Chairman Huffman, Vice Chair Johnson, and Members of the Senate Health Committee, thank you for hearing my support testimony for HB 73, The Dave & Angie Patient and Health Provider Protection Act,

You must protect the people you have been elected to represent. Ohioans do NOT want our health (or any other) freedom handed to the W.H.O.!

The very foundation of our state and nation is at stake! The wrong vote will undermine everything we stand for and so many have given their lives for.

*I urge the committee to vote YES on HB 73.*

Sincerely,

Kerry Gleich
