Dear Chairman Dolan,

As Mayor of a small village in Ohio (North Lewisburg), one duty is to look at what is best for our community at all times. We are like many small villages, cash strapped at many times and doing what we need to do to make sure we are putting our best foot forward for our residents. This is why the OPWC SCIP program is so important to communities such as North Lewisburg. We have benefitted from this program in the past and in many ways is essential to be continued going forward so that a village like North Lewisburg can put its best foot forward for their residents in the future.

Thank you,

Ted M, Murphy Jr.
Mayor
