

Chairman Peterson,

Hello. I am writing today to give support to House Bill 51. As an Ohioan I don't feel like the anyone but the state of ohio should be telling us what to do with our guns. I love America and I would be there today if I didn't have to work. I am a 60-year-old lady who wants to be able to protect herself with any firearm I own. Please Pass HOUSE BILL 51 AND LET OHIO BE IN CHARGE OF THEIR OWN FIREARMS.
