

Chairwoman Abrams, Vice Chair Williams, Ranking Member Brown, and Members of the Ohio House Criminal Justice Committee, thank you for the opportunity to testify as a proponent of HB 245, the Adult Cabaret Act.

I am a proponent for the passage of HR-245. If this bill becomes law it will help limit the accidental or purposeful exposure of minor children to adult sexual acts, as outlined in the bill, that would be harmful to them. Their young minds, emotions and spirits were not formed by our Creator God to handle such exposure without grave damage to themselves.! If this legislation is not passed, I believe that the flood gates will be opened, and the lewd adult sexual acts discussed in the bill will will permeate all kinds of locations in our communities. It only takes a small crack in the wall for this to happen! Thank you for your service to the citizens of Ohio and your time and consideration today of my testimony today in support of HB 245
