as a substitute. The ~~chairperson, vice chairperson,~~ chairpersons 705
and members of the committee shall serve until their respective 706
successors are appointed or until they are no longer members of 707
the general assembly. When a vacancy occurs among the officers or 708
members of the committee, it shall be filled in the same manner as 709
the original appointment. 710

Notwithstanding section 101.26 of the Revised Code, the 711
members, when engaged in their duties as members of the committee 712
on days when there is not a voting session of the member's house 713
of the general assembly, shall be paid at the per diem rate of one 714
hundred fifty dollars, and their necessary traveling expenses, 715
which shall be paid from the funds appropriated for the payment of 716
expenses of legislative committees. 717

The committee has the same powers as other standing or select 718

When a member of the committee is absent, the president or 726
speaker, as the case may be, may designate a substitute from the 727
same house and political party as the absent member. The 728
substitute shall serve on the committee in the member's absence, 729

and is entitled to perform the duties of a member of the 730
committee. For serving on the committee, the substitute shall be 731
paid the same per diem and necessary traveling expenses as the 732
substitute would be entitled to receive if the substitute were a 733
member of the committee. 734

The president or speaker shall inform the executive director 735
of the committee of a substitution. If the executive director 736
learns of a substitution sufficiently in advance of the meeting of 737
the committee the substitute is to attend, the executive director 738
shall publish notice of the substitution on the internet, make 739
reasonable effort to inform of the substitution persons who are 740
known to the executive director to be interested in rules that are 741
scheduled for review at the meeting, and inform of the 742
substitution persons who inquire of the executive director 743
concerning the meeting. 744

The committee may meet during periods in which the general 745
assembly has adjourned. 746

At meetings of the committee, the committee may request an 747
agency, as defined in section 106.01 of the Revised Code, to 748
provide information relative to the agency's implementation of its 749
statutory authority. 750

A member of the committee, and the executive director and 751
staff of the committee, are entitled in their official capacities 752
to attend, but not in their official capacities to participate in, 753
a public hearing conducted by an agency on a proposed rule. 754

The executive director serves at the pleasure of the 755
president and speaker by mutual consensus. The executive director 756
may employ such technical, professional, and clerical employees as 757
are necessary to carry out the powers and administrative duties of 758
the committee. 759

Sec. 101.352. If the joint committee on agency rule review 760
becomes aware that an agency subject to its jurisdiction is 761
relying upon a principle of law or policy that, under section 762
121.93 of the Revised Code, should have been supplanted by its 763
restatement in a rule, the chairperson of the joint committee 764
responsible for calling and conducting meetings under section 765
101.35 of the Revised Code, in ~~the~~ that chairperson's sole 766
discretion, may request the agency to appear before the joint 767
committee to address why, notwithstanding section 121.93 of the 768
Revised Code, it is so relying. The request shall specify the time 769
and place at which a designee of the agency is to appear before 770
the joint committee to address, and to answer the joint 771
committee's questions concerning, the agency's reliance. The date 772
set for the appearance shall be not earlier than thirty days after 773
the joint committee transmits the request to the agency. The joint 774
committee shall transmit the request to the agency electronically. 775
The joint committee also shall publish the request on its web 776
site, as part of the relevant meeting agenda, and shall indicate 777
in conjunction with the published request that any person is 778
invited to appear before the joint committee when the agency 779
appears to offer and make comments to the joint committee 780
concerning the agency's reliance. 781

Upon receiving the request, the agency shall designate a 782
suitable agency officer or employee to appear on behalf of the 783
agency before the joint committee as directed in the request. The 784
agency electronically shall notify the joint committee of the 785
name, title, telephone number, and electronic mail address of the 786
officer or employee who has been designated to appear before the 787
joint committee in response to the request. 788

Upon appearing before the joint committee, the agency's 789
designee shall address why the agency is relying upon a principle 790
of law or policy that, notwithstanding section 121.93 of the 791

Revised Code, has not been supplanted by its restatement in a 792
rule. The members of the joint committee may question the agency's 793
designee concerning the agency's reliance. Any person may offer 794
and make comments to the joint committee concerning the agency's 795
reliance. 796

After the appearance has concluded, the joint committee, by 797
vote of a majority of its members, in writing may recommend to the 798
agency that it supplant the principle of law or policy that it is 799
relying upon by its restatement in a rule. The joint committee 800
shall support its recommendation with a brief rationale of why, 801
under section 121.93 of the Revised Code, the principle of law or 802
policy should be supplanted by its restatement in a rule. The 803
joint committee shall transmit the recommendation electronically 804
to the agency. 805

After receiving the recommendation from the joint committee, 806
the agency shall commence the rule-making process as soon as it is 807
reasonably feasible to do so, but not later than the date that is 808
six months after the recommendation was received. The principle of 809
law or policy as it is restated in a rule does not need to be 810
wholly congruent with the supplanted principle of law or policy. 811
The agency lawfully may improve or develop further the supplanted 812
principle of law or policy as it is restated in a rule. 813

The agency may continue to rely upon the principle of law or 814
policy, but only while it is complying with the preceding 815
paragraph. The agency may not rely upon the principle of law or 816
policy in advising with regard to or in determining the rights or 817
liabilities of a person if the agency fails to commence the 818
rule-making process by the deadline specified in the preceding 819
paragraph, or if, after commencing the rule-making process, the 820
agency neglects or abandons the rule-making process before it is 821
completed. 822

Sec. 101.353. If the joint committee on agency rule review 823
becomes aware, such as through its own inquiries or by receiving 824
complaints from interested parties or stakeholders, that an agency 825
subject to its jurisdiction is required expressly or impliedly by 826
a statute to adopt a rule but appears neither to have done so nor 827
to have commenced the rule-making process, the chairperson of the 828
joint committee responsible for calling and conducting meetings 829
under section 101.35 of the Revised Code, in ~~the~~ that 830
chairperson's sole discretion, may request the agency to appear 831
before the joint committee to address its apparent dereliction. 832
The request shall specify the time and place at which a designee 833
of the agency is to appear before the joint committee to address, 834
and answer the joint committee's questions concerning, the 835
agency's apparent dereliction. The request shall identify the 836
statute that expressly or impliedly requires rule-making and that 837
apparently has not been complied with. The joint committee shall 838
transmit the request to the agency electronically. The joint 839
committee also shall publish the request on its web site, and 840
shall indicate in conjunction with the published request that any 841
person is invited to appear before the joint committee when the 842
agency appears to offer and make comments to the joint committee 843
concerning the agency's apparent dereliction. 844

Upon receiving the request, the agency shall designate a 845
suitable agency officer or employee to appear on behalf of the 846
agency before the joint committee as directed in the request. The 847
agency electronically shall notify the joint committee of the 848
name, title, telephone number, and electronic mail address of the 849
officer or employee who has been designated to appear before the 850
joint committee in response to the request. 851

Upon appearing before the joint committee, the agency's 852
designee shall address why the agency apparently has neither 853
adopted a rule nor commenced the rule-making process as expressly 854

or impliedly required by the statute. The members of the joint 855
committee may question the agency's designee concerning the 856
agency's apparent dereliction. Any person may offer and make 857
comments to the joint committee concerning the agency's apparent 858
dereliction. 859

After the appearance has concluded, the joint committee, by 860
vote of a majority of its members, in writing may advise the 861
agency to commence rule-making proceedings under the statute, as 862
soon as it is reasonably feasible for the agency to do so. The 863
joint committee shall transmit the advisory electronically to the 864
agency. The joint committee also shall publish the advisory on its 865
web site. 866

Sec. 101.354. (A) The joint committee on agency rule review 867
shall advise and assist state agencies in preparing revised 868
inventories of regulatory restrictions and shall advise and assist 869
state agencies in achieving specified percentage reductions in 870

with sections 121.95, 121.951, 121.952, and 121.953, ~~and 121.954~~ 872
of the Revised Code. 873

(B)(1) Not later than June 15, 2022, the executive director 874
of the joint committee shall prepare a report aggregating the base 875
inventories received from state agencies under section 121.95 of 876
the Revised Code. 877

(2) Beginning in 2023, not later than the fifteenth day of 878
December each year, the executive director of the joint committee 879
shall prepare an historical report aggregating the reports 880
received from state agencies for the preceding fiscal year. In the 881
report, the executive director also shall describe the work of the 882
joint committee over the preceding fiscal year with respect to 883
reduction of regulatory restrictions and shall indicate, out of 884
the total number of regulatory restrictions inventoried by state 885

agencies, the percentage by which state agencies have reduced 886
those regulatory restrictions. The report also shall provide 887
recommendations for statutory changes, where appropriate, brought 888
to the attention of the joint committee as contributing to the 889
adoption of regulatory restrictions. 890

(3) The executive director shall submit the report required 891
under divisions (B)(1) and (2) of this section to the members of 892
the joint committee, which shall publish the report on its web 893
site and transmit copies of the report electronically to the 894

Sec. 103.414. Not later than the first day of October of 985
every even-numbered calendar year, the department of medicaid 986
shall submit to JMOC a report of the department's historical and 987
projected medicaid program expenditure and utilization trend rates 988
by medicaid program and service category, for each year of the 989
upcoming fiscal biennium. The report shall include all actuarial 990
data the department used in producing the trends. The report also 991
shall detail interventions taken by the department to restrain the 992
growth in the per member per month cost of the medicaid program, 993
as required by section 5162.70 of the Revised Code. 994

Before the beginning of each fiscal biennium, JMOC shall 995
contract with an actuary to determine the projected medical 996
inflation rate for the upcoming fiscal biennium. The contract 997
shall require the actuary to make the determination using the same 998
types of classifications and sub-classifications of medical care 999
that the United States bureau of labor statistics uses in 1000
determining the inflation rate for medical care in the consumer 1001
price index. The contract also shall require the actuary to 1002
provide JMOC a report with its determination at least one hundred 1003
twenty days before the governor is required to submit a state 1004
budget for the fiscal biennium to the general assembly under 1005
section 107.03 of the Revised Code. 1006

On receipt of the actuary's report, JMOC shall determine 1007
whether it agrees with the actuary's projected medical inflation 1008

rate. If JMOC disagrees with the actuary's projected medical 1009
inflation rate, JMOC shall determine a different projected medical 1010
inflation rate for the upcoming fiscal biennium. 1011

The actuary and, if JMOC determines a different projected 1012
medical inflation rate, JMOC shall determine the projected medical 1013
inflation rate for the state unless that is not practicable in 1014
which case the determination shall be made for the midwest region. 1015

Regardless of whether it agrees with the actuary's projected 1016
medical inflation rate or determines a different projected medical 1017
inflation rate, JMOC shall complete a report regarding the 1018
projected medical inflation rate. JMOC shall include a copy of the 1019
actuary's report in JMOC's report. JMOC's report shall state 1020
whether JMOC agrees with the actuary's projected medical inflation 1021
rate and, if JMOC disagrees, the reason why JMOC disagrees and the 1022
different medical inflation rate JMOC determined. At least ninety 1023
days before the governor is required to submit a state budget for 1024
the upcoming fiscal biennium to the general assembly under section 1025
107.03 of the Revised Code, JMOC shall submit a copy of the report 1026
to the general assembly in accordance with section 101.68 of the 1027
Revised Code and to the governor and medicaid director. 1028

each member for actual and necessary expenses incurred in the 1115
performance of the member's official duties. 1116

Sec. 106.02. ~~When~~ (A) Subject to division (B) of this 1117
section, when an agency files a proposed rule and rule summary and 1118
fiscal analysis with the joint committee on agency rule review, 1119
the joint committee shall review the proposed rule and rule 1120
summary and fiscal analysis, and an invalidating concurrent 1121
resolution may be adopted, not later than the sixty-fifth day 1122
after the day on which the proposed rule was filed with the joint 1123
committee. If, after filing the original version of a proposed 1124
rule, the agency makes a revision in the proposed rule, the agency 1125
shall file the revised proposed rule and a revised rule summary 1126

and fiscal analysis with the joint committee. If the revised 1127
proposed rule is filed thirty-five or fewer days after the 1128
original version of the proposed rule was filed, the joint 1129
committee shall review the revised proposed rule and revised rule 1130
summary and fiscal analysis, and an invalidating concurrent 1131
resolution may be adopted, not later than the sixty-fifth day 1132
after the original version of the proposed rule was filed. If, 1133
however, the revised proposed rule is filed more than thirty-five 1134
days after the original version of the proposed rule was filed, 1135
the joint committee shall review the revised proposed rule and 1136
revised rule summary and fiscal analysis, and an invalidating 1137
concurrent resolution may be adopted, not later than the thirtieth 1138
day after the revised proposed rule was filed with the joint 1139
committee. 1140

(B) If, after filing a proposed rule and rule summary and 1141
fiscal analysis with the joint committee, an agency determines 1142
that it needs additional time to consider the proposed rule and 1143
possibly file a revised proposed rule, the agency may notify the 1144
joint committee of the agency's intention to file a revised 1145
proposed rule. When the agency notifies the joint committee of its 1146
intention to file a revised proposed rule, the running of the time 1147
within which an invalidating concurrent resolution may be adopted 1148
is tolled. 1149

If, after notifying the joint committee of the agency's 1150
intention to file a revised proposed rule, the agency makes a 1151
revision in the proposed rule, the agency shall file the revised 1152
proposed rule and a revised rule summary and fiscal analysis with 1153
the joint committee. If the revised proposed rule is filed 1154
thirty-five or fewer days after the agency filed the original 1155
version of the proposed rule, the joint committee shall review the 1156
revised proposed rule and revised rule summary and fiscal 1157
analysis, and an invalidating concurrent resolution may be 1158

adopted, not later than the sixty-fifth day after the agency filed 1159
the original version of the proposed rule. If, however, the 1160
revised proposed rule is filed more than thirty-five days after 1161
the agency filed the original version of the proposed rule, the 1162
joint committee shall review the revised proposed rule and revised 1163
rule summary and fiscal analysis, and an invalidating concurrent 1164
resolution may be adopted, not later than the thirtieth day after 1165
the revised proposed rule is filed with the joint committee. 1166

(C) When ~~the~~ an original or revised version of a proposed 1167
rule and rule summary and fiscal analysis is filed with the joint 1168
committee in December or in the following January before the first 1169
day of the legislative session, the joint committee shall review 1170
the proposed rule and rule summary and fiscal analysis, and an 1171
invalidating concurrent resolution may be adopted, as if the 1172
original version of the proposed rule and rule summary and fiscal 1173
analysis had been filed with the joint committee on the first day 1174
of the legislative session in the following January. If, however, 1175
the original version of a proposed rule and rule summary and 1176
fiscal analysis have been pending before the joint committee for 1177
more than thirty-five days, and the proposed rule and rule summary 1178
and fiscal analysis are revised in December or in the following 1179
January before the first day of the legislative session, the joint 1180
committee shall review the revised proposed rule and revised rule 1181
summary and fiscal analysis, and an invalidating concurrent 1182
resolution may be adopted, not later than the thirtieth day after 1183
the first day of the legislative session in the following January. 1184

(D) A revised proposed rule supersedes each earlier version 1185
of the same proposed rule. 1186

(E) The joint committee shall endeavor not to hold its public 1187
hearing on a proposed rule earlier than the forty-first day after 1188
the proposed rule was filed with the joint committee. The 1189
chairperson of the joint committee responsible for calling and 1190

conducting meetings under section 101.35 of the Revised Code may 1191
select a date for the committee's public hearing on a proposed 1192
rule that is earlier than the forty-first day after the proposed 1193
rule was filed. 1194

Sec. 106.031. If an agency, on the basis of its review of a 1195
rule under section 106.03 of the Revised Code, determines that the 1196
rule does not need to be amended or rescinded, proceedings shall 1197
be had as follows: 1198

(A)(1) If, considering only the standard of review specified 1199
in division (A)(7) of section 106.03 of the Revised Code, the rule 1200
has an adverse impact on businesses, the agency shall prepare a 1201
business impact analysis that describes its review of the rule 1202
under that division and that explains why the regulatory intent of 1203
the rule justifies its adverse impact on businesses. If the rule 1204
does not have an adverse impact on businesses, the agency may 1205
proceed under division (B) of this section. 1206

(2) The agency shall transmit a copy of the full text of the 1207
rule and the business impact analysis electronically to the common 1208
sense initiative office. The office shall make the rule and 1209
analysis available to the public on its web site under section 1210
107.62 of the Revised Code. 1211

(3) The agency shall consider any recommendations made by the 1212
office. 1213

(4) Not earlier than the sixteenth business day after 1214
transmitting the rule and analysis to the office, the agency shall 1215
either (a) proceed under divisions (A)(5) and (B) of this section 1216
or (b) commence, under division (B)(1) of section 106.03 of the 1217
Revised Code, the process of rescinding the rule or of amending 1218
the rule to incorporate into the rule features the recommendations 1219
suggest will eliminate or reduce the adverse impact the rule has 1220
on businesses. If the agency determines to amend or rescind the 1221

rule, the agency is not subject to the time limit specified in 1222
division (B)(1) of section 106.03 of the Revised Code. 1223

(5) If the agency receives recommendations from the office, 1224
and determines not to amend or rescind the rule, the agency shall 1225
prepare a memorandum of response that explains why the rule is not 1226
being rescinded or why the recommendations are not being 1227
incorporated into the rule. 1228

(B) The agency shall assign a new review date to the rule. 1229
The review date assigned shall be not later than five years after 1230
the immediately preceding review date pertaining to the rule. If 1231
the agency assigns a review date that exceeds the five-year 1232
maximum, the review date is five years after the immediately 1233
preceding review date. The immediately preceding review date 1234
includes the date of the review of a rule under section 106.032 of 1235
the Revised Code. 1236

~~(C)(1)~~(C) The agency shall file all the following, in 1237
electronic form, with the joint committee on agency rule review, 1238
the secretary of state, and the director of the legislative 1239
service commission: a copy of the rule specifying its new review 1240
date, a complete and accurate rule summary and fiscal analysis, 1241
and, if relevant, a business impact analysis of the rule, any 1242
recommendations received from the common sense initiative office, 1243
and any memorandum of response. 1244

~~(2) Subject to section 106.05 of the Revised Code, the joint 1245
committee does not have jurisdiction to review, and shall reject, 1246
the filing of a rule under division (C)(1) of this section if, at 1247
any time while the rule is in its possession, it discovers that 1248
the rule has an adverse impact on businesses and the agency has 1249
not complied with division (A) of this section. The joint 1250
committee shall electronically return a rule that is rejected to 1251
the agency, together with any documents that were part of the 1252
filing. Such a rejection does not preclude the agency from 1253~~

~~refiling the rule under division (C)(1) of this section after 1254
complying with division (A) of this section. When the filing of a 1255
rule is rejected under this division, it is as if the filing had 1256
not been made. 1257~~

(D) The joint committee shall publish notice of the agency's 1258
determination not to amend or rescind the rule in the register of 1259
Ohio for four consecutive weeks after the rule is filed under 1260
division (C) of this section. 1261

(E) During the ninety-day period after a rule is filed under 1262
division (C) of this section, but after the four-week notice 1263
period required by division (D) of this section has ended, the 1264
joint committee may recommend to the senate and house of 1265
representatives the adoption of a concurrent resolution 1266
invalidating the rule if the joint committee finds any of the 1267
following: 1268

(1) The agency improperly applied the standards in division 1269
(A) of section 106.03 of the Revised Code in reviewing the rule 1270
and in determining that the rule did not need amendment or 1271
rescission. 1272

(2) The rule has an adverse impact on businesses, and the 1273
agency has failed to demonstrate through a business impact 1274
analysis, recommendations from the common sense initiative office, 1275
and a memorandum of response that the regulatory intent of the 1276
rule justifies its adverse impact on businesses. 1277

(3) If the rule incorporates a text or other material by 1278
reference, any of the following applies: 1279

(a) The citation accompanying the incorporation by reference 1280
is not such as reasonably would enable a reasonable person to whom 1281
the rule applies readily and without charge to find and inspect 1282
the incorporated text or other material; 1283

(b) The citation accompanying the incorporation by reference 1284

is not such as reasonably would enable the joint committee readily 1285
and without charge to find and inspect the incorporated text or 1286
other material; or 1287

(c) The rule has been exempted in whole or in part from 1288
sections 121.71 to 121.74 of the Revised Code on grounds the 1289
incorporated text or other material has one or more of the 1290
characteristics described in division (B) of section 121.75 of the 1291
Revised Code, but the incorporated text or other material actually 1292
does not have any of those characteristics. 1293

(4) If the agency is subject to sections 121.95, 121.951, 1294
121.952, and 121.953 of the Revised Code, the agency has failed to 1295
justify the retention of a rule containing a regulatory 1296
restriction. 1297

(5) The rule implements a federal law or rule in a manner 1298
that is more stringent or burdensome than the federal law or rule 1299
requires. 1300

If the agency fails to comply with section 106.03 or 106.031 1301
of the Revised Code, the joint committee shall afford the agency 1302
an opportunity to appear before the joint committee to show cause 1303
why the agency has not complied with either or both of those 1304
sections. If the agency appears before the joint committee at the 1305
time scheduled for the agency to show cause, and fails to do so, 1306
the joint committee, by vote of a majority of its members present, 1307
may recommend the adoption of a concurrent resolution invalidating 1308
the rule for the agency's failure to show cause. Or if the agency 1309
fails to appear before the joint committee at the time scheduled 1310
for the agency to show cause, the joint committee, by vote of a 1311
majority of its members present, may recommend adoption of a 1312
concurrent resolution invalidating the rule for the agency's 1313
default. 1314

When the joint committee recommends that a rule be 1315

invalidated, the recommendation does not suspend operation of the 1316
rule, and the rule remains operational pending action by the 1317
senate and house of representatives on the concurrent resolution 1318
embodying the recommendation. If the senate and house of 1319
representatives adopt the concurrent resolution, the rule is 1320
invalid. If, however, the senate and house of representatives do 1321
not adopt the resolution, the rule continues in effect, and shall 1322
next be reviewed according to the new review date assigned to the 1323
rule. 1324

Sec. 106.032. If the chairperson of the joint committee on 1325
agency rule review responsible for calling and conducting meetings 1326
under section 101.35 of the Revised Code becomes aware that an 1327
existing rule has had or is having an unintended or unexpected 1328
effect on businesses that is not reasonably within the express or 1329
implied scope of the statute under which the existing rule 1330
purportedly was adopted, ~~the~~ that chairperson may move that the 1331
joint committee order the agency that is administering the 1332
existing rule to submit the existing rule for review under section 1333
106.031 of the Revised Code, the same as if the agency had made a 1334
determination with regard to the existing rule under division 1335
(B)(2) of section 106.03 of the Revised Code. The joint committee 1336
may adopt the motion by vote of a majority of its members. The 1337
joint committee shall not adopt a motion under this paragraph for 1338
a rule if the joint committee previously has adopted a motion 1339
under this paragraph for the same rule within the immediately 1340
preceding five-year period. 1341

The joint committee shall prepare the order in writing, and 1342
shall transmit the order electronically to the agency. The joint 1343
committee also shall transmit a copy of the order electronically 1344
to the director of the legislative service commission and to the 1345
common sense initiative office. The joint committee shall indicate 1346
in the order the date on which the order is transmitted. The 1347

director shall publish the order in the register of Ohio. 1348

Upon receiving the order, the agency shall comply with the 1349
order as soon as reasonably possible, but shall commence 1350
compliance with the order not later than thirty days after the 1351
date on which the order was transmitted. 1352

When an agency complies with the order, proceedings are to be 1353
had with regard to the existing rule under section 106.031 of the 1354
Revised Code, the same as if the agency had made a determination 1355
with regard to the existing rule under division (B)(2) of section 1356
106.03 of the Revised Code. In addition to the standards of review 1357
stated in division (E) of section 106.031 of the Revised Code, the 1358
joint committee may recommend to the senate and house of 1359
representatives the adoption of a concurrent resolution 1360
invalidating the existing rule if the joint committee finds that 1361
the existing rule has an unintended or unexpected effect on 1362
businesses that is not reasonably within the express or implied 1363
scope of the statute under which the agency purportedly adopted 1364
the existing rule. 1365

Sec. 106.04. When the joint committee on agency rule review 1366
recommends invalidation of a proposed or existing rule under 1367
section 106.021 or 106.031 of the Revised Code, the chairperson of 1368
the joint committee responsible for calling and conducting 1369
meetings under section 101.35 of the Revised Code, or another 1370
member of the joint committee designated by ~~the~~ that chairperson, 1371
shall prepare the recommendation of invalidation in writing. The 1372
recommendation shall identify the proposed or existing rule, the 1373
agency that proposed or submitted the proposed or existing rule, 1374
and the finding that caused the joint committee to make the 1375
recommendation. The recommendation briefly shall explain the 1376
finding. 1377

The chairperson of the joint committee responsible for 1378

calling and conducting meetings under section 101.35 of the 1379
Revised Code shall request the legislative service commission to 1380
prepare a concurrent resolution to invalidate the proposed or 1381
existing rule according to the recommendation. The concurrent 1382
resolution shall state the finding that caused the joint committee 1383
to recommend invalidation of the rule. 1384

Sec. 106.041. The chairperson of the joint committee on 1385
agency rule review responsible for calling and conducting meetings 1386
under section 101.35 of the Revised Code, or another member of the 1387
joint committee designated by ~~the~~ that chairperson, shall submit a 1388
concurrent resolution to invalidate a proposed or existing rule to 1389
the clerk of either house of the general assembly. The 1390
recommendation of invalidation and a copy of the proposed or 1391
existing rule also shall be submitted to the clerk along with the 1392
concurrent resolution. 1393

Sec. 107.51. As used in sections 107.51 to 107.55 of the 1394
Revised Code, "agency" and "draft rule" have the meanings defined 1395
in section 121.81 of the Revised Code. 1396

Sections 107.51 to 107.55 and 107.61 to 107.63 of the Revised 1397
Code are complementary to sections 121.81 to ~~121.83~~ 121.82 of the 1398
Revised Code. 1399

Sec. 107.63. As used in this section, "small business" means 1400
an independently owned and operated for-profit or nonprofit 1401
business entity, including affiliates, that has fewer than five 1402
hundred full time employees or gross annual sales of less than six 1403
million dollars, and has operations located in the state. 1404

The small business advisory council is established in the 1405
office of the governor. The council shall advise the governor, the 1406
lieutenant governor, and the common sense initiative office on the 1407
adverse impact draft and existing rules might have on small 1408

businesses. The council shall meet at ~~least quarterly~~ the 1409
discretion of the director of the common sense initiative office. 1410

The council consists of nine members. The governor, or the 1411
person to whom the governor has delegated responsibilities for the 1412
common sense initiative office under section 107.61 of the Revised 1413
Code, shall appoint five members, the president of the senate 1414
shall appoint two members, and the speaker of the house of 1415
representatives shall appoint two members. A member serves at the 1416
pleasure of the member's appointing authority. The appointing 1417
authorities shall consult with each other and appoint only 1418
individuals who are representative of small businesses, and shall 1419
do so in such a manner that the membership of the council is 1420
composed of representatives of small businesses that are of 1421
different sizes, engaged in different lines of business, and 1422
located in different parts of the state. 1423

A proposed rule that is subject to legislative review under 3019
this division may not be adopted and filed in final form under 3020
division (B)(1) of this section unless the proposed rule has been 3021
filed with the joint committee on agency rule review under this 3022
division and the time for the joint committee to review the 3023
proposed rule has expired without recommendation of a concurrent 3024
resolution to invalidate the proposed rule. 3025

under this division implements a federal law or rule, the agency 3027
shall provide to the joint committee a citation to the federal law 3028
or rule the proposed rule implements and a statement as to whether 3029

3415

119.13 of the Revised Code. Such opportunity for a hearing shall 3416
be given before making the adjudication order except in those 3417
situations where this section provides otherwise. 3418

The following adjudication orders shall be effective without 3419
a hearing: 3420

(A) Orders revoking a license in cases where an agency is 3421
required by statute to revoke a license pursuant to the judgment 3422
of a court; 3423

(B) Orders suspending a license where a statute specifically 3424
permits the suspension of a license without a hearing; 3425

(C) Orders or decisions of an authority within an agency if 3426

specifically give a right of appeal to a higher authority within 3428
such agency, to another agency, or to the board of tax appeals, 3429
and also give the appellant a right to a hearing on such appeal. 3430

When a statute permits the suspension of a license without a 3431
prior hearing, any agency issuing an order pursuant to such 3432
statute shall afford the person to whom the order is issued a 3433
hearing upon request. 3434

Whenever an agency claims that a person is required by 3435
statute to obtain a license, it shall afford a hearing upon the 3436
request of a person who claims that the law does not impose such a 3437
requirement. 3438

Every agency shall afford a hearing upon the request of any 3439
person who has been refused admission to an examination where such 3440
examination is a prerequisite to the issuance of a license unless 3441
a hearing was held prior to such refusal. 3442

Unless a hearing was held prior to the refusal to issue the 3443
license, every agency shall afford a hearing upon the request of a 3444
person whose application for a license has been rejected and to 3445

whom the agency has refused to issue a license, whether it is a 3446
renewal or a new license, except that the following are not 3447
required to afford a hearing to a person to whom a new license has 3448
been refused because the person failed a licensing examination: 3449

is required by law, a licensee who has filed an application for 3459
registration or renewal within the time and in the manner provided 3460
by statute or rule of the agency shall not be required to 3461
discontinue a licensed business or profession merely because of 3462
the failure of the agency to act on the licensee's application. 3463
~~Action of an agency rejecting any such~~ An agency's rejection of an 3464
application for registration or renewal shall not be effective 3465
~~prior to fifteen days until the fifteenth day~~ after the notice of 3466
the rejection is mailed to the licensee. 3467

Sec. 119.062. (A) Notwithstanding section 119.06 of the 3468
Revised Code, the registrar of motor vehicles is not required to 3469
hold any hearing in connection with an order canceling or 3470

pursuant to section 2903.06, 2903.08, 2921.331, 4549.02, 4549.021, 3472
or 5743.99 or any provision of Chapter 2925., 4509., 4510., or 3473
4511. of the Revised Code or in connection with an out-of-service 3474
order issued under Chapter 4506. of the Revised Code. 3475

(B) Notwithstanding section 119.07 of the Revised Code, the 3476

registrar is not required to ~~use registered mail, return receipt requested,~~ comply with section 119.05 of the Revised Code in connection with an order canceling or suspending a motor vehicle driver's or commercial driver's license or a notification to a person to surrender a certificate of registration and registration plates.

Sec. 119.07. Except when a statute prescribes a notice and the persons to whom it shall be given, in all cases in which section 119.06 of the Revised Code requires an agency to afford an opportunity for a hearing prior to the issuance of an order, the agency shall give notice to the party informing the party of the party's right to a hearing. Notice shall be ~~given by registered mail, return receipt requested,~~ served in accordance with section 119.05 of the Revised Code and shall include the charges or other reasons for the proposed action, the law or rule directly involved, and a statement informing the party that the party is entitled to a hearing if the party requests it within thirty days of the time of ~~mailing the notice~~ service. The notice shall also inform the party that at the hearing the party may appear in person, by the party's attorney, or by such other representative as is permitted to practice before the agency, or may present the party's position, arguments, or contentions in writing and that at the hearing the party may present evidence and examine witnesses appearing for and against the party. A copy of the notice shall be ~~mailed~~ provided to attorneys or other representatives of record representing the party. This paragraph does not apply to situations in which such section provides for a hearing only when it is requested by the party.

When a statute specifically permits the suspension of a license without a prior hearing, notice of the agency's order shall be ~~sent to~~ served on the party ~~by registered mail, return receipt requested,~~ in accordance with section 119.05 of the

Revised Code not later than the business day next succeeding such 3509
order. The notice shall state the reasons for the agency's action, 3510
cite the law or rule directly involved, and state that the party 3511
will be afforded a hearing if the party requests it within thirty 3512
days of the ~~time of mailing the~~ date on which notice is served. A 3513
copy of the notice shall be ~~mailed~~ provided to attorneys or other 3514
representatives of record representing the party. 3515

Whenever a party requests a hearing in accordance with this 3516
section and section 119.06 of the Revised Code, the agency shall 3517
immediately set the date, time, and place for the hearing and 3518
~~forthwith notify~~ serve the party ~~thereof~~ with notice of the 3519
hearing. The date set for the hearing shall be within fifteen 3520
days, but not earlier than seven days, after the party has 3521
requested a hearing, unless otherwise agreed to by both the agency 3522
and the party. 3523

~~When any notice sent by registered mail, as required by~~ 3524
~~sections 119.01 to 119.13 of the Revised Code, is returned because~~ 3525
~~the party fails to claim the notice, the agency shall send the~~ 3526
~~notice by ordinary mail to the party at the party's last known~~ 3527
~~address and shall obtain a certificate of mailing. Service by~~ 3528
~~ordinary mail is complete when the certificate of mailing is~~ 3529
~~obtained unless the notice is returned showing failure of~~ 3530
~~delivery.~~ 3531

~~If any notice sent by registered or ordinary mail is returned~~ 3532
~~for failure of delivery, the agency either shall make personal~~ 3533
~~delivery of the notice by an employee or agent of the agency or~~ 3534
~~shall cause a summary of the substantive provisions of the notice~~ 3535
~~to be published once a week for three consecutive weeks in a~~ 3536
~~newspaper of general circulation in the county where the last~~ 3537
~~known address of the party is located. When notice is given by~~ 3538
~~publication, a proof of publication affidavit, with the first~~ 3539
~~publication of the notice set forth in the affidavit, shall be~~ 3540

~~mailed by ordinary mail to the party at the party's last known
address and the notice shall be deemed received as of the date of
the last publication. An employee or agent of the agency may make
personal delivery of the notice upon a party at any time.~~

~~Refusal of delivery by personal service or by mail is not
failure of delivery and service is deemed to be complete. Failure
of delivery occurs only when a mailed notice is returned by the
postal authorities marked undeliverable, address or addressee
unknown, or forwarding address unknown or expired. A party's last
known address is the mailing address of the party appearing in the
records of the agency.~~

The failure of an agency to ~~give~~ serve the notices for any
hearing required by sections 119.01 to 119.13 of the Revised Code
in the manner provided in ~~this~~ section 119.05 of the Revised Code
shall invalidate any order entered pursuant to the hearing.

Sec. 119.09. As used in this section "stenographic record"
means a record provided by stenographic means or by the use of
audio electronic recording devices, as the agency determines.

For the purpose of conducting any adjudication hearing
required by sections 119.01 to 119.13 of the Revised Code, the
agency may require the attendance of such witnesses and the
production of such books, records, and papers as it desires, and
it may take the depositions of witnesses residing within or
without the state in the same manner as is prescribed by law for
the taking of depositions in civil actions in the court of common
pleas, and for that purpose the agency may, and upon the request
of any party receiving notice of the hearing as required by
section 119.07 of the Revised Code shall, issue a subpoena for any
witness or a subpoena duces tecum to compel the production of any
books, records, or papers, directed to the sheriff of the county
where such witness resides or is found, which shall be served and

returned in the same manner as a subpoena in a criminal case is 3572
served and returned. The sheriff shall be paid the same fees for 3573
services as are allowed in the court of common pleas in criminal 3574
cases. Witnesses shall be paid the fees and mileage provided for 3575
under section 119.094 of the Revised Code. Fees and mileage shall 3576
be paid from the fund in the state treasury for the use of the 3577
agency in the same manner as other expenses of the agency are 3578
paid. 3579

An agency may postpone or continue any adjudication hearing 3580
upon the application of any party or upon its own motion. 3581

In any case of disobedience or neglect of any subpoena served 3582
on any person or the refusal of any witness to testify to any 3583
matter regarding which the witness may lawfully be interrogated, 3584
the court of common pleas of any county where such disobedience, 3585
neglect, or refusal occurs or any judge thereof, on application by 3586
the agency shall compel obedience by attachment proceedings for 3587
contempt, as in the case of disobedience of the requirements of a 3588
subpoena issued from such court, or a refusal to testify therein. 3589

At any adjudication hearing required by sections 119.01 to 3590
119.13 of the Revised Code, the record of which may be the basis 3591
of an appeal to court, a stenographic record of the testimony and 3592
other evidence submitted shall be taken at the expense of the 3593
agency. Such record shall include all of the testimony and other 3594
evidence, and rulings on the admissibility thereof presented at 3595
the hearing. This paragraph does not require a stenographic record 3596
at every adjudication hearing. In any situation where an 3597
adjudication hearing is required by sections 119.01 to 119.13 of 3598
the Revised Code, if an adjudication order is made without a 3599
stenographic record of the hearing, the agency shall, on request 3600
of the party, afford a hearing or rehearing for the purpose of 3601
making such a record which may be the basis of an appeal to court. 3602
The rules of an agency may specify the situations in which a 3603

stenographic record will be made only on request of the party; 3604
otherwise such a record shall be made at every adjudication 3605
hearing from which an appeal to court might be taken. 3606

The agency shall pass upon the admissibility of evidence, but 3607
a party may at the time make objection to the rulings of the 3608
agency thereon, and if the agency refuses to admit evidence, the 3609
party offering the same shall make a proffer thereof, and such 3610
proffer shall be made a part of the record of such hearing. 3611

In any adjudication hearing required by sections 119.01 to 3612
119.13 of the Revised Code, the agency may call any party to 3613
testify under oath as upon cross-examination. 3614

The agency, or any one delegated by it to conduct an 3615
adjudication hearing, may administer oaths or affirmations. 3616

In any adjudication hearing required by sections 119.01 to 3617
119.13 of the Revised Code, the agency may appoint a referee or 3618
examiner to conduct the hearing. The referee or examiner shall 3619
have the same powers and authority in conducting the hearing as is 3620
granted to the agency. Such referee or examiner shall have been 3621
admitted to the practice of law in the state and be possessed of 3622
such additional qualifications as the agency requires. The referee 3623
or examiner shall submit to the agency a written report setting 3624
forth the referee's or examiner's findings of fact and conclusions 3625
of law and a recommendation of the action to be taken by the 3626
agency. A copy of such written report and recommendation of the 3627
referee or examiner shall within five days of the date ~~of filing~~ 3628
~~thereof~~ it is submitted to the agency, be served upon the party or 3629
the party's attorney or other representative of record, ~~by~~ 3630
~~certified mail~~ in accordance with section 119.05 of the Revised 3631
Code. The party may, within ten days of ~~receipt of such copy~~ 3632
service of such written report and recommendation, file with the 3633
agency written objections to the report and recommendation, which 3634
objections shall be considered by the agency before approving, 3635

modifying, or disapproving the recommendation. The agency may 3636
grant extensions of time to the party within which to file such 3637
objections. No recommendation of the referee or examiner shall be 3638
approved, modified, or disapproved by the agency until after ten 3639
days after service of such report and recommendation ~~as provided~~ 3640
~~in this section~~. The agency may order additional testimony to be 3641
taken or permit the introduction of further documentary evidence. 3642
The recommendation of the referee or examiner may be approved, 3643
modified, or disapproved by the agency, and the order of the 3644
agency based on such report, recommendation, transcript of 3645
testimony and evidence, or objections of the parties, and 3646
additional testimony and evidence shall have the same effect as if 3647
such hearing had been conducted by the agency. No such 3648
recommendation shall be final until confirmed and approved by the 3649
agency as indicated by the order entered on its record of 3650
proceedings, and if the agency modifies or disapproves the 3651
recommendations of the referee or examiner it shall include in the 3652
record of its proceedings the reasons for such modification or 3653
disapproval. 3654

After such order is entered on its journal, the agency shall, 3655
in accordance with section 119.05 of the Revised Code, serve ~~by~~ 3656
~~certified mail, return receipt requested, upon~~ the party affected 3657
thereby, a certified copy of the order and a statement of the time 3658
and method by which an appeal may be perfected. A copy of such 3659
order shall be ~~mailed~~ provided to the attorneys or other 3660
representatives of record representing the party. 3661

Sec. 119.092. (A) As used in this section: 3662

(1) "Eligible party" means a party to an adjudication hearing 3663
other than the following: 3664

(a) The agency; 3665

(b) An individual whose net worth exceeded one million 3666

dollars at the time ~~he~~ the individual received notification of the 3667
hearing; 3668

(c) A sole owner of an unincorporated business that had, or a 3669
partnership, corporation, association, or organization that had, a 3670
net worth exceeding five million dollars at the time the party 3671
received notification of the hearing, except that an organization 3672
that is described in subsection 501(c)(3) and is tax exempt under 3673
subsection 501(a) of the Internal Revenue Code, shall not be 3674
excluded as an eligible party under this division because of its 3675
net worth; 3676

(d) A sole owner of an unincorporated business that employed, 3677
or a partnership, corporation, association, or organization that 3678
employed, more than five hundred persons at the time the party 3679
received notification of the hearing. 3680

(2) "Fees" means reasonable attorney's fees, in an amount not 3681
to exceed seventy-five dollars per hour or a higher hourly fee 3682
that the agency establishes by rule and that is applicable under 3683
the circumstances. 3684

(3) "Internal Revenue Code" means the "Internal Revenue Code 3685
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 3686

(4) "Prevailing eligible party" means an eligible party that 3687
prevails after an adjudication hearing, as reflected in an order 3688
entered in the journal of the agency. 3689

(B)(1) Except as provided in divisions (B)(2) and (F) of this 3690
section, if an agency conducts an adjudication hearing under this 3691
chapter, the prevailing eligible party is entitled, upon filing a 3692
motion in accordance with this division, to compensation for fees 3693
incurred by that party in connection with the hearing. A 3694
prevailing eligible party that desires an award of compensation 3695
for fees shall file a motion requesting the award with the agency 3696
within thirty days after the date that the order of the agency is 3697

entered in its journal. The motion shall do all of the following: 3698

(a) Identify the party; 3699

(b) Indicate that the party is the prevailing eligible party 3700
and is entitled to receive an award of compensation for fees; 3701

(c) Include a statement that the agency's position in 3702
initiating the matter in controversy was not substantially 3703
justified; 3704

(d) Indicate the amount sought as an award; 3705

(e) Itemize all fees sought in the requested award. This 3706
itemization shall include a statement from any attorney who 3707
represented the prevailing eligible party, that indicates the fees 3708
charged, the actual time expended, and the rate at which the fees 3709
were calculated. 3710

(2) Upon the filing of a motion under this section, the 3711
request for the award shall be reviewed by the referee or examiner 3712
who conducted the adjudication hearing or, if none, by the agency 3713
involved. In the review, the referee, examiner, or agency shall 3714
determine whether the fees incurred by the prevailing eligible 3715
party exceeded one hundred dollars, whether the position of the 3716
agency in initiating the matter in controversy was substantially 3717
justified, whether special circumstances make an award unjust, and 3718
whether the prevailing eligible party engaged in conduct during 3719
the course of the hearing that unduly and unreasonably protracted 3720
the final resolution of the matter in controversy. The referee, 3721
examiner, or agency shall issue a determination, in writing, on 3722
the motion of the prevailing eligible party, which determination 3723
shall include a statement indicating whether an award has been 3724
granted, the findings and conclusions underlying it, the reasons 3725
or bases for the findings and conclusions, and, if an award has 3726
been granted, its amount. The determination shall be entered in 3727
the record of the prevailing eligible party's case, and a copy of 3728

it ~~mailed to~~ served on the prevailing eligible party in accordance 3729
with section 119.05 of the Revised Code. 3730

With respect to a motion under this section, the agency 3731
involved, through any representative it designates, has the burden 3732
of proving that its position in initiating the matter in 3733
controversy was substantially justified, that special 3734
circumstances make an award unjust, or that the prevailing 3735
eligible party engaged in conduct during the course of the hearing 3736
that unduly and unreasonably protracted the final resolution of 3737
the matter in controversy. A referee, examiner, or agency 3738
considering a motion under this section may deny an award 3739
entirely, or reduce the amount of an award that otherwise would be 3740
payable, to a prevailing eligible party only as follows: 3741

(a) If the determination is that the agency has sustained its 3742
burden of proof that its position in initiating the matter in 3743
controversy was substantially justified or that special 3744
circumstances make an award unjust, the motion shall be denied; 3745

(b) If the determination is that the agency has sustained its 3746
burden of proof that the prevailing eligible party engaged in 3747
conduct during the course of the hearing that unduly and 3748
unreasonably protracted the final resolution of the matter in 3749
controversy, the referee, examiner, or agency may reduce the 3750
amount of an award, or deny an award, to that party to the extent 3751
of that conduct; 3752

(c) If the determination is that the fees of the prevailing 3753
eligible party were not in excess of one hundred dollars, the 3754
referee, agency, or examiner shall deny the motion. 3755

(3) For purposes of this section, decisions by referees or 3756
examiners upon motions are final and are not subject to review and 3757
approval by an agency. These decisions constitute final 3758
determinations of the agency for purposes of appeals under 3759

division (C) of this section. 3760

(C) A prevailing eligible party that files a motion for an 3761
award of compensation for fees under this section and that is 3762
denied an award or receives a reduced award may appeal the 3763
determination of the referee, examiner, or agency to the same 3764
court, as determined under section 119.12 of the Revised Code, as 3765
the party could have appealed the adjudication order of the agency 3766
had the party been adversely affected by it. An agency may appeal 3767
the grant of an award to this same court if a referee or examiner 3768
made the final determination pursuant to division (B)(3) of this 3769
section. Notices of appeal shall be filed in the manner and within 3770
the period specified in section 119.12 of the Revised Code. 3771

procedures established in section 119.12 of the Revised Code for 3776
appeals pursuant to that section, unless otherwise provided in 3777
this division. 3778

The court hearing an appeal under this division may modify 3779
the determination of the referee, examiner, or agency with respect 3780
to the motion for compensation for fees only if the court finds 3781
that the failure to grant an award, or the calculation of the 3782
amount of an award, involved an abuse of discretion. The judgment 3783
of the court is final and not appealable, and a copy of it shall 3784
be certified to the agency involved and the prevailing eligible 3785
party. 3786

(D) Compensation for fees awarded to a prevailing eligible 3787
party under this section may be paid by an agency from any funds 3788
available to it for payment of such compensation. If an agency 3789
does not pay compensation from such funds or no such funds are 3790
available, upon the filing of a referee's, examiner's, agency's, 3791

or court's determination or judgment in favor of the prevailing 3792
eligible party with the clerk of the court of claims, the 3793
determination or judgment awarding compensation for fees shall be 3794
treated as if it were a judgment under Chapter 2743. of the 3795
Revised Code and be payable in accordance with the procedures 3796
specified in section 2743.19 of the Revised Code, except that 3797
interest shall not be paid in relation to the award. 3798

(E) Each agency that is required to pay compensation for fees 3799
to a prevailing eligible party pursuant to this section during any 3800
fiscal year shall prepare a report for that year. The report shall 3801
be completed no later than the first day of October of the fiscal 3802
year following the fiscal year covered by the report, and copies 3803
of it shall be filed with the general assembly. It shall contain 3804
the following information for the covered fiscal year: 3805

(1) The total amount and total number of the awards of 3806
compensation for fees required to be paid by the agency; 3807

(2) The amount and nature of each individual award that the 3808
agency was required to pay; 3809

(3) Any other relevant information that may aid the general 3810
assembly in evaluating the scope and impact of awards of 3811
compensation for fees. 3812

(F) The provisions of this section do not apply when any of 3813
the following circumstances are involved: 3814

(3) If any party appealing from an order described in 3850

division (A)(1) of this section is not a resident of and has no 3851
place of business in this state, the party may appeal to the court 3852
of common pleas of Franklin county. 3853

(B) Any party adversely affected by any order of an agency 3854
issued pursuant to any other adjudication may appeal to the court 3855
of common pleas of Franklin county, except that appeals from 3856
orders of the fire marshal issued under Chapter 3737. of the 3857
Revised Code may be to the court of common pleas of the county in 3858
which the building of the aggrieved person is located and except 3859
that appeals under division (B) of section 124.34 of the Revised 3860
Code from a decision of the state personnel board of review or a 3861
municipal or civil service township civil service commission shall 3862
be taken to the court of common pleas of the county in which the 3863
appointing authority is located or, in the case of an appeal by 3864
the department of rehabilitation and correction, to the court of 3865
common pleas of Franklin county. 3866

(C) This section does not apply to appeals from the 3867
department of taxation. 3868

(D) Any party desiring to appeal shall file a notice of 3869
appeal with the agency setting forth the order appealed from and 3870
stating that the agency's order is not supported by reliable, 3871
probative, and substantial evidence and is not in accordance with 3872
law. The notice of appeal may, but need not, set forth the 3873
specific grounds of the party's appeal beyond the statement that 3874
the agency's order is not supported by reliable, probative, and 3875
substantial evidence and is not in accordance with law. The notice 3876
of appeal shall also be filed by the appellant with the court. In 3877
filing a notice of appeal with the agency or court, the notice 3878
that is filed may be either the original notice or a copy of the 3879
original notice. Unless otherwise provided by law relating to a 3880
particular agency, notices of appeal shall be filed within fifteen 3881
days after the ~~mailing~~ service of the notice of the agency's order 3882

as provided in ~~this~~ section 119.05 of the Revised Code. For 3883
purposes of this paragraph, an order includes a determination 3884
appealed pursuant to division (C) of section 119.092 of the 3885
Revised Code. The amendments made to this paragraph by Sub. H.B. 3886
215 of the 128th general assembly are procedural, and this 3887
paragraph as amended by those amendments shall be applied 3888
retrospectively to all appeals pursuant to this paragraph filed 3889
before September 13, 2010, but not earlier than May 7, 2009, which 3890
was the date the supreme court of Ohio released its opinion and 3891
judgment in *Medcorp, Inc. v. Ohio Dep't. of Job and Family Servs.* 3892
(2009), 121 Ohio St.3d 622. 3893

(E) The filing of a notice of appeal shall not automatically 3894
operate as a suspension of the order of an agency. If it appears 3895
to the court that an unusual hardship to the appellant will result 3896
from the execution of the agency's order pending determination of 3897
the appeal, the court may grant a suspension and fix its terms. If 3898
an appeal is taken from the judgment of the court and the court 3899
has previously granted a suspension of the agency's order as 3900
provided in this section, the suspension of the agency's order 3901
shall not be vacated and shall be given full force and effect 3902
until the matter is finally adjudicated. No renewal of a license 3903
or permit shall be denied by reason of the suspended order during 3904
the period of the appeal from the decision of the court of common 3905
pleas. In the case of an appeal from the Ohio casino control 3906
commission, the state medical board, or the state chiropractic 3907
board, the court may grant a suspension and fix its terms if it 3908
appears to the court that an unusual hardship to the appellant 3909
will result from the execution of the agency's order pending 3910
determination of the appeal and the health, safety, and welfare of 3911
the public will not be threatened by suspension of the order. This 3912
provision shall not be construed to limit the factors the court 3913
may consider in determining whether to suspend an order of any 3914
other agency pending determination of an appeal. 3915

(F) The final order of adjudication may apply to any renewal 3916
of a license or permit which has been granted during the period of 3917
the appeal. 3918

(G) Notwithstanding any other provision of this section, any 3919
order issued by a court of common pleas or a court of appeals 3920
suspending the effect of an order of the liquor control commission 3921
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3922
suspends, revokes, or cancels a permit issued under Chapter 4303. 3923
of the Revised Code or that allows the payment of a forfeiture 3924
under section 4301.252 of the Revised Code shall terminate not 3925
more than six months after the date of the filing of the record of 3926
the liquor control commission with the clerk of the court of 3927
common pleas and shall not be extended. The court of common pleas, 3928
or the court of appeals on appeal, shall render a judgment in that 3929
matter within six months after the date of the filing of the 3930
record of the liquor control commission with the clerk of the 3931
court of common pleas. A court of appeals shall not issue an order 3932
suspending the effect of an order of the liquor control commission 3933
that extends beyond six months after the date on which the record 3934
of the liquor control commission is filed with a court of common 3935
pleas. 3936

(H) Notwithstanding any other provision of this section, any 3937
order issued by a court of common pleas or a court of appeals 3938
suspending the effect of an order of the Ohio casino control 3939
commission issued under Chapter 3772. of the Revised Code that 3940
limits, conditions, restricts, suspends, revokes, denies, not 3941
renews, fines, or otherwise penalizes an applicant, licensee, or 3942
person excluded or ejected from a casino facility in accordance 3943
with section 3772.031 of the Revised Code shall terminate not more 3944
than six months after the date of the filing of the record of the 3945
Ohio casino control commission with the clerk of the court of 3946
common pleas and shall not be extended. The court of common pleas, 3947

or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the Ohio casino control commission that extends beyond six months after the date on which the record of the Ohio casino control commission is filed with the clerk of a court of common pleas.

(I) Notwithstanding any other provision of this section, any order issued by a court of common pleas suspending the effect of an order of the state medical board or state chiropractic board that limits, revokes, suspends, places on probation, or refuses to register or reinstate a certificate issued by the board or reprimands the holder of the certificate shall terminate not more than fifteen months after the date of the filing of a notice of appeal in the court of common pleas, or upon the rendering of a final decision or order in the appeal by the court of common pleas, whichever occurs first.

~~(I)~~(J) Within thirty days after receipt of a notice of appeal from an order in any case in which a hearing is required by sections 119.01 to 119.13 of the Revised Code, the agency shall prepare and certify to the court a complete record of the proceedings in the case. Failure of the agency to comply within the time allowed, upon motion, shall cause the court to enter a finding in favor of the party adversely affected. Additional time, however, may be granted by the court, not to exceed thirty days, when it is shown that the agency has made substantial effort to comply. The record shall be prepared and transcribed, and the expense of it shall be taxed as a part of the costs on the appeal. The appellant shall provide security for costs satisfactory to the court of common pleas. Upon demand by any interested party, the agency shall furnish at the cost of the party requesting it a copy

of the stenographic report of testimony offered and evidence 3980
submitted at any hearing and a copy of the complete record. 3981

~~(J)~~(K) Notwithstanding any other provision of this section, 3982
any party desiring to appeal an order or decision of the state 3983
personnel board of review shall, at the time of filing a notice of 3984
appeal with the board, provide a security deposit in an amount and 3985
manner prescribed in rules that the board shall adopt in 3986
accordance with this chapter. In addition, the board is not 3987
required to prepare or transcribe the record of any of its 3988
proceedings unless the appellant has provided the deposit 3989
described above. The failure of the board to prepare or transcribe 3990
a record for an appellant who has not provided a security deposit 3991
shall not cause a court to enter a finding adverse to the board. 3992

~~(K)~~(L) Unless otherwise provided by law, in the hearing of 3993
the appeal, the court is confined to the record as certified to it 3994
by the agency. Unless otherwise provided by law, the court may 3995
grant a request for the admission of additional evidence when 3996
satisfied that the additional evidence is newly discovered and 3997
could not with reasonable diligence have been ascertained prior to 3998
the hearing before the agency. 3999

~~(L)~~(M) The court shall conduct a hearing on the appeal and 4000
shall give preference to all proceedings under sections 119.01 to 4001
119.13 of the Revised Code, over all other civil cases, 4002
irrespective of the position of the proceedings on the calendar of 4003
the court. An appeal from an order of the state medical board 4004
issued pursuant to division (G) of either section 4730.25 or 4005
4731.22 of the Revised Code, the state chiropractic board issued 4006
pursuant to section 4734.37 of the Revised Code, the liquor 4007
control commission issued pursuant to Chapter 4301. or 4303. of 4008
the Revised Code, or the Ohio casino control commission issued 4009
pursuant to Chapter 3772. of the Revised Code shall be set down 4010
for hearing at the earliest possible time and takes precedence 4011

over all other actions. The hearing in the court of common pleas 4012
shall proceed as in the trial of a civil action, and the court 4013
shall determine the rights of the parties in accordance with the 4014
laws applicable to a civil action. At the hearing, counsel may be 4015
heard on oral argument, briefs may be submitted, and evidence may 4016
be introduced if the court has granted a request for the 4017
presentation of additional evidence. 4018

~~(M)~~(N) The court may affirm the order of the agency 4019
complained of in the appeal if it finds, upon consideration of the 4020
entire record and any additional evidence the court has admitted, 4021
that the order is supported by reliable, probative, and 4022
substantial evidence and is in accordance with law. In the absence 4023
of this finding, it may reverse, vacate, or modify the order or 4024
make such other ruling as is supported by reliable, probative, and 4025
substantial evidence and is in accordance with law. The court 4026
shall award compensation for fees in accordance with section 4027
2335.39 of the Revised Code to a prevailing party, other than an 4028
agency, in an appeal filed pursuant to this section. 4029

conclusive unless reversed, vacated, or modified on appeal. These 4031
appeals may be taken either by the party or the agency, shall 4032
proceed as in the case of appeals in civil actions, and shall be 4033
pursuant to the Rules of Appellate Procedure and, to the extent 4034
not in conflict with those rules, Chapter 2505. of the Revised 4035
Code. An appeal by the agency shall be taken on questions of law 4036
relating to the constitutionality, construction, or interpretation 4037
of statutes and rules of the agency, and, in the appeal, the court 4038
may also review and determine the correctness of the judgment of 4039
the court of common pleas that the order of the agency is not 4040
supported by any reliable, probative, and substantial evidence in 4041
the entire record. 4042

The court shall certify its judgment to the agency or take 4043

any other action necessary to give its judgment effect. 4044

section 2941.51 of the Revised Code. 4268

(D)(1) When the state public defender is designated by the 4269
court or requested by a county public defender or joint county 4270
public defender to provide legal representation for an indigent 4271

defender one hundred per cent of the amount identified as legal 4279
fees and expenses in the itemized bill. 4280

(2) Upon payment of the itemized bill under division (D)(1) 4281
of this section, the county may submit the cost of the legal fees 4282

120.33 of the Revised Code. 4298

(4) When the state public defender decides to provide the 4299
legal representation described in division (A)(5)(a) or (6)(a) of 4300
this section, but does not have the capacity to provide the legal 4301
representation described in division (A)(5)(a) or (6)(a) of this 4302
section and the state public defender contracts with private 4303
counsel to provide the legal representation described in division 4304

the Revised Code. 4308

(5) There is hereby created in the state treasury the county 4309

(E)(1) Notwithstanding any contrary provision of sections 4319
109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code 4320
that pertains to representation by the attorney general, an 4321

alleged actions or omissions related to responsibilities derived 4332
pursuant to this chapter, or in a civil action that is based upon 4333
alleged violations of the constitution or statutes of the United 4334
States, including section 1983 of Title 42 of the United States 4335
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 4336
arises from alleged actions or omissions related to 4337
responsibilities derived pursuant to this chapter, if the state 4338
public defender determines, in good faith, that the defendant in 4339
the civil action or proceeding did not act manifestly outside the 4340
scope of the defendant's employment or official responsibilities, 4341
with malicious purpose, in bad faith, or in a wanton or reckless 4342
manner. If the state public defender elects not to contract 4343
pursuant to this division for private legal counsel in a civil 4344
action or proceeding, then, in accordance with sections 109.02, 4345
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 4346
attorney general shall represent or provide for the representation 4347
of the Ohio public defender commission, the state public defender, 4348
assistant state public defenders, other employees of the 4349
commission or the state public defender, or attorneys described in 4350
division (C) of section 120.41 of the Revised Code in the civil 4351
action or proceeding. 4352

(2)(a) Subject to division (E)(2)(b) of this section, payment 4353
from the state treasury for the services of private legal counsel 4354
with whom the state public defender has contracted pursuant to 4355
division (E)(1) of this section shall be accomplished only through 4356
the following procedure: 4357

(i) The private legal counsel shall file with the attorney 4358
general a copy of the contract; a request for an award of legal 4359
fees, court costs, and expenses earned or incurred in connection 4360
with the defense of the Ohio public defender commission, the state 4361
public defender, an assistant state public defender, an employee, 4362
or an attorney in a specified civil action or proceeding; a 4363
written itemization of those fees, costs, and expenses, including 4364
the signature of the state public defender and the state public 4365
defender's attestation that the fees, costs, and expenses were 4366
earned or incurred pursuant to division (E)(1) of this section to 4367
the best of the state public defender's knowledge and information; 4368
a written statement whether the fees, costs, and expenses are for 4369
all legal services to be rendered in connection with that defense, 4370
are only for legal services rendered to the date of the request 4371
and additional legal services likely will have to be provided in 4372
connection with that defense, or are for the final legal services 4373
rendered in connection with that defense; a written statement 4374
indicating whether the private legal counsel previously submitted 4375
a request for an award under division (E)(2) of this section in 4376
connection with that defense and, if so, the date and the amount 4377
of each award granted; and, if the fees, costs, and expenses are 4378
for all legal services to be rendered in connection with that 4379
defense or are for the final legal services rendered in connection 4380
with that defense, a certified copy of any judgment entry in the 4381
civil action or proceeding or a signed copy of any settlement 4382
agreement entered into between the parties to the civil action or 4383
proceeding. 4384

(ii) Upon receipt of a request for an award of legal fees, 4385
court costs, and expenses and the requisite supportive 4386
documentation described in division (E)(2)(a)(i) of this section, 4387
the attorney general shall review the request and documentation; 4388
determine whether any of the limitations specified in division 4389
(E)(2)(b) of this section apply to the request; and, if an award 4390

of legal fees, court costs, or expenses is permissible after 4391
applying the limitations, prepare a document awarding legal fees, 4392
court costs, or expenses to the private legal counsel. The 4393
document shall name the private legal counsel as the recipient of 4394
the award; specify the total amount of the award as determined by 4395
the attorney general; itemize the portions of the award that 4396
represent legal fees, court costs, and expenses; specify any 4397
limitation applied pursuant to division (E)(2)(b) of this section 4398
to reduce the amount of the award sought by the private legal 4399
counsel; state that the award is payable from the state treasury 4400
pursuant to division (E)(2)(a)(iii) of this section; and be 4401
approved by the inclusion of the signatures of the attorney 4402
general, the state public defender, and the private legal counsel. 4403

(iii) The attorney general shall forward a copy of the 4404
document prepared pursuant to division (E)(2)(a)(ii) of this 4405
section to the director of budget and management. The award of 4406
legal fees, court costs, or expenses shall be paid out of the 4407
state public defender's appropriations, to the extent there is a 4408
sufficient available balance in those appropriations. If the state 4409
public defender does not have a sufficient available balance in 4410
the state public defender's appropriations to pay the entire award 4411
of legal fees, court costs, or expenses, the director shall make 4412
application for a transfer of appropriations out of the emergency 4413
purposes account or any other appropriation for emergencies or 4414
contingencies in an amount equal to the portion of the award that 4415
exceeds the sufficient available balance in the state public 4416
defender's appropriations. A transfer of appropriations out of the 4417
emergency purposes account or any other appropriation for 4418
emergencies or contingencies shall be authorized if there are 4419
sufficient moneys greater than the sum total of then pending 4420
emergency purposes account requests, or requests for releases from 4421
the other appropriation. If a transfer of appropriations out of 4422
the emergency purposes account or other appropriation for 4423

emergencies or contingencies is made to pay an amount equal to the 4424
portion of the award that exceeds the sufficient available balance 4425
in the state public defender's appropriations, the director shall 4426
cause the payment to be made to the private legal counsel. If 4427
sufficient moneys do not exist in the emergency purposes account 4428
or other appropriation for emergencies or contingencies to pay an 4429
amount equal to the portion of the award that exceeds the 4430
sufficient available balance in the state public defender's 4431
appropriations, the private legal counsel shall request the 4432
general assembly to make an appropriation sufficient to pay an 4433
amount equal to the portion of the award that exceeds the 4434
sufficient available balance in the state public defender's 4435
appropriations, and no payment in that amount shall be made until 4436
the appropriation has been made. The private legal counsel shall 4437
make the request during the current biennium and during each 4438
succeeding biennium until a sufficient appropriation is made. 4439

(b) An award of legal fees, court costs, and expenses 4440
pursuant to division (E) of this section is subject to the 4441
following limitations: 4442

(i) The maximum award or maximum aggregate of a series of 4443
awards of legal fees, court costs, and expenses to the private 4444
legal counsel in connection with the defense of the Ohio public 4445
defender commission, the state public defender, an assistant state 4446
public defender, an employee, or an attorney in a specified civil 4447
action or proceeding shall not exceed fifty thousand dollars. 4448

(ii) The private legal counsel shall not be awarded legal 4449
fees, court costs, or expenses to the extent the fees, costs, or 4450
expenses are covered by a policy of malpractice or other 4451
insurance. 4452

(iii) The private legal counsel shall be awarded legal fees 4453
and expenses only to the extent that the fees and expenses are 4454
reasonable in light of the legal services rendered by the private 4455

legal counsel in connection with the defense of the Ohio public 4456
defender commission, the state public defender, an assistant state 4457
public defender, an employee, or an attorney in a specified civil 4458
action or proceeding. 4459

(c) If, pursuant to division (E)(2)(a) of this section, the 4460
attorney general denies a request for an award of legal fees, 4461
court costs, or expenses to private legal counsel because of the 4462
application of a limitation specified in division (E)(2)(b) of 4463
this section, the attorney general shall notify the private legal 4464
counsel in writing of the denial and of the limitation applied. 4465

(d) If, pursuant to division (E)(2)(c) of this section, a 4466
private legal counsel receives a denial of an award notification 4467
or if a private legal counsel refuses to approve a document under 4468
division (E)(2)(a)(ii) of this section because of the proposed 4469
application of a limitation specified in division (E)(2)(b) of 4470
this section, the private legal counsel may commence a civil 4471
action against the attorney general in the court of claims to 4472
prove the private legal counsel's entitlement to the award sought, 4473
to prove that division (E)(2)(b) of this section does not prohibit 4474
or otherwise limit the award sought, and to recover a judgment for 4475
the amount of the award sought. A civil action under division 4476
(E)(2)(d) of this section shall be commenced no later than two 4477
years after receipt of a denial of award notification or, if the 4478
private legal counsel refused to approve a document under division 4479
(E)(2)(a)(ii) of this section because of the proposed application 4480
of a limitation specified in division (E)(2)(b) of this section, 4481
no later than two years after the refusal. Any judgment of the 4482
court of claims in favor of the private legal counsel shall be 4483
paid from the state treasury in accordance with division (E)(2)(a) 4484
of this section. 4485

(F) If a court appoints the office of the state public 4486
defender to represent a petitioner in a postconviction relief 4487

proceeding under section 2953.21 of the Revised Code, the 4488
petitioner has received a sentence of death, and the proceeding 4489
relates to that sentence, all of the attorneys who represent the 4490
petitioner in the proceeding pursuant to the appointment, whether 4491
an assistant state public defender, the state public defender, or 4492
another attorney, shall be certified under Rule 20 of the Rules of 4493
Superintendence for the Courts of Ohio to represent indigent 4494
defendants charged with or convicted of an offense for which the 4495
death penalty can be or has been imposed. 4496

(G)(1) The state public defender may conduct a legal 4497
assistance referral service for children committed to the 4498
department of youth services relative to conditions of confinement 4499
claims. If the legal assistance referral service receives a 4500
request for assistance from a child confined in a facility 4501
operated, or contracted for, by the department of youth services 4502
and the state public defender determines that the child has a 4503
conditions of confinement claim that has merit, the state public 4504
defender may refer the child to a private attorney. If no private 4505
attorney who the child has been referred to by the state public 4506
defender accepts the case within a reasonable time, the state 4507
public defender may prepare, as appropriate, pro se pleadings in 4508
the form of a complaint regarding the conditions of confinement at 4509
the facility where the child is confined with a motion for 4510
appointment of counsel and other applicable pleadings necessary 4511
for sufficient pro se representation. 4512

(2) Division (G)(1) of this section does not authorize the 4513
state public defender to represent a child committed to the 4514
department of youth services in general civil matters arising 4515
solely out of state law. 4516

(3) The state public defender shall not undertake the 4517
representation of a child in court based on a conditions of 4518
confinement claim arising under this division. 4519

(H) A child's right to representation or services under this 4520
section is not affected by the child, or another person on behalf 4521
of the child, previously having paid for similar representation or 4522
services or having waived legal representation. 4523

(I) The state public defender shall have reasonable access to 4524
any child committed to the department of youth services, 4525
department of youth services institution, and department of youth 4526
services record as needed to implement this section. 4527

indigent person shall have the right to do either of the 4607

days after the end of the calendar month in which the case is 4691
finally disposed of by the court, unless the county has requested 4692
and the state public defender has granted an extension of the 4693
ninety-day limit, the state public defender shall not pay the 4694
requested reimbursement. The state public defender shall also 4695

A contract entered into pursuant to this division may provide for payment for the services provided on a per case, hourly, or fixed contract basis. For a county that has entered into a contract with the state public defender under this division, the state public defender shall reimburse one hundred per cent of the eligible costs of the remaining indigent defense needs of that county that are not covered by the contract.

council's appointing authority for any employees of the council. 5336
The council shall file an annual budget with its administrative 5337
agent, with copies filed with the county auditor and with the 5338
board of county commissioners, unless the board is serving as the 5339
council's administrative agent. The council's administrative agent 5340
shall ensure that all expenditures are handled in accordance with 5341
policies, procedures, and activities prescribed by state 5342
departments in rules, grant agreements, or interagency agreements 5343
that are applicable to the council's functions. 5344

The administrative agent of a county council shall send 5345

director of youth services; and for the member listed in division 5361
(B)(1)(n) of this section, to that member's board of trustees. 5362

The administrative agent for a county council may do any of 5363
the following on behalf of the council: 5364

(i) Enter into agreements or administer contracts with public 5365

or private entities to fulfill specific council business. Such 5366
agreements and contracts are exempt from the competitive bidding 5367
requirements of section 307.86 of the Revised Code if they have 5368
been approved by the county council and they are for the purchase 5369
of ~~family and child welfare or child protection services or other~~ 5370
~~social or job and family~~ services for families and children. The 5371
approval of the county council is not required to exempt 5372
agreements or contracts entered into under section 5139.34, 5373
5139.41, or 5139.43 of the Revised Code from the competitive 5374
bidding requirements of section 307.86 of the Revised Code. 5375

(ii) As determined by the council, provide financial 5376
stipends, reimbursements, or both, to family representatives for 5377
expenses related to council activity; 5378

(iii) Receive by gift, grant, devise, or bequest any moneys, 5379
lands, or other property for the purposes for which the council is 5380
established. The agent shall hold, apply, and dispose of the 5381
moneys, lands, or other property according to the terms of the 5382
gift, grant, devise, or bequest. Any interest or earnings shall be 5383
treated in the same manner and are subject to the same terms as 5384
the gift, grant, devise, or bequest from which it accrues. 5385

(b)(i) If the county council designates the board of county 5386
commissioners as its administrative agent, the board may, by 5387
resolution, delegate any of its powers and duties as 5388
administrative agent to an executive committee the board 5389
establishes from the membership of the county council. The board 5390
shall name to the executive committee at least the individuals 5391
described in divisions (B)(1)(b) to (h) of this section and may 5392

The executive director shall serve in the unclassified civil service at the pleasure of the executive committee. The executive director may, with the approval of the executive committee, hire other employees as necessary to properly conduct the county council's business.

(iii) The board may require the executive committee to submit an annual budget to the board for approval and may amend or repeal the resolution that delegated to the executive committee its authority as the county council's administrative agent.

(6) Two or more county councils may enter into an agreement to administer their county councils jointly by creating a regional family and children first council. A regional council possesses the same duties and authority possessed by a county council, except that the duties and authority apply regionally rather than to individual counties. Prior to entering into an agreement to create a regional council, the members of each county council to be part of the regional council shall meet to determine whether all or part of the members of each county council will serve as members of the regional council.

(7) A board of county commissioners may approve a resolution by a majority vote of the board's members that requires the county council to submit a statement to the board each time the council proposes to enter into an agreement, adopt a plan, or make a decision, other than a decision pursuant to section 121.38 of the Revised Code, that requires the expenditure of funds for two or more families. The statement shall describe the proposed agreement, plan, or decision.

Not later than fifteen days after the board receives the statement, it shall, by resolution approved by a majority of its members, approve or disapprove the agreement, plan, or decision.

Failure of the board to pass a resolution during that time period 5430
shall be considered approval of the agreement, plan, or decision. 5431

An agreement, plan, or decision for which a statement is 5432
required to be submitted to the board shall be implemented only if 5433
it is approved by the board. 5434

(C) Each county shall develop a county service coordination 5435
mechanism. The county service coordination mechanism shall serve 5436
as the guiding document for coordination of services in the 5437
county. For children who also receive services under the ~~help-me~~ 5438
~~grow program~~ early intervention program, the main provider of 5439
service coordination ~~mechanism~~ shall be ~~consistent with rules~~ 5440
~~adopted by the department of health under~~ an early intervention 5441
service coordinator to ensure compliance with section ~~3701.61~~ 5442
5123.02 of the Revised Code. All family service coordination plans 5443
shall be developed in accordance with the county service 5444
coordination mechanism. The mechanism shall be developed and 5445
approved with the participation of the county entities 5446
representing child welfare; developmental disabilities; alcohol, 5447
drug addiction, and mental health services; health; juvenile 5448
judges; education; the county family and children first council; 5449
and the county early intervention collaborative established 5450
pursuant to the federal early intervention program operated under 5451
the "Individuals with Disabilities Education Act of 2004." The 5452
county shall establish an implementation schedule for the 5453
mechanism. The cabinet council may monitor the implementation and 5454
administration of each county's service coordination mechanism. 5455

Each mechanism shall include all of the following: 5456

(1) A procedure for an agency, including a juvenile court, or 5457

child and family to the county council for service coordination in 5459

(2) A procedure ensuring that a family and all appropriate staff from involved agencies, including a representative from the appropriate school district, are notified of and invited to participate in all family service coordination plan meetings;

(4) A procedure for ensuring that a family service coordination plan meeting is conducted for each child who receives service coordination under the mechanism and for whom an emergency out-of-home placement has been made or for whom a nonemergency out-of-home placement is being considered. The meeting shall be conducted within ten days of an emergency out-of-home placement. The meeting shall be conducted before a nonemergency out-of-home placement. The family service coordination plan shall outline how the county council members will jointly pay for services, where applicable, and provide services in the least restrictive environment.

(5) A procedure for monitoring the progress and tracking the outcomes of each service coordination plan requested in the county including monitoring and tracking children in out-of-home placements to assure continued progress, appropriateness of placement, and continuity of care after discharge from placement with appropriate arrangements for housing, treatment, and education;

voluntarily seeking services, and for ensuring that parents and 5494
custodians are afforded the opportunity to participate; 5495

(8) A procedure for development of a family service 5496
coordination plan described in division (D) of this section; 5497

(9) A local dispute resolution process to serve as the 5498
process that must be used first to resolve disputes among the 5499
agencies represented on the county council concerning the 5500
provision of services to children, including children who are 5501
abused, neglected, dependent, unruly, alleged unruly, or 5502
delinquent children and under the jurisdiction of the juvenile 5503

resolve disputes between a child's parents or custodians and the 5508
county council regarding service coordination. The county council 5509
shall inform the parents or custodians of their right to use the 5510
dispute resolution process. Parents or custodians shall use 5511
existing local agency grievance procedures to address disputes not 5512
involving service coordination. The dispute resolution process is 5513
in addition to and does not replace other rights or procedures 5514
that parents or custodians may have under other sections of the 5515
Revised Code. 5516

The cabinet council shall adopt rules in accordance with 5517
Chapter 119. of the Revised Code establishing an administrative 5518
review process to address problems that arise concerning the 5519
operation of a local dispute resolution process. 5520

Sec. 121.81. As used in sections 121.81 to ~~121.83~~ 121.82 of 5700

the Revised Code: 5701

(A) "Agency" means a state agency that is required to file 5702
proposed rules for legislative review under division (D) of 5703
section 111.15 or division (C) of section 119.03 of the Revised 5704
Code. 5705

(B) "Draft rule" means any newly proposed rule and any 5706
proposed amendment, adoption, or rescission of a rule prior to the 5707
filing of that rule for legislative review under division (D) of 5708
section 111.15 or division (C) of section 119.03 of the Revised 5709
Code and includes a proposed amendment, adoption, or rescission of 5710
a rule in both its original and any revised form. "Draft rule" 5711
does not include an emergency rule adopted under division (B)(2) 5712
of section 111.15 or division (G) of section 119.03 of the Revised 5713
Code, but does include a rule that is proposed to replace an 5714
emergency rule that expires under those divisions. 5715

Sections 121.81 to ~~121.83~~ 121.82 and 121.91 of the Revised 5716
Code are complementary to sections 107.51 to 107.55 and 107.61 to 5717
107.63 of the Revised Code. 5718

Sec. 121.811. The offices of the governor, lieutenant 5719
governor, auditor of state, secretary of state, treasurer of 5720
state, and attorney general shall comply with the business review 5721
provisions of sections 106.03 and 106.031 and 121.81 to ~~121.83~~ 5722
121.82 of the Revised Code, but are not required to submit any 5723
document to the common sense initiative office or to prepare any 5724
document that would have been prepared in response to 5725
recommendations of the common sense initiative office, but rather 5726
shall prepare all other documents required under the business 5727
review provisions and submit them directly to the joint committee 5728
on agency rule review along with the proposed or existing rule. 5729
The offices of the governor, lieutenant governor, auditor of 5730
state, secretary of state, treasurer of state, and attorney 5731

general are subject, however, to section 106.05 of the Revised Code. 5732
5733

Sec. 121.93. (A) ~~An~~ Except as provided in division (E) of 5734
this section, an agency shall review its operations to identify 5735
principles of law or policy that have not been stated in a rule 5736
and that the agency is relying upon in conducting adjudications or 5737
other determinations of rights and liabilities or in issuing 5738
writings and other materials, such as instructions, directives, 5739
policy statements, guidelines, handbooks, manuals, advisories, 5740
notices, circulars, advertisements, forms, letters, and opinions. 5741
An agency is not required to identify principles of law or policy 5742
relied upon in issuing internal management rules as defined n 5743
section 111.15 of the Revised Code. The agency shall complete at 5744
least one of the reviews during a governor's term. 5745

Within ~~three~~ six months after the expiration of a governor's 5746
term, the agency electronically shall transmit a report to the 5747
joint committee on agency rule review containing the following: 5748

(1) A statement that the agency has completed one or more of 5749
the reviews, specifying the exact number of reviews completed 5750
during the governor's expired term; 5751

(2) The principles of law or policies identified under this 5752
division; 5753

(3) The agency's considerations regarding the identified 5754
principles of law or policies under division (B) of this section; 5755

(4) Any principles of law or policies for which the agency 5756
determines rulemaking is indicated or for which the agency has 5757
commenced the rule-making process under division (C) of this 5758
section. 5759

The joint committee on agency rule review shall make the 5760
reports available on its web site. 5761

(B) The agency shall determine whether a principle of law or policy thus identified has a general and uniform operation and establishes a legal regulation or standard that would not exist in its absence. If the principle of law or policy has these characteristics, the agency shall determine whether the principle of law or policy should be supplanted by its restatement in a rule to achieve one or more of the following as they are relevant to the principle of law or policy:

(1) Assert the general and uniform operation of the principle of law or policy;

(2) Make the principle of law or policy more readily available to the public;

(3) Make the principle of law or policy more readily available to persons who specifically are affected by the principle of law or policy;

(4) Enable the principle of law or policy to be better known in advance of its application;

(5) Enable greater public participation in improvement and further development of the principle of law or policy;

(6) Enable greater participation by persons specifically affected by the principle of law or policy in the improvement and further development of the principle of law or policy;

(7) Make the principle of law or policy more easily understandable; or

(8) Make the principle of law or policy more readily available to those legally charged with monitoring or reviewing the agency's operations.

If a principle of law or policy aids in the interpretation of an existing rule or statute, the agency shall consider whether the aiding effect clarifies or otherwise resolves an uncertainty in

the existing rule or statute. If the principle of law or policy 5792
can be so characterized, the agency shall consider whether the 5793
principle of law or policy should be supplanted by its restatement 5794
in an interpretive rule. The agency may not presume that a 5795
principle of law or policy that aids in the interpretation of an 5796
existing rule or statute is simply a reiteration of the existing 5797
rule or statute. 5798

(C) If the agency determines, in light of the foregoing 5799
standards, that rulemaking is indicated, the agency shall commence 5800
the rule-making process as soon as it is reasonably feasible to do 5801
so, but not later than the date that is six months after the 5802
determination was made. The principle of law or policy as it is 5803
restated in a rule does not need to be wholly congruent with the 5804
supplanted principle of law or policy. The agency lawfully may 5805
improve or develop further the supplanted principle of law or 5806
policy as it is restated in a rule. 5807

The agency may continue to rely upon the principle of law or 5808
policy, but only while it is complying with the preceding 5809
paragraph. The agency may not rely upon the principle of law or 5810
policy in advising with regard to or in determining the rights or 5811
liabilities of a person if the agency fails to commence the 5812
rule-making process by the deadline specified in the preceding 5813
paragraph, or if, after commencing the rule-making process, the 5814
agency neglects or abandons the rule-making process before it is 5815
completed. 5816

(D) A principle of law or policy that is relied upon directly 5817
or by clear implication from a statute applying to the agency does 5818
not need to be supplanted by rule. 5819

(E) This section does not apply to an agency, commission, or 5820
committee created in the legislative branch of government or to 5821
serve the general assembly including, but not limited to, all of 5822
the following: 5823

- (1) The joint legislative ethics committee; 5824
- (2) The joint medicaid oversight committee; 5825
- (3) The correctional institution inspection committee; 5826
- (4) The legislative service commission; 5827
- (5) The legislative information services; 5828
- (6) The capitol square review and advisory board. 5829

entity is organized for the purposes of sections 121.95, 121.951, 5842
121.952, and 121.953 ~~, and 121.954~~ of the Revised Code. 5843

(B) Not later than December 31, 2019, a state agency shall 5844
review its existing rules to identify rules having one or more 5845
regulatory restrictions that require or prohibit an action and 5846
prepare a base inventory of the regulatory restrictions in its 5847
existing rules. Rules that include the words "shall," "must," 5848
"require," "shall not," "may not," and "prohibit" shall be 5849
considered to contain regulatory restrictions. 5850

(C) In the base inventory, the state agency shall indicate 5851
all of the following concerning each regulatory restriction: 5852

- (1) A description of the regulatory restriction; 5853

(2) The rule number of the rule in which the regulatory restriction appears;	5854 5855
(3) The statute under which the regulatory restriction was adopted;	5856 5857
(4) Whether state or federal law expressly and specifically requires the agency to adopt the regulatory restriction or the agency adopted the regulatory restriction under the agency's general authority;	5858 5859 5860 5861
(5) Whether removing the regulatory restriction would require a change to state or federal law, provided that removing a regulatory restriction adopted under a law granting the agency general authority shall be presumed not to require a change to state or federal law;	5862 5863 5864 5865 5866
(6) Any other information the joint committee on agency rule review considers necessary.	5867 5868
(D) The state agency shall compute and state the total number of regulatory restrictions indicated in the base inventory, shall post the base inventory on its web site, and shall electronically transmit a copy of the inventory to the joint committee. The joint committee shall review the base inventory, then transmit it electronically to the speaker of the house of representatives and the president of the senate.	5869 5870 5871 5872 5873 5874 5875
(E) The following types of rules or regulatory restrictions are not required to be included in a state agency's inventory of regulatory restrictions <u>subject to this section or sections 121.951 to 121.953 of the Revised Code:</u>	5876 5877 5878 5879
(1) An internal management rule;	5880
(2) An emergency rule;	5881
(3) A rule that state or federal law requires the state agency to adopt verbatim;	5882 5883

(F) Beginning on October 17, 2019, and ending on June 30, 2025, a state agency may not adopt a new regulatory restriction unless it simultaneously removes two or more other existing regulatory restrictions. The state agency may not satisfy this section by merging two or more existing regulatory restrictions into a single surviving regulatory restriction.

employer during the employer's taxable year, or during the 5924

(b) The supplier sells tangible personal property directly to 6041
a megaproject operator for use at a megaproject site, provided 6042
that the supplier agrees, in an agreement with the tax credit 6043
authority under division (D) of this section, to meet all of the 6044
following requirements: 6045

(i) By the metric evaluation date applicable to the supplier, 6046
makes at least one hundred million dollars, as adjusted under 6047
division (V)(2) of this section, in fixed-asset investments in 6048
this state; 6049

(ii) By the metric evaluation date applicable to the 6050
supplier, creates at least ten million dollars, as adjusted under 6051
division (V)(2) of this section, in Ohio employee payroll; 6052

(iii) On and after the metric evaluation date applicable to 6053
the supplier, until the end of the last year for which the 6054
supplier qualifies for the credit authorized under this section, 6055
maintains at least the amount in Ohio employee payroll required 6056
under division (A)(13)(b)(ii) of this section for each year in 6057
that period. 6058

(B) The tax credit authority may make grants under this 6059
section to foster job creation in this state. Such a grant shall 6060
take the form of a refundable credit allowed against the tax 6061
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 6062
5747.02 or levied under Chapter 5751. of the Revised Code. The 6063
credit shall be claimed for the taxable years or tax periods 6064
specified in the taxpayer's agreement with the tax credit 6065
authority under division (D) of this section. With respect to 6066

taxes imposed under section 5726.02, 5733.06, or 5747.02 or 6067
Chapter 5751. of the Revised Code, the credit shall be claimed in 6068
the order required under section 5726.98, 5733.98, 5747.98, or 6069
5751.98 of the Revised Code. The amount of the credit available 6070
for a taxable year or for a calendar year that includes a tax 6071
period equals the excess payroll for that year multiplied by the 6072
percentage specified in the agreement with the tax credit 6073
authority. 6074

(C)(1) A taxpayer or potential taxpayer who proposes a 6075
project to create new jobs in this state may apply to the tax 6076
credit authority to enter into an agreement for a tax credit under 6077
this section. 6078

An application shall not propose to include both home-based 6079
employees and employees who are not home-based employees in the 6080
computation of Ohio employee payroll for the purposes of the same 6081
tax credit agreement, except that a qualifying work-from-home 6082
employee shall not be considered to be a home-based employee 6083
unless so designated by the applicant. If a taxpayer or potential 6084
taxpayer employs both home-based employees and employees who are 6085
not home-based employees in a project, the taxpayer shall submit 6086
separate applications for separate tax credit agreements for the 6087
project, one of which shall include home-based employees in the 6088
computation of Ohio employee payroll and one of which shall 6089
include all other employees in the computation of Ohio employee 6090
payroll. 6091

The director of development shall prescribe the form of the 6092
application. After receipt of an application, the authority may 6093
enter into an agreement with the taxpayer for a credit under this 6094
section if it determines all of the following: 6095

(a) The taxpayer's project will increase payroll; 6096

(b) The taxpayer's project is economically sound and will 6097

benefit the people of this state by increasing opportunities for 6098
employment and strengthening the economy of this state; 6099

(c) Receiving the tax credit is a major factor in the 6100
taxpayer's decision to go forward with the project. 6101

(2)(a) A taxpayer that chooses to begin the project prior to 6102
receiving the determination of the authority may, upon submitting 6103
the taxpayer's application to the authority, request that the 6104
chief investment officer of the nonprofit corporation formed under 6105
section 187.01 of the Revised Code and the director review the 6106
taxpayer's application and recommend to the authority that the 6107
taxpayer's application be considered. As soon as possible after 6108
receiving such a request, the chief investment officer and the 6109
director shall review the taxpayer's application and, if they 6110
determine that the application warrants consideration by the 6111
authority, make that recommendation to the authority not later 6112
than six months after the application is received by the 6113
authority. 6114

(b) The authority shall consider any taxpayer's application 6115
for which it receives a recommendation under division (C)(2)(a) of 6116
this section. If the authority determines that the taxpayer does 6117
not meet all of the criteria set forth in division (C)(1) of this 6118
section, the authority and the department of development shall 6119
proceed in accordance with rules adopted by the director pursuant 6120
to division (I) of this section. 6121

(D) An agreement under this section shall include all of the 6122
following: 6123

(1) A detailed description of the project that is the subject 6124
of the agreement; 6125

(2)(a) The term of the tax credit, which, except as provided 6126
in division (D)(2)(b) or (C) of this section, shall not exceed 6127
fifteen years, and the first taxable year, or first calendar year 6128

that includes a tax period, for which the credit may be claimed; 6129

(b) If the tax credit is computed on the basis of home-based 6130
employees, the term of the credit shall expire on or before the 6131
last day of the taxable or calendar year ending before the 6132
beginning of the seventh year after September 6, 2012, the 6133
effective date of H.B. 327 of the 129th general assembly. 6134

(c) If the taxpayer is a megaproject operator or a 6135
megaproject supplier that meets the requirements described in 6136
division (A)(13)(b) of this section, the term of the tax credit 6137
shall not exceed thirty years. 6138

(3) A requirement that the taxpayer shall maintain operations 6139
at the project location for at least the greater of seven years or 6140
the term of the credit plus three years; 6141

(4) The percentage, as determined by the tax credit 6142
authority, of excess payroll that will be allowed as the amount of 6143
the credit for each taxable year or for each calendar year that 6144
includes a tax period; 6145

(5) The pay increase factor to be applied to the taxpayer's 6146
baseline payroll; 6147

(6) A requirement that the taxpayer annually shall report to 6148
the director of development full-time equivalent employees, 6149
payroll, Ohio employee payroll, investment, the provision of 6150
health care benefits and tuition reimbursement if required in the 6151
agreement, and other information the director needs to perform the 6152
director's duties under this section; 6153

(7) A requirement that the director of development annually 6154
review the information reported under division (D)(6) of this 6155
section and verify compliance with the agreement; if the taxpayer 6156
is in compliance, a requirement that the director issue a 6157
certificate to the taxpayer stating that the information has been 6158
verified and identifying the amount of the credit that may be 6159

claimed for the taxable or calendar year. If the taxpayer is a 6160
megaproject supplier, the director shall issue such a certificate 6161
to the megaproject supplier and to any megaproject operator (a) to 6162
which the megaproject supplier directly sells tangible personal 6163
property and (b) that is authorized to claim the credit pursuant 6164
to division (D)(10) of this section. 6165

(8) A provision providing that the taxpayer may not relocate 6166
a substantial number of employment positions from elsewhere in 6167
this state to the project location unless the director of 6168
development determines that the legislative authority of the 6169
county, township, or municipal corporation from which the 6170
employment positions would be relocated has been notified by the 6171
taxpayer of the relocation. 6172

For purposes of this section, the movement of an employment 6173
position from one political subdivision to another political 6174
subdivision shall be considered a relocation of an employment 6175
position unless the employment position in the first political 6176
subdivision is replaced. The movement of a qualifying 6177
work-from-home employee to a different residence located in this 6178
state or to the project location shall not be considered a 6179
relocation of an employment position. 6180

(9) If the tax credit is computed on the basis of home-based 6181
employees, that the tax credit may not be claimed by the taxpayer 6182
until the taxable year or tax period in which the taxpayer employs 6183
at least two hundred employees more than the number of employees 6184
the taxpayer employed on June 30, 2011; 6185

(10) If the taxpayer is a megaproject supplier, the 6186
percentage of the annual tax credit certified under division 6187
(D)(7) of this section, up to one hundred per cent, that may be 6188
claimed by each megaproject operator to which the megaproject 6189
supplier directly sells tangible personal property, rather than by 6190
that megaproject supplier, on the condition that the megaproject 6191

operator continues to qualify as a megaproject operator; 6192

(11) If the taxpayer is a megaproject operator or megaproject 6193
supplier, a requirement that the taxpayer meet and maintain 6194
compliance with all thresholds and requirements to which the 6195
taxpayer agreed, pursuant to division (A)(11) or (13) of this 6196
section, respectively, as a condition of the operator's project 6197
qualifying as a megaproject or the supplier qualifying as a 6198
megaproject supplier until the end of the last year for which the 6199
taxpayer qualifies for the credit authorized under this section. 6200
In each year that a megaproject operator or megaproject supplier 6201
is subject to an agreement with the tax credit authority under 6202
this section and meets the requirements of this division, the 6203
director of development shall issue a certificate to the 6204
megaproject operator or megaproject supplier stating that the 6205
megaproject operator or megaproject supplier continues to meet 6206
those requirements. 6207

(12) If the taxpayer is a megaproject operator, a requirement 6208
that the megaproject operator submit, in a form acceptable to the 6209
director of development, an economic impact report with respect to 6210
each megaproject for which the megaproject operator is designated, 6211
summarizing all of the following for the reporting year: 6212

(a) The aggregate amount of purchases made by the megaproject 6213
operator for such megaproject from megaproject suppliers; 6214

(b) The aggregate amount of purchases made by the megaproject 6215
operator for such megaproject from suppliers other than 6216
megaproject suppliers; 6217

(c) A summary of the construction activity for any facilities 6218
at the site of the megaproject in that year; 6219

(d) The aggregate amount expended by the megaproject operator 6220
on research and development at the site of the megaproject in that 6221
year; 6222

(e) The number of employees working at the site of the megaproject and the counties in which those employees reside;

(f) A summary of the supply chain activity in support of the megaproject, including a list of the twenty-five suppliers with a physical presence in Ohio from which the megaproject operator made the most purchases in that year.

The economic impact report shall be due on or before the first day of July of each year, beginning in the year specified in the agreement with the tax credit authority. The information required in the report shall be certified as true and correct by an officer of the megaproject operator. If there is more than one megaproject operator designated for a single megaproject, all of the megaproject operators designated for the megaproject may jointly submit a single report. Any information contained in the report is a public record for purposes of section 149.43 of the Revised Code and shall be published on the department of development's web site.

(E)(1) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year.

(2) If the tax credit authority determines that a taxpayer that is a megaproject operator of a megaproject described in division (A)(11)(a)(ii) of this section is not fully compliant with the requirements of the agreement, the authority may impose a recoupment payment on the taxpayer in accordance with the following:

(a) If, on the metric evaluation date, the taxpayer fails to substantially meet the capital investment, full-time equivalent

employee, or payroll requirements included in the agreement, an 6254
amount determined at the discretion of the authority, not to 6255
exceed the sum of the following for all years prior to the metric 6256
evaluation date: (i) the amount of taxes that would have been 6257
imposed under Chapters 5739. and 5741. of the Revised Code in the 6258
absence of the agreement, and (ii) the amount of taxes that would 6259
have been imposed under Chapter 5751. of the Revised Code on 6260
receipts realized from sales to the taxpayer in the absence of the 6261
agreement; 6262

(b) If the taxpayer fails to substantially maintain the 6263
capital investment, full-time equivalent employee, or payroll 6264
requirements included in the agreement in any year after the 6265
metric evaluation date, an amount determined at the discretion of 6266
the authority, not to exceed the sum of the following for the 6267
calendar year in which taxpayer failed to meet the requirements: 6268
(i) the amount of taxes that would have been imposed under 6269
Chapters 5739. and 5741. of the Revised Code in the absence of the 6270
agreement, and (ii) the amount of taxes that would have been 6271
imposed under Chapter 5751. of the Revised Code on receipts 6272
realized from sales to the taxpayer in the absence of the 6273
agreement. 6274

(3) The tax credit authority may, subject to any requirements 6275
of the tax credit agreement, take into consideration the 6276
taxpayer's prior performance and any market conditions impacting 6277
the taxpayer when determining the amount of the recoupment payment 6278
described in division (E)(2) of this section. 6279

(F) Projects that consist solely of point-of-final-purchase 6280
retail facilities are not eligible for a tax credit under this 6281
section. If a project consists of both point-of-final-purchase 6282
retail facilities and nonretail facilities, only the portion of 6283
the project consisting of the nonretail facilities is eligible for 6284
a tax credit and only the excess payroll from the nonretail 6285

facilities shall be considered when computing the amount of the 6286
tax credit. If a warehouse facility is part of a 6287
point-of-final-purchase retail facility and supplies only that 6288
facility, the warehouse facility is not eligible for a tax credit. 6289
Catalog distribution centers are not considered 6290
point-of-final-purchase retail facilities for the purposes of this 6291
division, and are eligible for tax credits under this section. 6292

(G) Financial statements and other information submitted to 6293
the department of development or the tax credit authority by an 6294
applicant or recipient of a tax credit under this section, and any 6295
information taken for any purpose from such statements or 6296
information, are not public records subject to section 149.43 of 6297
the Revised Code. However, the chairperson of the authority may 6298
make use of the statements and other information for purposes of 6299
issuing public reports or in connection with court proceedings 6300
concerning tax credit agreements under this section. Upon the 6301
request of the tax commissioner or, if the applicant or recipient 6302
is an insurance company, upon the request of the superintendent of 6303
insurance, the chairperson of the authority shall provide to the 6304
commissioner or superintendent any statement or information 6305
submitted by an applicant or recipient of a tax credit in 6306
connection with the credit. The commissioner or superintendent 6307
shall preserve the confidentiality of the statement or 6308
information. 6309

(H) A taxpayer claiming a credit under this section shall 6310
submit to the tax commissioner or, if the taxpayer is an insurance 6311
company, to the superintendent of insurance, a copy of the 6312
director of development's certificate of verification under 6313
division (D)(7) of this section with the taxpayer's tax report or 6314
return for the taxable year or for the calendar year that includes 6315
the tax period. Failure to submit a copy of the certificate with 6316
the report or return does not invalidate a claim for a credit if 6317

the taxpayer submits a copy of the certificate to the commissioner 6318
or superintendent within the time prescribed by section 5703.0510 6319
of the Revised Code or within thirty days after the commissioner 6320
or superintendent requests it. 6321

(I) The director of development, after consultation with the 6322
tax commissioner and the superintendent of insurance and in 6323
accordance with Chapter 119. of the Revised Code, shall adopt 6324
rules necessary to implement this section, including rules that 6325
establish a procedure to be followed by the tax credit authority 6326
and the department of development in the event the authority 6327
considers a taxpayer's application for which it receives a 6328
recommendation under division (C)(2)(a) of this section but does 6329
not approve it. The rules may provide for recipients of tax 6330
credits under this section to be charged fees to cover 6331
administrative costs of the tax credit program. For the purposes 6332
of these rules, a qualifying work-from-home employee shall be 6333
considered to be an employee employed at the applicant's project 6334
location. The fees collected shall be credited to the tax 6335
incentives operating fund created in section 122.174 of the 6336
Revised Code. At the time the director gives public notice under 6337
division (A) of section 119.03 of the Revised Code of the adoption 6338
of the rules, the director shall submit copies of the proposed 6339
rules to the chairpersons of the standing committees on economic 6340
development in the senate and the house of representatives. 6341

(J) For the purposes of this section, a taxpayer may include 6342
a partnership, a corporation that has made an election under 6343
subchapter S of chapter one of subtitle A of the Internal Revenue 6344
Code, or any other business entity through which income flows as a 6345
distributive share to its owners. A partnership, S-corporation, or 6346
other such business entity may elect to pass the credit received 6347
under this section through to the persons to whom the income or 6348
profit of the partnership, S-corporation, or other entity is 6349

distributed. The election shall be made on the annual report 6350
required under division (D)(6) of this section. The election 6351
applies to and is irrevocable for the credit for which the report 6352
is submitted. If the election is made, the credit shall be 6353
apportioned among those persons in the same proportions as those 6354
in which the income or profit is distributed. 6355

(K)(1) If the director of development determines that a 6356
taxpayer who has received a credit under this section is not 6357
complying with the requirements of the agreement, the director 6358
shall notify the tax credit authority of the noncompliance. After 6359
receiving such a notice, and after giving the taxpayer an 6360
opportunity to explain the noncompliance, the tax credit authority 6361
may require the taxpayer to refund to this state a portion of the 6362
credit in accordance with the following: 6363

(a) If the taxpayer fails to comply with the requirement 6364
under division (D)(3) of this section, an amount determined in 6365
accordance with the following: 6366

(i) If the taxpayer maintained operations at the project 6367
location for a period less than or equal to the term of the 6368
credit, an amount not exceeding one hundred per cent of the sum of 6369
any credits allowed and received under this section; 6370

(ii) If the taxpayer maintained operations at the project 6371
location for a period longer than the term of the credit, but less 6372
than the greater of seven years or the term of the credit plus 6373
three years, an amount not exceeding seventy-five per cent of the 6374
sum of any credits allowed and received under this section. 6375

(b) If, on the metric evaluation date, the taxpayer fails to 6376
substantially meet the job creation, payroll, or investment 6377
requirements included in the agreement, an amount determined at 6378
the discretion of the authority; 6379

(c) If the taxpayer fails to substantially maintain the 6380

number of new full-time equivalent employees or amount of payroll 6381
required under the agreement at any time during the term of the 6382
agreement after the metric evaluation date, an amount determined 6383
at the discretion of the authority. 6384

(2) If a taxpayer files for bankruptcy and fails as described 6385
in division (K)(1)(a), (b), or (c) of this section, the director 6386
may immediately commence an action to recoup an amount not 6387
exceeding one hundred per cent of the sum of any credits received 6388
by the taxpayer under this section. 6389

(3) In determining the portion of the tax credit to be 6390
refunded to this state, the tax credit authority shall consider 6391
the effect of market conditions on the taxpayer's project and 6392
whether the taxpayer continues to maintain other operations in 6393
this state. After making the determination, the authority shall 6394
certify the amount to be refunded to the tax commissioner or 6395
superintendent of insurance, as appropriate. If the amount is 6396
certified to the commissioner, the commissioner shall make an 6397
assessment for that amount against the taxpayer under Chapter 6398
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 6399
amount is certified to the superintendent, the superintendent 6400
shall make an assessment for that amount against the taxpayer 6401
under Chapter 5725. or 5729. of the Revised Code. The time 6402
limitations on assessments under those chapters do not apply to an 6403
assessment under this division, but the commissioner or 6404
superintendent, as appropriate, shall make the assessment within 6405
one year after the date the authority certifies to the 6406
commissioner or superintendent the amount to be refunded. Within 6407
ninety days after certifying the amount to be refunded, if 6408
circumstances have changed, the authority may adjust the amount to 6409
be refunded and certify the adjusted amount to the commissioner or 6410
superintendent. The authority may only adjust the amount to be 6411
refunded one time and only if the amount initially certified by 6412

the authority has not been repaid, in whole or in part, by the 6413
taxpayer or certified to the attorney general for collection under 6414
section 131.02 of the Revised Code. 6415

(L) On or before the first day of August each year, the 6416
director of development shall submit a report to the governor, the 6417
president of the senate, and the speaker of the house of 6418
representatives on the tax credit program under this section. The 6419
report shall include information on the number of agreements that 6420
were entered into under this section during the preceding calendar 6421
year, a description of the project that is the subject of each 6422
such agreement, and an update on the status of projects under 6423
agreements entered into before the preceding calendar year. 6424

(M) There is hereby created the tax credit authority, which 6425
consists of the director of development and four other members 6426
appointed as follows: the governor, the president of the senate, 6427
and the speaker of the house of representatives each shall appoint 6428
one member who shall be a specialist in economic development; the 6429
governor also shall appoint a member who is a specialist in 6430
taxation. Terms of office shall be for four years. Each member 6431
shall serve on the authority until the end of the term for which 6432
the member was appointed. Vacancies shall be filled in the same 6433
manner provided for original appointments. Any member appointed to 6434
fill a vacancy occurring prior to the expiration of the term for 6435
which the member's predecessor was appointed shall hold office for 6436
the remainder of that term. Members may be reappointed to the 6437
authority. Members of the authority shall receive their necessary 6438
and actual expenses while engaged in the business of the 6439
authority. The director of development shall serve as chairperson 6440
of the authority, and the members annually shall elect a 6441
vice-chairperson from among themselves. Three members of the 6442
authority constitute a quorum to transact and vote on the business 6443
of the authority. The majority vote of the membership of the 6444

authority is necessary to approve any such business, including the 6445
election of the vice-chairperson. 6446

The director of development may appoint a professional 6447
employee of the department of development to serve as the 6448
director's substitute at a meeting of the authority. The director 6449
shall make the appointment in writing. In the absence of the 6450
director from a meeting of the authority, the appointed substitute 6451
shall serve as chairperson. In the absence of both the director 6452
and the director's substitute from a meeting, the vice-chairperson 6453
shall serve as chairperson. 6454

(N) For purposes of the credits granted by this section 6455
against the taxes imposed under sections 5725.18 and 5729.03 of 6456
the Revised Code, "taxable year" means the period covered by the 6457
taxpayer's annual statement to the superintendent of insurance. 6458

(O) On or before the first day of March of each of the five 6459
calendar years beginning with 2014, each taxpayer subject to an 6460
agreement with the tax credit authority under this section on the 6461
basis of home-based employees shall report the number of 6462
home-based employees and other employees employed by the taxpayer 6463
in this state to the department of development. 6464

(P) On or before the first day of January of 2019, the 6465
director of development shall submit a report to the governor, the 6466
president of the senate, and the speaker of the house of 6467
representatives on the effect of agreements entered into under 6468
this section in which the taxpayer included home-based employees 6469
in the computation of income tax revenue, as that term was defined 6470
in this section prior to the amendment of this section by H.B. 64 6471
of the 131st general assembly. The report shall include 6472
information on the number of such agreements that were entered 6473
into in the preceding six years, a description of the projects 6474
that were the subjects of such agreements, and an analysis of 6475
nationwide home-based employment trends, including the number of 6476

home-based jobs created from July 1, 2011, through June 30, 2017, 6477
and a description of any home-based employment tax incentives 6478
provided by other states during that time. 6479

(Q) The director of development may require any agreement 6480
entered into under this section for a tax credit computed on the 6481
basis of home-based employees to contain a provision that the 6482
taxpayer makes available health care benefits and tuition 6483
reimbursement to all employees. 6484

(R) Original agreements approved by the tax credit authority 6485
under this section in 2014 or 2015 before September 29, 2015, may 6486
be revised at the request of the taxpayer to conform with the 6487
amendments to this section and sections 5733.0610, 5736.50, 6488
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 6489
general assembly, upon mutual agreement of the taxpayer and the 6490
department of development, and approval by the tax credit 6491
authority. 6492

(S)(1) As used in division (S) of this section: 6493

(a) "Eligible agreement" means an agreement approved by the 6494
tax credit authority under this section on or before December 31, 6495
2013. 6496

(b) "Income tax revenue" has the same meaning as under this 6497
section as it existed before September 29, 2015, the effective 6498
date of the amendment of this section by H.B. 64 of the 131st 6499
general assembly. 6500

(2) In calendar year 2016 and thereafter, the tax credit 6501
authority shall annually determine a withholding adjustment factor 6502
to be used in the computation of income tax revenue for eligible 6503
agreements. The withholding adjustment factor shall be a numerical 6504
percentage that equals the percentage that employer income tax 6505
withholding rates have been increased or decreased as a result of 6506
changes in the income tax rates prescribed by section 5747.02 of 6507

the Revised Code by amendment of that section taking effect on or 6508
after June 29, 2013. 6509

(3) Except as provided in division (S)(4) of this section, 6510
for reporting periods ending in 2015 and thereafter for taxpayers 6511
subject to eligible agreements, the tax credit authority shall 6512
adjust the income tax revenue reported on the taxpayer's annual 6513
report by multiplying the withholding adjustment factor by the 6514
taxpayer's income tax revenue and doing one of the following: 6515

(a) If the income tax rates prescribed by section 5747.02 of 6516
the Revised Code have decreased by amendment of that section 6517
taking effect on or after June 29, 2013, add the product to the 6518
taxpayer's income tax revenue. 6519

(b) If the income tax rates prescribed by section 5747.02 of 6520
the Revised Code have increased by amendment of that section 6521
taking effect on or after June 29, 2013, subtract the product from 6522
the taxpayer's income tax revenue. 6523

(4) Division (S)(3) of this section shall not apply unless 6524
all of the following apply for the reporting period with respect 6525
to the eligible agreement: 6526

(a) The taxpayer has achieved one hundred per cent of the new 6527
employment commitment identified in the agreement. 6528

(b) If applicable, the taxpayer has achieved one hundred per 6529
cent of the new payroll commitment identified in the agreement. 6530

(c) If applicable, the taxpayer has achieved one hundred per 6531
cent of the investment commitment identified in the agreement. 6532

(5) Failure by a taxpayer to have achieved any of the 6533
applicable commitments described in divisions (S)(4)(a) to (c) of 6534
this section in a reporting period does not disqualify the 6535
taxpayer for the adjustment under division (S) of this section for 6536
an ensuing reporting period. 6537

(T) For reporting periods ending in calendar year 2020 or 6538
thereafter, any taxpayer may include qualifying work-from-home 6539
employees in its report required under division (D)(6) of this 6540
section, and the compensation of such employees shall qualify as 6541
Ohio employee payroll under division (A)(3)(a) of this section, 6542
even if the taxpayer's application to the tax credit authority to 6543
enter into an agreement for a tax credit under this section was 6544
approved before September 29, 2017, the effective date of the 6545
amendment of this section by H.B. 49 of the 132nd general 6546
assembly. 6547

(U) The director of development ~~services~~ shall notify the tax 6548
commissioner if the director determines that a megaproject 6549
operator or megaproject supplier is not in compliance with the 6550
agreement pursuant to a review conducted under division (D)(11) of 6551
this section. 6552

(V) Beginning in 2025 and in each fifth calendar year 6553
thereafter, the tax commissioner shall adjust the following 6554
amounts in September of that year: 6555

(1) The fixed-asset investment threshold described in 6556
division (A)(11)(c)(i) of this section and the Ohio employee 6557
payroll threshold described in division (A)(11)(c)(ii) of this 6558
section by completing the following calculations: 6559

(a) Determine the percentage increase in the gross domestic 6560
product deflator determined by the bureau of economic analysis of 6561
the United States department of commerce from the first day of 6562
January of the fifth preceding calendar year to the last day of 6563
December of the preceding calendar year; 6564

(b) Multiply that percentage increase by the fixed-asset 6565
investment threshold and the Ohio employee payroll threshold for 6566
the current year; 6567

(c) Add the resulting products to the corresponding 6568

fixed-asset investment threshold and Ohio employee payroll 6569
threshold for the current year; 6570

(d) Round the resulting fixed-asset investment sum to the 6571
nearest multiple of ten million dollars and the Ohio employee 6572
payroll sum to the nearest multiple of one million dollars. 6573

(2) The fixed-asset investment threshold described in 6574
division (A)(13)(b)(i) of this section and the Ohio employee 6575
payroll threshold described in division (A)(13)(b)(ii) of this 6576
section by completing the calculations described in divisions 6577
(V)(1)(a) to (c) of this section and rounding the resulting 6578
fixed-asset investment sum to the nearest multiple of one million 6579
dollars and the Ohio employee payroll sum to the nearest multiple 6580
of one hundred thousand dollars. 6581

The commissioner shall certify the amount of the adjustments 6582
under divisions (V)(1) and (2) of this section to the director of 6583
development ~~services~~ and to the tax credit authority not later 6584
than the first day of December of the year the commissioner 6585
computes the adjustment. Each certified amount applies to the 6586
ensuing calendar year and each calendar year thereafter until the 6587
tax commissioner makes a new adjustment. The tax commissioner 6588
shall not calculate a new adjustment in any year in which the 6589
resulting amount from the adjustment would be less than the 6590
corresponding amount for the current year. 6591

Sec. 122.171. (A) As used in this section: 6592

(1) "Capital investment project" means a plan of investment 6593
at a project site for the acquisition, construction, renovation, 6594
or repair of buildings, machinery, or equipment, or for 6595

principles, but does not include any of the following: 6598

(a) Payments made for the acquisition of personal property	6599
through operating leases;	6600
(b) Project costs paid before January 1, 2002;	6601

or a combined taxpayer as defined in section 5751.01 of the	6604
Revised Code.	6605
(2) "Eligible business" means a taxpayer and its related	6606
members with Ohio operations that had a capital investment project	6607
reviewed and approved by the tax credit authority as provided in	6608
divisions (C), (D), and (E) of this section and that satisfies	6609
either of the following requirements:	6610
(a) If engaged at the project site primarily in significant	6611
corporate administrative functions, as defined by the director of	6612
development by rule, the taxpayer meets both of the following	6613

(i) The taxpayer either is located in a foreign trade zone,	6615
employs at least five hundred full-time equivalent employees, or	6616
has an annual Ohio employee payroll of at least thirty-five	6617
million dollars at the time the tax credit authority grants the	6618
tax credit under this section;	6619
(ii) The taxpayer makes or causes to be made payments for the	6620
capital investment project of at least twenty million dollars in	6621
the aggregate at the project site during a period of three	6622
consecutive calendar years including the calendar year that	6623
includes a day of the taxpayer's taxable year or tax period with	6624
respect to which the credit is granted.	6625
(b) If engaged at the project site primarily as a	6626
manufacturer, the taxpayer makes or causes to be made payments for	6627
the capital investment project at the project site during a period	6628
of three consecutive calendar years, including the calendar year	6629

that includes a day of the taxpayer's taxable year or tax period 6630

the aggregate equals or exceeds the lesser of the following: 6632

(i) Fifty million dollars; 6633

(ii) Five per cent of the net book value of all tangible 6634
personal property used at the project site as of the last day of 6635
the three-year period in which the capital investment payments are 6636
made. 6637

(3) "Full-time equivalent employees" means the quotient 6638
obtained by dividing the total number of hours for which employees 6639
were compensated for employment in the project by two thousand 6640
eighty. "Full-time equivalent employees" shall exclude hours that 6641
are counted for a credit under section 122.17 of the Revised Code. 6642

(4) "Ohio employee payroll" has the same meaning as in 6643
section 122.17 of the Revised Code. 6644

(5) "Manufacturer" has the same meaning as in section 6645
5739.011 of the Revised Code. 6646

(6) "Project site" means an integrated complex of facilities 6647
in this state, as specified by the tax credit authority under this 6648
section, within a fifteen-mile radius where a taxpayer is 6649
primarily operating as an eligible business. 6650

(7) "Related member" has the same meaning as in section 6651
5733.042 of the Revised Code as that section existed on the 6652
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 6653
general assembly, September 29, 1997. 6654

(8) "Taxable year" includes, in the case of a domestic or 6655
foreign insurance company, the calendar year ending on the 6656
thirty-first day of December preceding the day the superintendent 6657
of insurance is required to certify to the treasurer of state 6658
under section 5725.20 or 5729.05 of the Revised Code the amount of 6659

taxes due from insurance companies. 6660

(9) "Foreign trade zone" means a general purpose foreign 6661

U.S.C. 81a, as amended, a permit for foreign trade zone status has 6663
been granted and remains active, including special purpose 6664
subzones for which a permit has been granted and remains active. 6665

(B) The tax credit authority created under section 122.17 of 6666
the Revised Code may grant a nonrefundable tax credit to an 6667
eligible business under this section for the purpose of fostering 6668
job retention in this state. Upon application by an eligible 6669
business and upon consideration of the determination of the 6670
director of budget and management, tax commissioner, and the 6671
superintendent of insurance in the case of an insurance company, 6672
the recommendation and determination of the director of 6673
development under division (C)(1) of this section, and a review of 6674
the criteria described in division (C)(2) of this section, the tax 6675
credit authority may grant the credit against the tax imposed by 6676
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 6677
5751.02 of the Revised Code. 6678

The credit authorized in this section may be granted for a 6679
period up to fifteen taxable years or, in the case of the tax 6680
levied by section 5736.02 or 5751.02 of the Revised Code, for a 6681
period of up to fifteen calendar years. The credit amount for a 6682
taxable year or a calendar year that includes the tax period for 6683
which a credit may be claimed equals the Ohio employee payroll for 6684
that year multiplied by the percentage specified in the agreement 6685
with the tax credit authority. The credit shall be claimed in the 6686
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 6687
5747.98, or 5751.98 of the Revised Code. In determining the 6688
percentage and term of the credit, the tax credit authority shall 6689
consider both the number of full-time equivalent employees and the 6690
value of the capital investment project. The credit amount may not 6691

be based on the Ohio employee payroll for a calendar year before 6692
the calendar year in which the tax credit authority specifies the 6693
tax credit is to begin, and the credit shall be claimed only for 6694
the taxable years or tax periods specified in the eligible 6695
business' agreement with the tax credit authority. In no event 6696
shall the credit be claimed for a taxable year or tax period 6697
terminating before the date specified in the agreement. 6698

If a credit allowed under this section for a taxable year or 6699
tax period exceeds the taxpayer's tax liability for that year or 6700
period, the excess may be carried forward for the three succeeding 6701
taxable or calendar years, but the amount of any excess credit 6702
allowed in any taxable year or tax period shall be deducted from 6703
the balance carried forward to the succeeding year or period. 6704

(C)(1) A taxpayer that proposes a capital investment project 6705
to retain jobs in this state may apply to the tax credit authority 6706
to enter into an agreement for a tax credit under this section. 6707
The director of development shall prescribe the form of the 6708
application. After receipt of an application, the authority shall 6709
forward copies of the application to the director of budget and 6710
management, the tax commissioner, and the superintendent of 6711
insurance in the case of an insurance company, each of whom shall 6712
review the application to determine the economic impact the 6713
proposed project would have on the state and the affected 6714
political subdivisions and shall submit a summary of their 6715
determinations to the authority. The authority shall also forward 6716
a copy of the application to the director of development, who 6717
shall review the application to determine the economic impact the 6718
proposed project would have on the state and the affected 6719
political subdivisions and shall submit a summary of the 6720
director's determinations and recommendations to the authority. 6721

(2) The director of development, in reviewing applications 6722
and making recommendations to the tax credit authority, and the 6723

authority, in selecting taxpayers with which to enter into an 6724
agreement under division (D) of this section, shall give priority 6725
to applications that meet one or more of the following criteria, 6726
with greater priority given to applications that meet more of the 6727
criteria: 6728

(a) Within the preceding five years, the applicant has not 6729
received a credit under this section or section 122.17 of the 6730
Revised Code for a project at the same project site as that 6731
proposed in the application. 6732

(b) The applicant is not currently receiving a credit under 6733
this section or section 122.17 of the Revised Code. 6734

(c) The applicant has operated at the project site for at 6735
least the preceding ten years. 6736

(d) The project involves a significant upgrade of the project 6737
site, rather than only routine maintenance of existing facilities, 6738
such as an increase in capacity of a facility, new product 6739
development, or technology upgrades or other facility 6740
modernization. 6741

(e) The applicant intends to use machinery, equipment, and 6742
materials supplied by Ohio businesses in the project when 6743
possible. 6744

(D) Upon review and consideration of the determinations, 6745
recommendations, and criteria described in division (C) of this 6746
section, the tax credit authority may enter into an agreement with 6747
the taxpayer for a credit under this section if the authority 6748
determines all of the following: 6749

(1) The taxpayer's capital investment project will result in 6750
the retention of employment in this state. 6751

(2) The taxpayer is economically sound and has the ability to 6752
complete the proposed capital investment project. 6753

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.

(E) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated.

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed.

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4)(a) If the taxpayer is engaged at the project site primarily in significant corporate administrative functions, a requirement that the taxpayer either retain at least five hundred full-time equivalent employees at the project site and within this state for the entire term of the credit, maintain an annual Ohio employee payroll of at least thirty-five million dollars for the entire term of the credit, or remain located in a foreign trade zone for the entire term of the credit;

(b) If the taxpayer is engaged at the project site primarily as a manufacturer, a requirement that the taxpayer maintain at least the number of full-time equivalent employees specified in the agreement pursuant to division (E)(1) of this section at the project site and within this state for the entire term of the

credit. 6785

(5) A requirement that the taxpayer annually report to the 6786
director of development full-time equivalent employees, Ohio 6787
employee payroll, capital investment, and other information the 6788
director needs to perform the director's duties under this 6789
section. 6790

(6) A requirement that the director of development annually 6791
review the annual reports of the taxpayer to verify the 6792
information reported under division (E)(5) of this section and 6793
compliance with the agreement. Upon verification, the director 6794
shall issue a certificate to the taxpayer stating that the 6795
information has been verified and identifying the amount of the 6796
credit for the taxable year or calendar year that includes the tax 6797
period. In determining the number of full-time equivalent 6798
employees, no position shall be counted that is filled by an 6799
employee who is included in the calculation of a tax credit under 6800
section 122.17 of the Revised Code. 6801

(7) A provision providing that the taxpayer may not relocate 6802
a substantial number of employment positions from elsewhere in 6803
this state to the project site unless the director of development 6804
determines that the taxpayer notified the legislative authority of 6805
the county, township, or municipal corporation from which the 6806
employment positions would be relocated. 6807

For purposes of this section, the movement of an employment 6808
position from one political subdivision to another political 6809
subdivision shall be considered a relocation of an employment 6810
position unless the movement is confined to the project site. The 6811
transfer of an employment position from one political subdivision 6812
to another political subdivision shall not be considered a 6813
relocation of an employment position if the employment position in 6814
the first political subdivision is replaced by another employment 6815
position. 6816

(8) A waiver by the taxpayer of any limitations periods 6817
relating to assessments or adjustments resulting from the 6818
taxpayer's failure to comply with the agreement. 6819

(F) If a taxpayer fails to meet or comply with any condition 6820
or requirement set forth in a tax credit agreement, the tax credit 6821
authority may amend the agreement to reduce the percentage or term 6822
of the credit. The reduction of the percentage or term may take 6823
effect in the current taxable or calendar year. 6824

(G) Financial statements and other information submitted to 6825
the department of development or the tax credit authority by an 6826
applicant for or recipient of a tax credit under this section, and 6827
any information taken for any purpose from such statements or 6828
information, are not public records subject to section 149.43 of 6829
the Revised Code. However, the chairperson of the authority may 6830
make use of the statements and other information for purposes of 6831
issuing public reports or in connection with court proceedings 6832
concerning tax credit agreements under this section. Upon the 6833
request of the tax commissioner, or the superintendent of 6834
insurance in the case of an insurance company, the chairperson of 6835
the authority shall provide to the commissioner or superintendent 6836
any statement or other information submitted by an applicant for 6837
or recipient of a tax credit in connection with the credit. The 6838
commissioner or superintendent shall preserve the confidentiality 6839
of the statement or other information. 6840

(H) A taxpayer claiming a tax credit under this section shall 6841
submit to the tax commissioner or, in the case of an insurance 6842
company, to the superintendent of insurance, a copy of the 6843
director of development's certificate of verification under 6844
division (E)(6) of this section with the taxpayer's tax report or 6845
return for the taxable year or for the calendar year that includes 6846
the tax period. Failure to submit a copy of the certificate with 6847
the report or return does not invalidate a claim for a credit if 6848

the taxpayer submits a copy of the certificate to the commissioner 6849
or superintendent within the time prescribed by section 5703.0510 6850
of the Revised Code or within thirty days after the commissioner 6851
or superintendent requests it. 6852

(I) For the purposes of this section, a taxpayer may include 6853
a partnership, a corporation that has made an election under 6854
subchapter S of chapter one of subtitle A of the Internal Revenue 6855
Code, or any other business entity through which income flows as a 6856
distributive share to its owners. A partnership, S-corporation, or 6857
other such business entity may elect to pass the credit received 6858
under this section through to the persons to whom the income or 6859
profit of the partnership, S-corporation, or other entity is 6860
distributed. The election shall be made on the annual report 6861
required under division (E)(5) of this section. The election 6862
applies to and is irrevocable for the credit for which the report 6863
is submitted. If the election is made, the credit shall be 6864
apportioned among those persons in the same proportions as those 6865
in which the income or profit is distributed. 6866

(J)(1) If the director of development determines that a 6867
taxpayer that received a certificate under division (E)(6) of this 6868
section is not complying with the requirements of the agreement, 6869
the director shall notify the tax credit authority of the 6870
noncompliance. After receiving such a notice, and after giving the 6871
taxpayer an opportunity to explain the noncompliance, the 6872
authority may terminate the agreement and require the taxpayer, or 6873
any related member or members that claimed the tax credit under 6874
division (N) of this section, to refund to the state all or a 6875
portion of the credit claimed in previous years, as follows: 6876

(a) If the taxpayer fails to comply with the requirement 6877
under division (E)(3) of this section, an amount determined in 6878
accordance with the following: 6879

(i) If the taxpayer maintained operations at the project site 6880

for less than or equal to the term of the credit, an amount not to 6881
exceed one hundred per cent of the sum of any tax credits allowed 6882
and received under this section. 6883

(ii) If the taxpayer maintained operations at the project 6884
site longer than the term of the credit, but less than the greater 6885
of seven years or the term of the credit plus three years, the 6886
amount required to be refunded shall not exceed seventy-five per 6887
cent of the sum of any tax credits allowed and received under this 6888
section. 6889

(b) If the taxpayer fails to substantially, satisfy the 6890
employment, payroll, or location requirements required under the 6891
agreement, as prescribed under division (E)(4)(a) or (b), as 6892
applicable to the taxpayer, at any time during the term of the 6893
agreement or during the post-term reporting period, an amount 6894
determined at the discretion of the authority. 6895

(2) If a taxpayer files for bankruptcy and fails as described 6896
in division (J)(1)(a) or (b) of this section, the director may 6897
immediately commence an action to recoup an amount not exceeding 6898
one hundred per cent of the sum of any credits received by the 6899
taxpayer under this section. 6900

(3) In determining the portion of the credit to be refunded 6901
to this state, the authority shall consider the effect of market 6902
conditions on the taxpayer's project and whether the taxpayer 6903
continues to maintain other operations in this state. After making 6904
the determination, the authority shall certify the amount to be 6905
refunded to the tax commissioner or the superintendent of 6906
insurance. If the taxpayer, or any related member or members who 6907
claimed the tax credit under division (N) of this section, is not 6908
an insurance company, the commissioner shall make an assessment 6909
for that amount against the taxpayer under Chapter 5726., 5733., 6910
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 6911
any related member or members that claimed the tax credit under 6912

division (N) of this section, is an insurance company, the 6913
superintendent of insurance shall make an assessment under section 6914
5725.222 or 5729.102 of the Revised Code. The time limitations on 6915
assessments under those chapters and sections do not apply to an 6916
assessment under this division, but the commissioner or 6917
superintendent shall make the assessment within one year after the 6918
date the authority certifies to the commissioner or superintendent 6919
the amount to be refunded. Within ninety days after certifying the 6920
amount to be refunded, if circumstances have changed, the 6921
authority may adjust the amount to be refunded and certify the 6922
adjusted amount to the commissioner or superintendent. The 6923
authority may only adjust the amount to be refunded one time and 6924

for the delay, meaning that the production was delayed due to 7559
unforeseeable circumstances beyond the production company's 7560

rescission, the director shall notify the applicant that the 7562

(C)(1) A production company whose motion picture or Broadway 7567

The director in consultation with the tax commissioner shall 7572
prescribe the form and manner of the application and the 7573
information or documentation required to be submitted with the 7574
application. 7575

The credit is determined as follows: 7576

(a) If the total budgeted eligible expenditures stated in the 7577
application submitted under division (B) of this section or the 7578
actual eligible expenditures as finally determined under division 7579
(D) of this section, whichever is least, is less than or equal to 7580
three hundred thousand dollars, no credit is allowed; 7581

(b) If the total budgeted eligible expenditures stated in the 7582
application submitted under division (B) of this section or the 7583

actual eligible expenditures as finally determined under division 7584
(D) of this section, whichever is least, is greater than three 7585
hundred thousand dollars, the credit equals thirty per cent of the 7586
least of such budgeted or actual eligible expenditure amounts. 7587

(2) Except as provided in division (C)(4) of this section, if 7588
the director of development approves a production company's 7589
application for a credit, the director shall issue a tax credit 7590
certificate to the company. The director in consultation with the 7591
tax commissioner shall prescribe the form and manner of issuing 7592
certificates. The director shall assign a unique identifying 7593
number to each tax credit certificate and shall record the 7594
certificate in a register devised and maintained by the director 7595
for that purpose. The certificate shall state the amount of the 7596
eligible expenditures on which the credit is based and the amount 7597
of the credit. Upon the issuance of a certificate, the director 7598
shall certify to the tax commissioner the name of the production 7599
company to which the certificate was issued, the amount of 7600
eligible expenditures shown on the certificate, the amount of the 7601
credit, and any other information required by the rules adopted to 7602
administer this section. 7603

(3) The amount of eligible expenditures for which a tax 7604
credit may be claimed is subject to inspection and examination by 7605
the tax commissioner or employees of the commissioner under 7606
section 5703.19 of the Revised Code and any other applicable law. 7607
Once the eligible expenditures are finally determined under 7608
section 5703.19 of the Revised Code and division (D) of this 7609
section, the credit amount is not subject to adjustment unless the 7610
director determines an error was committed in the computation of 7611
the credit amount. 7612

(4) No tax credit certificate may be issued before the 7613
completion of the tax credit-eligible production. Not more than 7614
~~forty~~ seventy-five million dollars of tax credit may be allowed 7615

per fiscal year provided that, for any fiscal year in which the 7616
amount of tax credits allowed under this section is less than that 7617
maximum annual amount, the amount not allowed for that fiscal year 7618
shall be added to the maximum annual amount that may be allowed 7619
for the following fiscal year. 7620

(5) The director shall review and approve applications for 7621
tax credits in two rounds each fiscal year. The first round of 7622
credits shall be awarded not later than the last day of July of 7623
the fiscal year, and the second round of credits shall be awarded 7624
not later than the last day of the ensuing January. The amount of 7625
credits awarded in the first round of applications each fiscal 7626
year shall not exceed ~~twenty~~ thirty-seven million five hundred
thousand dollars plus any credit allotment that was not awarded in 7627
the preceding fiscal year and carried over under division (C)(4) 7628
of this section. For each round, the director shall rank 7629
applications on the basis of the extent of positive economic 7630
impact each tax credit-eligible production is likely to have in 7631
this state and the effect on developing a permanent workforce in 7632
motion picture or theatrical production industries in the state. 7633
For the purpose of such ranking, the director shall give priority 7634
to tax-credit eligible productions that are television series or 7635
miniseries due to the long-term commitment typically associated 7636
with such productions. The economic impact ranking shall be based 7637
on the production company's total expenditures in this state 7638
directly associated with the tax credit-eligible production. The 7639
effect on developing a permanent workforce in the motion picture 7640
or theatrical production industries shall be evaluated first by 7641
the number of new jobs created and second by amount of payroll 7642
added with respect to employees in this state. 7643
7644

The director shall approve productions in the order of their 7645
ranking, from those with the greatest positive economic impact and 7646
workforce development effect to those with the least positive 7647

economic impact and workforce development effect. 7648

(D) A production company whose motion picture or Broadway theatrical production has been certified as a tax credit-eligible production shall engage, at the company's expense, an independent certified public accountant to examine the company's production, postproduction, and advertising and promotion expenditures to identify the expenditures that qualify as eligible expenditures. The certified public accountant shall issue a report to the company and to the director of development certifying the company's eligible expenditures and any other information required by the director. Upon receiving and examining the report, the director may disallow any expenditure the director determines is not an eligible expenditure. If the director disallows an expenditure, the director shall issue a written notice to the production company stating that the expenditure is disallowed and the reason for the disallowance. Upon examination of the report and disallowance of any expenditures, the director shall determine finally the lesser of the total budgeted eligible expenditures stated in the application submitted under division (B) of this section or the actual eligible expenditures for the purpose of computing the amount of the credit. 7649

parental leave and be paid as such. 7822

(D) Employees receiving parental leave may utilize available 7823
sick leave, personal leave, vacation leave, or compensatory time 7824
balances in order to ~~be paid during the fourteen-day waiting~~ 7825
~~period and to~~ supplement the seventy per cent of their base rate 7826
of pay received during the ~~remaining part of their~~ parental leave 7827
period, in an amount sufficient to give them up to one hundred per 7828
cent of their pay for time on parental leave. 7829

Use of parental leave does not affect an employee's 7830
eligibility for other forms of paid leave granted under this 7831

chapter and does not prohibit an employee from taking leave under 7832
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 7833
U.S.C.A. 2601, except that parental leave shall be included in any 7834
leave time provided under that act. An employee may not receive 7835
parental leave under this section after exhausting leave under the 7836
Family and Medical Leave Act of 1993 for the birth of the child, 7837
delivery of the stillborn child, or placement of the child for 7838
adoption. 7839

(E) Employees receiving disability leave benefits under 7840
section 124.385 of the Revised Code prior to becoming eligible for 7841
parental leave shall continue to receive disability leave benefits 7842
for the duration of their disabling condition or as otherwise 7843
provided under the disability leave benefits program. If an 7844
employee is receiving disability leave benefits because of 7845
pregnancy and these benefits expire prior to the expiration date 7846
of any benefits the employee would have been entitled to receive 7847
under this section, the employee shall receive parental leave for 7848
such additional time ~~without being required to serve an additional~~ 7849
~~waiting period if the parental leave is contiguous to the~~ 7850
~~disability leave.~~ 7851

Sec. 124.14. (A)(1) The director of administrative services 7852
shall establish, and may modify or rescind, a job classification 7853
plan for all positions, offices, and employments in the service of 7854
the state. The director shall group jobs within a classification 7855
so that the positions are similar enough in duties and 7856
responsibilities to be described by the same title, to have the 7857
same pay assigned with equity, and to have the same qualifications 7858
for selection applied. The director shall assign a classification 7859
title to each classification within the classification plan. 7860
However, the director shall consider in establishing 7861
classifications, including classifications with parenthetical 7862
titles, and assigning pay ranges such factors as duties performed 7863

only on one shift, special skills in short supply in the labor 7864
market, recruitment problems, separation rates, comparative salary 7865
rates, the amount of training required, and other conditions 7866
affecting employment. The director shall describe the duties and 7867
responsibilities of the class, establish the qualifications for 7868
being employed in each position in the class, and file with the 7869
secretary of state a copy of specifications for all of the 7870
classifications. The director shall file new, additional, or 7871
revised specifications with the secretary of state before they are 7872
used. 7873

The director shall assign each classification, either on a 7874
statewide basis or in particular counties or state institutions, 7875
to a pay range established under section 124.15 or section 124.152 7876
of the Revised Code. The director may assign a classification to a 7877
pay range on a temporary basis for a period of six months. The 7878
director may establish experimental classification plans for some 7879
or all employees paid directly by warrant of the director of 7880
budget and management. Any such experimental classification plan 7881
shall include specifications for each classification within the 7882
plan and shall specifically address compensation ranges, and 7883
methods for advancing within the ranges, for the classifications, 7884
which may be assigned to pay ranges other than the pay ranges 7885
established under section 124.15 or 124.152 of the Revised Code. 7886

(2) The director of administrative services may reassign to a 7887
proper classification those positions that have been assigned to 7888
an improper classification. If the compensation of an employee in 7889
such a reassigned position exceeds the maximum rate of pay for the 7890
employee's new classification, the employee shall be placed in pay 7891
step X and shall not receive an increase in compensation until the 7892
maximum rate of pay for that classification exceeds the employee's 7893
compensation. 7894

(3) The director may reassign an exempt employee, as defined 7895

in section 124.152 of the Revised Code, to a bargaining unit 7896
classification if the director determines that the bargaining unit 7897
classification is the proper classification for that employee. 7898
Notwithstanding Chapter 4117. of the Revised Code or instruments 7899
and contracts negotiated under it, these placements are at the 7900
director's discretion. 7901

(4) The director shall assign related classifications, which 7902
form a career progression, to a classification series. The 7903
director shall assign each classification in the classification 7904
plan a five-digit number, the first four digits of which shall 7905
denote the classification series to which the classification is 7906
assigned. When a career progression encompasses more than ten 7907
classifications, the director shall identify the additional 7908
classifications belonging to a classification series. The 7909
additional classifications shall be part of the classification 7910
series, notwithstanding the fact that the first four digits of the 7911
number assigned to the additional classifications do not 7912
correspond to the first four digits of the numbers assigned to 7913
other classifications in the classification series. 7914

(B) Division (A) of this section and sections 124.15 and 7915
124.152 of the Revised Code do not apply to the following persons, 7916
positions, offices, and employments: 7917

(1) Elected officials; 7918

(2) Legislative employees, employees of the legislative 7919
service commission, employees in the office of the governor, 7920
employees who are in the unclassified civil service and exempt 7921
from collective bargaining coverage in the office of the secretary 7922
of state, auditor of state, treasurer of state, and attorney 7923
general, and employees of the supreme court; 7924

(3) Any position for which the authority to determine 7925
compensation is given by law to another individual or entity; 7926

(4) Employees of the bureau of workers' compensation whose 7927
compensation the administrator of workers' compensation 7928
establishes under division (B) of section 4121.121 of the Revised 7929
Code. 7930

(C) The director may employ a consulting agency to aid and 7931
assist the director in carrying out this section. 7932

(D)(1) When the director proposes to modify a classification 7933
or the assignment of classes to appropriate pay ranges, the 7934
director shall notify the appointing authorities of the affected 7935
employees before implementing the modification. The director's 7936
notice shall include the effective date of the modification. The 7937
appointing authorities shall notify the affected employees 7938
regarding the modification. 7939

(2) When the director proposes to reclassify any employee in 7940
the service of the state so that the employee is adversely 7941
affected, the director shall give to the employee affected and to 7942
the employee's appointing authority a written notice setting forth 7943
the proposed new classification, pay range, and salary. Upon the 7944
request of any classified employee in the service of the state who 7945
is not serving in a probationary period, the director shall 7946
perform a job audit to review the classification of the employee's 7947
position to determine whether the position is properly classified. 7948
The director shall give to the employee affected and to the 7949
employee's appointing authority a written notice of the director's 7950
determination whether or not to reclassify the position or to 7951
reassign the employee to another classification. An employee or 7952
appointing authority desiring a hearing shall file a written 7953
request for the hearing with the state personnel board of review 7954
within thirty days after receiving the notice. The board shall set 7955
the matter for a hearing and notify the employee and appointing 7956
authority of the time and place of the hearing. The employee, the 7957
appointing authority, or any authorized representative of the 7958

employee who wishes to submit facts for the consideration of the 7959
board shall be afforded reasonable opportunity to do so. After the 7960
hearing, the board shall consider anew the reclassification and 7961
may order the reclassification of the employee and require the 7962
director to assign the employee to such appropriate classification 7963
as the facts and evidence warrant. As provided in division (A)(1) 7964
of section 124.03 of the Revised Code, the board may determine the 7965
most appropriate classification for the position of any employee 7966
coming before the board, with or without a job audit. The board 7967
shall disallow any reclassification or reassignment classification 7968
of any employee when it finds that changes have been made in the 7969
duties and responsibilities of any particular employee for 7970
political, religious, or other unjust reasons. 7971

(E)(1) Employees of each county department of job and family 7972
services shall be paid a salary or wage established by the board 7973
of county commissioners. The provisions of section 124.18 of the 7974
Revised Code concerning the standard work week apply to employees 7975
of county departments of job and family services. A board of 7976
county commissioners may do either of the following: 7977

(a) Notwithstanding any other section of the Revised Code, 7978
supplement the sick leave, vacation leave, personal leave, and 7979
other benefits of any employee of the county department of job and 7980
family services of that county, if the employee is eligible for 7981
the supplement under a written policy providing for the 7982
supplement; 7983

(b) Notwithstanding any other section of the Revised Code, 7984
establish alternative schedules of sick leave, vacation leave, 7985
personal leave, or other benefits for employees not inconsistent 7986
with the provisions of a collective bargaining agreement covering 7987
the affected employees. 7988

(2) Division (E)(1) of this section does not apply to 7989
employees for whom the state employment relations board 7990

establishes appropriate bargaining units pursuant to section 7991
4117.06 of the Revised Code, except in either of the following 7992
situations: 7993

(a) The employees for whom the state employment relations 7994
board establishes appropriate bargaining units elect no 7995
representative in a board-conducted representation election. 7996

(b) After the state employment relations board establishes 7997
appropriate bargaining units for such employees, all employee 7998
organizations withdraw from a representation election. 7999

(F)(1) Notwithstanding any contrary provision of sections 8000
124.01 to 124.64 of the Revised Code, the board of trustees of 8001
each state university or college, as defined in section 3345.12 of 8002
the Revised Code, shall carry out all matters of governance 8003
involving the officers and employees of the university or college, 8004
including, but not limited to, the powers, duties, and functions 8005
of the department of administrative services and the director of 8006
administrative services specified in this chapter. Officers and 8007
employees of a state university or college shall have the right of 8008
appeal to the state personnel board of review as provided in this 8009
chapter. 8010

(2) Each board of trustees shall adopt rules ~~under section~~ 8011
~~111.15 of the Revised Code~~ to carry out the matters of governance 8012
described in division (F)(1) of this section. Until the board of 8013
trustees adopts those rules, a state university or college shall 8014
continue to operate pursuant to the applicable rules adopted by 8015
the director of administrative services under this chapter. 8016

(G)(1) Each board of county commissioners may, by a 8017
resolution adopted by a majority of its members, establish a 8018
county personnel department to exercise the powers, duties, and 8019
functions specified in division (G) of this section. As used in 8020
division (G) of this section, "county personnel department" means 8021

a county personnel department established by a board of county commissioners under division (G)(1) of this section. 8022
8023

(2)(a) Each board of county commissioners, by a resolution adopted by a majority of its members, may designate the county personnel department of the county to exercise the powers, duties, and functions specified in sections 124.01 to 124.64 and Chapter 325. of the Revised Code with regard to employees in the service of the county, except for the powers and duties of the state personnel board of review, which powers and duties shall not be construed as having been modified or diminished in any manner by division (G)(2) of this section, with respect to the employees for whom the board of county commissioners is the appointing authority or co-appointing authority. 8024

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 8229
8230

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 8231
8232
8233

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. tools, equipment, and other requirements of the department and 8248
payments for the maintenance of them. 8249

The director of administrative services may review collective 8250
bargaining agreements entered into under Chapter 4117. of the 8251
Revised Code that cover employees in the service of the state and 8252
determine whether certain benefits or payments provided to the 8253
employees covered by those agreements should also be provided to 8254
employees in the service of the state who are exempt from 8255
collective bargaining coverage and are paid in accordance with 8256
section 124.152 of the Revised Code or are listed in division 8257
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 8258
the review, the director of administrative services, with the 8259
approval of the director of budget and management, may provide to 8260
some or all of these employees any payment or benefit, except for 8261
salary, contained in such a collective bargaining agreement even 8262
if it is similar to a payment or benefit already provided by law 8263
to some or all of these employees. Any payment or benefit so 8264
provided shall not exceed the highest level for that payment or 8265
benefit specified in such a collective bargaining agreement. The 8266
director of administrative services shall not provide, and the 8267
director of budget and management shall not approve, any payment 8268
or benefit to such an employee under this division unless the 8269
payment or benefit is provided pursuant to a collective bargaining 8270
agreement to a state employee who is in a position with similar 8271
duties as, is supervised by, or is employed by the same appointing 8272
authority as, the employee to whom the benefit or payment is to be 8273
provided. 8274

As used in this division, "payment or benefit already 8275
provided by law" includes, but is not limited to, bereavement, 8276
personal, vacation, administrative, and sick leave, disability 8277
benefits, holiday pay, and pay supplements provided under the 8278

Revised Code, but does not include wages or salary. 8279

(E) New employees paid in accordance with schedule B of 8280
division (A) of this section or schedule E-1 of section 124.152 of 8281
the Revised Code shall be employed at the minimum rate established 8282
for the range unless otherwise provided. Employees with 8283
qualifications that are beyond the minimum normally required for 8284
the position and that are determined by the director to be 8285
exceptional may be employed in, or may be transferred or promoted 8286
to, a position at an advanced step of the range. Further, in time 8287
of a serious labor market condition when it is relatively 8288
impossible to recruit employees at the minimum rate for a 8289
particular classification, the entrance rate may be set at an 8290
advanced step in the range by the director of administrative 8291
services. This rate may be limited to geographical regions of the 8292
state. Appointments made to an advanced step under the provision 8293
regarding exceptional qualifications shall not affect the step 8294
assignment of employees already serving. However, anytime the 8295
hiring rate of an entire classification is advanced to a higher 8296
step, all incumbents of that classification being paid at a step 8297
lower than that being used for hiring, shall be advanced beginning 8298
at the start of the first pay period thereafter to the new hiring 8299
rate, and any time accrued at the lower step will be used to 8300
calculate advancement to a succeeding step. If the hiring rate of 8301
a classification is increased for only a geographical region of 8302
the state, only incumbents who work in that geographical region 8303
shall be advanced to a higher step. When an employee in the 8304
unclassified service changes from one state position to another or 8305
is appointed to a position in the classified service, or if an 8306
employee in the classified service is appointed to a position in 8307
the unclassified service, the employee's salary or wage in the new 8308
position shall be determined in the same manner as if the employee 8309
were an employee in the classified service. When an employee in 8310
the unclassified service who is not eligible for step increases is 8311

appointed to a classification in the classified service under 8312
which step increases are provided, future step increases shall be 8313
based on the date on which the employee last received a pay 8314
increase. If the employee has not received an increase during the 8315
previous year, the date of the appointment to the classified 8316
service shall be used to determine the employee's annual step 8317
advancement eligibility date. In reassigning any employee to a 8318
classification resulting in a pay range increase or to a new pay 8319
range as a result of a promotion, an increase pay range 8320
adjustment, or other classification change resulting in a pay 8321
range increase, the director shall assign such employee to the 8322
step in the new pay range that will provide an increase of 8323
approximately four per cent if the new pay range can accommodate 8324
the increase. When an employee is being assigned to a 8325
classification or new pay range as the result of a class plan 8326
change, if the employee has completed a probationary period, the 8327
employee shall be placed in a step no lower than step two of the 8328
new pay range. If the employee has not completed a probationary 8329
period, the employee may be placed in step one of the new pay 8330
range. Such new salary or wage shall become effective on such date 8331
as the director determines. 8332

(F) If employment conditions and the urgency of the work 8333
require such action, the director of administrative services may, 8334
upon the application of a department head, authorize payment at 8335
any rate established within the range for the class of work, for 8336
work of a casual or intermittent nature or on a project basis. 8337
Payment at such rates shall not be made to the same individual for 8338
more than three calendar months in any one calendar year. Any such 8339
action shall be subject to the approval of the director of budget 8340
and management as to the availability of funds. This section and 8341
sections 124.14 and 124.152 of the Revised Code do not repeal any 8342
authority of any department or public official to contract with or 8343
fix the compensation of professional persons who may be employed 8344

temporarily for work of a casual nature or for work on a project 8345
basis. 8346

(G)(1) Except as provided in divisions (G)(2) and (3) of this 8347
section, each state employee paid in accordance with schedule B of 8348
this section or schedule E-1 of section 124.152 of the Revised 8349
Code shall be eligible for advancement to succeeding steps in the 8350
range for the employee's class or grade according to the schedule 8351
established in this division. Beginning on the first day of the 8352
pay period within which the employee completes the prescribed 8353
probationary period in the employee's classification with the 8354
state, each employee shall receive an automatic salary adjustment 8355
equivalent to the next higher step within the pay range for the 8356
employee's class or grade. 8357

Except as provided in divisions (G)(2) and (3) of this 8358
section, each employee paid in accordance with schedule E-1 of 8359
section 124.152 of the Revised Code shall be eligible to advance 8360
to the next higher step until the employee reaches the top step in 8361
the range for the employee's class or grade, if the employee has 8362
maintained satisfactory performance in accordance with criteria 8363
established by the employee's appointing authority. Those step 8364
advancements shall not occur more frequently than once in any 8365
twelve-month period. 8366

When an employee is promoted, the step entry date shall be 8367
set to account for a probationary period. When an employee is 8368
reassigned to a higher pay range, the step entry date shall be set 8369
to allow an employee who is not at the highest step of the range 8370
to receive a step advancement one year from the reassignment date. 8371
Step advancement shall not be affected by demotion. A promoted 8372
employee shall advance to the next higher step of the pay range on 8373
the first day of the pay period in which the required probationary 8374
period is completed. Step advancement shall become effective at 8375
the beginning of the pay period within which the employee attains 8376

the necessary length of service. Time spent on authorized leave of absence shall be counted for this purpose.

If determined to be in the best interest of the state service, the director of administrative services may, either statewide or in selected agencies, adjust the dates on which annual step advancements are received by employees paid in accordance with schedule E-1 of section 124.152 of the Revised Code.

(2)(a) There shall be a moratorium on annual step advancements under division (G)(1) of this section beginning June 21, 2009, through June 20, 2011. Step advancements shall resume with the pay period beginning June 21, 2011. Upon the resumption of step advancements, there shall be no retroactive step advancements for the period the moratorium was in effect. The moratorium shall not affect an employee's performance evaluation schedule.

An employee who begins a probationary period before June 21, 2009, shall advance to the next step in the employee's pay range at the end of probation, and then become subject to the moratorium. An employee who is hired, promoted, or reassigned to a higher pay range between June 21, 2009, through June 20, 2011, shall not advance to the next step in the employee's pay range until the next anniversary of the employee's date of hire, promotion, or reassignment that occurs on or after June 21, 2011.

(b) The moratorium under division (G)(2)(a) of this section shall apply to the employees of the secretary of state, the auditor of state, the treasurer of state, and the attorney general, who are subject to this section unless the secretary of state, the auditor of state, the treasurer of state, or the attorney general decides to exempt the office's employees from the moratorium and so notifies the director of administrative services in writing on or before July 1, 2009.

(3) Employees in intermittent positions shall be employed at 8409
the minimum rate established for the pay range for their 8410
classification and are not eligible for step advancements. 8411

(H) Employees in appointive managerial or professional 8412
positions paid in accordance with schedule C of this section or 8413
schedule E-2 of section 124.152 of the Revised Code may be 8414
appointed at any rate within the appropriate pay range. This rate 8415
of pay may be adjusted higher or lower within the respective pay 8416
range at any time the appointing authority so desires as long as 8417
the adjustment is based on the employee's ability to successfully 8418
administer those duties assigned to the employee. Salary 8419
adjustments shall not be made more frequently than once in any 8420
six-month period under this provision to incumbents holding the 8421
same position and classification. 8422

(I) When an employee is assigned to duty outside this state, 8423
the employee may be compensated, upon request of the department 8424
head and with the approval of the director of administrative 8425
services, at a rate not to exceed fifty per cent in excess of the 8426
employee's current base rate for the period of time spent on that 8427
duty. 8428

(J) Unless compensation for members of a board or commission 8429
is otherwise specifically provided by law, the director of 8430
administrative services shall establish the rate and method of 8431
payment for members of boards and commissions pursuant to the pay 8432
schedules listed in section 124.152 of the Revised Code. 8433

(K) Regular full-time employees in positions assigned to 8434
classes within the instruction and education administration series 8435
under the job classification plans of the director of 8436
administrative services, except certificated employees on the 8437
instructional staff of ~~the state school for the blind or the state~~ 8438
~~school for the deaf~~ Ohio deaf and blind education services, whose 8439
positions are scheduled to work on the basis of an academic year 8440

rather than a full calendar year, shall be paid according to the 8441
pay range assigned by the applicable job classification plan, but 8442
only during those pay periods included in the academic year of the 8443
school where the employee is located. 8444

(1) Part-time or substitute teachers or those whose period of 8445
employment is other than the full academic year shall be 8446
compensated for the actual time worked at the rate established by 8447
this section. 8448

(2) Employees governed by this division are exempt from 8449
sections 124.13 and 124.19 of the Revised Code. 8450

(3) Length of service for the purpose of determining 8451
eligibility for step advancements as provided by division (G) of 8452
this section and for the purpose of determining eligibility for 8453
longevity pay supplements as provided by division (E) of section 8454
124.181 of the Revised Code shall be computed on the basis of one 8455
full year of service for the completion of each academic year. 8456

(L) The superintendent of ~~the state school for the deaf and~~ 8457
~~the superintendent of the state school for the blind~~ Ohio deaf and 8458
blind education services shall, subject to the approval of the 8459
superintendent of public instruction, carry out both of the 8460
following: 8461

of June, establish for the ensuing fiscal year a schedule of 8463
hourly rates for the compensation of each certificated employee on 8464
the instructional staff of ~~that superintendent's respective school~~ 8465
Ohio deaf and blind education services constructed as follows: 8466

(a) Determine for each level of training, experience, and 8467
other professional qualification for which an hourly rate is set 8468
forth in the current schedule, the per cent that rate is of the 8469
rate set forth in such schedule for a teacher with a bachelor's 8470
degree and no experience. If there is more than one such rate for 8471

such a teacher, the lowest rate shall be used to make the 8472
computation. 8473

(b) Determine which six city, local, and exempted village 8474
school districts with territory in Franklin county have in effect 8475
on, or have adopted by, the first day of April for the school year 8476
that begins on the ensuing first day of July, teacher salary 8477

bachelor's degree and no experience; 8479

(c) Divide the sum of such six highest minimum salaries by 8480

(d) Multiply each per cent determined in division (L)(1)(a) 8482
of this section by the quotient obtained in division (L)(1)(c) of 8483
this section; 8484

(e) One hundred five per cent of each product thus obtained 8485

(2) Annually, assign each certificated employee on the 8489

deaf and blind education services to an hourly rate on the 8491
schedule that is commensurate with the employee's training, 8492
experience, and other professional qualifications. 8493

If an employee is employed on the basis of an academic year, 8494
the employee's annual salary shall be calculated by multiplying 8495
the employee's assigned hourly rate times one thousand seven 8496
hundred sixty. If an employee is not employed on the basis of an 8497
academic year, the employee's annual salary shall be calculated in 8498
accordance with the following formula: 8499

(a) Multiply the number of days the employee is required to 8500
work pursuant to the employee's contract by eight; 8501

(b) Multiply the product of division (L)(2)(a) of this section by the employee's assigned hourly rate.

Each employee shall be paid an annual salary in biweekly installments. The amount of each installment shall be calculated by dividing the employee's annual salary by the number of biweekly installments to be paid during the year.

imposes no greater restrictions than are contained in this section 8903
and section 125.11 of the Revised Code upon persons located in 8904
Ohio selling products or services to agencies of that state. The 8905

state if the business is located in a state that excludes Ohio 8908
businesses from bidding on state printing contracts in that state. 8909

offerors whose manufactured products, except for mined products, 8911
are produced in other states or in North America, but the bidders 8912

the number of employees or capital investment a bidder or offeror 8914
has in this state. Bidders and offerors with a significant Ohio 8915
economic presence shall qualify for award of a contract on the 8916
same basis as if their products were produced in this state or as 8917
if the bidder or offeror was domiciled in this state. 8918

(6) Criteria and procedures for the director to grant waivers 8919
of the requirements of division (B) of section 125.11 of the 8920
Revised Code on a contract-by-contract basis where compliance with 8921
those requirements would ~~result in the state agency paying an~~ 8922
~~excessive price for the product or acquiring a disproportionately~~ 8923
~~inferior product~~ not be in the best interest of the state or is 8924
otherwise prohibited; 8925

(7) Criteria for applying a preference to bids and offers 8926
received from a certified veteran-friendly business enterprise; 8927

(8) Such other requirements or procedures reasonably 8928
necessary to implement the system of preferences established 8929
pursuant to division (B) of section 125.11 of the Revised Code. 8930

In adopting the rules required under this division, the 8931
director shall, to the maximum extent possible, conform to the 8932
requirements of the federal "Buy ~~America~~ American Act," ~~47 Stat.~~ 8933
~~1520, (1933),~~ 41 U.S.C.A. ~~10a-10d~~ U.S.C. 8301-8305, as amended, 8934

sureties it prescribes, payable to the state, and conditioned that 8941
the person submitting the bid or proposal, if that person's bid or 8942

contract and promptly make deliveries of the supplies purchased. 8944

(B) A sealed copy of each competitive sealed bid or 8945

(C) The director shall review the applications with the 10623

under this section is a major factor in: 10634

building; or 10636

(b) To increase the level of investment in such 10637
rehabilitation. 10638

application is not, and will not upon completion of the 10640

(C)(2) of this section before the applicant begins the physical rehabilitation of the historic building. 10647
10648

(D)(1) If the director determines that an application meets the criteria in division (C) of this section, the director shall conduct a cost-benefit analysis for the historic building that is the subject of the application to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used. The director shall consider the results of the cost-benefit analysis in determining whether to approve the application. The director shall also consider the potential economic impact and the regional distributive balance of the credits throughout the state. The director may approve an application only after completion of the cost-benefit analysis. 10649
10650
10651
10652
10653
10654
10655
10656
10657
10658
10659
10660

(2) A rehabilitation tax credit certificate shall not be issued for an amount greater than the estimated amount furnished by the applicant on the application for such certificate and approved by the director. The director shall not approve more than a total of one hundred twenty million dollars of rehabilitation tax credits for each of fiscal years 2023 ~~and~~, 2024, and 2025, and sixty million dollars of rehabilitation tax credits for each fiscal year thereafter but the director may reallocate unused tax credits from a prior fiscal year for new applicants and such reallocated credits shall not apply toward the dollar limit of this division. 10661

10666
10667
10668
10669
10670
10671

(3) For rehabilitations with a rehabilitation period not exceeding twenty-four months as provided in division (A)(8)(a) of this section, a rehabilitation tax credit certificate shall not be issued before the rehabilitation of the historic building is completed. 10672
10673
10674
10675
10676

(4) For rehabilitations with a rehabilitation period not exceeding sixty months as provided in division (A)(8)(b) of this 10677
10678

section, a rehabilitation tax credit certificate shall not be 10679
issued before a stage of rehabilitation is completed. After all 10680
stages of rehabilitation are completed, if the director cannot 10681
determine that the criteria in division (C) of this section are 10682
satisfied for all stages of rehabilitations, the director shall 10683
certify this finding to the tax commissioner, and any 10684
rehabilitation tax credits received by the applicant shall be 10685
repaid by the applicant and may be collected by assessment as 10686
unpaid tax by the commissioner. 10687

(5) The director shall require the applicant to provide a 10688
third-party cost certification by a certified public accountant of 10689
the actual costs attributed to the rehabilitation of the historic 10690
building when qualified rehabilitation expenditures exceed two 10691
hundred thousand dollars. 10692

If an applicant whose application is approved for receipt of 10693
a rehabilitation tax credit certificate fails to provide to the 10694
director sufficient evidence of reviewable progress, including a 10695
viable financial plan, copies of final construction drawings, and 10696
evidence that the applicant has obtained all historic approvals 10697
within twelve months after the date the applicant received 10698
notification of approval, and if the applicant fails to provide 10699
evidence to the director that the applicant has secured and closed 10700
on financing for the rehabilitation within eighteen months after 10701
receiving notification of approval, the director may rescind the 10702
approval of the application. The director shall notify the 10703
applicant if the approval has been rescinded. Credits that would 10704
have been available to an applicant whose approval was rescinded 10705
shall be available for other qualified applicants. Nothing in this 10706
division prohibits an applicant whose approval has been rescinded 10707
from submitting a new application for a rehabilitation tax credit 10708
certificate. 10709

(6) The director may approve the application of, and issue a 10710

rehabilitation tax credit certificate to, the owner of a catalytic 10711
project, provided the application otherwise meets the criteria 10712
described in divisions (C) and (D) of this section. The director 10713
may not approve more than one application for a rehabilitation tax 10714
credit certificate under division (D)(6) of this section during 10715
each state fiscal biennium. The director shall not approve an 10716
application for a rehabilitation tax credit certificate under 10717
division (D)(6) of this section during the state fiscal biennium 10718
beginning July 1, 2017, or during any state fiscal biennium 10719
thereafter. The director shall consider the following criteria in 10720
determining whether to approve an application for a certificate 10721
under division (D)(6) of this section: 10722

(a) Whether the historic building is a catalytic project; 10723

(b) The effect issuance of the certificate would have on the 10724
availability of credits for other applicants that qualify for a 10725
credit certificate within the credit dollar limit described in 10726
division (D)(2) of this section; 10727

(c) The number of jobs, if any, the catalytic project will 10728
create. 10729

(7)(a) The owner or qualified lessee of a historic building 10730
may apply for a rehabilitation tax credit certificate under both 10731
divisions (B) and (D)(6) of this section. In such a case, the 10732
director shall consider each application at the time the 10733
application is submitted. 10734

(b) The director shall not issue more than one certificate 10735
under this section with respect to the same qualified 10736
rehabilitation expenditures. 10737

(8) The director shall give consideration for tax credits 10738
awarded under this section to rehabilitations of historic 10739
buildings used as a theater before, and intended to be used as a 10740
theater after, the rehabilitation. In determining whether to 10741

approve an application for such a rehabilitation, the director 10742
shall consider the extent to which the rehabilitation will 10743
increase attendance at the theater and increase the theater's 10744
gross revenue. 10745

(9) The director shall rescind the approval of any 10746
application if the building that is the subject of the application 10747
is part of a qualified low-income housing project allocated a tax 10748
credit pursuant to section 42 of the Internal Revenue Code at any 10749
time before the building's rehabilitation is complete. 10750

(E) Issuance of a certificate represents a finding by the 10751
director of the matters described in divisions (C)(1), (2), and 10752
(3) of this section only; issuance of a certificate does not 10753
represent a verification or certification by the director of the 10754
amount of qualified rehabilitation expenditures for which a tax 10755
credit may be claimed under section 5725.151, 5725.34, 5726.52, 10756
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 10757
qualified rehabilitation expenditures for which a tax credit may 10758
be claimed is subject to inspection and examination by the tax 10759
commissioner or employees of the commissioner under section 10760
5703.19 of the Revised Code and any other applicable law. Upon the 10761
issuance of a certificate, the director shall certify to the tax 10762
commissioner, in the form and manner requested by the tax 10763
commissioner, the name of the applicant, the amount of qualified 10764
rehabilitation expenditures shown on the certificate, and any 10765
other information required by the rules adopted under this 10766
section. 10767

(F)(1) On or before the first day of August each year, the 10768
director and tax commissioner jointly shall submit to the 10769
president of the senate and the speaker of the house of 10770
representatives a report on the tax credit program established 10771
under this section and sections 5725.151, 5725.34, 5726.52, 10772
5729.17, 5733.47, and 5747.76 of the Revised Code. The report 10773

shall present an overview of the program and shall include 10774
information on the number of rehabilitation tax credit 10775
certificates issued under this section during the preceding fiscal 10776
year, an update on the status of each historic building for which 10777
an application was approved under this section, the dollar amount 10778
of the tax credits granted under sections 5725.151, 5725.34, 10779
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code, and 10780
any other information the director and commissioner consider 10781
relevant to the topics addressed in the report. 10782

(2) On or before December 1, 2015, the director and tax 10783
commissioner jointly shall submit to the president of the senate 10784
and the speaker of the house of representatives a comprehensive 10785
report that includes the information required by division (F)(1) 10786
of this section and a detailed analysis of the effectiveness of 10787
issuing tax credits for rehabilitating historic buildings. The 10788
report shall be prepared with the assistance of an economic 10789
research organization jointly chosen by the director and 10790
commissioner. 10791

(G) There is hereby created in the state treasury the 10792
historic rehabilitation tax credit operating fund. The director is 10793
authorized to charge reasonable application and other fees in 10794
connection with the administration of tax credits authorized by 10795
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 10796
5733.47, and 5747.76 of the Revised Code. Any such fees collected 10797
shall be credited to the fund and used to pay reasonable costs 10798
incurred by the department of development in administering this 10799
section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, 10800
and 5747.76 of the Revised Code. 10801

The Ohio historic preservation office is authorized to charge 10802
reasonable fees in connection with its review and approval of 10803
applications under this section. Any such fees collected shall be 10804
credited to the fund and used to pay administrative costs incurred 10805

by the Ohio historic preservation office pursuant to this section. 10806

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 10807
5729.17, 5733.47, and 5747.76 of the Revised Code, the certificate 10808
owner of a tax credit certificate issued under division (D)(6) of 10809
this section may claim a tax credit equal to twenty-five per cent 10810
of the dollar amount indicated on the certificate for a total 10811
credit of not more than twenty-five million dollars. The credit 10812
claimed by such a certificate owner for any calendar year, tax 10813
year, or taxable year under section 5725.151, 5725.34, 5726.52, 10814
5729.17, 5733.47, or 5747.76 of the Revised Code shall not exceed 10815
five million dollars. If the certificate owner is eligible for 10816
more than five million dollars in total credits, the certificate 10817
owner may carry forward the balance of the credit in excess of the 10818
amount claimed for that year for not more than five ensuing 10819
calendar years, tax years, or taxable years. If the credit claimed 10820
in any calendar year, tax year, or taxable year exceeds the tax 10821
otherwise due, the excess shall be refunded to the taxpayer. 10822

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 10823
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 10824
apply to a tax credit approved under this section after September 10825
13, 2022, and before July 1, 2024: 10826

(1) The certificate holder may claim a tax credit equal to 10827
thirty-five per cent of the dollar amount indicated on the tax 10828

prosecuting attorney's agent, in connection with the investigation 11392
or prosecution of a case. 11393

(B)(1) Upon request by any person and subject to division 11394
(B)(8) of this section, all public records responsive to the 11395
request shall be promptly prepared and made available for 11396
inspection to the requester at all reasonable times during regular 11397
business hours. Subject to division (B)(8) of this section, upon 11398
request by any person, a public office or person responsible for 11399
public records shall make copies of the requested public record 11400
available to the requester at cost and within a reasonable period 11401
of time. If a public record contains information that is exempt 11402
from the duty to permit public inspection or to copy the public 11403
record, the public office or the person responsible for the public 11404
record shall make available all of the information within the 11405
public record that is not exempt. When making that public record 11406
available for public inspection or copying that public record, the 11407
public office or the person responsible for the public record 11408
shall notify the requester of any redaction or make the redaction 11409
plainly visible. A redaction shall be deemed a denial of a request 11410
to inspect or copy the redacted information, except if federal or 11411
state law authorizes or requires a public office to make the 11412
redaction. 11413

(2) To facilitate broader access to public records, a public 11414
office or the person responsible for public records shall organize 11415
and maintain public records in a manner that they can be made 11416
available for inspection or copying in accordance with division 11417
(B) of this section. A public office also shall have available a 11418
copy of its current records retention schedule at a location 11419

readily available to the public. If a requester makes an ambiguous 11420
or overly broad request or has difficulty in making a request for 11421
copies or inspection of public records under this section such 11422
that the public office or the person responsible for the requested 11423
public record cannot reasonably identify what public records are 11424
being requested, the public office or the person responsible for 11425
the requested public record may deny the request but shall provide 11426
the requester with an opportunity to revise the request by 11427
informing the requester of the manner in which records are 11428
maintained by the public office and accessed in the ordinary 11429
course of the public office's or person's duties. 11430

(3) If a request is ultimately denied, in part or in whole, 11431
the public office or the person responsible for the requested 11432
public record shall provide the requester with an explanation, 11433
including legal authority, setting forth why the request was 11434
denied. If the initial request was provided in writing, the 11435
explanation also shall be provided to the requester in writing. 11436
The explanation shall not preclude the public office or the person 11437
responsible for the requested public record from relying upon 11438
additional reasons or legal authority in defending an action 11439
commenced under division (C) of this section. 11440

(4) Unless specifically required or authorized by state or 11441
federal law or in accordance with division (B) of this section, no 11442
public office or person responsible for public records may limit 11443
or condition the availability of public records by requiring 11444
disclosure of the requester's identity or the intended use of the 11445
requested public record. Any requirement that the requester 11446
disclose the requester's identity or the intended use of the 11447
requested public record constitutes a denial of the request. 11448

(5) A public office or person responsible for public records 11449
may ask a requester to make the request in writing, may ask for 11450
the requester's identity, and may inquire about the intended use 11451

of the information requested, but may do so only after disclosing 11452
to the requester that a written request is not mandatory, that the 11453
requester may decline to reveal the requester's identity or the 11454
intended use, and when a written request or disclosure of the 11455
identity or intended use would benefit the requester by enhancing 11456
the ability of the public office or person responsible for public 11457
records to identify, locate, or deliver the public records sought 11458
by the requester. 11459

(6) If any person requests a copy of a public record in 11460
accordance with division (B) of this section, the public office or 11461
person responsible for the public record may require the requester 11462
to pay in advance the cost involved in providing the copy of the 11463
public record in accordance with the choice made by the requester 11464
under this division. The public office or the person responsible 11465
for the public record shall permit the requester to choose to have 11466
the public record duplicated upon paper, upon the same medium upon 11467
which the public office or person responsible for the public 11468
record keeps it, or upon any other medium upon which the public 11469
office or person responsible for the public record determines that 11470
it reasonably can be duplicated as an integral part of the normal 11471
operations of the public office or person responsible for the 11472
public record. When the requester makes a choice under this 11473
division, the public office or person responsible for the public 11474
record shall provide a copy of it in accordance with the choice 11475
made by the requester. Nothing in this section requires a public 11476
office or person responsible for the public record to allow the 11477
requester of a copy of the public record to make the copies of the 11478
public record. 11479

(7)(a) Upon a request made in accordance with division (B) of 11480
this section and subject to division (B)(6) of this section, a 11481
public office or person responsible for public records shall 11482
transmit a copy of a public record to any person by United States 11483

mail or by any other means of delivery or transmission within a 11484
reasonable period of time after receiving the request for the 11485
copy. The public office or person responsible for the public 11486
record may require the person making the request to pay in advance 11487
the cost of postage if the copy is transmitted by United States 11488
mail or the cost of delivery if the copy is transmitted other than 11489
by United States mail, and to pay in advance the costs incurred 11490
for other supplies used in the mailing, delivery, or transmission. 11491

(b) Any public office may adopt a policy and procedures that 11492
it will follow in transmitting, within a reasonable period of time 11493
after receiving a request, copies of public records by United 11494
States mail or by any other means of delivery or transmission 11495
pursuant to division (B)(7) of this section. A public office that 11496
adopts a policy and procedures under division (B)(7) of this 11497
section shall comply with them in performing its duties under that 11498
division. 11499

(c) In any policy and procedures adopted under division 11500
(B)(7) of this section: 11501

(i) A public office may limit the number of records requested 11502
by a person that the office will physically deliver by United 11503
States mail or by another delivery service to ten per month, 11504
unless the person certifies to the office in writing that the 11505
person does not intend to use or forward the requested records, or 11506
the information contained in them, for commercial purposes; 11507

(ii) A public office that chooses to provide some or all of 11508
its public records on a web site that is fully accessible to and 11509
searchable by members of the public at all times, other than 11510
during acts of God outside the public office's control or 11511
maintenance, and that charges no fee to search, access, download, 11512
or otherwise receive records provided on the web site, may limit 11513
to ten per month the number of records requested by a person that 11514
the office will deliver in a digital format, unless the requested 11515

records are not provided on the web site and unless the person 11516
certifies to the office in writing that the person does not intend 11517
to use or forward the requested records, or the information 11518
contained in them, for commercial purposes. 11519

(iii) For purposes of division (B)(7) of this section, 11520
"commercial" shall be narrowly construed and does not include 11521
reporting or gathering news, reporting or gathering information to 11522
assist citizen oversight or understanding of the operation or 11523
activities of government, or nonprofit educational research. 11524

(8) A public office or person responsible for public records 11525
is not required to permit a person who is incarcerated pursuant to 11526
a criminal conviction or a juvenile adjudication to inspect or to 11527
obtain a copy of any public record concerning a criminal 11528
investigation or prosecution or concerning what would be a 11529
criminal investigation or prosecution if the subject of the 11530
investigation or prosecution were an adult, unless the request to 11531
inspect or to obtain a copy of the record is for the purpose of 11532
acquiring information that is subject to release as a public 11533
record under this section and the judge who imposed the sentence 11534
or made the adjudication with respect to the person, or the 11535
judge's successor in office, finds that the information sought in 11536
the public record is necessary to support what appears to be a 11537
justiciable claim of the person. 11538

(9)(a) Upon written request made and signed by a journalist, 11539
a public office, or person responsible for public records, having 11540
custody of the records of the agency employing a specified 11541
designated public service worker shall disclose to the journalist 11542
the address of the actual personal residence of the designated 11543
public service worker and, if the designated public service 11544
worker's spouse, former spouse, or child is employed by a public 11545
office, the name and address of the employer of the designated 11546
public service worker's spouse, former spouse, or child. The 11547

request shall include the journalist's name and title and the name 11548
and address of the journalist's employer and shall state that 11549
disclosure of the information sought would be in the public 11550
interest. 11551

(b) Division (B)(9)(a) of this section also applies to 11552
journalist requests for: 11553

(i) Customer information maintained by a municipally owned or 11554
operated public utility, other than social security numbers and 11555
any private financial information such as credit reports, payment 11556
methods, credit card numbers, and bank account information; 11557

(ii) Information about minors involved in a school vehicle 11558
accident as provided in division (A)(1)(gg) of this section, other 11559
than personal information as defined in section 149.45 of the 11560
Revised Code. 11561

(c) As used in division (B)(9) of this section, "journalist" 11562
means a person engaged in, connected with, or employed by any news 11563
medium, including a newspaper, magazine, press association, news 11564
agency, or wire service, a radio or television station, or a 11565
similar medium, for the purpose of gathering, processing, 11566
transmitting, compiling, editing, or disseminating information for 11567
the general public. 11568

(10) Upon a request made by a victim, victim's attorney, or 11569
victim's representative, as that term is used in section 2930.02 11570
of the Revised Code, a public office or person responsible for 11571
public records shall transmit a copy of a depiction of the victim 11572
as described in division (A)(1)(ii) of this section to the victim, 11573
victim's attorney, or victim's representative. 11574

(C)(1) If a person allegedly is aggrieved by the failure of a 11575
public office or the person responsible for public records to 11576
promptly prepare a public record and to make it available to the 11577
person for inspection in accordance with division (B) of this 11578

section or by any other failure of a public office or the person 11579
responsible for public records to comply with an obligation in 11580
accordance with division (B) of this section, the person allegedly 11581
aggrieved may do only one of the following, and not both: 11582

(a) File a complaint with the clerk of the court of claims or 11583
the clerk of the court of common pleas under section 2743.75 of 11584
the Revised Code; 11585

(b) Commence a mandamus action to obtain a judgment that 11586
orders the public office or the person responsible for the public 11587
record to comply with division (B) of this section, that awards 11588
court costs and reasonable attorney's fees to the person that 11589
instituted the mandamus action, and, if applicable, that includes 11590
an order fixing statutory damages under division (C)(2) of this 11591
section. The mandamus action may be commenced in the court of 11592
common pleas of the county in which division (B) of this section 11593
allegedly was not complied with, in the supreme court pursuant to 11594
its original jurisdiction under Section 2 of Article IV, Ohio 11595
Constitution, or in the court of appeals for the appellate 11596
district in which division (B) of this section allegedly was not 11597
complied with pursuant to its original jurisdiction under Section 11598
3 of Article IV, Ohio Constitution. 11599

(2) If a requester transmits a written request by hand 11600
delivery, electronic submission, or certified mail to inspect or 11601
receive copies of any public record in a manner that fairly 11602
describes the public record or class of public records to the 11603
public office or person responsible for the requested public 11604
records, except as otherwise provided in this section, the 11605
requester shall be entitled to recover the amount of statutory 11606
damages set forth in this division if a court determines that the 11607
public office or the person responsible for public records failed 11608
to comply with an obligation in accordance with division (B) of 11609
this section. 11610

The amount of statutory damages shall be fixed at one hundred 11611
dollars for each business day during which the public office or 11612
person responsible for the requested public records failed to 11613
comply with an obligation in accordance with division (B) of this 11614
section, beginning with the day on which the requester files a 11615
mandamus action to recover statutory damages, up to a maximum of 11616
one thousand dollars. The award of statutory damages shall not be 11617
construed as a penalty, but as compensation for injury arising 11618
from lost use of the requested information. The existence of this 11619
injury shall be conclusively presumed. The award of statutory 11620
damages shall be in addition to all other remedies authorized by 11621
this section. 11622

The court may reduce an award of statutory damages or not 11623
award statutory damages if the court determines both of the 11624
following: 11625

(a) That, based on the ordinary application of statutory law 11626
and case law as it existed at the time of the conduct or 11627
threatened conduct of the public office or person responsible for 11628
the requested public records that allegedly constitutes a failure 11629
to comply with an obligation in accordance with division (B) of 11630
this section and that was the basis of the mandamus action, a 11631
well-informed public office or person responsible for the 11632
requested public records reasonably would believe that the conduct 11633
or threatened conduct of the public office or person responsible 11634
for the requested public records did not constitute a failure to 11635
comply with an obligation in accordance with division (B) of this 11636
section; 11637

(b) That a well-informed public office or person responsible 11638
for the requested public records reasonably would believe that the 11639
conduct or threatened conduct of the public office or person 11640
responsible for the requested public records would serve the 11641
public policy that underlies the authority that is asserted as 11642

permitting that conduct or threatened conduct. 11643

(3) In a mandamus action filed under division (C)(1) of this 11644
section, the following apply: 11645

(a)(i) If the court orders the public office or the person 11646
responsible for the public record to comply with division (B) of 11647
this section, the court shall determine and award to the relator 11648
all court costs, which shall be construed as remedial and not 11649
punitive. 11650

(ii) If the court makes a determination described in division 11651
(C)(3)(b)(iii) of this section, the court shall determine and 11652
award to the relator all court costs, which shall be construed as 11653
remedial and not punitive. 11654

(b) If the court renders a judgment that orders the public 11655
office or the person responsible for the public record to comply 11656
with division (B) of this section or if the court determines any 11657
of the following, the court may award reasonable attorney's fees 11658
to the relator, subject to division (C)(4) of this section: 11659

(i) The public office or the person responsible for the 11660
public records failed to respond affirmatively or negatively to 11661
the public records request in accordance with the time allowed 11662
under division (B) of this section. 11663

(ii) The public office or the person responsible for the 11664
public records promised to permit the relator to inspect or 11665
receive copies of the public records requested within a specified 11666
period of time but failed to fulfill that promise within that 11667
specified period of time. 11668

(iii) The public office or the person responsible for the 11669
public records acted in bad faith when the office or person 11670
voluntarily made the public records available to the relator for 11671
the first time after the relator commenced the mandamus action, 11672
but before the court issued any order concluding whether or not 11673

the public office or person was required to comply with division 11674
(B) of this section. No discovery may be conducted on the issue of 11675
the alleged bad faith of the public office or person responsible 11676
for the public records. This division shall not be construed as 11677
creating a presumption that the public office or the person 11678
responsible for the public records acted in bad faith when the 11679
office or person voluntarily made the public records available to 11680
the relator for the first time after the relator commenced the 11681
mandamus action, but before the court issued any order described 11682
in this division. 11683

(c) The court shall not award attorney's fees to the relator 11684
if the court determines both of the following: 11685

(i) That, based on the ordinary application of statutory law 11686
and case law as it existed at the time of the conduct or 11687
threatened conduct of the public office or person responsible for 11688
the requested public records that allegedly constitutes a failure 11689
to comply with an obligation in accordance with division (B) of 11690
this section and that was the basis of the mandamus action, a 11691
well-informed public office or person responsible for the 11692
requested public records reasonably would believe that the conduct 11693
or threatened conduct of the public office or person responsible 11694
for the requested public records did not constitute a failure to 11695
comply with an obligation in accordance with division (B) of this 11696
section; 11697

(ii) That a well-informed public office or person responsible 11698
for the requested public records reasonably would believe that the 11699
conduct or threatened conduct of the public office or person 11700
responsible for the requested public records would serve the 11701
public policy that underlies the authority that is asserted as 11702
permitting that conduct or threatened conduct. 11703

(4) All of the following apply to any award of reasonable 11704
attorney's fees awarded under division (C)(3)(b) of this section: 11705

(a) The fees shall be construed as remedial and not punitive. 11706

(b) The fees awarded shall not exceed the total of the 11707
reasonable attorney's fees incurred before the public record was 11708
made available to the relator and the fees described in division 11709
(C)(4)(c) of this section. 11710

(c) Reasonable attorney's fees shall include reasonable fees 11711
incurred to produce proof of the reasonableness and amount of the 11712
fees and to otherwise litigate entitlement to the fees. 11713

(d) The court may reduce the amount of fees awarded if the 11714
court determines that, given the factual circumstances involved 11715
with the specific public records request, an alternative means 11716
should have been pursued to more effectively and efficiently 11717
resolve the dispute that was subject to the mandamus action filed 11718
under division (C)(1) of this section. 11719

(5) If the court does not issue a writ of mandamus under 11720
division (C) of this section and the court determines at that time 11721
that the bringing of the mandamus action was frivolous conduct as 11722
defined in division (A) of section 2323.51 of the Revised Code, 11723
the court may award to the public office all court costs, 11724
expenses, and reasonable attorney's fees, as determined by the 11725
court. 11726

(D) Chapter 1347. of the Revised Code does not limit the 11727
provisions of this section. 11728

(E)(1) To ensure that all employees of public offices are 11729
appropriately educated about a public office's obligations under 11730
division (B) of this section, all elected officials or their 11731
appropriate designees shall attend training approved by the 11732
attorney general as provided in section 109.43 of the Revised 11733
Code. A future official may satisfy the requirements of this 11734
division by attending the training before taking office, provided 11735
that the future official may not send a designee in the future 11736

official's place. 11737

(2) All public offices shall adopt a public records policy in 11738
compliance with this section for responding to public records 11739
requests. In adopting a public records policy under this division, 11740
a public office may obtain guidance from the model public records 11741
policy developed and provided to the public office by the attorney 11742
general under section 109.43 of the Revised Code. Except as 11743
otherwise provided in this section, the policy may not limit the 11744
number of public records that the public office will make 11745
available to a single person, may not limit the number of public 11746
records that it will make available during a fixed period of time, 11747
and may not establish a fixed period of time before it will 11748
respond to a request for inspection or copying of public records, 11749
unless that period is less than eight hours. 11750

The public office shall distribute the public records policy 11751
adopted by the public office under this division to the employee 11752
of the public office who is the records custodian or records 11753
manager or otherwise has custody of the records of that office. 11754
The public office shall require that employee to acknowledge 11755
receipt of the copy of the public records policy. The public 11756
office shall create a poster that describes its public records 11757
policy and shall post the poster in a conspicuous place in the 11758
public office and in all locations where the public office has 11759
branch offices. The public office may post its public records 11760
policy on the internet web site of the public office if the public 11761
office maintains an internet web site. A public office that has 11762
established a manual or handbook of its general policies and 11763
procedures for all employees of the public office shall include 11764
the public records policy of the public office in the manual or 11765
handbook. 11766

(F)(1) The bureau of motor vehicles may adopt rules pursuant 11767
to Chapter 119. of the Revised Code to reasonably limit the number 11768

of bulk commercial special extraction requests made by a person 11769
for the same records or for updated records during a calendar 11770
year. The rules may include provisions for charges to be made for 11771
bulk commercial special extraction requests for the actual cost of 11772
the bureau, plus special extraction costs, plus ten per cent. The 11773
bureau may charge for expenses for redacting information, the 11774
release of which is prohibited by law. 11775

(2) As used in division (F)(1) of this section: 11776

(a) "Actual cost" means the cost of depleted supplies, 11777
records storage media costs, actual mailing and alternative 11778
delivery costs, or other transmitting costs, and any direct 11779
equipment operating and maintenance costs, including actual costs 11780
paid to private contractors for copying services. 11781

(b) "Bulk commercial special extraction request" means a 11782
request for copies of a record for information in a format other 11783
than the format already available, or information that cannot be 11784
extracted without examination of all items in a records series, 11785
class of records, or database by a person who intends to use or 11786
forward the copies for surveys, marketing, solicitation, or resale 11787
for commercial purposes. "Bulk commercial special extraction 11788
request" does not include a request by a person who gives 11789
assurance to the bureau that the person making the request does 11790
not intend to use or forward the requested copies for surveys, 11791
marketing, solicitation, or resale for commercial purposes. 11792

(c) "Commercial" means profit-seeking production, buying, or 11793
selling of any good, service, or other product. 11794

(d) "Special extraction costs" means the cost of the time 11795
spent by the lowest paid employee competent to perform the task, 11796
the actual amount paid to outside private contractors employed by 11797
the bureau, or the actual cost incurred to create computer 11798
programs to make the special extraction. "Special extraction 11799

costs" include any charges paid to a public agency for computer or records services.

(3) For purposes of divisions (F)(1) and (2) of this section, "surveys, marketing, solicitation, or resale for commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(G) A request by a defendant, counsel of a defendant, or any agent of a defendant in a criminal action that public records related to that action be made available under this section shall be considered a demand for discovery pursuant to the Criminal Rules, except to the extent that the Criminal Rules plainly indicate a contrary intent. The defendant, counsel of the defendant, or agent of the defendant making a request under this division shall serve a copy of the request on the prosecuting attorney, director of law, or other chief legal officer responsible for prosecuting the action.

(H)(1) Any portion of a body-worn camera or dashboard camera recording described in divisions (A)(17)(b) to (h) of this section may be released by consent of the subject of the recording or a representative of that person, as specified in those divisions, only if either of the following applies:

(a) The recording will not be used in connection with any probable or pending criminal proceedings;

(b) The recording has been used in connection with a criminal proceeding that was dismissed or for which a judgment has been entered pursuant to Rule 32 of the Rules of Criminal Procedure, and will not be used again in connection with any probable or pending criminal proceedings.

(2) If a public office denies a request to release a

restricted portion of a body-worn camera or dashboard camera 11831
recording, as defined in division (A)(17) of this section, any 11832
person may file a mandamus action pursuant to this section or a 11833
complaint with the clerk of the court of claims pursuant to 11834
section 2743.75 of the Revised Code, requesting the court to order 11835
the release of all or portions of the recording. If the court 11836
considering the request determines that the filing articulates by 11837
clear and convincing evidence that the public interest in the 11838
recording substantially outweighs privacy interests and other 11839
interests asserted to deny release, the court shall order the 11840
public office to release the recording. 11841

Sec. 153.12. (A) With respect to award of any contract for 11842
the construction, reconstruction, improvement, enlargement, 11843
alteration, repair, painting, or decoration of a public 11844
improvement made by the state, or any county, township, municipal 11845
corporation, school district, or other political subdivision, or 11846
any public board, commission, authority, instrumentality, or 11847
special purpose district of or in the state or a political 11848
subdivision or that is authorized by state law, the award, and 11849
execution of the contract, shall be made within sixty days after 11850
the date on which the bids are opened. The failure to award and 11851
execute the contract within sixty days invalidates the entire bid 11852
proceedings and all bids submitted, unless the time for awarding 11853
and executing the contract is extended by mutual consent of the 11854
owner or its representatives and the bidder whose bid the owner 11855
accepts and with respect to whom the owner subsequently awards and 11856
executes a contract. The public owners referred to in this section 11857
shall include, in the plans and specifications for the project for 11858
which bids are solicited, the estimate of cost. The bid for which 11859
the award is to be made shall be opened at the time and place 11860
named in the advertisement for bids, unless extended by the owner 11861
or its representative or unless, within seventy-two hours prior to 11862

the published time for the opening of bids, excluding Saturdays, 11863
Sundays, and legal holidays, any modification of the plans or 11864
specifications and estimates of cost for the project for which 11865
bids are solicited is issued and mailed or otherwise furnished to 11866
persons who have obtained plans or specifications for the project, 11867
for which the time for opening of bids shall be extended one week, 11868
with no further advertising of bids required. The contractor, upon 11869
request, is entitled to a notice to proceed with the work by the 11870
owner or its representative upon execution of the contract. No 11871
contract to which this section applies shall be entered into if 11872
the price of the contract, or, if the project involves multiple 11873
contracts where the total price of all contracts for the project, 11874
is in excess of ~~ten~~ twenty per cent above the entire estimate 11875
thereof, nor shall the entire cost of the construction, 11876
reconstruction, repair, painting, decorating, improvement, 11877
alteration, addition, or installation, including changes and 11878
estimates of expenses for architects or engineers, exceed in the 11879
aggregate the amount authorized by law. 11880

The unit or lump sum price stated in the contract shall be 11881
used in determining the amount to be paid and shall constitute 11882
full and final compensation for all the work. 11883

Partial payment to the contractor for work performed under 11884
the lump sum price shall be based on a schedule prepared by the 11885
contractor and approved by the architect or engineer who shall 11886
apportion the lump sum price to the major components entering into 11887
or forming a part of the work under the lump sum price. 11888

Partial payments to the contractor for labor performed under 11889
either a unit or lump sum price contract shall be made at the rate 11890
of ninety-two per cent of the estimates prepared by the contractor 11891
and approved by the architect or engineer. All labor performed 11892
after the job is fifty per cent completed shall be paid for at the 11893
rate of one hundred per cent of the estimates submitted by the 11894

contractor and approved by the architect or engineer. 11895

The amounts and time of payments of any public improvements 11896
contract made by the state or any county, township, municipal 11897
corporation, school district, or other political subdivision, or 11898
any public board, commission, authority, instrumentality, or 11899
special purpose district of or in the state or a political 11900
subdivision or that is authorized by state law, except as provided 11901
in section 5525.19 of the Revised Code, shall be governed by this 11902
section and sections 153.13 and 153.14 of the Revised Code. If the 11903
time for awarding the contract is extended by mutual consent, or 11904
if the owner or its representative fails to issue a timely notice 11905
to proceed as required by this section, the owner or its 11906
representative shall issue a change order authorizing delay costs 11907
to the contractor, which does not invalidate the contract. The 11908
amount of such a change order to the owner shall be determined in 11909
accordance with the provisions of the contract for change orders 11910
or force accounts or, if no such provision is set forth in the 11911
contract, the cost to the owner shall be the contractor's actual 11912
costs including wages, labor costs other than wages, wage taxes, 11913
materials, equipment costs and rentals, insurance, and 11914
subcontracts attributable to the delay, plus a reasonable sum for 11915
overhead. In the event of a dispute between the owner and the 11916
contractor concerning such change order, procedures shall be 11917
commenced under the applicable terms of the contract, or, if the 11918
contract contains no provision for resolving the dispute, it shall 11919
be resolved pursuant to the procedures for arbitration in Chapter 11920
2711. of the Revised Code, except as provided in division (B) of 11921
this section. Nothing in this division shall be construed as a 11922
limitation upon the authority of the director of transportation 11923
granted in Chapter 5525. of the Revised Code. 11924

(B) If a dispute arises between the state and a contractor 11925
concerning the terms of a public improvement contract let by the 11926

state or concerning a breach of the contract, and after 11927
administrative remedies provided for in such contract and any 11928
alternative dispute resolution procedures provided in accordance 11929
with guidelines established by the executive director of the Ohio 11930
facilities construction commission are exhausted, the contractor 11931
may bring an action to the court of claims in accordance with 11932
Chapter 2743. of the Revised Code. The state or the contractor may 11933
request the chief justice of the supreme court to appoint a 11934
referee or panel of referees in accordance with division (C)(3) of 11935
section 2743.03 of the Revised Code. As used in this division, 11936
"dispute" means a disagreement between the state and the 11937
contractor concerning a public improvement contract let by the 11938
state. 11939

(C) No public entity subject to competitive bidding 11940
requirements under any section of the Revised Code shall subdivide 11941
a purchase, lease, project, or other expenditure into component 11942
parts, separate projects, or separate items of work in order to 11943
avoid the applicable competitive bidding requirements. 11944

Sec. 153.17. (A) When in the opinion of the owner referred to 11945
in section 153.01 of the Revised Code, the work under any contract 11946
made under any law of the state is neglected by the contractor or 11947
such work is not prosecuted with the diligence and force specified 11948
or intended in the contract, such owner may make requisition upon 11949
the contractor for such additional specific force or materials to 11950
be brought into the work under such contract or to remove improper 11951
materials from the grounds as in their judgment the contract and 11952
its faithful fulfillment requires. 11953

Not less than five days' notice in writing of such action 11954
shall be served upon the contractor or the contractor's agent in 11955
charge of the work. If the contractor fails to comply with such 11956
requisition within fifteen days, such owner with the written 11957

consent of the Ohio facilities construction commission, may employ 11958
upon the work the additional force, or supply the special 11959
materials or such part of either as is considered proper, and may 11960
remove improper materials from the grounds. 11961

(B) When the original contractor has defaulted on a contract 11962
and the surety has declined to take over the project, the owner 11963
may contract with one or more takeover contractors to complete 11964
work that was not finished because of the default of the original 11965
contractor. The owner may enter into a contract with a takeover 11966
contractor without competitive bidding or controlling board 11967
approval. ~~Upon execution of a takeover contract, the owner shall~~ 11968
~~notify the director of budget and management.~~ 11969

When the owner has taken over a project after a default has 11970
occurred, any moneys that the owner receives from the surety as a 11971
settlement for completion of the project shall be deposited in the 11972
original fund from which the capital appropriation for the project 11973
was made. The executive director, without controlling board 11974
approval, may authorize specified additional uses for the moneys 11975
related to completion of the project and may increase the 11976
appropriation authority in the appropriation line item used to 11977
fund the project by an amount equal to the moneys received from 11978
the surety. 11979

Sec. 153.54. (A) Except with respect to a contract described 11980
in section 9.334 or 153.693 of the Revised Code, each person 11981
bidding for a contract with the state or any political 11982
subdivision, district, institution, or other agency thereof, 11983
excluding therefrom the department of transportation, for any 11984
public improvement shall file with the bid, a bid guaranty in the 11985
form of either: 11986

(1) A bond in accordance with division (B) of this section 11987
for the full amount of the bid; 11988

(2) A certified check, cashier's check, or letter of credit 11989
pursuant to Chapter 1305. of the Revised Code, in accordance with 11990
division (C) of this section. Any such letter of credit is 11991
revocable only at the option of the beneficiary state, political 11992
subdivision, district, institution, or agency. The amount of the 11993
certified check, cashier's check, or letter of credit shall be 11994
equal to ten per cent of the bid. 11995

(B) A bid guaranty filed pursuant to division (A)(1) of this 11996
section shall be conditioned to: 11997

(1) Provide that, if the bid is accepted, the bidder, after 11998
the awarding or the recommendation for the award of the contract, 11999
whichever the contracting authority designates, will enter into a 12000
proper contract in accordance with the bid, plans, details, and 12001
specifications. If for any reason, other than as authorized by 12002
section 9.31 of the Revised Code or division (G) of this section, 12003
the bidder fails to enter into the contract, and the contracting 12004
authority awards the contract to the next lowest bidder, the 12005
bidder and the surety on the bidder's bond are liable to the 12006
state, political subdivision, district, institution, or agency for 12007
the difference between the bid and that of the next lowest bidder, 12008
or for a penal sum not to exceed ten per cent of the amount of the 12009
bond, whichever is less. If the state, political subdivision, 12010
district, institution, or agency does not award the contract to 12011
the next lowest bidder but resubmits the project for bidding, the 12012
bidder failing to enter into the contract and the surety on the 12013
bidder's bond, except as provided in division (G) of this section, 12014
are liable to the state, political subdivision, district, 12015
institution, or agency for a penal sum not to exceed ten per cent 12016
of the amount of the bid or the costs in connection with the 12017
resubmission of printing new contract documents, required 12018
advertising, and printing and mailing notices to prospective 12019
bidders, whichever is less. 12020

(2) Indemnify the state, political subdivision, district, institution, or agency against all damage suffered by failure to perform the contract according to its provisions and in accordance with the plans, details, and specifications therefor and to pay all lawful claims of subcontractors, material suppliers, and laborers for labor performed or material furnished in carrying forward, performing, or completing the contract; and agree and assent that this undertaking is for the benefit of any subcontractor, material supplier, or laborer having a just claim, as well as for the state, political subdivision, district, institution, or agency.

(C)(1) A bid guaranty filed pursuant to division (A)(2) of this section shall be conditioned to provide that if the bid is accepted, the bidder, after the awarding or the recommendation for the award of the contract, whichever the contracting authority designates, will enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material. If for any reason, other than as authorized by section 9.31 of the Revised Code or division (G) of this section, the bidder fails to enter into the contract, and the contracting authority awards the contract to the next lowest bidder, the bidder is liable to the state, political subdivision, district, institution, or agency for the difference between the bidder's bid and that of the next lowest bidder, or for a penal sum not to exceed ten per cent of the amount of the bid, whichever is less. If the state, political subdivision, district, institution, or agency does not award the contract to the next lowest bidder but resubmits the project for bidding, the bidder failing to enter into the contract, except as provided in division (G) of this section, is liable to the state, political subdivision, district, institution, or agency for a penal sum not to exceed ten per cent of the amount of the bid or the costs in connection with the resubmission, of printing new contract documents, required advertising, and printing and mailing

notices to prospective bidders, whichever is less. 12054

If the bidder enters into the contract, the bidder, at the 12055
time the contract is entered to, shall file a bond for the amount 12056
of the contract to indemnify the state, political subdivision, 12057
district, institution, or agency against all damage suffered by 12058
failure to perform the contract according to its provisions and in 12059
accordance with the plans, details, and specifications and to pay 12060
all lawful claims of subcontractors, material suppliers, and 12061
laborers for labor performed or material furnished in carrying 12062
forward, performing, or completing the contract; and agree and 12063
assent that this undertaking is for the benefit of any 12064
subcontractor, material supplier, or laborer having a just claim, 12065
as well as for the state, political subdivision, district, 12066
institution, or agency. 12067

(2) A construction manager who enters into a contract 12068
pursuant to sections 9.33 to 9.333 of the Revised Code, if 12069
required by the public authority at the time the construction 12070
manager enters into the contract, shall file a letter of credit 12071
pursuant to Chapter 1305. of the Revised Code, bond, certified 12072
check, or cashier's check, for the value of the construction 12073
management contract to indemnify the state, political subdivision, 12074
district, institution, or agency against all damage suffered by 12075
the construction manager's failure to perform the contract 12076
according to its provisions, and shall agree and assent that this 12077
undertaking is for the benefit of the state, political 12078
subdivision, district, institution, or agency. A letter of credit 12079
provided by the construction manager is revocable only at the 12080
option of the beneficiary state, political subdivision, district, 12081
institution, or agency. 12082

(D) Where the state, political subdivision, district, 12083
institution, or agency accepts a bid but the bidder fails or 12084
refuses to enter into a proper contract in accordance with the 12085

bid, plans, details, and specifications within ten days after the 12086
awarding of the contract, the bidder and the surety on any bond, 12087
except as provided in division (G) of this section, are liable for 12088
the amount of the difference between the bidder's bid and that of 12089
the next lowest bidder, but not in excess of the liability 12090
specified in division (B)(1) or (C) of this section. Where the 12091
state, political subdivision, district, institution, or agency 12092
then awards the bid to such next lowest bidder and such next 12093
lowest bidder also fails or refuses to enter into a proper 12094
contract in accordance with the bid, plans, details, and 12095
specifications within ten days after the awarding of the contract, 12096
the liability of such next lowest bidder, except as provided in 12097
division (G) of this section, is the amount of the difference 12098
between the bids of such next lowest bidder and the third lowest 12099
bidder, but not in excess of the liability specified in division 12100
(B)(1) or (C) of this section. Liability on account of an award to 12101
any lowest bidder beyond the third lowest bidder shall be 12102
determined in like manner. 12103

(E) Notwithstanding division (C) of this section, where the 12104
state, political subdivision, district, institution, or agency 12105
resubmits the project for bidding, each bidder whose bid was 12106
accepted but who failed or refused to enter into a proper 12107
contract, except as provided in division (G) of this section, is 12108
liable for an equal share of a penal sum in connection with the 12109
resubmission, of printing new contract documents, required 12110
advertising, and printing and mailing notices to prospective 12111
bidders, but no bidder's liability shall exceed the amount of the 12112
bidder's bid guaranty. 12113

(F) All bid guaranties filed pursuant to this section shall 12114
be payable to the state, political subdivision, district, 12115
institution, or agency, be for the benefit of the state, political 12116
subdivision, district, institution, or agency or any person having 12117

a right of action thereon, and be deposited with, and held by, the board, officer, or agent contracting on behalf of the state, political subdivision, district, institution, or agency. ~~If the departments determine that the medicaid funded component of the assisted living program should be terminated, the medicaid funded component shall cease to exist on a date the departments shall specify.~~

Sec. 173.542. (A) ~~Unless the medicaid funded component of the assisted living program is terminated pursuant to division (C) of section 173.54 of the Revised Code, the~~ The department of aging shall establish a home first component of the assisted living program under which eligible individuals may be enrolled in the medicaid-funded component of the assisted living program in accordance with this section. An individual is eligible for the assisted living program's home first component if both of the following apply:

(1) The individual has been determined to be eligible for the medicaid-funded component of the assisted living program.

(2) At least one of the following applies:

(a) The individual has been admitted to a nursing facility.

(b) A physician has determined and documented in writing that the individual has a medical condition that, unless the individual is enrolled in home and community-based services such as the assisted living program, will require the individual to be admitted to a nursing facility within thirty days of the physician's determination.

(c) The individual has been hospitalized and a physician has determined and documented in writing that, unless the individual is enrolled in home and community-based services such as the assisted living program, the individual is to be transported directly from the hospital to a nursing facility and admitted.

(d) Both of the following apply:

(i) The individual is the subject of a report made under

section 5101.63 of the Revised Code regarding abuse, neglect, or 12640
exploitation or such a report referred to a county department of 12641
job and family services under section 5126.31 of the Revised Code 12642
or has made a request to a county department for protective 12643
services as defined in section 5101.60 of the Revised Code. 12644

(ii) A county department of job and family services and an 12645
area agency on aging have jointly documented in writing that, 12646
unless the individual is enrolled in home and community-based 12647
services such as the assisted living program, the individual 12648
should be admitted to a nursing facility. 12649

(B) Each month, each area agency on aging shall identify 12650
individuals residing in the area that the area agency on aging 12651

such an individual and determines that there is a vacancy in a 12654
residential care facility participating in the medicaid-funded 12655
component of the assisted living program that is acceptable to the 12656
individual, the agency shall notify the long-term care 12657
consultation program administrator serving the area in which the 12658
individual resides. The administrator shall determine whether the 12659

whether the individual would rather participate in the assisted 12661
living program than continue or begin to reside in a nursing 12662
facility. If the administrator determines that the assisted living 12663
program is appropriate for the individual and the individual would 12664
rather participate in the assisted living program than continue or 12665
begin to reside in a nursing facility, the administrator shall so 12666
notify the department of aging. On receipt of the notice from the 12667
administrator, the department shall approve the individual's 12668
enrollment in the medicaid-funded component of the assisted living 12669
program regardless of the unified waiting list established under 12670
section 173.55 of the Revised Code, unless the enrollment would 12671

cause the component to exceed any limit on the number of 12672
individuals who may participate in the component as set by the 12673
United States secretary of health and human services in the 12674
assisted living waiver. 12675

or the department's designee must have determined that the 12687
individual meets the nonfinancial eligibility requirements of the 12688
medicaid-funded component ~~(or, if the medicaid funded component is~~ 12689
~~terminated under division (C) of section 173.54 of the Revised~~ 12690

the financial eligibility requirements of the medicaid-funded 12693
component ~~(or, if the medicaid funded component is terminated~~ 12694
~~under division (C) of section 173.54 of the Revised Code, the~~ 12695
~~unified long term services and support medicaid waiver component).~~ 12696

(C) While receiving assisted living services under the 12697
state-funded component, the individual must reside in a 12698
residential care facility that is authorized by a valid provider 12699
agreement to participate in the component, including both of the 12700
following: 12701

a metropolitan housing authority that has a contract with the United States department of housing and urban development to receive an operating subsidy or rental assistance for the residents of the facility;

allocate the credit authorized by this section to its equity 12951
owners, and any such equity owner that is itself a pass-through 12952
entity may reallocate its portion of a credit to its own equity 12953
owners, under division (F)(2) of this section in any manner agreed 12954
to by such persons regardless of whether such equity owners are 12955
eligible for an allocation of the federal credit, whether the 12956

of the Internal Revenue Code, and whether any such person is 12959
deemed a partner of the project owner or equity owner for federal 12960

ownership interest prior to claiming the credit. The allocation 12962
shall be allowed without regard to any provision of the Internal 12963
Revenue Code, or regulation promulgated pursuant to it, that may 12964

interest in a qualified project, including its interest in the tax 12968
credits authorized by this section, to one or more other equity 12969
owners, in whole or in part, one or more times, and each assignee 12970
shall be able to claim the credit so long as its interest is 12971
acquired prior to the filing of its tax return or report or 12972
amended tax return or report claiming the credit and the equity 12973
owner's ownership interest is identified in the report required by 12974
division (I) of this section. Each equity owner to whom the right 12975
to claim a tax credit authorized by this section is assigned shall 12976
provide the designated reporter with evidence of that transfer so 12977

amount to be recaptured to the tax commissioner and to the 12988
superintendent of insurance. The commissioner or superintendent 12989
shall determine the taxpayer or taxpayers that claimed the credit, 12990
the tax against which the credit was claimed, and the amount to be 12991
recaptured and make an assessment against the taxpayer or 12992

infrastructure. 13249

Sec. 191.19. (A) The department of development, at the 13250

direction of the broadband expansion program authority, shall 13251

replacement. 13281

which the applicant is entitled to obtain full reimbursement from 13283
another governmental entity are not eligible for reimbursement 13284
under the program, except as provided in division (C)(2) of this 13285
section. 13286

(2) If an applicant's costs for deploying such service are 13287
reimbursed in part by a governmental entity, the applicant may 13288
apply for and obtain reimbursement under the program for the 13289

reimbursed. 13291

(D) For applicants that obtain broadband grant funding from 13292
sources other than reimbursements under the program, the authority 13293
may require the applicants to maintain accounting records 13294
sufficient to demonstrate that the other grant funds do not fully 13295
reimburse the same costs as those reimbursed under the program. 13296

Sec. 191.24. A pole owner that provides information and 13297
documentation to a provider to enable the provider to submit an 13298
application to the Ohio broadband pole replacement and 13299
undergrounding program may require the provider to reimburse the 13300
owner for the owner's actual and reasonable administrative 13301
expenses, the total of which shall not exceed five per cent of the 13302
pole replacement or mid-span pole installation costs. Such costs 13303
are not eligible for reimbursement under the program. 13304

Sec. 191.27. There is hereby created in the state treasury 13305
the broadband pole replacement fund consisting of money credited 13306
or transferred to the fund, money appropriated by the general 13307

replacement and undergrounding program and by the director of 13314
development to administer the program. 13315

Sec. 191.30. (A) The department of development shall direct 13316
an applicant that has been awarded a program reimbursement under 13317
the Ohio broadband pole replacement and undergrounding program to 13318
refund, with interest, all or any portion of the reimbursements 13319
the applicant received under the program, if the department finds, 13320
upon substantial evidence and after notice and the opportunity to 13321
respond, that the applicant materially violated any of the 13322
requirements agreed to under sections 191.10 to 191.24 of the 13323
Revised Code with respect to all or any portion of the 13324
reimbursements received. The interest included with a refund under 13325
this section shall be at the applicable federal funds rate as 13326
specified in division (B) of section 1304.84 of the Revised Code. 13327

under division (A) of this section shall be deposited into the 13329
broadband pole replacement fund created in section 191.27 of the 13330
Revised Code or the general revenue fund. 13331

Sec. 191.33. Not later than sixty days after the first amount 13332
of money is deposited to the credit of the broadband pole 13333

The expenses paid by a credit card under division (B)(1)(j) of this section shall	13421 13422 13423 13424 13425 13426 13427

not exceed ten thousand dollars per quarter, unless the board of 13428
county commissioners adopts a resolution approving the payment by 13429
credit card of such expenses that exceed that amount during that 13430
time period; 13431

(k) Expenses related to temporary and necessary assistance 13432
care provided by the county veterans service office; 13433

(1) Fees or charges related to a state-issued license or 13434
certificate. 13435

(2) No late charges or finance charges shall be allowed as an 13436
allowable expense unless authorized by the board of county 13437
commissioners. 13438

(C) A county appointing authority may apply to the board of 13439
county commissioners for authorization to have an officer or 13440
employee of the appointing authority use a credit card held by 13441
that appointing authority. The authorization request shall state 13442
whether the card is to be issued only in the name of the office of 13443
the appointing authority or whether the issued card also shall 13444
include the name of a specified officer or employee. 13445

(D) The debt incurred as a result of the use of a credit card 13446
pursuant to this section shall be paid from moneys appropriated to 13447
specific appropriation line items of the appointing authority for 13448
work-related expenses listed in division (B)(1) of this section. 13449

(E)(1) Except as otherwise provided in division (E)(2) of 13450
this section, every officer or employee authorized to use a credit 13451
card held by the board or appointing authority shall submit to the 13452
board by the first day of each month an estimate of the officer's 13453
or employee's work-related expenses listed in division (B)(1) of 13454
this section for that month along with the specific appropriation 13455
line items from which those expenditures are to be made, unless 13456
the board authorizes, by resolution, the officer or employee to 13457
submit to the board such an estimate for a period longer than one 13458

month. The board may revise the estimate and determine the amount 13459
it approves, if any, not to exceed the estimated amount. The board 13460
shall certify the amount of its determination to the county 13461
auditor along with the specific appropriation line items from 13462
which the expenditures are to be made. After receiving 13463
certification from the county auditor that the determined sum of 13464
money is in the treasury or in the process of collection to the 13465
credit of the specific appropriation line items for which the 13466
credit card is approved for use, and is free from previous and 13467
then-outstanding obligations or certifications, the board shall 13468
authorize the officer or employee to incur debt for the expenses 13469
against the county's credit up to the authorized amount. 13470

(2) In lieu of following the procedure set forth in division 13471
(E)(1) of this section, a board of county commissioners may adopt 13472
a resolution authorizing an officer or employee of an appointing 13473
authority to use a county credit card to pay for specific classes 13474
of the work-related expenses listed in division (B)(1) of this 13475
section, or use a specific credit card for any of those 13476
work-related expenses listed in division (B)(1) of this section, 13477
without submitting an estimate of those expenses to the board as 13478
required by division (E)(1) of this section. Prior to adopting the 13479
resolution, the board shall notify the county auditor. The 13480
resolution shall specify whether the officer's or employee's 13481
exemption extends to the use of a specific credit card, which card 13482
shall be identified by its number, or to one or more specific 13483
work-related uses from the classes of uses permitted under 13484
division (B)(1) of this section. Before any credit card exempted 13485
for specific uses may be used to make purchases for uses other 13486
than those specific uses listed in the resolution, the procedures 13487
outlined in division (E)(1) of this section must be followed or 13488
the use shall be considered an unauthorized use. Use of any credit 13489
card under division (E)(2) of this section shall be limited to the 13490
amount appropriated and encumbered in a specific appropriation 13491

line item for the permitted use or uses designated in the 13492
authorizing resolution, or, in the case of a resolution that 13493
authorizes use of a specific credit card, for each of the 13494
permitted uses listed in division (B) of this section, but only to 13495
the extent the moneys in those specific appropriation line items 13496
are not otherwise encumbered. 13497

(F)(1) Any time a county credit card approved for use for an 13498
authorized amount under division (E)(1) of this section is used 13499
for more than that authorized amount, the appointing authority may 13500
request the board of county commissioners to authorize after the 13501
fact the expenditure of any amount charged beyond the originally 13502
authorized amount if, upon the board's request, the county auditor 13503
certifies that sum of money is in the treasury or in the process 13504
of collection to the credit of the appropriate appropriation line 13505
item for which the credit card was used, and is free from previous 13506
and then-outstanding obligations or certifications. If the card is 13507
used for more than the amount originally authorized and if for any 13508
reason that amount is not authorized after the fact, the county 13509
treasury shall be reimbursed for any amount spent beyond the 13510
originally authorized amount in the following manner: 13511

(a) If the card is issued in the name of a specific officer 13512
or employee, that officer or employee is liable in person and upon 13513
any official bond the officer or employee has given to the county 13514
to reimburse the county treasury for the amount charged to the 13515
county beyond the originally authorized amount. 13516

(b) If the card is issued to the office of the appointing 13517
authority, the appointing authority is liable in person and upon 13518
any official bond the appointing authority has given to the county 13519
for the amount charged to the county beyond the originally 13520
authorized amount. 13521

(2) Any time a county credit card authorized for use under 13522
division (E)(2) of this section is used for more than the amount 13523

appropriated under that division, the county treasury shall be 13524
reimbursed for any amount spent beyond the originally appropriated 13525
amount in the following manner: 13526

(a) If the card is issued in the name of a specific officer 13527
or employee, that officer or employee is liable in person and upon 13528
any official bond the officer or employee has given to the county 13529
for reimbursing the county treasury for any amount charged on the 13530
card beyond the originally appropriated amount. 13531

(b) If the card is issued in the name of the office of the 13532
appointing authority, the appointing authority is liable in person 13533
and upon any official bond the appointing authority has given to 13534
the county for reimbursement for any amount charged on the card 13535
beyond the originally appropriated amount. 13536

(3) Whenever any officer or employee who is authorized to use 13537
a credit card held by the board or the office of any other county 13538
appointing authority suspects the loss, theft, or possibility of 13539
unauthorized use of the card, the officer or employee shall notify 13540
the county auditor and either the officer's or employee's 13541
appointing authority or the board immediately and in writing. 13542

(4) If the county auditor determines there has been a credit 13543
card expenditure beyond the appropriated or authorized amount as 13544
provided in division (E) of this section, the auditor immediately 13545
shall notify the board of county commissioners. When the board 13546
determines, on its own or after notification from the county 13547
auditor, that the county treasury should be reimbursed for credit 13548
card expenditures beyond the appropriated or authorized amount as 13549
provided in divisions (F)(1) and (2) of this section, it shall 13550
give written notice to the county auditor and to the officer or 13551
employee or appointing authority liable to the treasury as 13552
provided in those divisions. If, within thirty days after issuance 13553
of the written notice, the county treasury is not reimbursed for 13554
the amount shown on the written notice, the prosecuting attorney 13555

of the county shall recover that amount from the officer or 13556
employee or appointing authority who is liable under this section 13557
by civil action in any court of appropriate jurisdiction. 13558

(G) Use of a county credit card for any use other than those 13559
permitted under division (B)(1) of this section is a violation of 13560
section 2913.21 of the Revised Code. 13561

Sec. 307.01. (A) A courthouse, ~~jail~~, public comfort station, 13562
offices for county officers, and a county home shall be provided 13563

in its judgment, it is needed. The buildings and offices shall be 13567
of such style, dimensions, and expense as the board determines. 13568
All new jails and renovations to existing jails shall be designed, 13569
and all existing jails shall be operated in such a manner as to 13570
comply substantially with the minimum standards for jails in Ohio 13571
adopted by the department of rehabilitation and correction. The 13572
board shall also provide equipment, stationery, and postage, as it 13573
considers reasonably necessary for the proper and convenient 13574
conduct of county offices, and such facilities as will result in 13575
expeditious and economical administration of such offices, except 13576
that, for the purpose of obtaining federal or state reimbursement, 13577
the board may impose on the public children services agency 13578
reasonable charges, not exceeding the amount for which 13579
reimbursement will be made and consistent with cost-allocation 13580
standards adopted by the department of job and family services, 13581
for the provision of office space, supplies, stationery, 13582
utilities, telephone use, postage, and general support services. 13583

The board of county commissioners shall provide all rooms, 13584
fireproof and burglarproof vaults, safes, and other means of 13585
security in the office of the county treasurer that are necessary 13586

for the protection of public moneys and property in the office. 13587

(B) The court of common pleas shall annually submit a written 13588
request for an appropriation to the board of county commissioners 13589
that shall set forth estimated administrative expenses of the 13590
court that the court considers reasonably necessary for its 13591
operation. The board shall conduct a public hearing with respect 13592
to the written request submitted by the court and shall 13593
appropriate the amount of money each year that it determines, 13594
after conducting the public hearing and considering the written 13595
request of the court, is reasonably necessary to meet all 13596
administrative expenses of the court. 13597

If the court considers the appropriation made by the board 13598
pursuant to this division insufficient to meet all the 13599
administrative expenses of the court, it shall commence an action 13600
under Chapter 2731. of the Revised Code in the court of appeals 13601
for the judicial district for a determination of the duty of the 13602
board of county commissioners to appropriate the amount of money 13603
in dispute. The court of appeals shall give priority to the action 13604
filed by the court of common pleas over all cases pending on its 13605
docket. The burden shall be on the court of common pleas to prove 13606
that the appropriation requested is reasonably necessary to meet 13607
all its administrative expenses. If, prior to the filing of an 13608
action under Chapter 2731. of the Revised Code or during the 13609
pendency of the action, any judge of the court exercises the 13610
contempt power of the court of common pleas in order to obtain the 13611
amount of money in dispute, the judge shall not order the 13612

(D) The board of county commissioners may provide offices for 13618

or lease offices to a county land reutilization corporation 13619
organized under Chapter 1724. of the Revised Code and, in 13620
connection with such a lease, charge rentals that are at or below 13621
the market rentals for such offices, if the board determines that 13622
providing offices for or leasing offices to the corporation will 13623
promote economic development or the general welfare of the people 13624
of the county through a plan of providing affordable housing, land 13625
reutilization, and community development. 13626

by the applicable bond proceedings authorized by Chapter 154. of 13693

of the Revised Code, to occupy and operate such capital facilities 13697
for such period of time as may be specified by law and to pay such 13698

obtained through competitive bidding. No purchase, lease, project, 13742
or other transaction subject to this section shall be divided into 13743
component parts, separate projects, or separate items of work in 13744

shall maintain a record of such estimates, including the name of 13770
each person from whom an estimate is solicited. The county or 13771

a proposal is submitted under division (A) of this section, the 14357
board of county commissioners shall approve, reject, or modify the 14358
proposal and notify the county recorder of its action on the 14359
proposal. If the board rejects or modifies the proposal, it shall 14360

previously approved by the board of county commissioners in a 14374
proposal described in division (E)(2) of this section. The 14375
proposal may be submitted each year during that time period, but 14376
shall be limited to funding in the following fiscal year. If the 14377
total of the amount under division (E)(2) of this section and the 14378
amount requested under this division does not exceed eight 14379
dollars, the board shall approve the proposal and notify the 14380
county recorder of its approval. 14381

the board of county commissioners under division (E)(1) of this 14385
section, as long as the total amount of the fees in divisions (B) 14386

and 5705.38, and by division (D) of section 5705.41 of the Revised 14400
Code. 14401

(G) If the use of the county recorder's technology fund for 14402
the purposes of division (A)(3) of this section includes 14403
associated expenses for personnel, the use of the fund for 14404
personnel shall be strictly confined to personnel directly related 14405
to imaging and other technological equipment, and any compensation 14406
increases for those personnel shall not exceed the average of the 14407

form prescribed by the tax commissioner, and other information as 14427
the county auditor may require, declaring the value of real 14428
property or manufactured or mobile home conveyed, except that when 14429
the transfer is exempt under division (G)(3) of section 319.54 of 14430
the Revised Code only a statement of the reason for the exemption 14431
shall be required. Each statement submitted under this section 14432
shall contain the information required under divisions (A) and (B) 14433
of this section. 14434

(A) Each statement submitted under this section shall either: 14435

(1) Contain an affirmation by the grantee that the grantor 14436
has been asked by the grantee or the grantee's representative 14437
whether to the best of the grantor's knowledge either the 14438
preceding or the current year's taxes on the real property or the 14439
current or following year's taxes on the manufactured or mobile 14440
home conveyed will be reduced under division (A) of section 14441
323.152 or under section 4503.065 of the Revised Code and that the 14442

taxes will not be so reduced; or 14444

(2) Be accompanied by a sworn or affirmed instrument stating: 14445

(a) To the best of the grantor's knowledge the real property 14446
or the manufactured or mobile home that is the subject of the 14447

for or payable in the current year under division (A) of section 14449
323.152 or under section 4503.065 of the Revised Code and that the 14450

reduction or reductions will be reflected in the grantee's taxes; 14451

(b) The estimated amount of such reductions that will be 14452
reflected in the grantee's taxes; 14453

(c) That the grantor and the grantee have considered and 14454
accounted for the total estimated amount of such reductions to the 14455
satisfaction of both the grantee and the grantor. The auditor 14456
shall indorse the instrument, return it to the grantee or the 14457
grantee's representative, and provide a copy of the indorsed 14458
instrument to the grantor or the grantor's representative. 14459

(B) Each statement submitted under this section shall either: 14460

(1) Contain an affirmation by the grantee that the grantor 14461
has been asked by the grantee or the grantee's representative 14462
whether to the best of the grantor's knowledge the real property 14463
conveyed qualified for the current agricultural use valuation 14464
under section 5713.30 of the Revised Code either for the preceding 14465
or the current year and that the grantor indicated that to the 14466
best of the grantor's knowledge the property conveyed was not so 14467
qualified; or 14468

(2) Be accompanied by a sworn or affirmed instrument stating: 14469

(a) To the best of the grantor's knowledge the real property 14470

qualify for the current agricultural use valuation either for the 14475
current or the succeeding year, that the property will be subject 14476
to a recoupment charge equal to the tax savings in accordance with 14477
section 5713.34 of the Revised Code; 14478

(c) That the grantor and the grantee have considered and 14479
accounted for the total estimated amount of such recoupment, if 14480

auditor shall indorse the instrument, forward it to the grantee or 14482
the grantee's representative, and provide a copy of the indorsed 14483
instrument to the grantor or the grantor's representative. 14484

(C) The grantor shall pay the fee required by division (G)(3) 14485
of section 319.54 of the Revised Code; and, in the event the board 14486
of county commissioners of the county has levied a real property 14487
or a manufactured home transfer tax pursuant to Chapter 322. of 14488
the Revised Code, the amount required by the real property or 14489
manufactured home transfer tax so levied. If the conveyance is 14490

319.54 of the Revised Code and the tax, if any, levied pursuant to 14492
Chapter 322. of the Revised Code, the reason for such exemption 14493

deed or certificate of title not a gift in whole or part, the 14495
amount of the full consideration therefor, paid or to be paid for 14496
the real estate or manufactured or mobile home described in the 14497
deed or title, including the amount of any mortgage or vendor's 14498
lien thereon. If property sold under a land installment contract 14499
is conveyed by the seller under such contract to a third party and 14500
the contract has been of record at least twelve months prior to 14501
the date of conveyance, "value" means the unpaid balance owed to 14502
the seller under the contract at the time of the conveyance, but 14503
the statement shall set forth the amount paid under such contract 14504
prior to the date of conveyance. In the case of a gift in whole or 14505
part, "value" means the estimated price the real estate or 14506
manufactured or mobile home described in the deed or certificate 14507
of title would bring in the open market and under the then 14508
existing and prevailing market conditions in a sale between a 14509
willing seller and a willing buyer, both conversant with the 14510
property and with prevailing general price levels. No person shall 14511
willfully falsify the value of property conveyed. 14512

(D) The auditor shall indorse each conveyance on its face to indicate the amount of the conveyance fee and compliance with this section and if the property is residential rental property include a statement that the grantee shall file with the county auditor the information required under division (A) or (C) of section 5323.02 of the Revised Code. The auditor shall retain the original copy of the statement of value, forward to the tax commissioner one copy on which shall be noted the most recent assessed value of the property, and furnish one copy to the grantee or the grantee's representative.

(E) In order to achieve uniform administration and collection of the transfer fee required by division (G)(3) of section 319.54 of the Revised Code, the tax commissioner shall adopt and promulgate rules for the administration and enforcement of the levy and collection of such fee.

(F) As used in this section, "residential rental property" has the same meaning as in section 5323.01 of the Revised Code.

2014 or the person is the surviving spouse of such a person and 14557
the surviving spouse is at least fifty-nine years of age on the 14558
date the deceased spouse dies, the amount computed under division 14559
(A)(1)(c) of this section. ~~For purposes of divisions (A)(1)(b)(ii)~~ 14560
~~and (iii) of this section, a person receives a reduction under~~ 14561
~~division (A)(1) of this section or under division (A) of section~~ 14562
~~4503.065 of the Revised Code for tax year 2013 or 2014,~~ 14563
~~respectively, if the person files a late application for that~~ 14564
~~respective tax year that is approved by the county auditor under~~ 14565
~~section 323.153 or 4503.066 of the Revised Code.~~ 14566

(iii) If the person is not described in division (A)(1)(b)(i) 14567
or (ii) of this section and the person's total income does not 14568
exceed thirty thousand dollars, as adjusted under division 14569
(A)(1)(d) of this section, the amount computed under division 14570
(A)(1)(c) of this section. 14571

(c) The amount of the reduction under division (A)(1)(c) of 14572
this section equals the product of the following: 14573

(i) Twenty-five thousand dollars of the true value of the property in money, <u>as adjusted under division (A)(1)(d) of this section;</u>	14574 14575 14576
(ii) The assessment percentage established by the tax commissioner under division (B) of section 5715.01 of the Revised Code, not to exceed thirty-five per cent;	14577 14578 14579

(i) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding calendar year;	14593 14594 14595 14596 14597
(ii) Multiply that percentage increase by the total income threshold <u>or reduction amount</u> for the current tax year, <u>as applicable;</u>	14598 14599 14600
(iii) Add the resulting product to the total income threshold <u>or the reduction amount, as applicable,</u> for the current tax year;	14601 14602
(iv) Round the resulting sum to the nearest multiple of one	14603

hundred dollars. 14604

The commissioner shall certify the amount resulting from ~~the~~ 14605
each adjustment to each county auditor not later than the first 14606
day of December each year. The certified total income threshold 14607
amount applies to the following tax year for persons described in 14608
division (A)(1)(b)(iii) of this section. The certified reduction 14609
amount applies to the following tax year. The commissioner shall 14610
not make the applicable adjustment in any calendar year in which 14611
the amount resulting from the adjustment would be less than the 14612
total income threshold or the reduction amount for the current tax 14613
year. 14614

(2) Real property taxes on a homestead owned and occupied, or 14615
a homestead in a housing cooperative occupied, by a disabled 14616
veteran shall be reduced for each year for which an application 14617
for the reduction has been approved. The reduction shall equal the 14618
product obtained by multiplying fifty thousand dollars of the true 14619
value of the property in money, as adjusted under division 14620
(A)(1)(d) of this section, by the amounts described in divisions 14621
(A)(1)(c)(ii) to (iv) of this section. The reduction is in lieu of 14622

only one homestead owned and occupied by a disabled veteran. 14625

If a homestead qualifies for a reduction in taxes under 14626
division (A)(2) of this section for the year in which the disabled 14627
veteran dies, and the disabled veteran is survived by a spouse who 14628
occupied the homestead when the disabled veteran died and who 14629
acquires ownership of the homestead or, in the case of a homestead 14630
that is a unit in a housing cooperative, continues to occupy the 14631
homestead, the reduction shall continue through the year in which 14632
the surviving spouse dies or remarries. 14633

a homestead in a housing cooperative occupied, by the surviving 14635

spouse of a public service officer killed in the line of duty 14636
shall be reduced for each year for which an application for the 14637
reduction has been approved. The reduction shall equal the product 14638
obtained by multiplying fifty thousand dollars of the true value 14639
of the property in money, as adjusted under division (A)(1)(d) of 14640
this section, by the amounts described in divisions (A)(1)(c)(ii) 14641

under section 323.158 of the Revised Code or division (A)(1) or 14643
(2) of this section. The reduction applies to only one homestead 14644
owned and occupied by such a surviving spouse. A homestead 14645

section for the tax year in which the public service officer dies 14647
through the tax year in which the surviving spouse dies or 14648
remarries. 14649

(B) To provide a partial exemption, real property taxes on 14650
any homestead, and manufactured home taxes on any manufactured or 14651
mobile home on which a manufactured home tax is assessed pursuant 14652
to division (D)(2) of section 4503.06 of the Revised Code, shall 14653
be reduced for each year for which an application for the 14654
reduction has been approved. The amount of the reduction shall 14655
equal two and one-half per cent of the amount of taxes to be 14656
levied by qualifying levies on the homestead or the manufactured 14657
or mobile home after applying section 319.301 of the Revised Code. 14658
For the purposes of this division, "qualifying levy" has the same 14659
meaning as in section 319.302 of the Revised Code. 14660

(C) The reductions granted by this section do not apply to 14661
special assessments or respread of assessments levied against the 14662
homestead, and if there is a transfer of ownership subsequent to 14663
the filing of an application for a reduction in taxes, such 14664
reductions are not forfeited for such year by virtue of such 14665
transfer. 14666

(D) The reductions in taxable value referred to in this 14667

section shall be applied solely as a factor for the purpose of 14668
computing the reduction of taxes under this section and shall not 14669
affect the total value of property in any subdivision or taxing 14670
district as listed and assessed for taxation on the tax lists and 14671
duplicates, or any direct or indirect limitations on indebtedness 14672
of a subdivision or taxing district. If after application of 14673

allocation of all levies within the ten-mill limitation to debt 14675
charges to the extent therein provided, there would be 14676
insufficient funds for payment of debt charges not provided for by 14677
levies in excess of the ten-mill limitation, the reduction of 14678
taxes provided for in sections 323.151 to 323.159 of the Revised 14679
Code shall be proportionately adjusted to the extent necessary to 14680
provide such funds from levies within the ten-mill limitation. 14681

(E) No reduction shall be made on the taxes due on the 14682
homestead of any person convicted of violating division (D) or (E) 14683

Code, the county treasurer shall enforce the lien for the taxes by 14690
civil action in the treasurer's official capacity as treasurer, 14691
for the sale of such premises in the same way mortgage liens are 14692
enforced or for the transfer of such premises to an electing 14693

Code, in the court of common pleas of the county, in a municipal 14695
court with jurisdiction, or in the county board of revision with 14696
jurisdiction pursuant to section 323.66 of the Revised Code. 14697
Nothing in this section prohibits the treasurer from instituting 14698
such an action before the delinquent tax list or delinquent vacant 14699

land tax list that includes the premises has been published 14700
pursuant to division (B) of section 5721.03 of the Revised Code if 14701
the list is not published within the time prescribed by that 14702
division. 14703

(B) After the civil action has been instituted, but before 14704
the expiration of the applicable redemption period, any person 14705
entitled to redeem the land may do so by tendering to the county 14706
treasurer an amount sufficient, as determined by the court or 14707
board of revision, to pay the taxes, assessments, penalties, 14708
interest, and charges then due and unpaid, and the costs incurred 14709
in the civil action, and by demonstrating that the property is in 14710
compliance with all applicable zoning regulations, land use 14711
restrictions, and building, health, and safety codes. 14712

to minerals listed pursuant to sections 5713.04, 5713.05, and 14714
5713.06 of the Revised Code, the county treasurer may enforce the 14715
lien for taxes against such minerals or rights to minerals by 14716
civil action, in the treasurer's official capacity as treasurer, 14717
in the manner prescribed by this section, or proceed as provided 14718
under section 5721.46 of the Revised Code. 14719

(D) If service by publication is necessary, instead of as 14720
provided by the Rules of Civil Procedure, such publication shall 14721

newspaper of general circulation in the county and, beginning one 14725
week thereafter, on a web site of the county or of the court, as 14726
selected by the clerk of the court. Publication on the web site 14727
shall continue until one year after the date a finding is entered 14728
under section 323.28 of the Revised Code with respect to such 14729
property. Any notices published on a web site shall identify the 14730
date the notice is first published on the web site. If proceeding 14731

under division (D)(1) of this section, the second and third 14732
publication of the notice may be abbreviated as authorized under 14733
section 7.16 of the Revised Code. 14734

Service shall be complete, if proceeding under division 14735
(D)(1) of this section, at the expiration of three weeks after the 14736
date of the first publication or, if proceeding under division 14737
(D)(2) of this section, the date that is two weeks after the clerk 14738
causes the notice to be published on the selected web site. If the 14739
prosecuting attorney determines that service upon a defendant may 14740
be obtained ultimately only by publication, the prosecuting 14741
attorney may cause service to be made simultaneously by certified 14742
mail, return receipt requested, ordinary mail, and publication. 14743

accordance with that section; 14754

~~(C)~~(3) A tax certificate respecting that property has been 14755
sold under section 5721.32 or 5721.33 of the Revised Code; 14756
provided, however, that nothing in this division shall prohibit 14757
the county treasurer or the county prosecuting attorney from 14758
enforcing the lien of the state and its political subdivisions for 14759
taxes against a certificate parcel with respect to any or all of 14760
such taxes that at the time of enforcement of such lien are not 14761
the subject of a tax certificate. 14762

(F) Upon application of the plaintiff, the court shall 14763
advance such cause on the docket, so that it may be first heard. 14764

The court may order that the proceeding be transferred to the 14765
county board of revision if so authorized under section 323.691 of 14766
the Revised Code. 14767

Sec. 323.69. (A) Upon the completion of the title search 14768
required by section 323.68 of the Revised Code, the prosecuting 14769
attorney, representing the county treasurer, the county land 14770
reutilization corporation, or the certificate holder may file with 14771
the clerk of court a complaint for the foreclosure of each parcel 14772
of abandoned land appearing on the abandoned land list, and for 14773
the equity of redemption on each parcel. The complaint shall name 14774
all parties having any interest of record in the abandoned land 14775
that was discovered in the title search. The prosecuting attorney, 14776
county land reutilization corporation, or certificate holder may 14777
file such a complaint regardless of whether the parcel has 14778
appeared on a delinquent tax list or delinquent vacant land tax 14779
list published pursuant to division (B) of section 5721.03 of the 14780
Revised Code. 14781

(B)(1) In accordance with Civil Rule 4, the clerk of court 14782
promptly shall serve notice of the summons and the complaint filed 14783
under division (A) of this section to the last known address of 14784
the record owner of the abandoned land and to the last known 14785
address of each lienholder or other person having a legal or 14786
equitable ownership interest or security interest of record 14787
identified by the title search. The notice shall inform the 14788
addressee that delinquent taxes stand charged against the 14789
abandoned land; that the land will be sold at public auction or 14790
otherwise disposed of if not redeemed by the owner or other 14791
addressee; that the sale or transfer will occur at a date, time, 14792
and place, and in the manner prescribed in sections 323.65 to 14793

323.79 of the Revised Code; that the owner or other addressee may 14794
redeem the land by paying the total of the impositions against the 14795
land at any time before confirmation of sale or transfer of the 14796
parcel as prescribed in sections 323.65 to 323.79 of the Revised 14797
Code or before the expiration of the alternative redemption 14798
period, as may be applicable to the proceeding; that the case is 14799
being prosecuted by the prosecuting attorney of the county in the 14800
name of the county treasurer for the county in which the abandoned 14801
land is located or by a certificate holder, whichever is 14802
applicable; of the name, address, and telephone number of the 14803
county board of revision before which the action is pending; of 14804
the board case number for the action, which shall be maintained in 14805
the official file and docket of the clerk of court; and that all 14806
subsequent pleadings, petitions, and papers associated with the 14807
case and filed by any interested party must be filed with the 14808
clerk of court and will become part of the case file for the board 14809
of revision. 14810

(2) The notice required by division (B)(1) of this section 14811
also shall inform the addressee that any owner of record may, at 14812
any time on or before the fourteenth day after service of process 14813
is perfected, file a pleading with the clerk of court requesting 14814
that the board transfer the case to a court of competent 14815
jurisdiction to be conducted in accordance with the applicable 14816
laws. 14817

(C) Subject to division (D) of this section, subsequent 14818
pleadings, motions, or papers associated with the case and filed 14819
with the clerk of court shall be served upon all parties of record 14820
in accordance with Civil Rules 4 and 5, except that service by 14821
publication in any case requiring such service shall require that 14822
any such publication shall be advertised in the manner, and for 14823
the time periods and frequency, prescribed in section 5721.18 of 14824
the Revised Code. Any inadvertent noncompliance with those rules 14825

does not serve to defeat or terminate the case, or subject the case to dismissal, as long as actual notice or service of filed papers is shown by a preponderance of the evidence or is acknowledged by the party charged with notice or service, including by having made an appearance or filing in relation to the case. The county board of revision may conduct evidentiary hearings on the sufficiency of process, service of process, or sufficiency of service of papers in any proceeding arising from a complaint filed under this section. Other than the notice and service provisions contained in Civil Rules 4 and 5, the Rules of Civil Procedure shall not be applicable to the proceedings of the board. The board of revision may utilize procedures contained in the Rules of Civil Procedure to the extent that such use facilitates the needs of the proceedings, such as vacating orders, correcting clerical mistakes, and providing notice to parties. To the extent not otherwise provided in sections 323.65 to 323.79 of the Revised Code, the board may apply the procedures prescribed by sections 323.25 to 323.28 or Chapters 5721., 5722., and 5723. of the Revised Code. Board practice shall be in accordance with the practice and rules, if any, of the board that are promulgated by the board under section 323.66 of the Revised Code and are not inconsistent with sections 323.65 to 323.79 of the Revised Code.

(D)(1) A party shall be deemed to be in default of the proceedings in an action brought under sections 323.65 to 323.79 of the Revised Code if either of the following occurs:

(a) The party fails to appear at any hearing after being served with notice of the summons and complaint by certified or ordinary mail.

(b) For a party upon whom notice of summons and complaint is required by publication as provided under section 5721.18 of the Revised Code and has been considered ~~served~~ complete pursuant to that section, the party fails to appear, move, or plead to the

complaint within twenty-eight days after service by publication is 14858
~~completed~~ considered complete. 14859

(2) If a party is deemed to be in default pursuant to 14860
division (D)(1) of this section, no further service of any 14861
subsequent pleadings, papers, or proceedings is required on the 14862
party by the court or any other party. 14863

(E) At any time after a foreclosure action is filed under 14864
this section, the county board of revision may, upon its own 14865
motion, transfer the case to a court pursuant to section 323.691 14866
of the Revised Code if it determines that, given the complexity of 14867
the case or other circumstances, a court would be a more 14868
appropriate forum for the action. 14869

addiction services, mental health services, or recovery supports,	15094
all of the following apply:	15095
(1) The board shall consider both of the following:	15096

(a) The cost effectiveness and quality of the provider's services and supports;	15097 15098

(D) If a party to a contract entered into under this section proposes not to renew the contract or proposes substantial changes in contract terms, the other party shall be given written notice at least one hundred twenty days before the expiration date of the contract. During the first sixty days of this one-hundred-twenty-day period, both parties shall attempt to resolve any dispute through good faith collaboration and negotiation in order to continue to provide services and supports to persons in need. Sec. 340.08. In accordance with rules or guidelines issued by 15127
the director of mental health and addiction services, each board 15128
of alcohol, drug addiction, and mental health services shall do 15129
all of the following: 15130

(A) Submit to the department of mental health and addiction 15131

federal, state, and local moneys the board expects to receive. 15133

(1) The proposed budget shall identify funds the board has 15134
available for included opioid and co-occurring drug addiction 15135
services and recovery supports. 15136

(2) The proposed budget shall identify funds the board and 15137
public children services agencies in the board's service district 15138
have available to fund jointly the services described in section 15139
340.15 of the Revised Code. 15140

(3) The board's proposed budget for expenditures of state and 15141
federal funds distributed to the board by the department shall be 15142
deemed an application for funds, and the department shall approve 15143
or disapprove the budget for these expenditures in whole or in 15144
part in accordance with division (G) of section 5119.22 of the 15145
Revised Code. 15146

If a board determines that it is necessary to amend an 15147
approved budget, the board shall submit a proposed amendment to 15148
the director. The director shall approve or disapprove all or part 15149

and supports required by section 340.032 of the Revised Code to be 15155
included in the community-based continuum of care and the services 15156

required by section 340.15 of the Revised Code. The board shall 15157
explain the manner in which the board intends to make such 15158
services and supports available. The list shall be compatible with 15159
the budget submitted pursuant to division (A) of this section. The 15160
department shall approve or disapprove the list in whole or in 15161
part in accordance with division (G) of section 5119.22 of the 15162
Revised Code. 15163

If a board determines that it is necessary to amend an 15164
approved list, the board shall submit a proposed amendment to the 15165
director. The director shall approve or disapprove all or part of 15166
the amendment in accordance with division (H) of section 5119.22 15167
of the Revised Code. 15168

(C) Enter into a continuity of care agreement with the state 15169
institution operated by the department of mental health and 15170

district encompassing the board's service district. The continuity 15172
of care agreement shall outline the department's and the board's 15173
responsibilities to plan for and coordinate with each other to 15174
address the needs of board residents who are patients in the 15175
institution, with an emphasis on managing appropriate hospital bed 15176
day use and discharge planning. The continuity of care agreement 15177
shall not require the board to provide addiction services, mental 15178
health services, or recovery supports other than those on the list 15179
of services and supports submitted by the board pursuant to 15180
division (B) of this section and approved by the department in 15181
accordance with division (G) of section 5119.22 of the Revised 15182
Code. 15183

(D) In conjunction with the department, operate a coordinated 15184
system for tracking and monitoring persons found not guilty by 15185
reason of insanity and committed pursuant to section 2945.40 of 15186
the Revised Code who have been granted a conditional release and 15187
persons found incompetent to stand trial and committed pursuant to 15188

section 2945.39 of the Revised Code who have been granted a conditional release. The system shall do all of the following:	15189 15190
(1) Centralize responsibility for the tracking of those persons;	15191 15192
(2) Provide for uniformity in monitoring those persons;	15193

(G) Annually, and upon any change in membership, submit to the department a list of all current members of the board of alcohol, drug addiction, and mental health services, including the appointing authority for each member, and the member's specific qualification for appointment pursuant to section 340.02 or 340.021 of the Revised Code, if applicable.	15208 15209 15210 15211 15212 15213
(H) Submit to the department other information as is reasonably required for purposes of the department's operations, service evaluation, reporting activities, research, system administration, and oversight.	15214 15215 15216 15217

Sec. 342.02. (A) The department of taxation shall rank each county based on its financial need with a percentile ranking using the following funding formula: 15274
15275
15276

(1) The department shall determine the total value of all property in the county listed and assessed for taxation on the tax 15277
15278

list as reported by the department in the preceding tax year, and 15279
list each county in order of total value, ascending, so that the 15280
county with the lowest value is number one on the list; 15281

(2) The department also shall rank each county based on the 15282
estimate of the gross amount of taxable retail sales sourced to 15283
the county as reported by the department for the preceding 15284
calendar year, computed by dividing the total amount of tax 15285
revenue received by the county during that period from taxes 15286
levied under sections 5739.021, 5739.026, 5741.021, and 5741.023 15287
of the Revised Code by the aggregate tax rate levied by the county 15288
under sections 5739.021 and 5739.026 of the Revised Code on the 15289
last day of the preceding calendar year, and list each county in 15290
order of total value, ascending, so that the county with the 15291
lowest value is number one on the list, except that any county 15292
that does not currently levy taxes under section 5739.021 or 15293
5739.026 of the Revised Code shall be ranked at number 15294
eighty-eight on the list; 15295

(3) The department shall then, for each county, add the 15296
numbered rank calculated under division (A)(1) of this section to 15297
the numbered rank calculated under division (A)(2) of this 15298
section, and shall order the counties according the sum of the two 15299
ranks, the county with the lowest sum being number one on the 15300
list. The percentile ranking shall be determined by taking the 15301
county's ranking on this final list, dividing it by eighty-eight, 15302
and multiplying it by one hundred. 15303

(4) If the sum calculated under division (A)(3) of this 15304
section is the same for two or more counties, the county with the 15305
lowest population shall receive the lowest final ranking. The 15306
final ranking for the counties should be numbers one through 15307
eighty-eight. 15308

Every other year, on even-numbered years, the department 15309
shall conduct the financial ranking described in this division and 15310

report the ranking to the department of rehabilitation and 15311
correction and the Ohio facilities construction commission. 15312

(B)(1) Upon receiving the financial ranking under division 15313
(A) of this section, the commission shall select a number of 15314
counties among the lowest ranking counties, the number of counties 15315
selected depending upon the commission's projections of the moneys 15316
available and moneys necessary to undertake projects under this 15317
chapter for that year, and invite the selected counties to apply 15318
for assistance under this chapter. Two or more counties may 15319
jointly apply for assistance under this chapter as long as at 15320
least one of the counties was invited to apply. The application 15321
shall be made on a form and in a manner prescribed by the 15322
commission. Upon the application of a county so invited, the 15323
commission may shortlist applicants before proceeding, and shall 15324
proceed with a needs assessment under division (B)(2) of this 15325
section. 15326

(2) Upon the application and shortlisting of invited counties 15327
to receive assistance under this chapter, the commission shall 15328
conduct a needs assessment, or cause a needs assessment to be 15329
conducted, to determine the jail facility needs of the applicant 15330
county. The needs assessment, subject to division (B)(3) of this 15331
section, shall include an on-site assessment of applicable jail 15332
facilities identified as having jail facility needs. The on-site 15333
assessment shall assess the county's need to construct or acquire 15334
new jail facilities and may include an assessment of the county's 15335
need for facility additions or for the reconstruction of existing 15336
facilities in lieu of constructing or acquiring replacement 15337
facilities. 15338

(3) Before conducting an on-site assessment of a county, at 15339
the request of the board of county commissioners, the Ohio 15340
facilities construction commission shall examine any jail 15341
facilities needs assessment that the county has conducted and any 15342

master plan developed for meeting the facility needs of the 15343
county. If the commission determines that the county's needs 15344
assessment or master plan is sufficient for its purposes, and that 15345
any additional needs assessment is not necessary, the commission 15346
may waive the on-site assessment under division (B)(2) of this 15347
section. 15348

(4) Upon conducting the on-site assessment, the commission 15349
shall make a determination of all of the following: 15350

(a) The need of the county for additional jail facilities, or 15351
for renovations or improvements to existing jail facilities, based 15352
on whether and to what extent existing facilities comply with the 15353
standards adopted under division (C) of this section; 15354

(b) The number of jail facilities to be included in a 15355
project; 15356

(c) The estimated annual, monthly, or daily cost of operating 15357
the facility once it is operational, as reported and certified by 15358
the county auditor; 15359

(d) The estimated basic project cost of constructing, 15360
acquiring, reconstructing, or making additions to each facility; 15361

(e) The amount of the basic project cost that the county can 15362
supply through the means described in division (A)(2) of section 15363
342.04 of the Revised Code; 15364

(f) The amount of the cost to be supplied by the state under 15365
section 342.04 of the Revised Code; 15366

(g) The amount of the state's portion to be encumbered in 15367
accordance with section 342.04 of the Revised Code in the current 15368
and subsequent fiscal years from funds appropriated for purposes 15369
of this chapter. 15370

(5) If the project involves a multicounty jail facility, the 15371
Ohio facilities construction commission may determine a 15372

multicounty jail facility ranking cost for each county involved. 15373

(C) The commission, in conjunction with the department of 15374
rehabilitation and correction, shall develop a set of standards by 15375
which the commission may evaluate the condition of existing jail 15376
facilities to determine need under this chapter. These standards 15377
shall include the standards developed under section 5120.10 of the 15378
Revised Code, and other standards that the commission and the 15379
department consider appropriate. In developing or changing these 15380
standards, the commission and the department shall solicit input 15381
from sheriffs and boards of county commissioners or from 15382
organizations representing sheriffs or boards of county 15383
commissioners in this state. 15384

(D) The Ohio facilities construction commission shall then 15385
choose from among the applicant counties which counties will 15386
receive state funding under this chapter. The commission shall 15387
choose based on the results of the financial ranking conducted 15388
under division (A) of this section, the results of the needs 15389
assessment conducted under division (B) of this section, and the 15390
requirements described in sections 342.03 and 342.04 of the 15391
Revised Code. If a chosen project is subsequently denied approval 15392
by the controlling board under section 342.05 of the Revised Code, 15393
or canceled for some other reason, the commission may choose 15394
another applicant county under this division that applied for 15395
assistance but was not selected under this division. If no 15396
counties meet that description, the commission may invite 15397
additional counties to apply for assistance under this section. 15398

Sec. 342.03. The Ohio facilities construction commission, 15399
following the completion of a needs assessment conducted under 15400
division (B) of section 342.02 of the Revised Code, shall make a 15401
determination in favor of constructing, acquiring, reconstructing, 15402
or making additions to a jail facility only upon evidence that the 15403

proposed project conforms to the construction and renovation 15404
standards described in divisions (D) and (E) of section 5120.10 of 15405
the Revised Code, and that it keeps with the needs of the county 15406
or counties as determined by the needs assessment conducted under 15407
division (B) of section 342.02 of the Revised Code. Exceptions 15408
shall be authorized only in those areas where topography, sparsity 15409
of population, and other factors make larger jail facilities 15410
impracticable. 15411

If the board of county commissioners, multicounty jail 15412
facility commission, or the Ohio facilities construction 15413
commission determines that an existing jail facility should be 15414
renovated instead of acquiring a comparable jail facility by new 15415
construction, the Ohio facilities construction commission may 15416
approve the expenditure of project funds for the renovation of 15417
that jail facility up to but not exceeding one hundred per cent of 15418
the estimated cost of acquiring a comparable jail facility by new 15419
construction, if the commission determines that the renovated jail 15420
facility will be operationally efficient, will be adequate for the 15421
future needs of the county or counties, and will comply with the 15422
standards described in section 342.02 of the Revised Code. 15423

Sec. 342.04. (A)(1) A project proposed under sections 342.02 15424
and 342.03 of the Revised Code may be approved only upon 15425
submission of evidence to the Ohio facilities construction 15426
commission by the board of county commissioners or, in the case of 15427
a multicounty jail facility, by a multicounty jail facility 15428
commission, that the county or counties involved in the project 15429
will generate adequate revenue to fund the county portion of the 15430
basic project cost and the operations and maintenance of the 15431
proposed jail facility or facilities. 15432

(2) A county may generate the revenue described in division 15433
(A)(1) of this section by any of the following means, provided the 15434

<u>revenue may be lawfully used for that purpose:</u>	15435
<u>(a) Unencumbered funds of the county;</u>	15436
<u>(b) Issuance of bonds previously authorized by the electors of the county;</u>	15437 15438
<u>(c) Local donated contributions as authorized under section 342.07 of the Revised Code;</u>	15439 15440
<u>(d) A bond issue or tax levy under section 5705.234 of the Revised Code;</u>	15441 15442
<u>(e) The proceeds of any other tax levy that may be lawfully used for that purpose, including a tax levied under division (LL) of section 5705.19 of the Revised Code or section 5705.233 of the Revised Code.</u>	15443 15444 15445 15446
<u>(3) The Ohio facilities construction commission shall not accept a proposal by a county or a multicounty jail facility commission to rent any portion of the jail facility or facilities to other political subdivisions as evidence that the county or multicounty jail facility commission will generate adequate revenue as described in division (A)(1) of this section.</u>	15447 15448 15449 15450 15451 15452
<u>(4) Evidence submitted under division (A)(1) of this section shall not be considered sufficient until it has been certified as true and accurate by the county auditor of each participating county.</u>	15453 15454 15455 15456
<u>(B) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by each county shall be one per cent of the basic project costs times the percentile in which the county ranks according to the department of taxation's ranking under division (A) of section 342.02 of the Revised Code, for the fiscal year preceding the fiscal year in which the controlling board approved the county's or counties' project under section 342.05 of the Revised Code.</u>	15457 15458 15459 15460 15461 15462 15463 15464

The amount of the county's or counties' portion determined 15465
under this section shall be calculated only as of the date the 15466
controlling board approved the project. 15467

(C) At no time shall a county's, or all of the counties', 15468
portion of the basic project cost be greater than seventy-five per 15469
cent of the total basic project cost. If a county's portion of the 15470
basic project cost is calculated, under division (B) of this 15471
section, to be greater than seventy-five per cent of the total 15472
basic project cost, the county's portion shall be seventy-five per 15473
cent of the basic project cost. In the case of a multicounty jail 15474
facility commission, if the sum of two or more counties' portions 15475
of the total basic project cost are calculated, under division (B) 15476
of this section, to be greater than seventy-five per cent of the 15477
total basic project cost, the counties' portions shall be 15478
determined pro rata, so that the sum of their portions shall be 15479
equal to seventy-five per cent of the total basic project cost. 15480

(D) If the controlling board approves a project for a county 15481
that previously received assistance under this chapter within 15482
twenty years of the date the previous project was approved by the 15483
controlling board, that county's or counties' portion of the basic 15484
project cost for the new project shall be the lesser of the 15485
following: 15486

(1) The portion calculated under division (B) or (C) of this 15487
section; 15488

(2) The greater of the following: 15489

(a) The required percentage of the basic project costs for 15490
the new project or, if the project is a multicounty jail facility, 15491
the county's or counties' required percentage of the basic project 15492
cost pursuant to an agreement under section 342.12 of the Revised 15493
Code; 15494

(b) The percentage of the basic project cost paid by the 15495

county or counties for the previous project. 15496

Sec. 342.05. (A) If the Ohio facilities construction 15497
commission makes a determination under sections 342.01 to 342.04 15498
of the Revised Code in favor of constructing, acquiring, 15499
reconstructing, or making additions to a jail facility, the 15500
project shall be conditionally approved. The conditional approval 15501
shall be submitted to the controlling board for approval. The 15502
controlling board shall approve or reject the commission's 15503
determination, the amount of the state's portion of the basic 15504
project cost, and the amount of the state's portion to be 15505
encumbered in the current fiscal year. If approved by the 15506
controlling board, the commission shall certify the conditional 15507
approval to the board of county commissioners, or to the 15508
multicounty jail facilities commission in the case of a 15509
multicounty jail facilities project undertaken pursuant to section 15510
342.12 of the Revised Code, and shall encumber from the total 15511
funds appropriated for the purpose of this chapter the amount 15512
approved under this section to be encumbered in the current fiscal 15513
year. 15514

The basic project cost for a project approved under this 15515
section shall not exceed the cost that otherwise would have to be 15516
incurred if the jail facilities to be constructed, acquired, or 15517
reconstructed, or the additions to be made to jail facilities, 15518
under the project meet, but do not exceed, the specifications for 15519
plans and materials for jail facilities adopted by the Ohio 15520
facilities construction commission. 15521

(B) No project proposed by a county that previously received 15522
assistance under this chapter and that levied a tax under section 15523
5705.234 of the Revised Code for the purpose of qualifying for 15524
that previous assistance shall be approved by the controlling 15525
board in the twenty years following the controlling board's 15526

approval of the previous project unless the board of county 15527
commissioners or the multicounty jail facility commission 15528
demonstrates to the satisfaction of the Ohio facilities 15529
construction commission that the county or counties have 15530
experienced, since approval of its prior project, an exceptional 15531
increase in need beyond the design capacity under that prior 15532
project as determined by the commission. 15533

If the commission finds that a county's or counties' existing 15534
jail facilities are adequate to meet all of the county's or 15535
counties' needs, the commission may determine that no additional 15536
state assistance be awarded to a county or counties under this 15537
section. 15538

(C) Not later than one hundred twenty days after receiving 15539
notice of an approval, the board of county commissioners, or the 15540
multicounty jail facilities commission as applicable, shall accept 15541
or deny the Ohio facility construction commission's conditional 15542
approval. Additionally, if one or more counties must issue bonds 15543
or levy a tax under section 5705.234 of the Revised Code to 15544
provide adequate revenue for its portion of the basic project 15545
costs or for the maintenance and operation of the jail facility or 15546
facilities, the electors of the county or counties shall approve 15547
the bond issue or levy not later than sixteen months after the 15548
date the county received the commission's conditional approval. If 15549
the commission's conditional approval lapses under this division, 15550
the amount reserved and encumbered for the project shall be 15551
released. If the amount reserved and encumbered for the county's 15552
or counties' project is released, the county or counties shall be 15553
given first priority for project funding as the funds become 15554
available. 15555

Sec. 342.06. If the requisite favorable vote on an election 15556
described in section 5705.234 of the Revised Code is obtained or 15557

the county's or counties' share of the basic project cost is 15558
otherwise met in accordance with section 342.04 of the Revised 15559
Code, the Ohio facilities construction commission shall enter into 15560
a written agreement with the board of county commissioners, or 15561
with the multicounty jail facilities commission in the case of a 15562
multicounty jail facilities project undertaken pursuant to section 15563
342.12 of the Revised Code, for the construction of the project. 15564
The agreement shall include at least the following provisions: 15565

(A) The sale and issuance of bonds or notes in anticipation 15566
thereof, as soon as practicable after the execution of the 15567
agreement, in an amount equal to the county's portion of the basic 15568
project cost, dedicated by the board of county commissioners to 15569
payment of the county's portion of the basic project cost of the 15570
project; provided, that if at that time the county treasurer of 15571
each county in which the facility is located has not commenced the 15572
collection of taxes for the year in which the controlling board 15573
approved the project, the board or boards of county commissioners 15574
shall authorize the issuance of a first installment of bond 15575
anticipation notes in an amount specified by the agreement. If a 15576
first installment of bond anticipation notes is issued, the board 15577
or boards of county commissioners shall, as soon as practicable 15578
after the county treasurer of each county in which the facilities 15579
are located has commenced the collection of taxes on the general 15580
duplicate of real and public utility property for the year in 15581
which the controlling board approved the project, authorize the 15582
issuance of a second and final installment of bond anticipation 15583
notes or a first and final issue of bonds. 15584

The combined value of the first and second installment of 15585
bond anticipation notes or the value of the first and final issue 15586
of bonds shall be equal to the county's portion of the basic 15587
project cost. The proceeds of any of these bonds shall be used 15588
first to retire any bond anticipation notes. Otherwise, the 15589

proceeds of any of these bonds and of any bond anticipation notes, 15590
except the premium and accrued interest thereon, shall be 15591
deposited in the county's project construction fund. In 15592
determining the amount of net bonded indebtedness for the purpose 15593
of fixing the amount of an issue of either bonds or bond 15594
anticipation notes, gross indebtedness shall be reduced by moneys 15595
in the bond retirement fund only to the extent of the moneys 15596
therein on the first day of the year preceding the year in which 15597
the controlling board approved the project. The maximum amount of 15598
indebtedness to be incurred by any board of county commissioners 15599
as its share of the cost of the project is either an amount that 15600
will cause its net bonded indebtedness, as of the first day of the 15601
year following the year in which the controlling board approved 15602
the project, to be within five thousand dollars of the required 15603
level of indebtedness, or an amount equal to the required 15604
percentage of the basic project costs, whichever is greater. All 15605
bonds and bond anticipation notes shall be issued in accordance 15606
with Chapter 133. of the Revised Code, and notes may be renewed as 15607
provided in section 133.22 of the Revised Code. 15608

(B) The transfer of the funds of the board of county 15609
commissioners available for the project, together with the 15610
proceeds of the sale of the bonds or notes, except premium, 15611
accrued interest, and interest included in the amount of the 15612
issue, to the county's project construction fund; 15613

(C) Dedication of any local donated contribution as provided 15614
for under section 342.07 of the Revised Code; 15615

(D) Ownership of or interest in the project during the period 15616
of construction, which shall be divided between the Ohio 15617
facilities construction commission and the board or boards of 15618
county commissioners in proportion to their respective 15619
contributions to the county's or counties' project construction 15620
fund; 15621

(E) Maintenance of the state's interest in the project until 15622
any obligations issued for the project under this chapter are no 15623
longer outstanding; 15624

(F) The insurance of the project by the county or counties 15625
from the time there is an insurable interest therein and so long 15626
as the state retains any ownership or interest in the project 15627
pursuant to division (D) of this section, in amounts and against 15628
risks as the Ohio facilities construction commission shall 15629
require; provided, that the cost of any required insurance until 15630
the project is completed shall be a part of the basic project 15631
cost; 15632

(G) The certification by the director of budget and 15633
management that funds are available and have been set aside to 15634
meet the state's share of the basic project cost as approved by 15635
the controlling board pursuant to section 342.05 of the Revised 15636
Code; 15637

(H) Authorization of the board of county commissioners or the 15638
multicounty jail facility commission to advertise for and receive 15639
construction bids for the project, for and on behalf of the Ohio 15640
facilities construction commission, and to award contracts in the 15641
name of the state subject to approval by the commission; 15642

(I) Provisions for the disbursement of moneys from the 15643
county's project account upon issuance by the Ohio facilities 15644
construction commission or the commission's designated 15645
representative of vouchers for work done to be certified to the 15646
commission by the county auditor of each participating county; 15647

(J) Disposal of any balance left in the county's project 15648
construction fund upon completion of the project; 15649

(K) Provision for deposit of an executed copy of the 15650
agreement in the office of the commission; 15651

(L) Provision for termination of the contract and release of 15652

the funds encumbered at the time of the conditional approval, if 15653
the proceeds of the sale of the bonds of the board of county 15654
commissioners are not paid into the county's project construction 15655
fund and if bids for the construction of the project have not been 15656
taken within this period after the execution of the agreement as 15657
may be fixed by the Ohio facilities construction commission; 15658

(M) A requirement that the county or counties maintain the 15659
project in accordance with a facilities maintenance plan approved 15660
by the Ohio facilities construction commission; 15661

(N) Provision that all state funds reserved and encumbered to 15662
pay the state share of the cost of the project and the funds 15663
provided by the county or counties to pay for its share of the 15664
project cost be spent on the construction and acquisition of the 15665
project simultaneously in proportion to the state's and each 15666
county's respective shares of that basic project cost as 15667
determined under section 342.04 or section 342.12 of the Revised 15668
Code, as applicable. However, if a board of county commissioners 15669
certifies to the commission that expenditure by the county is 15670
necessary to maintain the federal tax status or tax-exempt status 15671
of notes or bonds issued by the county to pay for its share of the 15672
project cost or to comply with applicable temporary investment 15673
periods or spending exceptions to rebate as provided for under 15674
federal law in regard to those notes or bonds, the board may 15675
commit to spend, or may spend, a greater portion of the funds it 15676
provides during any specific period than otherwise would be 15677
required under this division. 15678

(O) A provision stipulating that the Ohio facilities 15679
construction commission may prohibit the board from proceeding 15680
with any project if the commission determines that the site is not 15681
suitable for construction purposes. The commission may perform 15682
soil tests in its determination of whether a site is appropriate 15683
for construction purposes. 15684

(P) A provision stipulating that, unless otherwise authorized 15685
by the commission, any contingency reserve portion of the 15686
construction budget prescribed by the commission shall be used 15687
only to pay costs resulting from unforeseen job conditions, to 15688
comply with rulings regarding building and other codes, to pay 15689
costs related to design clarifications or corrections to contract 15690
documents, and to pay the costs of settlements or judgments 15691
related to the project. 15692

Sec. 342.07. (A) As used in this section, "local donated 15693
contribution" means any of the following: 15694

(1) Any moneys irrevocably donated or granted to a board of 15695
county commissioners or multicounty jail facility commission by a 15696
source other than the state that the board or multicounty jail 15697
facility commission has the authority to apply to the project 15698
under this chapter and that the board or multicounty jail facility 15699
commission has pledged for that purpose by resolution adopted by a 15700
majority of its members; 15701

(2) Any irrevocable letter of credit issued on behalf of a 15702
county that the board has encumbered for payment of the county's 15703
share of its project under this chapter that has been approved by 15704
the Ohio facilities construction commission; 15705

(3) Any cash a county has on hand that the board has 15706
encumbered for payment of the county's share of its project under 15707
this chapter that has been approved by the Ohio facilities 15708
construction commission, including any year-end operating fund 15709
balances that can be spent for jail facilities; 15710

(4) Any moneys spent by a source other than the county or the 15711
state for construction or renovation of specific jail facilities 15712
that have been approved by the Ohio facilities construction 15713
commission as part of the basic project cost of the county's 15714
project. The board, the commission, and the entity providing the 15715

local donated contribution under division (A)(4) of this section 15716
shall enter into an agreement identifying the jail facilities to 15717
be acquired by the expenditures made by that entity. The agreement 15718
shall include stipulations that require an audit by the Ohio 15719
facilities construction commission of these expenditures made on 15720
behalf of the county or multicounty jail facility commission and 15721
that specify the maximum amount of credit to be allowed for those 15722
expenditures. Upon completion of the construction or renovation, 15723
the Ohio facilities construction commission shall determine the 15724
actual amount that the commission will credit, at the request of 15725
the board or multicounty jail facility commission, toward the 15726
county's or counties' portion of the basic project cost, or any 15727
project cost overruns. The actual amount of the credit shall not 15728
exceed the lesser of the amount specified in the agreement or the 15729
actual cost of the construction or renovation. 15730

(B) A board of county commissioners or multicounty jail 15731
facility commission may apply a local donated contribution to the 15732
county's or counties' share of the basic project cost or use the 15733
contribution for maintenance and operation of the jail facility or 15734
facilities that are constructed, acquired, reconstructed, or 15735
expanded by the project. 15736

(C) If the county is required to issue bonds or levy tax 15737
under section 5705.234 of the Revised Code as a condition of 15738
receiving assistance under this chapter, the board of county 15739
commissioners may, with the approval of the Ohio facilities 15740
construction commission, reduce the principal amount of bonds 15741
issued or the rate of the tax levied under that section by an 15742
amount commensurate with the local donated contributions applied 15743
to the same purposes. The commission shall not approve a board of 15744
county commissioners' proposal to reduce the amount of bonds 15745
issued or the rate of a tax levied under section 5705.234 of the 15746
Revised Code unless the board demonstrates to the satisfaction of 15747

the commission that the revenue generated under the proposal, when 15748
supplemented by the local donated contributions, is sufficient to 15749
pay the county's share of the basic project cost and provide for 15750
operation and maintenance of the jail facility or facilities. 15751

(D) Except as provided in division (E) of this section, no 15752
state moneys shall be released for a project to which this section 15753
applies until both of the following have occurred: 15754

(1) Any local donated contribution authorized under this 15755
section is first deposited into the county's project construction 15756
fund. 15757

(2) The board or multicounty jail facility commission and the 15758
commission have included a stipulation in their agreement entered 15759
into under section 342.06 of the Revised Code under which the 15760
board or multicounty jail facility commission will deposit into a 15761
fund approved by the commission according to a schedule that does 15762
not extend beyond the anticipated completion date of the project 15763
the total amount of any local donated contribution dedicated by 15764
the board or multicounty jail facility commission for that 15765
purpose. 15766

(E) If any local donated contribution described in division 15767
(A)(4) of this section has been approved under this section, the 15768
state moneys may be released even if the entity providing the 15769
local donated contribution has not spent the moneys so dedicated 15770
as long as the agreement required under that division has been 15771
executed. 15772

Sec. 342.08. (A) Promptly after the board of county 15773
commissioners, or the multicounty jail facilities commission, and 15774
the Ohio facilities construction commission have entered into the 15775
written agreement, the board or boards of county commissioners 15776
shall issue its bonds or notes in anticipation of the agreement 15777
pursuant to the provision of the agreement required by division 15778

(A) of section 342.06 of the Revised Code, or required by section 342.12 of the Revised Code in the case of an agreement between boards of county commissioners for a multicounty jail facilities project, and deposit the proceeds of the agreement in the county's project construction fund pursuant to the provision of the agreement required by division (B) of section 342.06 of the Revised Code. The board of county commissioners or the multicounty jail facilities commission, with the approval of the Ohio facilities construction commission, also shall employ a qualified professional person to prepare preliminary plans, working drawings, specifications, estimates of cost, and such data as the board of county commissioners, or the multicounty jail facilities commission, and the Ohio facilities construction commission consider necessary for the project. When the preliminary plans and preliminary estimates of cost have been prepared, and approved by the board of county commissioners, or the multicounty jail facility commission, if applicable, the plans shall be submitted to the Ohio facilities construction commission and the department of rehabilitation and correction for approval, modification, or rejection. The Ohio facilities construction commission shall consult with the department to ensure that the plans and materials proposed for use in the project comply with specifications for plans and materials that shall be established by the commission in accordance with division (C) of section 342.02 of the Revised Code. When these preliminary plans and preliminary estimates of cost and any modifications thereof have been approved by the commission and the board of county commissioners, or multicounty jail facility commission if applicable, the board or multicounty jail facility commission shall cause the qualified professional person to prepare the working drawings, specifications, and estimates of cost.

(B) Whenever project plans submitted to the commission for approval under division (A) of this section propose to locate a

facility on a state route or United States highway or within one 15812
mile of a state route or United States highway, the commission 15813
shall send a copy of the plans to the director of transportation. 15814
The director shall review the plans to determine the feasibility 15815
of the proposed ingress and egress to the facility, the traffic 15816
circulation pattern on roadways around the facility, and any 15817
improvements that would be necessary to conform the roadways to 15818
provisions of the manual adopted by the department of 15819
transportation under section 4511.09 of the Revised Code or state 15820
or federal law. The director shall provide a written summary of 15821
the director's findings to the commission in a timely manner. The 15822
commission shall consider the findings in deciding whether to 15823
approve the plans. 15824

Sec. 342.09. When the working drawings, specifications, and 15825
estimates of cost have been approved by the board of county 15826
commissioners, or the multicounty jail facilities commission if 15827
applicable, and the Ohio facilities construction commission 15828
pursuant to section 342.08 of the Revised Code, or section 342.12 15829
of the Revised Code if applicable, the board of county 15830
commissioners or the multicounty jail facilities commission shall 15831
advertise for construction bids in accordance with section 307.86 15832
of the Revised Code. These notices shall state that plans and 15833
specifications for the project are on file in the office of the 15834
Ohio facilities construction commission, at the office of the 15835
department of rehabilitation and correction, and other places as 15836
may be designated in the notice, and the time and place when and 15837
where bids will be received. 15838

The form of proposal to be submitted by bidders shall be 15839
supplied by the Ohio facilities construction commission. Bidders 15840
may be permitted to bid on all or any of the branches of work and 15841
materials to be furnished and supplied. 15842

When the construction bids for all branches of work and materials have been tabulated, the commission shall prepare a revised estimate of the basic project cost based upon the lowest responsive and responsible bids received. If the revised estimate exceeds the estimated basic project cost as approved by the controlling board pursuant to section 342.05 of the Revised Code, no contracts may be entered into pursuant to this section unless this revised estimate is approved by the commission and by the controlling board. When this revised estimate has been prepared, and after approvals are given, if necessary, and if the board or boards of county commissioners have caused to be transferred to the project construction fund the proceeds from the sale of the first or first and final installment of its bonds or bond anticipation notes pursuant to the provision of the written agreement required by section 342.06 of the Revised Code, and section 342.12 of the Revised Code, and when the director of budget and management has certified that there is a balance in the appropriation, not otherwise obligated to pay precedent obligations, pursuant to which the state's share of this revised estimate is required to be paid, the contract for all branches of work and materials to be furnished and supplied, or for any branch thereof as determined by the board of county commissioners or the multicounty jail facilities commission, shall be awarded by the board of county commissioners or the multicounty jail facilities commission to the lowest responsible and responsive bidder subject to the approval of the Ohio facilities construction commission. The award shall be made not later than sixty days after the date on which the bids are opened, and the successful bidder shall enter into a contract not later than ten days after the successful bidder is notified of the award of the contract.

Subject to the approval of the Ohio facilities construction commission, the board of county commissioners or multicounty jail facilities commission may reject all bids and readvertise. Any

contract made under this section shall be made in the name of the 15876
state and executed on its behalf by the president of the board of 15877
county commissioners and the county auditor of each participating 15878
county. 15879

The provisions of sections 9.312 and 307.86 of the Revised 15880
Code which are applicable to construction contracts shall apply to 15881
construction contracts for the project. 15882

The remedies afforded to any subcontractor, materials 15883
supplier, laborer, mechanic, or persons furnishing material or 15884
machinery for the project under sections 1311.26 to 1311.32 of the 15885
Revised Code, shall apply to contracts entered into under this 15886
section and the itemized statement required by section 1311.26 of 15887
the Revised Code shall be filed with the board of county 15888
commissioners or the multicounty jail facilities commission if 15889
applicable. 15890

Notwithstanding the requirements of this section, a county or 15891
multicounty jail facility commission, with the approval of the 15892
commission, may utilize any otherwise lawful alternative 15893
construction delivery method for the construction of the project. 15894

Sec. 342.10. For any project undertaken with financial 15895
assistance from the state under this chapter, the amount of state 15896
appropriations to be encumbered for the project in each fiscal 15897
year shall be determined by the Ohio facilities construction 15898
commission based on the project's estimated construction schedule 15899
for that year. In each fiscal year subsequent to the first year in 15900
which state appropriations are encumbered for the project, the 15901
commission shall grant the project priority for state funds over 15902
projects for which initial state funding is sought. 15903

Sec. 342.11. (A) The Ohio facilities construction commission 15904
shall request that the controlling board transfer to the county's 15905

or counties' project construction fund the necessary amounts from 15906
amounts appropriated by the general assembly and set aside for 15907
this purpose, from time to time as may be necessary to pay 15908
obligations chargeable to the fund when due. All investment 15909
earnings of a county's project construction fund shall be credited 15910
to the fund. 15911

(B)(1) The county auditor shall disburse funds from the 15912
county's project construction fund, including investment earnings 15913
credited to the fund, only upon the approval of the commission or 15914
the commission's designated representative. The commission or the 15915
commission's designated representative shall issue vouchers 15916
against the fund, in amounts and at times as required by the 15917
contracts for construction of the project. 15918

(2) Notwithstanding anything to the contrary in division 15919
(B)(1) of this section, the board of county commissioners may, by 15920
a duly adopted resolution, choose to use all or part of the 15921
investment earnings of the county's project construction fund that 15922
are attributable to the county's contribution to the fund to pay 15923
the cost of jail facilities or portions or components of jail 15924
facilities that are not included in the county's basic project 15925
cost but that are related to the county's project. If the board of 15926
county commissioners adopts a resolution in favor of using those 15927
investment earnings as authorized under division (B)(2) of this 15928
section, the county auditor shall disburse the amount as 15929
designated and directed by the board. However, if the board 15930
chooses to use any part of the investment earnings for jail 15931
facilities or portions or components of jail facilities that are 15932
not included in the basic project cost, as authorized under 15933
division (B)(2) of this section, and, subsequently, the cost of 15934
the project exceeds the amount in the project construction fund, 15935
the board shall restore to the project construction fund the full 15936
amount of the investment earnings used under division (B)(2) of 15937

this section before any additional state moneys shall be released 15938
for the project. 15939

(C) After a certificate of completion has been issued for a 15940
project under section 342.15 of the Revised Code, all of the 15941
following apply: 15942

(1) At the discretion of the board of county commissioners, 15943
any investment earnings remaining in the project construction fund 15944
that are attributable to the county's contribution to the fund 15945
shall be: 15946

(a) Retained in the project construction fund for future 15947
projects; 15948

(b) Transferred to a special fund of the county treasury to 15949
be used solely for maintaining the jail facilities included in the 15950
project; or 15951

(c) Transferred to the county's permanent improvement fund. 15952

(2) Any investment earnings remaining in the project 15953
construction fund that are attributable to the state's 15954
contribution to the fund shall be transferred to the Ohio 15955
facilities construction commission for expenditure pursuant to 15956
this chapter. 15957

(3) Any other surplus remaining in the county's project 15958
construction fund shall be transferred to the commission and the 15959
board of county commissioners in proportion to their respective 15960

Revised Code, and the board has received a permanent certificate 16038
of occupancy for each of those facilities. 16039

(2) The Ohio facilities construction commission has completed 16040
a final accounting of the project construction fund of each 16041

commission may specify any of the following: 16059

certificate of completion to a board of county commissioners or 16070
multicounty jail facilities commission that does not voluntarily 16071
participate in the process of closing out the county's project, if 16072
the construction manager for the project verifies that all 16073
facilities to be constructed under the project, as specified in 16074
the project agreement entered into under section 342.06 of the 16075
Revised Code, have been completed and the Ohio facilities 16076
construction commission determines that those facilities have been 16077
occupied for at least one year. In that case, all funds due to the 16078
commission under division (C) of section 342.11 of the Revised 16079
Code shall be returned to the commission not later than thirty 16080

(B) The Ohio facilities construction commission may provide 16100
funding under this section only if at least one contracting county 16101

or omitted work within five years after occupancy of the facility 16103
for which the county seeks the funding. 16104

(C) The commission shall establish procedures and deadlines 16105
for counties to follow in applying for assistance under this 16106

case-by-case basis, taking into account the amount of money 16112

to take corrective measures after evaluating the defective or 16115
omitted work. 16116

(1) If the work to be corrected or remediated is part of a 16117
project not yet completed, the commission may amend the project 16118
agreement to increase the project budget and use corrective action 16119

funding to provide the state portion of the amendment. If the work 16120
to be corrected or remediated is part of a completed project and 16121
funds were retained or transferred pursuant to division (C) of 16122
section 342.11 of the Revised Code, the commission may enter into 16123
a new agreement to address the corrective action. 16124

(2) Whether or not the project is completed, the county or 16125
counties shall contribute a portion of the cost of the corrective 16126
action, to be determined in accordance with section 342.04 of the 16127
Revised Code. 16128

(E) The commission shall assess responsibility for the 16129
defective or omitted work and seek cost recovery from responsible 16130
parties, if applicable. Any recovery of the expense of remediation 16131
shall be applied first to the county's or counties' portion of the 16132

a proximate ~~city~~ community which did not sign the petition does 16387
not approve by ordinance, resolution, or motion the establishment 16388
of the proposed new community authority and does not deliver such 16389
ordinance, resolution, or motion to the clerk of the 16390
organizational board of commissioners ~~with which the petition was~~ 16391
~~filed~~ within ninety days following the date of the first 16392
publication of the notice of the public hearing, the 16393
organizational board of commissioners shall cancel such public 16394
hearing and terminate the proceedings for the establishment of the 16395
new community authority. 16396

Upon the hearing, if the organizational board of 16397
commissioners determines by resolution that the proposed new 16398
community district will be conducive to the public health, safety, 16399

convenience, and welfare, and is intended to result in the 16400
development of a new community, the board shall by its resolution, 16401
declare the new community authority to be organized and a body 16402
politic and corporate with the corporate name designated in the 16403
resolution, and define the boundary of the new community district. 16404
In addition, the resolution shall provide the method of selecting 16405
the board of trustees of the new community authority and fix the 16406
surety for their bonds in accordance with section 349.04 of the 16407
Revised Code. 16408

If the organizational board of commissioners finds that the 16409
establishment of the district will not be conducive to the public 16410
health, safety, convenience, or welfare, or is not intended to 16411
result in the development of a new community, it shall reject the 16412
petition thereby terminating the proceedings for the establishment 16413
of the new community authority. 16414

~~(B)~~(B)(1) At any time after the creation of a new community 16415
authority, the developer may file an application with the clerk of 16416
the organizational board of commissioners with which the original 16417
petition was filed, setting forth a general description of 16418
territory it desires to add or to delete from such district, that 16419
such change will be conducive to the public health, safety, 16420
convenience, and welfare, and will be consistent with the 16421
development of a new community and will not jeopardize the plan of 16422
the new community. If 16423

(2) If the territory to be added or deleted from a new 16424
community district meets the criteria described in either division 16425
(F)(3) or (4) of section 349.01 of the Revised Code, and the 16426
original petition was not filed with the municipal or township 16427
organizational board of commissioners described in those 16428
divisions, the developer shall also file the application to the 16429
clerk of that municipal or township organizational board of 16430
commissioners. A municipal or township organizational board of 16431

commissioners that receives an application under division (B)(2) 16432
of this section is the acting organizational board of 16433
commissioners for the purposes of division (B)(4) of this section. 16434
Otherwise, the organizational board of commissioners with which 16435
the original petition was filed is the acting organizational board 16436
of commissioners for the purposes of that division. 16437

(3) If the developer is not a municipal corporation, port 16438
authority, or county, all of such an addition to such a district 16439
shall be owned by, or under the control through leases of at least 16440
seventy-five years' duration, options, or contracts to purchase, 16441
of the developer. ~~Upon~~ 16442

(4) Upon the filing of the application, the acting 16443
organizational board of commissioners shall follow the same 16444
procedure as required by this section in relation to the original 16445
petition for the establishment of the proposed new community. The 16446
acting organizational board of commissioners also may determine by 16447
resolution to add territory to such district, provided that the 16448
owner or other person who controls such territory through leases 16449
of at least forty years' duration, options, or contracts to 16450
purchase files a written consent to the addition of such territory 16451
with the clerk of the acting organizational board of 16452
commissioners, and neither the developer ~~does not object nor, if~~ 16453
applicable, the organizational board of commissioners with which 16454
the original petition was filed objects to the addition of such 16455
territory by filing a written objection ~~to the addition of such~~ 16456
~~territory~~ with the clerk of the acting organizational board of 16457
commissioners before the adoption of the resolution adding such 16458
territory to the district. The acting organizational board of 16459
commissioners shall follow the same procedure as required by this 16460
section in relation to the original petition for the establishment 16461
of the proposed new community when adopting such a resolution. 16462

(C) If all or any part of the new community district is 16463

annexed to one or more existing municipal corporations, their 16464
legislative authorities may appoint persons to replace any 16465
appointed citizen member of the board of trustees. The number of 16466
such trustees to be replaced by the municipal corporation shall be 16467
the number, rounded to the lowest integer, bearing the 16468
proportionate relationship to the number of existing appointed 16469
citizen members as the acreage of the new community district 16470
within such municipal corporation bears to the total acreage of 16471
the new community district. If any such municipal corporation 16472
chooses to replace an appointed citizen member, it shall do so by 16473
ordinance, the term of the trustee being replaced shall terminate 16474
thirty days from the date of passage of such ordinance, and the 16475
trustee to be replaced shall be determined by lot. Each newly 16476
appointed member shall assume the term of the member's 16477
predecessor. 16478

Sec. 349.04. The following method of selecting a board of 16479
trustees is deemed to be a compelling state interest. Within ten 16480
days after the new community authority has been established, as 16481
provided in section 349.03 of the Revised Code, an initial board 16482
of trustees shall be appointed as follows: the organizational 16483
board of commissioners shall appoint by resolution at least three, 16484
but not more than six, citizen members of the board of trustees to 16485
represent the interests of present and future residents and 16486
employers of the new community district and one member to serve as 16487
a representative of local government, and the developer shall 16488
appoint a number of members equal to the number of citizen members 16489
to serve as representatives of the developer. 16490

Members shall serve two-year overlapping terms, with two of 16491
each of the initial citizen and developer members appointed to 16492
serve initial one-year terms. The organizational board of 16493
commissioners shall adopt, by further resolution adopted within 16494
one year of such resolution establishing such initial board of 16495

trustees, a method for selection of successor members thereof 16496
which determines the projected total population of the projected 16497
new community and meets the following criteria: 16498

(A) The appointed citizen members shall be replaced by 16499
elected citizen members according to a schedule established by the 16500
organizational board of commissioners calculated to achieve one 16501
such replacement each time the new community district gains a 16502
proportion, having a numerator of one and a denominator of twice 16503
the number of citizen members, of its projected total population 16504
until such time as all of the appointed citizen members are 16505
replaced. 16506

(B) Representatives of the developer shall be replaced by 16507
elected citizen members according to a schedule established by the 16508
organizational board of commissioners calculated to achieve one 16509
such replacement each time the new community district gains a 16510
proportion, having a numerator of one and a denominator equal to 16511
the number of developer members, of its projected total population 16512
until such time as all of the developer's representatives are 16513
replaced. 16514

(C) The representative of local government shall be replaced 16515
by an elected citizen member at the time the new community 16516
district gains three-quarters of its projected total population. 16517

Elected citizen members of the board of trustees shall be 16518
elected by a majority of the residents of the new community 16519
district voting at elections held at the times and in the manner 16520
provided in a resolution of the organizational board of 16521
commissioners. Each citizen member except an appointed citizen 16522
member shall be a qualified elector who resides within the new 16523
community district. The organizational board of commissioners, by 16524
resolution, may adopt an alternative method of selecting or 16525
electing successor members of the board of trustees provided that 16526
if an alternative method of selection is adopted for a new 16527

community authority organized prior to March 22, 2012, the board 16528
of trustees of that authority shall be limited in the collection 16529
of a community development charge, collected pursuant to division 16530
(Q) of section 349.06 of the Revised Code, and the issuance of 16531
bonds or notes, issued pursuant to section 349.08 of the Revised 16532
Code, to the amount or to the extent otherwise permitted for a 16533
board of trustees whose members are not elected by residents of 16534
the new community district. If the alternative method provides for 16535
the election of citizen members, the elections may be held at the 16536
times and in the manner provided in the petition or in a 16537
resolution of the organizational board of commissioners, and the 16538
elected citizen members shall be qualified electors who reside in 16539
the new community district. 16540

Citizen members shall not be employees of or have financial 16541
interest in the developer. If a vacancy occurs in the office of a 16542
member other than a member appointed by the developer, the 16543
organizational board of commissioners may appoint a successor 16544
member for the remainder of the unexpired term. Any appointed 16545
member of the board of trustees may at any time be removed by the 16546
organizational board of commissioners for misfeasance, 16547
nonfeasance, or malfeasance in office. Members appointed by the 16548
developer may also at any time be removed by the developer without 16549
a showing of cause. 16550

Each member of the board of trustees, before entering upon 16551
official duties, shall take and subscribe to an oath before an 16552
officer authorized to administer oaths in Ohio that the member 16553
will honestly and faithfully perform the duties of the member's 16554
office. Such oath shall be filed in the office of the clerk of the 16555
organizational board of commissioners ~~with which the petition was~~ 16556
~~filed~~. Upon taking the oath, the board of trustees shall elect one 16557
of its number as chairperson and another as vice-chairperson, and 16558
shall appoint suitable persons as secretary and treasurer who need 16559

not be members of the board. The treasurer shall be the fiscal 16560
officer of the authority. The board shall adopt by-laws governing 16561
the administration of the affairs of the new community authority. 16562
Each member of the board shall post a bond for the faithful 16563
performance of official duties and give surety therefor in such 16564
amount, but not less than ten thousand dollars, as the resolution 16565
creating such board shall prescribe. 16566

All of the powers of the new community authority shall be 16567
exercised by its board of trustees, but without relief of such 16568
responsibility, such powers may be delegated to committees of the 16569
board or its officers and employees in accordance with its 16570
by-laws. A majority of the board shall constitute a quorum, and a 16571
concurrence of a majority of a quorum in any matter within the 16572
board's duties is sufficient for its determination, provided a 16573
quorum is present when such concurrence is had and a majority of 16574
those members constituting such quorum are trustees not appointed 16575
by the developer. All trustees shall be empowered to vote on all 16576
matters within the authority of the board of trustees, and no vote 16577
by a member appointed by the developer shall be construed to give 16578
rise to civil or criminal liability for conflict of interest on 16579
the part of public officials. 16580

Sec. 349.14. Except as provided in section 349.03 of the 16581
Revised Code, or as otherwise provided in a resolution adopted by 16582
the organizational board of commissioners of a new community 16583
authority, a new community authority organized under this chapter 16584
may be dissolved only on the vote of a majority of the voters of 16585
the new community district at a special election called by the 16586
board of trustees on the question of dissolution. Such an election 16587
may be called only after the board has determined that the new 16588
community development program has been completed, when no 16589
community authority bonds or notes are outstanding, and other 16590
legal indebtedness of the authority has been discharged or 16591

provided for, and only after there has been filed with the board 16592
of trustees a petition requesting such election, signed by a 16593
number of qualified electors residing in the new community 16594
district equal to not less than eight per cent of the total vote 16595
cast for all candidates for governor in the new community district 16596
at the most recent general election at which a governor was 16597
elected. If a majority of the votes cast favor dissolution, the 16598
board of trustees shall, by resolution, declare the authority 16599
dissolved and thereupon the community authority shall be 16600
dissolved. A certified copy of the resolution shall, within 16601
fifteen days after its adoption, be filed with the clerk of the 16602
organizational board of commissioners ~~of the county~~ with which the 16603
original petition for the organization of the new community 16604
authority was filed and with the clerk of any other organizational 16605
board of commissioners where territory of the new community 16606
district was located. 16607

Upon dissolution of a new community authority, the powers 16608
thereof shall cease to exist. Any property of the new community 16609
authority shall vest with a municipal corporation, county, or 16610
township in which that property is located or with the developer 16611
of the new community authority or the developer's designee, all as 16612
provided in a resolution adopted by the organizational board of 16613
commissioners. Any vesting of property in a municipal corporation, 16614
township, or county shall be subject to acceptance of the property 16615
by resolution of the legislative authority of the municipal 16616
corporation, board of township trustees, or board of county 16617
commissioners, as applicable. If the legislative authority of a 16618
municipal corporation, board of township trustees, or board of 16619
county commissioners declines to accept the property, the property 16620
vests with the developer or the developer's designee. Any funds of 16621
the community authority at the time of dissolution shall be 16622
transferred to the municipal corporation and county or township, 16623
as provided in a resolution, in which the new community district 16624

is located in the proportion to the assessed valuation of taxable 16625
real property of the new community authority within such municipal 16626
corporation and township or county as said valuation appears on 16627
the current assessment rolls. 16628

Sec. 503.59. A board of township trustees that has entered 16629
into an agreement with the Ohio air quality development authority 16630
under section 3706.051 of the Revised Code may levy, in accordance 16631
with that agreement, a special assessment upon real property 16632
located in the township specially benefited by an air quality 16633
facility that is the subject of that agreement. 16634

An assessment levied under this section shall be made in any 16635
manner authorized under section 727.01 of the Revised Code and, 16636
except as otherwise provided in this section, in accordance with 16637
the procedures prescribed for special assessments levied by 16638
municipal corporations under Chapter 727. of the Revised Code, 16639
except that where that chapter refers to a municipal corporation, 16640
it shall be deemed to refer to the township and where that chapter 16641
refers to the legislative authority of a municipal corporation, it 16642
shall be deemed to refer to the board of township trustees. All 16643
rights and privileges of an owner of property subject to an 16644
assessment levied under that chapter shall apply to the owner of 16645
property assessed under this section. 16646

No special assessment may be levied under this section unless 16647
the owner of the property to be assessed files a written statement 16648
with the board of township trustees requesting that the assessment 16649
be levied. 16650

Sec. 505.08. After adopting by a unanimous vote a resolution 16651
declaring a real and present emergency in connection with the 16652
administration of township services or the execution of duties 16653
assigned by law to any officer of a township, the board of 16654

township trustees may, by resolution, enter into a contract, 16655
without bidding or advertising, for the purchase of services, 16656
materials, equipment, or supplies needed to meet the emergency if 16657
the estimated cost of the contract is less than ~~fifty thousand~~ 16658
~~dollars~~ the amount specified in section 9.17 of the Revised Code. 16659

During the period of the emergency declared by Executive 16660
Order 2020-01D, issued on March 9, 2020, the board of township 16661
trustees may, by resolution, enter into a contract, without 16662
bidding or advertising, for the purchase of personal protective 16663
equipment needed to meet the emergency, regardless of the 16664
estimated cost of the contract. 16665

"Personal protective equipment" means equipment worn to 16666
minimize exposure to hazards that cause workplace injuries and 16667
illnesses. 16668

Sec. 505.37. (A) The board of township trustees may establish 16669
all necessary rules to guard against the occurrence of fires and 16670
to protect the property and lives of the citizens against damage 16671
and accidents, and may, with the approval of the specifications by 16672
the prosecuting attorney or, if the township has adopted limited 16673
home rule government under Chapter 504. of the Revised Code, with 16674
the approval of the specifications by the township's law director, 16675
purchase, lease, lease with an option to purchase, or otherwise 16676
provide any fire apparatus, mechanical resuscitators, underwater 16677
rescue and recovery equipment, or other fire equipment, 16678
appliances, materials, fire hydrants, and water supply for 16679
fire-fighting and fire and rescue purposes that seems advisable to 16680
the board. The board shall provide for the care and maintenance of 16681
such fire equipment, and, for these purposes, may purchase, lease, 16682
lease with an option to purchase, or construct and maintain 16683
necessary buildings, and it may establish and maintain lines of 16684
fire-alarm communications within the limits of the township. The 16685

board may employ one or more persons to maintain and operate such 16686
fire equipment, or it may enter into an agreement with a volunteer 16687
fire company for the use and operation of the equipment. The board 16688
may compensate the members of a volunteer fire company on any 16689
basis and in any amount that it considers equitable. 16690

16691
When the estimated cost to purchase fire apparatus, 16692
mechanical resuscitators, underwater rescue and recovery 16693
equipment, or other fire equipment, appliances, materials, fire 16694
hydrants, buildings, or fire-alarm communications equipment or 16695
services exceeds ~~fifty thousand dollars~~ the amount specified in 16696
section 9.17 of the Revised Code, the contract shall be let by 16697
competitive bidding. No purchase or other transaction subject to 16698
this section shall be divided into component parts in order to 16699
avoid the requirements of this section. When competitive bidding 16700
is required, the board shall advertise once a week for not less 16701
than two consecutive weeks in a newspaper of general circulation 16702
within the township. The board may also cause notice to be 16703
inserted in trade papers or other publications designated by it or 16704
to be distributed by electronic means, including posting the 16705
notice on the board's internet web site. If the board posts the 16706
notice on its web site, it may eliminate the second notice 16707
otherwise required to be published in a newspaper of general 16708
circulation within the township, provided that the first notice 16709
published in such newspaper meets all of the following 16710
requirements: 16711

(1) It is published at least two weeks before the opening of 16712
bids. 16713

(2) It includes a statement that the notice is posted on the 16714
board's internet web site. 16715

(3) It includes the internet address of the board's internet 16716

web site. 16717

(4) It includes instructions describing how the notice may be 16718
accessed on the board's internet web site. 16719

The advertisement shall include the time, date, and place 16720
where the clerk of the township, or the clerk's designee, will 16721
read bids publicly. The time, date, and place of bid openings may 16722
be extended to a later date by the board of township trustees, 16723
provided that written or oral notice of the change shall be given 16724
to all persons who have received or requested specifications not 16725
later than ninety-six hours prior to the original time and date 16726
fixed for the opening. The board may reject all the bids or accept 16727
the lowest and best bid, provided that the successful bidder meets 16728
the requirements of section 153.54 of the Revised Code when the 16729
contract is for the construction, demolition, alteration, repair, 16730
or reconstruction of an improvement. 16731

(B) The boards of township trustees of any two or more 16732
townships, or the legislative authorities of any two or more 16733
political subdivisions, or any combination of these, may, through 16734
joint action, unite in the joint purchase, lease, lease with an 16735
option to purchase, maintenance, use, and operation of fire 16736
equipment described in division (A) of this section, or for any 16737
other purpose designated in sections 505.37 to 505.42 of the 16738
Revised Code, and may prorate the expense of the joint action on 16739
any terms that are mutually agreed upon. 16740

(C) The board of township trustees of any township may, by 16741
resolution, whenever it is expedient and necessary to guard 16742
against the occurrence of fires or to protect the property and 16743
lives of the citizens against damages resulting from their 16744
occurrence, create a fire district of any portions of the township 16745
that it considers necessary. The board may purchase, lease, lease 16746
with an option to purchase, or otherwise provide any fire 16747
apparatus, mechanical resuscitators, underwater rescue and 16748

recovery equipment, or other fire equipment, appliances, 16749
materials, fire hydrants, and water supply for fire-fighting and 16750
fire and rescue purposes, or may contract for the fire protection 16751
for the fire district as provided in section 9.60 of the Revised 16752
Code. The fire district so created shall be given a separate name 16753
by which it shall be known. 16754

Additional unincorporated territory of the township may be 16755
added to a fire district upon the board's adoption of a resolution 16756
authorizing the addition. A municipal corporation, or a portion of 16757
a municipal corporation, that is within or adjoining the township 16758
may be added to a fire district upon the board's adoption of a 16759
resolution authorizing the addition and the municipal legislative 16760
authority's adoption of a resolution or ordinance requesting the 16761
addition of the municipal corporation or a portion of the 16762
municipal corporation to the fire district. 16763

If the township fire district imposes a tax, additional 16764
unincorporated territory of the township or a municipal 16765
corporation or a portion of a municipal corporation that is within 16766
or adjoining the township shall become part of the fire district 16767
only after all of the following have occurred: 16768

(1) Adoption by the board of township trustees of a 16769
resolution approving the expansion of the territorial limits of 16770
the district and, if the resolution proposes to add a municipal 16771
corporation or a portion of a municipal corporation, adoption by 16772
the municipal legislative authority of a resolution or ordinance 16773
requesting the addition of the municipal corporation or a portion 16774
of the municipal corporation to the district; 16775

(2) Adoption by the board of township trustees of a 16776
resolution recommending the extension of the tax to the additional 16777
territory; 16778

(3) The board requests and obtains from the county auditor 16779

the information required for a tax levy under section 5705.03 of 16780
the Revised Code, in the manner prescribed in that section, except 16781
that the levy's annual collections shall be estimated assuming 16782
that the additional territory has been added to the fire district. 16783

(4) Approval of the tax by the electors of the territory 16784
proposed for addition to the district. 16785

Each resolution of the board adopted under division (C)(2) of 16786
this section shall state the name of the fire district, a 16787
description of the territory to be added, the rate, expressed in 16788
mills for each one dollar of taxable value, the estimated 16789
effective rate, expressed in dollars for each one hundred thousand 16790
dollars of the county auditor's appraised value, and termination 16791
date of the tax, which shall be the rate, estimated effective 16792
rate, and termination date of the tax currently in effect in the 16793
fire district. 16794

The board of trustees shall certify each resolution adopted 16795
under division (C)(2) of this section and the county auditor's 16796
certification under division (C)(3) of this section to the board 16797
of elections in accordance with section 5705.19 of the Revised 16798
Code. The election required under division (C)(4) of this section 16799
shall be held, canvassed, and certified in the manner provided for 16800
the submission of tax levies under section 5705.25 of the Revised 16801
Code, except that the question appearing on the ballot shall read: 16802

"Shall the territory within _____ 16803
(description of the proposed territory to be added) be added to 16804
_____ (name) fire district, and a property tax, 16805
that the county auditor estimates will collect \$_____ annually, at 16806
a rate not exceeding _____ mills for each \$1 of taxable value, 16807
which amounts to \$_____ (here insert estimated effective rate) 16808
for each \$100,000 of the county auditor's appraised value, be in 16809
effect for _____ (here insert the number of years the tax is 16810
to be in effect or "a continuing period of time," as applicable)?" 16811

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation or portion thereof and if it had adopted a tax levy for fire purposes, the levy is terminated on the effective date of the joinder in the area of the municipal corporation added to the district.

Any municipal corporation may withdraw from a township fire district created under division (C) of this section by the adoption by the municipal legislative authority of a resolution or ordinance ordering withdrawal. On the first day of July of the year following the adoption of the resolution or ordinance of withdrawal, the withdrawing municipal corporation or the portion thereof ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation or the portion thereof terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any municipal corporation from a township fire district created under division (C) of this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, moneys and taxes in the process of collection except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in money or in kind, on the basis of the valuation of the respective tax duplicates of the withdrawing municipal corporation and the remaining territory of the fire district.

A board of township trustees may remove unincorporated territory of the township from the fire district upon the adoption of a resolution authorizing the removal. On the first day of July of the year following the adoption of the resolution, the unincorporated township territory described in the resolution ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in that territory terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

As used in this section, "the county auditor's appraised value" and "estimated effective rate" have the same meanings as in section 5705.01 of the Revised Code.

(D) The board of township trustees of any township, the board of fire district trustees of a fire district created under section 505.371 of the Revised Code, or the legislative authority of any municipal corporation may purchase, lease, or lease with an option to purchase the necessary fire equipment described in division (A) of this section, buildings, and sites for the township, fire district, or municipal corporation and issue securities for that purpose with maximum maturities as provided in section 133.20 of the Revised Code. The board of township trustees, board of fire district trustees, or legislative authority may also construct any buildings necessary to house fire equipment and issue securities for that purpose with maximum maturities as provided in section 133.20 of the Revised Code.

The board of township trustees, board of fire district trustees, or legislative authority may issue the securities of the township, fire district, or municipal corporation, signed by the board or designated officer of the municipal corporation and attested by the signature of the township fiscal officer, fire

district clerk, or municipal clerk, covering any deferred payments 16876
and payable at the times provided, which securities shall bear 16877
interest not to exceed the rate determined as provided in section 16878
9.95 of the Revised Code, and shall not be subject to Chapter 133. 16879
of the Revised Code. The legislation authorizing the issuance of 16880
the securities shall provide for levying and collecting annually 16881
by taxation, amounts sufficient to pay the interest on and 16882
principal of the securities. The securities shall be offered for 16883
sale on the open market or given to the vendor or contractor if no 16884
sale is made. 16885

Section 505.40 of the Revised Code does not apply to any 16886
securities issued, or any lease with an option to purchase entered 16887
into, in accordance with this division. 16888

(E) A board of township trustees of any township or a board 16889
of fire district trustees of a fire district created under section 16890
505.371 of the Revised Code may purchase a policy or policies of 16891
liability insurance for the officers, employees, and appointees of 16892
the fire department, fire district, or joint fire district 16893
governed by the board that includes personal injury liability 16894
coverage as to the civil liability of those officers, employees, 16895
and appointees for false arrest, detention, or imprisonment, 16896
malicious prosecution, libel, slander, defamation or other 16897
violation of the right of privacy, wrongful entry or eviction, or 16898
other invasion of the right of private occupancy, arising out of 16899
the performance of their duties. 16900

When a board of township trustees cannot, by deed of gift or 16901
by purchase and upon terms it considers reasonable, procure land 16902
for a township fire station that is needed in order to respond in 16903
reasonable time to a fire or medical emergency, the board may 16904
appropriate land for that purpose under sections 163.01 to 163.22 16905
of the Revised Code. If it is necessary to acquire additional 16906
adjacent land for enlarging or improving the fire station, the 16907

board may purchase, appropriate, or accept a deed of gift for the 16908
land for these purposes. 16909

(F) As used in this division, "emergency medical service 16910
organization" has the same meaning as in section 4766.01 of the 16911
Revised Code. 16912

A board of township trustees, by adoption of an appropriate 16913
resolution, may choose to have the state board of emergency 16914
medical, fire, and transportation services license any emergency 16915
medical service organization it operates. If the board adopts such 16916
a resolution, Chapter 4766. of the Revised Code, except for 16917
sections 4766.06 and 4766.99 of the Revised Code, applies to the 16918
organization. All rules adopted under the applicable sections of 16919
that chapter also apply to the organization. A board of township 16920
trustees, by adoption of an appropriate resolution, may remove its 16921
emergency medical service organization from the jurisdiction of 16922
the state board of emergency medical, fire, and transportation 16923
services. 16924

Sec. 505.376. When any expenditure of a fire and ambulance 16925
district, other than for the compensation of district employees, 16926
exceeds ~~fifty thousand dollars~~ the amount specified in section 16927
9.17 of the Revised Code, the contract for the expenditure shall 16928
be in writing and made with the lowest and best bidder after 16929
advertising once a week for not less than two consecutive weeks in 16930
a newspaper of general circulation within the district. The board 16931
of trustees of a fire and ambulance district may also cause notice 16932
to be inserted in trade papers or other publications designated by 16933
it or to be distributed by electronic means, including posting the 16934
notice on the board's internet web site. If the board posts the 16935
notice on its web site, it may eliminate the second notice 16936
otherwise required to be published in a newspaper of general 16937
circulation within the district, provided that the first notice 16938

published in such newspaper meets all of the following 16939
requirements: 16940

(A) It is published at least two weeks before the opening of 16941
bids. 16942

(B) It includes a statement that the notice is posted on the 16943
board's internet web site. 16944

(C) It includes the internet address of the board's internet 16945
web site. 16946

(D) It includes instructions describing how the notice may be 16947
accessed on the board's internet web site. 16948

The bids shall be opened and shall be publicly read by the 16949
clerk of the district, or the clerk's designee, at the time, date, 16950
and place specified in the advertisement to bidders or the 16951
specifications. The time, date, and place of bid openings may be 16952
extended to a later date by the board of trustees of the district, 16953
provided that written or oral notice of the change shall be given 16954
to all persons who have received or requested specifications no 16955
later than ninety-six hours prior to the original time and date 16956
fixed for the opening. 16957

Each bid on any contract shall contain the full name of every 16958
person interested in the bid. If the bid is for a contract for the 16959
construction, demolition, alteration, repair, or reconstruction of 16960
an improvement, it shall meet the requirements of section 153.54 16961
of the Revised Code. If the bid is for any other contract, it 16962
shall be accompanied by a sufficient bond or certified check, 16963
cashier's check, or money order on a solvent bank or savings and 16964
loan association that, if the bid is accepted, a contract will be 16965
entered into and the performance of it will be properly secured. 16966
If the bid for work embraces both labor and material, it shall be 16967
separately stated, with the price of the labor and the material. 16968
The board may reject any and all bids. The contract shall be 16969

between the district and the bidder, and the district shall pay 16970
the contract price in cash. When a bonus is offered for completion 16971
of a contract prior to a specified date, the board may exact a 16972
prorated penalty in like sum for each day of delay beyond the 16973
specified date. When there is reason to believe there is collusion 16974
or combination among bidders, the bids of those concerned shall be 16975
rejected. 16976

No expenditure subject to this section shall be divided into 16977
component parts, separate projects, or separate items of work in 16978
order to avoid the requirements of this section. 16979

Sec. 505.38. (A) In each township or fire district that has a 16980
fire department, the head of the department shall be a fire chief, 16981
appointed by the board of township trustees, except that, in a 16982
joint fire district, the fire chief shall be appointed by the 16983
board of fire district trustees. Neither this section nor any 16984
other section of the Revised Code requires, or shall be construed 16985
to require, that the fire chief be a resident of the township or 16986
fire district. 16987

The board shall provide for the employment of firefighters as 16988
it considers best and shall fix their compensation. No person 16989
shall be appointed as a permanent full-time paid member, whose 16990
duties include fire fighting, of the fire department of any 16991
township or fire district unless that person has received a 16992
certificate issued under former section 3303.07 or section 4765.55 16993
of the Revised Code evidencing satisfactory completion of a 16994
firefighter training program. Those appointees shall continue in 16995
office until removed from office as provided by sections 733.35 to 16996
733.39 of the Revised Code. To initiate removal proceedings, and 16997
for that purpose, the board shall designate the fire chief or a 16998
private citizen to investigate the conduct and prepare the 16999
necessary charges in conformity with those sections. 17000

In case of the removal of a fire chief or any member of the fire department of a township or fire district, an appeal may be had from the decision of the board to the court of common pleas of the county in which the township or fire district fire department is situated to determine the sufficiency of the cause of removal. The appeal from the findings of the board shall be taken within ten days.

No person who is appointed as a volunteer firefighter of the fire department of any township or fire district shall remain in that position unless either of the following applies:

(1) Within one year of the appointment, the person has received a certificate issued under former section 3303.07 of the Revised Code or section 4765.55 of the Revised Code evidencing satisfactory completion of a firefighter training program.

(2) The person began serving as a permanent full-time paid firefighter with the fire department of a city or village prior to July 2, 1970, or as a volunteer firefighter with the fire department of a city, village, or other township or fire district prior to July 2, 1979, and receives a certificate issued under ~~division (C)(3)~~ of section 4765.55 of the Revised Code.

No person shall receive an appointment under this section, in the case of a volunteer firefighter, unless the person has, not more than sixty days prior to receiving the appointment, passed a physical examination, given by a licensed physician, a physician assistant, a clinical nurse specialist, a certified nurse practitioner, or a certified nurse-midwife, showing that the person meets the physical requirements necessary to perform the duties of the position to which the person is appointed as established by the board of township trustees having jurisdiction over the appointment. The appointing authority, prior to making an appointment, shall file with the Ohio police and fire pension fund or the local volunteer fire fighters' dependents fund board a copy

of the report or findings of that licensed physician, physician 17033
assistant, clinical nurse specialist, certified nurse 17034
practitioner, or certified nurse-midwife. The professional fee for 17035
the physical examination shall be paid for by the board of 17036
township trustees. 17037

(B) In each township not having a fire department, the board 17038
of township trustees shall appoint a fire prevention officer who 17039
shall exercise all of the duties of a fire chief except those 17040
involving the maintenance and operation of fire apparatus. The 17041
board may appoint one or more deputy fire prevention officers who 17042
shall exercise the duties assigned by the fire prevention officer. 17043

The board may fix the compensation for the fire prevention 17044
officer and the fire prevention officer's deputies as it considers 17045
best. The board shall appoint each fire prevention officer and 17046
deputy for a one-year term. An appointee may be reappointed at the 17047
end of a term to another one-year term. Any appointee may be 17048
removed from office during a term as provided by sections 733.35 17049
to 733.39 of the Revised Code. Section 505.45 of the Revised Code 17050
extends to those officers. 17051

(C)(1) Division (A) of this section does not apply to any 17052
township that has a population of ten thousand or more persons 17053

more full-time paid employees, and that has a civil service 17056
commission established under division (B) of section 124.40 of the 17057
Revised Code. The township shall comply with the procedures for 17058
the employment, promotion, and discharge of firefighters provided 17059
by Chapter 124. of the Revised Code, except as otherwise provided 17060
in divisions (C)(2) and (3) of this section. 17061

(2) The board of township trustees of the township may 17062
appoint the fire chief, and any person so appointed shall be in 17063
the unclassified service under section 124.11 of the Revised Code 17064

and shall serve at the pleasure of the board. Neither this section 17065
nor any other section of the Revised Code requires, or shall be 17066
construed to require, that the fire chief be a resident of the 17067
township. A person who is appointed fire chief under these 17068
conditions and who is removed by the board or resigns from the 17069
position is entitled to return to the classified service in the 17070
township fire department in the position held just prior to the 17071
appointment as fire chief. 17072

in section 504.01 of the Revised Code, may appoint to a vacant 17074
position any one of the three highest scorers on the eligible list 17075
for a promotional examination. 17076

(4) The board of township trustees shall determine the number 17077
of personnel required and establish salary schedules and 17078
conditions of employment not in conflict with Chapter 124. of the 17079
Revised Code. 17080

(5) No person shall receive an original appointment as a 17081
permanent full-time paid member of the fire department of the 17082
township described in this division unless the person has received 17083
a certificate issued under former section 3303.07 or section 17084
4765.55 of the Revised Code evidencing the satisfactory completion 17085
of a firefighter training program. 17086

(6) Persons employed as firefighters in the township 17087
described in this division on the date a civil service commission 17088
is appointed pursuant to division (B) of section 124.40 of the 17089
Revised Code, without being required to pass a competitive 17090
examination or a firefighter training program, shall retain their 17091
employment and any rank previously granted them by action of the 17092
board of township trustees or otherwise, but those persons are 17093
eligible for promotion only by compliance with Chapter 124. of the 17094
Revised Code. 17095

Sec. 507.02. When the office of township fiscal officer 17096
becomes vacant, or when a township fiscal officer is unable to 17097
carry out the duties of office because of illness, because of 17098

shall appoint a deputy fiscal officer, who shall have full power 17103
to discharge the duties of the office. The deputy fiscal officer 17104
shall serve during the period of time the fiscal officer is absent 17105
or incapacitated, or until a successor fiscal officer is appointed 17106

forth in divisions (A), (B), and (C) of this section shall state 17258
that the board of township trustees shall have right of reentry to 17259
the cemetery lot or right if the notification requirements are not 17260
met. At least ninety days before establishing reentry, the board 17261
shall publish a notice on the board's internet web site, if 17262
applicable, and shall send a notice by certified mail to the last 17263
known owner at the owner's last known address to inform the owner 17264
that the owner's interest in the lot or right will cease unless 17265
the notification requirements are met. If the owner's address is 17266
unknown and cannot reasonably be obtained, it is sufficient to 17267
publish the notice once in a newspaper of general circulation in 17268
the county. In order to establish reentry, the board shall pass a 17269
resolution stating that the conditions of the sale or of the deed 17270
have not been fulfilled, and that the board reclaims its interest 17271
in the lot or right. 17272

The board may limit the terms of sale or the deed for a 17273
cemetery lot or right by specifying that the owner, a member of 17274
the owner's family, or an owner's descendant must use the lot, 17275
tomb, including a mausoleum, or columbarium, or at least a portion 17276
of the lot, tomb, including a mausoleum, or columbarium, within a 17277
specified time period. The board may specify this time period to 17278
be at least twenty but not more than fifty years, with right of 17279
renewal provided at no cost. At least ninety days before the 17280

termination date for use of the cemetery lot, tomb, including a 17281
mausoleum, or columbarium, the board shall publish a notice on the 17282
board's internet web site, if applicable, and shall send a notice 17283
to the owner to inform the owner that the owner's interest in the 17284
lot or right will cease on the termination date unless the owner 17285
contracts for renewal by that date. The board shall send the 17286
notice by certified mail to the owner if the owner is a resident 17287
of the township or is a nonresident whose address is known. If the 17288
owner's address is unknown and cannot reasonably be obtained, it 17289
is sufficient to publish the notice once in a newspaper of general 17290
circulation in the county. 17291

The terms of sale and any deed for lots or rights conveyed 17292
with a termination date shall state that the board shall have 17293
right of reentry to the lot or right at the end of the specified 17294
time period if the lot, tomb, including a mausoleum, or 17295
columbarium, is not used within this time period or renewed for an 17296
extended period. In order to establish reentry, the board shall 17297
pass a resolution stating that the conditions of the sale or of 17298
the deed have not been fulfilled, and that the board reclaims its 17299
interest in the lot or right. The board shall compensate owners of 17300
unused lots or rights who do not renew the terms of sale or the 17301
deed by offering to pay the owner eighty per cent of the purchase 17302
price or to provide another available lot or right, as applicable, 17303
at no additional cost. The board may repurchase any cemetery lot 17304
or right from its owner at any time at a price that is mutually 17305
agreed upon by the board and the owner. 17306

Sec. 517.271. Notwithstanding section 517.22 of the Revised 17307
Code, the company, association, or religious society that most 17308
recently owned and operated a cemetery currently owned by a board 17309
of township trustees may petition the probate court of the county 17310
in which the cemetery is located to transfer the ownership of the 17311
cemetery to the petitioner. 17312

If the court determines that the petitioner has met all of 17313
the following conditions, the court shall transfer the ownership 17314
of the cemetery to the petitioner and shall order the board and 17315
county recorder to give the petitioner all necessary records and 17316
documents concerning the cemetery, including records of the 17317
board's sale of any lots pursuant to section 517.07 of the Revised 17318
Code: 17319

(A) The petitioner has the financial resources necessary to 17320
operate and maintain the cemetery; 17321

(B) The petitioner is in compliance with all applicable laws 17322
and administrative rules concerning the owners and operators of 17323
cemeteries, including registration under section 4767.02 of the 17324
Revised Code; and 17325

(C) The petitioner owes no delinquent taxes. 17326

Sec. 715.18. Any municipal corporation may establish and 17327
furnish the necessary equipment for a department of purchase, 17328
construction, and repair. Such department shall be under the 17329
management of the director of public service, who shall purchase 17330
all material, supplies, tools, machinery, and equipment, and shall 17331
supervise all construction, alterations, and repairs in each of 17332
the municipal departments whether established by law or ordinance. 17333

No such purchase, construction, alteration, or repair shall 17334
be made except upon requisition by the director, the officer at 17335
the head of the department for which it is to be made or done, or 17336
upon the order of the legislative authority of the municipal 17337
corporation, nor shall any purchase, construction, alteration, or 17338
repair for any of such departments be made or done except on 17339
authority of the legislative authority and under sections 735.05 17340
to 735.09 of the Revised Code, if the cost thereof exceeds ~~ten~~ 17341
~~thousand dollars~~ the amount specified in section 9.17 of the 17342
Revised Code. 17343

Sec. 718.01. Any term used in this chapter that is not 17344
otherwise defined in this chapter has the same meaning as when 17345
used in a comparable context in laws of the United States relating 17346
to federal income taxation or in Title LVII of the Revised Code, 17347
unless a different meaning is clearly required. Except as provided 17348
in section 718.81 of the Revised Code, if a term used in this 17349
chapter that is not otherwise defined in this chapter is used in a 17350
comparable context in both the laws of the United States relating 17351
to federal income tax and in Title LVII of the Revised Code and 17352
the use is not consistent, then the use of the term in the laws of 17353
the United States relating to federal income tax shall control 17354
over the use of the term in Title LVII of the Revised Code. 17355

Except as otherwise provided in section 718.81 of the Revised 17356
Code, as used in this chapter: 17357

(A)(1) "Municipal taxable income" means the following: 17358

(a) For a person other than an individual, income apportioned 17359
or situated to the municipal corporation under section 718.02 of 17360
the Revised Code, as applicable, reduced by any pre-2017 net 17361
operating loss carryforward available to the person for the 17362
municipal corporation. 17363

(b)(i) For an individual who is a resident of a municipal 17364
corporation other than a qualified municipal corporation, income 17365
reduced by exempt income to the extent otherwise included in 17366
income, then reduced as provided in division (A)(2) of this 17367
section, and further reduced by any pre-2017 net operating loss 17368
carryforward available to the individual for the municipal 17369
corporation. 17370

(ii) For an individual who is a resident of a qualified 17371
municipal corporation, Ohio adjusted gross income reduced by 17372
income exempted, and increased by deductions excluded, by the 17373
qualified municipal corporation from the qualified municipal 17374

corporation's tax. If a qualified municipal corporation, on or 17375
before December 31, 2013, exempts income earned by individuals who 17376
are not residents of the qualified municipal corporation and net 17377
profit of persons that are not wholly located within the qualified 17378
municipal corporation, such individual or person shall have no 17379
municipal taxable income for the purposes of the tax levied by the 17380
qualified municipal corporation and may be exempted by the 17381
qualified municipal corporation from the requirements of section 17382
718.03 of the Revised Code. 17383

this section, and further reduced by any pre-2017 net operating 17389
loss carryforward available to the individual for the municipal 17390
corporation. 17391

(2) In computing the municipal taxable income of a taxpayer 17392
who is an individual, the taxpayer may subtract, as provided in 17393
division (A)(1)(b)(i) or (c) of this section, the amount of the 17394
individual's employee business expenses reported on the 17395
individual's form 2106 that the individual deducted for federal 17396

limitation imposed by section 67 of the Internal Revenue Code. For 17398
the municipal corporation in which the taxpayer is a resident, the 17399
taxpayer may deduct all such expenses allowed for federal income 17400
tax purposes. For a municipal corporation in which the taxpayer is 17401
not a resident, the taxpayer may deduct such expenses only to the 17402
extent the expenses are related to the taxpayer's performance of 17403
personal services in that nonresident municipal corporation. 17404

(B) "Income" means the following: 17405

(1)(a) For residents, all income, salaries, qualifying wages, 17406

share of the net profit of pass-through entities owned directly or 17409
indirectly by the resident and any net profit of the resident, 17410

taxable year and the resident's distributive share of any net 17414
operating loss generated in the same taxable year and attributable 17415
to the resident's ownership interest in a pass-through entity 17416
shall be allowed as a deduction, for that taxable year and the 17417
following five taxable years, against any other net profit of the 17418
resident or the resident's distributive share of any net profit 17419
attributable to the resident's ownership interest in a 17420
pass-through entity until fully utilized, subject to division 17421
(B)(1)(d) of this section; 17422

(ii) The resident's distributive share of the net profit of 17423

year and applied to reduce the entity's net profit for the current 17427
taxable year. 17428

(c) Division (B)(1)(b) of this section does not apply with 17429
respect to any net profit or net operating loss attributable to an 17430

(C)(14)(b) or (c) of this section. 17434

(d) Any amount of a net operating loss used to reduce a 17435
taxpayer's net profit for a taxable year shall reduce the amount 17436
of net operating loss that may be carried forward to any 17437

subsequent year for use by that taxpayer. In no event shall the 17438
cumulative deductions for all taxable years with respect to a 17439
taxpayer's net operating loss exceed the original amount of that 17440
net operating loss available to that taxpayer. 17441

(2) In the case of nonresidents, all income, salaries, 17442
qualifying wages, commissions, and other compensation from 17443
whatever source earned or received by the nonresident for work 17444
done, services performed or rendered, or activities conducted in 17445
the municipal corporation, including any net profit of the 17446
nonresident, but excluding the nonresident's distributive share of 17447
the net profit or loss of only pass-through entities owned 17448
directly or indirectly by the nonresident. 17449

(3) For taxpayers that are not individuals, net profit of the 17450
taxpayer; 17451

(4) Lottery, sweepstakes, gambling and sports winnings, 17452

plan, disability payments received from private industry or local, 17475
state, or federal governments or from charitable, religious or 17476

dollars for the taxable year. Such compensation in excess of one 17489
thousand dollars for the taxable year may be subject to taxation 17490

require the payer of such compensation to withhold any tax from 17492
that compensation. 17493

(6) Dues, contributions, and similar payments received by 17494
charitable, religious, educational, or literary organizations or 17495

information, statements, or documents required by the municipal 18231
corporation to determine and verify the taxpayer's municipal 18232

of this section apply regardless of whether the taxpayer files on 18234
a generic form or on a form prescribed by the tax administrator. 18235

(G)(1)(a) Except as otherwise provided in this chapter, each 18236
individual income tax return required to be filed under this 18237

the return or notice on forms prescribed by the tax administrator 18242
or on generic forms, together with remittance made payable to the 18243
municipal corporation or tax administrator. No remittance is 18244

division (C)(20)(b) or (c) of section 718.01 of the Revised Code 18248
to file a return under this section. 18249

(b) Except as otherwise provided in this chapter, each annual 18250
net profit return required to be filed under this section by a 18251
taxpayer that is not an individual shall be completed and filed as 18252
required by the tax administrator on or before the fifteenth day 18253
of the fourth month following the end of the taxpayer's taxable 18254
year. The taxpayer shall complete and file the return or notice on 18255
forms prescribed by the tax administrator or on generic forms, 18256
together with remittance made payable to the municipal corporation 18257
or tax administrator. No remittance is required if the amount 18258
shown to be due is ten dollars or less. 18259

(2)(a) Any taxpayer that has duly requested an automatic 18260

after the last day of the taxable year to which the return 18269
relates. 18270

(b) A taxpayer that has not requested or received a six-month 18271
extension for filing the taxpayer's federal income tax return may 18272
request that the tax administrator grant the taxpayer a six-month 18273

extension of the date for filing the taxpayer's municipal income 18274
tax return. If the request is received by the tax administrator on 18275
or before the date the municipal income tax return is due, the tax 18276
administrator shall grant the taxpayer's requested extension. 18277

(c) An extension of time to file under division (G)(2) of 18278
this section is not an extension of the time to pay any tax due 18279
unless the tax administrator grants an extension of that date. 18280

(3) If the tax commissioner extends for all taxpayers the 18281
date for filing state income tax returns under division (G) of 18282
section 5747.08 of the Revised Code, a taxpayer shall 18283
automatically receive an extension for the filing of a municipal 18284
income tax return. The extended due date of the municipal income 18285
tax return shall be the same as the extended due date of the state 18286
income tax return. 18287

(4) If the tax administrator considers it necessary in order 18288
to ensure the payment of the tax imposed by the municipal 18289
corporation in accordance with this chapter, the tax administrator 18290
may require taxpayers to file returns and make payments otherwise 18291
than as provided in this section, including taxpayers not 18292
otherwise required to file annual returns. 18293

(5) If a taxpayer receives an extension for the filing of a 18294
municipal income tax return under division (G)(2), (3), or (4) of 18295
this section, the tax administrator shall not make any inquiry or 18296
send any notice to the taxpayer with regard to the return on or 18297
before the date the taxpayer files the return or on or before the 18298
extended due date to file the return, whichever occurs first. 18299

If a tax administrator violates division (G)(5) of this 18300
section, the municipal corporation shall reimburse the taxpayer 18301
for any reasonable costs incurred to respond to such inquiry or 18302
notice, up to one hundred fifty dollars. 18303

Division (G)(5) of this section does not apply to an 18304

extension received under division (G)(2) of this section if the 18305
tax administrator has actual knowledge that the taxpayer failed to 18306
file for a federal extension as required to receive the extension 18307
under division (G)(2)(a) of this section or failed to file for an 18308
extension under division (G)(2)(b) of this section. 18309

(6) To the extent that any provision in this division 18310
conflicts with any provision in section 718.052 of the Revised 18311
Code, the provision in that section prevails. 18312

(H)(1) For taxable years beginning after 2015, a municipal 18313
corporation shall not require a taxpayer to remit tax with respect 18314
to net profits if the amount due is less than ten dollars. 18315

(2) Except as provided in division (H)(3) of this section, 18316
any taxpayer not required to remit tax to a municipal corporation 18317
for a taxable year pursuant to division (H)(1) of this section 18318
shall file with the municipal corporation an annual net profit 18319
return under division (F)(3) of this section. 18320

(3) A municipal corporation shall not require a person to 18321
file a net profit return under this section if the person's income 18322
consists exclusively of exempt income described in division 18323
(C)(20)(a) of section 718.01 of the Revised Code. 18324

(I)(1) If any report, claim, statement, or other document 18325
required to be filed, or any payment required to be made, within a 18326
prescribed period or on or before a prescribed date under this 18327
chapter is delivered after that period or that date by United 18328
States mail to the tax administrator or other municipal official 18329
with which the report, claim, statement, or other document is 18330
required to be filed, or to which the payment is required to be 18331
made, the date of the postmark stamped on the cover in which the 18332
report, claim, statement, or other document, or payment is mailed 18333
shall be deemed to be the date of delivery or the date of payment. 18334
"The date of postmark" means, in the event there is more than one 18335

date on the cover, the earliest date imprinted on the cover by the 18336
postal service. 18337

(2) If a payment under this chapter is made by electronic 18338
funds transfer, the payment shall be considered to be made on the 18339
date of the timestamp assigned by the first electronic system 18340
receiving that payment. 18341

(J) The amounts withheld by an employer, the agent of an 18342
employer, or an other payer as described in section 718.03 of the 18343
Revised Code shall be allowed to the recipient of the compensation 18344
as credits against payment of the tax imposed on the recipient by 18345
the municipal corporation, unless the amounts withheld were not 18346
remitted to the municipal corporation and the recipient colluded 18347
with the employer, agent, or other payer in connection with the 18348
failure to remit the amounts withheld. 18349

(K) Each return required by a municipal corporation to be 18350
filed in accordance with this section shall include a box that the 18351
taxpayer may check to authorize another person, including a tax 18352
return preparer who prepared the return, to communicate with the 18353
tax administrator about matters pertaining to the return. The 18354
return or instructions accompanying the return shall indicate that 18355
by checking the box the taxpayer authorizes the tax administrator 18356
to contact the preparer or other person concerning questions that 18357
arise during the examination or other review of the return and 18358
authorizes the preparer or other person only to provide the tax 18359
administrator with information that is missing from the return, to 18360
contact the tax administrator for information about the 18361
examination or other review of the return or the status of the 18362
taxpayer's refund or payments, and to respond to notices about 18363
mathematical errors, offsets, or return preparation that the 18364
taxpayer has received from the tax administrator and has shown to 18365
the preparer or other person. 18366

(L) The tax administrator of a municipal corporation shall 18367

accept for filing a generic form of any income tax return, report, 18368
or document required by the municipal corporation in accordance 18369
with this chapter, provided that the generic form, once completed 18370
and filed, contains all of the information required by ordinance, 18371
resolution, or rules adopted by the municipal corporation or tax 18372
administrator, and provided that the taxpayer or tax return 18373
preparer filing the generic form otherwise complies with the 18374
provisions of this chapter and of the municipal corporation 18375
ordinance or resolution governing the filing of returns, reports, 18376
or documents. 18377

(M) When income tax returns, reports, or other documents 18378
require the signature of a tax return preparer, the tax 18379
administrator shall accept a facsimile of such a signature in lieu 18380
of a manual signature. 18381

(N)(1) As used in this division, "worksite location" has the 18382
same meaning as in section 718.011 of the Revised Code. 18383

(2) A person may notify a tax administrator that the person 18384
does not expect to be a taxpayer with respect to the municipal 18385
corporation for a taxable year if both of the following conditions 18386
apply: 18387

(a) The person was required to file a tax return with the 18388
municipal corporation for the immediately preceding taxable year 18389
because the person performed services at a worksite location 18390
within that municipal corporation. 18391

(b) The person no longer provides services in the municipal 18392
corporation and does not expect to be subject to the municipal 18393
corporation's income tax for the taxable year. 18394

The person shall provide the notice in a signed affidavit 18395
that briefly explains the person's circumstances, including the 18396

which the person performed services or made any sales within the 18398

municipal corporation. The affidavit also shall include the 18399
following statement: "The affiant has no plans to perform any 18400
services within the municipal corporation, make any sales in the 18401
municipal corporation, or otherwise become subject to the tax 18402
levied by the municipal corporation during the taxable year. If 18403
the affiant does become subject to the tax levied by the municipal 18404
corporation for the taxable year, the affiant agrees to be 18405
considered a taxpayer and to properly register as a taxpayer with 18406
the municipal corporation if such a registration is required by 18407
the municipal corporation's resolutions, ordinances, or rules." 18408
The person shall sign the affidavit under penalty of perjury. 18409

(c) If a person submits an affidavit described in division 18410
(N)(2) of this section, the tax administrator shall not require 18411
the person to file any tax return for the taxable year unless the 18412
tax administrator possesses information that conflicts with the 18413
affidavit or if the circumstances described in the affidavit 18414
change. Nothing in division (N) of this section prohibits the tax 18415
administrator from performing an audit of the person. 18416

construed as forming the sole basis upon which the commissioner 18731
may conduct an audit of a taxpayer. 18732

(4) Nothing in this chapter shall prohibit a municipal 18733
corporation from filing a writ of mandamus if the municipal 18734

taxpayer, and shall include the taxpayer's identification number. 18757
Each return shall be verified by a declaration under penalty of 18758
perjury. 18759

(2)(a) The tax commissioner may require a taxpayer to 18760
include, with each annual tax return, amended return, or request 18761

(3) If a taxpayer receives an extension for the filing of a 18801
tax return under division (D)(1) or (2) of this section, the 18802
commissioner shall not make any inquiry or send any notice to the 18803
taxpayer with regard to the return on or before the date the 18804
taxpayer files the return or on or before the extended due date to 18805

If the commissioner violates division (D)(3) of this section, 18807
the commissioner shall reimburse the taxpayer for any reasonable 18808
costs incurred to respond to such inquiry or notice, up to one 18809

accompanying the return shall indicate that by checking the box 18823
the taxpayer authorizes the commissioner to contact the preparer 18824
or other person concerning questions that arise during the 18825
examination or other review of the return and authorizes the 18826
preparer or other person only to provide the commissioner with 18827
information that is missing from the return, to contact the 18828
commissioner for information about the examination or other review 18829
of the return or the status of the taxpayer's refund or payments, 18830
and to respond to notices about mathematical errors, offsets, or 18831

return preparation that the taxpayer has received from the 18832
commissioner and has shown to the preparer or other person. 18833

(F) When income tax returns or other documents require the 18834
signature of a tax return preparer, the tax commissioner shall 18835
accept a facsimile or electronic version of such a signature in 18836
lieu of a manual signature. 18837

agriculture under division (A)(2) of this section. The owner of an 19380
amusement ride, whether the ride is a temporary amusement ride or 19381
a permanent amusement ride, who desires to operate the amusement 19382
ride within the state shall, prior to the operation of the 19383
amusement ride and annually thereafter, submit to the department 19384
of agriculture an application for a permit, together with the 19385
appropriate permit and inspection fee, on a form to be furnished 19386
by the department. Prior to issuing any permit the department 19387
shall, within thirty days after the date on which it receives the 19388
application, inspect each amusement ride described in the 19389
application. The owner of an amusement ride shall have the 19390

amusement ride ready for inspection not later than two hours after 19391
the time that is requested by the person for the inspection. 19392

(2) For each amusement ride found to comply with the rules 19393
adopted by the director under division (B) of this section and 19394
division (B) of section 993.08 of the Revised Code, the director 19395

(3) The director shall issue with each permit a decal 19399
indicating that the amusement ride has been issued the permit. The 19400
owner of the amusement ride shall affix the decal on the ride at a 19401
location where the decal is easily visible to the patrons of the 19402

address as the location of the amusement ride identified on the 19404
permit, and shall be made available for inspection, upon 19405
reasonable demand, by any person. An owner may operate an 19406
amusement ride prior to obtaining a permit, provided that the 19407
operation is for the purpose of testing the amusement ride or 19408
training amusement ride operators and other employees of the owner 19409
and the amusement ride is not open to the public. 19410

(B)(1) The director, in accordance with Chapter 119. of the 19411
Revised Code, shall adopt rules providing for both of the 19412
following: 19413

(a) A schedule of fines, with no fine exceeding five thousand 19414

this division; 19416

(b) The classification of amusement rides and rules for the 19417
safe operation and inspection of all amusement rides as are 19418
necessary for amusement ride safety and for the protection of the 19419
general public. The classification of amusement rides must 19420
identify those rides that need more comprehensive inspection and 19421

testing in addition to regular state inspections, taking into 19422
account hidden components integral to the safety of the ride. 19423

(2)(a) Rules adopted by the director for the safe operation 19424
and inspection of amusement rides shall be reasonable and shall be 19425
based upon generally accepted engineering standards and practices. 19426
The rules shall establish a minimum number of inspections to be 19427
conducted on each ride depending on the size, complexity, nature 19428
of the ride, and the number of days the ride is in operation 19429
during the year for which the applicable permit is valid. The 19430
rules also shall require the minimum number of inspectors assigned 19431
to inspect a ride or rides to be reasonable and adequate given the 19432
number, size, complexity, and nature of the ride or rides. 19433

(b) In adopting rules under this section, the director may 19434
adopt by reference, in whole or in part, the national fire code or 19435
the national electrical code (NEC) prepared by the national fire 19436
protection association or the American national standards 19437
institute (ANSI), or any other principles, tests, or standards of 19438
nationally recognized technical or scientific authorities. 19439

(c) In adopting rules under this section, the director shall 19440

(d) Insofar as is practicable and consistent with this 19448
chapter, rules adopted under this division shall be consistent 19449
with the rules of other states. 19450

(3) The department shall cause this chapter and the rules 19451

adopted in accordance with this division and division (B) of 19452
section 993.08 of the Revised Code to be published in pamphlet 19453
form and a copy to be furnished without charge to each owner of an 19454
amusement ride who holds a current permit or is an applicant 19455
therefor. 19456

(C) With respect to an application for a permit for an 19457
amusement ride, an owner may apply to the director for a waiver or 19458
modification of any rule adopted under division (B) of this 19459
section if there are practical difficulties or unnecessary 19460
hardships for the amusement ride to comply with the rules. Any 19461
application shall set forth the reasons for the request. The 19462
director, with the approval of the advisory council on amusement 19463
ride safety, may waive or modify the application of a rule to any 19464
amusement ride if the public safety is secure. Any authorization 19465
by the director under this division shall be in writing and shall 19466
set forth the conditions under which the waiver or modification is 19467
authorized, and the department shall retain separate records of 19468
all proceedings under this division. 19469

(D)(1) The director shall employ and provide for training of 19470
a chief inspector and additional inspectors and employees as may 19471
be necessary to administer and enforce this chapter. The director 19472
may appoint or contract with other persons to perform inspections 19473
of amusement rides, provided that the persons meet the 19474
qualifications for inspectors established by rules adopted under 19475
division (B) of this section and are not owners, or employees of 19476
owners, of any amusement ride subject to inspection under this 19477
chapter. When employing a new chief inspector or an additional 19478
inspector after November 6, 2019, the director shall give 19479
preference to the following: 19480

(a) An individual holding a level one or higher inspector 19481
certification from either the national association of amusement 19482
ride safety officials (NAARSO), the amusement industry 19483

manufacturers and suppliers (AIMS) international, or another 19484
substantially equivalent organization as determined by the 19485
director; and 19486

(b) An individual who intends, within one year of being hired 19487
as an inspector, to complete the requirements for issuance of a 19488
level one or higher inspector certification from NAARSO, AIMS 19489
International, or another substantially equivalent organization as 19490
determined by the director. 19491

(2) No person shall inspect an amusement ride who, within six 19492
months prior to the date of inspection, was an employee of the 19493
owner of the ride. 19494

(3) Before the director contracts with other persons to 19495
inspect amusement rides, the director shall seek the advice of the 19496
advisory council on amusement ride safety on whether to contract 19497
with those persons. The advice shall not be binding upon the 19498
director. After having received the advice of the council, the 19499
director may proceed to contract with inspectors in accordance 19500
with the procedures specified in division (E)(2) of section 19501
1711.11 of the Revised Code. 19502

(4) With the advice and consent of the advisory council on 19503
amusement ride safety, the director may employ a special 19504
consultant to conduct an independent investigation of an amusement 19505
ride accident. This consultant need not be in the civil service of 19506
the state, but shall have qualifications to conduct the 19507
investigation acceptable to the council. 19508

(E)(1) Except as otherwise provided in division (E)(1) of 19509
this section, the department shall charge the following amusement 19510

The go kart inspection fee is in addition to the inspection fee for the go kart track. 19524
19525

The director shall adopt rules in accordance with Chapter 119. of the Revised Code establishing an annual fee that is less than one hundred five dollars for an inspection and reinspection of an inflatable ride. In adopting the rules, the director shall ensure that the fee reasonably reflects the costs of inspection and reinspection of an inflatable ride. If the director issues a permit for an inflatable ride for a time period of less than one year, the director shall charge a prorated fee for the permit equal to one-twelfth of the annual permit fee multiplied by the number of full months for which the permit is issued. 19526

19535

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts. 19536
19537
19538

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the 19539

19541

amusement ride files an application for a permit under this 19542
section. 19543

(2) All fees and fines collected by the department under this 19544
chapter shall be deposited in the state treasury to the credit of 19545
the amusement ride inspection fund, which is hereby created, and 19546

section 1711.11 of the Revised Code and this chapter. 19548

(3) The owner of an amusement ride shall be required to pay a 19549
reinspection fee only if the reinspection is required by division 19550
(B)(2) of this section or rules adopted under that division, if 19551
the reinspection was conducted at the owner's request under 19552
division (F) of this section, if the reinspection is required by 19553
division (F) of this section because of an accident, or if the 19554
reinspection is required by division (F) of section 993.07 of the 19555
Revised Code. If a reinspection is conducted at the request of the 19556
chief officer of a fair, festival, or event where the ride is 19557
operating, the reinspection fee shall be charged to the fair, 19558

of the fair, festival, or event where the ride is operating 19567
requests a reinspection, if the chief inspector determines 19568
reinspection is necessary in accordance with section 993.042 of 19569
the Revised Code, or if the reinspection is required by division 19570
(F) of section 993.07 of the Revised Code. 19571

(G) As a supplement to its annual inspection of a temporary 19572

amusement ride, the department may inspect the ride during each 19573
scheduled event, as listed in the schedule of events provided to 19574
the department by the owner pursuant to division (C) of section 19575
993.07 of the Revised Code, at which the ride is operated in this 19576
state. These supplemental inspections are in addition to any other 19577
inspection or reinspection of the ride as may be required under 19578
this chapter or rules adopted under it, and the owner of the 19579
temporary amusement ride is not required to pay an inspection or 19580
reinspection fee for this supplemental inspection unless the 19581
supplemental inspection is being conducted pursuant to division 19582
(B)(2) of this section or rules adopted under that division. 19583
Nothing in this division shall be construed to prohibit the owner 19584

this state from operating the ride at a scheduled event before the 19586
department conducts a supplemental inspection. 19587

(H) The department may annually conduct a midseason 19588
operational inspection of every amusement ride upon which it 19589
conducts an annual inspection pursuant to division (A) of this 19590
section. The midseason operational inspection is in addition to 19591
any other inspection or reinspection of the amusement ride as may 19592
be required pursuant to this chapter. The owner of an amusement 19593
ride shall submit to the department, at the time determined by the 19594
department, the midseason operational inspection fee specified in 19595
division (E) of this section. The director, in accordance with 19596
Chapter 119. of the Revised Code, shall adopt rules specifying the 19597
time period during which the department will conduct midseason 19598
operational inspections. 19599

return the annual license fee but shall retain the investigation 19753
fee. 19754

(D) No person licensed under sections 1321.35 to 1321.48 of 19755
the Revised Code shall conduct business in this state unless the 19756
licensee has obtained and maintains in effect at all times a 19757
corporate surety bond issued by a bonding company or insurance 19758
company authorized to do business in this state. The bond shall be 19759
in favor of the superintendent and in the penal sum of at least 19760

one hundred thousand dollars, or in the case of a nonprofit 19761
corporation that is incorporated under Chapter 1702. of the 19762
Revised Code, in the amount of fifty thousand dollars. The term of 19763
the bond shall coincide with the term of the license. The licensee 19764
shall file a copy of the bond with the superintendent. The bond 19765
shall be for the exclusive benefit of any borrower injured by a 19766
violation by a licensee or any employee of a licensee, of any 19767
provision of sections 1321.35 to 1321.48 of the Revised Code. 19768

Sec. 1321.53. (A)(1) An application for a certificate of 19769
registration under sections 1321.51 to 1321.60 of the Revised Code 19770
shall contain an undertaking by the applicant to abide by those 19771
sections. The application shall be in writing, under oath, and in 19772
the form prescribed by the division of financial institutions, and 19773
shall contain any information that the division may require. 19774
Applicants that are foreign corporations shall obtain and maintain 19775
a license pursuant to Chapter 1703. of the Revised Code before a 19776
certificate is issued or renewed. 19777

(2) Upon the filing of the application and the payment by the 19778
applicant of a nonrefundable two-hundred-dollar investigation fee 19779
and a nonrefundable three-hundred-dollar annual registration fee, 19780
the division shall investigate the relevant facts. If the 19781
application involves investigation outside this state, the 19782
applicant may be required by the division to advance sufficient 19783
funds to pay any of the actual expenses of such investigation, 19784
when it appears that these expenses will exceed two hundred 19785
dollars. An itemized statement of any of these expenses which the 19786
applicant is required to pay shall be furnished to the applicant 19787
by the division. No certificate shall be issued unless all the 19788
required fees have been submitted to the division. 19789

(3) The investigation undertaken upon application shall 19790
include both a civil and criminal records check of the applicant 19791

including any individual whose identity is required to be 19792
disclosed in the application. Where the applicant is a business 19793
entity the superintendent shall have the authority to require a 19794
civil and criminal background check of those persons that in the 19795
determination of the superintendent have the authority to direct 19796
and control the operations of the applicant. 19797

(4)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 19798
the Revised Code, the superintendent of financial institutions 19799
shall obtain a criminal history records check and, as part of that 19800
records check, request that criminal record information from the 19801
federal bureau of investigation be obtained. To fulfill this 19802
requirement, the superintendent shall request the superintendent 19803
of the bureau of criminal identification and investigation, or a 19804
vendor approved by the bureau, to conduct a criminal records check 19805
based on the applicant's fingerprints or, if the fingerprints are 19806
unreadable, based on the applicant's social security number, in 19807
accordance with section 109.572 of the Revised Code. 19808

(b) Any fee required under division (C)(3) of section 109.572 19809
of the Revised Code shall be paid by the applicant. 19810

(5) If an application for a certificate of registration does 19811
not contain all of the information required under division (A) of 19812
this section, and if such information is not submitted to the 19813
division within ninety days after the superintendent requests the 19814
information in writing, including by electronic transmission or 19815
facsimile, the superintendent may consider the application 19816
withdrawn. 19817

(6) If the division finds that the financial responsibility, 19818
experience, and general fitness of the applicant command the 19819
confidence of the public and warrant the belief that the business 19820
will be operated honestly and fairly in compliance with the 19821
purposes of sections 1321.51 to 1321.60 of the Revised Code and 19822
the rules adopted thereunder, and that the applicant has the 19823

applicable net worth and assets required by division (B) of this 19824
section, the division shall thereupon issue a certificate of 19825
registration to the applicant. The superintendent shall not use a 19826
credit score as the sole basis for a registration denial. 19827

(a)(i) Certificates of registration issued on or after July 19828
1, 2010, shall annually expire on the thirty-first day of 19829
December, unless renewed by the filing of a renewal application 19830
and payment of a three-hundred-dollar nonrefundable annual 19831
registration fee and any assessment as determined by the 19832
superintendent pursuant to division (A)(6)(a)(ii) of this section 19833
on or before the last day of December of each year. No other fee 19834
or assessment shall be required of a registrant by the state or 19835
any political subdivision of this state. 19836

(ii) If the renewal fees billed by the superintendent 19837
pursuant to division (A)(6)(a)(i) of this section are less than 19838
the estimated expenditures of the consumer finance section of the 19839
division of financial institutions, as determined by the 19840
superintendent, for the following fiscal year, the superintendent 19841
may assess each registrant at a rate sufficient to equal in the 19842
aggregate the difference between the renewal fees billed and the 19843
estimated expenditures. Each registrant shall pay the assessed 19844
amount to the superintendent prior to the last day of June. In no 19845
case shall the assessment exceed ten cents per each one hundred 19846
dollars of interest (excluding charge-off recoveries), points, 19847
loan origination charges, and credit line charges collected by 19848
that registrant during the previous calendar year. If such an 19849
assessment is imposed, it shall not be less than two hundred fifty 19850
dollars per registrant and shall not exceed thirty thousand 19851
dollars less the total renewal fees paid pursuant to division 19852
(A)(6)(a)(i) of this section by each registrant. 19853

(b) Registrants shall timely file renewal applications on 19854
forms prescribed by the division and provide any further 19855

information that the division may require. If a renewal 19856
application does not contain all of the information required under 19857
this section, and if that information is not submitted to the 19858
division within ninety days after the superintendent requests the 19859
information in writing, including by electronic transmission or 19860
facsimile, the superintendent may consider the application 19861
withdrawn. 19862

(c) Renewal shall not be granted if the applicant's 19863
certificate of registration is subject to an order of suspension, 19864
revocation, or an unpaid and past due fine imposed by the 19865
superintendent. 19866

(d) If the division finds the applicant does not meet the 19867
conditions set forth in this section, it shall issue a notice of 19868
intent to deny the application, and forthwith notify the applicant 19869
of the denial, the grounds for the denial, and the applicant's 19870
reasonable opportunity to be heard on the action in accordance 19871
with Chapter 119. of the Revised Code. 19872

(7) If there is a change of five per cent or more in the 19873
ownership of a registrant, the division may make any investigation 19874
necessary to determine whether any fact or condition exists that, 19875
if it had existed at the time of the original application for a 19876
certificate of registration, the fact or condition would have 19877
warranted the division to deny the application under division 19878
(A)(6) of this section. If such a fact or condition is found, the 19879
division may, in accordance with Chapter 119. of the Revised Code, 19880
revoke the registrant's certificate. 19881

(B) Each registrant that engages in lending under sections 19882
1321.51 to 1321.60 of the Revised Code shall maintain both of the 19883
following: 19884

(1) A net worth of at least fifty thousand dollars; 19885

(2) For each certificate of registration, assets of at least 19886

fifty thousand dollars either in use or readily available for use 19887
in the conduct of the business. 19888

(C) Not more than one place of business shall be maintained 19889
under the same certificate, but the division may issue additional 19890
certificates to the same registrant upon compliance with sections 19891
1321.51 to 1321.60 of the Revised Code, governing the issuance of 19892
a single certificate. No change in the place of business of a 19893
registrant to a location outside the original municipal 19894
corporation shall be permitted under the same certificate without 19895
the approval of a new application, the payment of the registration 19896
fee and, if required by the superintendent, the payment of an 19897
investigation fee of two hundred dollars. When a registrant wishes 19898
to change its place of business within the same municipal 19899
corporation, it shall give written notice of the change in advance 19900
to the division, which shall provide a certificate for the new 19901
address without cost. If a registrant changes its name, prior to 19902
making loans under the new name it shall give written notice of 19903
the change to the division, which shall provide a certificate in 19904
the new name without cost. Sections 1321.51 to 1321.60 of the 19905
Revised Code do not limit the loans of any registrant to residents 19906
of the community in which the registrant's place of business is 19907
situated. Each certificate shall be kept conspicuously posted in 19908
the place of business of the registrant and is not transferable or 19909
assignable. 19910

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 19911
apply to any of the following: 19912

(1) Entities chartered and lawfully doing business under the 19913
authority of any law of this state, another state, or the United 19914
States as a bank, savings bank, trust company, savings and loan 19915
association, or credit union, or a subsidiary of any such entity, 19916
which subsidiary is regulated by a federal banking agency and is 19917
owned and controlled by such a depository institution; 19918

(2) Life, property, or casualty insurance companies licensed 19919
to do business in this state; 19920

(3) Any person that is a lender making a loan pursuant to 19921
sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the 19922
Revised Code or a business loan as described in division (B)(6) of 19923
section 1343.01 of the Revised Code; 19924

(4) Any political subdivision, or any governmental or other 19925
public entity, corporation, instrumentality, or agency, in or of 19926
the United States or any state of the United States, or any entity 19927
described in division (B)(3) of section 1343.01 of the Revised 19928
Code; 19929

college or university, as those terms are defined in section 19931
1713.05 of the Revised Code. 19932

(E) No person engaged in the business of selling tangible 19933
goods or services related to tangible goods may receive or retain 19934
a certificate under sections 1321.51 to 1321.60 of the Revised 19935
Code for such place of business. 19936

Sec. 1321.64. (A) An application for a license shall contain 19937
an undertaking by the applicant to abide by those sections. The 19938
application shall be in writing, under oath, and in the form 19939
prescribed by the superintendent of financial institutions, and 19940
shall contain any information that the superintendent may require. 19941
Applicants that are foreign corporations shall obtain and maintain 19942
a license pursuant to Chapter 1703. of the Revised Code before a 19943
license is issued or renewed. 19944

(B) Upon the filing of the application and the payment by the 19945
applicant of a nonrefundable investigation fee of two hundred 19946
dollars, a nonrefundable annual registration fee of three hundred 19947
dollars, and any additional fee required by the NMLSR, the 19948

division of financial institutions shall investigate the relevant 19949
facts. If the application involves investigation outside this 19950
state, the applicant may be required by the division to advance 19951
sufficient funds to pay any of the actual expenses of the 19952
investigation when it appears that these expenses will exceed two 19953
hundred dollars. An itemized statement of any of these expenses 19954
which the applicant is required to pay shall be furnished to the 19955
applicant by the division. A license shall not be issued unless 19956
all the required fees have been submitted to the division. 19957

(C)(1) The investigation undertaken upon receipt of an 19958
application shall include both a civil and criminal records check 19959
of any control person. 19960

(2)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 19961
the Revised Code, the superintendent shall obtain a criminal 19962
records check on each control person and, as part of that records 19963
check, request that criminal records information from the federal 19964
bureau of investigation be obtained. To fulfill this requirement, 19965
the superintendent shall do either of the following: 19966

(i) Request the superintendent of the bureau of criminal 19967
identification and investigation, or a vendor approved by the 19968
bureau, to conduct a criminal records check based on the control 19969
person's fingerprints or, if the fingerprints are unreadable, 19970
based on the control person's social security number, in 19971
accordance with section 109.572 of the Revised Code; 19972

(ii) Authorize the NMLSR to request a criminal records check 19973
of the control person. 19974

(b) Any fee required under division (C)(3) of section 109.572 19975
of the Revised Code or by the NMLSR shall be paid by the 19976
applicant. 19977

(D) If an application for a license does not contain all of 19978
the information required under division (A) of this section, and 19979

if such information is not submitted to the division or to the 19980
NMLSR within ninety days after the superintendent or the NMLSR 19981
requests the information in writing, including by electronic 19982
transmission or facsimile, the superintendent may consider the 19983
application withdrawn. 19984

(E) If the superintendent of financial institutions finds 19985
that the financial responsibility, experience, and general fitness 19986
of the applicant command the confidence of the public and warrant 19987
the belief that the business will be operated honestly and fairly 19988
in compliance with the purposes of sections 1321.62 to 1321.702 of 19989
the Revised Code and the rules adopted thereunder, and that the 19990
applicant has the requisite net worth and assets required under 19991
section 1321.65 of the Revised Code, the superintendent shall 19992
issue a license to the applicant. The license shall be valid until 19993
the thirty-first day of December of the year in which it is 19994
issued. A person may be licensed under both sections 1321.51 to 19995
1321.60 and sections 1321.62 to 1321.702 of the Revised Code. 19996

(F) If the superintendent finds that the applicant does not 19997
meet the conditions set forth in this section, the superintendent 19998
shall issue a notice of intent to deny the application, and 19999
promptly notify the applicant of the denial, the grounds for the 20000
denial, and the applicant's reasonable opportunity to be heard on 20001
the action in accordance with Chapter 119. of the Revised Code. 20002

entities as performance security. Upon the completion of work or 20012
satisfaction of terms for which the performance bond was required, 20013
the money shall be refunded to the pledging entity. In the event 20014

The storage, recycling, treatment, processing, and disposal 20580
of brine and other waste substances and the chief's rules relating 20581
to storage, recycling, treatment, processing, and disposal are 20582
subject to all of the following standards: 20583

(1) Brine from any well except an exempt Mississippian well 20584
shall be disposed of only as follows: 20585

substances. 20607

(5) A dike or pit may be used for spill prevention and 20608

The permit shall be in addition to any permit required by section 1509.05 of the Revised Code, and the permit application shall be accompanied by a permit fee of one thousand dollars. The chief shall adopt rules in accordance with Chapter 119. of the Revised Code regarding the injection into wells of brine and other waste substances resulting from, obtained from, or produced in connection with oil or gas drilling, exploration, or production. The rules shall include provisions regarding all of the following: 20622

(e) Any other provisions in furtherance of the goals of this section and the Safe Drinking Water Act.

(2) The chief may adopt rules in accordance with Chapter 119. of the Revised Code authorizing tests to evaluate whether fluids or carbon dioxide may be injected in a reservoir and to determine the maximum allowable injection pressure, which shall be conducted in accordance with methods prescribed in the rules or in accordance with conditions of the permit. In addition, the chief may adopt rules that do both of the following:

(a) Establish the total depth of a well for which a permit has been applied for or issued under this division;

(b) Establish requirements and procedures to protect public health and safety.

(3) To implement the goals of the Safe Drinking Water Act, the chief shall not issue a permit for the injection of brine or other waste substances resulting from, obtained from, or produced in connection with oil or gas drilling, exploration, or production unless the chief concludes that the applicant has demonstrated that the injection will not result in the presence of any contaminant in ground water that supplies or can reasonably be expected to supply any public water system, such that the presence of the contaminant may result in the system's not complying with any national primary drinking water regulation or may otherwise adversely affect the health of persons.

(4) The chief may issue an order to the owner of a well in existence on September 10, 2012, to make changes in the operation of the well in order to correct problems or to address safety concerns.

(E) The owner holding a permit, or an assignee or transferee who has assumed the obligations and liabilities imposed by this chapter and any rules adopted or orders issued under it pursuant to section 1509.31 of the Revised Code, and the operator of a well shall be liable for a violation of this section or any rules adopted or orders or terms or conditions of a permit issued under it.

(F) An owner shall replace the water supply of the holder of an interest in real property who obtains all or part of the holder's supply of water for domestic, agricultural, industrial, or other legitimate use from an underground or surface source where the supply has been substantially disrupted by contamination, diminution, or interruption proximately resulting from the owner's oil or gas operation, or the owner may elect to compensate the holder of the interest in real property for the difference between the fair market value of the interest before the damage occurred to the water supply and the fair market value after the damage occurred if the cost of replacing the water supply exceeds this difference in fair market values. However, during the pendency of any order issued under this division, the owner shall obtain for the holder or shall reimburse the holder for the reasonable cost of obtaining a water supply from the time of the contamination, diminution, or interruption by the operation until the owner has complied with an order of the chief for compliance with this division or such an order has been revoked or otherwise becomes not effective. If the owner elects to pay the difference in fair market values, but the owner and the holder

have not agreed on the difference within thirty days after the 20714
chief issues an order for compliance with this division, within 20715
ten days after the expiration of that thirty-day period, the owner 20716
and the chief each shall appoint an appraiser to determine the 20717
difference in fair market values, except that the holder of the 20718
interest in real property may elect to appoint and compensate the 20719
holder's own appraiser, in which case the chief shall not appoint 20720
an appraiser. The two appraisers appointed shall appoint a third 20721
appraiser, and within thirty days after the appointment of the 20722
third appraiser, the three appraisers shall hold a hearing to 20723
determine the difference in fair market values. Within ten days 20724
after the hearing, the appraisers shall make their determination 20725
by majority vote and issue their final determination of the 20726
difference in fair market values. The chief shall accept a 20727
determination of the difference in fair market values made by 20728
agreement of the owner and holder or by appraisers under this 20729
division and shall make and dissolve orders accordingly. This 20730
division does not affect in any way the right of any person to 20731
enforce or protect, under applicable law, the person's interest in 20732
water resources affected by an oil or gas operation. 20733

(G) In any action brought by the state for a violation of 20734
division (A) of this section involving any well at which annular 20735
disposal is used, there shall be a rebuttable presumption 20736
available to the state that the annular disposal caused the 20737
violation if the well is located within a one-quarter-mile radius 20738
of the site of the violation. 20739

~~(H)(1)~~(H) There is levied on the owner of an injection well 20740

is not produced within the division of oil and gas resources 20751
management regulatory district in which the well is located or 20752
within an adjoining oil and gas resources management regulatory 20753
district. 20754

~~(2) The maximum number of barrels of substance per injection 20755
well in a calendar year on which a fee may be levied under 20756
division (H) of this section is five hundred thousand. If in a 20757
calendar year the owner of an injection well receives more than 20758
five hundred thousand barrels of substance to be injected in the 20759
owner's well and if the owner receives at least one substance that 20760
is produced within the division's regulatory district in which the 20761
well is located or within an adjoining regulatory district and at 20762
least one substance that is not produced within the division's 20763
regulatory district in which the well is located or within an 20764

district is located, not later than the ninetieth day before the 21251
day of the election, and the question of the levy of taxes as 21252

(11) If the division so permits with respect to a security, 22148
an applicant may file with the division, in lieu of the division's 22149
prescribed forms, a copy of the registration statement relating to 22150

filed with the securities and exchange commission of the United 22152
States under the "Securities Act of 1933," as amended, together 22153
with all additional data, information, and documents that the 22154
division requires. 22155

(C) If the division finds that it is not necessary in the 22156
public interest and for the protection of investors to require all 22157
the information specified in divisions (B)(1) to (10) of this 22158
section, it may permit the filing of applications for 22159
qualification that contain the information that it considers 22160
necessary and appropriate in the public interest and for the 22161
protection of investors, but this provision applies only in the 22162

case of applications for qualification of securities previously 22163
issued and outstanding that may not be made the subject matter of 22164
transactions exempt under division (M) of section 1707.03 of the 22165
Revised Code by reason of the fact that those securities within 22166
one year were purchased outside this state or within one year were 22167
transported into this state. 22168

(D) All the statements, exhibits, and documents required by 22169
the division under this section, except properly certified public 22170
documents, shall be verified by the oath of the applicant for 22171
qualification, of the issuer, or of any individual having 22172
knowledge of the facts, and in the manner and form that may be 22173
required by the division. Failure or refusal to comply with the 22174
requests of the division shall be sufficient reason for a refusal 22175
by the division to register securities. 22176

(E) If it appears to the division that substantially the only 22177
consideration to be paid for any of the securities to be qualified 22178
is to be intangible property of doubtful value, the division may 22179
require that the securities be delivered in escrow to a bank in 22180
this state under the terms that the division may reasonably 22181
prescribe or require to prevent a deceitful misrepresentation or 22182
sale of the securities; that the securities be subordinated in 22183
favor of those sold for sound value until they have a value 22184
bearing a reasonable relation to the value of those sold for sound 22185
value; or that a legend of warning specifying the considerations 22186
paid or to be paid for the securities be stamped or printed on all 22187
advertisements, circulars, pamphlets, or subscription blanks used 22188
in connection with the sale of any securities of the same issuer; 22189
or it may impose a combination of any two or more of these 22190
requirements. 22191

(F) At the time of filing the information prescribed in this 22192
section, the applicant shall pay to the division a filing fee of 22193
one hundred dollars. 22194

(G)(1) The division, at any time, as a prerequisite to 22195
qualification, may make an examination of the issuer of securities 22196
sought to be qualified. The applicant for qualification of any 22197
securities may be required by the division to advance sufficient 22198
funds to pay all or any part of the actual expenses of that 22199
examination, an itemized statement of which shall be furnished the 22200
applicant. 22201

(2) If the division finds that the business of the issuer is 22202
not fraudulently conducted, that the proposed offer or disposal of 22203
securities is not on grossly unfair terms, that the plan of 22204
issuance and sale of the securities referred to in the proposed 22205
offer or disposal would not defraud or deceive, or tend to defraud 22206
or deceive, purchasers, and that division (B)(10) of this section 22207
applies and has been complied with, the division shall notify the 22208
applicant of its findings, and, upon payment of a registration fee 22209
of one-tenth of one per cent of the aggregate price at which the 22210
securities are to be sold to the public in this state, which fee, 22211
however, shall in no case be less than one hundred or more than 22212
one thousand dollars, the division shall register the 22213
qualification of the securities. 22214

(H) An application for qualification of securities may be 22215
amended by the person filing it at any time prior to the 22216
division's action on it either in registering the securities for 22217
qualification or in refusing to do so. Subsequent to any such 22218
action by the division, the person who filed the application may 22219
file with the consent of the division one or more amendments to it 22220
that shall become effective upon the making by the division of the 22221
findings enumerated in division (G) of this section; the giving of 22222
notice of those findings to the applicant by the division; and the 22223
payment by the applicant of the additional fee that would have 22224
been payable had the application, as it previously became 22225
effective, contained the amendment. 22226

(I) When any securities have been qualified and the fees for 22227
the qualification have been paid as provided in this section, any 22228
licensed dealer subsequently may sell the securities under the 22229

otherwise waive either or both of the conditions specified in
divisions (C)(2) and (3) of this section. If the federal

If the issuer advises the division of the date when the
federal registration statement is expected to become effective, or
when the offering may otherwise be commenced in accordance with
the rules, regulations, or orders of the securities and exchange
commission, the division shall promptly advise the issuer or its
representative by telephone or telegram, at the issuer's expense,
whether all of the conditions have been satisfied or whether the
division then contemplates the institution of a proceeding under
section 1707.13 or 1707.23 of the Revised Code, but such advice

(8) The area of each district shall be contiguous; except 22472

22476

(B) Subject to division (A)(2) of this section, all of the 22477

the Revised Code unless the director or designee is an employee or 22510
official of a participating political subdivision of the district 22511
and is acting within the scope of the director's or designee's 22512
employment or official responsibilities. 22513

improvements may include the planning, design, construction, 22745
reconstruction, enlargement, or alteration of any public 22746

then submit the plan, amended or otherwise, in the form of a 22791
petition to members of the district whose property may be assessed 22792
for the plan. Once the petition is signed by those members who own 22793
at least sixty per cent of the front footage of property that is 22794
to be assessed and that abuts upon a street, alley, public road, 22795
place, boulevard, parkway, park entrance, easement, or other 22796
public improvement, or those members who own at least seventy-five 22797
per cent of the area to be assessed for the improvement or 22798
service, the petition may be submitted to each legislative 22799
authority for approval. Except as provided in division (H) of 22800
section 1710.02 of the Revised Code, if the special improvement 22801
district was created for the purpose of developing and 22802
implementing plans for special energy improvement projects or 22803

Each legislative authority shall, by resolution, approve or 22809

petition is approved by the legislative authority of each 22811
participating political subdivision, the plan contained in the 22812
petition shall be effective at the earliest date on which a 22813
nonemergency resolution of the legislative authority with the 22814
latest effective date may become effective. A plan may not be 22815
resubmitted to the legislative authorities and municipal 22816
executives more than three times in any twelve-month period. 22817

(C) Each participating political subdivision shall levy, by 22818
special assessment upon specially benefited property located 22819
within the district, the costs of any public improvements or 22820
public services plan contained in a petition approved by the 22821

participating political subdivisions under this section or 22822
division (F) of section 1710.02 of the Revised Code. The levy 22823

be levied by any one or any combination of the methods of 22827
assessment listed in section 727.01 of the Revised Code, provided 22828
that the assessment is uniformly applied. 22829

(2) For the purpose of levying an assessment, the board of 22830
directors may combine one or more improvements or services plans 22831
or parts of plans and levy a single assessment against specially 22832
benefited property. 22833

(3) For purposes of special assessments levied by a township 22834

Revised Code to the municipal corporation shall be deemed to refer 22836
to the township, and references to the legislative authority of 22837
the municipal corporation shall be deemed to refer to the board of 22838
township trustees. 22839

(4) Revenue collected from the levy of a special assessment 22840
for the cost of a special energy improvement project may be 22841
assigned and remitted to the Ohio air quality development 22842
authority pursuant to an agreement entered into under section 22843
3706.12 of the Revised Code. 22844

Church property or property owned by a political subdivision, 22845
including any participating political subdivision in which a 22846
special improvement district is located, shall be included in and 22847
be subject to special assessments made pursuant to a plan adopted 22848
under this section or division (F) of section 1710.02 of the 22849
Revised Code, if the church or political subdivision has 22850
specifically requested in writing that its property be included 22851
within the special improvement district and the church or 22852

political subdivision is a member of the district or, in the case 22853
of a district created by an existing qualified nonprofit 22854
corporation, if the church is a member of the corporation. 22855

For tax years 2020 to 2024, qualifying real property, as 22856
defined in section 727.031 of the Revised Code, is exempt from 22857
special assessments levied under division (C) of this section, 22858
provided no delinquent special assessments and related interest 22859
and penalties are levied or assessed against any property owned by 22860
the owner and operator of the qualifying real property for that 22861
tax year. 22862

(D) All rights and privileges of property owners who are 22863
assessed under Chapter 727. of the Revised Code shall be granted 22864
to property owners assessed under this chapter, including those 22865
rights and privileges specified in sections 727.15 to 727.17 and 22866

investment, conditions of repurchase, and other appropriate 22986

share accounts to a member, to the extent of the payment, 23033
discharges the liability of the credit union to the member and the 23034
beneficiary, and the credit union shall be under no obligation to 23035

see to the application of the payment. Unless prior to the death 23036
of a member, the member has notified the credit union in writing 23037
in a form approved by the credit union of a different beneficiary 23038
to receive the proceeds of such shares or share accounts, then the 23039
proceeds shall be paid to the beneficiary or to the beneficiary's 23040
parent or legal representative. Any payment made pursuant to 23041
written instructions of the member or pursuant to the provisions 23042
herein contained shall be a valid and sufficient release and 23043
discharge of the credit union in connection with any such share or 23044
share accounts. 23045

(I)(1) Except as otherwise provided in the articles or 23046
regulations, and subject to the provisions thereof, a minor may 23047

and except for qualification as a voting member, the credit union 23049
may deal with the minor with respect to shares, share accounts, or 23050
other depository instruments owned by the minor as if the minor 23051
were a person of legal age. 23052

(2) If shares, share accounts, or other depository 23053
instruments are issued in the name of a minor, redemption of any 23054
part or all of the shares or withdrawal of funds by payment to the 23055
minor of the shares or funds and any declared dividends or 23056
interest releases the credit union from all obligation to the 23057
minor as to the shares reduced or funds withdrawn. 23058

(J) The regulations may require advance written notice of a 23059
member's intention to withdraw the member's shares. Such advance 23060
notice shall not exceed sixty days. 23061

(K) Notwithstanding any provision of law to the contrary, 23062
funds deposited in a share account, share certificate, or in any 23063
other manner pursuant to a program offered by a credit union to 23064
promote consumer savings do not constitute valuable consideration 23065
for purposes of a scheme of chance under Chapter 2915. of the 23066
Revised Code. 23067

described in division (A)(2) of this section are more than 23230

accordance with requirements specified under division (B)(6) of 24404

neglect of a child. 24409

(2) When a public children services agency receives a report 24410

possible threat of abuse or neglect of a child, and in accordance 24429

with requirements specified under division (B)(6) of section 24430

memorandum is not grounds for, and shall not result in, the 24472
dismissal of any charges or complaint arising from the report or 24473
the suppression of any evidence obtained as a result of the report 24474
and does not give, and shall not be construed as giving, any 24475
rights or any grounds for appeal or post-conviction relief to any 24476
person. The public children services agency shall report each case 24477

defendant or an agent or employee of the defendant, has been 24538
redacted. In a criminal proceeding, the report is admissible in 24539

loss to person or property or the same wrongful death and in which 25394
the trier of fact determines that more than fifty per cent of the 25395
tortious conduct is attributable to one defendant, that defendant 25396

the economic damages awarded to the plaintiff by the percentage of 25407

tortious conduct as determined pursuant to section 2307.23 of the Revised Code that is attributable to that defendant.

(3) In a tort action in which the trier of fact determines that two or more persons proximately caused the same injury or loss to person or property or the same wrongful death and in which the trier of fact determines that fifty per cent or less of the tortious conduct is attributable to any defendant against whom an intentional tort claim has been alleged and established, that defendant shall be jointly and severally liable in tort for all compensatory damages that represent economic loss.

(4) If division (A)(3) of this section is applicable, each defendant against whom an intentional tort claim has not been alleged and established, who is determined by the trier of fact to be legally responsible for the same injury or loss to person or property or the same wrongful death, and to whom fifty per cent or less of the tortious conduct is attributable shall be liable to the plaintiff only for that defendant's proportionate share of the compensatory damages that represent economic loss. The proportionate share of a defendant shall be calculated by multiplying the total amount of the economic damages awarded to the plaintiff by the percentage of tortious conduct as determined pursuant to section 2307.23 of the Revised Code that is attributable to that defendant.

(B) Except as otherwise provided in divisions (A)(3) and (4) of this section, in a tort action in which the trier of fact determines that two or more persons proximately caused the same injury or loss to person or property or the same wrongful death and in which the trier of fact determines that fifty per cent or less of the tortious conduct is attributable to each defendant, each defendant shall be liable to the plaintiff only for that defendant's proportionate share of the compensatory damages that represent economic loss. tortious conduct as determined pursuant to section 2307.23 of the 25442
Revised Code that is attributable to that defendant. 25443

(C) In a tort action in which the trier of fact determines 25444

loss to person or property or the same wrongful death, each 25446
defendant who is determined by the trier of fact to be legally 25447
responsible for the same injury or loss to person or property or 25448
for the same wrongful death shall be liable to the plaintiff only 25449
for that defendant's proportionate share of the compensatory 25450
damages that represent noneconomic loss. The proportionate share 25451
of a defendant shall be calculated by multiplying the total amount 25452
of the noneconomic damages awarded to the plaintiff by the 25453
percentage of tortious conduct as determined pursuant to section 25454
2307.23 of the Revised Code that is attributable to that 25455
defendant. 25456

costs incurred by a county pursuant to any sanction imposed under	26826
this section or section 2929.16 or 2929.17 of the Revised Code or	26827
in operating a facility used to confine offenders pursuant to a	26828

board of county commissioners shall create in its county treasury.	26832
The county shall use the amounts deposited in the fund to pay the	26833
costs incurred by the county pursuant to any sanction imposed	26834

under this section or section 2929.16 or 2929.17 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.16 of the Revised Code.

(D) Except as otherwise provided in this division, a financial sanction imposed pursuant to division (A) or (B) of this section is a judgment in favor of the state or a political subdivision in which the court that imposed the financial sanction is located, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (A)(5)(a)(ii) of this section upon an offender who is incarcerated in a state facility or a municipal

A financial sanction of restitution imposed pursuant to division (A)(1) or (B)(8) of this section is an order in favor of the victim of the offender's criminal act that can be collected through a certificate of judgment as described in division (D)(1) of this section, through execution as described in division (D)(2) of this section, or through an order as described in division (D)(3) of this section, and the offender shall be considered for purposes of the collection as the judgment debtor. Imposition of a financial sanction and execution on the judgment does not preclude any other power of the court to impose or enforce sanctions on the offender. Once the financial sanction is imposed as a judgment or order under this division, the victim, private provider, state, or political subdivision may do any of the following:

(1) Obtain from the clerk of the court in which the judgment was entered, at no cost, a certificate of judgment that shall be in the same manner and form as a certificate of judgment issued in a civil action;

(E) A court that imposes a financial sanction upon an offender may hold a hearing if necessary to determine whether the offender is able to pay the sanction or is likely in the future to be able to pay it.	26917 26918 26919 26920
(F) Each court imposing a financial sanction upon an offender under this section or under section 2929.32 of the Revised Code may designate the clerk of the court or another person to collect the financial sanction. The clerk or other person authorized by law or the court to collect the financial sanction may enter into contracts with one or more public agencies or private vendors for the collection of, amounts due under the financial sanction imposed pursuant to this section or section 2929.32 of the Revised	26921 26922 26923 26924 26925 26926 26927 26928

Code. Before entering into a contract for the collection of 26929
amounts due from an offender pursuant to any financial sanction 26930
imposed pursuant to this section or section 2929.32 of the Revised 26931
Code, a court shall comply with sections 307.86 to 307.92 of the 26932
Revised Code. 26933

(G) If a court that imposes a financial sanction under 26934
division (A) or (B) of this section finds that an offender 26935
satisfactorily has completed all other sanctions imposed upon the 26936
offender and that all restitution that has been ordered has been 26937
paid as ordered, the court may suspend any financial sanctions 26938
imposed pursuant to this section or section 2929.32 of the Revised 26939
Code that have not been paid. 26940

(H) No financial sanction imposed under this section or 26941
section 2929.32 of the Revised Code shall preclude a victim from 26942
bringing a civil action against the offender. 26943

(I) If the court imposes restitution, fines, fees, or 26944
incarceration costs on a business or corporation, it is the duty 26945
of the person authorized to make disbursements from the assets of 26946
the business or corporation to pay the restitution, fines, fees, 26947
or incarceration costs from those assets. 26948

(J) If an offender is sentenced to pay restitution, a fine, 26949
fee, or incarceration costs, the clerk of the sentencing court, on 26950
request, shall make the offender's payment history available to 26951
the prosecutor, victim, victim's representative, victim's 26952
attorney, if applicable, the probation department, and the court 26953
without cost. 26954

Sec. 2929.28. (A) In addition to imposing court costs 26955
pursuant to section 2947.23 of the Revised Code, the court 26956
imposing a sentence upon an offender for a misdemeanor, including 26957
a minor misdemeanor, may sentence the offender to any financial 26958
sanction or combination of financial sanctions authorized under 26959

this section and, if the offender is being sentenced for a 26960
criminal offense as defined in section 2930.01 of the Revised 26961
Code, shall sentence the offender to make restitution pursuant to 26962
this section and section 2929.281 of the Revised Code. If the 26963
court, in its discretion or as required by this section, imposes 26964
one or more financial sanctions, the financial sanctions that may 26965
be imposed pursuant to this section include, but are not limited 26966
to, the following: 26967

(1) Unless the misdemeanor offense could be disposed of by 26968
the traffic violations bureau serving the court under Traffic Rule 26969
13, restitution by the offender to the victim of the offender's 26970
crime or the victim's estate, in an amount based on the victim's 26971
economic loss. The court may not impose restitution as a sanction 26972
pursuant to this division if the offense could be disposed of by 26973
the traffic violations bureau serving the court under Traffic Rule 26974
13. If the court requires restitution, the court shall order that 26975
the restitution be made to the victim in open court or to the 26976
adult probation department that serves the jurisdiction or the 26977
clerk of the court on behalf of the victim. 26978

The court shall determine the amount of restitution to be 26979
paid by the offender. The victim, victim's representative, 26980
victim's attorney, if applicable, the prosecutor or the 26981
prosecutor's designee, and the offender may provide information 26982
relevant to the determination of the amount of restitution. The 26983
amount the court orders as restitution shall not exceed the amount 26984
of the economic loss suffered by the victim as a direct and 26985
proximate result of the commission of the offense. If the court 26986
imposes restitution for the cost of accounting or auditing done to 26987
determine the extent of economic loss, the court may order 26988
restitution for any amount of the victim's costs of accounting or 26989
auditing provided that the amount of restitution is reasonable and 26990
does not exceed the value of property or services stolen or 26991

damaged as a result of the offense. If the court decides to or is 26992
required to impose restitution, the court shall hold an 26993
evidentiary hearing on restitution if the offender, victim, 26994
victim's representative, victim's attorney, if applicable, or 26995
victim's estate disputes the amount of restitution. The court 26996
shall determine the amount of full restitution by a preponderance 26997
of the evidence. 26998

All restitution payments shall be credited against any 26999
recovery of economic loss in a civil action brought by the victim 27000
or the victim's estate against the offender. No person may 27001
introduce evidence of an award of restitution under this section 27002
in a civil action for purposes of imposing liability against an 27003
insurer under section 3937.18 of the Revised Code. 27004

The court may order that the offender pay a surcharge, of not 27005
more than five per cent of the amount of the restitution otherwise 27006
ordered, to the entity responsible for collecting and processing 27007
restitution payments. 27008

The victim, victim's attorney, if applicable, or the attorney 27009
for the victim's estate may request that the prosecutor in the 27010
case file a motion, or the offender may file a motion, for 27011
modification of the payment terms of any restitution ordered. If 27012
the court grants the motion, it may modify the payment terms as it 27013
determines appropriate but shall not reduce the amount of 27014
restitution ordered, except as provided in division (A) of section 27015
2929.281 of the Revised Code. 27016

(2) A fine of the type described in divisions (A)(2)(a) and 27017
(b) of this section payable to the appropriate entity as required 27018
by law: 27019

(a) A fine in the following amount: 27020

(i) For a misdemeanor of the first degree, not more than one 27021

(v) For a minor misdemeanor, not more than one hundred fifty dollars.	27029 27030
(b) A state fine or cost as defined in section 2949.111 of the Revised Code.	27031 27032
(3)(a) Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including, but not limited to, the following:	27033 27034 27035
(i) All or part of the costs of implementing any community control sanction, including a supervision fee under section 2951.021 of the Revised Code and the costs of global positioning system device monitoring;	27036 27037 27038 27039
(ii) All or part of the costs of confinement in a jail or other residential facility, including, but not limited to, a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined;	27040 27041 27042 27043 27044
(iii) All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under section 4510.13 of the Revised Code.	27045 27046 27047 27048 27049
(b) The amount of reimbursement ordered under division (A)(3)(a) of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the	27050 27051 27052

actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that division. If the court does not order reimbursement under that division, confinement costs may be assessed pursuant to a repayment policy adopted under section 2929.37 of the Revised Code. In addition, the offender may be required to pay the fees specified in section 2929.38 of the Revised Code in accordance with that section.

(B) If the court determines a hearing is necessary, the court may hold a hearing to determine whether the offender is able to pay the financial sanction imposed pursuant to this section or court costs or is likely in the future to be able to pay the sanction or costs.

If the court determines that the offender is indigent and unable to pay the financial sanction or court costs, the court shall consider imposing and may impose a term of community service under division (A) of section 2929.27 of the Revised Code in lieu of imposing a financial sanction or court costs. If the court does not determine that the offender is indigent, the court may impose a term of community service under division (A) of section 2929.27 of the Revised Code in lieu of or in addition to imposing a financial sanction under this section and in addition to imposing court costs. The court may order community service for a minor misdemeanor pursuant to division (D) of section 2929.27 of the Revised Code in lieu of or in addition to imposing a financial sanction under this section and in addition to imposing court costs. If a person fails to pay a financial sanction or court costs, the court may order community service in lieu of the financial sanction or court costs.

(C)(1) The offender shall pay reimbursements imposed upon the offender pursuant to division (A)(3) of this section to pay the costs incurred by a county pursuant to any sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code or

in operating a facility used to confine offenders pursuant to a 27085
sanction imposed under section 2929.26 of the Revised Code to the 27086
county treasurer. The county treasurer shall deposit the 27087
reimbursements in the county's general fund. The county shall use 27088
the amounts deposited in the fund to pay the costs incurred by the 27089
county pursuant to any sanction imposed under this section or 27090
section 2929.26 or 2929.27 of the Revised Code or in operating a 27091
facility used to confine offenders pursuant to a sanction imposed 27092
under section 2929.26 of the Revised Code. 27093

(2) The offender shall pay reimbursements imposed upon the 27094
offender pursuant to division (A)(3) of this section to pay the 27095
costs incurred by a municipal corporation pursuant to any sanction 27096
imposed under this section or section 2929.26 or 2929.27 of the 27097
Revised Code or in operating a facility used to confine offenders 27098
pursuant to a sanction imposed under section 2929.26 of the 27099
Revised Code to the treasurer of the municipal corporation. The 27100
treasurer shall deposit the reimbursements in the municipal 27101
corporation's general fund. The municipal corporation shall use 27102
the amounts deposited in the fund to pay the costs incurred by the 27103
municipal corporation pursuant to any sanction imposed under this 27104
section or section 2929.26 or 2929.27 of the Revised Code or in 27105
operating a facility used to confine offenders pursuant to a 27106
sanction imposed under section 2929.26 of the Revised Code. 27107

(3) The offender shall pay reimbursements imposed pursuant to 27108
division (A)(3) of this section for the costs incurred by a 27109
private provider pursuant to a sanction imposed under this section 27110
or section 2929.26 or 2929.27 of the Revised Code to the provider. 27111

~~(D)~~(D)(1) In addition to any other fine that is or may be 27112
imposed under this section, the court imposing sentence upon an 27113
offender for misdemeanor domestic violence or menacing by stalking 27114
may impose a fine of not less than seventy nor more than five 27115
hundred dollars, which shall, except as provided in divisions 27116

(D)(2) and (3) of this section, be transmitted to the treasurer of 27117
state to be credited to the address confidentiality program fund 27118
created by section 111.48 of the Revised Code. 27119

(2) A court that imposes a fine under division (D)(1) of this 27120
section may retain up to twenty-five per cent of amounts collected 27121
in satisfaction of the fine to cover administrative costs. 27122

(3) A court that imposes a fine under division (D)(1) of this 27123
section may assign up to twenty-five per cent of amounts collected 27124
in satisfaction of the fine to reimburse the prosecuting attorney 27125
for costs associated with prosecution of the offense. 27126

(E) Except as otherwise provided in this division, a 27127
financial sanction imposed under division (A) of this section is a 27128
judgment in favor of the state or the political subdivision that 27129
operates the court that imposed the financial sanction, and the 27130
offender subject to the financial sanction is the judgment debtor. 27131
A financial sanction of reimbursement imposed pursuant to division 27132
(A)(3)(a)(i) of this section upon an offender is a judgment in 27133
favor of the entity administering the community control sanction, 27134
and the offender subject to the financial sanction is the judgment 27135
debtor. A financial sanction of reimbursement imposed pursuant to 27136
division (A)(3)(a)(ii) of this section upon an offender confined 27137
in a jail or other residential facility is a judgment in favor of 27138
the entity operating the jail or other residential facility, and 27139
the offender subject to the financial sanction is the judgment 27140
debtor. A financial sanction of restitution imposed pursuant to 27141
division (A)(1) of this section is an order in favor of the victim 27142
of the offender's criminal act that can be collected through a 27143
certificate of judgment as described in division (E)(1) of this 27144
section, through execution as described in division (E)(2) of this 27145
section, or through an order as described in division (E)(3) of 27146
this section, and the offender shall be considered for purposes of 27147
the collection as the judgment debtor. 27148

Once the financial sanction is imposed as a judgment or order 27149
under this division, the victim, private provider, state, or 27150
political subdivision may do any of the following: 27151

(1) Obtain from the clerk of the court in which the judgment 27152
was entered, at no charge, a certificate of judgment that shall be 27153
in the same manner and form as a certificate of judgment issued in 27154
a civil action; 27155

(2) Obtain execution of the judgment or order through any 27156
available procedure, including any of the procedures identified in 27157
divisions (D)(1) and (2) of section 2929.18 of the Revised Code. 27158

(3) Obtain an order for the assignment of wages of the 27159
judgment debtor under section 1321.33 of the Revised Code. 27160

(F) The civil remedies authorized under division (E) of this 27161
section for the collection of the financial sanction supplement, 27162
but do not preclude, enforcement of the criminal sentence. 27163

(G) Each court imposing a financial sanction upon an offender 27164
under this section may designate the clerk of the court or another 27165
person to collect the financial sanction. The clerk, or another 27166
person authorized by law or the court to collect the financial 27167
sanction may do the following: 27168

(1) Enter into contracts with one or more public agencies or 27169
private vendors for the collection of amounts due under the 27170
sanction. Before entering into a contract for the collection of 27171
amounts due from an offender pursuant to any financial sanction 27172
imposed pursuant to this section, a court shall comply with 27173
sections 307.86 to 307.92 of the Revised Code. 27174

(2) Permit payment of all or any portion of the sanction in 27175
installments, by financial transaction device if the court is a 27176
county court or a municipal court operated by a county, by credit 27177
or debit card or by another electronic transfer if the court is a 27178
municipal court not operated by a county, or by any other 27179

reasonable method, in any time, and on any terms that court 27180
considers just, except that the maximum time permitted for payment 27181
shall not exceed five years. If the court is a county court or a 27182
municipal court operated by a county, the acceptance of payments 27183
by any financial transaction device shall be governed by the 27184
policy adopted by the board of county commissioners of the county 27185
pursuant to section 301.28 of the Revised Code. If the court is a 27186
municipal court not operated by a county, the clerk may pay any 27187
fee associated with processing an electronic transfer out of 27188
public money or may charge the fee to the offender. 27189

(3) To defray administrative costs, charge a reasonable fee 27190
to an offender who elects a payment plan rather than a lump sum 27191
payment of any financial sanction. 27192

(H) No financial sanction imposed under this section shall 27193
preclude a victim from bringing a civil action against the 27194
offender. 27195

(I) If the court imposes restitution, fines, fees, or 27196
incarceration costs on a business or corporation, it is the duty 27197
of the person authorized to make disbursements from assets of the 27198
business or corporation to pay the restitution, fines, fees, or 27199
incarceration costs from those assets. 27200

(J) If an offender is sentenced to pay restitution, a fine, 27201
fee, or incarceration costs, the clerk of the sentencing court, on 27202
request, shall make the offender's payment history available to 27203
the victim, victim's representative, victim's attorney, if 27204
applicable, the prosecutor, the probation department, and the 27205
court without cost. 27206

Sec. 2929.34. (A) A person who is convicted of or pleads 27207
guilty to aggravated murder, murder, or an offense punishable by 27208
life imprisonment and who is sentenced to a term of life 27209
imprisonment or a prison term pursuant to that conviction shall 27210

serve that term in an institution under the control of the 27211
department of rehabilitation and correction. 27212

(B)(1) A person who is convicted of or pleads guilty to a 27213
felony other than aggravated murder, murder, or an offense 27214
punishable by life imprisonment and who is sentenced to a term of 27215
imprisonment or a prison term pursuant to that conviction shall 27216
serve that term as follows: 27217

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 27218
this section, in an institution under the control of the 27219
department of rehabilitation and correction if the term is a 27220
prison term or as otherwise determined by the sentencing court 27221
pursuant to section 2929.16 of the Revised Code if the term is not 27222
a prison term; 27223

(b) In a facility of a type described in division (G)(1) of 27224
section 2929.13 of the Revised Code, if the offender is sentenced 27225
pursuant to that division. 27226

(2) If the term is a prison term, the person may be 27227
imprisoned in a jail that is not a minimum security jail pursuant 27228
to agreement under section 5120.161 of the Revised Code between 27229
the department of rehabilitation and correction and the local 27230
authority that operates the jail. 27231

(3)(a) As used in divisions (B)(3)(a) to (d) of this section, 27232
"voluntary county" means any county in which the board of county 27233
commissioners of the county and the administrative judge of the 27234
general division of the court of common pleas of the county enter 27235
into an agreement of the type described in division (B)(3)(b) of 27236
this section and in which the agreement has not been terminated as 27237
described in that division. 27238

(D)(1) If a defendant is incarcerated for the commission of 27495
aggravated murder, murder, or an offense of violence that is a 27496

sentence of life imprisonment if committed by an adult, except as 27502
otherwise provided in this division, the notices described in 27503
divisions (B) and (C) of this section shall be given regardless of 27504

notification. The notices described in divisions (B) and (C) of 27506
this section shall not be given under this division to a victim or 27507

has requested pursuant to division (B)(2) of section 2930.03 of 27509

custodial agency shall give notice similar to those notices to the 27514

requests notification. If the notice given under this division to 27519
the victim and victim's representative is based on an offense 27520
committed prior to March 22, 2013, and if the prosecutor or 27521
custodial agency has not previously successfully provided any 27522
notice to the victim and victim's representative under this 27523
division or division (B) or (C) of this section with respect to 27524

The prosecutor or custodial agency may give the notices to 27538
which this division applies by any reasonable means, including, 27539
but not limited to, regular mail, telephone, and electronic mail. 27540
If the prosecutor or custodial agency attempts to provide notice 27541
to a victim or victim's representative under this division but the 27542
attempt is unsuccessful because the prosecutor or custodial agency 27543
is unable to locate the victim or victim's representative, is 27544
unable to provide the notice by its chosen method because it 27545
cannot determine the mailing address, telephone number, or 27546
electronic mail address at which to provide the notice, or, if the 27547
notice is sent by mail, the notice is returned, the prosecutor or 27548
custodial agency shall make another attempt to provide the notice 27549
to the victim or victim's representative. If the second attempt is 27550
unsuccessful, the prosecutor or custodial agency shall make at 27551
least one more attempt to provide the notice. If the notice is 27552
based on an offense committed prior to March 22, 2013, in each 27553
attempt to provide the notice to the victim or victim's 27554
representative, the notice shall include the opt-out information 27555
described in the preceding paragraph. The prosecutor or custodial 27556
agency, in accordance with division (D)(2) of this section, shall 27557
keep a record of all attempts to provide the notice, and of all 27558
notices provided, under this division. 27559

Division (D)(1) of this section, and the notice-related 27560
provisions of divisions (E)(2) and (K) of section 2929.20, 27561

2967.19 as it existed prior to the effective date of this 27563
amendment, division (A)(3)(b) of section 2967.26, division (D)(1) 27564
of section 2967.28, and division (A)(2) of section 5149.101 of the 27565
Revised Code enacted in the act in which division (D)(1) of this 27566
section was enacted, shall be known as "Roberta's Law." 27567

(2) Each prosecutor and custodial agency that attempts to 27568
give any notice to which division (D)(1) of this section applies 27569
shall keep a record of all attempts to give the notice. The record 27570
shall indicate the person who was to be the recipient of the 27571
notice, the date on which the attempt was made, the manner in 27572
which the attempt was made, and the person who made the attempt. 27573
If the attempt is successful and the notice is given, the record 27574
shall indicate that fact. The record shall be kept in a manner 27575
that allows public inspection of attempts and notices given to 27576
persons other than victims or victims' representatives without 27577
revealing the names, addresses, or other identifying information 27578
relating to victims or victims' representatives. The record of 27579
attempts and notices given to victims or victims' representatives 27580
is not a public record, but the prosecutor or custodial agency 27581
shall provide upon request a copy of that record to a prosecuting 27582
attorney, judge, law enforcement agency, or member of the general 27583
assembly. The record of attempts and notices given to persons 27584
other than victims or victims' representatives is a public record. 27585
A record kept under this division may be indexed by offender name, 27586
or in any other manner determined by the prosecutor or the 27587
custodial agency. Each prosecutor or custodial agency that is 27588
required to keep a record under this division shall determine the 27589
procedures for keeping the record and the manner in which it is to 27590
be kept, subject to the requirements of this division. 27591

for employment, at the court's discretion, if the court finds that 28138
the individual has established all of the following by a 28139
preponderance of the evidence: 28140

(a) Granting the petition will materially assist the 28141
individual in obtaining employment or occupational licensing. 28142

(b) The individual has a substantial need for the relief 28143

is rebuttably presumed to be eligible for a certificate of 28151
qualification for employment if the court that receives the 28152

individual was not incarcerated for that offense, at least one 28174
year has elapsed since the date of the final release of the 28175
individual from all sanctions imposed for that offense including 28176
any period of supervision. 28177

(6) An application that meets all of the requirements for the 28178
presumption under division (C)(5) of this section shall be denied 28179
only if the court that receives the petition finds that the 28180
evidence reviewed under division (C)(1) of this section rebuts the 28181
presumption of eligibility for issuance by establishing, by clear 28182
and convincing evidence, that the applicant has not been 28183
rehabilitated. 28184

(7) A certificate of qualification for employment shall not create relief from any of the following collateral sanctions:	28185 28186
(a) Requirements imposed by Chapter 2950. of the Revised Code and rules adopted under sections 2950.13 and 2950.132 of the Revised Code;	28187 28188 28189

(c) Restrictions on employment as a prosecutor or law enforcement officer;	28195 28196
(d) The denial, ineligibility, or automatic suspension of a license that is imposed upon an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code if the individual is convicted of, pleads guilty to, is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state under section 2951.041 of the Revised Code, or is subject to treatment or intervention in lieu of conviction for a violation of section 2903.01, 2903.02, 2903.03, 2903.11, 2905.01, 2907.02, 2907.03, 2907.05, 2909.02, 2911.01, 2911.11, 2919.123, or 2919.124 of the Revised Code;	28197 28198 28199 28200 28201 28202 28203 28204 28205 28206

an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code pursuant to section 3123.43 of the Revised Code.

(8) If a court that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the court shall provide written notice to the individual of the court's denial. The court may place conditions on the individual regarding the individual's filing of any subsequent petition for a certificate of qualification for employment. The written notice must notify the individual of any conditions placed on the individual's filing of a subsequent petition for a certificate of qualification for employment.

If a court of common pleas that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the individual may appeal the decision to the court of appeals only if the individual alleges that the denial was an abuse of discretion on the part of the court of common pleas.

(D)(1) A certificate of qualification for employment issued to an individual lifts the automatic bar of a collateral sanction, and a decision-maker shall consider on a case-by-case basis whether to grant or deny the issuance or restoration of an occupational license or an employment opportunity, notwithstanding the individual's possession of the certificate, without, however, reconsidering or rejecting any finding made by a designee or court under division (C)(3) of this section.

(2) The certificate constitutes a rebuttable presumption that the person's criminal convictions are insufficient evidence that

the person is unfit for the license, employment opportunity, or 28248
certification in question. Notwithstanding the presumption 28249
established under this division, the agency may deny the license 28250
or certification for the person if it determines that the person 28251
is unfit for issuance of the license. 28252

(3) If an employer that has hired a person who has been 28253
issued a certificate of qualification for employment applies to a 28254
licensing agency for a license or certification and the person has 28255
a conviction or guilty plea that otherwise would bar the person's 28256
employment with the employer or licensure for the employer because 28257
of a mandatory civil impact, the agency shall give the person 28258
individualized consideration, notwithstanding the mandatory civil 28259
impact, the mandatory civil impact shall be considered for all 28260
purposes to be a discretionary civil impact, and the certificate 28261
constitutes a rebuttable presumption that the person's criminal 28262
convictions are insufficient evidence that the person is unfit for 28263
the employment, or that the employer is unfit for the license or 28264
certification, in question. 28265

(E) A certificate of qualification for employment does not 28266
grant the individual to whom the certificate was issued relief 28267
from the mandatory civil impacts identified in division (A)(1) of 28268
section 2961.01 or division (B) of section 2961.02 of the Revised 28269
Code. 28270

this section shall include all of the following: 28273

(1) The individual's name, date of birth, and social security 28274
number; 28275

(2) All aliases of the individual and all social security 28276
numbers associated with those aliases; 28277

(3) The individual's residence address, including the city, 28278

county, and state of residence and zip code;	28279
(4) The length of time that the individual has resided in the individual's current state of residence, expressed in years and months of residence;	28280 28281 28282
(5) A general statement as to why the individual has filed the petition and how the certificate of qualification for employment would assist the individual;	28283 28284 28285
(6) A summary of the individual's criminal history, except for information contained in any record that has been sealed or expunged under section 2953.32 or 2953.39 of the Revised Code, with respect to each offense that is a disqualification from employment or licensing in an occupation or profession, including the years of each conviction or plea of guilty for each of those offenses;	28286 28287 28288 28289 28290 28291 28292
(7) A summary of the individual's employment history, specifying the name of, and dates of employment with, each employer;	28293 28294 28295
(8) Verifiable references and endorsements;	28296
(9) The name of one or more immediate family members of the individual, or other persons with whom the individual has a close relationship, who support the individual's reentry plan;	28297 28298 28299
(10) A summary of the reason the individual believes the certificate of qualification for employment should be granted;	28300 28301
(11) Any other information required by rule by the department of rehabilitation and correction.	28302 28303
(G)(1) In a judicial or administrative proceeding alleging negligence or other fault, a certificate of qualification for employment issued to an individual under this section may be introduced as evidence of a person's due care in hiring, retaining, licensing, leasing to, admitting to a school or	28304 28305 28306 28307 28308

program, or otherwise transacting business or engaging in activity 28309
with the individual to whom the certificate of qualification for 28310
employment was issued if the person knew of the certificate at the 28311
time of the alleged negligence or other fault. 28312

(2) In any proceeding on a claim against an employer for 28313
negligent hiring, a certificate of qualification for employment 28314
issued to an individual under this section shall provide immunity 28315
for the employer as to the claim if the employer knew of the 28316
certificate at the time of the alleged negligence. 28317

(3) If an employer hires an individual who has been issued a 28318
certificate of qualification for employment under this section, if 28319
the individual, after being hired, subsequently demonstrates 28320
dangerousness or is convicted of or pleads guilty to a felony, and 28321
if the employer retains the individual as an employee after the 28322
demonstration of dangerousness or the conviction or guilty plea, 28323
the employer may be held liable in a civil action that is based on 28324
or relates to the retention of the individual as an employee only 28325
if it is proved by a preponderance of the evidence that the person 28326
having hiring and firing responsibility for the employer had 28327
actual knowledge that the employee was dangerous or had been 28328
convicted of or pleaded guilty to the felony and was willful in 28329
retaining the individual as an employee after the demonstration of 28330
dangerousness or the conviction or guilty plea of which the person 28331
has actual knowledge. 28332

(H) A certificate of qualification for employment issued 28333
under this section shall be revoked if the individual to whom the 28334
certificate of qualification for employment was issued is 28335
convicted of or pleads guilty to a felony offense committed 28336
subsequent to the issuance of the certificate of qualification for 28337
employment. The department of rehabilitation and correction shall 28338
periodically review the certificates listed in the database 28339
described in division (K) of this section to identify those that 28340

are subject to revocation under this division. Upon identifying a certificate of qualification for employment that is subject to revocation, the department shall note in the database that the certificate has been revoked, the reason for revocation, and the effective date of revocation, which shall be the date of the conviction or plea of guilty subsequent to the issuance of the certificate.

(I) A designee's forwarding, or failure to forward, a petition for a certificate of qualification for employment to a court or a court's issuance, or failure to issue, a petition for a certificate of qualification for employment to an individual under division (B) of this section does not give rise to a claim for damages against the department of rehabilitation and correction or court.

(J) The division of parole and community services shall adopt rules in accordance with Chapter 119. of the Revised Code for the implementation and administration of this section and shall prescribe the form for the petition to be used under division (B)(1) or (2) of this section. The form for the petition shall include places for all of the information specified in division (F) of this section.

(K) The department of rehabilitation and correction shall maintain a database that identifies granted certificates and revoked certificates and tracks the number of certificates granted and revoked, the industries, occupations, and professions with respect to which the certificates have been most applicable, and the types of employers that have accepted the certificates. The department shall annually create a report that summarizes the information maintained in the database and shall make the report available to the public on its internet web site.

the applicant was so fingerprinted, the probation officer or 28481
county department of probation shall include with the written 28482
report a record of the applicant's fingerprints. If the applicant 28483
was convicted of or pleaded guilty to a violation of division 28484

the child support enforcement agency enforcing the applicant's 28488
obligations under the child support order to inquire about the 28489
offender's compliance with the child support order. 28490

(D)(1) At the hearing held under division (C) of this 28491
section, the court shall do each of the following: 28492

(a) Determine whether the applicant is pursuing sealing or 28493
expunging a conviction of an offense that is prohibited under 28494
division (A) of this section or whether the forfeiture of bail was 28495

agreed to by the applicant and the prosecutor in the case, and 28496

in division (B)(1)(a) or (b) or division (B)(2)(a) or (b) of this 28498
section that is applicable with respect to the application and the 28499
subject offense; 28500

(b) Determine whether criminal proceedings are pending 28501
against the applicant; 28502

(c) Determine whether the applicant has been rehabilitated to 28503
the satisfaction of the court; 28504

(d) If the prosecutor has filed an objection in accordance 28505
with division (C) of this section, consider the reasons against 28506
granting the application specified by the prosecutor in the 28507
objection; 28508

(e) If the victim objected, pursuant to the Ohio 28509
Constitution, consider the reasons against granting the 28510
application specified by the victim in the objection; 28511

(f) Weigh the interests of the applicant in having the 28512
records pertaining to the applicant's conviction or bail 28513
forfeiture sealed or expunged against the legitimate needs, if 28514
any, of the government to maintain those records; 28515

(g) Consider the oral or written statement of any victim, 28516
victim's representative, and victim's attorney, if applicable; 28517

(h) If the applicant was an eligible offender of the type 28518
described in division (A)(3) of section 2953.36 of the Revised 28519
Code as it existed prior to the effective date of this amendment, 28520

(i) The age of the offender; 28524

(ii) The facts and circumstances of the offense; 28525

(iii) The cessation or continuation of criminal behavior;	28526
(iv) The education and employment of the offender;	28527
(v) Any other circumstances that may relate to the offender's rehabilitation.	28528 28529
(2) If the court determines, after complying with division (D)(1) of this section, that the offender is not pursuing sealing or expunging a conviction of an offense that is prohibited under division (A) of this section or that the forfeiture of bail was agreed to by the applicant and the prosecutor in the case, that the application was made at the time specified in division (B)(1)(a) or (b) or division (B)(2)(a) or (b) of this section that is applicable with respect to the application and the subject offense, that no criminal proceeding is pending against the applicant, that the interests of the applicant in having the records pertaining to the applicant's conviction or bail forfeiture sealed or expunged are not outweighed by any legitimate governmental needs to maintain those records, and that the rehabilitation of the applicant has been attained to the satisfaction of the court, both of the following apply:	28530 28531 28532 28533 28534 28535 28536 28537 28538 28539 28540 28541 28542 28543 28544

(b) The proceedings in the case that pertain to the conviction or bail forfeiture shall be considered not to have occurred and the conviction or bail forfeiture of the person who	28554 28555 28556

is the subject of the proceedings shall be sealed if the 28557
application was for sealing or expunged if the application was for 28558
expungement, except that upon conviction of a subsequent offense, 28559
a sealed record of prior conviction or bail forfeiture may be 28560
considered by the court in determining the sentence or other 28561
appropriate disposition, including the relief provided for in 28562
sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 28563

(3) An applicant may request the sealing or expungement of 28564
the records of more than one case in a single application under 28565
this section. Upon the filing of an application under this 28566
section, the applicant, unless the applicant presents a poverty 28567
affidavit showing that the applicant is indigent, shall pay a fee 28568
of not more than fifty dollars, ~~including~~ excluding local court 28569
fees, regardless of the number of records the application requests 28570
to have sealed or expunged. If the applicant pays a fee, the court 28571
shall pay three-fifths of the fee collected into the state 28572
treasury, with half of that amount credited to the attorney 28573
general reimbursement fund created by section 109.11 of the 28574
Revised Code. If the applicant pays a fee, the court shall pay 28575
two-fifths of the fee collected into the county general revenue 28576
fund if the sealed or expunged conviction or bail forfeiture was 28577
pursuant to a state statute, or into the general revenue fund of 28578
the municipal corporation involved if the sealed or expunged 28579
conviction or bail forfeiture was pursuant to a municipal 28580
ordinance. 28581

(4) If the court orders the official records pertaining to 28582
the case sealed or expunged, the court shall do one of the 28583
following: 28584

(a) If the applicant was fingerprinted at the time of arrest 28585
or under section 109.60 of the Revised Code and the record of the 28586

(b) If the applicant was not fingerprinted at the time of 28591
arrest or under section 109.60 of the Revised Code, or the record 28592
of the applicant's fingerprints was not provided to the court 28593
under division (C) of this section, but fingerprinting was 28594
required for the offense, order the applicant to appear before a 28595
sheriff to have the applicant's fingerprints taken according to 28596
the fingerprint system of identification on the forms furnished by 28597
the superintendent of the bureau of criminal identification and 28598
investigation. The sheriff shall forward the applicant's 28599
fingerprints to the court. The court shall forward the applicant's 28600
fingerprints and a copy of the sealing or expungement order to the 28601
bureau of criminal identification and investigation. 28602

Failure of the court to order fingerprints at the time of 28603
sealing or expungement does not constitute a reversible error. 28604

(5) Notwithstanding any other provision of the Revised Code 28605
to the contrary, when the bureau of criminal identification and 28606
investigation receives notice from a court that a conviction has 28607
been expunged under this section, the bureau of criminal 28608
identification and investigation shall maintain a record of the 28609
expunged conviction record for the limited purpose of determining 28610
an individual's qualification or disqualification for employment 28611
in law enforcement. The bureau of criminal identification and 28612
investigation shall not be compelled by the court to expunge those 28613
records. These records may only be disclosed or provided to law 28614
enforcement for the limited purpose of determining an individual's 28615
qualification or disqualification for employment in law 28616
enforcement. 28617

2929.141 of the Revised Code, the authority may terminate the 28639
period of post-release control and issue to the released prisoner 28640
a certificate of termination, which shall serve as the minutes of 28641
the authority. In the case of a prisoner who has been released 28642

program or activity completion, and the criteria for denying or 28837
withdrawing previously provisionally earned credit as a result of 28838
a violation of prison rules, or program or department rules, 28839
