Chairman Roemer and Members of the House Ways and Means Committee:

My name is John Weber and I represent the National Rifle Association and our members in Ohio. The NRA supports HB 189, to exempt from taxation the sale of certain firearms and ammunition, and thanks Representative Cutrona for its introduction.

HB 189 would lower the financial costs Ohio citizens incur while exercising their Second Amendment rights, making it easier for those on fixed incomes or with limited financial resources to acquire a firearm and train.

This legislation recognizes that the government should not be placing additional cost barriers on citizens who wish to exercise their Second Amendment rights. We respectfully request that you support HB 189.

Thank you,

NRA-ILA State Director
