

Opponent Testimony by Tasmone Taylor on Senate Bill 158
Government Oversight Committee
October 10th, 2023

Thank you for your time and the opportunity to present opponent testimony on SB 158. My name is Tasmone Taylor and I am writing to oppose the passage of Senate Bill 158.

Cleveland voters deserve their right to vote on Issue 38 in November. Just like Clevelanders, voters in every municipality in Ohio deserve the opportunity to vote on local, citizen-led ballot initiatives. SB 158 infringes on that right.

I feel that people should vote yes on issue 38 because people of the community actually know what their community needs are that city council may not fully understand on the scale that they may need to because they may have at one point in time lived in our community, but they don't now so their self interest may not be as concerning as the people who are actually still living in these broken community's.

Sincerely,
Tasmone Taylor
