a cleric is not required to make a report pursuant to division 127576
(A)(4)(a) of this section concerning any communication the cleric 127577
receives from a penitent in a cleric-penitent relationship, if, in 127578
accordance with division (C) of section 2317.02 of the Revised 127579
Code, the cleric could not testify with respect to that 127580
communication in a civil or criminal proceeding. 127581

(c) The penitent in a cleric-penitent relationship described 127582
in division (A)(4)(b) of this section is deemed to have waived any 127583
testimonial privilege under division (C) of section 2317.02 of the 127584
Revised Code with respect to any communication the cleric receives 127585
from the penitent in that cleric-penitent relationship, and the 127586
cleric shall make a report pursuant to division (A)(4)(a) of this 127587
section with respect to that communication, if all of the 127588
following apply: 127589

(i) The penitent, at the time of the communication, is a 127590
child under eighteen years of age or is a person under twenty-one 127591
years of age with a developmental disability or physical 127592
impairment. 127593

(ii) The cleric knows, or has reasonable cause to believe 127594
based on facts that would cause a reasonable person in a similar 127595
position to believe, as a result of the communication or any 127596
observations made during that communication, the penitent has 127597
suffered or faces a threat of suffering any physical or mental 127598

wound, injury, disability, or condition of a nature that 127599
reasonably indicates abuse or neglect of the penitent. 127600

(iii) The abuse or neglect does not arise out of the 127601
penitent's attempt to have an abortion performed upon a child 127602
under eighteen years of age or upon a person under twenty-one 127603
years of age with a developmental disability or physical 127604
impairment without the notification of her parents, guardian, or 127605
custodian in accordance with section 2151.85 of the Revised Code. 127606

(d) Divisions (A)(4)(a) and (c) of this section do not apply 127607
in a cleric-penitent relationship when the disclosure of any 127608
communication the cleric receives from the penitent is in 127609
violation of the sacred trust. 127610

(e) As used in divisions (A)(1) and (4) of this section, 127611
"cleric" and "sacred trust" have the same meanings as in section 127612
2317.02 of the Revised Code. 127613

(B) Anyone who knows, or has reasonable cause to suspect 127614
based on facts that would cause a reasonable person in similar 127615
circumstances to suspect, that a child under eighteen years of 127616
age, or a person under twenty-one years of age with a 127617
developmental disability or physical impairment, has suffered or 127618
faces a threat of suffering any physical or mental wound, injury, 127619
disability, or other condition of a nature that reasonably 127620
indicates abuse or neglect of the child may report or cause 127621
reports to be made of that knowledge or reasonable cause to 127622
suspect to the entity or persons specified in this division. 127623
Except as provided in section 5120.173 of the Revised Code, a 127624
person making a report or causing a report to be made under this 127625
division shall make it or cause it to be made to the public 127626
children services agency or to a peace officer. In the 127627
circumstances described in section 5120.173 of the Revised Code, a 127628
person making a report or causing a report to be made under this 127629
division shall make it or cause it to be made to the entity 127630

specified in that section. 127631

(C) Any report made pursuant to division (A) or (B) of this 127632
section shall be made forthwith either by telephone or in person 127633
and shall be followed by a written report, if requested by the 127634
receiving agency or officer. The written report shall contain: 127635

(1) The names and addresses of the child and the child's 127636
parents or the person or persons having custody of the child, if 127637
known; 127638

(2) The child's age and the nature and extent of the child's 127639
injuries, abuse, or neglect that is known or reasonably suspected 127640
or believed, as applicable, to have occurred or of the threat of 127641
injury, abuse, or neglect that is known or reasonably suspected or 127642
believed, as applicable, to exist, including any evidence of 127643
previous injuries, abuse, or neglect; 127644

(3) Any other information, including, but not limited to, 127645
results and reports of any medical examinations, tests, or 127646
procedures performed under division (D) of this section, that 127647
might be helpful in establishing the cause of the injury, abuse, 127648
or neglect that is known or reasonably suspected or believed, as 127649
applicable, to have occurred or of the threat of injury, abuse, or 127650
neglect that is known or reasonably suspected or believed, as 127651
applicable, to exist. 127652

(D)(1) Any person, who is required by division (A) of this 127653
section to report child abuse or child neglect that is known or 127654
reasonably suspected or believed to have occurred, may take or 127655
cause to be taken color photographs of areas of trauma visible on 127656
a child and, if medically necessary for the purpose of diagnosing 127657
or treating injuries that are suspected to have occurred as a 127658
result of child abuse or child neglect, perform or cause to be 127659
performed radiological examinations and any other medical 127660
examinations of, and tests or procedures on, the child. 127661

(2) The results and any available reports of examinations, tests, or procedures made under division (D)(1) of this section shall be included in a report made pursuant to division (A) of this section. Any additional reports of examinations, tests, or procedures that become available shall be provided to the public children services agency, upon request.

(3) If a health care professional provides health care services in a hospital, children's advocacy center, or emergency medical facility to a child about whom a report has been made under division (A) of this section, the health care professional may take any steps that are reasonably necessary for the release or discharge of the child to an appropriate environment. Before the child's release or discharge, the health care professional may obtain information, or consider information obtained, from other entities or individuals that have knowledge about the child. Nothing in division (D)(3) of this section shall be construed to alter the responsibilities of any person under sections 2151.27 and 2151.31 of the Revised Code.

(4) A health care professional may conduct medical examinations, tests, or procedures on the siblings of a child about whom a report has been made under division (A) of this section and on other children who reside in the same home as the child, if the professional determines that the examinations, tests, or procedures are medically necessary to diagnose or treat the siblings or other children in order to determine whether reports under division (A) of this section are warranted with respect to such siblings or other children. The results of the examinations, tests, or procedures on the siblings and other children may be included in a report made pursuant to division (A) of this section.

(5) Medical examinations, tests, or procedures conducted under divisions (D)(1) and (4) of this section and decisions

regarding the release or discharge of a child under division 127694
(D)(3) of this section do not constitute a law enforcement 127695
investigation or activity. 127696

(E)(1) When a peace officer receives a report made pursuant 127697
to division (A) or (B) of this section, upon receipt of the 127698
report, the peace officer who receives the report shall refer the 127699
report to the appropriate public children services agency, in 127700
accordance with requirements specified under division (B)(6) of 127701
section 2151.4211 of the Revised Code, unless an arrest is made at 127702
the time of the report that results in the appropriate public 127703
children services agency being contacted concerning the possible 127704
abuse or neglect of a child or the possible threat of abuse or 127705
neglect of a child. 127706

(2) When a public children services agency receives a report 127707
pursuant to this division or division (A) or (B) of this section, 127708
upon receipt of the report, the public children services agency 127709
shall do all of the following: 127710

(a) Comply with section 2151.422 of the Revised Code; 127711

(b) If the county served by the agency is also served by a 127712
children's advocacy center and the report alleges sexual abuse of 127713
a child or another type of abuse of a child that is specified in 127714
the memorandum of understanding that creates the center as being 127715
within the center's jurisdiction, comply regarding the report with 127716
the protocol and procedures for referrals and investigations, with 127717
the coordinating activities, and with the authority or 127718
responsibility for performing or providing functions, activities, 127719
and services stipulated in the interagency agreement entered into 127720
under section 2151.428 of the Revised Code relative to that 127721
center; 127722

(c) Unless an arrest is made at the time of the report that 127723
results in the appropriate law enforcement agency being contacted 127724

concerning the possible abuse or neglect of a child or the possible threat of abuse or neglect of a child, and in accordance with requirements specified under division (B)(6) of section 2151.4211 of the Revised Code, notify the appropriate law enforcement agency of the report, if the public children services agency received either of the following:

(i) A report of abuse of a child;

(ii) A report of neglect of a child that alleges a type of neglect identified by the department of job and family services in rules adopted under division (L)(2) of this section.

(F) No peace officer shall remove a child about whom a report is made pursuant to this section from the child's parents, stepparents, or guardian or any other persons having custody of the child without consultation with the public children services agency, unless, in the judgment of the officer, and, if the report was made by physician, the physician, immediate removal is considered essential to protect the child from further abuse or neglect. The agency that must be consulted shall be the agency conducting the investigation of the report as determined pursuant to section 2151.422 of the Revised Code.

(G)(1) Except as provided in section 2151.422 of the Revised Code or in an interagency agreement entered into under section 2151.428 of the Revised Code that applies to the particular report, the public children services agency shall investigate, within twenty-four hours, each report of child abuse or child neglect that is known or reasonably suspected or believed to have occurred and of a threat of child abuse or child neglect that is known or reasonably suspected or believed to exist that is referred to it under this section to determine the circumstances surrounding the injuries, abuse, or neglect or the threat of injury, abuse, or neglect, the cause of the injuries, abuse, neglect, or threat, and the person or persons responsible. The

investigation shall be made in cooperation with the law 127757
enforcement agency and in accordance with the memorandum of 127758
understanding prepared under sections 2151.4210 to 2151.4224 of 127759
the Revised Code. A representative of the public children services 127760
agency shall, at the time of initial contact with the person 127761
subject to the investigation, inform the person of the specific 127762
complaints or allegations made against the person. The information 127763
shall be given in a manner that is consistent with division (I)(1) 127764
of this section and protects the rights of the person making the 127765
report under this section. 127766

A failure to make the investigation in accordance with the 127767
memorandum is not grounds for, and shall not result in, the 127768
dismissal of any charges or complaint arising from the report or 127769
the suppression of any evidence obtained as a result of the report 127770
and does not give, and shall not be construed as giving, any 127771
rights or any grounds for appeal or post-conviction relief to any 127772
person. The public children services agency shall report each case 127773
to the uniform statewide automated child welfare information 127774
system that the department of job and family services shall 127775
maintain in accordance with section 5101.13 of the Revised Code. 127776
The public children services agency shall submit a report of its 127777
investigation, in writing, to the law enforcement agency. 127778

(2) The public children services agency shall make any 127779
recommendations to the county prosecuting attorney or city 127780
director of law that it considers necessary to protect any 127781
children that are brought to its attention. 127782

(H)(1)(a) Except as provided in divisions (H)(1)(b) and 127783
(I)(3) of this section, any person, health care professional, 127784
hospital, institution, school, health department, or agency shall 127785
be immune from any civil or criminal liability for injury, death, 127786
or loss to person or property that otherwise might be incurred or 127787
imposed as a result of any of the following: 127788

(i) Participating in the making of reports pursuant to 127789
division (A) of this section or in the making of reports in good 127790
faith, pursuant to division (B) of this section; 127791

(ii) Participating in medical examinations, tests, or 127792
procedures under division (D) of this section; 127793

(iii) Providing information used in a report made pursuant to 127794
division (A) of this section or providing information in good 127795
faith used in a report made pursuant to division (B) of this 127796
section; 127797

(iv) Participating in a judicial proceeding resulting from a 127798
report made pursuant to division (A) of this section or 127799
participating in good faith in a proceeding resulting from a 127800
report made pursuant to division (B) of this section. 127801

(b) Immunity under division (H)(1)(a)(ii) of this section 127802
shall not apply when a health care provider has deviated from the 127803
standard of care applicable to the provider's profession. 127804

(c) Notwithstanding section 4731.22 of the Revised Code, the 127805
physician-patient privilege shall not be a ground for excluding 127806
evidence regarding a child's injuries, abuse, or neglect, or the 127807
cause of the injuries, abuse, or neglect in any judicial 127808
proceeding resulting from a report submitted pursuant to this 127809
section. 127810

(2) In any civil or criminal action or proceeding in which it 127811
is alleged and proved that participation in the making of a report 127812
under this section was not in good faith or participation in a 127813
judicial proceeding resulting from a report made under this 127814
section was not in good faith, the court shall award the 127815
prevailing party reasonable attorney's fees and costs and, if a 127816
civil action or proceeding is voluntarily dismissed, may award 127817
reasonable attorney's fees and costs to the party against whom the 127818
civil action or proceeding is brought. 127819

(I)(1) Except as provided in divisions (I)(4) and (N) of this section and sections 2151.423 and 2151.4210 of the Revised Code, a report made under this section is confidential. The information provided in a report made pursuant to this section and the name of the person who made the report shall not be released for use, and shall not be used, as evidence in any civil action or proceeding brought against the person who made the report. Nothing in this division shall preclude the use of reports of other incidents of known or suspected abuse or neglect in a civil action or proceeding brought pursuant to division (M) of this section against a person who is alleged to have violated division (A)(1) of this section, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker of the report is not the defendant or an agent or employee of the defendant, has been redacted. In a criminal proceeding, the report is admissible in evidence in accordance with the Rules of Evidence and is subject to discovery in accordance with the Rules of Criminal Procedure.

(2)(a) Except as provided in division (I)(2)(b) of this section, no person shall permit or encourage the unauthorized dissemination of the contents of any report made under this section.

(b) A health care professional that obtains the same information contained in a report made under this section from a source other than the report may disseminate the information, if its dissemination is otherwise permitted by law.

(3) A person who knowingly makes or causes another person to make a false report under division (B) of this section that alleges that any person has committed an act or omission that resulted in a child being an abused child or a neglected child is guilty of a violation of section 2921.14 of the Revised Code.

(4) If a report is made pursuant to division (A) or (B) of

this section and the child who is the subject of the report dies 127852
for any reason at any time after the report is made, but before 127853
the child attains eighteen years of age, the public children 127854
services agency or peace officer to which the report was made or 127855
referred, on the request of the child fatality review board, the 127856
suicide fatality review committee, or the director of health 127857
pursuant to guidelines established under section 3701.70 of the 127858
Revised Code, shall submit a summary sheet of information 127859
providing a summary of the report to the review board or review 127860
committee of the county in which the deceased child resided at the 127861
time of death or to the director. On the request of the review 127862
board, review committee, or director, the agency or peace officer 127863
may, at its discretion, make the report available to the review 127864
board, review committee, or director. If the county served by the 127865
public children services agency is also served by a children's 127866
advocacy center and the report of alleged sexual abuse of a child 127867
or another type of abuse of a child is specified in the memorandum 127868
of understanding that creates the center as being within the 127869
center's jurisdiction, the agency or center shall perform the 127870
duties and functions specified in this division in accordance with 127871
the interagency agreement entered into under section 2151.428 of 127872
the Revised Code relative to that advocacy center. 127873

(5) A public children services agency shall advise a person 127874
alleged to have inflicted abuse or neglect on a child who is the 127875
subject of a report made pursuant to this section, including a 127876
report alleging sexual abuse of a child or another type of abuse 127877
of a child referred to a children's advocacy center pursuant to an 127878
interagency agreement entered into under section 2151.428 of the 127879
Revised Code, in writing of the disposition of the investigation. 127880
The agency shall not provide to the person any information that 127881
identifies the person who made the report, statements of 127882
witnesses, or police or other investigative reports. 127883

(J) Any report that is required by this section, other than a report that is made to the state highway patrol as described in section 5120.173 of the Revised Code, shall result in protective services and emergency supportive services being made available by the public children services agency on behalf of the children about whom the report is made, in an effort to prevent further neglect or abuse, to enhance their welfare, and, whenever possible, to preserve the family unit intact. The agency required to provide the services shall be the agency conducting the investigation of the report pursuant to section 2151.422 of the Revised Code.

(K)(1) Except as provided in division (K)(4) or (5) of this section, a person who is required to make a report under division (A) of this section may make a reasonable number of requests of the public children services agency that receives or is referred the report, or of the children's advocacy center that is referred the report if the report is referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 of the Revised Code, to be provided with the following information:

(a) Whether the agency or center has initiated an investigation of the report;

(b) Whether the agency or center is continuing to investigate the report;

(c) Whether the agency or center is otherwise involved with the child who is the subject of the report;

(d) The general status of the health and safety of the child who is the subject of the report;

(e) Whether the report has resulted in the filing of a complaint in juvenile court or of criminal charges in another court.

(2)(a) A person may request the information specified in 127915
division (K)(1) of this section only if, at the time the report is 127916
made, the person's name, address, and telephone number are 127917
provided to the person who receives the report. 127918

(b) When a peace officer or employee of a public children 127919
services agency receives a report pursuant to division (A) or (B) 127920
of this section the recipient of the report shall inform the 127921
person of the right to request the information described in 127922
division (K)(1) of this section. The recipient of the report shall 127923
include in the initial child abuse or child neglect report that 127924
the person making the report was so informed and, if provided at 127925
the time of the making of the report, shall include the person's 127926
name, address, and telephone number in the report. 127927

(c) If the person making the report provides the person's 127928
name and contact information on making the report, the public 127929
children services agency that received or was referred the report 127930
shall send a written notice via United States mail or electronic 127931
mail, in accordance with the person's preference, to the person 127932
not later than seven calendar days after receipt of the report. 127933
The notice shall provide the status of the agency's investigation 127934
into the report made, who the person may contact at the agency for 127935
further information, and a description of the person's rights 127936
under division (K)(1) of this section. 127937

(d) Each request is subject to verification of the identity 127938
of the person making the report. If that person's identity is 127939
verified, the agency shall provide the person with the information 127940
described in division (K)(1) of this section a reasonable number 127941
of times, except that the agency shall not disclose any 127942
confidential information regarding the child who is the subject of 127943
the report other than the information described in those 127944
divisions. 127945

(3) A request made pursuant to division (K)(1) of this 127946

section is not a substitute for any report required to be made 127947
pursuant to division (A) of this section. 127948

(4) If an agency other than the agency that received or was 127949
referred the report is conducting the investigation of the report 127950
pursuant to section 2151.422 of the Revised Code, the agency 127951
conducting the investigation shall comply with the requirements of 127952
division (K) of this section. 127953

(5) A health care professional who made a report under 127954
division (A) of this section, or on whose behalf such a report was 127955
made as provided in division (A)(1)(c) of this section, may 127956
authorize a person to obtain the information described in division 127957
(K)(1) of this section if the person requesting the information is 127958
associated with or acting on behalf of the health care 127959
professional who provided health care services to the child about 127960
whom the report was made. 127961

(6) If the person making the report provides the person's 127962
name and contact information on making the report, the public 127963
children services agency that received or was referred the report 127964
shall send a written notice via United States mail or electronic 127965
mail, in accordance with the person's preference, to the person 127966
not later than seven calendar days after the agency closes the 127967
investigation into the case reported by the person. The notice 127968
shall notify the person that the agency has closed the 127969
investigation. 127970

(L)(1) The director of job and family services shall adopt 127971
rules in accordance with Chapter 119. of the Revised Code to 127972
implement this section. The department of job and family services 127973
may enter into a plan of cooperation with any other governmental 127974
entity to aid in ensuring that children are protected from abuse 127975
and neglect. The department shall make recommendations to the 127976
attorney general that the department determines are necessary to 127977
protect children from child abuse and child neglect. 127978

public children services agency shall be required to notify law 127983
enforcement of pursuant to division (E)(2)(c)(ii) of this section. 127984

(M) Whoever violates division (A) of this section is liable 127985
for compensatory and exemplary damages to the child who would have 127986
been the subject of the report that was not made. A person who 127987
brings a civil action or proceeding pursuant to this division 127988
against a person who is alleged to have violated division (A)(1) 127989
of this section may use in the action or proceeding reports of 127990
other incidents of known or suspected abuse or neglect, provided 127991
that any information in a report that would identify the child who 127992
is the subject of the report or the maker of the report, if the 127993
maker is not the defendant or an agent or employee of the 127994
defendant, has been redacted. 127995

(N)(1) As used in this division: 127996

(a) "Out-of-home care" includes a nonchartered nonpublic 127997
school if the alleged child abuse or child neglect, or alleged 127998

either parent with the child would not be in the best interest of 129878
the child. The court shall include in its final decree a specific 129879
schedule of parenting time for that parent. Except as provided in 129880
division (E)(6) of section 3113.31 of the Revised Code, if the 129881

or companionship or visitation rights to any other person with 129883

respect to any child, it shall not require the public children 129884
services agency to provide supervision of or other services 129885
related to that parent's exercise of parenting time or that 129886
person's exercise of companionship or visitation rights with 129887
respect to the child. This section does not limit the power of a 129888
juvenile court pursuant to Chapter 2151. of the Revised Code to 129889
issue orders with respect to children who are alleged to be 129890
abused, neglected, or dependent children or to make dispositions 129891
of children who are adjudicated abused, neglected, or dependent 129892

consanguinity or affinity, or any other person other than a 129899
parent, if all of the following apply: 129900

other person has an interest in the welfare of the child. 129904

(c) The court determines that the granting of the 129905
companionship or visitation rights is in the best interest of the 129906
child. 129907

(2) A motion may be filed under division (B)(1) of this 129908
section during the pendency of the divorce, dissolution of 129909
marriage, legal separation, annulment, or child support proceeding 129910
or, if a motion was not filed at that time or was filed at that 129911
time and the circumstances in the case have changed, at any time 129912
after a decree or final order is issued in the case. 129913

(C) When determining whether to grant parenting time rights 129914
to a parent pursuant to this section or section 3109.12 of the 129915
Revised Code or to grant companionship or visitation rights to a 129916
grandparent, relative, or other person pursuant to this section or 129917
section 3109.11 or 3109.12 of the Revised Code, when establishing 129918
a specific parenting time or visitation schedule, and when 129919
determining other parenting time matters under this section or 129920
section 3109.12 of the Revised Code or visitation matters under 129921
this section or section 3109.11 or 3109.12 of the Revised Code, 129922
the court shall consider any mediation report that is filed 129923
pursuant to section 3109.052 of the Revised Code and shall 129924
consider all other relevant factors, including, but not limited 129925
to, all of the factors listed in division (D) of this section. In 129926

visitation schedule, determining other parenting time matters 129930
under this section or section 3109.12 of the Revised Code or 129931
visitation matters under this section or under section 3109.11 or 129932
3109.12 of the Revised Code, and resolving any issues related to 129933
the making of any determination with respect to parenting time or 129934
visitation rights or the establishment of any specific parenting 129935
time or visitation schedule, the court, in its discretion, may 129936
interview in chambers any or all involved children regarding their 129937
wishes and concerns. If the court interviews any child concerning 129938
the child's wishes and concerns regarding those parenting time or 129939
visitation matters, the interview shall be conducted in chambers, 129940
and no person other than the child, the child's attorney, the 129941
judge, any necessary court personnel, and, in the judge's 129942
discretion, the attorney of each parent shall be permitted to be 129943
present in the chambers during the interview. No person shall 129944
obtain or attempt to obtain from a child a written or recorded 129945
statement or affidavit setting forth the wishes and concerns of 129946

the child regarding those parenting time or visitation matters. A 129947
court, in considering the factors listed in division (D) of this 129948
section for purposes of determining whether to grant any parenting 129949
time or visitation rights, establishing a parenting time or 129950
visitation schedule, determining other parenting time matters 129951

time or visitation matters. 129960

been convicted of or pleaded guilty to any criminal offense 130016
involving any act that resulted in a child being an abused child 130017
or a neglected child; whether the person, in a case in which a 130018

involving a victim who at the time of the commission of the 130024
offense was a member of the family or household that is the 130025
subject of the current proceeding; whether either parent 130026
previously has been convicted of an offense involving a victim who 130027
at the time of the commission of the offense was a member of the 130028
family or household that is the subject of the current proceeding 130029
and caused physical harm to the victim in the commission of the 130030

or a neglected child; 130033

(13) Whether the residential parent or one of the parents 130034

(16) Any other factor in the best interest of the child. 130043

(E) The remarriage of a residential parent of a child does 130044
not affect the authority of a court under this section to grant 130045
parenting time rights with respect to the child to the parent who 130046
is not the residential parent or to grant reasonable companionship 130047
or visitation rights with respect to the child to any grandparent, 130048
any person related by consanguinity or affinity, or any other 130049
person. 130050

(F)(1) If the court, pursuant to division (A) of this 130051
section, denies parenting time to a parent who is not the 130052
residential parent or denies a motion for reasonable companionship 130053
or visitation rights filed under division (B) of this section and 130054
the parent or movant files a written request for findings of fact 130055
and conclusions of law, the court shall state in writing its 130056
findings of fact and conclusions of law in accordance with Civil 130057
Rule 52. 130058

(2) On or before July 1, 1991, each court of common pleas, by 130059
rule, shall adopt standard parenting time guidelines. A court 130060
shall have discretion to deviate from its standard parenting time 130061
guidelines based upon factors set forth in division (D) of this 130062
section. 130063

(G)(1) If the residential parent intends to move to a 130064
residence other than the residence specified in the parenting time 130065
order or decree of the court, the parent shall file a notice of 130066
intent to relocate with the court that issued the order or decree. 130067
Except as provided in divisions (G)(2), (3), and (4) of this 130068
section, the court shall send a copy of the notice to the parent 130069
who is not the residential parent. Upon receipt of the notice, the 130070
court, on its own motion or the motion of the parent who is not 130071

the residential parent, may schedule a hearing with notice to both 130072
parents to determine whether it is in the best interest of the 130073
child to revise the parenting time schedule for the child. 130074

(2) When a court grants parenting time rights to a parent who 130075
is not the residential parent, the court shall determine whether 130076
that parent has been convicted of or pleaded guilty to a violation 130077
of section 2919.25 of the Revised Code involving a victim who at 130078
the time of the commission of the offense was a member of the 130079
family or household that is the subject of the proceeding, has 130080
been convicted of or pleaded guilty to any other offense involving 130081
a victim who at the time of the commission of the offense was a 130082
member of the family or household that is the subject of the 130083
proceeding and caused physical harm to the victim in the 130084
commission of the offense, or has been determined to be the 130085
perpetrator of the abusive act that is the basis of an 130086
adjudication that a child is an abused child. If the court 130087
determines that that parent has not been so convicted and has not 130088
been determined to be the perpetrator of an abusive act that is 130089
the basis of a child abuse adjudication, the court shall issue an 130090
order stating that a copy of any notice of relocation that is 130091
filed with the court pursuant to division (G)(1) of this section 130092
will be sent to the parent who is given the parenting time rights 130093
in accordance with division (G)(1) of this section. 130094

If the court determines that the parent who is granted the 130095
parenting time rights has been convicted of or pleaded guilty to a 130096
violation of section 2919.25 of the Revised Code involving a 130097
victim who at the time of the commission of the offense was a 130098
member of the family or household that is the subject of the 130099
proceeding, has been convicted of or pleaded guilty to any other 130100
offense involving a victim who at the time of the commission of 130101
the offense was a member of the family or household that is the 130102
subject of the proceeding and caused physical harm to the victim 130103

in the commission of the offense, or has been determined to be the perpetrator of the abusive act that is the basis of an adjudication that a child is an abused child, it shall issue an order stating that that parent will not be given a copy of any notice of relocation that is filed with the court pursuant to division (G)(1) of this section unless the court determines that it is in the best interest of the children to give that parent a copy of the notice of relocation, issues an order stating that that parent will be given a copy of any notice of relocation filed pursuant to division (G)(1) of this section, and issues specific written findings of fact in support of its determination.

(3) If a court, prior to April 11, 1991, issued an order granting parenting time rights to a parent who is not the residential parent and did not require the residential parent in that order to give the parent who is granted the parenting time rights notice of any change of address and if the residential parent files a notice of relocation pursuant to division (G)(1) of this section, the court shall determine if the parent who is granted the parenting time rights has been convicted of or pleaded guilty to a violation of section 2919.25 of the Revised Code involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding, has been convicted of or pleaded guilty to any other offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding and caused physical harm to the victim in the commission of the offense, or has been determined to be the perpetrator of the abusive act that is the basis of an adjudication that a child is an abused child. If the court determines that the parent who is granted the parenting time rights has not been so convicted and has not been determined to be the perpetrator of an abusive act that is the basis of a child abuse adjudication, the court shall issue an order stating that a

copy of any notice of relocation that is filed with the court 130137
pursuant to division (G)(1) of this section will be sent to the 130138
parent who is granted parenting time rights in accordance with 130139
division (G)(1) of this section. 130140

If the court determines that the parent who is granted the 130141
parenting time rights has been convicted of or pleaded guilty to a 130142
violation of section 2919.25 of the Revised Code involving a 130143
victim who at the time of the commission of the offense was a 130144
member of the family or household that is the subject of the 130145
proceeding, has been convicted of or pleaded guilty to any other 130146
offense involving a victim who at the time of the commission of 130147
the offense was a member of the family or household that is the 130148
subject of the proceeding and caused physical harm to the victim 130149
in the commission of the offense, or has been determined to be the 130150
perpetrator of the abusive act that is the basis of an 130151
adjudication that a child is an abused child, it shall issue an 130152
order stating that that parent will not be given a copy of any 130153
notice of relocation that is filed with the court pursuant to 130154
division (G)(1) of this section unless the court determines that 130155
it is in the best interest of the children to give that parent a 130156
copy of the notice of relocation, issues an order stating that 130157
that parent will be given a copy of any notice of relocation filed 130158
pursuant to division (G)(1) of this section, and issues specific 130159
written findings of fact in support of its determination. 130160

(4) If a parent who is granted parenting time rights pursuant 130161
to this section or any other section of the Revised Code is 130162
authorized by an order issued pursuant to this section or any 130163
other court order to receive a copy of any notice of relocation 130164
that is filed pursuant to division (G)(1) of this section or 130165
pursuant to court order, if the residential parent intends to move 130166
to a residence other than the residence address specified in the 130167
parenting time order, and if the residential parent does not want 130168

the parent who is granted the parenting time rights to receive a 130169
copy of the relocation notice because the parent with parenting 130170
time rights has been convicted of or pleaded guilty to a violation 130171
of section 2919.25 of the Revised Code involving a victim who at 130172
the time of the commission of the offense was a member of the 130173
family or household that is the subject of the proceeding, has 130174
been convicted of or pleaded guilty to any other offense involving 130175
a victim who at the time of the commission of the offense was a 130176
member of the family or household that is the subject of the 130177
proceeding and caused physical harm to the victim in the 130178
commission of the offense, or has been determined to be the 130179
perpetrator of the abusive act that is the basis of an 130180
adjudication that a child is an abused child, the residential 130181
parent may file a motion with the court requesting that the parent 130182
who is granted the parenting time rights not receive a copy of any 130183
notice of relocation. Upon the filing of the motion, the court 130184
shall schedule a hearing on the motion and give both parents 130185
notice of the date, time, and location of the hearing. If the 130186
court determines that the parent who is granted the parenting time 130187
rights has been so convicted or has been determined to be the 130188
perpetrator of an abusive act that is the basis of a child abuse 130189
adjudication, the court shall issue an order stating that the 130190
parent who is granted the parenting time rights will not be given 130191
a copy of any notice of relocation that is filed with the court 130192
pursuant to division (G)(1) of this section or that the 130193
residential parent is no longer required to give that parent a 130194
copy of any notice of relocation unless the court determines that 130195
it is in the best interest of the children to give that parent a 130196
copy of the notice of relocation, issues an order stating that 130197
that parent will be given a copy of any notice of relocation filed 130198
pursuant to division (G)(1) of this section, and issues specific 130199
written findings of fact in support of its determination. If it 130200
does not so find, it shall dismiss the motion. 130201

(H)(1) Subject to section 3125.16 and division (F) of section 130202
3319.321 of the Revised Code, a parent of a child who is not the 130203
residential parent of the child is entitled to access, under the 130204
same terms and conditions under which access is provided to the 130205
residential parent, to any record that is related to the child and 130206
to which the residential parent of the child legally is provided 130207
access, unless the court determines that it would not be in the 130208
best interest of the child for the parent who is not the 130209
residential parent to have access to the records under those same 130210
terms and conditions. If the court determines that the parent of a 130211
child who is not the residential parent should not have access to 130212
records related to the child under the same terms and conditions 130213
as provided for the residential parent, the court shall specify 130214
the terms and conditions under which the parent who is not the 130215
residential parent is to have access to those records, shall enter 130216
its written findings of facts and opinion in the journal, and 130217
shall issue an order containing the terms and conditions to both 130218
the residential parent and the parent of the child who is not the 130219
residential parent. The court shall include in every order issued 130220
pursuant to this division notice that any keeper of a record who 130221
knowingly fails to comply with the order or division (H) of this 130222
section is in contempt of court. 130223

(2) Subject to section 3125.16 and division (F) of section 130224
3319.321 of the Revised Code, subsequent to the issuance of an 130225
order under division (H)(1) of this section, the keeper of any 130226
record that is related to a particular child and to which the 130227
residential parent legally is provided access shall permit the 130228
parent of the child who is not the residential parent to have 130229
access to the record under the same terms and conditions under 130230
which access is provided to the residential parent, unless the 130231
residential parent has presented the keeper of the record with a 130232
copy of an order issued under division (H)(1) of this section that 130233
limits the terms and conditions under which the parent who is not 130234

the residential parent is to have access to records pertaining to 130235
the child and the order pertains to the record in question. If the 130236
residential parent presents the keeper of the record with a copy 130237
of that type of order, the keeper of the record shall permit the 130238
parent who is not the residential parent to have access to the 130239
record only in accordance with the most recent order that has been 130240
issued pursuant to division (H)(1) of this section and presented 130241
to the keeper by the residential parent or the parent who is not 130242
the residential parent. Any keeper of any record who knowingly 130243
fails to comply with division (H) of this section or with any 130244
order issued pursuant to division (H)(1) of this section is in 130245
contempt of court. 130246

(3) The prosecuting attorney of any county may file a 130247
complaint with the court of common pleas of that county requesting 130248
the court to issue a protective order preventing the disclosure 130249
pursuant to division (H)(1) or (2) of this section of any 130250
confidential law enforcement investigatory record. The court shall 130251
schedule a hearing on the motion and give notice of the date, 130252
time, and location of the hearing to all parties. 130253

(I) A court that issues a parenting time order or decree 130254
pursuant to this section or section 3109.12 of the Revised Code 130255
shall determine whether the parent granted the right of parenting 130256
time is to be permitted access, in accordance with section 130257
5104.039 of the Revised Code, to any child ~~day-care~~ care center 130258
that is, or that in the future may be, attended by the children 130259
with whom the right of parenting time is granted. Unless the court 130260
determines that the parent who is not the residential parent 130261
should not have access to the center to the same extent that the 130262
residential parent is granted access to the center, the parent who 130263
is not the residential parent and who is granted parenting time 130264
rights is entitled to access to the center to the same extent that 130265
the residential parent is granted access to the center. If the 130266

court determines that the parent who is not the residential parent 130267
should not have access to the center to the same extent that the 130268
residential parent is granted such access under section 5104.039 130269
of the Revised Code, the court shall specify the terms and 130270
conditions under which the parent who is not the residential 130271
parent is to have access to the center, provided that the access 130272
shall not be greater than the access that is provided to the 130273
residential parent under section 5104.039 of the Revised Code, the 130274
court shall enter its written findings of fact and opinions in the 130275
journal, and the court shall include the terms and conditions of 130276
access in the parenting time order or decree. 130277

(J)(1) Subject to division (F) of section 3319.321 of the 130278
Revised Code, when a court issues an order or decree allocating 130279
parental rights and responsibilities for the care of a child, the 130280
parent of the child who is not the residential parent of the child 130281
is entitled to access, under the same terms and conditions under 130282
which access is provided to the residential parent, to any student 130283
activity that is related to the child and to which the residential 130284
parent of the child legally is provided access, unless the court 130285
determines that it would not be in the best interest of the child 130286
to grant the parent who is not the residential parent access to 130287
the student activities under those same terms and conditions. If 130288
the court determines that the parent of the child who is not the 130289
residential parent should not have access to any student activity 130290
that is related to the child under the same terms and conditions 130291
as provided for the residential parent, the court shall specify 130292
the terms and conditions under which the parent who is not the 130293
residential parent is to have access to those student activities, 130294
shall enter its written findings of facts and opinion in the 130295
journal, and shall issue an order containing the terms and 130296
conditions to both the residential parent and the parent of the 130297
child who is not the residential parent. The court shall include 130298
in every order issued pursuant to this division notice that any 130299

school official or employee who knowingly fails to comply with the 130300
order or division (J) of this section is in contempt of court. 130301

(2) Subject to division (F) of section 3319.321 of the 130302
Revised Code, subsequent to the issuance of an order under 130303
division (J)(1) of this section, all school officials and 130304
employees shall permit the parent of the child who is not the 130305
residential parent to have access to any student activity under 130306
the same terms and conditions under which access is provided to 130307
the residential parent of the child, unless the residential parent 130308
has presented the school official or employee, the board of 130309
education of the school, or the governing body of the chartered 130310
nonpublic school with a copy of an order issued under division 130311
(J)(1) of this section that limits the terms and conditions under 130312
which the parent who is not the residential parent is to have 130313
access to student activities related to the child and the order 130314
pertains to the student activity in question. If the residential 130315
parent presents the school official or employee, the board of 130316
education of the school, or the governing body of the chartered 130317
nonpublic school with a copy of that type of order, the school 130318
official or employee shall permit the parent who is not the 130319
residential parent to have access to the student activity only in 130320
accordance with the most recent order that has been issued 130321
pursuant to division (J)(1) of this section and presented to the 130322
school official or employee, the board of education of the school, 130323
or the governing body of the chartered nonpublic school by the 130324
residential parent or the parent who is not the residential 130325
parent. Any school official or employee who knowingly fails to 130326
comply with division (J) of this section or with any order issued 130327
pursuant to division (J)(1) of this section is in contempt of 130328
court. 130329

(K) If any person is found in contempt of court for failing 130330
to comply with or interfering with any order or decree granting 130331

parenting time rights issued pursuant to this section or section 130332
3109.12 of the Revised Code or companionship or visitation rights 130333
issued pursuant to this section, section 3109.11 or 3109.12 of the 130334
Revised Code, or any other provision of the Revised Code, the 130335
court that makes the finding, in addition to any other penalty or 130336
remedy imposed, shall assess all court costs arising out of the 130337
contempt proceeding against the person and require the person to 130338
pay any reasonable attorney's fees of any adverse party, as 130339
determined by the court, that arose in relation to the act of 130340
contempt, and may award reasonable compensatory parenting time or 130341
visitation to the person whose right of parenting time or 130342
visitation was affected by the failure or interference if such 130343
compensatory parenting time or visitation is in the best interest 130344
of the child. Any compensatory parenting time or visitation 130345
awarded under this division shall be included in an order issued 130346
by the court and, to the extent possible, shall be governed by the 130347
same terms and conditions as was the parenting time or visitation 130348
that was affected by the failure or interference. 130349

(L) Any parent who requests reasonable parenting time rights 130350
with respect to a child under this section or section 3109.12 of 130351
the Revised Code or any person who requests reasonable 130352
companionship or visitation rights with respect to a child under 130353
this section, section 3109.11 or 3109.12 of the Revised Code, or 130354
any other provision of the Revised Code may file a motion with the 130355
court requesting that it waive all or any part of the costs that 130356
may accrue in the proceedings. If the court determines that the 130357
movant is indigent and that the waiver is in the best interest of 130358
the child, the court, in its discretion, may waive payment of all 130359
or any part of the costs of those proceedings. 130360

(M)(1) A parent who receives an order for active military 130361

not claimed, and if the municipal corporation, township, neighbor, 131697
tenant, or nonprofit corporation commencing the action makes a 131698

(b) The judge in a civil action described in division (B)(1) 131703
of this section shall conduct a hearing at least twenty-eight days 131704

after the owner of the building and the other interested parties 131705
have been served with a copy of the complaint and the notice of 131706
the date and time of the hearing in accordance with division 131707
(B)(2)(a) of this section. 131708

(c) In considering whether subsidized housing is a public 131709
nuisance, the judge shall construe the standards set forth in 131710
division (A)(2)(b) of this section in a manner consistent with 131711
department of housing and urban development and judicial 131712
interpretations of those standards. The judge shall deem that the 131713
property is not a public nuisance if during the twelve months 131714
prior to the service of the notice that division (B)(1)(b) of this 131715
section requires, the department of housing and urban 131716
development's real estate assessment center issued a score of 131717
seventy-five or higher out of a possible one hundred points 131718
pursuant to its regulations governing the physical condition of 131719
multifamily properties pursuant to 24 C.F.R. part 200, subpart P, 131720
and since the most recent inspection, there has been no 131721
significant change in the property's conditions that would create 131722
a serious threat to the health, safety, or welfare of the 131723
property's tenants. 131724

(C)(1) If the judge in a civil action described in division 131725
(B)(1) of this section finds at the hearing required by division 131726
(B)(2) of this section that the building involved is a public 131727
nuisance, if the judge additionally determines that the owner of 131728
the building previously has not been afforded a reasonable 131729
opportunity to abate the public nuisance or has been afforded such 131730
an opportunity and has not refused or failed to abate the public 131731
nuisance, and if the complaint of the municipal corporation, 131732
township, neighbor, tenant, or nonprofit corporation commencing 131733
the action requested the issuance of an injunction as described in 131734
this division, then the judge may issue an injunction requiring 131735
the owner of the building to abate the public nuisance or issue 131736

any other order that the judge considers necessary or appropriate 131737
to cause the abatement of the public nuisance. If an injunction is 131738
issued pursuant to this division, the owner of the building 131739
involved shall be given no more than thirty days from the date of 131740
the entry of the judge's order to comply with the injunction, 131741
unless the judge, for good cause shown, extends the time for 131742
compliance. 131743

(2) If the judge in a civil action described in division 131744
(B)(1) of this section finds at the hearing required by division 131745
(B)(2) of this section that the building involved is a public 131746
nuisance, if the judge additionally determines that the owner of 131747
the building previously has been afforded a reasonable opportunity 131748
to abate the public nuisance and has refused or failed to do so, 131749
and if the complaint of the municipal corporation, township, 131750
neighbor, tenant, or nonprofit corporation commencing the action 131751
requested relief as described in this division, then the judge 131752
shall offer any mortgagee, lienholder, or other interested party 131753
associated with the property on which the building is located, in 131754
the order of the priority of interest in title, the opportunity to 131755
undertake the work and to furnish the materials necessary to abate 131756
the public nuisance. Prior to selecting any interested party, the 131757
judge shall require the interested party to demonstrate the 131758
ability to promptly undertake the work and furnish the materials 131759
required, to provide the judge with a viable financial and 131760
construction plan for the rehabilitation of the building as 131761
described in division (D) of this section, and to post security 131762
for the performance of the work and the furnishing of the 131763
materials. 131764

If the judge determines, at the hearing, that no interested 131765
party is willing or able to undertake the work and to furnish the 131766
materials necessary to abate the public nuisance, or if the judge 131767
determines, at any time after the hearing, that any party who is 131768

undertaking corrective work pursuant to this division cannot or 131769
will not proceed, or has not proceeded with due diligence, the 131770
judge may appoint a receiver pursuant to division (C)(3) of this 131771
section to take possession and control of the building. 131772

(3)(a) The judge in a civil action described in division 131773
(B)(1) of this section shall not appoint any person as a receiver 131774
unless the person first has provided the judge with a viable 131775
financial and construction plan for the rehabilitation of the 131776
building involved as described in division (D) of this section and 131777
has demonstrated the capacity and expertise to perform the 131778
required work and to furnish the required materials in a 131779
satisfactory manner. An appointed receiver may be a financial 131780
institution that possesses an interest of record in the building 131781
or the property on which it is located, a nonprofit corporation as 131782
described in divisions (B)(1) and (C)(3)(b) of this section, 131783
including, but not limited to, a nonprofit corporation that 131784
commenced the action described in division (B)(1) of this section, 131785

(b) To be eligible for appointment as a receiver, no part of 131787
the net earnings of a nonprofit corporation shall inure to the 131788
benefit of any private shareholder or individual. Membership on 131789
the board of trustees of a nonprofit corporation appointed as a 131790
receiver does not constitute the holding of a public office or 131791
employment within the meaning of sections 731.02 and 731.12 or any 131792
other section of the Revised Code and does not constitute a direct 131793
or indirect interest in a contract or expenditure of money by any 131794
municipal corporation. A member of a board of trustees of a 131795
nonprofit corporation appointed as a receiver shall not be 131796
disqualified from holding any public office or employment, and 131797
shall not forfeit any public office or employment, by reason of 131798
membership on the board of trustees, notwithstanding any law to 131799
the contrary. 131800

(c) Priority among the liens described in divisions (H)(2)(a) and (b) of this section shall be determined as described in division (I) of this section. Additionally, the creation pursuant to this section of a mortgage lien that is prior to or superior to any mortgage of record at the time the mortgage lien is so created, does not disqualify the mortgage of record as a legal investment under Chapter 1107. or any other chapter of the Revised Code.

(I)(1) If a receiver appointed pursuant to divisions (C)(2) and (3) of this section files with the judge in the civil action described in division (B)(1) of this section a report indicating that the public nuisance has been abated, if the judge confirms that the receiver has abated the public nuisance, and if the receiver or any interested party requests the judge to enter an order directing the receiver to sell the building and the property on which it is located, the judge may enter that order after holding a hearing as described in division (I)(2) of this section and otherwise complying with that division.

(2)(a) The receiver or interested party requesting an order as described in division (I)(1) of this section shall cause a notice of the date and time of a hearing on the request to be served on the owner of the building involved and all other interested parties in accordance with division (B)(2)(a) of this section. The judge in the civil action described in division (B)(1) of this section shall conduct the scheduled hearing. At the

hearing, if the owner or any interested party objects to the sale 131958
of the building and the property, the burden of proof shall be 131959
upon the objecting person to establish, by a preponderance of the 131960
evidence, that the benefits of not selling the building and the 131961
property outweigh the benefits of selling them. If the judge 131962
determines that there is no objecting person, or if the judge 131963
determines that there is one or more objecting persons but no 131964
objecting person has sustained the burden of proof specified in 131965
this division, the judge may enter an order directing the receiver 131966
to offer the building and the property for sale upon terms and 131967
conditions that the judge shall specify. 131968

(b) In any sale of subsidized housing that is ordered 131969
pursuant to this section, the judge shall specify that the 131970
subsidized housing not be conveyed unless that conveyance complies 131971
with applicable federal law and applicable program contracts for 131972
that housing. Any such conveyance shall be subject to the 131973
condition that the purchaser enter into a contract with the 131974
department of housing and urban development or the rural housing 131975
service of the federal department of agriculture under which the 131976
property continues to be subsidized housing and the owner 131977
continues to operate that property as subsidized housing unless 131978
the secretary of housing and urban development or the 131979
administrator of the rural housing service terminates that 131980
property's contract prior to or upon the conveyance of the 131981
property. 131982

(3) If a sale of a building and the property on which it is 131983
located is ordered pursuant to divisions (I)(1) and (2) of this 131984
section and if the sale occurs in accordance with the terms and 131985
conditions specified by the judge in the judge's order of sale, 131986
then the receiver shall distribute the proceeds of the sale and 131987
the balance of any funds that the receiver may possess, after the 131988
payment of the costs of the sale, in the following order of 131989

priority and in the described manner: 131990

(a) First, in satisfaction of any notes issued by the 131991
receiver pursuant to division (F) of this section, in their order 131992
of priority; 131993

(b) Second, any unreimbursed expenses and other amounts paid 131994
in accordance with division (F) of this section by the receiver, 131995
and the fees of the receiver approved pursuant to division (H)(1) 131996
of this section; 131997

(c) Third, all expenditures of a mortgagee, lienholder, or 131998
other interested party that has been selected pursuant to division 131999
(C)(2) of this section to undertake the work and to furnish the 132000
materials necessary to abate a public nuisance, provided that the 132001
expenditures were approved as described in division (H)(2)(a) of 132002
this section and provided that, if any such interested party 132003
subsequently became the receiver, its expenditures shall be paid 132004
prior to the expenditures of any of the other interested parties 132005
so selected; 132006

(d) Fourth, the amount due for delinquent taxes, assessments, 132007
charges, penalties, and interest owed to this state or a political 132008
subdivision of this state, provided that, if the amount available 132009
for distribution pursuant to division (I)(3)(d) of this section is 132010
insufficient to pay the entire amount of those taxes, assessments, 132011
charges, penalties, and interest, the proceeds and remaining funds 132012
shall be paid to each claimant in proportion to the amount of 132013
those taxes, assessments, charges, penalties, and interest that 132014
each is due. 132015

(e) The amount of any pre-receivership mortgages, liens, or 132016
other encumbrances, in their order of priority. 132017

(4) Following a distribution in accordance with division 132018
(I)(3) of this section, the receiver shall request the judge in 132019
the civil action described in division (B)(1) of this section to 132020

enter an order terminating the receivership. If the judge 132021
determines that the sale of the building and the property on which 132022
it is located occurred in accordance with the terms and conditions 132023
specified by the judge in the judge's order of sale under division 132024
(I)(2) of this section and that the receiver distributed the 132025
proceeds of the sale and the balance of any funds that the 132026
receiver possessed, after the payment of the costs of the sale, in 132027
accordance with division (I)(3) of this section, and if the judge 132028
approves any final accounting required of the receiver, the judge 132029
may terminate the receivership. 132030

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 132031
(3) of this section may be discharged at any time in the 132032
discretion of the judge in the civil action described in division 132033
(B)(1) of this section. The receiver shall be discharged by the 132034
judge as provided in division (I)(4) of this section, or when all 132035
of the following have occurred: 132036

(a) The public nuisance has been abated; 132037

(b) All costs, expenses, and approved fees of the 132038
receivership have been paid; 132039

(c) Either all receiver's notes issued and mortgages granted 132040
pursuant to this section have been paid, or all the holders of the 132041
notes and mortgages request that the receiver be discharged. 132042

(2) If a judge in a civil action described in division (B)(1) 132043
of this section determines that, and enters of record a 132044
declaration that, a public nuisance has been abated by a receiver, 132045
and if, within three days after the entry of the declaration, all 132046
costs, expenses, and approved fees of the receivership have not 132047
been paid in full, then, in addition to the circumstances 132048
specified in division (I) of this section for the entry of such an 132049
order, the judge may enter an order directing the receiver to sell 132050
the building involved and the property on which it is located. Any 132051

such order shall be entered, and the sale shall occur, only in 132052
compliance with division (I) of this section. 132053

it is located, that is sold at a sale ordered under division (I) 132055
or (J)(2) of this section shall be incontestable in the purchaser 132056
and shall be free and clear of all liens for delinquent taxes, 132057
assessments, charges, penalties, and interest owed to this state 132058
or any political subdivision of this state, that could not be 132059
satisfied from the proceeds of the sale and the remaining funds in 132060
the receiver's possession pursuant to the distribution under 132061
division (I)(3) of this section. All other liens and encumbrances 132062
with respect to the building and the property shall survive the 132063
sale, including, but not limited to, a federal tax lien notice 132064
properly filed in accordance with section 317.09 of the Revised 132065
Code prior to the time of the sale, and the easements and 132066
covenants of record running with the property that were created 132067
prior to the time of the sale. 132068

(L)(1) Nothing in this section shall be construed as a 132069
limitation upon the powers granted to a court of common pleas, a 132070

municipal court under Chapter 1901. of the Revised Code, or a 132072
county court under Chapter 1907. of the Revised Code. 132073

rules into separate residential and nonresidential building codes. 132241
The standards shall relate to the conservation of energy and the 132242
safety and sanitation of those buildings. 132243

(2) The rules governing nonresidential buildings are the 132244

adopt, modify, amend, or repeal the rules to the extent necessary 132263
or desirable to effectuate the purposes of sections 3781.06 to 132264
3781.18 of the Revised Code. 132265

(B) The board shall report to the general assembly proposals 132266

for amendments to existing statutes relating to the purposes 132267
declared in section 3781.06 of the Revised Code that public health 132268

summary report of the number, nature, and disposition of the 132273
petitions filed under sections 3781.13 and 3781.14 of the Revised 132274
Code. 132275

(C) On its own motion or on application made under sections 132276
3781.12 and 3781.13 of the Revised Code, and after thorough 132277
testing and evaluation, the board shall determine by rule that any 132278
particular fixture, device, material, process of manufacture, 132279
manufactured unit or component, method of manufacture, system, or 132280
method of construction complies with performance standards adopted 132281
pursuant to section 3781.11 of the Revised Code. The board shall 132282
make its determination with regard to adaptability for safe and 132283
sanitary erection, use, or construction, to that described in any 132284
section of the Revised Code, wherever the use of a fixture, 132285
device, material, method of manufacture, system, or method of 132286
construction described in that section of the Revised Code is 132287
permitted by law. The board shall amend or annul any rule or issue 132288
an authorization for the use of a new material or manufactured 132289
unit on any like application. No department, officer, board, or 132290
commission of the state other than the board of building standards 132291
or the board of building appeals shall permit the use of any 132292
fixture, device, material, method of manufacture, newly designed 132293
product, system, or method of construction at variance with what 132294
is described in any rule the board of building standards adopts or 132295
issues or that is authorized by any section of the Revised Code. 132296
Nothing in this section shall be construed as requiring approval, 132297
by rule, of plans for an industrialized unit that conforms with 132298
the rules the board of building standards adopts pursuant to 132299

section 3781.11 of the Revised Code. 132300

(D) The board shall recommend rules, codes, and standards to 132301
help carry out the purposes of section 3781.06 of the Revised Code 132302
and to help secure uniformity of state administrative rulings and 132303
local legislation and administrative action to the bureau of 132304
workers' compensation, the director of commerce, any other 132305
department, officer, board, or commission of the state, and to 132306
legislative authorities and building departments of counties, 132307
townships, and municipal corporations, and shall recommend that 132308
they audit those recommended rules, codes, and standards by any 132309
appropriate action that they are allowed pursuant to law or the 132310
constitution. 132311

(E)(1) The board shall certify municipal, township, and 132312
county building departments, the personnel of those building 132313
departments, persons described in division (E)(7) of this section, 132314
and employees of individuals, firms, the state, or corporations 132315
described in division (E)(7) of this section to exercise 132316
enforcement authority, to accept and approve plans and 132317
specifications, and to make inspections, pursuant to sections 132318
3781.03, 3791.04, and 4104.43 of the Revised Code. 132319

(2) The board shall certify departments, personnel, and 132320
persons to enforce the state residential building code, to enforce 132321
the nonresidential building code, or to enforce both the 132322
residential and the nonresidential building codes. Any department, 132323
personnel, or person may enforce only the type of building code 132324
for which certified. 132325

(3) The board shall not require a building department, its 132326
personnel, or any persons that it employs to be certified for 132327
residential building code enforcement if that building department 132328
does not enforce the state residential building code. The board 132329
shall specify, in rules adopted pursuant to Chapter 119. of the 132330
Revised Code, the requirements for certification for residential 132331

and nonresidential building code enforcement, which shall be 132332
consistent with this division. The requirements for residential 132333
and nonresidential certification may differ. Except as otherwise 132334
provided in this division, the requirements shall include, but are 132335
not limited to, the satisfactory completion of an initial 132336
examination and, to remain certified, the completion of a 132337
specified number of hours of continuing building code education 132338
within each three-year period following the date of certification 132339
which shall be not less than thirty hours. The rules shall provide 132340
that continuing education credits and certification issued by the 132341

for the taxable year after allowance for any other credits that 137012
precede the credits under this section in that order, shall be 137013
carried forward to the next succeeding taxable year or years until 137014
fully utilized. 137015

Sec. 5733.36. This section applies only to tax years 1999, 137016

the taxpayer must make one or more support payments to the 137022
~~day-care~~ center on a periodic basis, and the center must agree to 137023
serve a child of an employee of the taxpayer for the period 137024
covered by each support payment. The center must be licensed under 137025
section 5104.03 of the Revised Code. The amount of the support 137026
payment must be set forth in the agreement, and cannot exceed a 137027
reasonable charge for a child to attend a ~~day-care~~ center in the 137028
vicinity of the taxpayer's worksite. The agreement must specify 137029
that an employee has the option of refusing to place the 137030
employee's child in a ~~day-care~~ center that receives support 137031
payments from the taxpayer. 137032

The amount of the credit equals fifty per cent of the total 137033
amount of support payments made by the taxpayer during the taxable 137034

paid directly or indirectly in connection with a plan or program 137036
described in section 125 of the Internal Revenue Code or under 137037
section 5733.38 of the Revised Code. The taxpayer shall claim the 137038

or fifty per cent of the amount incurred by a taxpayer for 137044
equipment, supplies, labor, and real property, including 137045
renovation of real property, used exclusively to establish a child 137046
~~day-care~~ care center. The credit is allowed only for the tax year 137047
immediately following the taxable year in which the ~~child day-care~~ 137048
center begins operations. The credit may be claimed only for tax 137049
year 1999, 2000, 2001, 2002, or 2003, but may be carried forward 137050
pursuant to division (B) of this section. 137051

The center must be licensed under section 5104.03 of the 137052
Revised Code, used exclusively by employees of the taxpayer, and 137053

included only with regard to supplies that are expected to last 137056
more than one year under normal usage. To be eligible for the 137057
credit, the taxpayer must specify that an employee has the option 137058
of refusing to place the employee's child in the ~~day-care~~ center 137059
established by the taxpayer. 137060

(B) The taxpayer shall claim the credit in the order required 137061
under section 5733.98 of the Revised Code. The taxpayer may carry 137062

such year from the balance carried forward to the next taxable 137067
year. The credit may be carried forward for five tax years 137068
following the tax year for which the credit is claimed under 137069
division (A) of this section. However, if the taxpayer disposes of 137070
the ~~day-care~~ center or ceases to operate it at any time during the 137071
five-year period, it shall not claim or carry forward any credit 137072
in connection with that property in the taxable year of disposal 137073
or cessation of operation or in any ensuing taxable year. 137074

The taxpayer shall count toward the credit only 137084
reimbursements it pays to or for the benefit of employees for 137085
amounts paid by those employees for child care provided to 137086
dependents of the employees at child ~~day-care~~ care centers 137087

is described in any rule the board of building standards adopts or 137627
issues or that is authorized by any section of the Revised Code. 137628
Nothing in this section shall be construed as requiring approval, 137629
by rule, of plans for an industrialized unit that conforms with 137630
the rules the board of building standards adopts pursuant to 137631
section 3781.11 of the Revised Code. 137632

(D) The board shall recommend rules, codes, and standards to 137633

137653
137654
137655
137656
137657

(3) The board shall not require a building department, its personnel, or any persons that it employs to be certified for residential building code enforcement if that building department does not enforce the state residential building code. (2) The commencement of proceedings for judicial review 138052
pursuant to division (B) of this section does not, unless 138053
specifically ordered by the court, operate as a stay of any order 138054
issued by the superintendent. If it appears to the court an 138055
unusual hardship to the appellant bank, trust company, or 138056
regulated person will result from the execution of the 138057
superintendent's order pending determination of the appeal, and 138058
the interests of depositors and the public will not be threatened 138059
by a stay of the order, the court may grant a stay and fix its 138060
terms. 138061

(C) The superintendent may, in the sole discretion of the 138062
superintendent, apply to the court of common pleas of the county 138063
in which the principal place of business of the bank, trust 138064
company, or regulated person, or residence of the regulated 138065
person, is located, or the court of common pleas of Franklin 138066
county, for the enforcement of an effective and outstanding 138067
superintendent's order issued under section 1121.32, 1121.33, 138068
1121.34, 1121.35, or 1121.41 of the Revised Code, and the court 138069
has jurisdiction and power to order and require compliance with 138070
the superintendent's order. In an action by the superintendent 138071
pursuant to this division to enforce an order assessing a civil 138072
penalty issued under section 1121.35 of the Revised Code, the 138073
validity and appropriateness of the civil penalty is not subject 138074
to review. 138075

(D) No court has jurisdiction to affect, by injunction or 138076
otherwise, the issuance or enforcement of an order issued under 138077
section 1121.32, 1121.33, 1121.34, 1121.35, or 1121.41 of the 138078

Revised Code or to review, modify, suspend, terminate, or set 138079
aside an order issued under section 1121.32, 1121.33, 1121.34, 138080
1121.35, or 1121.41 of the Revised Code, except as provided in 138081
this section, in division (G) of section 1121.32 of the Revised 138082
Code for an order issued pursuant to division (C)(3) or (4) of 138083
section 1121.32 of the Revised Code, or in division (A)(3) of 138084
section 1121.34 of the Revised Code for an order issued pursuant 138085
to division (A)(1) of section 1121.34 of the Revised Code. 138086

(E) Nothing in this section or in any other section of the 138087
Revised Code or rules implementing this or any other section of 138088
the Revised Code shall prohibit or limit the superintendent from 138089
doing any of the following: 138090

(1) Issuing orders pursuant to section 1121.32, 1121.33, 138091
1121.34, 1121.35, or 1121.41 of the Revised Code; 138092

(2) Individually or contemporaneously taking any other action 138093
provided by law or rule with respect to a bank, trust company, or 138094
regulated person; 138095

(3) Taking any action provided by law or rule with respect to 138096
a bank, trust company, or regulated person, whether alone or in 138097
conjunction with another regulatory agency or authority. 138098

require the electronic submission of any application, report, test 138102
result, fee, or document that is required to be submitted under 138103
this chapter. The chief shall require the submission of statements 138104
of production to be made electronically regardless of well type 138105
and the number of wells owned. 138106

(B) For good cause, a person may request to be excluded from 138107
any requirement to make an electronic submission under division 138108

(A) of this section other than the requirement to submit a statement of production electronically. The chief shall establish the procedure and form by which a person may request such exclusion.

the distance established in this division for purposes of 138167
pre-drilling water sampling. 138168

(c) For an application for a permit to drill a new horizontal 138169

list that identifies the location of each water well where the 138173
owner of the property on which the water well is located denied 138174
the owner access to sample the water well. The sampling shall be 138175
conducted in accordance with the guidelines established in "Best 138176

(C)(1) Except as provided in division (C)(2) of this section, the chief shall not issue a permit for at least ten days after the date of filing of the application for the permit unless, upon reasonable cause shown, the chief waives that period or a request for expedited review is filed under this section. However, the chief shall issue a permit within twenty-one days of the filing of the application unless the chief denies the application by order.

(2) If the location of a well or proposed well will be or is within an urbanized area, the chief shall not issue a permit for at least eighteen days after the date of filing of the application for the permit unless, upon reasonable cause shown, the chief

waives that period or the chief at the chief's discretion grants a 138267
request for an expedited review. However, the chief shall issue a 138268
permit for a well or proposed well within an urbanized area within 138269
thirty days of the filing of the application unless the chief 138270
denies the application by order. 138271

(D) An applicant may file a request with the chief for 138272
expedited review of a permit application if the well is not or is 138273
not to be located in a gas storage reservoir or reservoir 138274
protective area, as "reservoir protective area" is defined in 138275
section 1571.01 of the Revised Code. If the well is or is to be 138276
located in a coal bearing township, the application shall be 138277
accompanied by the affidavit of the landowner prescribed in 138278
section 1509.08 of the Revised Code. 138279

In addition to a complete application for a permit that meets 138280
the requirements of this section and the permit fee prescribed by 138281
this section, a request for expedited review shall be accompanied 138282
by a separate nonrefundable filing fee of two hundred fifty 138283

chief shall cause the county engineer of the county in which the 138285
well is or is to be located to be notified of the filing of the 138286
permit application and the request for expedited review by 138287
telephone or other means that in the judgment of the chief will 138288
provide timely notice of the application and request. The chief 138289
shall issue a permit within seven days of the filing of the 138290
request unless the chief denies the application by order. 138291
Notwithstanding the provisions of this section governing expedited 138292
review of permit applications, the chief may refuse to accept 138293
requests for expedited review if, in the chief's judgment, the 138294
acceptance of the requests would prevent the issuance, within 138295
twenty-one days of their filing, of permits for which applications 138296
are pending. 138297

(E) A well shall be drilled and operated in accordance with 138298

the plans, sworn statements, and other information submitted in 138299
the approved application. 138300

(F) The chief shall issue an order denying a permit if the 138301
chief finds that there is a substantial risk that the operation 138302
will result in violations of this chapter or rules adopted under 138303
it that will present an imminent danger to public health or safety 138304
or damage to the environment, provided that where the chief finds 138305
that terms or conditions to the permit can reasonably be expected 138306
to prevent such violations, the chief shall issue the permit 138307
subject to those terms or conditions, including, if applicable, 138308
terms and conditions regarding subjects identified in rules 138309
adopted under section 1509.03 of the Revised Code. The issuance of 138310
a permit shall not be considered an order of the chief. 138311

The chief shall post notice of each permit that has been 138312
approved under this section on the division's web site not later 138313
than two business days after the application for a permit has been 138314
approved. 138315

(G) Each application for a permit required by section 1509.05 138316
of the Revised Code, except an application for a well drilled or 138317
reopened for purposes of section 1509.22 of the Revised Code, also 138318
shall be accompanied by a nonrefundable fee as follows: 138319

(1) Five hundred dollars for a permit to conduct activities 138320
in a township with a population of fewer than ten thousand; 138321

(2) Seven hundred fifty dollars for a permit to conduct 138322
activities in a township with a population of ten thousand or 138323
more, but fewer than fifteen thousand; 138324

(3) One thousand dollars for a permit to conduct activities 138325
in either of the following: 138326

(a) A township with a population of fifteen thousand or more; 138327

mandatory pooling, an additional five thousand dollars. 138330

For purposes of calculating fee amounts, populations shall be 138331
determined using the most recent federal decennial census. 138332

Each application for the revision or reissuance of a permit 138333
shall be accompanied by a nonrefundable fee of two hundred fifty 138334
dollars. 138335

(H)(1) Prior to the commencement of well pad construction and 138336
prior to the issuance of a permit to drill a proposed horizontal 138337
well or a proposed well that is to be located in an urbanized 138338
area, the division shall conduct a site review to identify and 138339
evaluate any site-specific terms and conditions that may be 138340
attached to the permit. At the site review, a representative of 138341
the division shall consider fencing, screening, and landscaping 138342
requirements, if any, for similar structures in the community in 138343
which the well is proposed to be located. The terms and conditions 138344
that are attached to the permit shall include the establishment of 138345
fencing, screening, and landscaping requirements for the surface 138346
facilities of the proposed well, including a tank battery of the 138347
well. 138348

(2) Prior to the issuance of a permit to drill a proposed 138349
well, the division shall conduct a review to identify and evaluate 138350
any site-specific terms and conditions that may be attached to the 138351
permit if the proposed well will be located in a one-hundred-year 138352
floodplain or within the five-year time of travel associated with 138353
a public drinking water supply. 138354

(I) A permit shall be issued by the chief in accordance with 138355
this chapter. A permit issued under this section for a well that 138356
is or is to be located in an urbanized area shall be valid for 138357
twelve months, and all other permits issued under this section 138358
shall be valid for twenty-four months. 138359

(J) An applicant or a permittee, as applicable, shall submit 138360
to the chief an update of the information that is required under 138361
division (A)(8)(a) of this section if any of that information 138362
changes prior to commencement of production operations. 138363

(K) A permittee or a permittee's authorized representative 138364
shall notify an inspector from the division at least twenty-four 138365
hours, or another time period agreed to by the chief's authorized 138366
representative, prior to the commencement of well pad construction 138367
and of drilling, reopening, converting, well stimulation, or 138368
plugback operations. 138369

Sec. 1513.071. (A) Simultaneously with the filing of an 138370
application for a permit or significant revision of an existing 138371
permit under section 1513.07 of the Revised Code, the applicant 138372
shall submit to the chief of the division of mineral resources 138373
management a copy of the applicant's advertisement of the 138374
ownership, precise location, and boundaries of the land to be 138375
affected. At the time of submission, the advertisement shall be 138376
placed by the applicant in a newspaper of general circulation in 138377
the locality of the proposed coal mine at least once a week for 138378
four consecutive weeks. The chief shall notify, in each county or 138379
part of a county in which a proposed area to be permitted is 138380
located, the board of county commissioners, the board of township 138381
trustees, the legislative authorities of municipal corporations, 138382
private water companies, regional councils of governments, and the 138383
boards of directors of conservancy districts informing them of the 138384
operator's intention to conduct a coal mining operation on a 138385
particularly described tract of land and indicating the permit 138386
application number and where a copy of the proposed mining and 138387
reclamation plan may be inspected. The chief shall also notify the 138388
planning commissions with jurisdiction over all or part of the 138389
area to be permitted. These agencies, authorities, or companies 138390
may submit written comments on the application with respect to the 138391

effects of the proposed operation on the environment that are 138392
within their area of responsibility in quadruplicate to the chief 138393
within thirty days after notification by the chief of receipt of 138394
the application. The chief shall immediately transmit these 138395
comments to the applicant and make them available to the public at 138396
the same locations at which the mining application is available 138397
for inspection. 138398

(B) A person having an interest that is or may be adversely 138399
affected or the officer or head of any federal, state, or local 138400
governmental agency or authority may file written objections to 138401
the proposed initial or revised application for a coal mining and 138402
reclamation permit with the chief within thirty days after the 138403
last publication of the notice required by division (A) of this 138404
section. The objections shall immediately be transmitted to the 138405
applicant by the chief and shall be made available to the public. 138406
If written objections are filed and an informal conference 138407
requested, the chief or the chief's representative shall then hold 138408
an informal conference on the application for a permit within a 138409
reasonable time in the county where the largest area of the area 138410
to be permitted is located. The date, time, and location of the 138411
informal conference shall be advertised by the chief in a 138412
newspaper of general circulation in the locality at least two 138413
weeks prior to the scheduled conference date. The chief may 138414
arrange with the applicant, upon request by any objecting party, 138415
access to the proposed mining area for the purpose of gathering 138416
information relevant to the proceeding. An electronic ~~ex~~ 138417
~~stenographic~~ record shall be made of the conference proceeding 138418
unless waived by all parties. The record shall be maintained and 138419
shall be accessible to the parties until final release of the 138420
applicant's performance security. If all parties requesting the 138421
informal conference stipulate agreement prior to the requested 138422
informal conference and withdraw their request, the informal 138423
conference need not be held. 138424

Sec. 1513.08. (B) Using the information contained in the permit application; the requirements contained in the approved permit and reclamation plan; and, after considering the topography, geology, hydrology, and revegetation potential of the area of the approved permit, the probable difficulty of reclamation; the chief shall determine the estimated cost of reclamation under the initial term of the permit if the reclamation has to be performed by the division of mineral resources management in the event of forfeiture of the performance security by the applicant. The chief shall send either written notice by certified mail or electronic notice with acknowledgment of receipt of the amount of the estimated cost of reclamation ~~by certified mail~~ to the applicant. The applicant shall send either written notice or electronic notice with acknowledgment of receipt to the chief indicating the method by which the applicant will provide the performance security pursuant to division (C) of this section.

(C) The applicant shall provide the performance security in an amount using one of the following:

(1) If the applicant elects to provide performance security without reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code, the amount of the estimated cost of reclamation as determined by the chief under division (B) of this section for the increments of land on which the operator

will conduct a coal mining and reclamation operation under the 138456
initial term of the permit as indicated in the application; 138457

(2) If the applicant elects to provide performance security 138458
together with reliance on the reclamation forfeiture fund through 138459
payment of the additional tax on the severance of coal that is 138460
levied under division (A)(8) of section 5749.02 of the Revised 138461
Code, an amount of twenty-five hundred dollars per acre of land on 138462
which the operator will conduct coal mining and reclamation under 138463
the initial term of the permit as indicated in the application. In 138464
order for an applicant to be eligible to provide performance 138465
security in accordance with division (C)(2) of this section, the 138466
applicant, an owner and controller of the applicant, or an 138467
affiliate of the applicant shall have held a permit issued under 138468
this chapter for any coal mining and reclamation operation for a 138469
period of not less than five years. 138470

If a permit is transferred, assigned, or sold, the transferee 138471
is not eligible to provide performance security under division 138472
(C)(2) of this section if the transferee has not held a permit 138473
issued under this chapter for any coal mining and reclamation 138474
operation for a period of not less than five years. This 138475
restriction applies even if the status or name of the permittee 138476
otherwise remains the same after the transfer, assignment, or 138477
sale. 138478

In the event of forfeiture of performance security that was 138479
provided in accordance with division (C)(2) of this section, the 138480
difference between the amount of that performance security and the 138481
estimated cost of reclamation as determined by the chief under 138482
division (B) of this section shall be obtained from money in the 138483
reclamation forfeiture fund as needed to complete the reclamation. 138484

The performance security provided under division (C) of this 138485
section for the entire area to be mined under one permit issued 138486
under this chapter shall not be less than ten thousand dollars. 138487

The performance security shall cover areas of land affected 138488
by mining within or immediately adjacent to the permitted area, so 138489
long as the total number of acres does not exceed the number of 138490
acres for which the performance security is provided. However, the 138491
authority for the performance security to cover areas of land 138492
immediately adjacent to the permitted area does not authorize a 138493
permittee to mine areas outside an approved permit area. As 138494
succeeding increments of coal mining and reclamation operations 138495
are to be initiated and conducted within the permit area, the 138496
permittee shall file with the chief additional performance 138497
security to cover the increments in accordance with this section. 138498
If a permittee intends to mine areas outside the approved permit 138499
area, the permittee shall provide additional performance security 138500
in accordance with this section to cover the areas to be mined. 138501

If an applicant or permittee is not eligible to provide 138502
performance security in accordance with division (C)(2) of this 138503
section, the applicant or permittee shall provide performance 138504
security in accordance with division (C)(1) of this section in the 138505
full amount of the estimated cost of reclamation as determined by 138506
the chief for a permitted coal preparation plant or coal refuse 138507
disposal area that is not located within a permitted area of a 138508
mine. If an applicant for a permit for a coal preparation plant or 138509
coal refuse disposal area or a permittee of a permitted coal 138510
preparation plant or coal refuse disposal area that is not located 138511
within a permitted area of a mine has held a permit issued under 138512
this chapter for any coal mining and reclamation operation for a 138513
period of five years or more, the applicant or permittee may 138514
provide performance security for the coal preparation plant or 138515
coal refuse disposal area either in accordance with division 138516
(C)(1) of this section in the full amount of the estimated cost of 138517
reclamation as determined by the chief or in accordance with 138518
division (C)(2) of this section in an amount of twenty-five 138519
hundred dollars per acre of land with reliance on the reclamation 138520

forfeiture fund. If a permittee has previously provided 138521
performance security under division (C)(1) of this section for a 138522
coal preparation plant or coal refuse disposal area that is not 138523
located within a permitted area of a mine and elects to provide 138524
performance security in accordance with division (C)(2) of this 138525
section, the permittee shall submit written notice to the chief 138526
indicating that the permittee elects to provide performance 138527
security in accordance with division (C)(2) of this section. Upon 138528
receipt of such a written notice, the chief shall release to the 138529
permittee the amount of the performance security previously 138530
provided under division (C)(1) of this section that exceeds the 138531
amount of performance security that is required to be provided 138532
under division (C)(2) of this section. 138533

(D) A permittee's liability under the performance security 138534
shall be limited to the obligations established under the permit, 138535
which include completion of the reclamation plan in order to make 138536
the land capable of supporting the postmining land use that was 138537
approved in the permit. The period of liability under the 138538
performance security shall be for the duration of the coal mining 138539
and reclamation operation and for a period coincident with the 138540
operator's responsibility for revegetation requirements under 138541
section 1513.16 of the Revised Code. 138542

(E) The amount of the estimated cost of reclamation 138543
determined under division (B) of this section and the amount of a 138544
permittee's performance security provided in accordance with 138545
division (C)(1) of this section shall be adjusted by the chief as 138546
the land that is affected by mining increases or decreases or if 138547
the cost of reclamation increases or decreases. If the performance 138548
security was provided in accordance with division (C)(2) of this 138549
section and the chief has issued a cessation order under division 138550
(D)(2) of section 1513.02 of the Revised Code for failure to abate 138551
a violation of the contemporaneous reclamation requirement under 138552

division (A)(15) of section 1513.16 of the Revised Code, the chief 138553
may require the permittee to increase the amount of performance 138554
security from twenty-five hundred dollars per acre of land to five 138555
thousand dollars per acre of land. 138556

The chief shall notify the permittee, each surety, and any 138557
person who has a property interest in the performance security and 138558
who has requested to be notified of any proposed adjustment to the 138559
performance security. The permittee may request an informal 138560
conference with the chief concerning the proposed adjustment, and 138561
the chief shall provide such an informal conference. 138562

If the chief increases the amount of performance security 138563
under this division, the permittee shall provide additional 138564
performance security in an amount determined by the chief. If the 138565
chief decreases the amount of performance security under this 138566
division, the chief shall determine the amount of the reduction of 138567
the performance security and send either written notice or 138568
electronic notice with acknowledgment of receipt of the amount of 138569
reduction to the permittee. The permittee may reduce the amount of 138570
the performance security in the amount determined by the chief. 138571

(F) A permittee may request a reduction in the amount of the 138572
performance security by submitting to the chief documentation 138573
proving that the amount of the performance security provided by 138574
the permittee exceeds the estimated cost of reclamation if the 138575
reclamation would have to be performed by the division in the 138576
event of forfeiture of the performance security. The chief shall 138577
examine the documentation and determine whether the permittee's 138578
performance security exceeds the estimated cost of reclamation. If 138579
the chief determines that the performance security exceeds that 138580
estimated cost, the chief shall determine the amount of the 138581
reduction of the performance security and send either written 138582
notice or electronic notice with acknowledgment of receipt of the 138583
amount to the permittee. The permittee may reduce the amount of 138584

the performance security in the amount determined by the chief. 138585
Adjustments in the amount of performance security under this 138586
division shall not be considered release of performance security 138587
and are not subject to section 1513.16 of the Revised Code. 138588

(G) If the performance security is a bond, it shall be 138589
executed by the operator and a corporate surety licensed to do 138590
business in this state. If the performance security is a cash 138591
deposit or negotiable certificates of deposit of a bank or savings 138592
and loan association, the bank or savings and loan association 138593
shall be licensed and operating in this state. The cash deposit or 138594
market value of the securities shall be equal to or greater than 138595
the amount of the performance security required under this 138596
section. The chief shall review any documents pertaining to the 138597
performance security and approve or disapprove the documents. The 138598
chief shall notify the applicant of the chief's determination. 138599

(H) If the performance security is a bond, the chief may 138600
accept the bond of the applicant itself without separate surety 138601
when the applicant demonstrates to the satisfaction of the chief 138602
the existence of a suitable agent to receive service of process 138603
and a history of financial solvency and continuous operation 138604
sufficient for authorization to self-insure or bond the amount. 138605

(I) Performance security provided under this section may be 138606
held in trust, provided that the state is the primary beneficiary 138607
of the trust and the custodian of the performance security held in 138608
trust is a bank, trust company, or other financial institution 138609
that is licensed and operating in this state. The chief shall 138610
review the trust document and approve or disapprove the document. 138611
The chief shall notify the applicant of the chief's determination. 138612

(J) If a surety, bank, savings and loan association, trust 138613
company, or other financial institution that holds the performance 138614
security required under this section becomes insolvent, the 138615
permittee shall notify the chief of the insolvency, and the chief 138616

shall order the permittee to submit a plan for replacement 138617
performance security within thirty days after receipt of notice 138618
from the chief. If the permittee provided performance security in 138619
accordance with division (C)(1) of this section, the permittee 138620
shall provide the replacement performance security within ninety 138621
days after receipt of notice from the chief. If the permittee 138622
provided performance security in accordance with division (C)(2) 138623
of this section, the permittee shall provide the replacement 138624
performance security within one year after receipt of notice from 138625
the chief, and, for a period of one year after the permittee's 138626
receipt of notice from the chief or until the permittee provides 138627
the replacement performance security, whichever occurs first, 138628
money in the reclamation forfeiture fund shall be the permittee's 138629
replacement performance security in an amount not to exceed the 138630
estimated cost of reclamation as determined by the chief. 138631

(K) If a permittee provided performance security in 138632
accordance with division (C)(1) of this section, the permittee's 138633
responsibility for repairing material damage and replacement of 138634
water supply resulting from subsidence shall be satisfied by 138635
either of the following: 138636

(1) The purchase prior to mining of a noncancelable 138637
premium-prepaid liability insurance policy in lieu of the 138638
permittee's performance security for subsidence damage. The 138639
insurance policy shall contain terms and conditions that 138640
specifically provide coverage for repairing material damage and 138641
replacement of water supply resulting from subsidence. 138642

(2) The provision of additional performance security in the 138643
amount of the estimated cost to the division of mineral resources 138644
management to repair material damage and replace water supplies 138645
resulting from subsidence until the repair or replacement is 138646
completed. However, if such repair or replacement is completed, or 138647
compensation for structures that have been damaged by subsidence 138648

is provided, by the permittee within ninety days of the occurrence 138649
of the subsidence, additional performance security is not 138650
required. In addition, the chief may extend the ninety-day period 138651
for a period not to exceed one year if the chief determines that 138652
the permittee has demonstrated in writing that subsidence is not 138653
complete and that probable subsidence-related damage likely will 138654
occur and, as a result, the completion of repairs of 138655
subsidence-related material damage to lands or protected 138656
structures or the replacement of water supply within ninety days 138657
of the occurrence of the subsidence would be unreasonable. 138658

(L) If the performance security provided in accordance with 138659
this section exceeds the estimated cost of reclamation, the chief 138660
may authorize the amount of the performance security that exceeds 138661
the estimated cost of reclamation together with any interest or 138662
other earnings on the performance security to be paid to the 138663
permittee. 138664

(M) A permittee that held a valid coal mining and reclamation 138665
permit immediately prior to April 6, 2007, shall provide, not 138666
later than a date established by the chief, performance security 138667
in accordance with division (C)(1) or (2) of this section, rather 138668
than in accordance with the law as it existed prior to that date, 138669
by filing it with the chief on a form that the chief prescribes 138670
and furnishes. Accordingly, for purposes of this section, 138671
"applicant" is deemed to include such a permittee. 138672

(N) As used in this section: 138673

(1) "Affiliate of the applicant" means an entity that has a 138674
parent entity in common with the applicant. 138675

(2) "Owner and controller of the applicant" means a person 138676
that has any relationship with the applicant that gives the person 138677
authority to determine directly or indirectly the manner in which 138678
the applicant conducts coal mining operations. 138679

Sec. 1513.16. (A) Any permit issued under this chapter to 138680
conduct coal mining operations shall require that the operations 138681
meet all applicable performance standards of this chapter and such 138682
other requirements as the chief of the division of mineral 138683
resources management shall adopt by rule. General performance 138684
standards shall apply to all coal mining and reclamation 138685
operations and shall require the operator at a minimum to do all 138686
of the following: 138687

(1) Conduct coal mining operations so as to maximize the 138688
utilization and conservation of the solid fuel resource being 138689
recovered so that re-affecting the land in the future through coal 138690
mining can be minimized; 138691

(2) Restore the land affected to a condition capable of 138692
supporting the uses that it was capable of supporting prior to any 138693
mining, or higher or better uses of which there is reasonable 138694
likelihood, so long as the uses do not present any actual or 138695
probable hazard to public health or safety or pose any actual or 138696
probable threat of diminution or pollution of the waters of the 138697
state, and the permit applicants' declared proposed land uses 138698
following reclamation are not considered to be impractical or 138699
unreasonable, to be inconsistent with applicable land use policies 138700
and plans, to involve unreasonable delay in implementation, or to 138701
violate federal, state, or local law; 138702

(3) Except as provided in division (B) of this section, with 138703
respect to all coal mining operations, backfill, compact where 138704
advisable to ensure stability or to prevent leaching of toxic 138705
materials, and grade in order to restore the approximate original 138706
contour of the land with all highwalls, spoil piles, and 138707
depressions eliminated unless small depressions are needed in 138708
order to retain moisture to assist revegetation or as otherwise 138709
authorized pursuant to this chapter, provided that if the operator 138710

demonstrates that due to volumetric expansion the amount of 138711
overburden and the spoil and waste materials removed in the course 138712
of the mining operation are more than sufficient to restore the 138713
approximate original contour, the operator shall backfill, grade, 138714
and compact the excess overburden and other spoil and waste 138715
materials to attain the lowest grade, but not more than the angle 138716
of repose, and to cover all acid-forming and other toxic materials 138717
in order to achieve an ecologically sound land use compatible with 138718
the surrounding region in accordance with the approved mining 138719
plan. The overburden or spoil shall be shaped and graded in such a 138720
way as to prevent slides, erosion, and water pollution and shall 138721
be revegetated in accordance with this chapter. 138722

(4) Stabilize and protect all surface areas, including spoil 138723
piles affected by the coal mining and reclamation operation, to 138724
control erosion and attendant air and water pollution effectively; 138725

(5) Remove the topsoil from the land in a separate layer, 138726
replace it on the backfill area, or, if not utilized immediately, 138727
segregate it in a separate pile from the spoil, and when the 138728
topsoil is not replaced on a backfill area within a time short 138729
enough to avoid deterioration of the topsoil, maintain a 138730
successful cover by quick-growing plants or other means thereafter 138731
so that the topsoil is preserved from wind and water erosion, 138732
remains free of any contamination by acid or other toxic material, 138733
and is in a usable condition for sustaining vegetation when 138734
restored during reclamation. If the topsoil is of insufficient 138735
quantity or of poor quality for sustaining vegetation or if other 138736
strata can be shown to be more suitable for vegetation 138737
requirements, the operator shall remove, segregate, and preserve 138738
in a like manner such other strata as are best able to support 138739
vegetation. 138740

(6) Restore the topsoil or the best available subsoil that is 138741
best able to support vegetation; 138742

(7) For all prime farmlands as identified in division 138743
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 138744
reclaimed, perform soil removal, storage, replacement, and 138745
reconstruction in accordance with specifications established by 138746
the secretary of the United States department of agriculture under 138747
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 138748
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 138749
required to do all of the following: 138750

(a) Segregate the A horizon of the natural soil, except where 138751
it can be shown that other available soil materials will create a 138752
final soil having a greater productive capacity, and, if not 138753
utilized immediately, stockpile this material separately from the 138754
spoil and provide needed protection from wind and water erosion or 138755
contamination by acid or other toxic material; 138756

(b) Segregate the B horizon of the natural soil, or 138757
underlying C horizons or other strata, or a combination of such 138758
horizons or other strata that are shown to be both texturally and 138759
chemically suitable for plant growth and that can be shown to be 138760
equally or more favorable for plant growth than the B horizon, in 138761
sufficient quantities to create in the regraded final soil a root 138762
zone of comparable depth and quality to that which existed in the 138763
natural soil, and, if not utilized immediately, stockpile this 138764
material separately from the spoil and provide needed protection 138765
from wind and water erosion or contamination by acid or other 138766
toxic material; 138767

(c) Replace and regrade the root zone material described in 138768
division (A)(7)(b) of this section with proper compaction and 138769
uniform depth over the regraded spoil material; 138770

(d) Redistribute and grade in a uniform manner the surface 138771
soil horizon described in division (A)(7)(a) of this section. 138772

(8) Create, if authorized in the approved mining and 138773

reclamation plan and permit, permanent impoundments of water on 138774
mining sites as part of reclamation activities only when it is 138775
adequately demonstrated by the operator that all of the following 138776
conditions will be met: 138777

(a) The size of the impoundment is adequate for its intended 138778
purposes. 138779

(b) The impoundment dam construction will be so designed as 138780
to achieve necessary stability with an adequate margin of safety 138781
compatible with that of structures constructed under the 138782
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 138783
(1954), 16 U.S.C. 1001, as amended. 138784

(c) The quality of impounded water will be suitable on a 138785
permanent basis for its intended use and discharges from the 138786
impoundment will not degrade the water quality below water quality 138787
standards established pursuant to applicable federal and state law 138788
in the receiving stream. 138789

(d) The level of water will be reasonably stable. 138790

(e) Final grading will provide adequate safety and access for 138791
proposed water users. 138792

(f) The water impoundments will not result in the diminution 138793
of the quality or quantity of water utilized by adjacent or 138794
surrounding landowners for agricultural, industrial, recreational, 138795
or domestic uses. 138796

(9) Conduct any augering operation associated with strip 138797
mining in a manner to maximize recoverability of mineral reserves 138798
remaining after the operation and reclamation are complete and 138799
seal all auger holes with an impervious and noncombustible 138800
material in order to prevent drainage, except where the chief 138801
determines that the resulting impoundment of water in such auger 138802
holes may create a hazard to the environment or the public health 138803
or safety. The chief may prohibit augering if necessary to 138804

maximize the utilization, recoverability, or conservation of the 138805
solid fuel resources or to protect against adverse water quality 138806
impacts. 138807

(10) Minimize the disturbances to the prevailing hydrologic 138808
balance at the mine site and in associated offsite areas and to 138809
the quality and quantity of water in surface and ground water 138810
systems both during and after coal mining operations and during 138811
reclamation by doing all of the following: 138812

(a) Avoiding acid or other toxic mine drainage by such 138813
measures as, but not limited to: 138814

(i) Preventing or removing water from contact with toxic 138815
producing deposits; 138816

(ii) Treating drainage to reduce toxic content that adversely 138817
affects downstream water upon being released to water courses in 138818
accordance with rules adopted by the chief in accordance with 138819
section 1513.02 of the Revised Code; 138820

(iii) Casing, sealing, or otherwise managing boreholes, 138821
shafts, and wells, and keeping acid or other toxic drainage from 138822
entering ground and surface waters. 138823

(b)(i) Conducting coal mining operations so as to prevent, to 138824
the extent possible using the best technology currently available, 138825
additional contributions of suspended solids to streamflow or 138826
runoff outside the permit area, but in no event shall 138827
contributions be in excess of requirements set by applicable state 138828
or federal laws; 138829

(ii) Constructing any siltation structures pursuant to 138830
division (A)(10)(b)(i) of this section prior to commencement of 138831
coal mining operations. The structures shall be certified by 138832
persons approved by the chief to be constructed as designed and as 138833
approved in the reclamation plan. 138834

(c) Cleaning out and removing temporary or large settling ponds or other siltation structures from drainways after disturbed areas are revegetated and stabilized, and depositing the silt and debris at a site and in a manner approved by the chief; 138835
138836
138837
138838

(d) Restoring recharge capacity of the mined area to approximate premining conditions; 138839
138840

(e) Avoiding channel deepening or enlargement in operations requiring the discharge of water from mines; 138841
138842

(f) Such other actions as the chief may prescribe. 138843

(11) With respect to surface disposal of mine wastes, tailings, coal processing wastes, and other wastes in areas other than the mine working areas or excavations, stabilize all waste piles in designated areas through construction in compacted layers, including the use of noncombustible and impervious materials if necessary, and ensure that the final contour of the waste pile will be compatible with natural surroundings and that the site can and will be stabilized and revegetated according to this chapter; 138844
138845
138846
138847
138848
138849
138850
138851
138852

(12) Refrain from coal mining within five hundred feet of active and abandoned underground mines in order to prevent breakthroughs and to protect the health or safety of miners. The chief shall permit an operator to mine near, through, or partially through an abandoned underground mine or closer than five hundred feet to an active underground mine if both of the following conditions are met: 138853
138854
138855
138856
138857
138858
138859

(a) The nature, timing, and sequencing of the approximate coincidence of specific strip mine activities with specific underground mine activities are approved by the chief. 138860
138861
138862

(b) The operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public. 138863
138864
138865

(13) Design, locate, construct, operate, maintain, enlarge, 138866
modify, and remove or abandon, in accordance with the standards 138867
and criteria developed pursuant to rules adopted by the chief, all 138868
existing and new coal mine waste piles consisting of mine wastes, 138869
tailings, coal processing wastes, or other liquid and solid 138870
wastes, and used either temporarily or permanently as dams or 138871
embankments; 138872

(14) Ensure that all debris, acid-forming materials, toxic 138873
materials, or materials constituting a fire hazard are treated or 138874
buried and compacted or otherwise disposed of in a manner designed 138875
to prevent contamination of ground or surface waters and that 138876
contingency plans are developed to prevent sustained combustion; 138877

(15) Ensure that all reclamation efforts proceed in an 138878
environmentally sound manner and as contemporaneously as 138879
practicable with the coal mining operations, except that where the 138880
applicant proposes to combine strip mining operations with 138881
underground mining operations to ensure maximum practical recovery 138882
of the mineral resources, the chief may grant a variance for 138883
specific areas within the reclamation plan from the requirement 138884
that reclamation efforts proceed as contemporaneously as 138885
practicable to permit underground mining operations prior to 138886
reclamation if: 138887

(a) The chief finds in writing that: 138888

(i) The applicant has presented, as part of the permit 138889
application, specific, feasible plans for the proposed underground 138890
mining operations. 138891

(ii) The proposed underground mining operations are necessary 138892
or desirable to ensure maximum practical recovery of the mineral 138893
resource and will avoid multiple disturbance of the surface. 138894

(iii) The applicant has satisfactorily demonstrated that the 138895
plan for the underground mining operations conforms to 138896

requirements for underground mining in this state and that permits 138897
necessary for the underground mining operations have been issued 138898
by the appropriate authority. 138899

(iv) The areas proposed for the variance have been shown by 138900
the applicant to be necessary for the implementing of the proposed 138901
underground mining operations. 138902

(v) No substantial adverse environmental damage, either 138903
on-site or off-site, will result from the delay in completion of 138904
reclamation as required by this chapter. 138905

(vi) Provisions for the off-site storage of spoil will comply 138906
with division (A)(21) of this section. 138907

(b) The chief has adopted specific rules to govern the 138908
granting of such variances in accordance with this division and 138909
has imposed such additional requirements as the chief considers 138910
necessary. 138911

(c) Variances granted under this division shall be reviewed 138912
by the chief not more than three years from the date of issuance 138913
of the permit. 138914

(d) Liability under the performance security filed by the 138915
applicant with the chief pursuant to section 1513.08 of the 138916
Revised Code shall be for the duration of the underground mining 138917
operations and until the requirements of this section and section 138918
1513.08 of the Revised Code have been fully complied with. 138919

(16) Ensure that the construction, maintenance, and 138920
postmining conditions of access roads into and across the site of 138921
operations will control or prevent erosion and siltation, 138922
pollution of water, and damage to fish or wildlife or their 138923
habitat, or to public or private property; 138924

(17) Refrain from the construction of roads or other access 138925
ways up a stream bed or drainage channel or in such proximity to 138926

the channel as to seriously alter the normal flow of water; 138927

(18) Establish, on the regraded areas and all other lands 138928
affected, a diverse, effective, and permanent vegetative cover of 138929
the same seasonal variety native to the area of land to be 138930
affected and capable of self-regeneration and plant succession at 138931
least equal in extent of cover to the natural vegetation of the 138932
area, except that introduced species may be used in the 138933
revegetation process where desirable and necessary to achieve the 138934
approved postmining land use plan; 138935

(19)(a) Assume the responsibility for successful 138936
revegetation, as required by division (A)(18) of this section, for 138937
a period of five full years after the last year of augmented 138938
seeding, fertilizing, irrigation, or other work in order to ensure 138939
compliance with that division, except that when the chief approves 138940
a long-term intensive agricultural postmining land use, the 138941
applicable five-year period of responsibility for revegetation 138942
shall commence at the date of initial planting for that long-term 138943
intensive agricultural postmining land use, and except that when 138944
the chief issues a written finding approving a long-term intensive 138945
agricultural postmining land use as part of the mining and 138946
reclamation plan, the chief may grant an exception to division 138947
(A)(18) of this section; 138948

(b) On lands eligible for remining, assume the responsibility 138949
for successful revegetation, as required by division (A)(18) of 138950
this section, for a period of two full years after the last year 138951
of augmented seeding, fertilizing, irrigation, or other work in 138952
order to ensure compliance with that division. 138953

(20) Protect off-site areas from slides or damage occurring 138954
during the coal mining and reclamation operations and not deposit 138955
spoil material or locate any part of the operations or waste 138956
accumulations outside the permit area; 138957

(21) Place all excess spoil material resulting from coal 138958
mining and reclamation operations in such a manner that all of the 138959
following apply: 138960

(a) Spoil is transported and placed in a controlled manner in 138961
position for concurrent compaction and in such a way as to ensure 138962
mass stability and to prevent mass movement. 138963

(b) The areas of disposal are within the permit areas for 138964
which performance security has been provided. All organic matter 138965
shall be removed immediately prior to spoil placement except in 138966
the zoned concept method. 138967

(c) Appropriate surface and internal drainage systems and 138968
diversion ditches are used so as to prevent spoil erosion and mass 138969
movement. 138970

(d) The disposal area does not contain springs, natural 138971
watercourses, or wet weather seeps unless lateral drains are 138972
constructed from the wet areas to the main underdrains in such a 138973
manner that filtration of the water into the spoil pile will be 138974
prevented unless the zoned concept method is used. 138975

(e) If placed on a slope, the spoil is placed upon the most 138976
moderate slope among those slopes upon which, in the judgment of 138977
the chief, the spoil could be placed in compliance with all the 138978
requirements of this chapter and is placed, where possible, upon, 138979
or above, a natural terrace, bench, or berm if that placement 138980
provides additional stability and prevents mass movement. 138981

(f) Where the toe of the spoil rests on a downslope, a rock 138982
toe buttress of sufficient size to prevent mass movement is 138983
constructed. 138984

(g) The final configuration is compatible with the natural 138985
drainage pattern and surroundings and suitable for intended uses. 138986

(h) Design of the spoil disposal area is certified by a 138987

qualified registered professional engineer in conformance with professional standards. 138988
138989

(i) All other provisions of this chapter are met. 138990

(22) Meet such other criteria as are necessary to achieve reclamation in accordance with the purpose of this chapter, taking into consideration the physical, climatological, and other characteristics of the site; 138991
138992
138993
138994

(23) To the extent possible, using the best technology currently available, minimize disturbances and adverse impacts of the operation on fish, wildlife, and related environmental values, and achieve enhancement of such resources where practicable; 138995
138996
138997
138998

(24) Provide for an undisturbed natural barrier beginning at the elevation of the lowest coal seam to be mined and extending from the outslope for such distance as the chief shall determine to be retained in place as a barrier to slides and erosion; 138999
139000
139001
139002

(25) Restore on the permit area streams and wetlands affected by mining operations unless the chief approves restoration off the permit area without a permit required by section 1513.07 or 1513.074 of the Revised Code, instead of restoration on the permit area, of a stream or wetland or a portion of a stream or wetland, provided that the chief first makes all of the following written determinations: 139003
139004
139005
139006
139007
139008
139009

(a) A hydrologic and engineering assessment of the affected lands, submitted by the operator, demonstrates that restoration on the permit area is not possible. 139010
139011
139012

(b) The proposed mitigation plan under which mitigation activities described in division (A)(25)(c) of this section will be conducted is limited to a stream or wetland, or a portion of a stream or wetland, for which restoration on the permit area is not possible. 139013
139014
139015
139016
139017

(c) Mitigation activities off the permit area, including 139018
mitigation banking and payment of in-lieu mitigation fees, will be 139019
performed pursuant to a permit issued under sections 401 and 404 139020
of the "Federal Water Pollution Control Act" as defined in section 139021
6111.01 of the Revised Code or an isolated wetland permit issued 139022
under Chapter 6111. of the Revised Code or pursuant to a no-cost 139023
reclamation contract for the restoration of water resources 139024
affected by past mining activities pursuant to section 1513.37 of 139025
the Revised Code. 139026

(d) The proposed mitigation plan and mitigation activities 139027
comply with the standards established in this section. 139028

If the chief approves restoration off the permit area in 139029
accordance with this division, the operator shall complete all 139030
mitigation construction or other activities required by the 139031
mitigation plan. 139032

Performance security for reclamation activities on the permit 139033
area shall be released pursuant to division (F) of this section, 139034
except that the release of the remaining portion of performance 139035
security under division (F)(3)(c) of this section shall not be 139036
approved prior to the construction of required mitigation 139037
activities off the permit area. 139038

(B)(1) The chief may permit mining operations for the 139039
purposes set forth in division (B)(3) of this section. 139040

(2) When an applicant meets the requirements of divisions 139041
(B)(3) and (4) of this section, a permit without regard to the 139042
requirement to restore to approximate original contour known as 139043
mountain top removal set forth in divisions (A)(3) or (C)(2) and 139044
(3) of this section may be granted for the mining of coal where 139045
the mining operation will remove an entire coal seam or seams 139046
running through the upper fraction of a mountain, ridge, or hill, 139047
except as provided in division (B)(4)(a) of this section, by 139048

removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, and capable of supporting postmining uses in accordance with this division.

139049
139050
139051

(3) In cases where an industrial, commercial, agricultural, residential, or public facility use, including recreational facilities, is proposed for the postmining use of the affected land, the chief may grant a permit for a mining operation of the nature described in division (B)(2) of this section when all of the following apply:

139052
139053
139054
139055
139056
139057

(a) After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is considered to constitute an equal or better economic or public use of the affected land, as compared with premining use.

139058
139059
139060
139061

(b) The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the use will be all of the following:

139062
139063
139064

(i) Compatible with adjacent land uses;

139065

(ii) Obtainable according to data regarding expected need and market;

139066
139067

(iii) Assured of investment in necessary public facilities;

139068

(iv) Supported by commitments from public agencies where appropriate;

139069
139070

(v) Practicable with respect to private financial capability for completion of the proposed use;

139071
139072

(vi) Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use;

139073
139074
139075

(vii) Designed by a registered engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the

139076
139077
139078

site. 139079

(c) The proposed use is consistent with adjacent land uses 139080
and existing state and local land use plans and programs. 139081

(d) The chief provides the governing body of the unit of 139082
general-purpose local government in which the land is located, and 139083
any state or federal agency that the chief, in the chief's 139084
discretion, determines to have an interest in the proposed use, an 139085
opportunity of not more than sixty days to review and comment on 139086
the proposed use. 139087

(e) All other requirements of this chapter will be met. 139088

(4) In granting a permit pursuant to this division, the chief 139089
shall require that each of the following is met: 139090

(a) The toe of the lowest coal seam and the overburden 139091
associated with it are retained in place as a barrier to slides 139092
and erosion. 139093

(b) The reclaimed area is stable. 139094

(c) The resulting plateau or rolling contour drains inward 139095
from the out slopes except at specified points. 139096

(d) No damage will be done to natural watercourses. 139097

(e) Spoil will be placed on the mountaintop bench as is 139098
necessary to achieve the planned postmining land use, except that 139099
all excess spoil material not retained on the mountaintop bench 139100
shall be placed in accordance with division (A)(21) of this 139101
section. 139102

(f) Stability of the spoil retained on the mountaintop bench 139103
is ensured and the other requirements of this chapter are met. 139104

(5) The chief shall adopt specific rules to govern the 139105
granting of permits in accordance with divisions (B)(1) to (4) of 139106
this section and may impose such additional requirements as the 139107
chief considers necessary. 139108

(6) All permits granted under divisions (B)(1) to (4) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

(C) All of the following performance standards apply to steep-slope coal mining and are in addition to those general performance standards required by this section, except that this division does not apply to those situations in which an operator is mining on flat or gently rolling terrain on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where an operator is in compliance with division (B) of this section:

(1) The operator shall ensure that when performing coal mining on steep slopes, no debris, abandoned or disabled equipment, spoil material, or waste mineral matter is placed on the downslope below the bench or mining cut. Spoil material in excess of that required for the reconstruction of the approximate original contour under division (A)(3) or (C)(2) of this section shall be permanently stored pursuant to division (A)(21) of this section.

(2) The operator shall complete backfilling with spoil material to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.

(3) The operator shall not disturb land above the top of the highwall unless the chief finds that the disturbance will facilitate compliance with the environmental protection standards of this section, except that any such disturbance involving land above the highwall shall be limited to that amount of land necessary to facilitate compliance.

(D)(1) The chief may permit variances for the purposes set forth in division (D)(3) of this section, provided that the watershed control of the area is improved and that complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(2) Where an applicant meets the requirements of divisions (D)(3) and (4) of this section, a variance from the requirement to restore to approximate original contour set forth in division (C)(2) of this section may be granted for the mining of coal when the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities, in accordance with divisions (D)(3) and (4) of this section.

(3) A variance pursuant to division (D)(2) of this section may be granted if:

(a) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land is considered to constitute an equal or better economic or public use.

(b) The postmining land condition is designed and certified by a registered professional engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.

(c) After approval of the appropriate state environmental agencies, the watershed of the affected land is considered to be improved.

(4) In granting a variance pursuant to division (D) of this

section, the chief shall require that only such amount of spoil 139172
will be placed off the mine bench as is necessary to achieve the 139173
planned postmining land use, ensure stability of the spoil 139174
retained on the bench, and meet all other requirements of this 139175
chapter. All spoil placement off the mine bench shall comply with 139176
division (A)(21) of this section. 139177

(5) The chief shall adopt specific rules to govern the 139178
granting of variances under division (D) of this section and may 139179
impose such additional requirements as the chief considers 139180
necessary. 139181

(6) All variances granted under division (D) of this section 139182
shall be reviewed not more than three years from the date of 139183
issuance of the permit unless the permittee affirmatively 139184
demonstrates that the proposed development is proceeding in 139185
accordance with the terms of the reclamation plan. 139186

(E) The chief shall establish standards and criteria 139187
regulating the design, location, construction, operation, 139188
maintenance, enlargement, modification, removal, and abandonment 139189
of new and existing coal mine waste piles referred to in division 139190
(A)(13) of this section and division (A)(5) of section 1513.35 of 139191
the Revised Code. The standards and criteria shall conform to the 139192
standards and criteria used by the chief of the United States army 139193
corps of engineers to ensure that flood control structures are 139194
safe and effectively perform their intended function. In addition 139195
to engineering and other technical specifications, the standards 139196
and criteria developed pursuant to this division shall include 139197
provisions for review and approval of plans and specifications 139198
prior to construction, enlargement, modification, removal, or 139199
abandonment; performance of periodic inspections during 139200
construction; issuance of certificates of approval upon completion 139201
of construction; performance of periodic safety inspections; and 139202
issuance of notices for required remedial or maintenance work. 139203

(F)(1) The permittee may file a request with the chief for 139204
release of a part of a performance security under division (F)(3) 139205
of this section. Within thirty days after any request for 139206
performance security release under this section has been filed 139207
with the chief, the operator shall submit a copy of an 139208
advertisement placed at least once a week for four successive 139209
weeks in a newspaper of general circulation in the locality of the 139210
coal mining operation. The advertisement shall be considered part 139211
of any performance security release application and shall contain 139212
a notification of the precise location of the land affected, the 139213
number of acres, the permit number and the date approved, the 139214
amount of the performance security filed and the portion sought to 139215
be released, the type and appropriate dates of reclamation work 139216
performed, and a description of the results achieved as they 139217
relate to the operator's approved reclamation plan and, if 139218
applicable, the operator's pollution abatement plan. In addition, 139219
as part of any performance security release application, the 139220
applicant shall submit copies of the letters sent to adjoining 139221
property owners, local governmental bodies, planning agencies, and 139222
sewage and water treatment authorities or water companies in the 139223
locality in which the coal mining and reclamation activities took 139224
place, notifying them of the applicant's intention to seek release 139225
from the performance security. 139226

(2) Upon receipt of a copy of the advertisement and request 139227
for release of a performance security under division (F)(3)(c) of 139228
this section, the chief, within thirty days, shall conduct an 139229
inspection and evaluation of the reclamation work involved. The 139230
evaluation shall consider, among other things, the degree of 139231
difficulty to complete any remaining reclamation, whether 139232
pollution of surface and subsurface water is occurring, the 139233
probability of continuation or future occurrence of the pollution, 139234
and the estimated cost of abating the pollution. The chief shall 139235
notify the permittee in writing of the decision to release or not 139236

to release all or part of the performance security within sixty 139237
days after the filing of the request if no public hearing is held 139238
pursuant to division (F)(6) of this section or, if there has been 139239
a public hearing held pursuant to division (F)(6) of this section, 139240
within thirty days thereafter. 139241

(3) The chief may release the performance security if the 139242
reclamation covered by the performance security or portion thereof 139243
has been accomplished as required by this chapter and rules 139244
adopted under it according to the following schedule: 139245

(a) When the operator completes the backfilling, regrading, 139246
and drainage control of an area for which performance security has 139247
been provided in accordance with the approved reclamation plan, 139248
and, if the area covered by the performance security is one for 139249
which an authorization was made under division (E)(7) of section 139250
1513.07 of the Revised Code, the operator has complied with the 139251
approved pollution abatement plan and all additional requirements 139252
established by the chief in rules adopted under section 1513.02 of 139253
the Revised Code governing coal mining and reclamation operations 139254
on pollution abatement areas, the chief shall grant a release of 139255
fifty per cent of the performance security for the applicable 139256
permit area. 139257

(b) After resoiling and revegetation have been established on 139258
the regraded mined lands in accordance with the approved 139259
reclamation plan, the chief shall grant a release in an amount not 139260
exceeding thirty-five per cent of the original performance 139261
security for all or part of the affected area under the permit. 139262
When determining the amount of performance security to be released 139263
after successful revegetation has been established, the chief 139264
shall retain that amount of performance security for the 139265
revegetated area that would be sufficient for a third party to 139266
cover the cost of reestablishing revegetation for the period 139267
specified for operator responsibility in this section for 139268

reestablishing revegetation. No part of the performance security 139269
shall be released under this division so long as the lands to 139270
which the release would be applicable are contributing suspended 139271
solids to streamflow or runoff outside the permit area in excess 139272
of the requirements of this section or until soil productivity for 139273
prime farmlands has returned to equivalent levels of yield as 139274
nonmined land of the same soil type in the surrounding area under 139275
equivalent management practices as determined from the soil survey 139276
performed pursuant to section 1513.07 of the Revised Code. If the 139277
area covered by the performance security is one for which an 139278
authorization was made under division (E)(7) of section 1513.07 of 139279
the Revised Code, no part of the performance security shall be 139280
released under this division until the operator has complied with 139281
the approved pollution abatement plan and all additional 139282
requirements established by the chief in rules adopted under 139283
section 1513.02 of the Revised Code governing coal mining and 139284
reclamation operations on pollution abatement areas. Where a silt 139285
dam is to be retained as a permanent impoundment pursuant to 139286
division (A)(10) of this section, the portion of performance 139287
security may be released under this division so long as provisions 139288
for sound future maintenance by the operator or the landowner have 139289
been made with the chief. 139290

(c) When the operator has completed successfully all coal 139291
mining and reclamation activities, including, if applicable, all 139292
additional requirements established in the pollution abatement 139293
plan approved under division (E)(7) of section 1513.07 of the 139294
Revised Code and all additional requirements established by the 139295
chief in rules adopted under section 1513.02 of the Revised Code 139296
governing coal mining and reclamation operations on pollution 139297
abatement areas, the chief shall release all or any of the 139298
remaining portion of the performance security for all or part of 139299
the affected area under a permit, but not before the expiration of 139300
the period specified for operator responsibility in this section, 139301

except that the chief may adopt rules for a variance to the 139302
operator period of responsibility considering vegetation success 139303
and probability of continued growth and consent of the landowner, 139304
provided that no performance security shall be fully released 139305
until all reclamation requirements of this chapter are fully met. 139306

(4) If the chief disapproves the application for release of 139307
the performance security or portion thereof, the chief shall 139308
notify the permittee, in writing, stating the reasons for 139309
disapproval and recommending corrective actions necessary to 139310
secure the release, and allowing the opportunity for a public 139311
adjudicatory hearing. 139312

(5) When any application for total or partial performance 139313
security release is filed with the chief under this section, the 139314
chief shall notify the municipal corporation in which the coal 139315
mining operation is located by certified mail at least thirty days 139316
prior to the release of all or a portion of the performance 139317
security. 139318

(6) A person with a valid legal interest that might be 139319
adversely affected by release of a performance security under this 139320
section or the responsible officer or head of any federal, state, 139321
or local government agency that has jurisdiction by law or special 139322
expertise with respect to any environmental, social, or economic 139323
impact involved in the operation or is authorized to develop and 139324
enforce environmental standards with respect to such operations 139325
may file written objections to the proposed release from the 139326
performance security with the chief within thirty days after the 139327
last publication of the notice required by division (F)(1) of this 139328
section. If written objections are filed and an informal 139329
conference is requested, the chief shall inform all interested 139330
parties of the time and place of the conference. The date, time, 139331
and location of the informal conference shall be advertised by the 139332
chief in a newspaper of general circulation in the locality of the 139333

coal mining operation proposed for performance security release 139334
for at least once a week for two consecutive weeks. The informal 139335
conference shall be held in the locality of the coal mining 139336
operation proposed for performance security release or in Franklin 139337
county, at the option of the objector, within thirty days after 139338
the request for the conference. An electronic ~~or stenographic~~ 139339
record shall be made of the conference proceeding unless waived by 139340
all parties. The record shall be maintained and shall be 139341
accessible to the parties until final release of the performance 139342
security at issue. In the event all parties requesting the 139343
informal conference stipulate agreement prior to the requested 139344
informal conference and withdraw their request, the informal 139345
conference need not be held. 139346

(7) If an informal conference has been held pursuant to 139347
division (F)(6) of this section, the chief shall issue and furnish 139348
the applicant and persons who participated in the conference with 139349
the written decision regarding the release within sixty days after 139350
the conference. Within thirty days after notification of the final 139351
decision of the chief regarding the performance security release, 139352
the applicant or any person with an interest that is or may be 139353
adversely affected by the decision may appeal the decision to the 139354
reclamation commission pursuant to section 1513.13 of the Revised 139355
Code. 139356

(8)(a) If the chief determines that a permittee is 139357
responsible for mine drainage that requires water treatment after 139358
reclamation is completed under the terms of the permit or that a 139359
permittee must provide an alternative water supply after 139360
reclamation is completed under the terms of the permit, the 139361
permittee shall provide alternative financial security in an 139362
amount determined by the chief prior to the release of the 139363
remaining portion of performance security under division (F)(3)(c) 139364
of this section. The alternative financial security shall be in an 139365

amount that is equal to or greater than the present value of the 139366
estimated cost over time to develop and implement mine drainage 139367
plans and provide water treatment or in an amount that is 139368
necessary to provide and maintain an alternative water supply, as 139369
applicable. The alternative financial security shall include a 139370
contract, trust, or other agreement or mechanism that is 139371
enforceable under law to provide long-term water treatment or a 139372
long-term alternative water supply, or both. The contract, trust, 139373
or other agreement or mechanism included with the alternative 139374
financial security may provide for the funding of the alternative 139375
financial security incrementally over a period of time, not to 139376
exceed five years, with reliance on guarantees or other collateral 139377
provided by the permittee and approved by the chief for the 139378
balance of the alternative financial security required until the 139379
alternative financial security has been fully funded by the 139380
permittee. 139381

(b) The chief shall adopt rules in accordance with Chapter 139382
119. of the Revised Code that are necessary for the administration 139383
of division (F)(8)(a) of this section. 139384

(c) If the chief determines that a permittee must provide 139385
alternative financial security under division (F)(8)(a) of this 139386
section and the performance security for the permit was provided 139387
under division (C)(2) of section 1513.08 of the Revised Code, the 139388
permittee may fund the alternative financial security 139389
incrementally over a period of time, not to exceed five years, 139390
with reliance on the reclamation forfeiture fund created in 139391
section 1513.18 of the Revised Code for the balance of the 139392
alternative financial security required until the alternative 139393
financial security has been fully funded by the permittee. The 139394
permittee semiannually shall pay to the division of mineral 139395
resources management a fee that is equal to seven and one-half per 139396
cent of the average balance of the alternative financial security 139397

that is being provided by reliance on the reclamation forfeiture fund over the previous six months. All money received from the fee shall be credited to the reclamation forfeiture fund.

(9) Final release of the performance security in accordance with division (F)(3)(c) of this section terminates the jurisdiction of the chief under this chapter over the reclaimed site of a surface coal mining and reclamation operation or applicable portion of an operation. However, the chief shall reassert jurisdiction over such a site if the release was based on fraud, collusion, or misrepresentation of a material fact and the chief, in writing, demonstrates evidence of the fraud, collusion, or misrepresentation. Any person with an interest that is or may be adversely affected by the chief's determination may appeal the determination to the reclamation commission in accordance with section 1513.13 of the Revised Code.

(G) The chief shall adopt rules governing the criteria for forfeiture of performance security, the method of determining the forfeited amount, and the procedures to be followed in the event of forfeiture. Cash received as the result of such forfeiture is the property of the state.

Sec. 1565.12. When a loss of life is occasioned by accident in any mine, the operator thereof shall forthwith give notice thereof to the chief of the division of mineral resources management, and to the deputy mine inspector in charge of the district. Such notice shall be given by telephone or ~~telegraph~~ electronic format. The operator of such mine shall, within twenty-four hours after such accident causing loss of life, send a written report of the accident to the chief. Such written report shall specify the character and cause of the accident, the names of the persons killed, and the nature of the injuries that caused death. In the case of injury thereafter resulting in death, the

operator shall send a written notice thereof to the chief, and to 139429
the deputy mine inspector of such district, at such time as such 139430
death comes to the operator's knowledge. 139431

No operator of a mine shall refuse or neglect to comply with 139432
this section. 139433

Sec. 1571.05. (A) Whenever any part of a gas storage 139434
reservoir or any part of its protective area underlies any part of 139435
a coal mine, or is, or within nine months is expected or intended 139436
to be, within two thousand linear feet of the boundary of a coal 139437
mine that is operating in a coal seam any part of which extends 139438
over any part of the storage reservoir or its protective area, the 139439
operator of the reservoir, if the reservoir operator or some other 139440
reservoir operator has not theretofore done so, shall: 139441

(1) Use every known method that is reasonable under the 139442
circumstance for discovering and locating all wells drilled within 139443
the area of the reservoir or its protective area that underlie any 139444
part of the coal mine or its protective area; 139445

(2) Plug or recondition all known wells drilled within the 139446
area of the reservoir or its protective area that underlie any 139447
part of the coal mine. 139448

(B) Whenever an operator of a gas storage reservoir is 139449
notified by the operator of a coal mine, as provided in division 139450
(B) of section 1571.03 of the Revised Code, that the coal mine 139451
operator believes that part of the boundary of the mine is within 139452
two thousand linear feet of a well that is drilled through the 139453
horizon of the coal mine and into or through the storage stratum 139454
or strata of the reservoir within the boundary of the reservoir or 139455
within its protective area, the reservoir operator shall plug or 139456
recondition the well as in this section prescribed, unless it is 139457
agreed in a conference or is ordered by the chief of the division 139458
of oil and gas resources management after a hearing, as provided 139459

in section 1571.10 of the Revised Code, that the well referred to 139460
in the notice is not such a well as is described in division (B) 139461
of section 1571.03 of the Revised Code. 139462

Whenever an operator of a gas storage reservoir is notified 139463
by the operator of a coal mine as provided in division (C) or (D) 139464
of section 1571.03 of the Revised Code, that part of the boundary 139465
of the mine is, or within nine months is intended or expected to 139466
be, within two thousand linear feet of a well that is drilled 139467
through the horizon of the mine and into or through the storage 139468
stratum or strata of the reservoir within the boundary of the 139469
reservoir or within its protective area, the reservoir operator 139470
shall plug or recondition the well as in this section prescribed. 139471

Whenever the operator of a coal mine considers that the use 139472
of a well such as in this section described, if used for injecting 139473
gas into, or storing gas in, or removing gas from, a gas storage 139474
reservoir, would be hazardous to the safety of persons or property 139475
on or in the vicinity of the premises of the coal mine or the 139476
reservoir or well, the coal mine operator may file with the 139477
division objections to the use of the well for such purposes, and 139478
a request that a conference be held as provided in section 1571.10 139479
of the Revised Code, to discuss and endeavor to resolve by mutual 139480
agreement whether or not the well shall or shall not be used for 139481
such purposes, and whether or not the well shall be reconditioned, 139482
inactivated, or plugged. The request shall set forth the mine 139483
operator's reasons for such objections. If no approved agreement 139484
is reached in the conference, the gas storage well inspector shall 139485
within ten days after the termination of the conference, file with 139486
the chief a request that the chief hear and determine the matters 139487
considered at the conference as provided in section 1571.10 of the 139488
Revised Code. Upon conclusion of the hearing, the chief shall find 139489
and determine whether or not the safety of persons or of the 139490
property on or in the vicinity of the premises of the coal mine, 139491

or the reservoir, or the well requires that the well be 139492
reconditioned, inactivated, or plugged, and shall make an order 139493
consistent with that determination, provided that the chief shall 139494
not order a well plugged unless the chief first finds that there 139495
is underground leakage of gas therefrom. 139496

The plugging or reconditioning of each well described in a 139497
notice from a coal mine operator to a reservoir operator as 139498
provided in division (B) of section 1571.03 of the Revised Code, 139499
which must be plugged or reconditioned, shall be completed within 139500
such time as the gas storage well inspector may fix in the case of 139501
each such well. The plugging or reconditioning of each well 139502
described in a notice from a coal mine operator to a reservoir 139503
operator as provided in division (C) of section 1571.03 of the 139504
Revised Code, which must be plugged or reconditioned, shall be 139505
completed by the time the well, by reason of the extension of the 139506
boundary of the coal mine, is within two thousand linear feet of 139507
any part of the boundary of the mine. The plugging or 139508
reconditioning of each well described in a notice from a coal mine 139509
operator to a reservoir operator, as provided in division (D) of 139510
section 1571.03 of the Revised Code, which must be plugged or 139511
reconditioned, shall be completed by the time the well, by reason 139512
of the opening of the new mine, is within two thousand linear feet 139513
of any part of the boundary of the new mine. A reservoir operator 139514
who is required to complete the plugging or reconditioning of a 139515
well within a period of time fixed as in this division prescribed, 139516
may prior to the end of that period of time, notify the division 139517
and the mine operator from whom the reservoir operator received a 139518
notice as provided in division (B), (C), or (D) of section 1571.03 139519
of the Revised Code, in writing by ~~registered~~ certified mail or 139520
electronic format, that the completion of the plugging or 139521
reconditioning of the well referred to in the notice will be 139522
delayed beyond the end of the period of time fixed therefor as in 139523
this section provided, and that the reservoir operator requests 139524

that a conference be held for the purpose of endeavoring to reach 139525
an agreement establishing a date subsequent to the end of that 139526
period of time, on or before which the reservoir operator may 139527
complete the plugging or reconditioning without incurring any 139528
penalties for failure to do so as provided in this chapter. If 139529
such a reservoir operator sends to such a mine operator and to the 139530
division a notice and request for a conference as in this division 139531
provided, the reservoir operator shall not incur any penalties for 139532
failure to complete the plugging or reconditioning of the well 139533
within the period of time fixed as in this division prescribed, 139534
unless the reservoir operator fails to complete the plugging or 139535
reconditioning of the well within the period of time fixed by an 139536
approved agreement reached in the conference, or fixed by an order 139537
by the chief upon a hearing held in the matter in the event of 139538
failure to reach an approved agreement in the conference. 139539

Whenever, in compliance with this division, a well is to be 139540
plugged by a reservoir operator, the operator shall give to the 139541
division notice thereof, as many days in advance as will be 139542
necessary for the gas storage well inspector or a deputy mine 139543
inspector to be present at the plugging. The notification shall be 139544
made on blanks furnished by the division and shall show the 139545
following information: 139546

(1) Name and address of the applicant; 139547

(2) The location of the well identified by section or lot 139548
number, city or village, and township and county; 139549

(3) The well name and number of each well to be plugged. 139550

(C) The operator shall give written notice at the same time 139551
to the owner of the land upon which the well is located, the 139552
owners or agents of the adjoining land, and adjoining well owners 139553
or agents of the operator's intention to abandon the well, and of 139554
the time when the operator will be prepared to commence plugging 139555

and filling the same. In addition to giving such notices, the 139556
reservoir operator shall also at the same time send a copy of the 139557
notice by ~~registered~~ certified mail or electronic format to the 139558
coal mine operator, if any, who sent to the reservoir operator the 139559
notice as provided in division (B), (C), or (D) of section 1571.03 139560
of the Revised Code, in order that the coal mine operator or the 139561
coal mine operator's designated representative may attend and 139562
observe the manner in which the plugging of the well is done. 139563

If the reservoir operator plugs the well without the gas 139564
storage well inspector or a deputy mine inspector being present to 139565
supervise the plugging, the reservoir operator shall send to the 139566
division and to the coal mine operator a copy of the report of the 139567
plugging of the well, including in the report: 139568

(1) The date of abandonment; 139569

(2) The name of the owner or operator of the well at the time 139570
of abandonment and the well owner's or operator's post office 139571
address; 139572

(3) The location of the well as to township and county and 139573
the name of the owner of the surface upon which the well is 139574
drilled, with the address thereof; 139575

(4) The date of the permit to drill; 139576

(5) The date when drilled; 139577

(6) Whether the well has been mapped; 139578

(7) The depth of the well; 139579

(8) The depth of the top of the sand to which the well was 139580
drilled; 139581

(9) The depth of each seam of coal drilled through; 139582

(10) A detailed report as to how the well was plugged, giving 139583
in particular the manner in which the coal and various sands were 139584
plugged, and the date of the plugging of the well, including 139585

therein the names of those who witnessed the plugging of the well. 139586

The report shall be signed by the operator or the operator's 139587
agent who plugged the well and verified by the oath of the party 139588
so signing. For the purposes of this section, a deputy mine 139589
inspector may take acknowledgements and administer oaths to the 139590
parties signing the report. 139591

Whenever, in compliance with this division, a well is to be 139592
reconditioned by a reservoir operator, the operator shall give to 139593
the division notice thereof as many days before the reconditioning 139594
is begun as will be necessary for the gas storage well inspector, 139595
or a deputy mine inspector, to be present at the reconditioning. 139596
No well shall be reconditioned if an inspector of the division is 139597
not present unless permission to do so has been granted by the 139598
chief. The reservoir operator, at the time of giving notice to the 139599
division as in this section required, also shall send a copy of 139600
the notice by ~~registered~~ certified mail or electronic format to 139601
the coal mine operator, if any, who sent to the reservoir operator 139602
the notice as provided in division (B), (C), or (D) of section 139603
1571.03 of the Revised Code, in order that the coal mine operator 139604
or the coal mine operator's designated representative may attend 139605
and observe the manner in which the reconditioning of the well is 139606
done. 139607

If the reservoir operator reconditions the well when the gas 139608
storage well inspector or a deputy mine inspector is not present 139609
to supervise the reconditioning, the reservoir operator shall make 139610
written report to the division describing the manner in which the 139611
reconditioning was done, and shall send to the coal mine operator 139612
a copy of the report by ~~registered~~ certified mail or electronic 139613
format. 139614

(D) Wells that are required by this section to be plugged 139615
shall be plugged in the manner specified in sections 1509.13 to 139616
1509.17 of the Revised Code, and the operator shall give the 139617

notifications and reports required by divisions (B) and (C) of 139618
this section. No such well shall be plugged or abandoned without 139619
the written approval of the division, and no such well shall be 139620
mudded, plugged, or abandoned without the gas storage well 139621
inspector or a deputy mine inspector present unless written 139622
permission has been granted by the chief or the gas storage well 139623
inspector. For purposes of this section, the chief of the division 139624
of mineral resources management has the authority given the chief 139625
of the division of oil and gas resources management in sections 139626
1509.15 and 1509.17 of the Revised Code. If such a well has been 139627
plugged prior to the time plugging thereof is required by this 139628
section, and, on the basis of the data, information, and other 139629
evidence available it is determined that the plugging was done in 139630
the manner required by this section, or was done in accordance 139631
with statutes prescribing the manner of plugging wells in effect 139632
at the time the plugging was done, and that there is no evidence 139633
of leakage of gas from the well either at or below the surface, 139634
and that the plugging is sufficiently effective to prevent the 139635
leakage of gas from the well, the obligations imposed upon the 139636
reservoir operator by this section as to plugging the well shall 139637
be considered fully satisfied. The operator of a coal mine any 139638
part of the boundary of which is, or within nine months is 139639
expected or intended to be, within two thousand linear feet of the 139640
well may at any time raise a question as to whether the plugging 139641
of the well is sufficiently effective to prevent the leakage of 139642
gas therefrom, and the issue so made shall be determined by a 139643
conference or hearing as provided in section 1571.10 of the 139644
Revised Code. 139645

(E) Wells that are to be reconditioned as required by this 139646
section shall be, or shall be made to be: 139647

(1) Cased in accordance with the statutes of this state in 139648
effect at the time the wells were drilled, with the casing being, 139649

or made to be, sufficiently effective in that there is no evidence 139650
of any leakage of gas therefrom; 139651

(2) Equipped with a producing string and well head composed 139652
of new pipe, or pipe as good as new, and fittings designed to 139653
operate with safety and to contain the stored gas at maximum 139654
pressures contemplated. 139655

When a well that is to be reconditioned as required by this 139656
section has been reconditioned for use in the operation of the 139657
reservoir prior to the time prescribed in this section, and on the 139658
basis of the data, information, and other evidence available it is 139659
determined that at the time the well was so reconditioned the 139660
requirements prescribed in this division were met, and that there 139661
is no evidence of underground leakage of gas from the well, and 139662
that the reconditioning is sufficiently effective to prevent 139663
underground leakage from the well, the obligations imposed upon 139664
the reservoir operator by this section as to reconditioning the 139665
well shall be considered fully satisfied. Any operator of a coal 139666
mine any part of the boundary of which is, or within nine months 139667
is expected or intended to be, within two thousand linear feet of 139668
the well may at any time raise a question as to whether the 139669
reconditioning of the well is sufficiently effective to prevent 139670
underground leakage of gas therefrom, and the issue so made shall 139671
be determined by a conference or hearing as provided in section 139672
1571.10 of the Revised Code. 139673

If the gas storage well inspector at any time finds that a 139674
well that is drilled through the horizon of a coal mine and into 139675
or through the storage stratum or strata of a reservoir within the 139676
boundary of the reservoir or within its protective area is located 139677
within the boundary of the coal mine or within two thousand linear 139678
feet of the mine boundary, and was drilled prior to the time the 139679
statutes of this state required that wells be cased, and that the 139680
well fails to meet the casing and equipping requirements 139681

prescribed in this division, the gas storage well inspector shall 139682
promptly notify the operator of the reservoir thereof in writing, 139683
and the reservoir operator upon receipt of the notice shall 139684
promptly recondition the well in the manner prescribed in this 139685
division for reconditioning wells, unless, in a conference or 139686
hearing as provided in section 1571.10 of the Revised Code, a 139687
different course of action is agreed upon or ordered. 139688

(F)(1) When a well within the boundary of a gas storage 139689
reservoir or within the reservoir's protective area penetrates the 139690
storage stratum or strata of the reservoir, but does not penetrate 139691
the coal seam within the boundary of a coal mine, the gas storage 139692
well inspector may, upon application of the operator of the 139693
storage reservoir, exempt the well from the requirements of this 139694
section. Either party affected by the action of the gas storage 139695
well inspector may request a conference and hearing with respect 139696
to the exemption. 139697

(2) When a well located within the boundary of a storage 139698
reservoir or a reservoir's protective area is a producing well in 139699
a stratum above or below the storage stratum, the obligations 139700
imposed by this section shall not begin until the well ceases to 139701
be a producing well. 139702

(G) When retreat mining reaches a point in a coal mine when 139703
the operator of the mine expects that within ninety days retreat 139704
work will be at the location of a pillar surrounding an active 139705
storage reservoir well, the operator of the mine shall promptly 139706
send by ~~registered~~ certified mail or electronic format notice to 139707
that effect to the operator of the reservoir. Thereupon the 139708
operators may by agreement determine whether it is necessary or 139709
advisable to temporarily inactivate the well. If inactivated, the 139710
well shall not be reactivated until a reasonable period of time 139711
has elapsed, such period of time to be determined by agreement by 139712
the operators. In the event that the parties cannot agree upon 139713

either of the foregoing matters, the question shall be submitted 139714
to the gas storage well inspector for a conference in accordance 139715
with section 1571.10 of the Revised Code. 139716

(H)(1) The provisions of this section that require the 139717
plugging or reconditioning of wells shall not apply to such wells 139718
as are used to inject gas into, store gas in, or remove gas from a 139719
gas storage reservoir when the sole purpose of the injection, 139720
storage, or removal is testing. The operator of a gas storage 139721
reservoir who injects gas into, stores gas in, or removes gas from 139722
a reservoir for the sole purpose of testing shall be subject to 139723
all other provisions of this chapter that are applicable to 139724
operators of reservoirs. 139725

(2) If the injection of gas into, or storage of gas in, a gas 139726
storage reservoir any part of which, or of the protective area of 139727
which, is within the boundary of a coal mine is begun after 139728
September 9, 1957, and if the injection or storage of gas is for 139729
the sole purpose of testing, the operator of the reservoir shall 139730
send by ~~registered~~ certified mail or electronic format to the 139731
operator of the coal mine, the division of oil and gas resources 139732
management, and the division of mineral resources management at 139733
least sixty days' notice of the date upon which the testing will 139734
be begun. 139735

If at any time within the period of time during which testing 139736
of a reservoir is in progress, any part of the reservoir or of its 139737
protective area comes within any part of the boundary of a coal 139738
mine, the operator of the reservoir shall promptly send notice to 139739
that effect by ~~registered~~ certified mail or electronic format to 139740
the operator of the mine, the division of oil and gas resources 139741
management, and the division of mineral resources management. 139742

(3) Any coal mine operator who receives a notice as provided 139743
for in division (H)(2) of this section may within thirty days of 139744
the receipt thereof file with the division objections to the 139745

testing. The gas storage well inspector also may, within the time 139746
within which a coal mine operator may file an objection, place in 139747
the files of the division objections to the testing. The reservoir 139748
operator shall comply throughout the period of the testing 139749
operations with all conditions and requirements agreed upon and 139750
approved in the conference on such objections conducted as 139751
provided in section 1571.10 of the Revised Code, or in an order 139752
made by the chief following a hearing in the matter as provided in 139753
section 1571.10 of the Revised Code. If in complying with the 139754
agreement or order either the reservoir operator or the coal mine 139755
operator encounters or discovers conditions that were not known to 139756
exist at the time of the conference or hearing and that materially 139757
affect the agreement or order, or the ability of the reservoir 139758
operator to comply therewith, either operator may apply for a 139759
rehearing or modification of the order. 139760

(I) In addition to complying with all other provisions of 139761
this chapter and any lawful orders issued thereunder, the operator 139762
of each gas storage reservoir shall keep all wells drilled into or 139763
through the storage stratum or strata within the boundary of the 139764
operator's reservoir or within the reservoir's protective area in 139765
such condition, and operate the same in such manner, as to prevent 139766
the escape of gas therefrom into any coal mine, and shall operate 139767
and maintain the storage reservoir and its facilities in such 139768
manner and at such pressures as will prevent gas from escaping 139769
from the reservoir or its facilities into any coal mine. 139770

Sec. 1571.08. (A) Whenever in this chapter, the method or 139771
material to be used in discharging any obligations imposed by this 139772
chapter is specified, an alternative method or material may be 139773
used if approved by the gas storage well inspector or the chief of 139774
the division of oil and gas resources management. A person 139775
desiring to use such alternative method or material shall file 139776
with the division of oil and gas resources management an 139777

application for permission to do so. Such application shall 139778
describe such alternative method or material in reasonable detail. 139779
The gas storage well inspector shall promptly send by ~~registered~~ 139780
certified mail or electronic format notice of the filing of such 139781
application to any coal mine operator or reservoir operator whose 139782
mine or reservoir may be directly affected thereby. Any such coal 139783
mine operator or reservoir operator may within ten days following 139784
receipt of such notice, file with the division objections to such 139785
application. The gas storage well inspector may also file with the 139786
division an objection to such application at any time during which 139787
coal mine operators or reservoir operators are permitted to file 139788
objections. If no objections are filed within the ten-day period 139789
of time, the gas storage well inspector shall thereupon issue a 139790
permit approving the use of such alternative method or material. 139791
If any such objections are filed by any coal mine operator or 139792
reservoir operator, or by the gas storage well inspector, the 139793
question as to whether or not the use of such alternative method 139794
or material, or a modification thereof is approved, shall be 139795
determined by a conference or hearing as provided in section 139796
1571.10 of the Revised Code. 139797

(B) Whenever in this chapter, provision is made for the 139798
filing of objections with the division, such objections shall be 139799
in writing and shall state as definitely as is reasonably possible 139800
the reasons for such objections. Upon the filing of any such 139801
objection the gas storage well inspector shall promptly fix the 139802
time and place for holding a conference for the purpose of 139803
discussing and endeavoring to resolve by mutual agreement the 139804
issue raised by such objection. The gas storage well inspector 139805
shall send written notice thereof by ~~registered~~ certified mail or 139806
electronic format to each person having a direct interest therein. 139807
Thereupon the issue made by such objection shall be determined by 139808
a conference or hearing in accordance with the procedures for 139809
conferences and hearings as provided in section 1571.10 of the 139810

Revised Code. 139811

Sec. 1571.10. (A) The gas storage well inspector or any 139812
person having a direct interest in the administration of this 139813
chapter may at any time file with the division of oil and gas 139814
resources management a written request that a conference be held 139815
for the purpose of discussing and endeavoring to resolve by mutual 139816
agreement any question or issue relating to the administration of 139817
this chapter, or to compliance with its provisions, or to any 139818
violation thereof. Such request shall describe the matter 139819
concerning which the conference is requested. Thereupon the gas 139820
storage well inspector shall promptly fix the time and place for 139821
the holding of such conference and shall send written notice 139822
thereof to each person having a direct interest therein. At such 139823
conference the gas storage well inspector or a representative of 139824
the division designated by the gas storage well inspector shall be 139825
in attendance, and shall preside at the conference, and the gas 139826
storage well inspector or designated representative may make such 139827
recommendations as the gas storage well inspector or designated 139828
representative deems proper. Any agreement reached at such 139829
conference shall be consistent with the requirements of this 139830
chapter and, if approved by the gas storage well inspector, it 139831
shall be reduced to writing and shall be effective. Any such 139832
agreement approved by the gas storage well inspector shall be kept 139833
on file in the division and a copy thereof shall be furnished to 139834
each of the persons having a direct interest therein. The 139835
conference shall be deemed terminated as of the date an approved 139836
agreement is reached or when any person having a direct interest 139837
therein refuses to confer thereafter. Such a conference shall be 139838
held in all cases prior to the holding of a hearing as provided in 139839
this section. 139840

(B) Within ten days after the termination of a conference at 139841
which no approved agreement is reached, any person who 139842

participated in such conference and who has a direct interest in 139843
the subject matter thereof, or the gas storage well inspector, may 139844
file with the chief of the division of oil and gas resources 139845
management a request that the chief hear and determine the matter 139846
or matters, or any part thereof considered at the conference. 139847
Thereupon the chief shall promptly fix the time and place for the 139848
holding of such hearing and shall send written notice thereof to 139849
each person having a direct interest therein. The form of the 139850
request for such hearing and the conduct of the hearing shall be 139851
in accordance with rules that the chief adopts under section 139852
1571.11 of the Revised Code. Consistent with the requirement for 139853
reasonable notice each such hearing shall be held promptly after 139854
the filing of the request therefor. Any person having a direct 139855
interest in the matter to be heard shall be entitled to appear and 139856
be heard in person or by attorney. The division may present at 139857
such hearing any evidence that is material to the matter being 139858
heard and that has come to the division's attention in any 139859
investigation or inspection made pursuant to this chapter. 139860

(C) For the purpose of conducting such a hearing the chief 139861
may require the attendance of witnesses and the production of 139862
books, records, and papers, and the chief may, and at the request 139863
of any person having a direct interest in the matter being heard, 139864
the chief shall, issue subpoenas for witnesses or subpoenas duces 139865
tecum to compel the production of any books, records, or papers, 139866
directed to the sheriffs of the counties where such witnesses are 139867
found, which subpoenas shall be served and returned in the same 139868
manner as subpoenas in criminal cases are served and returned. The 139869
fees of sheriffs shall be the same as those allowed by the court 139870
of common pleas in criminal cases. Witnesses shall be paid the 139871
fees and mileage provided for under section 119.094 of the Revised 139872
Code. Such fee and mileage expenses shall be paid in advance by 139873
the persons at whose request they are incurred, and the remainder 139874
of such expenses shall be paid out of funds appropriated for the 139875

expenses of the division. 139876

In case of disobedience or neglect of any subpoena served on 139877
any person, or the refusal of any witness to testify to any matter 139878
regarding which the witness may be lawfully interrogated, the 139879
court of common pleas of the county in which such disobedience, 139880
neglect, or refusal occurs, or any judge thereof, on application 139881
of the chief, shall compel obedience by attachment proceedings for 139882
contempt as in the case of disobedience of the requirements of a 139883
subpoena issued from such court or a refusal to testify therein. 139884
Witnesses at such hearings shall testify under oath, and the chief 139885
may administer oaths or affirmations to persons who so testify. 139886

(D) With the consent of the chief, the testimony of any 139887
witness may be taken by deposition at the instance of a party to 139888
any hearing before the chief at any time after hearing has been 139889
formally commenced. The chief may, of the chief's own motion, 139890
order testimony to be taken by deposition at any stage in any 139891
hearing, proceeding, or investigation pending before the chief. 139892
Such deposition shall be taken in the manner prescribed by the 139893
laws of this state for taking depositions in civil cases in courts 139894
of record. 139895

(E) After the conclusion of a hearing the chief shall make a 139896
determination and finding of facts. Every adjudication, 139897
determination, or finding by the chief shall be made by written 139898
order and shall contain a written finding by the chief of the 139899
facts upon which the adjudication, determination, or finding is 139900
based. Notice of the making of such order shall be given to the 139901
persons whose rights, duties, or privileges are affected thereby, 139902
by sending a certified copy thereof by ~~registered~~ certified mail 139903
or electronic format to each of such persons. 139904

Adjudications, determinations, findings, and orders made by 139905
the chief shall not be governed by, or be subject to, Chapter 119. 139906
of the Revised Code. 139907

Sec. 1571.14. Any person claiming to be aggrieved or 139908
adversely affected by an order of the chief of the division of oil 139909
and gas resources management made as provided in section 1571.10 139910
or 1571.16 of the Revised Code may appeal to the director of 139911
natural resources for an order vacating or modifying such order. 139912
Upon receipt of the appeal, the director shall appoint an 139913
individual who has knowledge of the laws and rules regarding the 139914
underground storage of gas and who shall act as a hearing officer 139915
in accordance with Chapter 119. of the Revised Code in hearing the 139916
appeal. 139917

The person appealing to the director shall be known as 139918
appellant and the chief shall be known as appellee. The appellant 139919
and the appellee shall be deemed parties to the appeal. 139920

The appeal shall be in writing and shall set forth the order 139921
complained of and the grounds upon which the appeal is based. The 139922
appeal shall be filed with the director within thirty days after 139923
the date upon which appellant received notice by ~~registered~~ 139924
certified mail or electronic format of the making of the order 139925
complained of, as required by section 1571.10 of the Revised Code. 139926
Notice of the filing of such appeal shall be delivered by 139927
appellant to the chief within three days after the appeal is filed 139928
with the director. 139929

Within seven days after receipt of the notice of appeal the 139930
chief shall prepare and certify to the director at the expense of 139931
appellant a complete transcript of the proceedings out of which 139932
the appeal arises, including a transcript of the testimony 139933
submitted to the chief. 139934

Upon the filing of the appeal the director shall fix the time 139935
and place at which the hearing on the appeal will be held, and 139936
shall give appellant and the chief at least ten days' written 139937
notice thereof by mail. The director may postpone or continue any 139938

hearing upon the director's own motion or upon application of 139939
appellant or of the chief. 139940

The filing of an appeal provided for in this section does not 139941
automatically suspend or stay execution of the order appealed 139942
from, but upon application by the appellant the director may 139943
suspend or stay such execution pending determination of the appeal 139944
upon such terms as the director deems proper. 139945

The hearing officer appointed by the director shall hear the 139946
appeal de novo, and either party to the appeal may submit such 139947
evidence as the hearing officer deems admissible. 139948

For the purpose of conducting a hearing on an appeal, the 139949
hearing officer may require the attendance of witnesses and the 139950
production of books, records, and papers, and may, and at the 139951
request of any party shall, issue subpoenas for witnesses or 139952
subpoenas duces tecum to compel the production of any books, 139953
records, or papers, directed to the sheriffs of the counties where 139954
such witnesses are found, which subpoenas shall be served and 139955
returned in the same manner as subpoenas in criminal cases are 139956
served and returned. The fees of sheriffs shall be the same as 139957
those allowed by the court of common pleas in criminal cases. 139958
Witnesses shall be paid the fees and mileage provided for under 139959
section 119.094 of the Revised Code. Such fee and mileage expenses 139960
incurred at the request of appellant shall be paid in advance by 139961
appellant, and the remainder of such expenses shall be paid out of 139962
funds appropriated for the expenses of the division of oil and gas 139963
resources management. 139964

In case of disobedience or neglect of any subpoena served on 139965
any person, or the refusal of any witness to testify to any matter 139966
regarding which the witness may be lawfully interrogated, the 139967
court of common pleas of the county in which such disobedience, 139968
neglect, or refusal occurs, or any judge thereof, on application 139969
of the director, shall compel obedience by attachment proceedings 139970

for contempt as in the case of disobedience of the requirements of 139971
a subpoena issued from such court or a refusal to testify therein. 139972
Witnesses at such hearings shall testify under oath, and the 139973
hearing officer may administer oaths or affirmations to persons 139974
who so testify. 139975

At the request of any party to the appeal, a record of the 139976
testimony and other evidence submitted shall be taken by an 139977
official court reporter at the expense of the party making the 139978
request for the record. The record shall include all of the 139979
testimony and other evidence and the rulings on the admissibility 139980
thereof presented at the hearing. The hearing officer shall pass 139981
upon the admissibility of evidence, but any party may at the time 139982
object to the admission of any evidence and except to the ruling 139983
of the hearing officer thereon, and if the hearing officer refuses 139984
to admit evidence, the party offering same may make a proffer 139985
thereof, and such proffer shall be made a part of the record of 139986
such hearing. 139987

If upon completion of the hearing the hearing officer finds 139988
that the order appealed from was lawful and reasonable, the 139989
hearing officer shall make a written order affirming the order 139990
appealed from. If the hearing officer finds that such order was 139991
unreasonable or unlawful, the hearing officer shall make a written 139992
order vacating the order appealed from and making the order that 139993
it finds the chief should have made. Every order made by the 139994
hearing officer shall contain a written finding by the hearing 139995
officer of the facts upon which the order is based. Notice of the 139996
making of such order shall be given forthwith to each party to the 139997
appeal by mailing a certified copy thereof to each such party by 139998
~~registered~~ certified mail or electronic format. 139999

Sec. 1571.15. Any party adversely affected by an order of the 140000
hearing officer under section 1571.14 of the Revised Code may 140001

appeal to the court of common pleas of any county in which the 140002
well, or part of the gas storage reservoir, or part of the coal 140003
mine, involved in the order of the hearing officer which is being 140004
appealed, is located. Any party desiring to so appeal shall file 140005
with the director of natural resources a notice of appeal 140006
designating the order appealed from and stating whether the appeal 140007
is taken on questions of law or questions of law and fact. A copy 140008
of such notice shall also be filed by appellant with the court and 140009
shall be mailed or otherwise delivered to appellee. The notice 140010
shall be filed and mailed or otherwise delivered within thirty 140011
days after the date upon which appellant received notice from the 140012
hearing officer by ~~registered~~ certified mail or electronic format 140013
of the making of the order appealed from. No appeal bond shall be 140014
required to make either an appeal on questions of law or an appeal 140015
on questions of law and fact effective. 140016

The filing of a notice of appeal shall not automatically 140017
operate as a suspension of the order of the hearing officer. If it 140018
appears to the court that an unjust hardship to the appellant will 140019
result from the execution of the hearing officer's order pending 140020
determination of the appeal, the court may grant a suspension of 140021
such order and fix its terms. 140022

Within fifteen days after receipt of the notice of appeal the 140023
hearing officer shall prepare and file in the court the complete 140024
record of proceedings out of which the appeal arises, including a 140025
transcript of the testimony and other evidence which has been 140026
submitted before ~~him~~ the hearing officer. The expense of preparing 140027
and transcribing such record shall be taxed as a part of the costs 140028
of the appeal. Appellant shall provide security for costs 140029
satisfactory to the court. Upon demand by a party the director 140030
shall furnish at the cost of the party requesting the same a copy 140031
of such record. In the event such complete record is not filed in 140032
the court within the time provided for in this section either 140033

party may apply to the court to have the case docketed, and the 140034
court shall order such record filed. 140035

Appeals taken on questions of law shall be heard upon 140036
assignments of error filed in the cause or set out in the briefs 140037
of the appellant before the hearing. Errors not argued by brief 140038
may be disregarded, but the court may consider and decide errors 140039
which are not assigned or argued. Failure to file such briefs and 140040
assignments of error within the time prescribed by the court's 140041
rules shall be a cause for dismissal of such appeal. 140042

In appeals taken on questions of law and fact, the hearing in 140043
the court shall be a hearing de novo of the appeal heard by the 140044
hearing officer in which the order appealed from was made. In such 140045
hearings any party may offer as evidence any part of the record of 140046
the proceedings out of which the appeal arises, certified to the 140047
court as provided for in this section, and any other evidence 140048
which the court deems admissible. 140049

If the court finds that the order of the hearing officer 140050
appealed from was lawful and reasonable, it shall affirm such 140051
order. If the court finds that such order was unreasonable or 140052
unlawful, it shall vacate such order and make the order which it 140053
finds the hearing officer should have made. The judgment of the 140054
court is final unless reversed, vacated, or modified on appeal as 140055
in civil actions. 140056

Sec. 1571.16. (A) The gas storage well inspector or any 140057
person having a direct interest in the subject matter of this 140058
chapter may file with the division of oil and gas resources 140059
management a complaint in writing stating that a person is 140060
violating, or is about to violate, a provision or provisions of 140061
this chapter, or has done, or is about to do, an act, matter, or 140062
thing therein prohibited or declared to be unlawful, or has 140063
failed, omitted, neglected, or refused, or is about to fail, omit, 140064

neglect, or refuse, to perform a duty enjoined upon the person by 140065
this chapter. Upon the filing of such a complaint, the chief of 140066
the division of oil and gas resources management shall promptly 140067
fix the time for the holding of a hearing on such complaint and 140068
shall send by ~~registered~~ certified mail or electronic format to 140069
the person so complained of, a copy of such complaint together 140070
with at least five days' notice of the time and place at which 140071
such hearing will be held. Such notice of such hearing shall also 140072
be given to all persons having a direct interest in the matters 140073
complained of in such complaint. Such hearing shall be conducted 140074
in the same manner, and the chief and persons having a direct 140075
interest in the matter being heard, shall have the same powers, 140076
rights, and duties as provided in divisions (B), (C), (D), and (E) 140077
of section 1571.10 of the Revised Code, in connection with 140078
hearings by the chief, provided that if after conclusion of the 140079
hearing the chief finds that the charges against the person 140080
complained of, as stated in such complaint, have not been 140081
sustained by a preponderance of evidence, the chief shall make an 140082
order dismissing the complaint, and if the chief finds that the 140083
charges have been so sustained, the chief shall by appropriate 140084
order require compliance with those provisions. 140085

(B) Whenever the chief is of the opinion that any person is 140086
violating, or is about to violate, any provision of this chapter, 140087
or has done, or is about to do, any act, matter, or thing therein 140088
prohibited or declared to be unlawful, or has failed, omitted, 140089
neglected, or refused, or is about to fail, omit, neglect, or 140090
refuse, to perform any duty enjoined upon the person by this 140091
chapter, or has failed, omitted, neglected, or refused, or is 140092
about to fail, omit, neglect, or refuse, to obey any lawful 140093
requirement or order made by the chief, or any final judgment, 140094
order, or decree made by any court pursuant to this chapter, then 140095
and in every such case, the chief may institute in a court of 140096
competent jurisdiction of the county or counties wherein the 140097

operation is situated, an action to enjoin or restrain such 140098
violations or to enforce obedience with law or the orders of the 140099
chief. No injunction bond shall be required to be filed in any 140100
such proceeding. Such persons or corporations as the court may 140101
deem necessary or proper to be joined as parties in order to make 140102
its judgment, order, or writ effective may be joined as parties. 140103
An appeal may be taken as in other civil actions. 140104

(C) In addition to the other remedies as provided in 140105

threatened violations of this chapter or of orders of the chief, 140109
or of the hearing officer appointed under section 1571.14 of the 140110
Revised Code, or the judgments, orders, or decrees of any court or 140111
to enforce obedience therewith. 140112

(D) Each remedy prescribed in divisions (A), (B), and (C) of 140113
this section is deemed concurrent or contemporaneous with each 140114
other remedy prescribed therein, and the existence or exercise of 140115
any one such remedy shall not prevent the exercise of any other 140116
such remedy. 140117

(E) The provisions of this chapter providing for conferences, 140118
hearings by the chief, appeals to the hearing officer from orders 140119
of the chief, and appeals to the court of common pleas from orders 140120
of the hearing officer, and the remedies prescribed in divisions 140121
(A), (B), (C), and (D) of this section, do not constitute the 140122
exclusive procedure that a person, who deems the person's rights 140123
to be unlawfully affected by any official action taken thereunder, 140124
must pursue in order to protect and preserve such rights, nor does 140125
this chapter constitute a procedure that such a person must pursue 140126
before the person may lawfully proceed by other actions, legal or 140127
equitable, to protect and preserve such rights. 140128

by the government or state under whose laws it was organized. 140161

(D) Any interim certificate is exempt, if the securities to 140162
be delivered therefor are themselves exempt, are the subject 140163

the Securities Act of 1933. 140177

(c) The security is listed, or authorized for listing, on a 140178
national securities exchange or system, or on a tier or segment of 140179

security is listed or designated and to the issuer of such 140219
security. After notice and hearing, the division may revoke such 140220
exemption if it appears to it that sales of such security have 140221

been fraudulent or that future sales of it would be fraudulent. 140222
The division shall set such hearing not later than ten days from 140223
the date of the order of suspension, but may for good cause 140224

terms, after a hearing upon such fairness at which all persons to 140287
whom it is proposed to issue securities in such exchange have the 140288
right to appear, if application for such a hearing is made by such 140289
corporation, by the holders of a majority in amount of its debts, 140290

the conditions specified in divisions (C) and (D) of this section 140446
are satisfied and they are not waived by the division the 140447
registration statement becomes effective as soon as all of the 140448

If the issuer advises the division of the date when the 140450
federal registration statement is expected to become effective, or 140451
when the offering may otherwise be commenced in accordance with 140452

commission, the division shall promptly advise the issuer or its 140454
representative by telephone ~~or telegram~~, at the issuer's expense, 140455
whether all of the conditions have been satisfied or whether the 140456
division then contemplates the institution of a proceeding under 140457
section 1707.13 or 1707.23 of the Revised Code, but such advice 140458
does not preclude the institution of such a proceeding at any 140459
time. 140460

(C) If a board of education decides to dispose of real or 141032
personal property that it owns in its corporate capacity and that 141033
exceeds in value ten thousand dollars, it may sell the property to 141034
the adjutant general; to any subdivision or taxing authority as 141035
respectively defined in section 5705.01 of the Revised Code, 141036

college; to a nonprofit institution of higher education that has a 141041
certificate of authorization under Chapter 1713. of the Revised 141042
Code; to the governing authority of a chartered nonpublic school; 141043

board may, upon a majority vote of the members of the board, 141062
acquire that property by exchanging real property that the board 141063
owns in its corporate capacity for the identified real property or 141064
by using real property that the board owns in its corporate 141065
capacity as part or an entire consideration for the purchase price 141066
of the identified real property. Any exchange or acquisition made 141067
pursuant to this division shall be made by a conveyance executed 141068
by the president and the treasurer of the board. 141069

(G) When a school district board of education has property 141070
that the board, by resolution, finds is not needed for school 141071
district use, is obsolete, or is unfit for the use for which it 141072
was acquired, the board may donate that property in accordance 141073
with this division if the fair market value of the property is, in 141074
the opinion of the board, two thousand five hundred dollars or 141075
less. 141076

The property may be donated to an eligible nonprofit 141077
organization that is located in this state and is exempt from 141078
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 141079
Before donating any property under this division, the board shall 141080
adopt a resolution expressing its intent to make unneeded, 141081
obsolete, or unfit-for-use school district property available to 141082
these organizations. The resolution shall include guidelines and 141083
procedures the board considers to be necessary to implement the 141084

donation program and shall indicate whether the school district 141085
will conduct the donation program or the board will contract with 141086
a representative to conduct it. If a representative is known when 141087
the resolution is adopted, the resolution shall provide contact 141088
information such as the representative's name, address, and 141089
telephone number. 141090

The resolution shall include within its procedures a 141091
requirement that any nonprofit organization desiring to obtain 141092
donated property under this division shall submit a written notice 141093
to the board or its representative. The written notice shall 141094
include evidence that the organization is a nonprofit organization 141095
that is located in this state and is exempt from federal income 141096
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 141097
the organization's primary purpose; a description of the type or 141098
types of property the organization needs; and the name, address, 141099
and telephone number of a person designated by the organization's 141100
governing board to receive donated property and to serve as its 141101
agent. The written notice may be submitted electronically to the 141102
board or its representative. 141103

After adoption of the resolution, the board shall ~~publish, in~~ 141104
~~a newspaper of general circulation in the school district or as~~ 141105
~~provided in section 7.16 of the Revised Code, notice of its intent~~ 141106
~~to donate unneeded, obsolete, or unfit for use school district~~ 141107
~~property to eligible nonprofit organizations. The notice shall~~ 141108
~~include a summary of the information provided in the resolution~~ 141109
~~and shall be published twice. The second notice shall be published~~ 141110
~~not less than ten nor more than twenty days after the previous~~ 141111
~~notice. A similar notice also shall be posted continually post in~~ 141112
the board's office notice of its intent to donate school district 141113
property that is unneeded, obsolete, or unfit for use to eligible 141114
nonprofit organizations. If the school district maintains a web 141115
site on the internet, the notice shall be posted continually at 141116

that web site. 141117

The board or its representatives shall maintain a list of all 141118
nonprofit organizations that notify the board or its 141119
representative of their desire to obtain donated property under 141120
this division and that the board or its representative determines 141121
to be eligible, in accordance with the requirements set forth in 141122
this section and in the donation program's guidelines and 141123
procedures, to receive donated property. 141124

The board or its representative also shall maintain a list of 141125
all school district property the board finds to be unneeded, 141126
obsolete, or unfit for use and to be available for donation under 141127
this division. The list shall be posted continually in a 141128
conspicuous location in the board's office, and, if the school 141129
district maintains a web site on the internet, the list shall be 141130
posted continually at that web site. An item of property on the 141131
list shall be donated to the eligible nonprofit organization that 141132
first declares to the board or its representative its desire to 141133
obtain the item unless the board previously has established, by 141134
resolution, a list of eligible nonprofit organizations that shall 141135
be given priority with respect to the item's donation. Priority 141136
may be given on the basis that the purposes of a nonprofit 141137
organization have a direct relationship to specific school 141138
district purposes of programs provided or administered by the 141139
board. A resolution giving priority to certain nonprofit 141140
organizations with respect to the donation of an item of property 141141
shall specify the reasons why the organizations are given that 141142
priority. 141143

Members of the board shall consult with the Ohio ethics 141144
commission, and comply with Chapters 102. and 2921. of the Revised 141145
Code, with respect to any donation under this division to a 141146
nonprofit organization of which a board member, any member of a 141147

is a trustee, officer, board member, or employee. 141149

part of the costs incurred in operating the program. 141178

(B) The department shall publish a list of public schools that meet the conditions of division (A) of this section. (C)(1) The department shall monitor each school participating in the program and ensure that each participating school complies with the requirements of this section.

(2) If the board of education of a school district determines that, for financial reasons, a school under the board's control cannot comply with the requirements of this section or the board already has a successful breakfast program or partnership in place, the district board may choose not to comply with those requirements.

(D) Not later than the thirty-first day of December of each school year, the department shall provide statistical reports on its web site that specify the number and percentage of students participating in school breakfast programs disaggregated by school district and individual schools, including community schools, established under Chapter 3314. of the Revised Code, and STEM schools, established under Chapter 3326. of the Revised Code.

(C) The contracts as provided for in this section may be 141288
terminated by a majority vote of the board of education. Except as 141289
provided in sections 3319.0810 and 3319.172 of the Revised Code, 141290
the contracts may be terminated only for violation of written 141291
rules and regulations as set forth by the board of education or 141292

conduct, insubordination, discourteous treatment of the public, 141294
neglect of duty, or any other acts of misfeasance, malfeasance, or 141295
nonfeasance. In addition to the right of the board of education to 141296
terminate the contract of an employee, the board may suspend an 141297
employee for a definite period of time or demote the employee for 141298
the reasons set forth in this division. The action of the board of 141299

education terminating the contract of an employee or suspending or 141300
demoting the employee shall be served upon the employee by 141301
certified mail, regular mail with a certificate of mailing, or 141302

electronic delivery with electronic proof of delivery. Within ten 141304
days following the receipt of such notice by the employee, the 141305
employee may file an appeal, in writing, with the court of common 141306

or modify the action of the school board. 141309

A violation of division (A)(7) of section 2907.03 of the 141310
Revised Code is grounds for termination of employment of a 141311
nonteaching employee under this division. 141312

(D) All employees who have been employed by a school district 141313
where the provisions of Chapter 124. of the Revised Code do not 141314

shall hold continuing contracts of employment pursuant to this 141316
section. 141317

(E) Any nonteaching school employee may terminate the 141318
nonteaching school employee's contract of employment thirty days 141319
subsequent to the filing of a written notice of such termination 141320
with the treasurer of the board. 141321

(F) A person hired exclusively for the purpose of replacing a 141322
nonteaching school employee while such employee is on leave of 141323
absence granted under section 3319.13 of the Revised Code is not a 141324
regular nonteaching school employee under this section. 141325

(G) All nonteaching employees employed pursuant to this 141326
section and Chapter 124. of the Revised Code shall be paid for all 141327
time lost when the schools in which they are employed are closed 141328
owing to an epidemic or other public calamity. Nothing in this 141329
division shall be construed as requiring payment in excess of an 141330

employee's regular wage rate or salary for any time worked while 141331
the school in which the employee is employed is officially closed 141332
for the reasons set forth in this division. 141333

Sec. 3319.11. (A) As used in this section: 141334

(1) "Evaluation procedures" means the procedures required by 141335
the policy adopted pursuant to division (A) of section 3319.111 of 141336
the Revised Code. 141337

(2) "Limited contract" means a limited contract, as described 141338
in section 3319.08 of the Revised Code, that a school district 141339
board of education or governing board of an educational service 141340
center enters into with a teacher who is not eligible for 141341
continuing service status. 141342

(3) "Extended limited contract" means a limited contract, as 141343
described in section 3319.08 of the Revised Code, that a board of 141344
education or governing board enters into with a teacher who is 141345
eligible for continuing service status. 141346

(B) Teachers eligible for continuing service status in any 141347
city, exempted village, local, or joint vocational school district 141348
or educational service center shall be those teachers qualified as 141349
described in division (D) of section 3319.08 of the Revised Code, 141350
who within the last five years have taught for at least three 141351
years in the district or center, and those teachers who, having 141352
attained continuing contract status elsewhere, have served two 141353
years in the district or center, but the board, upon the 141354
recommendation of the superintendent, may at the time of 141355
employment or at any time within such two-year period, declare any 141356
of the latter teachers eligible. 141357

(1) Upon the recommendation of the superintendent that a 141358
teacher eligible for continuing service status be reemployed, a 141359
continuing contract shall be entered into between the board and 141360

the teacher unless the board by a three-fourths vote of its full membership rejects the recommendation of the superintendent. If the board rejects by a three-fourths vote of its full membership the recommendation of the superintendent that a teacher eligible for continuing service status be reemployed and the superintendent makes no recommendation to the board pursuant to division (C) of this section, the board may declare its intention not to reemploy the teacher by giving the teacher written notice on or before the first day of June of its intention not to reemploy the teacher. If evaluation procedures have not been complied with pursuant to section 3319.111 of the Revised Code or the board does not give the teacher written notice on or before the first day of June of its intention not to reemploy the teacher, the teacher is deemed reemployed under an extended limited contract for a term not to exceed one year at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under the extended limited contract for a term not to exceed one year unless such teacher notifies the board in writing to the contrary on or before the fifteenth day of June, and an extended limited contract for a term not to exceed one year shall be executed accordingly. Upon any subsequent reemployment of the teacher only a continuing contract may be entered into.

(2) If the superintendent recommends that a teacher eligible for continuing service status not be reemployed, the board may declare its intention not to reemploy the teacher by giving the teacher written notice on or before the first day of June of its intention not to reemploy the teacher. If evaluation procedures have not been complied with pursuant to section 3319.111 of the Revised Code or the board does not give the teacher written notice on or before the first day of June of its intention not to reemploy the teacher, the teacher is deemed reemployed under an extended limited contract for a term not to exceed one year at the same salary plus any increment provided by the salary schedule.

The teacher is presumed to have accepted employment under the 141394
extended limited contract for a term not to exceed one year unless 141395
such teacher notifies the board in writing to the contrary on or 141396
before the fifteenth day of June, and an extended limited contract 141397
for a term not to exceed one year shall be executed accordingly. 141398
Upon any subsequent reemployment of a teacher only a continuing 141399
contract may be entered into. 141400

(3) Any teacher receiving written notice of the intention of 141401
a board not to reemploy such teacher pursuant to this division is 141402
entitled to the hearing provisions of division (G) of this 141403
section. 141404

(C)(1) If a board rejects the recommendation of the 141405
superintendent for reemployment of a teacher pursuant to division 141406
(B)(1) of this section, the superintendent may recommend 141407
reemployment of the teacher, if continuing service status has not 141408
previously been attained elsewhere, under an extended limited 141409
contract for a term not to exceed two years, provided that written 141410
notice of the superintendent's intention to make such 141411
recommendation has been given to the teacher with reasons directed 141412
at the professional improvement of the teacher on or before the 141413
first day of June. Upon subsequent reemployment of the teacher 141414
only a continuing contract may be entered into. 141415

(2) If a board of education takes affirmative action on a 141416
superintendent's recommendation, made pursuant to division (C)(1) 141417
of this section, of an extended limited contract for a term not to 141418
exceed two years but the board does not give the teacher written 141419
notice of its affirmative action on the superintendent's 141420
recommendation of an extended limited contract on or before the 141421
first day of June, the teacher is deemed reemployed under a 141422
continuing contract at the same salary plus any increment provided 141423
by the salary schedule. The teacher is presumed to have accepted 141424
employment under such continuing contract unless such teacher 141425

notifies the board in writing to the contrary on or before the 141426
fifteenth day of June, and a continuing contract shall be executed 141427
accordingly. 141428

(3) A board shall not reject a superintendent's 141429
recommendation, made pursuant to division (C)(1) of this section, 141430
of an extended limited contract for a term not to exceed two years 141431
except by a three-fourths vote of its full membership. If a board 141432
rejects by a three-fourths vote of its full membership the 141433
recommendation of the superintendent of an extended limited 141434
contract for a term not to exceed two years, the board may declare 141435
its intention not to reemploy the teacher by giving the teacher 141436
written notice on or before the first day of June of its intention 141437
not to reemploy the teacher. If evaluation procedures have not 141438
been complied with pursuant to section 3319.111 of the Revised 141439
Code or if the board does not give the teacher written notice on 141440
or before the first day of June of its intention not to reemploy 141441
the teacher, the teacher is deemed reemployed under an extended 141442
limited contract for a term not to exceed one year at the same 141443
salary plus any increment provided by the salary schedule. The 141444
teacher is presumed to have accepted employment under the extended 141445
limited contract for a term not to exceed one year unless such 141446
teacher notifies the board in writing to the contrary on or before 141447
the fifteenth day of June, and an extended limited contract for a 141448
term not to exceed one year shall be executed accordingly. Upon 141449
any subsequent reemployment of the teacher only a continuing 141450
contract may be entered into. 141451

Any teacher receiving written notice of the intention of a 141452
board not to reemploy such teacher pursuant to this division is 141453
entitled to the hearing provisions of division (G) of this 141454
section. 141455

(D) A teacher eligible for continuing contract status 141456
employed under an extended limited contract pursuant to division 141457

(B) or (C) of this section, is, at the expiration of such extended 141458
limited contract, deemed reemployed under a continuing contract at 141459
the same salary plus any increment granted by the salary schedule, 141460
unless evaluation procedures have been complied with pursuant to 141461
section 3319.111 of the Revised Code and the employing board, 141462
acting on the superintendent's recommendation that the teacher not 141463
be reemployed, gives the teacher written notice on or before the 141464
first day of June of its intention not to reemploy such teacher. A 141465
teacher who does not have evaluation procedures applied in 141466
compliance with section 3319.111 of the Revised Code or who does 141467
not receive notice on or before the first day of June of the 141468
intention of the board not to reemploy such teacher is presumed to 141469
have accepted employment under a continuing contract unless such 141470
teacher notifies the board in writing to the contrary on or before 141471
the fifteenth day of June, and a continuing contract shall be 141472
executed accordingly. 141473

Any teacher receiving a written notice of the intention of a 141474
board not to reemploy such teacher pursuant to this division is 141475
entitled to the hearing provisions of division (G) of this 141476
section. 141477

(E) The board shall enter into a limited contract with each 141478
teacher employed by the board who is not eligible to be considered 141479
for a continuing contract. 141480

Any teacher employed under a limited contract, and not 141481
eligible to be considered for a continuing contract, is, at the 141482
expiration of such limited contract, considered reemployed under 141483
the provisions of this division at the same salary plus any 141484
increment provided by the salary schedule unless evaluation 141485
procedures have been complied with pursuant to section 3319.111 of 141486
the Revised Code and the employing board, acting upon the 141487
superintendent's written recommendation that the teacher not be 141488
reemployed, gives such teacher written notice of its intention not 141489

to reemploy such teacher on or before the first day of June. A 141490
teacher who does not have evaluation procedures applied in 141491
compliance with section 3319.111 of the Revised Code or who does 141492
not receive notice of the intention of the board not to reemploy 141493
such teacher on or before the first day of June is presumed to 141494
have accepted such employment unless such teacher notifies the 141495
board in writing to the contrary on or before the fifteenth day of 141496
June, and a written contract for the succeeding school year shall 141497
be executed accordingly. 141498

Any teacher receiving a written notice of the intention of a 141499
board not to reemploy such teacher pursuant to this division is 141500
entitled to the hearing provisions of division (G) of this 141501
section. 141502

(F) The failure of a superintendent to make a recommendation 141503
to the board under any of the conditions set forth in divisions 141504
(B) to (E) of this section, or the failure of the board to give 141505
such teacher a written notice pursuant to divisions (C) to (E) of 141506
this section shall not prejudice or prevent a teacher from being 141507
deemed reemployed under either a limited or continuing contract as 141508
the case may be under the provisions of this section. A failure of 141509
the parties to execute a written contract shall not void any 141510
automatic reemployment provisions of this section. 141511

(G)(1) Any teacher receiving written notice of the intention 141512
of a board of education not to reemploy such teacher pursuant to 141513
division (B), (C)(3), (D), or (E) of this section may, within ten 141514
days of the date of receipt of the notice, file with the treasurer 141515
of the board a written demand for a written statement describing 141516
the circumstances that led to the board's intention not to 141517
reemploy the teacher. 141518

(2) The treasurer of a board, on behalf of the board, shall, 141519
within ten days of the date of receipt of a written demand for a 141520
written statement pursuant to division (G)(1) of this section, 141521

provide to the teacher a written statement describing the 141522
circumstances that led to the board's intention not to reemploy 141523
the teacher. 141524

(3) Any teacher receiving a written statement describing the 141525
circumstances that led to the board's intention not to reemploy 141526
the teacher pursuant to division (G)(2) of this section may, 141527
within five days of the date of receipt of the statement, file 141528
with the treasurer of the board a written demand for a hearing 141529
before the board pursuant to divisions (G)(4) to (6) of this 141530
section. 141531

(4) The treasurer of a board, on behalf of the board, shall, 141532
within ten days of the date of receipt of a written demand for a 141533
hearing pursuant to division (G)(3) of this section, provide to 141534
the teacher a written notice setting forth the time, date, and 141535
place of the hearing. The board shall schedule and conclude the 141536
hearing within forty days of the date on which the treasurer of 141537
the board receives a written demand for a hearing pursuant to 141538
division (G)(3) of this section. 141539

(5) Any hearing conducted pursuant to this division shall be 141540
conducted by a majority of the members of the board. The hearing 141541
shall be held in executive session of the board unless the board 141542
and the teacher agree to hold the hearing in public. The 141543
superintendent, assistant superintendent, the teacher, and any 141544
person designated by either party to take a record of the hearing 141545
may be present at the hearing. The board may be represented by 141546
counsel and the teacher may be represented by counsel or a 141547
designee. A record of the hearing may be taken by either party at 141548
the expense of the party taking the record. 141549

(6) Within ten days of the conclusion of a hearing conducted 141550
pursuant to this division, the board shall issue to the teacher a 141551
written decision containing an order affirming the intention of 141552
the board not to reemploy the teacher reported in the notice given 141553

to the teacher pursuant to division (B), (C)(3), (D), or (E) of 141554
this section or an order vacating the intention not to reemploy 141555
and expunging any record of the intention, notice of the 141556
intention, and the hearing conducted pursuant to this division. 141557

(7) A teacher may appeal an order affirming the intention of 141558
the board not to reemploy the teacher to the court of common pleas 141559
of the county in which the largest portion of the territory of the 141560
school district or service center is located, within thirty days 141561
of the date on which the teacher receives the written decision, on 141562
the grounds that the board has not complied with this section or 141563
section 3319.111 of the Revised Code. 141564

Notwithstanding section 2506.04 of the Revised Code, the 141565
court in an appeal under this division is limited to the 141566
determination of procedural errors and to ordering the correction 141567
of procedural errors and shall have no jurisdiction to order a 141568
board to reemploy a teacher, except that the court may order a 141569
board to reemploy a teacher in compliance with the requirements of 141570
division (B), (C)(3), (D), or (E) of this section when the court 141571
determines that evaluation procedures have not been complied with 141572
pursuant to section 3319.111 of the Revised Code or the board has 141573
not given the teacher written notice on or before the first day of 141574
June of its intention not to reemploy the teacher pursuant to 141575
division (B), (C)(3), (D), or (E) of this section. Otherwise, the 141576
determination whether to reemploy or not reemploy a teacher is 141577
solely a board's determination and not a proper subject of 141578
judicial review and, except as provided in this division, no 141579
decision of a board whether to reemploy or not reemploy a teacher 141580
shall be invalidated by the court on any basis, including that the 141581
decision was not warranted by the results of any evaluation or was 141582
not warranted by any statement given pursuant to division (G)(2) 141583
of this section. 141584

No appeal of an order of a board may be made except as 141585

specified in this division. 141586

(H)(1) In giving a teacher any notice required by division 141587
(B), (C), (D), or (E) of this section, the board or the 141588
superintendent shall do either of the following: 141589

(a) Deliver the notice by personal service upon the teacher; 141590

(b) Deliver the notice by certified mail, return receipt 141591
requested, regular mail with a certificate of mailing, or other 141592
form of delivery with proof of delivery, addressed to the teacher 141593
at the teacher's place of employment and deliver a copy of the 141594
notice by certified mail, return receipt requested, regular mail 141595
with a certificate of mailing, or other form of delivery with 141596
proof of delivery, addressed to the teacher at the teacher's place 141597
of residence. Delivery of the notice required under division 141598
(H)(1)(b) of this section may be satisfied by electronic delivery 141599
with electronic proof of delivery. 141600

(2) In giving a board any notice required by division (B), 141601
(C), (D), or (E) of this section, the teacher shall do either of 141602
the following: 141603

(a) Deliver the notice by personal delivery to the office of 141604
the superintendent during regular business hours; 141605

(b) Deliver the notice by certified mail, return receipt 141606
requested, regular mail with a certificate of mailing, or other 141607
form of delivery with proof of delivery, addressed to the office 141608
of the superintendent and deliver a copy of the notice by 141609
certified mail, return receipt requested, regular mail with a 141610
certificate of mailing, or other form of delivery with proof of 141611
delivery, addressed to the president of the board at the 141612
president's place of residence. Delivery of the notice required 141613
under division (H)(2)(b) of this section may be satisfied by 141614
electronic delivery with electronic proof of delivery. 141615

(3) When any notice and copy of the notice are mailed 141616

pursuant to division (H)(1)(b) or (2)(b) of this section, the 141617
notice or copy of the notice with the earlier date of receipt 141618
shall constitute the notice for the purposes of division (B), (C), 141619
(D), or (E) of this section. 141620

(I) The provisions of this section shall not apply to any 141621
supplemental written contracts entered into pursuant to section 141622
3319.08 of the Revised Code. 141623

(J) Notwithstanding any provision to the contrary in Chapter 141624
4117. of the Revised Code, the dates set forth in this section as 141625
"on or before the first day of June" or "on or before the 141626
fifteenth day of June" prevail over any conflicting provisions of 141627
a collective bargaining agreement entered into on or after ~~the~~ 141628
~~effective date of this amendment~~ March 22, 2013. 141629

Sec. 3319.16. The contract of any teacher employed by the 141630
board of education of any city, exempted village, local, county, 141631
or joint vocational school district may not be terminated except 141632
for good and just cause. Notwithstanding any provision to the 141633
contrary in Chapter 4117. of the Revised Code, the provisions of 141634
this section relating to the grounds for termination of the 141635
contract of a teacher prevail over any conflicting provisions of a 141636
collective bargaining agreement entered into after ~~the effective~~ 141637
~~date of this amendment~~ October 16, 2009. 141638

Before terminating any contract, the employing board shall 141639
furnish the teacher a written notice signed by its treasurer of 141640
its intention to consider the termination of the teacher's 141641
contract with full specification of the grounds for such 141642
consideration. The board shall not proceed with formal action to 141643
terminate the contract until after the tenth day after receipt of 141644
the notice by the teacher. Within ten days after receipt of the 141645
notice from the treasurer of the board, the teacher may file with 141646
the treasurer a written demand for a hearing before the board or 141647

before a referee, and the board shall set a time for the hearing 141648
which shall be within thirty days from the date of receipt of the 141649
written demand, and the treasurer shall give the teacher at least 141650
twenty days' notice in writing of the time and place of the 141651
hearing. If a referee is demanded by either the teacher or board, 141652
the treasurer also shall give twenty days' notice to the 141653
superintendent of public instruction. No hearing shall be held 141654
during the summer vacation without the teacher's consent. The 141655
hearing shall be private unless the teacher requests a public 141656
hearing. The hearing shall be conducted by a referee appointed 141657
pursuant to section 3319.161 of the Revised Code, if demanded; 141658
otherwise, it shall be conducted by a majority of the members of 141659
the board and shall be confined to the grounds given for the 141660
termination. The board shall provide for a complete ~~stenographic~~ 141661
record of the proceedings, a copy of the record to be furnished to 141662
the teacher. The board may suspend a teacher pending final action 141663
to terminate the teacher's contract if, in its judgment, the 141664
character of the charges warrants such action. 141665

Both parties may be present at such hearing, be represented 141666
by counsel, require witnesses to be under oath, cross-examine 141667
witnesses, take a record of the proceedings, and require the 141668
presence of witnesses in their behalf upon subpoena to be issued 141669
by the treasurer of the board. In case of the failure of any 141670
person to comply with a subpoena, a judge of the court of common 141671
pleas of the county in which the person resides, upon application 141672
of any interested party, shall compel attendance of the person by 141673
attachment proceedings as for contempt. Any member of the board or 141674
the referee may administer oaths to witnesses. After a hearing by 141675
a referee, the referee shall file a report within ten days after 141676
the termination of the hearing. After consideration of the 141677
referee's report, the board, by a majority vote, may accept or 141678
reject the referee's recommendation on the termination of the 141679
teacher's contract. After a hearing by the board, the board, by 141680

majority vote, may enter its determination upon its minutes. Any 141681
order of termination of a contract shall state the grounds for 141682
termination. If the decision, after hearing, is against 141683
termination of the contract, the charges and the record of the 141684
hearing shall be physically expunged from the minutes, and, if the 141685
teacher has suffered any loss of salary by reason of being 141686
suspended, the teacher shall be paid the teacher's full salary for 141687
the period of such suspension. 141688

Any teacher affected by an order of termination of contract 141689
may appeal to the court of common pleas of the county in which the 141690
school is located within thirty days after receipt of notice of 141691
the entry of such order. The appeal shall be an original action in 141692
the court and shall be commenced by the filing of a complaint 141693
against the board, in which complaint the facts shall be alleged 141694
upon which the teacher relies for a reversal or modification of 141695
such order of termination of contract. Upon service or waiver of 141696
summons in that appeal, the board immediately shall transmit to 141697
the clerk of the court for filing a transcript of the original 141698
papers filed with the board, a certified copy of the minutes of 141699
the board into which the termination finding was entered, and a 141700
certified transcript of all evidence adduced at the hearing or 141701
hearings before the board or a certified transcript of all 141702
evidence adduced at the hearing or hearings before the referee, 141703
whereupon the cause shall be at issue without further pleading and 141704
shall be advanced and heard without delay. The court shall examine 141705
the transcript and record of the hearing and shall hold such 141706
additional hearings as it considers advisable, at which it may 141707
consider other evidence in addition to the transcript and record. 141708

Upon final hearing, the court shall grant or deny the relief 141709
prayed for in the complaint as may be proper in accordance with 141710
the evidence adduced in the hearing. Such an action is a special 141711
proceeding, and either the teacher or the board may appeal from 141712

the decision of the court of common pleas pursuant to the Rules of 141713
Appellate Procedure and, to the extent not in conflict with those 141714
rules, Chapter 2505. of the Revised Code. 141715

In any court action, the board may utilize the services of 141716
the prosecuting attorney, village solicitor, city director of law, 141717
or other chief legal officer of a municipal corporation as 141718
authorized by section 3313.35 of the Revised Code, or may employ 141719
other legal counsel. 141720

A violation of division (A)(7) of section 2907.03 of the 141721
Revised Code is grounds for termination of a teacher contract 141722
under this section. 141723

Sec. 3319.291. (A) The state board of education shall require 141724
each of the following persons, at the times prescribed by division 141725
(A) of this section, to undergo a criminal records check, unless 141726
the person has undergone a records check under this section or a 141727
former version of this section less than five years prior to that 141728
time. 141729

(1) Any person initially applying for any certificate, 141730
license, or permit described in this chapter or in division (B) of 141731
section 3301.071 or in section 3301.074 of the Revised Code at the 141732
time that application is made; 141733

(2) Any person applying for renewal of any certificate, 141734
license, or permit described in division (A)(1) of this section at 141735
the time that application is made; 141736

(3) Any person who is teaching under a professional teaching 141737
certificate issued under former section 3319.222 of the Revised 141738
Code upon a date prescribed by the state board; 141739

(4) Any person who is teaching under a permanent teaching 141740
certificate issued under former section 3319.22 as it existed 141741
prior to October 29, 1996, or under former section 3319.222 of the 141742

Revised Code upon a date prescribed by the state board and every 141743
five years thereafter. 141744

(B)(1) Except as otherwise provided in division (B)(2) of 141745
this section, the state board shall require each person subject to 141746
a criminal records check under this section to submit two complete 141747
sets of fingerprints and written permission that authorizes the 141748
superintendent of public instruction to forward the fingerprints 141749
to the bureau of criminal identification and investigation 141750
pursuant to division (F) of section 109.57 of the Revised Code and 141751
that authorizes that bureau to forward the fingerprints to the 141752
federal bureau of investigation for purposes of obtaining any 141753
criminal records that the federal bureau maintains on the person. 141754

(2) If both of the following conditions apply to a person 141755
subject to a criminal records check under this section, the state 141756
board shall require the person to submit one complete set of 141757
fingerprints and written permission that authorizes the 141758
superintendent of public instruction to forward the fingerprints 141759
to the bureau of criminal identification and investigation so that 141760
bureau may forward the fingerprints to the federal bureau of 141761
investigation for purposes of obtaining any criminal records that 141762
the federal bureau maintains on the person: 141763

(a) Under this section or any former version of this section, 141764
the state board or the superintendent of public instruction 141765
previously requested the superintendent of the bureau of criminal 141766
identification and investigation to determine whether the bureau 141767
has any information, gathered pursuant to division (A) of section 141768
109.57 of the Revised Code, on the person. 141769

(b) The person presents proof that the person has been a 141770
resident of this state for the five-year period immediately prior 141771
to the date upon which the person becomes subject to a criminal 141772
records check under this section. 141773

(C) Except as provided in division (D) of this section, prior to issuing or renewing any certificate, license, or permit for a person described in division (A)(1) or (2) of this section who is subject to a criminal records check and in the case of a person described in division (A)(3) or (4) of this section who is subject to a criminal records check, the state board or the superintendent of public instruction shall do one of the following:

(1) If the person is required to submit fingerprints and written permission under division (B)(1) of this section, request the superintendent of the bureau of criminal identification and investigation to determine whether the bureau has any information, gathered pursuant to division (A) of section 109.57 of the Revised Code, pertaining to the person and to obtain any criminal records that the federal bureau of investigation has on the person.

(2) If the person is required to submit fingerprints and written permission under division (B)(2) of this section, request the superintendent of the bureau of criminal identification and investigation to obtain any criminal records that the federal bureau of investigation has on the person.

(D) The state board or the superintendent of public instruction may choose not to request any information about a person required by division (C) of this section if the person provides proof that a criminal records check that satisfies the requirements of that division was conducted on the person as a condition of employment pursuant to section 3319.39 of the Revised Code within the immediately preceding year. The state board or the superintendent of public instruction may accept a certified copy of records that were issued by the bureau of criminal identification and investigation and that are presented by the person in lieu of requesting that information under division (C) of this section if the records were issued by the bureau within the immediately preceding year.

(E)(1) If a person described in division (A)(3) or (4) of this section who is subject to a criminal records check fails to submit fingerprints and written permission by the date specified in the applicable division, and the state board or the superintendent of public instruction does not apply division (D) of this section to the person, or if a person who is subject to division (G) of this section fails to submit fingerprints and written permission by the date prescribed under that division, the superintendent shall prepare a written notice to be sent to the person by mail or electronically stating that if the person does not submit the fingerprints and written permission within fifteen days after the date the notice was mailed or sent electronically, the person's application will be rejected or the person's professional or permanent teaching certificate or license will be inactivated. The superintendent shall send the notification by regular mail to the person's last known residence address or last known place of employment, as indicated in the department of education's records, or both. If the notice is sent electronically, the notification shall be sent via electronic mail to the person's last known electronic mail address.

If the person fails to submit the fingerprints and written permission within fifteen days after the date the notice was mailed, the superintendent of public instruction, on behalf of the state board, shall issue a written order rejecting the application or inactivating the person's professional or permanent teaching certificate or license. The rejection or inactivation shall remain in effect until the person submits the fingerprints and written permission. The superintendent shall send the order by regular mail or electronic mail to the person's last known residence address, last known electronic mail address, or last known place of employment, as indicated in the department's records, ~~or both~~. The order shall state the reason for the rejection or inactivation and shall explain that the rejection or inactivation remains in

effect until the person submits the fingerprints and written 141839
permission. 141840

The rejection or inactivation of a professional or permanent 141841
teaching certificate or license under division (E)(1) of this 141842
section does not constitute a suspension or revocation of the 141843
certificate or license by the state board under section 3319.31 of 141844
the Revised Code and the state board and the superintendent of 141845
public instruction need not provide the person with an opportunity 141846
for a hearing with respect to the rejection or inactivation. 141847

(2) If a person whose professional or permanent teaching 141848
certificate or license has been rejected or inactivated under 141849
division (E)(1) of this section submits fingerprints and written 141850
permission as required by division (B) or (G) of this section, the 141851
superintendent of public instruction, on behalf of the state 141852
board, shall issue a written order issuing or reactivating the 141853
certificate or license. The superintendent shall send the order to 141854
the person by regular mail or electronic mail. 141855

(F) Notwithstanding divisions (A) to (C) of this section, if 141856
a person holds more than one certificate, license, or permit 141857
described in division (A)(1) of this section, the following shall 141858
apply: 141859

(1) If the certificates, licenses, or permits are of 141860
different durations, the person shall be subject to divisions (A) 141861
to (C) of this section only when applying for renewal of the 141862
certificate, license, or permit that is of the longest duration. 141863
Prior to renewing any certificate, license, or permit with a 141864
shorter duration, the state board or the superintendent of public 141865
instruction shall determine whether the department of education 141866
has received any information about the person pursuant to section 141867
109.5721 of the Revised Code, but the person shall not be subject 141868
to divisions (A) to (C) of this section as long as the person's 141869
certificate, license, or permit with the longest duration is 141870

valid. 141871

(2) If the certificates, licenses, or permits are of the same 141872
duration but do not expire in the same year, the person shall 141873
designate one of the certificates, licenses, or permits as the 141874
person's primary certificate, license, or permit and shall notify 141875
the department of that designation. The person shall be subject to 141876
divisions (A) to (C) of this section only when applying for 141877
renewal of the person's primary certificate, license, or permit. 141878
Prior to renewing any certificate, license, or permit that is not 141879
the person's primary certificate, license, or permit, the state 141880
board or the superintendent of public instruction shall determine 141881
whether the department has received any information about the 141882
person pursuant to section 109.5721 of the Revised Code, but the 141883
person shall not be subject to divisions (A) to (C) of this 141884
section as long as the person's primary certificate, license, or 141885
permit is valid. 141886

(3) If the certificates, licenses, or permits are of the same 141887
duration and expire in the same year and the person applies for 141888
renewal of the certificates, licenses, or permits at the same 141889
time, the state board or the superintendent of public instruction 141890
shall request only one criminal records check of the person under 141891
division (C) of this section. 141892

(G) If the department is unable to enroll a person who has 141893
submitted an application for licensure, or to whom the state board 141894
has issued a license, in the retained applicant fingerprint 141895
database established under section 109.5721 of the Revised Code 141896
because the person has not satisfied the requirements for 141897
enrollment, the department shall require the person to satisfy the 141898
requirements for enrollment, including requiring the person to 141899
submit, by a date prescribed by the department, one complete set 141900
of fingerprints and written permission that authorizes the 141901
superintendent of public instruction to forward the fingerprints 141902

to the bureau of criminal identification and investigation for the 141903
purpose of enrolling the person in the database. If the person 141904
fails to comply by the prescribed date, the department shall 141905
reject the application or shall take action to inactivate the 141906
person's license in accordance with division (E) of this section. 141907

Sec. 3319.311. (A)(1) The state board of education, or the 141908
superintendent of public instruction on behalf of the board, may 141909
investigate any information received about a person that 141910
reasonably appears to be a basis for action under section 3319.31 141911
of the Revised Code, including information received pursuant to 141912
section 3314.40, 3319.291, 3319.313, 3326.24, 3328.19, 5126.253, 141913
or 5153.176 of the Revised Code. Except as provided in division 141914
(A)(2) of this section, the board shall contract with the office 141915
of the Ohio attorney general to conduct any investigation of that 141916
nature. The board shall pay for the costs of the contract only 141917
from moneys in the state board of education licensure fund 141918
established under section 3319.51 of the Revised Code. Except as 141919
provided in division (A)(2) of this section, all information 141920
received pursuant to section 3314.40, 3319.291, 3319.313, 3326.24, 141921
3328.19, 5126.253, or 5153.176 of the Revised Code, and all 141922
information obtained during an investigation is confidential and 141923
is not a public record under section 149.43 of the Revised Code. 141924
If an investigation is conducted under this division regarding 141925
information received about a person and no action is taken against 141926
the person under this section or section 3319.31 of the Revised 141927
Code within two years of the completion of the investigation, all 141928
records of the investigation shall be expunged. 141929

(2) In the case of a person about whom the board has learned 141930
of a plea of guilty to, finding of guilt by a jury or court of, or 141931
a conviction of an offense listed in division (C) of section 141932
3319.31 of the Revised Code, or substantially comparable conduct 141933
occurring in a jurisdiction outside this state, the board or the 141934

superintendent of public instruction need not conduct any further 141935
investigation and shall take the action required by division (C) 141936
or (F) of that section. Except as provided in division (G) of this 141937
section, all information obtained by the board or the 141938
superintendent of public instruction pertaining to the action is a 141939
public record under section 149.43 of the Revised Code. 141940

(B) The superintendent of public instruction shall review the 141941
results of each investigation of a person conducted under division 141942
(A)(1) of this section and shall determine, on behalf of the state 141943
board, whether the results warrant initiating action under 141944
division (B) of section 3319.31 of the Revised Code. The 141945
superintendent shall advise the board of such determination at a 141946
meeting of the board. Within fourteen days of the next meeting of 141947
the board, any member of the board may ask that the question of 141948
initiating action under section 3319.31 of the Revised Code be 141949
placed on the board's agenda for that next meeting. Prior to 141950
initiating that action against any person, the person's name and 141951
any other personally identifiable information shall remain 141952
confidential. 141953

(C) The board shall take no action against a person under 141954
division (B) of section 3319.31 of the Revised Code without 141955
providing the person with written notice of the charges and with 141956
an opportunity for a hearing in accordance with Chapter 119. of 141957
the Revised Code. 141958

(D) For purposes of an investigation under division (A)(1) of 141959
this section or a hearing under division (C) of this section or 141960
under division (E)(2) of section 3319.31 of the Revised Code, the 141961
board, or the superintendent on behalf of the board, may 141962
administer oaths, order the taking of depositions, issue 141963
subpoenas, and compel the attendance of witnesses and the 141964
production of books, accounts, papers, records, documents, and 141965
testimony. The issuance of subpoenas under this division may be by 141966

certified mail, regular mail with a certificate of mailing, or 141967
other form of delivery with proof of delivery, including 141968
electronic delivery with electronic proof of delivery, or personal 141969

(E) The superintendent, on behalf of the board, may enter 141971
into a consent agreement with a person against whom action is 141972
being taken under division (B) of section 3319.31 of the Revised 141973
Code. The board may adopt rules governing the superintendent's 141974
action under this division. 141975

(F) No surrender of a license shall be effective until the 141976
board takes action to accept the surrender unless the surrender is 141977
pursuant to a consent agreement entered into under division (E) of 141978
this section. 141979

(G) The name of any person who is not required to report 141980
information under section 3314.40, 3319.313, 3326.24, 3328.19, 141981

provides information to the state board or superintendent of 141983
public instruction about alleged misconduct committed by a person 141984
who holds a license or has applied for issuance or renewal of a 141985
license, shall be confidential and shall not be released. Any such 141986
person shall be immune from any civil liability that otherwise 141987
might be incurred or imposed for injury, death, or loss to person 141988
or property as a result of the provision of that information. 141989

(H)(1) No person shall knowingly make a false report to the 141990

community school established under Chapter 3314. or a 141994

3328. of the Revised Code. 141996

(2)(a) In any civil action brought against a person in which 141997

it is alleged and proved that the person violated division (H)(1) 141998
of this section, the court shall award the prevailing party 141999
reasonable attorney's fees and costs that the prevailing party 142000
incurred in the civil action or as a result of the false report 142001
that was the basis of the violation. 142002

(b) If a person is convicted of or pleads guilty to a 142003
violation of division (H)(1) of this section, if the subject of 142004
the false report that was the basis of the violation was charged 142005
with any violation of a law or ordinance as a result of the false 142006
report, and if the subject of the false report is found not to be 142007
guilty of the charges brought against the subject as a result of 142008
the false report or those charges are dismissed, the court that 142009
sentences the person for the violation of division (H)(1) of this 142010
section, as part of the sentence, shall order the person to pay 142011
restitution to the subject of the false report, in an amount equal 142012
to reasonable attorney's fees and costs that the subject of the 142013
false report incurred as a result of or in relation to the 142014
charges. 142015

Sec. 3321.13. (A) Whenever any child of compulsory school age 142016

The superintendent shall thereupon forward a card showing the 142024
essential facts regarding the child and stating the place of the 142025
child's new residence to the superintendent of schools of the 142026
district to which the child has moved. 142027

The superintendent of public instruction may prescribe the 142028

forms to be used in the operation of this division. 142029

(B)(1) Upon receipt of information that a child of compulsory 142030

superintendent, that as a result of that information the child's 142064
temporary instruction permit or driver's license will be suspended 142065

142087

If the child and the child's parent, guardian, or custodian 142088
do not appear before the superintendent or a designee on the 142089
scheduled date and ~~at~~ for the scheduled ~~time and place~~ hearing, or 142090
if the child and the child's parent, guardian, or custodian appear 142091

notify the registrar of motor vehicles and the juvenile judge of 142099
the county in which the district is located that the child has 142100
been absent for that period of time and that the child does not 142101
have any legitimate excuse for the habitual absence. A 142102
notification to the registrar required by this division shall be 142103
given in the manner the registrar by rule requires and a 142104
notification to the juvenile judge required by this division shall 142105
be given in writing. Each notification shall be given within two 142106
weeks after the receipt of the information of the habitual absence 142107
from school without legitimate excuse, or, if the child and the 142108
child's parent, guardian, or custodian appear before the 142109
superintendent or a designee to challenge the information, within 142110
two weeks after the ~~appearance~~ hearing. 142111

For purposes of division (B)(2) of this section, a legitimate 142112
excuse for absence from school includes, but is not limited to, 142113
the fact that the child in question has enrolled in another school 142114
or school district in this or another state, the fact that the 142115
child in question was excused from attendance for any of the 142116
reasons specified in section 3321.04 of the Revised Code, or the 142117
fact that the child in question has received an age and schooling 142118
certificate in accordance with section 3331.01 of the Revised 142119
Code. 142120

(3) Whenever a pupil is suspended or expelled from school 142121
pursuant to section 3313.66 of the Revised Code and the reason for 142122
the suspension or expulsion is the use or possession of alcohol, a 142123
drug of abuse, or alcohol and a drug of abuse, the superintendent 142124

of schools of that district may notify the registrar and the 142125
juvenile judge of the county in which the district is located of 142126
such suspension or expulsion. Any such notification of suspension 142127
or expulsion shall be given to the registrar, in the manner the 142128
registrar by rule requires and shall be given to the juvenile 142129
judge in writing. The notifications shall be given within two 142130
weeks after the suspension or expulsion. 142131

(4) Whenever a pupil is suspended, expelled, removed, or 142132
permanently excluded from a school for misconduct included in a 142133
policy that the board of education of a city, exempted village, or 142134
local school district has adopted under division (A) of section 142135
3313.661 of the Revised Code, and the misconduct involves a 142136
firearm or a knife or other weapon as defined in that policy, the 142137
superintendent of schools of that district shall notify the 142138
registrar and the juvenile judge of the county in which the 142139
district is located of the suspension, expulsion, removal, or 142140
permanent exclusion. The notification shall be given to the 142141
registrar in the manner the registrar, by rule, requires and shall 142142
be given to the juvenile judge in writing. The notifications shall 142143
be given within two weeks after the suspension, expulsion, 142144
removal, or permanent exclusion. 142145

(C) A notification of withdrawal, habitual absence without 142146
legitimate excuse, suspension, or expulsion given to the registrar 142147
or a juvenile judge under division (B)(1), (2), (3), or (4) of 142148
this section shall contain the name, address, date of birth, 142149
school, and school district of the child. If the superintendent 142150
finds, after giving a notification of withdrawal, habitual absence 142151
without legitimate excuse, suspension, or expulsion to the 142152
registrar and the juvenile judge under division (B)(1), (2), (3), 142153
or (4) of this section, that the notification was given in error, 142154
the superintendent immediately shall notify the registrar and the 142155
juvenile judge of that fact. 142156

Sec. 3321.21. A notice under section 3321.19 or 3321.20 of 142157
the Revised Code, sent by registered mail, regular mail with a 142158
certificate of mailing, or other form of delivery with proof of 142159
delivery, including electronic delivery and electronic proof of 142160
delivery, is a legal notice. 142161

Sec. 3704.03. The director of environmental protection may do 142162
any of the following: 142163

(A) Develop programs for the prevention, control, and 142164
abatement of air pollution; 142165

(B) Advise, consult, contract, and cooperate with any 142166
governmental or private agency in the furtherance of the purposes 142167
of this chapter; 142168

(C) Encourage, participate in, or conduct studies, 142169
investigations, and research relating to air pollution, collect 142170
and disseminate information, and conduct education and training 142171
programs relating to the causes, prevention, control, and 142172
abatement of air pollution; 142173

(D) Adopt, modify, and rescind rules prescribing ambient air 142174
quality standards for the state as a whole or for various areas of 142175
the state that are consistent with and no more stringent than the 142176
national ambient air quality standards in effect under the federal 142177
Clean Air Act; 142178

(E) Adopt, modify, suspend, and rescind rules for the 142179
prevention, control, and abatement of air pollution, including 142180
rules prescribing for the state as a whole or for various areas of 142181
the state emission standards for air contaminants, and other 142182
necessary rules for the purpose of achieving and maintaining 142183
compliance with ambient air quality standards in all areas within 142184
the state as expeditiously as practicable, but not later than any 142185
deadlines applicable under the federal Clean Air Act; rules for 142186

the prevention or control of the emission of hazardous or toxic 142187
air contaminants; rules prescribing fugitive dust limitations and 142188
standards that are related, on an areawide basis, to attainment 142189
and maintenance of ambient air quality standards; rules 142190
prescribing shade, density, or opacity limitations and standards 142191
for emissions, provided that with regard to air contaminant 142192
sources for which there are particulate matter emission standards 142193
in addition to a shade, density, or opacity rule, upon 142194
demonstration by such a source of compliance with those other 142195
standards, the shade, density, or opacity rule shall provide for 142196
establishment of a shade, density, or opacity limitation for that 142197
source that does not require the source to reduce emissions below 142198
the level specified by those other standards; rules for the 142199
prevention or control of odors and air pollution nuisances; rules 142200
that prevent significant deterioration of air quality to the 142201
extent required by the federal Clean Air Act; rules for the 142202
protection of visibility as required by the federal Clean Air Act; 142203
and rules prescribing open burning limitations and standards. In 142204
adopting, modifying, suspending, or rescinding any such rules, the 142205
director, to the extent consistent with the federal Clean Air Act, 142206
shall hear and give consideration to evidence relating to all of 142207
the following: 142208

(1) Conditions calculated to result from compliance with the 142209
rules, the overall cost within this state of compliance with the 142210
rules, and their relation to benefits to the people of the state 142211
to be derived from that compliance; 142212

(2) The quantity and characteristics of air contaminants, the 142213
frequency and duration of their presence in the ambient air, and 142214
the dispersion and dilution of those contaminants; 142215

(3) Topography, prevailing wind directions and velocities, 142216
physical conditions, and other factors that may or may combine to 142217
affect air pollution. 142218

Consistent with division (K) of section 3704.036 of the Revised Code, the director shall consider alternative emission limits proposed by the owner or operator of an air contaminant source that is subject to an emission limit established in rules adopted under this division and shall accept those alternative emission limits that the director determines to be equivalent to emission limits established in rules adopted under this division.

(F)(1) Adopt, modify, suspend, and rescind rules consistent with the purposes of this chapter prohibiting the location, installation, construction, or modification of any air contaminant source or any machine, equipment, device, apparatus, or physical facility intended primarily to prevent or control the emission of air contaminants unless an installation permit therefor has been obtained from the director or the director's authorized representative.

(2)(a) Applications for installation permits shall be accompanied by plans, specifications, construction schedules, and such other pertinent information and data, including data on ambient air quality impact and a demonstration of best available technology, as the director may require. Installation permits shall be issued for a period specified by the director and are transferable. The director shall specify in each permit the applicable emission standards and that the permit is conditioned upon payment of the applicable fees as required by section 3745.11 of the Revised Code and upon the right of the director's authorized representatives to enter upon the premises of the person to whom the permit has been issued, at any reasonable time and subject to safety requirements of the person in control of the premises, for the purpose of determining compliance with such standards, this chapter, the rules adopted thereunder, and the conditions of any permit, variance, or order issued thereunder. Each proposed new or modified air contaminant source shall provide

such notice of its proposed installation or modification to other states as is required under the federal Clean Air Act. Installation permits shall include the authorization to operate sources installed and operated in accordance with terms and conditions of the installation permits for a period not to exceed one year from commencement of operation, which authorization shall constitute an operating permit under division (G) of this section and rules adopted under it.

No installation permit shall be required for activities that are subject to and in compliance with a plant-wide applicability limit issued by the director in accordance with rules adopted under this section.

No installation permit shall be issued except in accordance with all requirements of this chapter and rules adopted thereunder. No application shall be denied or permit revoked or modified without a written order stating the findings upon which denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or permit holder by certified mail.

(b) An air contaminant source that is the subject of an installation permit shall be installed or modified in accordance with the permit not later than eighteen months after the permit's effective date at which point the permit shall terminate unless one of the following applies:

(i) The owner or operator has undertaken a continuing program of installation or modification during the eighteen-month period.

(ii) The owner or operator has entered into a binding contractual obligation to undertake and complete within a reasonable period of time a continuing program of installation or modification of the air contaminant source during the eighteen-month period.

(iii) The director has extended the date by which the air

contaminant source that is the subject of the installation permit 142282
must be installed or modified. 142283

(iv) The installation permit is the subject of an appeal by a 142284
party other than the owner or operator of the air contaminant 142285
source that is the subject of the installation permit, in which 142286
case the date of termination of the permit is not later than 142287
eighteen months after the effective date of the permit plus the 142288
number of days between the date in which the permit was appealed 142289
and the date on which all appeals concerning the permit have been 142290
resolved. 142291

(v) The installation permit has been superseded by a 142292
subsequent installation permit, in which case the original 142293
installation permit terminates on the effective date of the 142294
superseding installation permit. 142295

Division (F)(2)(b) of this section applies to an installation 142296
permit that has not terminated as of ~~the effective date of this~~ 142297
~~amendment~~ October 16, 2009. 142298

The director may adopt rules in accordance with Chapter 119. 142299
of the Revised Code for the purpose of establishing additional 142300
requirements that are necessary for the implementation of division 142301
(F)(2)(b) of this section. 142302

(3) Not later than two years after August 3, 2006, the 142303
director shall adopt a rule in accordance with Chapter 119. of the 142304
Revised Code specifying that a permit to install is required only 142305
for new or modified air contaminant sources that emit any of the 142306
following air contaminants: 142307

(a) An air contaminant or precursor of an air contaminant for 142308
which a national ambient air quality standard has been adopted 142309
under the federal Clean Air Act; 142310

(b) An air contaminant for which the air contaminant source 142311
is regulated under the federal Clean Air Act; 142312

(c) An air contaminant that presents, or may present, through inhalation or other routes of exposure, a threat of adverse human health effects, including, but not limited to, substances that are known to be, or may reasonably be anticipated to be, carcinogenic, mutagenic, teratogenic, or neurotoxic, that cause reproductive dysfunction, or that are acutely or chronically toxic, or a threat of adverse environmental effects whether through ambient concentrations, bioaccumulation, deposition, or otherwise, and that is identified in the rule by chemical name and chemical abstract service number.

The director may modify the rule adopted under division (F)(3)(c) of this section for the purpose of adding or deleting air contaminants. For each air contaminant that is contained in or deleted from the rule adopted under division (F)(3)(c) of this section, the director shall include in a notice accompanying any proposed or final rule an explanation of the director's determination that the air contaminant meets the criteria established in that division and should be added to, or no longer meets the criteria and should be deleted from, the list of air contaminants. The explanation shall include an identification of the scientific evidence on which the director relied in making the determination. Until adoption of the rule under division (F)(3)(c) of this section, nothing shall affect the director's authority to issue, deny, modify, or revoke permits to install under this chapter and rules adopted under it.

(4)(a) Applications for permits to install new or modified air contaminant sources shall contain sufficient information regarding air contaminants for which the director may require a permit to install to determine conformity with the environmental protection agency's document entitled "Review of New Sources of Air Toxics Emissions, Option A," dated May 1986, which the director shall use to evaluate toxic emissions from new or

modified air contaminant sources. The director shall make copies 142345
of the document available to the public upon request at no cost 142346
and post the document on the environmental protection agency's web 142347
site. Any inconsistency between the document and division (F)(4) 142348
of this section shall be resolved in favor of division (F)(4) of 142349
this section. 142350

(b) The maximum acceptable ground level concentration of an 142351
air contaminant shall be calculated in accordance with the 142352
document entitled "Review of New Sources of Air Toxics Emissions, 142353
Option A." Modeling shall be conducted to determine the increase 142354
in the ground level concentration of an air contaminant beyond the 142355
facility's boundary caused by the emissions from a new or modified 142356
source that is the subject of an application for a permit to 142357
install. Modeling shall be based on the maximum hourly rate of 142358
emissions from the source using information including, but not 142359
limited to, any emission control devices or methods, operational 142360
restrictions, stack parameters, and emission dispersion devices or 142361
methods that may affect ground level concentrations, either 142362
individually or in combination. The director shall determine 142363
whether the activities for which a permit to install is sought 142364
will cause an increase in the ground level concentration of one or 142365
more relevant air contaminants beyond the facility's boundary by 142366
an amount in excess of the maximum acceptable ground level 142367
concentration. In making the determination as to whether the 142368
maximum acceptable ground level concentration will be exceeded, 142369
the director shall give consideration to the modeling conducted 142370
under division (F)(4)(b) of this section and other relevant 142371
information submitted by the applicant. 142372

(c) If the modeling conducted under division (F)(4)(b) of 142373
this section with respect to an application for a permit to 142374
install demonstrates that the maximum ground level concentration 142375
from a new or modified source will be greater than or equal to 142376

eighty per cent, but less than one hundred per cent of the maximum acceptable ground level concentration for an air contaminant, the director may establish terms and conditions in the permit to install for the air contaminant source that will require the owner or operator of the air contaminant source to maintain emissions of that air contaminant commensurate with the modeled level, which shall be expressed as allowable emissions per day. In order to calculate the allowable emissions per day, the director shall multiply the hourly emission rate modeled under division (F)(4)(b) of this section to determine the ground level concentration by the operating schedule that has been identified in the permit to install application. Terms and conditions imposed under division (F)(4)(c) of this section are not federally enforceable requirements and, if included in a Title V permit, shall be placed in the portion of the permit that is only enforceable by the state.

(d) If the modeling conducted under division (F)(4)(b) of this section with respect to an application for a permit to install demonstrates that the maximum ground level concentration from a new or modified source will be less than eighty per cent of the maximum acceptable ground level concentration, the owner or operator of the source annually shall report to the director, on a form prescribed by the director, whether operations of the source are consistent with the information regarding the operations that was used to conduct the modeling with regard to the permit to install application. The annual report to the director shall be in lieu of an emission limit or other permit terms and conditions imposed pursuant to division (F)(4) of this section. The director may consider any significant departure from the operations of the source described in the permit to install application that results in greater emissions than the emissions rate modeled to determine the ground level concentration as a modification and require the owner or operator to submit a permit to install application for

the increased emissions. The requirements established in division 142410
(F)(4)(d) of this section are not federally enforceable 142411
requirements and, if included in a Title V permit, shall be placed 142412
in the portion of the permit that is only enforceable by the 142413
state. 142414

(e) Division (F)(4) of this section and the document entitled 142415
"Review of New Sources of Air Toxics Emissions, Option A" shall 142416
not be included in the state implementation plan under section 110 142417
of the federal Clean Air Act and do not apply to an air 142418
contaminant source that is subject to a maximum achievable control 142419
technology standard or residual risk standard under section 112 of 142420
the federal Clean Air Act, to a particular air contaminant 142421
identified under 40 C.F.R. 51.166, division (b)(23), for which the 142422
director has determined that the owner or operator of the source 142423
is required to install best available control technology for that 142424
particular air contaminant, or to a particular air contaminant for 142425
which the director has determined that the source is required to 142426
meet the lowest achievable emission rate, as defined in 40 C.F.R. 142427
part 51, Appendix S, for that particular air contaminant. 142428

(f)(i) Division (F)(4) of this section and the document 142429
entitled "Review of New Sources of Air Toxics Emissions, Option A" 142430
do not apply to parking lots, storage piles, storage tanks, 142431
transfer operations, grain silos, grain dryers, emergency 142432
generators, gasoline dispensing operations, air contaminant 142433
sources that emit air contaminants solely from the combustion of 142434
fossil fuels, or the emission of wood dust, sand, glass dust, coal 142435
dust, silica, and grain dust. 142436

(ii) Notwithstanding division (F)(4)(f)(i) of this section, 142437
the director may require an individual air contaminant source that 142438
is within one of the source categories identified in division 142439
(F)(4)(f)(i) of this section to submit information in an 142440
application for a permit to install a new or modified source in 142441

order to determine the source's conformity to the document if the 142442
director has information to conclude that the particular new or 142443
modified source will potentially cause an increase in ground level 142444
concentration beyond the facility's boundary that exceeds the 142445
maximum acceptable ground level concentration as set forth in the 142446
document. 142447

(iii) The director may adopt rules in accordance with Chapter 142448
119. of the Revised Code that are consistent with the purposes of 142449
this chapter and that add to or delete from the source category 142450
exemptions established in division (F)(4)(f)(i) of this section. 142451

(5) Not later than one year after August 3, 2006, the 142452
director shall adopt rules in accordance with Chapter 119. of the 142453
Revised Code specifying activities that do not, by themselves, 142454
constitute beginning actual construction activities related to the 142455
installation or modification of an air contaminant source for 142456
which a permit to install is required such as the grading and 142457
clearing of land, on-site storage of portable parts and equipment, 142458
and the construction of foundations or buildings that do not 142459
themselves emit air contaminants. The rules also shall allow 142460
specified initial activities that are part of the installation or 142461
modification of an air contaminant source, such as the 142462
installation of electrical and other utilities for the source, 142463
prior to issuance of a permit to install, provided that the owner 142464
or operator of the source has filed a complete application for a 142465
permit to install, the director or the director's designee has 142466
determined that the application is complete, and the owner or 142467
operator of the source has notified the director that this 142468
activity will be undertaken prior to the issuance of a permit to 142469
install. Any activity that is undertaken by the source under those 142470
rules shall be at the risk of the owner or operator. The rules 142471
shall not apply to activities that are precluded prior to permit 142472
issuance under section 111, section 112, Part C of Title I, and 142473

Part D of Title I of the federal Clean Air Act. 142474

(G) Adopt, modify, suspend, and rescind rules prohibiting the 142475
operation or other use of any new, modified, or existing air 142476
contaminant source unless an operating permit has been obtained 142477
from the director or the director's authorized representative, or 142478
the air contaminant source is being operated in compliance with 142479
the conditions of a variance issued pursuant to division (H) of 142480
this section. Applications for operating permits shall be 142481
accompanied by such plans, specifications, and other pertinent 142482
information as the director may require. Operating permits may be 142483
issued for a period determined by the director not to exceed ten 142484
years, are renewable, and are transferable. The director shall 142485
specify in each operating permit that the permit is conditioned 142486
upon payment of the applicable fees as required by section 3745.11 142487
of the Revised Code and upon the right of the director's 142488
authorized representatives to enter upon the premises of the 142489
person to whom the permit has been issued, at any reasonable time 142490
and subject to safety requirements of the person in control of the 142491
premises, for the purpose of determining compliance with this 142492
chapter, the rules adopted thereunder, and the conditions of any 142493
permit, variance, or order issued thereunder. Operating permits 142494
may be denied or revoked for failure to comply with this chapter 142495
or the rules adopted thereunder. An operating permit shall be 142496
issued only upon a showing satisfactory to the director or the 142497
director's representative that the air contaminant source is being 142498
operated in compliance with applicable emission standards and 142499
other rules or upon submission of a schedule of compliance 142500
satisfactory to the director for a source that is not in 142501
compliance with all applicable requirements at the time of permit 142502
issuance, provided that the compliance schedule shall be 142503
consistent with and at least as stringent as that contained in any 142504
judicial consent decree or administrative order to which the air 142505
contaminant source is subject. The rules shall provide for the 142506

issuance of conditional operating permits for such reasonable 142507
periods as the director may determine to allow the holder of an 142508
installation permit, who has constructed, installed, located, or 142509
modified a new air contaminant source in accordance with the 142510
provisions of an installation permit, to make adjustments or 142511
modifications necessary to enable the new air contaminant source 142512
to comply with applicable emission standards and other rules. 142513
Terms and conditions of operating permits issued pursuant to this 142514
division shall be federally enforceable for the purpose of 142515
establishing the potential to emit of a stationary source and 142516
shall be expressly designated as federally enforceable. Any such 142517
federally enforceable restrictions on a source's potential to emit 142518
shall include both an annual limit and a short-term limit of not 142519
more than thirty days for each pollutant to be restricted together 142520
with adequate methods for establishing compliance with the 142521
restrictions. In other respects, operating permits issued pursuant 142522
to this division are enforceable as state law only. No application 142523
shall be denied or permit revoked or modified without a written 142524
order stating the findings upon which denial, revocation, or 142525
modification is based. A copy of the order shall be sent to the 142526
applicant or permit holder by certified mail. 142527

(H) Adopt, modify, and rescind rules governing the issuance, 142528
revocation, modification, or denial of variances that authorize 142529
emissions in excess of the applicable emission standards. 142530

No variance shall be issued except pursuant to those rules. 142531
The rules shall prescribe conditions and criteria in furtherance 142532
of the purposes of this chapter and consistent with the federal 142533
Clean Air Act governing eligibility for issuance of variances, 142534
which shall include all of the following: 142535

(1) Provisions requiring consistency of emissions authorized 142536
by a variance with timely attainment and maintenance of ambient 142537
air quality standards; 142538

(2) Provisions prescribing the classes and categories of air 142539
contaminants and air contaminant sources for which variances may 142540
be issued; 142541

(3) Provisions defining the circumstances under which an 142542
applicant shall demonstrate that compliance with applicable 142543
emission standards is technically infeasible, economically 142544
unreasonable, or impossible because of conditions beyond the 142545
control of the applicant; 142546

(4) Other provisions prescribed in furtherance of the goals 142547
of this chapter. 142548

The rules shall prohibit the issuance of variances from any 142549
emission limitation that was applicable to a source pursuant to an 142550
installation permit and shall prohibit issuance of variances that 142551
conflict with the federal Clean Air Act. 142552

Applications for variances shall be accompanied by such 142553
information as the director may require. In issuing variances, the 142554
director may order the person to whom a variance is issued to 142555
furnish plans and specifications and such other information and 142556
data, including interim reports, as the director may require and 142557
to proceed to take such action within such time as the director 142558
may determine to be appropriate and reasonable to prevent, 142559
control, or abate the person's existing emissions of air 142560
contaminants. The director shall specify in each variance that the 142561
variance is conditioned upon payment of the applicable fees as 142562
required by section 3745.11 of the Revised Code and upon the right 142563
of the director's authorized representatives to enter upon the 142564
premises of the person to whom the variance has been issued, at 142565
any reasonable time and subject to safety requirements of the 142566
person in control of the premises, for the purpose of determining 142567
compliance with this chapter, the rules adopted thereunder, and 142568
the conditions of any permit, variance, or order issued 142569
thereunder. 142570

The director may hold a public hearing on an application for a variance or renewal thereof at a location in the county where the variance is sought. The director shall give not less than twenty days' notice of the hearing to the applicant by certified mail or another type of mail accompanied by a receipt ~~and~~. The director also shall cause at least one publication of notice in a newspaper with general circulation in the county where the variance is sought or may instead provide public notice by publication on the environmental protection agency's web site. The director shall keep available for public inspection at the principal office of the environmental protection agency a current schedule of pending applications for variances and a current schedule of pending variance hearings. The director shall make a complete stenographic record or electronic record of testimony and other evidence submitted at the hearing. The director shall make a written determination to issue, renew, or deny the variance and shall enter the determination and the basis therefor into the record of the hearing. The director shall issue, renew, or deny an application for a variance or renewal thereof, or issue a proposed action upon the application pursuant to section 3745.07 of the Revised Code, within six months of the date upon which the director receives a complete application with all pertinent information and data required by the director.

Any variance granted pursuant to rules adopted under this division shall be for a period specified by the director, not to exceed three years, and may be renewed from time to time on such terms and for such periods, not to exceed three years each, as the director determines to be appropriate. A variance may be revoked, or renewal denied, for failure to comply with conditions specified in the variance. No variance shall be issued, denied, revoked, or modified without a written order stating the findings upon which the issuance, denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or variance holder by

certified mail. 142604

(I) Require the owner or operator of an air contaminant 142605
source to install, employ, maintain, and operate such emissions, 142606
ambient air quality, meteorological, or other monitoring devices 142607
or methods as the director shall prescribe; to sample those 142608
emissions at such locations, at such intervals, and in such manner 142609
as the director prescribes; to maintain records and file periodic 142610
reports with the director containing information as to location, 142611
size, and height of emission outlets, rate, duration, and 142612
composition of emissions, and any other pertinent information the 142613
director prescribes; and to provide such written notice to other 142614
states as the director shall prescribe. In requiring monitoring 142615
devices, records, and reports, the director, to the extent 142616
consistent with the federal Clean Air Act, shall give 142617
consideration to technical feasibility and economic reasonableness 142618
and allow reasonable time for compliance. For sources where a 142619
specific monitoring, record-keeping, or reporting requirement is 142620
specified for a particular air contaminant from a particular air 142621
contaminant source in an applicable regulation adopted by the 142622
United States environmental protection agency under the federal 142623
Clean Air Act or in an applicable rule adopted by the director, 142624
the director shall not impose an additional requirement in a 142625
permit that is a different monitoring, record-keeping, or 142626
reporting requirement other than the requirement specified in the 142627
applicable regulation or rule for that air contaminant except as 142628
otherwise agreed to by the owner or operator of the air 142629
contaminant source and the director. If two or more regulations or 142630
rules impose different monitoring, record-keeping, or reporting 142631
requirements for the same air contaminant from the same air 142632
contaminant source, the director may impose permit terms and 142633
conditions that consolidate or streamline the monitoring, 142634
record-keeping, or reporting requirements in a manner that 142635
conforms with each applicable requirement. To the extent 142636

consistent with the federal Clean Air Act and except as otherwise 142637
agreed to by the owner or operator of an air contaminant source 142638
and the director, the director shall not require an operating 142639
restriction that has the practical effect of increasing the 142640
stringency of an existing applicable emission limitation or 142641
standard. 142642

(J) Establish, operate, and maintain monitoring stations and 142643
other devices designed to measure air pollution and enter into 142644
contracts with any public or private agency for the establishment, 142645
operation, or maintenance of such stations and devices; 142646

(K) By rule adopt procedures for giving reasonable public 142647
notice and conducting public hearings on any plans for the 142648
prevention, control, and abatement of air pollution that the 142649
director is required to submit to the federal government; 142650

(L) Through any employee, agent, or authorized representative 142651
of the director or the environmental protection agency, enter upon 142652
private or public property, including improvements thereon, at any 142653
reasonable time, to make inspections, take samples, conduct tests, 142654
and examine records or reports pertaining to any emission of air 142655
contaminants and any monitoring equipment or methods and to 142656
determine if there are any actual or potential emissions from such 142657
premises and, if so, to determine the sources, amounts, contents, 142658
and extent of those emissions, or to ascertain whether there is 142659
compliance with this chapter, any orders issued or rules adopted 142660
thereunder, or any other determination of the director. The 142661
director, at reasonable times, may have access to and copy any 142662
such records. If entry or inspection authorized by this division 142663
is refused, hindered, or thwarted, the director or the director's 142664
authorized representative may by affidavit apply for, and any 142665
judge of a court of record may issue, an appropriate inspection 142666
warrant necessary to achieve the purposes of this chapter within 142667
the court's territorial jurisdiction. 142668

(M) Accept and administer gifts or grants from the federal government and from any other source, public or private, for carrying out any of the functions under this chapter; 142669
142670
142671

(N) Obtain necessary scientific, technical, and laboratory services; 142672
142673

(O) Establish advisory boards in accordance with section 121.13 of the Revised Code; 142674
142675

(P) Delegate to any city or general health district or political subdivision of the state any of the director's enforcement and monitoring powers and duties, other than rule-making powers, as the director elects to delegate, and in addition employ, compensate, and prescribe the powers and duties of such officers, employees, and consultants as are necessary to enable the director to exercise the authority and perform duties imposed upon the director by law. Technical and other services shall be performed, insofar as practical, by personnel of the environmental protection agency. 142676

142679
142680
142681
142682
142683
142684
142685

(Q) Certify to the government of the United States or any agency thereof that an industrial air pollution facility is in conformity with the state program or requirements for control of air pollution whenever such certificate is required for a taxpayer pursuant to any federal law or requirements; 142686
142687
142688
142689
142690

(R) Issue, modify, or revoke orders requiring abatement of or prohibiting emissions that violate applicable emission standards or other requirements of this chapter and rules adopted thereunder, or requiring emission control devices or measures in order to comply with applicable emission standards or other requirements of this chapter and rules adopted thereunder. Any such order shall require compliance with applicable emission standards by a specified date and shall not conflict with any requirement of the federal Clean Air Act. In the making of such 142691

orders, the director, to the extent consistent with the federal 142700
Clean Air Act, shall give consideration to, and base the 142701
determination on, evidence relating to the technical feasibility 142702
and economic reasonableness of compliance with such orders and 142703
their relation to benefits to the people of the state to be 142704
derived from such compliance. If, under the federal Clean Air Act, 142705
any such order shall provide for the posting of a bond or surety 142706
to secure compliance with the order as a condition of issuance of 142707
the order, the order shall so provide, but only to the extent 142708
required by the federal Clean Air Act. 142709

(S) To the extent provided by the federal Clean Air Act, 142710
adopt, modify, and rescind rules providing for the administrative 142711
assessment and collection of monetary penalties, not in excess of 142712
those required pursuant to the federal Clean Air Act, for failure 142713
to comply with any emission limitation or standard, compliance 142714
schedule, or other requirement of any rule, order, permit, or 142715
variance issued or adopted under this chapter or required under 142716
the applicable implementation plan whether or not the source is 142717
subject to a federal or state consent decree. The director may 142718
require the submission of compliance schedules, calculations of 142719
penalties for noncompliance, and related information. Any orders, 142720
payments, sanctions, or other requirements imposed pursuant to 142721
rules adopted under this division shall be in addition to any 142722
other permits, orders, payments, sanctions, or other requirements 142723
established under this chapter and shall not affect any civil or 142724
criminal enforcement proceedings brought under any provision of 142725
this chapter or any other provision of state or local law. This 142726
division does not apply to any requirement of this chapter 142727
regarding the prevention or abatement of odors. 142728

(T) Require new or modified air contaminant sources to 142729
install best available technology, but only in accordance with 142730
this division. With respect to permits issued pursuant to division 142731

(F) of this section beginning three years after August 3, 2006, 142732
best available technology for air contaminant sources and air 142733
contaminants emitted by those sources that are subject to 142734
standards adopted under section 112, Part C of Title I, and Part D 142735
of Title I of the federal Clean Air Act shall be equivalent to and 142736
no more stringent than those standards. For an air contaminant or 142737
precursor of an air contaminant for which a national ambient air 142738
quality standard has been adopted under the federal Clean Air Act, 142739
best available technology only shall be required to the extent 142740
required by rules adopted under Chapter 119. of the Revised Code 142741
for permit to install applications filed three or more years after 142742
August 3, 2006. 142743

Best available technology requirements established in rules 142744
adopted under this division shall be expressed only in one of the 142745
following ways that is most appropriate for the applicable source 142746
or source categories: 142747

(1) Work practices; 142748

(2) Source design characteristics or design efficiency of 142749
applicable air contaminant control devices; 142750

(3) Raw material specifications or throughput limitations 142751
averaged over a twelve-month rolling period; 142752

(4) Monthly allowable emissions averaged over a twelve-month 142753
rolling period. 142754

Best available technology requirements shall not apply to an 142755
air contaminant source that has the potential to emit, taking into 142756
account air pollution controls installed on the source, less than 142757
ten tons per year of emissions of an air contaminant or precursor 142758
of an air contaminant for which a national ambient air quality 142759
standard has been adopted under the federal Clean Air Act. In 142760
addition, best available technology requirements established in 142761
rules adopted under this division shall not apply to any existing, 142762

new, or modified air contaminant source that is subject to a 142763
plant-wide applicability limit that has been approved by the 142764
director. Further, best available technology requirements 142765
established in rules adopted under this division shall not apply 142766
to general permits issued prior to January 1, 2006, under rules 142767
adopted under this chapter. 142768

For permits to install issued three or more years after 142769
August 3, 2006, any new or modified air contaminant source that 142770
has the potential to emit, taking into account air pollution 142771
controls installed on the source, ten or more tons per year of 142772
volatile organic compounds or nitrogen oxides shall meet, at a 142773
minimum, the requirements of any applicable reasonably available 142774
control technology rule in effect as of January 1, 2006, 142775
regardless of the location of the source. 142776

(U) Consistent with section 507 of the federal Clean Air Act, 142777
adopt, modify, suspend, and rescind rules for the establishment of 142778
a small business stationary source technical and environmental 142779
compliance assistance program as provided in section 3704.18 of 142780
the Revised Code; 142781

(V) Provide for emissions trading, marketable permits, 142782
auctions of emission rights, and economic incentives that would 142783
reduce the cost or increase the efficiency of achieving a 142784
specified level of environmental protection; 142785

(W) Provide for the construction of an air contaminant source 142786
prior to obtaining a permit to install pursuant to division (F) of 142787
this section if the applicant demonstrates that the source will be 142788
installed to comply with all applicable emission limits and will 142789
not adversely affect public health or safety or the environment 142790
and if the director determines that such an action will avoid an 142791
unreasonable hardship on the owner or operator of the source. Any 142792
such determination shall be consistent with the federal Clean Air 142793
Act. 142794

(X) Exercise all incidental powers, including adoption of 142795
rules, required to carry out this chapter. 142796

The environmental protection agency shall develop a plan to 142797
control air pollution resulting from state-operated facilities and 142798
property. 142799

Sec. 3734.02. (A) The director of environmental protection, 142800
in accordance with Chapter 119. of the Revised Code, shall adopt 142801
and may amend, suspend, or rescind rules having uniform 142802
application throughout the state governing solid waste facilities 142803
and the inspections of and issuance of permits and licenses for 142804
all solid waste facilities in order to ensure that the facilities 142805
will be located, maintained, and operated, and will undergo 142806
closure and post-closure care, in a sanitary manner so as not to 142807
create a nuisance, cause or contribute to water pollution, create 142808
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 142809
257.3-8, as amended. The rules may include, without limitation, 142810
financial assurance requirements for closure and post-closure care 142811
and corrective action and requirements for taking corrective 142812
action in the event of the surface or subsurface discharge or 142813
migration of explosive gases or leachate from a solid waste 142814
facility, or of ground water contamination resulting from the 142815
transfer or disposal of solid wastes at a facility, beyond the 142816
boundaries of any area within a facility that is operating or is 142817
undergoing closure or post-closure care where solid wastes were 142818
disposed of or are being disposed of. The rules shall not concern 142819
or relate to personnel policies, salaries, wages, fringe benefits, 142820
or other conditions of employment of employees of persons owning 142821
or operating solid waste facilities. The director, in accordance 142822
with Chapter 119. of the Revised Code, shall adopt and may amend, 142823
suspend, or rescind rules governing the issuance, modification, 142824
revocation, suspension, or denial of variances from the director's 142825
solid waste rules, including, without limitation, rules adopted 142826

under this chapter governing the management of scrap tires. 142827

Variances shall be issued, modified, revoked, suspended, or 142828
rescinded in accordance with this division, rules adopted under 142829
it, and Chapter 3745. of the Revised Code. The director may order 142830
the person to whom a variance is issued to take such action within 142831
such time as the director may determine to be appropriate and 142832
reasonable to prevent the creation of a nuisance or a hazard to 142833
the public health or safety or the environment. Applications for 142834
variances shall contain such detail plans, specifications, and 142835
information regarding objectives, procedures, controls, and other 142836
pertinent data as the director may require. The director shall 142837
grant a variance only if the applicant demonstrates to the 142838
director's satisfaction that construction and operation of the 142839
solid waste facility in the manner allowed by the variance and any 142840
terms or conditions imposed as part of the variance will not 142841
create a nuisance or a hazard to the public health or safety or 142842
the environment. In granting any variance, the director shall 142843
state the specific provision or provisions whose terms are to be 142844
varied and also shall state specific terms or conditions imposed 142845
upon the applicant in place of the provision or provisions. 142846

The director may hold a public hearing on an application for 142847
a variance or renewal of a variance at a location in the county 142848
where the operations that are the subject of the application for 142849
the variance are conducted. The director shall give not less than 142850
twenty days' notice of the hearing to the applicant by certified 142851
mail or by another type of mail accompanied by a receipt ~~and~~. The 142852
director shall publish at least one notice of the hearing in a 142853
newspaper with general circulation in the county where the hearing 142854
is to be held or may instead provide public notice by publication 142855
on the environmental protection agency's web site. The director 142856
shall make available for public inspection at the principal office 142857
of the environmental protection agency a current list of pending 142858

applications for variances and a current schedule of pending 142859
variance hearings. The director shall make a complete stenographic 142860
record or electronic record of testimony and other evidence 142861
submitted at the hearing. 142862

Within ten days after the hearing, the director shall make a 142863
written determination to issue, renew, or deny the variance and 142864
shall enter the determination and the basis for it into the record 142865
of the hearing. The director shall issue, renew, or deny an 142866
application for a variance or renewal of a variance within six 142867
months of the date upon which the director receives a complete 142868
application with all pertinent information and data required. No 142869
variance shall be issued, revoked, modified, or denied until the 142870
director has considered the relative interests of the applicant, 142871
other persons and property affected by the variance, and the 142872
general public. Any variance granted under this division shall be 142873
for a period specified by the director and may be renewed from 142874
time to time on such terms and for such periods as the director 142875
determines to be appropriate. No application shall be denied and 142876
no variance shall be revoked or modified without a written order 142877
stating the findings upon which the denial, revocation, or 142878
modification is based. A copy of the order shall be sent to the 142879
applicant or variance holder by certified mail or by another type 142880
of mail accompanied by a receipt. 142881

(B) The director shall prescribe and furnish the forms 142882
necessary to administer and enforce this chapter. The director may 142883
cooperate with and enter into agreements with other state, local, 142884
or federal agencies to carry out the purposes of this chapter. The 142885
director may exercise all incidental powers necessary to carry out 142886
the purposes of this chapter. 142887

(C) Except as provided in this division and divisions (N)(2) 142888
and (3) of this section, no person shall establish a new solid 142889
waste facility or infectious waste treatment facility, or modify 142890

an existing solid waste facility or infectious waste treatment 142891
facility, without submitting an application for a permit with 142892
accompanying detail plans, specifications, and information 142893
regarding the facility and method of operation and receiving a 142894
permit issued by the director, except that no permit shall be 142895
required under this division to install or operate a solid waste 142896
facility for sewage sludge treatment or disposal when the 142897
treatment or disposal is authorized by a current permit issued 142898
under Chapter 3704. or 6111. of the Revised Code. 142899

No person shall continue to operate a solid waste facility 142900
for which the director has disapproved plans and specifications 142901
required to be filed by an order issued under division (A)(3) of 142902
section 3734.05 of the Revised Code, after the date prescribed for 142903
commencement of closure of the facility in the order issued under 142904
division (A)(4) of that section denying the permit application or 142905
approval. 142906

On and after the effective date of the rules adopted under 142907
division (A) of this section and division (D) of section 3734.12 142908
of the Revised Code governing solid waste transfer facilities, no 142909
person shall establish a new, or modify an existing, solid waste 142910
transfer facility without first submitting an application for a 142911
permit with accompanying engineering detail plans, specifications, 142912
and information regarding the facility and its method of operation 142913
to the director and receiving a permit issued by the director. 142914

No person shall establish a new compost facility or continue 142915
to operate an existing compost facility that accepts exclusively 142916
source separated yard wastes without submitting a completed 142917
registration for the facility to the director in accordance with 142918
rules adopted under divisions (A) and (N)(3) of this section. 142919

This division does not apply to a generator of infectious 142920
wastes that does any of the following: 142921

(1) Treats, by methods, techniques, and practices established 142922
by rules adopted under division (B)(2)(a) of section 3734.021 of 142923
the Revised Code, any of the following: 142924

(a) Infectious wastes that are generated on any premises that 142925
are owned or operated by the generator; 142926

(b) Infectious wastes that are generated by a generator who 142927
has staff privileges at a hospital as defined in section 3727.01 142928
of the Revised Code; 142929

(c) Infectious wastes that are generated in providing care to 142930
a patient by an emergency medical services organization as defined 142931
in section 4765.01 of the Revised Code. 142932

(2) Holds a license or renewal of a license to operate a 142933
crematory facility issued under Chapter 4717. and a permit issued 142934
under Chapter 3704. of the Revised Code; 142935

(3) Treats or disposes of dead animals or parts thereof, or 142936
the blood of animals, and is subject to any of the following: 142937

(a) Inspection under the "Federal Meat Inspection Act," 81 142938
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 142939

(b) Chapter 918. of the Revised Code; 142940

(c) Chapter 953. of the Revised Code. 142941

(D) Neither this chapter nor any rules adopted under it apply 142942
to single-family residential premises; to infectious wastes 142943
generated by individuals for purposes of their own care or 142944
treatment; to the temporary storage of solid wastes, other than 142945
scrap tires, prior to their collection for disposal; to the 142946
storage of one hundred or fewer scrap tires unless they are stored 142947
in such a manner that, in the judgment of the director or the 142948
board of health of the health district in which the scrap tires 142949
are stored, the storage causes a nuisance, a hazard to public 142950
health or safety, or a fire hazard; or to the collection of solid 142951

wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility

installation and operation permit issued in accordance with 142982
 section 3734.05 of the Revised Code and subject to the payment of 142983
 an application fee not to exceed one thousand five hundred 142984
 dollars, payable upon application for a hazardous waste facility 142985
 installation and operation permit and upon application for a 142986
 renewal permit issued under division (H) of section 3734.05 of the 142987
 Revised Code, to be credited to the hazardous waste facility 142988
 management fund created in section 3734.18 of the Revised Code. 142989
 The term of a hazardous waste facility installation and operation 142990
 permit shall not exceed ten years. 142991

In addition to the application fee, there is hereby levied an 142992
 annual permit fee to be paid by the permit holder upon the 142993
 anniversaries of the date of issuance of the hazardous waste 142994
 facility installation and operation permit and of any subsequent 142995
 renewal permits and to be credited to the hazardous waste facility 142996
 management fund. Annual permit fees totaling forty thousand 142997
 dollars or more for any one facility may be paid on a quarterly 142998
 basis with the first quarterly payment each year being due on the 142999
 anniversary of the date of issuance of the hazardous waste 143000
 facility installation and operation permit and of any subsequent 143001
 renewal permits. The annual permit fee shall be determined for 143002
 each permit holder by the director in accordance with the 143003
 following schedule: 143004

A hazardous waste disposal facility that disposes of 143035
hazardous waste by deep well injection and that pays the annual 143036
permit fee established in section 6111.046 of the Revised Code is 143037
not subject to the permit fee established in this division for 143038
disposal facilities using deep well injection unless the director 143039
determines that the facility is not in compliance with applicable 143040
requirements established under this chapter and rules adopted 143041
under it. 143042

In determining the annual permit fee required by this 143043
section, the director shall not require additional payments for 143044
multiple units of the same method of storage, treatment, or 143045
disposal or for individual units that are used for both storage 143046

and treatment. A facility using more than one method of storage, 143047
treatment, or disposal shall pay the permit fee indicated by the 143048
schedule for each such method. 143049

The director shall not require the payment of that portion of 143050
an annual permit fee of any permit holder that would apply to a 143051
hazardous waste management unit for which a permit has been 143052
issued, but for which construction has not yet commenced. Once 143053
construction has commenced, the director shall require the payment 143054
of a part of the appropriate fee indicated by the schedule that 143055
bears the same relationship to the total fee that the number of 143056
days remaining until the next anniversary date at which payment of 143057
the annual permit fee is due bears to three hundred sixty-five. 143058

The director, by rules adopted in accordance with Chapters 143059
119. and 3745. of the Revised Code, shall prescribe procedures for 143060
collecting the annual permit fee established by this division and 143061
may prescribe other requirements necessary to carry out this 143062
division. 143063

(3) The prohibition against establishing or operating a 143064
hazardous waste facility without a hazardous waste facility 143065
installation and operation permit does not apply to either of the 143066
following: 143067

(a) A facility that is operating in accordance with a permit 143068
renewal issued under division (H) of section 3734.05 of the 143069
Revised Code, a revision issued under division (I) of that section 143070
as it existed prior to August 20, 1996, or a modification issued 143071
by the director under division (I) of that section on and after 143072
August 20, 1996; 143073

(b) Except as provided in division (J) of section 3734.05 of 143074
the Revised Code, a facility that will operate or is operating in 143075
accordance with a permit by rule, or that is not subject to permit 143076
requirements, under rules adopted by the director. In accordance 143077

with Chapter 119. of the Revised Code, the director shall adopt, 143078
and subsequently may amend, suspend, or rescind, rules for the 143079
purposes of division (E)(3)(b) of this section. Any rules so 143080
adopted shall be consistent with and equivalent to regulations 143081
pertaining to interim status adopted under the "Resource 143082
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 143083
6921, as amended, except as otherwise provided in this chapter. 143084

If a modification is requested or proposed for a facility 143085
described in division (E)(3)(a) or (b) of this section, division 143086
(I)(7) of section 3734.05 of the Revised Code applies. 143087

(F) No person shall store, treat, or dispose of hazardous 143088
waste identified or listed under this chapter and rules adopted 143089
under it, regardless of whether generated on or off the premises 143090
where the waste is stored, treated, or disposed of, or transport 143091
or cause to be transported any hazardous waste identified or 143092
listed under this chapter and rules adopted under it to any other 143093
premises, except at or to any of the following: 143094

(1) A hazardous waste facility operating under a permit 143095
issued in accordance with this chapter; 143096

(2) A facility in another state operating under a license or 143097
permit issued in accordance with the "Resource Conservation and 143098
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 143099
amended; 143100

(3) A facility in another nation operating in accordance with 143101
the laws of that nation; 143102

(4) A facility holding a permit issued pursuant to Title I of 143103
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 143104
Stat. 1052, 33 U.S.C.A. 1401, as amended; 143105

(5) A hazardous waste facility as described in division 143106
(E)(3)(a) or (b) of this section. 143107

(G) The director, by order, may exempt any person generating, 143108
collecting, storing, treating, disposing of, or transporting solid 143109
wastes, infectious wastes, or hazardous waste, or processing solid 143110
wastes that consist of scrap tires, in such quantities or under 143111
such circumstances that, in the determination of the director, are 143112
unlikely to adversely affect the public health or safety or the 143113
environment from any requirement to obtain a registration 143114
certificate, permit, or license or comply with the manifest system 143115
or other requirements of this chapter. Such an exemption shall be 143116
consistent with and equivalent to any regulations adopted by the 143117
administrator of the United States environmental protection agency 143118
under the "Resource Conservation and Recovery Act of 1976," 90 143119
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 143120
provided in this chapter. 143121

(H) No person shall engage in filling, grading, excavating, 143122
building, drilling, or mining on land where a hazardous waste 143123
facility, or a solid waste facility, was operated without prior 143124
authorization from the director, who shall establish the procedure 143125
for granting such authorization by rules adopted in accordance 143126
with Chapter 119. of the Revised Code. 143127

A public utility that has main or distribution lines above or 143128
below the land surface located on an easement or right-of-way 143129
across land where a solid waste facility was operated may engage 143130
in any such activity within the easement or right-of-way without 143131
prior authorization from the director for purposes of performing 143132
emergency repair or emergency replacement of its lines; of the 143133
poles, towers, foundations, or other structures supporting or 143134
sustaining any such lines; or of the appurtenances to those 143135
structures, necessary to restore or maintain existing public 143136
utility service. A public utility may enter upon any such easement 143137
or right-of-way without prior authorization from the director for 143138
purposes of performing necessary or routine maintenance of those 143139

portions of its existing lines; of the existing poles, towers, 143140
foundations, or other structures sustaining or supporting its 143141
lines; or of the appurtenances to any such supporting or 143142
sustaining structure, located on or above the land surface on any 143143
such easement or right-of-way. Within twenty-four hours after 143144
commencing any such emergency repair, replacement, or maintenance 143145
work, the public utility shall notify the director or the 143146
director's authorized representative of those activities and shall 143147
provide such information regarding those activities as the 143148
director or the director's representative may request. Upon 143149
completion of the emergency repair, replacement, or maintenance 143150
activities, the public utility shall restore any land of the solid 143151
waste facility disturbed by those activities to the condition 143152
existing prior to the commencement of those activities. 143153

(I) No owner or operator of a hazardous waste facility, in 143154
the operation of the facility, shall cause, permit, or allow the 143155
emission therefrom of any particulate matter, dust, fumes, gas, 143156
mist, smoke, vapor, or odorous substance that, in the opinion of 143157
the director, unreasonably interferes with the comfortable 143158
enjoyment of life or property by persons living or working in the 143159
vicinity of the facility, or that is injurious to public health. 143160
Any such action is hereby declared to be a public nuisance. 143161

(J) Notwithstanding any other provision of this chapter, in 143162
the event the director finds an imminent and substantial danger to 143163
public health or safety or the environment that creates an 143164
emergency situation requiring the immediate treatment, storage, or 143165
disposal of hazardous waste, the director may issue a temporary 143166
emergency permit to allow the treatment, storage, or disposal of 143167
the hazardous waste at a facility that is not otherwise authorized 143168
by a hazardous waste facility installation and operation permit to 143169
treat, store, or dispose of the waste. The emergency permit shall 143170
not exceed ninety days in duration and shall not be renewed. The 143171

director shall adopt, and may amend, suspend, or rescind, rules in 143172
accordance with Chapter 119. of the Revised Code governing the 143173
issuance, modification, revocation, and denial of emergency 143174
permits. 143175

(K) Except for infectious wastes generated by a person who 143176
produces fewer than fifty pounds of infectious wastes at a 143177
premises during any one month, no owner or operator of a sanitary 143178
landfill shall knowingly accept for disposal, or dispose of, any 143179
infectious wastes that have not been treated to render them 143180
noninfectious. 143181

(L) The director, in accordance with Chapter 119. of the 143182
Revised Code, shall adopt, and may amend, suspend, or rescind, 143183
rules having uniform application throughout the state establishing 143184
a training and certification program that shall be required for 143185
employees of boards of health who are responsible for enforcing 143186
the solid waste and infectious waste provisions of this chapter 143187
and rules adopted under them and for persons who are responsible 143188
for the operation of solid waste facilities or infectious waste 143189
treatment facilities. The rules shall provide all of the 143190
following, without limitation: 143191

(1) The program shall be administered by the director and 143192
shall consist of a course on new solid waste and infectious waste 143193
technologies, enforcement procedures, and rules; 143194

(2) The course shall be offered on an annual basis; 143195

(3) Those persons who are required to take the course under 143196
division (L) of this section shall do so triennially; 143197

(4) Persons who successfully complete the course shall be 143198
certified by the director; 143199

(5) Certification shall be required for all employees of 143200
boards of health who are responsible for enforcing the solid waste 143201
or infectious waste provisions of this chapter and rules adopted 143202

under them and for all persons who are responsible for the 143203
operation of solid waste facilities or infectious waste treatment 143204
facilities; 143205

(6)(a) All employees of a board of health who, on the 143206
effective date of the rules adopted under this division, are 143207
responsible for enforcing the solid waste or infectious waste 143208
provisions of this chapter and the rules adopted under them shall 143209
complete the course and be certified by the director not later 143210
than January 1, 1995; 143211

(b) All employees of a board of health who, after the 143212
effective date of the rules adopted under division (L) of this 143213
section, become responsible for enforcing the solid waste or 143214
infectious waste provisions of this chapter and rules adopted 143215
under them and who do not hold a current and valid certification 143216
from the director at that time shall complete the course and be 143217
certified by the director within two years after becoming 143218
responsible for performing those activities. 143219

No person shall fail to obtain the certification required 143220
under this division. 143221

(M) The director shall not issue a permit under section 143222
3734.05 of the Revised Code to establish a solid waste facility, 143223
or to modify a solid waste facility operating on December 21, 143224
1988, in a manner that expands the disposal capacity or geographic 143225
area covered by the facility, that is or is to be located within 143226
the boundaries of a state park established or dedicated under 143227
Chapter 1546. of the Revised Code, a state park purchase area 143228
established under section 1546.06 of the Revised Code, any unit of 143229
the national park system, or any property that lies within the 143230
boundaries of a national park or recreation area, but that has not 143231
been acquired or is not administered by the secretary of the 143232
United States department of the interior, located in this state, 143233
or any candidate area located in this state and identified for 143234

potential inclusion in the national park system in the edition of 143235
the "national park system plan" submitted under paragraph (b) of 143236
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 143237
U.S.C.A. 1a-5, as amended, current at the time of filing of the 143238
application for the permit, unless the facility or proposed 143239
facility is or is to be used exclusively for the disposal of solid 143240
wastes generated within the park or recreation area and the 143241
director determines that the facility or proposed facility will 143242
not degrade any of the natural or cultural resources of the park 143243
or recreation area. The director shall not issue a variance under 143244
division (A) of this section and rules adopted under it, or issue 143245
an exemption order under division (G) of this section, that would 143246
authorize any such establishment or expansion of a solid waste 143247
facility within the boundaries of any such park or recreation 143248
area, state park purchase area, or candidate area, other than a 143249
solid waste facility exclusively for the disposal of solid wastes 143250
generated within the park or recreation area when the director 143251
determines that the facility will not degrade any of the natural 143252
or cultural resources of the park or recreation area. 143253

(N)(1) The rules adopted under division (A) of this section, 143254
other than those governing variances, do not apply to scrap tire 143255
collection, storage, monocell, monofill, and recovery facilities. 143256
Those facilities are subject to and governed by rules adopted 143257
under sections 3734.70 to 3734.73 of the Revised Code, as 143258
applicable. 143259

(2) Division (C) of this section does not apply to scrap tire 143260
collection, storage, monocell, monofill, and recovery facilities. 143261
The establishment and modification of those facilities are subject 143262
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 143263
Code, as applicable. 143264

(3) The director may adopt, amend, suspend, or rescind rules 143265
under division (A) of this section creating an alternative system 143266

for authorizing the establishment, operation, or modification of a solid waste compost facility in lieu of the requirement that a person seeking to establish, operate, or modify a solid waste compost facility apply for and receive a permit under division (C) of this section and section 3734.05 of the Revised Code and a license under division (A)(1) of that section. The rules may include requirements governing, without limitation, the classification of solid waste compost facilities, the submittal of operating records for solid waste compost facilities, and the creation of a registration or notification system in lieu of the issuance of permits and licenses for solid waste compost facilities. The rules shall specify the applicability of divisions (A)(1) and (2)(a) of section 3734.05 of the Revised Code to a solid waste compost facility.

(O)(1) As used in this division, "secondary aluminum waste" means waste material or byproducts, when disposed of, containing aluminum generated from secondary aluminum smelting operations and consisting of dross, salt cake, baghouse dust associated with aluminum recycling furnace operations, or dry-milled wastes.

(2) The owner or operator of a sanitary landfill shall not dispose of municipal solid waste that has been commingled with secondary aluminum waste.

(3) The owner or operator of a sanitary landfill may dispose of secondary aluminum waste, but only in a monocell or monofill that has been permitted for that purpose in accordance with this chapter and rules adopted under it.

(P)(1) As used in divisions (P) and (Q) of this section:

(a) "Natural background" means two picocuries per gram or the actual number of picocuries per gram as measured at an individual solid waste facility, subject to verification by the director of health.

(b) "Drilling operation" includes a production operation as defined in section 1509.01 of the Revised Code. 143298
143299

(2) The owner or operator of a solid waste facility shall not accept for transfer or disposal technologically enhanced naturally occurring radioactive material if that material contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background. 143300

143305

(3) The owner or operator of a solid waste facility may receive and process for purposes other than transfer or disposal technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background, provided that the owner or operator has obtained and maintains all other necessary authorizations, including any authorization required by rules adopted by the director of health under section 3748.04 of the Revised Code. 143306
143307
143308
143309
143310
143311
143312
143313
143314
143315

(4) The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code governing the receipt, acceptance, processing, handling, management, and disposal by solid waste facilities of material that contains or is contaminated with radioactive material, including, without limitation, technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations less than five picocuries per gram above natural background. Rules adopted by the director may include at a minimum both of the following: 143316
143317
143318
143319
143320
143321
143322
143323
143324
143325
143326

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides; 143327
143328
143329

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(Q) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

Sec. 3734.021. (A) Infectious wastes shall be segregated, managed, treated, and disposed of in accordance with rules adopted under this section.

(B) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary or appropriate to protect human health or safety or the environment that do both of the following:

(1) Establish standards for generators of infectious wastes that include, without limitation, the following requirements and authorizations that:

(a) All generators of infectious wastes:

(i) Either treat all specimen cultures and cultures of viable infectious agents on the premises where they are generated to render them noninfectious by methods, techniques, or practices prescribed by rules adopted under division (B)(2)(a) of this section before they are transported off that premises for disposal

or ensure that such wastes are treated to render them 143360
noninfectious at an infectious waste treatment facility off that 143361
premises prior to disposal of the wastes; 143362

(ii) Transport and dispose of infectious wastes, if a 143363
generator produces fewer than fifty pounds of infectious wastes 143364
during any one month that are subject to and packaged and labeled 143365
in accordance with federal requirements, in the same manner as 143366
solid wastes. Such generators who treat specimen cultures and 143367
cultures of viable infectious agents on the premises where they 143368
are generated shall not be considered treatment facilities as 143369
"treatment" and "facility" are defined in section 3734.01 of the 143370
Revised Code. 143371

(iii) Dispose of infectious wastes subject to and treated in 143372
accordance with rules adopted under division (B)(1)(a)(i) of this 143373
section in the same manner as solid wastes; 143374

(iv) May take wastes generated in providing care to a patient 143375
by an emergency medical services organization, as defined in 143376
section 4765.01 of the Revised Code, to and leave them at a 143377
hospital, as defined in section 3727.01 of the Revised Code, for 143378
treatment at a treatment facility owned or operated by the 143379
hospital or, in conjunction with infectious wastes generated by 143380
the hospital, at another treatment facility regardless of whether 143381
the wastes were generated in providing care to the patient at the 143382
scene of an emergency or during the transportation of the patient 143383
to a hospital; 143384

(v) May take wastes generated by an individual for purposes 143385
of the individual's own care or treatment to and leave them at a 143386
hospital, as defined in section 3727.01 of the Revised Code, for 143387
treatment at a treatment facility owned or operated by the 143388
hospital or, in conjunction with infectious wastes generated by 143389
the hospital, at another treatment facility. 143390

(b) Each generator of fifty pounds or more of infectious wastes during any one month: 143391
143392

(i) Register with the environmental protection agency as a generator of infectious wastes and obtain a registration certificate. The fee for issuance of a generator registration certificate is one hundred forty dollars payable at the time of application. The registration certificate applies to all the premises owned or operated by the generator in this state where infectious wastes are generated and shall list the address of each such premises. If a generator owns or operates facilities for the treatment of infectious wastes it generates, the certificate shall list the address and method of treatment used at each such facility. 143393
143394

of the request for the variance and shall respond to questions 143719

(3) The excavation involves replacing a pole that is within 144691
five feet of the location of an existing pole. 144692

(4) Premarking by the excavator would clearly interfere with 144693

recorded as a roll call vote. 144708

Sec. 3904.08. (A) If any individual, after proper 144709
identification, submits a written request to an insurance 144710
institution, agent, or insurance support organization for access 144711

Sec. 4123.512. (A) The claimant or the employer may appeal an 144785
order of the industrial commission made under division (E) of 144786
section 4123.511 of the Revised Code in any injury or occupational 144787
disease case, other than a decision as to the extent of disability 144788
to the court of common pleas of the county in which the injury was 144789
inflicted or in which the contract of employment was made if the 144790
injury occurred outside the state, or in which the contract of 144791
employment was made if the exposure occurred outside the state. If 144792
no common pleas court has jurisdiction for the purposes of an 144793
appeal by the use of the jurisdictional requirements described in 144794
this division, the appellant may use the venue provisions in the 144795
Rules of Civil Procedure to vest jurisdiction in a court. If the 144796
claim is for an occupational disease, the appeal shall be to the 144797
court of common pleas of the county in which the exposure which 144798
caused the disease occurred. Like appeal may be taken from an 144799
order of a staff hearing officer made under division (D) of 144800
section 4123.511 of the Revised Code from which the commission has 144801
refused to hear an appeal. Except as otherwise provided in this 144802
division, the appellant shall file the notice of appeal with a 144803
court of common pleas within sixty days after the date of the 144804
receipt of the order appealed from or the date of receipt of the 144805

order of the commission refusing to hear an appeal of a staff 144806
hearing officer's decision under division (D) of section 4123.511 144807
of the Revised Code. Either the claimant or the employer may file 144808
a notice of an intent to settle the claim within thirty days after 144809
the date of the receipt of the order appealed from or of the order 144810
of the commission refusing to hear an appeal of a staff hearing 144811
officer's decision. The claimant or employer shall file notice of 144812
intent to settle with the administrator of workers' compensation, 144813
and the notice shall be served on the opposing party and the 144814
party's representative. The filing of the notice of intent to 144815
settle extends the time to file an appeal to one hundred fifty 144816
days, unless the opposing party files an objection to the notice 144817
of intent to settle within fourteen days after the date of the 144818
receipt of the notice of intent to settle. The party shall file 144819
the objection with the administrator, and the objection shall be 144820
served on the party that filed the notice of intent to settle and 144821
the party's representative. The filing of the notice of the appeal 144822
with the court is the only act required to perfect the appeal. 144823

If an action has been commenced in a court of a county other 144824
than a court of a county having jurisdiction over the action, the 144825
court, upon notice by any party or upon its own motion, shall 144826
transfer the action to a court of a county having jurisdiction. 144827

Notwithstanding anything to the contrary in this section, if 144828
the commission determines under section 4123.522 of the Revised 144829
Code that an employee, employer, or their respective 144830
representatives have not received written notice of an order or 144831
decision which is appealable to a court under this section and 144832
which grants relief pursuant to section 4123.522 of the Revised 144833
Code, the party granted the relief has sixty days from receipt of 144834
the order under section 4123.522 of the Revised Code to file a 144835
notice of appeal under this section. 144836

(B) The notice of appeal shall state the names of the administrator of workers' compensation, the claimant, and the employer; the number of the claim; the date of the order appealed from; and the fact that the appellant appeals therefrom.

The administrator, the claimant, and the employer shall be parties to the appeal and the court, upon the application of the commission, shall make the commission a party. The party filing the appeal shall serve a copy of the notice of appeal on the administrator at the central office of the bureau of workers' compensation in Columbus. The administrator shall notify the employer that if the employer fails to become an active party to the appeal, then the administrator may act on behalf of the employer and the results of the appeal could have an adverse effect upon the employer's premium rates or may result in a recovery from the employer if the employer is determined to be a noncomplying employer under section 4123.75 of the Revised Code.

(C) The attorney general or one or more of the attorney general's assistants or special counsel designated by the attorney general shall represent the administrator and the commission. In the event the attorney general or the attorney general's designated assistants or special counsel are absent, the administrator or the commission shall select one or more of the attorneys in the employ of the administrator or the commission as the administrator's attorney or the commission's attorney in the appeal. Any attorney so employed shall continue the representation during the entire period of the appeal and in all hearings thereof except where the continued representation becomes impractical.

(D) Upon receipt of notice of appeal, the clerk of courts shall provide notice to all parties who are appellees and to the commission.

The claimant shall, within thirty days after the filing of the notice of appeal, file a petition containing a statement of

facts in ordinary and concise language showing a cause of action 144869
to participate or to continue to participate in the fund and 144870
setting forth the basis for the jurisdiction of the court over the 144871
action. Further pleadings shall be had in accordance with the 144872
Rules of Civil Procedure, provided that service of summons on such 144873
petition shall not be required and provided that the claimant may 144874
not dismiss the complaint without the employer's consent if the 144875
employer is the party that filed the notice of appeal to court 144876
pursuant to this section. The clerk of the court shall, upon 144877
receipt thereof, transmit by certified mail a copy thereof to each 144878
party named in the notice of appeal other than the claimant. Any 144879
party may file with the clerk prior to the trial of the action a 144880
deposition of any physician taken in accordance with the 144881
provisions of the Revised Code, which deposition may be read in 144882
the trial of the action even though the physician is a resident of 144883
or subject to service in the county in which the trial is had. The 144884
bureau of workers' compensation shall pay the cost of the 144885
~~stenographic~~ deposition filed in court and of copies of the 144886
~~stenographic~~ deposition for each party from the surplus fund and 144887
charge the costs thereof against the unsuccessful party if the 144888
claimant's right to participate or continue to participate is 144889
finally sustained or established in the appeal. In the event the 144890
deposition is taken and filed, the physician whose deposition is 144891
taken is not required to respond to any subpoena issued in the 144892
trial of the action. The court, or the jury under the instructions 144893
of the court, if a jury is demanded, shall determine the right of 144894
the claimant to participate or to continue to participate in the 144895
fund upon the evidence adduced at the hearing of the action. 144896

(E) The court shall certify its decision to the commission 144897
and the certificate shall be entered in the records of the court. 144898
Appeals from the judgment are governed by the law applicable to 144899
the appeal of civil actions. 144900

(F) The cost of any legal proceedings authorized by this section, including an attorney's fee to the claimant's attorney to be fixed by the trial judge, based upon the effort expended, in the event the claimant's right to participate or to continue to participate in the fund is established upon the final determination of an appeal, shall be taxed against the employer or the commission if the commission or the administrator rather than the employer contested the right of the claimant to participate in the fund. The attorney's fee shall not exceed five thousand dollars.

(G) If the finding of the court or the verdict of the jury is in favor of the claimant's right to participate in the fund, the commission and the administrator shall thereafter proceed in the matter of the claim as if the judgment were the decision of the commission, subject to the power of modification provided by section 4123.52 of the Revised Code.

(H)(1) An appeal from an order issued under division (E) of section 4123.511 of the Revised Code or any action filed in court in a case in which an award of compensation or medical benefits has been made shall not stay the payment of compensation or medical benefits under the award, or payment for subsequent periods of total disability or medical benefits during the pendency of the appeal. If, in a final administrative or judicial action, it is determined that payments of compensation or benefits, or both, made to or on behalf of a claimant should not have been made, the amount thereof shall be charged to the surplus fund account under division (B) of section 4123.34 of the Revised Code. In the event the employer is a state risk, the amount shall not be charged to the employer's experience, and the administrator shall adjust the employer's account accordingly. In the event the employer is a self-insuring employer, the self-insuring employer shall deduct the amount from the paid compensation the

self-insuring employer reports to the administrator under division 144933
(L) of section 4123.35 of the Revised Code. If an employer is a 144934
state risk and has paid an assessment for a violation of a 144935
specific safety requirement, and, in a final administrative or 144936
judicial action, it is determined that the employer did not 144937
violate the specific safety requirement, the administrator shall 144938
reimburse the employer from the surplus fund account under 144939
division (B) of section 4123.34 of the Revised Code for the amount 144940
of the assessment the employer paid for the violation. 144941

(2)(a) Notwithstanding a final determination that payments of 144942
benefits made to or on behalf of a claimant should not have been 144943
made, the administrator or self-insuring employer shall award 144944
payment of medical or vocational rehabilitation services submitted 144945
for payment after the date of the final determination if all of 144946
the following apply: 144947

(i) The services were approved and were rendered by the 144948
provider in good faith prior to the date of the final 144949
determination. 144950

(ii) The services were payable under division (I) of section 144951
4123.511 of the Revised Code prior to the date of the final 144952
determination. 144953

(iii) The request for payment is submitted within the time 144954
limit set forth in section 4123.52 of the Revised Code. 144955

(b) Payments made under division (H)(1) of this section shall 144956
be charged to the surplus fund account under division (B) of 144957
section 4123.34 of the Revised Code. If the employer of the 144958
employee who is the subject of a claim described in division 144959
(H)(2)(a) of this section is a state fund employer, the payments 144960
made under that division shall not be charged to the employer's 144961
experience. If that employer is a self-insuring employer, the 144962
self-insuring employer shall deduct the amount from the paid 144963

compensation the self-insuring employer reports to the 144964
administrator under division (L) of section 4123.35 of the Revised 144965
Code. 144966

(c) Division (H)(2) of this section shall apply only to a 144967
claim under this chapter or Chapter 4121., 4127., or 4131. of the 144968
Revised Code arising on or after July 29, 2011. 144969

(3) A self-insuring employer may elect to pay compensation 144970
and benefits under this section directly to an employee or an 144971
employee's dependents by filing an application with the bureau of 144972
workers' compensation not more than one hundred eighty days and 144973
not less than ninety days before the first day of the employer's 144974
next six-month coverage period. If the self-insuring employer 144975
timely files the application, the application is effective on the 144976
first day of the employer's next six-month coverage period, 144977
provided that the administrator shall compute the employer's 144978
assessment for the surplus fund account due with respect to the 144979
period during which that application was filed without regard to 144980
the filing of the application. On and after the effective date of 144981
the employer's election, the self-insuring employer shall pay 144982
directly to an employee or to an employee's dependents 144983
compensation and benefits under this section regardless of the 144984
date of the injury or occupational disease, and the employer shall 144985
receive no money or credits from the surplus fund account on 144986
account of those payments and shall not be required to pay any 144987
amounts into the surplus fund account on account of this section. 144988
The election made under this division is irrevocable. 144989

(I) All actions and proceedings under this section which are 144990
the subject of an appeal to the court of common pleas or the court 144991
of appeals shall be preferred over all other civil actions except 144992
election causes, irrespective of position on the calendar. 144993

This section applies to all decisions of the commission or 144994
the administrator on November 2, 1959, and all claims filed 144995

thereafter are governed by sections 4123.511 and 4123.512 of the Revised Code. 144996
144997

Any action pending in common pleas court or any other court on January 1, 1986, under this section is governed by former sections 4123.514, 4123.515, 4123.516, and 4123.519 and section 4123.522 of the Revised Code. 144998

(A) The jurisdiction of the industrial commission and the authority of the administrator of workers' compensation over each case is continuing, and the commission may make such modification or change with respect to former findings or orders with respect thereto, as, in its opinion is justified. No modification or change nor any finding or award in respect of any claim shall be made with respect to disability, compensation, dependency, or benefits, after five years from the date of injury in the absence of medical benefits being provided under this chapter or in the absence of payment of compensation under section 4123.57, 4123.58, or division (A) or (B) of section 4123.56 of the Revised Code or wages in lieu of compensation in a manner so as to satisfy the requirements of section 4123.84 of the Revised Code, in which event the modification, change, finding, or award shall be made within five years from the date of the last medical services being rendered or the date of the last payment of compensation or from the date of death, nor unless written notice of claim for the specific part or parts of the body injured or disabled has been given as provided in section 4123.84 or 4123.85 of the Revised Code. workers' compensation board of directors, neither the 145028

compensation accruing subsequent to the filing of any such 145045
application, provided the application is filed within the time 145046
limit provided in this section. 145047

(E) This section does not deprive the commission of its 145048
continuing jurisdiction to determine the questions raised by any 145049
application for modification of award which has been filed with 145050
the commission after June 1, 1932, and prior to the expiration of 145051

granted or denied during the applicable period. 145053

(F) The commission may, by general rules, provide for the 145054

Witnesses shall receive the fees and mileage provided for under 145517
section 119.094 of the Revised Code. In the case of contumacy, 145518
failure, or refusal of any person to comply with an order or any 145519
subpoena lawfully issued, or upon the refusal of any witness to 145520
testify to any matter regarding which the witness may lawfully be 145521
interrogated, a judge of the court of common pleas of any county 145522
in this state, on the application of the administrator or the 145523
administrator's designee, shall issue an order requiring the 145524
person to appear and to produce evidence if, as, and when so 145525
ordered, and to give testimony relating to the matter under 145526
investigation or in question. The court may punish any failure to 145527
obey the order of the court as a contempt thereof. 145528

(D) If, upon inspection or investigation, the administrator 145529
or the administrator's designee believes that a public employer 145530
has violated any requirement of this chapter or any rule, Ohio 145531
employment risk reduction standard, or order adopted or issued 145532
pursuant thereto, the administrator or the administrator's 145533

designee shall, with reasonable promptness, issue a citation to 145534
the public employer. The citation shall be in writing and describe 145535
with particularity the nature of the alleged violation, including 145536
a reference to the provision of law, Ohio employment risk 145537
reduction standard, rule, or order alleged to have been violated. 145538
In addition, the citation shall fix a time for the abatement of 145539
the violation, as provided in division (H) of this section. The 145540
administrator may prescribe procedures for the issuance of a 145541
notice with respect to minor violations and for enforcement of 145542
minor violations that have no direct or immediate relationship to 145543
safety or health. 145544

(E) Upon receipt of any citation under this section, the 145545
public employer shall immediately post the citation, or a copy 145546
thereof, at or near each place an alleged violation referred to in 145547
the citation occurred. 145548

(F) The administrator may not issue a citation under this 145549
section after the expiration of six months following the final 145550
occurrence of any violation. 145551

(G) If the administrator issues a citation pursuant to this 145552
section, the administrator shall mail the citation to the public 145553
employer by certified mail, return receipt requested. The public 145554
employer has fourteen days after receipt of the citation within 145555
which to notify the administrator that the employer wishes to 145556
contest the citation. If the employer notifies the administrator 145557
within the fourteen days that the employer wishes to contest the 145558
citation, or if within fourteen days after the issuance of a 145559
citation a public employee or public employee representative files 145560
notice that the time period fixed in the citation for the 145561
abatement of the violation is unreasonable, the administrator 145562
shall hold an adjudication hearing in accordance with Chapter 119. 145563
of the Revised Code. 145564

(H) In establishing the time limits in which a public 145565

employer must abate a violation under this section, the 145566
administrator shall consider the costs to the public employer, the 145567
size and financial resources of the public employer, the severity 145568
of the violation, the technological feasibility of the public 145569
employer's ability to comply with requirements of the citation, 145570
the possible present and future detriment to the health and safety 145571
of any public employee for failure of the public employer to 145572
comply with requirements of the citation, and such other factors 145573
as the administrator determines appropriate. The administrator 145574
may, after considering the above factors, permit the public 145575
employer to comply with the citation over a period of up to two 145576
years and may extend that period an additional one year, as the 145577
administrator determines appropriate. 145578

(I) Any public employer may request the administrator to 145579
conduct an employment risk reduction inspection of the public 145580
employer's place of employment. The administrator or the 145581
administrator's designee shall conduct the inspection within a 145582
reasonable amount of time following the request. Neither the 145583
administrator nor any other person may use any information 145584
obtained from the inspection for a period not to exceed three 145585
years in any proceeding for a violation of this chapter or any 145586
rule or order issued thereunder nor in any other action in any 145587
court in this state. 145588

Sec. 4301.17. (A)(1) Subject to local option as provided in 145589
sections 4301.32 to 4301.40 of the Revised Code, five state liquor 145590
stores or agencies may be established in each county. One 145591
additional store may be established in any county for each twenty 145592
thousand of population of that county or major fraction thereof in 145593
excess of the first forty thousand, according to the last 145594
preceding federal decennial census or according to the population 145595
estimates certified by the department of development between 145596
decennial censuses. A person engaged in a mercantile business may 145597

act as the agent for the division of liquor control for the sale 145598
of spirituous liquor in a municipal corporation, in the 145599
unincorporated area of a township, or in an area designated and 145600
approved as a resort area under section 4303.262 of the Revised 145601
Code. The division shall fix the compensation for such an agent in 145602
the manner it considers best, but the compensation shall not 145603
exceed seven per cent of the gross sales made by the agent in any 145604
one year. 145605

(2) The division shall adopt rules in accordance with Chapter 145606
119. of the Revised Code governing the allocation and equitable 145607
distribution of agency store contracts. The division shall comply 145608
with the rules when awarding a contract under division (A)(1) of 145609
this section. 145610

(3) Pursuant to an agency store's contract, an agency store 145611
may be issued a D-1 permit to sell beer, a D-2 permit to sell wine 145612
and mixed beverages, and a D-5 permit to sell beer, wine, mixed 145613
beverages, and spirituous liquor. 145614

(4) Pursuant to an agency store's contract, an agency store 145615
may be issued a D-3 permit to sell spirituous liquor if the agency 145616
store contains at least ten thousand square feet of sales floor 145617
area. A D-3 permit issued to an agency store shall not be 145618
transferred to a new location. The division shall revoke any D-3 145619
permit issued to an agency store under division (A)(4) of this 145620
section if the agent no longer operates the agency store. The 145621
division shall not issue a D-3a permit to an agency store. 145622

(5) An agency store to which a D-8 permit has been issued may 145623
allow the sale of tasting samples of spirituous liquor in 145624
accordance with section 4301.171 of the Revised Code. 145625

(6) An agency store may sell beer, wine, mixed beverages, and 145626
spirituous liquor only between the hours of nine a.m. and eleven 145627
p.m. 145628

(B) When an agency contract is proposed, when an existing agency contract is assigned, when an existing agency proposes to relocate, or when an existing agency is relocated and assigned, before entering into any contract, consenting to any assignment, or consenting to any relocation, the division shall notify the legislative authority of the municipal corporation in which the agency store is to be located, or the board of county commissioners and the board of township trustees of the county and the township in which the agency store is to be located if the agency store is to be located outside the corporate limits of a municipal corporation, of the proposed contract, assignment, or relocation, and an opportunity shall be provided officials or employees of the municipal corporation or county and township for a complete hearing upon the advisability of entering into the contract or consenting to the assignment or relocation. When the division sends notice to the legislative authority of the political subdivision, the division shall notify, ~~by certified mail or by personal service,~~ the chief peace officer of the political subdivision, who may appear and testify, either in person or through a representative, at any hearing held on the advisability of entering into the contract or consenting to the assignment or relocation.

If the proposed agency store, the assignment of an agency contract, or the relocation of an agency store would be located within five hundred feet of a school, church, library, public playground, or township park, the division shall not enter into an agency contract until it has provided notice of the proposed contract to the authorities in control of the school, church, library, public playground, or township park and has provided those authorities with an opportunity for a complete hearing upon the advisability of entering into the contract. If an agency store so located is operating under an agency contract, the division may consent to relocation of the agency store or to the assignment of

that contract to operate an agency store at the same location. The 145662
division may also consent to the assignment of an existing agency 145663
contract simultaneously with the relocation of the agency store. 145664
In any such assignment or relocation, the assignee and the 145665
location shall be subject to the same requirements that the 145666
existing location met at the time that the contract was first 145667
entered into as well as any additional requirements imposed by the 145668
division in rules adopted by the superintendent of liquor control. 145669
The division shall not consent to an assignment or relocation of 145670
an agency store until it has notified the authorities in control 145671
of the school, church, library, public playground, or township 145672
park and has provided those authorities with an opportunity for a 145673
complete hearing upon the advisability of consenting to the 145674
assignment or relocation. 145675

Any hearing provided for in this division shall be held in 145676
the central office of the division, except that upon written 145677
request of the legislative authority of the municipal corporation, 145678
the board of county commissioners, the board of township trustees, 145679
or the authorities in control of the school, church, library, 145680
public playground, or township park, the hearing shall be held in 145681
the county seat of the county where the proposed agency store is 145682
to be located. 145683

(C) All agency contracts entered into by the division 145684
pursuant to this section shall be in writing and shall contain a 145685
clause providing for the termination of the contract at will by 145686
the division upon its giving ninety days' notice in writing to the 145687
agent of its intention to do so. Any agency contract may include a 145688
clause requiring the agent to report to the appropriate law 145689
enforcement agency the name and address of any individual under 145690
twenty-one years of age who attempts to make an illegal purchase. 145691

The division shall issue a C-1 and C-2 permit to each agent 145692
who prior to November 1, 1994, had not been issued both of these 145693

permits, notwithstanding the population quota restrictions 145694
contained in section 4303.29 of the Revised Code or in any rule of 145695
the liquor control commission and notwithstanding the requirements 145696
of section 4303.31 of the Revised Code. The location of a C-1 or 145697
C-2 permit issued to such an agent shall not be transferred. The 145698
division shall revoke any C-1 or C-2 permit issued to an agent 145699
under this paragraph if the agent no longer operates an agency 145700
store. 145701

The division may enter into agreements with the department of 145702
development to implement a minority loan program to provide 145703
low-interest loans to minority business enterprises, as defined in 145704
section 122.71 of the Revised Code, that are awarded liquor agency 145705
contracts or assignments. 145706

(D) If the division closes a state liquor store and replaces 145707
that store with an agency store, any employees of the division 145708
employed at that state liquor store who lose their jobs at that 145709
store as a result shall be given preference by the agent who 145710
operates the agency store in filling any vacancies that occur 145711
among the agent's employees, if that preference does not conflict 145712
with the agent's obligations pursuant to a collective bargaining 145713
agreement. 145714

If the division closes a state liquor store and replaces the 145715
store with an agency store, any employees of the division employed 145716
at the state liquor store who lose their jobs at that store as a 145717
result may displace other employees as provided in sections 145718
124.321 to 124.328 of the Revised Code. If an employee cannot 145719
displace other employees and is laid off, the employee shall be 145720
reinstated in another job as provided in sections 124.321 to 145721
124.328 of the Revised Code, except that the employee's rights of 145722
reinstatement in a job at a state liquor store shall continue for 145723
a period of two years after the date of the employee's layoff and 145724
shall apply to jobs at state liquor stores located in the 145725

employee's layoff jurisdiction and any layoff jurisdiction 145726
adjacent to the employee's layoff jurisdiction. 145727

(E) The division shall require every agent to give bond with 145728
surety to the satisfaction of the division, in the amount the 145729
division fixes, conditioned for the faithful performance of the 145730
agent's duties as prescribed by the division. 145731

Sec. 4301.30. (A) All fees collected by the division of 145732
liquor control shall be deposited in the state treasury to the 145733
credit of the undivided liquor permit fund, which is hereby 145734
created, at the time prescribed under section 4301.12 of the 145735
Revised Code. Each payment shall be accompanied by a statement 145736
showing separately the amount collected for each class of permits 145737
in each municipal corporation and in each township outside the 145738
limits of any municipal corporation in such township. 145739

(B)(1) An amount equal to forty-five per cent of the fund 145740
shall be paid from the fund into the state liquor regulatory fund, 145741
which is hereby created in the state treasury. The state liquor 145742
regulatory fund shall be used to pay the operating expenses of the 145743
division of liquor control in administering and enforcing Title 145744
XLIII of the Revised Code and the operating expenses of the liquor 145745
control commission. Investment earnings of the fund shall be 145746
credited to the fund. 145747

(2) Whenever, in the judgment of the director of budget and 145748
management, the amount of money that is in the state liquor 145749
regulatory fund is in excess of the amount that is needed to pay 145750
the operating expenses of the division in administering and 145751
enforcing Title XLIII of the Revised Code and the operating 145752
expenses of the commission, the director shall credit the excess 145753
amount to the general revenue fund. 145754

(C) Twenty per cent of the undivided liquor permit fund shall 145755
be paid into the statewide treatment and prevention fund, which is 145756

hereby created in the state treasury. This amount shall be 145757
appropriated by the general assembly, together with an amount 145758
equal to one and one-half per cent of the gross profit of the 145759
division of liquor control derived under division (B)(4) of 145760
section 4301.10 of the Revised Code, to the department of mental 145761
health and addiction services. In planning for the allocation of 145762
and in allocating these amounts for the purposes of Chapter 5119. 145763
of the Revised Code, the department shall comply with the 145764
nondiscrimination provisions of Title VI of the Civil Rights Act 145765
of 1964, and any rules adopted under that act. 145766

(D) Thirty-five per cent of the undivided liquor permit fund 145767
shall be distributed by the superintendent of liquor control at 145768
quarterly calendar periods as follows: 145769

(1) To each municipal corporation, the aggregate amount shown 145770
by the statements to have been collected from permits in the 145771
municipal corporation, for the use of the general fund of the 145772
municipal corporation; 145773

(2) To each township, the aggregate amount shown by the 145774
statements to have been collected from permits in its territory, 145775
outside the limits of any municipal corporation located in the 145776
township, for the use of the general fund of the township, or for 145777
fire protection purposes, including buildings and equipment in the 145778
township or in an established fire district within the township, 145779
to the extent that the funds are derived from liquor permits 145780
within the territory comprising such fire district. 145781

(E) For the purpose of the distribution required by this 145782
section, E, H, and D permits covering boats or vessels are deemed 145783
to have been issued in the municipal corporation or township 145784
wherein the owner or operator of the vehicle, boat, vessel, or 145785
dining car equipment to which the permit relates has the owner's 145786
or operator's principal office or place of business within the 145787
state. 145788

(F) If the ~~liquor control commission~~ division determines that 145789
the police or other officers of any municipal corporation or 145790
township entitled to share in distributions under this section are 145791
refusing or culpably neglecting to enforce this chapter and 145792
Chapter 4303. of the Revised Code, or the penal laws of this state 145793
relating to the manufacture, importation, transportation, 145794
distribution, and sale of beer and intoxicating liquors, or if the 145795
prosecuting officer of a municipal corporation or a municipal 145796
court fails to comply with the request of the ~~commission~~ division 145797
authorized by division (A)(4) of section 4301.10 of the Revised 145798
Code, the ~~commission~~ division, by certified mail or by electronic 145799
means as determined by the superintendent to provide proper notice 145800
under the laws of this state, may notify the chief executive 145801
officer of the municipal corporation or the board of township 145802
trustees of the township of the failure and require the immediate 145803
cooperation of the responsible officers of the municipal 145804
corporation or township with the division ~~of liquor control~~ in the 145805
enforcement of those chapters and penal laws. Within thirty days 145806
after the notice is served, the ~~commission~~ division shall 145807
determine whether the requirement has been complied with. If the 145808
~~commission~~ division determines that the requirement has not been 145809
complied with, it may ~~issue an order to the superintendent to~~ 145810
withhold the distributive share of the municipal corporation or 145811
township ~~until further order of the commission~~. This action of the 145812
~~commission~~ division is reviewable within thirty days thereafter in 145813
the court of common pleas of Franklin county. 145814

(G) All fees collected by the division of liquor control from 145815
the issuance or renewal of B-2a, S-1, and S-2 permits, and paid by 145816
B-2a, S-1, and S-2 permit holders who do not also hold A-1 or A-1c 145817
permits or A-2 or A-2f permits, shall be deposited in the state 145818
treasury to the credit of the state liquor regulatory fund. Once 145819
during each fiscal year, an amount equal to fifty per cent of the 145820
fees collected shall be paid from the state liquor regulatory fund 145821

into the general revenue fund. 145822

Sec. 4303.24. All application processing fees shall be 145823
remitted to the division of liquor control when applications are 145824
filed. The pendency, priority, or validity of an application for a 145825
permit or duplicate permit received by the division shall not be 145826
affected because the division did not issue the permit applied for 145827
or the applicant failed to appeal to the liquor control 145828
commission. 145829

The division, prior to the granting of a permit or duplicate 145830
permit applied for, shall notify, by certified mail, the applicant 145831
or the applicant's authorized agent. The applicant or the 145832
applicant's authorized agent, within thirty days after the mailing 145833
of that notice, shall pay to the division the entire amount of ~~the~~ 145834
any unpaid requisite permit fee required by sections 4303.02 to 145835
4303.231 or, in the case of a duplicate permit, section 4303.30 of 145836
the Revised Code, if the permit or duplicate permit is issued 145837
during the first six months of the year the permit or duplicate 145838
permit covers, or one-half of the amount of the requisite permit 145839
fee, if the permit or duplicate permit is issued during the last 145840
six months of the year the permit or duplicate permit covers. If 145841
the notice is returned because of failure or refusal of delivery, 145842
the division shall send another notice, by regular mail or by 145843
electronic means as determined by the division to provide proper 145844
notice under the laws of this state, to the applicant or the 145845
applicant's agent. If the applicant fails to pay the applicable 145846
amount of that requisite permit fee within ~~these~~ thirty days of 145847
the mailing of the last notice, the division shall cancel the 145848
applicant's application. 145849

All other fees shall be paid at the time and in the manner 145850
prescribed by the division. The liquor control commission may 145851
adopt rules requiring reports or returns for the purpose of 145852

determining the amounts of additional permit fees. 145853

Sec. 4507.081. (A) Upon the expiration of a restricted 145854

Revised Code and submission of a statement as provided in division 145856
(C) of this section, the registrar of motor vehicles may issue a 145857

the registrar, ~~by certified mail and~~ no sooner than thirty days 145864
prior to the expiration date of the license or renewal thereof, a 145865
statement as provided in division (C) of this section. A renewal 145866
of a driver's license, unless the license is otherwise suspended 145867
or canceled, shall be effective for one year following the 145868
expiration date of the license or renewal thereof, ~~and shall be~~ 145869
~~evidenced by a validation sticker. The renewal validation sticker~~ 145870
~~shall be in a form prescribed by the registrar and shall be~~ 145871
~~affixed to the license.~~ 145872

(C) No person may be issued a driver's license under this 145873
section, and no such driver's license may be renewed, unless the 145874
person presents a signed statement from a licensed physician that 145875
the person's condition either is dormant or is under effective 145876
medical control, that the control has been maintained continuously 145877
for at least one year prior to the date on which application for 145878
the license is made, and that, if continued medication is 145879
prescribed to control the condition, the person may be depended 145880
upon to take the medication. 145881

The statement shall be made on a form provided by the 145882
registrar, ~~shall be in not less than duplicate,~~ and shall contain 145883

any other information the registrar considers necessary. The 145884
~~duplicate copy of the statement may be retained by the person~~ 145885
~~requesting the license renewal and, when in the person's immediate~~ 145886
~~possession and used in conjunction with the original license,~~ 145887
~~shall entitle the person to operate a motor vehicle during a~~ 145888
~~period of no more than thirty days following the date of~~ 145889
~~submission of the statement to the registrar, except when the~~ 145890
~~registrar denies the request for the license renewal and so~~ 145891
~~notifies the person.~~ 145892

(D) Whenever the registrar receives a statement indicating 145893
that the condition of a person to whom a driver's license has been 145894
issued under this section no longer is dormant or under effective 145895
medical control, the registrar shall cancel the person's driver's 145896
license. 145897

(E) Nothing in this section shall require a person submitting 145898
a signed statement from a licensed physician to obtain a medical 145899
examination prior to the submission of the statement. 145900

(F) Any person whose driver's license has been canceled under 145901
this section may apply for a subsequent restricted license 145902
according to the provisions of section 4507.08 of the Revised 145903

~~interactive videodisc~~ web site, electronic mail communication, 145909

approve any such brochure, written material, or electronic medium 145923
that contains religious content for use in a driver education 145924
course conducted by a school district or educational service 145925
center. 145926

(C)(1) If any brochure or other written material approved by 145927
the committee under division (B) of this section is made available 145928

religious content shall be made to students of a driver education 145952
course conducted by a school district or educational service 145953
center. Students shall be granted the opportunity to ask questions 145954
on anatomical gifts and anatomical gift procedures during the 145955

Nothing in this section shall prohibit an instructor from 145957

over eighteen years of age, that such instruction conflicts with 145966
the religious convictions of the student or the student's parent 145967
or guardian. If a student is excused from such instruction, the 145968
instructor shall give the student an alternative assignment. 145969

the rights of the owner to register the motor vehicle and the 146014
impoundment of the owner's certificate of registration and license 146015

(d) Send written notification to every person to whom the 146116
order pertains, at the person's last known address as shown on the 146117

section, any certificate of registration and registration plates 146121
under an order of impoundment, or any license under an order of 146122
suspension. 146123

(2) The registrar shall issue any order under division (B)(1) 146124
of this section without a hearing. Any person adversely affected 146125

request an administrative hearing before the registrar, who shall 146127
provide the person with an opportunity for a hearing in accordance 146128
with this paragraph. A request for a hearing does not operate as a 146129
suspension of the order. The scope of the hearing shall be limited 146130
to whether the person in fact demonstrated to the registrar proof 146131
of financial responsibility in accordance with this section. The 146132
registrar shall determine the date, time, and place of any 146133
hearing, provided that the hearing shall be held, and an order 146134

writing, the registrar may designate as the place of hearing the 146137
county seat of the county in which the person resides or a place 146138
within fifty miles of the person's residence. The person shall pay 146139
the cost of the hearing before the registrar, if the registrar's 146140
order of suspension or impoundment is upheld. 146141

(C) Any order of suspension or impoundment issued under this 146142
section or division (B) of section 4509.37 of the Revised Code may 146143
be terminated at any time if the registrar determines upon a 146144
showing of proof of financial responsibility that the operator or 146145
owner of the motor vehicle was in compliance with division (A)(1) 146146
of this section at the time of the traffic offense, motor vehicle 146147
inspection, or accident that resulted in the order against the 146148
person. A determination may be made without a hearing. This 146149
division does not apply unless the person shows good cause for the 146150
person's failure to present satisfactory proof of financial 146151
responsibility to the registrar prior to the issuance of the 146152
order. 146153

(D)(1)(a) For the purpose of enforcing this section, every 146154

return them to the registrar. 146162

(2) A peace officer shall request the owner or operator of a 146163
motor vehicle to produce proof of financial responsibility in a 146164
manner described in division (G) of this section at the time the 146165

whether the person receiving the traffic ticket produced proof of 146170
the maintenance of financial responsibility in response to the 146171
officer's request under division (D)(2) of this section. The peace 146172
officer shall inform every person who receives a traffic ticket 146173
and who has failed to produce proof of the maintenance of 146174
financial responsibility that the person must submit proof to the 146175
traffic violations bureau with any payment of a fine and costs for 146176
the ticketed violation or, if the person is to appear in court for 146177
the violation, the person must submit proof to the court. 146178

(4)(a) If a person who has failed to produce proof of the 146179
maintenance of financial responsibility appears in court for a 146180
ticketed violation, the court may permit the defendant to present 146181
evidence of proof of financial responsibility to the court at such 146182
time and in such manner as the court determines to be necessary or 146183
appropriate. In a manner prescribed by the registrar, the clerk of 146184
courts shall provide the registrar with the identity of any person 146185
who fails to submit proof of the maintenance of financial 146186
responsibility pursuant to division (D)(3) of this section. 146187

(b) If a person who has failed to produce proof of the 146188
maintenance of financial responsibility also fails to submit that 146189
proof to the traffic violations bureau with payment of a fine and 146190
costs for the ticketed violation, the traffic violations bureau, 146191
in a manner prescribed by the registrar, shall notify the 146192
registrar of the identity of that person. 146193

(5)(a) Upon receiving notice from a clerk of courts or 146194
traffic violations bureau pursuant to division (D)(4) of this 146195
section, the registrar shall order the suspension of the license 146196
of the person required under division (A)(2)(a), (b), or (c) of 146197
this section and the impoundment of the person's certificate of 146198

registration and license plates required under division (A)(2)(d) 146199
of this section, effective thirty days after the date of the 146200
mailing of notification. The registrar also shall notify the 146201
person that the person must present the registrar with proof of 146202
financial responsibility in accordance with this section, 146203
surrender to the registrar the person's certificate of 146204
registration, license plates, and license, or submit a statement 146205
subject to section 2921.13 of the Revised Code that the person did 146206
not operate or permit the operation of the motor vehicle at the 146207
time of the offense. Notification shall be in writing and shall be 146208
sent to the person at the person's last known address as shown on 146209
the records of the bureau of motor vehicles. The person, within 146210
fifteen days after the date of the mailing of notification, shall 146211
present proof of financial responsibility, surrender the 146212
certificate of registration, license plates, and license to the 146213
registrar in a manner set forth in division (A)(4) of this 146214
section, or submit the statement required under this section 146215
together with other information the person considers appropriate. 146216

If the registrar does not receive proof or the person does 146217
not surrender the certificate of registration, license plates, and 146218
license, in accordance with this division, the registrar shall 146219
permit the order for the suspension of the license of the person 146220
and the impoundment of the person's certificate of registration 146221
and license plates to take effect. 146222

(b) In the case of a person who presents, within the 146223
fifteen-day period, proof of financial responsibility, the 146224
registrar shall terminate the order of suspension and the 146225
impoundment of the registration and license plates required under 146226
division (A)(2)(d) of this section and shall send written 146227
notification to the person, at the person's last known address as 146228
shown on the records of the bureau. 146229

(c) Any person adversely affected by the order of the 146230

registrar under division (D)(5)(a) or (b) of this section, within 146231
ten days after the issuance of the order, may request an 146232
administrative hearing before the registrar, who shall provide the 146233
person with an opportunity for a hearing in accordance with this 146234
paragraph. A request for a hearing does not operate as a 146235
suspension of the order. The scope of the hearing shall be limited 146236
to whether, at the time of the hearing, the person presents proof 146237
of financial responsibility covering the vehicle and whether the 146238
person is eligible for an exemption in accordance with this 146239
section or any rule adopted under it. The registrar shall 146240
determine the date, time, and place of any hearing; ~~provided, that~~ 146241
~~the hearing shall be held, and an order issued or findings made,~~ 146242
~~within thirty days after the registrar receives a request for a~~ 146243
~~hearing. The hearing may be held remotely by electronic means.~~ If 146244
requested by the person in writing, the registrar may designate as 146245
the place of hearing the county seat of the county in which the 146246
person resides or a place within fifty miles of the person's 146247
residence. Such person shall pay the cost of the hearing before 146248
the registrar, if the registrar's order of suspension or 146249
impoundment under division (D)(5)(a) or (b) of this section is 146250
upheld. 146251

(6) A peace officer may charge an owner or operator of a 146252
motor vehicle with a violation of section 4510.16 of the Revised 146253
Code when the owner or operator fails to show proof of the 146254
maintenance of financial responsibility pursuant to a peace 146255
officer's request under division (D)(2) of this section, if a 146256
check of the owner or operator's driving record indicates that the 146257
owner or operator, at the time of the operation of the motor 146258
vehicle, is required to file and maintain proof of financial 146259
responsibility under section 4509.45 of the Revised Code for a 146260
previous violation of this chapter. 146261

(7) Any forms used by law enforcement agencies in 146262

administering this section shall be prescribed, supplied, and paid 146263
for by the registrar. 146264

(8) No peace officer, law enforcement agency employing a 146265
peace officer, or political subdivision or governmental agency 146266
that employs a peace officer shall be liable in a civil action for 146267
damages or loss to persons arising out of the performance of any 146268

bureau, court, registrar, or peace officer through use of an 146322
electronic wireless communications device as specified under 146323

section 4509.103 of the Revised Code. 146324

(2) If a person fails to demonstrate proof of financial 146325
responsibility in a manner described in division (G)(1) of this 146326
section, the person may demonstrate proof of financial 146327
responsibility under this section by any other method that the 146328
court or the bureau, by reason of circumstances in a particular 146329
case, may consider appropriate. 146330

(3) A motor carrier certificated by the interstate commerce 146331
commission or by the public utilities commission may demonstrate 146332
proof of financial responsibility by providing a statement 146333
designating the motor carrier's operating authority and averring 146334
that the insurance coverage required by the certificating 146335
authority is in full force and effect. 146336

(4)(a) A finding by the registrar or court that a person is 146337
covered by proof of financial responsibility in the form of an 146338
insurance policy or surety bond is not binding upon the named 146339
insurer or surety or any of its officers, employees, agents, or 146340
representatives and has no legal effect except for the purpose of 146341
administering this section. 146342

(b) The preparation and delivery of a financial 146343
responsibility identification card or any other document 146344
authorized to be used as proof of financial responsibility and the 146345
generation and delivery of proof of financial responsibility to an 146346
electronic wireless communications device that is displayed on the 146347
device as text or images does not do any of the following: 146348

(i) Create any liability or estoppel against an insurer or 146349
surety, or any of its officers, employees, agents, or 146350
representatives; 146351

(ii) Constitute an admission of the existence of, or of any 146352
liability or coverage under, any policy or bond; 146353

(iii) Waive any defenses or counterclaims available to an 146354

insurer, surety, agent, employee, or representative in an action 146355
commenced by an insured or third-party claimant upon a cause of 146356
action alleged to have arisen under an insurance policy or surety 146357
bond or by reason of the preparation and delivery of a document 146358
for use as proof of financial responsibility or the generation and 146359
delivery of proof of financial responsibility to an electronic 146360
wireless communications device. 146361

(c) Whenever it is determined by a final judgment in a 146362
judicial proceeding that an insurer or surety, which has been 146363
named on a document or displayed on an electronic wireless 146364
communications device accepted by a court or the registrar as 146365
proof of financial responsibility covering the operation of a 146366
motor vehicle at the time of an accident or offense, is not liable 146367
to pay a judgment for injuries or damages resulting from such 146368
operation, the registrar, notwithstanding any previous contrary 146369
finding, shall forthwith suspend the operating privileges and 146370
registration rights of the person against whom the judgment was 146371
rendered as provided in division (A)(2) of this section. 146372

(H) In order for any document or display of text or images on 146373
an electronic wireless communications device described in division 146374
(G)(1) of this section to be used for the demonstration of proof 146375
of financial responsibility under this section, the document or 146376
words or images shall state the name of the insured or obligor, 146377
the name of the insurer or surety company, and the effective and 146378
expiration dates of the financial responsibility, and designate by 146379
explicit description or by appropriate reference all motor 146380
vehicles covered which may include a reference to fleet insurance 146381
coverage. 146382

(I) For purposes of this section, "owner" does not include a 146383
licensed motor vehicle leasing dealer as defined in section 146384
4517.01 of the Revised Code, but does include a motor vehicle 146385
renting dealer as defined in section 4549.65 of the Revised Code. 146386

Nothing in this section or in section 4509.51 of the Revised Code 146387
shall be construed to prohibit a motor vehicle renting dealer from 146388
entering into a contractual agreement with a person whereby the 146389
person renting the motor vehicle agrees to be solely responsible 146390
for maintaining proof of financial responsibility, in accordance 146391
with this section, with respect to the operation, maintenance, or 146392
use of the motor vehicle during the period of the motor vehicle's 146393
rental. 146394

(J) The purpose of this section is to require the maintenance 146395
of proof of financial responsibility with respect to the operation 146396
of motor vehicles on the highways of this state, so as to minimize 146397
those situations in which persons are not compensated for injuries 146398
and damages sustained in motor vehicle accidents. The general 146399
assembly finds that this section contains reasonable civil 146400
penalties and procedures for achieving this purpose. 146401

(K) Nothing in this section shall be construed to be subject 146402
to section 4509.78 of the Revised Code. 146403

(L)(1) The registrar may terminate any suspension imposed 146404
under this section and not require the owner to comply with 146405
divisions (A)(5)(a), (b), and (c) of this section if the registrar 146406
with or without a hearing determines that the owner of the vehicle 146407
has established by clear and convincing evidence that all of the 146408
following apply: 146409

(a) The owner customarily maintains proof of financial 146410
responsibility. 146411

(b) Proof of financial responsibility was not in effect for 146412
the vehicle on the date in question for one of the following 146413
reasons: 146414

(i) The vehicle was inoperable. 146415

(ii) The vehicle is operated only seasonally, and the date in 146416
question was outside the season of operation. 146417

(iii) A person other than the vehicle owner or driver was at 146418
fault for the lapse of proof of financial responsibility through 146419
no fault of the owner or driver. 146420

(iv) The lapse of proof of financial responsibility was 146421
caused by excusable neglect under circumstances that are not 146422
likely to recur and do not suggest a purpose to evade the 146423
requirements of this chapter. 146424

(2) The registrar may grant an owner or driver relief for a 146425
reason specified in division (L)(1)(b)(iii) or (iv) of this 146426
section only if the owner or driver has not previously been 146427
granted relief under division (L)(1)(b)(iii) or (iv) of this 146428
section. 146429

(M) The registrar shall adopt rules in accordance with 146430
Chapter 119. of the Revised Code that are necessary to administer 146431
and enforce this section. The rules shall include procedures for 146432
the surrender of license plates upon failure to maintain proof of 146433
financial responsibility and provisions relating to reinstatement 146434
of registration rights, acceptable forms of proof of financial 146435
responsibility, the use of an electronic wireless communications 146436
device to present proof of financial responsibility, and 146437
verification of the existence of financial responsibility during 146438
the period of registration. 146439

(N)(1) When a person utilizes an electronic wireless 146440
communications device to present proof of financial 146441
responsibility, only the evidence of financial responsibility 146442
displayed on the device shall be viewed by the registrar, peace 146443
officer, employee or official of the traffic violations bureau, or 146444
the court. No other content of the device shall be viewed for 146445
purposes of obtaining proof of financial responsibility. 146446

(2) When a person provides an electronic wireless 146447
communications device to the registrar, a peace officer, an 146448

employee or official of a traffic violations bureau, or the court, 146449
the person assumes the risk of any resulting damage to the device 146450
unless the registrar, peace officer, employee, or official, or 146451
court personnel purposely, knowingly, or recklessly commits an 146452
action that results in damage to the device. 146453

Sec. 4510.03. (A) Every county court judge, mayor of a 146454
mayor's court, and clerk of a court of record shall keep a full 146455
record of every case in which a person is charged with any 146456
violation of any provision of sections 4511.01 to 4511.771 or 146457
4513.01 to 4513.36 of the Revised Code or of any other law or 146458
ordinance regulating the operation of vehicles, streetcars, and 146459
trackless trolleys on highways or streets. 146460

(B) If a person is convicted of or forfeits bail in relation 146461
to a violation of any section listed in division (A) of this 146462
section or a violation of any other law or ordinance regulating 146463
the operation of vehicles, streetcars, and trackless trolleys on 146464
highways or streets, the county court judge, mayor of a mayor's 146465
court, or clerk, within seven days after the conviction or bail 146466
forfeiture, shall prepare and immediately forward to the bureau of 146467
motor vehicles, in a secure electronic format, an abstract, 146468
certified by the preparer to be true and correct, of the court 146469
record covering the case in which the person was convicted or 146470
forfeited bail. Every court of record also shall forward to the 146471
bureau of motor vehicles, in a secure electronic format, an 146472
abstract of the court record as described in division (C) of this 146473
section upon the conviction of any person of aggravated vehicular 146474
homicide or vehicular homicide or of a felony in the commission of 146475
which a vehicle was used. 146476

(C) Each abstract required by this section shall be made upon 146477
a form approved and furnished by the bureau and shall include the 146478
name and address of the person charged, the number of the person's 146479

driver's or commercial driver's license, probationary driver's 146480
license, or temporary instruction permit, the registration number 146481
of the vehicle involved, the nature of the offense, the date of 146482
the offense, the date of hearing, the plea, the judgment, or 146483
whether bail was forfeited, and the amount of the fine or 146484
forfeiture. 146485

Sec. 4510.41. (A) As used in this section: 146486

(1) "Arrested person" means a person who is arrested for a 146487
violation of section 4510.14 or 4511.203 of the Revised Code, or a 146488
municipal ordinance that is substantially equivalent to either of 146489
those sections, and whose arrest results in a vehicle being seized 146490
under division (B) of this section. 146491

(2) "Vehicle owner" means either of the following: 146492

(a) The person in whose name is registered, at the time of 146493
the seizure, a vehicle that is seized under division (B) of this 146494
section; 146495

(b) A person to whom the certificate of title to a vehicle 146496
that is seized under division (B) of this section has been 146497
assigned and who has not obtained a certificate of title to the 146498
vehicle in that person's name, but who is deemed by the court as 146499
being the owner of the vehicle at the time the vehicle was seized 146500
under division (B) of this section. 146501

(3) "Interested party" includes the owner of a vehicle seized 146502
under this section, all lienholders, the arrested person, the 146503
owner of the place of storage at which a vehicle seized under this 146504
section is stored, and the person or entity that caused the 146505
vehicle to be removed. 146506

(B)(1) If a person is arrested for a violation of section 146507
4510.14 or 4511.203 of the Revised Code or a municipal ordinance 146508
that is substantially equivalent to either of those sections, the 146509

arresting officer or another officer of the law enforcement agency 146510
that employs the arresting officer, in addition to any action that 146511
the arresting officer is required or authorized to take by any 146512
other provision of law, shall seize the vehicle that the person 146513
was operating at the time of, or that was involved in, the alleged 146514
offense if the vehicle is registered in the arrested person's name 146515
and its license plates. A law enforcement agency that employs a 146516
law enforcement officer who makes an arrest of a type that is 146517
described in this division and that involves a rented or leased 146518
vehicle that is being rented or leased for a period of thirty days 146519
or less shall notify, within twenty-four hours after the officer 146520
makes the arrest, the lessor or owner of the vehicle regarding the 146521
circumstances of the arrest and the location at which the vehicle 146522
may be picked up. At the time of the seizure of the vehicle, the 146523
law enforcement officer who made the arrest shall give the 146524
arrested person written notice that the vehicle and its license 146525
plates have been seized; that the vehicle either will be kept by 146526
the officer's law enforcement agency or will be immobilized at 146527
least until the person's initial appearance on the charge of the 146528
offense for which the arrest was made; that, at the initial 146529
appearance, the court in certain circumstances may order that the 146530
vehicle and license plates be released to the arrested person 146531
until the disposition of that charge; that, if the arrested person 146532
is convicted of that charge, the court generally must order the 146533
immobilization of the vehicle and the impoundment of its license 146534
plates or the forfeiture of the vehicle; and that the arrested 146535
person may be charged expenses or charges incurred under this 146536
section and section 4503.233 of the Revised Code for the removal 146537
and storage of the vehicle. 146538

(2) The arresting officer or a law enforcement officer of the 146539
agency that employs the arresting officer shall give written 146540
notice of the seizure under division (B)(1) of this section to the 146541
court that will conduct the initial appearance of the arrested 146542

person on the charges arising out of the arrest. Upon receipt of 146543
the notice, the court promptly shall determine whether the 146544
arrested person is the vehicle owner. If the court determines that 146545
the arrested person is not the vehicle owner, it promptly shall 146546
send by regular mail written notice of the seizure to the 146547
vehicle's registered owner. The written notice shall contain all 146548
of the information required by division (B)(1) of this section to 146549
be in a notice to be given to the arrested person and also shall 146550
specify the date, time, and place of the arrested person's initial 146551
appearance. The notice also shall inform the vehicle owner that if 146552
title to a motor vehicle that is subject to an order for criminal 146553
forfeiture under this section is assigned or transferred and 146554
division (B)(2) or (3) of section 4503.234 of the Revised Code 146555
applies, the court may fine the arrested person the value of the 146556
vehicle. The notice also shall state that if the vehicle is 146557
immobilized under division (A) of section 4503.233 of the Revised 146558
Code, seven days after the end of the period of immobilization a 146559
law enforcement agency will send the vehicle owner a notice, 146560
informing the owner that if the release of the vehicle is not 146561
obtained in accordance with division (D)(3) of section 4503.233 of 146562
the Revised Code, the vehicle shall be forfeited. The notice also 146563
shall inform the vehicle owner that the owner may be charged 146564
expenses or charges incurred under this section and section 146565
4503.233 of the Revised Code for the removal and storage of the 146566
vehicle. 146567

The written notice that is given to the arrested person also 146568
shall state that if the person is convicted of or pleads guilty to 146569
the offense and the court issues an immobilization and impoundment 146570
order relative to that vehicle, division (D)(4) of section 146571
4503.233 of the Revised Code prohibits the vehicle from being sold 146572
during the period of immobilization without the prior approval of 146573
the court. 146574

(3) At or before the initial appearance, the vehicle owner 146575
may file a motion requesting the court to order that the vehicle 146576
and its license plates be released to the vehicle owner. Except as 146577
provided in this division and subject to the payment of expenses 146578
or charges incurred in the removal and storage of the vehicle, the 146579
court, in its discretion, then may issue an order releasing the 146580
vehicle and its license plates to the vehicle owner. Such an order 146581
may be conditioned upon such terms as the court determines 146582
appropriate, including the posting of a bond in an amount 146583
determined by the court. If the arrested person is not the vehicle 146584
owner and if the vehicle owner is not present at the arrested 146585
person's initial appearance, and if the court believes that the 146586
vehicle owner was not provided with adequate notice of the initial 146587
appearance, the court, in its discretion, may allow the vehicle 146588
owner to file a motion within seven days of the initial 146589
appearance. If the court allows the vehicle owner to file such a 146590
motion after the initial appearance, the extension of time granted 146591
by the court does not extend the time within which the initial 146592
appearance is to be conducted. If the court issues an order for 146593
the release of the vehicle and its license plates, a copy of the 146594
order shall be made available to the vehicle owner. If the vehicle 146595
owner presents a copy of the order to the law enforcement agency 146596
that employs the law enforcement officer who arrested the arrested 146597
person, the law enforcement agency promptly shall release the 146598
vehicle and its license plates to the vehicle owner upon payment 146599
by the vehicle owner of any expenses or charges incurred in the 146600
removal or storage of the vehicle. 146601

(4) A vehicle seized under division (B)(1) of this section 146602
either shall be towed to a place specified by the law enforcement 146603
agency that employs the arresting officer to be safely kept by the 146604
agency at that place for the time and in the manner specified in 146605
this section or shall be otherwise immobilized for the time and in 146606
the manner specified in this section. ~~A law enforcement officer of~~ 146607

~~that agency shall remove the identification license plates of the~~ 146608
~~vehicle, and they shall be safely kept by the agency for the time~~ 146609
~~and in the manner specified in this section. The license plates~~ 146610
~~shall remain on the seized vehicle unless otherwise ordered by the~~ 146611
~~court.~~ No vehicle that is seized and either towed or immobilized 146612
pursuant to this division shall be considered contraband for 146613
purposes of Chapter 2981. of the Revised Code. The vehicle shall 146614
not be immobilized at any place other than a commercially operated 146615
private storage lot, a place owned by a law enforcement or other 146616
government agency, or a place to which one of the following 146617
applies: 146618

(a) The place is leased by or otherwise under the control of 146619
a law enforcement or other government agency. 146620

(b) The place is owned by the arrested person, the arrested 146621
person's spouse, or a parent or child of the arrested person. 146622

(c) The place is owned by a private person or entity, and, 146623
prior to the immobilization, the private entity or person that 146624
owns the place, or the authorized agent of that private entity or 146625
person, has given express written consent for the immobilization 146626
to be carried out at that place. 146627

(d) The place is a public street or highway on which the 146628
vehicle is parked in accordance with the law. 146629

(C)(1) A vehicle seized under division (B)(1) of this section 146630
shall be safely kept at the place to which it is towed or 146631
otherwise moved by the law enforcement agency that employs the 146632
arresting officer until the initial appearance of the arrested 146633
person relative to the charge in question. The license plates ~~of~~ 146634
~~shall remain on the seized vehicle that are removed pursuant to~~ 146635
~~division (B)(1) of this section shall be safely kept by the law~~ 146636
~~enforcement agency that employs the arresting officer until at~~ 146637
~~least the initial appearance of the arrested person relative to~~ 146638

~~the charge in question unless otherwise ordered by the court.~~ 146639

(2)(a) At the initial appearance or not less than seven days 146640
prior to the date of final disposition, the court shall notify the 146641
arrested person that, if title to a motor vehicle that is subject 146642
to an order for criminal forfeiture under this section is assigned 146643
or transferred and division (B)(2) or (3) of section 4503.234 of 146644
the Revised Code applies, the court may fine the arrested person 146645
the value of the vehicle. If, at the initial appearance, the 146646
arrested person pleads guilty to the violation of section 4510.14 146647
or 4511.203 of the Revised Code, or a municipal ordinance that is 146648
substantially equivalent to either of those sections or pleads no 146649
contest to and is convicted of the violation, the following 146650
sentencing provisions apply: 146651

(i) If the person violated section 4510.14 of the Revised 146652
Code or a municipal ordinance that is substantially equivalent to 146653
that section, the court shall impose sentence upon the person as 146654
provided by law or ordinance; the court shall order the 146655
immobilization of the vehicle the arrested person was operating at 146656
the time of, or that was involved in, the offense if registered in 146657
the arrested person's name and the impoundment of its license 146658
plates under sections 4503.233 and 4510.14 of the Revised Code or 146659
the criminal forfeiture to the state of the vehicle if registered 146660
in the arrested person's name under sections 4503.234 and 4510.14 146661
of the Revised Code, whichever is applicable; and the vehicle and 146662
its license plates shall not be returned or released to the 146663
arrested person. 146664

(ii) If the person violated section 4511.203 of the Revised 146665
Code or a municipal ordinance that is substantially equivalent to 146666
that section, the court shall impose sentence upon the person as 146667
provided by law or ordinance; the court may order the 146668
immobilization of the vehicle the arrested person was operating at 146669
the time of, or that was involved in, the offense if registered in 146670

the arrested person's name and the impoundment of its license 146671
plates under section 4503.233 and section 4511.203 of the Revised 146672
Code or the criminal forfeiture to the state of the vehicle if 146673
registered in the arrested person's name under section 4503.234 146674
and section 4511.203 of the Revised Code, whichever is applicable; 146675
and the vehicle and its license plates shall not be returned or 146676
released to the arrested person. 146677

(b) If, at any time, the charge that the arrested person 146678
violated section 4510.14 or 4511.203 of the Revised Code, or a 146679
municipal ordinance that is substantially equivalent to either of 146680
those sections is dismissed for any reason, the court shall order 146681
that the vehicle seized at the time of the arrest and its license 146682
plates immediately be released to the person. 146683

(D) If a vehicle and its license plates are seized under 146684
division (B)(1) of this section and are not returned or released 146685
to the arrested person pursuant to division (C) of this section, 146686
the vehicle and its license plates shall be retained until the 146687
final disposition of the charge in question. Upon the final 146688
disposition of that charge, the court shall do whichever of the 146689
following is applicable: 146690

(1) If the arrested person is convicted of or pleads guilty 146691
to the violation of section 4510.14 of the Revised Code or a 146692
municipal ordinance that is substantially equivalent to that 146693
section, the court shall impose sentence upon the person as 146694
provided by law or ordinance and shall order the immobilization of 146695
the vehicle the person was operating at the time of, or that was 146696
involved in, the offense if it is registered in the arrested 146697
person's name and the impoundment of its license plates under 146698
sections 4503.233 and 4510.14 of the Revised Code or the criminal 146699
forfeiture of the vehicle if it is registered in the arrested 146700
person's name under sections 4503.234 and 4510.14 of the Revised 146701
Code, whichever is applicable. 146702

(2) If the arrested person is convicted of or pleads guilty to the violation of section 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to that section, the court shall impose sentence upon the person as provided by law or ordinance and may order the immobilization of the vehicle the person was operating at the time of, or that was involved in, the offense if it is registered in the arrested person's name and the impoundment of its license plates under section 4503.233 and section 4511.203 of the Revised Code or the criminal forfeiture of the vehicle if it is registered in the arrested person's name under section 4503.234 and section 4511.203 of the Revised Code, whichever is applicable.

(3) If the arrested person is found not guilty of the violation of section 4510.14 or 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to either of those sections, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(4) If the charge that the arrested person violated section 4510.14 or 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to either of those sections is dismissed for any reason, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(5) If the impoundment of the vehicle was not authorized under this section, the court shall order that the vehicle and its license plates be returned immediately to the arrested person or, if the arrested person is not the vehicle owner, to the vehicle owner and shall order that the state or political subdivision of the law enforcement agency served by the law enforcement officer who seized the vehicle pay all expenses and charges incurred in its removal and storage.

(E) If a vehicle is seized under division (B)(2) of this

section, the time between the seizure of the vehicle and either 146735
its release to the arrested person pursuant to division (C) of 146736
this section or the issuance of an order of immobilization of the 146737
vehicle under section 4503.233 of the Revised Code shall be 146738
credited against the period of immobilization ordered by the 146739
court. 146740

(F)(1) Except as provided in division (D)(4) of this section, 146741
the arrested person may be charged expenses or charges incurred in 146742
the removal and storage of the immobilized vehicle. The court with 146743
jurisdiction over the case, after notice to all interested 146744
parties, including lienholders, and after an opportunity for them 146745
to be heard, if the court finds that the arrested person does not 146746
intend to seek release of the vehicle at the end of the period of 146747
immobilization under section 4503.233 of the Revised Code or that 146748
the arrested person is not or will not be able to pay the expenses 146749
and charges incurred in its removal and storage, may order that 146750
title to the vehicle be transferred, in order of priority, first 146751
into the name of the person or entity that removed it, next into 146752
the name of a lienholder, or lastly into the name of the owner of 146753
the place of storage. 146754

Any lienholder that receives title under a court order shall 146755
do so on the condition that it pay any expenses or charges 146756
incurred in the vehicle's removal and storage. If the person or 146757
entity that receives title to the vehicle is the person or entity 146758
that removed it, the person or entity shall receive title on the 146759
condition that it pay any lien on the vehicle. The court shall not 146760
order that title be transferred to any person or entity other than 146761
the owner of the place of storage if the person or entity refuses 146762
to receive the title. Any person or entity that receives title 146763
either may keep title to the vehicle or may dispose of the vehicle 146764
in any legal manner that it considers appropriate, including 146765
assignment of the certificate of title to the motor vehicle to a 146766

salvage dealer or a scrap metal processing facility. The person or 146767
entity shall not transfer the vehicle to the person who is the 146768
vehicle's immediate previous owner. 146769

If the person or entity that receives title assigns the motor 146770
vehicle to a salvage dealer or scrap metal processing facility, 146771
the person or entity shall send the assigned certificate of title 146772
to the motor vehicle to the clerk of the court of common pleas of 146773
the county in which the salvage dealer or scrap metal processing 146774
facility is located. The person or entity shall mark the face of 146775
the certificate of title with the words "FOR DESTRUCTION" and 146776
shall deliver a photocopy of the certificate of title to the 146777
salvage dealer or scrap metal processing facility for its records. 146778

(2) Whenever a court issues an order under division (F)(1) of 146779
this section, the court also shall order removal of the license 146780
plates from the vehicle and cause them to be sent to the registrar 146781
if they have not already been sent to the registrar. Thereafter, 146782
no further proceedings shall take place under this section or 146783
under section 4503.233 of the Revised Code. 146784

(3) Prior to initiating a proceeding under division (F)(1) of 146785
this section, and upon payment of the fee under division (B) of 146786
section 4505.14, any interested party may cause a search to be 146787
made of the public records of the bureau of motor vehicles or the 146788
clerk of the court of common pleas, to ascertain the identity of 146789
any lienholder of the vehicle. The initiating party shall furnish 146790
this information to the clerk of the court with jurisdiction over 146791
the case, and the clerk shall provide notice to the arrested 146792
person, any lienholder, and any other interested parties listed by 146793
the initiating party, at the last known address supplied by the 146794
initiating party, by certified mail, or, at the option of the 146795
initiating party, by personal service or ordinary mail. 146796

Sec. 4735.13. (A) Every real estate broker licensed under 146797

this chapter shall have and maintain a definite place of business 146798
in this state. A post office box address is not a definite place 146799
of business for purposes of this section. The license of a real 146800
estate broker shall be prominently displayed in the office or 146801
place of business of the broker, and no license shall authorize 146802
the licensee to do business except from the location specified in 146803
it. If the broker maintains more than one place of business within 146804
the state, the broker shall apply for and procure a duplicate 146805
license for each branch office maintained by the broker. Each 146806
branch office shall be in the charge of a licensed broker or 146807
salesperson. The branch office license shall be prominently 146808
displayed at the branch office location. 146809

(B) The license of each real estate salesperson shall be 146810
electronically mailed to and remain in the possession of the 146811
licensed broker with whom the salesperson is or is to be 146812
associated until the licensee places the license on inactive or 146813
resigned status or until the salesperson leaves the brokerage or 146814
is terminated. The broker shall keep a copy of each salesperson's 146815
license in a way that it can, and shall on request, be made 146816
immediately available for public inspection at the office or place 146817
of business of the broker. Except as provided in divisions (G) and 146818
(H) of this section, immediately upon the salesperson's leaving 146819
the association or termination of the association of a real estate 146820
salesperson with the broker, the broker shall ~~return the~~ 146821
~~salesperson's license to~~ notify the superintendent of real estate 146822
by electronic mail to the division of real estate's general 146823
electronic mail address. The broker shall keep a copy of the 146824
written notification for three years after it is sent. 146825

The failure of a broker to ~~return the license~~ notify the 146826
superintendent of real estate in writing of a real estate 146827
salesperson or broker who leaves or who is terminated, via 146828
~~certified~~ electronic mail ~~return receipt requested~~, within three 146829

business days of the receipt of a written request from the 146830
superintendent for ~~the return of the license~~ such notification, is 146831
prima-facie evidence of misconduct under division (A)(6) of 146832
section 4735.18 of the Revised Code. 146833

(C) A licensee shall notify the superintendent in writing 146834
within fifteen days of any of the following occurrences: 146835

(1) The licensee is convicted of a felony. 146836

(2) The licensee is convicted of a crime involving moral 146837
turpitude. 146838

(3) The licensee is found to have violated any federal, 146839
state, or municipal civil rights law pertaining to discrimination 146840
in housing. 146841

(4) The licensee is found to have engaged in a discriminatory 146842
practice pertaining to housing accommodations described in 146843
division (H) of section 4112.02 of the Revised Code. 146844

(5) The licensee is the subject of an order by the department 146845
of commerce, the department of insurance, or the department of 146846
agriculture revoking or permanently surrendering any professional 146847
license, certificate, or registration. 146848

(6) The licensee is the subject of an order by any government 146849
agency concerning real estate, financial matters, or the 146850
performance of fiduciary duties with respect to any license, 146851
certificate, or registration. 146852

If a licensee fails to notify the superintendent within the 146853
required time, the superintendent immediately may suspend the 146854
license of the licensee. 146855

Any court that convicts a licensee of a violation of any 146856
municipal civil rights law pertaining to housing discrimination 146857
also shall notify the Ohio civil rights commission within fifteen 146858
days of the conviction. 146859

(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of location, whereupon the superintendent shall issue new licenses for the unexpired period without charge. If a broker changes a business location without giving the required notice and without receiving new licenses that action is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.

(E) If a real estate broker desires to associate with another real estate broker in the capacity of a real estate salesperson, the broker shall apply to the superintendent to deposit the broker's real estate broker's license with the superintendent and for the issuance of a real estate salesperson's license. The application shall be made on a form prescribed by the superintendent and shall be accompanied by the recommendation of the real estate broker with whom the applicant intends to become associated and a fee of thirty-four dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest and truthful, has not been convicted of a disqualifying offense as determined in accordance with section 9.79 of the Revised Code, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the

superintendent to all salespersons associated with the broker when 146893
applying to place the broker's license on deposit. 146894

(F) If a real estate broker desires to become a member or 146895
officer of a partnership, association, limited liability company, 146896
limited liability partnership, or corporation that is or intends 146897
to become a licensed real estate broker, the broker shall notify 146898
the superintendent of the broker's intentions. The notice of 146899
intention shall be on a form prescribed by the superintendent and 146900
shall be accompanied by a fee of thirty-four dollars. One dollar 146901
of the fee shall be credited to the real estate education and 146902
research fund. 146903

A licensed real estate broker who is a member or officer of a 146904
partnership, association, limited liability company, limited 146905
liability partnership, or corporation shall only act as a real 146906
estate broker for such partnership, association, limited liability 146907
company, limited liability partnership, or corporation. 146908

(G)(1) If a real estate broker or salesperson enters the 146909
armed forces, the broker or salesperson may place the broker's or 146910
salesperson's license on deposit with the Ohio real estate 146911
commission. The licensee shall not be required to renew the 146912
license until the renewal date that follows the date of discharge 146913
from the armed forces. Any license deposited with the commission 146914
shall be subject to this chapter. 146915

Any licensee whose license is on deposit under this division 146916
and who fails to meet the continuing education requirements of 146917
section 4735.141 of the Revised Code because the licensee is in 146918
the armed forces shall satisfy the commission that the licensee 146919
has complied with the continuing education requirements within 146920
twelve months of the licensee's first birthday after discharge or 146921
within the amount of time equal to the total number of months the 146922
licensee spent on active duty, whichever is greater. The licensee 146923
shall submit proper documentation of active duty service and the 146924

length of that active duty service to the superintendent. The 146925
extension shall not exceed the total number of months that the 146926
licensee served in active duty. The superintendent shall notify 146927
the licensee of the licensee's obligations under section 4735.141 146928
of the Revised Code at the time the licensee applies for 146929
reactivation of the licensee's license. 146930

(2) If a licensee is a spouse of a member of the armed forces 146931
and the spouse's service resulted in the licensee's absence from 146932
this state, both of the following apply: 146933

(a) The licensee shall not be required to renew the license 146934
until the renewal date that follows the date of the spouse's 146935
discharge from the armed forces. 146936

(b) If the licensee fails to meet the continuing education 146937
requirements of section 4735.141 of the Revised Code, the licensee 146938
shall satisfy the commission that the licensee has complied with 146939
the continuing education requirements within twelve months after 146940
the licensee's first birthday after the spouse's discharge or 146941
within the amount of time equal to the total number of months the 146942
licensee's spouse spent on active duty, whichever is greater. The 146943
licensee shall submit proper documentation of the spouse's active 146944
duty service and the length of that active duty service. This 146945
extension shall not exceed the total number of months that the 146946
licensee's spouse served in active duty. 146947

(3) In the case of a licensee as described in division (G)(2) 146948
of this section, who holds the license through a reciprocity 146949
agreement with another state, the spouse's service shall have 146950
resulted in the licensee's absence from the licensee's state of 146951
residence for the provisions of that division to apply. 146952

(4) As used in this division, "armed forces" means the armed 146953
forces of the United States or reserve component of the armed 146954
forces of the United States including the Ohio national guard or 146955

the national guard of any other state. 146956

(H) If a licensed real estate salesperson submits an 146957
application to the superintendent to leave the association of one 146958
broker to associate with a different broker, the broker possessing 146959
the licensee's license need not ~~return the salesperson's license~~ 146960
~~to~~ notify the superintendent pursuant to division (B) of this 146961
section. The superintendent may process the application regardless 146962
of whether the licensee's license is returned to the 146963
superintendent or the superintendent is notified pursuant to 146964
division (B) of this section. 146965

Sec. 4735.14. (A) Each license issued under this chapter, 146966
shall be valid without further recommendation or examination until 146967
it is placed in an inactive or resigned status, is revoked or 146968
suspended, or such license expires by operation of law. 146969

(B) Except for a licensee who has placed the licensee's 146970
license in resigned status pursuant to section 4735.142 of the 146971
Revised Code, each licensed broker, brokerage, or salesperson 146972
shall file, on or before the date the Ohio real estate commission 146973
has adopted by rule for that licensee in accordance with division 146974
(A)(2)(f) of section 4735.10 of the Revised Code, a notice of 146975
renewal on a form prescribed by the superintendent of real estate. 146976
The notice of renewal shall be ~~mailed~~ sent by the superintendent 146977
two months prior to the filing deadline to the ~~personal residence~~ 146978
electronic mail address of each broker or salesperson that is on 146979
file with the division. If the licensee is a partnership, 146980
association, limited liability company, limited liability 146981
partnership, or corporation, the notice of renewal shall be ~~mailed~~ 146982
sent by the superintendent two months prior to the filing deadline 146983
to the brokerage's business electronic mail address on file with 146984
the division. A licensee shall not renew the licensee's license 146985
any earlier than two months prior to the filing deadline. 146986

(C) Except as otherwise provided in division (B) of this section, the license of any real estate broker, brokerage, or salesperson that fails to file a notice of renewal on or before the filing deadline of each ensuing year shall be suspended automatically without the taking of any action by the superintendent. A suspended license may be reactivated within twelve months of the date of suspension, provided that the renewal fee plus a penalty fee of fifty per cent of the renewal fee is paid to the superintendent. Failure to reactivate the license as provided in this division shall result in automatic revocation of the license without the taking of any action by the superintendent. No person, partnership, association, corporation, limited liability company, or limited partnership shall engage in any act or acts for which a real estate license is required while that entity's license is placed in an inactive or resigned status, or is suspended, or revoked. The commission shall adopt rules in accordance with Chapter 119. of the Revised Code to provide to licensees notice of suspension or revocation or both.

(D) Each licensee shall notify the superintendent of a change in personal residence address within thirty days after the change of location. A licensee's failure to notify the superintendent of a change in personal residence address does not negate the requirement to file the license renewal by the required deadline established by the commission by rule under division (A)(2)(f) of section 4735.10 of the Revised Code. Each licensee shall maintain a valid electronic mail address on file with the division and notify the superintendent of any change in electronic mail address within thirty days after the change.

(E) The superintendent shall not renew a license if the licensee fails to comply with section 4735.141 of the Revised Code or is otherwise not in compliance with this chapter.

(F) The superintendent shall make notice of successful

renewal available electronically to licensees as soon as 147019
practicable, but not later than thirty days after receipt by the 147020
division of a complete application and renewal fee. This notice 147021
shall serve as a notice of renewal for purposes of section 4745.02 147022
of the Revised Code. 147023

Sec. 5107.161. Before a county department of job and family 147024
services sanctions an assistance group under section 5107.16 of 147025
the Revised Code, the state department of job and family services 147026
shall provide the assistance group written notice of the sanction 147027
in accordance with rules adopted under section 5107.05 of the 147028
Revised Code. The written notice shall include a provision printed 147029
in bold type face that informs the assistance group that, not 147030
later than fifteen calendar days after the state department mailed 147031
the written notice to the assistance group, the assistance group 147032
may request, for the purpose of explaining why the assistance 147033
group believes it should not be sanctioned, a state hearing under 147034
division (B) of section 5101.35 of the Revised Code which, at the 147035
assistance group's request, may be preceded by a ~~face-to-face~~ 147036
county conference with the county department. The written notice 147037
shall include either the telephone number of an Ohio works first 147038
ombudsperson provided for under section 329.07 of the Revised Code 147039
or the toll-free telephone number of the state department of job 147040
and family services that the assistance group may call to obtain 147041
the telephone number of an Ohio works first ombudsperson. 147042

Sec. 5120.14. (A) If a person who was convicted of or pleaded 147043
guilty to an offense escapes from a correctional institution in 147044
this state under the control of the department of rehabilitation 147045
and correction or otherwise escapes from the custody of the 147046
department, the department immediately after the escape shall 147047
report the escape, by telephone and in writing, to all local law 147048
enforcement agencies with jurisdiction in the county in which the 147049

institution from which the escape was made or to which the person 147050
was sentenced is located, to all local law enforcement agencies 147051
with jurisdiction in the county in which the person was convicted 147052
or pleaded guilty to the offense for which the escaped person was 147053
sentenced, to the state highway patrol, to the prosecuting 147054
attorney of the county in which the institution from which the 147055
escape was made or to which the person was sentenced is located, 147056
to the prosecuting attorney of the county in which the person was 147057
convicted or pleaded guilty to the offense for which the escaped 147058
person was sentenced, to a newspaper of general circulation in the 147059
county in which the institution from which the escape was made or 147060
to which the person was sentenced is located, and to a newspaper 147061
of general circulation in each county in which the escaped person 147062
was indicted for an offense for which, at the time of the escape, 147063
the escaped person had been sentenced to that institution. The 147064
written notice may be by ~~either~~ facsimile transmission, electronic 147065
mail, or mail. A failure to comply with this requirement is a 147066
violation of section 2921.22 of the Revised Code. 147067

147068
(B) Upon the apprehension of the escaped person, the 147069
department shall give notice of the apprehension by telephone and 147070
in writing to the persons who were given notice of the escape 147071
under division (A) of this section. 147072

Sec. 5165.193. (A) The department of medicaid may, pursuant 147073
to rules authorized by this section, conduct an exception review 147074
of resident assessment data submitted by a nursing facility 147075
provider under section 5165.191 of the Revised Code. The 147076
department may conduct an exception review based on the findings 147077
of a medicaid certification survey conducted by the department of 147078
health, a risk analysis, or prior performance of the provider. 147079

Exception reviews shall be conducted ~~at the nursing facility~~ 147080

by appropriate health professionals under contract with or 147081
employed by the department. The professionals may review resident 147082
assessment forms and supporting documentation, conduct interviews, 147083
and observe residents to identify any patterns or trends of 147084
inaccurate resident assessments and resulting inaccurate case-mix 147085
scores. 147086

(B) If an exception review is conducted before the effective 147087
date of a nursing facility's rate for direct care costs that is 147088
based on the resident assessment data being reviewed and the 147089
review results in findings that exceed tolerance levels specified 147090
in the rules authorized by this section, the department, in 147091
accordance with those rules, may use the findings to redetermine 147092
individual resident case-mix scores, the nursing facility's 147093
case-mix score for the quarter, and the nursing facility's annual 147094
average case-mix score. The department may use the nursing 147095
facility's redetermined quarterly and annual average case-mix 147096
scores to determine the nursing facility's rate for direct care 147097
costs for the appropriate calendar quarter or quarters. 147098

(C) The department shall prepare a written summary of any 147099
exception review finding that is made after the effective date of 147100
a nursing facility's rate for direct care costs that is based on 147101
the resident assessment data that was reviewed. Where the provider 147102
is pursuing judicial or administrative remedies in good faith 147103
regarding the finding, the department shall not withhold from the 147104
provider's current payments any amounts the department claims to 147105
be due from the provider pursuant to section 5165.41 of the 147106
Revised Code. 147107

(D)(1) The medicaid director shall adopt rules under section 147108
5165.02 of the Revised Code as necessary to implement this 147109
section. The rules shall establish an exception review program 147110
that does all of the following: 147111

(a) Requires each exception review to comply with Title XVIII 147112

and Title XIX; 147113

(b) Requires a written summary for each exception review that 147114
states whether resident assessment forms have been completed 147115
accurately; 147116

(c) Prohibits each health professional who conducts an 147117
exception review from doing either of the following: 147118

(i) During the period of the professional's contract or 147119
employment with the department, having or being committed to 147120
acquire any direct or indirect financial interest in the 147121
ownership, financing, or operation of nursing facilities in this 147122
state; 147123

(ii) Reviewing any provider that has been a client of the 147124
professional. 147125

(2) For the purposes of division (D)(1)(c)(i) of this 147126
section, employment of a member of a health professional's family 147127
by a nursing facility that the professional does not review does 147128
not constitute a direct or indirect financial interest in the 147129
ownership, financing, or operation of the nursing facility. 147130

Sec. 5165.86. The department of medicaid, the department of 147131
health, and any contracting agency shall deliver a written notice, 147132
statement, or order to a nursing facility under sections 5165.60 147133
to 5165.66 and 5165.69 to 5165.89 of the Revised Code by certified 147134
mail ~~or~~, hand delivery, or other means reasonably calculated to 147135
provide prompt actual notice. If the notice, statement, or order 147136
is mailed, it shall be addressed to the administrator of the 147137
facility as indicated in the department's or agency's records. If 147138
it is hand delivered, it shall be delivered to a person at the 147139
facility who would appear to the average prudent person to have 147140
authority to accept it. 147141

Delivery of written notice by a nursing facility to the 147142

department of health, the department of medicaid, or a contracting 147143
agency under sections 5165.60 to 5165.89 of the Revised Code shall 147144
be by certified mail ~~or~~, hand delivery, or other means reasonably 147145
calculated to provide prompt actual notice to the appropriate 147146
department or the agency. 147147

Sec. 5166.303. A home care attendant shall do all of the 147148
following: 147149

(A) Maintain a clinical record for each consumer to whom the 147150
attendant provides home care attendant services in a manner that 147151
protects the consumer's privacy; 147152

(B) Participate in a face-to-face visit every ninety days 147153
with all of the following to monitor the health and welfare of 147154
each of the consumers to whom the attendant provides home care 147155
attendant services: 147156

(1) The consumer; 147157

(2) The consumer's authorized representative, if any; 147158

(3) A registered nurse who agrees to answer any questions 147159
that the attendant, consumer, or authorized representative has 147160
about consumer care needs, medications, and other issues. 147161

(C) Document the activities of each visit required by 147162
division (B) of this section in the consumer's clinical record 147163
with the assistance of the registered nurse. 147164

(D) The face-to-face visit requirement in division (B) of 147165
this section may be satisfied by telephone or electronically if 147166
permitted by rules adopted under section 5166.02 of the Revised 147167
Code. 147168

Sec. 5168.08. (A) Before or during each program year, the 147169
department of medicaid shall ~~mail~~ issue to each hospital ~~by~~ 147170
~~certified mail, return receipt requested,~~ the preliminary 147171

determination of the amount that the hospital is assessed under 147172
section 5168.06 of the Revised Code during the program year. The 147173
preliminary determination of a hospital's assessment shall be 147174
calculated for a cost-reporting period that is specified in rules 147175
adopted under section 5168.02 of the Revised Code. 147176

The department shall consult with hospitals each year when 147177
determining the date on which it will ~~mail~~ issue the preliminary 147178
determinations in order to minimize hospitals' cash flow 147179
difficulties. 147180

If no hospital submits a request for reconsideration under 147181
division (B) of this section, the preliminary determination 147182
constitutes the final reconciliation of each hospital's assessment 147183
under section 5168.06 of the Revised Code. The final 147184
reconciliation is subject to adjustments under division (D) of 147185
this section. 147186

(B) Not later than fourteen days after the preliminary 147187
determinations are ~~mailed~~ issued, any hospital may submit to the 147188
department a written request to reconsider the preliminary 147189
determinations. The request shall be accompanied by written 147190
materials setting forth the basis for the reconsideration. If one 147191
or more hospitals submit a request, the department shall hold a 147192
public hearing not later than thirty days after the preliminary 147193
determinations are ~~mailed~~ issued to reconsider the preliminary 147194
determinations. The department shall ~~mail~~ issue to each hospital a 147195
written notice of the date, time, and place of the hearing at 147196
least ten days prior to the hearing. On the basis of the evidence 147197
submitted to the department or presented at the public hearing, 147198
the department shall reconsider and may adjust the preliminary 147199
determinations. The result of the reconsideration is the final 147200
reconciliation of the hospital's assessment under section 5168.06 147201
of the Revised Code. The final reconciliation is subject to 147202
adjustments under division (D) of this section. 147203

(C) The department shall ~~mail~~ issue to each hospital a written notice of its assessment for the program year under the final reconciliation. A hospital may appeal the final reconciliation of its assessment to the court of common pleas of Franklin county. While a judicial appeal is pending, the hospital shall pay, in accordance with the schedules required by division (B) of section 5168.06 of the Revised Code, any amount of its assessment that is not in dispute into the hospital care assurance program fund created in section 5168.11 of the Revised Code.

(D) In the course of any program year, the department may adjust the assessment rate or rates established in rules pursuant to section 5168.06 of the Revised Code or adjust the amounts of intergovernmental transfers required under section 5168.07 of the Revised Code and, as a result of the adjustment, adjust each hospital's assessment and intergovernmental transfer, to reflect refinements made by the United States centers for medicare and medicaid services during that program year to the limits it prescribed under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f). When adjusted, the assessment rate or rates must comply with division (A) of section 5168.06 of the Revised Code. An adjusted intergovernmental transfer must comply with division (A) of section 5168.07 of the Revised Code. The department shall notify hospitals of adjustments made under this division and adjust for the remainder of the program year the installments paid by hospitals under sections 5168.06 and 5168.07 of the Revised Code in accordance with rules adopted under section 5168.02 of the Revised Code.

Sec. 5168.22. (A) Before or during each assessment program year, the department of medicaid shall ~~mail~~ issue to each hospital ~~by certified mail, return receipt requested,~~ the preliminary determination of the amount that the hospital is assessed under section 5168.21 of the Revised Code for the assessment program

year. Except as provided in division (B) of this section, the preliminary determination becomes the final determination for the assessment program year fifteen days after the preliminary determination is ~~mailed~~ issued to the hospital.

(B) A hospital may request that the department reconsider the preliminary determination ~~mailed~~ issued to the hospital under division (A) of this section by submitting to the department a written request for a reconsideration not later than fourteen days after the hospital's preliminary determination is ~~mailed~~ issued to the hospital. The request must be accompanied by written materials setting forth the basis for the reconsideration. On receipt of the timely request, the department shall reconsider the preliminary determination and may adjust the preliminary determination on the basis of the written materials accompanying the request. The result of the reconsideration is the final determination of the hospital's assessment under section 5168.21 of the Revised Code for the assessment program year.

(C) The department shall ~~mail~~ issue to each hospital a written notice of the final determination of its assessment for the assessment program year. A hospital may appeal the final determination to the court of common pleas of Franklin county. While a judicial appeal is pending, the hospital shall pay, in accordance with section 5168.23 of the Revised Code, any amount of its assessment that is not in dispute.

Sec. 5168.23. Each hospital shall pay the amount it is assessed under section 5168.21 of the Revised Code in accordance with a payment schedule the department of medicaid shall establish for each assessment program year. The department shall consult with the Ohio hospital association before establishing the payment schedule for any assessment program year. The department shall include the payment schedule in each preliminary determination

notice the department ~~mail~~ issues to hospitals under division (A) 147267
of section 5168.22 of the Revised Code. 147268

Sec. 5525.01. Before entering into a contract, the director 147269
of transportation ~~shall~~ may advertise for bids for two consecutive 147270
weeks in one newspaper of general circulation published in the 147271
county in which the improvement or part thereof is located, but if 147272
there is no such newspaper then in one newspaper having general 147273
circulation in an adjacent county. In the alternative, the 147274
director may advertise for bids as provided in section 7.16 of the 147275
Revised Code. The director ~~may~~ shall advertise for bids in such 147276
other publications as the director considers advisable. Such 147277
notices shall state that plans and specifications for the 147278
improvement are on file in the office of the director and the 147279
district deputy director of the district in which the improvement 147280
or part thereof is located and the time within which bids therefor 147281
will be received. 147282

Each bidder shall be required to file with the bidder's bid a 147283
bid guaranty in the form of a certified check, a cashier's check, 147284
or an electronic funds transfer to the treasurer of state that is 147285
evidenced by a receipt or by a certification to the director of 147286
transportation in a form prescribed by the director that an 147287
electronic funds transfer has been made to the treasurer of state, 147288
for an amount equal to five per cent of the bidder's bid, but in 147289
no event more than fifty thousand dollars, or a bid bond for ten 147290
per cent of the bidder's bid, payable to the director, which 147291
check, transferred sum, or bond shall be forthwith returned to the 147292
bidder in case the contract is awarded to another bidder, or, in 147293
case of a successful bidder, when the bidder has entered into a 147294
contract and furnished the bonds required by section 5525.16 of 147295
the Revised Code. In the event the contract is awarded to a 147296
bidder, and the bidder fails or refuses to furnish the bonds as 147297

required by section 5525.16 of the Revised Code, the check, 147298
transferred sum, or bid bond filed with the bidder's bid shall be 147299
forfeited as liquidated damages. No bidder shall be required 147300
either to file a signed contract with the bidder's bid, to enter 147301
into a contract, or to furnish the contract performance bond and 147302
the payment bond required by that section until the bids have been 147303
opened and the bidder has been notified by the director that the 147304
bidder is awarded the contract. 147305

The director shall permit a bidder to withdraw the bidder's 147306
bid from consideration, without forfeiture of the check, 147307
transferred sum, or bid bond filed with the bid, providing a 147308
written request together with a sworn statement of the grounds for 147309
such withdrawal is delivered within forty-eight hours after the 147310
time established for the receipt of bids, and if the price bid was 147311
substantially lower than the other bids, providing the bid was 147312
submitted in good faith, and the reason for the price bid being 147313
substantially lower was a clerical mistake evident on the face of 147314
the bid, as opposed to a judgment mistake, and was actually due to 147315
an unintentional and substantial arithmetic error or an 147316
unintentional omission of a substantial quantity of work, labor, 147317
or material made directly in the compilation of the bid. In the 147318
event the director decides the conditions for withdrawal have not 147319
been met, the director may award the contract to such bidder. If 147320
such bidder does not then enter into a contract and furnish the 147321
contract bond as required by law, the director may declare 147322
forfeited the check, transferred sum, or bid bond as liquidated 147323
damages and award the contract to the next higher bidder or reject 147324
the remaining bids and readvertise the project for bids. Such 147325
bidder, within thirty days, may appeal the decision of the 147326
director to the court of common pleas of Franklin county and the 147327
court may affirm or reverse the decision of the director and may 147328
order the director to refund the amount of the forfeiture. At the 147329
hearing before the common pleas court evidence may be introduced 147330

for and against the decision of the director. The decision of the 147331
common pleas court may be appealed as in other cases. 147332

There is hereby created the ODOT letting fund, which shall be 147333
in the custody of the treasurer of state but shall not be part of 147334
the state treasury. All certified checks and cashiers' checks 147335
received with bidders' bids, and all sums transferred to the 147336
treasurer of state by electronic funds transfer in connection with 147337
bidders' bids, under this section shall be credited to the fund. 147338
All such bid guaranties shall be held in the fund until a 147339
determination is made as to the final disposition of the money. If 147340
the department determines that any such bid guaranty is no longer 147341
required to be held, the amount of the bid guaranty shall be 147342
returned to the appropriate bidder. If the department determines 147343
that a bid guaranty under this section shall be forfeited, the 147344
amount of the bid guaranty shall be transferred or, in the case of 147345
money paid on a forfeited bond, deposited into the state treasury, 147346
to the credit of the highway operating fund. Any investment 147347
earnings of the ODOT letting fund shall be distributed as the 147348
treasurer of state considers appropriate. 147349

The director shall require all bidders to furnish the 147350
director, upon such forms as the director may prescribe, detailed 147351
information with respect to all pending work of the bidder, 147352
whether with the department of transportation or otherwise, 147353
together with such other information as the director considers 147354
necessary. 147355

In the event a bidder fails to submit anything required to be 147356
submitted with the bid and then fails or refuses to so submit such 147357
at the request of the director, the failure or refusal constitutes 147358
grounds for the director, in the director's discretion, to declare 147359
as forfeited the bid guaranty submitted with the bid. 147360

The director may reject any or all bids. Except in regard to 147361
contracts for environmental remediation and specialty work for 147362

which there are no classes of work set out in the rules adopted by 147363
the director, if the director awards the contract, the director 147364
shall award it to the lowest competent and responsible bidder as 147365
defined by rules adopted by the director under section 5525.05 of 147366
the Revised Code, who is qualified to bid under sections 5525.02 147367
to 5525.09 of the Revised Code. In regard to contracts for 147368
environmental remediation and specialty work for which there are 147369
no classes of work set out in the rules adopted by the director, 147370
the director shall competitively bid the projects in accordance 147371
with this chapter and shall award the contracts to the lowest and 147372
best bidder. 147373

The award for all projects competitively let by the director 147374
under this section shall be made within ten days after the date on 147375
which the bids are opened, and the successful bidder shall enter 147376
into a contract and furnish a contract performance bond and a 147377
payment bond, as provided for in section 5525.16 of the Revised 147378
Code, within ten days after the bidder is notified that the bidder 147379
has been awarded the contract. 147380

The director may insert in any contract awarded under this 147381
chapter a clause providing for value engineering change proposals, 147382
under which a contractor who has been awarded a contract may 147383
propose a change in the plans and specifications of the project 147384
that saves the department time or money on the project without 147385
impairing any of the essential functions and characteristics of 147386
the project such as service life, reliability, economy of 147387
operation, ease of maintenance, safety, and necessary standardized 147388
features. If the director adopts the value engineering proposal, 147389
the savings from the proposal shall be divided between the 147390
department and the contractor according to guidelines established 147391
by the director, provided that the contractor shall receive at 147392
least fifty per cent of the savings from the proposal. The 147393
adoption of a value engineering proposal does not invalidate the 147394

award of the contract or require the director to rebid the 147395
project. 147396

Sec. 5703.37. (A)(1) Except as provided in division (B) of 147397
this section, whenever service of a notice or order is required in 147398
the manner provided in this section, a copy of the notice or order 147399
shall be served upon the person affected thereby either by 147400
personal service, by certified mail, or by a delivery service 147401
authorized under section 5703.056 of the Revised Code that 147402
notifies the tax commissioner of the date of delivery. 147403

(2) In lieu of serving a copy of a notice or order through 147404
one of the means provided in division (A)(1) of this section, the 147405
commissioner may serve a notice or order upon the person affected 147406
thereby through alternative means as provided in this section, 147407
including, but not limited to, delivery by secure electronic mail 147408
as provided in division (F) of this section. Delivery by such 147409
means satisfies the requirements for delivery under this section. 147410

(B)(1)(a) If certified mail is returned because of an 147411
undeliverable address, the commissioner shall first utilize 147412
reasonable means to ascertain a new last known address, including 147413
the use of a change of address service offered by the United 147414
States postal service or an authorized delivery service under 147415
section 5703.056 of the Revised Code. If, after using reasonable 147416
means, the commissioner is unable to ascertain a new last known 147417
address, the assessment is final for purposes of section 131.02 of 147418
the Revised Code sixty days after the notice or order sent by 147419
certified mail is first returned to the commissioner, and the 147420
commissioner shall certify the notice or order, if applicable, to 147421
the attorney general for collection under section 131.02 of the 147422
Revised Code. 147423

(b) Notwithstanding certification to the attorney general 147424
under division (B)(1)(a) of this section, once the commissioner or 147425

attorney general, or the designee of either, makes an initial 147426
contact with the person to whom the notice or order is directed, 147427
the person may protest an assessment by filing a petition for 147428
reassessment within sixty days after the initial contact. The 147429
certification of an assessment under division (B)(1)(a) of this 147430
section is prima-facie evidence that delivery is complete and that 147431
the notice or order is served. 147432

(2) If mailing of a notice or order by certified mail is 147433
returned for some cause other than an undeliverable address or if 147434
a person does not access an electronic notice or order within the 147435
time provided in division (F) of this section, the commissioner 147436
shall resend the notice or order by ordinary mail. The notice or 147437
order shall show the date the commissioner sends the notice or 147438
order and include the following statement: 147439

"This notice or order is deemed to be served on the addressee 147440
under applicable law ten days from the date this notice or order 147441
was mailed by the commissioner as shown on the notice or order, 147442
and all periods within which an appeal may be filed apply from and 147443
after that date." 147444

Unless the mailing is returned because of an undeliverable 147445
address, the mailing of that information is prima-facie evidence 147446
that delivery of the notice or order was completed ten days after 147447
the commissioner sent the notice or order by ordinary mail and 147448
that the notice or order was served. 147449

If the ordinary mail is subsequently returned because of an 147450
undeliverable address, the commissioner shall proceed under 147451
division (B)(1)(a) of this section. A person may challenge the 147452
presumption of delivery and service under this division in 147453
accordance with division (C) of this section. 147454

(C)(1) A person disputing the presumption of delivery and 147455
service under division (B) of this section bears the burden of 147456

proving by a preponderance of the evidence that the address to 147457
which the notice or order was sent was not an address with which 147458
the person was associated at the time the commissioner originally 147459
mailed the notice or order by certified mail. For the purposes of 147460
this section, a person is associated with an address at the time 147461
the commissioner originally mailed the notice or order if, at that 147462
time, the person was residing, receiving legal documents, or 147463
conducting business at the address; or if, before that time, the 147464
person had conducted business at the address and, when the notice 147465
or order was mailed, the person's agent or the person's affiliate 147466
was conducting business at the address. For the purposes of this 147467
section, a person's affiliate is any other person that, at the 147468
time the notice or order was mailed, owned or controlled at least 147469
twenty per cent, as determined by voting rights, of the 147470
addressee's business. 147471

(2) If the person elects to protest an assessment certified 147472
to the attorney general for collection, the person must do so 147473
within sixty days after the attorney general's initial contact 147474
with the person. The attorney general may enter into a compromise 147475
with the person under sections 131.02 and 5703.06 of the Revised 147476
Code if the person does not file a petition for reassessment with 147477
the commissioner. 147478

(D) Nothing in this section prohibits the commissioner or the 147479
commissioner's designee from delivering a notice or order by 147480
personal service. 147481

(E) Collection actions taken pursuant to section 131.02 of 147482
the Revised Code upon any assessment being challenged under 147483
division (B)(1)(b) of this section shall be stayed upon the 147484
pendency of an appeal under this section. If a petition for 147485
reassessment is filed pursuant to this section on a claim that has 147486
been certified to the attorney general for collection, the claim 147487
shall be uncertified. 147488

~~(F)~~(F)(1) The commissioner may serve a notice or order upon 147489
the person affected by the notice or order or that person's 147490
authorized representative through secure electronic means ~~only~~ 147491
~~with the person's consent~~ associated with the person's or 147492
representative's last known address. The commissioner must inform 147493
the recipient, electronically or by mail, that a notice or order 147494
is available for electronic review and provide instructions to 147495
access and print the notice or order. The types of electronic 147496
notification the commissioner may use include electronic mail, 147497
text message, or any other form of electronic communication. The 147498
recipient's electronic access of the notice or order satisfies the 147499
requirements for delivery under this section. If the recipient 147500
fails to access the notice or order electronically within ten 147501
business days, then the commissioner shall inform the recipient a 147502
second time, electronically or by mail, that a notice or order is 147503
available for electronic review and provide instructions to access 147504
and print the notice or order. If the recipient fails to access 147505
the notice or order electronically within ten business days of the 147506
second notification, the notice or order shall be served upon the 147507
person through the means provided in division (B)(2) of this 147508
section. 147509

(2) The tax commissioner shall establish a system to issue 147510
notification of assessments to taxpayers through secure electronic 147511
means. 147512

(G) As used in this section: 147513

(1) "Last known address" means the address the department has 147514
at the time the document is originally sent by certified mail, or 147515
any address the department can ascertain using reasonable means 147516
such as the use of a change of address service offered by the 147517
United States postal service or an authorized delivery service 147518
under section 5703.056 of the Revised Code. For documents sent by 147519
secure electronic means, "last known address" means an electronic 147520

mode of communication that is identified on a form prescribed by 147521
the commissioner for such purpose or that is associated with the 147522
person or the authorized representative of the person on the Ohio 147523
business gateway, as defined in section 718.01 of the Revised 147524
Code, as of the date the notification was sent. 147525

(2) "Undeliverable address" means an address to which the 147526
United States postal service or an authorized delivery service 147527
under section 5703.056 of the Revised Code is not able to deliver 147528
a notice or order, except when the reason for nondelivery is 147529
because the addressee fails to acknowledge or accept the notice or 147530
order. 147531

Sec. 5709.83. (A) Except as otherwise provided in division 147532
(B) or (C) of this section, prior to taking formal action to adopt 147533
or enter into any instrument granting a tax exemption under 147534
section 725.02, 1728.06, 5709.40, 5709.41, 5709.45, 5709.62, 147535
5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the 147536
Revised Code or formally approving an agreement under section 147537
3735.671 of the Revised Code, or prior to forwarding an 147538
application for a tax exemption for residential property under 147539
section 3735.67 of the Revised Code to the county auditor, the 147540
legislative authority of the political subdivision or housing 147541
officer shall notify the board of education of each city, local, 147542
exempted village, or joint vocational school district in which the 147543
proposed tax-exempted property is located. The notice shall 147544
include a copy of the instrument or application. The notice shall 147545
be delivered not later than fourteen days prior to the day the 147546
legislative authority takes formal action to adopt or enter into 147547
the instrument, or not later than fourteen days prior to the day 147548
the housing officer forwards the application to the county 147549
auditor. If the board of education comments on the instrument or 147550
application to the legislative authority or housing officer, the 147551
legislative authority or housing officer shall consider the 147552

comments. If the board of education of the city, local, exempted 147553
village, or joint vocational school district so requests, the 147554
legislative authority or the housing officer shall meet ~~in person~~ 147555
with a representative designated by the board of education to 147556
discuss the terms of the instrument or application. 147557

(B) The notice otherwise required to be provided to boards of 147558
education under division (A) of this section is not required if 147559
the board has adopted a resolution waiving its right to receive 147560
such notices, and that resolution remains in effect. If a board of 147561
education adopts such a resolution, the board shall cause a copy 147562
of the resolution to be certified to the legislative authority. If 147563
the board of education rescinds such a resolution, it shall 147564
certify notice of the rescission to the legislative authority. A 147565
board of education may adopt such a resolution with respect to any 147566
one or more counties, townships, or municipal corporations 147567
situated in whole or in part within the school district. 147568

(C) If a legislative authority is required to provide notice 147569
to a city, local, or exempted village school district of its 147570
intent to adopt or enter into any instrument granting a tax 147571
exemption as required by section 3735.671, 5709.40, 5709.41, 147572
5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the 147573
Revised Code, the legislative authority, before adopting a 147574
resolution or ordinance or entering into an agreement under that 147575
section, shall notify the board of education of each joint 147576
vocational school district in which the property to be exempted is 147577
located using the same time requirements for the notice that 147578
applies to notices to city, local, and exempted village school 147579
districts. The content of the notice and procedures for responding 147580
to the notice are the same as required in division (A) of this 147581
section. 147582

Sec. 5736.041. The tax commissioner shall prepare and 147583

maintain a list of suppliers holding a license issued under 147584
section 5736.06 of the Revised Code that has not been revoked or 147585
canceled under section 5736.07 of the Revised Code. The list shall 147586
contain the names and addresses of all such suppliers and each 147587
supplier's account number for the tax imposed under section 147588
5736.02 of the Revised Code. ~~The list shall be open to public 147589~~
~~inspection in the office of the commissioner.~~ The commissioner ~~may 147590~~
shall post the list on the department of taxation's web site. 147591

Sec. 5751.40. (A) As used in this section and division 147592
(F)(2)(z) of section 5751.01 of the Revised Code: 147593

(1) "Qualifying distribution center receipts" means receipts 147594
of a supplier from qualified property that is delivered to a 147595
qualified distribution center, multiplied by a quantity that 147596
equals one minus the Ohio delivery percentage. If the qualified 147597
distribution center is a refining facility, "supplier" includes 147598
all dealers, brokers, processors, sellers, vendors, cosigners, and 147599
distributors of qualified property. 147600

(2) "Qualified property" means tangible personal property 147601
delivered to a qualified distribution center that is shipped to 147602
that qualified distribution center solely for further shipping by 147603
the qualified distribution center to another location in this 147604
state or elsewhere or, in the case of gold, silver, platinum, or 147605
palladium delivered to a refining facility solely for refining to 147606
a grade and fineness acceptable for delivery to a registered 147607
commodities exchange. "Further shipping" includes storing and 147608
repackaging property into smaller or larger bundles, so long as 147609
the property is not subject to further manufacturing or 147610
processing. "Refining" is limited to extracting impurities from 147611
gold, silver, platinum, or palladium through smelting or some 147612
other process at a refining facility. 147613

(3) "Qualified distribution center" means a warehouse, a 147614

facility similar to a warehouse, or a refining facility in this 147615
state that, for the qualifying year, is operated by a person that 147616
is not part of a combined taxpayer group and that has a qualifying 147617
certificate. All warehouses or facilities similar to warehouses 147618
that are operated by persons in the same taxpayer group and that 147619
are located within one mile of each other shall be treated as one 147620
qualified distribution center. All refining facilities that are 147621
operated by persons in the same taxpayer group and that are 147622
located in the same or adjacent counties may be treated as one 147623
qualified distribution center. 147624

(4) "Qualifying year" means the calendar year to which the 147625
qualifying certificate applies. 147626

(5) "Qualifying period" means the period of the first day of 147627
July of the second year preceding the qualifying year through the 147628
thirtieth day of June of the year preceding the qualifying year. 147629

(6) "Qualifying certificate" means the certificate issued by 147630
the tax commissioner after the operator of a distribution center 147631
files an annual application with the commissioner under division 147632
(B) of this section. 147633

(7) "Ohio delivery percentage" means the proportion of the 147634
total property delivered to a destination inside Ohio from the 147635
qualified distribution center during the qualifying period 147636
compared with total deliveries from such distribution center 147637
everywhere during the qualifying period. 147638

(8) "Refining facility" means one or more buildings located 147639
in a county in the Appalachian region of this state as defined by 147640
section 107.21 of the Revised Code and utilized for refining or 147641
smelting gold, silver, platinum, or palladium to a grade and 147642
fineness acceptable for delivery to a registered commodities 147643
exchange. 147644

(9) "Registered commodities exchange" means a board of trade, 147645

such as New York mercantile exchange, inc. or commodity exchange, 147646
inc., designated as a contract market by the commodity futures 147647
trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 147648
et seq., as amended. 147649

(10) "Ineligible operator's supplier tax liability" means an 147650
amount equal to the tax liability of all suppliers of a 147651
distribution center had the distribution center not been issued a 147652
qualifying certificate for the qualifying year. Ineligible 147653
operator's supplier tax liability shall not include interest or 147654
penalties. 147655

(B) For purposes of division (B) of this section, "supplier" 147656
excludes any person that is part of the consolidated elected 147657
taxpayer group, if applicable, of the operator of the qualified 147658
distribution center. 147659

(1) An application for a qualifying certificate to be a 147660
qualified distribution center shall be filed, and an annual fee 147661
paid, for each qualified distribution center on or before the 147662
first day of September before the qualifying year or within 147663
forty-five days after the distribution center opens, whichever is 147664
later. The applicant must substantiate to the commissioner's 147665
satisfaction that, for the qualifying period, all persons 147666
operating the distribution center have more than fifty per cent of 147667
the cost of the qualified property shipped to a location such that 147668
it would be situated outside this state under the provisions of 147669
division (E) of section 5751.033 of the Revised Code. The 147670
applicant must also substantiate that the distribution center 147671
cumulatively had costs from its suppliers equal to or exceeding 147672
five hundred million dollars during the qualifying period. 147673

The commissioner may require an applicant to have an 147674
independent certified public accountant certify that the 147675
calculation of the minimum thresholds required for a qualified 147676
distribution center by the operator of a distribution center has 147677

been made in accordance with generally accepted accounting 147678
principles. The commissioner shall issue or deny the issuance of a 147679
certificate within sixty days after the receipt of the 147680
application. A denial is subject to appeal under section 5717.02 147681
of the Revised Code. If the operator files a timely appeal under 147682
section 5717.02 of the Revised Code, the operator shall be granted 147683
a qualifying certificate effective for the remainder of the 147684
qualifying year or until the appeal is finalized, whichever is 147685
earlier. If the operator does not prevail in the appeal, the 147686
operator shall pay the ineligible operator's supplier tax 147687
liability. 147688

(2) If the distribution center is new and was not open for 147689
the entire qualifying period, the operator of the distribution 147690
center may request that the commissioner grant a qualifying 147691
certificate. If the certificate is granted and it is later 147692
determined that more than fifty per cent of the qualified property 147693
during that year was not shipped to a location such that it would 147694
be situated outside of this state under the provisions of division 147695
(E) of section 5751.033 of the Revised Code or if it is later 147696
determined that the person that operates the distribution center 147697
had average monthly costs from its suppliers of less than forty 147698
million dollars during that year, then the operator of the 147699
distribution center shall pay the ineligible operator's supplier 147700
tax liability. 147701

(3) The commissioner may grant a qualifying certificate to a 147702
distribution center that does not qualify as a qualified 147703
distribution center for an entire qualifying period if the 147704
operator of the distribution center demonstrates that the business 147705
operations of the distribution center have changed or will change 147706
such that the distribution center will qualify as a qualified 147707
distribution center within thirty-six months after the date the 147708
operator first applies for a certificate. If, at the end of that 147709

thirty-six-month period, the business operations of the 147710
distribution center have not changed such that the distribution 147711
center qualifies as a qualified distribution center, the operator 147712
of the distribution center shall pay the ineligible operator's 147713
supplier tax liability for each year that the distribution center 147714
received a certificate but did not qualify as a qualified 147715
distribution center. For each year the distribution center 147716
receives a certificate under division (B)(3) of this section, the 147717
distribution center shall pay all applicable fees required under 147718
this section and shall submit an updated business plan showing the 147719
progress the distribution center made toward qualifying as a 147720
qualified distribution center during the preceding year. 147721

(4) An operator may appeal a determination under division 147722
(B)(2) or (3) of this section that the ineligible operator is 147723
liable for the operator's supplier tax liability as a result of 147724
not qualifying as a qualified distribution center, as provided in 147725
section 5717.02 of the Revised Code. 147726

(C)(1) When filing an application for a qualifying 147727
certificate under division (B)(1) of this section, the operator of 147728
a qualified distribution center also shall provide documentation, 147729
as the commissioner requires, for the commissioner to ascertain 147730
the Ohio delivery percentage. The commissioner, upon issuing the 147731
qualifying certificate, also shall certify the Ohio delivery 147732
percentage. The operator of the qualified distribution center may 147733
appeal the commissioner's certification of the Ohio delivery 147734
percentage in the same manner as an appeal is taken from the 147735
denial of a qualifying certificate under division (B)(1) of this 147736
section. 147737

(2) In the case where the distribution center is new and not 147738
open for the entire qualifying period, the operator shall make a 147739
good faith estimate of an Ohio delivery percentage for use by 147740
suppliers in their reports of taxable gross receipts for the 147741

remainder of the qualifying period. The operator of the facility 147742
shall disclose to the suppliers that such Ohio delivery percentage 147743
is an estimate and is subject to recalculation. By the due date of 147744
the next application for a qualifying certificate, the operator 147745
shall determine the actual Ohio delivery percentage for the 147746
estimated qualifying period and proceed as provided in division 147747
(C)(1) of this section with respect to the calculation and 147748
recalculation of the Ohio delivery percentage. The supplier is 147749
required to file, within sixty days after receiving notice from 147750
the operator of the qualified distribution center, amended reports 147751
for the impacted calendar quarter or quarters or calendar year, 147752
whichever the case may be. Any additional tax liability or tax 147753
overpayment shall be subject to interest but shall not be subject 147754
to the imposition of any penalty so long as the amended returns 147755
are timely filed. 147756

(3) The operator of a distribution center that receives a 147757
qualifying certificate under division (B)(3) of this section shall 147758
make a good faith estimate of the Ohio delivery percentage that 147759
the operator estimates will apply to the distribution center at 147760
the end of the thirty-six-month period after the operator first 147761
applied for a qualifying certificate under that division. The 147762
result of the estimate shall be multiplied by a factor of one and 147763
seventy-five one-hundredths. The product of that calculation shall 147764
be the Ohio delivery percentage used by suppliers in their reports 147765
of taxable gross receipts for each qualifying year that the 147766
distribution center receives a qualifying certificate under 147767
division (B)(3) of this section, except that, if the product is 147768
less than five per cent, the Ohio delivery percentage used shall 147769
be five per cent and that, if the product exceeds forty-nine per 147770
cent, the Ohio delivery percentage used shall be forty-nine per 147771
cent. 147772

(D) Qualifying certificates and Ohio delivery percentages 147773

issued by the commissioner shall be ~~open to public inspection and~~ 147774
~~shall be~~ timely published ~~by the commissioner on the department of~~ 147775
taxation's web site and shall be accessible on that web site for 147776
at least four years after the date of issuance. A supplier relying 147777
in good faith on a certificate issued under this section shall not 147778
be subject to tax on the qualifying distribution center receipts 147779
under this section and division (F)(2)(z) of section 5751.01 of 147780
the Revised Code. An operator receiving a qualifying certificate 147781
is liable for the ineligible operator's supplier tax liability for 147782
each year the operator received a certificate but did not qualify 147783
as a qualified distribution center. 147784

(E) The tax commissioner shall determine an ineligible 147785
operator's supplier tax liability based on information that the 147786
commissioner may request from the operator of the distribution 147787
center. An operator shall provide a list of all suppliers of the 147788
distribution center and the corresponding costs of qualified 147789
property for the qualifying year at issue within sixty days of a 147790
request by the commissioner under this division. 147791

(F) The annual fee for a qualifying certificate shall be one 147792
hundred thousand dollars for each qualified distribution center. 147793
If a qualifying certificate is not issued, the annual fee is 147794
subject to refund after the exhaustion of all appeals provided for 147795
in division (B)(1) of this section. The first one hundred thousand 147796
dollars of the annual application fees collected each calendar 147797
year shall be credited to the revenue enhancement fund. The 147798
remainder of the annual application fees collected shall be 147799
distributed in the same manner required under section 5751.20 of 147800
the Revised Code. 147801

(G) The tax commissioner may require that adequate security 147802
be posted by the operator of the distribution center on appeal 147803
when the commissioner disagrees that the applicant has met the 147804
minimum thresholds for a qualified distribution center as set 147805

forth in this section. 147806

Sec. 3772.13. (A) No person may be employed as a key employee 147852
of a casino operator, management company, or holding company 147853
unless the person is the holder of a valid key employee license 147854

(B) No person may be employed as a key employee of a 147856

Section 130.50. That the version of section 3701.351 of the 149456
Revised Code that is scheduled to take effect September 30, 2024, 149457
be amended to read as follows: 149458

Sec. 3701.351. (A) The governing body of every hospital shall 149459
set standards and procedures to be applied by the hospital and its 149460
medical staff in considering and acting upon applications for 149461
staff membership or professional privileges. These standards and 149462
procedures shall be available for public inspection. 149463

(B) The governing body of any hospital, in considering and 149464
acting upon applications for staff membership or professional 149465
privileges within the scope of the applicants' respective 149466
licensures, shall not discriminate against a qualified person 149467
solely on the basis of whether that person is licensed to practice 149468

medicine, osteopathic medicine, or podiatry, is licensed to 149469
practice dentistry or psychology, or is licensed to practice 149470
nursing as an advanced practice registered nurse. Staff membership 149471
or professional privileges shall be considered and acted on in 149472
accordance with standards and procedures established under 149473
division (A) of this section. This section does not permit a 149474

section 3727.06 of the Revised Code. 149476

(C) The governing body of any hospital that provides 149477

(D) Any person may apply to the court of common pleas for 149487
temporary or permanent injunctions restraining a violation of 149488
division (A), (B), or (C) of this section. This action is an 149489
additional remedy not dependent on the adequacy of the remedy at 149490
law. 149491

(E)(1) If a hospital does not provide or permit the provision 149492
of any diagnostic or treatment service for mental or emotional 149493
disorders or any other service that may be legally performed by a 149494

the provision of any such service and the hospital shall be exempt 149497
from requirements of this section pertaining to psychologists. 149498

(2) This section does not impair the right of a hospital to 149499
enter into an employment, personal service, or any other kind of 149500

contract with a licensed psychologist, upon any such terms as the 149501
parties may mutually agree, for the provision of any service that 149502
may be legally performed by a licensed psychologist. 149503

REAL ESTATE SALESPERSON LICENSE GRANTS 150905

Notwithstanding section 4735.06 of the Revised Code, or any 150906
other law to the contrary, the Superintendent of the Division of 150907
Real Estate and Professional Licensing may provide grants, not 150908
exceeding \$2,000, to applicants for salesperson licenses to defray 150909
the costs of satisfying the educational requirements of division 150910
(F) of section 4735.09 of the Revised Code. No more than \$25,000 150911
shall be granted from the Division of Real Estate Operating Fund 150912
(Fund 5490) in any one fiscal year. 150913

FIRE DEPARTMENT GRANTS 150914

(A) The foregoing appropriation item 800639, Fire Department 150915
Grants, shall be used to make annual grants to the following 150916
eligible recipients: volunteer fire departments, fire departments 150917
that serve one or more small municipalities or small townships, 150918
joint fire districts comprised of fire departments that primarily 150919
serve small municipalities or small townships, local units of 150920
government responsible for such fire departments, and local units 150921
of government responsible for the provision of fire protection 150922
services for small municipalities or small townships. For the 150923
purposes of these grants, a private fire company, as that phrase 150924
is defined in section 9.60 of the Revised Code, that is providing 150925
fire protection services under a contract to a political 150926
subdivision of the state, is an additional eligible recipient for 150927
a training grant. 150928

Eligible recipients that consist of small municipalities or 150929
small townships that all intend to contract with the same fire 150930
department or private fire company for fire protection services 150931
may jointly apply and be considered for a grant. If a joint 150932
applicant is awarded a grant, the State Fire Marshal shall, if 150933
feasible, proportionately award the grant and any equipment 150934
purchased with grant funds to each of the joint applicants based 150935
upon each applicant's contribution to and demonstrated need for 150936
fire protection services. For the purpose of this grant program, 150937
an eligible recipient or any firefighting entity that is 150938
contracted to serve an eligible recipient may only file, be listed 150939
as joint applicant, or be designated as a service provider on one 150940
grant application per fiscal year. 150941

If the grant awarded to joint applicants is an equipment 150942
grant and the equipment to be purchased cannot be readily 150943
distributed or possessed by multiple recipients, each of the joint 150944
applicants shall be awarded by the State Fire Marshal an ownership 150945
interest in the equipment so purchased in proportion to each 150946
applicant's contribution to and demonstrated need for fire 150947
protection services. The joint applicants shall then mutually 150948
agree on how the equipment is to be maintained, operated, stored, 150949
or disposed of. If, for any reason, the joint applicants cannot 150950
agree as to how jointly owned equipment is to be maintained, 150951
operated, stored, or disposed of or any of the joint applicants no 150952
longer maintain a contract with the same fire protection service 150953
provider as the other applicants, then the joint applicants shall, 150954
with the assistance of the State Fire Marshal, mutually agree as 150955
to how the jointly owned equipment is to be maintained, operated, 150956
stored, disposed of, or owned. If the joint applicants cannot 150957
agree how the grant equipment is to be maintained, operated, 150958
stored, disposed of, or owned, the State Fire Marshal may, in its 150959
discretion, require all of the equipment acquired by the joint 150960
applicants with grant funds to be returned to the State Fire 150961

Marshal. The State Fire Marshal may then award the returned 150962
equipment to any eligible recipients. For this paragraph only, an 150963
"equipment grant" also includes a MARCS Grant. 150964

(B) Except as otherwise provided in this section, the grants 150965
shall be used by recipients to purchase firefighting or rescue 150966
equipment or gear or similar items, to provide full or partial 150967
reimbursement for the documented costs of firefighter training, 150968
or, at the discretion of the State Fire Marshal, to cover fire 150969
department costs for providing fire protection services in that 150970
grant recipient's jurisdiction. 150971

(1) Of the foregoing appropriation item 800639, Fire 150972
Department Grants, up to \$1,300,000 per fiscal year may be used to 150973
pay for the State Fire Marshal's costs of providing firefighter I 150974
certification classes or other firefighter classes approved by the 150975
State Fire Marshal at no cost to selected students attending the 150976
Ohio Fire Academy or other class providers approved by the State 150977
Fire Marshal. The State Fire Marshal may establish the 150978
qualifications and selection processes for students to attend such 150979
classes by written policy, and such students shall be considered 150980
eligible recipients of fire department grants for the purposes of 150981
this portion of the grant program. 150982

(2) Of the foregoing appropriation item 800639, Fire 150983
Department Grants, up to \$4,000,000 in each fiscal year may be 150984
used for MARCS Grants. MARCS Grants may be used for the payment of 150985
user access fees by the eligible recipient to cover costs for 150986
accessing MARCS. 150987

For purposes of this section, a MARCS Grant is a grant for 150988
systems, equipment, or services that are a part of, integrated 150989
into, or otherwise interoperable with the Multi-Agency Radio 150990
Communication System (MARCS) operated by the state. 150991

MARCS Grant awards may be up to \$50,000 in each fiscal year 150992

per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall interoperability and effectiveness of emergency communication networks in the geographic region that includes and that is adjacent to the applicant.

Eligible recipients that are or were awarded fire department grants that are not MARCS Grants may also apply for and receive MARCS Grants in accordance with criteria for the awarding of grant funds established by the State Fire Marshal.

(3) Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to \$15,000 per fiscal year, or up to \$25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection services, an eligible entity may receive a grant for up to \$15,000 per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.

(C) The grants shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds

or to obtain reimbursement for or the return of equipment for 151025
improperly used grant funds. To the extent consistent with this 151026
section and until the rules are updated, the existing rules in the 151027
state fire code adopted pursuant to section 3737.82 of the Revised 151028
Code for fire department grants under this section apply to MARCS 151029
Grants. Any amounts in appropriation item 800639, Fire Department 151030
Grants, in excess of the amount allocated for these grants may be 151031
used for the administration of the grant program. 151032

DIVISION OF MARIJUANA CONTROL 151033

The foregoing appropriation item 800650, Medical Marijuana 151034
Control Program, shall be used by the Department of Commerce to 151035
support the operation of the Division of Marijuana Control, 151036
including expenditures related to the transfer of the medical 151037
marijuana control program into the Department. If additional 151038
amounts are available in the Medical Marijuana Control Fund (Fund 151039
5SY0), and additional amounts are necessary to transfer the 151040
program, the Director of Commerce may certify to the Director of 151041
the Office of Budget and Management the amount of additional 151042
appropriation necessary for this purpose. Upon approval by the 151043
Director of the Office of Budget and Management, that amount is 151044
hereby appropriated. 151045

hereby reappropriated to the Department for the same purpose in 152332
fiscal year 2025. 152333

The remainder of appropriation item 200426, Ohio Educational 152334
Computer Network, shall be used to support the work of the 152335
development, maintenance, and operation of a network of uniform 152336
and compatible computer-based information systems as well as the 152337
teacher student linkage/roster verification process and systems to 152338
support electronic sharing of student records and transcripts 152339
between entities. This technical assistance shall include, but not 152340
be restricted to, development and maintenance of adequate computer 152341
software systems to support network activities. In order to 152342
improve the efficiency of network activities, the Department and 152343
information technology centers may jointly purchase equipment, 152344
materials, and services from funds provided under this 152345
appropriation for use by the network and, when considered 152346
practical by the Department, may utilize the services of 152347
appropriate state purchasing agencies. 152348

communicate to school districts academic content standards and 152352
curriculum models and to develop professional development programs 152353
and other tools on the new content standards and model curricula. 152354

Section 265.90. STUDENT ASSESSMENT 152355

Of the foregoing appropriation item 200437, Student 152356
Assessment, up to \$1,200,000 in fiscal year 2025 shall be used to 152357
develop, field test, print, distribute, score, report results, and 152358
support other associated costs for the tests required under 152359
section 3323.251 of the Revised Code. 152360

Of the foregoing appropriation item 200437, Student 152361
Assessment, up to \$772,713 in each fiscal year shall be used to 152362
reimburse a portion of the costs associated with Advanced 152363
Placement and College-Level Examination Program tests for students 152364
from households with incomes at or below the statewide median 152365
household income. Of these funds, up to \$622,713 in each fiscal 152366
year shall be used to reimburse a portion of the costs associated 152367
with these tests for low-income students, as determined by the 152368
Department, and up to \$150,000 in each fiscal year shall be used 152369
to reimburse a portion of the costs associated with these tests 152370
for students whose family income exceeds low-income status but are 152371
at or below the statewide median household income, as determined 152372
by the Department. 152373

The remainder of appropriation item 200437, Student 152374
Assessment, shall be used to develop, field test, print, 152375
distribute, score, report results, and support other associated 152376
costs for the tests required under sections 3301.0710, 3301.0711, 152377
and 3301.0712 of the Revised Code and for similar purposes as 152378
required by section 3301.27 of the Revised Code. The funds may 152379
also be used to update and develop diagnostic assessments 152380
administered under sections 3301.079, 3301.0715, and 3313.608 of 152381
the Revised Code and to support readiness assessments for students 152382

in grades three and higher that assist districts and schools with 152383
identifying and benchmarking student progress. 152384

DEPARTMENT OF EDUCATION APPROPRIATION TRANSFERS FOR STUDENT 152385
ASSESSMENT 152386

In fiscal year 2024 and fiscal year 2025, if the 152387
Superintendent of Public Instruction determines that additional 152388
funds are needed to fully fund the requirements of sections 152389
3301.0710, 3301.0711, 3301.0712, and 3301.27 of the Revised Code 152390
and this act for assessments of student performance, the 152391
Superintendent may recommend to the Director of Budget and 152392
Management the reallocation of unexpended and unencumbered General 152393
Revenue Fund appropriations within the Department of Education to 152394
appropriation item 200437, Student Assessment. If the Director 152395
determines that such a reallocation is required, the Director may 152396
transfer unexpended and unencumbered appropriations within the 152397
Department of Education as necessary to appropriation item 200437, 152398
Student Assessment. 152399

Section 265.100. ACCOUNTABILITY/REPORT CARDS 152400

Of the foregoing appropriation item 200439, 152401
Accountability/Report Cards, a portion in each fiscal year shall 152402
be used to train district and regional specialists and district 152403
educators in the use of the value-added progress dimension and in 152404
the use of data as it relates to improving student achievement. 152405
This training may include teacher and administrator professional 152406
development in the use of data to improve instruction and student 152407
learning, and teacher and administrator training in understanding 152408
teacher value-added reports and how they can be used as a 152409
component in measuring teacher and administrator effectiveness. A 152410
portion of this funding shall be provided to educational service 152411
centers to support training and professional development under 152412
this section consistent with section 3312.01 of the Revised Code. 152413

The remainder of appropriation item 200439, 152414
Accountability/Report Cards, shall be used by the Department of 152415
Education to incorporate a statewide value-added progress 152416
dimension into performance ratings for school districts and for 152417
the development of an accountability system that includes the 152418

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA	159401
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES	159402
(1) Of the foregoing appropriation item 235501, State Share	159403
of Instruction, 50 per cent of the appropriation for universities,	159404
as established in division (A)(2) of the section of this act	159405
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2024 AND	159406
2025," in each fiscal year shall be reserved for support of	159407
associate, baccalaureate, master's, and professional level degree	159408
attainment.	159409
The degree attainment funding shall be allocated to	159410
universities in proportion to each campus's share of the total	159411
statewide degrees granted, weighted by the cost of the degree	159412
programs. The degree cost calculations shall include the model	159413
cost weights for the science, technology, engineering,	159414
mathematics, and medicine models as established in division (C) of	159415
this section.	159416
For degrees including credits earned at multiple	159417
institutions, degree attainment funding shall be allocated to	159418
universities in proportion to each campus's share of the	159419
student-specific cost of earned credits for the degree. Each	159420
institution shall receive its prorated share of degree funding for	159421
credits earned at that institution. Cost of credits not earned at	159422
a university main or regional campus shall be credited to the	159423
degree-granting institution for the first degree earned by a	159424
student at each degree level. The cost credited to the	159425
degree-granting institution shall not be eligible for at-risk	159426
weights and shall be limited to 12.5 per cent of the	159427
student-specific degree costs. However, the 12.5 per cent	159428
limitation shall not apply if the student transferred 12 or fewer	159429
credits into the degree granting institution.	159430
In calculating the subsidy entitlements for degree attainment	159431

for universities, the Chancellor shall use the following count of 159432
degrees and degree costs: 159433

(a) The subsidy eligible undergraduate degrees shall be 159434
defined as follows: 159435

(i) The subsidy eligible degrees conferred to students 159436
identified as residents of the state of Ohio in any term of their 159437
studies, as reported through the Higher Education Information 159438
(HEI) system student enrollment file, shall be weighted by a 159439
factor of 1. 159440

(ii) The subsidy eligible degrees conferred to students 159441
identified as out-of-state residents during all terms of their 159442
studies, as reported through the Higher Education Information 159443
(HEI) system student enrollment file, who remain in the state of 159444
Ohio at least one year after graduation, as calculated based on 159445
the three-year average in-state residency rate using the 159446
Unemployment Wage data for out-of-state graduates at each 159447
institution, shall be weighted by a factor of 50 per cent. 159448

(iii) Subsidy eligible associate degrees are defined as those 159449
earned by students attending any state-supported university main 159450
or regional campus. 159451

(b) In calculating each campus's count of degrees, the 159452
Chancellor shall use the three-year average associate, 159453
baccalaureate, master's, and professional degrees awarded for the 159454
most recent completed three-year period that is practicable as 159455
agreed to by the Inter-University Council and the Chancellor. 159456

(i) If a student is awarded an associate degree and, 159457
subsequently, is awarded a baccalaureate degree, the amount funded 159458
for the baccalaureate degree shall be limited to either the 159459
difference in cost between the cost of the baccalaureate degree 159460
and the cost of the associate degree paid previously, or if the 159461
associate degree has a higher cost than the baccalaureate degree, 159462

the cost of the credits earned by the student after the associate degree was awarded. 159463
159464

(ii) If a student earns an associate degree then, 159465
subsequently, earns a baccalaureate degree, the associate degree 159466
granting institution shall only receive the prorated share of the 159467
baccalaureate degree funding for the credits earned at that 159468
institution after the associate degree is awarded. 159469

(iii) If a student earns more than one degree at the same 159470
institution at the same degree level in the same fiscal year, the 159471
funding for the highest cost degree shall be prorated among 159472
institutions based on where the credits were earned and additional 159473
degrees shall be funded at 25 per cent of the cost of the degrees. 159474

(c) Associate degrees and baccalaureate degrees earned by a 159475
student defined as at-risk based on academic under-preparation, 159476
age, minority status, financial status, or first generation 159477
post-secondary status based on neither parent completing any 159478
education beyond high school, shall be defined as degrees earned 159479
by an at-risk student and shall be weighted by the following: 159480

A student-specific degree completion weight, where the weight 159481
is calculated based on the at-risk factors of the individual 159482
student, determined by calculating the difference between the 159483
percentage of students with each risk factor who earned a degree 159484
and the percentage of non-at-risk students who earned a degree. 159485

(2) Of the foregoing appropriation item 235501, State Share 159486
of Instruction, up to 11.78 per cent of the appropriation for 159487
universities, as established in division (A)(2) of the section of 159488
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 159489
2024 AND 2025," in each fiscal year shall be reserved for support 159490
of doctoral programs to implement the funding recommendations made 159491
by representatives of the universities. The amount so reserved 159492
shall be referred to as the doctoral set-aside. 159493

In each fiscal year, the doctoral set-aside funding 159494
allocation shall be allocated to universities as follows: 159495

(a) 25 per cent of the doctoral set-aside shall be allocated 159496
to universities in proportion to their share of the statewide 159497
total earnings of each state institution's three-year average 159498
course completions. The subsidy eligible enrollments by model 159499
shall equal only those FTE students who successfully complete the 159500
course as defined and reported through the Higher Education 159501
Information (HEI) system course enrollment file. Course completion 159502
earnings shall be determined by multiplying the amounts listed 159503
above in divisions (B) and (C) of this section by the 159504
subsidy-eligible FTEs for the most recent completed three-year 159505
period that is practicable as agreed to by the Inter-University 159506
Council and the Chancellor for all doctoral enrollments in 159507
graduate-level models. 159508

(b) 50 per cent of the doctoral set-aside shall be allocated 159509
to universities in proportion to each campus's share of the total 159510
statewide doctoral degrees, weighted by the cost of the doctoral 159511
discipline. In calculating each campus's doctoral degrees the 159512
Chancellor shall use the three-year average doctoral degrees 159513
awarded for the most recent completed three-year period that is 159514
practicable as agreed to by the Inter-University Council and the 159515
Chancellor. 159516

(c) 25 per cent of the doctoral set-aside shall be allocated 159517
to universities in proportion to their share of research grant 159518
activity. Funding for this component shall be allocated to 159519
eligible universities in proportion to their share of research 159520
grant activity published by the National Science Foundation. Grant 159521
awards from the Department of Health and Human Services shall be 159522
weighted at 50 per cent. 159523

(3) Of the foregoing appropriation item 235501, State Share 159524
of Instruction, 6.41 per cent of the appropriation for 159525

universities, as established in division (A)(2) of the section of 159526
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 159527
2024 AND 2025," in each fiscal year shall be reserved for support 159528
of Medical II FTEs. The amount so reserved shall be referred to as 159529
the medical II set-aside. 159530

The medical II set-aside shall be allocated to universities 159531
in proportion to their share of the statewide total of each state 159532
institution's three-year average Medical II FTEs as calculated in 159533
division (A) of this section. 159534

In calculating the core subsidy entitlements for Medical II 159535
models only, students repeating terms may be no more than five per 159536
cent of current year enrollment. 159537

(4) Of the foregoing appropriation item 235501, State Share 159538
of Instruction, 1.48 per cent of the appropriation for 159539
universities, as established in division (A)(2) of the section of 159540
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 159541
2024 AND 2025," in each fiscal year shall be reserved for support 159542
of Medical I FTEs. The amount so reserved shall be referred to as 159543
the medical I set-aside. 159544

The medical I set-aside shall be allocated to universities in 159545
proportion to their share of the statewide total of each state 159546
institution's three-year average Medical I FTEs as calculated in 159547
division (A) of this section. 159548

(5) In calculating the course completion funding for 159549
universities, the Chancellor shall use the following count of FTE 159550
students: 159551

(a) The subsidy eligible enrollments by model shall equal 159552
only those FTE students who successfully complete the course as 159553
defined and reported through the Higher Education Information 159554
(HEI) system course enrollment file; 159555

(b) Those undergraduate FTE students with successful course 159556

completions, identified in division (D)(5)(a) of this section, 159557
that are defined as at-risk based on academic under-preparation or 159558
financial status shall have their eligible completions weighted by 159559
the following: 159560

(i) Institution-specific course completion indexes, where the 159561
indexes are calculated based upon the number of at-risk students 159562
enrolled during the prior three calendar years; and 159563

(ii) A statewide average at-risk course completion weight 159564
determined for each subsidy model. The statewide average at-risk 159565
course completion weight shall be determined by calculating the 159566
difference between the percentage of traditional students who 159567
complete a course and the percentage of at-risk students who 159568
complete the same course. 159569

(c) The course completion earnings shall be determined by 159570
multiplying the amounts listed above in divisions (B) and (C) of 159571
this section by the subsidy-eligible FTEs for the most recent 159572
completed three-year period that is practicable as agreed to by 159573
the Inter-University Council and the Chancellor for all models 159574
except Medical I and Medical II. 159575

(d) For universities, the Chancellor shall compute the course 159576
completion earnings by dividing the appropriation for 159577
universities, established in division (A)(2) of the section of 159578
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 159579
2024 AND 2025," less the degree attainment funding as calculated 159580
in division (D)(1) of this section, less the doctoral set-aside, 159581
less the medical I set-aside, and less the medical II set-aside, 159582
by the sum of all campuses' instructional costs as calculated in 159583
division (D)(5) of this section. 159584

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 159585
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 159586

(1) Of the foregoing appropriation item 235501, State Share 159587

of Instruction, 50 per cent of the appropriation for 159588
state-supported community colleges, state community colleges, and 159589
technical colleges as established in division (A)(1) of the 159590
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 159591
FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved 159592
for course completion FTEs as aggregated by the subsidy models 159593
defined in division (B) of this section. 159594

The course completion funding shall be allocated to campuses 159595
in proportion to each campus's share of the total sector's course 159596
completions, weighted by the instructional cost of the subsidy 159597
models. 159598

To calculate the subsidy entitlements for course completions 159599
at community colleges, state community colleges, and technical 159600
colleges, the Chancellor shall use the following calculations: 159601

(a) In calculating each campus's count of FTE course 159602
completions, the Chancellor shall use a three-year average for 159603
course completions for the three-year period ending in the prior 159604
year for students identified as residents of the state of Ohio in 159605
any term of their studies, as reported through the Higher 159606
Education Information (HEI) system student enrollment file. 159607

(b) The subsidy eligible enrollments by model shall equal 159608
only those FTE students who successfully complete the course as 159609
defined and reported through the Higher Education Information 159610
(HEI) system course enrollment file. 159611

(c) Those students with successful course completions, that 159612
are defined as access students based on financial status, minority 159613
status, age, or academic under-preparation shall have their 159614
eligible course completions weighted by a statewide access weight. 159615
The weight given to any student that meets any access factor shall 159616
be 15 per cent for all course completions. 159617

(d) The model costs as used in the calculation shall be 159618

augmented by the model weights for science, technology, 159619
engineering, mathematics, and medicine models as established in 159620
division (C) of this section. 159621

(2) Of the foregoing appropriation item 235501, State Share 159622
of Instruction, 25 per cent of the appropriation for 159623
state-supported community colleges, state community colleges, and 159624
technical colleges as established in division (A)(1) of the 159625
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 159626
FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved 159627
for colleges in proportion to their share of college student 159628
success factors. 159629

Student success factors shall be awarded at the institutional 159630
level for each subsidy-eligible student that successfully: 159631

(a) Completes a college-level math course within the first 30 159632
hours of completed coursework. 159633

(b) Completes a college-level English course within the first 159634
30 hours of completed coursework. 159635

(c) Completes 12 semester credit hours of college-level 159636
coursework. 159637

(d) Completes 24 semester credit hours of college-level 159638
coursework. 159639

(e) Completes 36 semester credit hours of college-level 159640
coursework. 159641

(3) Of the foregoing appropriation item 235501, State Share 159642
of Instruction, 25 per cent of the appropriation for 159643
state-supported community colleges, state community colleges, and 159644
technical colleges as established in division (A)(1) of the 159645
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 159646
FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved 159647
for completion milestones. 159648

Completion milestones shall include baccalaureate degrees, 159649
associate degrees, technical certificates over 30 credit hours as 159650
designated by the Department of Higher Education, and students 159651
transferring to any four-year institution with at least 12 credit 159652
hours of college-level coursework earned at that community 159653
college, state community college, or technical college. 159654

The completion milestone funding shall be allocated to 159655
colleges in proportion to each institution's share of the sector's 159656
total completion milestones, weighted by the instructional cost of 159657
the degree, certificate, or transfer models. Costs for technical 159658
certificates over 30 hours shall be weighted at one-half of the 159659
associate degree model costs and transfers with at least 12 credit 159660
hours of college-level coursework shall be weighted at one-fourth 159661
of the average cost for all associate degree model costs. 159662

(4) To calculate the subsidy entitlements for completions at 159663
community colleges, state community colleges, and technical 159664
colleges, the Chancellor shall use the following calculations: 159665

(a) In calculating each campus's count of completions, the 159666
Chancellor shall use a three-year average for completion 159667
milestones awarded to students identified as subsidy eligible in 159668
any term of their studies, as reported through the Higher 159669
Education Information (HEI) system student enrollment file. 159670

(b) The subsidy eligible completion milestones by model shall 159671
equal only those students who successfully complete a 159672
baccalaureate or an associate degree, or technical certificate 159673
over 30 credit hours, or transfer to any four-year institution 159674
with at least 12 credit hours of college-level coursework as 159675
defined and reported in the Higher Education Information (HEI) 159676
system. Student completions reported in HEI shall have an 159677
accompanying course enrollment record in order to be subsidy 159678
eligible. 159679

(c) Those students with successful completions for 159680
baccalaureate or associate degrees, technical certificates over 30 159681
credit hours, or transfer to any four-year institution with at 159682
least 12 credit hours of college-level coursework, identified in 159683
division (E)(3) of this section, that are defined as access 159684
students based on financial status, minority status, age, or 159685
academic under-preparation shall have their eligible completions 159686
weighted by a statewide access weight. The weight shall be 25 per 159687
cent for students with one access factor, 66 per cent for students 159688
with two access factors, 150 per cent for students with three 159689
access factors, and 200 per cent for students with four access 159690
factors. 159691

(d) For those students who complete more than one completion 159692
milestone, funding for each additional degree or technical 159693
certificate over 30 credit hours designated as such by the 159694
Department of Higher Education shall be funded at 50 per cent of 159695
the model costs as defined in division (E)(3) of this section. 159696

(5) For purposes of the calculations made in division (E) of 159697
this section, the Chancellor shall only include subsidy-eligible 159698
students identified as residents of the state of Ohio in any term 159699
of their studies, as reported through the Higher Education 159700
Information (HEI) system student enrollment file. The Chancellor 159701
shall be prohibited from including nonresident students as 159702
subsidy-eligible except for those students otherwise identified as 159703
subsidy-eligible in division (A)(2) of this section. 159704

(F) CAPITAL COMPONENT DEDUCTION 159705

After all other adjustments have been made, state share of 159706
instruction earnings shall be reduced for each campus by the 159707
amount, if any, by which debt service charged in H.B. 16 of the 159708
126th General Assembly, H.B. 699 of the 126th General Assembly, 159709
H.B. 496 of the 127th General Assembly, and H.B. 562 of the 127th 159710
General Assembly for that campus exceeds that campus's capital 159711

component earnings. The sum of the amounts deducted shall be 159712
transferred to appropriation item 235552, Capital Component, in 159713
each fiscal year. 159714

(G) EXCEPTIONAL CIRCUMSTANCES 159715

Adjustments may be made to the state share of instruction 159716
payments and other subsidies distributed by the Chancellor to 159717
state colleges and universities for exceptional circumstances. No 159718
adjustments for exceptional circumstances may be made without the 159719
recommendation of the Chancellor and the approval of the 159720
Controlling Board. 159721

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 159722
INSTRUCTION 159723

The standard provisions of the state share of instruction 159724
calculation as described in the preceding sections of temporary 159725
law shall apply to any reductions made to appropriation item 159726
235501, State Share of Instruction, before the Chancellor has 159727
formally approved the final allocation of the state share of 159728
instruction funds for any fiscal year. 159729

Any reductions made to appropriation item 235501, State Share 159730
of Instruction, after the Chancellor has formally approved the 159731
final allocation of the state share of instruction funds for any 159732
fiscal year, shall be uniformly applied to each campus in 159733
proportion to its share of the final allocation. 159734

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 159735

The state share of instruction payments to the institutions 159736
shall be in substantially equal monthly amounts during the fiscal 159737
year, unless otherwise determined by the Director of Budget and 159738
Management pursuant to section 126.09 of the Revised Code. 159739
Payments during the first six months of the fiscal year may be 159740
based upon the state share of instruction appropriation estimates 159741
made for the various institutions of higher education, and 159742

payments during the last six months of the fiscal year may be 159743
based on the final data from the Chancellor. If agreed to by the 159744
Chancellor and the Inter-University Council, payments to 159745
universities in each month of a fiscal year shall be based on 159746
final data in the higher education information system for the 159747
selected three-year period that is acceptable to both parties. 159748

Section 381.250. STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 159749
2024 AND 2025 159750

(A) The foregoing appropriation item 235501, State Share of 159751
Instruction, shall be distributed according to the section of this 159752
act entitled "STATE SHARE OF INSTRUCTION FORMULAS." 159753

(1) Of the foregoing appropriation item 235501, State Share 159754
of Instruction, \$484,972,000 in fiscal year 2024 and \$491,887,000 159755
in fiscal year 2025 shall be distributed to state-supported 159756
community colleges, state community colleges, and technical 159757
colleges. 159758

(2) Of the foregoing appropriation item 235501, State Share 159759
of Instruction, \$1,619,028,000 in fiscal year 2024 and 159760
\$1,642,113,000 in fiscal year 2025 shall be distributed to 159761
state-supported university main and regional campuses. 159762

(B) Any increases in the amount distributed to an institution 159763
from appropriation item 235501, State Share of Instruction, above 159764
the prior year may be used by the institution to provide 159765
need-based aid and to provide counseling, support services, and 159766
workforce preparation services to students. 159767

TRANSFER TO OPPORTUNITIES FOR OHIOANS WITH DISABILITIES 159768
AGENCY 159769

Notwithstanding any provision of law to the contrary, upon 159770
the request of the Chancellor of Higher Education, the Director of 159771
Budget and Management may transfer \$2,000,000 in appropriations in 159772

each fiscal year from appropriation item 235501, State Share of Instruction, to the Opportunities for Ohioans with Disabilities Agency for the College2Careers Program. Amounts transferred are hereby appropriated.

Section 381.260. RESTRICTION ON FEE INCREASES

(A) In fiscal years 2024 and 2025, the boards of trustees of state institutions of higher education shall restrain increases in in-state undergraduate instructional and general fees.

(1) For the 2023-2024 and 2024-2025 academic years, all of the following shall apply:

(a) Each state university or college, as defined in section 3345.12 of the Revised Code, and university regional campus shall not increase its in-state undergraduate instructional and general fees over what the institution charged for the previous academic year.

(b) Each community college established under Chapter 3354., state community college established under Chapter 3358., or technical college established under Chapter 3357. of the Revised Code may increase its in-state undergraduate instructional and general fees by not more than five dollars per credit hour over what the institution charged for the previous academic year.

(c) For state institutions of higher education, as defined in section 3345.011 of the Revised Code, increases for all other special fees, including the creation of new special fees, shall be subject to the approval of the Chancellor of Higher Education.

(2) The limitations under division (A)(1) of this section do not apply to student health insurance, fees for auxiliary goods or services provided to students at the cost incurred to the institution, fees assessed to students as a pass-through for licensure and certification examinations, fees in elective courses

associated with travel experiences, elective service charges, 159803
fines, and voluntary sales transactions. 159804

(B) The limitations under this section shall not apply to 159805
increases required to comply with institutional covenants related 159806
to their obligations or to meet unfunded legal mandates or legally 159807
binding obligations incurred or commitments made prior to the 159808
effective date of this section with respect to which the 159809
institution had identified such fee increases as the source of 159810
funds. Any increase required by such covenants and any such 159811
mandates, obligations, or commitments shall be reported by the 159812
Chancellor to the Controlling Board. These limitations may also be 159813
modified by the Chancellor, with the approval of the Controlling 159814
Board, to respond to exceptional circumstances as identified by 159815
the Chancellor. 159816

(C) Institutions offering an undergraduate tuition guarantee 159817
pursuant to section 3345.48 of the Revised Code may increase 159818
instructional and general fees pursuant to that section. 159819

Section 381.270. HIGHER EDUCATION - BOARD OF TRUSTEES 159820

(A) Funds appropriated for instructional subsidies at 159821
colleges and universities may be used to provide such branch or 159822
other off-campus undergraduate courses of study and such master's 159823
degree courses of study as may be approved by the Chancellor of 159824
Higher Education. 159825

(B) In providing instructional and other services to 159826
students, boards of trustees of state institutions of higher 159827
education shall supplement state subsidies with income from 159828
charges to students. Except as otherwise provided in this act, 159829
each board shall establish the fees to be charged to all students, 159830
including an instructional fee for educational and associated 159831
operational support of the institution and a general fee for 159832
noninstructional services, including locally financed student 159833

services facilities used for the benefit of enrolled students. The 159834
instructional fee and the general fee shall encompass all charges 159835
for services assessed uniformly to all enrolled students. Each 159836
board may also establish special purpose fees, service charges, 159837
and fines as required; such special purpose fees and service 159838
charges shall be for services or benefits furnished individual 159839
students or specific categories of students and shall not be 159840
applied uniformly to all enrolled students. A tuition surcharge 159841
shall be paid by all students who are not residents of Ohio. 159842

The board of trustees of a state institution of higher 159843
education shall not authorize a waiver or nonpayment of 159844
instructional fees or general fees for any particular student or 159845
any class of students other than waivers specifically authorized 159846
by law or approved by the Chancellor. This prohibition is not 159847
intended to limit the authority of boards of trustees to provide 159848
for payments to students for services rendered the institution, 159849
nor to prohibit the budgeting of income for staff benefits or for 159850
student assistance in the form of payment of such instructional 159851
and general fees. 159852

Each board may authorize a lower differential tuition rate of 159853
instructional or general fees equal to the default rate options 159854
provided under the College Credit Plus Program pursuant to Chapter 159855
3365. of the Revised Code or equal to rates established pursuant 159856
to an agreement for an alternative payment structure pursuant to 159857
section 3365.07 of the Revised Code for nonpublic and home 159858
schooled students participating in that program that are not 159859
publicly funded. Each board may establish a lower differential 159860
tuition rate for in-state undergraduate instructional fees or 159861
general fees for students enrolled exclusively in online courses, 159862
as well as a lower differential tuition rate for the surcharge for 159863
nonresidents enrolled exclusively in online courses, provided a 159864
surcharge is still assessed. 159865

Each state institution of higher education in its statement 159866
of charges to students shall separately identify the instructional 159867
fee, the general fee, the tuition charge, and the tuition 159868
surcharge. Fee charges to students for instruction shall not be 159869
considered to be a price of service but shall be considered to be 159870
an integral part of the state government financing program in 159871
support of higher educational opportunity for students. 159872

(C) The boards of trustees of state institutions of higher 159873
education shall ensure that faculty members devote a proper and 159874
judicious part of their work week to the actual instruction of 159875
students. Total class credit hours of production per academic term 159876
per full-time faculty member is expected to meet the standards set 159877
forth in the budget data submitted by the Chancellor. 159878

(D) The authority of government vested by law in the boards 159879
of trustees of state institutions of higher education shall in 159880
fact be exercised by those boards. Boards of trustees may consult 159881
extensively with appropriate student and faculty groups. 159882
Administrative decisions about the utilization of available 159883
resources, about organizational structure, about disciplinary 159884
procedure, about the operation and staffing of all auxiliary 159885
facilities, and about administrative personnel shall be the 159886
exclusive prerogative of boards of trustees. Any delegation of 159887
authority by a board of trustees in other areas of responsibility 159888
shall be accompanied by appropriate standards of guidance 159889
concerning expected objectives in the exercise of such delegated 159890
authority and shall be accompanied by periodic review of the 159891
exercise of this delegated authority to the end that the public 159892
interest, in contrast to any institutional or special interest, 159893
shall be served. 159894

Section 381.280. WAR ORPHANS AND SEVERELY DISABLED VETERANS' 159895
CHILDREN SCHOLARSHIPS 159896

The foregoing appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships, shall be used to reimburse state institutions of higher education for waivers of instructional fees and general fees provided by them, to provide grants to institutions that have received a certificate of authorization from the Chancellor of Higher Education under Chapter 1713. of the Revised Code, in accordance with the provisions of section 5910.04 of the Revised Code, and to fund additional scholarship benefits provided by section 5910.032 of the Revised Code.

During each fiscal year, the Chancellor, as soon as possible after cancellation, may certify to the Director of Budget and Management the amount of canceled prior-year encumbrances in appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships. Upon receipt of the certification, the Director of Budget and Management may transfer cash, up to the certified amount, from the General Revenue Fund to the War Orphans and Severely Disabled Veterans' Children Scholarship Reserve Fund (Fund 5PW0).

Section 381.290. STATE SHARE OF INSTRUCTION RECONCILIATION

By the first day of September in each fiscal year, or as soon as possible thereafter, the Chancellor of Higher Education shall certify to the Director of Budget and Management the amount necessary to pay any outstanding prior-year obligations to higher education institutions under the State Share of Instruction formulas, as determined by the Chancellor. Notwithstanding any provisions of law to the contrary, the Director of Budget and Management, upon the request of the Chancellor, may transfer cash in an amount up to the amounts certified for State Share of Instruction reconciliation from the State Financial Aid Reconciliation Fund (Fund 5Y50) to the General Revenue Fund. The

amounts certified for State Share of Instruction reconciliation 159928
are hereby appropriated to appropriation item 235505, State Share 159929
of Instruction Reconciliation. 159930

Section 381.300. OHIOLINK 159931

The foregoing appropriation item 235507, OhioLINK, shall be 159932
used by the Chancellor of Higher Education to support OhioLINK, a 159933
consortium organized under division (T) of section 3333.04 of the 159934
Revised Code to serve as the state's electronic library 159935

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2024, the Department shall distribute funds first to recipients of funds for early

childhood education programs under Section 265.20 of H.B. 110 of 161662
the 134th General Assembly in the previous fiscal year and the 161663
balance to new eligible providers of early childhood education 161664
programs or to existing providers to serve more eligible children 161665
pursuant to division (E) of this section or for purposes of 161666
program expansion, improvement, or special projects to promote 161667
quality and innovation, including piloting all-day programming. 161668

After setting aside the amounts to make payments due from the 161669
previous fiscal year, in fiscal year 2025, the Department shall 161670
distribute funds first to providers of early childhood education 161671
programs under this section in the previous fiscal year and the 161672
balance to new eligible providers or to existing providers to 161673
serve more eligible children as outlined under division (E) of 161674
this section or for purposes of program expansion, improvement, or 161675
special projects to promote quality and innovation, including 161676
piloting all-day programming. 161677

(E)(1) The Department shall distribute any new or remaining 161678
funding to existing providers of early childhood education 161679
programs or any new eligible providers in an effort to invest in 161680
high quality early childhood programs where there is a need as 161681
determined by the Department. The Department shall distribute the 161682
new or remaining funds to existing providers of early childhood 161683
education programs or any new eligible providers to serve 161684
additional eligible children based on community economic 161685
disadvantage, limited access to high quality preschool or 161686
childcare services, and demonstration of high quality preschool 161687
services. 161688

(2) Awards under divisions (D) and (E) of this section shall 161689
be distributed on a per-pupil basis, and in accordance with 161690
division (I) of this section. The Department may adjust the 161691
per-pupil amount so that the per-pupil amount multiplied by the 161692
number of eligible children enrolled and receiving services on the 161693

first day of December or the business day closest to that date 161694
equals the amount allocated under this section. 161695

(F) Funds awarded under this section must be used to support 161696
expenses directly related to the operation of an early childhood 161697
education program. Costs for developing and administering an early 161698
childhood education program may not exceed fifteen per cent of the 161699
total approved costs of the program. 161700

All providers shall maintain such fiscal control and 161701
accounting procedures as may be necessary to ensure the 161702
disbursement of, and accounting for, these funds. The control of 161703
funds provided in this program, and title to property obtained, 161704
shall be under the authority of the approved provider for purposes 161705
provided in the program unless, as described in division (K) of 161706
this section, the program waives its right for funding or a 161707
program's funding is eliminated or reduced due to its inability to 161708
meet financial or early learning program standards. The approved 161709
provider shall administer and use such property and funds for the 161710
purposes specified. 161711

(G) The Department may examine a provider's financial and 161712
program records. If the financial practices of the program are not 161713
in accordance with standard accounting principles or do not meet 161714
financial standards outlined under division (F) of this section, 161715
or if the program fails to substantially meet the early learning 161716
program standards, meet a quality rating level in the Step Up to 161717
Quality program established pursuant to section 5104.29 of the 161718
Revised Code as prescribed by the Department, or exhibits below 161719
average performance as measured against the standards, the early 161720
childhood education program shall propose and implement a 161721
corrective action plan that has been approved by the Department. 161722
The approved corrective action plan shall be signed by the chief 161723
executive officer and the executive of the official governing body 161724
of the provider. The corrective action plan shall include a 161725

schedule for monitoring by the Department. Such monitoring may 161726
include monthly reports, inspections, a timeline for correction of 161727
deficiencies, and technical assistance to be provided by the 161728
Department or obtained by the early childhood education program. 161729
The Department may withhold funding pending corrective action. If 161730
an early childhood education program fails to satisfactorily 161731
complete a corrective action plan, the Department may deny 161732
expansion funding to the program or withdraw all or part of the 161733
funding to the program and establish a new eligible provider 161734
through a selection process established by the Department. 161735

(H)(1) If the early childhood education program is not highly 161736
rated, as determined by the Director of Children and Youth, under 161737
the Step Up to Quality program established pursuant to section 161738
5104.29 of the Revised Code, the program shall do all of the 161739
following: 161740

(a) Meet teacher qualification requirements prescribed by 161741
section 3301.311 of the Revised Code; 161742

(b) Align curriculum to the early learning content standards 161743
developed by the Department; 161744

(c) Meet any child or program assessment requirements 161745
prescribed by the Department; 161746

(d) Require teachers, except teachers enrolled and working to 161747
obtain a degree pursuant to section 3301.311 of the Revised Code, 161748
to attend a minimum of twenty hours every two years of 161749
professional development as prescribed by the Department; 161750

(e) Document and report child progress as prescribed by the 161751
Department; 161752

(f) Meet and report compliance with the early learning 161753
program standards as prescribed by the Department; 161754

(g) Participate in the Step Up to Quality program established 161755

pursuant to section 5104.29 of the Revised Code. 161756

(2) If the program is highly rated, as determined by the 161757
Director of Children and Youth, under the Step Up to Quality 161758
program established pursuant to section 5104.29 of the Revised 161759
Code, the program shall comply with the requirements of that 161760
program. 161761

(I) Per-pupil funding for programs subject to this section 161762
shall be sufficient to provide eligible children with services for 161763
a standard early childhood schedule which shall be defined in this 161764
section as a minimum of twelve and one-half hours per school week 161765
as defined in section 3313.62 of the Revised Code for the minimum 161766
school year as defined in sections 3313.48, 3313.481, and 3313.482 161767
of the Revised Code. Nothing in this section shall be construed to 161768
prohibit program providers from utilizing other funds to serve 161769
eligible children in programs that exceed the twelve and one-half 161770
hours per week or that exceed the minimum school year. For any 161771
provider for which a standard early childhood education schedule 161772
creates a hardship or for which the provider shows evidence that 161773
the provider is working in collaboration with a preschool special 161774
education program, the provider may submit a waiver to the 161775
Department requesting an alternate schedule. If the Department 161776
approves a waiver for an alternate schedule that provides services 161777
for less time than the standard early childhood education 161778
schedule, the Department may reduce the provider's annual 161779
allocation proportionately. Under no circumstances shall an annual 161780
allocation be increased because of the approval of an alternate 161781
schedule. 161782

(J) Each provider shall develop a sliding fee scale based on 161783
family incomes and shall charge families who earn more than two 161784
hundred per cent of the federal poverty guidelines, as defined in 161785
division (A)(3) of section 5101.46 of the Revised Code, for the 161786
early childhood education program. 161787

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(K) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program standards, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. The funding made available from a program that waives its right for funding or has its funding eliminated or reduced may be used by the Department for new grant awards or expansion grants. The Department may award new grants or expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(L) Eligible expenditures for the Early Childhood Education Program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of Public Instruction, Director of Children and Youth, and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

(M)(1) The Department of Children and Youth and the Department of Job and Family Services shall continue to work toward establishing the following in common between early childhood education programs and publicly funded child care:

(a) An application;

(b) Program eligibility;	161820

for youth currently in the custody of a public children services 161859

public children services agency by custody relinquishment or 161861
