Dear Chairman Huffman, Vice Chair Johnson, and Members of the Senate Health Committee,

I am writing to voice my support of House Bill 73 - The Dave & Angie Patient and Health Provider Protection Act.

This bill will protect access to life saving drugs prescribed by doctors, both from outpatient pharmacies and while admitted into a hospital.

This bill will prohibit licensing boards from taking action against one's health provider if they speak out about drug or vaccine risks or suggest alternative treatment options.

This bill will prohibit the World Health Organization from having any jurisdiction in the state of Ohio.

I implore you to vote YES on HB 73.

Sincerely,

Laura Kasner  
Wadsworth, Ohio
