Chairman Rulli, Vice Chair Schuring, Ranking Member DeMora, and members of the Senate General Government Committee:

Thank you for considering my testimony. I am from Beavercreek in Greene County, 10<sup>th</sup> Ohio Senate District. I am a parent of two young adults, I have served more than twenty five years as a Sunday School teacher and I am a retired chemist.

I strongly oppose SJR 2 and I urge you to oppose it. The ability to amend our constitution is a vital part of freedom and democracy in Ohio. SJR 2 would put minority rule into our constitution. This is unacceptable and people on "both sides of the aisle" oppose it.

Please do not pass SJR 2 out of committee. Please do not support anything that makes it harder to amend our constitution.

Thank you.
