SYNOPSIS 63

Ignition interlock devices and limited driving privileges 64

R.C. 4510.13 and 4511.19	65
Removes the provisions from the sub-bill that do the following:	66 67
- Require a first-time OVI offender to agree to use a certified ignition interlock device in order to be granted limited driving privileges after a 15-day hard suspension;	68 69 70
- Require a 30-day hard suspension for a first-time OVI offender if that offender does not agree to use a certified ignition interlock device.	71 72 73
Instead, retains the current law 15-day hard suspension for first-time offenders, but requires the use of a certified ignition interlock device for limited driving privileges if the offender, within the past ten years, was convicted of or pleaded guilty to a reckless operation offense that involved alcohol, a drug of abuse, or a combination of them.	74 75 76 77 78 79
Removes the provision that requires either a 30-day or 90-day hard suspension for a first-time offender who refuses consent to a chemical test on suspected OVI, based on whether the offender consents to using a certified ignition interlock device.	80 81 82 83 84
Instead, retains the current law 30-day hard suspension for offenders who refuse consent to a chemical test on suspected OVI, but requires the use of a certified ignition interlock device for limited driving privileges if the offender, within the past ten years, was convicted of or pleaded guilty to a reckless operation offense that involved alcohol, a drug of abuse, or a combination of them.	85 86 87 88 89 90 91
Continuous alcohol monitoring	92

R.C. 4510.13 and 4510.19	93
Removes the sub-bill provisions that do the following:	94
- Require continuous alcohol monitoring for 180 days for a	95
third-time-or-more OVI offender; and	96
- Prohibit the granting of limited driving privileges to	97
that offender unless the offender completes the 180-days without	98
consuming alcohol.	99
Court warning	100
R.C. 4511.19	101
Authorizes, but does not require, a court to warn any	102
person who is convicted of or pleads guilty to an OVI offense of	103
the penalties imposed for aggravated vehicular homicide.	104
