RE: House Bill 33

To Whom it May Concern:

It is my pleasure to write a letter in support of an increase in funding in House Bill 33 in FY2024-25 for capital improvements at Jesse Owens State Park in Morgan County. The Jesse Owens State Park attracts visitors to Morgan County. The community benefits from the dollars of direct and indirect spending as a result of the park through tourism.

These necessary improvements will continue funding in our local economy, and growth of our community. I supply support the efforts of ODNR.

Sincerely,

Cheryl Brink
Morgan County Treasurer
