

**Opponent Testimony on SB 91
Government Oversight Committee
December 12, 2023**

My name is Charlesretta Wynn and I am writing in opposition to SB 91. The participatory Budget affects the community as a whole. I don't think the Government should be able to stop a movement that is driven because the residents isn't getting the help it need from the Governing body of the City or State. As a tax paying citizen why should they continue to use my taxes outside of my community. State and City representatives' are no longer working to improve neighborhoods and we are struggling to survive the people's budget can revitalize the neighborhood and get residents involved again in the civic process.
