Ryder Rissler
2/13/24

Chairman Bird, Vice Chair Fowler Arthur, Ranking Member Robinson and distinguished members of the House Primary and Secondary Education Committee, thank you for the opportunity to advocate for House Bill 339.

Thank you for your service to our great state of Ohio. Thank you also for serving on this education committee.

As a first grade student at Temple Christian School in Mansfield, I am standing before you today to ask you to help with the passing of House Bill 339. I love my school and am thankful for my teachers. My dad is also a graduate of my school. I want to see my school continue to educate students like me. Thank you for the time you have given me to speak before you today!
