instruction, presentation, image, or description of sexual	68
concepts or gender ideology.	69
Excludes instruction in venereal disease education,	70
abstinence, child sexual abuse prevention, and sexual violence	71
prevention from the definition of "sexuality content."	72
Requires schools to ensure that any sexuality content is	73
age-appropriate and developmentally appropriate.	74
Removes provisions requiring that that schools allow	75
parents to review sexually-explicit materials and instead	76
requires schools to disclose any instructional materials that	77
include sexuality content to parents and provide parents with	78
the opportunity to request to excuse their child from such	79
instruction and permit the student to take an alternative class.	80
Permits parents whose written concerns are unresolved	81
after 30 days to request a hearing before the school district's	82
board of education.	83
Requires a school district board of education that	84
receives a hearing request to conduct a hearing and make a	85
determination regarding the parent's concern.	86
Specifies that the section does not prescribe all rights	87
of parents or preempt or foreclose claims or remedies in support	88
of parental rights that are available under the constitution,	89
statutes, or common law of Ohio.	90
Defines "student's mental, emotional, or physical health	91
or well-being" to include all of the following:	92
