

**Opponent Testimony on SB 91  
Government Oversight Committee  
December 12, 2023**

My name is Andre White and I am writing in opposition to SB 91. It would hurt the ability for local municipalities to use participatory budgeting in Ohio as an equitable civic engagement process and voter engagement tool to bolster voter turnout and input in our communities. Please vote against the bill because of SB 91's anti-democratic amendment targeting participatory budgeting!
