6 SYNOPSIS

7 **Transportation of children with disabilities**

8 **R.C. 3327.01**

9 Eliminates a Senate-passed provision that requires a school  
10 district to provide transportation as a related service to  
11 students with disabilities who live in the district, but attend  
12 a nonpublic school if the district is provided supporting  
13 documentation in the student's *academic support plan*. (Retains  
14 the requirement for students that provide supporting  
15 documentation from an Individualized Education Program (IEP) or  
16 an Individual Service Plan (ISP).)
