

Testimony SB 295

Dear Senate Education Committee Chair Andrew Brenner, Vice Chair O'Brien, Ranking member Ingram, and members of the Senate Education Committee:

My name is Rebecca Ensworth. I am a parent of two grown girls who graduated from public schools in Medina Ohio where we live. I have been a teacher in OH for the past 40+ years.

Please do not pass major pieces of legislation without time for public consideration and input.

There is NO WAY all legislators, school board members and engaged parents have had a chance to read and review this 100+ page document.

This bill would remove local control from elected school board members and parents.

I ask you to consider my testimony and vote NO on this too rushed bill.

Thank you.

Sincerely,

Rebecca Ensworth
