Sub. H. B. No. 33 Edwards Establishes operating appropriations for fiscal years 2024-2025

Thursday, May 25, 2023, 9:00 AM Finance Hearing Room.

A: New American Resource Center (NARC) is One-Stop shop for ALL NEEDY /New Americans, to support for our continued community initiative for social services programs, this initiative of New American Resource Center will continue to impact the lives of Ohioans in general.

*B: **Shifa** Means in Arabic (**Recovery**) Healing Center, Place where Religious Clerks and Psychiatrists combine their skills, knowledge, healings, and treatments, with this **unique center** will save so many Needy/New American Families who are under the blanket/hiding their illnesses & scared to be labeled. The staff and volunteers of New American Resource center are planning to raise a significant amount of community support for (Shifa-Healing Center) to the Needy/New American communities in State of Ohio. The Center requires \$**489998.00** for the acquisition of a building and for its first-year budget. Because of NARCS commitment in improving mental health status of all needy/New American Communities. This will be a memorable support of those who need the most, and your Relentless support of the needy communities. We thank you for your deep understanding the needed Center to support those who cannot seek and navigate.*

Regards.
