Committee Members,

As Commander of the Isaac Van Wert American Legion Post 178, I am asking for your consideration and yes vote, to dedicate a section of old US 30 in the City of Van Wert as “Van Wert County Veteran’s Memorial Highway. Van Wert county has sent many of its brave men and women to service in our Armed Forces, both in peace times and war. I would like to urge you that a tribute that runs through the county seat would be a step towards showing these Veterans that they have NOT been forgotten.

This section of highway runs near the Veterans of Foreign War Post as well as in front of our American Legion. This dedication would truly be a honor to those that served and reminder to all who pass though Van Wert that the county and city are proud of their Veterans.

So please pass this bill that Rep Klopfenstein has presented to you and show support to our Veterans.

Respectfully,

Kenneth Myers  
Commander  
American Legion Post 178
