Bill Roemer
State Representative

Chairman Ghanbari, Vice Chair Plummer, Ranking Member Thomas, and the Members of the House Homeland Security Committee, thank you for the opportunity and honor to provide sponsor testimony on House Bill 515. This piece of legislation aims to create the Norton Music Boosters license plate. The City of Norton Ohio is a vibrant and thriving community within my district located near the southwest side of Summit County. It is also home to over 11,500 citizens according to the most recent census, many of whom are music lovers and belong to the Norton Music Boosters association.

Ohio vehicle owners wishing to equip the Norton Music Boosters license plate will be required to contribute \$40 toward a treasury fund that goes directly to the Norton Music Boosters Association providing funding for their equipment, travel and programming expenses. This is one more way we as Ohioans can help our community spread their love for music and to show support for the Norton Music Boosters association wherever they may go.

Chairman Ghanbari, Vice Chair Plummer, Ranking Member Thomas and the Members of the House Homeland Security Committee, I would like to thank you again for the opportunity to testify on House Bill 515. At this time I would be happy to answer any questions.
