offender is subject to the applicable penalty for the violation 63844
and, notwithstanding section 2929.28 of the Revised Code, is 63845
subject to an additional fine of not more than one hundred dollars 63846

factor to the commission of the violation, the offender may enter 63853

payment in full and such written evidence within ninety days of 63868
the underlying violation that resulted in the imposition of the 63869
additional fine under division (B) of this section. 63870

(2) If the offender appears in person to contest the ticket, 63871
citation, or summons in a trial and the offender pleads guilty to 63872
or is convicted of the violation, the court, in addition to all 63873
other penalties provided by law, may impose the applicable penalty 63874
for the violation and may impose the additional fine of not more 63875
than one hundred dollars. 63876

If the court imposes upon the offender the applicable penalty 63877
for the violation and an additional fine of not more than one 63878
hundred dollars, the court shall inform the offender that, in lieu 63879
of payment of the additional fine of not more than one hundred 63880
dollars, the offender instead may elect to attend the distracted 63881
driving safety course described in division (B)(1) of this 63882
section. If the offender elects the course option and attends and 63883

successfully completes the course, the offender shall be issued 63884
written evidence that the offender successfully completed the 63885
course. The offender shall be required to pay the total amount of 63886
the fine established for the violation, but shall not be required 63887
to pay the additional fine of not more than one hundred dollars, 63888
so long as the offender submits to the court the offender's 63889
payment and such written evidence within ninety days of the 63890
underlying violation that resulted in the imposition of the 63891
additional fine under division (B) of this section. 63892

(C) If a law enforcement officer issues an offender a ticket, 63893
citation, or summons for a violation of any of the sections of the 63894
Revised Code listed in division (B) of this section that indicates 63895
that the offender was distracted while committing the violation 63896

undisputed amount that the owner previously paid to the towing 64055

individual's certificate or license under this division ~~by~~ 65527
~~certified mail or in person~~ in accordance with ~~section~~ sections 65528
119.05 and 119.07 of the Revised Code. If an individual whose 65529
certificate or license is suspended under this division fails to 65530
make a timely request for an adjudicatory hearing, the board shall 65531
enter a final order revoking the individual's certificate or 65532
license. 65533

(G) If the supervisory investigative panel determines both of 65534
the following, the panel may recommend that the board suspend an 65535
individual's certificate or license without a prior hearing: 65536

(1) That there is clear and convincing evidence that an 65537
individual has violated division (A) of this section; 65538

(2) That the individual's continued practice presents a 65539

danger of immediate and serious harm to the public. 65540

Written allegations shall be prepared for consideration by 65541
the board. The board, upon review of those allegations and by an 65542
affirmative vote of not fewer than four dentist members of the 65543
board and seven of its members in total, excluding any member on 65544
the supervisory investigative panel, may suspend a certificate or 65545
license without a prior hearing. A telephone conference call may 65546
be utilized for reviewing the allegations and taking the vote on 65547
the summary suspension. 65548

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 65549
~~certified mail or in person~~ in accordance with ~~section~~ sections 65550

subject to suspension by the court during pendency or any appeal 65552

subject to the summary suspension requests an adjudicatory hearing 65554
by the board, the date set for the hearing shall be within fifteen 65555
days, but not earlier than seven days, after the individual 65556
requests the hearing, unless otherwise agreed to by both the board 65557
and the individual. 65558

Any summary suspension imposed under this division shall 65559
remain in effect, unless reversed on appeal, until a final 65560
adjudicative order issued by the board pursuant to this section 65561
and Chapter 119. of the Revised Code becomes effective. The board 65562
shall issue its final adjudicative order within seventy-five days 65563
after completion of its hearing. A failure to issue the order 65564
within seventy-five days shall result in dissolution of the 65565
summary suspension order but shall not invalidate any subsequent, 65566
final adjudicative order. 65567

(H) Sanctions shall not be imposed under division (A)(13) of 65568
this section against any certificate or license holder who waives 65569
deductibles and copayments as follows: 65570

Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person who holds a certificate or license issued pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

(I) In no event shall the board consider or raise during a hearing required by Chapter 119. of the Revised Code the circumstances of, or the fact that the board has received, one or more complaints about a person unless the one or more complaints are the subject of the hearing or resulted in the board taking an action authorized by this section against the person on a prior occasion.

(J) The board may share any information it receives pursuant to an investigation under division (D) of section 4715.03 of the Revised Code, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state dental board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or

complainants whose confidentiality was protected by the state 65603
dental board when the information was in the board's possession. 65604

in order to be timely filed with the board. Mail that is not 65688

Each instance of the commission of any of the types of 65691

and funeral directors to regulate cemeteries, except that the 65719
board shall license and regulate funeral homes, embalming 65720
facilities, and crematory facilities located at cemeteries in 65721

directors may, except as provided in division (G) of this section, 65736
refuse to grant or renew, or may suspend or revoke, any license or 65737
permit issued under this chapter or may require the holder of a 65738
license or permit to take corrective action courses for any of the 65739
following reasons: 65740

(1) The holder of a license or permit obtained the license or 65741
permit by fraud or misrepresentation either in the application or 65742
in passing the examination. 65743

(2) The licensee or permit holder has been convicted of or 65744
has pleaded guilty to a felony or of any crime involving moral 65745
turpitude. 65746

(3) The applicant, licensee, or permit holder has recklessly 65747
violated any provision of sections 4717.01 to 4717.15 or a rule 65748
adopted under any of those sections; division (A) or (B) of 65749
section 4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), 65750
or (F)(1) or (2), or divisions (H) to (K) of section 4717.26; 65751
division (D)(1) of section 4717.27; or divisions (A) to (C) of 65752
section 4717.28 of the Revised Code; or any provisions of sections 65753
4717.31 to 4717.38 of the Revised Code; any rule or order of the 65754

department of health or a board of health of a health district 65755
governing the disposition of dead human bodies; or any other rule 65756
or order applicable to the applicant or licensee. 65757

(4) The licensee or permit holder has committed immoral or 65758
unprofessional conduct. 65759

(5) The applicant or licensee knowingly permitted an 65760
unlicensed person, other than a person serving an apprenticeship, 65761
to engage in the profession or business of embalming or funeral 65762
directing under the applicant's or licensee's supervision. 65763

(6) The applicant, licensee, or permit holder has been 65764
habitually intoxicated, or is addicted to the use of morphine, 65765
cocaine, or other habit-forming or illegal drugs. 65766

(7) The applicant, licensee, or permit holder has refused to 65767
promptly submit the custody of a dead human body or cremated 65768

the body or cremated remains. 65770

(8) The licensee or permit holder loaned the licensee's own 65771

an improper license or permit. 65775

(9) The applicant, licensee, or permit holder misled the 65776
public by using false or deceptive advertising. As used in this 65777
division, "false and deceptive advertising" includes, but is not 65778
limited to, any of the following: 65779

(a) Using the names of persons who are not licensed to 65780
practice funeral directing in a way that leads the public to 65781
believe that such persons are engaging in funeral directing; 65782

(b) Using any name for the funeral home other than the name 65783
under which the funeral home is licensed; 65784

(c) Using in the funeral home's name the surname of an individual who is not directly, actively, or presently associated with the funeral home, unless such surname has been previously and continuously used by the funeral home.

(B)(1) The board of embalmers and funeral directors shall refuse to grant or renew, or shall suspend or revoke a license or permit only in accordance with Chapter 119. of the Revised Code.

(2) The board shall send to the crematory review board written notice that it proposes to refuse to issue or renew, or proposes to suspend or revoke, a license to operate a crematory facility. If, after the conclusion of the adjudicatory hearing on the matter conducted under division (F) of section 4717.03 of the Revised Code, the board of embalmers and funeral directors finds that any of the circumstances described in divisions (A)(1) to (9) of this section apply to the person named in its proposed action, the board may issue a final order under division (F) of section 4717.03 of the Revised Code refusing to issue or renew, or suspending or revoking, the person's license to operate a crematory facility.

(C) If the board of embalmers and funeral directors determines that there is clear and convincing evidence that any of the circumstances described in divisions (A)(1) to (9) of this section apply to the holder of a license or permit issued under this chapter and that the licensee's or permit holder's continued practice presents a danger of immediate and serious harm to the public, the board may suspend the licensee's license or permit holder's permit without a prior adjudicatory hearing. The executive director of the board shall prepare written allegations for consideration by the board.

The board, after reviewing the written allegations, may suspend a license or permit without a prior hearing.

Notwithstanding section 121.22 of the Revised Code, the board 65816
may suspend a license or permit under this division by utilizing a 65817
telephone conference call to review the allegations and to take a 65818
vote. 65819

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 65820
~~a delivery system or in person~~ in accordance with ~~section~~ sections 65821
119.05 and 119.07 of the Revised Code. Such an order is not 65822
subject to suspension by the court during the pendency of any 65823
appeal filed under section 119.12 of the Revised Code. If the 65824
licensee or permit holder requests an adjudicatory hearing by the 65825
board, the date set for the hearing shall be within fifteen days, 65826
but not earlier than seven days, after the licensee or permit 65827
holder has requested a hearing, unless the board and the licensee 65828
or permit holder agree to a different time for holding the 65829
hearing. 65830

Upon issuing a written order of suspension to the holder of a 65831
license to operate a crematory facility, the board of embalmers 65832
and funeral directors shall send written notice of the issuance of 65833
the order to the crematory review board. The crematory review 65834
board shall hold an adjudicatory hearing on the order under 65835
division (F) of section 4717.03 of the Revised Code within fifteen 65836
days, but not earlier than seven days, after the issuance of the 65837
order, unless the crematory review board and the licensee agree to 65838
a different time for holding the adjudicatory hearing. 65839

Any summary suspension imposed under this division shall 65840
remain in effect, unless reversed on appeal, until a final 65841
adjudicatory order issued by the board of embalmers and funeral 65842
directors pursuant to this division and Chapter 119. of the 65843
Revised Code, or division (F) of section 4717.03 of the Revised 65844
Code, as applicable, becomes effective. The board of embalmers and 65845
funeral directors shall issue its final adjudicatory order within 65846
sixty days after the completion of its hearing or, in the case of 65847

the summary suspension of a license to operate a crematory 65848
facility, within sixty days after completion of the adjudicatory 65849
hearing by the crematory review board. A failure to issue the 65850
order within that time results in the dissolution of the summary 65851
suspension order, but does not invalidate any subsequent final 65852
adjudicatory order. 65853

(D) If the board of embalmers and funeral directors suspends 65854
or revokes a funeral director's license or a license to operate a 65855
funeral home for any reason identified in division (A) of this 65856
section, the board may file a complaint with the court of common 65857
pleas in the county where the violation occurred requesting 65858
appointment of a receiver and the sequestration of the assets of 65859
the funeral home that held the suspended or revoked license or the 65860
licensed funeral home that employs the funeral director that held 65861
the suspended or revoked license. If the court of common pleas is 65862
satisfied with the application for a receivership, the court may 65863
appoint a receiver. 65864

The board or a receiver may employ and procure whatever 65865
assistance or advice is necessary in the receivership or 65866
liquidation and distribution of the assets of the funeral home, 65867
and, for that purpose, may retain officers or employees of the 65868
funeral home as needed. All expenses of the receivership or 65869
liquidation shall be paid from the assets of the funeral home and 65870
shall be a lien on those assets, and that lien shall be a priority 65871
to any other lien. 65872

(E) Any holder of a license or permit issued under this 65873
chapter who has pleaded guilty to, has been found by a judge or 65874
jury to be guilty of, or has had a judicial finding of eligibility 65875
for treatment in lieu of conviction entered against the individual 65876
in this state for aggravated murder, murder, voluntary 65877
manslaughter, felonious assault, kidnapping, rape, sexual battery, 65878
gross sexual imposition, aggravated arson, aggravated robbery, or 65879

aggravated burglary, or who has pleaded guilty to, has been found 65880
by a judge or jury to be guilty of, or has had a judicial finding 65881
of eligibility for treatment in lieu of conviction entered against 65882
the individual in another jurisdiction for any substantially 65883
equivalent criminal offense, is hereby suspended from practice 65884
under this chapter by operation of law, and any license or permit 65885
issued to the individual under this chapter is hereby suspended by 65886
operation of law as of the date of the guilty plea, verdict or 65887
finding of guilt, or judicial finding of eligibility for treatment 65888
in lieu of conviction, regardless of whether the proceedings are 65889
brought in this state or another jurisdiction. The board shall 65890
notify the suspended individual of the suspension of the 65891
individual's license or permit by the operation of ~~this division~~ 65892
~~by a delivery system or in person~~ law in accordance with ~~section~~ 65893
sections 119.05 and 119.07 of the Revised Code. If an individual 65894
whose license or permit is suspended under this division fails to 65895
make a timely request for an adjudicatory hearing, the board shall 65896
enter a final order revoking the license. 65897

(F) No person whose license or permit has been suspended or 65898
revoked under or by the operation of this section shall knowingly 65899
practice embalming, funeral directing, or cremation, or operate a 65900
funeral home, embalming facility, or crematory facility until the 65901
board has reinstated the person's license or permit. 65902

(G) The board shall not refuse to issue a license or permit 65903
to an applicant because of a conviction of or plea of guilty to a 65904
criminal offense unless the refusal is in accordance with section 65905
9.79 of the Revised Code. 65906

Sec. 4717.26. (A) The crematory facility may schedule the 65907
time for the cremation of a dead human body to occur at the 65908
crematory facility's own convenience at any time after the 65909
conditions set forth in division (A) or (B) of section 4717.23 of 65910

the Revised Code, as applicable, have been met and the decedent or body parts have been delivered to the facility, unless, in the case of a dead human body, the crematory facility has received specific instructions to the contrary on the cremation authorization form authorizing the cremation of the decedent executed under section 4717.21, 4717.24, or 4717.25 of the Revised Code. container in which the body was delivered to or accepted by the 65943
crematory facility; 65944

(2) Fail to cremate the casket or alternative container in 65945
which the body was delivered or accepted, in its entirety with the 65946
body. 65947

(D) No crematory facility shall simultaneously cremate more 65948
than one decedent or body parts removed from more than one 65949
decedent or living person in the same cremation chamber unless the 65950
cremation authorization forms executed under section 4717.21, 65951
4717.24, or 4717.25 of the Revised Code authorizing the cremation 65952
of each of the decedents or body parts removed from each decedent 65953

on the cremation authorization form executed under section 4717.21 65961
or 4717.24 of the Revised Code, and persons authorized by the 65962
individual who is actually in charge of the crematory facility, to 65963
be present in the holding facility or cremation room while any 65964
dead human bodies or body parts are being held there prior to 65965
cremation or are being cremated or while any cremated remains are 65966
being removed from the cremation chamber. 65967

(F)(1) No crematory facility shall remove any dental gold, 65968
body parts, organs, or other items of value from a dead human body 65969
prior to the cremation or from the cremated remains after 65970
cremation unless the cremation authorization form authorizing the 65971
cremation of the decedent executed under section 4717.21 or 65972
4717.24 of the Revised Code specifically authorizes the removal 65973

thereof. 65974

(2) No crematory facility that removes any dental gold, body 65975
parts, organs, or other items from a dead human body or assists in 65976
such removal shall charge a fee for doing so that exceeds the 65977
actual cost to the crematory facility for performing or assisting 65978
in the removal. 65979

(G) Upon the completion of each cremation, the crematory 65980
facility shall remove from the cremation chamber all of the 65981
cremation residue that is practicably recoverable. If the 65982
cremation authorization form executed under section 4717.21, 65983
4717.24, or 4717.25 of the Revised Code specifies that the 65984
cremated remains are to be placed in an urn, the crematory 65985
facility shall place them in the type of urn specified on the 65986
authorization form. If the authorization form does not specify 65987
that the cremated remains are to be placed in an urn, the 65988
crematory facility shall place them in a temporary container. If 65989
not all of the recovered cremated remains will fit in the urn 65990
selected or the temporary container, the crematory facility shall 65991
place the remainder in a separate temporary container, and the 65992
cremated remains placed in the separate temporary container shall 65993
be delivered, released, or disposed of along with those in the urn 65994
or other temporary container. Nothing in this section requires a 65995
crematory facility to recover any specified quantity or quality of 65996
cremated remains upon the completion of a cremation, but only 65997
requires a crematory facility to recover from the cremation 65998
chamber all of the cremation residue that is practicably 65999
recoverable. 66000

(H) No crematory facility shall knowingly represent to an 66001
authorizing agent or a designee of an authorizing agent that an 66002
urn or temporary container contains the recovered cremated remains 66003
of a specific decedent or of body parts removed from a specific 66004
decedent or living person when it does not. This division does not 66005

prohibit the making of such a representation because of the 66006
presence in the recovered cremated remains of de minimus amounts 66007
of the cremated remains of another decedent or of body parts 66008
removed from another decedent or living person that were not 66009
practicably recoverable and that remained in the cremation chamber 66010
after the cremated remains from previous cremations were removed. 66011

(I) No crematory facility or funeral director shall ship or 66012
cause to be shipped any cremated remains by a class or method of 66013
mail, common carrier service, or delivery service that does not 66014
have an internal system for tracing the location of the cremated 66015
remains during shipment and that does not require a signed receipt 66016
from the person accepting delivery of the cremated remains. 66017

(J) No crematory facility shall fail to establish and 66018
maintain a system for accurately identifying each dead human body 66019
in the facility's possession, and for identifying each decedent or 66020
living person from which body parts in the facility's possession 66021
were removed, throughout all phases of the holding and cremation 66022
process. 66023

(K) No crematory facility shall knowingly use or allow the 66024
use of the same cremation chamber for the cremation of dead human 66025
bodies, or human body parts, and animals. 66026

Sec. 4723.281. (A) As used in this section, with regard to 66027
offenses committed in Ohio, "aggravated murder," "murder," 66028
"voluntary manslaughter," "felonious assault," "kidnapping," 66029
"rape," "sexual battery," "gross sexual imposition," "aggravated 66030
arson," "aggravated robbery," and "aggravated burglary" mean such 66031
offenses as defined in Title XXIX of the Revised Code; with regard 66032
to offenses committed in other jurisdictions, the terms mean 66033
offenses comparable to offenses defined in Title XXIX of the 66034
Revised Code. 66035

(B) When there is clear and convincing evidence that 66036

continued practice by an individual licensed under this chapter 66037
presents a danger of immediate and serious harm to the public, as 66038
determined on consideration of the evidence by the president and 66039
the executive director of the board of nursing, the president and 66040
director shall impose on the individual a summary suspension 66041
without a hearing. An individual serving as president or executive 66042
director in the absence of the president or executive director may 66043
take any action that this section requires or authorizes the 66044
president or executive director to take. 66045

Immediately following the decision to impose a summary 66046
suspension, the board shall ~~issue~~ serve a written order of 66047
suspension ~~and cause it to be delivered by certified mail or in~~ 66048
~~person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of 66049
the Revised Code. The order shall not be subject to suspension by 66050
the court during the pendency of any appeal filed under section 66051
119.12 of the Revised Code. If the individual subject to the 66052
suspension requests an adjudication, the date set for the 66053
adjudication shall be within fifteen days but not earlier than 66054
seven days after the individual makes the request, unless another 66055
date is agreed to by both the individual and the board. The 66056
summary suspension shall remain in effect, unless reversed by the 66057
board, until a final adjudication order issued by the board 66058
pursuant to this section and Chapter 119. of the Revised Code 66059
becomes effective. 66060

The board shall issue its final adjudication order within 66061
ninety days after completion of the adjudication. If the board 66062
does not issue a final order within the ninety-day period, the 66063
summary suspension shall be void, but any final adjudication order 66064
issued subsequent to the ninety-day period shall not be affected. 66065

(C) The license or certificate issued to an individual under 66066
this chapter is automatically suspended on that individual's 66067
conviction of, plea of guilty to, or judicial finding with regard 66068

to any of the following: aggravated murder, murder, voluntary
manslaughter, felonious assault, kidnapping, rape, sexual battery,
gross sexual imposition, aggravated arson, aggravated robbery, or
aggravated burglary. The suspension shall remain in effect from
the date of the conviction, plea, or finding until an adjudication
is held under Chapter 119. of the Revised Code. If the board has
knowledge that an automatic suspension has occurred, it shall
notify the individual subject to the suspension. If the individual
is notified and either fails to request an adjudication within the
time periods established by Chapter 119. of the Revised Code or
fails to participate in the adjudication, the board shall enter a
final order permanently revoking the person's license or
certificate.

of the Revised Code and Chapter 119. of the Revised Code becomes 66225
effective. The board shall issue its final adjudicative order 66226
within sixty days after completion of its hearing. A failure to 66227

license issued under this chapter, or applies for a license issued 66395
under this chapter, shall be deemed to have given consent to 66396
submit to a mental or physical examination when directed to do so 66397
in writing by the board and to have waived all objections to the 66398
admissibility of testimony or examination reports that constitute 66399
a privileged communication. 66400

(1) In enforcing division (B)(4) of this section, the board, 66401
upon a showing of a possible violation, may compel any individual 66402
who holds a license issued under this chapter or who has applied 66403
for a license pursuant to this chapter to submit to a mental 66404
examination, physical examination, including an HIV test, or both 66405
a mental and physical examination. The expense of the examination 66406
is the responsibility of the individual compelled to be examined. 66407
Failure to submit to a mental or physical examination or consent 66408
to an HIV test ordered by the board constitutes an admission of 66409
the allegations against the individual unless the failure is due 66410
to circumstances beyond the individual's control, and a default 66411
and final order may be entered without the taking of testimony or 66412
presentation of evidence. If the board finds a physician assistant 66413
unable to practice because of the reasons set forth in division 66414
(B)(4) of this section, the board shall require the physician 66415
assistant to submit to care, counseling, or treatment by 66416
physicians approved or designated by the board, as a condition for 66417
an initial, continued, reinstated, or renewed license. An 66418
individual affected under this division shall be afforded an 66419
opportunity to demonstrate to the board the ability to resume 66420
practicing in compliance with acceptable and prevailing standards 66421
of care. 66422

(2) For purposes of division (B)(5) of this section, if the 66423
board has reason to believe that any individual who holds a 66424
license issued under this chapter or any applicant for a license 66425
suffers such impairment, the board may compel the individual to 66426
submit to a mental or physical examination, or both. The expense 66427
of the examination is the responsibility of the individual 66428
compelled to be examined. Any mental or physical examination 66429
required under this division shall be undertaken by a treatment 66430
provider or physician qualified to conduct such examination and 66431
chosen by the board. 66432

Failure to submit to a mental or physical examination ordered 66433
by the board constitutes an admission of the allegations against 66434
the individual unless the failure is due to circumstances beyond 66435
the individual's control, and a default and final order may be 66436
entered without the taking of testimony or presentation of 66437
evidence. If the board determines that the individual's ability to 66438
practice is impaired, the board shall suspend the individual's 66439
license or deny the individual's application and shall require the 66440
individual, as a condition for initial, continued, reinstated, or 66441
renewed licensure, to submit to treatment. 66442

Before being eligible to apply for reinstatement of a license 66443
suspended under this division, the physician assistant shall 66444
demonstrate to the board the ability to resume practice or 66445
prescribing in compliance with acceptable and prevailing standards 66446
of care. The demonstration shall include the following: 66447

(a) Certification from a treatment provider approved under 66448
section 4731.25 of the Revised Code that the individual has 66449
successfully completed any required inpatient treatment; 66450

(b) Evidence of continuing full compliance with an aftercare 66451
contract or consent agreement; 66452

(c) Two written reports indicating that the individual's 66453
ability to practice has been assessed and that the individual has 66454
been found capable of practicing according to acceptable and 66455
prevailing standards of care. The reports shall be made by 66456
individuals or providers approved by the board for making such 66457
assessments and shall describe the basis for their determination. 66458

The board may reinstate a license suspended under this 66459
division after such demonstration and after the individual has 66460
entered into a written consent agreement. 66461

When the impaired physician assistant resumes practice or 66462
prescribing, the board shall require continued monitoring of the 66463

physician assistant. The monitoring shall include compliance with 66464
the written consent agreement entered into before reinstatement or 66465
with conditions imposed by board order after a hearing, and, upon 66466
termination of the consent agreement, submission to the board for 66467
at least two years of annual written progress reports made under 66468
penalty of falsification stating whether the physician assistant 66469
has maintained sobriety. 66470

(G) If the secretary and supervising member determine that 66471
there is clear and convincing evidence that a physician assistant 66472
has violated division (B) of this section and that the 66473
individual's continued practice or prescribing presents a danger 66474
of immediate and serious harm to the public, they may recommend 66475
that the board suspend the individual's license without a prior 66476
hearing. Written allegations shall be prepared for consideration 66477
by the board. 66478

The board, upon review of those allegations and by an 66479
affirmative vote of not fewer than six of its members, excluding 66480
the secretary and supervising member, may suspend a license 66481
without a prior hearing. A telephone conference call may be 66482
utilized for reviewing the allegations and taking the vote on the 66483
summary suspension. 66484

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 66485
~~certified mail or in person~~ in accordance with ~~section~~ sections 66486
119.05 and 119.07 of the Revised Code. The order shall not be 66487
subject to suspension by the court during pendency of any appeal 66488
filed under section 119.12 of the Revised Code. If the physician 66489
assistant requests an adjudicatory hearing by the board, the date 66490
set for the hearing shall be within fifteen days, but not earlier 66491
than seven days, after the physician assistant requests the 66492
hearing, unless otherwise agreed to by both the board and the 66493
license holder. 66494

A summary suspension imposed under this division shall remain 66495

in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the individual's license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions identified under division (B) of this section.

(I) The license to practice issued to a physician assistant and the physician assistant's practice in this state are automatically suspended as of the date the physician assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another state for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder,

murder, voluntary manslaughter, felonious assault, kidnapping, 66528
rape, sexual battery, gross sexual imposition, aggravated arson, 66529
aggravated robbery, or aggravated burglary. Continued practice 66530
after the suspension shall be considered practicing without a 66531
license. 66532

The board shall notify the individual subject to the 66533
suspension ~~by certified mail or in person~~ in accordance with 66534
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 66535
individual whose license is suspended under this division fails to 66536
make a timely request for an adjudication under Chapter 119. of 66537
the Revised Code, the board shall enter a final order permanently 66538
revoking the individual's license to practice. 66539

(J) In any instance in which the board is required by Chapter 66540
119. of the Revised Code to give notice of opportunity for hearing 66541
and the individual subject to the notice does not timely request a 66542
hearing in accordance with section 119.07 of the Revised Code, the 66543
board is not required to hold a hearing, but may adopt, by an 66544
affirmative vote of not fewer than six of its members, a final 66545
order that contains the board's findings. In that final order, the 66546
board may order any of the sanctions identified under division (A) 66547
or (B) of this section. 66548

(K) Any action taken by the board under division (B) of this 66549
section resulting in a suspension shall be accompanied by a 66550
written statement of the conditions under which the physician 66551
assistant's license may be reinstated. The board shall adopt rules 66552
in accordance with Chapter 119. of the Revised Code governing 66553
conditions to be imposed for reinstatement. Reinstatement of a 66554
license suspended pursuant to division (B) of this section 66555
requires an affirmative vote of not fewer than six members of the 66556
board. 66557

(L) When the board refuses to grant or issue to an applicant 66558
a license to practice as a physician assistant, revokes an 66559

individual's license, refuses to renew an individual's license, or 66560
refuses to reinstate an individual's license, the board may 66561
specify that its action is permanent. An individual subject to a 66562
permanent action taken by the board is forever thereafter 66563
ineligible to hold the license and the board shall not accept an 66564
application for reinstatement of the license or for issuance of a 66565
new license. 66566

(M) Notwithstanding any other provision of the Revised Code, 66567
all of the following apply: 66568

(1) The surrender of a license issued under this chapter is 66569
not effective unless or until accepted by the board. Reinstatement 66570
of a license surrendered to the board requires an affirmative vote 66571
of not fewer than six members of the board. 66572

(2) An application made under this chapter for a license may 66573
not be withdrawn without approval of the board. 66574

(3) Failure by an individual to renew a license in accordance 66575
with section 4730.14 of the Revised Code shall not remove or limit 66576
the board's jurisdiction to take disciplinary action under this 66577
section against the individual. 66578

(N) The board shall not refuse to issue a license to an 66579
applicant because of a conviction, plea of guilty, judicial 66580
finding of guilt, judicial finding of eligibility for intervention 66581
in lieu of conviction, or the commission of an act that 66582
constitutes a criminal offense, unless the refusal is in 66583
accordance with section 9.79 of the Revised Code. 66584

Sec. 4731.07. (A) The state medical board shall keep a record 66585
of its proceedings. The minutes of a meeting of the board shall, 66586
on approval by the board, constitute an official record of its 66587
proceedings. 66588

(B) The board shall keep a register of applicants for 66589

licenses and certificates issued under this chapter; licenses 66590
issued under Chapters 4730., 4760., 4762., 4774., and 4778.; and 66591
licenses and limited permits issued under Chapters 4759. and 4761. 66592
of the Revised Code; and applicants for licenses, licenses issued, 66593
and licenses suspended or revoked under Chapter 4787. of the 66594
Revised Code. The register shall show the name of the applicant 66595
and whether the applicant was granted or refused the license, 66596
certificate, or limited permit being sought. 66597

With respect to applicants to practice medicine and surgery 66598
or osteopathic medicine and surgery, the register shall show the 66599
name of the institution that granted the applicant the degree of 66600
doctor of medicine or osteopathic medicine. With respect to 66601
applicants to practice respiratory care, the register shall show 66602
the addresses of the person's last known place of business and 66603
residence, the effective date and identification number of the 66604
license or limited permit, and, if applicable, the name and 66605
location of the institution that granted the person's degree or 66606
certificate of completion of respiratory care educational 66607
requirements and the date the degree or certificate of completion 66608
was issued. 66609

(C) The books and records of the board shall be prima-facie 66610
evidence of matters therein contained. 66611

Sec. 4731.22. (A) The state medical board, by an affirmative 66612
vote of not fewer than six of its members, may limit, revoke, or 66613
suspend a license or certificate to practice or certificate to 66614
recommend, refuse to grant a license or certificate, refuse to 66615
renew a license or certificate, refuse to reinstate a license or 66616
certificate, or reprimand or place on probation the holder of a 66617
license or certificate if the individual applying for or holding 66618
the license or certificate is found by the board to have committed 66619
fraud during the administration of the examination for a license 66620

or certificate to practice or to have committed fraud, 66621
misrepresentation, or deception in applying for, renewing, or 66622
securing any license or certificate to practice or certificate to 66623
recommend issued by the board. 66624

(B) Except as provided in division (P) of this section, the 66625
board, by an affirmative vote of not fewer than six members, 66626
shall, to the extent permitted by law, limit, revoke, or suspend a 66627
license or certificate to practice or certificate to recommend, 66628
refuse to issue a license or certificate, refuse to renew a 66629
license or certificate, refuse to reinstate a license or 66630
certificate, or reprimand or place on probation the holder of a 66631
license or certificate for one or more of the following reasons: 66632

(1) Permitting one's name or one's license or certificate to 66633
practice to be used by a person, group, or corporation when the 66634
individual concerned is not actually directing the treatment 66635
given; 66636

(2) Failure to maintain minimal standards applicable to the 66637
selection or administration of drugs, or failure to employ 66638
acceptable scientific methods in the selection of drugs or other 66639
modalities for treatment of disease; 66640

(3) Except as provided in section 4731.97 of the Revised 66641
Code, selling, giving away, personally furnishing, prescribing, or 66642
administering drugs for other than legal and legitimate 66643
therapeutic purposes or a plea of guilty to, a judicial finding of 66644
guilt of, or a judicial finding of eligibility for intervention in 66645
lieu of conviction of, a violation of any federal or state law 66646
regulating the possession, distribution, or use of any drug; 66647

(4) Willfully betraying a professional confidence. 66648

For purposes of this division, "willfully betraying a 66649
professional confidence" does not include providing any 66650

information, documents, or reports under sections 307.621 to 66651
307.629 of the Revised Code to a child fatality review board; does 66652
not include providing any information, documents, or reports under 66653
sections 307.631 to 307.6410 of the Revised Code to a drug 66654
overdose fatality review committee, a suicide fatality review 66655
committee, or hybrid drug overdose fatality and suicide fatality 66656
review committee; does not include providing any information, 66657
documents, or reports under sections 307.651 to 307.659 of the 66658
Revised Code to a domestic violence fatality review board; does 66659
not include providing any information, documents, or reports to 66660
the director of health pursuant to guidelines established under 66661
section 3701.70 of the Revised Code; does not include written 66662
notice to a mental health professional under section 4731.62 of 66663
the Revised Code; and does not include the making of a report of 66664
an employee's use of a drug of abuse, or a report of a condition 66665
of an employee other than one involving the use of a drug of 66666
abuse, to the employer of the employee as described in division 66667
(B) of section 2305.33 of the Revised Code. Nothing in this 66668
division affects the immunity from civil liability conferred by 66669
section 2305.33 or 4731.62 of the Revised Code upon a physician 66670
who makes a report in accordance with section 2305.33 or notifies 66671
a mental health professional in accordance with section 4731.62 of 66672
the Revised Code. As used in this division, "employee," 66673
"employer," and "physician" have the same meanings as in section 66674
2305.33 of the Revised Code. 66675

(5) Making a false, fraudulent, deceptive, or misleading 66676
statement in the solicitation of or advertising for patients; in 66677
relation to the practice of medicine and surgery, osteopathic 66678
medicine and surgery, podiatric medicine and surgery, or a limited 66679
branch of medicine; or in securing or attempting to secure any 66680
license or certificate to practice issued by the board. 66681

As used in this division, "false, fraudulent, deceptive, or 66682

misleading statement" means a statement that includes a 66683
misrepresentation of fact, is likely to mislead or deceive because 66684
of a failure to disclose material facts, is intended or is likely 66685
to create false or unjustified expectations of favorable results, 66686
or includes representations or implications that in reasonable 66687
probability will cause an ordinarily prudent person to 66688
misunderstand or be deceived. 66689

(6) A departure from, or the failure to conform to, minimal 66690
standards of care of similar practitioners under the same or 66691
similar circumstances, whether or not actual injury to a patient 66692
is established; 66693

(7) Representing, with the purpose of obtaining compensation 66694
or other advantage as personal gain or for any other person, that 66695
an incurable disease or injury, or other incurable condition, can 66696
be permanently cured; 66697

(8) The obtaining of, or attempting to obtain, money or 66698
anything of value by fraudulent misrepresentations in the course 66699
of practice; 66700

(9) A plea of guilty to, a judicial finding of guilt of, or a 66701
judicial finding of eligibility for intervention in lieu of 66702
conviction for, a felony; 66703

(10) Commission of an act that constitutes a felony in this 66704
state, regardless of the jurisdiction in which the act was 66705
committed; 66706

(11) A plea of guilty to, a judicial finding of guilt of, or 66707
a judicial finding of eligibility for intervention in lieu of 66708
conviction for, a misdemeanor committed in the course of practice; 66709

(12) Commission of an act in the course of practice that 66710
constitutes a misdemeanor in this state, regardless of the 66711
jurisdiction in which the act was committed; 66712

(13) A plea of guilty to, a judicial finding of guilt of, or 66713
a judicial finding of eligibility for intervention in lieu of 66714
conviction for, a misdemeanor involving moral turpitude; 66715

(14) Commission of an act involving moral turpitude that 66716
constitutes a misdemeanor in this state, regardless of the 66717
jurisdiction in which the act was committed; 66718

(15) Violation of the conditions of limitation placed by the 66719
board upon a license or certificate to practice; 66720

(16) Failure to pay license renewal fees specified in this 66721
chapter; 66722

(17) Except as authorized in section 4731.31 of the Revised 66723
Code, engaging in the division of fees for referral of patients, 66724
or the receiving of a thing of value in return for a specific 66725
referral of a patient to utilize a particular service or business; 66726

(18) Subject to section 4731.226 of the Revised Code, 66727
violation of any provision of a code of ethics of the American 66728
medical association, the American osteopathic association, the 66729
American podiatric medical association, or any other national 66730
professional organizations that the board specifies by rule. The 66731
state medical board shall obtain and keep on file current copies 66732
of the codes of ethics of the various national professional 66733
organizations. The individual whose license or certificate is 66734
being suspended or revoked shall not be found to have violated any 66735
provision of a code of ethics of an organization not appropriate 66736
to the individual's profession. 66737

For purposes of this division, a "provision of a code of 66738
ethics of a national professional organization" does not include 66739
any provision that would preclude the making of a report by a 66740
physician of an employee's use of a drug of abuse, or of a 66741
condition of an employee other than one involving the use of a 66742
drug of abuse, to the employer of the employee as described in 66743

division (B) of section 2305.33 of the Revised Code. Nothing in 66744
this division affects the immunity from civil liability conferred 66745
by that section upon a physician who makes either type of report 66746
in accordance with division (B) of that section. As used in this 66747
division, "employee," "employer," and "physician" have the same 66748
meanings as in section 2305.33 of the Revised Code. 66749

(19) Inability to practice according to acceptable and 66750
prevailing standards of care by reason of mental illness or 66751
physical illness, including, but not limited to, physical 66752
deterioration that adversely affects cognitive, motor, or 66753
perceptive skills. 66754

In enforcing this division, the board, upon a showing of a 66755
possible violation, may compel any individual authorized to 66756
practice by this chapter or who has submitted an application 66757
pursuant to this chapter to submit to a mental examination, 66758
physical examination, including an HIV test, or both a mental and 66759
a physical examination. The expense of the examination is the 66760
responsibility of the individual compelled to be examined. Failure 66761
to submit to a mental or physical examination or consent to an HIV 66762
test ordered by the board constitutes an admission of the 66763
allegations against the individual unless the failure is due to 66764
circumstances beyond the individual's control, and a default and 66765
final order may be entered without the taking of testimony or 66766
presentation of evidence. If the board finds an individual unable 66767
to practice because of the reasons set forth in this division, the 66768
board shall require the individual to submit to care, counseling, 66769
or treatment by physicians approved or designated by the board, as 66770
a condition for initial, continued, reinstated, or renewed 66771
authority to practice. An individual affected under this division 66772
shall be afforded an opportunity to demonstrate to the board the 66773
ability to resume practice in compliance with acceptable and 66774
prevailing standards under the provisions of the individual's 66775

license or certificate. For the purpose of this division, any 66776
individual who applies for or receives a license or certificate to 66777
practice under this chapter accepts the privilege of practicing in 66778
this state and, by so doing, shall be deemed to have given consent 66779
to submit to a mental or physical examination when directed to do 66780
so in writing by the board, and to have waived all objections to 66781
the admissibility of testimony or examination reports that 66782
constitute a privileged communication. 66783

(20) Except as provided in division (F)(1)(b) of section 66784
4731.282 of the Revised Code or when civil penalties are imposed 66785
under section 4731.225 of the Revised Code, and subject to section 66786
4731.226 of the Revised Code, violating or attempting to violate, 66787
directly or indirectly, or assisting in or abetting the violation 66788
of, or conspiring to violate, any provisions of this chapter or 66789
any rule promulgated by the board. 66790

This division does not apply to a violation or attempted 66791
violation of, assisting in or abetting the violation of, or a 66792
conspiracy to violate, any provision of this chapter or any rule 66793
adopted by the board that would preclude the making of a report by 66794
a physician of an employee's use of a drug of abuse, or of a 66795
condition of an employee other than one involving the use of a 66796
drug of abuse, to the employer of the employee as described in 66797
division (B) of section 2305.33 of the Revised Code. Nothing in 66798
this division affects the immunity from civil liability conferred 66799
by that section upon a physician who makes either type of report 66800
in accordance with division (B) of that section. As used in this 66801
division, "employee," "employer," and "physician" have the same 66802
meanings as in section 2305.33 of the Revised Code. 66803

(21) The violation of section 3701.79 of the Revised Code or 66804
of any abortion rule adopted by the director of health pursuant to 66805
section 3701.341 of the Revised Code; 66806

(22) Any of the following actions taken by an agency 66807

responsible for authorizing, certifying, or regulating an 66808
individual to practice a health care occupation or provide health 66809
care services in this state or another jurisdiction, for any 66810
reason other than the nonpayment of fees: the limitation, 66811
revocation, or suspension of an individual's license to practice; 66812
acceptance of an individual's license surrender; denial of a 66813
license; refusal to renew or reinstate a license; imposition of 66814
probation; or issuance of an order of censure or other reprimand; 66815

(23) The violation of section 2919.12 of the Revised Code or 66816
the performance or inducement of an abortion upon a pregnant woman 66817
with actual knowledge that the conditions specified in division 66818
(B) of section 2317.56 of the Revised Code have not been satisfied 66819
or with a heedless indifference as to whether those conditions 66820
have been satisfied, unless an affirmative defense as specified in 66821
division (H)(2) of that section would apply in a civil action 66822
authorized by division (H)(1) of that section; 66823

(24) The revocation, suspension, restriction, reduction, or 66824
termination of clinical privileges by the United States department 66825
of defense or department of veterans affairs or the termination or 66826
suspension of a certificate of registration to prescribe drugs by 66827
the drug enforcement administration of the United States 66828
department of justice; 66829

(25) Termination or suspension from participation in the 66830
medicare or medicaid programs by the department of health and 66831
human services or other responsible agency; 66832

(26) Impairment of ability to practice according to 66833
acceptable and prevailing standards of care because of habitual or 66834
excessive use or abuse of drugs, alcohol, or other substances that 66835
impair ability to practice. 66836

For the purposes of this division, any individual authorized 66837
to practice by this chapter accepts the privilege of practicing in 66838

this state subject to supervision by the board. By filing an 66839
application for or holding a license or certificate to practice 66840
under this chapter, an individual shall be deemed to have given 66841
consent to submit to a mental or physical examination when ordered 66842
to do so by the board in writing, and to have waived all 66843
objections to the admissibility of testimony or examination 66844
reports that constitute privileged communications. 66845

If it has reason to believe that any individual authorized to 66846
practice by this chapter or any applicant for licensure or 66847
certification to practice suffers such impairment, the board may 66848
compel the individual to submit to a mental or physical 66849
examination, or both. The expense of the examination is the 66850
responsibility of the individual compelled to be examined. Any 66851
mental or physical examination required under this division shall 66852
be undertaken by a treatment provider or physician who is 66853
qualified to conduct the examination and who is chosen by the 66854
board. 66855

Failure to submit to a mental or physical examination ordered 66856
by the board constitutes an admission of the allegations against 66857
the individual unless the failure is due to circumstances beyond 66858
the individual's control, and a default and final order may be 66859
entered without the taking of testimony or presentation of 66860
evidence. If the board determines that the individual's ability to 66861
practice is impaired, the board shall suspend the individual's 66862
license or certificate or deny the individual's application and 66863
shall require the individual, as a condition for initial, 66864
continued, reinstated, or renewed licensure or certification to 66865
practice, to submit to treatment. 66866

Before being eligible to apply for reinstatement of a license 66867
or certificate suspended under this division, the impaired 66868
practitioner shall demonstrate to the board the ability to resume 66869
practice in compliance with acceptable and prevailing standards of 66870

care under the provisions of the practitioner's license or 66871
certificate. The demonstration shall include, but shall not be 66872
limited to, the following: 66873

(a) Certification from a treatment provider approved under 66874
section 4731.25 of the Revised Code that the individual has 66875
successfully completed any required inpatient treatment; 66876

(b) Evidence of continuing full compliance with an aftercare 66877
contract or consent agreement; 66878

(c) Two written reports indicating that the individual's 66879
ability to practice has been assessed and that the individual has 66880
been found capable of practicing according to acceptable and 66881
prevailing standards of care. The reports shall be made by 66882
individuals or providers approved by the board for making the 66883
assessments and shall describe the basis for their determination. 66884

The board may reinstate a license or certificate suspended 66885
under this division after that demonstration and after the 66886
individual has entered into a written consent agreement. 66887

When the impaired practitioner resumes practice, the board 66888
shall require continued monitoring of the individual. The 66889
monitoring shall include, but not be limited to, compliance with 66890
the written consent agreement entered into before reinstatement or 66891
with conditions imposed by board order after a hearing, and, upon 66892
termination of the consent agreement, submission to the board for 66893
at least two years of annual written progress reports made under 66894
penalty of perjury stating whether the individual has maintained 66895
sobriety. 66896

(27) A second or subsequent violation of section 4731.66 or 66897
4731.69 of the Revised Code; 66898

(28) Except as provided in division (N) of this section: 66899

(a) Waiving the payment of all or any part of a deductible or 66900

copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;	66967 66968 66969 66970

(49) Failure to comply with the requirements of section	66994
4731.30 of the Revised Code or rules adopted under section	66995

medical marijuana;	66997
(50) Practicing at a facility, clinic, or other location that	66998
is subject to licensure as a category III terminal distributor of	66999
dangerous drugs with an office-based opioid treatment	67000
classification unless the person operating that place has obtained	67001
and maintains the license with the classification;	67002
(51) Owning a facility, clinic, or other location that is	67003
subject to licensure as a category III terminal distributor of	67004

of the Revised Code following an abortion or attempted abortion in	67014

hospital when a child is born alive.	67016
(C) Disciplinary actions taken by the board under divisions	67017
(A) and (B) of this section shall be taken pursuant to an	67018
adjudication under Chapter 119. of the Revised Code, except that	67019
in lieu of an adjudication, the board may enter into a consent	67020
agreement with an individual to resolve an allegation of a	67021
violation of this chapter or any rule adopted under it. A consent	67022
agreement, when ratified by an affirmative vote of not fewer than	67023

six members of the board, shall constitute the findings and order 67024
of the board with respect to the matter addressed in the 67025
agreement. If the board refuses to ratify a consent agreement, the 67026
admissions and findings contained in the consent agreement shall 67027
be of no force or effect. 67028

A telephone conference call may be utilized for ratification 67029
of a consent agreement that revokes or suspends an individual's 67030
license or certificate to practice or certificate to recommend. 67031
The telephone conference call shall be considered a special 67032
meeting under division (F) of section 121.22 of the Revised Code. 67033

If the board takes disciplinary action against an individual 67034
under division (B) of this section for a second or subsequent plea 67035
of guilty to, or judicial finding of guilt of, a violation of 67036
section 2919.123 or 2919.124 of the Revised Code, the disciplinary 67037
action shall consist of a suspension of the individual's license 67038
or certificate to practice for a period of at least one year or, 67039
if determined appropriate by the board, a more serious sanction 67040
involving the individual's license or certificate to practice. Any 67041
consent agreement entered into under this division with an 67042
individual that pertains to a second or subsequent plea of guilty 67043
to, or judicial finding of guilt of, a violation of that section 67044
shall provide for a suspension of the individual's license or 67045
certificate to practice for a period of at least one year or, if 67046
determined appropriate by the board, a more serious sanction 67047
involving the individual's license or certificate to practice. 67048

(D) For purposes of divisions (B)(10), (12), and (14) of this 67049
section, the commission of the act may be established by a finding 67050
by the board, pursuant to an adjudication under Chapter 119. of 67051
the Revised Code, that the individual committed the act. The board 67052
does not have jurisdiction under those divisions if the trial 67053
court renders a final judgment in the individual's favor and that 67054
judgment is based upon an adjudication on the merits. The board 67055

has jurisdiction under those divisions if the trial court issues 67056
an order of dismissal upon technical or procedural grounds. 67057

(E) The sealing or expungement of conviction records by any 67058
court shall have no effect upon a prior board order entered under 67059
this section or upon the board's jurisdiction to take action under 67060
this section if, based upon a plea of guilty, a judicial finding 67061
of guilt, or a judicial finding of eligibility for intervention in 67062
lieu of conviction, the board issued a notice of opportunity for a 67063
hearing prior to the court's order to seal or expunge the records. 67064
The board shall not be required to seal, expunge, destroy, redact, 67065
or otherwise modify its records to reflect the court's sealing of 67066
conviction records. 67067

(F)(1) The board shall investigate evidence that appears to 67068
show that a person has violated any provision of this chapter or 67069
any rule adopted under it. Any person may report to the board in a 67070
signed writing any information that the person may have that 67071
appears to show a violation of any provision of this chapter or 67072
any rule adopted under it. In the absence of bad faith, any person 67073
who reports information of that nature or who testifies before the 67074
board in any adjudication conducted under Chapter 119. of the 67075
Revised Code shall not be liable in damages in a civil action as a 67076
result of the report or testimony. Each complaint or allegation of 67077
a violation received by the board shall be assigned a case number 67078
and shall be recorded by the board. 67079

(2) Investigations of alleged violations of this chapter or 67080
any rule adopted under it shall be supervised by the supervising 67081
member elected by the board in accordance with section 4731.02 of 67082
the Revised Code and by the secretary as provided in section 67083
4731.39 of the Revised Code. The president may designate another 67084
member of the board to supervise the investigation in place of the 67085
supervising member. No member of the board who supervises the 67086
investigation of a case shall participate in further adjudication 67087

of the case. 67088

(3) In investigating a possible violation of this chapter or 67089
any rule adopted under this chapter, or in conducting an 67090
inspection under division (E) of section 4731.054 of the Revised 67091
Code, the board may question witnesses, conduct interviews, 67092
administer oaths, order the taking of depositions, inspect and 67093
copy any books, accounts, papers, records, or documents, issue 67094
subpoenas, and compel the attendance of witnesses and production 67095
of books, accounts, papers, records, documents, and testimony, 67096
except that a subpoena for patient record information shall not be 67097
issued without consultation with the attorney general's office and 67098
approval of the secretary and supervising member of the board. 67099

(a) Before issuance of a subpoena for patient record 67100
information, the secretary and supervising member shall determine 67101
whether there is probable cause to believe that the complaint 67102
filed alleges a violation of this chapter or any rule adopted 67103
under it and that the records sought are relevant to the alleged 67104
violation and material to the investigation. The subpoena may 67105
apply only to records that cover a reasonable period of time 67106
surrounding the alleged violation. 67107

(b) On failure to comply with any subpoena issued by the 67108
board and after reasonable notice to the person being subpoenaed, 67109
the board may move for an order compelling the production of 67110
persons or records pursuant to the Rules of Civil Procedure. 67111

(c) A subpoena issued by the board may be served by a 67112
sheriff, the sheriff's deputy, or a board employee or agent 67113
designated by the board. Service of a subpoena issued by the board 67114
may be made by delivering a copy of the subpoena to the person 67115
named therein, reading it to the person, or leaving it at the 67116
person's usual place of residence, usual place of business, or 67117
address on file with the board. When serving a subpoena to an 67118
applicant for or the holder of a license or certificate issued 67119

under this chapter, service of the subpoena may be made by 67120
certified mail, return receipt requested, and the subpoena shall 67121
be deemed served on the date delivery is made or the date the 67122
person refuses to accept delivery. If the person being served 67123
refuses to accept the subpoena or is not located, service may be 67124
made to an attorney who notifies the board that the attorney is 67125
representing the person. 67126

(d) A sheriff's deputy who serves a subpoena shall receive 67127
the same fees as a sheriff. Each witness who appears before the 67128
board in obedience to a subpoena shall receive the fees and 67129
mileage provided for under section 119.094 of the Revised Code. 67130

(4) All hearings, investigations, and inspections of the 67131
board shall be considered civil actions for the purposes of 67132
section 2305.252 of the Revised Code. 67133

(5) A report required to be submitted to the board under this 67134
chapter, a complaint, or information received by the board 67135
pursuant to an investigation or pursuant to an inspection under 67136
division (E) of section 4731.054 of the Revised Code is 67137
confidential and not subject to discovery in any civil action. 67138

The board shall conduct all investigations or inspections and 67139
proceedings in a manner that protects the confidentiality of 67140
patients and persons who file complaints with the board. The board 67141
shall not make public the names or any other identifying 67142
information about patients or complainants unless proper consent 67143
is given or, in the case of a patient, a waiver of the patient 67144
privilege exists under division (B) of section 2317.02 of the 67145
Revised Code, except that consent or a waiver of that nature is 67146
not required if the board possesses reliable and substantial 67147
evidence that no bona fide physician-patient relationship exists. 67148

The board may share any information it receives pursuant to 67149
an investigation or inspection, including patient records and 67150

patient record information, with law enforcement agencies, other 67151
licensing boards, and other governmental agencies that are 67152
prosecuting, adjudicating, or investigating alleged violations of 67153
statutes or administrative rules. An agency or board that receives 67154
the information shall comply with the same requirements regarding 67155
confidentiality as those with which the state medical board must 67156
comply, notwithstanding any conflicting provision of the Revised 67157
Code or procedure of the agency or board that applies when it is 67158
dealing with other information in its possession. In a judicial 67159
proceeding, the information may be admitted into evidence only in 67160
accordance with the Rules of Evidence, but the court shall require 67161
that appropriate measures are taken to ensure that confidentiality 67162
is maintained with respect to any part of the information that 67163
contains names or other identifying information about patients or 67164
complainants whose confidentiality was protected by the state 67165
medical board when the information was in the board's possession. 67166
Measures to ensure confidentiality that may be taken by the court 67167
include sealing its records or deleting specific information from 67168
its records. 67169

(6) On a quarterly basis, the board shall prepare a report 67170
that documents the disposition of all cases during the preceding 67171
three months. The report shall contain the following information 67172
for each case with which the board has completed its activities: 67173

(a) The case number assigned to the complaint or alleged 67174
violation; 67175

(b) The type of license or certificate to practice, if any, 67176
held by the individual against whom the complaint is directed; 67177

(c) A description of the allegations contained in the 67178
complaint; 67179

(d) The disposition of the case. 67180

The report shall state how many cases are still pending and 67181

shall be prepared in a manner that protects the identity of each 67182
person involved in each case. The report shall be a public record 67183
under section 149.43 of the Revised Code. 67184

(G) If the secretary and supervising member determine both of 67185
the following, they may recommend that the board suspend an 67186
individual's license or certificate to practice or certificate to 67187
recommend without a prior hearing: 67188

(1) That there is clear and convincing evidence that an 67189
individual has violated division (B) of this section; 67190

(2) That the individual's continued practice presents a 67191
danger of immediate and serious harm to the public. 67192

Written allegations shall be prepared for consideration by 67193
the board. The board, upon review of those allegations and by an 67194
affirmative vote of not fewer than six of its members, excluding 67195
the secretary and supervising member, may suspend a license or 67196
certificate without a prior hearing. A telephone conference call 67197
may be utilized for reviewing the allegations and taking the vote 67198
on the summary suspension. 67199

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 67200
~~certified mail or in person~~ in accordance with ~~section~~ sections 67201
119.05 and 119.07 of the Revised Code. The order shall not be 67202
subject to suspension by the court during pendency of any appeal 67203
filed under section 119.12 of the Revised Code. If the individual 67204
subject to the summary suspension requests an adjudicatory hearing 67205
by the board, the date set for the hearing shall be within fifteen 67206
days, but not earlier than seven days, after the individual 67207
requests the hearing, unless otherwise agreed to by both the board 67208
and the individual. 67209

Any summary suspension imposed under this division shall 67210
remain in effect, unless reversed on appeal, until a final 67211
adjudicative order issued by the board pursuant to this section 67212

and Chapter 119. of the Revised Code becomes effective. The board 67213
shall issue its final adjudicative order within seventy-five days 67214
after completion of its hearing. A failure to issue the order 67215
within seventy-five days shall result in dissolution of the 67216
summary suspension order but shall not invalidate any subsequent, 67217
final adjudicative order. 67218

(H) If the board takes action under division (B)(9), (11), or 67219
(13) of this section and the judicial finding of guilt, guilty 67220
plea, or judicial finding of eligibility for intervention in lieu 67221
of conviction is overturned on appeal, upon exhaustion of the 67222
criminal appeal, a petition for reconsideration of the order may 67223
be filed with the board along with appropriate court documents. 67224
Upon receipt of a petition of that nature and supporting court 67225
documents, the board shall reinstate the individual's license or 67226
certificate to practice. The board may then hold an adjudication 67227
under Chapter 119. of the Revised Code to determine whether the 67228
individual committed the act in question. Notice of an opportunity 67229
for a hearing shall be given in accordance with Chapter 119. of 67230
the Revised Code. If the board finds, pursuant to an adjudication 67231
held under this division, that the individual committed the act or 67232
if no hearing is requested, the board may order any of the 67233
sanctions identified under division (B) of this section. 67234

(I) The license or certificate to practice issued to an 67235
individual under this chapter and the individual's practice in 67236
this state are automatically suspended as of the date of the 67237
individual's second or subsequent plea of guilty to, or judicial 67238
finding of guilt of, a violation of section 2919.123 or 2919.124 67239
of the Revised Code. In addition, the license or certificate to 67240
practice or certificate to recommend issued to an individual under 67241
this chapter and the individual's practice in this state are 67242
automatically suspended as of the date the individual pleads 67243
guilty to, is found by a judge or jury to be guilty of, or is 67244

subject to a judicial finding of eligibility for intervention in 67245
lieu of conviction in this state or treatment or intervention in 67246
lieu of conviction in another jurisdiction for any of the 67247
following criminal offenses in this state or a substantially 67248
equivalent criminal offense in another jurisdiction: aggravated 67249
murder, murder, voluntary manslaughter, felonious assault, 67250
kidnapping, rape, sexual battery, gross sexual imposition, 67251
aggravated arson, aggravated robbery, or aggravated burglary. 67252
Continued practice after suspension shall be considered practicing 67253
without a license or certificate. 67254

The board shall notify the individual subject to the 67255
suspension ~~by certified mail or in person~~ in accordance with 67256
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 67257
individual whose license or certificate is automatically suspended 67258
under this division fails to make a timely request for an 67259
adjudication under Chapter 119. of the Revised Code, the board 67260
shall do whichever of the following is applicable: 67261

(1) If the automatic suspension under this division is for a 67262
second or subsequent plea of guilty to, or judicial finding of 67263
guilt of, a violation of section 2919.123 or 2919.124 of the 67264
Revised Code, the board shall enter an order suspending the 67265
individual's license or certificate to practice for a period of at 67266
least one year or, if determined appropriate by the board, 67267
imposing a more serious sanction involving the individual's 67268
license or certificate to practice. 67269

(2) In all circumstances in which division (I)(1) of this 67270
section does not apply, enter a final order permanently revoking 67271
the individual's license or certificate to practice. 67272

(J) If the board is required by Chapter 119. of the Revised 67273
Code to give notice of an opportunity for a hearing and if the 67274
individual subject to the notice does not timely request a hearing 67275
in accordance with section 119.07 of the Revised Code, the board 67276

is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be

considered a special meeting under division (F) of section 121.22 67309
of the Revised Code. Reinstatement of a license or certificate 67310
surrendered to the board requires an affirmative vote of not fewer 67311
than six members of the board. 67312

(2) An application for a license or certificate made under 67313
the provisions of this chapter may not be withdrawn without 67314
approval of the board. 67315

(3) Failure by an individual to renew a license or 67316
certificate to practice in accordance with this chapter or a 67317
certificate to recommend in accordance with rules adopted under 67318
section 4731.301 of the Revised Code shall not remove or limit the 67319
board's jurisdiction to take any disciplinary action under this 67320
section against the individual. 67321

(4) At the request of the board, a license or certificate 67322
holder shall immediately surrender to the board a license or 67323
certificate that the board has suspended, revoked, or permanently 67324
revoked. 67325

(N) Sanctions shall not be imposed under division (B)(28) of 67326
this section against any person who waives deductibles and 67327
copayments as follows: 67328

(1) In compliance with the health benefit plan that expressly 67329
allows such a practice. Waiver of the deductibles or copayments 67330
shall be made only with the full knowledge and consent of the plan 67331
purchaser, payer, and third-party administrator. Documentation of 67332
the consent shall be made available to the board upon request. 67333

(2) For professional services rendered to any other person 67334
authorized to practice pursuant to this chapter, to the extent 67335
allowed by this chapter and rules adopted by the board. 67336

(O) Under the board's investigative duties described in this 67337
section and subject to division (F) of this section, the board 67338
shall develop and implement a quality intervention program 67339

designed to improve through remedial education the clinical and 67340
communication skills of individuals authorized under this chapter 67341
to practice medicine and surgery, osteopathic medicine and 67342
surgery, and podiatric medicine and surgery. In developing and 67343
implementing the quality intervention program, the board may do 67344
all of the following: 67345

(1) Offer in appropriate cases as determined by the board an 67346
educational and assessment program pursuant to an investigation 67347
the board conducts under this section; 67348

(2) Select providers of educational and assessment services, 67349
including a quality intervention program panel of case reviewers; 67350

(3) Make referrals to educational and assessment service 67351
providers and approve individual educational programs recommended 67352
by those providers. The board shall monitor the progress of each 67353
individual undertaking a recommended individual educational 67354
program. 67355

(4) Determine what constitutes successful completion of an 67356
individual educational program and require further monitoring of 67357
the individual who completed the program or other action that the 67358
board determines to be appropriate; 67359

(5) Adopt rules in accordance with Chapter 119. of the 67360
Revised Code to further implement the quality intervention 67361
program. 67362

An individual who participates in an individual educational 67363
program pursuant to this division shall pay the financial 67364
obligations arising from that educational program. 67365

(P) The board shall not refuse to issue a license to an 67366
applicant because of a conviction, plea of guilty, judicial 67367
finding of guilt, judicial finding of eligibility for intervention 67368
in lieu of conviction, or the commission of an act that 67369
constitutes a criminal offense, unless the refusal is in 67370

accordance with section 9.79 of the Revised Code. 67371

Sec. 4731.224. (A) Within sixty days after the imposition of 67372
any formal disciplinary action taken by any health care facility, 67373
including a hospital, health care facility operated by a health 67374
insuring corporation, ambulatory surgical center, or similar 67375
facility, against any individual holding a valid license or 67376
certificate to practice issued pursuant to this chapter, the chief 67377
administrator or executive officer of the facility shall report to 67378
the state medical board the name of the individual, the action 67379
taken by the facility, and a summary of the underlying facts 67380
leading to the action taken. Upon request, the board shall be 67381
provided certified copies of the patient records that were the 67382
basis for the facility's action. Prior to release to the board, 67383
the summary shall be approved by the peer review committee that 67384
reviewed the case or by the governing board of the facility. As 67385
used in this division, "formal disciplinary action" means any 67386
action resulting in the revocation, restriction, reduction, or 67387
termination of clinical privileges for violations of professional 67388
ethics, or for reasons of medical incompetence or medical 67389
malpractice. "Formal disciplinary action" includes a summary 67390
action, an action that takes effect notwithstanding any appeal 67391
rights that may exist, and an action that results in an individual 67392
surrendering clinical privileges while under investigation and 67393
during proceedings regarding the action being taken or in return 67394
for not being investigated or having proceedings held. "Formal 67395
disciplinary action" does not include any action taken for the 67396
sole reason of failure to maintain records on a timely basis or 67397
failure to attend staff or section meetings. 67398

The filing or nonfiling of a report with the board, 67399
investigation by the board, or any disciplinary action taken by 67400
the board, shall not preclude any action by a health care facility 67401
to suspend, restrict, or revoke the individual's clinical 67402

privileges. 67403

In the absence of fraud or bad faith, no individual or entity 67404
that provides patient records to the board shall be liable in 67405
damages to any person as a result of providing the records. 67406

(B)(1) Except as provided in division (B)(2) of this section, 67407
if any individual authorized to practice under this chapter or any 67408
professional association or society of such individuals believes 67409
that a violation of any provision of this chapter, Chapter 4730., 67410
4759., 4760., 4761., 4762., 4774., ~~or 4778.~~ or 4787. of the 67411
Revised Code, or any rule of the board has occurred, the 67412
individual, association, or society shall report to the board the 67413
information upon which the belief is based. 67414

(2) If any individual authorized to practice under this 67415
chapter or any professional association or society of such 67416
individuals believes that a violation of division (B)(26) of 67417
section 4731.22 of the Revised Code has occurred, the individual, 67418
association, or society shall report the information upon which 67419
the belief is based to the monitoring organization conducting the 67420
program established by the board under section 4731.251 of the 67421
Revised Code. If any such report is made to the board, it shall be 67422
referred to the monitoring organization unless the board is aware 67423
that the individual who is the subject of the report does not meet 67424
the program eligibility requirements of section 4731.252 of the 67425
Revised Code. 67426

(C) Any professional association or society composed 67427
primarily of doctors of medicine and surgery, doctors of 67428
osteopathic medicine and surgery, doctors of podiatric medicine 67429
and surgery, or practitioners of limited branches of medicine that 67430
suspends or revokes an individual's membership for violations of 67431
professional ethics, or for reasons of professional incompetence 67432
or professional malpractice, within sixty days after a final 67433
decision shall report to the board, on forms prescribed and 67434

provided by the board, the name of the individual, the action 67435
taken by the professional organization, and a summary of the 67436
underlying facts leading to the action taken. 67437

The filing of a report with the board or decision not to file 67438
a report, investigation by the board, or any disciplinary action 67439
taken by the board, does not preclude a professional organization 67440
from taking disciplinary action against an individual. 67441

(D) Any insurer providing professional liability insurance to 67442
an individual authorized to practice under this chapter, or any 67443
other entity that seeks to indemnify the professional liability of 67444
such an individual, shall notify the board within thirty days 67445
after the final disposition of any written claim for damages where 67446
such disposition results in a payment exceeding twenty-five 67447
thousand dollars. The notice shall contain the following 67448
information: 67449

(1) The name and address of the person submitting the 67450
notification; 67451

(2) The name and address of the insured who is the subject of 67452
the claim; 67453

(3) The name of the person filing the written claim; 67454

(4) The date of final disposition; 67455

(5) If applicable, the identity of the court in which the 67456
final disposition of the claim took place. 67457

(E) The board may investigate possible violations of this 67458
chapter or the rules adopted under it that are brought to its 67459
attention as a result of the reporting requirements of this 67460
section, except that the board shall conduct an investigation if a 67461
possible violation involves repeated malpractice. As used in this 67462
division, "repeated malpractice" means three or more claims for 67463
medical malpractice within the previous five-year period, each 67464

resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the practicing individual.

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a health care professional or facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an individual whose practice is regulated under this chapter, or in any subsequent trial or appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing the individual or in reviewing the individual's clinical privileges. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the individual who is the subject of the reports or summaries. The individual shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that, pursuant to this section, reports to the board, reports to the monitoring organization described in section 4731.251 of the Revised Code, or refers an

impaired practitioner to a treatment provider approved by the 67497
board under section 4731.25 of the Revised Code shall not be 67498
subject to suit for civil damages as a result of the report, 67499
referral, or provision of the information. 67500

(I) In the absence of fraud or bad faith, no professional 67501
association or society of individuals authorized to practice under 67502
this chapter that sponsors a committee or program to provide peer 67503
assistance to practitioners with substance abuse problems, no 67504
representative or agent of such a committee or program, no 67505
representative or agent of the monitoring organization described 67506
in section 4731.251 of the Revised Code, and no member of the 67507
state medical board shall be held liable in damages to any person 67508
by reason of actions taken to refer a practitioner to a treatment 67509
provider approved under section 4731.25 of the Revised Code for 67510
examination or treatment. 67511

Sec. 4731.24. Except as provided in sections 4731.281 and 67512
4731.40 of the Revised Code, all receipts of the state medical 67513
board, from any source, shall be deposited in the state treasury. 67514
The funds shall be deposited to the credit of the state medical 67515
board operating fund, which is hereby created. Except as provided 67516
in sections 4730.252, 4731.225, 4731.24, 4759.071, 4760.133, 67517
4761.091, 4762.133, 4774.133, and 4778.141 of the Revised Code, 67518
all funds deposited into the state treasury under this section 67519
shall be used solely for the administration and enforcement of 67520
this chapter and Chapters 4730., 4759., 4760., 4761., 4762., 67521
4774., ~~and~~ 4778., and 4787. of the Revised Code by the board. 67522

Sec. 4731.25. The state medical board, in accordance with 67523
Chapter 119. of the Revised Code, shall adopt and may amend and 67524
rescind rules establishing standards for approval of physicians 67525
and facilities as treatment providers for practitioners suffering 67526
or showing evidence of suffering impairment as described in 67527

division (B)(5) of section 4730.25, division (B)(26) of section 67528
4731.22, division (A)(18) of section 4759.07, division (B)(6) of 67529
section 4760.13, division (A)(18) of section 4761.09, division 67530
(B)(6) of section 4762.13, division (B)(6) of section 4774.13, ~~or~~ 67531
division (B)(6) of section 4778.14, or division (C)(4) of section 67532
4787.10 of the Revised Code. The rules shall include standards for 67533
both inpatient and outpatient treatment and for care and 67534
monitoring that continues after treatment. The rules shall provide 67535
that in order to be approved, a treatment provider must have the 67536
capability of making an initial examination to determine what type 67537
of treatment an impaired practitioner requires. Subject to the 67538
rules, the board shall review and approve treatment providers on a 67539
regular basis. The board, at its discretion, may withdraw or deny 67540
approval subject to the rules. 67541

An approved impaired practitioner treatment provider shall do 67542
all of the following: 67543

aftercare, including any required supervision or restrictions of 67553

impaired practitioner before the treatment provider has made a 67561
clear determination that the practitioner is capable of practicing 67562
according to acceptable and prevailing standards of care; 67563

(G) Require a practitioner who resumes practice after 67564
completion of treatment to comply with an aftercare contract that 67565
meets the requirements of rules adopted by the board for approval 67566
of treatment providers; 67567

(H) Report the identity of any practitioner practicing under 67568
the terms of an aftercare contract to hospital administrators, 67569
medical chiefs of staff, and chairpersons of impaired practitioner 67570

practitioner holds clinical privileges or otherwise practices. If 67572
the practitioner does not hold clinical privileges at any health 67573
care institution, the treatment provider shall report the 67574
practitioner's identity to the impaired practitioner committee of 67575

association. 67582

(I) Report to the board the identity of any practitioner who 67583
suffers a relapse at any time during or following aftercare. 67584

Any individual authorized to practice under this chapter who 67585
enters into treatment by an approved treatment provider shall be 67586
deemed to have waived any confidentiality requirements that would 67587
otherwise prevent the treatment provider from making reports 67588

required under this section. 67589

In the absence of fraud or bad faith, no person or 67590
organization that conducts an approved impaired practitioner 67591
treatment program, no member of such an organization, and no 67592
employee, representative, or agent of the treatment provider shall 67593
be held liable in damages to any person by reason of actions taken 67594

the superintendent until it is established, to the satisfaction of 68754
the superintendent, that the requirements of this division have 68755

suspended pursuant to division (H) of section 4735.20 of the 68765
Revised Code. However, the suspended license of the associated 68766

salesperson shall be made to the superintendent of real estate on 68780
forms furnished by the superintendent and signed by the applicant. 68781
The application shall be in the form prescribed by the 68782
superintendent and shall contain such information as is required 68783

by this chapter and the rules of the Ohio real estate commission. 68784
The application shall be accompanied by the recommendation of the 68785
real estate broker with whom the applicant is associated or with 68786
whom the applicant intends to be associated, certifying that the 68787
applicant is honest and truthful, and has not been finally 68788
adjudged by a court to have violated any municipal, state, or 68789
federal civil rights laws relevant to the protection of purchasers 68790

salesperson examination. 68794

(B) A fee of eighty-one dollars shall accompany the 68795
application, which fee includes the fee for the initial year of 68796
the licensing period, if a license is issued. The initial year of 68797
the licensing period commences at the time the license is issued 68798
and ends on the applicant's first birthday thereafter. The 68799
application fee shall be nonrefundable. A fee of eighty-one 68800
dollars shall be charged by the superintendent for each successive 68801

service to administer the real estate salesperson's examination 68809
under the superintendent's supervision and control, consistent 68810
with the requirements of this chapter as to the contents of the 68811
examination. 68812

If the superintendent, with the consent of the commission, 68813
enters into an agreement with a national testing service to 68814

administer the real estate salesperson's examination, the 68815
superintendent may require an applicant to pay the testing 68816
service's examination fee directly to the testing service. If the 68817
superintendent requires the payment of the examination fee 68818
directly to the testing service, each applicant shall submit to 68819
the superintendent a processing fee in an amount determined by the 68820
Ohio real estate commission pursuant to division (A)(1) of section 68821
4735.10 of the Revised Code. 68822

(E) The superintendent shall issue a real estate 68823
salesperson's license when satisfied that the applicant has 68824
received a passing score on each portion of the salesperson's 68825
examination as determined by rule by the real estate commission, 68826
except that the superintendent may waive one or more of the 68827
requirements of this section in the case of an applicant who is a 68828
licensed real estate salesperson in another state pursuant to a 68829
reciprocity agreement with the licensing authority of the state 68830
from which the applicant holds a valid real estate salesperson's 68831
license. 68832

salesperson's examination who has not established to the 68834
satisfaction of the superintendent that the applicant: 68835

(1) Is honest and truthful; 68836

protection of purchasers or sellers of real estate or, if the 68841

since the court decision and the superintendent has disregarded 68843
the adjudication because the applicant has proven, by a 68844
preponderance of the evidence, that the applicant is honest and 68845

truthful, and there is no basis in fact for believing that the applicant again will violate the laws involved. 68846
68847

taken through classroom instruction or distance education. 68912

If proof of completion of the required instruction is not 68913
submitted within twelve months of the date a license is issued 68914
under this section, the licensee's license is suspended 68915
automatically without the taking of any action by the 68916
superintendent. The superintendent immediately shall notify the 68917
broker with whom such salesperson is associated of the suspension 68918
of the salesperson's license. A salesperson whose license has been 68919

superintendent of real estate. Amounts collected by the 68944
superintendent as prescribed in this section and interest earned 68945
on the assets of the fund shall be credited by the treasurer of 68946
state to the fund. The amount of money in the fund shall be 68947

of competent jurisdiction against any broker or salesperson 68961
licensed under this chapter, on the grounds of conduct that is in 68962
violation of this chapter or the rules adopted under it, and that 68963
is associated with an act or transaction that only a licensed real 68964
estate broker or licensed real estate salesperson is authorized to 68965
perform as specified in division (A) or (C) of section 4735.01 of 68966
the Revised Code, may file a verified application, as described in 68967
division (B)(3) of this section, in the court of common pleas of 68968
Franklin county for an order directing payment out of the real 68969

estate recovery fund of the portion of the judgment that remains 68970
unpaid and that represents the actual and direct loss sustained by 68971
the applicant. 68972

(2) Punitive damages, attorney's fees, and interest on a 68973
judgment are not recoverable from the fund. In the discretion of 68974
the superintendent of real estate, court costs may be recovered 68975
from the fund, and, if the superintendent authorizes the recovery 68976
of court costs, the order of the court of common pleas then may 68977
direct their payment from the fund. 68978

(3) The application shall specify the nature of the act or 68979
transaction upon which the underlying judgment was based, the 68980
activities of the applicant in pursuit of remedies available under 68981
law for the collection of judgments, and the actual and direct 68982
losses, attorney's fees, and the court costs sustained or incurred 68983
by the applicant. The applicant shall attach to the application a 68984
copy of each pleading and order in the underlying court action. 68985

(4) The court shall order the superintendent to make such 68986
payments out of the fund when the person seeking the order has 68987
shown all of the following: 68988

(a) The person has obtained a judgment, as provided in this 68989
division; 68990

(b) All appeals from the judgment have been exhausted and the 68991
person has given notice to the superintendent, as required by 68992
division (C) of this section; 68993

(c) The person is not a spouse of the judgment debtor, or the 68994
personal representative of such spouse; 68995

(d) The person has diligently pursued the person's remedies 68996
against all the judgment debtors and all other persons liable to 68997
the person in the transaction for which the person seeks recovery 68998
from the fund; 68999

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment. 69000
69001
69002

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following: 69003
69004

(a) Actions arising from property management accounts maintained in the name of the property owner; 69005
69006

(b) A bonding company when it is not a principal in a real estate transaction; 69007
69008

(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code; 69009
69010
69011
69012

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment. 69013
69014

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that 69015

the superintendent shall give written notice to the applicant at 69031
least ten days before such motion. The superintendent may, subject 69032
to court approval, compromise a claim based upon the application 69033
of an aggrieved party. The superintendent shall not be bound by 69034
any prior compromise or stipulation of the judgment debtor. 69035

(D) Notwithstanding any other provision of this section, the 69036
liability of the fund shall not exceed forty thousand dollars for 69037
any one licensee. If a licensee's license is reactivated as 69038
provided in division (E) of this section, the liability of the 69039
fund for the licensee under this section shall again be forty 69040
thousand dollars, but only for transactions that occur subsequent 69041
to the time of reactivation. 69042

If the forty-thousand-dollar liability of the fund is 69043
insufficient to pay in full the valid claims of all aggrieved 69044
persons by whom claims have been filed against any one licensee, 69045
the forty thousand dollars shall be distributed among them in the 69046
ratio that their respective claims bear to the aggregate of valid 69047
claims or in such other manner as the court finds equitable. 69048
Distribution of moneys shall be among the persons entitled to 69049
share in it, without regard to the order of priority in which 69050
their respective judgments may have been obtained or their claims 69051
have been filed. Upon petition of the superintendent, the court 69052
may require all claimants and prospective claimants against one 69053
licensee to be joined in one action, to the end that the 69054
respective rights of all such claimants to the fund may be 69055
equitably adjudicated and settled. 69056

(E) If the superintendent pays from the fund any amount in 69057
settlement of a claim or toward satisfaction of a judgment against 69058
a licensed broker or salesperson, the license of the broker or 69059
salesperson shall be automatically suspended upon the date of 69060
payment from the fund. The superintendent shall not reactivate the 69061
suspended license of that broker or salesperson until the broker 69062

or salesperson has repaid in full, plus interest per annum at the 69063
rate specified in division (A) of section 1343.03 of the Revised 69064
Code, the amount paid from the fund on the broker's or 69065
salesperson's account. A discharge in bankruptcy does not relieve 69066
a person from the suspension and requirements for reactivation 69067
provided in this section unless the underlying judgment has been 69068
included in the discharge and has not been reaffirmed by the 69069
debtor. 69070

(F) If, at any time, the money deposited in the fund is 69071
insufficient to satisfy any duly authorized claim or portion of a 69072
claim, the superintendent shall, when sufficient money has been 69073
deposited in the fund, satisfy such unpaid claims or portions, in 69074
the order that such claims or portions were originally filed, plus 69075
accumulated interest per annum at the rate specified in division 69076
(A) of section 1343.03 of the Revised Code. 69077

(G) When, upon the order of the court, the superintendent has 69078
paid from the fund any sum to the judgment creditor, the 69079
superintendent shall be subrogated to all of the rights of the 69080
judgment creditor to the extent of the amount so paid, and the 69081
judgment creditor shall assign all the judgment creditor's right, 69082
title, and interest in the judgment to the superintendent to the 69083
extent of the amount so paid. Any amount and interest so recovered 69084
by the superintendent on the judgment shall be deposited in the 69085
fund. 69086

(H) Nothing contained in this section shall limit the 69087
authority of the superintendent to take disciplinary action 69088
against any licensee under other provisions of this chapter; nor 69089
shall the repayment in full of all obligations to the fund by any 69090
licensee nullify or modify the effect of any other disciplinary 69091
proceeding brought pursuant to this chapter. 69092

(I) The superintendent ~~shall~~ may collect from the fund a 69093
service fee in an amount equivalent to the interest rate specified 69094

in division (A) of section 1343.03 of the Revised Code multiplied 69095
by the annual interest earned on the assets of the fund, to defray 69096
the expenses incurred in the administration of the fund. 69097

Sec. 4735.13. (A) Every real estate broker licensed under 69098
this chapter shall have and maintain a definite place of business 69099
in this state. A post office box address is not a definite place 69100
of business for purposes of this section. The license of a real 69101
estate broker shall be prominently displayed in the office or 69102
place of business of the broker, and no license shall authorize 69103
the licensee to do business except from the location specified in 69104
it. If the broker maintains more than one place of business within 69105
the state, the broker shall apply for and procure a duplicate 69106
license for each branch office maintained by the broker. Each 69107
branch office shall be in the charge of a licensed broker or 69108
salesperson. The branch office license shall be prominently 69109
displayed at the branch office location. 69110

(B) The license of each real estate salesperson shall be 69111
mailed to and remain in the possession of the licensed broker with 69112
whom the salesperson is or is to be associated until the licensee 69113
places the license on inactive or resigned status or until the 69114
salesperson leaves the brokerage or is terminated. The broker 69115
shall keep each salesperson's license in a way that it can, and 69116
shall on request, be made immediately available for public 69117
inspection at the office or place of business of the broker. 69118
Except as provided in divisions (G) and (H) of this section, 69119
immediately upon the salesperson's leaving the association or 69120
termination of the association of a real estate salesperson with 69121
the broker, the broker shall return the salesperson's license to 69122
the superintendent of real estate. 69123

The failure of a broker to return the license of a real 69124
estate salesperson or broker who leaves or who is terminated, via 69125

certified mail return receipt requested, within three business 69126
days of the receipt of a written request from the superintendent 69127
for the return of the license, is prima-facie evidence of 69128
misconduct under division (A)(6) of section 4735.18 of the Revised 69129
Code. 69130

(C) A licensee shall notify the superintendent in writing 69131
within fifteen days of any of the following occurrences: 69132

(1) The licensee is convicted of a felony. 69133

(2) The licensee is convicted of a crime involving moral 69134
turpitude. 69135

(3) The licensee is found to have violated any federal, 69136
state, or municipal civil rights law pertaining to discrimination 69137
in housing. 69138

(4) The licensee is found to have engaged in a discriminatory 69139
practice pertaining to housing accommodations described in 69140
division (H) of section 4112.02 of the Revised Code. 69141

(5) The licensee is the subject of an order by the department 69142
of commerce, the department of insurance, or the department of 69143
agriculture revoking or permanently surrendering any professional 69144
license, certificate, or registration. 69145

(6) The licensee is the subject of an order by any government 69146
agency concerning real estate, financial matters, or the 69147
performance of fiduciary duties with respect to any license, 69148
certificate, or registration. 69149

If a licensee fails to notify the superintendent within the 69150
required time, the superintendent immediately may suspend the 69151
license of the licensee. 69152

Any court that convicts a licensee of a violation of any 69153
municipal civil rights law pertaining to housing discrimination 69154
also shall notify the Ohio civil rights commission within fifteen 69155

days of the conviction. 69156

(D) In case of any change of business location, a broker 69157
shall give notice to the superintendent, on a form prescribed by 69158
the superintendent, within thirty days after the change of 69159
location, whereupon the superintendent shall issue new licenses 69160
for the unexpired period without charge. If a broker changes a 69161
business location without giving the required notice and without 69162
receiving new licenses that action is prima-facie evidence of 69163
misconduct under division (A)(6) of section 4735.18 of the Revised 69164
Code. 69165

(E) If a real estate broker desires to associate with another 69166
real estate broker in the capacity of a real estate salesperson, 69167
the broker shall apply to the superintendent to deposit the 69168
broker's real estate broker's license with the superintendent and 69169
for the issuance of a real estate salesperson's license. The 69170
application shall be made on a form prescribed by the 69171
superintendent and shall be accompanied by the recommendation of 69172
the real estate broker with whom the applicant intends to become 69173
associated and a fee of thirty-four dollars for the real estate 69174
salesperson's license. ~~One dollar of the fee shall be credited to~~ 69175
~~the real estate education and research fund.~~ If the superintendent 69176
is satisfied that the applicant is honest and truthful, has not 69177
been convicted of a disqualifying offense as determined in 69178
accordance with section 9.79 of the Revised Code, and has not been 69179
finally adjudged by a court to have violated any municipal, state, 69180
or federal civil rights laws relevant to the protection of 69181
purchasers or sellers of real estate, and that the association of 69182
the real estate broker and the applicant will be in the public 69183
interest, the superintendent shall grant the application and issue 69184
a real estate salesperson's license to the applicant. Any license 69185
so deposited with the superintendent shall be subject to this 69186
chapter. A broker who intends to deposit the broker's license with 69187

the superintendent, as provided in this section, shall give 69188
written notice of this fact in a format prescribed by the 69189
superintendent to all salespersons associated with the broker when 69190
applying to place the broker's license on deposit. 69191

(F) If a real estate broker desires to become a member or 69192
officer of a partnership, association, limited liability company, 69193
limited liability partnership, or corporation that is or intends 69194
to become a licensed real estate broker, the broker shall notify 69195
the superintendent of the broker's intentions. The notice of 69196
intention shall be on a form prescribed by the superintendent and 69197
shall be accompanied by a fee of thirty-four dollars. ~~One dollar~~ 69198
~~of the fee shall be credited to the real estate education and~~ 69199
~~research fund.~~ 69200

A licensed real estate broker who is a member or officer of a 69201
partnership, association, limited liability company, limited 69202
liability partnership, or corporation shall only act as a real 69203
estate broker for such partnership, association, limited liability 69204
company, limited liability partnership, or corporation. 69205

(G)(1) If a real estate broker or salesperson enters the 69206
armed forces, the broker or salesperson may place the broker's or 69207
salesperson's license on deposit with the Ohio real estate 69208
commission. The licensee shall not be required to renew the 69209
license until the renewal date that follows the date of discharge 69210
from the armed forces. Any license deposited with the commission 69211
shall be subject to this chapter. 69212

Any licensee whose license is on deposit under this division 69213
and who fails to meet the continuing education requirements of 69214
section 4735.141 of the Revised Code because the licensee is in 69215
the armed forces shall satisfy the commission that the licensee 69216
has complied with the continuing education requirements within 69217
twelve months of the licensee's first birthday after discharge or 69218
within the amount of time equal to the total number of months the 69219

licensee spent on active duty, whichever is greater. The licensee 69220
shall submit proper documentation of active duty service and the 69221
length of that active duty service to the superintendent. The 69222
extension shall not exceed the total number of months that the 69223
licensee served in active duty. The superintendent shall notify 69224
the licensee of the licensee's obligations under section 4735.141 69225
of the Revised Code at the time the licensee applies for 69226
reactivation of the licensee's license. 69227

(2) If a licensee is a spouse of a member of the armed forces 69228
and the spouse's service resulted in the licensee's absence from 69229
this state, both of the following apply: 69230

(a) The licensee shall not be required to renew the license 69231
until the renewal date that follows the date of the spouse's 69232
discharge from the armed forces. 69233

(b) If the licensee fails to meet the continuing education 69234
requirements of section 4735.141 of the Revised Code, the licensee 69235
shall satisfy the commission that the licensee has complied with 69236
the continuing education requirements within twelve months after 69237
the licensee's first birthday after the spouse's discharge or 69238
within the amount of time equal to the total number of months the 69239
licensee's spouse spent on active duty, whichever is greater. The 69240
licensee shall submit proper documentation of the spouse's active 69241
duty service and the length of that active duty service. This 69242
extension shall not exceed the total number of months that the 69243
licensee's spouse served in active duty. 69244

(3) In the case of a licensee as described in division (G)(2) 69245
of this section, who holds the license through a reciprocity 69246
agreement with another state, the spouse's service shall have 69247
resulted in the licensee's absence from the licensee's state of 69248
residence for the provisions of that division to apply. 69249

(4) As used in this division, "armed forces" means the armed 69250

forces of the United States or reserve component of the armed 69251
forces of the United States including the Ohio national guard or 69252
the national guard of any other state. 69253

(H) If a licensed real estate salesperson submits an 69254
application to the superintendent to leave the association of one 69255
broker to associate with a different broker, the broker possessing 69256
the licensee's license need not return the salesperson's license 69257
to the superintendent. The superintendent may process the 69258
application regardless of whether the licensee's license is 69259
returned to the superintendent. 69260

Sec. 4735.143. (A) Each person applying for a license 69261
pursuant to section 4735.07 or 4735.09 of the Revised Code shall 69262
submit one complete set of fingerprint impressions directly to the 69263
superintendent of the bureau of criminal identification and 69264
investigation for the purpose of conducting a criminal records 69265
check. The applicant shall provide the fingerprint impressions 69266
using a method the superintendent of the bureau of criminal 69267
identification and investigation prescribes and fill out the form 69268
the superintendent prescribes pursuant to division (C) of section 69269
109.572 of the Revised Code. Upon receiving an application under 69270
this section, the superintendent of real estate and professional 69271
licensing shall request the superintendent of the bureau of 69272
criminal identification and investigation, or a vendor approved by 69273
the bureau, to conduct a criminal records check based on the 69274
applicant's fingerprint impressions in accordance with division 69275
(A)(16) of section 109.572 of the Revised Code. Notwithstanding 69276
division ~~(K)~~(L) of section 121.08 of the Revised Code, the 69277
superintendent of real estate and professional licensing shall 69278
request that criminal record information based on the applicant's 69279
fingerprints be obtained from the federal bureau of investigation 69280
as part of the criminal records check. Any fee required under 69281
division (C)(3) of section 109.572 of the Revised Code shall be 69282

paid by the applicant. 69283

(B) An applicant who disclosed on the application that the 69284
applicant has been convicted of any criminal offense shall only be 69285
permitted to take the examination after the results of the 69286
criminal records check have been received by the superintendent 69287
and the superintendent has made a determination to disregard the 69288
conviction because the applicant has proven to the superintendent, 69289
by a preponderance of the evidence, that the applicant's 69290
activities and employment record since the conviction show that 69291
the applicant is honest, truthful, and of good reputation, and 69292
there is no basis in fact for believing that the applicant again 69293
will violate the laws involved. 69294

(C) Persons who have indicated on the application that they 69295
have not been convicted of any criminal offense, shall, if all 69296
other requirements for licensure have been satisfied, be permitted 69297
to take the real estate examination for which the applicant has 69298
applied prior to the superintendent's receipt of the results of 69299
the criminal records check. If the applicant receives a passing 69300
score on the examination and meets the other requirements for the 69301
license, the superintendent shall issue a provisional license 69302
pending the results of the criminal records check. During this 69303
provisional status, the licensee may perform acts that require a 69304
real estate license. If the results of the criminal records check 69305
subsequently confirm that the licensee has no convictions, the 69306
provisional status shall be removed. If it is determined that the 69307
licensee has been convicted of any criminal offense, the 69308
superintendent may immediately suspend the license of the 69309
licensee. 69310

(D) Any entity offering the prelicensure education required 69311
to obtain a real estate license in this state shall, prior to a 69312
student's enrollment in a class, notify the student of both of the 69313

following: 69314

(1) That a conviction of a criminal offense may disqualify an individual from obtaining a real estate license; 69315
69316

(2) The student's rights under section 9.78 of the Revised Code to request a determination as to whether such a conviction will disqualify the student. 69317
69318
69319

69342
69343

limited liability company, limited liability partnership, or 69344
corporation that is a real estate broker. If the real estate 69345
broker has not less than eleven nor more than twenty real estate 69346
salespersons associated with the broker, an additional fee of 69347
sixty-four dollars shall be assessed to the brokerage. For every 69348

number, the brokerage assessment fee shall be increased in the 69350
amount of thirty-seven dollars. 69351

(3) Renewal of a three-year real estate salesperson's 69352

dollar and fifty cents of each triennial fee shall be credited to 69367
the real estate education and research fund.~~ 69368

(D) In all cases, the fee and any penalty shall accompany the 69369
application for the license, license transfer, or license 69370
reactivation or shall accompany the filing of the renewal. 69371

(E) The commission may establish by rule reasonable fees for 69372
services not otherwise established by this chapter. 69373

(F) The commission may adopt rules that provide for a 69374
reduction in the fees established in divisions (B)(2) and (3) of 69375
this section. 69376

Sec. 4735.18. (A) Subject to section 4735.32 of the Revised 69377
Code, the superintendent of real estate, upon the superintendent's 69378

incompetency, or misconduct; 69402

(7)(a) By final adjudication by a court, a violation of any 69403

Code. The physical therapy section's determination is an order 70613
that the person may appeal in accordance with section 119.12 of 70614

therapy section assesses a person a civil penalty for a violation 70621
of this section and the person fails to pay that civil penalty 70622
within the time period prescribed by the physical therapy section, 70623
the physical therapy section shall forward to the attorney general 70624

number of terms expiring each year are four, five, or six. 70794

(G) A member shall hold office from the date of appointment 70795
until the end of the term for which the member was appointed. A 70796
member appointed to fill a vacancy occurring prior to the 70797
expiration of the term for which the member's predecessor was 70798
appointed shall hold office for the remainder of that term. A 70799
member shall continue in office after the expiration date of the 70800
member's term until a successor takes office. Members may be 70801
reappointed, except that if a person has held office for two 70802
consecutive full terms, the person shall not be reappointed to the 70803
board sooner than one year after the expiration of the second full 70804
term as a member of the board. 70805

Sec. 4757.361. (A) As used in this section, with regard to 70806
offenses committed in Ohio, "aggravated murder," "murder," 70807
"voluntary manslaughter," "felonious assault," "kidnapping," 70808
"rape," "sexual battery," "gross sexual imposition," "aggravated 70809
arson," "aggravated robbery," and "aggravated burglary" mean such 70810
offenses as defined in Title XXIX of the Revised Code; with regard 70811

to offenses committed in other jurisdictions, the terms mean 70812
offenses comparable to offenses defined in Title XXIX of the 70813
Revised Code. 70814

(B) When there is clear and convincing evidence that 70815
continued practice by an individual licensed under this chapter 70816
presents a danger of immediate and serious harm to the public, as 70817
determined on consideration of the evidence by the professional 70818
standards committees of the counselor, social worker, and marriage 70819
and family therapist board, the appropriate committee shall impose 70820
on the individual a summary suspension without a hearing. 70821

Immediately following the decision to impose a summary 70822
suspension, the appropriate committee shall ~~issue~~ serve a written 70823
order of suspension ~~and cause it to be delivered by certified mail~~ 70824
~~or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 70825
of the Revised Code. The order shall not be subject to suspension 70826
by the court during the pendency of any appeal filed under section 70827
119.12 of the Revised Code. If the individual subject to the 70828
suspension requests an adjudication, the date set for the 70829
adjudication shall be within fifteen days but not earlier than 70830
seven days after the individual makes the request, unless another 70831
date is agreed to by both the individual and the committee 70832
imposing the suspension. The summary suspension shall remain in 70833
effect, unless reversed by the committee, until a final 70834
adjudication order issued by the committee pursuant to this 70835
section and Chapter 119. of the Revised Code becomes effective. 70836

The committee shall issue its final adjudication order within 70837
ninety days after completion of the adjudication. If the committee 70838
does not issue a final order within the ninety-day period, the 70839
summary suspension shall be void, but any final adjudication order 70840
issued subsequent to the ninety-day period shall not be affected. 70841

(C) The license issued to an individual under this chapter is 70842

automatically suspended on that individual's conviction of, plea 70843
of guilty to, or judicial finding with regard to any of the 70844
following: aggravated murder, murder, voluntary manslaughter, 70845
felonious assault, kidnapping, rape, sexual battery, gross sexual 70846
imposition, aggravated arson, aggravated robbery, or aggravated 70847
burglary. The suspension shall remain in effect from the date of 70848
the conviction, plea, or finding until an adjudication is held 70849
under Chapter 119. of the Revised Code. If the appropriate 70850
committee has knowledge that an automatic suspension has occurred, 70851
it shall notify the individual subject to the suspension. If the 70852
individual is notified and either fails to request an adjudication 70853
within the time periods established by Chapter 119. of the Revised 70854
Code or fails to participate in the adjudication, the committee 70855
shall enter a final order permanently revoking the person's 70856
license or certificate. 70857

Sec. 4759.07. (A) The state medical board, by an affirmative 70858
vote of not fewer than six members, shall, except as provided in 70859
division (B) of this section, and to the extent permitted by law, 70860
limit, revoke, or suspend an individual's license or limited 70861
permit, refuse to issue a license or limited permit to an 70862
individual, refuse to renew a license or limited permit, refuse to 70863
reinstate a license or limited permit, or reprimand or place on 70864
probation the holder of a license or limited permit for one or 70865
more of the following reasons: 70866

(1) Except when civil penalties are imposed under section 70867
4759.071 of the Revised Code, violating or attempting to violate, 70868
directly or indirectly, or assisting in or abetting the violation 70869
of, or conspiring to violate, any provision of this chapter or the 70870
rules adopted by the board; 70871

(2) Making a false, fraudulent, deceptive, or misleading 70872
statement in the solicitation of or advertising for patients; in 70873

relation to the practice of dietetics; or in securing or 70874
attempting to secure any license or permit issued by the board 70875
under this chapter. 70876

As used in division (A)(2) of this section, "false, 70877
fraudulent, deceptive, or misleading statement" means a statement 70878
that includes a misrepresentation of fact, is likely to mislead or 70879
deceive because of a failure to disclose material facts, is 70880
intended or is likely to create false or unjustified expectations 70881
of favorable results, or includes representations or implications 70882
that in reasonable probability will cause an ordinarily prudent 70883
person to misunderstand or be deceived. 70884

(3) Committing fraud during the administration of the 70885
examination for a license to practice or committing fraud, 70886
misrepresentation, or deception in applying for, renewing, or 70887
securing any license or permit issued by the board; 70888

(4) A plea of guilty to, a judicial finding of guilt of, or a 70889
judicial finding of eligibility for intervention in lieu of 70890
conviction for, a felony; 70891

(5) Commission of an act that constitutes a felony in this 70892
state, regardless of the jurisdiction in which the act was 70893
committed; 70894

(6) A plea of guilty to, a judicial finding of guilt of, or a 70895
judicial finding of eligibility for intervention in lieu of 70896
conviction for, a misdemeanor committed in the course of practice; 70897

(7) Commission of an act in the course of practice that 70898
constitutes a misdemeanor in this state, regardless of the 70899
jurisdiction in which the act was committed; 70900

(8) A plea of guilty to, a judicial finding of guilt of, or a 70901
judicial finding of eligibility for intervention in lieu of 70902
conviction for, a misdemeanor involving moral turpitude; 70903

- (9) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 70904
70905
70906
- (10) A record of engaging in incompetent or negligent conduct in the practice of dietetics; 70907
70908
- (11) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established; 70909
70910
70911
70912
- (12) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice; 70913
70914
70915
- (13) Violation of the conditions of limitation placed by the board on a license or permit; 70916
70917
- (14) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, physical deterioration that adversely affects cognitive, motor, or perceptive skills; 70918
70919
70920
70921
- (15) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand; 70922
70923
70924
70925
70926
70927
70928
70929
70930
- (16) The revocation, suspension, restriction, reduction, or termination of practice privileges by the United States department of defense or department of veterans affairs; 70931
70932
70933

(17) Termination or suspension from participation in the 70934
medicare or medicaid programs by the department of health and 70935
human services or other responsible agency for any act or acts 70936
that also would constitute a violation of division (A)(11), (12), 70937
or (14) of this section; 70938

(18) Impairment of ability to practice according to 70939
acceptable and prevailing standards of care because of habitual or 70940
excessive use or abuse of drugs, alcohol, or other substances that 70941
impair ability to practice; 70942

(19) Failure to cooperate in an investigation conducted by 70943
the board under division (B) of section 4759.05 of the Revised 70944
Code, including failure to comply with a subpoena or order issued 70945
by the board or failure to answer truthfully a question presented 70946
by the board in an investigative interview, an investigative 70947
office conference, at a deposition, or in written interrogatories, 70948
except that failure to cooperate with an investigation shall not 70949
constitute grounds for discipline under this section if a court of 70950
competent jurisdiction has issued an order that either quashes a 70951
subpoena or permits the individual to withhold the testimony or 70952
evidence in issue; 70953

(20) Representing with the purpose of obtaining compensation 70954
or other advantage as personal gain or for any other person, that 70955
an incurable disease or injury, or other incurable condition, can 70956
be permanently cured. 70957

(B) The board shall not refuse to issue a license or limited 70958
permit to an applicant because of a plea of guilty to, a judicial 70959
finding of guilt of, or a judicial finding of eligibility for 70960
intervention in lieu of conviction for an offense unless the 70961
refusal is in accordance with section 9.79 of the Revised Code. 70962

(C) Any action taken by the board under division (A) of this 70963
section resulting in a suspension from practice shall be 70964

accompanied by a written statement of the conditions under which 70965
the individual's license or permit may be reinstated. The board 70966
shall adopt rules governing conditions to be imposed for 70967
reinstatement. Reinstatement of a license or permit suspended 70968
pursuant to division (A) of this section requires an affirmative 70969
vote of not fewer than six members of the board. 70970

(D) When the board refuses to grant or issue a license or 70971
permit to an applicant, revokes an individual's license or permit, 70972
refuses to renew an individual's license or permit, or refuses to 70973
reinstate an individual's license or permit, the board may specify 70974
that its action is permanent. An individual subject to a permanent 70975
action taken by the board is forever thereafter ineligible to hold 70976
a license or permit and the board shall not accept an application 70977
for reinstatement of the license or permit or for issuance of a 70978
new license or permit. 70979

(E) Disciplinary actions taken by the board under division 70980
(A) of this section shall be taken pursuant to an adjudication 70981
under Chapter 119. of the Revised Code, except that in lieu of an 70982
adjudication, the board may enter into a consent agreement with an 70983
individual to resolve an allegation of a violation of this chapter 70984
or any rule adopted under it. A consent agreement, when ratified 70985
by an affirmative vote of not fewer than six members of the board, 70986
shall constitute the findings and order of the board with respect 70987
to the matter addressed in the agreement. If the board refuses to 70988
ratify a consent agreement, the admissions and findings contained 70989
in the consent agreement shall be of no force or effect. 70990

A telephone conference call may be utilized for ratification 70991
of a consent agreement that revokes or suspends an individual's 70992
license or permit. The telephone conference call shall be 70993
considered a special meeting under division (F) of section 121.22 70994
of the Revised Code. 70995

(F) In enforcing division (A)(14) of this section, the board, 70996

upon a showing of a possible violation, may compel any individual 70997
authorized to practice by this chapter or who has submitted an 70998
application pursuant to this chapter to submit to a mental 70999
examination, physical examination, including an HIV test, or both 71000
a mental and a physical examination. The expense of the 71001
examination is the responsibility of the individual compelled to 71002
be examined. Failure to submit to a mental or physical examination 71003
or consent to an HIV test ordered by the board constitutes an 71004
admission of the allegations against the individual unless the 71005
failure is due to circumstances beyond the individual's control, 71006
and a default and final order may be entered without the taking of 71007
testimony or presentation of evidence. If the board finds an 71008
individual unable to practice because of the reasons set forth in 71009
division (A)(14) of this section, the board shall require the 71010
individual to submit to care, counseling, or treatment by 71011
physicians approved or designated by the board, as a condition for 71012
initial, continued, reinstated, or renewed authority to practice. 71013
An individual affected under this division shall be afforded an 71014
opportunity to demonstrate to the board the ability to resume 71015
practice in compliance with acceptable and prevailing standards 71016
under the provisions of the individual's license or permit. For 71017
the purpose of division (A)(14) of this section, any individual 71018
who applies for or receives a license or permit under this chapter 71019
accepts the privilege of practicing in this state and, by so 71020
doing, shall be deemed to have given consent to submit to a mental 71021
or physical examination when directed to do so in writing by the 71022
board, and to have waived all objections to the admissibility of 71023
testimony or examination reports that constitute a privileged 71024
communication. 71025

(G) For the purposes of division (A)(18) of this section, any 71026
individual authorized to practice by this chapter accepts the 71027
privilege of practicing in this state subject to supervision by 71028
the board. By filing an application for or holding a license or 71029

permit under this chapter, an individual shall be deemed to have 71030
given consent to submit to a mental or physical examination when 71031
ordered to do so by the board in writing, and to have waived all 71032
objections to the admissibility of testimony or examination 71033
reports that constitute privileged communications. 71034

If it has reason to believe that any individual authorized to 71035
practice by this chapter or any applicant for a license or permit 71036
suffers such impairment, the board may compel the individual to 71037
submit to a mental or physical examination, or both. The expense 71038
of the examination is the responsibility of the individual 71039
compelled to be examined. Any mental or physical examination 71040
required under this division shall be undertaken by a treatment 71041
provider or physician who is qualified to conduct the examination 71042
and who is chosen by the board. 71043

Failure to submit to a mental or physical examination ordered 71044
by the board constitutes an admission of the allegations against 71045
the individual unless the failure is due to circumstances beyond 71046
the individual's control, and a default and final order may be 71047
entered without the taking of testimony or presentation of 71048
evidence. If the board determines that the individual's ability to 71049
practice is impaired, the board shall suspend the individual's 71050
license or permit or deny the individual's application and shall 71051
require the individual, as a condition for an initial, continued, 71052
reinstated, or renewed license or permit, to submit to treatment. 71053

Before being eligible to apply for reinstatement of a license 71054
or permit suspended under this division, the impaired practitioner 71055
shall demonstrate to the board the ability to resume practice in 71056
compliance with acceptable and prevailing standards of care under 71057
the provisions of the practitioner's license or permit. The 71058
demonstration shall include, but shall not be limited to, the 71059
following: 71060

(1) Certification from a treatment provider approved under 71061

section 4731.25 of the Revised Code that the individual has 71062
successfully completed any required inpatient treatment; 71063

(2) Evidence of continuing full compliance with an aftercare 71064
contract or consent agreement; 71065

(3) Two written reports indicating that the individual's 71066
ability to practice has been assessed and that the individual has 71067
been found capable of practicing according to acceptable and 71068
prevailing standards of care. The reports shall be made by 71069
individuals or providers approved by the board for making the 71070
assessments and shall describe the basis for their determination. 71071

The board may reinstate a license or permit suspended under 71072
this division after that demonstration and after the individual 71073
has entered into a written consent agreement. 71074

When the impaired practitioner resumes practice, the board 71075
shall require continued monitoring of the individual. The 71076
monitoring shall include, but not be limited to, compliance with 71077
the written consent agreement entered into before reinstatement or 71078
with conditions imposed by board order after a hearing, and, upon 71079
termination of the consent agreement, submission to the board for 71080
at least two years of annual written progress reports made under 71081
penalty of perjury stating whether the individual has maintained 71082
sobriety. 71083

(H) If the secretary and supervising member determine both of 71084
the following, they may recommend that the board suspend an 71085
individual's license or permit without a prior hearing: 71086

(1) That there is clear and convincing evidence that an 71087
individual has violated division (A) of this section; 71088

(2) That the individual's continued practice presents a 71089
danger of immediate and serious harm to the public. 71090

Written allegations shall be prepared for consideration by 71091

the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or permit without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall ~~issue~~ serve a written order of suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(I) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the

board may order any of the sanctions identified under division (A) 71124
of this section. 71125

(J) For purposes of divisions (A)(5), (7), and (9) of this 71126
section, the commission of the act may be established by a finding 71127
by the board, pursuant to an adjudication under Chapter 119. of 71128
the Revised Code, that the individual committed the act. The board 71129
does not have jurisdiction under those divisions if the trial 71130
court renders a final judgment in the individual's favor and that 71131
judgment is based upon an adjudication on the merits. The board 71132
has jurisdiction under those divisions if the trial court issues 71133
an order of dismissal upon technical or procedural grounds. 71134

(K) The sealing or expungement of conviction records by any 71135
court shall have no effect upon a prior board order entered under 71136
this section or upon the board's jurisdiction to take action under 71137
this section if, based upon a plea of guilty, a judicial finding 71138
of guilt, or a judicial finding of eligibility for intervention in 71139
lieu of conviction, the board issued a notice of opportunity for a 71140
hearing prior to the court's order to seal or expunge the records. 71141
The board shall not be required to seal, destroy, redact, or 71142
otherwise modify its records to reflect the court's sealing or 71143
expungement of conviction records. 71144

(L) If the board takes action under division (A)(4), (6), or 71145
(8) of this section, and the judicial finding of guilt, guilty 71146
plea, or judicial finding of eligibility for intervention in lieu 71147
of conviction is overturned on appeal, upon exhaustion of the 71148
criminal appeal, a petition for reconsideration of the order may 71149
be filed with the board along with appropriate court documents. 71150
Upon receipt of a petition for reconsideration and supporting 71151
court documents, the board shall reinstate the individual's 71152
license or permit. The board may then hold an adjudication under 71153
Chapter 119. of the Revised Code to determine whether the 71154
individual committed the act in question. Notice of an opportunity 71155

for a hearing shall be given in accordance with Chapter 119. of 71156
the Revised Code. If the board finds, pursuant to an adjudication 71157
held under this division, that the individual committed the act or 71158
if no hearing is requested, the board may order any of the 71159
sanctions identified under division (A) of this section. 71160

(M) The license or permit issued to an individual under this 71161
chapter and the individual's practice in this state are 71162
automatically suspended as of the date the individual pleads 71163
guilty to, is found by a judge or jury to be guilty of, or is 71164
subject to a judicial finding of eligibility for intervention in 71165
lieu of conviction in this state or treatment or intervention in 71166
lieu of conviction in another jurisdiction for any of the 71167
following criminal offenses in this state or a substantially 71168
equivalent criminal offense in another jurisdiction: aggravated 71169
murder, murder, voluntary manslaughter, felonious assault, 71170
kidnapping, rape, sexual battery, gross sexual imposition, 71171
aggravated arson, aggravated robbery, or aggravated burglary. 71172
Continued practice after suspension shall be considered practicing 71173
without a license or permit. 71174

The board shall ~~notify~~ serve the individual subject to the 71175
suspension ~~by certified mail or in person~~ in accordance with 71176
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 71177
individual whose license or permit is automatically suspended 71178
under this division fails to make a timely request for an 71179
adjudication under Chapter 119. of the Revised Code, the board 71180
shall enter a final order permanently revoking the individual's 71181
license or permit. 71182

(N) Notwithstanding any other provision of the Revised Code, 71183
all of the following apply: 71184

(1) The surrender of a license or permit issued under this 71185
chapter shall not be effective unless or until accepted by the 71186
board. A telephone conference call may be utilized for acceptance 71187

of the surrender of an individual's license or permit. The 71188
telephone conference call shall be considered a special meeting 71189
under division (F) of section 121.22 of the Revised Code. 71190
Reinstatement of a license or permit surrendered to the board 71191
requires an affirmative vote of not fewer than six members of the 71192
board. 71193

(2) An application for a license or permit made under the 71194
provisions of this chapter may not be withdrawn without approval 71195
of the board. 71196

(3) Failure by an individual to renew a license or permit in 71197
accordance with this chapter shall not remove or limit the board's 71198
jurisdiction to take any disciplinary action under this section 71199
against the individual. 71200

(4) At the request of the board, a license or permit holder 71201
shall immediately surrender to the board a license or permit that 71202
the board has suspended, revoked, or permanently revoked. 71203

Sec. 4760.13. (A) The state medical board, by an affirmative 71204
vote of not fewer than six members, may revoke or may refuse to 71205
grant a license to practice as an anesthesiologist assistant to a 71206
person found by the board to have committed fraud, 71207
misrepresentation, or deception in applying for or securing the 71208
license. 71209

(B) The board, by an affirmative vote of not fewer than six 71210
members, shall, except as provided in division (C) of this 71211
section, and to the extent permitted by law, limit, revoke, or 71212
suspend an individual's license to practice as an anesthesiologist 71213
assistant, refuse to issue a license to an applicant, refuse to 71214
renew a license, refuse to reinstate a license, or reprimand or 71215
place on probation the holder of a license for any of the 71216
following reasons: 71217

(1) Permitting the holder's name or license to be used by another person;	71218 71219
(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;	71220 71221 71222

(7) Willfully betraying a professional confidence;	71239
(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a license to practice as an anesthesiologist assistant.	71240 71241 71242
As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results,	71243 71244 71245 71246 71247

or includes representations or implications that in reasonable 71248
probability will cause an ordinarily prudent person to 71249
misunderstand or be deceived. 71250

(9) The obtaining of, or attempting to obtain, money or a 71251
thing of value by fraudulent misrepresentations in the course of 71252
practice; 71253

(10) A plea of guilty to, a judicial finding of guilt of, or 71254
a judicial finding of eligibility for intervention in lieu of 71255

state, regardless of the jurisdiction in which the act was 71258

a judicial finding of eligibility for intervention in lieu of 71264
conviction for, a misdemeanor involving moral turpitude; 71265

(14) Commission of an act in the course of practice that 71266
constitutes a misdemeanor in this state, regardless of the 71267
jurisdiction in which the act was committed; 71268

(15) Commission of an act involving moral turpitude that 71269
constitutes a misdemeanor in this state, regardless of the 71270
jurisdiction in which the act was committed; 71271

(16) A plea of guilty to, a judicial finding of guilt of, or 71272
a judicial finding of eligibility for intervention in lieu of 71273
conviction for violating any state or federal law regulating the 71274
possession, distribution, or use of any drug, including 71275
trafficking in drugs; 71276

(17) Any of the following actions taken by the state agency 71277

responsible for regulating the practice of anesthesiologist 71278
assistants in another jurisdiction, for any reason other than the 71279
nonpayment of fees: the limitation, revocation, or suspension of 71280
an individual's license to practice; acceptance of an individual's 71281
license surrender; denial of a license; refusal to renew or 71282
reinstate a license; imposition of probation; or issuance of an 71283
order of censure or other reprimand; 71284

(18) Violation of the conditions placed by the board on a 71285
license to practice; 71286

(19) Failure to use universal blood and body fluid 71287
precautions established by rules adopted under section 4731.051 of 71288
the Revised Code; 71289

(20) Failure to cooperate in an investigation conducted by 71290
the board under section 4760.14 of the Revised Code, including 71291
failure to comply with a subpoena or order issued by the board or 71292
failure to answer truthfully a question presented by the board at 71293
a deposition or in written interrogatories, except that failure to 71294
cooperate with an investigation shall not constitute grounds for 71295
discipline under this section if a court of competent jurisdiction 71296
has issued an order that either quashes a subpoena or permits the 71297
individual to withhold the testimony or evidence in issue; 71298

(21) Failure to comply with any code of ethics established by 71299
the national commission for the certification of anesthesiologist 71300

(22) Failure to notify the state medical board of the 71302
revocation or failure to maintain certification from the national 71303
commission for certification of anesthesiologist assistants. 71304

(C) The board shall not refuse to issue a certificate to an 71305
applicant because of a plea of guilty to, a judicial finding of 71306
guilt of, or a judicial finding of eligibility for intervention in 71307
lieu of conviction for an offense unless the refusal is in 71308

accordance with section 9.79 of the Revised Code. 71309

(D) Disciplinary actions taken by the board under divisions 71310
(A) and (B) of this section shall be taken pursuant to an 71311
adjudication under Chapter 119. of the Revised Code, except that 71312
in lieu of an adjudication, the board may enter into a consent 71313
agreement with an anesthesiologist assistant or applicant to 71314
resolve an allegation of a violation of this chapter or any rule 71315
adopted under it. A consent agreement, when ratified by an 71316
affirmative vote of not fewer than six members of the board, shall 71317
constitute the findings and order of the board with respect to the 71318
matter addressed in the agreement. If the board refuses to ratify 71319
a consent agreement, the admissions and findings contained in the 71320
consent agreement shall be of no force or effect. 71321

(E) For purposes of divisions (B)(11), (14), and (15) of this 71322
section, the commission of the act may be established by a finding 71323
by the board, pursuant to an adjudication under Chapter 119. of 71324
the Revised Code, that the applicant or license holder committed 71325
the act in question. The board shall have no jurisdiction under 71326
these divisions in cases where the trial court renders a final 71327
judgment in the license holder's favor and that judgment is based 71328
upon an adjudication on the merits. The board shall have 71329
jurisdiction under these divisions in cases where the trial court 71330
issues an order of dismissal on technical or procedural grounds. 71331

(F) The sealing or expungement of conviction records by any 71332
court shall have no effect on a prior board order entered under 71333
the provisions of this section or on the board's jurisdiction to 71334
take action under the provisions of this section if, based upon a 71335
plea of guilty, a judicial finding of guilt, or a judicial finding 71336
of eligibility for intervention in lieu of conviction, the board 71337
issued a notice of opportunity for a hearing prior to the court's 71338
order to seal or expunge the records. The board shall not be 71339
required to seal, destroy, redact, or otherwise modify its records 71340

to reflect the court's sealing or expungement of conviction 71341
records. 71342

(G) For purposes of this division, any individual who holds a 71343
license to practice issued under this chapter, or applies for a 71344
license to practice, shall be deemed to have given consent to 71345
submit to a mental or physical examination when directed to do so 71346
in writing by the board and to have waived all objections to the 71347
admissibility of testimony or examination reports that constitute 71348
a privileged communication. 71349

(1) In enforcing division (B)(5) of this section, the board, 71350
on a showing of a possible violation, may compel any individual 71351
who holds a license to practice issued under this chapter or who 71352
has applied for a license to practice pursuant to this chapter to 71353
submit to a mental or physical examination, or both. A physical 71354
examination may include an HIV test. The expense of the 71355
examination is the responsibility of the individual compelled to 71356
be examined. Failure to submit to a mental or physical examination 71357
or consent to an HIV test ordered by the board constitutes an 71358
admission of the allegations against the individual unless the 71359
failure is due to circumstances beyond the individual's control, 71360
and a default and final order may be entered without the taking of 71361
testimony or presentation of evidence. If the board finds an 71362
anesthesiologist assistant unable to practice because of the 71363
reasons set forth in division (B)(5) of this section, the board 71364
shall require the anesthesiologist assistant to submit to care, 71365
counseling, or treatment by physicians approved or designated by 71366
the board, as a condition for an initial, continued, reinstated, 71367
or renewed license to practice. An individual affected by this 71368
division shall be afforded an opportunity to demonstrate to the 71369
board the ability to resume practicing in compliance with 71370
acceptable and prevailing standards of care. 71371

(2) For purposes of division (B)(6) of this section, if the 71372

board has reason to believe that any individual who holds a 71373
license to practice issued under this chapter or any applicant for 71374
a license to practice suffers such impairment, the board may 71375
compel the individual to submit to a mental or physical 71376
examination, or both. The expense of the examination is the 71377
responsibility of the individual compelled to be examined. Any 71378
mental or physical examination required under this division shall 71379
be undertaken by a treatment provider or physician qualified to 71380
conduct such examination and chosen by the board. 71381

Failure to submit to a mental or physical examination ordered 71382
by the board constitutes an admission of the allegations against 71383
the individual unless the failure is due to circumstances beyond 71384
the individual's control, and a default and final order may be 71385
entered without the taking of testimony or presentation of 71386
evidence. If the board determines that the individual's ability to 71387
practice is impaired, the board shall suspend the individual's 71388
license or deny the individual's application and shall require the 71389
individual, as a condition for an initial, continued, reinstated, 71390
or renewed license to practice, to submit to treatment. 71391

Before being eligible to apply for reinstatement of a license 71392
suspended under this division, the anesthesiologist assistant 71393
shall demonstrate to the board the ability to resume practice in 71394
compliance with acceptable and prevailing standards of care. The 71395
demonstration shall include the following: 71396

(a) Certification from a treatment provider approved under 71397
section 4731.25 of the Revised Code that the individual has 71398
successfully completed any required inpatient treatment; 71399

(b) Evidence of continuing full compliance with an aftercare 71400
contract or consent agreement; 71401

(c) Two written reports indicating that the individual's 71402
ability to practice has been assessed and that the individual has 71403

been found capable of practicing according to acceptable and 71404
prevailing standards of care. The reports shall be made by 71405
individuals or providers approved by the board for making such 71406
assessments and shall describe the basis for their determination. 71407

The board may reinstate a license suspended under this 71408
division after such demonstration and after the individual has 71409
entered into a written consent agreement. 71410

When the impaired anesthesiologist assistant resumes 71411
practice, the board shall require continued monitoring of the 71412
anesthesiologist assistant. The monitoring shall include 71413
monitoring of compliance with the written consent agreement 71414
entered into before reinstatement or with conditions imposed by 71415
board order after a hearing, and, on termination of the consent 71416
agreement, submission to the board for at least two years of 71417
annual written progress reports made under penalty of 71418
falsification stating whether the anesthesiologist assistant has 71419
maintained sobriety. 71420

(H) If the secretary and supervising member determine that 71421
there is clear and convincing evidence that an anesthesiologist 71422
assistant has violated division (B) of this section and that the 71423
individual's continued practice presents a danger of immediate and 71424
serious harm to the public, they may recommend that the board 71425
suspend the individual's license without a prior hearing. Written 71426
allegations shall be prepared for consideration by the board. 71427

The board, on review of the allegations and by an affirmative 71428
vote of not fewer than six of its members, excluding the secretary 71429
and supervising member, may suspend a license without a prior 71430
hearing. A telephone conference call may be utilized for reviewing 71431
the allegations and taking the vote on the summary suspension. 71432

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 71433
~~certified mail or in person~~ in accordance with ~~section~~ sections 71434

119.05 and 119.07 of the Revised Code. The order shall not be 71435
subject to suspension by the court during pendency of any appeal 71436
filed under section 119.12 of the Revised Code. If the 71437
anesthesiologist assistant requests an adjudicatory hearing by the 71438
board, the date set for the hearing shall be within fifteen days, 71439
but not earlier than seven days, after the anesthesiologist 71440
assistant requests the hearing, unless otherwise agreed to by both 71441
the board and the license holder. 71442

A summary suspension imposed under this division shall remain 71443
in effect, unless reversed on appeal, until a final adjudicative 71444
order issued by the board pursuant to this section and Chapter 71445
119. of the Revised Code becomes effective. The board shall issue 71446
its final adjudicative order within sixty days after completion of 71447
its hearing. Failure to issue the order within sixty days shall 71448
result in dissolution of the summary suspension order, but shall 71449
not invalidate any subsequent, final adjudicative order. 71450

(I) If the board takes action under division (B)(11), (13), 71451
or (14) of this section, and the judicial finding of guilt, guilty 71452
plea, or judicial finding of eligibility for intervention in lieu 71453
of conviction is overturned on appeal, on exhaustion of the 71454
criminal appeal, a petition for reconsideration of the order may 71455
be filed with the board along with appropriate court documents. On 71456
receipt of a petition and supporting court documents, the board 71457
shall reinstate the license to practice. The board may then hold 71458
an adjudication under Chapter 119. of the Revised Code to 71459
determine whether the individual committed the act in question. 71460
Notice of opportunity for hearing shall be given in accordance 71461
with Chapter 119. of the Revised Code. If the board finds, 71462
pursuant to an adjudication held under this division, that the 71463
individual committed the act, or if no hearing is requested, it 71464
may order any of the sanctions specified in division (B) of this 71465
section. 71466

(J) The license to practice of an anesthesiologist assistant 71467
and the assistant's practice in this state are automatically 71468
suspended as of the date the anesthesiologist assistant pleads 71469
guilty to, is found by a judge or jury to be guilty of, or is 71470
subject to a judicial finding of eligibility for intervention in 71471
lieu of conviction in this state or treatment of intervention in 71472
lieu of conviction in another jurisdiction for any of the 71473
following criminal offenses in this state or a substantially 71474
equivalent criminal offense in another jurisdiction: aggravated 71475
murder, murder, voluntary manslaughter, felonious assault, 71476
kidnapping, rape, sexual battery, gross sexual imposition, 71477
aggravated arson, aggravated robbery, or aggravated burglary. 71478
Continued practice after the suspension shall be considered 71479
practicing without a license. 71480

The board shall ~~notify~~ serve the individual subject to the 71481
suspension ~~by certified mail or in person~~ in accordance with 71482
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 71483
individual whose license is suspended under this division fails to 71484
make a timely request for an adjudication under Chapter 119. of 71485
the Revised Code, the board shall enter a final order permanently 71486
revoking the individual's license to practice. 71487

(K) In any instance in which the board is required by Chapter 71488
119. of the Revised Code to give notice of opportunity for hearing 71489
and the individual subject to the notice does not timely request a 71490
hearing in accordance with section 119.07 of the Revised Code, the 71491
board is not required to hold a hearing, but may adopt, by an 71492
affirmative vote of not fewer than six of its members, a final 71493
order that contains the board's findings. In the final order, the 71494
board may order any of the sanctions identified under division (A) 71495
or (B) of this section. 71496

(L) Any action taken by the board under division (B) of this 71497
section resulting in a suspension shall be accompanied by a 71498

written statement of the conditions under which the 71499
anesthesiologist assistant's license may be reinstated. The board 71500
shall adopt rules in accordance with Chapter 119. of the Revised 71501
Code governing conditions to be imposed for reinstatement. 71502
Reinstatement of a license suspended pursuant to division (B) of 71503
this section requires an affirmative vote of not fewer than six 71504
members of the board. 71505

(M) When the board refuses to grant or issue a license to 71506
practice as an anesthesiologist assistant to an applicant, revokes 71507
an individual's license, refuses to renew an individual's license, 71508
or refuses to reinstate an individual's license, the board may 71509
specify that its action is permanent. An individual subject to a 71510
permanent action taken by the board is forever thereafter 71511
ineligible to hold a license to practice as an anesthesiologist 71512
assistant and the board shall not accept an application for 71513
reinstatement of the license or for issuance of a new license. 71514

(N) Notwithstanding any other provision of the Revised Code, 71515
all of the following apply: 71516

(1) The surrender of a license to practice issued under this 71517
chapter is not effective unless or until accepted by the board. 71518
Reinstatement of a license surrendered to the board requires an 71519
affirmative vote of not fewer than six members of the board. 71520

(2) An application made under this chapter for a license to 71521
practice may not be withdrawn without approval of the board. 71522

(3) Failure by an individual to renew a license to practice 71523
in accordance with section 4760.06 of the Revised Code shall not 71524
remove or limit the board's jurisdiction to take disciplinary 71525
action under this section against the individual. 71526

Sec. 4761.09. (A) The state medical board, by an affirmative 71527
vote of not fewer than six members, shall, except as provided in 71528

division (B) of this section, and to the extent permitted by law, 71529
limit, revoke, or suspend an individual's license or limited 71530
permit, refuse to issue a license or limited permit to an 71531
individual, refuse to renew a license or limited permit, refuse to 71532
reinstate a license or limited permit, or reprimand or place on 71533
probation the holder of a license or limited permit for one or 71534
more of the following reasons: 71535

(1) A plea of guilty to, a judicial finding of guilt of, or a 71536
judicial finding of eligibility for intervention in lieu of 71537
conviction for, a felony; 71538

(2) Commission of an act that constitutes a felony in this 71539
state, regardless of the jurisdiction in which the act was 71540
committed; 71541

(3) A plea of guilty to, a judicial finding of guilt of, or a 71542
judicial finding of eligibility for intervention in lieu of 71543
conviction for, a misdemeanor committed in the course of practice; 71544

(4) Commission of an act in the course of practice that 71545
constitutes a misdemeanor in this state, regardless of the 71546
jurisdiction in which the act was committed; 71547

(5) A plea of guilty to, a judicial finding of guilt of, or a 71548
judicial finding of eligibility for intervention in lieu of 71549
conviction for, a misdemeanor involving moral turpitude; 71550

(6) Commission of an act involving moral turpitude that 71551
constitutes a misdemeanor in this state, regardless of the 71552
jurisdiction in which the act was committed; 71553

(7) Except when civil penalties are imposed under section 71554
4761.091 of the Revised Code, violating or attempting to violate, 71555
directly or indirectly, or assisting in or abetting the violation 71556
of, or conspiring to violate, any provision of this chapter or the 71557
rules adopted by the board; 71558

(8) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of respiratory care; or in securing or attempting to secure any license or permit issued by the board under this chapter.

As used in division (A)(8) of this section, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Committing fraud during the administration of the examination for a license to practice or committing fraud, misrepresentation, or deception in applying for, renewing, or securing any license or permit issued by the board;

(10) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(11) Violating the standards of ethical conduct adopted by the board, in the practice of respiratory care;

(12) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(13) Violation of the conditions of limitation placed by the board upon a license or permit;

(14) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely

affects cognitive, motor, or perceptive skills; 71590

(15) Any of the following actions taken by an agency 71591
responsible for authorizing, certifying, or regulating an 71592
individual to practice a health care occupation or provide health 71593
care services in this state or another jurisdiction, for any 71594
reason other than the nonpayment of fees: the limitation, 71595
revocation, or suspension of an individual's license; acceptance 71596
of an individual's license surrender; denial of a license; refusal 71597
to renew or reinstate a license; imposition of probation; or 71598
issuance of an order of censure or other reprimand; 71599

(16) The revocation, suspension, restriction, reduction, or 71600
termination of practice privileges by the United States department 71601
of defense or department of veterans affairs; 71602

(17) Termination or suspension from participation in the 71603
medicare or medicaid programs by the department of health and 71604
human services or other responsible agency for any act or acts 71605
that also would constitute a violation of division (A)(10), (12), 71606
or (14) of this section; 71607

(18) Impairment of ability to practice according to 71608
acceptable and prevailing standards of care because of habitual or 71609
excessive use or abuse of drugs, alcohol, or other substances that 71610
impair ability to practice; 71611

(19) Failure to cooperate in an investigation conducted by 71612
the board under division (E) of section 4761.03 of the Revised 71613
Code, including failure to comply with a subpoena or order issued 71614
by the board or failure to answer truthfully a question presented 71615
by the board in an investigative interview, an investigative 71616
office conference, at a deposition, or in written interrogatories, 71617
except that failure to cooperate with an investigation shall not 71618
constitute grounds for discipline under this section if a court of 71619
competent jurisdiction has issued an order that either quashes a 71620

subpoena or permits the individual to withhold the testimony or 71621
evidence in issue; 71622

(20) Practicing in an area of respiratory care for which the 71623
person is clearly untrained or incompetent or practicing in a 71624
manner that conflicts with section 4761.17 of the Revised Code; 71625

(21) Employing, directing, or supervising a person who is not 71626
authorized to practice respiratory care under this chapter in the 71627

an incurable disease or injury, or other incurable condition, can 71636
be permanently cured. 71637

Disciplinary actions taken by the board under division (A) of 71638
this section shall be taken pursuant to an adjudication under 71639
Chapter 119. of the Revised Code, except that in lieu of an 71640
adjudication, the board may enter into a consent agreement with an 71641
individual to resolve an allegation of a violation of this chapter 71642
or any rule adopted under it. A consent agreement, when ratified 71643
by an affirmative vote of not fewer than six members of the board, 71644
shall constitute the findings and order of the board with respect 71645
to the matter addressed in the agreement. If the board refuses to 71646
ratify a consent agreement, the admissions and findings contained 71647
in the consent agreement shall be of no effect. 71648

A telephone conference call may be utilized for ratification 71649
of a consent agreement that revokes or suspends an individual's 71650
license or permit. The telephone conference call shall be 71651

considered a special meeting under division (F) of section 121.22 71652
of the Revised Code. 71653

(B) The board shall not refuse to issue a license or limited 71654
permit to an applicant because of a plea of guilty to, a judicial 71655
finding of guilt of, or a judicial finding of eligibility for 71656
intervention in lieu of conviction for an offense unless the 71657
refusal is in accordance with section 9.79 of the Revised Code. 71658

(C) Any action taken by the board under division (A) of this 71659
section resulting in a suspension from practice shall be 71660
accompanied by a written statement of the conditions under which 71661
the individual's license or permit may be reinstated. The board 71662
shall adopt rules governing conditions to be imposed for 71663
reinstatement. Reinstatement of a license or permit suspended 71664
pursuant to division (A) of this section requires an affirmative 71665
vote of not fewer than six members of the board. 71666

(D) When the board refuses to grant or issue a license or 71667
permit to an applicant, revokes an individual's license or permit, 71668
refuses to renew an individual's license or permit, or refuses to 71669
reinstate an individual's license or permit, the board may specify 71670
that its action is permanent. An individual subject to a permanent 71671
action taken by the board is forever thereafter ineligible to hold 71672
a license or permit and the board shall not accept an application 71673
for reinstatement of the license or permit or for issuance of a 71674
new license or permit. 71675

(E) If the board is required by Chapter 119. of the Revised 71676
Code to give notice of an opportunity for a hearing and if the 71677
individual subject to the notice does not timely request a hearing 71678
in accordance with section 119.07 of the Revised Code, the board 71679
is not required to hold a hearing, but may adopt, by an 71680
affirmative vote of not fewer than six of its members, a final 71681
order that contains the board's findings. In the final order, the 71682
board may order any of the sanctions identified under division (A) 71683

of this section. 71684

(F) In enforcing division (A)(14) of this section, the board, 71685
upon a showing of a possible violation, may compel any individual 71686
authorized to practice by this chapter or who has submitted an 71687
application pursuant to this chapter to submit to a mental 71688
examination, physical examination, including an HIV test, or both 71689
a mental and a physical examination. The expense of the 71690
examination is the responsibility of the individual compelled to 71691
be examined. Failure to submit to a mental or physical examination 71692
or consent to an HIV test ordered by the board constitutes an 71693
admission of the allegations against the individual unless the 71694
failure is due to circumstances beyond the individual's control, 71695
and a default and final order may be entered without the taking of 71696
testimony or presentation of evidence. If the board finds an 71697
individual unable to practice because of the reasons set forth in 71698
division (A)(14) of this section, the board shall require the 71699
individual to submit to care, counseling, or treatment by 71700
physicians approved or designated by the board, as a condition for 71701
initial, continued, reinstated, or renewed authority to practice. 71702
An individual affected under this division shall be afforded an 71703
opportunity to demonstrate to the board the ability to resume 71704
practice in compliance with acceptable and prevailing standards 71705
under the provisions of the individual's license or permit. For 71706
the purpose of division (A)(14) of this section, any individual 71707
who applies for or receives a license or permit to practice under 71708
this chapter accepts the privilege of practicing in this state 71709
and, by so doing, shall be deemed to have given consent to submit 71710
to a mental or physical examination when directed to do so in 71711
writing by the board, and to have waived all objections to the 71712
admissibility of testimony or examination reports that constitute 71713
a privileged communication. 71714

(G) For the purposes of division (A)(18) of this section, any 71715

individual authorized to practice by this chapter accepts the 71716
privilege of practicing in this state subject to supervision by 71717
the board. By filing an application for or holding a license or 71718
permit under this chapter, an individual shall be deemed to have 71719
given consent to submit to a mental or physical examination when 71720
ordered to do so by the board in writing, and to have waived all 71721
objections to the admissibility of testimony or examination 71722
reports that constitute privileged communications. 71723

If it has reason to believe that any individual authorized to 71724
practice by this chapter or any applicant for a license or permit 71725
suffers such impairment, the board may compel the individual to 71726
submit to a mental or physical examination, or both. The expense 71727
of the examination is the responsibility of the individual 71728
compelled to be examined. Any mental or physical examination 71729
required under this division shall be undertaken by a treatment 71730
provider or physician who is qualified to conduct the examination 71731
and who is chosen by the board. 71732

Failure to submit to a mental or physical examination ordered 71733
by the board constitutes an admission of the allegations against 71734
the individual unless the failure is due to circumstances beyond 71735
the individual's control, and a default and final order may be 71736
entered without the taking of testimony or presentation of 71737
evidence. If the board determines that the individual's ability to 71738
practice is impaired, the board shall suspend the individual's 71739
license or permit or deny the individual's application and shall 71740
require the individual, as a condition for an initial, continued, 71741
reinstated, or renewed license or permit, to submit to treatment. 71742

Before being eligible to apply for reinstatement of a license 71743
or permit suspended under this division, the impaired practitioner 71744
shall demonstrate to the board the ability to resume practice in 71745
compliance with acceptable and prevailing standards of care under 71746
the provisions of the practitioner's license or permit. The 71747

demonstration shall include, but shall not be limited to, the 71748
following: 71749

(1) Certification from a treatment provider approved under 71750
section 4731.25 of the Revised Code that the individual has 71751
successfully completed any required inpatient treatment; 71752

(2) Evidence of continuing full compliance with an aftercare 71753
contract or consent agreement; 71754

(3) Two written reports indicating that the individual's 71755
ability to practice has been assessed and that the individual has 71756
been found capable of practicing according to acceptable and 71757
prevailing standards of care. The reports shall be made by 71758
individuals or providers approved by the board for making the 71759
assessments and shall describe the basis for their determination. 71760

The board may reinstate a license or permit suspended under 71761
this division after that demonstration and after the individual 71762
has entered into a written consent agreement. 71763

When the impaired practitioner resumes practice, the board 71764
shall require continued monitoring of the individual. The 71765
monitoring shall include, but not be limited to, compliance with 71766
the written consent agreement entered into before reinstatement or 71767
with conditions imposed by board order after a hearing, and, upon 71768
termination of the consent agreement, submission to the board for 71769
at least two years of annual written progress reports made under 71770
penalty of perjury stating whether the individual has maintained 71771
sobriety. 71772

(H) If the secretary and supervising member determine both of 71773
the following, they may recommend that the board suspend an 71774
individual's license or permit without a prior hearing: 71775

(1) That there is clear and convincing evidence that an 71776
individual has violated division (A) of this section; 71777

(2) That the individual's continued practice presents a 71778
danger of immediate and serious harm to the public. 71779

Written allegations shall be prepared for consideration by 71780
the board. The board, upon review of those allegations and by an 71781
affirmative vote of not fewer than six of its members, excluding 71782
the secretary and supervising member, may suspend a license or 71783
permit without a prior hearing. A telephone conference call may be 71784
utilized for reviewing the allegations and taking the vote on the 71785
summary suspension. 71786

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 71787
~~certified mail or in person~~ in accordance with ~~section~~ sections 71788
119.05 and 119.07 of the Revised Code. The order shall not be 71789
subject to suspension by the court during pendency of any appeal 71790
filed under section 119.12 of the Revised Code. If the individual 71791
subject to the summary suspension requests an adjudicatory hearing 71792
by the board, the date set for the hearing shall be within fifteen 71793
days, but not earlier than seven days, after the individual 71794
requests the hearing, unless otherwise agreed to by both the board 71795
and the individual. 71796

Any summary suspension imposed under this division shall 71797
remain in effect, unless reversed on appeal, until a final 71798
adjudicative order issued by the board pursuant to this section 71799
and Chapter 119. of the Revised Code becomes effective. The board 71800
shall issue its final adjudicative order within seventy-five days 71801
after completion of its hearing. A failure to issue the order 71802
within seventy-five days shall result in dissolution of the 71803
summary suspension order but shall not invalidate any subsequent, 71804
final adjudicative order. 71805

(I) For purposes of divisions (A)(2), (4), and (6) of this 71806
section, the commission of the act may be established by a finding 71807
by the board, pursuant to an adjudication under Chapter 119. of 71808
the Revised Code, that the individual committed the act. The board 71809

does not have jurisdiction under those divisions if the trial 71810
court renders a final judgment in the individual's favor and that 71811
judgment is based upon an adjudication on the merits. The board 71812
has jurisdiction under those divisions if the trial court issues 71813
an order of dismissal upon technical or procedural grounds. 71814

(J) The sealing or expungement of conviction records by any 71815
court shall have no effect upon a prior board order entered under 71816
this section or upon the board's jurisdiction to take action under 71817
this section if, based upon a plea of guilty, a judicial finding 71818
of guilt, or a judicial finding of eligibility for intervention in 71819
lieu of conviction, the board issued a notice of opportunity for a 71820
hearing prior to the court's order to seal or expunge the records. 71821
The board shall not be required to seal, destroy, redact, or 71822
otherwise modify its records to reflect the court's sealing or 71823
expungement of conviction records. 71824

(K) If the board takes action under division (A)(1), (3), or 71825
(5) of this section, and the judicial finding of guilt, guilty 71826
plea, or judicial finding of eligibility for intervention in lieu 71827
of conviction is overturned on appeal, upon exhaustion of the 71828
criminal appeal, a petition for reconsideration of the order may 71829
be filed with the board along with appropriate court documents. 71830
Upon receipt of a petition for reconsideration and supporting 71831
court documents, the board shall reinstate the individual's 71832
license or permit. The board may then hold an adjudication under 71833
Chapter 119. of the Revised Code to determine whether the 71834
individual committed the act in question. Notice of an opportunity 71835
for a hearing shall be given in accordance with Chapter 119. of 71836
the Revised Code. If the board finds, pursuant to an adjudication 71837
held under this division, that the individual committed the act or 71838
if no hearing is requested, the board may order any of the 71839
sanctions identified under division (A) of this section. 71840

(L) The license or permit issued to an individual under this 71841

chapter and the individual's practice in this state are 71842
automatically suspended as of the date the individual pleads 71843
guilty to, is found by a judge or jury to be guilty of, or is 71844
subject to a judicial finding of eligibility for intervention in 71845
lieu of conviction in this state or treatment or intervention in 71846
lieu of conviction in another jurisdiction for any of the 71847
following criminal offenses in this state or a substantially 71848
equivalent criminal offense in another jurisdiction: aggravated 71849
murder, murder, voluntary manslaughter, felonious assault, 71850
kidnapping, rape, sexual battery, gross sexual imposition, 71851
aggravated arson, aggravated robbery, or aggravated burglary. 71852
Continued practice after suspension shall be considered practicing 71853
without a license or permit. 71854

The board shall ~~notify~~ serve the individual subject to the 71855
suspension ~~by certified mail or in person~~ in accordance with 71856
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 71857
individual whose license or permit is automatically suspended 71858
under this division fails to make a timely request for an 71859
adjudication under Chapter 119. of the Revised Code, the board 71860
shall enter a final order permanently revoking the individual's 71861
license or permit. 71862

(M) Notwithstanding any other provision of the Revised Code, 71863
all of the following apply: 71864

(1) The surrender of a license or permit issued under this 71865
chapter shall not be effective unless or until accepted by the 71866
board. A telephone conference call may be utilized for acceptance 71867
of the surrender of an individual's license or permit. The 71868
telephone conference call shall be considered a special meeting 71869
under division (F) of section 121.22 of the Revised Code. 71870
Reinstatement of a license or permit surrendered to the board 71871
requires an affirmative vote of not fewer than six members of the 71872
board. 71873

(2) An application for a license or permit made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or permit in accordance with this chapter shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked.

Sec. 4762.13. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the license.

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license to practice, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or

4731. of the Revised Code, or the rules adopted by the board; 71905

(4) A departure from, or failure to conform to, minimal 71906

similar circumstances whether or not actual injury to the patient 71908
is established; 71909

(5) Inability to practice according to acceptable and 71910
prevailing standards of care by reason of mental illness or 71911
physical illness, including physical deterioration that adversely 71912
affects cognitive, motor, or perceptive skills; 71913

(6) Impairment of ability to practice according to acceptable 71914
and prevailing standards of care because of habitual or excessive 71915
use or abuse of drugs, alcohol, or other substances that impair 71916
ability to practice; 71917

(7) Willfully betraying a professional confidence; 71918

(8) Making a false, fraudulent, deceptive, or misleading 71919
statement in soliciting or advertising for patients or in securing 71920
or attempting to secure a license to practice as an oriental 71921
medicine practitioner or license to practice as an acupuncturist. 71922

As used in this division, "false, fraudulent, deceptive, or 71923
misleading statement" means a statement that includes a 71924
misrepresentation of fact, is likely to mislead or deceive because 71925
of a failure to disclose material facts, is intended or is likely 71926
to create false or unjustified expectations of favorable results, 71927
or includes representations or implications that in reasonable 71928
probability will cause an ordinarily prudent person to 71929
misunderstand or be deceived. 71930

(9) Representing, with the purpose of obtaining compensation 71931
or other advantage personally or for any other person, that an 71932
incurable disease or injury, or other incurable condition, can be 71933

71939
71940
- (12) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed; 71941
71942
71943

71954
71955
- (17) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs; 71956

71964

an individual's license to practice; acceptance of an individual's	71965
license surrender; denial of a license; refusal to renew or	71966
reinstate a license; imposition of probation; or issuance of an	71967
order of censure or other reprimand;	71968
(19) Violation of the conditions placed by the board on a	71969
license to practice as an oriental medicine practitioner or	71970
license to practice as an acupuncturist;	71971
(20) Failure to use universal blood and body fluid	71972
precautions established by rules adopted under section 4731.051 of	71973
the Revised Code;	71974
(21) Failure to cooperate in an investigation conducted by	71975
the board under section 4762.14 of the Revised Code, including	71976
failure to comply with a subpoena or order issued by the board or	71977
failure to answer truthfully a question presented by the board at	71978
a deposition or in written interrogatories, except that failure to	71979
cooperate with an investigation shall not constitute grounds for	71980
discipline under this section if a court of competent jurisdiction	71981
has issued an order that either quashes a subpoena or permits the	71982
individual to withhold the testimony or evidence in issue;	71983
(22) Failure to comply with the standards of the national	71984
certification commission for acupuncture and oriental medicine	71985
regarding professional ethics, commitment to patients, commitment	71986
to the profession, and commitment to the public;	71987
(23) Failure to have adequate professional liability	71988

Revised Code;	71990
(24) Failure to maintain a current and active designation as	71991
a diplomate in oriental medicine, diplomate of acupuncture and	71992
Chinese herbology, or diplomate in acupuncture, as applicable,	71993
from the national certification commission for acupuncture and	71994
oriental medicine, including revocation by the commission of the	71995

individual's designation, failure by the individual to meet the 71996
commission's requirements for redesignation, or failure to notify 71997
the board that the appropriate designation has not been 71998
maintained. 71999

(C) The board shall not refuse to issue a certificate to an 72000
applicant because of a plea of guilty to, a judicial finding of 72001
guilt of, or a judicial finding of eligibility for intervention in 72002
lieu of conviction for an offense unless the refusal is in 72003
accordance with section 9.79 of the Revised Code. 72004

(D) Disciplinary actions taken by the board under divisions 72005
(A) and (B) of this section shall be taken pursuant to an 72006
adjudication under Chapter 119. of the Revised Code, except that 72007
in lieu of an adjudication, the board may enter into a consent 72008
agreement with an oriental medicine practitioner or acupuncturist 72009
or applicant to resolve an allegation of a violation of this 72010
chapter or any rule adopted under it. A consent agreement, when 72011
ratified by an affirmative vote of not fewer than six members of 72012
the board, shall constitute the findings and order of the board 72013
with respect to the matter addressed in the agreement. If the 72014
board refuses to ratify a consent agreement, the admissions and 72015
findings contained in the consent agreement shall be of no force 72016
or effect. 72017

(E) For purposes of divisions (B)(12), (15), and (16) of this 72018
section, the commission of the act may be established by a finding 72019
by the board, pursuant to an adjudication under Chapter 119. of 72020
the Revised Code, that the applicant or license holder committed 72021
the act in question. The board shall have no jurisdiction under 72022
these divisions in cases where the trial court renders a final 72023
judgment in the license holder's favor and that judgment is based 72024
upon an adjudication on the merits. The board shall have 72025
jurisdiction under these divisions in cases where the trial court 72026
issues an order of dismissal upon technical or procedural grounds. 72027

(F) The sealing or expungement of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or entered into a consent agreement prior to the court's order to seal or expunge the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing or expungement of conviction records.

(G) For purposes of this division, any individual who holds a license to practice issued under this chapter, or applies for a license to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a license to practice issued under this chapter or who has applied for a license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an oriental medicine practitioner or acupuncturist unable to practice

because of the reasons set forth in division (B)(5) of this 72060
section, the board shall require the individual to submit to care, 72061
counseling, or treatment by physicians approved or designated by 72062
the board, as a condition for an initial, continued, reinstated, 72063
or renewed license to practice. An individual affected by this 72064
division shall be afforded an opportunity to demonstrate to the 72065
board the ability to resume practicing in compliance with 72066
acceptable and prevailing standards of care. 72067

(2) For purposes of division (B)(6) of this section, if the 72068
board has reason to believe that any individual who holds a 72069
license to practice issued under this chapter or any applicant for 72070
a license suffers such impairment, the board may compel the 72071
individual to submit to a mental or physical examination, or both. 72072
The expense of the examination is the responsibility of the 72073
individual compelled to be examined. Any mental or physical 72074
examination required under this division shall be undertaken by a 72075
treatment provider or physician qualified to conduct such 72076
examination and chosen by the board. 72077

Failure to submit to a mental or physical examination ordered 72078
by the board constitutes an admission of the allegations against 72079
the individual unless the failure is due to circumstances beyond 72080
the individual's control, and a default and final order may be 72081
entered without the taking of testimony or presentation of 72082
evidence. If the board determines that the individual's ability to 72083
practice is impaired, the board shall suspend the individual's 72084
license or deny the individual's application and shall require the 72085
individual, as a condition for an initial, continued, reinstated, 72086
or renewed license, to submit to treatment. 72087

Before being eligible to apply for reinstatement of a license 72088
suspended under this division, the oriental medicine practitioner 72089
or acupuncturist shall demonstrate to the board the ability to 72090
resume practice in compliance with acceptable and prevailing 72091

standards of care. The demonstration shall include the following: 72092

(a) Certification from a treatment provider approved under 72093
section 4731.25 of the Revised Code that the individual has 72094
successfully completed any required inpatient treatment; 72095

(b) Evidence of continuing full compliance with an aftercare 72096
contract or consent agreement; 72097

(c) Two written reports indicating that the individual's 72098
ability to practice has been assessed and that the individual has 72099
been found capable of practicing according to acceptable and 72100
prevailing standards of care. The reports shall be made by 72101
individuals or providers approved by the board for making such 72102
assessments and shall describe the basis for their determination. 72103

The board may reinstate a license suspended under this 72104
division after such demonstration and after the individual has 72105
entered into a written consent agreement. 72106

When the impaired individual resumes practice, the board 72107
shall require continued monitoring of the individual. The 72108
monitoring shall include monitoring of compliance with the written 72109
consent agreement entered into before reinstatement or with 72110
conditions imposed by board order after a hearing, and, upon 72111
termination of the consent agreement, submission to the board for 72112
at least two years of annual written progress reports made under 72113
penalty of falsification stating whether the individual has 72114
maintained sobriety. 72115

(H) If the secretary and supervising member determine both of 72116
the following, they may recommend that the board suspend an 72117
individual's license to practice without a prior hearing: 72118

(1) That there is clear and convincing evidence that an 72119
oriental medicine practitioner or acupuncturist has violated 72120
division (B) of this section; 72121

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall ~~issue~~ serve a written order of suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the oriental medicine practitioner or acupuncturist requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the hearing is requested, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may

be filed with the board along with appropriate court documents. 72154
Upon receipt of a petition and supporting court documents, the 72155
board shall reinstate the license. The board may then hold an 72156
adjudication under Chapter 119. of the Revised Code to determine 72157
whether the individual committed the act in question. Notice of 72158
opportunity for hearing shall be given in accordance with Chapter 72159
119. of the Revised Code. If the board finds, pursuant to an 72160
adjudication held under this division, that the individual 72161
committed the act, or if no hearing is requested, it may order any 72162
of the sanctions specified in division (B) of this section. 72163

(J) The license to practice of an oriental medicine 72164
practitioner or acupuncturist and the practitioner's or 72165
acupuncturist's practice in this state are automatically suspended 72166
as of the date the practitioner or acupuncturist pleads guilty to, 72167
is found by a judge or jury to be guilty of, or is subject to a 72168
judicial finding of eligibility for intervention in lieu of 72169
conviction in this state or treatment or intervention in lieu of 72170
conviction in another jurisdiction for any of the following 72171
criminal offenses in this state or a substantially equivalent 72172
criminal offense in another jurisdiction: aggravated murder, 72173
murder, voluntary manslaughter, felonious assault, kidnapping, 72174
rape, sexual battery, gross sexual imposition, aggravated arson, 72175
aggravated robbery, or aggravated burglary. Continued practice 72176
after the suspension shall be considered practicing without a 72177
license. 72178

The board shall ~~notify~~ serve the individual subject to the 72179
suspension ~~by certified mail or in person~~ in accordance with 72180
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 72181
individual whose license is suspended under this division fails to 72182
make a timely request for an adjudication under Chapter 119. of 72183
the Revised Code, the board shall enter a final order permanently 72184
revoking the individual's license. 72185

(K) In any instance in which the board is required by Chapter 72186
119. of the Revised Code to give notice of opportunity for hearing 72187
and the individual subject to the notice does not timely request a 72188
hearing in accordance with section 119.07 of the Revised Code, the 72189
board is not required to hold a hearing, but may adopt, by an 72190
affirmative vote of not fewer than six of its members, a final 72191
order that contains the board's findings. In the final order, the 72192
board may order any of the sanctions identified under division (A) 72193
or (B) of this section. 72194

(L) Any action taken by the board under division (B) of this 72195
section resulting in a suspension shall be accompanied by a 72196
written statement of the conditions under which the license may be 72197
reinstated. The board shall adopt rules in accordance with Chapter 72198
119. of the Revised Code governing conditions to be imposed for 72199
reinstatement. Reinstatement of a license suspended pursuant to 72200
division (B) of this section requires an affirmative vote of not 72201
fewer than six members of the board. 72202

(M) When the board refuses to grant or issue a license to an 72203
applicant, revokes an individual's license, refuses to renew an 72204
individual's license, or refuses to reinstate an individual's 72205
license, the board may specify that its action is permanent. An 72206
individual subject to a permanent action taken by the board is 72207
forever thereafter ineligible to hold a license to practice as an 72208
oriental medicine practitioner or license to practice as an 72209
acupuncturist and the board shall not accept an application for 72210
reinstatement of the license or for issuance of a new license. 72211

(N) Notwithstanding any other provision of the Revised Code, 72212
all of the following apply: 72213

(1) The surrender of a license to practice as an oriental 72214
medicine practitioner or license to practice as an acupuncturist 72215
issued under this chapter is not effective unless or until 72216
accepted by the board. Reinstatement of a license surrendered to 72217

the board requires an affirmative vote of not fewer than six 72218
members of the board. 72219

(2) An application made under this chapter for a license may 72220
not be withdrawn without approval of the board. 72221

(3) Failure by an individual to renew a license in accordance 72222
with section 4762.06 of the Revised Code shall not remove or limit 72223
the board's jurisdiction to take disciplinary action under this 72224
section against the individual. 72225

Sec. 4763.05. (A)(1)(a) A person shall make application for 72226
an initial state-certified general real estate appraiser 72227
certificate, an initial state-certified residential real estate 72228
appraiser certificate, an initial state-licensed residential real 72229
estate appraiser license, or an initial state-registered real 72230
estate appraiser assistant registration in writing to the 72231
superintendent of real estate on a form the superintendent 72232
prescribes. The application shall include the address of the 72233
applicant's principal place of business and all other addresses at 72234
which the applicant currently engages in the business of 72235
performing real estate appraisals and the address of the 72236
applicant's current residence. The superintendent shall retain the 72237
applicant's current residence address in a separate record which 72238
does not constitute a public record for purposes of section 149.43 72239
of the Revised Code. The application shall indicate whether the 72240
applicant seeks certification as a general real estate appraiser 72241
or as a residential real estate appraiser, licensure as a 72242
residential real estate appraiser, or registration as a real 72243
estate appraiser assistant and be accompanied by the prescribed 72244
examination and certification, registration, or licensure fees set 72245
forth in section 4763.09 of the Revised Code. The application also 72246
shall include a pledge, signed by the applicant, that the 72247
applicant will comply with the standards set forth in this 72248

chapter; and a statement that the applicant understands the types 72249
of misconduct for which disciplinary proceedings may be initiated 72250
against the applicant pursuant to this chapter. 72251

(b) Upon the filing of an application and payment of any 72252
examination and certification, registration, or licensure fees, 72253
the superintendent of real estate shall request the superintendent 72254
of the bureau of criminal identification and investigation, or a 72255
vendor approved by the bureau, to conduct a criminal records check 72256
based on the applicant's fingerprints in accordance with section 72257
109.572 of the Revised Code. Notwithstanding division ~~(K)~~(L) of 72258
section 121.08 of the Revised Code, the superintendent of real 72259
estate shall request that criminal record information from the 72260
federal bureau of investigation be obtained as part of the 72261
criminal records check. Any fee required under division (C)(3) of 72262
section 109.572 of the Revised Code shall be paid by the 72263
applicant. 72264

(2) For purposes of providing funding for the real estate 72265
appraiser recovery fund established by section 4763.16 of the 72266
Revised Code, the real estate appraiser board shall levy an 72267
assessment against each person issued an initial certificate, 72268
registration, or license and against current licensees, 72269
registrants, and certificate holders, as required by board rule. 72270
The assessment is in addition to the application and examination 72271
fees for initial applicants required by division (A)(1) of this 72272
section and the renewal fees required for current certificate 72273
holders, registrants, and licensees. The superintendent of real 72274
estate shall deposit the assessment into the state treasury to the 72275
credit of the real estate appraiser recovery fund. The assessment 72276
for initial certificate holders, registrants, and licensees shall 72277
be paid prior to the issuance of a certificate, registration, or 72278
license, and for current certificate holders, registrants, and 72279
licensees, at the time of renewal. 72280

(B) An applicant for an initial general real estate appraiser certificate, residential real estate appraiser certificate, or residential real estate appraiser license shall possess experience in real estate appraisal as the board prescribes by rule. In addition to any other information required by the board, the applicant shall furnish, under oath, a detailed listing of the appraisal reports or file memoranda for each year for which experience is claimed and, upon request of the superintendent or the board, shall make available for examination a sample of the appraisal reports prepared by the applicant in the course of the applicant's practice.

(C) An applicant for an initial certificate, registration, or license shall be at least eighteen years of age, honest, and truthful and shall present satisfactory evidence to the superintendent that the applicant has successfully completed any education requirements the board prescribes by rule.

(D) An applicant for an initial general real estate appraiser or residential real estate appraiser certificate or residential real estate appraiser license shall take and successfully complete a written examination in order to qualify for the certificate or license.

The board shall prescribe the examination requirements by rule.

(E)(1) A person who has obtained a residential real estate appraiser license, a residential real estate appraiser certificate, or a general real estate appraiser certificate from another state may apply to obtain a license or certificate issued under this chapter provided the state that issued the license or certificate has requirements that meet or exceed the requirements found in this chapter. 72316
72317
- (c) A consent to service of process. 72318
- (2)(a) The board shall recognize on a temporary basis a certification or license issued in another state and shall register on a temporary basis an appraiser who is certified or licensed in another state if all of the following apply: 72319
72320
72321
72322
- (i) The temporary registration is to perform an appraisal assignment that is part of a federally related transaction. 72323
72324
- (ii) The appraiser's business in this state is of a temporary nature. 72325
72326
- (iii) The appraiser registers with the board pursuant to this division. 72327

The board shall not issue more than two registrations for temporary practice to any one applicant in any calendar year. The application for obtaining a registration under this division may include any of the following: 72333
72334

(3) The board may enter into reciprocal agreements with other 72348
states. The board shall prescribe reciprocal agreement 72349
requirements by rule. 72350

(F) The superintendent shall not issue a certificate, 72351
registration, or license to, or recognize on a temporary basis an 72352
appraiser from another state that is a corporation, partnership, 72353
or association. This prohibition shall not be construed to prevent 72354
a certificate holder or licensee from signing an appraisal report 72355
on behalf of a corporation, partnership, or association. 72356

(G) Every person licensed, registered, or certified under 72357
this chapter shall notify the superintendent, on a form provided 72358
by the superintendent, of a change in the address of the 72359
licensee's, registrant's, or certificate holder's principal place 72360
of business or residence within thirty days of the change. If a 72361
licensee's, registrant's, or certificate holder's license, 72362
registration, or certificate is revoked or not renewed, the 72363
licensee, registrant, or certificate holder immediately shall 72364
return the annual and any renewal certificate, registration, or 72365
license to the superintendent. 72366

(H)(1) The superintendent shall not issue a certificate, 72367
registration, or license to any person, or recognize on a 72368
temporary basis an appraiser from another state, who does not meet 72369
applicable minimum criteria for state certification, registration, 72370
or licensure prescribed by federal law or rule. 72371

(2) The superintendent shall not refuse to issue a general 72372
real estate appraiser certificate, residential real estate 72373

appraiser certificate, residential real estate appraiser license, 72374
or real estate appraiser assistant registration to any person 72375
because of a conviction of or plea of guilty to any criminal 72376
offense unless the refusal is in accordance with section 9.79 of 72377
the Revised Code. 72378

Sec. 4763.11. (A) Within ten business days after a person 72379
files a written complaint against a person certified, registered, 72380
or licensed under this chapter with the division of real estate, 72381
the superintendent of real estate shall acknowledge receipt of the 72382
complaint by sending notice to the certificate holder, registrant, 72383
or licensee that includes a copy of the complaint. The 72384
acknowledgement to the complainant and the notice to the 72385
certificate holder, registrant, or licensee may state that an 72386
informal mediation meeting will be held with the complainant, the 72387
certificate holder, registrant, or licensee, and an investigator 72388
from the investigation and audit section of the division, if the 72389
complainant and certificate holder, registrant, or licensee both 72390
file a request for such a meeting within twenty calendar days 72391
after the acknowledgment and notice are mailed. 72392

(B) If the complainant and certificate holder, registrant, or 72393
licensee both file with the division requests for an informal 72394
mediation meeting, the superintendent shall notify the complainant 72395
and certificate holder, registrant, or licensee of the date of the 72396
meeting, by regular mail. If the complainant and certificate 72397
holder, registrant, or licensee reach an accommodation at an 72398
informal mediation meeting, the investigator shall report the 72399
accommodation to the superintendent, the complainant, and the 72400
certificate holder, registrant, or licensee and the complaint file 72401
shall be closed upon the superintendent receiving satisfactory 72402
notice that the accommodation has been fulfilled. 72403

(C) If the complainant and certificate holder, registrant, or 72404

licensee fail to agree to an informal mediation meeting or fail to 72405
reach an accommodation agreement, or fail to fulfill an 72406
accommodation agreement, the superintendent shall assign the 72407
complaint to an investigator for an investigation into the conduct 72408
of the certificate holder, registrant, or licensee against whom 72409
the complaint is filed. 72410

(D) Upon the conclusion of the investigation, the 72411
investigator shall file a written report of the results of the 72412
investigation with the superintendent. The superintendent shall 72413
review the report and determine whether there exists reasonable 72414
and substantial evidence of a violation of division (G) of this 72415
section by the certificate holder, registrant, or licensee. 72416

(1) If the superintendent finds evidence exists showing a 72417
violation of division (G) of this section by a certificate holder, 72418
registrant, or licensee, the superintendent shall notify the 72419
complainant and certificate holder, registrant, or licensee of the 72420
determination. The certificate holder, registrant, or licensee may 72421
enter into a settlement agreement with the superintendent. The 72422
settlement agreement is subject to board approval, and the board 72423
shall prescribe requirements by rule for such settlement 72424
agreements. The certificate holder, registrant, or licensee may 72425
request a hearing pursuant to Chapter 119. of the Revised Code. If 72426
a formal hearing is conducted, the hearing examiner shall file a 72427
report that contains findings of fact and conclusions of law with 72428
the division hearing administrator. The division hearing 72429
administrator shall serve the hearing examiner report on the 72430
superintendent, the assistant attorney general representing the 72431
superintendent in the matter, the board, the complainant and the 72432
certificate holder, licensee, or registrant, and if applicable, 72433
counsel representing the complainant, certificate holder, 72434
licensee, or registrant. Service of the hearing examiner report on 72435
the complainant and on the certificate holder, licensee, or 72436

registrant shall comply with division (K) of this section. Service 72437
of the hearing examiner's report on the superintendent, the 72438
assistant attorney general representing the superintendent in the 72439
matter, and the board shall be by either regular mail or 72440
electronic means. Service of the hearing examiner report on 72441
counsel representing the complainant, certificate holder, 72442
licensee, or registrant shall be by regular mail. 72443

Within ten calendar days of receipt by the assistant attorney 72444
general representing the superintendent of the copy of the hearing 72445
examiner's report served by the division hearing administrator, 72446
the assistant attorney general may file with the board written 72447
objections to the hearing examiner's report, which shall be 72448
considered by the board before approving, modifying, or rejecting 72449
the hearing examiner's report. Within ten calendar days of receipt 72450
by the certificate holder, licensee, or registrant of the copy of 72451
the hearing examiner's report served by the division hearing 72452
administrator, the certificate holder, licensee, or registrant may 72453
file with the board written objections to the hearing examiner's 72454
report, which shall be considered by the board before approving, 72455
modifying, or rejecting the hearing examiner's report. Within ten 72456
calendar days of receipt by the superintendent of the copy of the 72457
hearing examiner's report served by the division hearing 72458
administrator, the superintendent may grant an extension of time 72459
to file written objections to the hearing examiner's report for 72460
good cause shown. 72461

(2) If the superintendent finds, following the conclusion of 72462
the investigation, that evidence does not exist showing a 72463
violation of division (G) of this section by the certificate 72464
holder, registrant, or licensee, the superintendent shall notify 72465
the complainant and certificate holder, registrant, or licensee of 72466
that determination and the basis for the determination. Within 72467
fifteen business days after the superintendent notifies the 72468

complainant and certificate holder, registrant, or licensee that 72469
such evidence does not exist, the complainant may file with the 72470
division a request that the real estate appraiser board review the 72471
determination. If the complainant files such request, the board 72472
shall review the determination at the next regularly scheduled 72473
meeting held at least fifteen business days after the request is 72474
filed but no longer than six months after the request is filed. 72475
The board may hear the testimony of the complainant, certificate 72476
holder, registrant, or licensee at the meeting upon the request of 72477
that party. If the board affirms the determination of the 72478
superintendent, the superintendent shall notify the complainant 72479
and the certificate holder, registrant, or licensee within five 72480
business days thereafter. If the board reverses the determination 72481
of the superintendent, the matter shall be returned to the 72482
superintendent for additional investigation or review. 72483

(E) The board shall review the hearing examiner's report and 72484
the evidence at the next regularly scheduled board meeting held at 72485
least fifteen business days after receipt of the examiner's 72486
report. The board may hear the testimony of the complainant, 72487
certificate holder, registrant, or licensee upon request. If the 72488
complainant is the Ohio civil rights commission, the board shall 72489
review the complaint. 72490

(F) If the board determines that a licensee, registrant, or 72491
certificate holder has violated this chapter for which 72492
disciplinary action may be taken under division (G) of this 72493
section, after review of the hearing examiner's report and the 72494
evidence as provided in division (E) of this section, or after 72495
review of a settlement agreement entered into pursuant to division 72496
(D)(1) of this section, the board shall order the disciplinary 72497
action the board considers appropriate, which may include, but is 72498
not limited to, any of the following: 72499

(1) Reprimand of the certificate holder, registrant, or 72500

licensee;	72501
(2) Imposition of a fine, not exceeding, two thousand five hundred dollars per violation;	72502 72503
(3) Requirement of the completion of additional education courses. Any course work imposed pursuant to this section shall not count toward continuing education requirements or prelicense or precertification requirements set forth in section 4763.05 of the Revised Code.	72504 72505 72506 72507 72508
(4) Suspension of the certificate, registration, or license for a specific period of time;	72509 72510
(5) Revocation or surrender of the certificate, registration, or license.	72511 72512
The decision and order of the board is final, except that following the review of the hearing examiner report and the evidence as provided in division (E) of this section, the decision and order of the board is subject to review in the manner provided for in Chapter 119. of the Revised Code and appeal to any court of common pleas. If the board orders a disciplinary action as provided in division (F)(2) or (3) of this section, the superintendent may grant an extension of time to satisfy the board-ordered disciplinary action for good cause shown.	72513 72514 72515 72516 72517 72518 72519 72520 72521

real estate of any disciplinary action taken under this section 72599
against a certificate holder, registrant, or licensee who also is 72600
licensed under Chapter 4735. of the Revised Code, and also shall 72601
notify any other federal, state, or local agency and any other 72602
public or private association that the board determines is 72603
responsible for licensing or otherwise regulating the professional 72604
or business activity of the appraiser. Additionally, the board 72605
shall notify the complainant and any other party who may have 72606
suffered financial loss because of the certificate holder's, 72607
registrant's, or licensee's violations, that the complainant or 72608
other party may sue for recovery under section 4763.16 of the 72609

(J) If the board determines that a certificate holder, 72623
registrant, or licensee has violated this chapter for which 72624

disciplinary action may be taken under division (G) of this 72625

superintendent upon the superintendent's own motion or upon the 72627
request of the board, the superintendent shall notify the 72628
certificate holder, registrant, or licensee of the certificate 72629

(K) Notwithstanding ~~section~~ sections 119.05 and 119.07 of the 72634
Revised Code, acknowledgment of complaint notices issued under 72635
division (A) of this section and continuance notices associated 72636
with hearings conducted under this section may be sent by regular 72637
mail and a certificate of mailing shall be obtained for the 72638
notices. All other notices issued to a complainant and to a 72639

receipt requested, and is returned because the notice was 72643
unclaimed, then that notice is deemed served if the superintendent 72644
subsequently sends the notice by regular mail and a certificate of 72645
mailing is obtained for the notice. If a notice, whether sent by 72646
certified mail, return receipt requested, or by regular mail with 72647
a certificate of mailing, is returned for failure of delivery, 72648
then the superintendent shall make personal delivery of the notice 72649
by an employee or agent of the department of commerce or shall 72650
cause a summary of the substantive provisions of the notice to be 72651
published once a week for three consecutive weeks in a newspaper 72652
of general circulation in the county where the last known address 72653
of the party is located. When notice is given by publication, a 72654
proof of publication affidavit, with the first publication of the 72655
notice set forth in the affidavit, shall be mailed by regular mail 72656
to the party at the party's last known address. The notice shall 72657

be deemed received as of the date of the last publication of the 72658
summary. An employee or agent of the department of commerce may 72659
make personal delivery of the notice upon the party at any time. 72660
Refusal of delivery by personal service or by mail is not failure 72661
of delivery and service is deemed to be complete. Failure of 72662
delivery occurs only when a mailed notice is returned by the 72663
postal authorities marked undeliverable, address or addressee 72664
unknown, or forwarding address unknown or expired. 72665

Sec. 4763.15. Except for moneys required to be transferred 72666
into the real estate appraiser recovery fund pursuant to section 72667
4763.16 of the Revised Code ~~or as required pursuant to this~~ 72668
~~section,~~ the superintendent of real estate may deposit all fees 72669
collected under this chapter into the state treasury to the credit 72670
of the real estate ~~appraiser~~ operating fund, ~~which is hereby~~ 72671
created under section 4735.211 of the Revised Code. All operating 72672
expenses of the real estate appraiser board and the superintendent 72673
of real estate relating to the administration and enforcement of 72674
this chapter and Chapter 4768. of the Revised Code shall be paid 72675
from ~~this~~ the real estate operating fund. ~~The fund shall be~~ 72676
~~assessed a proportionate share of the administrative cost of the~~ 72677
~~department of commerce in accordance with procedures prescribed by~~ 72678
~~the director of commerce, and the assessment shall be paid from~~ 72679
~~the operating fund to the division of administration fund.~~ 72680

~~If, in any biennium, the director of commerce determines that~~ 72681
~~moneys in the operating fund exceed those necessary to fund the~~ 72682
~~activities of the board and of the superintendent of real estate~~ 72683
~~that relate to this chapter and Chapter 4768. of the Revised Code,~~ 72684
~~the director may pay the excess funds to the real estate appraiser~~ 72685
~~recovery fund.~~ 72686

Sec. 4763.16. (A) The real estate appraiser recovery fund is 72687
hereby created in the state treasury, to be administered by the 72688

superintendent of real estate. The treasurer of state shall credit 72689
to the fund amounts collected by the superintendent as prescribed 72690
in this section and interest earned on the assets of the fund. The 72691
superintendent shall ascertain the balance of the fund as of the 72692
first day of October of each year. If that balance is less than 72693
two hundred thousand dollars at any time, the director of budget 72694
and management, upon the request of the superintendent and 72695
approval of the controlling board, may transfer from the real 72696
estate ~~appraiser~~ operating fund created under section 4735.211 of 72697
the Revised Code to the real estate appraiser recovery fund a sum 72698
as will bring the real estate appraiser recovery fund to that 72699
amount. 72700

(B) When any person obtains a final judgment in any court of 72701
competent jurisdiction against a certificate holder, registrant, 72702
or licensee, based upon conduct that is in violation of this 72703
chapter or the rules adopted under it, which conduct occurred on 72704
or after the date of their certification, registration, or 72705
licensure, and that is associated with an act or transaction of a 72706
certificate holder, registrant, or licensee specified in this 72707
chapter, that person may file a verified complaint, as described 72708
in this division, in the Franklin county court of common pleas for 72709
an order directing payment out of the real estate appraiser 72710
recovery fund of the portion of the judgment that remains unpaid 72711
and that represents the actual and direct loss of the person for 72712
the act or transaction upon which the underlying judgment was 72713
based, and court costs, if awarded in the underlying judgment, 72714
provided that no person shall receive more than ten thousand 72715
dollars from the fund for any one judgment. A bonding or insurance 72716
company or any partnership, corporation, or association that uses 72717
any tool to develop a valuation of real property for purposes of a 72718
loan or that employs, retains, or engages as an independent 72719
contractor a person licensed, registered, or certified as a real 72720
estate appraiser in its usual or occasional operations may not 72721

seek an order directing, and is not eligible for, payment out of 72722
the fund. Punitive or exemplary damages are not recoverable from 72723
the fund. 72724

The complaint shall specify the nature of the act or 72725
transaction upon which the underlying judgment was based, the 72726
activities of the applicant in pursuit of remedies available under 72727
law for the collection of judgments, and the amount of the fee 72728
paid by the applicant to the certificate holder, registrant, or 72729
licensee. The applicant shall attach to the complaint a copy of 72730
each pleading and order in the underlying court action. 72731

The Franklin county court of common pleas shall order the 72732
superintendent to make payments out of the fund when the person 72733
seeking the order has shown all of the following: 72734

(1) The person has obtained a judgment, as provided in this 72735
division; 72736

(2) All appeals from the judgment have been exhausted and the 72737
person has given notice to the superintendent, as required by 72738
division (C) of this section; 72739

(3) The person is not a spouse of the certificate holder, 72740
registrant, or licensee, or the personal representative of the 72741
spouse; 72742

(4) The person has diligently pursued the person's remedies 72743
against all the certificate holders, registrants, licensees, and 72744
all other persons liable to the person in the transaction for 72745
which the person seeks recovery from the fund; 72746

(5) The person is making a complaint not more than one year 72747
after termination of all proceedings, including appeals, in 72748
connection with the judgment. 72749

(C) A person who applies to the Franklin county court of 72750
common pleas for an order directing payment out of the fund shall 72751

file notice of the complaint with the superintendent. The 72752
superintendent shall send notice to the affected certificate 72753
holder, registrant, or licensee, where possible. The 72754
superintendent may defend the action on behalf of the fund and 72755
shall have recourse to all appropriate means of defense and 72756
review, including examination of witnesses. The superintendent may 72757
move the court at any time to dismiss the complaint when it 72758
appears there are no triable issues and the complaint is without 72759
merit. The motion may be supported by affidavit of any person 72760
having knowledge of the facts and may be made on the basis that 72761
the complaint, including the judgment referred to in the 72762
complaint, does not form the basis for a meritorious recovery 72763
claim. The superintendent may, subject to court approval, 72764
compromise a claim based upon the complaint of an aggrieved party. 72765
The superintendent is not bound by any prior compromise or 72766
stipulation of the certificate holder, registrant, or licensee. 72767
Upon petition of the superintendent, the court may require all 72768
claimants and prospective claimants against one certificate 72769
holder, registrant, or licensee to be joined in one action, to the 72770
end that the respective rights of all such claimants to the fund 72771
may be equitably adjudicated and settled. 72772

(D) If the superintendent pays from the fund any amount in 72773
settlement of a claim or toward satisfaction of a judgment against 72774
a certificate holder, registrant, or licensee, the certificate, 72775
registration, or license of the certificate holder, registrant, or 72776
licensee automatically is suspended upon the date of payment from 72777
the fund. No certificate, registration, or license that has been 72778
suspended pursuant to this division shall be reinstated until the 72779
certificate holder, registrant, or licensee has repaid in full, 72780
plus interest per annum at the rate specified in division (A) of 72781
section 1343.03 of the Revised Code, the amount paid from the fund 72782
on the certificate holder's, registrant's, or licensee's account. 72783
A discharge in bankruptcy does not relieve a person from the 72784

suspension and requirements for reinstatement provided in this 72785
section. 72786

(E) If, at any time, the money deposited in the fund is 72787
insufficient to satisfy any duly authorized claim or portion of a 72788
claim, the superintendent shall, when sufficient money has been 72789
deposited in the fund, satisfy the unpaid claims or portions, in 72790
the order that the claims or portions were originally filed, plus 72791
accumulated interest per annum at the rate specified in division 72792
(A) of section 1343.03 of the Revised Code. 72793

(F) When, upon the order of the court, the superintendent has 72794
paid from the fund any sum to the judgment creditor, the 72795
superintendent is subrogated to all of the rights of the judgment 72796
creditor to the extent of the amount so paid, and the judgment 72797
creditor shall assign all of the judgment creditor's right, title, 72798
and interest in the judgment to the superintendent to the extent 72799
of the amount so paid. The superintendent shall deposit in the 72800
fund any amount and interest so recovered by the superintendent on 72801
the judgment. 72802

(G) Nothing contained in this section shall limit the 72803
authority of the real estate appraiser board to take disciplinary 72804
action against a certificate holder, registrant, or licensee under 72805
other provisions of this chapter. The repayment in full of all 72806
obligations to the fund by a certificate holder, registrant, or 72807
licensee does not nullify or modify the effect of any other 72808
disciplinary proceeding brought pursuant to this chapter, unless 72809
repayment is imposed as a condition in that proceeding. 72810

(H) The superintendent shall collect from the fund a service 72811
fee in an amount equivalent to the interest rate specified in 72812
division (A) of section 1343.03 of the Revised Code multiplied by 72813
the annual interest earned on the assets of the fund, to defray 72814
the expenses incurred in the administration of the fund. 72815

Sec. 4764.04. (A) There is hereby created the Ohio home 72816
inspector board consisting of seven members. The governor shall 72817
appoint five members who are licensed home inspectors. The 72818
president of the senate and the speaker of the house of 72819
representatives each shall appoint one member who represents the 72820
public and has no financial interest in the home inspection 72821
industry. Not more than four members of the board shall be members 72822
of the same political party. 72823

(B) The governor, president of the senate, and speaker of the 72824
house of representatives shall make the initial appointments to 72825
the board not later than ninety days after ~~the effective date of~~ 72826
~~this section~~ April 5, 2019. Of the initial appointments to the 72827
board, the governor shall appoint one member to a term ending one 72828
year after ~~the effective date of this section~~ April 5, 2019, two 72829
members to a term ending three years after that date, and two 72830
members to a term ending five years after that date. The president 72831
of the senate shall appoint one member to a term ending two years 72832
after that date, and the speaker of the house of representatives 72833
shall appoint one member to a term ending four years after that 72834
date. Thereafter, each term shall be for five years, ending on the 72835
same day of the same month as the term that it succeeds. Each 72836
member shall hold office from the date of appointment until the 72837
end of the term for which the member was appointed. Vacancies 72838
shall be filled in the manner provided for original appointments. 72839
A member appointed to fill a vacancy prior to the expiration of a 72840
term shall hold office for the remainder of that term. A member 72841
shall continue in office subsequent to the expiration of the term 72842
until the member's successor takes office. 72843

(C) Annually, at the first regularly scheduled board meeting 72844
following the first day of September, the board shall organize by 72845
selecting from among its members a chairperson and a vice 72846
chairperson by majority vote. The board shall meet at least once 72847

per calendar quarter to conduct its business. A majority of the 72848
members of the board constitutes a quorum to transact and vote on 72849
all business that comes before the board. 72850

(D) The members of the board shall not be compensated but 72851
shall be reimbursed for actual expenses reasonably incurred in the 72852
performance of their duties as members. 72853

(E) The person who, or office that, appointed a member may 72854
remove that member for misconduct, neglect of duty, incapacity, or 72855
malfeasance. 72856

(F) The Ohio home inspector board is a part of the department 72857
of commerce for administrative purposes. The director of commerce 72858
is ex officio the executive officer of the board, or the director 72859
may designate the superintendent of real estate and professional 72860
licensing to act as executive officer of the board. 72861

Sec. 4764.05. (A) The In addition to any other duties imposed 72862
on the Ohio home inspector board, the board shall adopt rules, in 72863
accordance with Chapter 119. of the Revised Code, in furtherance 72864
of this chapter, including, but not limited to, rules to do all of 72865

related to these actions, and the process of reactivating a 72870
license; 72871

(2) Establish the amount of the following fees: 72872

4764.07 of the Revised Code; 72905

(5) Establish the administrative reporting and review 72906

superintendent does not create, shall not be construed as 73168
creating, and is not intended to indicate licensure as a home 73169

Sec. 4764.08. During each three-year period that a license is 73171
valid, a licensed home inspector shall successfully complete not 73172
less than ~~fourteen~~ forty-two hours of continuing education 73173

The superintendent of real estate and professional licensing 73178
shall accept only those courses and programs the superintendent 73179

Sec. 4764.16. (A) Upon receipt of a written complaint or upon 73186

(B) The superintendent has the same powers to investigate an 73191
alleged violation of section 4764.02 of the Revised Code by a 73192
person who is not licensed as a home inspector as those powers are 73193
specified in section 4764.12 of the Revised Code. If, after an 73194
investigation pursuant to section 4764.12 of the Revised Code, the 73195
superintendent determines that reasonable evidence exists that an 73196
unlicensed person has violated section 4764.02 of the Revised 73197
Code, within seven days after that determination, the 73198
superintendent shall ~~send~~ serve a written notice ~~to that person by~~ 73199
~~regular mail~~ in accordance with sections 119.05 and 119.07 of the 73200

specified in section 119.07 of the Revised Code for notices given 73202
to licensees, except that the notice shall specify that a hearing 73203
will be held and specify the date, time, and place of the hearing. 73204

(C) The Ohio home inspector board shall hold a hearing 73205
regarding the alleged violation in the same manner prescribed for 73206
an adjudication hearing under section 119.09 of the Revised Code. 73207
If the board, after the hearing, determines a violation has 73208
occurred, the board may impose a civil penalty on the person, not 73209
exceeding five hundred dollars per violation which is distinct 73210
from any criminal fine imposed pursuant to section 4764.99 of the 73211
Revised Code. Each day a violation occurs or continues is a 73212
separate violation. The superintendent may approve a payment plan 73213
if the unlicensed person requests such. The board shall maintain a 73214

transcript of the proceedings of the hearing and issue a written order to all parties, citing its findings and grounds for any action taken. The board's determination regarding a violation of section 4764.02 of the Revised Code is an order that the person may appeal in accordance with section 119.12 of the Revised Code.

(D) If the unlicensed person who allegedly committed a violation of section 4764.02 of the Revised Code fails to appear for a hearing, the board may request the court of common pleas of the county where the alleged violation occurred to compel the person to appear before the board for a hearing.

(E) If the board assesses an unlicensed person a civil penalty for a violation of section 4764.02 of the Revised Code and the person fails to pay that civil penalty within the time period prescribed by the board, the superintendent shall forward to the attorney general the name of the person and the amount of the civil penalty for the purpose of collecting that civil penalty. In addition to the civil penalty assessed pursuant to this section, the person also shall pay any fee assessed by the attorney general for collection of the civil penalty.

If the board finds, or an unlicensed person admits to the board, a violation of section 4764.02 of the Revised Code, the superintendent shall not issue to the person a home inspector license without prior board approval.

Sec. 4764.18. Except as provided in section 4764.21 of the Revised Code, the superintendent of real estate and professional licensing shall deposit all money collected under this chapter in the state treasury to the credit of the home inspectors real estate operating fund, ~~which is hereby created. Money credited to the fund shall be used solely by the superintendent to pay costs associated with the administration and enforcement of this chapter.~~

Sec. 4764.21. (A) The home inspection recovery fund is hereby 73246
created in the state treasury, to be administered by the 73247
superintendent of real estate and professional licensing. Amounts 73248
collected by the superintendent as prescribed in this section and 73249
interest earned on the assets of the fund shall be ascertained by 73250
the superintendent as of the first day of July each year. 73251

The Ohio home inspector board, in accordance with rules 73252
adopted under division (A)(2) of section 4764.05 of the Revised 73253
Code, shall impose a special assessment not to exceed five dollars 73254
per year for each year of a licensing period on each person 73255
applying for a license under section 4764.07 of the Revised Code 73256
and on each licensee filing a notice of renewal under section 73257
4764.09 of the Revised Code if the amount available in the fund is 73258
less than ~~two hundred and fifty thousand~~ one million dollars on 73259
the first day of July preceding that filing. ~~The board may impose~~ 73260
~~a special assessment not to exceed three dollars per year for each~~ 73261
~~year of a licensing period if the amount available is greater than~~ 73262
~~five hundred thousand dollars, but less than one million dollars~~ 73263
~~on the first day of July preceding that filing.~~ The board shall 73264
not impose a special assessment if the amount available in the 73265
fund equals or exceeds one million dollars on the first day of 73266
July preceding that filing. 73267

(B)(1) Any person who obtains a final judgment in any court 73268
of competent jurisdiction against any home inspector licensed 73269
under this chapter, on the grounds of conduct that is in violation 73270
of this chapter or the rules adopted under it, and that is 73271
associated with an act or transaction that only a licensed home 73272
inspector is authorized to perform as specified in section 4764.02 73273
of the Revised Code, may file an application, as described in 73274
division (B)(3) of this section, in the court of common pleas of 73275
Franklin county for an order directing payment out of the home 73276
inspection recovery fund of the portion of the judgment that 73277

remains unpaid and that represents an actual and direct loss 73278
sustained by the applicant. 73279

(2) Punitive damages, attorney's fees, and interest on a 73280
judgment are not recoverable from the fund. The superintendent may 73281
allow court costs to be recovered from the fund, and, if the 73282
superintendent authorizes the recovery of court costs, the order 73283
of the court of common pleas then may direct their payment from 73284
the fund. 73285

(3) The applicant shall describe in the application the 73286
nature of the act or transaction on which the underlying judgment 73287
was based, the activities of the applicant in pursuit of remedies 73288
available under law for the collection of judgments, and the 73289
actual and direct losses, attorney's fees, and the court costs 73290
sustained or incurred by the applicant. The applicant shall attach 73291
to the application a copy of each pleading and order in the 73292
underlying court action. 73293

(4) The court shall order the superintendent to make payments 73294
out of the fund when the person seeking the order has shown all of 73295
the following: 73296

(a) The person has obtained a judgment, as provided in this 73297
division; 73298

(b) All appeals from the judgment have been exhausted and the 73299
person has given notice to the superintendent, as required by 73300
division (C) of this section; 73301

(c) The person is not a spouse of the judgment debtor, or the 73302
personal representative of the spouse; 73303

(d) The person has diligently pursued the person's remedies 73304
against all the judgment debtors and all other persons liable to 73305
the person in the transaction for which the person seeks recovery 73306
from the fund; 73307

(e) The person is applying not more than one year after 73308
termination of all proceedings, including appeals, in connection 73309
with the judgment. 73310

(5) Divisions (B)(1) to (4) of this section do not apply to 73311
any of the following: 73312

(a) Actions arising from home inspections conducted by an 73313
unlicensed individual; 73314

(b) A bonding company when it is not a principal in the real 73315
estate transaction; 73316

(c) A person in an action for the payment of a fee or other 73317
compensation for the performance of an act or transaction 73318
specified or comprehended in division (A) or (C) of section 73319
4764.02 of the Revised Code; 73320

(d) Losses incurred by investors in real estate if the 73321
applicant and the licensee are principals in the investment. 73322

(C) A person who applies to a court of common pleas for an 73323
order directing payment out of the fund shall file notice of the 73324
application with the superintendent. The superintendent may defend 73325
any action on behalf of the fund and shall have recourse to all 73326
appropriate means of defense and review, including examination of 73327
witnesses, verification of actual and direct losses, and 73328
challenges to the underlying judgment required in division 73329
(B)(4)(a) of this section to determine whether the underlying 73330
judgment is based on activity only a licensed home inspector is 73331
permitted to perform. The superintendent may move the court at any 73332
time to dismiss the application when it appears there are no 73333
triable issues and the application is without merit. The motion 73334
may be supported by affidavit of any person having knowledge of 73335
the facts and may be made on the basis that the application, 73336
including the judgment referred to in it, does not form the basis 73337
for a meritorious recovery claim; provided, that the 73338

superintendent shall give written notice to the applicant at least 73339
ten days before making the motion. The superintendent may, subject 73340
to court approval, compromise a claim based upon the application 73341
of an aggrieved party. The superintendent shall not be bound by 73342
any prior compromise or stipulation of the judgment debtor. 73343

(D) Notwithstanding any other provision of this section to 73344
the contrary, the liability of the fund shall not exceed forty 73345
thousand dollars for any one licensee. If a licensee's license is 73346
reactivated as provided in division (E) of this section, the 73347
liability of the fund for the licensee under this section shall 73348
again be forty thousand dollars, but only for transactions that 73349
occur subsequent to the time of reactivation. 73350

If the forty-thousand-dollar liability of the fund is 73351
insufficient to pay in full the valid claims of all aggrieved 73352
persons by whom claims have been filed against any one licensee, 73353
the forty thousand dollars shall be distributed among them in the 73354
ratio that their respective claims bear to the aggregate of valid 73355
claims or in any other manner as the court finds equitable. 73356
Distribution of moneys shall be among the persons entitled to 73357
share in it, without regard to the order of priority in which 73358
their respective judgments may have been obtained or their claims 73359
have been filed. Upon petition of the superintendent, the court 73360
may require all claimants and prospective claimants against one 73361
licensee to be joined in one action, to the end that the 73362
respective rights of all the claimants to the fund may be 73363
equitably adjudicated and settled. 73364

(E) If the superintendent pays from the fund any amount in 73365
settlement of a claim or toward satisfaction of a judgment against 73366
a licensed home inspector, the superintendent may suspend the home 73367
inspector's license. The superintendent shall not reactivate the 73368
suspended license of that home inspector until the home inspector 73369
has repaid in full, plus interest per annum at the rate specified 73370

in division (A) of section 1343.03 of the Revised Code, the amount 73371
paid from the fund on the home inspector's account. A discharge in 73372
bankruptcy does not relieve a person from the suspension and 73373
requirements for reactivation provided in this section unless the 73374
underlying judgment has been included in the discharge and has not 73375
been reaffirmed by the debtor. 73376

(F) If, at any time, the money deposited in the fund is 73377
insufficient to satisfy any duly authorized claim or portion of a 73378
claim, the superintendent shall, when sufficient money has been 73379
deposited in the fund, satisfy the unpaid claims or portions, in 73380
the order that the claims or portions were originally filed, plus 73381
accumulated interest per annum at the rate specified in division 73382
(A) of section 1343.03 of the Revised Code. 73383

(G) When, upon the order of the court, the superintendent has 73384
paid from the fund any sum to the judgment creditor, the 73385
superintendent shall be subrogated to all of the rights of the 73386
judgment creditor to the extent of the amount so paid, and the 73387
judgment creditor shall assign all the judgment creditor's right, 73388
title, and interest in the judgment to the superintendent to the 73389
extent of the amount so paid. Any amount and interest so recovered 73390
by the superintendent on the judgment shall be deposited in the 73391
fund. 73392

(H) Nothing contained in this section shall limit the 73393
authority of the superintendent to take disciplinary action 73394
against any licensee under other provisions of this chapter; nor 73395
shall the repayment in full of all obligations to the fund by any 73396
licensee nullify or modify the effect of any other disciplinary 73397
proceeding brought pursuant to this chapter. 73398

(I) The superintendent shall collect from the fund a service 73399
fee in an amount equivalent to the interest rate specified in 73400

adjudication order. 74299

generating at the amount specified by this section exceeds the 74314
amount of funds the division of real estate and the Ohio cemetery 74315
dispute resolution commission created by section 4767.05 of the 74316
Revised Code need to carry out their powers and duties under this 74317
chapter. If the director so reduces the amount of the registration 74318
fee, the director shall reduce it for all owners or other persons 74319
required to pay the fee under division (A)(1) of this section and 74320
shall require that the reduced fee be paid according to the number 74321

that division. If the director has reduced the fee under division 74323
(A)(2) of this section, the director may later raise it up to the 74324

year, the director determines that the total amount of funds the 74326
fee is generating at the reduced amount is insufficient for the 74327
division of real estate and the Ohio cemetery dispute resolution 74328
commission to carry out their powers and duties under this 74329

renewal fee shall be the same as the initial registration fees 74346
prescribed in division (A) of this section. 74347

subdivision ceases to operate and maintain the cemetery. A 74350
political subdivision operating and maintaining a cemetery is not 74351
required to renew or update the registration of that cemetery 74352
unless there is a change in the information required under 74353
division (A) of section 4767.04 of the Revised Code or unless 74354
additional land is acquired to increase the size of the cemetery. 74355

(D) All registration and renewal fees collected pursuant to 74356
this section shall be paid into the state treasury to the credit 74357

of this section. 74393

(20) Failure to cooperate in an investigation conducted by the board under section 4774.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to 74732
74733
74734
74735
74736

cooperate with an investigation shall not constitute grounds for 74737
discipline under this section if a court of competent jurisdiction 74738
has issued an order that either quashes a subpoena or permits the 74739
individual to withhold the testimony or evidence in issue; 74740

(21) Failure to maintain a license as a radiographer under 74741
Chapter 4773. of the Revised Code; 74742

(22) Failure to maintain certification as a registered 74743
radiologist assistant from the American registry of radiologic 74744
technologists, including revocation by the registry of the 74745
assistant's certification or failure by the assistant to meet the 74746
registry's requirements for annual registration, or failure to 74747
notify the board that the certification as a registered 74748
radiologist assistant has not been maintained; 74749

(23) Failure to comply with any of the rules of ethics 74750
included in the standards of ethics established by the American 74751
registry of radiologic technologists, as those rules apply to an 74752
individual who holds the registry's certification as a registered 74753
radiologist assistant. 74754

(C) The board shall not refuse to issue a license to an 74755
applicant because of a plea of guilty to, a judicial finding of 74756
guilt of, or a judicial finding of eligibility for intervention in 74757
lieu of conviction for an offense unless the refusal is in 74758
accordance with section 9.79 of the Revised Code. 74759

(D) Disciplinary actions taken by the board under divisions 74760
(A) and (B) of this section shall be taken pursuant to an 74761
adjudication under Chapter 119. of the Revised Code, except that 74762
in lieu of an adjudication, the board may enter into a consent 74763
agreement with a radiologist assistant or applicant to resolve an 74764
allegation of a violation of this chapter or any rule adopted 74765
under it. A consent agreement, when ratified by an affirmative 74766
vote of not fewer than six members of the board, shall constitute 74767

the findings and order of the board with respect to the matter 74768
addressed in the agreement. If the board refuses to ratify a 74769
consent agreement, the admissions and findings contained in the 74770
consent agreement shall be of no force or effect. 74771

(E) For purposes of divisions (B)(11), (14), and (15) of this 74772
section, the commission of the act may be established by a finding 74773
by the board, pursuant to an adjudication under Chapter 119. of 74774
the Revised Code, that the applicant or license holder committed 74775
the act in question. The board shall have no jurisdiction under 74776
these divisions in cases where the trial court renders a final 74777
judgment in the license holder's favor and that judgment is based 74778
upon an adjudication on the merits. The board shall have 74779
jurisdiction under these divisions in cases where the trial court 74780
issues an order of dismissal on technical or procedural grounds. 74781

(F) The sealing or expungement of conviction records by any 74782
court shall have no effect on a prior board order entered under 74783
the provisions of this section or on the board's jurisdiction to 74784
take action under the provisions of this section if, based upon a 74785
plea of guilty, a judicial finding of guilt, or a judicial finding 74786
of eligibility for intervention in lieu of conviction, the board 74787
issued a notice of opportunity for a hearing prior to the court's 74788
order to seal or expunge the records. The board shall not be 74789
required to seal, destroy, redact, or otherwise modify its records 74790
to reflect the court's sealing or expungement of conviction 74791
records. 74792

(G) For purposes of this division, any individual who holds a 74793
license to practice as a radiologist assistant issued under this 74794
chapter, or applies for a license, shall be deemed to have given 74795
consent to submit to a mental or physical examination when 74796
directed to do so in writing by the board and to have waived all 74797
objections to the admissibility of testimony or examination 74798
reports that constitute a privileged communication. 74799

(1) In enforcing division (B)(5) of this section, the board, 74800
on a showing of a possible violation, may compel any individual 74801
who holds a license to practice as a radiologist assistant issued 74802
under this chapter or who has applied for a license to submit to a 74803
mental or physical examination, or both. A physical examination 74804
may include an HIV test. The expense of the examination is the 74805
responsibility of the individual compelled to be examined. Failure 74806
to submit to a mental or physical examination or consent to an HIV 74807
test ordered by the board constitutes an admission of the 74808
allegations against the individual unless the failure is due to 74809
circumstances beyond the individual's control, and a default and 74810
final order may be entered without the taking of testimony or 74811
presentation of evidence. If the board finds a radiologist 74812
assistant unable to practice because of the reasons set forth in 74813
division (B)(5) of this section, the board shall require the 74814
radiologist assistant to submit to care, counseling, or treatment 74815
by physicians approved or designated by the board, as a condition 74816
for an initial, continued, reinstated, or renewed license. An 74817
individual affected by this division shall be afforded an 74818
opportunity to demonstrate to the board the ability to resume 74819
practicing in compliance with acceptable and prevailing standards 74820
of care. 74821

(2) For purposes of division (B)(6) of this section, if the 74822
board has reason to believe that any individual who holds a 74823
license to practice as a radiologist assistant issued under this 74824
chapter or any applicant for a license suffers such impairment, 74825
the board may compel the individual to submit to a mental or 74826
physical examination, or both. The expense of the examination is 74827
the responsibility of the individual compelled to be examined. Any 74828
mental or physical examination required under this division shall 74829
be undertaken by a treatment provider or physician qualified to 74830
conduct such examination and chosen by the board. 74831

Failure to submit to a mental or physical examination ordered 74832
by the board constitutes an admission of the allegations against 74833
the individual unless the failure is due to circumstances beyond 74834
the individual's control, and a default and final order may be 74835
entered without the taking of testimony or presentation of 74836
evidence. If the board determines that the individual's ability to 74837
practice is impaired, the board shall suspend the individual's 74838
license or deny the individual's application and shall require the 74839
individual, as a condition for an initial, continued, reinstated, 74840
or renewed license to practice, to submit to treatment. 74841

Before being eligible to apply for reinstatement of a license 74842
suspended under this division, the radiologist assistant shall 74843
demonstrate to the board the ability to resume practice in 74844
compliance with acceptable and prevailing standards of care. The 74845
demonstration shall include the following: 74846

(a) Certification from a treatment provider approved under 74847
section 4731.25 of the Revised Code that the individual has 74848
successfully completed any required inpatient treatment; 74849

(b) Evidence of continuing full compliance with an aftercare 74850
contract or consent agreement; 74851

(c) Two written reports indicating that the individual's 74852
ability to practice has been assessed and that the individual has 74853
been found capable of practicing according to acceptable and 74854
prevailing standards of care. The reports shall be made by 74855
individuals or providers approved by the board for making such 74856
assessments and shall describe the basis for their determination. 74857

The board may reinstate a license suspended under this 74858
division after such demonstration and after the individual has 74859
entered into a written consent agreement. 74860

When the impaired radiologist assistant resumes practice, the 74861
board shall require continued monitoring of the radiologist 74862

assistant. The monitoring shall include monitoring of compliance 74863
with the written consent agreement entered into before 74864
reinstatement or with conditions imposed by board order after a 74865
hearing, and, on termination of the consent agreement, submission 74866
to the board for at least two years of annual written progress 74867
reports made under penalty of falsification stating whether the 74868
radiologist assistant has maintained sobriety. 74869

(H) If the secretary and supervising member determine that 74870
there is clear and convincing evidence that a radiologist 74871
assistant has violated division (B) of this section and that the 74872
individual's continued practice presents a danger of immediate and 74873
serious harm to the public, they may recommend that the board 74874
suspend the individual's license to practice without a prior 74875
hearing. Written allegations shall be prepared for consideration 74876
by the board. 74877

The board, on review of the allegations and by an affirmative 74878
vote of not fewer than six of its members, excluding the secretary 74879
and supervising member, may suspend a license without a prior 74880
hearing. A telephone conference call may be utilized for reviewing 74881
the allegations and taking the vote on the summary suspension. 74882

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 74883
~~certified mail or in person~~ in accordance with ~~section~~ sections 74884
119.05 and 119.07 of the Revised Code. The order shall not be 74885
subject to suspension by the court during pendency of any appeal 74886
filed under section 119.12 of the Revised Code. If the radiologist 74887
assistant requests an adjudicatory hearing by the board, the date 74888
set for the hearing shall be within fifteen days, but not earlier 74889
than seven days, after the radiologist assistant requests the 74890
hearing, unless otherwise agreed to by both the board and the 74891
license holder. 74892

A summary suspension imposed under this division shall remain 74893
in effect, unless reversed on appeal, until a final adjudicative 74894

order issued by the board pursuant to this section and Chapter 74895
119. of the Revised Code becomes effective. The board shall issue 74896
its final adjudicative order within sixty days after completion of 74897
its hearing. Failure to issue the order within sixty days shall 74898
result in dissolution of the summary suspension order, but shall 74899
not invalidate any subsequent, final adjudicative order. 74900

(I) If the board takes action under division (B)(10), (12), 74901
or (13) of this section, and the judicial finding of guilt, guilty 74902
plea, or judicial finding of eligibility for intervention in lieu 74903
of conviction is overturned on appeal, on exhaustion of the 74904
criminal appeal, a petition for reconsideration of the order may 74905
be filed with the board along with appropriate court documents. On 74906
receipt of a petition and supporting court documents, the board 74907
shall reinstate the license to practice as a radiologist 74908
assistant. The board may then hold an adjudication under Chapter 74909
119. of the Revised Code to determine whether the individual 74910
committed the act in question. Notice of opportunity for hearing 74911
shall be given in accordance with Chapter 119. of the Revised 74912
Code. If the board finds, pursuant to an adjudication held under 74913
this division, that the individual committed the act, or if no 74914
hearing is requested, it may order any of the sanctions specified 74915
in division (B) of this section. 74916

(J) The license to practice of a radiologist assistant and 74917
the assistant's practice in this state are automatically suspended 74918
as of the date the radiologist assistant pleads guilty to, is 74919
found by a judge or jury to be guilty of, or is subject to a 74920
judicial finding of eligibility for intervention in lieu of 74921
conviction in this state or treatment of intervention in lieu of 74922
conviction in another jurisdiction for any of the following 74923
criminal offenses in this state or a substantially equivalent 74924
criminal offense in another jurisdiction: aggravated murder, 74925
murder, voluntary manslaughter, felonious assault, kidnapping, 74926

rape, sexual battery, gross sexual imposition, aggravated arson, 74927
aggravated robbery, or aggravated burglary. Continued practice 74928
after the suspension shall be considered practicing without a 74929
license. 74930

The board shall ~~notify~~ serve the individual subject to the 74931
suspension ~~by certified mail or in person~~ in accordance with 74932
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 74933
individual whose license is suspended under this division fails to 74934
make a timely request for an adjudication under Chapter 119. of 74935
the Revised Code, the board shall enter a final order permanently 74936
revoking the individual's license. 74937

(K) In any instance in which the board is required by Chapter 74938
119. of the Revised Code to give notice of opportunity for hearing 74939
and the individual subject to the notice does not timely request a 74940
hearing in accordance with section 119.07 of the Revised Code, the 74941
board is not required to hold a hearing, but may adopt, by an 74942
affirmative vote of not fewer than six of its members, a final 74943
order that contains the board's findings. In the final order, the 74944
board may order any of the sanctions identified under division (A) 74945
or (B) of this section. 74946

(L) Any action taken by the board under division (B) of this 74947
section resulting in a suspension shall be accompanied by a 74948
written statement of the conditions under which the radiologist 74949
assistant's license may be reinstated. The board shall adopt rules 74950
in accordance with Chapter 119. of the Revised Code governing 74951
conditions to be imposed for reinstatement. Reinstatement of a 74952
license suspended pursuant to division (B) of this section 74953
requires an affirmative vote of not fewer than six members of the 74954
board. 74955

(M) When the board refuses to grant or issue a license to 74956
practice as a radiologist assistant to an applicant, revokes an 74957
individual's license, refuses to renew an individual's license, or 74958

refuses to reinstate an individual's license, the board may 74959
specify that its action is permanent. An individual subject to a 74960
permanent action taken by the board is forever thereafter 74961
ineligible to hold a license to practice as a radiologist 74962
assistant and the board shall not accept an application for 74963
reinstatement of the license or for issuance of a new license. 74964

(N) Notwithstanding any other provision of the Revised Code, 74965
all of the following apply: 74966

(1) The surrender of a license to practice as a radiologist 74967
assistant issued under this chapter is not effective unless or 74968
until accepted by the board. Reinstatement of a license 74969
surrendered to the board requires an affirmative vote of not fewer 74970
than six members of the board. 74971

(2) An application made under this chapter for a license to 74972
practice may not be withdrawn without approval of the board. 74973

(3) Failure by an individual to renew a license to practice 74974
in accordance with section 4774.06 of the Revised Code shall not 74975
remove or limit the board's jurisdiction to take disciplinary 74976
action under this section against the individual. 74977

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a license to practice as a genetic counselor.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or

a judicial finding of eligibility for intervention in lieu of 75142
conviction for, a misdemeanor committed in the course of practice; 75143

(13) A plea of guilty to, a judicial finding of guilt of, or 75144
a judicial finding of eligibility for intervention in lieu of 75145
conviction for, a misdemeanor involving moral turpitude; 75146

(14) Commission of an act in the course of practice that 75147
constitutes a misdemeanor in this state, regardless of the 75148

(15) Commission of an act involving moral turpitude that 75150
constitutes a misdemeanor in this state, regardless of the 75151
jurisdiction in which the act was committed; 75152

(16) A plea of guilty to, a judicial finding of guilt of, or 75153
a judicial finding of eligibility for intervention in lieu of 75154
conviction for violating any state or federal law regulating the 75155

trafficking in drugs; 75157

(17) Any of the following actions taken by an agency 75158
responsible for authorizing, certifying, or regulating an 75159
individual to practice a health care occupation or provide health 75160
care services in this state or in another jurisdiction, for any 75161
reason other than the nonpayment of fees: the limitation, 75162
revocation, or suspension of an individual's license to practice; 75163
acceptance of an individual's license surrender; denial of a 75164
license; refusal to renew or reinstate a license; imposition of 75165
probation; or issuance of an order of censure or other reprimand; 75166

(18) Violation of the conditions placed by the board on a 75167
license to practice as a genetic counselor; 75168

(19) Failure to cooperate in an investigation conducted by 75169
the board under section 4778.18 of the Revised Code, including 75170
failure to comply with a subpoena or order issued by the board or 75171
failure to answer truthfully a question presented by the board at 75172

a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(20) Failure to maintain the individual's status as a certified genetic counselor;

(21) Failure to comply with the code of ethics established by the national society of genetic counselors.

(C) The board shall not refuse to issue a license to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a genetic counselor or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

(E) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(F) The sealing or expungement of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or took other formal action under Chapter 119. of the Revised Code prior to the court's order to seal or expunge the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing or expungement of conviction records.

(G) For purposes of this division, any individual who holds a license to practice as a genetic counselor, or applies for a license, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a license to practice as a genetic counselor or who has

applied for a license to practice as a genetic counselor to submit 75236
to a mental or physical examination, or both. A physical 75237
examination may include an HIV test. The expense of the 75238
examination is the responsibility of the individual compelled to 75239
be examined. Failure to submit to a mental or physical examination 75240
or consent to an HIV test ordered by the board constitutes an 75241
admission of the allegations against the individual unless the 75242
failure is due to circumstances beyond the individual's control, 75243
and a default and final order may be entered without the taking of 75244
testimony or presentation of evidence. If the board finds a 75245
genetic counselor unable to practice because of the reasons set 75246
forth in division (B)(5) of this section, the board shall require 75247
the genetic counselor to submit to care, counseling, or treatment 75248
by physicians approved or designated by the board, as a condition 75249
for an initial, continued, reinstated, or renewed license to 75250
practice. An individual affected by this division shall be 75251
afforded an opportunity to demonstrate to the board the ability to 75252
resume practicing in compliance with acceptable and prevailing 75253
standards of care. 75254

(2) For purposes of division (B)(6) of this section, if the 75255
board has reason to believe that any individual who holds a 75256
license to practice as a genetic counselor or any applicant for a 75257
license suffers such impairment, the board may compel the 75258
individual to submit to a mental or physical examination, or both. 75259
The expense of the examination is the responsibility of the 75260
individual compelled to be examined. Any mental or physical 75261
examination required under this division shall be undertaken by a 75262
treatment provider or physician qualified to conduct such 75263
examination and chosen by the board. 75264

Failure to submit to a mental or physical examination ordered 75265
by the board constitutes an admission of the allegations against 75266
the individual unless the failure is due to circumstances beyond 75267

the individual's control, and a default and final order may be 75268
entered without the taking of testimony or presentation of 75269
evidence. If the board determines that the individual's ability to 75270
practice is impaired, the board shall suspend the individual's 75271
license or deny the individual's application and shall require the 75272
individual, as a condition for an initial, continued, reinstated, 75273
or renewed license, to submit to treatment. 75274

Before being eligible to apply for reinstatement of a license 75275
suspended under this division, the genetic counselor shall 75276
demonstrate to the board the ability to resume practice in 75277
compliance with acceptable and prevailing standards of care. The 75278
demonstration shall include the following: 75279

(a) Certification from a treatment provider approved under 75280
section 4731.25 of the Revised Code that the individual has 75281
successfully completed any required inpatient treatment; 75282

(b) Evidence of continuing full compliance with an aftercare 75283
contract or consent agreement; 75284

(c) Two written reports indicating that the individual's 75285
ability to practice has been assessed and that the individual has 75286
been found capable of practicing according to acceptable and 75287
prevailing standards of care. The reports shall be made by 75288
individuals or providers approved by the board for making such 75289
assessments and shall describe the basis for their determination. 75290

The board may reinstate a license suspended under this 75291
division after such demonstration and after the individual has 75292
entered into a written consent agreement. 75293

When the impaired genetic counselor resumes practice, the 75294
board shall require continued monitoring of the genetic counselor. 75295
The monitoring shall include monitoring of compliance with the 75296
written consent agreement entered into before reinstatement or 75297
with conditions imposed by board order after a hearing, and, on 75298

termination of the consent agreement, submission to the board for 75299
at least two years of annual written progress reports made under 75300
penalty of falsification stating whether the genetic counselor has 75301
maintained sobriety. 75302

(H) If the secretary and supervising member determine both of 75303
the following, they may recommend that the board suspend an 75304
individual's license to practice without a prior hearing: 75305

(1) That there is clear and convincing evidence that a 75306
genetic counselor has violated division (B) of this section; 75307

(2) That the individual's continued practice presents a 75308
danger of immediate and serious harm to the public. 75309

Written allegations shall be prepared for consideration by 75310
the board. The board, on review of the allegations and by an 75311
affirmative vote of not fewer than six of its members, excluding 75312
the secretary and supervising member, may suspend a license 75313
without a prior hearing. A telephone conference call may be 75314
utilized for reviewing the allegations and taking the vote on the 75315
summary suspension. 75316

The board shall ~~issue~~ serve a written order of suspension by 75317
~~certified mail or in person~~ in accordance with ~~section~~ sections 75318
119.05 and 119.07 of the Revised Code. The order shall not be 75319
subject to suspension by the court during pendency of any appeal 75320
filed under section 119.12 of the Revised Code. If the genetic 75321
counselor requests an adjudicatory hearing by the board, the date 75322
set for the hearing shall be within fifteen days, but not earlier 75323
than seven days, after the genetic counselor requests the hearing, 75324
unless otherwise agreed to by both the board and the genetic 75325
counselor. 75326

A summary suspension imposed under this division shall remain 75327
in effect, unless reversed on appeal, until a final adjudicative 75328
order issued by the board pursuant to this section and Chapter 75329

119. of the Revised Code becomes effective. The board shall issue 75330
its final adjudicative order within sixty days after completion of 75331
its hearing. Failure to issue the order within sixty days shall 75332
result in dissolution of the summary suspension order, but shall 75333
not invalidate any subsequent, final adjudicative order. 75334

(I) If the board takes action under division (B)(10), (12), 75335
or (13) of this section, and the judicial finding of guilt, guilty 75336
plea, or judicial finding of eligibility for intervention in lieu 75337
of conviction is overturned on appeal, on exhaustion of the 75338
criminal appeal, a petition for reconsideration of the order may 75339
be filed with the board along with appropriate court documents. On 75340
receipt of a petition and supporting court documents, the board 75341
shall reinstate the license to practice as a genetic counselor. 75342
The board may then hold an adjudication under Chapter 119. of the 75343
Revised Code to determine whether the individual committed the act 75344
in question. Notice of opportunity for hearing shall be given in 75345
accordance with Chapter 119. of the Revised Code. If the board 75346
finds, pursuant to an adjudication held under this division, that 75347
the individual committed the act, or if no hearing is requested, 75348
it may order any of the sanctions specified in division (B) of 75349
this section. 75350

(J) The license to practice as a genetic counselor and the 75351
counselor's practice in this state are automatically suspended as 75352
of the date the genetic counselor pleads guilty to, is found by a 75353
judge or jury to be guilty of, or is subject to a judicial finding 75354
of eligibility for intervention in lieu of conviction in this 75355
state or treatment of intervention in lieu of conviction in 75356
another jurisdiction for any of the following criminal offenses in 75357
this state or a substantially equivalent criminal offense in 75358
another jurisdiction: aggravated murder, murder, voluntary 75359
manslaughter, felonious assault, kidnapping, rape, sexual battery, 75360
gross sexual imposition, aggravated arson, aggravated robbery, or 75361

aggravated burglary. Continued practice after the suspension shall 75362
be considered practicing without a license. 75363

The board shall ~~notify~~ serve the individual subject to the 75364
suspension ~~by certified mail or in person~~ in accordance with 75365
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 75366
individual whose license is suspended under this division fails to 75367
make a timely request for an adjudication under Chapter 119. of 75368
the Revised Code, the board shall enter a final order permanently 75369
revoking the individual's license to practice. 75370

(K) In any instance in which the board is required by Chapter 75371
119. of the Revised Code to give notice of opportunity for hearing 75372
and the individual subject to the notice does not timely request a 75373
hearing in accordance with section 119.07 of the Revised Code, the 75374
board is not required to hold a hearing, but may adopt, by an 75375
affirmative vote of not fewer than six of its members, a final 75376
order that contains the board's findings. In the final order, the 75377
board may order any of the sanctions identified under division (A) 75378
or (B) of this section. 75379

(L) Any action taken by the board under division (B) of this 75380
section resulting in a suspension shall be accompanied by a 75381
written statement of the conditions under which the license of the 75382
genetic counselor may be reinstated. The board shall adopt rules 75383
in accordance with Chapter 119. of the Revised Code governing 75384
conditions to be imposed for reinstatement. Reinstatement of a 75385
license suspended pursuant to division (B) of this section 75386
requires an affirmative vote of not fewer than six members of the 75387
board. 75388

(M) When the board refuses to grant or issue a license to 75389
practice as a genetic counselor to an applicant, revokes an 75390
individual's license, refuses to renew an individual's license, or 75391
refuses to reinstate an individual's license, the board may 75392
specify that its action is permanent. An individual subject to a 75393

permanent action taken by the board is forever thereafter 75394
ineligible to hold a license to practice as a genetic counselor 75395
and the board shall not accept an application for reinstatement of 75396
the license or for issuance of a new license. 75397

(N) Notwithstanding any other provision of the Revised Code, 75398
all of the following apply: 75399

(1) The surrender of a license to practice as a genetic 75400
counselor is not effective unless or until accepted by the board. 75401
A telephone conference call may be utilized for acceptance of the 75402
surrender of an individual's license. The telephone conference 75403
call shall be considered a special meeting under division (F) of 75404
section 121.22 of the Revised Code. Reinstatement of a license 75405
surrendered to the board requires an affirmative vote of not fewer 75406
than six members of the board. 75407

(2) An application made under this chapter for a license to 75408
practice may not be withdrawn without approval of the board. 75409

(3) Failure by an individual to renew a license in accordance 75410
with section 4778.06 of the Revised Code shall not remove or limit 75411
the board's jurisdiction to take disciplinary action under this 75412
section against the individual. 75413

Sec. 4779.29. If the Ohio occupational therapy, physical 75414
therapy, and athletic trainers board determines that there is 75415
clear and convincing evidence that an individual licensed under 75416
this chapter is engaging or has engaged in conduct described in 75417
division (A) of section 4779.28 of the Revised Code and that the 75418
license holder's continued practice presents a danger of immediate 75419
and serious harm to the public, the board may suspend the 75420
individual's license without an adjudicatory hearing. A telephone 75421
conference call may be used for reviewing the matter and taking 75422
the vote. 75423

If the board votes to suspend an individual's license, the board shall ~~issue~~ serve a written order of suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order is not subject to suspension by a court during pendency of any appeal filed under section 119.12 of the Revised Code. If the license holder requests an adjudicatory hearing by the board, the date set for the hearing shall be not later than fifteen days, but not earlier than seven days, after the request, unless otherwise agreed to by the board and the license holder.

Any suspension imposed under this section shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to section 119.12 of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. A failure to issue an order within sixty days shall result in the dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

Sec. 4779.35. (A) The Ohio occupational therapy, physical therapy, and athletic trainers board shall appoint an orthotics, prosthetics, and pedorthics advisory council for the purpose of advising the board on issues relating to the practice of orthotics, prosthetics, and pedorthics and the investigation of complaints regarding the practice of orthotics, prosthetics, and pedorthics.

The advisory council shall consist of not more than five individuals knowledgeable in the area of orthotics, prosthetics, and pedorthics. A majority of the council members shall be individuals actively engaged in the practice of orthotics, prosthetics, and pedorthics who meet the requirements for licensure under Chapter 4779. of the Revised Code.

The Ohio orthotics and prosthetics association, or its 75455
successor organization, may nominate the names of up to three 75456
qualified individuals for consideration by the board in making 75457
appointments for each vacancy on the council. 75458

(B) ~~Not later than ninety days after January 1, 2018, the~~ 75459
~~board shall make initial appointments to the council.~~ Members 75460
shall serve three-year ~~staggered~~ terms of office in accordance 75461
with rules adopted by the board. ~~Thereafter, terms of office shall~~ 75462
~~be for three years,~~ with each term ending on the same day of the 75463
same month as did the term that it succeeds. A council member 75464
shall continue in office subsequent to the expiration date of the 75465
member's term until a successor is appointed and takes office, or 75466
until a period of ~~sixty~~ ninety days has elapsed, whichever occurs 75467
first. Each council member shall hold office from the date of 75468
appointment until the end of the term for which the member was 75469
appointed. 75470

(C) With approval from the director of administrative 75471
services, members may receive an amount fixed under division (J) 75472
of section 124.15 of the Revised Code for each day the member is 75473
performing the member's official duties and be reimbursed for 75474
actual and necessary expenses incurred in performing those duties. 75475

(D) The council shall meet at least ~~four~~ three times per year 75476
and at such other times as may be necessary to carry out its 75477
responsibilities. 75478

(E) The council shall submit to the board recommendations 75479
concerning all of the following: 75480

(1) Requirements for issuing a license to practice orthotics, 75481
prosthetics, and pedorthics, including the educational and 75482
experience requirements that must be met to receive a license; 75483

(2) Existing and proposed rules pertaining to the practice of 75484
orthotics, prosthetics, and pedorthics and the administration and 75485

82623
there. The director may assign to a county board of developmental disabilities or the department of health the responsibility to 82624
82625
conduct any survey or inspection under this section.

(2) In conducting surveys, the director shall be given access 82626
82627
to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; 82628
82629
the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The 82630
82631
licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director in 82632
82633
conducting the survey.

(3) Following each survey, the director shall provide the 82634
82635
licensee with a report listing the date of the survey, any citations issued as a result of the survey, and the statutes or 82636
82637
rules that purportedly have been violated and are the bases of the

citations. The director shall also do both of the following: 82638

(a) Specify a date by which the licensee may appeal any of 82639
the citations; 82640

(b) When appropriate, specify a timetable within which the 82641
licensee must submit a plan of correction describing how the 82642
problems specified in the citations will be corrected and, the 82643
date by which the licensee anticipates the problems will be 82644
corrected. 82645

(4) If the director initiates a proceeding to revoke a 82646
license, the director shall include the report required by 82647
division (H)(3) of this section with the notice of the proposed 82648
revocation the director sends to the licensee. In this 82649
circumstance, the licensee may not submit a plan of correction. 82650

(5) After a plan of correction is submitted, the director 82651
shall approve or disapprove the plan. If the plan of correction is 82652
approved, a copy of the approved plan shall be provided, not later 82653
than five business days after it is approved, to any person or 82654
government entity who requests it and made available on the 82655
internet web site maintained by the department of developmental 82656
disabilities. If the plan of correction is not approved and the 82657
director initiates a proceeding to revoke the license, a copy of 82658
the survey report shall be provided to any person or government 82659
entity that requests it and shall be made available on the 82660
internet web site maintained by the department. 82661

(6) The director shall initiate disciplinary action against 82662
any department employee who notifies or causes the notification to 82663
any unauthorized person of an unannounced survey of a residential 82664
facility by an authorized representative of the department. 82665

(I) In addition to any other information which may be 82666
required of applicants for a license pursuant to this section, the 82667
director shall require each applicant to provide a copy of an 82668

approved plan for a proposed residential facility pursuant to 82669
section 5123.042 of the Revised Code. This division does not apply 82670
to renewal of a license or to an applicant for an initial or 82671
modified license who meets the requirements of section 5123.197 of 82672
the Revised Code. 82673

(J)(1) A licensee shall notify the owner of the building in 82674
which the licensee's residential facility is located of any 82675
significant change in the identity of the licensee or management 82676
contractor before the effective date of the change if the licensee 82677
is not the owner of the building. 82678

(2) Pursuant to rules, which shall be adopted in accordance 82679
with Chapter 119. of the Revised Code, the director may require 82680
notification to the department of any significant change in the 82681
ownership of a residential facility or in the identity of the 82682
licensee or management contractor. If the director determines that 82683
a significant change of ownership is proposed, the director shall 82684
consider the proposed change to be an application for development 82685
by a new operator pursuant to section 5123.042 of the Revised Code 82686
and shall advise the applicant within sixty days of the 82687
notification that the current license shall continue in effect or 82688
a new license will be required pursuant to this section. If the 82689
director requires a new license, the director shall permit the 82690
facility to continue to operate under the current license until 82691
the new license is issued, unless the current license is revoked, 82692
refused to be renewed, or terminated in accordance with Chapter 82693
119. of the Revised Code. 82694

(3) A licensee shall transfer to the new licensee or 82695
management contractor all records related to the residents of the 82696
facility following any significant change in the identity of the 82697
licensee or management contractor. 82698

(K) A county board of developmental disabilities and any 82699
interested person may file complaints alleging violations of 82700

statute or department rule relating to residential facilities with 82701
the department. All complaints shall state the facts constituting 82702
the basis of the allegation. The department shall not reveal the 82703
source of any complaint unless the complainant agrees in writing 82704
to waive the right to confidentiality or until so ordered by a 82705
court of competent jurisdiction. 82706

The department shall adopt rules in accordance with Chapter 82707
119. of the Revised Code establishing procedures for the receipt, 82708
referral, investigation, and disposition of complaints filed with 82709
the department under this division. 82710

(L) Before issuing a license under this section to a 82711
residential facility that will accommodate at any time more than 82712
one individual with a developmental disability, the director 82713
shall, by first class mail, notify the following: 82714

(1) If the facility will be located in a municipal 82715
corporation, the clerk of the legislative authority of the 82716
municipal corporation; 82717

(2) If the facility will be located in unincorporated 82718
territory, the clerk of the appropriate board of county 82719
commissioners and the fiscal officer of the appropriate board of 82720
township trustees. 82721

The director shall not issue the license for ten days after 82722
mailing the notice, excluding Saturdays, Sundays, and legal 82723
holidays, in order to give the notified local officials time in 82724
which to comment on the proposed issuance. 82725

Any legislative authority of a municipal corporation, board 82726
of county commissioners, or board of township trustees that 82727
receives notice under this division of the proposed issuance of a 82728
license for a residential facility may comment on it in writing to 82729
the director within ten days after the director mailed the notice, 82730
excluding Saturdays, Sundays, and legal holidays. If the director 82731

receives written comments from any notified officials within the 82732
specified time, the director shall make written findings 82733
concerning the comments and the director's decision on the 82734
issuance of the license. If the director does not receive written 82735
comments from any notified local officials within the specified 82736
time, the director shall continue the process for issuance of the 82737
license. 82738

(M) Any person may operate a licensed residential facility 82739
that provides room and board, personal care, habilitation 82740
services, and supervision in a family setting for at least six but 82741
not more than eight individuals with developmental disabilities as 82742
a permitted use in any residential district or zone, including any 82743
single-family residential district or zone, of any political 82744
subdivision. These residential facilities may be required to 82745

requirements that are uniformly imposed upon all single-family 82747
residences within the district or zone. 82748

(N) Any person may operate a licensed residential facility 82749
that provides room and board, personal care, habilitation 82750
services, and supervision in a family setting for at least nine 82751
but not more than sixteen individuals with developmental 82752
disabilities as a permitted use in any multiple-family residential 82753
district or zone of any political subdivision, except that a 82754
political subdivision that has enacted a zoning ordinance or 82755
resolution establishing planned unit development districts may 82756
exclude these residential facilities from those districts, and a 82757
political subdivision that has enacted a zoning ordinance or 82758
resolution may regulate these residential facilities in 82759
multiple-family residential districts or zones as a conditionally 82760
permitted use or special exception, in either case, under 82761
reasonable and specific standards and conditions set out in the 82762
zoning ordinance or resolution to: 82763

(1) Require the architectural design and site layout of the residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood;	82764
	82765
	82766
	82767
(2) Require compliance with yard, parking, and sign regulation;	82768
	82769
(3) Limit excessive concentration of these residential facilities.	82770
	82771
(O) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations.	82772
	82773
	82774
	82775
(P) Divisions (M) and (N) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification.	82776
	82777
	82778
	82779
	82780
	82781
(Q)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case:	82782
	82783
	82784
(a) The director determines that an emergency exists requiring immediate placement of individuals in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license.	82785
	82786
	82787
	82788
	82789
	82790
(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility.	82791
	82792
	82793

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license.

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred eighty days.

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses.

(R) Notwithstanding rules adopted pursuant to this section establishing the maximum number of individuals who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of individuals being served by the facility on the effective date of the rules or the number of individuals for which the facility is authorized pursuant to a current application for a certificate of need with a letter of support from the department of developmental disabilities and which is in the review process prior to April 4, 1986.

This division does not preclude the department from suspending new admissions to a residential facility pursuant to a written order issued under section 5124.70 of the Revised Code.

(S) The director may enter at any time, for purposes of investigation, any home, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is being operated as a residential facility without a license issued under this section.

The director may petition the court of common pleas of the county in which an unlicensed residential facility is located for

an order enjoining the person or governmental agency operating the facility from continuing to operate without a license. The court may grant the injunction on a showing that the person or governmental agency named in the petition is operating a residential facility without a license. The court may grant the injunction, regardless of whether the residential facility meets the requirements for receiving a license under this section.

established by the council to award grants or enter into contracts 82868
or to make recommendations with regard to awarding grants or 82869

(2) After the applicant or employee is given the information 85588
and notification required by divisions (F)(2)(a) and (b) of this 85589
section, the applicant or employee fails to do either of the 85590
following: 85591

(a) Access, complete, or forward to the superintendent of the 85592
bureau of criminal identification and investigation the form 85593
prescribed to division (C)(1) of section 109.572 of the Revised 85594
Code or the standard impression sheet prescribed pursuant to 85595
division (C)(2) of that section; 85596

(b) Instruct the superintendent to submit the completed 85597
report of the criminal records check required by this section 85598
directly to the chief administrator of the waiver agency. 85599

(3) Except as provided in rules authorized by this section, 85600
the applicant or employee is found by a criminal records check 85601
required by this section to have been convicted of or have pleaded 85602
guilty to a disqualifying offense, regardless of the date of the 85603
conviction or date of entry of the guilty plea. 85604

(D) At the time of each applicant's initial application for 85605
employment in a position that involves providing home and 85606
community-based services, the chief administrator of a waiver 85607
agency shall inform the applicant of both of the following: 85608

(1) That a review of the databases listed in division (E) of 85609
this section will be conducted to determine whether the waiver 85610
agency is prohibited by division (C)(1) of this section from 85611
employing the applicant in the position; 85612

(2) That, unless the database review reveals that the 85613
applicant may not be employed in the position, a criminal records 85614
check of the applicant will be conducted and the applicant is 85615
required to provide a set of the applicant's fingerprint 85616
impressions as part of the criminal records check. 85617

(E) As a condition of employing any applicant in a position 85618
that involves providing home and community-based services, the 85619
chief administrator of a waiver agency shall conduct a database 85620
review of the applicant in accordance with rules authorized by 85621
this section. If rules authorized by this section so require, the 85622
chief administrator of a waiver agency shall conduct a database 85623
review of an employee in accordance with the rules as a condition 85624
of continuing to employ the employee in a position that involves 85625
providing home and community-based services. A database review 85626
shall determine whether the applicant or employee is included in 85627
any of the following: 85628

(1) The excluded parties list system that is maintained by 85629
the United States general services administration pursuant to 85630

subpart 9.4 of the federal acquisition regulation and available at 85631

(2) The list of excluded individuals and entities maintained 85633

(4) The internet-based sex offender and child-victim offender 85639

(5) The internet-based database of inmates established under 85642
section 5120.66 of the Revised Code; 85643

(6) The state nurse aide registry established under section 85644

(7) Any other database, if any, specified in rules authorized 85646
by this section. 85647

(F)(1) As a condition of employing any applicant in a 85648
position that involves providing home and community-based 85649
services, the chief administrator of a waiver agency shall require 85650
the applicant to request that the superintendent of the bureau of 85651
criminal identification and investigation conduct a criminal 85652
records check of the applicant. If rules authorized by this 85653
section so require, the chief administrator of a waiver agency 85654
shall require an employee to request that the superintendent 85655
conduct a criminal records check of the employee at times 85656
specified in the rules as a condition of continuing to employ the 85657
employee in a position that involves providing home and 85658
community-based services. However, a criminal records check is not 85659
required for an applicant or employee if the waiver agency is 85660
prohibited by division (C)(1) of this section from employing the 85661

applicant or continuing to employ the employee in a position that 85662
involves providing home and community-based services. If an 85663
applicant or employee for whom a criminal records check request is 85664

to the date the criminal records check is requested or provide 85667
evidence that within that five-year period the superintendent has 85668
requested information about the applicant or employee from the 85669
federal bureau of investigation in a criminal records check, the 85670
chief administrator shall require the applicant or employee to 85671
request that the superintendent obtain information from the 85672
federal bureau of investigation as part of the criminal records 85673
check. Even if an applicant or employee for whom a criminal 85674
records check request is required by this section presents proof 85675
of having been a resident of this state for the five-year period, 85676
the chief administrator may require the applicant or employee to 85677
request that the superintendent include information from the 85678
federal bureau of investigation in the criminal records check. 85679

(2) The chief administrator shall provide the following to 85680
each applicant and employee for whom a criminal records check is 85681
required by this section: 85682

(a) Information about accessing, completing, and forwarding 85683

division (C)(3) of section 109.572 of the Revised Code for any 85693

agency may require an applicant to pay to the bureau the fee for a 85695
criminal records check of the applicant. If the waiver agency pays 85696
the fee for an applicant, it may charge the applicant a fee not 85697
exceeding the amount the waiver agency pays to the bureau under 85698
this section if the waiver agency notifies the applicant at the 85699
time of initial application for employment of the amount of the 85700
fee and that, unless the fee is paid, the applicant will not be 85701
considered for employment. 85702

(G)(1) A waiver agency may employ conditionally an applicant 85703
for whom a criminal records check is required by this section 85704
prior to obtaining the results of the criminal records check if 85705
both of the following apply: 85706

(a) The waiver agency is not prohibited by division (C)(1) of 85707
this section from employing the applicant in a position that 85708
involves providing home and community-based services. 85709

(b) The chief administrator of the waiver agency requires the 85710
applicant to request a criminal records check regarding the 85711
applicant in accordance with division (F)(1) of this section not 85712
later than five business days after the applicant begins 85713
conditional employment. 85714

(2) A waiver agency that employs an applicant conditionally 85715
under division (G)(1) of this section shall terminate the 85716
applicant's employment if the results of the criminal records 85717
check, other than the results of any request for information from 85718
the federal bureau of investigation, are not obtained within the 85719
period ending sixty days after the date the request for the 85720
criminal records check is made. Regardless of when the results of 85721
the criminal records check are obtained, if the results indicate 85722
that the applicant has been convicted of or has pleaded guilty to 85723
a disqualifying offense, the waiver agency shall terminate the 85724
applicant's employment unless circumstances specified in rules 85725

authorized by this section exist that permit the waiver agency to employ the applicant and the waiver agency chooses to employ the applicant.

(H) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

85757

With respect to an administrative hearing dealing with a denial, suspension, or termination of a provider agreement, the report of a criminal records check may be introduced as evidence at the hearing and if admitted, becomes part of the hearing record. Any such report shall be admitted only under seal and shall maintain its status as not a public record. 85758

an applicant or employee who is found by a criminal records check 85788

guilty to a disqualifying offense. 85790

(J) The amendments made by H.B. 487 of the 129th general 85791

(c) Private rooms created by adding space to the nursing 86855
facility or renovating nonbedroom space, without increasing the 86856
total licensed bed capacity. 86857

(3) The department may specify evidence that an applicant 86858
must supply to demonstrate that it meets the conditions specified 86859
in division (B)(2) of this section. 86860

(4) The department may deny an application if the department 86861
determines that any of the following circumstances apply: 86862

definition of a private room under section 5165.01 of the Revised 86864
Code; 86865

(b) The rooms included in the application do not meet the 86866

criteria specified in division (B)(2) of this section; 86867

(c) The applicant created private rooms by reducing the 86868
number of available beds without reducing the licensed capacity of 86869
the facility. 86870

(5) An applicant may request reconsideration of a denial 86871
under division (B) of this section. 86872

Sec. 5165.16. (A) The department of medicaid shall determine 86873
each nursing facility's per medicaid day payment rate for 86874
ancillary and support costs. A nursing facility's rate shall be 86875
the rate determined under division (C) of this section for the 86876
nursing facility's peer group. 86877

(B) For the purpose of determining nursing facilities' rates 86878
for ancillary and support costs, the department shall establish 86879
six peer groups composed as follows: 86880

(C)(1) The department shall determine the rate for ancillary 86912
and support costs for each peer group established under division 86913
(B) of this section. The rate for ancillary and support costs 86914
determined under this division for a peer group shall be used for 86915
subsequent years until the department conducts a rebasing. To 86916
determine a peer group's rate for ancillary and support costs, the 86917
department shall do ~~all~~ both of the following: 86918

(a) Determine the rate for ancillary and support costs for 86919
each nursing facility in the peer group for the applicable 86920
calendar year by using the greater of the nursing facility's 86921
actual inpatient days for the applicable calendar year or the 86922
inpatient days the nursing facility would have had for the 86923
applicable calendar year if its occupancy rate had been ninety per 86924
cent; 86925

(b) Subject to division (C)(2) of this section, identify 86926
which nursing facility in the peer group is at the ~~twenty-fifth~~ 86927
~~percentile of the~~ median rate for ancillary and support costs for 86928

the applicable calendar year determined under division (C)(1)(a) 86929
of this section: 86930

~~(c) Multiply the rate for ancillary and support costs 86931
determined under division (C)(1)(a) of this section for the 86932
nursing facility identified under division (C)(1)(b) of this 86933
section by the rate of inflation for the eighteen month period 86934
beginning on the first day of July of the applicable calendar year 86935
and ending the last day of December of the calendar year 86936
immediately following the applicable calendar year using the 86937
following: 86938~~

~~(i) Except as provided in division (C)(1)(c)(ii) of this 86939
section, the consumer price index for all items for all urban 86940
consumers for the midwest region, published by the United States 86941
bureau of labor statistics: 86942~~

~~(ii) If the United States bureau of labor statistics ceases 86943
to publish the index specified in division (C)(1)(c)(i) of this 86944
section, the index the bureau subsequently publishes that covers 86945
urban consumers' prices for items for the region that includes 86946
this state. 86947~~

(2) In making the identification under division (C)(1)(b) of 86948
this section, the department shall exclude both of the following: 86949

program under the same provider for less than twelve months in the 86951
applicable calendar year; 86952

(b) Nursing facilities whose ancillary and support costs are 86953
more than one standard deviation from the mean desk-reviewed, 86954
actual, allowable, per diem ancillary and support cost for all 86955
nursing facilities in the nursing facility's peer group for the 86956
applicable calendar year. 86957

(3) The department shall not redetermine a peer group's rate 86958
for ancillary and support costs under this division based on 86959

additional information that it receives after the rate is 86960
determined. The department shall redetermine a peer group's rate 86961
for ancillary and support costs only if the department made an 86962
error in determining the rate based on information available to 86963
the department at the time of the original determination. 86964

Sec. 5165.19. ~~(A)(1)~~ Semiannually, except as provided in 86965
division (A)(2) of this section, the department of medicaid shall 86966
determine each nursing facility's per medicaid day payment rate 86967
for direct care costs by multiplying the facility's semiannual 86968
case-mix score determined under section 5165.192 of the Revised 86969
Code by the cost per case-mix unit determined under division (C) 86970
of this section for the facility's peer group. 86971

(2) Beginning January 1, 2024, during state fiscal years 2024 86972
and 2025, the department shall determine each nursing facility's 86973
per medicaid day payment rate for direct care costs by multiplying 86974
the cost per case-mix unit determined under division (C) of this 86975
section for the facility's peer group by the case-mix score 86976
specified in division (A)(2)(a) or (b) of this section, as 86977
selected by the nursing facility not later than October 1, 2023. 86978
If the nursing facility does not make a selection by October 1, 86979
2023, the case-mix score specified in division (A)(2)(a) of this 86980
section shall apply. The case-mix score may be either of the 86981
following: 86982

(a) The semiannual case-mix score determined for the facility 86983
under division (A)(1) of this section; 86984

(b) The facility's quarterly case-mix score from March 31, 86985
2023, which shall apply to the facility's direct care rate from 86986
January 1, 2024, to June 30, 2025. 86987

(B) For the purpose of determining nursing facilities' rates 86988
for direct care costs, the department shall establish three peer 86989
groups. 86990

(1) Each nursing facility located in any of the following 86991
counties shall be placed in peer group one: Brown, Butler, 86992
Clermont, Clinton, Hamilton, and Warren. 86993

(2) Each nursing facility located in any of the following 86994
counties shall be placed in peer group two: Allen, Ashtabula, 86995
Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, 86996
Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, 86997
Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, 86998
Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, 86999
Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. 87000

(3) Each nursing facility located in any of the following 87001
counties shall be placed in peer group three: Adams, Ashland, 87002
Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, 87003
Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, 87004
Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, 87005
Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, 87006
Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, 87007
Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and 87008
Wyandot. 87009

(C)(1) The department shall determine a cost per case-mix 87010
unit for each peer group established under division (B) of this 87011
section. The cost per case-mix unit determined under this division 87012
for a peer group shall be used for subsequent years until the 87013
department conducts a rebasing. To determine a peer group's cost 87014
per case-mix unit, the department shall do ~~all~~ both of the 87015
following: 87016

(a) Determine the cost per case-mix unit for each nursing 87017
facility in the peer group for the applicable calendar year by 87018
dividing each facility's desk-reviewed, actual, allowable, per 87019
diem direct care costs for the applicable calendar year by the 87020
facility's annual average case-mix score determined under section 87021
5165.192 of the Revised Code for the applicable calendar year; 87022

(b) Subject to division (C)(2) of this section, identify which nursing facility in the peer group is at the ~~twenty fifth~~ percentile of the median cost per case-mix units determined under division (C)(1)(a) of this section;

~~(c) Calculate the amount that is two per cent above the cost per case mix unit determined under division (C)(1)(a) of this section for the nursing facility identified under division (C)(1)(b) of this section;~~

~~(d) Using the index specified in division (C)(3) of this section, multiply the rate of inflation for the eighteen month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year by the amount calculated under division (C)(1)(c) of this section.~~

(2) In making the identification under division (C)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose cost per case-mix unit is more than one standard deviation from the mean cost per case-mix unit for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

~~(3) The following index shall be used for the purpose of the calculation made under division (C)(1)(d) of this section:~~

~~(a) Except as provided in division (C)(3)(b) of this section, the employment cost index for total compensation, nursing and residential care facilities occupational group, published by the United States bureau of labor statistics;~~

~~(b) If the United States bureau of labor statistics ceases to~~

~~publish the index specified in division (C)(3)(a) of this section,~~ 87053
~~the index the bureau subsequently publishes that covers nursing~~ 87054
~~facilities' staff costs.~~ 87055

(4) The department shall not redetermine a peer group's cost 87056
per case-mix unit under this division based on additional 87057
information that it receives after the peer group's per case-mix 87058
unit is determined. The department shall redetermine a peer 87059
group's cost per case-mix unit only if it made an error in 87060
determining the peer group's cost per case-mix unit based on 87061
information available to the department at the time of the 87062
original determination. 87063

Sec. 5165.192. (A)(1) Except as provided in division (B) of 87064
this section and in accordance with the process specified in rules 87065
authorized by this section, the department of medicaid shall do 87066
all of the following: 87067

(a) Every quarter, determine the following two case-mix 87068
scores for each nursing facility: 87069

(i) A quarterly case-mix score that includes each resident 87070
who is a medicaid recipient and is not a low ~~resource utilization~~ 87071
case-mix resident; 87072

(ii) A quarterly case-mix score that includes each resident 87073
regardless of payment source. 87074

(b) Every six months, determine a semiannual average case-mix 87075
score for each nursing facility by using the quarterly case-mix 87076
scores determined for the nursing facility pursuant to division 87077
(A)(1)(a)(i) of this section; 87078

(c) After the end of each calendar year, determine an annual 87079
average case-mix score for each nursing facility by using the 87080
quarterly case-mix scores determined for the nursing facility 87081
pursuant to division (A)(1)(a)(ii) of this section. 87082

(2) When determining case-mix scores under division (A)(1) of this section, the department shall use all of the following: 87083
87084

(a) Data from a resident assessment instrument specified in rules authorized by section 5165.191 of the Revised Code; 87085
87086

(b) Except as provided in rules authorized by this section, the case-mix values established by the United States department of health and human services; 87087
87088
87089

(c) Except as modified in rules authorized by this section, the grouper methodology used on June 30, 1999, by the United States department of health and human services for prospective payment of skilled nursing facilities under the medicare program. 87090
87091
87092
87093

(B)(1) Subject to division (B)(2) of this section, the department, for one or more months of a calendar quarter, may assign to a nursing facility a case-mix score that is five per cent less than the nursing facility's case-mix score for the immediately preceding calendar quarter if any of the following apply: 87094
87095
87096
87097
87098
87099

(a) The provider does not timely submit complete and accurate resident assessment data necessary to determine the nursing facility's case-mix score for the calendar quarter; 87100
87101
87102

(b) The nursing facility was subject to an exception review under section 5165.193 of the Revised Code for the immediately preceding calendar quarter; 87103
87104
87105

(c) The nursing facility was assigned a case-mix score for the immediately preceding calendar quarter. 87106
87107

(2) Before assigning a case-mix score to a nursing facility due to the submission of incorrect resident assessment data, the department shall permit the provider to correct the data. The department may assign the case-mix score if the provider fails to submit the corrected resident assessment data not later than the 87108
87109
87110
87111
87112

earlier of the forty-fifth day after the end of the calendar 87113
quarter to which the data pertains or the deadline for submission 87114
of such corrections established by regulations adopted by the 87115
United States department of health and human services under Title 87116
XVIII and Title XIX. 87117

(3) If, for more than six months in a calendar year, a 87118
provider is paid a rate determined for a nursing facility using a 87119
case-mix score assigned to the nursing facility under division 87120
(B)(1) of this section, the department may assign the nursing 87121
facility a cost per case-mix unit that is five per cent less than 87122
the nursing facility's actual or assigned cost per case-mix unit 87123
for the immediately preceding calendar year. The department may 87124
use the assigned cost per case-mix unit, instead of determining 87125
the nursing facility's actual cost per case-mix unit in accordance 87126
with section 5165.19 of the Revised Code, to establish the nursing 87127
facility's rate for direct care costs for the fiscal year 87128
immediately following the calendar year for which the cost per 87129
case-mix unit is assigned. 87130

(4) The department shall take action under division (B)(1), 87131
(2), or (3) of this section only in accordance with rules 87132
authorized by this section. The department shall not take an 87133
action that affects rates for prior payment periods except in 87134
accordance with sections 5165.41 and 5165.42 of the Revised Code. 87135

(C) The medicaid director shall adopt rules under section 87136
5165.02 of the Revised Code as necessary to implement this 87137
section. 87138

(1) The rules shall do all of the following: 87139

(a) Specify the process for determining the semiannual and 87140
annual average case-mix scores for nursing facilities; 87141

(b) Adjust the case-mix values specified in division 87142
(A)(2)(b) of this section to reflect changes in relative wage 87143

differentials that are specific to this state; 87144

(c) Express all of those case-mix values in numeric terms 87145
that are different from the terms specified by the United States 87146
department of health and human services but that do not alter the 87147
relationship of the case-mix values to one another; 87148

(d) Modify the grouper methodology specified in division 87149
(A)(2)(c) of this section as follows: 87150

(i) Establish a different hierarchy for assigning residents 87151
to case-mix categories under the methodology; 87152

(ii) Allow the use of the index maximizer element of the 87153
methodology; 87154

(iii) Incorporate changes to the methodology the United 87155
States department of health and human services makes after June 87156
30, 1999; 87157

(iv) Make other changes the department determines are 87158
necessary. 87159

(e) Establish procedures under which resident assessment data 87160
shall be reviewed for accuracy and providers shall be notified of 87161
any data that requires correction; 87162

(f) Establish procedures for providers to correct resident 87163
assessment data and specify a reasonable period of time by which 87164
providers shall submit the corrections. The procedures may limit 87165
the content of corrections in the manner required by regulations 87166
adopted by the United States department of health and human 87167
services under Title XVIII and Title XIX. 87168

(g) Specify when and how the department will assign case-mix 87169
scores or costs per case-mix unit to a nursing facility under 87170
division (B) of this section if information necessary to calculate 87171
the nursing facility's case-mix score is not provided or corrected 87172
in accordance with the procedures established by the rules. 87173

(2) Notwithstanding any other provision of this chapter, the rules may provide for the exclusion of case-mix scores assigned to a nursing facility under division (B) of this section from the determination of the nursing facility's semiannual or annual average case-mix score and the cost per case-mix unit for the nursing facility's peer group.

Sec. 5165.23. (A) Each state fiscal year, the department of medicaid shall determine the critical access incentive payment for each nursing facility that qualifies as a critical access nursing facility. To qualify as a critical access nursing facility for a state fiscal year, a nursing facility must meet all of the following requirements:

(1) The nursing facility must be located in an area that, on December 31, 2011, was designated an empowerment zone under the "Internal Revenue Code of 1986," section 1391, 26 U.S.C. 1391.

(2) The nursing facility must have an occupancy rate of at least eighty-five per cent as of the last day of the calendar year immediately preceding the state fiscal year.

(3) The nursing facility must have a medicaid utilization rate of at least sixty-five per cent as of the last day of the calendar year immediately preceding the state fiscal year.

(B) A critical access nursing facility's critical access incentive payment for a state fiscal year shall equal five per cent of the portion of the nursing facility's total per medicaid day payment rate for the state fiscal year that is the sum of the rates identified in divisions (A)(1) to (4) of section 5165.15 of the Revised Code.

(C) Each state fiscal year, the department shall determine the low occupancy deduction for each nursing facility that qualifies as a low occupancy nursing facility. To qualify as a low

occupancy nursing facility for a state fiscal year, a nursing facility must have an occupancy rate lower than sixty-five per cent. For purposes of this division, the department shall utilize the facility's occupancy rate for licensed beds reported on its cost report for the calendar year preceding the fiscal year for which the rate is determined or, if the facility is not required to be licensed, the facility's occupancy rate for certified beds. If the facility surrenders licensed or certified beds before the first day of May of the calendar year in which the fiscal year begins, the department shall calculate a nursing facility's occupancy rate by dividing the inpatient days reported on the facility's cost report for the calendar year preceding the fiscal year for which the rate is determined by the product of the number of days in the calendar year and the facility's number of licensed, or if applicable, certified beds on the first day of May of the calendar year in which the fiscal year begins. A low occupancy nursing facility's low occupancy deduction for a state fiscal year shall equal five per cent of the nursing facility's total per medicaid day payment rate for the state fiscal year identified in division (D) of section 5165.15 of the Revised Code, for the state fiscal year. This division does not apply to a nursing facility that is owned by a county and operated by a person other than the county.

Sec. 5703.37. (A)(1) Except as provided in division (B) of this section, whenever service of a notice or order is required in the manner provided in this section, a copy of the notice or order shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Revised Code that notifies the tax commissioner of the date of delivery.

(2) In lieu of serving a copy of a notice or order through one of the means provided in division (A)(1) of this section, the commissioner may serve a notice or order upon the person affected thereby through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail as provided in division (F) of this section or by ordinary mail. Delivery by such means satisfies the requirements for delivery under this section.

(B)(1)(a) If certified mail is returned because of an undeliverable address, the commissioner shall first utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code. If, after using reasonable means, the commissioner is unable to ascertain a new last known address, the assessment is final for purposes of section 131.02 of

the Revised Code sixty days after the notice or order sent by 89454
certified mail is first returned to the commissioner, and the 89455
commissioner shall certify the notice or order, if applicable, to 89456
the attorney general for collection under section 131.02 of the 89457
Revised Code. 89458

(b) Notwithstanding certification to the attorney general 89459
under division (B)(1)(a) of this section, once the commissioner or 89460
attorney general, or the designee of either, makes an initial 89461
contact with the person to whom the notice or order is directed, 89462
the person may protest an assessment by filing a petition for 89463
reassessment within sixty days after the initial contact. The 89464
certification of an assessment under division (B)(1)(a) of this 89465
section is prima-facie evidence that delivery is complete and that 89466
the notice or order is served. 89467

(2) If mailing of a notice or order by certified mail is 89468
returned for some cause other than an undeliverable address or if 89469
a person does not access an electronic notice or order within the 89470
time provided in division (F) of this section, the commissioner 89471
shall resend the notice or order by ordinary mail. The notice or 89472
order shall show the date the commissioner sends the notice or 89473
order and include the following statement: 89474

"This notice or order is deemed to be served on the addressee 89475
under applicable law ten days from the date this notice or order 89476
was mailed by the commissioner as shown on the notice or order, 89477
and all periods within which an appeal may be filed apply from and 89478
after that date." 89479

Unless the mailing is returned because of an undeliverable 89480
address, the mailing of that information is prima-facie evidence 89481
that delivery of the notice or order was completed ten days after 89482
the commissioner sent the notice or order by ordinary mail and 89483
that the notice or order was served. 89484

If the ordinary mail is subsequently returned because of an undeliverable address, the commissioner shall proceed under division (B)(1)(a) of this section. A person may challenge the presumption of delivery and service under this division in accordance with division (C) of this section.

(C)(1) A person disputing the presumption of delivery and service under division (B) of this section bears the burden of proving by a preponderance of the evidence that the address to which the notice or order was sent was not an address with which the person was associated at the time the commissioner originally mailed the notice or order by certified mail. For the purposes of this section, a person is associated with an address at the time the commissioner originally mailed the notice or order if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the notice or order was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the notice or order was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If the person elects to protest an assessment certified to the attorney general for collection, the person must do so within sixty days after the attorney general's initial contact with the person. The attorney general may enter into a compromise with the person under sections 131.02 and 5703.06 of the Revised Code if the person does not file a petition for reassessment with the commissioner.

(D) Nothing in this section prohibits the commissioner or the commissioner's designee from delivering a notice or order by personal service.

(E) Collection actions taken pursuant to section 131.02 of the Revised Code upon any assessment being challenged under division (B)(1)(b) of this section shall be stayed upon the pendency of an appeal under this section. If a petition for reassessment is filed pursuant to this section on a claim that has been certified to the attorney general for collection, the claim shall be uncertified.

~~(F)~~(F)(1) The commissioner may serve a notice or order upon the person affected by the notice or order or that person's authorized representative through secure electronic means ~~only with the person's consent~~ associated with the person's or representative's last known address, but only with the person's consent. The commissioner must inform the recipient, electronically or by mail, that a notice or order is available for electronic review and provide instructions to access and print the notice or order. The types of electronic notification the commissioner may use include electronic mail, text message, or any other form of electronic communication. The recipient's electronic access of the notice or order satisfies the requirements for delivery under this section. If the recipient fails to access the notice or order electronically within ten business days, then the commissioner shall inform the recipient a second time, electronically or by mail, that a notice or order is available for electronic review and provide instructions to access and print the notice or order. If the recipient fails to access the notice or order electronically within ten business days of the second notification, the notice or order shall be served upon the person through the means provided in division (B)(2) of this section.

(2) The tax commissioner shall establish a system to issue notification of assessments to taxpayers through secure electronic means.

(G) As used in this section:

(1) "Last known address" means the address the department has 89549
at the time the document is originally sent by certified mail, or 89550
any address the department can ascertain using reasonable means 89551
such as the use of a change of address service offered by the 89552
United States postal service or an authorized delivery service 89553
under section 5703.056 of the Revised Code. For documents sent by 89554
secure electronic means, "last known address" means an electronic 89555
mode of communication that is identified on a form prescribed by 89556
the commissioner for such purpose or that is associated with the 89557
person or the authorized representative of the person on the Ohio 89558
business gateway, as defined in section 718.01 of the Revised 89559
Code, as of the date the notification was sent. 89560

(2) "Undeliverable address" means an address to which the 89561
United States postal service or an authorized delivery service 89562
under section 5703.056 of the Revised Code is not able to deliver 89563
a notice or order, except when the reason for nondelivery is 89564
because the addressee fails to acknowledge or accept the notice or 89565
order. 89566

Sec. 5703.53. (A) An "opinion of the tax commissioner" means 89567
an opinion issued under this section with respect to prospective 89568
tax liability. It does not include ordinary correspondence of the 89569
commissioner or a final determination of the commissioner arising 89570
from a request for administrative review of an assessment, a claim 89571
for refund, or an application for a pollution control or other 89572
certificate. 89573

(B) If a taxpayer requests in writing an opinion from the tax 89574
commissioner as to whether or how certain property, income, source 89575
of income, or a certain activity or transaction will be taxed, the 89576
commissioner's written response shall be an "opinion of the tax 89577
commissioner" and shall bind the commissioner, in accordance with 89578
divisions (C), (G), and (H) of this section, provided all of the 89579

following conditions are satisfied: 89580

(1) The taxpayer's request fully describes the specific facts 89581
or circumstances relevant to a determination of the taxability of 89582
the property, income, source of income, activity, or transaction, 89583
and, if an activity or transaction, all parties involved in the 89584
activity or transaction are clearly identified by name, location, 89585
or other pertinent facts. 89586

(2) The request relates to a "tax" as defined in section 89587
5703.50 of the Revised Code. 89588

(3) The commissioner's response is signed by the commissioner 89589
and designated as an "opinion of the tax commissioner." 89590

(C) An opinion of the tax commissioner shall remain in effect 89591
and shall protect the taxpayer for whom the opinion was prepared 89592
and who reasonably relies on it from liability for any taxes, 89593
penalty, or interest otherwise chargeable on the activity or 89594
transaction specifically held by the commissioner's opinion to be 89595
taxable in a particular manner or not to be subject to taxation 89596
for any tax year that may be specified in the opinion, or until 89597
the earliest of the following dates: 89598

(1) The effective date of a written revocation by the 89599
commissioner sent to the taxpayer ~~by certified mail, return~~ 89600
~~receipt requested in the manner provided in section 5703.37 of the~~ 89601
Revised Code. The effective date of the revocation shall be the 89602
taxpayer's date of receipt or one year after the issuance of the 89603
opinion, whichever is later; 89604

(2) The effective date of any rule adopted by the 89605
commissioner under Chapter 119. of the Revised Code that is 89606
inconsistent with the opinion; 89607

(3) The effective date of any amendment or enactment of a 89608
relevant section of the Revised Code or uncodified law; 89609

(4) The date on which a court issues an opinion establishing 89610
or changing relevant case law with respect to the Revised Code, 89611
uncodified law, or rules of the tax commissioner; 89612

(5) If the opinion of the commissioner was based on the 89613
interpretation of federal law, the effective date of any change in 89614
the relevant federal statutes or regulations, or the date on which 89615
a court issues an opinion establishing or changing relevant case 89616
law with respect to federal statutes or regulations; 89617

(6) The effective date of any change in the taxpayer's 89618
material facts or circumstances; 89619

(7) The effective date of the expiration of the opinion, if 89620
specified, in the opinion. 89621

(D) A taxpayer is not relieved of liability for any activity 89622
or transaction related to a request for an opinion that contained 89623
any misrepresentation or omission of one or more material facts. 89624

(E) If the commissioner provides written advice under this 89625
section, the opinion shall include a statement that: 89626

(1) The tax consequences stated in the opinion may be subject 89627
to change for any of the reasons stated in division (C) of this 89628
section; 89629

(2) It is the duty of the taxpayer to be aware of such 89630
changes. 89631

(F) The commissioner may refuse to offer an opinion on any 89632
request received under this section. 89633

(G) This section binds the commissioner only with respect to 89634
opinions of the commissioner issued on or after January 1, 1990. 89635

(H) An opinion of the commissioner binds the commissioner 89636
only with respect to the taxpayer for whom the opinion was 89637
prepared. 89638

(I) The commissioner shall make available the text of all 89639

opinions issued under this section, except those opinions prepared 89640
for a taxpayer who has requested that the text of the opinion 89641
remain confidential. In no event shall the text of an opinion be 89642
made available until the commissioner has removed all information 89643
that identifies the taxpayer and any other parties involved in the 89644
activity or transaction. 89645

(J) An opinion of the commissioner issued under this section 89646
is not a final determination of the commissioner and may not be 89647
appealed to the board of tax appeals. 89648

Sec. 5705.192. (A) For the purposes of this section only, 89649
"taxing authority" includes a township board of park commissioners 89650
appointed under section 511.18 of the Revised Code. 89651

(B) A Subject to division (G) of this section, a taxing 89652
authority may propose to replace an existing levy that the taxing 89653
authority is authorized to levy, regardless of the section of the 89654
Revised Code under which the authority is granted, except a school 89655
district emergency levy proposed pursuant to sections 5705.194 to 89656
5705.197 of the Revised Code. The taxing authority may propose to 89657
replace the existing levy in its entirety at the rate at which it 89658
is authorized to be levied; may propose to replace a portion of 89659
the existing levy at a lesser rate; or may propose to replace the 89660
existing levy in its entirety and increase the rate at which it is 89661
levied. If the taxing authority proposes to replace an existing 89662
levy, the proposed levy shall be called a replacement levy and 89663
shall be so designated on the ballot. Except as otherwise provided 89664
in this division, a replacement levy shall be limited to the 89665
purpose of the existing levy, and shall appear separately on the 89666
ballot from, and shall not be conjoined with, the renewal of any 89667
other existing levy. In the case of an existing school district 89668
levy imposed under section 5705.21 of the Revised Code for the 89669
purpose specified in division (F) of section 5705.19 of the 89670

Revised Code, or in the case of an existing school district levy 89671
imposed under section 5705.217 of the Revised Code for the 89672
acquisition, construction, enlargement, renovation, and financing 89673
of permanent improvements, the replacement for that existing levy 89674
may be for the same purpose or for the purpose of general 89675
permanent improvements as defined in section 5705.21 of the 89676
Revised Code. The replacement for an existing levy imposed under 89677
division (L) of section 5705.19 or section 5705.222 of the Revised 89678
Code may be for any purpose authorized for a levy imposed under 89679
section 5705.222 of the Revised Code. 89680

The resolution proposing a replacement levy shall specify the 89681
purpose of the levy; its proposed rate expressed in mills for each 89682
one dollar of taxable value and in dollars for each one hundred 89683
thousand dollars of the county auditor's appraised value; whether 89684
the proposed rate is the same as the rate of the existing levy, a 89685
reduction, or an increase; the extent of any reduction or increase 89686
expressed in mills for each one dollar of taxable value and in 89687
dollars for each one hundred thousand dollars of the county 89688
auditor's appraised value; the first calendar year in which the 89689
levy will be due; and the term of the levy, expressed in years or, 89690
if applicable, that it will be levied for a continuing period of 89691
time. 89692

The sections of the Revised Code governing the maximum rate 89693
and term of the existing levy, the contents of the resolution that 89694
proposed the levy, the adoption of the resolution, the 89695
arrangements for the submission of the question of the levy, and 89696
notice of the election also govern the respective provisions of 89697
the proposal to replace the existing levy, except as provided in 89698
divisions (B)(1) to (5) of this section: 89699

(1) In the case of an existing school district levy that is 89700
imposed under section 5705.21 of the Revised Code for the purpose 89701
specified in division (F) of section 5705.19 of the Revised Code 89702

or under section 5705.217 of the Revised Code for the acquisition, 89703
construction, enlargement, renovation, and financing of permanent 89704
improvements, and that is to be replaced by a levy for general 89705
permanent improvements, the term of the replacement levy may be 89706
for a continuing period of time. 89707

(2) The Subject to division (G) of this section, the date on 89708
which the election is held shall be as follows: 89709

(a) For the replacement of a levy with a fixed term of years, 89710
the date of the general election held during the last year the 89711
existing levy may be extended on the real and public utility 89712
property tax list and duplicate, or the date of any election held 89713
in the ensuing year; 89714

(b) For the replacement of a levy imposed for a continuing 89715
period of time, the date of any election held in any year after 89716
the year the levy to be replaced is first approved by the 89717
electors, except that only one election on the question of 89718
replacing the levy may be held during any calendar year. 89719

The failure by the electors to approve a proposal to replace 89720
a levy imposed for a continuing period of time does not terminate 89721
the existing continuing levy. 89722

(3) In the case of an existing school district levy imposed 89723
under division (B) of section 5705.21, division (C) of section 89724
5705.212, or division (J) of section 5705.218 of the Revised Code, 89725
the rates allocated to the qualifying school district and to 89726
partnering community schools each may be increased or decreased or 89727
remain the same, and the total rate may be increased, decreased, 89728
or remain the same. 89729

(4) In the case of an existing levy imposed under division 89730
(L) of section 5705.19 of the Revised Code, the term may be for 89731
any number of years not exceeding ten or for a continuing period 89732
of time. 89733

(5) In addition to other required information, the election notice shall express the levy's annual collections, as estimated and certified by the county auditor under section 5705.03 of the Revised Code.

(C) The form of the ballot at the election on the question of a replacement levy shall be as follows:

"A replacement of a tax for the benefit of _____ (name of subdivision or public library) for the purpose of _____ (the purpose stated in the resolution), that the county auditor estimates will collect \$_____ annually, at a rate not exceeding _____ mills for each \$1 of taxable value, which amounts to \$_____ for each \$100,000 of the county auditor's appraised value, for _____ (number of years levy is to run, or that it will be levied for a continuous period of time)

	For the Tax Levy	"
	Against the Tax Levy	"

If the replacement levy is proposed by a qualifying school district to replace an existing tax levied under division (B) of section 5705.21, division (C)(1) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the form of the ballot shall be modified by adding, after the phrase "each \$1 of taxable value," the following: "(of which _____ mills is to be allocated to partnering community schools)."

If the proposal is to replace an existing levy and increase the rate of the existing levy, the form of the ballot shall be changed by adding the words "_____ mills of an existing levy and an increase of _____ mills, to constitute" after the words "a replacement of." If the proposal is to replace only a portion of an existing levy, the form of the ballot shall be changed by adding the words "a portion of an existing levy, being a reduction of _____ mills, to constitute" after the words "a replacement of." If the existing levy is imposed under division

(B) of section 5705.21, division (C)(1) of section 5705.212, or 89766
division (J) of section 5705.218 of the Revised Code, the form of 89767
the ballot also shall state the portion of the total increased 89768
rate or of the total rate as reduced that is to be allocated to 89769
partnering community schools. 89770

If the tax is to be placed on the tax list of the current tax 89771
year, the form of the ballot shall be modified by adding at the 89772
end of the form the phrase ", commencing in _____ (first year 89773
the replacement tax is to be levied), first due in calendar year 89774
_____ (first calendar year in which the tax shall be due)." 89775

The question covered by the resolution shall be submitted as 89776
a separate proposition, but may be printed on the same ballot with 89777
any other proposition submitted at the same election, other than 89778
the election of officers. More than one such question may be 89779
submitted at the same election. 89780

(D) Two or more existing levies, or any portion of those 89781
levies, may be combined into one replacement levy, so long as all 89782
of the existing levies are for the same purpose and either all are 89783
due to expire the same year or all are for a continuing period of 89784
time. The question of combining all or portions of those existing 89785
levies into the replacement levy shall appear as one ballot 89786
proposition before the electors. If the electors approve the 89787
ballot proposition, all or the stated portions of the existing 89788
levies are replaced by one replacement levy. 89789

(E) A levy approved in excess of the ten-mill limitation 89790
under this section shall be certified to the tax commissioner. In 89791
the first year of a levy approved under this section, the levy 89792
shall be extended on the tax lists after the February settlement 89793
succeeding the election at which the levy was approved. If the 89794
levy is to be placed on the tax lists of the current year, as 89795
specified in the resolution providing for its submission, the 89796
result of the election shall be certified immediately after the 89797

canvass by the board of elections to the taxing authority, which 89798
shall forthwith make the necessary levy and certify it to the 89799
county auditor, who shall extend it on the tax lists for 89800
collection. After the first year, the levy shall be included in 89801
the annual tax budget that is certified to the county budget 89802
commission. 89803

If notes are authorized to be issued in anticipation of the 89804
proceeds of the existing levy, notes may be issued in anticipation 89805
of the proceeds of the replacement levy, and such issuance is 89806
subject to the terms and limitations governing the issuance of 89807
notes in anticipation of the proceeds of the existing levy. 89808

(F) This section does not authorize a tax to be levied in any 89809
year after the year in which revenue is not needed for the purpose 89810
for which the tax is levied. 89811

(G) No question shall be submitted to electors under this 89812
section at an election held on or after January 1, 2025. 89813

Sec. 5705.234. (A) As used in this section, "basic project 89814

reconstruction, or expansion of a jail facility, may declare by 89821
resolution that the amount of taxes which may be raised within the 89822
ten-mill limitation are insufficient to fund the county's share of 89823
the basic project cost, or to maintain and operate the jail 89824
facility, and that it is necessary to do one or both of the 89825
following: 89826

maintenance and operating expenses of the jail facility; 89828

(2) Issue general obligation bonds for the county's share of 89829

ten-mill limitation to pay debt charges on the bonds and any 89831
anticipatory securities. 89832

(C) A resolution adopted under division (B) of this section 89833
shall conform to the requirements of section 5705.19 of the 89834
Revised Code, except that: 89835

(1) A tax proposed under division (B)(1) of this section may 89836

division (B)(1) of this section and the bond issue and levy 89844

total rate of the proposed tax and the portion of that rate 89846
attributed to each levy. 89847

(4) The resolution shall specify the percentage of the basic 89848
project cost to be supplied by the county and the percentage of 89849
such cost to be supplied by the state. 89850

(5) If the jail facility is a multicounty jail facility, the 89851
resolution shall specify the name of each contracting county and 89852
the percentage of the basic project cost to be supplied by each 89853
such county. 89854

The county auditor promptly shall estimate and certify to the board the average annual property tax rate required throughout the stated maturity of the bonds to pay debt charges on the bonds, in the same manner as under division (C) of section 133.18 of the Revised Code.

(E) A resolution adopted under this section shall go into immediate effect upon its passage, and no publication of it is necessary other than that provided in the notice of election. The board of county commissioners shall certify a copy of the resolution and, if applicable, a copy of the auditor's estimate under division (D) of this section, to the board of elections.

The board of elections shall make the arrangements for submission of the question or questions proposed under this section to the electors of the county, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the county for the election of county officers. The resolution shall be submitted to the electors as one ballot question, with a favorable vote indicating approval of all levies proposed by the board of county commissioners. The board of elections shall publish notice of the election in a newspaper of general circulation in the county once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, before the election. (5) If applicable, the principal amount of the proposed bond 89898
issue and the maximum number of years over which the principal of 89899
the bonds may be paid. 89900

Sec. 5705.391. (A) The department of education and the 89954
auditor of state shall jointly adopt rules requiring boards of 89955
education to submit five-year projections of operational revenues 89956
and expenditures. The rules shall provide for the auditor of state 89957
or the department to examine the five-year projections and to 89958
determine whether any further fiscal analysis is needed to 89959
ascertain whether a district has the potential to incur a deficit 89960
during the first three years of the five-year period. 89961

The auditor of state or the department may conduct any 89962
further audits or analyses necessary to assess any district's 89963
fiscal condition. If further audits or analyses are conducted by 89964
the auditor of state, the auditor of state shall notify the 89965
department of the district's fiscal condition, and the department 89966
shall immediately notify the district of any potential to incur a 89967
deficit in the current fiscal year or of any strong indications 89968
that a deficit will be incurred in either of the ensuing two 89969
years. If such audits or analyses are conducted by the department, 89970
the department shall immediately notify the district and the 89971
auditor of state of such potential deficit or strong indications 89972
thereof. 89973

A district notified under this section shall take immediate 89974
steps to eliminate any deficit in the current fiscal year and 89975
shall begin to plan to avoid the projected future deficits. 89976

(B) The state board of education, in accordance with sections 89977

willfully contributed erroneous, inaccurate, or incomplete data 89981
required for the submission of the five-year projection required 89982

by this section. 89983

(C) The department and the auditor of state, in their joint 89984
adoption of rules under division (A) of this section, shall not 89985
require a board of education to submit its five-year projection of 89986
operational revenues and expenditures prior to the thirtieth day 89987
of November of any fiscal year. 89988

(D) Beginning with submissions required in fiscal year 2024 89989
and for each fiscal year in which a submission is required under 89990
this section thereafter, the department and the auditor shall 89991
label the projections regarding property tax allocation in the 89992
projection as "state share of local property taxes." 89993

Sec. 5709.40. (A) As used in this section: 89994

1.14 of the Revised Code. 89999

(3) "Housing renovation" means a project carried out for 90000
residential purposes. 90001

date of an ordinance adopted under this section were it not for 90005
the exemption granted by that ordinance. 90006

(5) "Incentive district" means an area not more than three 90007
hundred acres in size enclosed by a continuous boundary in which a 90008

the following distress characteristics: 90010

(a) At least fifty-one per cent of the residents of the 90011
district have incomes of less than eighty per cent of the median 90012

district is located, as determined in the same manner specified 90014
under section 119(b) of the "Housing and Community Development Act 90015
of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended; 90016

(b) The average rate of unemployment in the district during 90017

(d) The district is a blighted area. 90025

(e) The district is in a situational distress area as 90026
designated by the director of development under division (F) of 90027
section 122.23 of the Revised Code. 90028

(f) As certified by the engineer for the political 90029
subdivision, the public infrastructure serving the district is 90030
inadequate to meet the development needs of the district as 90031
evidenced by a written economic development plan or urban renewal 90032
plan for the district that has been adopted by the legislative 90033
authority of the subdivision. 90034

(g) The district is comprised entirely of unimproved land 90035
that is located in a distressed area as defined in section 122.23 90036
of the Revised Code. 90037

(6) "Overlay" means an area of not more than three hundred 90038
acres that is a square, or that is a rectangle having two longer 90039
sides that are not more than twice the length of the two shorter 90040

delineates on a map of a proposed incentive district. 90042

(7) "Project" means development activities undertaken on one or more parcels, including, but not limited to, construction, expansion, and alteration of buildings or structures, demolition, remediation, and site development, and any building or structure that results from those activities.

(9) "Nonperforming parcel" means a parcel to which all of the following apply:

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.42 of the Revised Code.

(c) No such payments have been remitted to the county

treasurer since the inception of the exemption or district. 90074

(B) The legislative authority of a municipal corporation, by 90075
ordinance, may declare improvements to certain parcels of real 90076
property located in the municipal corporation to be a public 90077
purpose. Improvements with respect to a parcel that is used or to 90078
be used for residential purposes may be declared a public purpose 90079
under this division only if the parcel is located in a blighted 90080
area of an impacted city. For this purpose, "parcel that is used 90081
or to be used for residential purposes" means a parcel that, as 90082
improved, is used or to be used for purposes that would cause the 90083
tax commissioner to classify the parcel as residential property in 90084
accordance with rules adopted by the commissioner under section 90085
5713.041 of the Revised Code. Except as otherwise provided under 90086
division (D) of this section or section 5709.51 of the Revised 90087
Code, not more than seventy-five per cent of an improvement thus 90088
declared to be a public purpose may be exempted from real property 90089
taxation for a period of not more than ten years. The ordinance 90090
shall specify the percentage of the improvement to be exempted 90091
from taxation and the life of the exemption. 90092

An ordinance adopted or amended under this division shall 90093
designate the specific public infrastructure improvements made, to 90094
be made, or in the process of being made by the municipal 90095
corporation that directly benefit, or that once made will directly 90096
benefit, the parcels for which improvements are declared to be a 90097
public purpose. The service payments provided for in section 90098
5709.42 of the Revised Code shall be used to finance the public 90099
infrastructure improvements designated in the ordinance, for the 90100
purpose described in division (D)(1) of this section or as 90101
provided in section 5709.43 of the Revised Code. 90102

(C)(1) The legislative authority of a municipal corporation 90103
may adopt an ordinance creating an incentive district and 90104
declaring improvements to parcels within the district to be a 90105

public purpose and, except as provided in division (C)(2) of this 90106
section, exempt from taxation as provided in this section, but no 90107
legislative authority of a municipal corporation that has a 90108
population that exceeds twenty-five thousand, as shown by the most 90109
recent federal decennial census, shall adopt an ordinance that 90110
creates an incentive district if the sum of the taxable value of 90111
real property in the proposed district for the preceding tax year 90112
and the taxable value of all real property in the municipal 90113
corporation that would have been taxable in the preceding year 90114
were it not for the fact that the property was in an existing 90115
incentive district and therefore exempt from taxation exceeds 90116
twenty-five per cent of the taxable value of real property in the 90117
municipal corporation for the preceding tax year. The ordinance 90118
shall delineate the boundary of the proposed district and 90119
specifically identify each parcel within the district. A proposed 90120
district may not include any parcel, other than a nonperforming 90121
parcel, that is or has been exempted from taxation under division 90122
(B) of this section or that is or has been within another district 90123
created under this division. On and after the effective date of 90124
the district, a nonperforming parcel within the district is no 90125
longer exempted from taxation under division (B) of this section 90126
or included within an incentive district under any previous 90127
ordinance, and the parcel's owner is no longer required to make 90128
payments in lieu of taxes under such a previous ordinance in 90129
accordance with section 5709.42 of the Revised Code. An ordinance 90130
may create more than one such district, and more than one 90131
ordinance may be adopted under division (C)(1) of this section. 90132

(2)(a) Not later than thirty days prior to adopting an 90133
ordinance under division (C)(1) of this section, if the municipal 90134
corporation intends to apply for exemptions from taxation under 90135
section 5709.911 of the Revised Code on behalf of owners of real 90136
property located within the proposed incentive district, the 90137
legislative authority of the municipal corporation shall conduct a 90138

public hearing on the proposed ordinance. Not later than thirty 90139
days prior to the public hearing, the legislative authority shall 90140
give notice of the public hearing and the proposed ordinance by 90141
first class mail to every real property owner whose property is 90142
located within the boundaries of the proposed incentive district 90143
that is the subject of the proposed ordinance. The notice shall 90144
include a map of the proposed incentive district on which the 90145
legislative authority of the municipal corporation shall have 90146
delineated an overlay. The notice shall inform the property owner 90147
of the owner's right to exclude the owner's property from the 90148
incentive district if the owner's entire parcel of property will 90149
not be located within the overlay, by submitting a written 90150
response in accordance with division (C)(2)(b) of this section. 90151
The notice also shall include information detailing the required 90152
contents of the response, the address to which the response may be 90153
mailed, and the deadline for submitting the response. 90154

(b) Any owner of real property located within the boundaries 90155
of an incentive district proposed under division (C)(1) of this 90156
section whose entire parcel of property is not located within the 90157
overlay may exclude the property from the proposed incentive 90158
district by submitting a written response to the legislative 90159
authority of the municipal corporation not later than forty-five 90160
days after the postmark date on the notice required under division 90161
(C)(2)(a) of this section. The response shall be sent by first 90162
class mail or delivered in person at a public hearing held by the 90163
legislative authority under division (C)(2)(a) of this section. 90164
The response shall conform to any content requirements that may be 90165
established by the municipal corporation and included in the 90166
notice provided under division (C)(2)(a) of this section. In the 90167
response, property owners may identify a parcel by street address, 90168
by the manner in which it is identified in the ordinance, or by 90169
other means allowing the identity of the parcel to be ascertained. 90170

(c) Before adopting an ordinance under division (C)(1) of this section, the legislative authority of a municipal corporation shall amend the ordinance to exclude any parcel located wholly or partly outside the overlay for which a written response has been submitted under division (C)(2)(b) of this section. A municipal corporation shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to an ordinance adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) An ordinance adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The ordinance also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the ordinance. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes. Except as otherwise permitted under that division, the service payments provided for in section 5709.42 of the Revised Code shall be used to finance the designated public infrastructure improvements, for the purpose described in division (D)(1), (E), or (F) of this section, or as provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire

equipment as public infrastructure improvements, and no service 90203
payment provided for in section 5709.42 of the Revised Code and 90204
received by the municipal corporation under the ordinance shall be 90205
used for police or fire equipment. 90206

(b) An ordinance adopted under division (C)(1) of this 90207
section may authorize the use of service payments provided for in 90208
section 5709.42 of the Revised Code for the purpose of housing 90209
renovations within the incentive district, provided that the 90210
ordinance also designates public infrastructure improvements that 90211
benefit or serve the district, and that a project within the 90212
district places real property in use for commercial or industrial 90213
purposes. Service payments may be used to finance or support 90214
loans, deferred loans, and grants to persons for the purpose of 90215
housing renovations within the district. The ordinance shall 90216
designate the parcels within the district that are eligible for 90217
housing renovation. The ordinance shall state separately the 90218
amounts or the percentages of the expected aggregate service 90219
payments that are designated for each public infrastructure 90220
improvement and for the general purpose of housing renovations. 90221

(4) Except with the approval of the board of education of 90222
each city, local, or exempted village school district within the 90223
territory of which the incentive district is or will be located, 90224
and subject to division (E) of this section, the life of an 90225
incentive district shall not exceed ten years, and the percentage 90226
of improvements to be exempted shall not exceed seventy-five per 90227
cent. With approval of the board of education, the life of a 90228
district may be not more than thirty years, and the percentage of 90229
improvements to be exempted may be not more than one hundred per 90230
cent. The approval of a board of education shall be obtained in 90231
the manner provided in division (D) of this section. 90232

(D)(1) If the ordinance declaring improvements to a parcel to 90233
be a public purpose or creating an incentive district specifies 90234

that payments in lieu of taxes provided for in section 5709.42 of 90235
the Revised Code shall be paid to the city, local, or exempted 90236
village, and joint vocational school district in which the parcel 90237
or incentive district is located in the amount of the taxes that 90238
would have been payable to the school district if the improvements 90239
had not been exempted from taxation, the percentage of the 90240
improvement that may be exempted from taxation may exceed 90241
seventy-five per cent, and the exemption may be granted for up to 90242
thirty years, without the approval of the board of education as 90243
otherwise required under division (D)(2) of this section. 90244

(2) Improvements with respect to a parcel may be exempted 90245
from taxation under division (B) of this section, and improvements 90246
to parcels within an incentive district may be exempted from 90247
taxation under division (C) of this section, for up to ten years 90248
or, with the approval under this paragraph of the board of 90249
education of the city, local, or exempted village school district 90250
within which the parcel or district is located, for up to thirty 90251
years. The percentage of the improvement exempted from taxation 90252
may, with such approval, exceed seventy-five per cent, but shall 90253
not exceed one hundred per cent. Not later than forty-five 90254
business days prior to adopting an ordinance under this section 90255
declaring improvements to be a public purpose that is subject to 90256
approval by a board of education under this division, the 90257
legislative authority shall deliver to the board of education a 90258
notice stating its intent to adopt an ordinance making that 90259
declaration. The notice regarding improvements with respect to a 90260
parcel under division (B) of this section shall identify the 90261
parcels for which improvements are to be exempted from taxation, 90262
provide an estimate of the true value in money of the 90263
improvements, specify the period for which the improvements would 90264
be exempted from taxation and the percentage of the improvement 90265
that would be exempted, and indicate the date on which the 90266
legislative authority intends to adopt the ordinance. The notice 90267

regarding improvements to parcels within an incentive district 90268
under division (C) of this section shall delineate the boundaries 90269
of the district, specifically identify each parcel within the 90270
district, identify each anticipated improvement in the district, 90271
provide an estimate of the true value in money of each such 90272
improvement, specify the life of the district and the percentage 90273
of improvements that would be exempted, and indicate the date on 90274
which the legislative authority intends to adopt the ordinance. 90275
The board of education, by resolution adopted by a majority of the 90276
board, may approve the exemption for the period or for the 90277
exemption percentage specified in the notice; may disapprove the 90278
exemption for the number of years in excess of ten, may disapprove 90279
the exemption for the percentage of the improvement to be exempted 90280
in excess of seventy-five per cent, or both; or may approve the 90281
exemption on the condition that the legislative authority and the 90282
board negotiate an agreement providing for compensation to the 90283
school district equal in value to a percentage of the amount of 90284
taxes exempted in the eleventh and subsequent years of the 90285
exemption period or, in the case of exemption percentages in 90286
excess of seventy-five per cent, compensation equal in value to a 90287
percentage of the taxes that would be payable on the portion of 90288
the improvement in excess of seventy-five per cent were that 90289
portion to be subject to taxation, or other mutually agreeable 90290
compensation. If an agreement is negotiated between the 90291
legislative authority and the board to compensate the school 90292
district for all or part of the taxes exempted, including 90293
agreements for payments in lieu of taxes under section 5709.42 of 90294
the Revised Code, the legislative authority shall compensate the 90295
joint vocational school district within which the parcel or 90296
district is located at the same rate and under the same terms 90297
received by the city, local, or exempted village school district. 90298

(3) The board of education shall certify its resolution to 90299
the legislative authority not later than fourteen days prior to 90300

the date the legislative authority intends to adopt the ordinance 90301
as indicated in the notice. If the board of education and the 90302
legislative authority negotiate a mutually acceptable compensation 90303
agreement, the ordinance may declare the improvements a public 90304
purpose for the number of years specified in the ordinance or, in 90305
the case of exemption percentages in excess of seventy-five per 90306
cent, for the exemption percentage specified in the ordinance. In 90307
either case, if the board and the legislative authority fail to 90308
negotiate a mutually acceptable compensation agreement, the 90309
ordinance may declare the improvements a public purpose for not 90310
more than ten years, and shall not exempt more than seventy-five 90311
per cent of the improvements from taxation. If the board fails to 90312
certify a resolution to the legislative authority within the time 90313
prescribed by this division, the legislative authority thereupon 90314
may adopt the ordinance and may declare the improvements a public 90315
purpose for up to thirty years, or, in the case of exemption 90316
percentages proposed in excess of seventy-five per cent, for the 90317
exemption percentage specified in the ordinance. The legislative 90318
authority may adopt the ordinance at any time after the board of 90319
education certifies its resolution approving the exemption to the 90320
legislative authority, or, if the board approves the exemption on 90321
the condition that a mutually acceptable compensation agreement be 90322
negotiated, at any time after the compensation agreement is agreed 90323
to by the board and the legislative authority. 90324

(4) If a board of education has adopted a resolution waiving 90325
its right to approve exemptions from taxation under this section 90326
and the resolution remains in effect, approval of exemptions by 90327
the board is not required under division (D) of this section. If a 90328
board of education has adopted a resolution allowing a legislative 90329
authority to deliver the notice required under division (D) of 90330
this section fewer than forty-five business days prior to the 90331
legislative authority's adoption of the ordinance, the legislative 90332
authority shall deliver the notice to the board not later than the 90333

number of days prior to such adoption as prescribed by the board 90334
in its resolution. If a board of education adopts a resolution 90335
waiving its right to approve agreements or shortening the 90336
notification period, the board shall certify a copy of the 90337
resolution to the legislative authority. If the board of education 90338
rescinds such a resolution, it shall certify notice of the 90339
rescission to the legislative authority. 90340

(5) If the legislative authority is not required by division 90341
(D) of this section to notify the board of education of the 90342
legislative authority's intent to declare improvements to be a 90343
public purpose, the legislative authority shall comply with the 90344
notice requirements imposed under section 5709.83 of the Revised 90345
Code, unless the board has adopted a resolution under that section 90346
waiving its right to receive such a notice. 90347

(6) Nothing in division (D) of this section prohibits the 90348
legislative authority of a municipal corporation from amending the 90349
ordinance or resolution under section 5709.51 of the Revised Code 90350
to extend the term of the exemption. 90351

(E)(1) If a proposed ordinance under division (C)(1) of this 90352
section exempts improvements with respect to a parcel within an 90353
incentive district for more than ten years, or the percentage of 90354
the improvement exempted from taxation exceeds seventy-five per 90355
cent, not later than forty-five business days prior to adopting 90356
the ordinance the legislative authority of the municipal 90357
corporation shall deliver to the board of county commissioners of 90358
the county within which the incentive district will be located a 90359
notice that states its intent to adopt an ordinance creating an 90360
incentive district. The notice shall include a copy of the 90361
proposed ordinance, identify the parcels for which improvements 90362
are to be exempted from taxation, provide an estimate of the true 90363
value in money of the improvements, specify the period of time for 90364
which the improvements would be exempted from taxation, specify 90365

the percentage of the improvements that would be exempted from 90366
taxation, and indicate the date on which the legislative authority 90367
intends to adopt the ordinance. 90368

(2) The board of county commissioners, by resolution adopted 90369
by a majority of the board, may object to the exemption for the 90370
number of years in excess of ten, may object to the exemption for 90371
the percentage of the improvement to be exempted in excess of 90372
seventy-five per cent, or both. If the board of county 90373
commissioners objects, the board may negotiate a mutually 90374
acceptable compensation agreement with the legislative authority. 90375
In no case shall the compensation provided to the board exceed the 90376
property taxes forgone due to the exemption. If the board of 90377
county commissioners objects, and the board and legislative 90378
authority fail to negotiate a mutually acceptable compensation 90379
agreement, the ordinance adopted under division (C)(1) of this 90380
section shall provide to the board compensation in the eleventh 90381
and subsequent years of the exemption period equal in value to not 90382
more than fifty per cent of the taxes that would be payable to the 90383
county or, if the board's objection includes an objection to an 90384
exemption percentage in excess of seventy-five per cent, 90385
compensation equal in value to not more than fifty per cent of the 90386
taxes that would be payable to the county, on the portion of the 90387
improvement in excess of seventy-five per cent, were that portion 90388
to be subject to taxation. The board of county commissioners shall 90389
certify its resolution to the legislative authority not later than 90390
thirty days after receipt of the notice. 90391

(3) If the board of county commissioners does not object or 90392
fails to certify its resolution objecting to an exemption within 90393
thirty days after receipt of the notice, the legislative authority 90394
may adopt the ordinance, and no compensation shall be provided to 90395
the board of county commissioners. If the board timely certifies 90396
its resolution objecting to the ordinance, the legislative 90397

authority may adopt the ordinance at any time after a mutually 90398
acceptable compensation agreement is agreed to by the board and 90399
the legislative authority, or, if no compensation agreement is 90400
negotiated, at any time after the legislative authority agrees in 90401
the proposed ordinance to provide compensation to the board of 90402
fifty per cent of the taxes that would be payable to the county in 90403
the eleventh and subsequent years of the exemption period or on 90404
the portion of the improvement in excess of seventy-five per cent, 90405
were that portion to be subject to taxation. 90406

(F) Service payments in lieu of taxes that are attributable 90407
to any amount by which the effective tax rate of either a renewal 90408
levy with an increase or a replacement levy exceeds the effective 90409
tax rate of the levy renewed or replaced, or that are attributable 90410
to an additional levy, for a levy authorized by the voters for any 90411
of the following purposes on or after January 1, 2006, and which 90412
are provided pursuant to an ordinance creating an incentive 90413
district under division (C)(1) of this section that is adopted on 90414
or after January 1, 2006, or a later date as specified in this 90415
division, shall be distributed to the appropriate taxing authority 90416
as required under division (C) of section 5709.42 of the Revised 90417
Code in an amount equal to the amount of taxes from that 90418
additional levy or from the increase in the effective tax rate of 90419
such renewal or replacement levy that would have been payable to 90420
that taxing authority from the following levies were it not for 90421
the exemption authorized under division (C) of this section: 90422

(1) A tax levied under division (L) of section 5705.19 or 90423
section 5705.191 or 5705.222 of the Revised Code for community 90424
developmental disabilities programs and services pursuant to 90425
Chapter 5126. of the Revised Code; 90426

(2) A tax levied under division (Y) of section 5705.19 of the 90427
Revised Code for providing or maintaining senior citizens services 90428
or facilities; 90429

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;	90430 90431
(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;	90432 90433 90434 90435
(5) A tax levied under section 5705.23 of the Revised Code for library purposes;	90436 90437
(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;	90438 90439 90440
(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;	90441 90442 90443
(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;	90444 90445 90446
(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;	90447 90448 90449 90450
(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;	90451 90452
(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;	90453 90454 90455 90456
(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.	90457 90458
(13) A tax levied by a township under section 505.39,	90459

division (I) of section 5705.19, or division (JJ) of section 90460
5705.19 of the Revised Code to the extent the proceeds are used 90461
for the purposes described in division (I) of that section, for 90462
the purpose of funding fire, emergency medical, and ambulance 90463
services as described in that section and those divisions. 90464
Division (F)(13) of this section applies only if the township 90465
levying the tax provides fire, emergency medical, or ambulance 90466
services in the incentive district, and only to incentive 90467
districts created by an ordinance adopted on or after the 90468
effective date of the amendment of this section by H.B. 69 of the 90469
132nd general assembly, March 23, 2018. The board of township 90470
trustees may, by resolution, waive the application of this 90471
division or negotiate with the municipal corporation that created 90472
the district for a lesser amount of payments in lieu of taxes. 90473

(G) An exemption from taxation granted under this section 90474
commences with the tax year specified in the ordinance so long as 90475
the year specified in the ordinance commences after the effective 90476
date of the ordinance. If the ordinance specifies a year 90477
commencing before the effective date of the resolution or 90478
specifies no year whatsoever, the exemption commences with the tax 90479
year in which an exempted improvement first appears on the tax 90480
list and duplicate of real and public utility property and that 90481
commences after the effective date of the ordinance. In lieu of 90482
stating a specific year, the ordinance may provide that the 90483
exemption commences in the tax year in which the value of an 90484
improvement exceeds a specified amount or in which the 90485
construction of one or more improvements is completed, provided 90486
that such tax year commences after the effective date of the 90487
ordinance. With respect to the exemption of improvements to 90488
parcels under division (B) of this section, the ordinance may 90489
allow for the exemption to commence in different tax years on a 90490
parcel-by-parcel basis, with a separate exemption term specified 90491
for each parcel. 90492

Except as otherwise provided in this division or section 90493
5709.51 of the Revised Code, the exemption ends on the date 90494
specified in the ordinance as the date the improvement ceases to 90495
be a public purpose or the incentive district expires, or ends on 90496
the date on which the public infrastructure improvements and 90497
housing renovations are paid in full from the municipal public 90498
improvement tax increment equivalent fund established under 90499
division (A) of section 5709.43 of the Revised Code, whichever 90500
occurs first. The exemption of an improvement with respect to a 90501
parcel or within an incentive district may end on a later date, as 90502
specified in the ordinance, if the legislative authority and the 90503
board of education of the city, local, or exempted village school 90504
district within which the parcel or district is located have 90505
entered into a compensation agreement under section 5709.82 of the 90506
Revised Code with respect to the improvement, and the board of 90507
education has approved the term of the exemption under division 90508
(D)(2) of this section, but in no case shall the improvement be 90509
exempted from taxation for more than thirty years. Exemptions 90510
shall be claimed and allowed in the same manner as in the case of 90511
other real property exemptions. If an exemption status changes 90512
during a year, the procedure for the apportionment of the taxes 90513
for that year is the same as in the case of other changes in tax 90514
exemption status during the year. 90515

(H) Additional municipal financing of public infrastructure 90516
improvements and housing renovations may be provided by any 90517
methods that the municipal corporation may otherwise use for 90518
financing such improvements or renovations. If the municipal 90519
corporation issues bonds or notes to finance the public 90520
infrastructure improvements and housing renovations and pledges 90521
money from the municipal public improvement tax increment 90522
equivalent fund to pay the interest on and principal of the bonds 90523
or notes, the bonds or notes are not subject to Chapter 133. of 90524
the Revised Code. 90525

(I) The municipal corporation, not later than fifteen days 90526
after the adoption of an ordinance under this section, shall 90527
submit to the director of development a copy of the ordinance. On 90528
or before the thirty-first day of March of each year, the 90529
municipal corporation shall submit a status report to the 90530
director. The report shall indicate, in the manner prescribed by 90531
the director, the progress of the project during each year that an 90532
exemption remains in effect, including a summary of the receipts 90533
from service payments in lieu of taxes; expenditures of money from 90534
the funds created under section 5709.43 of the Revised Code; a 90535
description of the public infrastructure improvements and housing 90536
renovations financed with such expenditures; and a quantitative 90537
summary of changes in employment and private investment resulting 90538
from each project. 90539

(J) Nothing in this section shall be construed to prohibit a 90540
legislative authority from declaring to be a public purpose 90541
improvements with respect to more than one parcel. 90542

(K) If a parcel is located in a new community district in 90543
which the new community authority imposes a community development 90544
charge on the basis of rentals received from leases of real 90545
property as described in division (L)(2) of section 349.01 of the 90546
Revised Code, the parcel may not be exempted from taxation under 90547
this section. 90548

(L)(1) Notwithstanding the limitations on the life of an 90549
incentive district and the number of years that improvements to a 90550
parcel or parcels within an incentive district may be exempted 90551
from taxation prescribed by divisions (C) and (D) of this section, 90552
the legislative authority of a municipal corporation may amend an 90553
ordinance originally adopted under division (C) of this section 90554
before January 1, 2006, to extend the life of an incentive 90555
district created by that ordinance. The extension shall be for a 90556
period not to exceed fifteen years and shall not increase the 90557

percentage of the value of improvements exempted from taxation. 90558

(2) Before adopting an amendment authorized by division 90559
(L)(1) of this section, the legislative authority of the municipal 90560
corporation shall provide notice of the amendment to each board of 90561
education of the city, local, or exempted village school district 90562
in which the incentive district is located, in the same manner as 90563
provided under division (D) of this section, and shall obtain the 90564
approval of each such board in the manner required under that 90565
division, except both of the following apply: 90566

(a) The board of education may approve the exemption on the 90567
condition that the legislative authority and the board negotiate 90568
an agreement providing for mutually agreeable compensation to the 90569
school district. 90570

(b) If the board of education fails to certify a resolution 90571
approving the amendment to the legislative authority within the 90572
time prescribed by division (D) of this section, the legislative 90573
authority shall not adopt the amendment authorized under division 90574
(L) of this section. 90575

(3) No approval otherwise required by division (L)(2) of this 90576
section shall be required from a board of education if either of 90577
the following apply: 90578

(a) The amendment provides for compensation to the city, 90579
local, or exempted village school district in which the incentive 90580
district is located equal in value to the amount of taxes that 90581
would be payable to the school district if the improvements 90582
exempted from taxation had not been exempted for the additional 90583
period. 90584

(b) The board of education has adopted a resolution waiving 90585
its right to approve exemptions from taxation pursuant to division 90586
(D)(4) of this section. If the board has adopted such a 90587
resolution, the municipal corporation shall comply with the notice 90588

requirements imposed by section 5709.83 of the Revised Code before 90589
taking formal action to adopt an amendment authorized under 90590
division (L)(1) of this section unless the board has adopted a 90591
resolution under that section waiving its right to receive that 90592
notice. 90593

(4) Not later than fourteen days before adopting an amendment 90594
authorized by division (L)(1) of this section, the legislative 90595
authority of the municipal corporation shall deliver a notice 90596
identical to a notice required under section 5709.83 of the 90597
Revised Code to the board of county commissioners of each county 90598
in which the incentive district is located. 90599

Sec. 5709.56. (A) As used in this section: 90600

(1) "Pre-residential development property" means a subdivided 90601
parcel of unimproved real property on which construction of one or 90602
more residential buildings is planned but has not yet commenced. 90603
The construction of streets, sidewalks, curbs, or driveways or the 90604
installation of water, sewer, or other utility lines on a 90605
subdivided parcel does not cause construction of a residential 90606
building to commence for purposes of division (A)(1) or (B) of 90607
this section. "Pre-residential development property" does not 90608
include a parcel, any portion of the value of which is exempted 90609
from taxation under section 5709.40, 5709.41, 5709.73, or 5709.78 90610
of the Revised Code. 90611

(2) "Residential building" means a building or structure any 90612
part of which is to be used as a dwelling. 90613

(3) "Unexempted value" means, for any subdivided parcel, one 90614
of the following: 90615

(a) Except as provided in division (A)(3)(b) of this section, 90616
the nonagricultural taxable value of the original property for the 90617
tax year preceding the tax year the subdivided property first 90618

appears on the tax list as a subdivided parcel multiplied by a 90619
fraction, the numerator of which is the true value in money of the 90620
subdivided parcel for the tax year the subdivided parcel first 90621
appears on the tax list and the denominator of which is the true 90622
value in money of all subdivided parcels subdivided from that 90623
original parcel for that tax year. 90624

(b) If a subdivided parcel exempted under this section is 90625
itself subdivided, the "unexempted value" of the newly subdivided 90626
parcel equals the unexempted value, as defined in division 90627
(A)(3)(a) of this section, of the parcel from which the newly 90628
subdivided parcel was subdivided for the tax year preceding the 90629
tax year the newly subdivided parcel first appears on the tax list 90630
multiplied by a fraction, the numerator of which is the true value 90631
in money of the newly subdivided parcel for the tax year it first 90632
appears on the tax list and the denominator of which is the true 90633
value in money for that year of all newly subdivided parcels 90634
resulting from the most recent subdivision. 90635

(4) "Subdivided parcel" means a parcel resulting from the 90636
subdivision of original property pursuant to a plat subdividing 90637
that property presented to the county auditor under section 90638
5713.18 of the Revised Code. 90639

(5) "Original property" means the parcel from which a 90640
subdivided parcel is subdivided. 90641

(6) "Qualifying owner" means the owner of pre-residential 90642
development property for any portion of a tax year ending on or 90643
after the effective date of this section that includes the date a 90644
plat subdividing land including such property is presented to the 90645
county auditor under section 5713.18 of the Revised Code, or any 90646
other person to which title to the property is transferred, 90647
without consideration, by another qualifying owner. 90648

(7) "Nonagricultural taxable value" means the taxable value 90649

of land as if such land were valued and assessed for a tax year 90650
pursuant to Section 2 of Article XII, Ohio Constitution, and not 90651
in accordance with Section 36 of Article II, Ohio Constitution. 90652

(B) Any increase in taxable value above the unexempted value 90653
of pre-residential development property owned by a qualifying 90654
owner is exempted from taxation beginning with the first tax year 90655
the pre-residential development property appears on the tax list 90656
after a plat subdividing land including that property is presented 90657
to the county auditor under section 5713.18 of the Revised Code 90658
and for each of the seven ensuing tax years, except that the 90659
exemption shall not apply beginning with the tax year that begins 90660
after the tax year in which the earliest of the following occurs: 90661

(1) Construction of a residential building on that property 90662
commences; 90663

(2) Title to the property is transferred for consideration by 90664
a qualifying owner to another person; 90665

(3) Any portion of the value of that property is exempted 90666
from taxation under section 5709.40, 5709.41, 5709.73, or 5709.78 90667
of the Revised Code. 90668

(C) The tax commissioner shall not approve an application for 90669
an exemption authorized under this section unless the applicant 90670
for the exemption certifies that the parcel that is the subject of 90671
the exemption satisfies the requirements of division (A)(1) of 90672
this section for pre-residential development property. 90673

(D) Nothing in this section shall be construed to authorize a 90674
parcel subject to the partial exemption authorized by this section 90675
to be valued and assessed for taxation in any manner other than in 90676
accordance with Section 36 of Article II or Section 2 of Article 90677
XII, Ohio Constitution, as applicable to the parcel. 90678

Sec. 5709.73. (A) As used in this section and section 5709.74 90679

of the Revised Code: 90680

(1) "Business day" means a day of the week excluding 90681
Saturday, Sunday, and a legal holiday as defined in section 1.14 90682
of the Revised Code. 90683

(2) "Further improvements" or "improvements" means the 90684
increase in the assessed value of real property that would first 90685
appear on the tax list and duplicate of real and public utility 90686
property after the effective date of a resolution adopted under 90687
this section were it not for the exemption granted by that 90688
resolution. For purposes of division (B) of this section, 90689
"improvements" do not include any property used or to be used for 90690
residential purposes. For this purpose, "property that is used or 90691
to be used for residential purposes" means property that, as 90692
improved, is used or to be used for purposes that would cause the 90693
tax commissioner to classify the property as residential property 90694
in accordance with rules adopted by the commissioner under section 90695
5713.041 of the Revised Code. 90696

(3) "Housing renovation" means a project carried out for 90697
residential purposes. 90698

(4) "Incentive district" has the same meaning as in section 90699
5709.40 of the Revised Code, except that a blighted area is in the 90700
unincorporated area of a township. 90701

(5) "Overlay" has the same meaning as in section 5709.40 of 90702
the Revised Code, except that the overlay is delineated by the 90703
board of township trustees. 90704

(6) "Project" and "public infrastructure improvement" have 90705
the same meanings as in section 5709.40 of the Revised Code. 90706

(7) "Urban township" has the same meaning as in section 90707
504.01 of the Revised Code. 90708

(8) "Nonperforming parcel" means a parcel to which all of the 90709

following apply: 90710

(a) The parcel is exempted from taxation under division (B) of this section or has been included in a district created under division (C) of this section. 90711
90712
90713

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.74 of the Revised Code. 90714
90715

(c) No such payments have been remitted to the county treasurer since the inception of the exemption or district. 90716
90717

(B) A board of township trustees may adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. Except as otherwise provided under division (D) of this section or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption. 90718

90721
90722
90723
90724
90725
90726
90727
90728
90729
90730
90731

(C)(1) A board of township trustees may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. A board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, may not 90732
90733
90734
90735
90736
90737
90738
90739
90740

adopt a resolution that creates an incentive district if the sum 90741
of the taxable value of real property in the proposed district for 90742
the preceding tax year and the taxable value of all real property 90743
in the township that would have been taxable in the preceding year 90744
were it not for the fact that the property was in an existing 90745
incentive district and therefore exempt from taxation exceeds 90746
twenty-five per cent of the taxable value of real property in the 90747
township for the preceding tax year. The district shall be located 90748
within the unincorporated area of the township and shall not 90749
include any territory that is included within a district created 90750
under division (B) of section 5709.78 of the Revised Code. The 90751
resolution shall delineate the boundary of the proposed district 90752
and specifically identify each parcel within the district. A 90753
proposed district may not include any parcel, other than a 90754
nonperforming parcel, that is or has been exempted from taxation 90755
under division (B) of this section or that is or has been within 90756
another district created under this division. On and after the 90757
effective date of the district, a nonperforming parcel within the 90758
district is no longer exempted from taxation under division (B) of 90759
this section or included within an incentive district under any 90760
previous resolution, and the parcel's owner is no longer required 90761
to make payments in lieu of taxes under such a previous resolution 90762
in accordance with section 5709.74 of the Revised Code. A 90763
resolution may create more than one such district, and more than 90764
one resolution may be adopted under division (C)(1) of this 90765
section. 90766

(2)(a) Not later than thirty days prior to adopting a 90767
resolution under division (C)(1) of this section, if the township 90768
intends to apply for exemptions from taxation under section 90769
5709.911 of the Revised Code on behalf of owners of real property 90770
located within the proposed incentive district, the board shall 90771
conduct a public hearing on the proposed resolution. Not later 90772
than thirty days prior to the public hearing, the board shall give 90773

notice of the public hearing and the proposed resolution by first 90774
class mail to every real property owner whose property is located 90775
within the boundaries of the proposed incentive district that is 90776
the subject of the proposed resolution. The notice shall include a 90777
map of the proposed incentive district on which the board of 90778
township trustees shall have delineated an overlay. The notice 90779
shall inform the property owner of the owner's right to exclude 90780
the owner's property from the incentive district if both of the 90781
following conditions are met: 90782

(i) The owner's entire parcel of property will not be located 90783
within the overlay. 90784

(ii) The owner has submitted a statement to the board of 90785
county commissioners of the county in which the parcel is located 90786
indicating the owner's intent to seek a tax exemption for 90787
improvements to the owner's parcel under division (A) or (B) of 90788
section 5709.78 of the Revised Code within the next five years. 90789

When both of the preceding conditions are met, the owner may 90790
exclude the owner's property from the incentive district by 90791
submitting a written response in accordance with division 90792
(C)(2)(b) of this section. The notice also shall include 90793
information detailing the required contents of the response, the 90794
address to which the response may be mailed, and the deadline for 90795
submitting the response. 90796

(b) Any owner of real property located within the boundaries 90797
of an incentive district proposed under division (C)(1) of this 90798
section who meets the conditions specified in divisions 90799
(C)(2)(a)(i) and (ii) of this section may exclude the property 90800
from the proposed incentive district by submitting a written 90801
response to the board not later than forty-five days after the 90802
postmark date on the notice required under division (C)(2)(a) of 90803
this section. The response shall include a copy of the statement 90804
submitted under division (C)(2)(a)(ii) of this section. The 90805

response shall be sent by first class mail or delivered in person 90806
at a public hearing held by the board under division (C)(2)(a) of 90807
this section. The response shall conform to any content 90808
requirements that may be established by the board and included in 90809
the notice provided under division (C)(2)(a) of this section. In 90810
the response, property owners may identify a parcel by street 90811
address, by the manner in which it is identified in the 90812
resolution, or by other means allowing the identity of the parcel 90813
to be ascertained. 90814

(c) Before adopting a resolution under division (C)(1) of 90815
this section, the board shall amend the resolution to exclude any 90816
parcel for which a written response has been submitted under 90817
division (C)(2)(b) of this section. A township shall not apply for 90818
exemptions from taxation under section 5709.911 of the Revised 90819
Code for any such parcel, and service payments may not be required 90820
from the owner of the parcel. Improvements to a parcel excluded 90821
from an incentive district under this division may be exempted 90822
from taxation under division (B) of this section pursuant to a 90823
resolution adopted under that division or under any other section 90824
of the Revised Code under which the parcel qualifies. 90825

(3)(a) A resolution adopted under division (C)(1) of this 90826
section shall specify the life of the incentive district and the 90827
percentage of the improvements to be exempted, shall designate the 90828
public infrastructure improvements made, to be made, or in the 90829
process of being made, that benefit or serve, or, once made, will 90830
benefit or serve parcels in the district. The resolution also 90831
shall identify one or more specific projects being, or to be, 90832
undertaken in the district that place additional demand on the 90833
public infrastructure improvements designated in the resolution. 90834
The project identified may, but need not be, the project under 90835
division (C)(3)(b) of this section that places real property in 90836
use for commercial or industrial purposes. 90837

A resolution adopted under division (C)(1) of this section on 90838
or after March 30, 2006, shall not designate police or fire 90839
equipment as public infrastructure improvements, and, except as 90840
provided in division (F) of this section, no service payment 90841
provided for in section 5709.74 of the Revised Code and received 90842
by the township under the resolution shall be used for police or 90843
fire equipment. 90844

(b) A resolution adopted under division (C)(1) of this 90845
section may authorize the use of service payments provided for in 90846
section 5709.74 of the Revised Code for the purpose of housing 90847
renovations within the incentive district, provided that the 90848
resolution also designates public infrastructure improvements that 90849
benefit or serve the district, and that a project within the 90850
district places real property in use for commercial or industrial 90851
purposes. Service payments may be used to finance or support 90852
loans, deferred loans, and grants to persons for the purpose of 90853
housing renovations within the district. The resolution shall 90854
designate the parcels within the district that are eligible for 90855
housing renovations. The resolution shall state separately the 90856
amount or the percentages of the expected aggregate service 90857
payments that are designated for each public infrastructure 90858
improvement and for the purpose of housing renovations. 90859

(4) Except with the approval of the board of education of 90860
each city, local, or exempted village school district within the 90861
territory of which the incentive district is or will be located, 90862
and subject to division (E) of this section, the life of an 90863
incentive district shall not exceed ten years, and the percentage 90864
of improvements to be exempted shall not exceed seventy-five per 90865
cent. With approval of the board of education, the life of a 90866
district may be not more than thirty years, and the percentage of 90867
improvements to be exempted may be not more than one hundred per 90868
cent. The approval of a board of education shall be obtained in 90869

the manner provided in division (D) of this section. 90870

(D) Improvements with respect to a parcel may be exempted 90871
from taxation under division (B) of this section, and improvements 90872
to parcels within an incentive district may be exempted from 90873
taxation under division (C) of this section, for up to ten years 90874
or, with the approval of the board of education of the city, 90875
local, or exempted village school district within which the parcel 90876
or district is located, for up to thirty years. The percentage of 90877
the improvements exempted from taxation may, with such approval, 90878
exceed seventy-five per cent, but shall not exceed one hundred per 90879
cent. Not later than forty-five business days prior to adopting a 90880
resolution under this section declaring improvements to be a 90881
public purpose that is subject to approval by a board of education 90882
under this division, the board of township trustees shall deliver 90883
to the board of education a notice stating its intent to adopt a 90884
resolution making that declaration. The notice regarding 90885
improvements with respect to a parcel under division (B) of this 90886
section shall identify the parcels for which improvements are to 90887
be exempted from taxation, provide an estimate of the true value 90888
in money of the improvements, specify the period for which the 90889
improvements would be exempted from taxation and the percentage of 90890
the improvements that would be exempted, and indicate the date on 90891
which the board of township trustees intends to adopt the 90892
resolution. The notice regarding improvements made under division 90893
(C) of this section to parcels within an incentive district shall 90894
delineate the boundaries of the district, specifically identify 90895
each parcel within the district, identify each anticipated 90896
improvement in the district, provide an estimate of the true value 90897
in money of each such improvement, specify the life of the 90898
district and the percentage of improvements that would be 90899
exempted, and indicate the date on which the board of township 90900
trustees intends to adopt the resolution. The board of education, 90901
by resolution adopted by a majority of the board, may approve the 90902

exemption for the period or for the exemption percentage specified 90903
in the notice; may disapprove the exemption for the number of 90904
years in excess of ten, may disapprove the exemption for the 90905
percentage of the improvements to be exempted in excess of 90906
seventy-five per cent, or both; or may approve the exemption on 90907
the condition that the board of township trustees and the board of 90908
education negotiate an agreement providing for compensation to the 90909
school district equal in value to a percentage of the amount of 90910
taxes exempted in the eleventh and subsequent years of the 90911
exemption period or, in the case of exemption percentages in 90912
excess of seventy-five per cent, compensation equal in value to a 90913
percentage of the taxes that would be payable on the portion of 90914
the improvements in excess of seventy-five per cent were that 90915
portion to be subject to taxation, or other mutually agreeable 90916
compensation. 90917

The board of education shall certify its resolution to the 90918
board of township trustees not later than fourteen days prior to 90919
the date the board of township trustees intends to adopt the 90920
resolution as indicated in the notice. If the board of education 90921
and the board of township trustees negotiate a mutually acceptable 90922
compensation agreement, the resolution may declare the 90923
improvements a public purpose for the number of years specified in 90924
the resolution or, in the case of exemption percentages in excess 90925
of seventy-five per cent, for the exemption percentage specified 90926
in the resolution. In either case, if the board of education and 90927
the board of township trustees fail to negotiate a mutually 90928
acceptable compensation agreement, the resolution may declare the 90929
improvements a public purpose for not more than ten years, and 90930
shall not exempt more than seventy-five per cent of the 90931
improvements from taxation. If the board of education fails to 90932
certify a resolution to the board of township trustees within the 90933
time prescribed by this section, the board of township trustees 90934
thereupon may adopt the resolution and may declare the 90935

improvements a public purpose for up to thirty years or, in the 90936
case of exemption percentages proposed in excess of seventy-five 90937
per cent, for the exemption percentage specified in the 90938
resolution. The board of township trustees may adopt the 90939
resolution at any time after the board of education certifies its 90940
resolution approving the exemption to the board of township 90941
trustees, or, if the board of education approves the exemption on 90942
the condition that a mutually acceptable compensation agreement be 90943
negotiated, at any time after the compensation agreement is agreed 90944
to by the board of education and the board of township trustees. 90945
If a mutually acceptable compensation agreement is negotiated 90946
between the board of township trustees and the board of education, 90947
including agreements for payments in lieu of taxes under section 90948
5709.74 of the Revised Code, the board of township trustees shall 90949
compensate the joint vocational school district within which the 90950
parcel or district is located at the same rate and under the same 90951
terms received by the city, local, or exempted village school 90952
district. 90953

If a board of education has adopted a resolution waiving its 90954
right to approve exemptions from taxation under this section and 90955
the resolution remains in effect, approval of such exemptions by 90956
the board of education is not required under division (D) of this 90957
section. If a board of education has adopted a resolution allowing 90958
a board of township trustees to deliver the notice required under 90959
division (D) of this section fewer than forty-five business days 90960
prior to adoption of the resolution by the board of township 90961
trustees, the board of township trustees shall deliver the notice 90962
to the board of education not later than the number of days prior 90963
to the adoption as prescribed by the board of education in its 90964
resolution. If a board of education adopts a resolution waiving 90965
its right to approve exemptions or shortening the notification 90966
period, the board of education shall certify a copy of the 90967
resolution to the board of township trustees. If the board of 90968

education rescinds the resolution, it shall certify notice of the 90969
rescission to the board of township trustees. 90970

If the board of township trustees is not required by division 90971
(D) of this section to notify the board of education of the board 90972
of township trustees' intent to declare improvements to be a 90973
public purpose, the board of township trustees shall comply with 90974
the notice requirements imposed under section 5709.83 of the 90975
Revised Code before taking formal action to adopt the resolution 90976
making that declaration, unless the board of education has adopted 90977
a resolution under that section waiving its right to receive the 90978
notice. 90979

Nothing in this division prohibits the board of township 90980
trustees from amending the resolution under section 5709.51 of the 90981
Revised Code to extend the term of the exemption. 90982

(E)(1) If a proposed resolution under division (C)(1) of this 90983
section exempts improvements with respect to a parcel within an 90984
incentive district for more than ten years, or the percentage of 90985
the improvement exempted from taxation exceeds seventy-five per 90986
cent, not later than forty-five business days prior to adopting 90987
the resolution the board of township trustees shall deliver to the 90988
board of county commissioners of the county within which the 90989
incentive district is or will be located a notice that states its 90990
intent to adopt a resolution creating an incentive district. The 90991
notice shall include a copy of the proposed resolution, identify 90992
the parcels for which improvements are to be exempted from 90993
taxation, provide an estimate of the true value in money of the 90994
improvements, specify the period of time for which the 90995
improvements would be exempted from taxation, specify the 90996
percentage of the improvements that would be exempted from 90997
taxation, and indicate the date on which the board of township 90998
trustees intends to adopt the resolution. 90999

(2) The board of county commissioners, by resolution adopted 91000

by a majority of the board, may object to the exemption for the 91001
number of years in excess of ten, may object to the exemption for 91002
the percentage of the improvement to be exempted in excess of 91003
seventy-five per cent, or both. If the board of county 91004
commissioners objects, the board may negotiate a mutually 91005
acceptable compensation agreement with the board of township 91006
trustees. In no case shall the compensation provided to the board 91007
of county commissioners exceed the property taxes foregone due to 91008
the exemption. If the board of county commissioners objects, and 91009
the board of county commissioners and board of township trustees 91010
fail to negotiate a mutually acceptable compensation agreement, 91011
the resolution adopted under division (C)(1) of this section shall 91012
provide to the board of county commissioners compensation in the 91013
eleventh and subsequent years of the exemption period equal in 91014
value to not more than fifty per cent of the taxes that would be 91015
payable to the county or, if the board of county commissioner's 91016
objection includes an objection to an exemption percentage in 91017
excess of seventy-five per cent, compensation equal in value to 91018
not more than fifty per cent of the taxes that would be payable to 91019
the county, on the portion of the improvement in excess of 91020
seventy-five per cent, were that portion to be subject to 91021
taxation. The board of county commissioners shall certify its 91022
resolution to the board of township trustees not later than thirty 91023
days after receipt of the notice. 91024

(3) If the board of county commissioners does not object or 91025
fails to certify its resolution objecting to an exemption within 91026
thirty days after receipt of the notice, the board of township 91027
trustees may adopt its resolution, and no compensation shall be 91028
provided to the board of county commissioners. If the board of 91029
county commissioners timely certifies its resolution objecting to 91030
the trustees' resolution, the board of township trustees may adopt 91031
its resolution at any time after a mutually acceptable 91032
compensation agreement is agreed to by the board of county 91033

commissioners and the board of township trustees, or, if no 91034
compensation agreement is negotiated, at any time after the board 91035
of township trustees agrees in the proposed resolution to provide 91036
compensation to the board of county commissioners of fifty per 91037
cent of the taxes that would be payable to the county in the 91038
eleventh and subsequent years of the exemption period or on the 91039
portion of the improvement in excess of seventy-five per cent, 91040
were that portion to be subject to taxation. 91041

(F) Service payments in lieu of taxes that are attributable 91042
to any amount by which the effective tax rate of either a renewal 91043
levy with an increase or a replacement levy exceeds the effective 91044
tax rate of the levy renewed or replaced, or that are attributable 91045
to an additional levy, for a levy authorized by the voters for any 91046
of the following purposes on or after January 1, 2006, and which 91047
are provided pursuant to a resolution creating an incentive 91048
district under division (C)(1) of this section that is adopted on 91049
or after January 1, 2006, or a later date as specified in this 91050
division, shall be distributed to the appropriate taxing authority 91051
as required under division (C) of section 5709.74 of the Revised 91052
Code in an amount equal to the amount of taxes from that 91053
additional levy or from the increase in the effective tax rate of 91054
such renewal or replacement levy that would have been payable to 91055
that taxing authority from the following levies were it not for 91056
the exemption authorized under division (C) of this section: 91057

(1) A tax levied under division (L) of section 5705.19 or 91058

for the support of children services and the placement and care of	91074

or division (I), (J), (U), or (JJ) of section 5705.19 of the	91095

Revised Code for the purpose of funding fire, police, emergency 91096
medical, or ambulance services as described in those sections. 91097
Division (F)(13) of this section applies only to incentive 91098
districts created by a resolution adopted on or after March 22, 91099
2019, the effective date of the amendment of this section by H.B. 91100
500 of the 132nd general assembly, and only if that resolution 91101
specifies that division (F) of this section shall apply to such a 91102
tax. 91103

(G) An exemption from taxation granted under this section 91104
commences with the tax year specified in the resolution so long as 91105
the year specified in the resolution commences after the effective 91106
date of the resolution. If the resolution specifies a year 91107
commencing before the effective date of the resolution or 91108
specifies no year whatsoever, the exemption commences with the tax 91109
year in which an exempted improvement first appears on the tax 91110
list and duplicate of real and public utility property and that 91111
commences after the effective date of the resolution. In lieu of 91112
stating a specific year, the resolution may provide that the 91113
exemption commences in the tax year in which the value of an 91114
improvement exceeds a specified amount or in which the 91115
construction of one or more improvements is completed, provided 91116
that such tax year commences after the effective date of the 91117
resolution. With respect to the exemption of improvements to 91118
parcels under division (B) of this section, the resolution may 91119
allow for the exemption to commence in different tax years on a 91120
parcel-by-parcel basis, with a separate exemption term specified 91121
for each parcel. 91122

Except as otherwise provided in this division and section 91123
5709.51 of the Revised Code, the exemption ends on the date 91124
specified in the resolution as the date the improvement ceases to 91125
be a public purpose or the incentive district expires, or ends on 91126
the date on which the public infrastructure improvements and 91127

housing renovations are paid in full from the township public 91128
improvement tax increment equivalent fund established under 91129
section 5709.75 of the Revised Code, whichever occurs first. The 91130
exemption of an improvement with respect to a parcel or within an 91131
incentive district may end on a later date, as specified in the 91132
resolution, if the board of township trustees and the board of 91133
education of the city, local, or exempted village school district 91134
within which the parcel or district is located have entered into a 91135
compensation agreement under section 5709.82 of the Revised Code 91136
with respect to the improvement and the board of education has 91137
approved the term of the exemption under division (D) of this 91138
section, but in no case shall the improvement be exempted from 91139
taxation for more than thirty years. The board of township 91140
trustees may, by majority vote, adopt a resolution permitting the 91141
township to enter into such agreements as the board finds 91142
necessary or appropriate to provide for the construction or 91143
undertaking of public infrastructure improvements and housing 91144
renovations. Any exemption shall be claimed and allowed in the 91145
same or a similar manner as in the case of other real property 91146
exemptions. If an exemption status changes during a tax year, the 91147
procedure for the apportionment of the taxes for that year is the 91148
same as in the case of other changes in tax exemption status 91149
during the year. 91150

(H) The board of township trustees may issue the notes of the 91151
township to finance all costs pertaining to the construction or 91152
undertaking of public infrastructure improvements and housing 91153
renovations made pursuant to this section. The notes shall be 91154
signed by the board and attested by the signature of the township 91155
fiscal officer, shall bear interest not to exceed the rate 91156
provided in section 9.95 of the Revised Code, and are not subject 91157
to Chapter 133. of the Revised Code. The resolution authorizing 91158
the issuance of the notes shall pledge the funds of the township 91159
public improvement tax increment equivalent fund established 91160

pursuant to section 5709.75 of the Revised Code to pay the 91161
interest on and principal of the notes. The notes, which may 91162
contain a clause permitting prepayment at the option of the board, 91163
shall be offered for sale on the open market or given to the 91164
vendor or contractor if no sale is made. 91165

(I) The township, not later than fifteen days after the 91166
adoption of a resolution under this section, shall submit to the 91167
director of development ~~services~~ a copy of the resolution. On or 91168
before the thirty-first day of March of each year, the township 91169
shall submit a status report to the director ~~of development~~ 91170
~~services~~. The report shall indicate, in the manner prescribed by 91171
the director, the progress of the project during each year that 91172
the exemption remains in effect, including a summary of the 91173
receipts from service payments in lieu of taxes; expenditures of 91174
money from the fund created under section 5709.75 of the Revised 91175
Code; a description of the public infrastructure improvements and 91176
housing renovations financed with the expenditures; and a 91177
quantitative summary of changes in private investment resulting 91178
from each project. 91179

(J) Nothing in this section shall be construed to prohibit a 91180
board of township trustees from declaring to be a public purpose 91181
improvements with respect to more than one parcel. 91182

If a parcel is located in a new community district in which 91183
the new community authority imposes a community development charge 91184
on the basis of rentals received from leases of real property as 91185
described in division (L)(2) of section 349.01 of the Revised 91186
Code, the parcel may not be exempted from taxation under this 91187
section. 91188

(K) A board of township trustees that adopted a resolution 91189
under this section prior to July 21, 1994, may amend that 91190
resolution to include any additional public infrastructure 91191
improvement. A board of township trustees that seeks by the 91192

amendment to utilize money from its township public improvement 91193
tax increment equivalent fund for land acquisition in aid of 91194
industry, commerce, distribution, or research, demolition on 91195
private property, or stormwater and flood remediation projects may 91196
do so provided that the board currently is a party to a 91197
hold-harmless agreement with the board of education of the city, 91198
local, or exempted village school district within the territory of 91199
which are located the parcels that are subject to an exemption. 91200
For the purposes of this division, a "hold-harmless agreement" 91201
means an agreement under which the board of township trustees 91202
agrees to compensate the school district for one hundred per cent 91203
of the tax revenue that the school district would have received 91204
from further improvements to parcels designated in the resolution 91205
were it not for the exemption granted by the resolution. 91206

(L) Notwithstanding the limitation prescribed by division (D) 91207
of this section on the number of years that improvements to a 91208
parcel or parcels may be exempted from taxation, a board of 91209
trustees of a township with a population of fifteen thousand or 91210
more may amend a resolution originally adopted under this section 91211
before December 31, 1994, to extend the exemption of improvements 91212
to the parcel or parcels included in such resolution for an 91213
additional period not to exceed fifteen years. The amendment shall 91214
not increase the percentage of improvements to the parcel or 91215
parcels exempted from taxation. Before adopting an amendment 91216
authorized under this division, the board of township trustees 91217
shall obtain the approval of each board of education of the city, 91218
local, or exempted village school district within which the 91219
exempted parcels are located in the manner required under division 91220
(D) of this section, except that (1) the board of education may 91221
approve the exemption on the condition that the board of township 91222
trustees and the board of education negotiate an agreement 91223
providing for compensation to the school district equal in value 91224
to the amount of taxes the district forgoes in each year the 91225

exemption is extended pursuant to this division or any other 91226
mutually agreeable compensation and (2) if the board of education 91227
fails to certify a resolution approving the amendment to the board 91228
of township trustees within the time prescribed by division (D) of 91229
this section, the board of township trustees shall not adopt the 91230
amendment authorized under this division. 91231

No approval under this division shall be required from a 91232
board of education that has adopted a resolution waiving its right 91233
to approve exemptions from taxation pursuant to division (D) of 91234
this section. If the board of education has adopted such a 91235
resolution, the board of township trustees shall comply with the 91236
notice requirements imposed under section 5709.83 of the Revised 91237
Code before taking formal action to adopt an amendment authorized 91238
under this division unless the board of education has adopted a 91239
resolution under that section waiving its right to receive the 91240
notice. Not later than fourteen days before adopting an amendment 91241
authorized under this division, the board of township trustees 91242
shall deliver a notice identical to a notice required under 91243
section 5709.83 of the Revised Code to the board of county 91244
commissioners of each county in which the exempted parcels are 91245
located. 91246

Sec. 5711.29. If any corporation uses the rights and powers 91247
granted by its charter to prevent the assessment of the shares of 91248
its resident shareholders on the basis of income yield, as 91249
provided in sections 5711.01 to 5711.36 of the Revised Code, by 91250
permitting its gains and profits to accumulate instead of being 91251
distributed, or by paying exorbitant salaries to its officers and 91252
employees, the tax commissioner, upon finding such to be the fact, 91253
shall assess the amount representing the aggregate assessments of 91254
the shares of such resident shareholders in the names of such 91255
resident shareholders and certify such assessments, together with 91256
the penalty provided in such sections, to the proper county 91257

auditor who shall place the same on the classified tax list and 91258
duplicate in the names of such shareholders, as investments 91259
assessed on the basis of income yield for the year for which such 91260
assessments are made; and taxes shall be collected thereon the 91261
same as on other like assessments. The commissioner shall give 91262
notice of such assessment to the corporation ~~by personal service~~ 91263
~~or certified mail,~~ in the manner provided in section 5703.37 of 91264
the Revised Code, and such assessment shall be subject to a 91265
petition for reassessment and an appeal as provided in sections 91266
5711.31 and 5717.02 of the Revised Code. 91267

If any such corporation is a holding or investment company, 91268
or if the gains or profits are permitted to accumulate beyond the 91269
reasonable needs of the business, such fact shall be prima-facie 91270
evidence of a purpose to prevent the assessment of the shares of 91271
its resident stockholders on such basis. 91272

If any trust, under the terms of which the trustee is 91273
required or authorized to withhold and accumulate all or any part 91274
of the income, is created or used for the purpose of preventing 91275
the assessment of the equitable interests of the resident 91276
beneficiaries on the basis of income yield, as provided in 91277
sections 5711.01 to 5711.36 of the Revised Code, the commissioner, 91278
upon finding such to be the fact, shall assess the amount 91279
representing the aggregate assessment of such equitable shares in 91280
the manner provided in this section. If the creator of such trust 91281
reserved a power of revocation, or if the trustee has discretion 91282
to pay and distribute the income of the trust property to or for 91283
the benefit of such resident beneficiary, such fact shall be 91284
prima-facie evidence of a purpose to prevent the assessment of the 91285
equitable shares of the resident beneficiaries upon such basis. 91286

The assessment imposed by this action shall not be made 91287
against any resident shareholder of such corporation or 91288
beneficiary of such trust who in filing ~~his~~ the shareholder's or 91289

beneficiary's return lists as the income yield of ~~his~~ the shares 91290
or beneficial interest the entire distributive share or beneficial 91291
interest, whether distributed or not, of the net income of such 91292
corporation or trust for such year, in which event any subsequent 91293
distribution made by such corporation or trust out of the earnings 91294
or profits of such year shall, if distributed to any shareholder 91295
or beneficiary who has so included in the income yield of ~~his~~ the 91296
shareholder's or beneficiary's shares the distributive share 91297
thereof, be deducted from the income yield of such shares for the 91298
year in which the same is made. 91299

Sec. 5713.03. ~~(A)~~ The county auditor, from the best sources 91300
of information available, shall determine, as nearly as 91301
practicable, the true value of the fee simple estate, as if 91302
unencumbered but subject to any effects from the exercise of 91303
police powers or from other governmental actions, of each separate 91304
tract, lot, or parcel of real property and of buildings, 91305
structures, and improvements located thereon and the current 91306
agricultural use value of land valued for tax purposes in 91307
accordance with section 5713.31 of the Revised Code, in every 91308
district, according to the rules prescribed by this chapter and 91309
section 5715.01 of the Revised Code, and in accordance with the 91310
uniform rules and methods of valuing and assessing real property 91311
as adopted, prescribed, and promulgated by the tax commissioner. 91312
The auditor shall determine the taxable value of all real property 91313
by reducing its true or current agricultural use value by the 91314
percentage ordered by the commissioner. In determining the true 91315
value of any tract, lot, or parcel of real estate under this 91316
section, if such tract, lot, or parcel has been the subject of an 91317
arm's length sale between a willing seller and a willing buyer 91318
within a reasonable length of time, either before or after the tax 91319
lien date, the auditor may consider the sale price of such tract, 91320
lot, or parcel to be the true value for taxation purposes. 91321

However, the sale price in an arm's length transaction between a willing seller and a willing buyer shall not be considered the true value of the property sold if subsequent to the sale:

~~(1)(A)~~ The tract, lot, or parcel of real estate loses value due to some casualty;

~~(2)(B)~~ An improvement is added to the property.

Nothing in this section or section 5713.01 of the Revised Code and no rule adopted under section 5715.01 of the Revised Code shall require the county auditor to change the true value in money of any property in any year except a year in which the tax commissioner is required to determine under section 5715.24 of the Revised Code whether the property has been assessed as required by law.

~~(B) Pursuant to division (A) of this section, the county auditor may determine the true value of real property that is part of a qualified low income housing tax credit project through use of one or more of the market data approach, the income approach, or the cost approach.~~

~~As used in division (B) of this section, "low income housing tax credit project" means a qualified low income housing project during its compliance period, as those terms are defined by section 42 of the Internal Revenue Code.~~

~~(C)~~ The county auditor shall adopt and use a real property record approved by the commissioner for each tract, lot, or parcel of real property, setting forth the true and taxable value of land and, in the case of land valued in accordance with section 5713.31 of the Revised Code, its current agricultural use value, the number of acres of arable land, permanent pasture land, woodland, and wasteland in each tract, lot, or parcel. The auditor shall record pertinent information and the true and taxable value of

each building, structure, or improvement to land, which value 91352
shall be included as a separate part of the total value of each 91353
tract, lot, or parcel of real property. 91354

Sec. 5713.031. (A) As used in this section, "federally 91355
subsidized residential rental property" means property to which 91356
one or more of the following apply: 91357

during its compliance period, as those terms are defined in 91359
section 42 of the Internal Revenue Code. 91360

(2) It receives assistance pursuant to section 202 of the 91361
"Housing Act of 1959," 12 U.S.C. 1701q, and remains restricted 91362

U.S.C. 8013, and remains restricted pursuant to that section; 91366

(4) Property that receives project-based assistance pursuant 91367
to section 8 of the "United States Housing Act of 1937," 42 U.S.C. 91368
1437f, and remains restricted pursuant to that section; 91369

(5) Property that receives assistance pursuant to section 515 91370
of the "Housing Act of 1949," 42 U.S.C. 1485, and remains 91371
restricted pursuant to that section; 91372

(6) Property that receives assistance pursuant to section 538 91373
of the "Housing Act of 1949," 42 U.S.C. 1490p-2, and remains 91374

(7) Property that receives assistance pursuant to section 521 91376
of the "Housing Act of 1949," 42 U.S.C. 1490a, and remains 91377
restricted pursuant to that section; 91378

consider in purchasing the property. Real property taxes, 91392

(C)(1) The information required under division (B) of this 91398

the Revised Code applies in the county, on or before the first day 91402

the property has been in operation, if less than three years. 91406

(2) Information filed under this section shall have first 91407

not completed by the first day of March, the owner of the property 91410
shall file updated records within thirty days after the completion 91411
of such an audit. 91412

(3) If a property owner fails to timely submit the information required under division (B) of this section, the county auditor is not required to value the property in accordance with division (A)(4) of section 5715.01 of the Revised Code for any applicable tax year to which that division would have applied and shall otherwise proceed under section 5713.01 of the Revised Code to value the property in compliance with Ohio Constitution, Article XII, Section 2 for that tax year.

commissioner shall not include in the value of the minerals or 91444
rights to minerals the value of any tangible personal property 91445
used in the recovery of those minerals. 91446

(2) The uniform rules shall prescribe the method for 91447
determining the current agricultural use value of land devoted 91448
exclusively to agricultural use, which method shall reflect 91449
standard and modern appraisal techniques that take into 91450
consideration the productivity of the soil under normal management 91451
practices, typical cropping and land use patterns, the average 91452
price patterns of the crops and products produced and the typical 91453
production costs to determine the net income potential to be 91454
capitalized, and other pertinent factors. 91455

In determining the agricultural land capitalization rate to 91456
be applied to the net income potential from agricultural use, the 91457
commissioner shall use standard and modern appraisal techniques. 91458
In calculating the capitalization rate for any year, the 91459
commissioner shall comply with both of the following requirements: 91460

(a) The commissioner shall use an equity yield rate equal to 91461
the greater of (i) the average of the total rates of return on 91462
farm equity for the twenty-five most recent years for which those 91463
rates have been calculated and published by the United States 91464
department of agriculture economic research service or another 91465
published source or (ii) the loan interest rate the commissioner 91466
uses for that year to calculate the capitalization rate; 91467

(b) The commissioner shall assume that the holding period for 91468
agricultural land is twenty-five years for the purpose of 91469
computing buildup of equity or appreciation with respect to that 91470
land. 91471

The commissioner shall add to the overall capitalization rate 91472
a tax additur. The sum of the overall capitalization rate and the 91473
tax additur shall represent as nearly as possible the rate of 91474

return a prudent investor would expect from an average or typical 91475
farm in this state considering only agricultural factors. 91476

The commissioner shall annually determine and announce the 91477
overall capitalization rate, tax additur, agricultural land 91478
capitalization rate, and the individual components used in 91479
computing such amounts in a determination, finding, computation, 91480
or order of the commissioner published simultaneously with the 91481
commissioner's annual publication of the per-acre agricultural use 91482
values for each soil type. 91483

(3) Notwithstanding any other provision of this chapter and 91484
Chapter 5713. of the Revised Code, the current agricultural use 91485
value of land devoted exclusively to agricultural use shall equal 91486
the following amounts for the years specified: 91487

(a) In counties that undergo a reappraisal or triennial 91488
update in 2017, the current agricultural use value of the land for 91489
each of the 2017, 2018, and 2019 tax years shall equal the sum of 91490
the following amounts: 91491

(i) The current agricultural use value of the land for that 91492
tax year, as determined under this section and section 5713.31 of 91493
the Revised Code, and rules adopted pursuant those sections, 91494
without regard to the adjustment under division (A)(3)(a)(ii) of 91495
this section; 91496

(ii) One-half of the amount, if any, by which the value of 91497
the land for the 2016 tax year, as determined under this section, 91498
section 5713.31 of the Revised Code, and the rules adopted 91499
pursuant those sections and issued by the tax commissioner for 91500
counties undergoing a reappraisal or triennial update in the 2016 91501
tax year, exceeds the value determined under division (A)(3)(a)(i) 91502
of this section. 91503

(b) In counties that undergo a reappraisal or triennial 91504
update in 2018, the current agricultural use value of the land for 91505

each of the 2018, 2019, and 2020 tax years shall equal the sum of 91506
the following amounts: 91507

(i) The current agricultural use value of the land for that 91508
tax year, as determined under this section and section 5713.31 of 91509
the Revised Code, and rules adopted pursuant those sections, 91510
without regard to the adjustment under division (A)(3)(b)(ii) of 91511
this section; 91512

(ii) One-half of the amount, if any, by which the value of 91513
the land for the 2017 tax year, as determined under this section, 91514
section 5713.31 of the Revised Code, and the rules adopted 91515
pursuant those sections and issued by the tax commissioner for 91516
counties undergoing a reappraisal or triennial update in the 2017 91517
tax year, exceeds the value determined under division (A)(3)(b)(i) 91518
of this section. 91519

(c) In counties that undergo a reappraisal or triennial 91520
update in 2019, the current agricultural use value of the land for 91521
each of the 2019, 2020, and 2021 tax years shall equal the sum of 91522
the following amounts: 91523

(i) The current agricultural use value of the land for that 91524
tax year, as determined under this section and section 5713.31 of 91525
the Revised Code, and rules adopted pursuant those sections, 91526
without regard to the adjustment under division (A)(3)(c)(ii) of 91527
this section; 91528

(ii) One-half of the amount, if any, by which the value of 91529
the land for the 2018 tax year, as determined under this section, 91530
section 5713.31 of the Revised Code, and the rules adopted 91531
pursuant those sections and issued by the tax commissioner for 91532
counties undergoing a reappraisal or triennial update in the 2018 91533
tax year, exceeds the value determined under division (A)(3)(c)(i) 91534
of this section. 91535

(4) The uniform rules shall prescribe the method for 91536

determining the value of federally subsidized residential rental 91537
property through the use of a formula that accounts for the 91538
following factors: 91539

(a) Up to three years of operating income of the property, 91540
which includes gross potential rent, and any income derived from 91541
other sources as reported by the property owner to the county 91542
auditor under section 5713.031 of the Revised Code. Operating 91543
income shall include an allowance for vacancy losses, which shall 91544
be presumed to be four per cent of gross potential rent, and 91545
unpaid rent losses, which shall be presumed to be three per cent 91546
of gross potential rent. These presumptive amounts may be exceeded 91547
with evidence demonstrating the actual income of the property. 91548

(b) Operating expenses of the property, which shall be 91549
presumed to be forty-eight per cent of operating income plus 91550
utility expenses as reported by the property owner to the county 91551
auditor under section 5713.031 of the Revised Code. Operating 91552
expenses shall also include replacement reserve fund or account 91553
contributions which shall be presumed to be five per cent of gross 91554
potential rent. These presumptive amounts may be exceeded with 91555
evidence demonstrating the actual expenses of the property. Real 91556
property taxes, depreciation, and amortization expenses and 91557
replacement of short-term capitalized assets shall be excluded 91558
from operating expenses. 91559

(c) A market-appropriate, uniform capitalization rate plus a 91560
tax additur accounting for the real property tax rate of the 91561
property's location. For federally subsidized residential rental 91562
property described in division (A)(1) of section 5713.031 of the 91563
Revised Code, one percentage point shall be subtracted from the 91564
uniform capitalization rate. 91565

The uniform rules shall also prescribe a minimum total value 91566
for federally subsidized residential rental property of five 91567
thousand dollars multiplied by the number of dwelling units 91568

comprising the property or one hundred fifty per cent of the 91569
property's unimproved land value, whichever is greater. The 91570
formula and other rules adopted by the commissioner pursuant to 91571
this division shall comply with Ohio Constitution, Article XII, 91572
Section 2. 91573

As used in division (A)(4) of this section, "federally 91574
subsidized residential rental property" has the same meaning as in 91575
section 5713.031 of the Revised Code and "dwelling unit" has the 91576
same meaning as in section 5321.01 of the Revised Code. 91577

(B) The taxable value shall be that per cent of true value in 91578
money, or current agricultural use value in the case of land 91579
valued in accordance with section 5713.31 of the Revised Code, the 91580
commissioner by rule establishes, but it shall not exceed 91581
thirty-five per cent. The uniform rules shall also prescribe 91582
methods of making the appraisals set forth in section 5713.03 of 91583
the Revised Code. The taxable value of each tract, lot, or parcel 91584
of real property and improvements thereon, determined in 91585
accordance with the uniform rules and methods prescribed thereby, 91586
shall be the taxable value of the tract, lot, or parcel for all 91587
purposes of sections 5713.01 to 5713.26, 5715.01 to 5715.51, and 91588
5717.01 to 5717.06 of the Revised Code. County auditors shall, 91589
under the direction and supervision of the commissioner, be the 91590
chief assessing officers of their respective counties, and shall 91591
list and value the real property within their respective counties 91592
for taxation in accordance with this section and sections 5713.03 91593
and 5713.31 of the Revised Code and with such rules of the 91594
commissioner. There shall also be a board in each county, known as 91595
the county board of revision, which shall hear complaints and 91596
revise assessments of real property for taxation. 91597

(C) The commissioner shall neither adopt nor enforce any rule 91598
that requires true value for any tax year to be any value other 91599
than the true value in money on the tax lien date of such tax year 91600

or that requires taxable value to be obtained in any way other 91601
than by reducing the true value, or in the case of land valued in 91602
accordance with section 5713.31 of the Revised Code, its current 91603
agricultural use value, by a specified, uniform percentage. 91604

Sec. 5721.14. Subject to division (A)(2) of this section, on 91605
receipt of a delinquent vacant land tax certificate or a master 91606
list of delinquent vacant tracts, a county prosecuting attorney 91607
shall institute a foreclosure proceeding under section 323.25, 91608
sections 323.65 to 323.79, or section 5721.18 of the Revised Code, 91609
or a foreclosure and forfeiture proceeding under this section. If 91610
the delinquent vacant land tax certificate or a master list of 91611
delinquent vacant tracts lists minerals or rights to minerals 91612
listed pursuant to sections 5713.04, 5713.05, and 5713.06 of the 91613
Revised Code, the county prosecuting attorney may institute a 91614
foreclosure proceeding under section 323.25, sections 323.65 to 91615
323.79, or section 5721.18 of the Revised Code or a foreclosure 91616
and forfeiture proceeding under this section against such minerals 91617
or rights to minerals. 91618

(A)(1) The prosecuting attorney shall institute a proceeding 91619
under this section by filing, in the name of the county treasurer 91620
and with the clerk of a court with jurisdiction, a complaint that 91621
requests that the lien of the state on the property identified in 91622
the certificate or master list be foreclosed and that the property 91623
be forfeited to the state. The prosecuting attorney shall 91624
prosecute the proceeding to final judgment and satisfaction. 91625

(2) If the delinquent taxes, assessments, charges, penalties, 91626
and interest are paid prior to the time a complaint is filed, the 91627
prosecuting attorney shall not institute a proceeding under this 91628
section. If there is a copy of a written delinquent tax contract 91629
attached to the certificate or an asterisk next to an entry on the 91630
master list, or if a copy of a delinquent tax contract is received 91631

from the county auditor prior to the commencement of the 91632
proceeding under this section, the prosecuting attorney shall not 91633
institute the proceeding under this section unless the prosecuting 91634
attorney receives a certification of the county treasurer that the 91635
delinquent tax contract has become void. 91636

(B) Foreclosure and forfeiture proceedings instituted under 91637
this section constitute an action in rem. Prior to filing such an 91638
action in rem, the county prosecuting attorney shall cause a title 91639
search to be conducted for the purpose of identifying any 91640
lienholders or other persons with interests in the property that 91641
is subject to foreclosure and forfeiture. Following the title 91642
search, the action in rem shall be instituted by filing in the 91643
office of the clerk of a court with jurisdiction a complaint 91644
bearing a caption substantially in the form set forth in division 91645
(A) of section 5721.15 of the Revised Code. 91646

Any number of parcels may be joined in one action. Each 91647
separate parcel included in a complaint shall be given a serial 91648
number and shall be separately indexed and docketed by the clerk 91649
of the court in a book kept by the clerk for such purpose. A 91650
complaint shall contain the permanent parcel number of each parcel 91651
included in it, the full street address of the parcel when 91652
available, a description of the parcel as set forth in the 91653
certificate or master list, the name and address of the last known 91654
owner of the parcel if they appear on the general tax list, the 91655
name and address of each lienholder and other person with an 91656
interest in the parcel identified in the title search relating to 91657
the parcel that is required by this division, and the amount of 91658
taxes, assessments, charges, penalties, and interest due and 91659
unpaid with respect to the parcel. It is sufficient for the county 91660
treasurer to allege in the complaint that the certificate or 91661
master list has been duly filed by the county auditor with respect 91662
to each parcel listed, that the amount of money with respect to 91663

each parcel appearing to be due and unpaid is due and unpaid, and 91664
that there is a lien against each parcel, without setting forth 91665
any other or special matters. The prayer of the complaint shall be 91666
that the court issue an order that the lien of the state on each 91667
of the parcels included in the complaint be foreclosed, that the 91668
property be forfeited to the state, and that the land be offered 91669
for sale in the manner provided in section 5723.06 of the Revised 91670
Code. 91671

(C) Within thirty days after the filing of a complaint, the 91672
clerk of the court in which the complaint was filed shall cause a 91673
notice of foreclosure and forfeiture substantially in the form of 91674
the notice set forth in division (B) of section 5721.15 of the 91675
Revised Code to be published either (1) once a week for three 91676
consecutive weeks in a newspaper of general circulation in the 91677
county or (2) once in a newspaper of general circulation in the 91678
county and, beginning one week thereafter, on a web site of the 91679
county or of the court, as selected by the clerk. Publication on 91680
the web site shall continue until one year after the date a 91681
judgment is rendered under section 5721.16 of the Revised Code 91682
with respect to such property. Any notice published on a web site 91683
shall identify the date the notice is first published on the web 91684
site. In lieu of the form prescribed in division (B) of section 91685
5721.15 of the Revised Code, the second and third publication of 91686
the notice, if proceeding under division (C)(1) of this section, 91687
may be abbreviated as authorized under section 7.16 of the Revised 91688
Code. In any county that has adopted a permanent parcel number 91689
system, the parcel may be described in the notice by parcel number 91690
only, instead of also with a complete legal description, if the 91691
county prosecuting attorney determines that the publication of the 91692
complete legal description is not necessary to provide reasonable 91693
notice of the foreclosure and forfeiture proceeding to the 91694
interested parties. If the complete legal description is not 91695
published, the notice shall indicate where the complete legal 91696

description may be obtained. 91697

After the ~~third~~ final newspaper publication, the publisher 91698
shall file with the clerk of the court an affidavit stating the 91699
fact of the publication and including a copy of the notice of 91700
foreclosure and forfeiture as published. Two weeks after the clerk 91701
causes the notice to be published on the selected web site, if 91702
proceeding under division (C)(2) of this section, the prosecuting 91703
attorney shall file with the clerk an affidavit stating the fact 91704
of the publication and including a copy of the notice of 91705
foreclosure and forfeiture as published. Service of process for 91706
purposes of the action in rem shall be considered as complete on 91707
the date of the ~~last~~ third newspaper publication or the date that 91708
is two weeks after the clerk causes the notice to be published on 91709
the selected web site, as applicable. 91710

Within thirty days after the filing of a complaint and before 91711
the date of ~~the final publication of the notice of foreclosure and~~ 91712
~~forfeiture~~ service of process is considered complete under this 91713
division, the clerk of the court also shall cause a copy of a 91714
notice substantially in the form of the notice set forth in 91715
division (C) of section 5721.15 of the Revised Code to be mailed 91716
by ordinary mail, with postage prepaid, to each person named in 91717
the complaint as being the last known owner of a parcel included 91718
in it, or as being a lienholder or other person with an interest 91719
in a parcel included in it. The notice shall be sent to the 91720
address of each such person, as set forth in the complaint, and 91721
the clerk shall enter the fact of such mailing upon the appearance 91722
docket. If the name and address of the last known owner of a 91723
parcel included in a complaint is not set forth in it, the county 91724
auditor shall file an affidavit with the clerk stating that the 91725
name and address of the last known owner does not appear on the 91726
general tax list. 91727

(D)(1) An answer may be filed in a foreclosure and forfeiture 91728

proceeding by any person owning or claiming any right, title, or interest in, or lien upon, any parcel described in the complaint. The answer shall contain the caption and number of the action and the serial number of the parcel concerned. The answer shall set forth the nature and amount of interest claimed in the parcel and any defense or objection to the foreclosure of the lien of the state for delinquent taxes, assessments, charges, penalties, and interest, as shown in the complaint. The answer shall be filed in the office of the clerk of the court, and a copy of the answer shall be served on the county prosecuting attorney not later than twenty-eight days after the date ~~of final publication of the notice of foreclosure and forfeiture~~ service of process is considered complete under division (C) of this section. If an answer is not filed within such time, a default judgment may be taken as to any parcel included in a complaint as to which no answer has been filed. A default judgment is valid and effective with respect to all persons owning or claiming any right, title, or interest in, or lien upon, any such parcel, notwithstanding that one or more of such persons are minors, incompetents, absentees or nonresidents of the state, or convicts in confinement.

(2)(a) A receiver appointed pursuant to divisions (C)(2) and (3) of section 3767.41 of the Revised Code may file an answer pursuant to division (D)(1) of this section, but is not required to do so as a condition of receiving proceeds in a distribution under division (B)(2) of section 5721.17 of the Revised Code.

(b) When a receivership under section 3767.41 of the Revised Code is associated with a parcel, the notice of foreclosure and forfeiture set forth in division (B) of section 5721.15 of the Revised Code and the notice set forth in division (C) of that section shall be modified to reflect the provisions of division (D)(2)(a) of this section.

(E) At the trial of a foreclosure and forfeiture proceeding, 91761
the delinquent vacant land tax certificate or master list of 91762
delinquent vacant tracts filed by the county auditor with the 91763
county prosecuting attorney shall be prima-facie evidence of the 91764
amount and validity of the taxes, assessments, charges, penalties, 91765
and interest appearing due and unpaid on the parcel to which the 91766
certificate or master list relates and their nonpayment. If an 91767
answer is properly filed, the court may, in its discretion, and 91768
shall, at the request of the person filing the answer, grant a 91769
severance of the proceedings as to any parcel described in such 91770
answer for purposes of trial or appeal. 91771

(F) The conveyance by the owner of any parcel against which a 91772
complaint has been filed pursuant to this section at any time 91773
after the date of publication of the parcel on the delinquent 91774
vacant land tax list but before the date of a judgment of 91775
foreclosure and forfeiture pursuant to section 5721.16 of the 91776
Revised Code shall not nullify the right of the county to proceed 91777
with the foreclosure and forfeiture. 91778

Sec. 5721.18. The county prosecuting attorney, upon the 91779
delivery to the prosecuting attorney by the county auditor of a 91780
delinquent land or delinquent vacant land tax certificate, or of a 91781
master list of delinquent or delinquent vacant tracts, shall 91782
institute a foreclosure proceeding under this section in the name 91783
of the county treasurer to foreclose the lien of the state, in any 91784
court with jurisdiction or in the county board of revision with 91785
jurisdiction pursuant to section 323.66 of the Revised Code, 91786
unless the taxes, assessments, charges, penalties, and interest 91787
are paid prior to the time a complaint is filed, or unless a 91788
foreclosure or foreclosure and forfeiture action has been or will 91789
be instituted under section 323.25, sections 323.65 to 323.79, or 91790
section 5721.14 of the Revised Code. If the delinquent land or 91791
delinquent vacant land tax certificate or the master list of 91792

delinquent or delinquent vacant tracts lists minerals or rights to 91793
minerals listed pursuant to sections 5713.04, 5713.05, and 5713.06 91794
of the Revised Code, the county prosecuting attorney may institute 91795
a foreclosure proceeding in the name of the county treasurer, in 91796
any court with jurisdiction, to foreclose the lien of the state 91797
against such minerals or rights to minerals, unless the taxes, 91798
assessments, charges, penalties, and interest are paid prior to 91799
the time the complaint is filed, or unless a foreclosure or 91800
foreclosure and forfeiture action has been or will be instituted 91801
under section 323.25, sections 323.65 to 323.79, or section 91802
5721.14 of the Revised Code. 91803

Nothing in this section or section 5721.03 of the Revised 91804
Code prohibits the prosecuting attorney from instituting a 91805
proceeding under this section before the delinquent tax list or 91806
delinquent vacant land tax list that includes the parcel is 91807
published pursuant to division (B) of section 5721.03 of the 91808
Revised Code if the list is not published within the time 91809
prescribed by that division. The prosecuting attorney shall 91810
prosecute the proceeding to final judgment and satisfaction. 91811
Within ten days after obtaining a judgment, the prosecuting 91812
attorney shall notify the treasurer in writing that judgment has 91813
been rendered. If there is a copy of a written delinquent tax 91814
contract attached to the certificate or an asterisk next to an 91815
entry on the master list, or if a copy of a delinquent tax 91816
contract is received from the auditor prior to the commencement of 91817
the proceeding under this section, the prosecuting attorney shall 91818
not institute the proceeding under this section, unless the 91819
prosecuting attorney receives a certification of the treasurer 91820
that the delinquent tax contract has become void. 91821

(A) This division applies to all foreclosure proceedings not 91822
instituted and prosecuted under section 323.25 of the Revised Code 91823
or division (B) or (C) of this section. The foreclosure 91824

proceedings shall be instituted and prosecuted in the same manner 91825
as is provided by law for the foreclosure of mortgages on land, 91826
except that, if service by publication is necessary, such 91827
publication, instead of as provided by the Rules of Civil 91828
Procedure, shall either be made (1) once a week for three 91829
consecutive weeks ~~instead of as provided by the Rules of Civil~~ 91830
~~Procedure, and the service in a newspaper of general circulation~~ 91831
in the county or (2) once in a newspaper of general circulation in 91832
the county and, beginning one week thereafter, on a web site of 91833
the county or of the court, as selected by the clerk of the court. 91834
Publication on the web site shall continue until one year after 91835
the date a judgment is rendered under section 5721.19 of the 91836
Revised Code with respect to such property. Any notices published 91837
on a web site shall identify the date the notice is first 91838
published on the web site. If proceeding under division (A)(1) of 91839
this section, the second and third publication of the notice may 91840
be abbreviated as authorized under section 7.16 of the Revised 91841
Code. 91842

Service shall be complete, if proceeding under division 91843
(A)(1) of this section, at the expiration of three weeks after the 91844
date of the first publication or, if proceeding under division 91845
(A)(2) of this section, the date that is two weeks after the clerk 91846
causes the notice to be published on the selected web site. In any 91847
proceeding prosecuted under this section, if the prosecuting 91848
attorney determines that service upon a defendant may be obtained 91849
ultimately only by publication, the prosecuting attorney may cause 91850
service to be made simultaneously by certified mail, return 91851
receipt requested, ordinary mail, and publication. 91852

In any county that has adopted a permanent parcel number 91853
system, the parcel may be described in the notice by parcel number 91854
only, instead of also with a complete legal description, if the 91855
prosecuting attorney determines that the publication of the 91856

complete legal description is not necessary to provide reasonable 91857
notice of the foreclosure proceeding to the interested parties. If 91858
the complete legal description is not published, the notice shall 91859
indicate where the complete legal description may be obtained. 91860

It is sufficient, having been made a proper party to the 91861
foreclosure proceeding, for the treasurer to allege in the 91862
treasurer's complaint that the certificate or master list has been 91863
duly filed by the auditor, that the amount of money appearing to 91864
be due and unpaid is due and unpaid, and that there is a lien 91865
against the property described in the certificate or master list, 91866
without setting forth in the complaint any other or special matter 91867
relating to the foreclosure proceeding. The prayer of the 91868
complaint shall be that the court or the county board of revision 91869
with jurisdiction pursuant to section 323.66 of the Revised Code 91870
issue an order that the property be sold or conveyed by the 91871
sheriff or otherwise be disposed of, and the equity of redemption 91872
be extinguished, according to the alternative redemption 91873
procedures prescribed in sections 323.65 to 323.79 of the Revised 91874
Code, or if the action is in the municipal court by the bailiff, 91875
in the manner provided in section 5721.19 of the Revised Code. 91876

In the foreclosure proceeding, the treasurer may join in one 91877
action any number of lots or lands, but the decree shall be 91878
rendered separately, and any proceedings may be severed, in the 91879
discretion of the court or board of revision, for the purpose of 91880
trial or appeal, and the court or board of revision shall make 91881
such order for the payment of costs as is considered proper. The 91882
certificate or master list filed by the auditor with the 91883
prosecuting attorney is prima-facie evidence at the trial of the 91884
foreclosure action of the amount and validity of the taxes, 91885
assessments, charges, penalties, and interest appearing due and 91886
unpaid and of their nonpayment. 91887

(B) Foreclosure proceedings constituting an action in rem may 91888

be commenced by the filing of a complaint after the end of the 91889
second year from the date on which the delinquency was first 91890
certified by the auditor. Prior to filing such an action in rem, 91891
the prosecuting attorney shall cause a title search to be 91892
conducted for the purpose of identifying any lienholders or other 91893
persons with interests in the property subject to foreclosure. 91894
Following the title search, the action in rem shall be instituted 91895
by filing in the office of the clerk of a court with jurisdiction 91896
a complaint bearing a caption substantially in the form set forth 91897
in division (A) of section 5721.181 of the Revised Code. 91898

Any number of parcels may be joined in one action. Each 91899
separate parcel included in a complaint shall be given a serial 91900
number and shall be separately indexed and docketed by the clerk 91901
of the court in a book kept by the clerk for such purpose. A 91902
complaint shall contain the permanent parcel number of each parcel 91903
included in it, the full street address of the parcel when 91904
available, a description of the parcel as set forth in the 91905
certificate or master list, the name and address of the last known 91906
owner of the parcel if they appear on the general tax list, the 91907
name and address of each lienholder and other person with an 91908
interest in the parcel identified in the title search relating to 91909
the parcel that is required by this division, and the amount of 91910
taxes, assessments, charges, penalties, and interest due and 91911
unpaid with respect to the parcel. It is sufficient for the 91912
treasurer to allege in the complaint that the certificate or 91913
master list has been duly filed by the auditor with respect to 91914
each parcel listed, that the amount of money with respect to each 91915
parcel appearing to be due and unpaid is due and unpaid, and that 91916
there is a lien against each parcel, without setting forth any 91917
other or special matters. The prayer of the complaint shall be 91918
that the court issue an order that the land described in the 91919
complaint be sold in the manner provided in section 5721.19 of the 91920
Revised Code. 91921

(1) Within thirty days after the filing of a complaint, the clerk of the court in which the complaint was filed shall cause a notice of foreclosure substantially in the form of the notice set forth in division (B) of section 5721.181 of the Revised Code to be published either (a) once a week for three consecutive weeks in a newspaper of general circulation in the county or (b) once in a newspaper of general circulation in the county and, beginning one week thereafter, on a web site of the county or of the court, as selected by the clerk. Publication on the web site shall continue until one year after the date a judgment is rendered under section 5721.19 of the Revised Code with respect to such property. The newspaper shall meet the requirements of section 7.12 of the Revised Code. Any notice published on a web site shall identify the date the notice is first published on that web site. In lieu of the form prescribed in division (B) of section 5721.181 of the Revised Code, the second and third publication of the notice, if proceeding under division (B)(1)(a) of this section, may be abbreviated as authorized under section 7.16 of the Revised Code. In any county that has adopted a permanent parcel number system, the parcel may be described in the notice by parcel number only, instead of also with a complete legal description, if the prosecuting attorney determines that the publication of the complete legal description is not necessary to provide reasonable notice of the foreclosure proceeding to the interested parties. If the complete legal description is not published, the notice shall indicate where the complete legal description may be obtained.

After the ~~third~~ final newspaper publication, the publisher shall file with the clerk of the court an affidavit stating the fact of the publication and including a copy of the notice of foreclosure as published. Two weeks after the clerk causes the notice to be published on the selected web site, if proceeding under division (B)(1)(b) of this section, the prosecuting attorney shall file with the clerk an affidavit stating the fact of the

publication and including a copy of the notice of foreclosure and forfeiture as published. Service of process for purposes of the action in rem shall be considered as complete on the date of the ~~last~~ third newspaper publication or the date that is two weeks after the clerk causes the notice to be published on the selected web site, as applicable.

Within thirty days after the filing of a complaint and before the ~~final date of publication of the notice of foreclosure~~ service of process is considered complete under this division, the clerk of the court also shall cause a copy of a notice substantially in the form of the notice set forth in division (C) of section 5721.181 of the Revised Code to be mailed by certified mail, with postage prepaid, to each person named in the complaint as being the last known owner of a parcel included in it, or as being a lienholder or other person with an interest in a parcel included in it. The notice shall be sent to the address of each such person, as set forth in the complaint, and the clerk shall enter the fact of such mailing upon the appearance docket. If the name and address of the last known owner of a parcel included in a complaint is not set forth in it, the auditor shall file an affidavit with the clerk stating that the name and address of the last known owner does not appear on the general tax list.

(2)(a) An answer may be filed in an action in rem under this division by any person owning or claiming any right, title, or interest in, or lien upon, any parcel described in the complaint. The answer shall contain the caption and number of the action and the serial number of the parcel concerned. The answer shall set forth the nature and amount of interest claimed in the parcel and any defense or objection to the foreclosure of the lien of the state for delinquent taxes, assessments, charges, penalties, and interest as shown in the complaint. The answer shall be filed in the office of the clerk of the court, and a copy of the answer

twenty-eight days after the date ~~of final publication of the~~ 91988
~~notice of foreclosure~~ service of process is considered complete 91989
under division (B)(1) of this section. If an answer is not filed 91990
within such time, a default judgment may be taken as to any parcel 91991
included in a complaint as to which no answer has been filed. A 91992
default judgment is valid and effective with respect to all 91993
persons owning or claiming any right, title, or interest in, or 91994
lien upon, any such parcel, notwithstanding that one or more of 91995
such persons are minors, incompetents, absentees or nonresidents 91996

(b)(i) A receiver appointed pursuant to divisions (C)(2) and 91998
(3) of section 3767.41 of the Revised Code may file an answer 91999
pursuant to division (B)(2)(a) of this section, but is not 92000
required to do so as a condition of receiving proceeds in a 92001
distribution under division (B)(1) of section 5721.17 of the 92002
Revised Code. 92003

(ii) When a receivership under section 3767.41 of the Revised 92004
Code is associated with a parcel, the notice of foreclosure set 92005
forth in division (B) of section 5721.181 of the Revised Code and 92006
the notice set forth in division (C) of that section shall be 92007
modified to reflect the provisions of division (B)(2)(b)(i) of 92008
this section. 92009

(3) At the trial of an action in rem under this division, the 92010
certificate or master list filed by the auditor with the 92011
prosecuting attorney shall be prima-facie evidence of the amount 92012
and validity of the taxes, assessments, charges, penalties, and 92013
interest appearing due and unpaid on the parcel to which the 92014
certificate or master list relates and their nonpayment. If an 92015
answer is properly filed, the court may, in its discretion, and 92016
shall, at the request of the person filing the answer, grant a 92017
severance of the proceedings as to any parcel described in such 92018

answer for purposes of trial or appeal. 92019

(C) In addition to the actions in rem authorized under 92020
division (B) of this section and section 5721.14 of the Revised 92021
Code, an action in rem may be commenced under this division. An 92022
action commenced under this division shall conform to all of the 92023
requirements of division (B) of this section except as follows: 92024

(1) The prosecuting attorney shall not cause a title search 92025
to be conducted for the purpose of identifying any lienholders or 92026
other persons with interests in the property subject to 92027
foreclosure, except that the prosecuting attorney shall cause a 92028
title search to be conducted to identify any receiver's lien. 92029

(2) The names and addresses of lienholders and persons with 92030
an interest in the parcel shall not be contained in the complaint, 92031

lienholder and other person with an interest in the parcel 92043
identified in a statutorily required title search relating to the 92044
parcel, and to exclude any such names and addresses from the 92045

not affect or extinguish any lien or encumbrance with respect to 92052
the parcel other than a receiver's lien and other than the lien 92053
for land taxes, assessments, charges, interest, and penalties for 92054
which the lien is foreclosed and in satisfaction of which the 92055

For the purposes of this division, "qualified research expenses incurred by the taxpayer" includes the qualified research expenses incurred by all persons included in the annual report of the taxpayer and by any insurance company subject to the tax levied under section 5725.18 or Chapter 5729. of the Revised Code that has more than fifty per cent of its ownership interests directly or indirectly owned or controlled by a person included in the annual report of the taxpayer, even though such an insurance company is not subject to the tax imposed under this chapter.

(C) A taxpayer shall claim the credit allowed under this section in the order prescribed by section 5726.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits preceding the credit in the order prescribed in section 5726.98 of the Revised Code, the excess may be carried forward for not more than seven ensuing tax years. The amount of the excess credit claimed in any such year shall be deducted from the balance carried forward to the next tax year.

(D) A taxpayer may claim against the tax imposed under this chapter any unused portion of a credit authorized under section 5733.351 of the Revised Code but only to the extent of the remaining portion of the seven-year carry-forward period authorized by that section.

(E) In the case of a taxpayer that includes more than one person, each person in the financial institution group shall separately calculate the credit claimed under this section using the qualified research expenses incurred by that person on a form prescribed by the tax commissioner, which shall be used by the taxpayer to claim the credit.

A taxpayer may only claim the credit with respect to persons included in the financial institution group as of the thirty-first day of December of the taxable year in which the qualified research expenses are incurred. (F) A taxpayer that claims a credit under this section shall retain records to substantiate the claim. Required records include those relating to any expenses used in calculating the credit and incurred in the current taxable year and in the three preceding taxable years.

The taxpayer shall retain the required records until the date that is four years after the due date for the return on which the credit was claimed or four years after the date the return was actually filed, whichever is later.

(G) The tax commissioner may audit a sample of the taxpayer's qualified research expenses over a representative period to ascertain the amount of tax credit the taxpayer may claim under

this section and may issue an assessment under section 5726.20 of 92511
the Revised Code based on the audit. The commissioner shall make a 92512
good faith effort to reach an agreement with the taxpayer in 92513
selecting a representative sample. The commissioner is not, 92514
however, precluded from proceeding under this division if an 92515
agreement is not made. 92516

Sec. 5726.58. (A) Terms used in this section have the same 92517
meanings as in section 175.16 of the Revised Code. 92518

(B) A taxpayer may claim a nonrefundable tax credit against 92519
the tax imposed under section 5736.02 of the Revised Code for each 92520
person included in the annual report of the taxpayer that is 92521
allocated a credit issued by the executive director of the Ohio 92522
housing finance agency under section 175.16 of the Revised Code. 92523
The credit equals the amount allocated to such person for the 92524
taxable year and reported by the designated reporter on the form 92525
prescribed by division (I) of section 175.16 of the Revised Code. 92526

The credit authorized in this section shall be claimed in the 92527
order required under section 5726.98 of the Revised Code. If the 92528
amount of a credit exceeds the tax otherwise due under section 92529
5726.02 of the Revised Code after deducting all other credits 92530
preceding the credit in the order prescribed in section 5726.98 of 92531
the Revised Code, the excess may be carried forward for not more 92532
than five ensuing tax years. The amount of the excess credit 92533
claimed in any such year shall be deducted from the balance 92534
carried forward to the next tax year. 92535

No credit shall be claimed under this section to the extent 92536
the credit was claimed under section 5725.36, 5729.19, or 5747.83 92537
of the Revised Code. 92538

Sec. 5726.98. (A) To provide a uniform procedure for 92539
calculating the amount of tax due under section 5726.02 of the 92540

Revised Code, a taxpayer shall claim any credits to which the taxpayer is entitled under this chapter in the following order:

The nonrefundable job retention credit under division (B) of section 5726.50 of the Revised Code;

The refundable motion picture and Broadway theatrical production credit under section 5726.55 of the Revised Code.

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or

indirectly, a credit more than once for a taxable year. 92570

Sec. 5727.28. (A) The tax commissioner shall refund to a 92571
natural gas company or combined company subject to the tax imposed 92572
by section 5727.24 of the Revised Code amounts paid illegally or 92573
erroneously, or paid on an illegal or erroneous assessment. 92574
Applications for a refund shall be filed with the tax 92575
commissioner, on a form prescribed by the commissioner, within 92576
four years of the illegal or erroneous payment. 92577

On the filing of the application, the commissioner shall 92578
determine the amount of refund to which the applicant is entitled. 92579
If the amount is not less than that claimed, the commissioner 92580
shall ~~notify the director of budget and management and~~ issue the 92581
refund from the tax refund fund under section 5703.052 of the 92582
Revised Code. If the amount is less than that claimed, the 92583
commissioner shall proceed in accordance with section 5703.70 of 92584
the Revised Code. 92585

If the application for refund is for payment of an illegal or 92586
erroneous assessment, the commissioner shall include in the 92587
certified amount interest calculated at the rate per annum 92588
prescribed by section 5703.47 of the Revised Code from the date of 92589
overpayment to the date of the commissioner's certification. 92590

(B) If a natural gas company or combined company entitled to 92591
a refund under this section, or section 5703.70 of the Revised 92592
Code, is indebted to the state for any tax or fee administered by 92593
the tax commissioner that is paid to the state, or any charge, 92594
penalty, or interest arising from such a tax or fee, the amount 92595
refundable may be applied in satisfaction of that debt. If the 92596
amount refundable is less than the amount of the debt, it may be 92597
applied in partial satisfaction of the debt. If the amount 92598
refundable is greater than the amount of the debt, the amount 92599
remaining after satisfaction of the debt shall be refunded. 92600

(C) In lieu of granting a refund under division (A) or (B) of this section, the tax commissioner may allow a natural gas company or combined company to claim a credit of the amount of the tax refund on the return for the period during which the tax became refundable. The commissioner may require the company to submit information to support a claim for a credit under this division, and the commissioner may disallow the credit if the information is not provided.

Sec. 5727.42. (A) The treasurer of state shall notify the tax commissioner of any payment of the excise tax imposed by section 5727.30 of the Revised Code. The commissioner may adopt rules concerning the methods and timeliness of payment.

(B) Each tax assessment issued pursuant to this section shall separately reflect the taxes and any penalty due, and any other information considered necessary. The commissioner shall mail the assessment to the taxpayer, and the mailing of it shall be prima-facie evidence of receipt thereof by the taxpayer.

(C) The commissioner shall refund taxes levied and payments made for the tax imposed by section 5727.30 of the Revised Code as provided in this section, but no refund shall be made to a taxpayer having a delinquent claim certified pursuant to this section that remains unpaid. The commissioner may consult the attorney general regarding such claims.

(D) After receiving any excise tax annual statement for the tax imposed by section 5727.30 of the Revised Code, the commissioner shall:

(1) Ascertain the difference between the total taxes owed and the sum of all payments made for that year. 92632
92633

(2) If the difference is a deficiency, the commissioner shall issue an assessment. 92634
92635

(3) If the difference is an excess, the commissioner shall ~~notify the director of budget and management and~~ issue a refund of that amount to the taxpayer. If the amount of the refund is less than that claimed by the taxpayer, the taxpayer, within sixty days of the issuance of the refund, may provide to the commissioner additional information to support the claim or may request a hearing. Upon receiving such information or request within that time, the commissioner shall follow the same procedures set forth in divisions (C) and (D) of section 5703.70 of the Revised Code for the determination of refund applications. 92636

92642
92643
92644
92645

If the taxpayer has a deficiency for one tax year and an excess for another tax year, or any combination thereof for more than two years, the commissioner may determine the net result and, depending on such result, proceed to issue an assessment or certify a refund. 92646
92647
92648
92649
92650

(E) If a taxpayer fails to pay the amount of taxes required to be paid, or fails to make an estimated payment on or before the due date prescribed in division (B) of section 5727.31 of the Revised Code, the commissioner shall impose a penalty in the amount of fifteen per cent of the unpaid amount, and the commissioner shall issue an assessment for the unpaid amount and penalty. Unless a timely petition for reassessment is filed under section 5727.47 of the Revised Code, the attorney general shall proceed to collect the delinquent taxes and penalties thereon in the manner prescribed by law and notify the commissioner of all collections. 92651

Sec. 5727.47. (A) Notice of each assessment certified or 92662

issued pursuant to section 5727.23 or 5727.38 of the Revised Code 92663
shall be mailed to the public utility, and its mailing shall be 92664
prima-facie evidence of its receipt by the public utility to which 92665
it is addressed. With the notice, the tax commissioner shall 92666
provide instructions on how to petition for reassessment and 92667
request a hearing on the petition. ~~If~~ Except as otherwise provided 92668
in division (G) of this section, if a public utility objects to 92669
such an assessment, it may file with the commissioner, either 92670
personally or by certified mail, within sixty days after the 92671
mailing of the notice of assessment a written petition for 92672
reassessment signed by the utility's authorized agent having 92673
knowledge of the facts. The date the commissioner receives the 92674
petition shall be considered the date of filing. The petition 92675
shall indicate the utility's objections, but additional objections 92676
may be raised in writing if received by the commissioner prior to 92677
the date shown on the final determination. 92678

In the case of a petition seeking a reduction in taxable 92679
value filed with respect to an assessment certified under section 92680
5727.23 of the Revised Code, the petitioner shall state in the 92681
petition the total amount of reduction in taxable value sought by 92682
the petitioner. If the petitioner objects to the percentage of 92683
true value at which taxable property is assessed by the 92684
commissioner, the petitioner shall state in the petition the total 92685
amount of reduction in taxable value sought both with and without 92686
regard to the objection pertaining to the percentage of true value 92687
at which its taxable property is assessed. If a petitioner objects 92688
to the commissioner's apportionment of the taxable value of the 92689
petitioner's taxable property, the petitioner shall distinctly 92690
state in the petition that the petitioner objects to the 92691
commissioner's apportionment, and, within forty-five days after 92692
filing the petition for reassessment, shall submit the 92693
petitioner's proposed apportionment of the taxable value of its 92694
taxable property among taxing districts. If a petitioner that 92695

objects to the commissioner's apportionment fails to state its 92696
objections to that apportionment in its petition for reassessment 92697
or fails to submit its proposed apportionment within forty-five 92698
days after filing the petition for reassessment, the commissioner 92699
shall dismiss the petitioner's objection to the commissioner's 92700
apportionment, and the taxable value of the petitioner's taxable 92701
property, subject to any adjustment to taxable value pursuant to 92702
the petition or appeal, shall be apportioned in the manner used by 92703
the commissioner in the preliminary or amended preliminary 92704
assessment certified under section 5727.23 of the Revised Code. 92705

If an additional objection seeking a reduction in taxable 92706
value in excess of the reduction stated in the original petition 92707
is properly and timely raised with respect to an assessment issued 92708
under section 5727.23 of the Revised Code, the petitioner shall 92709
state the total amount of the reduction in taxable value sought in 92710
the additional objection both with and without regard to any 92711
reduction in taxable value pertaining to the percentage of true 92712
value at which taxable property is assessed. If a petitioner fails 92713
to state the reduction in taxable value sought in the original 92714
petition or in additional objections properly raised after the 92715
petition is filed, the commissioner shall notify the petitioner of 92716
the failure ~~by certified mail~~ in the manner provided in section 92717
5703.37 of the Revised Code. If the petitioner fails to notify the 92718
commissioner in writing of the reduction in taxable value sought 92719
in the petition or in an additional objection within thirty days 92720
after receiving the commissioner's notice, the commissioner shall 92721
dismiss the petition or the additional objection in which that 92722
reduction is sought. 92723

(B)(1) Subject to divisions (B)(2) and (3) of this section, a 92724
public utility filing a petition for reassessment regarding an 92725
assessment certified or issued under section 5727.23 or 5727.38 of 92726
the Revised Code shall pay the tax with respect to the assessment 92727

objected to as required by law. The acceptance of any tax payment 92728
by the treasurer of state, tax commissioner, or any county 92729
treasurer shall not prejudice any claim for taxes on final 92730
determination by the commissioner or final decision by the board 92731
of tax appeals or any court. 92732

(2) If a public utility properly and timely files a petition 92733
for reassessment regarding an assessment certified under section 92734
5727.23 of the Revised Code, the petitioner shall pay the tax as 92735
prescribed by divisions (B)(2)(a), (b), and (c) of this section: 92736

(a) If the petitioner does not object to the commissioner's 92737
apportionment of the taxable value of the petitioner's taxable 92738
property, the petitioner is not required to pay the part of the 92739
tax otherwise due on the taxable value that the petitioner seeks 92740
to have reduced, subject to division (B)(2)(c) of this section. 92741

(b) If the petitioner objects to the commissioner's 92742
apportionment of the taxable value of the petitioner's taxable 92743
property, the petitioner is not required to pay the tax otherwise 92744
due on the part of the taxable value apportioned to any taxing 92745
district that the petitioner objects to, subject to division 92746
(B)(2)(c) of this section. If, pursuant to division (A) of this 92747
section, the petitioner has, in a proper and timely manner, 92748
apportioned taxable value to a taxing district to which the 92749
commissioner did not apportion the petitioner's taxable value, the 92750
petitioner shall pay the tax due on the taxable value that the 92751
petitioner has apportioned to the taxing district, subject to 92752
division (B)(2)(c) of this section. 92753

(c) If a petitioner objects to the percentage of true value 92754
at which taxable property is assessed by the commissioner, the 92755
petitioner shall pay the tax due on the basis of the percentage of 92756
true value at which the public utility's taxable property is 92757
assessed by the commissioner. In any case, the petitioner's 92758
payment of tax shall not be less than the amount of tax due based 92759

on the taxable value reflected on the last appeal notice issued by 92760
the commissioner under division (C) of this section. Until the 92761
county auditor receives notification under division (E) of this 92762
section and proceeds under section 5727.471 of the Revised Code to 92763
issue any refund that is found to be due, the county auditor shall 92764
not issue a refund for any increase in the reduction in taxable 92765
value that is sought by a petitioner later than forty-five days 92766
after the petitioner files the original petition as required under 92767
division (A) of this section. 92768

(3) Any part of the tax that, under division (B)(2)(a) or (b) 92769
of this section, is not paid shall be collected upon receipt of 92770
the notification as provided in section 5727.471 of the Revised 92771
Code with interest thereon computed in the same manner as interest 92772
is computed under division (E) of section 5715.19 of the Revised 92773
Code, subject to any correction of the assessment by the 92774
commissioner under division (E) of this section or the final 92775
judgment of the board of tax appeals or a court to which the 92776
board's final judgment is appealed. The penalty imposed under 92777
section 323.121 of the Revised Code shall apply only to the unpaid 92778
portion of the tax if the petitioner's tax payment is less than 92779
the amount of tax due based on the taxable value reflected on the 92780
last appeal notice issued by the commissioner under division (C) 92781
of this section. 92782

(C) Upon receipt of a properly filed petition for 92783
reassessment with respect to an assessment certified under section 92784
5727.23 of the Revised Code, the tax commissioner shall notify the 92785
treasurer of state or the auditor of each county to which the 92786
assessment objected to has been certified. In the case of a 92787
petition with respect to an assessment certified under section 92788
5727.23 of the Revised Code, the commissioner shall issue an 92789
appeal notice within thirty days after receiving the amount of the 92790
taxable value reduction and apportionment changes sought by the 92791

petitioner in the original petition or in any additional 92792
objections properly and timely raised by the petitioner. The 92793
appeal notice shall indicate the amount of the reduction in 92794
taxable value sought in the petition or in the additional 92795
objections and the extent to which the reduction in taxable value 92796
and any change in apportionment requested by the petitioner would 92797
affect the commissioner's apportionment of the taxable value among 92798
taxing districts in the county as shown in the assessment. If a 92799
petitioner is seeking a reduction in taxable value on the basis of 92800
a lower percentage of true value than the percentage at which the 92801
commissioner assessed the petitioner's taxable property, the 92802
appeal notice shall indicate the reduction in taxable value sought 92803
by the petitioner without regard to the reduction sought on the 92804
basis of the lower percentage and shall indicate that the 92805
petitioner is required to pay tax on the reduced taxable value 92806
determined without regard to the reduction sought on the basis of 92807
a lower percentage of true value, as provided under division 92808
(B)(2)(c) of this section. The appeal notice shall include a 92809
statement that the reduced taxable value and the apportionment 92810
indicated in the notice are not final and are subject to 92811
adjustment by the commissioner or by the board of tax appeals or a 92812
court on appeal. If the commissioner finds an error in the appeal 92813
notice, the commissioner may amend the notice, but the notice is 92814
only for informational and tax payment purposes; the notice is not 92815
subject to appeal by any person. The commissioner also shall mail 92816
a copy of the appeal notice to the petitioner. Upon the request of 92817
a taxing authority, the county auditor may disclose to the taxing 92818
authority the extent to which a reduction in taxable value sought 92819
by a petitioner would affect the apportionment of taxable value to 92820
the taxing district or districts under the taxing authority's 92821
jurisdiction, but such a disclosure does not constitute a notice 92822
required by law to be given for the purpose of section 5717.02 of 92823
the Revised Code. 92824

(D) If the petitioner requests a hearing on the petition, the tax commissioner shall assign a time and place for the hearing on the petition and notify the petitioner of such time and place, but the commissioner may continue the hearing from time to time as necessary.

(E) The tax commissioner may make corrections to the assessment as the commissioner finds proper. The commissioner shall serve a copy of the commissioner's final determination on the petitioner in the manner provided in section 5703.37 of the Revised Code. The commissioner's decision in the matter shall be final, subject to appeal under section 5717.02 of the Revised Code. With respect to a final determination issued for an assessment certified under section 5727.23 of the Revised Code, the commissioner also shall transmit a copy of the final determination to the applicable county auditor. In the absence of any further appeal, or when a decision of the board of tax appeals or of any court to which the decision has been appealed becomes final, the commissioner shall notify the public utility and, as appropriate, shall proceed under section 5727.42 of the Revised Code, or notify the applicable county auditor, who shall proceed under section 5727.471 of the Revised Code.

The notification made under this division is not subject to further appeal.

(F) On appeal, no adjustment shall be made in the tax commissioner's assessment certified under section 5727.23 of the Revised Code that reduces the taxable value of a petitioner's taxable property by an amount that exceeds the reduction sought by the petitioner in its petition for reassessment or in any additional objections properly and timely raised after the petition is filed with the commissioner.

(G) An electric company with taxable property that is, or is part of, a facility that generates electricity may file a petition

for reassessment seeking a reduction in taxable value of that 92857
property, provided that any such petition shall not request, and 92858
the tax commissioner shall have no authority to grant, a reduction 92859
in taxable value of more than seven and one-half per cent of the 92860
taxable value of the property for the immediately preceding tax 92861
year. 92862

Sec. 5727.75. (A) For purposes of this section: 92863

(1) "Qualified energy project" means an energy project 92864
certified by the director of development pursuant to this section. 92865

(2) "Energy project" means a project to provide electric 92866
power through the construction, installation, and use of an energy 92867
facility. 92868

(3) "Alternative energy zone" means a county declared as such 92869
by the board of county commissioners under division (E)(1)(b) or 92870
(c) of this section. 92871

(4) "Full-time equivalent employee" means the total number of 92872
employee-hours for which compensation was paid to individuals 92873
employed at a qualified energy project for services performed at 92874
the project during the calendar year divided by two thousand 92875
eighty hours. For the purpose of this calculation, "performed at 92876
the project" includes only hours worked at the qualified energy 92877
project and devoted to site preparation or protection, 92878
construction and installation, and the unloading and distribution 92879
of materials at the project site, but does not include hours 92880
worked by superintendents, owners, manufacturers' representatives, 92881
persons employed in a bona fide executive, management, 92882
supervisory, or administrative capacity, or persons whose sole 92883
employment on the project is transporting materials or persons to 92884
the project site. 92885

(5) "Solar energy project" means an energy project composed 92886

of an energy facility using solar panels to generate electricity. 92887

(6) "Internet identifier of record" has the same meaning as 92888
in section 9.312 of the Revised Code. 92889

(7) "Applicable year" means the tax year that aligns with the 92890
applicable year, as that term is defined in section 45Y of the 92891
Internal Revenue Code. 92892

(8) "Internal Revenue Code" means the Internal Revenue Code 92893
as of the effective date of this amendment. 92894

(B)(1) Tangible personal property of a qualified energy 92895
project using renewable energy resources is exempt from taxation 92896
for tax years 2011 through ~~2025~~ the applicable year if all of the 92897
following conditions are satisfied: 92898

(a) On or before ~~December 31, 2024~~ the last day of the tax 92899
year preceding the applicable year, the owner or a lessee pursuant 92900
to a sale and leaseback transaction of the project submits an 92901
application to the power siting board for a certificate under 92902
section 4906.20 of the Revised Code, or if that section does not 92903
apply, submits an application for any approval, consent, permit, 92904
or certificate or satisfies any condition required by a public 92905
agency or political subdivision of this state for the construction 92906
or initial operation of an energy project. 92907

(b) Construction or installation of the energy facility 92908
begins on or after January 1, 2009, and before ~~January 1, 2025~~ the 92909
first day of the applicable year. For the purposes of this 92910
division, construction begins on the earlier of the date of 92911
application for a certificate or other approval or permit 92912
described in division (B)(1)(a) of this section, or the date the 92913
contract for the construction or installation of the energy 92914
facility is entered into. 92915

(c) For a qualified energy project with a nameplate capacity 92916
of twenty megawatts or greater, a board of county commissioners of 92917

a county in which property of the project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting an application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(2) If tangible personal property of a qualified energy project using renewable energy resources was exempt from taxation under this section beginning in any of tax years 2011 through ~~2025~~ the applicable year, and the certification under division (E)(2) of this section has not been revoked, the tangible personal property of the qualified energy project is exempt from taxation for the tax year 2026 following the applicable year and all ensuing tax years if the property was placed into service before ~~January 1, 2026~~ before the first day of the tax year following the applicable year, as certified in the construction progress report required under division (F)(2) of this section. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation. An energy project for which certification has been revoked is ineligible for further exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(C) Tangible personal property of a qualified energy project using clean coal technology, advanced nuclear technology, or cogeneration technology is exempt from taxation for the first tax year that the property would be listed for taxation and all subsequent years if all of the following circumstances are met:

(1) The property was placed into service before January 1, 2021. Tangible personal property that has not been placed into

service before that date is taxable property subject to taxation. 92950

(2) For such a qualified energy project with a nameplate 92951
capacity of twenty megawatts or greater, a board of county 92952
commissioners of a county in which property of the qualified 92953
energy project is located has adopted a resolution under division 92954
(E)(1)(b) or (c) of this section to approve the application 92955
submitted under division (E) of this section to exempt the 92956
property located in that county from taxation. A board's adoption 92957
of a resolution rejecting the application or its failure to adopt 92958
a resolution approving the application does not affect the 92959
tax-exempt status of the qualified energy project's property that 92960
is located in another county. 92961

(3) The certification for the qualified energy project issued 92962
under division (E)(2) of this section has not been revoked. An 92963
energy project for which certification has been revoked is 92964
ineligible for exemption under this section. Revocation does not 92965
affect the tax-exempt status of the project's tangible personal 92966
property for the tax year in which revocation occurs or any prior 92967
tax year. 92968

(D) Except as otherwise provided in this section, real 92969
property of a qualified energy project is exempt from taxation for 92970
any tax year for which the tangible personal property of the 92971
qualified energy project is exempted under this section. 92972

(E)(1)(a) A person may apply to the director of development 92973
for certification of an energy project as a qualified energy 92974
project on or before the following dates: 92975

(i) ~~December 31, 2024~~ The last day of the tax year preceding 92976
the applicable year, for an energy project using renewable energy 92977
resources; 92978

(ii) December 31, 2017, for an energy project using clean 92979
coal technology, advanced nuclear technology, or cogeneration 92980

technology. 92981

(b) The director shall forward a copy of each application for 92982
certification of an energy project with a nameplate capacity of 92983
twenty megawatts or greater to the board of county commissioners 92984
of each county in which the project is located and to each taxing 92985
unit with territory located in each of the affected counties. Any 92986
board that receives from the director a copy of an application 92987
submitted under this division shall adopt a resolution approving 92988
or rejecting the application unless it has adopted a resolution 92989
under division (E)(1)(c) of this section. A resolution adopted 92990
under division (E)(1)(b) or (c) of this section may require an 92991
annual service payment to be made in addition to the service 92992
payment required under division (G) of this section. The sum of 92993
the service payment required in the resolution and the service 92994
payment required under division (G) of this section shall not 92995
exceed nine thousand dollars per megawatt of nameplate capacity 92996
located in the county. The resolution shall specify the time and 92997
manner in which the payments required by the resolution shall be 92998
paid to the county treasurer. The county treasurer shall deposit 92999
the payment to the credit of the county's general fund to be used 93000
for any purpose for which money credited to that fund may be used. 93001

The board shall send copies of the resolution to the owner of 93002
the facility and the director by certified mail or, if the board 93003
has record of an internet identifier of record associated with the 93004
owner or director, by ordinary mail and by that internet 93005
identifier of record. The board shall send such notice within 93006
thirty days after receipt of the application, or a longer period 93007
of time if authorized by the director. 93008

(c) A board of county commissioners may adopt a resolution 93009
declaring the county to be an alternative energy zone and 93010
declaring all applications submitted to the director of 93011
development under this division after the adoption of the 93012

resolution, and prior to its repeal, to be approved by the board. 93013

All tangible personal property and real property of an energy 93014
project with a nameplate capacity of twenty megawatts or greater 93015
is taxable if it is located in a county in which the board of 93016
county commissioners adopted a resolution rejecting the 93017
application submitted under this division or failed to adopt a 93018
resolution approving the application under division (E)(1)(b) or 93019
(c) of this section. 93020

(2) The director shall certify an energy project if all of 93021
the following circumstances exist: 93022

(a) The application was timely submitted. 93023

(b) For an energy project with a nameplate capacity of twenty 93024
megawatts or greater, a board of county commissioners of at least 93025
one county in which the project is located has adopted a 93026
resolution approving the application under division (E)(1)(b) or 93027
(c) of this section. 93028

(c) No portion of the project's facility was used to supply 93029
electricity before December 31, 2009. 93030

(d) For construction or installation of a qualified energy 93031
project described in division (B)(1)(b) of this section, that the 93032
project is subject to wage requirements described in section 93033
45(b)(7)(A) of the Internal Revenue Code and apprenticeship 93034
requirements described in section 45(b)(8)(A)(i) of the Internal 93035
Revenue Code, provided both of the following apply: 93036

(i) The person applies for such certificate after the 93037
effective date of this amendment. 93038

(ii) A board of commissioners of at least one county in which 93039
the project is located is required to adopt a resolution approving 93040
the application under division (E)(1)(b) or (c) of this section. 93041

(3) The director shall deny a certification application if 93042

the director determines the person has failed to comply with any 93043
requirement under this section. The director may revoke a 93044
certification if the director determines the person, or subsequent 93045
owner or lessee pursuant to a sale and leaseback transaction of 93046
the qualified energy project, has failed to comply with any 93047
requirement under this section. Upon certification or revocation, 93048
the director shall notify the person, owner, or lessee, the tax 93049
commissioner, and the county auditor of a county in which the 93050
project is located of the certification or revocation. Notice 93051
shall be provided in a manner convenient to the director. 93052

(F) The owner or a lessee pursuant to a sale and leaseback 93053
transaction of a qualified energy project shall do each of the 93054
following: 93055

(1) Comply with all applicable regulations; 93056

(2) File with the director of development a certified 93057
construction progress report before the first day of March of each 93058
year during the energy facility's construction or installation 93059
indicating the percentage of the project completed, and the 93060
project's nameplate capacity, as of the preceding thirty-first day 93061
of December. Unless otherwise instructed by the director of 93062
development, the owner or lessee of an energy project shall file a 93063
report with the director on or before the first day of March each 93064
year after completion of the energy facility's construction or 93065
installation indicating the project's nameplate capacity as of the 93066
preceding thirty-first day of December. Not later than sixty days 93067
after June 17, 2010, the owner or lessee of an energy project, the 93068
construction of which was completed before June 17, 2010, shall 93069
file a certificate indicating the project's nameplate capacity. 93070

(3) File with the director of development, in a manner 93071
prescribed by the director, a report of the total number of 93072
full-time equivalent employees, and the total number of full-time 93073
equivalent employees domiciled in Ohio, who are employed in the 93074

construction or installation of the energy facility; 93075

(4) For energy projects with a nameplate capacity of twenty 93076
megawatts or greater, repair all roads, bridges, and culverts 93077
affected by construction as reasonably required to restore them to 93078
their preconstruction condition, as determined by the county 93079
engineer in consultation with the local jurisdiction responsible 93080
for the roads, bridges, and culverts. In the event that the county 93081
engineer deems any road, bridge, or culvert to be inadequate to 93082
support the construction or decommissioning of the energy 93083
facility, the road, bridge, or culvert shall be rebuilt or 93084
reinforced to the specifications established by the county 93085
engineer prior to the construction or decommissioning of the 93086
facility. The owner or lessee of the facility shall post a bond in 93087
an amount established by the county engineer and to be held by the 93088
board of county commissioners to ensure funding for repairs of 93089
roads, bridges, and culverts affected during the construction. The 93090
bond shall be released by the board not later than one year after 93091
the date the repairs are completed. The energy facility owner or 93092
lessee pursuant to a sale and leaseback transaction shall post a 93093
bond, as may be required by the Ohio power siting board in the 93094
certificate authorizing commencement of construction issued 93095
pursuant to section 4906.10 of the Revised Code, to ensure funding 93096
for repairs to roads, bridges, and culverts resulting from 93097
decommissioning of the facility. The energy facility owner or 93098
lessee and the county engineer may enter into an agreement 93099
regarding specific transportation plans, reinforcements, 93100
modifications, use and repair of roads, financial security to be 93101
provided, and any other relevant issue. 93102

(5) Provide or facilitate training for fire and emergency 93103
responders for response to emergency situations related to the 93104
energy project and, for energy projects with a nameplate capacity 93105
of twenty megawatts or greater, at the person's expense, equip the 93106

fire and emergency responders with proper equipment as reasonably 93107
required to enable them to respond to such emergency situations; 93108

~~(6) Maintain (6)(a) Except as otherwise provided in this 93109
division, for projects for which certification as a qualified 93110
energy project was applied for, under division (E) of this 93111
section, before the effective date of this amendment, maintain a 93112
ratio of Ohio-domiciled full-time equivalent employees employed in 93113
the construction or installation of the energy project to total 93114
full-time equivalent employees employed in the construction or 93115
installation of the energy project of not less than eighty per 93116
cent in the case of a solar energy project, and not less than 93117
fifty per cent in the case of any other energy project. ~~In A 93118
person applying for such a qualified energy project may certify to 93119
the director of development that the project will be voluntarily 93120
subject to the wage requirements described in section 45(b)(7)(A) 93121
of the Internal Revenue Code and apprenticeship requirements 93122
described in section 45(b)(8)(A)(i) of the Internal Revenue Code 93123
as authorized in division (F)(6)(b) of this section. Upon receipt 93124
of that certification, the project shall comply with division 93125
(F)(6)(b) of this section rather than division (F)(6)(a) of this 93126
section.~~ 93127~~

(b) For projects for which certification as a qualified 93128
energy project was applied for, under division (E) of this 93129
section, on or after the effective date of this amendment, 93130
maintain a ratio of Ohio-domiciled full-time equivalent employees 93131
employed in the construction or installation of the energy project 93132
to total full-time equivalent employees employed in the 93133
construction or installation of the energy project of not less 93134
than seventy per cent in the case of a solar energy project, and 93135
not less than fifty per cent in the case of any other energy 93136
project. 93137

(c) For purposes of divisions (F)(6)(a) and (b) of this 93138

section, "Ohio-domiciled" includes persons who live outside the 93139
state but within fifty miles of a border of the state who are 93140
members of any bona fide labor organization which has as members, 93141
or is authorized to represent, employees in Ohio and which exists, 93142
in whole or in part, for the purpose of negotiating with employers 93143
concerning the wages, hours, or terms and conditions of employment 93144
of employees and whose members are engaged to perform work on the 93145
construction or installation of the qualified energy project. 93146

(d) For purposes of divisions (F)(6)(a) and (b) of this 93147
section, in the case of an energy project for which certification 93148
from the power siting board is required under section 4906.20 of 93149
the Revised Code, the number of full-time equivalent employees 93150
employed in the construction or installation of the energy project 93151
equals the number actually employed or the number projected to be 93152
employed in the certificate application, if such projection is 93153
required under regulations adopted pursuant to section 4906.03 of 93154
the Revised Code, whichever is greater. For all other energy 93155
projects, the number of full-time equivalent employees employed in 93156
the construction or installation of the energy project equals the 93157
number actually employed or the number projected to be employed by 93158
the director of development, whichever is greater. To estimate the 93159
number of employees to be employed in the construction or 93160
installation of an energy project, the director shall use a 93161
generally accepted job-estimating model in use for renewable 93162
energy projects, including but not limited to the job and economic 93163
development impact model. The director may adjust an estimate 93164
produced by a model to account for variables not accounted for by 93165
the model. 93166

(7) For energy projects with a nameplate capacity in excess 93167

accordingly but may consist of an aggregation of more than one 93482
taxable year for federal income tax purposes. The tax commissioner 93483

federal income tax purposes, its method of accounting for purposes 93498
of this chapter shall be changed accordingly. 93499

(C) ~~If~~ Except as provided in division (C)(3) of this section, 93500
any of the facts, figures, computations, or attachments required 93501

internal revenue service, and such alteration affects the 93506
corporation's liability for the tax imposed by section 5733.06 of 93507
the Revised Code, the corporation shall file an amended report 93508
with the tax commissioner in such form as the commissioner 93509
requires. The amended report shall be filed not later than one 93510
year after the adjustment has been agreed to or finally determined 93511
for federal income tax purposes or any federal income tax 93512

deficiency or refund, or the abatement or credit resulting 93513
therefrom, has been assessed or paid, whichever occurs first. 93514

(1) In the case of an underpayment, the amended report shall 93515
be accompanied by payment of an additional tax and interest due 93516
and is a report subject to assessment under section 5733.11 of the 93517
Revised Code for the purpose of assessing any additional tax due 93518
under this division, together with any applicable penalty and 93519
interest. It shall not reopen those facts, figures, computations, 93520
or attachments from a previously filed report no longer subject to 93521
assessment that are not affected, either directly or indirectly, 93522
by the adjustment to the corporation's federal income tax return. 93523

(2) In the case of an overpayment, an application for refund 93524
may be filed under this division within the one-year period 93525
prescribed for filing the amended report even if it is filed 93526
beyond the period prescribed in division (B) of section 5733.12 of 93527
the Revised Code if it otherwise conforms to the requirements of 93528
such section. An application filed under this division shall claim 93529
refund of overpayments resulting from alterations to only those 93530
facts, figures, computations, or attachments required in the 93531
corporation's annual report that are affected, either directly or 93532
indirectly, by the adjustment to the corporation's federal income 93533
tax return unless it is also filed within the time prescribed in 93534
division (B) of section 5733.12 of the Revised Code. It shall not 93535
reopen those facts, figures, computations, or attachments that are 93536
not affected, either directly or indirectly, by the adjustment to 93537
the corporation's federal income tax return. 93538
