

HB 445 Proponent Testimony
Niki Parker

Chair Manning, Vice Chair Fowler Arthur, Ranking Member Robinson and members of the House Primary and Secondary Education Committee, thank you for the opportunity to provide testimony on House Bill 445. My name is Niki Parker and I am from Henry County.

As a mother I greatly value the influence I have in my children's lives. It is my constitutional right to have a say over whether or not they may receive religious instruction. This decision should belong to the parents, and not to the school system

Thank you for allowing me the opportunity to advocate for House Bill 445.

Sincerely,

Niki Parker
