Senator Brenner:

I am writing in opposition to SB1.

The State Board of Education has the expertise to shape the education of all of Ohio's students. The General Assembly does not possess that expertise.

The General Assembly needs to address the unconstitutional funding of public education in Ohio. That responsibility is the challenge the House and Senate should be working on—to fully phase in the Cupp-Patterson Fair School Funding Plan so Public Schools have the funds they need to educate my neighborhood's children.

I ask you to vote No on SB 1.

Respectfully,
Gail Larson
