Chair Brenner, Vice Chair O'Brien, Ranking Members Ingram and members of the Senate Education Committee,

Thank you for the opportunity to provide testimony on Senate Bill 293. My name is Cheri Harney, and I am from Medina County.

Parents should have the authority to choose released time religious instruction (RTRI) for their child/ren.

SB293 would make RTRI accessible to all children in public schools without burdening the schools or the taxpayers.

Thank you for allowing me to advocate for Senate Bill 293.

Sincerely,

Cheri Harney
