

**Opponent Testimony on SB 91
Government Oversight Committee
December 12, 2023**

My name is Christopher Martin and I am writing to oppose the passage of Senate Bill 91. I find it disgusting that this anti-democratic legislation is being pushed through in such an anti-democratic fashion. I hope you will oppose this bill because of the amendment targeting participatory budgeting, a citizen-led ballot initiative issue that was recently voted on by voters in Cleveland, Ohio.
