EXPERIENCE

Tiffin Academy of Hair Design | 104 E. Market St Tiffin, Ohio 44883

Owner/ President 1985 – Present

I am the chief operating officer and chief financial officer of the Academy. I run all of the day to day operations of the school as well as serve as the admissions and financial aid officer. I make all decisions on administration and personnel. As a licensed cosmetology instructor I am involved in creating all lesson plans used at the Academy, administer all teacher education and oversee the academic activities.

Prior to owning the Academy, I was a member of the Academy teaching staff for 15 years for a total of over 38 years. During that time I taught all levels of cosmetology and nail training, maintained student files and also assisted with financial aid and other office tasks.

As financial aid officer I attended the US Department of Education Training in February of 2001. I attended the Departments regional training session held in Columbus Ohio in the spring of 2011. I also regularly participate in online training and webinars provided by the United States Department of Education and NACCAS in order to stay current.

I was elected by my peers as a School Owner Commissioner on the Board. I was elected for 2, 3 year terms beginning in 2013. As a commissioner we acted on all regulatory actions for the schools under our purview. At the time that I was a board member there were over 1500 schools in the United States that were accredited by NACCAS.

While a board member I participated in many sub-committees responsible for developing and monitoring regulations. I was invited to sit at the table for discussions with the United States Department of Education regarding policy creation. I was chosen by my Board Member peers to be the secretary of the commission for 1 year and spent the last 2 years of my term as the Board Chairwoman.

SKILLS

- I have been involved in NACCAS compliance at the Academy since I began employment here in 1985
