In line 5 of the title, after "5301.234" insert "; and to repeal 441  
section 4505.131" 442

In line 10 of the title, after "laws," insert "motor vehicle 443  
certificates of title," 444

In line 13, after "4505.104" insert ", 4505.13" 445

After line 592, insert: 446

**"Sec. 4505.13.** (A) (1) Chapter 1309. and section 1701.66 447  
of the Revised Code do not permit or require the deposit, 448  
filing, or other record of a security interest covering a motor 449  
vehicle, except as provided in division (A) (2) of this section. 450

(2) Chapter 1309. of the Revised Code applies to a 451  
security interest in a motor vehicle held as inventory for sale 452  
by a dealer. The security interest has priority over creditors 453  
of the dealer as provided in Chapter 1309. of the Revised Code 454  
without notation of the security interest on a certificate of 455

title, without entry of a notation of the security interest into 456  
the automated title processing system if a physical certificate 457  
of title for the motor vehicle has not been issued, or without 458  
the retention of a manufacturer's or importer's certificate. 459

(B) Subject to division (A) of this section, any security 460  
agreement covering a security interest in a motor vehicle, if a 461  
notation of the agreement has been made by a clerk of a court of 462  
common pleas on the face of the certificate of title or the 463  
clerk has entered a notation of the agreement into the automated 464  
title processing system and a physical certificate of title for 465  
the motor vehicle has not been issued, is valid as against the 466  
creditors of the debtor, whether armed with process or not, and 467  
against subsequent purchasers, secured parties, and other 468  
lienholders or claimants. All security interests, liens, 469  
mortgages, and encumbrances entered into the automated title 470  
processing system in relation to a particular certificate of 471  
title, regardless of whether a physical certificate of title is 472  
issued, take priority according to the order of time in which 473  
they are entered into the automated title processing system by 474  
the clerk. Exposure for sale of any motor vehicle by its owner, 475  
with the knowledge or with the knowledge and consent of the 476  
holder of any security interest, lien, mortgage, or encumbrance 477  
on it, does not render that security interest, lien, mortgage, 478  
or encumbrance ineffective as against the creditors of that 479  
owner, or against holders of subsequent security interests, 480  
liens, mortgages, or encumbrances upon that motor vehicle. 481

The secured party, upon presentation of evidence of a 482  
security interest to a clerk of a court of common pleas, 483  
together with the certificate of title if a physical certificate 484  
of title for the motor vehicle exists, and the fee prescribed by 485  
section 4505.09 of the Revised Code, may have a notation of the 486  
security interest made. Unless the secured party specifically 487

requests the clerk not to issue a physical certificate of title 488  
and instead to issue an electronic certificate of title, the 489  
clerk shall issue, over the clerk's signature and seal of 490  
office, a new original certificate of title from the automated 491  
title processing records that indicates the security interest 492  
and the date of the security interest. 493

If a security interest is fully discharged as a result of 494  
its holder's receipt of good funds in the correct amount and if 495  
the holder holds a physical certificate of title, the holder 496  
shall note the discharge of the security interest on the face of 497  
the certificate of title over the holder's signature, or over 498  
the holder's signature on a form prescribed by the registrar of 499  
motor vehicles when there is no space for the discharge on the 500  
face of the certificate of title. Except as otherwise provided 501  
in this section, prior to delivering the certificate of title to 502  
the owner, the holder or the holder's agent shall convey the 503  
certificate of title or a separate statement of the discharge of 504  
the security interest to a clerk. The conveyance shall occur not 505  
more than seven business days after the date good funds in the 506  
correct amount to fully discharge the security interest have 507  
been credited to an account of the holder, provided the holder 508  
has been provided accurate information concerning the motor 509  
vehicle. Conveyance of the certificate of title or separate 510  
statement of the discharge within the required seven business 511  
days may be indicated by postmark or receipt by a clerk within 512  
that period, or, in the case of a written confirmation that is 513  
sent electronically as provided in division (C)(1) of this 514  
section, by the date of the electronic mail or other electronic 515  
communication. If the discharge of the security interest appears 516  
to be genuine, the clerk shall note the cancellation of the 517  
security interest on the face of the certificate of title, if it 518  
was so conveyed, and note it in the automated title processing 519

system. 520

If a security interest is fully discharged as a result of 521  
its holder's receipt of good funds in the correct amount and the 522  
holder does not hold a physical certificate of title, when the 523  
holder notifies a clerk of the discharge of its security 524  
interest, the holder at that time also may request the clerk to 525  
issue a physical certificate of title to the vehicle. The 526  
request shall specify whether the clerk is to send the 527  
certificate of title directly to the owner or to the holder or 528  
the holder's agent for transmission to the owner. If such a 529  
request is made, the clerk shall issue a physical certificate of 530  
title and send it to the specified person. 531

The clerk shall not honor such a request for a physical 532  
certificate of title if it is not made by the holder at the same 533  
time as the holder's notification to the clerk of the discharge 534  
of its security interest. 535

The holder shall send written notice, which may be sent 536  
electronically, either at the time the security interest is 537  
placed on the motor vehicle or at the time the security interest 538  
is discharged, to the owner with reference to the web site 539  
address of the bureau of motor vehicles that includes the 540  
owner's titling options once the security interest is 541  
discharged. This notice may be included in a communication to 542  
the owner confirming that the security interest has been 543  
discharged. 544

The registrar of motor vehicles shall include on the 545  
bureau of motor vehicles web site the titling options, including 546  
fees, for the owner of a motor vehicle when the security 547  
interest in that motor vehicle is fully discharged. 548

(C) (1) In all cases, a secured party may choose to present 549  
a clerk with evidence of a security interest via written 550

confirmation through electronic means, and the clerk shall enter 551  
the security interest into the automated title processing 552  
system. A secured party also may choose to notify a clerk of the 553  
discharge of its security interest via electronic means, and the 554  
clerk shall enter the cancellation into the automated title 555  
processing system. 556

(2) In the case of a security interest that is being 557  
satisfied by a dealer to whom a certificate of title is being 558  
transferred, the cancellation of the security interest shall 559  
occur during the course of the transfer. The dealer shall submit 560  
a discharge request to the secured party. A discharge request 561  
shall include good funds in the correct amount to fully 562  
discharge the security interest and accurate information 563  
concerning the motor vehicle. 564

(3) (a) Upon receiving a discharge request that complies 565  
with division (C) (2) of this section, if the current automated 566  
title processing system record indicates that a physical title 567  
exists for that motor vehicle, a secured party shall convey the 568  
physical certificate of title, with the discharge of the 569  
security interest noted on its face, to the dealer within seven 570  
business days after the date good funds in the correct amount to 571  
fully discharge the security interest have been credited to an 572  
account of the secured party. 573

If a secured party is unable to convey to the dealer the 574  
physical certificate of title within the required seven business 575  
days, the secured party instead shall convey to the dealer an 576  
affidavit stating that the security interest has been 577  
discharged, together with payment for a duplicate certificate of 578  
title, within that period. If the current automated title 579  
processing system record for a motor vehicle indicates that an 580  
electronic title exists for that motor vehicle, the secured 581

party shall convey to the dealer within the required seven 582  
business days written confirmation that the security interest 583  
has been satisfied. 584

(b) Conveyance of a physical certificate of title, or 585  
affidavit and required payment, or written confirmation that the 586  
security interest has been satisfied from a secured party to a 587  
dealer under the circumstances described in division (C) (3) (a) 588  
of this section within the required seven business days may be 589  
indicated by a postmark within that period or, in the case of a 590  
written confirmation that is sent electronically, the date of 591  
the electronic mail or other electronic communication. 592

(4) A secured party is liable to a dealer for a late fee 593  
of ten dollars per day for each physical certificate of title, 594  
or affidavit and required payment, or written confirmation that 595  
the security interest has been satisfied that is conveyed to the 596  
dealer more than seven business days but less than twenty-one 597  
days after the date specified in division (C) (3) (a) of this 598  
section and, from then on, twenty-five dollars per day until the 599  
physical certificate of title, or affidavit and required 600  
payment, or written confirmation that the security interest has 601  
been satisfied is conveyed to the dealer. 602

(D) Notwithstanding any provision of Chapter 1310. of the 603  
Revised Code or of any other law, the lease of a motor vehicle 604  
or trailer does not constitute a conditional sale or create a 605  
security interest merely because the lease agreement permits or 606  
requires the lessor, at the end of the lease term, to adjust the 607  
rental price to either a higher or a lower amount by reference 608  
to the amount the lessor realizes upon the sale or other 609  
disposition of the motor vehicle or trailer. 610

(E) If a physical certificate of title has not been issued 611  
for a motor vehicle and all the security interests relating to 612

that motor vehicle have been discharged, the owner of the motor 613  
vehicle may obtain a physical certificate of title from the 614  
clerk of any court of common pleas upon payment of the fee 615  
specified in section 4505.09 of the Revised Code. 616

(F) If a clerk of a court of common pleas, other than the 617  
clerk of the court of common pleas of the county in which the 618  
owner of a motor vehicle resides, enters a notation of the 619  
existence of, or the cancellation of, a security interest 620  
relating to the motor vehicle, the clerk shall transmit the data 621  
relating to the notation to the automated title processing 622  
system. 623

(G) The registrar of motor vehicles, in accordance with 624  
Chapter 119. of the Revised Code, shall adopt rules governing 625  
the electronic transmission of security interest and other 626  
information under this section. In adopting the rules, the 627  
registrar shall confer with the clerks of the courts of common 628  
pleas. 629

SYNOPSIS 673

**Lender-provided physical certificate of title** 674

**R.C. 4505.131 (repealed) and 4505.13; Sections 8 and 9** 675

Repeals a requirement enacted by H.B. 23 of the 135th 676  
General Assembly that a lender provide the purchaser of a motor 677  
vehicle with a physical certificate of title following full 678  
payment of the loan, at no extra cost to the purchaser. 679

Waives unpaid fines for violations of that requirement. 680

Beginning on January 1, 2025, or on the amendment's 681  
effective date, whichever is later, requires the holder of a 682  
security interest on a motor vehicle to send written notice to 683  
the owner of the motor vehicle referring them to the Bureau of 684  
Motor Vehicles' web site for information on titling options once 685  
the security interest is fully discharged. 686

Allows the notice to be sent either at the time the 687  
security interest is placed on the vehicle or when it is 688  
discharged, including by electronic communication. 689

Requires the Bureau to include on their web site the 690  
titling options, including fees, for owners of motor vehicles 691  
when the lender's security interest has been discharged. 692

As Passed by the Senate

In line 2 of the title, after "2329.02" insert ", 3735.671" 693

In line 10 of the title, after "laws," insert "community 694  
reinvestment areas," 695

In line 13, after "2329.02" insert ", 3735.671" 696

After line 530, insert: 697

**"Sec. 3735.671.** (A) If construction or remodeling of 698  
commercial or industrial property is to be exempted from 699  
taxation pursuant to section 3735.67 of the Revised Code, the 700  
legislative authority and the owner of the property, prior to 701  
the commencement of construction or remodeling, shall enter into 702  
a written agreement, binding on both parties for a period of 703  
time that does not end prior to the end of the period of the 704  
exemption, that includes all of the information and statements 705  
described in divisions (B)(1) to (8) of this section. Agreements 706  
may include terms not described in those divisions or otherwise 707  
prescribed by the model agreement adopted by the director of 708  
development under division (B) of this section, but such terms 709  
shall in no way derogate from the information and statements 710  
described in divisions (B)(1) to (8) of this section. 711

(1) Except as otherwise provided in division (A) (2) or (3) 712  
of this section, an agreement entered into under this section 713  
shall not be approved by the legislative authority unless the 714  
board of education of the city, local, or exempted village 715  
school district within the territory of which the property is or 716  
will be located approves the agreement. For the purpose of 717  
obtaining such approval, the legislative authority shall certify 718  
a copy of the agreement to the board of education not later than 719  
forty-five days prior to approving the agreement, excluding 720  
Saturday, Sunday, and a legal holiday as defined in section 1.14 721  
of the Revised Code. The board of education, by resolution 722  
adopted by a majority of the board, shall approve or disapprove 723  
the agreement and certify a copy of the resolution to the 724  
legislative authority not later than fourteen days prior to the 725  
date stipulated by the legislative authority as the date upon 726  
which approval of the agreement is to be formally considered by 727  
the legislative authority. The board of education may include in 728  
the resolution conditions under which the board would approve 729  
the agreement. The legislative authority may approve an 730  
agreement at any time after the board of education certifies its 731  
resolution approving the agreement to the legislative authority, 732  
or, if the board approves the agreement conditionally, at any 733  
time after the conditions are agreed to by the board and the 734  
legislative authority. 735

(2) Approval of an agreement by the board of education is 736  
not required under division (A) (1) of this section if, for each 737  
tax year the real property is exempted from taxation, the sum of 738  
the following quantities, as estimated at or prior to the time 739  
the agreement is formally approved by the legislative authority, 740  
equals or exceeds twenty-five per cent of the amount of taxes, 741  
as estimated at or prior to that time, that would have been 742  
charged and payable that year upon the real property had that 743

property not been exempted from taxation: 744

(a) The amount of taxes charged and payable on any portion 745  
of the assessed valuation of the new structure or of the 746  
increased assessed valuation of an existing structure after 747  
remodeling began that will not be exempted from taxation under 748  
the agreement; 749

(b) The amount of taxes charged and payable on tangible 750  
personal property located on the premises of the new structure 751  
or of the structure to be remodeled under the agreement, whether 752  
payable by the owner of the structure or by a related member, as 753  
defined in section 5733.042 of the Revised Code without regard 754  
to division (B) of that section. 755

(c) The amount of any cash payment by the owner of the new 756  
structure or structure to be remodeled to the school district, 757  
the dollar value, as mutually agreed to by the owner and the 758  
board of education, of any property or services provided by the 759  
owner of the property to the school district, whether by gift, 760  
loan, or otherwise, and any payment by the legislative authority 761  
to the school district pursuant to section 5709.82 of the 762  
Revised Code. 763

The estimates of quantities used for purposes of division 764  
(A) (2) of this section shall be estimated by the legislative 765  
authority. The legislative authority shall certify to the board 766  
of education that the estimates have been made in good faith. 767  
Departures of the actual quantities from the estimates 768  
subsequent to approval of the agreement by the board of 769  
education do not invalidate the agreement. 770

(3) If a board of education has adopted a resolution 771  
waiving its right to approve agreements and the resolution 772  
remains in effect, approval of an agreement by the board is not 773  
required under division (A) (1) of this section. If a board of 774

education has adopted a resolution allowing a legislative 775  
authority to deliver the notice required under this division 776  
fewer than forty-five business days prior to the legislative 777  
authority's execution of the agreement, the legislative 778  
authority shall deliver the notice to the board not later than 779  
the number of days prior to such execution as prescribed by the 780  
board in its resolution. If a board of education adopts a 781  
resolution waiving its right to approve agreements or shortening 782  
the notification period, the board shall certify a copy of the 783  
resolution to the legislative authority. If the board of 784  
education rescinds such a resolution, it shall certify notice of 785  
the rescission to the legislative authority. 786

(4) If the owner of the property or the legislative 787  
authority agree to make any payment to the school district as 788  
described in division (A) (2) (c) of this section, the owner or 789  
legislative authority shall agree to make payments to the joint 790  
vocational school district within which the property is located 791  
at the same rate or amount and under the same terms received by 792  
the city, local, or exempted village school district. 793

(B) The director of development shall adopt rules in 794  
accordance with Chapter 119. of the Revised Code prescribing the 795  
form of a model agreement that a legislative authority may, in 796  
its discretion, use as the basis for an agreement to be executed 797  
under this section. The model agreement may include any term 798  
necessary for the administration and enforcement of such 799  
agreements by the director and legislative authority, but must 800  
include all of the following: 801

(1) A space to include the description of real property to 802  
be exempted from taxation under the agreement and to identify 803  
the property's owners; 804

(2) A space to denote the percentage of the assessed 805

valuation of real property exempted from taxation and the period 806  
for which the exemption is granted; 807

(3) A statement requiring the owner to pay real property 808  
taxes not exempted under the agreement, as required by law, and 809  
requiring rescission of the agreement if the owner fails to pay 810  
those taxes beginning in and after the year any such taxes are 811  
charged; 812

(4) A statement that the owner certifies, at the time the 813  
agreement is executed, that the owner does not owe any 814  
delinquent property taxes or taxes for which the owner is liable 815  
under Chapter 5735., 5739., 5741., 5743., 5747., or 5753. of the 816  
Revised Code, or, if such delinquent taxes are owed, that the 817  
owner is paying the delinquent taxes pursuant to an undertaking 818  
enforceable by the state or an agent or instrumentality thereof, 819  
has filed a petition in bankruptcy, or has had a bankruptcy 820  
petition filed against the owner; 821

(5) A statement requiring the owner to provide to the 822  
property tax incentive review council any information reasonably 823  
required by the council to evaluate the applicant's compliance 824  
with the agreement; 825

(6) A statement that the agreement is not transferable or 826  
assignable without the approval of the local legislative 827  
authority; 828

(7) A statement describing the circumstances under which 829  
the legislative authority may revoke an agreement ~~may be revoked~~ 830  
~~by the local authority for noncompliance and the manner by which~~ 831  
~~already received benefits may be recovered;~~ 832

(8) A statement requiring the owner to provide an estimate 833  
of the following for each agreement: 834

(a) The number of employment opportunities created due to 835

the remodeling or construction, as well as the payroll 836  
attributable to those opportunities; 837

(b) The number of employment opportunities retained due to 838  
the remodeling or construction, as well as the payroll 839  
attributable to those opportunities. 840

The model agreement shall also provide that a legislative 841  
authority may, but is not required to, include a statement 842  
describing the manner by which the legislative authority may 843  
recover already-received benefits, which may include an action 844  
brought in law or equity, a lien on the exempted property in the 845  
amount to be recovered, or other means. In the case of a lien on 846  
the exempted property, the lien shall attach, and may be 847  
perfected, collected, and enforced, in the same manner as a 848  
mortgage lien on real property, and otherwise has the same force 849  
and effect as a mortgage lien on real property. 850

Once the director adopts rules prescribing a model 851  
agreement under this division, the model agreement may not be 852  
changed unless the director adopts, amends, or rescinds those 853  
rules in accordance with Chapter 119. of the Revised Code. 854

(C) If any person that is party to an agreement granting 855  
an exemption from taxation discontinues operations at the 856  
structure to which that exemption applies prior to the 857  
expiration of the term of the agreement, that person, any 858  
successor to that person, and any related member shall not enter 859  
into an agreement under this section or section 5709.62, 860  
5709.63, or 5709.632 of the Revised Code, and no legislative 861  
authority shall enter into such an agreement with such a person, 862  
successor, or related member prior to the expiration of three 863  
years after the person's discontinuation of operations. As used 864  
in this division, "successor" means a person to which the assets 865  
or equity of another person has been transferred, which transfer 866

resulted in the full or partial nonrecognition of gain or loss, 867  
or resulted in a carryover basis, both as determined by rule 868  
adopted by the tax commissioner. "Related member" has the same 869  
meaning as defined in section 5733.042 of the Revised Code 870  
without regard to division (B) of that section. 871

The director of development shall review all agreements 872  
submitted to the director under section 3735.672 of the Revised 873  
Code for the purpose of enforcing this division. If the director 874  
determines there has been a violation of this division, the 875  
director shall notify the legislative authority of such 876  
violation, and the legislative authority immediately shall 877  
revoke the exemption granted under the agreement." 878

SYNOPSIS 880

**Community reinvestment areas: noncompliance clawbacks** 881

**R.C. 3735.671** 882

Clarifies a provision that allows political subdivisions 883  
that enter into a community reinvestment area (CRA) tax 884  
exemption agreement with a commercial or industrial project to 885  
claw back exempted taxes if the property does not comply with 886  
the agreement. Current law requires that, in the agreement, the 887  
subdivision must specify the manner by which taxes could be 888  
clawed back. The amendment removes this requirement and instead 889  
allows, but does not require, the subdivision to specify a 890  
clawback method. 891

If the exemption agreement requires the clawback to be 892  
enforced by a lien on the property, requires that the lien be 893  
treated in the same manner as a mortgage lien. 894

<u>SYNOPSIS</u>	953
<b>Public depositories</b>	954
<b>R.C. 135.032 (repealed and re-enacted); R.C. 135.321</b>	955
<b>(repealed)</b>	956
Eliminates the prohibition against a financial institution	957
that is a party to an active final or temporary cease-and-desist	958
order issued by the Superintendent of Financial Institutions, or	959
the directors, officers, or controlling persons of which are	960
subject to such an order, from serving as a public depository.	961
Instead requires any "institution," including certain	962
eligible credit unions, that is designated by a governing board	963
as a public depository to notify each such governing board if	964

the institution becomes party to an active prompt corrective 965  
action directive ("directive") issued by a regulatory authority 966  
of the United States. 967

Specifies that institutions are generally ineligible to 968  
serve as public depositories while party to such a directive, 969  
but allows governing boards to continue to use the institution 970  
as a public depository, or to designate the institution as a 971  
public depository for subsequent designation periods, if the 972  
governing board determines that doing so is in the public 973  
interest. 974

Relieves certain public officials from liability for loss 975  
of public moneys deposited in a failed public depository. 976

SYNOPSIS 1065

**Motor vehicle sales and leases** 1066

**R.C. 1317.07 and 4517.261** 1067

Requires the Registrar of Motor Vehicles to adjust the 1068  
maximum documentary service charge that a motor vehicle dealer 1069  
may charge in connection with the sale or lease of a motor 1070  
vehicle to account for increases in the Consumer Price Index 1071  
(CPI) since July 1, 2006, rounded to the nearest \$1 increment. 1072

Currently, the documentary service charge is capped at 1073  
\$250, or 10% of the sale or lease price (excluding tax, title, 1074  
and registration fees, and any negative equity adjustment), 1075  
whichever is less. The amendment retains the 10% cap, which 1076  
would continue to apply to smaller sales and leases, but indexes 1077  
the \$250 cap for inflation. 1078

Requires the adjustments to be made on the effective date 1079

of the amendment and annually, thereafter, on the last day of 1080  
September. Based on current CPI data, if the first adjustment 1081  
occurred in February 2024, it would increase the cap to 1082  
approximately \$382. 1083

Specifies that the first adjustment applies from the 1084  
effective date of the amendment until the last day of December 1085  
following the second required adjustment. Specifies that the 1086  
second adjustment applies, and all subsequent adjustments apply, 1087  
to the calendar year following the date of the adjustment. 1088

Stipulates that the adjusted maximum documentary service 1089  
charge must not be less than the maximum charge that applies on 1090  
the date the adjustment is made. 1091

Requires the Registrar to publish the adjusted maximum 1092  
charge and the dates to which it applies on a web site 1093  
maintained by the Department of Public Safety. 1094

court by rule may assess an additional charge in a case of that 1507  
type, over and above court costs, to cover the special program 1508  
or service. The court shall adjust the special assessment 1509  
periodically, but not retroactively, so that the amount assessed 1510  
in those cases does not exceed the actual cost of providing the 1511  
service or program. 1512

All moneys collected under division (E) of this section 1513  
shall be paid to the county treasurer for deposit into either a 1514  
general special projects fund or a fund established for a 1515  
specific special project. Moneys from a fund of that nature 1516  
shall be disbursed upon an order of the court, subject to an 1517  
appropriation by the board of county commissioners, in an amount 1518  
no greater than the actual cost to the court of a project. If a 1519

specific fund is terminated because of the discontinuance of a 1520  
program or service established under division (E) of this 1521  
section, the court may order, subject to an appropriation by the 1522  
board of county commissioners, that moneys remaining in the fund 1523  
be transferred to an account established under this division for 1524  
a similar purpose. 1525

be found guilty, whether filed as part of a multiple charge on a 1531  
single summons, citation, or complaint or as a separate charge 1532  
on a single summons, citation, or complaint. "Criminal cause" 1533  
does not include separate violations of the same statute or 1534  
ordinance, or subsection of the same statute or ordinance, 1535  
unless each charge is filed on a separate summons, citation, or 1536
