

Chairman Huffman, Vice Chair Johnson, and Members of the Senate Health Committee, thank you for hearing my support testimony for HB 73, The Dave & Angie Patient and Health Provider Protection Act.

- **HB 73 will protect my access to life saving drugs prescribed by my doctor both from outpatient pharmacies & when in the hospital.**
- **HB 73 will stop licensing boards from taking action against health providers if they speak out about drug or vaccine risks or suggest alternative treatment options.**
- **HB 73 will stop the W.H.O. from having any jurisdiction in Ohio.**

The issues listed above are very important to me & my family!

I urge the committee to vote YES on HB 73.

Sincerely,

Lisa Gilles
