I, Mike DeWine, Governor of the State of Ohio, do hereby appoint Stephanie McCloud, Republican, from Reynoldsburg, Franklin County, Ohio, as a Member of the Capitol Square Review and Advisory Board for a term beginning January 6, 2023 and continuing at the pleasure of the Governor, replacing Michael Hall.

Mike DeWine
Governor

Ohio Governor Mike DeWine appointed Stephanie McCloud Administrator/CEO of the Ohio Bureau of Workers' Compensation in January 2019. She leads one of the largest state-run insurance systems in the United States with a staff of nearly 1,600 who serve 249,000 employers.

McCloud is a veteran executive with a diverse background that includes over 20 years of experience in public administration and workers' compensation. Before coming to the DeWine administration, she served as senior vice president at Sedgwick Claims Management Services while managing her private Columbus law firm, McCloud Law LLC.

She began her career as a staff attorney at BWC before serving as legal counsel to both former Governor George Voinovich and the Ohio Department of Transportation. She later joined the office of former Attorney General Jim Petro, first as senior deputy attorney general before advancing to chief counsel.

McCloud is also a former Truro Township Trustee and active community leader. She served six years on the Counselors, Social Workers, Marriage & Family Therapists Board and was on the board of the Maryhaven behavioral health and addiction treatment center for more than a decade.

In November 2020, McCloud went on to become the Director of the Ohio Department of Health during the height of the COVID pandemic. Governor Mike DeWine chose Stephanie for her knowledge of state government and management expertise, which were both needed during the pandemic. She continued as director for 10 months until her return to BWC as administrator in August 2021.

McCloud earned a bachelor's degree in journalism from Ohio University and a law degree from the Capital University Law School.

Administrator McCloud was a recipient of Columbus Business First's "40 Under 40 Award" in 2010, and in 2019 she was selected as a "Women to Watch" honoree by the international publication, Business Insurance. She was also selected for the 2021 class of Future50 by Columbus CEO Magazine. In 2020, she was awarded the Small Business Advocate Award by the Greater Cleveland Partnership in recognition of her commitment to small businesses and support of state policies that foster job creation and business growth.
