~~(I)(1) The director shall cooperate with the United States 58926
department of labor to the fullest extent consistent with this 58927
chapter, and shall take such action, through the adoption of 58928
appropriate rules, regulations, and administrative methods and 58929
standards, as may be necessary to secure to this state and its 58930
citizens all advantages available under the provisions of the 58931
"Social Security Act" that relate to unemployment compensation, 58932
the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 58933

Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the 58936
"Workforce Innovation and Opportunity Act," 29 U.S.C.A. 3101 et 58937
seq. 58938

(2) Nothing in division (I)(1) of this section requires the 58939
director to participate in, nor precludes the director from 58940
ceasing to participate in, any voluntary, optional, special, or 58941
emergency program offered by the federal government, including 58942
programs offered under any of the federal acts listed in division 58943
(I)(1) of this section, the "Coronavirus Aid, Relief, and Economic 58944
Security Act," 15 U.S.C. 9023, or any other federal program 58945
enacted to address exceptional unemployment conditions. 58946

(J) The director may disclose wage information furnished to 58947
or maintained by the director under Chapter 4141. of the Revised 58948
Code to a consumer reporting agency as defined by the "Fair Credit 58949
Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a, as amended, for 58950
the purpose of verifying an individual's income under a written 58951
agreement that requires all of the following: 58952

(1) A written statement of informed consent from the 58953
individual whose information is to be disclosed; 58954

(2) A written statement confirming that the consumer 58955
reporting agency and any other entity to which the information is 58956
disclosed or released will safeguard the information from illegal 58957
or unauthorized disclosure; 58958

(3) A written statement confirming that the consumer 58959
reporting agency will pay to the bureau all costs associated with 58960
the disclosure. 58961

The director shall prescribe a manner and format in which 58962
this information may be provided. 58963

~~(K) The director shall adopt rules defining the requirements 58964~~

~~of the release of individual income verification information 58965
specified in division (J) of this section, which shall include all 58966
terms and conditions necessary to meet the requirements of federal 58967
law as interpreted by the United States department of labor or 58968
considered necessary by the director for the proper administration 58969
of this division. 58970~~

(L) The director shall disclose information furnished to or 58971
maintained by the director under this chapter upon request and on 58972
a reimbursable basis as required by section 303 of the "Social 58973
Security Act," 42 U.S.C.A. 503, and section 3304 of the "Internal 58974

permit holder's gallonage or noncompliance with taxes levied under 58979
this chapter or Chapter 4305. of the Revised Code shall not be 58980
disclosed publicly by that agency, except for purposes of 58981
enforcement, to deny the renewal of a liquor permit, or to report 58982
such information to the alcohol and tobacco tax and trade bureau 58983
in the United States department of the treasury. 58984

Sec. 4301.62. (A) As used in this section: 58985

Upon receipt of a resolution of a legislative authority or 59481

(D)(1) Annually, the tax commissioner shall examine the 59513
department of taxation's records for the horse-racing, alcoholic 59514

pursuant to section 5739.101 of the Revised Code for each holder 59518
of a permit issued under sections 4303.02 to 4303.232 of the 59519

filing any returns, submitting any information required by the 59521
commissioner, or remitting any payments with respect to those 59522
taxes or any fees, charges, penalties, or interest related to 59523
those taxes. 59524

If any delinquency or liability exists, the commissioner 59525
shall send a notice of that fact ~~by certified mail, return receipt~~ 59526
~~requested, to the permit holder in the manner provided in section~~ 59527
5703.37 of the Revised Code. The notice shall specify, in as much 59528
detail as is possible, the periods for which returns have not been 59529

liabilities and shall be sent on or before the first day of the 59531
third month preceding the month in which the permit expires. The 59532
commissioner also shall notify the division of liquor control of 59533
the delinquency or liability, identifying the permit holder by 59534
name and permit number. 59535

(2)(a) Except as provided in division (D)(4) of this section, 59536
the division of liquor control shall not renew the permit of any 59537
permit holder the tax commissioner has identified as being 59538
delinquent in filing any returns, providing any information, or 59539
remitting any payments with respect to the taxes listed in 59540
division (D)(1) of this section as of the first day of the sixth 59541
month preceding the month in which the permit expires, or of any 59542
permit holder the commissioner has identified as having been 59543

assessed by the department on or before the first day of the third 59544
month preceding the month in which the permit expires, until the 59545
division is notified by the commissioner that the delinquency, 59546
liability, or assessment has been resolved. 59547

(b)(i) Within ninety days after the date on which the permit 59548
expires, any permit holder whose permit is not renewed under this 59549
division may file an appeal with the liquor control commission. 59550
The commission shall notify the tax commissioner regarding the 59551
filing of any such appeal. During the period in which the appeal 59552
is pending, the permit shall not be renewed by the division. The 59553
permit shall be reinstated if the permit holder and the 59554
commissioner or the attorney general demonstrate to the liquor 59555

that the permit holder's delinquency or assessment has been 59564
resolved. 59565

(3) A permit holder notified of delinquency or liability 59566
under this section may protest the notification to the tax 59567
commissioner on the basis that no return or information is 59568
delinquent and no tax, fee, charge, penalty, or interest is 59569
outstanding. The commissioner shall expeditiously consider any 59570
evidence submitted by the permit holder and, if it is determined 59571
that the notification was in error, immediately shall inform the 59572
division of liquor control that the renewal application may be 59573
granted. The renewal shall not be denied if the delinquency or 59574
unreported liability is the subject of a bona fide dispute as to 59575

the validity of the delinquency or unreported liability and is the 59576
subject of an assessment and of an appeal properly filed by the 59577
permit holder. 59578

(4) If the commissioner concludes that under the 59579
circumstances the permit holder's delinquency or liability has 59580
been conditionally resolved, the commissioner shall allow the 59581
permit to be renewed, conditioned upon the permit holder's 59582
continuing performance in satisfying the delinquency and 59583
liability. The conditional nature of the renewal shall be 59584
specified in the notification given to the division of liquor 59585
control under division (D)(1) of this section. Upon receipt of 59586

registrar determines are necessary, and may take the depositions 59943

manner as is prescribed by law for the taking of depositions in 59945
civil actions in the court of common pleas, and for that purpose 59946
the registrar may issue a subpoena for any witness or a subpoena 59947

duces tecum to compel the production of any books, records, or 59948
papers, directed to the sheriff of the county where the witness 59949

testify in that court. 59966

(4) Nothing in division (E) of this section shall be 59967
construed to require a hearing of any nature prior to the 59968
termination of any deputy registrar contract by the registrar, 59969
with the approval of the director, for cause. 59970

any action for declaratory judgment, in the selection and 59976
appointment of, or contracting with, deputy registrars. Neither 59977
the department, the director, the bureau, nor the registrar is 59978
liable in any action at law for damages sustained by any person 59979

because of any acts of the department, the director, the bureau, 59980
or the registrar, or of any employee of the department or bureau, 59981
in the performance of official duties in the selection and 59982
appointment of, and contracting with, deputy registrars. 59983

(G) The registrar shall assign to each deputy registrar a 59984
series of numbers sufficient to supply the demand at all times in 59985
the area the deputy registrar serves, and the registrar shall keep 59986
a record in the registrar's office of the numbers within the 59987
series assigned. Except as otherwise provided in section 3.061 of 59988
the Revised Code, each deputy shall be required to give bond in 59989
the amount of at least twenty-five thousand dollars, or in such 59990
higher amount as the registrar determines necessary, based on a 59991
uniform schedule of bond amounts established by the registrar and 59992
determined by the volume of registrations handled by the deputy. 59993
The form of the bond shall be prescribed by the registrar. The 59994
bonds required of deputy registrars, in the discretion of the 59995
registrar, may be individual or schedule bonds or may be included 59996
in any blanket bond coverage carried by the department. 59997

(H) Each deputy registrar shall keep a file of each 59998
application received by the deputy and shall register that motor 59999
vehicle with the name and address of its owner. 60000
