

\_\_\_\_\_ moved to amend as follows:

1 In line 10002, delete everything after "entity"

2 Delete lines 10003 through 10008 and insert "designated in  
3 accordance with the following:

4 (a) If the county has a population of less than one hundred  
5 thousand according to the most recent federal decennial census,  
6 the director shall select the lead entity from a list of  
7 recommendations made by the board of county commissioners of the  
8 county. The board shall submit a lead entity letter of intent  
9 and any other documentation required by the director in order  
10 for the director to select a lead entity for that county.

11 (b) If the county has a population of one hundred thousand  
12 or more according to the most recent federal decennial census  
13 and the county does not have a county land reutilization  
14 corporation, the director shall select the lead entity from a  
15 list of recommendations made by the board of county  
16 commissioners of the county. The board shall submit a lead  
17 entity letter of intent and any other documentation required by  
18 the director in order for the director to select a lead entity  
19 for that county.

20 (c) If the county has a population of one hundred thousand  
21 or more according to the most recent federal decennial census  
22 and the county has a county land reutilization corporation, the  
23 county land reutilization corporation is the lead entity for  
24 that county."

25 In line 10057, delete everything after "entity"

26 Delete lines 10058 through 10063 and insert "designated in  
27 accordance with the following:

28 (a) If the county has a population of less than one hundred  
29 thousand according to the most recent federal decennial census,  
30 the director shall select the lead entity from a list of  
31 recommendations made by the board of county commissioners of the  
32 county. The board shall submit a lead entity letter of intent  
33 and any other documentation required by the director in order  
34 for the director to select a lead entity for that county.

35 (b) If the county has a population of one hundred thousand  
36 or more according to the most recent federal decennial census  
37 and the county does not have a county land reutilization  
38 corporation, the director shall select the lead entity from a  
39 list of recommendations made by the board of county  
40 commissioners of the county. The board shall submit a lead  
41 entity letter of intent and any other documentation required by  
42 the director in order for the director to select a lead entity  
43 for that county.
