(G)(1) Each school district board shall designate one 31530
location for the collection of assessments administered in the 31531
spring under division (B)(1) of this section and those 31532
administered under divisions (B)(2) to (7) of this section. Each 31533
district board shall submit the assessments to the entity with 31534
which the department contracts for the scoring of the assessments 31535
as follows: 31536

(a) If the district's total enrollment in grades kindergarten 31537
through twelve during the first full school week of October was 31538
less than two thousand five hundred, not later than the Friday 31539
after all of the assessments have been administered; 31540

(b) If the district's total enrollment in grades kindergarten 31541
through twelve during the first full school week of October was 31542
two thousand five hundred or more, but less than seven thousand, 31543
not later than the Monday after all of the assessments have been 31544
administered; 31545

(c) If the district's total enrollment in grades kindergarten 31546
through twelve during the first full school week of October was 31547
seven thousand or more, not later than the Tuesday after all of 31548
the assessments have been administered. 31549

However, any assessment that a student takes during the 31550
make-up period described in division (C)(2) of this section shall 31551
be submitted not later than the Friday following the day the 31552
student takes the assessment. 31553

(2) The department or an entity with which the department 31554
contracts for the scoring of the assessment shall send to each 31555
school district board a list of the individual scores of all 31556
persons taking a state achievement assessment as follows: 31557

(a) Except as provided in division (G)(2)(b) or (c) of this 31558
section, within forty-five days after the administration of the 31559
assessments prescribed by sections 3301.0710 and 3301.0712 of the 31560
Revised Code, but in no case shall the scores be returned later 31561
than the thirtieth day of June following the administration; 31562

(b) In the case of the third-grade English language arts 31563
assessment, within forty-five days after the administration of 31564
that assessment, but in no case shall the scores be returned later 31565
than the fifteenth day of June following the administration; 31566

(c) In the case of the writing component of an assessment or 31567
end-of-course examination in the area of English language arts, 31568
except for the third-grade English language arts assessment, the 31569
results may be sent after forty-five days of the administration of 31570
the writing component, but in no case shall the scores be returned 31571
later than the thirtieth day of June following the administration. 31572

(3) For assessments administered under this section by a 31573
joint vocational school district, the department or entity shall 31574
also send to each city, local, or exempted village school district 31575
a list of the individual scores of any students of such city, 31576
local, or exempted village school district who are attending 31577
school in the joint vocational school district. 31578

(4) Beginning with the 2019-2020 school year, a school 31579
district, other public school, or chartered nonpublic school may 31580

administer the third-grade English language arts or mathematics 31581
assessment, or both, in a paper format in any school year for 31582
which the district board of education or school governing body 31583
adopts a resolution indicating that the district or school chooses 31584
to administer the assessment in a paper format. The board or 31585
governing body shall submit a copy of the resolution to the 31586
department of education not later than the first day of May prior 31587
to the school year for which it will apply. If the resolution is 31588

in a paper format to all students in the third grade, except that 31590
any student whose individualized education program or plan 31591
developed under section 504 of the "Rehabilitation Act of 1973," 31592
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 31593
assessment in an online format is an appropriate accommodation for 31594
the student may take the assessment in an online format. 31595

(H) Individual scores on any assessments administered under 31596
this section shall be released by a district board only in 31597
accordance with section 3319.321 of the Revised Code and the rules 31598
adopted under division (A) of this section. No district board or 31599
its employees shall utilize individual or aggregate results in any 31600
manner that conflicts with rules for the ethical use of 31601
assessments adopted pursuant to division (A) of this section. 31602

(I) Except as provided in division (G) of this section, the 31603
department or an entity with which the department contracts for 31604
the scoring of the assessment shall not release any individual 31605
scores on any assessment administered under this section. The 31606
state board shall adopt rules to ensure the protection of student 31607
confidentiality at all times. The rules may require the use of the 31608
data verification codes assigned to students pursuant to division 31609
(D)(2) of section 3301.0714 of the Revised Code to protect the 31610
confidentiality of student scores. 31611

(J) Notwithstanding division (D) of section 3311.52 of the 31612

Revised Code, this section does not apply to the board of 31613
education of any cooperative education school district except as 31614
provided under rules adopted pursuant to this division. 31615

(1) In accordance with rules that the state board shall 31616
adopt, the board of education of any city, exempted village, or 31617
local school district with territory in a cooperative education 31618
school district established pursuant to divisions (A) to (C) of 31619
section 3311.52 of the Revised Code may enter into an agreement 31620
with the board of education of the cooperative education school 31621
district for administering any assessment prescribed under this 31622
section to students of the city, exempted village, or local school 31623
district who are attending school in the cooperative education 31624
school district. 31625

(2) In accordance with rules that the state board shall 31626
adopt, the board of education of any city, exempted village, or 31627
local school district with territory in a cooperative education 31628
school district established pursuant to section 3311.521 of the 31629
Revised Code shall enter into an agreement with the cooperative 31630
district that provides for the administration of any assessment 31631
prescribed under this section to both of the following: 31632

(a) Students who are attending school in the cooperative 31633
district and who, if the cooperative district were not 31634
established, would be entitled to attend school in the city, 31635
local, or exempted village school district pursuant to section 31636
3313.64 or 3313.65 of the Revised Code; 31637

(b) Persons described in division (B)(8)(b) of this section. 31638

Any assessment of students pursuant to such an agreement 31639
shall be in lieu of any assessment of such students or persons 31640
pursuant to this section. 31641

(K)(1)(a) Except as otherwise provided in division (K)(1) or 31642
(2) of this section, each chartered nonpublic school for which at 31643

least sixty-five per cent of its total enrollment is made up of 31644
students who are participating in state scholarship programs shall 31645
administer the assessments prescribed by division (A) of section 31646
3301.0710 of the Revised Code or an alternative standardized 31647
assessment determined by the department. In accordance with 31648
procedures and deadlines prescribed by the department, the parent 31649
or guardian of a student enrolled in the school who is not 31650
participating in a state scholarship program may submit notice to 31651
the chief administrative officer of the school that the parent or 31652
guardian does not wish to have the student take the assessments 31653
prescribed for the student's grade level under division (A) of 31654
section 3301.0710 of the Revised Code. If a parent or guardian 31655
submits an opt-out notice, the school shall not administer the 31656
assessments to that student. This option does not apply to any 31657
assessment required for a high school diploma under section 31658
3313.612 of the Revised Code. 31659

(b) Any chartered nonpublic school that enrolls students who 31660
are participating in state scholarship programs may administer an 31661
alternative standardized assessment determined by the department 31662
instead of the assessments prescribed by division (A) of section 31663
3301.0710 of the Revised Code. 31664

Each chartered nonpublic school subject to division (K)(1)(a) 31665
or (b) of this section shall report the results of each assessment 31666
administered under those divisions to the department. 31667

(2) A chartered nonpublic school may submit to the 31668
superintendent of public instruction a request for a waiver from 31669
administering the elementary assessments prescribed by division 31670
(A) of section 3301.0710 of the Revised Code. The state 31671
superintendent shall approve or disapprove a request for a waiver 31672
submitted under division (K)(2) of this section. No waiver shall 31673
be approved for any school year prior to the 2015-2016 school 31674
year. 31675

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions: 31676
31677

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome. 31678

31691
31692
31693
31694
31695

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as public schools are required to do under this section and rules adopted by the department. 31696

(4) The department of education shall furnish the assessments prescribed by section 3301.0710 of the Revised Code to each chartered nonpublic school that is subject to division (K)(1) of this section or participates under division (K)(3) of this section.

(L) If a chartered nonpublic school is educating students in grades nine through twelve, the following shall apply:

(1) Except as provided in division (L)(4) of this section, for a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states and who is attending the school under a state scholarship program, the student shall either take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code or take an alternative assessment approved by the department under section 3313.619 of the Revised Code. However, a student who is excused from taking an assessment under division (C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(2) For a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states, and who is not attending the school under a state scholarship program, the student shall not be required to take any assessment prescribed under section 3301.0712 or 3313.619 of the Revised Code.

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of

this section, for a student who is enrolled in a chartered 31740
nonpublic school that is not accredited through the independent 31741
schools association of the central states, regardless of whether 31742
the student is attending or is not attending the school under a 31743
state scholarship program, the student shall do one of the 31744

student's school publishes the results of that assessment for each 31750
graduating class. The published results of that assessment shall 31751
include the overall composite scores, mean scores, twenty-fifth 31752
percentile scores, and seventy-fifth percentile scores for each 31753
subject area of the assessment. 31754

(iii) Take an alternative assessment approved by the 31755
department under section 3313.619 of the Revised Code. 31756

(b) A student who is excused from taking an assessment under 31757
division (C) of this section or has presented evidence to the 31758
chartered nonpublic school of having satisfied the condition 31759
prescribed by division (A)(1) of section 3313.618 of the Revised 31760
Code to qualify for a high school diploma prior to the date of the 31761
administration of the assessment prescribed under division (B)(1) 31762
of section 3301.0712 of the Revised Code shall not be required to 31763
take that assessment. No governing authority of a chartered 31764
nonpublic school shall prohibit a student who is not required to 31765
take such assessment from taking the assessment. 31766

(4) The assessments prescribed by sections 3301.0712 and 31767
3313.619 of the Revised Code shall not be administered to any 31768
student attending the school, if the school meets all of the 31769
following conditions: 31770

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L)(4) of this section applies to any student attending such school regardless of whether the student receives special education or related services and regardless of whether the student is attending the school under a state scholarship program.

(M)(1) The superintendent of ~~the state school for the blind and the superintendent of the state school for the deaf~~ Ohio deaf and blind education services shall administer the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code for the state school for the blind and the state school for the deaf. ~~Each~~ The superintendent of Ohio deaf and blind education services shall administer the assessments in the same manner as district boards are required to do under this section and rules

(N) Notwithstanding division (E) of this section, a school 31809
district may use a student's failure to attain a score in at least 31810
the proficient range on the mathematics assessment described by 31811
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 31812
an assessment described by division (A)(1)(b), (c), (d), (e), or 31813
(f) of section 3301.0710 of the Revised Code as a factor in 31814
retaining that student in the current grade level. 31815

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 31816
and (7) of this section, the assessments required by division 31817

public records pursuant to section 149.43 of the Revised Code on 31819
the thirty-first day of July following the school year that the 31820
assessments were administered. 31821

(2) The department may field test proposed questions with 31822
samples of students to determine the validity, reliability, or 31823
appropriateness of questions for possible inclusion in a future 31824
year's assessment. The department also may use anchor questions on 31825
assessments to ensure that different versions of the same 31826
assessment are of comparable difficulty. 31827

Field test questions and anchor questions shall not be 31828
considered in computing scores for individual students. Field test 31829
questions and anchor questions may be included as part of the 31830
administration of any assessment required by division (A)(1) or 31831

the Revised Code. 31833

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6)(a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and

2016-2017 school years, questions on the assessments prescribed 31865
under division (A) of section 3301.0710 and division (B)(2) of 31866
section 3301.0712 of the Revised Code and the corresponding 31867
preferred answers that are used to compute a student's score shall 31868
become a public record as follows: 31869

(i) Forty per cent of the questions and preferred answers on 31870
the assessments on the thirty-first day of July following the 31871
administration of the assessment; 31872

(ii) Twenty per cent of the questions and preferred answers 31873
on the assessment on the thirty-first day of July one year after 31874
the administration of the assessment; 31875

(iii) The remaining forty per cent of the questions and 31876
preferred answers on the assessment on the thirty-first day of 31877
July two years after the administration of the assessment. 31878

The entire content of an assessment shall become a public 31879
record within three years of its administration. 31880

The department shall make the questions that become a public 31881
record under this division readily accessible to the public on the 31882
department's web site. Questions on the spring administration of 31883
each assessment shall be released on an annual basis, in 31884
accordance with this division. 31885

(b) No questions and corresponding preferred answers shall 31886
become a public record under division (O)(6) of this section after 31887
July 31, 2017. 31888

(7) Division (O)(7) of this section applies to the 31889
assessments prescribed by division (A) of section 3301.0710 and 31890
division (B)(2) of section 3301.0712 of the Revised Code. 31891

Beginning with the assessments administered in the spring of 31892
the 2017-2018 school year, not less than forty per cent of the 31893
questions on each assessment that are used to compute a student's 31894

score shall be a public record. The department shall determine 31895
which questions will be needed for reuse on a future assessment 31896
and those questions shall not be public records and shall be 31897
redacted from the assessment prior to its release as a public 31898
record. However, for each redacted question, the department shall 31899
inform each city, local, and exempted village school district of 31900
the corresponding statewide academic standard adopted by the state 31901
board under section 3301.079 of the Revised Code and the 31902
corresponding benchmark to which the question relates. The 31903
department is not required to provide corresponding standards and 31904
benchmarks to field test questions that are redacted under 31905
division (O)(3) of this section. 31906

guidelines shall include: 31944

(1) Standards identifying and defining the types of data in 31945
the system in accordance with divisions (B) and (C) of this 31946

conducted by a referee appointed by the department. Based on the 32408
information provided in the hearing, the referee shall recommend 32409

district. If the referee affirms the department's contention that 32411
the district did not make a good faith effort to report data as 32412
required by this section, the district shall bear the full cost of 32413
conducting the hearing and of issuing any revised report card. 32414

(7) If the department determines that any inaccurate data 32415
reported under this section caused a school district to receive 32416
excess state funds in any fiscal year, the district shall 32417
reimburse the department an amount equal to the excess funds, in 32418
accordance with a payment schedule determined by the department. 32419
The department may withhold state funds due to the district for 32420
this purpose. 32421

(8) Any school district that has funds withheld under 32422
division (L)(2) of this section may appeal the withholding in 32423

accordance with Chapter 119. of the Revised Code. 32424

(9) In all cases of a disagreement between the department and 32425
a school district regarding the appropriateness of an action taken 32426
under division (L)(2) of this section, the burden of proof shall 32427
be on the district to demonstrate that it made a good faith effort 32428
to report data as required by this section. 32429

(10) The state board of education shall adopt rules under 32430

package to manage and report data required to be reported to the 32435
department unless it converts to a student software package that 32436
is certified by the department. 32437

(N) The state board of education, in accordance with sections 32438
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 32439
license as defined under division (A) of section 3319.31 of the 32440
Revised Code that has been issued to any school district employee 32441
found to have willfully reported erroneous, inaccurate, or 32442
incomplete data to the education management information system. 32443

(O) No person shall release or maintain any information about 32444
any student in violation of this section. Whoever violates this 32445
division is guilty of a misdemeanor of the fourth degree. 32446

(P) The department shall disaggregate the data collected 32447
under division (B)(1)(n) of this section according to the race and 32448
socioeconomic status of the students assessed. 32449

(Q) If the department cannot compile any of the information 32450
required by division (I) of section 3302.03 of the Revised Code 32451
based upon the data collected under this section, the department 32452
shall develop a plan and a reasonable timeline for the collection 32453
of any data necessary to comply with that division. 32454

Sec. 3301.0731. As used in this section, "English learner" 32455
has the same meaning as in 20 U.S.C. 7801. 32456

The state board of education shall adopt rules regarding the 32457
identification, instruction, assessment, and reclassification of 32458
English learners. The rules shall conform to the department of 32459
education's plan, as approved by the United States secretary of 32460
education, to comply with the "Elementary and Secondary Education 32461
Act of 1965," 20 U.S.C. 6311 to 6339. 32462

a written clarification or explanation of a statute or rule that 32464
is initiated by the department of education. "Policy" does not 32465
include any educational guideline, suggestion, or case study 32466
regarding how to comply with a statute or rule or any document or 32467
guideline regarding the internal organization or operation of the 32468
department, including matters regarding administration, personnel, 32469
or accounting. 32470

this section, and every five years thereafter, the department 32483

shall review each policy that it established prior to the 32484
effective date of this section or that it establishes after that 32485
date and shall prepare written documentation certifying that the 32486
policy has been reviewed. The documentation is a public record 32487
under section 149.43 of the Revised Code. A policy that has not 32488
been so reviewed is void. 32489

section. Not later than ninety days after receiving the complaint, 32494
the state superintendent shall review the policy and issue a 32495
determination as to whether the policy complies with those 32496
requirements. A determination issued by the state superintendent 32497
under this division is not a final action that is appealable under 32498
this chapter. 32499

(E) The department shall post all proposed policies in a 32500
prominent location on the department's web site. The department 32501
shall establish a public comment period of not less than sixty 32502

procedures for the annual assessment of the reading skills of 32544
those students. Each school may use the diagnostic assessment to 32545

assigns each letter grade or performance rating. For a school 32641
building to which any of the performance measures do not apply, 32642
due to grade levels served by the building, the department shall 32643
designate the performance measures that are applicable to the 32644
building and that must be calculated separately and used to 32645
calculate the building's overall grade or performance rating. The 32646
department shall issue annual report cards reflecting the 32647
performance of each school district, each building within each 32648
district, and for the state as a whole using the performance 32649

each of the applicable performance indicators established by the 32668
state board under section 3302.02 of the Revised Code and the 32669

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school

department. In adopting benchmarks for assigning letter grades 32738
under division (B)(1)(b) of this section, the state board shall 32739

percentage of applicable performance indicators that have been 32746
achieved. In adopting benchmarks for assigning letter grades under 32747
division (B)(1)(c) of this section, the state board shall 32748
designate ninety per cent or higher for an "A." 32749

(d) The four- and five-year adjusted cohort graduation rates; 32750

available. 32754

(f) The value-added progress dimension score for a school 32755
district or building disaggregated for each of the following 32756
subgroups: students identified as gifted in superior cognitive 32757

achievement on a statewide basis. Each subgroup shall be a 32761
separate graded measure. 32762

in improving literacy in grades kindergarten through three, as 32764
determined using a method prescribed by the state board. The state 32765
board shall adopt rules to prescribe benchmarks and standards for 32766
assigning grades to districts and buildings for purposes of 32767

in which less than five per cent of students have scored below 32780
grade level on the diagnostic assessment administered to students 32781

(2) In addition to the graded measures in division (B)(1) of 32796
this section, the department shall include on a school district's 32797
or building's report card all of the following without an assigned 32798
letter grade: 32799

earned the college credit. The credits earned that are reported 32812
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 32813
include any that are remedial or developmental and shall include 32814
those that count toward the curriculum requirements established 32815
for completion of a degree. 32816

with standards adopted under division (F) of section 3345.061 of 32821
the Revised Code; 32822

(d) The percentage of the district's or the building's 32823

students who receive industry-recognized credentials as approved 32824
under section 3313.6113 of the Revised Code. 32825

(e) The percentage of students enrolled in a district or 32826
building who are participating in an international baccalaureate 32827
program and the percentage of those students who receive a score 32828
of four or better on the international baccalaureate examinations. 32829

(f) The percentage of the district's or building's students 32830
who receive an honors diploma under division (B) of section 32831
3313.61 of the Revised Code. 32832

(3) Not later than December 31, 2013, the state board shall 32833
adopt rules in accordance with Chapter 119. of the Revised Code 32834
that prescribe the methods by which the performance measures under 32835
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 32836
and assigned a letter grade, including performance benchmarks for 32837
each grade. 32838

At least forty-five days prior to the state board's adoption 32839
of rules to prescribe the methods by which the performance 32840
measures under division (B)(1) of this section shall be assessed 32841
and assigned a letter grade, the department shall conduct a public 32842
presentation before the standing committees of the house of 32843
representatives and the senate that consider education legislation 32844
describing such methods, including performance benchmarks. 32845

(4) There shall not be an overall letter grade for a school 32846
district or building for the 2013-2014, 2014-2015, 2015-2016, and 32847
2016-2017 school years. 32848

(C)(1) For the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 32849
2018-2019, 2019-2020, and 2020-2021 school years, the department 32850
shall issue grades as described in division (F) of this section 32851
for each of the performance measures prescribed in division (C)(1) 32852
of this section. The graded measures are as follows: 32853

(a) Annual measurable objectives. For the 2017-2018 school 32854

year, the department shall not include any subgroup data in the 32855
annual measurable objectives that includes data from fewer than 32856
twenty-five students. For the 2018-2019 school year, the 32857
department shall not include any subgroup data in the annual 32858
measurable objectives that includes data from fewer than twenty 32859
students. Beginning with the 2019-2020 school year, the department 32860
shall not include any subgroup data in the annual measurable 32861
objectives that includes data from fewer than fifteen students. 32862

(b) Performance index score for a school district or 32863
building. Grades shall be awarded as a percentage of the total 32864
possible points on the performance index system as created by the 32865
department. In adopting benchmarks for assigning letter grades 32866
under division (C)(1)(b) of this section, the state board shall 32867
designate ninety per cent or higher for an "A," at least seventy 32868
per cent but not more than eighty per cent for a "C," and less 32869
than fifty per cent for an "F." 32870

(c) The extent to which the school district or building meets 32871
each of the applicable performance indicators established by the 32872
state board under section 3302.03 of the Revised Code and the 32873
percentage of applicable performance indicators that have been 32874
achieved. In adopting benchmarks for assigning letter grades under 32875
division (C)(1)(c) of this section, the state board shall 32876
designate ninety per cent or higher for an "A." 32877

(d) The four- and five-year adjusted cohort graduation rates; 32878

(e) The overall score under the value-added progress 32879
dimension, or another measure of student academic progress if 32880
adopted by the state board, of a school district or building, for 32881
which the department shall use up to three years of value-added 32882
data as available. 32883

In adopting benchmarks for assigning letter grades for 32884
overall score on value-added progress dimension under division 32885

(C)(1)(e) of this section, the state board shall prohibit the 32886
assigning of a grade of "A" for that measure unless the district's 32887
or building's grade assigned for value-added progress dimension 32888
for all subgroups under division (C)(1)(f) of this section is a 32889
"C" or higher. 32890

For the metric prescribed by division (C)(1)(e) of this 32891
section, the state board may adopt a student academic progress 32892
measure to be used instead of the value-added progress dimension. 32893
If the state board adopts such a measure, it also shall prescribe 32894
a method for assigning letter grades for the new measure that is 32895
comparable to the method prescribed in division (A)(1)(e) of this 32896
section. 32897

(f) The value-added progress dimension score of a school 32898
district or building disaggregated for each of the following 32899
subgroups: students identified as gifted in superior cognitive 32900
ability and specific academic ability fields under Chapter 3324. 32901
of the Revised Code, students with disabilities, and students 32902
whose performance places them in the lowest quintile for 32903
achievement on a statewide basis, as determined by a method 32904
prescribed by the state board. Each subgroup shall be a separate 32905
graded measure. 32906

The state board may adopt student academic progress measures 32907
to be used instead of the value-added progress dimension. If the 32908
state board adopts such measures, it also shall prescribe a method 32909
for assigning letter grades for the new measures that is 32910
comparable to the method prescribed in division (A)(1)(e) of this 32911
section. 32912

(g) Whether a school district or building is making progress 32913
in improving literacy in grades kindergarten through three, as 32914
determined using a method prescribed by the state board. The state 32915
board shall adopt rules to prescribe benchmarks and standards for 32916
assigning grades to a district or building for purposes of 32917

division (C)(1)(g) of this section. The state board shall 32918
designate for a "C" grade a value that is not lower than the 32919
statewide average value for this measure. No grade shall be issued 32920
under division (C)(1)(g) of this section for a district or 32921
building in which less than five per cent of students have scored 32922
below grade level on the kindergarten diagnostic assessment under 32923
division (B)(1) of section 3313.608 of the Revised Code. 32924

(h) For a high mobility school district or building, an 32925
additional value-added progress dimension score. For this measure, 32926
the department shall use value-added data from the most recent 32927
school year available and shall use assessment scores for only 32928
those students to whom the district or building has administered 32929
the assessments prescribed by section 3301.0710 of the Revised 32930
Code for each of the two most recent consecutive school years. 32931

As used in this division, "high mobility school district or 32932
building" means a school district or building where at least 32933
twenty-five per cent of its total enrollment is made up of 32934
students who have attended that school district or building for 32935
less than one year. 32936

(2) In addition to the graded measures in division (C)(1) of 32937
this section, the department shall include on a school district's 32938
or building's report card all of the following without an assigned 32939
letter grade: 32940

(a) The percentage of students enrolled in a district or 32941
building who have taken a national standardized test used for 32942
college admission determinations and the percentage of those 32943
students who are determined to be remediation-free in accordance 32944
with the standards adopted under division (F) of section 3345.061 32945
of the Revised Code; 32946

(b) The percentage of students enrolled in a district or 32947
building participating in advanced placement classes and the 32948

percentage of those students who received a score of three or better on advanced placement examinations; 32949
32950

(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree. 32951
32952
32953
32954
32955
32956
32957
32958
32959
32960
32961
32962

(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code; 32963
32964
32965

(e) The percentage of the district's or building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code; 32966

32977
32978
32979

(3) The state board shall adopt rules pursuant to Chapter 32980
119. of the Revised Code that establish a method to assign an 32981
overall grade for a school district or school building for the 32982
2017-2018 school year and each school year thereafter. The rules 32983
shall group the performance measures in divisions (C)(1) and (2) 32984
of this section into the following components: 32985

(a) Gap closing, which shall include the performance measure 32986
in division (C)(1)(a) of this section; 32987

(b) Achievement, which shall include the performance measures 32988
in divisions (C)(1)(b) and (c) of this section; 32989

(c) Progress, which shall include the performance measures in 32990
divisions (C)(1)(e) and (f) of this section; 32991

(d) Graduation, which shall include the performance measure 32992
in division (C)(1)(d) of this section; 32993

(e) Kindergarten through third-grade literacy, which shall 32994
include the performance measure in division (C)(1)(g) of this 32995
section; 32996

(f) Prepared for success, which shall include the performance 32997
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 32998
this section. The state board shall develop a method to determine 32999
a grade for the component in division (C)(3)(f) of this section 33000
using the performance measures in divisions (C)(2)(a), (b), (c), 33001
(d), (e), and (f) of this section. When available, the state board 33002
may incorporate the performance measure under division (C)(2)(g) 33003
of this section into the component under division (C)(3)(f) of 33004
this section. When determining the overall grade for the prepared 33005
for success component prescribed by division (C)(3)(f) of this 33006
section, no individual student shall be counted in more than one 33007
performance measure. However, if a student qualifies for more than 33008
one performance measure in the component, the state board may, in 33009
its method to determine a grade for the component, specify an 33010

additional weight for such a student that is not greater than or 33011
equal to 1.0. In determining the overall score under division 33012
(C)(3)(f) of this section, the state board shall ensure that the 33013
pool of students included in the performance measures aggregated 33014
under that division are all of the students included in the four- 33015
and five-year adjusted graduation cohort. 33016

In the rules adopted under division (C)(3) of this section, 33017
the state board shall adopt a method for determining a grade for 33018
each component in divisions (C)(3)(a) to (f) of this section. The 33019
state board also shall establish a method to assign an overall 33020
grade of "A," "B," "C," "D," or "F" using the grades assigned for 33021
each component. The method the state board adopts for assigning an 33022
overall grade shall give equal weight to the components in 33023
divisions (C)(3)(b) and (c) of this section. 33024

At least forty-five days prior to the state board's adoption 33025
of rules to prescribe the methods for calculating the overall 33026
grade for the report card, as required by this division, the 33027
department shall conduct a public presentation before the standing 33028
committees of the house of representatives and the senate that 33029
consider education legislation describing the format for the 33030
report card, weights that will be assigned to the components of 33031
the overall grade, and the method for calculating the overall 33032
grade. 33033

(D) For the 2021-2022 school year and each school year 33034
thereafter, all of the following apply: 33035

(1) The department shall include on a school district's or 33036
building's report card all of the following performance measures 33037
without an assigned performance rating: 33038

(a) Whether the district or building meets the gifted 33039
performance indicator under division (A)(2) of section 3302.02 of 33040
the Revised Code and the extent to which the district or building 33041

meets gifted indicator performance benchmarks; 33042

(b) The extent to which the district or building meets the 33043
chronic absenteeism indicator under division (A)(3) of section 33044
3302.02 of the Revised Code; 33045

(c) Performance index score percentage for a district or 33046
building, which shall be calculated by dividing the district's or 33047
building's performance index score according to the performance 33048
index system created by the department by the maximum performance 33049
index score for a district or building. The maximum performance 33050
index score shall be as follows: 33051

(i) For a building, the average of the highest two per cent 33052
of performance index scores achieved by a building for the school 33053
year for which a report card is issued; 33054

(ii) For a district, the average of the highest two per cent 33055
of performance index scores achieved by a district for the school 33056
year for which a report card is issued. 33057

(d) The overall score under the value-added progress 33058
dimension of a district or building, for which the department 33059
shall use three consecutive years of value-added data. In using 33060
three years of value-added data to calculate the measure 33061
prescribed under division (D)(1)(d) of this section, the 33062
department shall assign a weight of fifty per cent to the most 33063
recent year's data and a weight of twenty-five per cent to the 33064
data of each of the other years. However, if three consecutive 33065
years of value-added data is not available, the department shall 33066
use prior years of value-added data to calculate the measure, as 33067
follows: 33068

(i) If two consecutive years of value-added data is not 33069
available, the department shall use one year of value-added data 33070
to calculate the measure. 33071

(ii) If two consecutive years of value-added data is 33072

available, the department shall use two consecutive years of 33073
value-added data to calculate the measure. In using two years of 33074
value-added data to calculate the measure, the department shall 33075
assign a weight of sixty-seven per cent to the most recent year's 33076
data and a weight of thirty-three per cent to the data of the 33077
other year. 33078

(e) The four-year adjusted cohort graduation rate. 33079

(f) The five-year adjusted cohort graduation rate. 33080

(g) The percentage of students in the district or building 33081
who score proficient or higher on the reading segment of the third 33082
grade English language arts assessment under section 3301.0710 of 33083
the Revised Code. 33084

To the extent possible, the department shall include the 33085
results of the summer administration of the third grade reading 33086
assessment under section 3301.0710 of the Revised Code in the 33087
performance measures prescribed under divisions (D)(1)(g) and (h) 33088
of this section. 33089

(h) Whether a district or building is making progress in 33090
improving literacy in grades kindergarten through three, as 33091
determined using a method prescribed by the department. The method 33092
shall determine progress made based on the reduction in the total 33093
percentage of students scoring below grade level, or below 33094
proficient, compared from year to year on the reading segments of 33095
the diagnostic assessments administered under section 3301.0715 of 33096
the Revised Code, including the kindergarten readiness assessment, 33097
and the third grade English language arts assessment under section 33098
3301.0710 of the Revised Code, as applicable. The method shall not 33099
include a deduction for students who did not pass the third grade 33100
English language arts assessment under section 3301.0710 of the 33101
Revised Code and were not on a reading improvement and monitoring 33102
plan. 33103

The performance measure prescribed under division (D)(1)(h) 33104
of this section shall not be included on the report card of a 33105
district or building in which less than ten per cent of students 33106
have scored below grade level on the diagnostic assessment 33107
administered to students in kindergarten under division (B)(1) of 33108
section 3313.608 of the Revised Code. 33109

(i) The percentage of students in a district or building who 33110
are promoted to the fourth grade and not subject to retention 33111
under division (A)(2) of section 3313.608 of the Revised Code; 33112

(j) A post-secondary readiness measure. This measure shall be 33113
calculated by dividing the number of students included in the 33114
four-year adjusted graduation rate cohort who demonstrate 33115
post-secondary readiness by the total number of students included 33116
in the denominator of the four-year adjusted graduation rate 33117
cohort. Demonstration of post-secondary readiness shall include a 33118
student doing any of the following: 33119

(i) Attaining a remediation-free score, in accordance with 33120
standards adopted under division (F) of section 3345.061 of the 33121
Revised Code, on a nationally standardized assessment prescribed 33122
under division (B)(1) of section 3301.0712 of the Revised Code; 33123

(ii) Attaining required scores on three or more advanced 33124
placement or international baccalaureate examinations. The 33125
required score for an advanced placement examination shall be a 33126
three or better. The required score for an international 33127
baccalaureate examination shall be a four or better. A student may 33128
satisfy this condition with any combination of advanced placement 33129
or international baccalaureate examinations. 33130

(iii) Earning at least twelve college credits through 33131
advanced standing programs, such as the college credit plus 33132
program under Chapter 3365. of the Revised Code, an early college 33133
high school program under section 3313.6013 of the Revised Code, 33134

and state-approved career-technical courses offered through dual 33135
enrollment or statewide articulation, that appear on a student's 33136
college transcript issued by the institution of higher education 33137
from which the student earned the college credit. Earned credits 33138
reported under division (D)(1)(j)(iii) of this section shall 33139
include credits that count toward the curriculum requirements 33140
established for completion of a degree, but shall not include any 33141
remedial or developmental credits. 33142

(iv) Meeting the additional criteria for an honors diploma 33143
under division (B) of section 3313.61 of the Revised Code; 33144

(v) Earning an industry-recognized credential or license 33145
issued by a state agency or board for practice in a vocation that 33146
requires an examination for issuance of that license approved 33147
under section 3313.6113 of the Revised Code; 33148

(vi) Satisfying any of the following conditions: 33149

(I) Completing a pre-apprenticeship aligned with options 33150

program after high school that is restricted to participants 33157
eighteen years of age or older. 33158

three or more state technical assessments aligned with section 33160
3313.903 of the Revised Code in a single career pathway; 33161

(viii) Earning an OhioMeansJobs-readiness seal established 33162
under section 3313.6112 of the Revised Code and completing two 33163
hundred fifty hours of an internship or other work-based learning 33164

experience that is either:	33165
(I) Approved by the business advisory council established	33166
under section 3313.82 of the Revised Code that represents the	33167
student's district; or	33168

approved by the department in which the student is enrolled.	33170
(ix) Providing evidence that the student has enlisted in a	33171
branch of the armed services of the United States as defined in	33172
section 5910.01 of the Revised Code.	33173
A student who satisfies more than one of the conditions	33174
prescribed under this division shall be counted as one student for	33175
the purposes of calculating the measure prescribed under division	33176
(D)(1)(j) of this section.	33177
(2) In addition to the performance measures under division	33178
(D)(1) of this section, the department shall report on a	33179
district's or building's report card all of the following data	33180

progress dimension of a district or building for the previous	33189
three school years or, if only two years of value-added data are	33190
available, for the previous two years;	33191
(d) The percentage of students included in the four- and	33192
five-year adjusted cohort graduation rates of a district or	33193
building who did not receive a high school diploma under section	33194

3313.61 or 3325.08 of the Revised Code. To the extent possible, 33195
the department shall disaggregate that data according to the 33196
following categories: 33197

(i) Students who are still enrolled in the district or 33198
building and receiving general education services; 33199

(ii) Students with an individualized education program, as 33200
defined in section 3323.01 of the Revised Code, who satisfied the 33201
conditions for a high school diploma under section 3313.61 or 33202
3325.08 of the Revised Code, but opted not to receive a diploma 33203
and are still receiving education services; 33204

(iii) Students with an individualized education program who 33205
have not yet satisfied conditions for a high school diploma under 33206
section 3313.61 or 3325.08 of the Revised Code and who are still 33207
receiving education services; 33208

(iv) Students who are no longer enrolled in any district or 33209

graduation rate. 33215

The department may disaggregate the data prescribed under 33216
division (D)(2)(d) of this section according to other categories 33217
that the department determines are appropriate. 33218

(e) The results of the kindergarten diagnostic assessment 33219
prescribed under division (D) of section 3301.079 of the Revised 33220
Code; 33221

when appropriate, the data shall be disaggregated by grade level 33254
and subgroup. The measure also shall include data regarding the 33255

statewide average, the average for similar school districts, and,	33256
for a building, the average for the district in which the building	33257

Revised Code. 33326

(ii) The students completed all of the grade levels offered 33327
prior to the fourth grade in the district or building. 33328

(3) Except as provided in division (D)(3)(f) of this section, 33329
the department shall use the state board's method prescribed under 33330
rules adopted under division (D)(4) of this section to assign 33331
performance ratings of "one star," "two stars," "three stars," 33332
"four stars," or "five stars," as described in division (F) of 33333
this section, for a district or building for the individual 33334
components prescribed under division (D)(3) of this section. The 33335
department also shall assign an overall performance rating for a 33336
district or building in accordance with division (D)(3)(g) of this 33337
section. The method shall use the performance measures prescribed 33338
under division (D)(1) of this section to calculate performance 33339
ratings for components. The method may report data under division 33340
(D)(2) of this section with corresponding components, but shall 33341
not use the data to calculate performance ratings for that 33342
component. The performance measures and reported data shall be 33343
grouped together into components as follows: 33344

(a) Gap closing. In addition to other criteria determined 33345

appropriate by the department, performance ratings for the gap 33346
closing component shall reflect whether each of the following 33347
performance measures are met or not met: 33348

(i) The gifted performance indicator as described in division 33349
(D)(1)(a) of this section; 33350

(ii) The chronic absenteeism indicator as described in 33351
division (D)(1)(b) of this section; 33352

(iii) For English learners, an English language proficiency 33353
improvement indicator established by the department; 33354

(iv) The subgroup graduation targets; 33355

(v) The subgroup achievement targets in both mathematics and 33356
English language arts; 33357

(vi) The subgroup progress targets in both mathematics and 33358
English language arts. 33359

Achievement and progress targets under division (D)(3)(a) of 33360
this section shall be calculated individually, and districts and 33361
buildings shall receive a status of met or not met on each 33362
measure. The department shall not require a subgroup of a district 33363
or building to meet both the achievement and progress targets at 33364
the same time to receive a status of met. 33365

The department shall not include any subgroup data in this 33366
measure that includes data from fewer than fifteen students. Any 33367
penalty for failing to meet the required assessment participation 33368
rate must be partially in proportion to how close the district or 33369
building was to meeting the rate requirement. 33370

(b) Achievement, which shall include the performance measure 33371
in division (D)(1)(c) of this section and the reported data in 33372
division (D)(2)(a) of this section. Performance ratings for the 33373
achievement component shall be awarded as a percentage of the 33374
maximum performance index score described in division (D)(1)(c) of 33375

this section. 33376

(c) Progress, which shall include the performance measure in 33377
division (D)(1)(d) of this section and the reported data in 33378
divisions (D)(2)(b) and (c) of this section; 33379

(d) Graduation, which shall include the performance measures 33380
in divisions (D)(1)(e) and (f) of this section and the reported 33381
data in divisions (D)(2)(d) and (j) of this section. The four-year 33382
adjusted cohort graduation rate shall be assigned a weight of 33383
sixty per cent and the five-year adjusted cohort graduation rate 33384
shall be assigned a weight of forty per cent; 33385

(e) Early literacy, which shall include the performance 33386
measures in divisions (D)(1)(g), (h), and (i) of this section and 33387
the reported data in divisions (D)(2)(e) and (k) of this section. 33388

If the measure prescribed under division (D)(1)(h) of this 33389
section is included in a report card, performance ratings for the 33390
early literacy component shall give a weight of forty per cent to 33391
the measure prescribed under division (D)(1)(g) of this section, a 33392
weight of thirty-five per cent to the measure prescribed under 33393
division (D)(1)(i) of this section, and a weight of twenty-five 33394
per cent to the measure prescribed under division (D)(1)(h) of 33395
this section. 33396

If the measure prescribed under division (D)(1)(h) of this 33397
section is not included in a report card of a district or 33398
building, performance ratings for the early literacy component 33399
shall give a weight of sixty per cent to the measure prescribed 33400
under division (D)(1)(g) of this section and a weight of forty per 33401
cent to the measure prescribed under division (D)(1)(i) of this 33402
section. 33403

(f) College, career, workforce, and military readiness, which 33404
shall include the performance measure in division (D)(1)(j) of 33405
this section and the reported data in division (D)(2)(f) of this 33406

section. 33407

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 33408
department only shall report the data for, and not assign a 33409
performance rating to, the college, career, workforce, and 33410
military readiness component. The reported data shall include the 33411
percentage of students who demonstrate post-secondary readiness 33412
using any of the options described in division (D)(1)(j) of this 33413
section. 33414

The department shall analyze the data included in the 33415
performance measure prescribed in division (D)(1)(j) of this 33416
section for the 2021-2022, 2022-2023, and 2023-2024 school years. 33417
Using that data, the department shall develop and propose rules 33418
for a method to assign a performance rating to the college, 33419
career, workforce, and military readiness component based on that 33420
measure. The method to assign a performance rating shall not 33421
include a tiered structure or per student bonuses. The rules shall 33422
specify that a district or building shall not receive lower than a 33423
performance rating of three stars for the component if the 33424
district's or building's performance on the component meets or 33425
exceeds a level of improvement set by the department. 33426
Notwithstanding division (D)(4)(b) of this section, more than half 33427
of the total districts and buildings may earn a performance rating 33428
of three stars on this component to account for the districts and 33429
buildings that earned a performance rating of three stars because 33430
they met or exceeded the level of improvement set by the 33431
department. 33432

The department shall submit the rules to the joint committee 33433
on agency rule review. The committee shall conduct at least one 33434
public hearing on the proposed rules and approve or disapprove the 33435
rules. If the committee approves the rules, the state board shall 33436
adopt the rules in accordance with Chapter 119. of the Revised 33437
Code. If the rules are adopted, the department shall assign a 33438

performance rating to the college, career, workforce, and military 33439
readiness component under the rules beginning with the 2024-2025 33440
school year, and for each school year thereafter. If the committee 33441
disapproves the rules, the component shall be included in the 33442
report card only as reported data for the 2024-2025 school year, 33443
and each school year thereafter. 33444

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 33445
this section, beginning with the 2022-2023 school year, under the 33446
state board's method prescribed under rules adopted in division 33447
(D)(4) of this section, the department shall use the performance 33448
ratings assigned for the components prescribed in divisions 33449
(D)(3)(a) to (e) of this section to determine and assign an 33450
overall performance rating of "one star," "one and one-half 33451
stars," "two stars," "two and one-half stars," "three stars," 33452
"three and one-half stars," "four stars," "four and one-half 33453
stars," or "five stars" for a district or building. The method 33454
shall give equal weight to the components in divisions (D)(3)(b) 33455
and (c) of this section. The method shall give equal weight to the 33456
components in divisions (D)(3)(a), (d), and (e) of this section. 33457
The individual weights of each of the components prescribed in 33458
divisions (D)(3)(a), (d), and (e) of this section shall be equal 33459
to one-half of the weight given to the component prescribed in 33460
division (D)(3)(b) of this section. 33461

(ii) If the joint committee on agency rule review approves 33462
the department's rules regarding the college, career, workforce, 33463
and military readiness component as described in division 33464
(D)(3)(f) of this section, for the 2024-2025 school year, and each 33465
school year thereafter, the state board's method shall use the 33466
components in divisions (D)(3)(a), (b), (c), (d), (e), and (f) of 33467
this section to calculate the overall performance rating. The 33468
method shall give equal weight to the components in divisions 33469
(D)(3)(b) and (c) of this section. The method shall give equal 33470

weight to the components prescribed in divisions (D)(3)(a), (d), 33471
(e), and (f) of this section. The individual weights of each of 33472
the components prescribed in divisions (D)(3)(a), (d), (e), and 33473
(f) of this section shall be equal to one-half the weight given to 33474
the component prescribed in division (D)(3)(b) of this section. 33475

If the joint committee on agency rule review disapproves the 33476
department's rules regarding the college, career, workforce, and 33477
military readiness component as described in division (D)(3)(f) of 33478
this section, division (D)(3)(g)(ii) of this section does not 33479
apply. 33480

(4)(a) The state board shall adopt rules in accordance with 33481
Chapter 119. of the Revised Code to establish the performance 33482
criteria, benchmarks, and rating system necessary to implement 33483
divisions (D) and (F) of this section, including the method for 33484
the department to assign performance ratings under division (D)(3) 33485
of this section. 33486

(b) In establishing the performance criteria, benchmarks, and 33487
rating system, the state board shall consult with stakeholder 33488
groups and advocates that represent parents, community members, 33489
students, business leaders, and educators from different school 33490
typology regions. The state board shall use data from prior school 33491
years and simulations to ensure that there is meaningful 33492
differentiation among districts and buildings across all 33493
performance ratings and that, except as permitted in division 33494
(D)(3)(f) of this section, more than half of all districts or 33495
buildings do not earn the same performance rating in any component 33496
or overall performance rating. 33497

(c) The state board shall adopt the rules prescribed by 33498
division (D)(4) of this section not later than March 31, 2022. 33499
However, the department shall notify districts and buildings of 33500
the changes to the report card prescribed in law not later than 33501
one week after ~~the effective date of this amendment~~ September 30, 33502

2021. 33503

(d) Prior to adopting or updating rules under division (D)(4) 33504
of this section, the president of the state board and the 33505
department shall conduct a public presentation before the standing 33506
committees of the house of representatives and the senate that 33507
consider primary and secondary education legislation describing 33508
the format for the report card and the performance criteria, 33509
benchmarks, and rating system, including the method to assign 33510
performance ratings under division (D)(3) of this section. 33511

(E) On or after July 1, 2015, the state board may develop a 33512
measure of student academic progress for high school students 33513
using only data from assessments in English language arts and 33514
mathematics. If the state board develops this measure, each school 33515
district and applicable school building shall be assigned a 33516
separate letter grade for it not sooner than the 2017-2018 school 33517
year. The district's or building's grade for that measure shall 33518
not be included in determining the district's or building's 33519
overall letter grade. 33520

(F)(1) The letter grades assigned to a school district or 33521
building under this section shall be as follows: 33522

(a) "A" for a district or school making excellent progress; 33523

(b) "B" for a district or school making above average 33524
progress; 33525

(c) "C" for a district or school making average progress; 33526

(d) "D" for a district or school making below average 33527
progress; 33528

(e) "F" for a district or school failing to meet minimum 33529
progress. 33530

(2) For the overall performance rating under division (D)(3) 33531
of this section, the department shall include a descriptor for 33532

each performance rating as follows:	33533
(a) "Significantly exceeds state standards" for a performance rating of five stars;	33534 33535
(b) "Exceeds state standards" for a performance rating of four stars or four and one-half stars;	33536 33537
(c) "Meets state standards" for a performance rating of three stars or three and one-half stars;	33538 33539
(d) "Needs support to meet state standards" for a performance rating of two stars or two and one-half stars;	33540 33541
(e) "Needs significant support to meet state standards" for a performance rating of one star or one and one-half stars.	33542 33543
(3) For performance ratings for each component under divisions (D)(3)(a) to (f) of this section, the state board shall include a description of each component and performance rating. The description shall include component-specific context to each performance rating earned, estimated comparisons to other school districts and buildings if appropriate, and any other information determined by the state board. The descriptions shall be not longer than twenty-five words in length when possible. In addition to such descriptions, the state board shall include the descriptors in division (F)(2) of this section for component performance ratings.	33544 33545 33546 33547 33548 33549 33550 33551 33552 33553 33554
(4) Each report card issued under this section shall include all of the following:	33555 33556
(a) A graphic that depicts the performance ratings of a district or school on a color scale. The color associated with a performance rating of three stars shall be green and the color associated with a performance rating of one star shall be red.	33557 33558 33559 33560
(b) An arrow graphic that shows data trends for performance ratings for school districts or buildings. The state board shall	33561 33562

determine the data to be used for this graphic, which shall 33563
include at least the three most recent years of data. 33564

(c) A description regarding the weights that are assigned to 33565
each component and used to determine an overall performance 33566
rating, as prescribed under division (D)(3)(g) of this section, 33567
which shall be included in the presentation of the overall 33568
performance rating on each report card. 33569

(G) When reporting data on student achievement and progress, 33570
the department shall disaggregate that data according to the 33571
following categories: 33572

(1) Performance of students by grade-level; 33573

(2) Performance of students by race and ethnic group; 33574

(3) Performance of students by gender; 33575

(4) Performance of students grouped by those who have been 33576
enrolled in a district or school for three or more years; 33577

(5) Performance of students grouped by those who have been 33578
enrolled in a district or school for more than one year and less 33579
than three years; 33580

(6) Performance of students grouped by those who have been 33581
enrolled in a district or school for one year or less; 33582

(7) Performance of students grouped by those who are 33583
economically disadvantaged; 33584

(8) Performance of students grouped by those who are enrolled 33585
in a conversion community school established under Chapter 3314. 33586
of the Revised Code; 33587

(9) Performance of students grouped by those who are 33588
classified as English learners; 33589

(10) Performance of students grouped by those who have 33590
disabilities; 33591

(11) Performance of students grouped by those who are 33592
classified as migrants; 33593

(12) Performance of students grouped by those who are 33594
identified as gifted in superior cognitive ability and the 33595
specific academic ability fields of reading and math pursuant to 33596
Chapter 3324. of the Revised Code. In disaggregating specific 33597
academic ability fields for gifted students, the department shall 33598
use data for those students with specific academic ability in math 33599
and reading. If any other academic field is assessed, the 33600
department shall also include data for students with specific 33601
academic ability in that field as well. 33602

(13) Performance of students grouped by those who perform in 33603
the lowest quintile for achievement on a statewide basis, as 33604
determined by a method prescribed by the state board. 33605

The department may disaggregate data on student performance 33606
according to other categories that the department determines are 33607
appropriate. To the extent possible, the department shall 33608
disaggregate data on student performance according to any 33609
combinations of two or more of the categories listed in divisions 33610
(G)(1) to (13) of this section that it deems relevant. 33611

In reporting data pursuant to division (G) of this section, 33612
the department shall not include in the report cards any data 33613
statistical in nature that is statistically unreliable or that 33614
could result in the identification of individual students. For 33615
this purpose, the department shall not report student performance 33616
data for any group identified in division (G) of this section that 33617
contains less than ten students. If the department does not report 33618
student performance data for a group because it contains less than 33619
ten students, the department shall indicate on the report card 33620
that is why data was not reported. 33621

(H) The department may include with the report cards any 33622

additional education and fiscal performance data it deems 33623
valuable. 33624

(I) The department shall include on each report card a list 33625
of additional information collected by the department that is 33626
available regarding the district or building for which the report 33627
card is issued. When available, such additional information shall 33628
include student mobility data disaggregated by race and 33629
socioeconomic status, college enrollment data, and the reports 33630
prepared under section 3302.031 of the Revised Code. 33631

The department shall maintain a site on the world wide web. 33632
The report card shall include the address of the site and shall 33633
specify that such additional information is available to the 33634
public at that site. The department shall also provide a copy of 33635
each item on the list to the superintendent of each school 33636
district. The district superintendent shall provide a copy of any 33637
item on the list to anyone who requests it. 33638

(J)(1)(a) Except as provided in division (J)(1)(b) of this 33639
section, for any district that sponsors a conversion community 33640

designed to assist the child to benefit from the child's 34060
education. 34061

A scholarship under this section shall not be awarded to the 34062
parent of a child while the child's individualized education 34063
program is being developed by the school district in which the 34064
child is entitled to attend school, or while any administrative or 34065
judicial mediation or proceedings with respect to the content of 34066
the child's individualized education program are pending. A 34067
scholarship under this section shall not be used for a child to 34068
attend a public special education program that operates under a 34069

another school district or other public provider, or for a child 34072
to attend a community school established under Chapter 3314. of 34073
the Revised Code. However, nothing in this section or in any rule 34074
adopted by the state board shall prohibit a parent whose child 34075
attends a public special education program under a contract, 34076
compact, or other bilateral agreement, or a parent whose child 34077
attends a community school, from applying for and accepting a 34078
scholarship under this section so that the parent may withdraw the 34079
child from that program or community school and use the 34080
scholarship for the child to attend a special education program 34081
for which the parent is required to pay for services for the 34082
child. 34083

Except for development of the child's individualized 34084
education program, the school district in which a qualified 34085
special education child is entitled to attend school and the 34086
child's school district of residence, as defined in section 34087
3323.01 of the Revised Code, if different, are not obligated to 34088

continues to attend the special education program operated by 34091
either an alternative public provider or a registered private 34092
provider for which a scholarship is awarded under the autism 34093
scholarship program. If at any time, the eligible applicant for 34094
the child decides no longer to accept scholarship payments and 34095
enrolls the child in the special education program of the school 34096
district in which the child is entitled to attend school, that 34097
district shall provide the child with a free appropriate public 34098
education under Chapter 3323. of the Revised Code. 34099

by law. 34103

the Revised Code, a child who is not a preschool child with a 34105

shall be counted in the formula ADM of the district in which the 34107
child is entitled to attend school and not in the formula ADM of 34108
any other school district. 34109

(D) A scholarship shall not be paid under section 3317.022 of 34110
the Revised Code to a parent for payment of tuition owed to a 34111
nonpublic entity unless that entity is a registered private 34112
provider. The department shall approve entities that meet the 34113
standards established by rule of the state board for the program 34114
established under this section. 34115

(E) The state board shall adopt rules under Chapter 119. of 34116

registered private providers, and procedures for approval of 34120
entities as registered private providers. 34121

The rules also shall specify that intervention services under 34122
the autism scholarship program may be provided by a qualified, 34123

implies their supervised or training status; 34140

(5) Unlicensed persons holding a doctoral degree in 34141
psychology or special education from a program approved by the 34142
state board; 34143

(6) A "registered behavior technician" as described under 34144

Ohioans must be prepared to apply increased knowledge and 34469
skills in the workplace and to adapt their knowledge and skills 34470
quickly to meet the rapidly changing conditions of the 34471
twenty-first century. National studies indicate that all high 34472
school graduates need the same academic foundation, regardless of 34473
the opportunities they pursue after graduation. The goal of Ohio's 34474
system of elementary and secondary education is to prepare all 34475
students for and seamlessly connect all students to success in 34476
life beyond high school graduation, regardless of whether the next 34477

step is entering the workforce, beginning an apprenticeship, 34478
engaging in post-secondary training, serving in the military, or 34479
pursuing a college degree. 34480

The requirements for graduation prescribed in division (C) of 34481
this section are the standard expectation for all students 34482
entering ninth grade for the first time at a public or chartered 34483
nonpublic high school on or after July 1, 2010. A student may 34484
satisfy this expectation through a variety of methods, including, 34485
but not limited to, integrated, applied, career-technical, and 34486
traditional coursework. 34487

Stronger coordination between high schools and institutions 34488
of higher education is necessary to prepare students for more 34489
challenging academic endeavors and to lessen the need for academic 34490
remediation in college, thereby reducing the costs of higher 34491
education for Ohio's students, families, and the state. The state 34492
board and the chancellor of higher education shall develop 34493
policies to ensure that only in rare instances will students who 34494
complete the requirements for graduation prescribed in division 34495
(C) of this section require academic remediation after high 34496
school. 34497

School districts, community schools, and chartered nonpublic 34498
schools shall integrate technology into learning experiences 34499
across the curriculum in order to maximize efficiency, enhance 34500
learning, and prepare students for success in the 34501
technology-driven twenty-first century. Districts and schools 34502
shall use distance and web-based course delivery as a method of 34503
providing or augmenting all instruction required under this 34504
division, including laboratory experience in science. Districts 34505
and schools shall utilize technology access and electronic 34506
learning opportunities provided by the broadcast educational media 34507
commission, chancellor, the Ohio learning network, education 34508
technology centers, public television stations, and other public 34509

and private providers. 34510

(D) Except as provided in division (E) of this section, a 34511
student who enters ninth grade on or after July 1, 2010, and 34512
before July 1, 2016, may qualify for graduation from a public or 34513
chartered nonpublic high school even though the student has not 34514
completed the requirements for graduation prescribed in division 34515
(C) of this section if all of the following conditions are 34516
satisfied: 34517

(1) During the student's third year of attending high school, 34518
as determined by the school, the student and the student's parent, 34519
guardian, or custodian sign and file with the school a written 34520
statement asserting the parent's, guardian's, or custodian's 34521
consent to the student's graduating without completing the 34522
requirements for graduation prescribed in division (C) of this 34523
section and acknowledging that one consequence of not completing 34524
those requirements is ineligibility to enroll in most state 34525
universities in Ohio without further coursework. 34526

(2) The student and parent, guardian, or custodian fulfill 34527
any procedural requirements the school stipulates to ensure the 34528
student's and parent's, guardian's, or custodian's informed 34529
consent and to facilitate orderly filing of statements under 34530
division (D)(1) of this section. Annually, each district or school 34531
shall notify the department of the number of students who choose 34532
to qualify for graduation under division (D) of this section and 34533
the number of students who complete the student's success plan and 34534
graduate from high school. 34535

(3) The student and the student's parent, guardian, or 34536
custodian and a representative of the student's high school 34537
jointly develop a student success plan for the student in the 34538
manner described in division (C)(1) of section 3313.6020 of the 34539
Revised Code that specifies the student matriculating to a 34540
two-year degree program, acquiring a business and 34541

industry-recognized credential, or entering an apprenticeship. 34542

(4) The student's high school provides counseling and support 34543
for the student related to the plan developed under division 34544
(D)(3) of this section during the remainder of the student's high 34545
school experience. 34546

(5)(a) Except as provided in division (D)(5)(b) of this 34547
section, the student successfully completes, at a minimum, the 34548
curriculum prescribed in division (B) of this section. 34549

(b) Beginning with students who enter ninth grade for the 34550
first time on or after July 1, 2014, a student shall be required 34551
to complete successfully, at the minimum, the curriculum 34552
prescribed in division (B) of this section, except as follows: 34553

(i) Mathematics, four units, one unit which shall be one of 34554
the following: 34555

(I) Probability and statistics; 34556

(II) Computer science; 34557

(III) Applied mathematics or quantitative reasoning; 34558

(IV) Any other course approved by the department using 34559
standards established by the superintendent not later than October 34560
1, 2014. 34561

(ii) Elective units, five units; 34562

(iii) Science, three units as prescribed by division (B) of 34563
this section which shall include inquiry-based laboratory 34564
experience that engages students in asking valid scientific 34565
questions and gathering and analyzing information. 34566

(E) Each school district and chartered nonpublic school 34567
retains the authority to require an even more challenging minimum 34568
curriculum for high school graduation than specified in division 34569
(B) or (C) of this section. A school district board of education, 34570
through the adoption of a resolution, or the governing authority 34571

of a chartered nonpublic school may stipulate any of the 34572
following: 34573

(1) A minimum high school curriculum that requires more than 34574
twenty units of academic credit to graduate; 34575

(2) An exception to the district's or school's minimum high 34576
school curriculum that is comparable to the exception provided in 34577
division (D) of this section but with additional requirements, 34578
which may include a requirement that the student successfully 34579
complete more than the minimum curriculum prescribed in division 34580
(B) of this section; 34581

(3) That no exception comparable to that provided in division 34582
(D) of this section is available. 34583

If a school district or chartered nonpublic school requires a 34584
foreign language as an additional graduation requirement under 34585
division (E) of this section, a student may apply one unit of 34586
instruction in computer coding to satisfy one unit of foreign 34587
language. If a student applies more than one computer coding 34588
course to satisfy the foreign language requirement, the courses 34589
shall be sequential and progressively more difficult. 34590

(F) A student enrolled in a dropout prevention and recovery 34591
program, which program has received a waiver from the department, 34592
may qualify for graduation from high school by successfully 34593
completing a competency-based instructional program administered 34594
by the dropout prevention and recovery program in lieu of 34595
completing the requirements for graduation prescribed in division 34596
(C) of this section. The department shall grant a waiver to a 34597
dropout prevention and recovery program, within sixty days after 34598
the program applies for the waiver, if the program meets all of 34599
the following conditions: 34600

(1) The program serves only students not younger than sixteen 34601
years of age and not older than twenty-one years of age. 34602

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D)(5) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student's matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the

academic content standards adopted by the state board under 34634
section 3301.079 of the Revised Code will be taught and assessed. 34635

(8) Prior to receiving the waiver, the program has submitted 34636
to the department a policy on career advising that satisfies the 34637
requirements of section 3313.6020 of the Revised Code, with an 34638
emphasis on how every student will receive career advising. 34639

(9) Prior to receiving the waiver, the program has submitted 34640
to the department a written agreement outlining the future 34641
cooperation between the program and any combination of local job 34642
training, postsecondary education, nonprofit, and health and 34643
social service organizations to provide services for students in 34644
the program and their families. 34645

Divisions (F)(8) and (9) of this section apply only to 34646
waivers granted on or after July 1, 2015. 34647

If the department does not act either to grant the waiver or 34648
to reject the program application for the waiver within sixty days 34649
as required under this section, the waiver shall be considered to 34650
be granted. 34651

(G) Every high school may permit students below the ninth 34652
grade to take advanced work. If a high school so permits, it shall 34653
award high school credit for successful completion of the advanced 34654
work and shall count such advanced work toward the graduation 34655
requirements of division (B) or (C) of this section if the 34656
advanced work was both: 34657

(1) Taught by a person who possesses a license or certificate 34658
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 34659
Code that is valid for teaching high school; 34660

(2) Designated by the board of education of the city, local, 34661
or exempted village school district, the board of the cooperative 34662
education school district, or the governing authority of the 34663
chartered nonpublic school as meeting the high school curriculum 34664

requirements. 34665

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript. 34666
34667
34668
34669
34670
34671
34672

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses. 34673
34674
34675
34676
34677

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the state board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section. 34678
34679
34680
34681
34682
34683
34684
34685
34686
34687
34688

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course. 34689
34690
34691
34692
34693
34694

Nothing in division (I) of this section shall be construed to 34695

excuse any school district, chartered nonpublic school, or student 34696
from any requirement in the Revised Code related to curriculum, 34697
assessments, or the awarding of a high school diploma. 34698

(J)(1) The state board, in consultation with the chancellor, 34699
shall adopt a statewide plan implementing methods for students to 34700
earn units of high school credit based on a demonstration of 34701
subject area competency, instead of or in combination with 34702
completing hours of classroom instruction. The state board shall 34703
adopt the plan not later than March 31, 2009, and commence phasing 34704
in the plan during the 2009-2010 school year. The plan shall 34705
include a standard method for recording demonstrated proficiency 34706
on high school transcripts. Each school district and community 34707
school shall comply with the state board's plan adopted under this 34708
division and award units of high school credit in accordance with 34709
the plan. The state board may adopt existing methods for earning 34710
high school credit based on a demonstration of subject area 34711
competency as necessary prior to the 2009-2010 school year. 34712

(2) Not later than December 31, 2015, the state board shall 34713
update the statewide plan adopted pursuant to division (J)(1) of 34714
this section to also include methods for students enrolled in 34715
seventh and eighth grade to meet curriculum requirements based on 34716
a demonstration of subject area competency, instead of or in 34717
combination with completing hours of classroom instruction. 34718
Beginning with the 2017-2018 school year, each school district and 34719
community school also shall comply with the updated plan adopted 34720
pursuant to this division and permit students enrolled in seventh 34721
and eighth grade to meet curriculum requirements based on subject 34722
area competency in accordance with the plan. 34723

(3) Not later than December 31, 2017, the department shall 34724
develop a framework for school districts and community schools to 34725
use in granting units of high school credit to students who 34726
demonstrate subject area competency through work-based learning 34727

experiences, internships, or cooperative education. Beginning with 34728
the 2018-2019 school year, each district and community school 34729
shall comply with the framework. Each district and community 34730
school also shall review any policy it has adopted regarding the 34731
demonstration of subject area competency to identify ways to 34732
incorporate work-based learning experiences, internships, and 34733
cooperative education into the policy in order to increase student 34734
engagement and opportunities to earn units of high school credit. 34735

(K) This division does not apply to students who qualify for 34736
graduation from high school under division (D) or (F) of this 34737
section, or to students pursuing a career-technical instructional 34738
track as determined by the school district board of education or 34739
the chartered nonpublic school's governing authority. 34740
Nevertheless, the general assembly encourages such students to 34741
consider enrolling in a fine arts course as an elective. 34742

Beginning with students who enter ninth grade for the first 34743
time on or after July 1, 2010, each student enrolled in a public 34744
or chartered nonpublic high school shall complete two semesters or 34745
the equivalent of fine arts to graduate from high school. The 34746
coursework may be completed in any of grades seven to twelve. Each 34747
student who completes a fine arts course in grade seven or eight 34748
may elect to count that course toward the five units of electives 34749
required for graduation under division (C)(8) of this section, if 34750
the course satisfied the requirements of division (G) of this 34751
section. In that case, the high school shall award the student 34752
high school credit for the course and count the course toward the 34753
five units required under division (C)(8) of this section. If the 34754
course in grade seven or eight did not satisfy the requirements of 34755
division (G) of this section, the high school shall not award the 34756
student high school credit for the course but shall count the 34757
course toward the two semesters or the equivalent of fine arts 34758
required by this division. 34759

(L) Notwithstanding anything to the contrary in this section, 34760
the board of education of each school district and the governing 34761
authority of each chartered nonpublic school may adopt a policy to 34762
excuse from the high school physical education requirement each 34763
student who, during high school, has participated in 34764
interscholastic athletics, marching band, show choir, or 34765
cheerleading for at least two full seasons or in the junior 34766
reserve officer training corps for at least two full school years. 34767
If the board or authority adopts such a policy, the board or 34768
authority shall not require the student to complete any physical 34769
education course as a condition to graduate. However, the student 34770
shall be required to complete one-half unit, consisting of at 34771
least sixty hours of instruction, in another course of study. In 34772
the case of a student who has participated in the junior reserve 34773
officer training corps for at least two full school years, credit 34774
received for that participation may be used to satisfy the 34775
requirement to complete one-half unit in another course of study. 34776

(M) It is important that high school students learn and 34777
understand United States history and the governments of both the 34778
United States and the state of Ohio. Therefore, beginning with 34779
students who enter ninth grade for the first time on or after July 34780
1, 2012, the study of American history and American government 34781
required by divisions (B)(6) and (C)(6) of this section shall 34782
include the study of all of the following documents: 34783

(1) The Declaration of Independence; 34784

(2) The Northwest Ordinance; 34785

(3) The Constitution of the United States with emphasis on 34786
the Bill of Rights; 34787

(4) The Ohio Constitution. 34788

The study of each of the documents prescribed in divisions 34789
(M)(1) to (4) of this section shall include study of that document 34790

in its original context. 34791

The study of American history and government required by 34792
divisions (B)(6) and (C)(6) of this section shall include the 34793
historical evidence of the role of documents such as the 34794
Federalist Papers and the Anti-Federalist Papers to firmly 34795
establish the historical background leading to the establishment 34796
of the provisions of the Constitution and Bill of Rights. 34797

(N) A student may apply one unit of instruction in computer 34798
science to satisfy one unit of mathematics or one unit of science 34799
under division (C) of this section as the student chooses, 34800
regardless of the field of certification of the teacher who 34801
teaches the course, so long as that teacher meets the licensure 34802
requirements prescribed by section 3319.236 of the Revised Code 34803
and, prior to teaching the course, completes a professional 34804
development program determined to be appropriate by the district 34805
board. 34806

If a student applies more than one computer science course to 34807
satisfy curriculum requirements under that division, the courses 34808
shall be sequential and progressively more difficult or cover 34809
different subject areas within computer science. 34810

Sec. 3313.608. (A)(1) Beginning with students who enter third 34811
grade in the school year that starts July 1, 2009, and until June 34812
30, 2013, unless the student is excused under division (C) of 34813
section 3301.0711 of the Revised Code from taking the assessment 34814
described in this section, for any student who does not attain at 34815
least the equivalent level of achievement designated under 34816
division (A)(3) of section 3301.0710 of the Revised Code on the 34817
assessment prescribed under that section to measure skill in 34818
English language arts expected at the end of third grade, each 34819
school district, in accordance with the policy adopted under 34820
section 3313.609 of the Revised Code, shall do one of the 34821

following: 34822

(a) Promote the student to fourth grade if the student's principal and reading teacher agree that other evaluations of the student's skill in reading demonstrate that the student is academically prepared to be promoted to fourth grade; 34823
34824
34825
34826

(b) Promote the student to fourth grade but provide the student with intensive intervention services in fourth grade; 34827
34828

(c) Retain the student in third grade. 34829

(2) Beginning with students who enter third grade in the 2013-2014 school year and until the effective date of this amendment, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, no school district shall promote to fourth grade any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, unless one of the following applies: 34830
34831
34832
34833
34834
34835
34836
34837
34838
34839
34840

(a) The student is an English learner who has been enrolled in United States schools for less than three full school years and has had less than three years of instruction in an English as a second language program. 34841
34842
34843
34844

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division. 34845
34846
34847
34848

(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education. 34849
34850
34851

(d) All of the following apply:	34852
(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.	34853 34854 34855
(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of the Revised Code.	34856 34857 34858
(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading.	34859 34860 34861 34862 34863
(iv) The student previously was retained in any of grades kindergarten to three.	34864 34865
(e)(i) The student received intensive remediation for reading for two school years but still demonstrates a deficiency in reading and was previously retained in any of grades kindergarten to three.	34866 34867 34868 34869
(ii) A student who is promoted under division (A)(2)(e)(i) of this section shall continue to receive intensive reading instruction in grade four. The instruction shall include an altered instructional day that includes specialized diagnostic information and specific research-based reading strategies for the student that have been successful in improving reading among low-performing readers.	34870 34871 34872 34873 34874 34875 34876
<u>(3) Beginning with students who enter the third grade in the 2023-2024 school year, no school district shall retain a student under this section based upon the student's score on the assessment prescribed by section 3301.0710 of the Revised Code to measure skill in English language arts expected at the end of third grade. Districts shall continue to offer intervention and</u>	34877 34878 34879 34880 34881 34882

remediation services in the manner prescribed under this section 34883
for students found to be reading below grade level. 34884

(B)(1) Beginning in the 2012-2013 school year, to assist 34885
students in meeting the third grade guarantee established by this 34886
section, each school district board of education shall adopt 34887
policies and procedures with which it annually shall assess the 34888
reading skills of each student, except those students with 34889
significant cognitive disabilities or other disabilities as 34890
authorized by the department on a case-by-case basis, enrolled in 34891
kindergarten to third grade and shall identify students who are 34892
reading below their grade level. The reading skills assessment 34893
shall be completed by the thirtieth day of September for students 34894
in grades one to three, and by the twentieth day of instruction of 34895
the school year for students in kindergarten. Each district shall 34896
use the diagnostic assessment to measure reading ability for the 34897
appropriate grade level adopted under section 3301.079 of the 34898
Revised Code, or a comparable tool approved by the department of 34899
education, to identify such students. The policies and procedures 34900
shall require the students' classroom teachers to be involved in 34901
the assessment and the identification of students reading below 34902
grade level. The assessment may be administered electronically 34903
using live, two-way video and audio connections whereby the 34904
teacher administering the assessment may be in a separate location 34905
from the student. 34906

(2) For each student identified by the diagnostic assessment 34907
prescribed under this section as having reading skills below grade 34908
level, the district shall do both of the following: 34909

(a) Provide to the student's parent or guardian, in writing, 34910
all of the following: 34911

(i) Notification that the student has been identified as 34912

(2) A student shall be considered to be enrolled in a 36292
community school for the period of time beginning on the later of 36293
the date on which the school both has received documentation of 36294

the student's enrollment from a parent and the student has 36295
commenced participation in learning opportunities as defined in 36296
the contract with the sponsor, or thirty days prior to the date on 36297
which the student is entered into the education management 36298
information system established under section 3301.0714 of the 36299
Revised Code. For purposes of applying this division and divisions 36300

shall be established by the department. Any student's instruction 36306
time in non-classroom-based learning opportunities shall be 36307

the 2011-2012 school year, any student who completed the prior 36320
school year in an internet- or computer-based community school 36321

shall continue paying amounts for the student under section 36325
3317.022 of the Revised Code without interruption at the start of 36326

the subsequent school year. However, if the student without a 36327
legitimate excuse fails to participate in the first seventy-two 36328
consecutive hours of learning opportunities offered to the student 36329
in that subsequent school year, the student shall be considered 36330
not to have re-enrolled in the school for that school year and the 36331

school year to account for the fact that the student is not 36333
enrolled. 36334

number of days, is of the total learning opportunities offered by 36339

any period of twenty-four consecutive hours. Whether it reports 36344
hours or days of learning opportunities, each community school 36345
shall offer not less than nine hundred twenty hours of learning 36346
opportunities during the school year. 36347

(4) With respect to the calculation of full-time equivalency 36348
under division (H)(3) of this section, the department shall waive 36349
the number of hours or days of learning opportunities not offered 36350
to a student because the community school was closed during the 36351
school year due to disease epidemic, hazardous weather conditions, 36352
law enforcement emergencies, inoperability of school buses or 36353
other equipment necessary to the school's operation, damage to a 36354
school building, or other temporary circumstances due to utility 36355
failure rendering the school building unfit for school use, so 36356
long as the school was actually open for instruction with students 36357
in attendance during that school year for not less than the 36358

minimum number of hours required by this chapter. The department 36359
shall treat the school as if it were open for instruction with 36360
students in attendance during the hours or days waived under this 36361
division. 36362

(I) The department of education shall reduce the amounts paid 36363
under section 3317.022 of the Revised Code to reflect payments 36364

(J)(1) No student shall be considered enrolled in any 36366
internet- or computer-based community school or, if applicable to 36367
the student, in any community school that is required to provide 36368

conditions are satisfied: 36371

(a) The student possesses or has been provided with all 36372
required hardware and software materials and all such materials 36373
are operational so that the student is capable of fully 36374
participating in the learning opportunities specified in the 36375
contract between the school and the school's sponsor as required 36376
by division (A)(23) of section 3314.03 of the Revised Code; 36377

(b) The school is in compliance with division (A) of section 36378
3314.22 of the Revised Code, relative to such student. 36379

(2) In accordance with policies adopted by the superintendent 36380
of public instruction, in consultation with the auditor of state, 36381
the department shall reduce the amounts otherwise payable under 36382
section 3317.022 of the Revised Code to any community school that 36383
includes in its program the provision of computer hardware and 36384
software materials to any student, if such hardware and software 36385
materials have not been delivered, installed, and activated for 36386
each such student in a timely manner or other educational 36387
materials or services have not been provided according to the 36388
contract between the individual community school and its sponsor. 36389

The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(K)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

receive payments for the fiscal year immediately preceding that 37697
fiscal year, the department shall adjust, as necessary, the 37698
district's funding base, as that term is defined in section 37699

has fewer students counted under division (A)(1)(b) of section 37712
3317.03 of the Revised Code for that fiscal year than for the 37713
previous fiscal year and the positive difference between those two 37714
student counts is greater than or equal to the district's decrease 37715
threshold for that fiscal year, the amount paid to the district 37716
under division (A) of this section shall be reduced by the 37717
following amount: 37718

The statewide average base cost per pupil X [(the positive 37719
difference between the number of the district's students counted 37720
under division (A)(1)(b) of section 3317.03 of the Revised Code 37721
for that fiscal year and the number of the district's students 37722
counted under that division for the previous fiscal year) - the 37723
district's decrease threshold for that fiscal year] 37724

community school shall be the following quotient: 39606

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

of the base amount. 40053

For purposes of determining the minimum salary at any level 40054
of training and service, the base of one hundred per cent shall be 40055
the base amount. The percentages used in this section show the 40056
relationships between the minimum salaries required by this 40057
section and the base amount and shall not be construed as 40058
requiring any school district or educational service center to 40059
adopt a schedule containing salaries in excess of the amounts set 40060
forth in this section for corresponding levels of training and 40061
experience. 40062

As used in this division: 40063

(1) "Base amount" means ~~thirty~~ forty thousand dollars. 40064

funds, as determined by the department, subject to any phase-in 40531
established by the general assembly. 40532

(B) For each fiscal year, the department of education shall 40533
notify each city, local, exempted village, and joint vocational 40534

school district, community school, and STEM school, of the portion 40535
of the district or school's state share of the base cost 40536
calculated under section 3317.022 or 3317.16 of the Revised Code, 40537
that is attributable to the staffing cost for the student wellness 40538
and success component of the base cost, as determined by the 40539
department. 40540

(C) In each fiscal year, a city, local, exempted village or 40541
joint vocational school district, community school, or STEM school 40542
shall spend the student wellness and success funds it receives for 40543
any of the initiatives, or a combination of any of the 40544
initiatives, described in divisions (B)(1)(j) to (g) of section 40545
3317.25 of the Revised Code. 40546

(D) Not less than fifty per cent of the amount determined 40547
under division (B) of this section shall be spent on initiatives 40548
described under division (B)(1)(j) or (o) of section 3317.25 of 40549
the Revised Code, or a combination of both. 40550

(E) Each city, local, exempted village, joint vocational 40551
school district, community school, and STEM school that is subject 40552
to the requirements of this section shall develop a plan to 40553
utilize the student wellness and success funds it receives in 40554
coordination with a community mental health prevention or 40555
treatment provider or local board of alcohol, drug addiction, and 40556
mental health services established under Chapter 340. of the 40557
Revised Code and one of the community partners identified under 40558
division (C) of section 3317.25 of the Revised Code. 40559

(F) Within thirty days of the creation or amendment of the 40560
plan required under division (E) of this section, each city, 40561
local, exempted village, or joint vocational school district, 40562
community school, and STEM school shall share the plan at a public 40563
meeting of the board of education or governing authority and post 40564
the plan on the district or school's web site. 40565

(G)(1) All student wellness and success funds allocated in any of fiscal years 2020 to 2023 shall be expended prior to June 30, 2025. Any unexpended funds shall be repaid to the department.

(2) Beginning in fiscal year 2024, all student wellness and success funds shall be spent by the end of the following fiscal year. Any unexpended funds shall be repaid to the department.

(H)(1) If the department determines that a city, local, exempted village, joint vocational school district, community school, or STEM school has not spent funds in accordance with divisions (C) and (D) of this section, the department may require a corrective action plan.

(2) If a city, local, exempted village, joint vocational school district, community school, or STEM school is determined to be out of compliance with the corrective action plan described under division (H)(1) of this section, the department may withhold student wellness and success from that district or school.

(I) At the end of each fiscal year, each district and school shall submit a report to the department, in a manner determined by the department, describing the initiative or initiatives on which the district or school's funds were spent under this section during that fiscal year.

Sec. 3318.024. In the first year of a capital biennium, any funds appropriated to the Ohio facilities construction commission for classroom facilities projects under this chapter in the previous capital biennium that were not spent or encumbered, or for which an encumbrance has been canceled under section 3318.05 of the Revised Code, shall be used by the commission only for projects under sections 3318.01 to 3318.20 of the Revised Code, subject to appropriation by the general assembly.

In the second year of a capital biennium, any funds

appropriated to the Ohio facilities construction commission for 40596
classroom facilities projects under this chapter that were not 40597
spent or encumbered in the first year of the biennium and which 40598
are in excess of an amount equal to half of the appropriations for 40599
the capital biennium, or for which an encumbrance has been 40600
canceled under section 3318.05 of the Revised Code, shall be used 40601
by the commission only for projects under sections 3318.01 to 40602
3318.20, 3318.33, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, 40603
and 3318.40 to 3318.46 of the Revised Code, subject to 40604
appropriation by the general assembly. 40605

Sec. 3318.032. (A) Except as otherwise provided in divisions 40606
(C) and (D) of this section, the portion of the basic project cost 40607
supplied by the school district shall be the greater of: 40608

(1) The required percentage of the basic project costs; 40609

(2)(a) For all districts except a district that opts to 40610
divide its entire classroom facilities needs into segments to be 40611
completed separately as authorized by section 3318.034 of the 40612
Revised Code, an amount necessary to raise the school district's 40613
net bonded indebtedness, as of the date the controlling board 40614
approved the project, to within five thousand dollars of the 40615
required level of indebtedness; 40616

(b) For a district that opts to divide its entire classroom 40617
facilities needs into segments to be completed separately as 40618
authorized by section 3318.034 of the Revised Code, an amount 40619
necessary to raise the school district's net bonded indebtedness, 40620
as of the date the controlling board approved the project, to 40621
within five thousand dollars of the following: 40622

The required level of indebtedness X (the basic 40623
project cost of the segment as approved 40624
by the controlling board / the estimated basic 40625
project cost of the district's entire classroom facilities 40626

needs as determined jointly by the staff of the Ohio 40627
facilities construction commission and the district) 40628

(B) The amount of the district's share determined under this 40629
section shall be calculated only as of the date the controlling 40630
board approved the project, and that amount applies throughout the 40631
~~thirteen-month~~ sixteen-month period permitted under section 40632
3318.05 of the Revised Code for the district's electors to approve 40633
the propositions described in that section. If the amount reserved 40634
and encumbered for a project is released because the electors do 40635
not approve those propositions within that period, and the school 40636
district later receives the controlling board's approval for the 40637
project, subject to a new project scope and estimated costs under 40638
section 3318.054 of the Revised Code, the district's portion shall 40639
be recalculated in accordance with this section as of the date of 40640
the controlling board's subsequent approval. 40641

(C) At no time shall a school district's portion of the basic 40642
project cost be greater than ninety-five per cent of the total 40643
basic project cost. 40644

(D) If the controlling board approves a project under 40645
sections 3318.01 to 3318.20 of the Revised Code for a school 40646
district that previously received assistance under those sections 40647
or section 3318.37 of the Revised Code within the twenty-year 40648
period prior to the date on which the controlling board approves 40649
the new project, the district's portion of the basic project cost 40650
for the new project shall be the lesser of the following: 40651

(1) The portion calculated under division (A) of this 40652
section; 40653

(2) The greater of the following: 40654

(a) The required percentage of the basic project costs for 40655
the new project; 40656

(b) The percentage of the basic project cost paid by the 40657

district for the previous project. 40658

Sec. 3318.05. The conditional approval of the Ohio facilities 40659
construction commission for a project shall lapse and the amount 40660
reserved and encumbered for such project shall be released unless 40661
the school district board accepts such conditional approval within 40662
one hundred twenty days following the date of certification of the 40663
conditional approval to the school district board and the electors 40664
of the school district vote favorably on both of the propositions 40665
described in divisions (A) and (B) of this section within ~~thirteen~~ 40666
sixteen months of the date of such certification, except that a 40667
school district described in division (C) of this section does not 40668
need to submit the proposition described in division (B) of this 40669
section. The propositions described in divisions (A) and (B) of 40670
this section shall be combined in a single proposal. If the 40671
district board or the district's electors fail to meet such 40672
requirements and the amount reserved and encumbered for the 40673
district's project is released, the district shall be given first 40674
priority for project funding as such funds become available, 40675
subject to section 3318.054 of the Revised Code. 40676

(A) On the question of issuing bonds of the school district 40678
board, for the school district's portion of the basic project 40679
cost, in an amount equal to the school district's portion of the 40680
basic project cost less the amount of the proceeds of any 40681
securities authorized or to be authorized under division (J) of 40682
section 133.06 of the Revised Code and dedicated by the school 40683
district board to payment of the district's portion of the basic 40684
project cost; and 40685

(B) On the question of levying a tax the proceeds of which 40686
shall be used to pay the cost of maintaining or upgrading the 40687
classroom facilities included in the project. Such tax shall be at 40688

the rate of not less than one-half mill for each dollar of 40689
valuation for a period of twenty-three years, subject to any 40690
extension approved under section 3318.061 of the Revised Code. 40691

(C) If a school district has in place a tax levied under 40692
section 5705.21 of the Revised Code for general permanent 40693
improvements for a continuing period of time and the proceeds of 40694
such tax can be used for maintenance or upgrades, or if a district 40695
agrees to the transfers described in section 3318.051 of the 40696
Revised Code, the school district need not levy the additional tax 40697
required under division (B) of this section, provided the school 40698
district board includes in the agreement entered into under 40699
section 3318.08 of the Revised Code provisions either: 40700

(1) Earmarking an amount from the proceeds of that permanent 40701
improvement tax for maintenance or upgrades of classroom 40702
facilities equivalent to the amount of the additional tax and for 40703
the equivalent number of years otherwise required under this 40704
section; 40705

(2) Requiring the transfer of money in accordance with 40706
section 3318.051 of the Revised Code. 40707

The district board subsequently may rescind the agreement to 40708
make the transfers under section 3318.051 of the Revised Code only 40709
so long as the electors of the district have approved, in 40710
accordance with section 3318.063 of the Revised Code, the levy of 40711
a tax for the maintenance or upgrades of the classroom facilities 40712
acquired under the district's project and that levy continues to 40713
be collected as approved by the electors. 40714

(D) Proceeds of the tax to be used for maintenance or upgrade 40715
of the classroom facilities under either division (B) or (C)(1) of 40716
this section, and transfers of money in accordance with section 40717
3318.051 of the Revised Code shall be deposited into a separate 40718
fund established by the school district for such purpose. 40719

(E) Proceeds of the tax to be used for maintenance or 40720
upgrades of the classroom facilities under either division (B) or 40721
(C)(1) of this section shall not be used to upgrade classroom 40722
facilities, unless the district board submits to the Ohio 40723
facilities construction commission a proposal regarding the use of 40724
those proceeds for upgrades and the commission approves the 40725
proposal. 40726

Sec. 3318.051. (A) Any city, exempted village, or local 40727
school district that commences a project under sections 3318.01 to 40728
3318.20, 3318.33, 3318.36, 3318.37, or 3318.38 of the Revised Code 40729
~~on or after September 5, 2006,~~ need not levy the tax otherwise 40730
required under division (B) of section 3318.05 of the Revised 40731
Code, if the district board of education adopts a resolution 40732
petitioning the Ohio facilities construction commission to approve 40733
the transfer of money in accordance with this section and the 40734
commission approves that transfer. If so approved, the commission 40735
and the district board shall enter into an agreement under which 40736
the board, in each of twenty-three consecutive years beginning in 40737
the year in which the board and the commission enter into the 40738
project agreement under section 3318.08 of the Revised Code, shall 40739
transfer into the maintenance fund required by division (D) of 40740
section 3318.05 of the Revised Code not less than an amount equal 40741
to one-half mill for each dollar of the district's valuation 40742
unless and until the agreement to make those transfers is 40743
rescinded by the district board pursuant to division (F) of this 40744
section. 40745

(B) On the first day of July each year, or on an alternative 40746
date prescribed by the commission, the district treasurer shall 40747
certify to the commission and the auditor of state that the amount 40748
required for the year has been transferred. The auditor of state 40749
shall include verification of the transfer as part of any audit of 40750
the district under section 117.11 of the Revised Code. If the 40751

auditor of state finds that less than the required amount has been 40752
deposited into a district's maintenance fund, the auditor of state 40753
shall notify the district board of education in writing of that 40754
fact and require the board to deposit into the fund, within ninety 40755
days after the date of the notice, the amount by which the fund is 40756
deficient for the year. If the district board fails to demonstrate 40757
to the auditor of state's satisfaction that the board has made the 40758
deposit required in the notice, the auditor of state shall notify 40759
the department of education. At that time, the department shall 40760
withhold an amount equal to ten per cent of the district's funds 40761
calculated for the current fiscal year under Chapter 3317. of the 40762
Revised Code until the auditor of state notifies the department 40763
that the auditor of state is satisfied that the board has made the 40764
required transfer. 40765

(C) Money transferred to the maintenance fund shall be used 40766
for the maintenance or, upon approval of the Ohio facilities 40767
construction commission, upgrade of the facilities acquired under 40768
the district's project. 40769

(D) The transfers to the maintenance fund under this section 40770
does not affect a district's obligation to establish and maintain 40771
a capital and maintenance fund under section 3315.18 of the 40772
Revised Code. 40773

(E) Any decision by the commission to approve or not approve 40774
the transfer of money under this section is final and not subject 40775
to appeal. The commission shall not be responsible for errors or 40776
miscalculations made in deciding whether to approve a petition to 40777
make transfers under this section. 40778

(F) If the district board determines that it no longer can 40779
continue making the transfers agreed to under this section, the 40780
board may rescind the agreement only so long as the electors of 40781
the district have approved, in accordance with section 3318.063 of 40782
the Revised Code, the levy of a tax for the maintenance of the 40783

classroom facilities acquired under the district's project and 40784
that levy continues to be collected as approved by the electors. 40785
That levy shall be for a number of years that is equal to the 40786
difference between twenty-three years and the number of years that 40787
the district made transfers under this section and shall be at the 40788
rate of not less than one-half mill for each dollar of the 40789
district's valuation. The district board shall continue to make 40790
the transfers agreed to under this section until that levy has 40791
been approved by the electors. 40792

Sec. 3318.054. (A) If conditional approval of a city, 40793
exempted village, or local school district's project lapses as 40794
provided in section 3318.05 of the Revised Code, or if conditional 40795
approval of a joint vocational school district's project lapses as 40796
provided in division (D) of section 3318.41 of the Revised Code, 40797
because the district's electors have not approved the ballot 40798
measures necessary to generate the district's portion of the basic 40799
project cost, and if the district board desires to seek a new 40800
conditional approval of the project, the district board shall 40801
request that the Ohio facilities construction commission set the 40802
scope, basic project cost, and school district portion of the 40803
basic project cost prior to resubmitting the ballot measures to 40804
the electors. To do so, the commission shall use the district's 40805
current assessed tax valuation and the district's percentile for 40806
the prior fiscal year. For a district that has entered into an 40807
agreement under section 3318.36 of the Revised Code and desires to 40808
proceed with a project under sections 3318.01 to 3318.20 of the 40809
Revised Code, the district's portion of the basic project cost 40810
shall be the percentage specified in that agreement. The project 40811
scope and basic costs established under this division shall be 40812
valid for ~~thirteen~~ sixteen months from the date the commission 40813
approves them. 40814

(B) Upon the commission's approval under division (A) of this 40815

section, the district board may submit the ballot measures to the 40816
district's electors for approval of the project based on the new 40817
project scope and estimated costs. Upon electoral approval of 40818
those measures, the district shall be given first priority for 40819
project funding as such funds become available. 40820

(C) When the commission determines that funds are available 40821
for the district's project, the commission shall do all of the 40822
following: 40823

(1) Determine the school district portion of the basic 40824
project cost under section 3318.032 of the Revised Code, in the 40825
case of a city, exempted village, or local school district, or 40826
under section 3318.42 of the Revised Code, in the case of a joint 40827
vocational school district; 40828

(2) Conditionally approve the project and submit it to the 40829
controlling board for approval pursuant to section 3318.04 of the 40830
Revised Code; 40831

(3) Encumber funds for the project under section 3318.11 of 40832
the Revised Code; 40833

(4) Enter into an agreement with the district board under 40834
section 3318.08 of the Revised Code. 40835

Sec. 3318.055. Notwithstanding any provision to the contrary 40836
in sections 3318.05, 3318.06, 3318.061, 3318.08, 3318.33, 3318.36, 40837
3318.361, and 3318.38 of the Revised Code, if the amount of money 40838
that would be raised in a school district by the twenty-three year 40839
maintenance tax specified in those sections during the first 40840
twelve-month period of its collection, as estimated by the 40841
department of taxation, would be less than ten per cent of the 40842
amount of money that the school district was required to deposit 40843
into its capital and maintenance fund during the most recent 40844
fiscal year under section 3315.18 of the Revised Code, the school 40845

district shall not be required to include such maintenance tax on 40846
a ballot proposal, as otherwise required under sections 3318.05, 40847
3318.06, 3318.061, 3318.08, 3318.33, 3318.36, 3318.361, and 40848
3318.38 of the Revised Code. 40849

Sec. 3318.084. (A) Notwithstanding anything to the contrary 40850
in Chapter 3318. of the Revised Code, a school district board may 40851
apply any local donated contribution toward any of the following: 40852

(1) The district's portion of the basic project cost of a 40853
project under either sections 3318.01 to 3318.20 or sections 40854
3318.40 to 3318.45 of the Revised Code to reduce the amount of 40855
bonds the district otherwise must issue in order to receive state 40856
assistance under those sections; 40857

(2) If the school district is not a joint vocational school 40858
district proceeding under sections 3318.40 to 3318.45 of the 40859
Revised Code, an offset of all or part of a district's obligation 40860
to levy the tax described in division (B) of section 3318.05 of 40861
the Revised Code, which shall be applied only in the manner 40862
prescribed in division (B) of this section; 40863

(3) If the school district is a joint vocational school 40864
district proceeding under sections 3318.40 to 3318.45 of the 40865
Revised Code, all or part of the amount the school district is 40866
obligated to set aside for maintenance of the classroom facilities 40867
acquired under that project pursuant to section 3318.43 of the 40868
Revised Code. 40869

(B) No school district board shall apply any local donated 40870
contribution under division (A)(2) of this section unless the Ohio 40871
facilities construction commission first approves that 40872
application. 40873

Upon the request of the school district board to apply local 40874
donated contribution under division (A)(2) of this section, the 40875

commission in consultation with the department of taxation shall 40876
determine the amount of total revenue that likely would be 40877
generated by one-half mill of the tax described in division (B) of 40878
section 3318.05 of the Revised Code over the entire 40879
twenty-three-year period required under that section and shall 40880
deduct from that amount any amount of local donated contribution 40881
that the board has committed to apply under division (A)(2) of 40882
this section. The commission then shall determine in consultation 40883
with the department of taxation the rate of tax over twenty-three 40884
years necessary to generate the amount of a one-half mill tax not 40885
offset by the local donated contribution. Notwithstanding anything 40886
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 40887
Revised Code, the rate determined by the commission shall be the 40888
rate for which the district board shall seek elector approval 40889
under those sections to meet its obligation under division (B) of 40890
section 3318.05 of the Revised Code. In the case of a complete 40891
offset of the district's obligation under division (B) of section 40892
3318.05 of the Revised Code, the district shall not be required to 40893
levy the tax otherwise required under that section. At the end of 40894
the twenty-three-year period of the tax required under division 40895
(B) of section 3318.05 of the Revised Code, whether or not the tax 40896
is actually levied, the commission in consultation of the 40897
department of taxation shall recalculate the amount that would 40898
have been generated by the tax if it had been levied at one-half 40899
mill. If the total amount actually generated over that period from 40900
both the tax that was actually levied and any local donated 40901
contribution applied under division (A)(2) of this section is less 40902
than the amount that would have been raised by a one-half mill 40903
tax, the district shall pay any difference. If the total amount 40904
actually raised in such manner is greater than the amount that 40905
would have been raised by a one-half mill tax the difference shall 40906
be zero and no payments shall be made by either the district or 40907
the commission. 40908

(C) As used in this section, "local donated contribution" 40909
means any of the following: 40910

(1) Any moneys irrevocably donated or granted to a school 40911
district board by a source other than the state which the board 40912
has the authority to apply to the school district's project under 40913
sections 3318.01 to 3318.20 of the Revised Code and which the 40914
board has pledged for that purpose by resolution adopted by a 40915
majority of its members; 40916

(2) Any irrevocable letter of credit issued on behalf of a 40917
school district which the school district board has encumbered for 40918
payment of the school district's share of its project under 40919
sections 3318.01 to 3318.20 of the Revised Code that has been 40920
approved by the commission in consultation with the department of 40921
education; 40922

(3) Any cash a school district has on hand that the school 40923
district board has encumbered for payment of the school district's 40924
share of its project under sections 3318.01 to 3318.20 of the 40925
Revised Code that has been approved by the commission in 40926
consultation with the department of education, including the 40927
following: 40928

(a) Any year-end operating fund balances that can be spent 40929
for classroom facilities; 40930

(b) Any cash resulting from a lease-purchase agreement that 40931
the school district board has entered into under section 3313.375 40932
of the Revised Code, provided that the agreement and the related 40933
financing documents contain provisions protecting the state's 40934
superior interest in the project. 40935

(4) Any moneys spent by a source other than the school 40936
district or the state for construction or renovation of specific 40937
classroom facilities that have been approved by the commission as 40938
part of the basic project cost of the district's project. The 40939

school district, the commission, and the entity providing the 40940
local donated contribution under division (C)(4) of this section 40941
shall enter into an agreement identifying the classroom facilities 40942
to be acquired by the expenditures made by that entity. The 40943
agreement shall include, but not be limited to, stipulations that 40944
require an audit by the commission of such expenditures made on 40945
behalf of the district and that specify the maximum amount of 40946
credit to be allowed for those expenditures. Upon completion of 40947
the construction or renovation, the commission shall determine the 40948
actual amount that the commission will credit, at the request of 40949
the district board, toward the district's portion of the basic 40950
project cost, any project cost overruns, or the basic project cost 40951
of future segments if the project has been divided into segments 40952
under section 3318.33 or 3318.38 of the Revised Code. The actual 40953
amount of the credit shall not exceed the lesser of the amount 40954
specified in the agreement or the actual cost of the construction 40955
or renovation. 40956

(D) No state moneys shall be released for a project to which 40957
this section applies until: 40958

(1) Any local donated contribution authorized under division 40959
(A)(1) of this section is first deposited into the school 40960
district's project construction fund. 40961

(2) The school district board and the commission have 40962
included a stipulation in their agreement entered into under 40963
section 3318.08 of the Revised Code under which the board will 40964
deposit into a fund approved by the commission according to a 40965
schedule that does not extend beyond the anticipated completion 40966
date of the project the total amount of any local donated 40967
contribution authorized under division (A)(2) or (3) of this 40968
section and dedicated by the board for that purpose. 40969

However, if any local donated contribution as described in 40970
division (C)(4) of this section has been approved under this 40971

section, the state moneys may be released even if the entity 40972
providing that local donated contribution has not spent the moneys 40973
so dedicated as long as the agreement required under that section 40974
has been executed. 40975

Sec. 3318.33. (A) The accelerated Appalachian school building 40976
assistance program is hereby established. Under the program, 40977
notwithstanding section 3318.02 of the Revised Code, any school 40978
district that has any territory within the Appalachian region, as 40979
defined in section 107.21 of the Revised Code, and that has not 40980
been approved to receive assistance under sections 3318.01 to 40981
3318.20 of the Revised Code prior to the effective date of this 40982
section, may, beginning on that date, apply for approval of and be 40983
approved for such assistance. Except as otherwise provided in this 40984
section, any project approved and undertaken pursuant to this 40985
section shall comply with all provisions of sections 3318.01 to 40986
3318.20 of the Revised Code. 40987

(B) The Ohio facilities construction commission shall provide 40988
assistance to school districts eligible for assistance under this 40989
section in the following manner: 40990

(1) Each fiscal biennium, the commission shall select to 40991
receive assistance under this section not fewer than three school 40992
districts eligible for such assistance until all such eligible 40993
districts have received assistance under sections 3318.01 to 40994
3318.20 of the Revised Code. 40995

(2) Notwithstanding section 3318.02 of the Revised Code, the 40996
commission shall conduct an on-site visit and shall assess the 40997
classroom facilities needs of each school district eligible for 40998
assistance under this section that is selected under division 40999
(B)(1) of this section. 41000

(3) Any school district eligible for assistance under this 41001
section and selected under division (B)(1) of this section may 41002

apply to the commission for conditional approval of its project as 41003
determined by the assessment conducted under division (B)(2) of 41004
this section. The commission shall conditionally approve that 41005
project and submit it to the controlling board for approval 41006
pursuant to section 3318.04 of the Revised Code. 41007

(C)(1) If the controlling board approves a project submitted 41008
under division (B)(3) of this section, the commission and the 41009
school district shall enter into an agreement as prescribed in 41010
section 3318.05 of the Revised Code. 41011

(2) Any district to which this section applies may opt to 41012
divide the district's entire classroom facilities needs, as those 41013
needs are jointly determined by the staff of the commission and 41014
the school district, into discrete segments as prescribed in 41015
section 3318.034 of the Revised Code. 41016

(D) Under the program, to incentivize a district's electors 41017
to vote favorably on both of the propositions described in 41018
divisions (A) and (B) of section 3318.05 of the Revised Code, the 41019
commission shall reduce the district's portion of the basic 41020
project cost, as it is determined under section 3318.032 of the 41021
Revised Code, as follows: 41022

(1) If, in the first election in which the propositions 41023
appear on the ballot the district's electors vote favorably for 41024
the propositions, the district's portion of the basic project cost 41025
shall be reduced by twenty per cent. 41026

(2) If, in the second election in which the propositions 41027
appear on the ballot the district's electors vote favorably for 41028
the propositions, the district's portion of the basic project cost 41029
shall be reduced by fifteen per cent. 41030

(3) If, in the third election in which the propositions 41031
appear on the ballot the district's electors vote favorably for 41032
the propositions, the district's portion of the basic project cost 41033

shall be reduced by twelve per cent. 41034

(E) In the event that the electors of an eligible school district vote favorably on both provisions described in divisions (A) and (B) of this section in the fiscal year in which this section becomes effective but prior to the effective date of this section, that district is entitled to participate in the program in the same manner as a district that passes the propositions on or after the effective date of this section. 41035
41036
41037
41038
41039
41040
41041

(F) If, for any fiscal year, the amount appropriated for all projects or segments approved by the commission under the program is not adequate, the commission shall proportionately reduce the amount of state funds each of the districts with an approved project or segment receives under this section for that fiscal year. However, each of those districts shall be eligible for continued assistance under this section in subsequent fiscal years until its project or segment is completed. 41042
41043
41044
41045
41046
41047
41048
41049

(G) In any fiscal year in which the general assembly does not fund the program, any eligible school district that has not yet received assistance under the program retains its eligibility to receive assistance under sections 3318.01 to 3318.20 of the Revised Code in the same order it was scheduled to receive assistance prior to becoming eligible for the program. 41050

41053
41054
41055

Sec. 3318.364. In any fiscal year, the Ohio facilities construction commission may, at its discretion, provide assistance under sections 3318.01 to 3318.20 of the Revised Code to a school district that has entered into an expedited local partnership agreement under section 3318.36 of the Revised Code before the district is otherwise eligible for that assistance based on its percentile rank, if the commission determines all of the following: 41056
41057
41058
41059
41060
41061
41062
41063

(A) The district has made an expenditure of local resources 41064

under its expedited local partnership agreement on a discrete part 41065
of its district-wide project. 41066

(B) The district is ready to complete its district-wide 41067
project or a segment of the project, in accordance with section 41068
3318.034 of the Revised Code. 41069

(C) The district is in compliance with division (D)(2) of 41070
section 3318.36 of the Revised Code. 41071

(D) Sufficient state funds have been appropriated for 41072
classroom facilities projects for the fiscal year to pay the state 41073
share of the district's project or segment after paying the state 41074
share of projects for all of the following: 41075

(1) Districts that previously had their conditional approval 41076
lapse pursuant to section 3318.05 of the Revised Code; 41077

(2) Districts eligible for assistance under division (B)(2) 41078
of section 3318.04 of the Revised Code; 41079

(3) Districts participating in the exceptional needs school 41080
facilities assistance program under section 3318.37 or 3318.371 of 41081
the Revised Code; 41082

(4) Districts participating in ~~the~~ an accelerated ~~urban~~ 41083
school building assistance program under section 3318.33 or 41084
3318.38 of the Revised Code. 41085

Assistance under this section shall be offered to eligible 41086
districts in the order of their percentile rankings at the time 41087
they entered into their expedited local partnership agreements, 41088
from lowest to highest percentile. In the event that more than one 41089
district has the same percentile ranking, those districts shall be 41090
offered assistance in the order of the date they entered into 41091
their expedited local partnership agreements, from earliest to 41092
latest date. 41093

As used in this section, "local resources" and "percentile" 41094

have the same meanings as in section 3318.36 of the Revised Code. 41095

Sec. 3318.37. (A)(1) As used in this section: 41096

(a) "Full maintenance amount" has the same meaning as in 41097
section 3318.034 of the Revised Code. 41098

(b) A "school district with an exceptional need for immediate 41099
classroom facilities assistance" means a school district with an 41100
exceptional need for new facilities in order to protect the health 41101
and safety of all or a portion of its students. 41102

(2) No school district that participates in the school 41103
building assistance expedited local partnership program under 41104
section 3318.36 of the Revised Code shall receive assistance under 41105
the program established under this section unless the following 41106
conditions are satisfied: 41107

(a) The district board adopted a resolution certifying its 41108
intent to participate in the school building assistance expedited 41109
local partnership program under section 3318.36 of the Revised 41110
Code prior to September 14, 2000. 41111

(b) The district was selected by the Ohio facilities 41112
construction commission for participation in the school building 41113
assistance expedited local partnership program under section 41114
3318.36 of the Revised Code in the manner prescribed by the 41115
commission under that section as it existed prior to September 14, 41116
2000. 41117

(B)(1) There is hereby established the exceptional needs 41118
school facilities assistance program. Under the program, the Ohio 41119
facilities construction commission may set aside from the moneys 41120
annually appropriated to it for classroom facilities assistance 41121
projects up to twenty-five per cent for assistance to school 41122
districts with exceptional needs for immediate classroom 41123
facilities assistance. At least ten per cent of the amount set 41124

aside shall be spent on school districts seeking facilities 41125
maintenance, repairs, or replacements described in division (E) of 41126
this section. 41127

(2)(a) After consulting with education and construction 41128
experts, the commission shall adopt guidelines for identifying 41129
school districts with an exceptional need for immediate classroom 41130
facilities assistance. 41131

(b) The guidelines shall include application forms and 41132
instructions for school districts to use in applying for 41133
assistance under this section. 41134

(3) The commission shall evaluate the classroom facilities, 41135
and the need for replacement classroom facilities from the 41136
applications received under this section. The commission, 41137
utilizing the guidelines adopted under division (B)(2)(a) of this 41138
section, shall prioritize the school districts to be assessed. 41139

Notwithstanding section 3318.02 of the Revised Code, the 41140
commission may conduct on-site evaluation of the school districts 41141
prioritized under this section and approve and award funds until 41142
such time as all funds set aside under division (B)(1) of this 41143
section have been encumbered. However, the commission need not 41144
conduct the evaluation of facilities if the commission determines 41145
that a district's assessment conducted under section 3318.36 of 41146
the Revised Code is sufficient for purposes of this section. 41147

(4) Notwithstanding division (A) of section 3318.05 of the 41148
Revised Code, the school district's portion of the basic project 41149
cost under this section shall be the "required percentage of the 41150
basic project costs," as defined in division (K) of section 41151
3318.01 of the Revised Code. 41152

(5) Except as otherwise specified in this section, any 41153
project undertaken with assistance under this section shall comply 41154
with all provisions of sections 3318.01 to 3318.20 of the Revised 41155

Code. A school district may receive assistance under sections 41156
3318.01 to 3318.20 of the Revised Code for the remainder of the 41157
district's classroom facilities needs as assessed under this 41158
section when the district is eligible for such assistance pursuant 41159
to section 3318.02 of the Revised Code, but any classroom facility 41160
constructed with assistance under this section shall not be 41161
included in a district's project at that time unless the 41162
commission determines the district has experienced the increased 41163
enrollment specified in division (B)(1) of section 3318.04 of the 41164
Revised Code. 41165

(C) No school district shall receive assistance under this 41166
section for a classroom facility that has been included in the 41167
discrete part of the district's classroom facilities needs 41168
identified and addressed in the district's project pursuant to an 41169
agreement entered into under section 3318.36 of the Revised Code, 41170
unless the district's entire classroom facilities plan consists of 41171
only a single building designed to house grades kindergarten 41172
through twelve. 41173

(D)(1) When undertaking a project under this section, a 41174
school district may elect to prorate its full maintenance amount 41175
by setting aside for maintenance the amount calculated under 41176
division (D)(2) of this section to maintain the classroom 41177
facilities acquired under the project, if the district will use 41178
one or more of the alternative methods authorized in sections 41179
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 41180
the entire amount calculated under that division. If the district 41181
so elects, the commission and the district shall include in the 41182
agreement entered into under section 3318.08 of the Revised Code a 41183
statement specifying that the district will use the amount 41184
calculated under that division only to maintain the classroom 41185
facilities acquired under the project under this section. 41186

(2) The commission shall calculate the amount for a school 41187

district to maintain the classroom facilities acquired under a 41188
project under this section as follows: 41189

The full maintenance amount X (the school district's portion 41190
of the basic project cost under this section / the school 41191
district's portion of the basic project cost for the district's 41192
entire classroom facilities needs, as determined jointly by the 41193
staff of the commission and the district) 41194

(3) A school district may elect to prorate its full 41195
maintenance amount for any number of projects under this section, 41196
provided the district will use one or more of the alternative 41197
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 41198
the Revised Code to generate the entire amount calculated under 41199
division (D)(2) of this section to maintain the classroom 41200
facilities acquired under each project for which it so elects. If 41201
the district cannot use one or more of those alternative methods 41202
to generate the entire amount calculated under that division, the 41203
district shall levy the tax described in division (B) of section 41204
3318.05 of the Revised Code or an extension of that tax under 41205
section 3318.061 of the Revised Code in an amount necessary to 41206
generate the remainder of its full maintenance amount. The 41207
commission shall calculate the remainder of the district's full 41208
maintenance amount as follows: 41209

The full maintenance amount - the sum of the amounts 41210
calculated for the district under division (D)(2) of this section 41211
for each of the district's prior projects under this section 41212

(4) In no case shall the sum of the amounts calculated for a 41213
school district's maintenance of classroom facilities under 41214
divisions (D)(2) and (3) of this section exceed the amount that 41215
would have been required for maintenance if the district had 41216
elected to meet its entire classroom facilities needs with a 41217
project under sections 3318.01 to 3318.20 of the Revised Code and 41218
had not undertaken one or more projects under this section. 41219

(5) If a school district commenced a project under this section prior to September 10, 2012, but has not completed that project, and has not levied the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the district may request approval from the commission to prorate its full maintenance amount in accordance with divisions (D)(1) to (4) of this section. If the commission approves the request, the commission and the district shall amend the agreement entered into under section 3318.08 of the Revised Code to reflect the change.

(E)(1) A school district that has not been invited to request assistance under this section may do so annually, provided the school district is in need of facilities maintenance, repairs, or replacement and has previously completed a classroom facilities construction project under which the twenty-three year maintenance funding requirement described in division (B) of section 3318.05 of the Revised Code has lapsed.

(2) The commission shall establish an application process for requests submitted under division (E) of this section.

Sec. 3318.41. (A)(1) The Ohio facilities construction commission annually shall assess the classroom facilities needs of the number of joint vocational school districts that the commission reasonably expects to be able to provide assistance to in a fiscal year, based on the amount set aside for that fiscal year under division (B) of section 3318.40 of the Revised Code and the order of priority prescribed in division (B) of section 3318.42 of the Revised Code, except that in fiscal year 2004 the commission shall conduct at least the five assessments prescribed in division (E) of section 3318.40 of the Revised Code.

Upon conducting an assessment of the classroom facilities needs of a school district, the commission shall make a

determination of all of the following: 41251

(a) The number of classroom facilities to be included in a 41252
project and the basic project cost of acquiring the classroom 41253
facilities included in the project. The number of facilities and 41254
basic project cost shall be determined in accordance with the 41255
specifications adopted under section 3318.311 of the Revised Code 41256
except to the extent that compliance with such specifications is 41257
waived by the commission pursuant to the rule of the commission 41258
adopted under division (F) of section 3318.40 of the Revised Code. 41259

(b) The school district's portion of the basic project cost 41260
as determined under division (C) of section 3318.42 of the Revised 41261
Code; 41262

(c) The remaining portion of the basic project cost that 41263
shall be supplied by the state; 41264

(d) The amount of the state's portion of the basic project 41265
cost to be encumbered in accordance with section 3318.11 of the 41266
Revised Code in the current and subsequent fiscal years from funds 41267
set aside under division (B) of section 3318.40 of the Revised 41268
Code. 41269

(2) Divisions (A), (C), and (D) of section 3318.03 of the 41270
Revised Code apply to any project under sections 3318.40 to 41271
3318.45 of the Revised Code. 41272

(B)(1) If the commission makes a determination under division 41273
(A) of this section in favor of the acquisition of classroom 41274
facilities for a project under sections 3318.40 to 3318.45 of the 41275
Revised Code, such project shall be conditionally approved. Such 41276
conditional approval shall be submitted to the controlling board 41277
for approval. The controlling board shall immediately approve or 41278
reject the commission's determination, conditional approval, the 41279
amount of the state's portion of the basic project cost, and the 41280
amount of the state's portion of the basic project cost to be 41281

encumbered in the current fiscal year. In the event of approval by 41282
the controlling board, the commission shall certify the 41283
conditional approval to the joint vocational school district board 41284
of education and shall encumber the approved funds for the current 41285
fiscal year. 41286

(2) No school district that receives assistance under 41287
sections 3318.40 to 3318.45 of the Revised Code shall have another 41288
such project conditionally approved until the expiration of twenty 41289
years after the school district's prior project was conditionally 41290
approved, unless the school district board demonstrates to the 41291
satisfaction of the commission that the school district has 41292
experienced since conditional approval of its prior project an 41293
exceptional increase in enrollment or program requirements 41294
significantly above the school district's design capacity under 41295
that prior project as determined by rule of the commission. Any 41296
rule adopted by the commission to implement this division shall be 41297
tailored to address the classroom facilities needs of joint 41298
vocational school districts. 41299

(C) In addition to generating the amount of the school 41300
district's portion of the basic project cost as determined under 41301
division (C) of section 3318.42 of the Revised Code, in order for 41302
a school district to receive assistance under sections 3318.40 to 41303
3318.45 of the Revised Code, the school district board shall set 41304
aside school district moneys for the maintenance of the classroom 41305
facilities included in the school district's project in the amount 41306
and manner prescribed in section 3318.43 of the Revised Code. 41307

(D)(1) The conditional approval for a project certified under 41308
division (B)(1) of this section shall lapse and the amount 41309
reserved and encumbered for such project shall be released unless 41310
both of the following conditions are satisfied: 41311

(a) Within one hundred twenty days following the date of 41312
certification of the conditional approval to the joint vocational 41313

school district board, the school district board accepts the 41314
conditional approval and certifies to the commission the school 41315
district board's plan to generate the school district's portion of 41316
the basic project cost, as determined under division (C) of 41317
section 3318.42 of the Revised Code, and to set aside moneys for 41318
maintenance of the classroom facilities acquired under the 41319
project, as prescribed in section 3318.43 of the Revised Code. 41320

(b) Within ~~thirteen~~ sixteen months following the date of 41321
certification of the conditional approval to the school district 41322
board, the electors of the school district vote favorably on any 41323
ballot measures proposed by the school district board to generate 41324
the school district's portion of the basic project cost. 41325

(2) If the school district board or electors fail to satisfy 41326
the conditions prescribed in division (D)(1) of this section and 41327
the amount reserved and encumbered for the school district's 41328
project is released, the school district shall be given first 41329
priority over other joint vocational school districts for project 41330
funding under sections 3318.40 to 3318.45 of the Revised Code as 41331
such funds become available, subject to section 3318.054 of the 41332
Revised Code. 41333

(E) If the conditions prescribed in division (D)(1) of this 41334
section are satisfied, the commission and the school district 41335
board shall enter into an agreement as prescribed in section 41336
3318.08 of the Revised Code and shall proceed with the development 41337
of plans, cost estimates, designs, drawings, and specifications as 41338
prescribed in section 3318.091 of the Revised Code. 41339

(F) Costs in excess of those approved by the commission under 41340

provision. 41550

teacher to whom assigned, or when required to testify in a court 41573
or proceedings, any personal information concerning any pupil in 41574
the school district which was obtained or obtainable by the 41575
educational assistant while so employed. Violation of this 41576

(E) Any rules the state board of education adopts, amends, or 41750
rescinds for educator licenses under this section, division (D) of 41751
section 3301.07 of the Revised Code, or any other law shall be 41752
adopted, amended, or rescinded under Chapter 119. of the Revised 41753
Code except as follows: 41754

(1) Notwithstanding division (E) of section 119.03 and 41755
division (A)(1) of section 119.04 of the Revised Code, in the case 41756
of the adoption of any rule or the amendment or rescission of any 41757
rule that necessitates institutions' offering preparation programs 41758
for educators and other school personnel that are approved by the 41759
chancellor of higher education under section 3333.048 of the 41760
Revised Code to revise the curriculum of those programs, the 41761
effective date shall not be as prescribed in division (E) of 41762
section 119.03 and division (A)(1) of section 119.04 of the 41763
Revised Code. Instead, the effective date of such rules, or the 41764
amendment or rescission of such rules, shall be the date 41765
prescribed by section 3333.048 of the Revised Code. 41766

(2) Notwithstanding the authority to adopt, amend, or rescind 41767
emergency rules in division (G) of section 119.03 of the Revised 41768
Code, this authority shall not apply to the state board of 41769
education with regard to rules for educator licenses. 41770

(F)(1) The rules adopted under this section establishing 41771
standards requiring additional coursework for the renewal of any 41772
educator license shall require a school district and a chartered 41773
nonpublic school to establish local professional development 41774
committees. In a nonpublic school, the chief administrative 41775
officer shall establish the committees in any manner acceptable to 41776
such officer. The committees established under this division shall 41777
determine whether coursework that a district or chartered 41778
nonpublic school teacher proposes to complete meets the 41779

requirement of the rules. The department of education shall 41780
provide technical assistance and support to committees as the 41781
committees incorporate the professional development standards 41782
adopted by the state board of education pursuant to section 41783
3319.61 of the Revised Code into their review of coursework that 41784
is appropriate for license renewal. The rules shall establish a 41785
procedure by which a teacher may appeal the decision of a local 41786
professional development committee. 41787

(2) In any school district in which there is no exclusive 41788
representative established under Chapter 4117. of the Revised 41789
Code, the professional development committees shall be established 41790
as described in division (F)(2) of this section. 41791

Not later than the effective date of the rules adopted under 41792
this section, the board of education of each school district shall 41793
establish the structure for one or more local professional 41794
development committees to be operated by such school district. The 41795
committee structure so established by a district board shall 41796
remain in effect unless within thirty days prior to an anniversary 41797
of the date upon which the current committee structure was 41798
established, the board provides notice to all affected district 41799
employees that the committee structure is to be modified. 41800
Professional development committees may have a district-level or 41801
building-level scope of operations, and may be established with 41802
regard to particular grade or age levels for which an educator 41803
license is designated. 41804

Each professional development committee shall consist of at 41805
least three classroom teachers employed by the district, one 41806
principal employed by the district, and one other employee of the 41807
district appointed by the district superintendent. For committees 41808
with a building-level scope, the teacher and principal members 41809
shall be assigned to that building, and the teacher members shall 41810
be elected by majority vote of the classroom teachers assigned to 41811

that building. For committees with a district-level scope, the 41812
teacher members shall be elected by majority vote of the classroom 41813
teachers of the district, and the principal member shall be 41814
elected by a majority vote of the principals of the district, 41815
unless there are two or fewer principals employed by the district, 41816
in which case the one or two principals employed shall serve on 41817
the committee. If a committee has a particular grade or age level 41818
scope, the teacher members shall be licensed to teach such grade 41819
or age levels, and shall be elected by majority vote of the 41820
classroom teachers holding such a license and the principal shall 41821
be elected by all principals serving in buildings where any such 41822
teachers serve. The district superintendent shall appoint a 41823
replacement to fill any vacancy that occurs on a professional 41824
development committee, except in the case of vacancies among the 41825
elected classroom teacher members, which shall be filled by vote 41826
of the remaining members of the committee so selected. 41827

Terms of office on professional development committees shall 41828
be prescribed by the district board establishing the committees. 41829
The conduct of elections for members of professional development 41830
committees shall be prescribed by the district board establishing 41831
the committees. A professional development committee may include 41832
additional members, except that the majority of members on each 41833
such committee shall be classroom teachers employed by the 41834
district. Any member appointed to fill a vacancy occurring prior 41835
to the expiration date of the term for which a predecessor was 41836
appointed shall hold office as a member for the remainder of that 41837
term. 41838

The initial meeting of any professional development 41839
committee, upon election and appointment of all committee members, 41840
shall be called by a member designated by the district 41841
superintendent. At this initial meeting, the committee shall 41842
select a chairperson and such other officers the committee deems 41843

necessary, and shall adopt rules for the conduct of its meetings. 41844
Thereafter, the committee shall meet at the call of the 41845
chairperson or upon the filing of a petition with the district 41846
superintendent signed by a majority of the committee members 41847
calling for the committee to meet. 41848

(3) In the case of a school district in which an exclusive 41849
representative has been established pursuant to Chapter 4117. of 41850
the Revised Code, professional development committees shall be 41851
established in accordance with any collective bargaining agreement 41852
in effect in the district that includes provisions for such 41853
committees. 41854

If the collective bargaining agreement does not specify a 41855
different method for the selection of teacher members of the 41856
committees, the exclusive representative of the district's 41857
teachers shall select the teacher members. 41858

If the collective bargaining agreement does not specify a 41859
different structure for the committees, the board of education of 41860
the school district shall establish the structure, including the 41861
number of committees and the number of teacher and administrative 41862
members on each committee; the specific administrative members to 41863
be part of each committee; whether the scope of the committees 41864
will be district levels, building levels, or by type of grade or 41865
age levels for which educator licenses are designated; the lengths 41866
of terms for members; the manner of filling vacancies on the 41867
committees; and the frequency and time and place of meetings. 41868
However, in all cases, except as provided in division (F)(4) of 41869
this section, there shall be a majority of teacher members of any 41870
professional development committee, there shall be at least five 41871
total members of any professional development committee, and the 41872
exclusive representative shall designate replacement members in 41873
the case of vacancies among teacher members, unless the collective 41874
bargaining agreement specifies a different method of selecting 41875

such replacements. 41876

(4) Whenever an administrator's coursework plan is being 41877
discussed or voted upon, the local professional development 41878
committee shall, at the request of one of its administrative 41879
members, cause a majority of the committee to consist of 41880
administrative members by reducing the number of teacher members 41881
voting on the plan. 41882

(G)(1) The department of education, educational service 41883
centers, county boards of developmental disabilities, college and 41884
university departments of education, head start programs, and the 41885
Ohio education computer network may establish local professional 41886
development committees to determine whether the coursework 41887
proposed by their employees who are licensed or certificated under 41888
this section or section 3319.222 of the Revised Code, or under the 41889
former version of either section as it existed prior to October 41890
16, 2009, meet the requirements of the rules adopted under this 41891
section. They may establish local professional development 41892
committees on their own or in collaboration with a school district 41893
or other agency having authority to establish them. 41894

Local professional development committees established by 41895
county boards of developmental disabilities shall be structured in 41896
a manner comparable to the structures prescribed for school 41897
districts in divisions (F)(2) and (3) of this section, as shall 41898
the committees established by any other entity specified in 41899
division (G)(1) of this section that provides educational services 41900
by employing or contracting for services of classroom teachers 41901
licensed or certificated under this section or section 3319.222 of 41902
the Revised Code, or under the former version of either section as 41903
it existed prior to October 16, 2009. All other entities specified 41904
in division (G)(1) of this section shall structure their 41905
committees in accordance with guidelines which shall be issued by 41906
the state board. 41907

(2) Educational service centers may establish local professional development committees to serve educators who are not employed in schools in this state, including pupil services personnel who are licensed under this section. Local professional development committees shall be structured in a manner comparable to the structures prescribed for school districts in divisions (F)(2) and (3) of this section.

These committees may agree to review the coursework, continuing education units, or other equivalent activities related to classroom teaching or the area of licensure that is proposed by an individual who satisfies both of the following conditions:

(a) The individual is licensed or certificated under this section or under the former version of this section as it existed prior to October 16, 2009.

(b) The individual is not currently employed as an educator or is not currently employed by an entity that operates a local professional development committee under this section.

Any committee that agrees to work with such an individual shall work to determine whether the proposed coursework, continuing education units, or other equivalent activities meet the requirements of the rules adopted by the state board under this section.

(3) Any public agency that is not specified in division (G)(1) or (2) of this section but provides educational services and employs or contracts for services of classroom teachers licensed or certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to October 16, 2009, may establish a local professional development committee, subject to the approval of the department of education. (1) Mentoring by teachers, which may be provided online or in person. The department of education shall provide participants and mentors with access to online professional development resources and sample videos of Ohio classroom lessons submitted for the assessment prescribed under division (A)(3) of this section at no cost.

(2) Take a performance-based assessment. 42005

completed by students are not inhibited by inconsistent judgment 44252
about the application of transfer credits. Coursework completed 44253

within such a system at one state institution of higher education 44254

about the application of transfer credits, and to assist in 44262

approved transfer modules shall be admitted to a state institution 44271
of higher education, shall be able to compete for admission to 44272
specific programs on the same basis as students native to the 44273
institution, and shall have priority over out-of-state associate 44274
degree graduates and transfer students. To assist a student in 44275

of transfer options at state institutions of higher education and 44283
to encourage adults to return to colleges and universities for 44284
additional education; 44285

(6) Study, in consultation with the state board of career 44286

equivalent field at any other state institution of higher 44302
education without unnecessary duplication or institutional 44303
barriers. The policies and procedures shall ensure that each 44304
transferred associate degree applies to the student's degree 44305
objective in the same manner as equivalent coursework completed by 44306
the student at the receiving institution. 44307

pursuant to this division, the chancellor shall seek input from 44309
faculty and academic leaders in each academic field or discipline. 44310

(3) Notwithstanding any law to the contrary, the director of 48063
administrative services shall ensure that a competitive selection 48064
process regarding a contract to operate a decentralized motor 48065
vehicle inspection and maintenance program in this state 48066
incorporates the following, which shall be included in the 48067
contract: 48068

(a) For purposes of expanding the number of testing locations 48069
for consumer convenience, a requirement that the vendor utilize 48070
established local businesses, auto repair facilities, or leased 48071
properties to operate state-approved inspection and maintenance 48072
testing facilities; 48073

(b) A requirement that the vendor selected to operate the 48074
program provide notification of the program's requirements to each 48075
owner of a motor vehicle that is required to be inspected under 48076
the program. The contract shall require the notification to be 48077
provided not later than sixty days prior to the date by which the 48078
owner of the motor vehicle is required to have the motor vehicle 48079
inspected. The director of environmental protection and the vendor 48080
shall jointly agree on the content of the notice. However, the 48081
notice shall include at a minimum the locations of all inspection 48082
facilities within a specified distance of the address that is 48083
listed on the owner's motor vehicle registration; 48084

(c) A requirement that the vendor comply with testing 48085

methodology and supply the required equipment approved by the 48086
director of environmental protection as specified in the 48087
competitive selection process in compliance with Chapter 125. of 48088
the Revised Code. 48089

(4) A decentralized motor vehicle inspection and maintenance 48090
program operated under this section shall comply with division (B) 48091
of this section. The director of environmental protection shall 48092
administer the decentralized motor vehicle inspection and 48093
maintenance program operated under this section. 48094

(B) The decentralized motor vehicle inspection and 48095
maintenance program authorized by this section, at a minimum, 48096
shall do all of the following: 48097

(1) Comply with the federal Clean Air Act; 48098

(2) Provide for the issuance of inspection certificates; 48099

(3) Provide for a new car exemption for motor vehicles four 48100
years old or newer and provide that a new motor vehicle is exempt 48101
for four years regardless of whether legal title to the motor 48102
vehicle is transferred during that period; 48103

(4) Provide for an exemption for battery electric motor 48104
vehicles. 48105

(C) The director of environmental protection shall adopt 48106
rules in accordance with Chapter 119. of the Revised Code that the 48107
director determines are necessary to implement this section. The 48108
director may continue to implement and enforce rules pertaining to 48109
the motor vehicle inspection and maintenance program previously 48110
implemented under former section 3704.14 of the Revised Code as 48111
that section existed prior to its repeal and reenactment by Am. 48112
Sub. H.B. 66 of the 126th general assembly, provided that the 48113
rules do not conflict with this section. 48114

(D) There is hereby created in the state treasury the auto 48115

emissions test fund, which shall consist of money received by the 48116
director from any cash transfers, state and local grants, and 48117
other contributions that are received for the purpose of funding 48118
the program established under this section. The director of 48119
environmental protection shall use money in the fund solely for 48120
the implementation, supervision, administration, operation, and 48121
enforcement of the motor vehicle inspection and maintenance 48122
program established under this section. Money in the fund shall 48123
not be used for either of the following: 48124

(1) To pay for the inspection costs incurred by a motor 48125
vehicle dealer so that the dealer may provide inspection 48126
certificates to an individual purchasing a motor vehicle from the 48127
dealer when that individual resides in a county that is subject to 48128
the motor vehicle inspection and maintenance program; 48129

(2) To provide payment for more than one free passing 48130

fees that are related to emissions inspections beyond one free 48134
passing emissions inspection or three total emissions inspections 48135
in any three-hundred-sixty-five-day period. Inspection fees that 48136
are charged by a contractor conducting emissions inspections under 48137
a motor vehicle inspection and maintenance program shall be 48138
approved by the director of environmental protection. 48139

(E) The motor vehicle inspection and maintenance program 48140
established under this section expires upon the termination of all 48141
contracts entered into under this section and shall not be 48142
implemented beyond the final date on which termination occurs. 48143

of a child sign an acknowledgment of paternity affidavit prepared 48147

that child at the office of the local registrar, the local 48149
registrar shall provide a notary public to notarize, or witnesses 48150
to witness, the acknowledgment. The local registrar shall send a 48151
signed and notarized or witnessed acknowledgment of paternity to 48152
the office of child support in the department of job and family 48153
services pursuant to section 3111.22 of the Revised Code. The 48154
local registrar shall send the acknowledgment no later than ten 48155
days after it has been signed and notarized or witnessed. If the 48156
local registrar knows a man is presumed under section 3111.03 of 48157
the Revised Code to be the father of the child and that the 48158
presumed father is not the man who signed or is attempting to sign 48159
an acknowledgment with respect to the child, the local registrar 48160
shall not notarize, witness, or send the acknowledgment pursuant 48161
to this section. 48162

acknowledgment of paternity affidavit described in division (A) of 48164
this section to any person that requests it. 48165

(D) The department of health and the department of job and 48173
family services shall enter into an agreement regarding expenses 48174
incurred by the department of health in comparing acknowledgment 48175

acknowledgment of paternity affidavits. 48177

Sec. 3705.17. The body of a person whose death occurs in this 48178
state shall not be interred, deposited in a vault or tomb, 48179
cremated, or otherwise disposed of by a funeral director until a 48180
burial permit is issued by a local registrar or sub-registrar of 48181
vital statistics. No such permit shall be issued by a local 48182
registrar or sub-registrar until a satisfactory death, fetal 48183
death, or provisional death certificate is filed with the local 48184
registrar or sub-registrar. When the medical certification as to 48185
the cause of death cannot be provided by the attending physician 48186
or coroner prior to burial, for sufficient cause, as determined by 48187
rule of the director of health, the funeral director may file a 48188
provisional death certificate with the local registrar or 48189
sub-registrar for the purpose of securing a burial or 48190
burial-transit permit. When the funeral director files a 48191
provisional death certificate to secure a burial or burial-transit 48192
permit, the funeral director shall file a satisfactory and 48193
complete death certificate within five days after the date of 48194
death. The director of health, by rule, may provide additional 48195
time for filing a satisfactory death certificate. A burial permit 48196
authorizing cremation shall not be issued upon the filing of a 48197
provisional certificate of death. 48198

When a funeral director or other person obtains a burial 48199
permit from a local registrar or sub-registrar, the registrar or 48200
sub-registrar shall charge a fee of three dollars for the issuance 48201
of the burial permit. Two dollars and fifty cents of each fee 48202
collected for a burial permit shall be paid into the state 48203
treasury to the credit of the ~~division of real estate in the~~ 48204
~~department of commerce~~ cemetery registration fund created under 48205
section 4767.03 of the Revised Code to be used by the division of 48206
real estate and professional licensing in the department of 48207
commerce in discharging its duties prescribed in Chapter 4767. of 48208
the Revised Code and the Ohio cemetery dispute resolution 48209

commission created by section 4767.05 of the Revised Code. A local registrar or sub-registrar shall transmit payments of that portion of the amount of each fee collected under this section to the treasurer of state on a quarterly basis or more frequently, if possible. The director of health, by rule, shall provide for the issuance of a burial permit without the payment of the fee required by this section if the total cost of the burial will be paid by an agency or instrumentality of the United States, the state or a state agency, or a political subdivision of the state.

The director of commerce may by rule adopted in accordance with Chapter 119. of the Revised Code reduce the total amount of the fee required by this section and that portion of the amount of the fee required to be paid to the credit of the division of real estate and professional licensing for the use of the division and the Ohio cemetery dispute resolution commission, if the director determines that the total amount of funds the fee is generating at the amount required by this section exceeds the amount of funds the division of real estate and professional licensing and the commission need to carry out their powers and duties prescribed in Chapter 4767. of the Revised Code.

No person in charge of any premises in which interments or cremations are made shall inter or cremate or otherwise dispose of a body, unless it is accompanied by a burial permit. Each person in charge of a cemetery, crematory, or other place of disposal shall indorse upon a burial permit the date of interment, cremation, or other disposal and shall retain such permits for a period of at least five years. The person in charge shall keep an accurate record of all interments, cremations, or other disposal of dead bodies, made in the premises under the person's charge, stating the name of the deceased person, place of death, date of burial, cremation, or other disposal, and name and address of the funeral director. Such record shall at all times be open to public

inspection. 48242

be paid into a special fund immediately upon the collection 48564
thereof by the governmental agency for the purpose of providing 48565
such contribution at the times required under such agreements. 48566

made over a period of time from the proceeds of the collection of 48568
special assessments, the interest accrued and to accrue before the 48569
first installment of such assessments shall be collected which is 48570

of the cost of the improvement for which such assessments are 48573
levied, and that portion of such assessments as are collected in 48574
installments shall bear interest at the same rate as such 48575
governmental agency is obligated to pay on such contribution under 48576
the terms and provisions of such agreements and for the same 48577
period of time as the contribution is to be made under such 48578

interest thereon as otherwise authorized by law. 48584

at the time of such election, had the authority to pay the 48590
proceeds from such bonds or notes issued in anticipation thereof 48591
to the authority as provided in this section, may issue such bonds 48592
or notes in anticipation of the issuance thereof and pay the 48593

is not a coal combustion residuals surface impoundment, an 51038
underground injection well, a salt dome formation, a salt bed 51039
formation, an underground or surface mine, or a cave. "Coal 51040
combustion residuals landfill" includes sand and gravel pits and 51041
quarries that receive coal combustion residuals, coal combustion 51042

Sec. 3734.57. (A) The following fees are hereby levied on the 51098
transfer or disposal of solid wastes in this state: 51099

(1) ~~Ninety~~ Seventy-one cents per ton through June 30, ~~2024~~ 51100
2026, ~~twenty eleven~~ cents of the proceeds of which shall be 51101
deposited in the state treasury to the credit of the hazardous 51102
waste facility management fund created in section 3734.18 of the 51103
Revised Code and ~~seventy~~ sixty cents of the proceeds of which 51104
shall be deposited in the state treasury to the credit of the 51105
hazardous waste clean-up fund created in section 3734.28 of the 51106
Revised Code; 51107

(2) An additional ~~seventy-five~~ ninety cents per ton through 51108
June 30, ~~2024~~ 2026, the proceeds of which shall be deposited in 51109

created in section 3734.061 of the Revised Code; 51111

(3) An additional two dollars and ~~eighty-five~~ eighty-one 51112
cents per ton through June 30, ~~2024~~ 2026, the proceeds of which 51113

Revised Code; 51116

(4) An additional twenty-five cents per ton through June 30, 51117
~~2024~~ 2026, the proceeds of which shall be deposited in the state 51118

(5) An additional eight cents per ton through June 30, 2026, 51121
the proceeds of which shall be deposited in the state treasury to 51122
the credit of the national priority list remedial support fund 51123
created in section 3734.579 of the Revised Code. 51124

In the case of solid wastes that are taken to a solid waste 51125
transfer facility located in this state prior to being transported 51126
for disposal at a solid waste disposal facility located in this 51127

state or outside of this state, the fees levied under this 51128
division shall be collected by the owner or operator of the 51129
transfer facility as a trustee for the state. The amount of fees 51130
required to be collected under this division at such a transfer 51131
facility shall equal the total tonnage of solid wastes received at 51132
the facility multiplied by the fees levied under this division. In 51133
the case of solid wastes that are not taken to a solid waste 51134
transfer facility located in this state prior to being transported 51135
to a solid waste disposal facility, the fees shall be collected by 51136
the owner or operator of the solid waste disposal facility as a 51137
trustee for the state. The amount of fees required to be collected 51138
under this division at such a disposal facility shall equal the 51139
total tonnage of solid wastes received at the facility that was 51140
not previously taken to a solid waste transfer facility located in 51141
this state multiplied by the fees levied under this division. Fees 51142
levied under this division do not apply to materials separated 51143
from a mixed waste stream for recycling by a generator or 51144
materials removed from the solid waste stream through recycling, 51145
as "recycling" is defined in rules adopted under section 3734.02 51146
of the Revised Code. 51147

The owner or operator of a solid waste transfer facility or 51148
disposal facility, as applicable, shall prepare and file with the 51149
director of environmental protection each month a return 51150
indicating the total tonnage of solid wastes received at the 51151
facility during that month and the total amount of the fees 51152
required to be collected under this division during that month. In 51153
addition, the owner or operator of a solid waste disposal facility 51154
shall indicate on the return the total tonnage of solid wastes 51155
received from transfer facilities located in this state during 51156
that month for which the fees were required to be collected by the 51157
transfer facilities. The monthly returns shall be filed on a form 51158
prescribed by the director. Not later than thirty days after the 51159
last day of the month to which a return applies, the owner or 51160

operator shall mail to the director the return for that month 51161
together with the fees required to be collected under this 51162
division during that month as indicated on the return or may 51163
submit the return and fees electronically in a manner approved by 51164
the director. If the return is filed and the amount of the fees 51165
due is paid in a timely manner as required in this division, the 51166
owner or operator may retain a discount of three-fourths of one 51167
per cent of the total amount of the fees that are required to be 51168
paid as indicated on the return. 51169

The owner or operator may request an extension of not more 51170
than thirty days for filing the return and remitting the fees, 51171
provided that the owner or operator has submitted such a request 51172
in writing to the director together with a detailed description of 51173
why the extension is requested, the director has received the 51174
request not later than the day on which the return is required to 51175
be filed, and the director has approved the request. If the fees 51176
are not remitted within thirty days after the last day of the 51177
month to which the return applies or are not remitted by the last 51178
day of an extension approved by the director, the owner or 51179
operator shall not retain the three-fourths of one per cent 51180
discount and shall pay an additional ten per cent of the amount of 51181
the fees for each month that they are late. For purposes of 51182
calculating the late fee, the first month in which fees are late 51183
begins on the first day after the deadline has passed for timely 51184
submitting the return and fees, and one additional month shall be 51185
counted every thirty days thereafter. 51186

The owner or operator of a solid waste facility may request a 51187
refund or credit of fees levied under this division and remitted 51188
to the director that have not been paid to the owner or operator. 51189
Such a request shall be made only if the fees have not been 51190
collected by the owner or operator, have become a debt that has 51191
become worthless or uncollectable for a period of six months or 51192

more, and may be claimed as a deduction, including a deduction 51193
claimed if the owner or operator keeps accounts on an accrual 51194
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 51195
U.S.C. 166, as amended, and regulations adopted under it. Prior to 51196
making a request for a refund or credit, an owner or operator 51197
shall make reasonable efforts to collect the applicable fees. A 51198
request for a refund or credit shall not include any costs 51199
resulting from those efforts to collect unpaid fees. 51200

A request for a refund or credit of fees shall be made in 51201
writing, on a form prescribed by the director, and shall be 51202
supported by evidence that may be required in rules adopted by the 51203
director under this chapter. After reviewing the request, and if 51204
the request and evidence submitted with the request indicate that 51205
a refund or credit is warranted, the director shall grant a refund 51206
to the owner or operator or shall permit a credit to be taken by 51207
the owner or operator on a subsequent monthly return submitted by 51208
the owner or operator. The amount of a refund or credit shall not 51209
exceed an amount that is equal to ninety days' worth of fees owed 51210
to an owner or operator by a particular debtor of the owner or 51211
operator. A refund or credit shall not be granted by the director 51212
to an owner or operator more than once in any twelve-month period 51213
for fees owed to the owner or operator by a particular debtor. 51214

If, after receiving a refund or credit from the director, an 51215
owner or operator receives payment of all or part of the fees, the 51216
owner or operator shall remit the fees with the next monthly 51217
return submitted to the director together with a written 51218
explanation of the reason for the submittal. 51219

For purposes of computing the fees levied under this division 51220
or division (B) of this section, any solid waste transfer or 51221
disposal facility that does not use scales as a means of 51222
determining gate receipts shall use a conversion factor of three 51223
cubic yards per ton of solid waste or one cubic yard per ton for 51224

baled waste, as applicable. 51225

The fees levied under this division and divisions (B) and (C) 51226
of this section are in addition to all other applicable fees and 51227
taxes and shall be paid by the customer or a political subdivision 51228
to the owner or operator of a solid waste transfer or disposal 51229
facility. In the alternative, the fees shall be paid by a customer 51230
or political subdivision to a transporter of waste who 51231
subsequently transfers the fees to the owner or operator of such a 51232
facility. The fees shall be paid notwithstanding the existence of 51233
any provision in a contract that the customer or a political 51234
subdivision may have with the owner or operator or with a 51235
transporter of waste to the facility that would not require or 51236
allow such payment regardless of whether the contract was entered 51237
prior to or after October 16, 2009. For those purposes, "customer" 51238
means a person who contracts with, or utilizes the solid waste 51239
services of, the owner or operator of a solid waste transfer or 51240
disposal facility or a transporter of solid waste to such a 51241
facility. 51242

(B) For the purposes specified in division (G) of this 51243
section, the solid waste management policy committee of a county 51244
or joint solid waste management district may levy fees upon the 51245
following activities: 51246

(1) The disposal at a solid waste disposal facility located 51247
in the district of solid wastes generated within the district; 51248

(2) The disposal at a solid waste disposal facility within 51249
the district of solid wastes generated outside the boundaries of 51250
the district, but inside this state; 51251

(3) The disposal at a solid waste disposal facility within 51252
the district of solid wastes generated outside the boundaries of 51253
this state. 51254

The solid waste management plan of the county or joint 51255

district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the

largest quantities of solid wastes, as determined by the 51288
committee, and to their local trade associations. The committee 51289
shall make good faith efforts to identify those generators within 51290
the district and their local trade associations, but the 51291
nonprovision of notice under this division to a particular 51292
generator or local trade association does not invalidate the 51293
proceedings under this division. The publication shall occur at 51294
least thirty days before the hearing. After the hearing, the 51295
committee may make such revisions to the proposed fees as it 51296
considers appropriate and thereafter, by resolution, shall adopt 51297
the revised fee schedule. Upon adopting the revised fee schedule, 51298
the committee shall deliver a copy of the resolution doing so to 51299
the board of county commissioners of each county forming the 51300
district and to the legislative authority of each municipal 51301
corporation and township under the jurisdiction of the district. 51302
Within sixty days after the delivery of a copy of the resolution 51303
adopting the proposed revised fees by the policy committee, each 51304
such board and legislative authority, by ordinance or resolution, 51305
shall approve or disapprove the revised fees and deliver a copy of 51306
the ordinance or resolution to the committee. If any such board or 51307
legislative authority fails to adopt and deliver to the policy 51308
committee an ordinance or resolution approving or disapproving the 51309
revised fees within sixty days after the policy committee 51310
delivered its resolution adopting the proposed revised fees, it 51311
shall be conclusively presumed that the board or legislative 51312
authority has approved the proposed revised fees. The committee 51313
shall determine if the resolution has been ratified in the same 51314
manner in which it determines if a draft solid waste management 51315
plan has been ratified under division (B) of section 3734.55 of 51316
the Revised Code. 51317

The committee may amend the schedule of fees levied pursuant 51318
to a resolution adopted and ratified under this division by 51319
adopting a resolution establishing the proposed amount of the 51320

amended fees. The committee may repeal the fees levied pursuant to 51321
such a resolution by adopting a resolution proposing to repeal 51322
them. Upon adopting such a resolution, the committee shall proceed 51323
to obtain ratification of the resolution in accordance with this 51324
division. 51325

Not later than fourteen days after declaring the new fees to 51326
be ratified or the fees to be repealed under this division, the 51327
committee shall notify by certified mail the owner or operator of 51328
each solid waste disposal facility that is required to collect the 51329
fees of the ratification and the amount of the fees or of the 51330
repeal of the fees. Collection of any fees shall commence or 51331
collection of repealed fees shall cease on the first day of the 51332
second month following the month in which notification is sent to 51333
the owner or operator. 51334

Fees levied under this division also may be established, 51335
amended, or repealed by a solid waste management policy committee 51336
through the adoption of a new district solid waste management 51337
plan, the adoption of an amended plan, or the amendment of the 51338
plan or amended plan in accordance with sections 3734.55 and 51339
3734.56 of the Revised Code or the adoption or amendment of a 51340
district plan in connection with a change in district composition 51341
under section 3734.521 of the Revised Code. 51342

Not later than fourteen days after the director issues an 51343
order approving a district's solid waste management plan, amended 51344
plan, or amendment to a plan or amended plan that establishes, 51345
amends, or repeals a schedule of fees levied by the district, the 51346
committee shall notify by certified mail the owner or operator of 51347
each solid waste disposal facility that is required to collect the 51348
fees of the approval of the plan or amended plan, or the amendment 51349
to the plan, as appropriate, and the amount of the fees, if any. 51350
In the case of an initial or amended plan approved under section 51351
3734.521 of the Revised Code in connection with a change in 51352

district composition, other than one involving the withdrawal of a 51353
county from a joint district, the committee, within fourteen days 51354
after the change takes effect pursuant to division (G) of that 51355
section, shall notify by certified mail the owner or operator of 51356
each solid waste disposal facility that is required to collect the 51357
fees that the change has taken effect and of the amount of the 51358
fees, if any. Collection of any fees shall commence or collection 51359
of repealed fees shall cease on the first day of the second month 51360
following the month in which notification is sent to the owner or 51361
operator. 51362

If, in the case of a change in district composition involving 51363
the withdrawal of a county from a joint district, the director 51364
completes the actions required under division (G)(1) or (3) of 51365
section 3734.521 of the Revised Code, as appropriate, forty-five 51366
days or more before the beginning of a calendar year, the policy 51367
committee of each of the districts resulting from the change that 51368
obtained the director's approval of an initial or amended plan in 51369
connection with the change, within fourteen days after the 51370
director's completion of the required actions, shall notify by 51371
certified mail the owner or operator of each solid waste disposal 51372
facility that is required to collect the district's fees that the 51373
change is to take effect on the first day of January immediately 51374
following the issuance of the notice and of the amount of the fees 51375
or amended fees levied under divisions (B)(1) to (3) of this 51376
section pursuant to the district's initial or amended plan as so 51377
approved or, if appropriate, the repeal of the district's fees by 51378
that initial or amended plan. Collection of any fees set forth in 51379
such a plan or amended plan shall commence on the first day of 51380
January immediately following the issuance of the notice. If such 51381
an initial or amended plan repeals a schedule of fees, collection 51382
of the fees shall cease on that first day of January. 51383

If, in the case of a change in district composition involving 51384

the withdrawal of a county from a joint district, the director 51385
completes the actions required under division (G)(1) or (3) of 51386
section 3734.521 of the Revised Code, as appropriate, less than 51387
forty-five days before the beginning of a calendar year, the 51388
director, on behalf of each of the districts resulting from the 51389
change that obtained the director's approval of an initial or 51390
amended plan in connection with the change proceedings, shall 51391
notify by certified mail the owner or operator of each solid waste 51392
disposal facility that is required to collect the district's fees 51393
that the change is to take effect on the first day of January 51394
immediately following the mailing of the notice and of the amount 51395
of the fees or amended fees levied under divisions (B)(1) to (3) 51396
of this section pursuant to the district's initial or amended plan 51397
as so approved or, if appropriate, the repeal of the district's 51398
fees by that initial or amended plan. Collection of any fees set 51399
forth in such a plan or amended plan shall commence on the first 51400
day of the second month following the month in which notification 51401
is sent to the owner or operator. If such an initial or amended 51402
plan repeals a schedule of fees, collection of the fees shall 51403
cease on the first day of the second month following the month in 51404
which notification is sent to the owner or operator. 51405

If the schedule of fees that a solid waste management 51406
district is levying under divisions (B)(1) to (3) of this section 51407
is amended or repealed, the fees in effect immediately prior to 51408
the amendment or repeal shall continue to be collected until 51409
collection of the amended fees commences or collection of the 51410
repealed fees ceases, as applicable, as specified in this 51411
division. In the case of a change in district composition, money 51412
so received from the collection of the fees of the former 51413
districts shall be divided among the resulting districts in 51414
accordance with division (B) of section 343.012 of the Revised 51415
Code and the agreements entered into under division (B) of section 51416
343.01 of the Revised Code to establish the former and resulting 51417

districts and any amendments to those agreements. 51418

For the purposes of the provisions of division (B) of this 51419
section establishing the times when newly established or amended 51420
fees levied by a district are required to commence and the 51421
collection of fees that have been amended or repealed is required 51422
to cease, "fees" or "schedule of fees" includes, in addition to 51423
fees levied under divisions (B)(1) to (3) of this section, those 51424
levied under section 3734.573 or 3734.574 of the Revised Code. 51425

(C) For the purposes of defraying the added costs to a 51426
municipal corporation or township of maintaining roads and other 51427
public facilities and of providing emergency and other public 51428
services, and compensating a municipal corporation or township for 51429

the disposal of the fly ash and bottom ash or other solid wastes 51519

reason to believe that there is a substantial threat to public 51535
health or safety or the environment or that the conditions are 51536
causing or contributing to air or water pollution or soil 51537
contamination. An order issued by the director of environmental 51538
protection under division (D)(8) of this section shall include a 51539
determination that the amount of the fees not received by a solid 51540
waste management district as a result of the order will not 51541

district's approved solid waste management plan and any approved 51543

Sec. 3734.85. (A) On and after the effective date of the 51886

rules adopted under sections 3734.70, 3734.71, 3734.72, and 51887
3734.73 of the Revised Code, the director of environmental 51888
protection may take action under this section to abate 51889
accumulations of scrap tires. If the director determines that an 51890
accumulation of scrap tires constitutes a danger to the public 51891
health or safety or to the environment, the director shall issue 51892
an order under section 3734.13 of the Revised Code to the person 51893
responsible for the accumulation of scrap tires directing that 51894
~~person, within one hundred twenty days after the issuance of the~~ 51895
~~order,~~ to remove the accumulation of scrap tires from the premises 51896
on which it is located and transport the tires to a scrap tire 51897
storage, monocell, monofill, or recovery facility licensed under 51898
section 3734.81 of the Revised Code, to such a facility in another 51899
state operating in compliance with the laws of the state in which 51900
it is located, or to any other solid waste disposal facility in 51901
another state that is operating in compliance with the laws of 51902
that state. If the person responsible for causing the accumulation 51903
of scrap tires is a person different from the owner of the land on 51904
which the accumulation is located, the director may issue such an 51905
order to the landowner. 51906

If the director is unable to ascertain immediately the 51907
identity of the person responsible for causing the accumulation of 51908
scrap tires, the director shall examine the records of the 51909
applicable board of health and law enforcement agencies to 51910

enforcement or removal actions under this division against the 51912
owner of the land on which the accumulation is located, the 51913
director shall initiate any such actions against the person that 51914
the director has identified as responsible for causing the 51915
accumulation of scrap tires. Failure of the director to make 51916
diligent efforts to ascertain the identity of the person 51917
responsible for causing the accumulation of scrap tires or to 51918
initiate an action against the person responsible for causing the 51919

accumulation shall not constitute an affirmative defense by a 51920
landowner to an enforcement action initiated by the director under 51921
this division requiring immediate removal of any accumulation of 51922
scrap tires. 51923

Upon the written request of the recipient of an order issued 51924
under this division, the director may extend the time for 51925
compliance with the order if the request demonstrates that the 51926
recipient has acted in good faith to comply with the order. If the 51927
recipient of an order issued under this division fails to comply 51928
with each milestone established in the order within ~~one hundred~~ 51929
~~twenty days after the issuance of~~ the period of time specified in 51930
the order or, if the time for compliance with the order was so 51931
extended, within that time, the director shall take such actions 51932
as the director considers reasonable and necessary to remove and 51933
properly manage the scrap tires located on the land named in the 51934
order. The director, through employees of the environmental 51935
protection agency or a contractor, may enter upon the land on 51936
which the accumulation of scrap tires is located and remove and 51937
transport them to a scrap tire recovery facility for processing, 51938
to a scrap tire storage facility for storage, or to a scrap tire 51939
monocell or monofill facility for storage or disposal. 51940

When performing a removal action under this section, the 51941
director also may remove, transport, and dispose of any of the 51942
following if the removal is required by the order issued under 51943
this division: 51944

(1) Any additional solid wastes that were open dumped on the 51945
land named in the order; 51946

(2) Any construction and demolition debris that was illegally 51947
disposed of on the land named in the order. 51948

The director shall enter into contracts for the storage, 51949
disposal, or processing of scrap tires removed through removal 51950

operations conducted under this section. 51951

If a person to whom a removal order is issued under this 51952
division fails to comply with the order and if the director 51953
performs a removal action under this section, the person to whom 51954
the removal order is issued is liable to the director for the 51955
costs incurred by the director for conducting the removal 51956
operation~~7. The costs incurred include the storage at a scrap tire~~ 51957
~~storage facility, storage, transportation, processing, or disposal~~ 51958
~~at a scrap tire monocell or monofill facility, or processing of~~ 51959
~~the scrap tires so removed, the transportation of the scrap tires~~ 51960
~~from the site of the accumulation to the scrap tire storage,~~ 51961
~~monocell, monofill, or recovery facility where the scrap tires~~ 51962
~~were stored, disposed of, or processed or any additional solid~~ 51963
~~wastes or construction and demolition debris removed in accordance~~ 51964
~~with this division,~~ and the administrative and legal expenses 51965
incurred by the director in connection with the removal operation. 51966
The director shall keep an itemized record of those costs. Upon 51967
completion of the actions for which the costs were incurred, the 51968
director ~~shall~~ may record the costs at the office of the county 51969
recorder of the county in which the accumulation of scrap tires 51970
~~was, additional solid wastes, and construction and demolition~~ 51971
~~debris were~~ located. The costs so recorded constitute a lien on 51972
the property on which the accumulation of scrap tires ~~was,~~ 51973
~~additional solid wastes, and construction and demolition debris~~ 51974
~~were~~ located until discharged. Upon the written request of the 51975
director, the attorney general shall bring a civil action against 51976
the person responsible for the accumulation of the scrap tires 51977
that were the subject of the removal operation to recover the 51978
costs for which the person is liable under this division. Any 51979
money so received or recovered shall be credited to the scrap tire 51980
management fund created in section 3734.82 of the Revised Code. 51981

If, in a civil action brought under this division, an owner 51982

of real property is ordered to pay to the director the costs of a 51983
removal action that removed an accumulation of scrap tires from 51984
the person's land or if a lien is placed on the person's land for 51985
the costs of such a removal action, and, in either case, if the 51986
landowner was not the person responsible for causing the 51987
accumulation of scrap tires so removed, the landowner may bring a 51988
civil action against the person who was responsible for causing 51989
the accumulation to recover the amount of the removal costs that 51990
the court ordered the landowner to pay to the director or the 51991
amount of the removal costs certified to the county recorder as a 51992
lien on the landowner's property, whichever is applicable. If the 51993
landowner prevails in the civil action against the person who was 51994
responsible for causing the accumulation of scrap tires, the 51995
court, as it considers appropriate, may award to the landowner the 51996
reasonable attorney's fees incurred by the landowner for bringing 51997
the action, court costs, and other reasonable expenses incurred by 51998
the landowner in connection with the civil action. A landowner 51999
shall bring such a civil action within two years after making the 52000
final payment of the removal costs to the director pursuant to the 52001
judgment rendered against the landowner in the civil action 52002
brought under this division upon the director's request or within 52003
two years after the director certified the costs of the removal 52004
action to the county recorder, as appropriate. A person who, at 52005
the time that a removal action was conducted under this division, 52006
owned the land on which the removal action was performed may bring 52007
an action under this division to recover the costs of the removal 52008
action from the person responsible for causing the accumulation of 52009
scrap tires so removed regardless of whether the person owns the 52010
land at the time of bringing the action. 52011

Subject to the limitations set forth in division (G) of 52012
section 3734.82 of the Revised Code, the director may use moneys 52013
in the scrap tire management fund for conducting removal actions 52014
under this division. Any moneys recovered under this division 52015

generating unit during calendar year 2000 and shall continue to be 52689
assessed each subsequent calendar year based on the total actual 52690
emissions from the generating unit during the preceding calendar 52691
year. 52692

(3) The director shall issue invoices to owners or operators 52693
of air contaminant sources who are required to pay a fee assessed 52694
under division (B) or (D) of this section. Any such invoice shall 52695
be issued no sooner than the applicable date when the fee first 52696
may be collected in a year under the applicable division, shall 52697
identify the nature and amount of the fee assessed, and shall 52698
indicate that the fee is required to be paid within thirty days 52699
after the issuance of the invoice. 52700

(D)(1) Except as provided in division (D)(2) of this section, 52701
beginning January 1, 2004, each person who owns or operates an air 52702
contaminant source; who is required to apply for a permit to 52703
operate pursuant to rules adopted under division (G), or a 52704
variance pursuant to division (H), of section 3704.03 of the 52705
Revised Code; and who is not required to apply for and obtain a 52706
Title V permit under section 3704.03 of the Revised Code shall pay 52707
a single fee based upon the sum of the actual annual emissions 52708
from the facility of the regulated pollutants particulate matter, 52709
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 52710
accordance with the following schedule: 52711

Total tons per year of regulated pollutants emitted	Annual fee per facility	
More than 0, but less than 10	\$ 100	52715

50 or more, but less than 100	300	52717
100 or more	700	52718

(2)(a) As used in division (D) of this section, "synthetic 52719

minor facility" means a facility for which one or more permits to
install or permits to operate have been issued for the air
contaminant sources at the facility that include terms and
conditions that lower the facility's potential to emit air
contaminants below the major source thresholds established in
rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2024~~ 2026,
each person who owns or operates a synthetic minor facility shall
pay an annual fee based on the sum of the actual annual emissions
from the facility of particulate matter, sulfur dioxide, nitrogen
dioxide, organic compounds, and lead in accordance with the
following schedule:

Combined total tons per year of all regulated pollutants emitted	Annual fee per facility
Less than 10	\$ 170

(3) The fees assessed under division (D)(1) of this section
shall be collected annually no sooner than the fifteenth day of
April, commencing in 2005. The fees assessed under division (D)(2)
of this section shall be collected no sooner than the fifteenth
day of April, commencing in 2000. The fees assessed under division
(D) of this section in a calendar year shall be based upon the sum

of the actual emissions of those regulated pollutants during the 52752
preceding calendar year. For the purpose of division (D) of this 52753
section, emissions of air contaminants may be calculated using 52754
engineering calculations, emission factors, material balance 52755
calculations, or performance testing procedures, as authorized by 52756
the director. The director, by rule, may require persons who are 52757
required to pay the fees assessed under division (D) of this 52758
section to pay those fees biennially rather than annually. 52759

(E)(1) Consistent with the need to cover the reasonable costs 52760
of the Title V permit program, the director annually shall 52761
increase the fees prescribed in division (B) of this section by 52762
the percentage, if any, by which the consumer price index for the 52763
most recent calendar year ending before the beginning of a year 52764
exceeds the consumer price index for calendar year 1989. Upon 52765
calculating an increase in fees authorized by division (E)(1) of 52766
this section, the director shall compile revised fee schedules for 52767
the purposes of division (B) of this section and shall make the 52768
revised schedules available to persons required to pay the fees 52769
assessed under that division and to the public. 52770

(2) For the purposes of division (E)(1) of this section: 52771

(a) The consumer price index for any year is the average of 52772
the consumer price index for all urban consumers published by the 52773
United States department of labor as of the close of the 52774
twelve-month period ending on the thirty-first day of August of 52775
that year. 52776

(b) If the 1989 consumer price index is revised, the director 52777
shall use the revision of the consumer price index that is most 52778
consistent with that for calendar year 1989. 52779

(F) Each person who is issued a permit to install pursuant to 52780
rules adopted under division (F) of section 3704.03 of the Revised 52781
Code on or after July 1, 2003, shall pay the fees specified in the 52782

under division (F) of section 3704.03 of the Revised Code shall		52894
pay a fee equal to one-half the fee originally assessed for the		52895

(I) A person who is issued a modification to a permit to		52898

owner or operator of the source and shall not exceed two thousand		52904

(J) Notwithstanding division (F) of this section, a person 52906

division (W) of section 3704.03 of the Revised Code. This division 52913
only applies to sources for which actual construction of the 52914
source begins on or after July 1, 1993. The imposition or payment 52915
of the fee established in this division does not preclude the 52916
director from taking any administrative or judicial enforcement 52917

Code. Annually, not more than fifty cents per ton of each fee 52931
assessed under division (B) of this section on actual emissions 52932
from a source and received by the environmental protection agency 52933
pursuant to that division may be transferred by the director using 52934
an interstate transfer voucher to the state treasury to the credit 52935
of the small business assistance fund created in section 3706.19 52936

director under section 6111.14 of the Revised Code shall pay an 52958
administrative service fee for each plan submitted under that 52959
section for approval that shall not exceed the minimum amount 52960
necessary to pay administrative costs directly attributable to 52961
processing plan approvals. The director annually shall calculate 52962
the fee and shall notify all persons who have entered into 52963

certain industrial facilities pursuant to division (L)(3)(c) of 52980
this section, by one-twelfth for each full month during the 52981
billing year that the source was not discharging, but only if the 52982
person holding the NPDES discharge permit for the source notifies 52983
the director in writing, not later than the first day of October 52984
of the billing year, of the circumstances causing the cessation of 52985
discharge. 52986

(L)(3)(a)(i) of this section, except for the surcharge applicable 52988
to certain industrial facilities pursuant to division (L)(3)(c) of 52989

in gallons per day calculated using first day of May through 52991
thirty-first day of October flow data for the period two years 52992
prior to the date on which the fee is due. In the case of NPDES 52993
discharge permits for new sources, the fee shall be calculated 52994
using the average daily design flow of the facility until actual 52995
average daily discharge flow values are available for the time 52996
period specified in division (L)(3)(a)(iii) of this section. The 52997
annual discharge fee may be prorated for a new source as described 52998
in division (L)(3)(a)(ii) of this section. 52999

division (Y)(3) of this section. 53588

(c) A sewage sludge facility that transfers sewage sludge to 53589
another sewage sludge facility in this state for further treatment 53590
prior to disposal in this state shall not be required to pay the 53591
annual sludge fee for the tons of sewage sludge that have been 53592
transferred. In such a case, the sewage sludge facility that 53593
disposes of the sewage sludge shall pay the annual sludge fee. 53594

However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

transfers the sewage sludge to a landfill for disposal or to a 53631
sewage sludge facility for land reclamation or surface disposal, 53632
the entity generating the sewage sludge, and not the landfill or 53633
sewage sludge facility, shall pay the annual sludge fee for the 53634

Not later than the first day of May following receipt of an 53644
invoice, a person required to pay the annual sludge fee may submit 53645
objections to the director concerning the accuracy of information 53646
regarding the number of dry tons of sewage sludge used to 53647
calculate the amount of the annual sludge fee or regarding whether 53648
the sewage sludge qualifies for the exceptional quality sludge 53649
discount established in division (Y)(2)(b) of this section. The 53650
director may consider the objections and adjust the amount of the 53651
fee to ensure that it is accurate. 53652

If the director does not adjust the amount of the annual 53653
sludge fee in response to a person's objections, the person may 53654
appeal the director's determination in accordance with Chapter 53655
119. of the Revised Code. 53656

Not later than the first day of June, the director shall 53657
notify the objecting person regarding whether the director has 53658

If the director finds the objections to be valid and adjusts the 53660
amount of the annual sludge fee accordingly, the director shall 53661
issue with the notification a new invoice to the person 53662
identifying the amount of the annual sludge fee assessed and 53663
stating the first day of July as the deadline for payment. 53664

Not later than the first day of July, any person who is 53665
required to do so shall pay the annual sludge fee. Any person who 53666

of the required annual sludge fee. 53669

division (Y) of this section to the treasurer of state for deposit 53671
into the surface water protection fund created in section 6111.038 53672

of administering and enforcing provisions in Chapter 6111. of the 53674
Revised Code and rules adopted under it that govern the use, 53675
storage, treatment, or disposal of sewage sludge. 53676

(7) Beginning in fiscal year 2001, and every two years 53677
thereafter, the director shall review the total amount of moneys 53678
generated by the annual sludge fees to determine if that amount 53679
exceeded six hundred thousand dollars in either of the two 53680
preceding fiscal years. If the total amount of moneys in the fund 53681
exceeded six hundred thousand dollars in either fiscal year, the 53682
director, after review of the fee structure and consultation with 53683
affected persons, shall issue an order reducing the amount of the 53684
fees levied under division (Y) of this section so that the 53685
estimated amount of moneys resulting from the fees will not exceed 53686
six hundred thousand dollars in any fiscal year. 53687

If, upon review of the fees under division (Y)(7) of this 53688

section and after the fees have been reduced, the director 53689
determines that the total amount of moneys collected and 53690
accumulated is less than six hundred thousand dollars, the 53691
director, after review of the fee structure and consultation with 53692
affected persons, may issue an order increasing the amount of the 53693
fees levied under division (Y) of this section so that the 53694
estimated amount of moneys resulting from the fees will be 53695
approximately six hundred thousand dollars. Fees shall never be 53696
increased to an amount exceeding the amount specified in division 53697
(Y)(7) of this section. 53698

Notwithstanding section 119.06 of the Revised Code, the 53699
director may issue an order under division (Y)(7) of this section 53700
without the necessity to hold an adjudicatory hearing in 53701
connection with the order. The issuance of an order under this 53702
division is not an act or action for purposes of section 3745.04 53703

(1) "Retail establishment" means a place of business open to 54858
the general public for the sale of goods or services. 54859

(2) "State and local building code" means Chapters 3781. and 54860
3791. of the Revised Code, rules adopted pursuant to those 54861
chapters, and municipal corporation regulations adopted in 54862
accordance with section 3781.01 of the Revised Code. 54863

(B) If the department or agency of the state or any political 54864
subdivision having jurisdiction to enforce state and local 54865
building code on a retail establishment, including a retail 54866
establishment that is under construction and not yet open to the 54867
public, is unable to conduct an inspection or issue a permit 54868
required by state and local building code for more than five 54869
business days, the owner, operator, or developer of the retail 54870
establishment may seek a temporary permit from any building code 54871
official authorized to conduct such an inspection or issue such a 54872
permit elsewhere in this state. If that building code official 54873
grants a temporary permit, the permit is valid for fourteen 54874
calendar days. 54875

Sec. 3781.062. The director of commerce, in collaboration 54876
with the state fire marshal, the board of building standards, and 54877

representatives of local building departments, shall develop 54878
guidelines for the enforcement of the Ohio building code and state 54879
fire code in a coordinated manner, including the interaction of 54880
exemptions from one code with the requirements of the other code. 54881

Sec. 3781.10. (A)(1) The board of building standards shall 54882
formulate and adopt rules governing the erection, construction, 54883
repair, alteration, and maintenance of all buildings or classes of 54884
buildings specified in section 3781.06 of the Revised Code, 54885
including land area incidental to those buildings, the 54886
construction of industrialized units, the installation of 54887
equipment, and the standards or requirements for materials used in 54888
connection with those buildings. The board shall incorporate those 54889
rules into separate residential and nonresidential building codes. 54890
The standards shall relate to the conservation of energy and the 54891
safety and sanitation of those buildings. 54892

(2) The rules governing nonresidential buildings are the 54893
lawful minimum requirements specified for those buildings and 54894
industrialized units, except that no rule other than as provided 54895
in division (C) of section 3781.108 of the Revised Code that 54896
specifies a higher requirement than is imposed by any section of 54897
the Revised Code is enforceable. The rules governing residential 54898
buildings are uniform requirements for residential buildings in 54899
any area with a building department certified to enforce the state 54900
residential building code. In no case shall any local code or 54901
regulation differ from the state residential building code unless 54902
that code or regulation addresses subject matter not addressed by 54903
the state residential building code or is adopted pursuant to 54904
section 3781.01 of the Revised Code. 54905

(3) The rules adopted pursuant to this section are complete, 54906

industrialized units in any section of the Revised Code. Except as 54908

otherwise provided in division (I) of this section, the board 54909
shall, on its own motion or on application made under sections 54910
3781.12 and 3781.13 of the Revised Code, formulate, propose, 54911
adopt, modify, amend, or repeal the rules to the extent necessary 54912
or desirable to effectuate the purposes of sections 3781.06 to 54913
3781.18 of the Revised Code. 54914

(B) The board shall report to the general assembly proposals 54915
for amendments to existing statutes relating to the purposes 54916
declared in section 3781.06 of the Revised Code that public health 54917
and safety and the development of the arts require and shall 54918
recommend any additional legislation to assist in carrying out 54919
fully, in statutory form, the purposes declared in that section. 54920
The board shall prepare and submit to the general assembly a 54921
summary report of the number, nature, and disposition of the 54922
petitions filed under sections 3781.13 and 3781.14 of the Revised 54923
Code. 54924

(C) On its own motion or on application made under sections 54925
3781.12 and 3781.13 of the Revised Code, and after thorough 54926
testing and evaluation, the board shall determine by rule that any 54927
particular fixture, device, material, process of manufacture, 54928
manufactured unit or component, method of manufacture, system, or 54929
method of construction complies with performance standards adopted 54930
pursuant to section 3781.11 of the Revised Code. The board shall 54931
make its determination with regard to adaptability for safe and 54932
sanitary erection, use, or construction, to that described in any 54933
section of the Revised Code, wherever the use of a fixture, 54934
device, material, method of manufacture, system, or method of 54935
construction described in that section of the Revised Code is 54936
permitted by law. The board shall amend or annul any rule or issue 54937
an authorization for the use of a new material or manufactured 54938
unit on any like application. No department, officer, board, or 54939
commission of the state other than the board of building standards 54940

or the board of building appeals shall permit the use of any 54941
fixture, device, material, method of manufacture, newly designed 54942
product, system, or method of construction at variance with what 54943
is described in any rule the board of building standards adopts or 54944
issues or that is authorized by any section of the Revised Code. 54945
Nothing in this section shall be construed as requiring approval, 54946
by rule, of plans for an industrialized unit that conforms with 54947
the rules the board of building standards adopts pursuant to 54948
section 3781.11 of the Revised Code. 54949

(D) The board shall recommend rules, codes, and standards to 54950
help carry out the purposes of section 3781.06 of the Revised Code 54951
and to help secure uniformity of state administrative rulings and 54952
local legislation and administrative action to the bureau of 54953
workers' compensation, the director of commerce, any other 54954
department, officer, board, or commission of the state, and to 54955
legislative authorities and building departments of counties, 54956
townships, and municipal corporations, and shall recommend that 54957
they audit those recommended rules, codes, and standards by any 54958
appropriate action that they are allowed pursuant to law or the 54959
constitution. 54960

(E)(1) The board shall certify municipal, township, and 54961
county building departments, the personnel of those building 54962
departments, persons described in division (E)(7) of this section, 54963
and employees of individuals, firms, the state, or corporations 54964
described in division (E)(7) of this section to exercise 54965
enforcement authority, to accept and approve plans and 54966
specifications, and to make inspections, pursuant to sections 54967
3781.03, 3791.04, and 4104.43 of the Revised Code. 54968

(2) The board shall certify departments, personnel, and 54969
persons to enforce the state residential building code, to enforce 54970
the nonresidential building code, or to enforce both the 54971
residential and the nonresidential building codes. Any department, 54972

personnel, or person may enforce only the type of building code 54973
for which certified. 54974

(3) The board shall not require a building department, its 54975
personnel, or any persons that it employs to be certified for 54976
residential building code enforcement if that building department 54977
does not enforce the state residential building code. The board 54978
shall specify, in rules adopted pursuant to Chapter 119. of the 54979
Revised Code, the requirements for certification for residential 54980
and nonresidential building code enforcement, which shall be 54981
consistent with this division. The requirements for residential 54982
and nonresidential certification may differ. Except as otherwise 54983
provided in this division, the requirements shall include, but are 54984
not limited to, the satisfactory completion of an initial 54985
examination and, to remain certified, the completion of a 54986
specified number of hours of continuing building code education 54987
within each three-year period following the date of certification 54988
which shall be not less than thirty hours. The rules shall provide 54989
that continuing education credits and certification issued by the 54990
council of American building officials, national model code 54991
organizations, and agencies or entities the board recognizes are 54992
acceptable for purposes of this division. The rules shall specify 54993
requirements that are consistent with the provisions of section 54994
5903.12 of the Revised Code relating to active duty military 54995
service and are compatible, to the extent possible, with 54996
requirements the council of American building officials and 54997
national model code organizations establish. 54998

(4) The board shall establish and collect a certification and 54999
renewal fee for building department personnel, and persons and 55000
employees of persons, firms, or corporations as described in this 55001
section, who are certified pursuant to this division. 55002

(5) Any individual certified pursuant to this division shall 55003
complete the number of hours of continuing building code education 55004

that the board requires or, for failure to do so, forfeit 55005
certification. 55006

(6) This division does not require or authorize the board to 55007
certify personnel of municipal, township, and county building 55008
departments, and persons and employees of persons, firms, or 55009
corporations as described in this section, whose responsibilities 55010
do not include the exercise of enforcement authority, the approval 55011
of plans and specifications, or making inspections under the state 55012
residential and nonresidential building codes. 55013

(7) Enforcement authority for approval of plans and 55014
specifications and enforcement authority for inspections may be 55015
exercised, and plans and specifications may be approved and 55016
inspections may be made on behalf of a municipal corporation, 55017
township, or county, by any of the following who the board of 55018
building standards certifies: 55019

(a) Officers or employees of the municipal corporation, 55020
township, or county; 55021

(b) Persons, or employees of persons, firms, or corporations, 55022

(d) Officers or employees of the division of industrial 55029
compliance in the department of commerce pursuant to a contract 55030
authorized by division (B) of section 121.083 of the Revised Code. 55031

jurisdiction within the meaning of sections 3781.03, 3791.04, and 55033
4104.43 of the Revised Code, only with respect to the types of 55034
buildings and subject matters for which they are certified under 55035

this section. 55036

(9) A certified municipal, township, or county building 55037
department may exercise enforcement authority, accept and approve 55038
plans and specifications, and make inspections pursuant to 55039
sections 3781.03, 3791.04, and 4104.43 of the Revised Code for a 55040
park district created pursuant to Chapter 1545. of the Revised 55041
Code upon the approval, by resolution, of the board of park 55042
commissioners of the park district requesting the department to 55043
exercise that authority and conduct those activities, as 55044
applicable. 55045

(10) Certification shall be granted upon application by the 55046
municipal corporation, the board of township trustees, or the 55047
board of county commissioners and approval of that application by 55048
the board of building standards. The application shall set forth: 55049

section; 55060

(e) The proposed budget for the operation of the building 55061
department. 55062

(11) The board of building standards shall adopt rules 55063
governing all of the following: 55064

personnel to enforce the residential and nonresidential building 55077
codes as they pertain to that work. 55078

(b) The minimum services to be provided by a certified 55079
building department. 55080

(12) The board of building standards may revoke or suspend 55081
certification to enforce the residential and nonresidential 55082
building codes, on petition to the board by any person affected by 55083
that enforcement or approval of plans, or by the board on its own 55084
motion. Hearings shall be held and appeals permitted on any 55085

of the Revised Code for other proceedings of the board of building 55088
standards. 55089

(13) Upon certification, and until that authority is revoked, 55090
any county or township building department shall enforce the 55091
residential and nonresidential building codes for which it is 55092

boards of county commissioners under Chapter 307. of the Revised 55094
Code or boards of township trustees under Chapter 505. of the 55095
Revised Code. 55096

panel to follow in making findings. In making its recommendations, 56882
the fact-finding panel shall take into consideration the factors 56883
listed in divisions (G)(7)(a) to (f) of this section. 56884

(f) The fact-finding panel may attempt mediation at any time 56885
during the fact-finding process. From the time of appointment 56886
until the fact-finding panel makes a final recommendation, it 56887
shall not discuss the recommendations for settlement of the 56888
dispute with parties other than the direct parties to the dispute. 56889

(5) The fact-finding panel, acting by a majority of its 56890
members, shall transmit its findings of fact and recommendations 56891
on the unresolved issues to the public employer and employee 56892
organization involved and to the board no later than fourteen days 56893
after the appointment of the fact-finding panel, unless the 56894
parties mutually agree to an extension. The parties shall share 56895
the cost of the fact-finding panel in a manner agreed to by the 56896
parties. 56897

(6)(a) Not later than seven days after the findings and 56898
recommendations are sent, the legislative body, by a three-fifths 56899
vote of its total membership, and in the case of the public 56900
employee organization, the membership, by a three-fifths vote of 56901
the total membership, may reject the recommendations; if neither 56902
rejects the recommendations, the recommendations shall be deemed 56903
agreed upon as the final resolution of the issues submitted and a 56904
collective bargaining agreement shall be executed between the 56905
parties, including the fact-finding panel's recommendations, 56906
except as otherwise modified by the parties by mutual agreement. 56907
If either the legislative body or the public employee organization 56908

rejects the recommendations, the board shall publicize the 56909
findings of fact and recommendations of the fact-finding panel. 56910
The board shall adopt rules governing the procedures and methods 56911
for public employees to vote on the recommendations of the 56912
fact-finding panel. 56913

(b) As used in division (C)(6)(a) of this section, 56914
"legislative body" means the controlling board when the state or 56915
any of its agencies, authorities, commissions, boards, or other 56916
branch of public employment is party to the fact-finding process. 56917

(D) If the parties are unable to reach agreement within seven 56918
days after the publication of findings and recommendations from 56919
the fact-finding panel or the collective bargaining agreement, if 56920
one exists, has expired, then the: 56921

(1) Public employees, who are members of a police or fire 56922
department, members of the state highway patrol, deputy sheriffs, 56923
dispatchers employed by a police, fire, or sheriff's department or 56924
the state highway patrol or civilian dispatchers employed by a 56925
public employer other than a police, fire, or sheriff's department 56926
to dispatch police, fire, sheriff's department, or emergency 56927
medical or rescue personnel and units, an exclusive nurse's unit, 56928
employees of ~~the state school for the deaf or the state school for~~ 56929
~~the blind~~ Ohio deaf and blind education services, employees of any 56930
public employee retirement system, corrections officers, guards at 56931
penal or mental institutions, special police officers appointed in 56932
accordance with sections 5119.08 and 5123.13 of the Revised Code, 56933
psychiatric attendants employed at mental health forensic 56934
facilities, youth leaders employed at juvenile correctional 56935
facilities, or members of a law enforcement security force that is 56936
established and maintained exclusively by a board of county 56937
commissioners and whose members are employed by that board, shall 56938
submit the matter to a final offer settlement procedure pursuant 56939
to a board order issued forthwith to the parties to settle by a 56940

conciliator selected by the parties. The parties shall request 56941
from the board a list of five qualified conciliators and the 56942
parties shall select a single conciliator from the list by 56943
alternate striking of names. If the parties cannot agree upon a 56944
conciliator within five days after the board order, the board 56945
shall on the sixth day after its order appoint a conciliator from 56946
a list of qualified persons maintained by the board or shall 56947
request a list of qualified conciliators from the American 56948
arbitration association and appoint therefrom. 56949

(2) Public employees other than those listed in division 56950
(D)(1) of this section have the right to strike under Chapter 56951
4117. of the Revised Code provided that the employee organization 56952
representing the employees has given a ten-day prior written 56953
notice of an intent to strike to the public employer and to the 56954
board, and further provided that the strike is for full, 56955
consecutive work days and the beginning date of the strike is at 56956
least ten work days after the ending date of the most recent prior 56957
strike involving the same bargaining unit; however, the board, at 56958
its discretion, may attempt mediation at any time. 56959

(E) Nothing in this section shall be construed to prohibit 56960
the parties, at any time, from voluntarily agreeing to submit any 56961
or all of the issues in dispute to any other alternative dispute 56962
settlement procedure. An agreement or statutory requirement to 56963
arbitrate or to settle a dispute pursuant to a final offer 56964
settlement procedure and the award issued in accordance with the 56965
agreement or statutory requirement is enforceable in the same 56966
manner as specified in division (B) of section 4117.09 of the 56967
Revised Code. 56968

(F) Nothing in this section shall be construed to prohibit a 56969
party from seeking enforcement of a collective bargaining 56970
agreement or a conciliator's award as specified in division (B) of 56971
section 4117.09 of the Revised Code. 56972

(G) The following guidelines apply to final offer settlement proceedings under division (D)(1) of this section: 56973

56983

(3) The conciliator shall conduct the hearing pursuant to rules developed by the board. The conciliator shall establish the hearing time and place, but it shall be, where feasible, within the jurisdiction of the state. Not later than five calendar days before the hearing, each of the parties shall submit to the conciliator, to the opposing party, and to the board, a written report summarizing the unresolved issues, the party's final offer as to the issues, and the rationale for that position. 56984
56985
56986
56987
56988
56989
56990

56996
56997
56998
56999

(7) After hearing, the conciliator shall resolve the dispute between the parties by selecting, on an issue-by-issue basis, from between each of the party's final settlement offers, taking into consideration the following: 57000
57001
57002
57003

- (a) Past collectively bargained agreements, if any, between the parties; 57004
57005
- (b) Comparison of the issues submitted to final offer settlement relative to the employees in the bargaining unit involved with those issues related to other public and private employees doing comparable work, giving consideration to factors peculiar to the area and classification involved; 57006
57007
57008
57009
57010
- (c) The interests and welfare of the public, the ability of the public employer to finance and administer the issues proposed, and the effect of the adjustments on the normal standard of public service; 57011
57012
57013
57014
- (d) The lawful authority of the public employer; 57015
- (e) The stipulations of the parties; 57016
- (f) Such other factors, not confined to those listed in this section, which are normally or traditionally taken into consideration in the determination of the issues submitted to final offer settlement through voluntary collective bargaining, mediation, fact-finding, or other impasse resolution procedures in the public service or in private employment. 57017

57026
- (10) The conciliator shall make written findings of fact and promulgate a written opinion and order upon the issues presented to the conciliator, and upon the record made before the conciliator and shall mail or otherwise deliver a true copy thereof to the parties and the board. 57027
57028
57029
57030
57031
- (11) Increases in rates of compensation and other matters with cost implications awarded by the conciliator may be effective 57032
57033

only at the start of the fiscal year next commencing after the 57034
date of the final offer settlement award; provided that if a new 57035
fiscal year has commenced since the issuance of the board order to 57036
submit to a final offer settlement procedure, the awarded 57037
increases may be retroactive to the commencement of the new fiscal 57038
year. The parties may, at any time, amend or modify a 57039
conciliator's award or order by mutual agreement. 57040

(12) The parties shall bear equally the cost of the final 57041
offer settlement procedure. 57042

(13) Conciliators appointed pursuant to this section shall be 57043
residents of the state. 57044

(H) All final offer settlement awards and orders of the 57045
conciliator made pursuant to Chapter 4117. of the Revised Code are 57046
subject to review by the court of common pleas having jurisdiction 57047
over the public employer as provided in Chapter 2711. of the 57048
Revised Code. If the public employer is located in more than one 57049
court of common pleas district, the court of common pleas in which 57050
the principal office of the chief executive is located has 57051
jurisdiction. 57052

(I) The issuance of a final offer settlement award 57053
constitutes a binding mandate to the public employer and the 57054
exclusive representative to take whatever actions are necessary to 57055
implement the award. 57056

Sec. 4117.15. (A) Whenever a strike by members of a police or 57057
fire department, members of the state highway patrol, deputy 57058
sheriffs, dispatchers employed by a police, fire, or sheriff's 57059
department or the state highway patrol or civilian dispatchers 57060
employed by a public employer other than a police, fire, or 57061
sheriff's department to dispatch police, fire, sheriff's 57062
department, or emergency medical or rescue personnel and units, an 57063
exclusive nurse's unit, employees of ~~the state school for the deaf~~ 57064

~~or the state school for the blind~~ Ohio deaf and blind education services, employees of any public employee retirement system, correction officers, guards at penal or mental institutions, or special police officers appointed in accordance with sections 5119.08 and 5123.13 of the Revised Code, psychiatric attendants employed at mental health forensic facilities, youth leaders employed at juvenile correctional facilities, or members of a law enforcement security force that is established and maintained exclusively by a board of county commissioners and whose members are employed by that board, a strike by other public employees during the pendency of the settlement procedures set forth in section 4117.14 of the Revised Code, or a strike during the term or extended term of a collective bargaining agreement occurs, the public employer may seek an injunction against the strike in the court of common pleas of the county in which the strike is located.

(B) An unfair labor practice by a public employer is not a defense to the injunction proceeding noted in division (A) of this section. Allegations of unfair labor practices during the settlement procedures set forth in section 4117.14 of the Revised Code shall receive priority by the state employment relations board.

(C) No public employee is entitled to pay or compensation from the public employer for the period engaged in any strike.

Sec. 4121.443. (A) The bureau of workers' compensation may summarily suspend the certification of a provider to participate in the health partnership program created under sections 4121.44 and 4121.441 of the Revised Code without a prior hearing if the bureau determines any of the following apply to the provider:

(1) The professional license, certification, or registration held by the provider to practice the provider's profession has

been revoked or suspended for an indefinite period of time or for 57096
a period of more than thirty days, subsequent to the provider's 57097
certification to participate in the health partnership program. 57098

(2) The provider has been convicted of or has pleaded guilty 57099
to a violation of section 2913.48 or sections 2923.31 to 2923.36 57100
of the Revised Code or has been convicted of or pleaded guilty to 57101
any other criminal offense related to the delivery of or billing 57102
for health care services. 57103

(3) The bureau determines, by clear and convincing evidence, 57104
that the continued participation by the provider in the health 57105
partnership program presents a danger of immediate and serious 57106
harm to claimants. 57107

(B) The bureau shall ~~issue~~ serve a written order of summary 57108
suspension ~~by certified mail or in person~~ in accordance with 57109
~~section~~ sections 119.05 and 119.07 of the Revised Code. If the 57110
provider subject to the summary suspension requests an 57111
adjudicatory hearing by the bureau, the date set for the hearing 57112
shall be not later than fifteen days, but not earlier than seven 57113
days, after the provider requests the hearing, unless otherwise 57114
agreed to by both the bureau and the provider. 57115

(C) If an order issued pursuant to this section is appealed, 57116
the court may stay execution of the order and fix the terms of the 57117
stay, if the court finds both of the following: 57118

(1) That an unusual hardship to the appellant will result 57119
from execution of the order pending appeal; 57120

(2) That the health, safety, and welfare of the public will 57121
not be threatened by staying execution of the order pending 57122
appeal. 57123

(D) A court or agency order staying the suspension of a 57124
professional license, certification, or registration shall not 57125
affect the ability of the bureau to suspend the certification of a 57126

provider to participate in the health partnership program under 57127
this section. 57128

(E) The summary suspension of a certification of a provider 57129
under this section shall not affect the ability of that provider 57130
to receive payment for services rendered prior to the effective 57131
date of the suspension. 57132

(F) Any summary suspension imposed under this section shall 57133
remain in effect, unless reversed on appeal, until a final 57134
adjudication order issued by the bureau pursuant to this section 57135
and Chapter 119. of the Revised Code takes effect. The bureau 57136
shall issue its final adjudication order within seventy-five days 57137
after completion of its hearing. A failure to issue the order 57138
within the seventy-five-day time period shall result in 57139
dissolution of the summary suspension order but shall not 57140
invalidate any subsequent, final adjudication order. 57141

(G) As used in this section, "provider" does not include a 57142
hospital. 57143

Sec. 4123.543. (A) As used in this section, "customer model 57144
enterprise," "employer model enterprise," "inmate," and "federal 57145

(B)(1) The department of rehabilitation and correction shall 57148
be considered the employer of an inmate for purposes of this 57149
chapter and Chapters 4121., 4127., and 4131. of the Revised Code 57150
if the inmate works in a customer model enterprise. 57151

(2) If the enterprise for which an inmate works is an 57152
employer model enterprise, the private participant of the 57153
enterprise shall be considered the employer of the inmate for 57154
purposes of this chapter. 57155

(C)(1) An inmate who is injured or who contracts an 57156

occupational disease arising out of participation in authorized 57157
work activity in the federal prison industries enhancement 57158
certification program may file a claim for compensation or 57159
benefits under this chapter and Chapters 4121., 4127., and 4131. 57160
of the Revised Code while the claimant is in the custody of the 57161
department. 57162

(2) The dependent of an inmate who is killed or dies as the 57163
result of an occupational disease contracted in the course of 57164
participation in authorized work activity in the federal prison 57165

compensation and benefits under this chapter and Chapters 4121., 57167
4127., and 4131. of the Revised Code. 57168

(D) Notwithstanding any provision of this chapter or Chapter 57169
4121. of the Revised Code to the contrary, a claimant who files a 57170
claim pursuant to division (C)(1) of this section while in the 57171
custody of the department shall receive medical treatment and have 57172

4121. of the Revised Code made by the department's medical 57174
providers. Medical determinations made by the department's 57175
providers shall be limited to initial claim allowances and 57176
requests for additional conditions. The claimant may request a 57177
review by the department's chief medical officer. In the event of 57178
an appeal, the claimant may receive a medical evaluation from a 57179
medical practitioner affiliated within the department's network of 57180
third-party medical contractors or a medical practitioner in a 57181
managed care organization certified by the bureau of workers' 57182
compensation under section 4121.44 of the Revised Code and located 57183
in Franklin county. 57184

(E) In accordance with division (J) of section 4123.54 of the 57185
Revised Code, compensation or benefits are not payable to a 57186
claimant during the period of confinement of the claimant in any 57187
correctional institution or county jail. Any remaining amount of 57188

an award of compensation or benefits for an injury or occupational 57189
disease arising out of participation in authorized work activity 57190
in the federal prison industries enhancement certification program 57191
shall be paid to or on behalf of a claimant after the claimant is 57192
released from imprisonment. If a claimant is reimprisoned, 57193
compensation and benefits shall be suspended during the claimant's 57194
imprisonment but shall resume on the claimant's release from 57195
imprisonment. 57196

(F) The administrator of workers' compensation may adopt 57197
rules necessary to implement this section. 57198

Sec. 4141.02. A nonprofit organization that does not meet the 57199
definition of employer for purposes of this chapter pursuant to 57200
division (A)(1)(a) of section 4141.01 of the Revised Code, and 57201
that does not elect to become an employer subject to this chapter 57202
pursuant to division (A)(4) of section 4141.01 of the Revised 57203

the organization, and the employee's employment with the 57205
organization, are exempt from this chapter. 57206

the nonprofit organization to individuals whose service, during 57255
the base period of the claims, was within the effective period of 57256
such election. 57257

(2) Any nonprofit organization which becomes subject to this 57258
chapter after January 1, 1972, may elect to become liable for 57259

filing a written notice of its election with the director not 57263
later than thirty days immediately following the date of the 57264
determination of such subjectivity. 57265

(3) Any nonprofit organization which makes an election in 57266

payments in lieu of contributions for the period described in this 57268
division and until it files with the director a written notice 57269

the termination is to become effective. 57272

(4) Any nonprofit organization which has been paying 57273

of the amount of extended benefits paid during such quarter or 57302

employ of such organization. 57304

(b) In the computation of the amount of benefits to be 57305

(B)(1)(a) of this section shall be computed and charged to such 57308

end of the year for any excess or shortage of the amount of such 57318
installment payments compared with the total amount of benefits 57319
actually charged the organization's account during the year. In 57320
making any adjustment, where the total installment payments are 57321
less than the actual benefits charged, the organization shall be 57322
liable for payment of the unpaid balance in accordance with 57323
division (B)(2) of this section. If the total installment payments 57324
exceed the actual benefits charged, all or part of the excess may, 57325
at the discretion of the director, be refunded or retained in the 57326
fund as part of the payments which may be required in the next 57327
year. 57328

(2) Payment of any bill rendered under division (B)(1) of 57329
this section shall be made not later than thirty days after the 57330

remuneration of individuals in the employ of the organization. 57337

(4) An organization may file an application for review and 57338
redetermination of the amounts appearing on any bill rendered to 57339
such organization under division (B)(1) of this section. The 57340

section 4141.24 of the Revised Code. 57342

4141.23 and ~~414.27~~ 4141.27 of the Revised Code. In case of failure 57346
to file a required quarterly report within the time prescribed by 57347
the director, the nonprofit organization shall be subject to a 57348
forfeiture pursuant to section 4141.20 of the Revised Code for 57349
each quarterly report that is not timely filed. 57350

All interest and forfeitures collected under this division 57351
shall be paid into the unemployment compensation special 57352
administrative fund as provided in section 4141.11 of the Revised 57353
Code. 57354

(6) All payments in lieu of contributions collected under 57355
this section shall be paid into the unemployment compensation fund 57356
as provided in section 4141.09 of the Revised Code. Any refunds of 57357
such payments shall be paid from the unemployment compensation 57358
fund, as provided in section 4141.09 of the Revised Code. 57359

the effective date of the election, or the amount established by 57374
the director within the limitation provided in division 57375
~~(C)(2)(d)~~ (C)(2)(c) of this section, whichever is the less. The 57376

~~deposit~~ shall be as determined by the director under regulations 57386
prescribed for this purpose. 57387

(b) ~~Any bond or other form of collateral security approved by~~ 57388

period of not less than two calendar years and shall be renewed 57390
with the approval of the director, at such times as the director 57391

accrue to the benefit of the depositor and shall be distributed to 57413
the depositor in the absence of any notification from the director 57414
that the depositor is in default on any payment owed to the 57415
director. The director may require the sale of any such bonds to 57416
the extent necessary to satisfy any unpaid payments in lieu of 57417
contributions, together with any applicable interest or 57418
forfeitures provided for in division (B)(5) of this section. The 57419
director shall require the employer within thirty days following 57420
any sale of deposited securities, under this subdivision, to 57421
deposit additional securities, surety bond, or combination of 57422

renewed elections effective on and after January 1, 1998, shall 57441
not exceed two million dollars. 57442

(3) If any nonprofit organization fails to file a bond ~~or~~ 57443
~~make a deposit~~, or to file a bond in an increased amount ~~or to~~ 57444
~~make whole the amount of a previously made deposit~~, as provided 57445
under this division, the director may terminate the organization's 57446
election to make payments in lieu of contributions effective for 57447
the quarter following such failure and the termination shall 57448
continue for not less than the remainder of that calendar year and 57449
the next calendar year, beginning with the quarter in which the 57450
termination becomes effective; except that the director may extend 57451
for good cause the applicable filing, ~~deposit, or adjustment~~ 57452
period by not more than thirty days. 57453

(D)(1) Two or more nonprofit organizations that have become 57454
liable for payments in lieu of contributions, in accordance with 57455
division (A) of this section, may file a joint application to the 57456
director for the establishment of the group account for the 57457
purpose of sharing the cost of benefits paid that are attributable 57458
to service in the employ of those employers. Notwithstanding 57459
division (E) of section 4141.242 of the Revised Code, hospitals 57460
operated by this state or a political subdivision may participate 57461
in a group account with nonprofit organizations under the 57462
procedures set forth in this section. Each application shall 57463
identify and authorize a group representative to act as the 57464
group's agent for the purposes of this division. 57465

(2) Upon the director's approval of the application, the 57466
director shall establish a group account for the employers 57467
effective as of the beginning of the calendar quarter in which the 57468
director receives the application and shall notify the group's 57469
representative of the effective date of the account. The account 57470
shall remain in effect for not less than two years and thereafter 57471
until terminated by the director or upon application by the group. 57472

(3) Upon establishment of the account, each member of the 57473
group shall be liable, in the event that the group representative 57474

fails to pay any bill issued to it pursuant to division (B) of 57475
this section, for payments in lieu of contributions with respect 57476
to each calendar quarter in the amount that bears the same ratio 57477
to the total benefits paid in the quarter that are attributable to 57478
service performed in the employ of all members of the group as the 57479
total wages paid for service in employment by the member in the 57480
quarter bear to the total wages paid during the quarter for 57481
service performed in the employ of all members of the group. 57482

(4) The director shall adopt regulations as considered 57483
necessary with respect to the following: applications for 57484
establishment, bonding, maintenance, and termination of group 57485
accounts that are authorized by this section; addition of new 57486
members to and withdrawal of active members from such accounts; 57487
and the determination of the amounts that are payable under this 57488
division by the group representative and in the event of default 57489
in payment by the group representative, members of the group, and 57490
the time and manner of payments. 57491

Sec. 4141.28. BENEFITS 57492

Applications for determination of benefit rights and claims 57494
for benefits shall be filed with the director of job and family 57495
services. Such applications and claims also may be filed with an 57496
employee of another state or federal agency charged with the duty 57497
of accepting applications and claims for unemployment benefits or 57498
with an employee of the unemployment insurance commission of 57499
Canada. 57500

When an unemployed individual files an application for 57501
determination of benefit rights, the director shall furnish the 57502
individual with an explanation of the individual's appeal rights. 57503
The explanation shall describe clearly the different levels of 57504
appeal and explain where and when each appeal must be filed. 57505

(B) APPLICATION FOR DETERMINATION OF BENEFIT RIGHTS 57506

In filing an application, an individual shall furnish the 57507
director with the name and address of the individual's most recent 57508
separating employer and the individual's statement of the reason 57509
for separation from the employer. The director shall promptly 57510
notify the individual's most recent separating employer of the 57511
filing and request the reason for the individual's unemployment, 57512
unless that notice is not necessary under conditions the director 57513
establishes by rule. The director may request from the individual 57514
or any employer information necessary for the determination of the 57515
individual's right to benefits. The employer shall provide the 57516
information requested within ten working days after the request is 57517
sent. If an employer fails to provide requested information within 57518
ten working days, the director shall provide to the tax 57519
commissioner the individual's and employer's names, addresses, 57520
taxpayer identification numbers if available, and any additional 57521
information required by the tax commissioner. The tax commissioner 57522
shall confirm to the director whether the individual was included 57523
on the most recent annual return filed by the employer pursuant to 57524
division (F) of section 5747.07 of the Revised Code. The tax 57525
commissioner shall inform the director if the tax commissioner is 57526
unable to provide the requested confirmation. If necessary to 57527
ensure prompt determination and payment of benefits, the director 57528
shall base the determination on the information that is available. 57529

An individual filing an application for determination of 57530
benefit rights shall disclose, at the time of filing, whether or 57531
not the individual owes child support obligations. 57532

An individual filing an application for determination of 57533
benefit rights shall furnish proof of identity at the time of 57534
filing in the manner prescribed by the director. The director 57535
shall adopt rules to prescribe the manner in which an applicant 57536
shall furnish proof of identity. 57537

(C) MASS LAYOFFS 57538

An employer who lays off or separates within any seven-day 57539
period fifty or more individuals because of lack of work shall 57540
furnish notice to the director of the dates of layoff or 57541
separation and the approximate number of individuals being laid 57542
off or separated. The notice shall be furnished at least three 57543
working days prior to the date of the first day of such layoff or 57544
separation. In addition, at the time of the layoff or separation 57545
the employer shall furnish to the individual and to the director 57546
information necessary to determine the individual's eligibility 57547
for unemployment compensation. 57548

(D) DETERMINATION OF BENEFIT RIGHTS 57549

The director shall promptly examine any application for 57550
determination of benefit rights. On the basis of the information 57551
available to the director under this chapter, the director shall 57552
determine whether or not the application is valid, and if valid, 57553
the date on which the benefit year shall commence and the weekly 57554
benefit amount. The director shall promptly notify the applicant, 57555
employers in the applicant's base period, and any other interested 57556
parties of the determination and the reasons for it. In addition, 57557
the determination issued to the claimant shall include the total 57558
amount of benefits payable. The determination issued to each 57559
chargeable base period employer shall include the total amount of 57560
benefits that may be charged to the employer's account. 57561

(E) CLAIM FOR BENEFITS 57562

The director shall examine the first claim and any additional 57563
claim for benefits. On the basis of the information available, the 57564
director shall determine whether the claimant's most recent 57565
separation and, to the extent necessary, prior separations from 57566
work, allow the claimant to qualify for benefits. Written notice 57567
of the determination granting or denying benefits shall be sent to 57568

the claimant, the most recent separating employer, and any other 57569
employer involved in the determination, except that written notice 57570
is not required to be sent to the claimant if the reason for 57571
separation is lack of work and the claim is allowed. 57572

If the director identifies an eligibility issue, the director 57573
shall immediately send notice to the claimant of the issue 57574
identified, specify the week or weeks involved, and identify what 57575
the claimant must do to address the issue or who the claimant may 57576
contact for more information. The claimant has a minimum of five 57577
business days after the notice is sent to respond to the 57578
information included in the notice, and after the time allowed as 57579
determined by the director, the director shall make a 57580
determination. The claimant's response may include a request for a 57581
fact-finding interview when the eligibility issue is raised by an 57582
informant or source other than the claimant, or when the 57583
eligibility issue, if determined adversely, disqualifies the 57584
claimant for the duration of the claimant's period of 57585
unemployment. 57586

When the determination of a continued claim for benefits 57587
results in a disallowed claim, the director shall notify the 57588
claimant of the disallowance and the reasons for it. 57589

(F) ELIGIBILITY NOTICE 57590

Any base period or subsequent employer of a claimant who has 57591
knowledge of specific facts affecting the claimant's right to 57592
receive benefits for any week may notify the director in writing 57593
of those facts. The director shall prescribe a form for such 57594
eligibility notice, but failure to use the form shall not preclude 57595
the director's examination of any notice. 57596

To be considered valid, an eligibility notice must: contain 57597
in writing, a statement that identifies either a source who has 57598
firsthand knowledge of the information or an informant who can 57599

identify the source; provide specific and detailed information 57600
that may potentially disqualify the claimant; provide the name and 57601
address of the source or the informant; and appear to the director 57602
to be reliable and credible. 57603

An eligibility notice is timely filed if received or 57604
postmarked prior to or within forty-five calendar days after the 57605
end of the week with respect to which a claim for benefits is 57606
filed by the claimant. An employer who timely files a valid 57607
eligibility notice shall be an interested party to the claim for 57608
benefits which is the subject of the notice. 57609

The director shall consider the information contained in the 57610
eligibility notice, together with other available information. 57611
After giving the claimant notice and an opportunity to respond, 57612
the director shall make a determination and inform the notifying 57613
employer, the claimant, and other interested parties of the 57614
determination. 57615

(G) CORRECTED DETERMINATION 57616

If the director finds within the two hundred eight calendar 57617
weeks beginning with the Sunday of the week during which an 57618
application for benefit rights was filed that a determination made 57619
by the director was erroneous due to an error in an employer's 57620
report or any typographical or clerical error in the director's 57621
determination, or as shown by correct remuneration information 57622
received by the director, the director shall issue a corrected 57623
determination to all interested parties. The corrected 57624
determination shall take precedence over and void the prior 57625
determination of the director. The director shall not issue a 57626
corrected determination when the commission or a court has 57627
jurisdiction with respect to that determination. 57628

(H) EFFECT OF COMMISSION DECISIONS 57629

In making determinations, the director shall follow decisions 57630

of the unemployment compensation review commission which have 57631
become final with respect to claimants similarly situated. 57632

(I) PROMPT PAYMENTS 57633

If benefits are allowed by the director, a hearing officer, 57634
the commission, or a court, the director shall pay benefits 57635
promptly, notwithstanding any further appeal, provided that if 57636
benefits are denied on appeal, of which the parties have notice 57637
and an opportunity to be heard, the director shall withhold 57638
payment of benefits pending a decision on any further appeal. 57639

Sec. 4141.31. (A) Benefits otherwise payable for any week 57640
shall be reduced by the amount of remuneration or other payments a 57641
claimant receives with respect to such week as follows: 57642

(1) Remuneration in lieu of notice; 57643

(2) Compensation for wage loss under division (B) of section 57644
4123.56 of the Revised Code or a similar provision under the 57645
workers' compensation law of any state or the United States; 57646

(3) Payments in the form of retirement, or pension allowances 57647
as provided under section 4141.312 of the Revised Code; 57648

(4) Except as otherwise provided in division (D) of this 57649
section, remuneration in the form of separation or termination pay 57650
paid to an employee at the time of the employee's separation from 57651
employment; 57652

(5) ~~Vacation pay or allowance~~ Amounts payable under the law, 57653
terms of a labor-management contract or agreement, or other 57654
contract of hire, which payments are allocated to designated 57655
weeks, for either of the following: 57656

(a) Vacation pay or allowance; 57657

(b) Holiday pay or allowance. 57658

(6) Bonuses payable under the law, terms of a 57659

labor-management contract or agreement, or other contract of hire; 57660

(7) The determinable value of cost savings days. 57661

If payments under this division are paid with respect to a 57662
month then the amount of remuneration deemed to be received with 57663
respect to any week during such month shall be computed by 57664
multiplying such monthly amount by twelve and dividing the product 57665
by fifty-two. If there is no designation of the period with 57666
respect to which payments to an individual are made under this 57667
section then an amount equal to such individual's normal weekly 57668
wage shall be attributed to and deemed paid with respect to the 57669
first and each succeeding week following the individual's 57670
separation or termination from the employment of the employer 57671
making the payment until such amount so paid is exhausted. 57672

If benefits for any week, when reduced as provided in this 57673
division, result in an amount not a multiple of one dollar, such 57674
benefits shall be rounded to the next lower multiple of one 57675
dollar. 57676

Any payment allocated by the employer or the director of job 57677
and family services to weeks under division (A)(1), (4), or (5) of 57678
this section shall be deemed to be remuneration for the purposes 57679
of establishing a qualifying week and a benefit year under 57680
divisions (O)(1) and (R) of section 4141.01 of the Revised Code. 57681

(B) Benefits payable for any week shall not be reduced by the 57682
amount of remuneration a claimant receives with respect to such 57683
week in the form of drill or reserve pay received by a member of 57684
the Ohio national guard or the armed forces reserve for attendance 57685
at a regularly scheduled drill or meeting. 57686

(C) No benefits shall be paid for any week with respect to 57687
which or a part of which an individual has received or is seeking 57688
unemployment benefits under an unemployment compensation law of 57689
any other state or of the United States, provided the 57690

disqualifications shall not apply if the appropriate agency of 57691
such other state or of the United States finally determines that 57692
an individual is not entitled to such unemployment benefits. A law 57693
of the United States providing any payment of any type and in any 57694
amounts for periods of unemployment due to lack of work shall be 57695
considered an unemployment compensation law of the United States. 57696

(D) Benefits payable for any week shall not be reduced by the 57697
amount of military severance, disability, or separation pay paid 57698
to an individual who is a former member of the armed forces of the 57699
United States. 57700

(E) Remuneration for personal services includes cost savings 57701
days, as defined in division (DD) of section 4141.01 of the 57702
Revised Code, for which employees continue to accrue employee 57703
benefits that have a determinable value. Any unemployment 57704
compensation benefits that may be payable as a result of cost 57705
savings days shall be reduced as provided in division (A)(6) of 57706
this section. 57707

Sec. 4141.43. (A) ~~The Except as provided in division (B) of 57708

~~United States employment service, and other similar departments~~ 57712
~~and agencies, as determined by the director, in the exchange or~~ 57713
~~disclosure of information as to wages, employment, payrolls,~~ 57714

(5) To a consumer reporting agency; 57741

(6) Pursuant to a requirement of federal law. 57742

political party. 57747

(C) The director may afford reasonable cooperation with every 57748
agency of the United States charged with the administration of any 57749
unemployment compensation law. 57750

(D) The director may enter into arrangements with the 57751

appropriate agencies of other states or of the United States or 57752
Canada whereby individuals performing services in this and other 57753
states for a single employer under circumstances not specifically 57754
provided for in division (B) of section 4141.01 of the Revised 57755
Code or in similar provisions in the unemployment compensation 57756
laws of such other states shall be deemed to be engaged in 57757
employment performed entirely within this state or within one of 57758
such other states or within Canada, and whereby potential rights 57759
to benefits accumulated under the unemployment compensation laws 57760
of several states or under such a law of the United States, or 57761
both, or of Canada may constitute the basis for the payment of 57762
benefits through a single appropriate agency under terms that the 57763
director finds will be fair and reasonable as to all affected 57764
interests and will not result in any substantial loss to the 57765
unemployment compensation fund. 57766

(E) The director may enter into agreements with the 57767
appropriate agencies of other states or of the United States or 57768
Canada: 57769

(1) Whereby services or wages upon the basis of which an 57770
individual may become entitled to benefits under the unemployment 57771
compensation law of another state or of the United States or 57772
Canada shall be deemed to be employment or wages for employment by 57773
employers for the purposes of qualifying claimants for benefits 57774
under this chapter, and the director may estimate the number of 57775
weeks of employment represented by the wages reported to the 57776
director for such claimants by such other agency, provided such 57777
other state agency or agency of the United States or Canada has 57778
agreed to reimburse the unemployment compensation fund for such 57779
portion of benefits paid under this chapter upon the basis of such 57780
services or wages as the director finds will be fair and 57781
reasonable as to all affected interests; 57782

(2) Whereby the director will reimburse other state or 57783

federal or Canadian agencies charged with the administration of 57784
unemployment compensation laws with such reasonable portion of 57785
benefits, paid under the law of such other states or of the United 57786
States or of Canada upon the basis of employment or wages for 57787
employment by employers, as the director finds will be fair and 57788
reasonable as to all affected interests. Reimbursements so payable 57789
shall be deemed to be benefits for the purpose of section 4141.09 57790
and division (A) of section 4141.30 of the Revised Code. However, 57791
no reimbursement so payable shall be charged against any 57792
employer's account for the purposes of section 4141.24 of the 57793
Revised Code if the employer's account, under the same or similar 57794
circumstances, with respect to benefits charged under the 57795
provisions of this chapter, other than this section, would not be 57796
charged or, if the claimant at the time the claimant files the 57797
combined wage claim cannot establish benefit rights under this 57798
chapter. This noncharging shall not be applicable to a nonprofit 57799
organization that has elected to make payments in lieu of 57800
contributions under section 4141.241 of the Revised Code, except 57801
as provided in division (D)(2) of section 4141.24 of the Revised 57802
Code. The director may make to other state or federal or Canadian 57803
agencies and receive from such other state or federal or Canadian 57804
agencies reimbursements from or to the unemployment compensation 57805
fund, in accordance with arrangements pursuant to this section. 57806

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of 57807
the Revised Code, the director may enter into agreements with 57808
other states whereby services performed for a crew leader, as 57809
defined in division (BB) of section 4141.01 of the Revised Code, 57810
may be covered in the state in which the crew leader either: 57811

(a) Has the crew leader's place of business or from which the 57812
crew leader's business is operated or controlled; 57813

(b) Resides if the crew leader has no place of business in 57814
any state. 57815

(F) The director may apply for an advance to the unemployment 57816
compensation fund and do all things necessary or required to 57817
obtain such advance and arrange for the repayment of such advance 57818
in accordance with Title XII of the "Social Security Act" as 57819
amended. 57820

(G) The director may enter into reciprocal agreements or 57821
arrangements with the appropriate agencies of other states in 57822
regard to services on vessels engaged in interstate or foreign 57823
commerce whereby such services for a single employer, wherever 57824
performed, shall be deemed performed within this state or within 57825
such other states. 57826

(H) The director shall participate in any arrangements for 57827
the payment of compensation on the basis of combining an 57828
individual's wages and employment, covered under this chapter, 57829
with the individual's wages and employment covered under the 57830
unemployment compensation laws of other states which are approved 57831
by the United States secretary of labor in consultation with the 57832
state unemployment compensation agencies as reasonably calculated 57833
to assure the prompt and full payment of compensation in such 57834
situations and which include provisions for: 57835

(1) Applying the base period of a single state law to a claim 57836
involving the combining of an individual's wages and employment 57837
covered under two or more state unemployment compensation laws, 57838
and 57839

(2) Avoiding the duplicate use of wages and employment by 57840
reason of such combining. 57841

~~(I)~~(I)(1) The director shall cooperate with the United States 57842
department of labor to the fullest extent consistent with this 57843
chapter, and shall take such action, through the adoption of 57844
appropriate rules, regulations, and administrative methods and 57845
standards, as may be necessary to secure to this state and its 57846

citizens all advantages available under the provisions of the 57847
"Social Security Act" that relate to unemployment compensation, 57848

"Workforce Innovation and Opportunity Act," 29 U.S.C.A. 3101 et 57853
seq. 57854

(2) Nothing in division (I)(1) of this section requires the 57855
director to participate in, nor precludes the director from 57856
ceasing to participate in, any voluntary, optional, special, or 57857
emergency program offered by the federal government, including 57858
programs offered under any of the federal acts listed in division 57859
(I)(1) of this section, the "Coronavirus Aid, Relief, and Economic 57860
Security Act," 15 U.S.C. 9023, or any other federal program 57861
enacted to address exceptional unemployment conditions. 57862

(J) The director may disclose wage information furnished to 57863
or maintained by the director under Chapter 4141. of the Revised 57864
Code to a consumer reporting agency as defined by the "Fair Credit 57865

agreement that requires all of the following: 57868

(1) A written statement of informed consent from the 57869
individual whose information is to be disclosed; 57870

reporting agency will pay to the bureau all costs associated with 57876
the disclosure. 57877

The director shall prescribe a manner and format in which 57878
this information may be provided. 57879

~~(K) The director shall adopt rules defining the requirements 57880
of the release of individual income verification information 57881
specified in division (J) of this section, which shall include all 57882
terms and conditions necessary to meet the requirements of federal 57883

considered necessary by the director for the proper administration 57885
of this division. 57886~~

~~(L) The director shall disclose information furnished to or 57887

an F-11 permit is issued. 58668

Sec. 4303.271. (A) Except as provided in divisions (B) and 58669

(D) of this section, the holder of a permit issued under sections 58670

for the renewal of the same class of permit for the same premises, 58672
shall be entitled to the renewal of the permit. The division of 58673
liquor control shall renew the permit unless the division rejects 58674
for good cause any renewal application, subject to the right of 58675
the applicant to appeal the rejection to the liquor control 58676

contained in division (A) of section 4303.292 of the Revised Code. 58683
Any objection shall be made no later than thirty days prior to the 58684
expiration of the permit, and the division shall accept the 58685
objection if it is postmarked no later than thirty days prior to 58686
the expiration of the permit. The objection shall be made by a 58687
resolution specifying the reasons for objecting to the renewal and 58688
requesting a hearing, but no objection shall be based upon 58689
noncompliance of the permit premises with local zoning regulations 58690
that prohibit the sale of beer or intoxicating liquor in an area 58691
zoned for commercial or industrial uses, for a permit premises 58692
that would otherwise qualify for a proper permit issued by the 58693
division. The resolution shall be accompanied by a statement by 58694
the chief legal officer of the political subdivision that, in the 58695
chief legal officer's opinion, the objection is based upon 58696
substantial legal grounds within the meaning and intent of 58697
division (A) of section 4303.292 of the Revised Code. 58698

Upon receipt of a resolution of a legislative authority or 58699
board objecting to the renewal of a permit and a statement from 58700
the chief legal officer, the division shall set a time for the 58701

hearing and send by certified mail to the permit holder, at the 58702
permit holder's usual place of business, a copy of the resolution 58703
and notice of the hearing. The division shall then hold a hearing 58704
in the central office of the division, except that, upon written 58705
request of the legislative authority or board, the hearing shall 58706

premises is located, to determine whether the renewal shall be 58708
denied for any of the reasons contained in division (A) of section 58709
4303.292 of the Revised Code. Only the reasons for refusal 58710
contained in division (A) of section 4303.292 of the Revised Code 58711
and specified in the resolution of objection shall be considered 58712
at the hearing. 58713

The permit holder and the objecting legislative authority or 58714
board shall be parties to the proceedings under this section and 58715
shall have the right to be present, to be represented by counsel, 58716
to offer evidence, to require the attendance of witnesses, and to 58717
cross-examine witnesses at the hearing. 58718

(C) An application for renewal of a permit shall be filed 58719
with the division at least fifteen days prior to the expiration of 58720
an existing permit, and the existing permit shall continue in 58721
effect as provided in section 119.06 of the Revised Code until the 58722
application is approved or rejected by the division. Any holder of 58723
a permit, which has expired through failure to be renewed as 58724
provided in this section, shall obtain a renewal of the permit, 58725
upon filing an application for renewal with the division, at any 58726
time within thirty days from the date of the expired permit. A 58727
penalty of ten per cent of the permit fee shall be paid by the 58728
permit holder if the application for renewal is not filed at least 58729
fifteen days prior to the expiration of the permit. 58730

(D)(1) Annually, the tax commissioner shall examine the 58731
department of taxation's records for the horse-racing, alcoholic 58732
beverage, motor fuel, petroleum activity, sales or use, cigarette, 58733

other tobacco products, employer withholding, commercial activity, 58734
and gross casino revenue tax and gross receipts taxes levied 58735
pursuant to section 5739.101 of the Revised Code for each holder 58736
of a permit issued under sections 4303.02 to 4303.232 of the 58737
Revised Code to determine if the permit holder is delinquent in 58738
filing any returns, submitting any information required by the 58739
commissioner, or remitting any payments with respect to those 58740
taxes or any fees, charges, penalties, or interest related to 58741
those taxes. 58742

If any delinquency or liability exists, the commissioner 58743
shall send a notice of that fact ~~by certified mail, return receipt~~ 58744
~~requested,~~ to the permit holder in the manner provided in section 58745
5703.37 of the Revised Code. The notice shall specify, in as much 58746
detail as is possible, the periods for which returns have not been 58747
filed and the nature and amount of unpaid assessments and other 58748
liabilities and shall be sent on or before the first day of the 58749
third month preceding the month in which the permit expires. The 58750
commissioner also shall notify the division of liquor control of 58751
the delinquency or liability, identifying the permit holder by 58752
name and permit number. 58753

(2)(a) Except as provided in division (D)(4) of this section, 58754
the division of liquor control shall not renew the permit of any 58755
permit holder the tax commissioner has identified as being 58756
delinquent in filing any returns, providing any information, or 58757
remitting any payments with respect to the taxes listed in 58758
division (D)(1) of this section as of the first day of the sixth 58759
month preceding the month in which the permit expires, or of any 58760
permit holder the commissioner has identified as having been 58761
assessed by the department on or before the first day of the third 58762
month preceding the month in which the permit expires, until the 58763
division is notified by the commissioner that the delinquency, 58764
liability, or assessment has been resolved. 58765

(b)(i) Within ninety days after the date on which the permit expires, any permit holder whose permit is not renewed under this division may file an appeal with the liquor control commission. The commission shall notify the tax commissioner regarding the filing of any such appeal. During the period in which the appeal is pending, the permit shall not be renewed by the division. The permit shall be reinstated if the permit holder and the commissioner or the attorney general demonstrate to the liquor control commission that the commissioner's notification of a delinquency or assessment was in error or that the issue of the delinquency or assessment has been resolved.

(ii) A permit holder who has filed an appeal under division (D)(2)(b)(i) of this section may file a motion to withdraw the appeal. The division of liquor control may renew a permit holder's permit if the permit holder has withdrawn such an appeal and the division receives written certification from the tax commissioner that the permit holder's delinquency or assessment has been resolved.

(3) A permit holder notified of delinquency or liability under this section may protest the notification to the tax commissioner on the basis that no return or information is delinquent and no tax, fee, charge, penalty, or interest is outstanding. The commissioner shall expeditiously consider any evidence submitted by the permit holder and, if it is determined that the notification was in error, immediately shall inform the division of liquor control that the renewal application may be granted. The renewal shall not be denied if the delinquency or unreported liability is the subject of a bona fide dispute as to the validity of the delinquency or unreported liability and is the subject of an assessment and of an appeal properly filed by the permit holder.

(4) If the commissioner concludes that under the

circumstances the permit holder's delinquency or liability has 58798
been conditionally resolved, the commissioner shall allow the 58799
permit to be renewed, conditioned upon the permit holder's 58800
continuing performance in satisfying the delinquency and 58801
liability. The conditional nature of the renewal shall be 58802
specified in the notification given to the division of liquor 58803
control under division (D)(1) of this section. Upon receipt of 58804
notice of the resolution, the division shall issue a conditional 58805
renewal. If the taxpayer defaults on any agreement to pay the 58806
delinquency or liability or fails to keep subsequent tax or fee 58807
payments current, the liquor control commission, upon request and 58808
proof of the default or failure to keep subsequent tax or fee 58809
payments current, shall indefinitely suspend the permit holder's 58810
permit until all taxes or fees and interest due are paid. 58811

(5) The commissioner may adopt rules to assist in 58812
administering the duties imposed by this section. 58813
