

HB 445 Proponent Testimony
Steve Fitterer

Chair Manning, Vice Chair Fowler Arthur, Ranking Member Robinson and members of the House Primary and Secondary Education Committee, Thanks you for the opportunity to provide testimony on House Bill 445. My name is Steve Fitterer I am from Licking County.

As a father of 2 living in Ohio HB 445, please give myself and other parents the right to choose what our children are being taught. The Bible is the #1 printed book in History and has sold more copies than any other book printed. I use my learnings from the Bible in my everyday decisions in Business and my personal life. I chose to have my children also be educated in the Bible and its teaching.

Just last week I was invited to join in on one of the LIFEWISE classes in Carroll Ohio. The opportunity to see the kids and how much they enjoyed the class was amazing. When they got on the bus to go back to school they were all singing with smiles on their faces. If you ever have the opportunity to witness how much the kids appreciate this opportunity you need to see it for yourself.

Thank you for allowing me the opportunity to advocate for the House Bill 445

Sincerely,

Steve Fitterer
