

Dear Chair Brenner, Vice Chair O'Brien, Ranking Member Ingram  
and members of the Senate  
Education Committee,

I thank you for the opportunity to provide testimony on Senate Bill  
293. My name is Brenda Oty and I am from  
Franklin County.

I believe that all parents should have  
the opportunity to choose released time religious instruction for  
their children. This should not be a decision made by a school  
board.

Our forefathers had the incredible insight to insure us of this  
freedom and I employ you to help us protect it.

Ohio needs SB 293.

Please protect parents' rights to make this decision for  
themselves and their children.

"Thank you for allowing me the opportunity to advocate for Senate  
Bill 293.

Sincerely,

Brenda Oty <><
