

*Chairman Huffman, Vice Chair Johnson, and Members of the Senate Health Committee, thank you for hearing my support testimony for HB 73, The Dave & Angie Patient and Health Provider Protection Act*

*It is of primary importance that the State of Ohio declare it wrong and illegal to interfere with an individual in their personal health care decisions.*

*If the last 4+ years have proven anything at all it is that the W.H.O. deserves absolutely NO authority over ANY health decisions*

*I urge the committee to vote YES on HB 73,*

Respectfully,

Kevin Leary
