

Government Oversight Committee
Opposition Testimony HB 51
From: Diane Blessing

My name is Diane Blessing and I am writing in opposition to HB51. I have lived in Stark County, Ohio my entire life. I am 65 years old and have voted in every election since I was 18. I was employed by the court system for over 25 years. I have witnessed the fear that victims of violent crimes have to live with, this bill gives shelter to the criminals when we should be helping victims of domestic violence who have an uphill battle even as it stand right now.

The injustice we are witnessing right now with our current Ohio legislators passing bills that are weakening the safety of the citizens of this state, is extremely concerning to me.

Please vote NO on HB51.
