SYNOPSIS

Driver's license suspension for reckless operation

R.C. 4511.20 and 4511.201

Removes the permissive Class 5 driver's license 11
suspension, added by the sub bill, for reckless operation if the 12
offender committed the offense at a planned, but unauthorized, 13
event, since current law already authorizes a Class 5 driver's 14
license suspension for any reckless operation offense. (R.C. 15
4510.15, not in the bill) 16
