Occupational License Review
Ohio House State and Local Government Committee
State Representative Marilyn S. John, Chair
135th General Assembly

Good afternoon State Representative Marilyn John, Chair, and Committee Members,

Please find the final draft of changes for the Ohio State Racing Commission noted licenses and fees.

The suggested change to General Manager has been updated to reflect the new license fee.

The racing commission fully supports the changes made by the Occupational License Review Committee and appreciates the time and effort of all the committee members.

Please let us know if you need anything else from our commission,

Best Regards,
