

Senators,

I am writing as a deeply concerned citizen and constituent in Ohio. HB 8 cannot pass. I demand you vote against it. The panic over queer and trans children in this country is exponentially more dangerous to American (and Ohioan) children than anything those panicking are afraid of. Our children need acceptance and safety, not forced disclosure and exclusionary rules that tell them who they are is wrong. Moreover, this is an absolute waste of the Ohio legislature's time. You have been voted into office to address the ACTUAL issues facing us: rising rents, increased homelessness, corporate greed, anti-immigrant (thus, anti-American) hatred. Maybe fix these issues instead of wasting time on this culture war fluff. Please.

Sincerely,  
Dave Maher
