Please vote NO on HB 8.

It is a blatant attempt to intimidate and harass already vulnerable people.

The language is harmful to LGBTQ+ students. Ohio already has regulations that govern parental notice, review, and opting out of instruction.

The proposed language would decrease access to medically accurate, sex education.

All individuals are safer when they determine who knows their identity.

Those of us whose dominant hand is our left were aware much sooner of our difference, but have in the past been vilified and excoriated.

Censuring books by and about being left handed will not change that unique feature of our humanity.

HB 8 is similarly an attack on LGBTQ+ students' safety and inalienable rights.
