

Proponent Testimony on HB 73

Chairman Steve Huffman, Vice Chair Johnson, and members of the Senate Health Committee, thanks you for hearing my support testimony for HB 73, the Dave & Angie Patient and Health Provider Protection Act.

I want to make sure that I along with all Ohioans can have treatment choices. Also, the World Health Organization has no business interfering with the rights of Ohioans in our health care treatment options.

I urge the committee to vote Yes on HB 73.

Sincerely,

Greg Jevnikar
