

The definition of fascism is “Fascism is a far-right, authoritarian, ultranationalist political ideology and movement, characterized by a dictatorial leader, centralized autocracy, militarism, forcible suppression of opposition, belief in a natural social hierarchy, subordination of individual interests for the perceived good of the nation and race.” Does this sound like Ohio? You bet it does! “Ohio’s legislature is trying to silence the voices of Ohio’s citizens, especially Ohio’s scientists and teachers.

This silencing was recently made obvious in the “lame duck” passage of HB 507 where Ohio’s citizens WERE NOT allowed to even comment on what happens in their state parks and forests. Now Ohio’s Republican Supermajority wants to make it even more difficult for citizens to take part in our state’s politics by requiring a 60% majority for ballot measures. I am opposed to House Joint Resolution 1 and Senate Joint Resolution 2 and anything that makes it harder for voters to amend the Ohio Constitution.

OHIO CITIZENS NEED A VOICE IN OUR POLITICS!

OHIO IS NOT A DEMOCRACY.
