

Ohio Senate Agriculture & Natural Resources Committee
Ref: House Bill 33

May 4, 2023

To Whom it may Concern,

I am writing on behalf of North Valley Bank in support of House Bill 33. We see a tremendous benefit from the planned capital improvements at Jesse Owens State Park in Morgan County. The economic impact from the state park over the last few years shows more than 5,000 visitors to the park annually with millions of dollars of direct and indirect spending in Morgan and surrounding counties. This park has a large economic impact on our local communities and with these improvements, we believe it could provide so much more.

North Valley Bank feels strongly that the funding for the planned capital improvements can and will improve the life for families and businesses in our high poverty area.

Sincerely,

Tricia Lyons
North Valley Bank
Chief Financial Officer
