

HB 285 – Nurse Workforce & Safe Patient Care Act
Proponent Testimony by Susan M. Gause, RN

Chair Swearingen, Vice Chair Gross, Ranking Member Somani, and members of the Health Provider Services Committee.

I am in total support for house bill 285 . I have been a nurse for 41 years and I have been in many, many situations where staffing , patients per nurse ratios have not been safe. Please pass this bill. Nurses are leaving the bed side for other careers because of the stress and not safe conditions for them to care for patients properly or safely.

Thank you.
